Left Hand

Continued from Page 1

There is now a manual controlled light at the corner, which flashes its amber light which causes much confusion. The large number of children crossing, plus the cars crossing east and west from both Oak School and St. John Brebeuf, makes it both dangerous, and unfit for a woman crossing guard, who is now there.

Two weeks ago there was an accident with a carload of school children. The accident points up the need for immediate action at this danger point.

Certainly a uniformed policeman is absolutely needed to prevent any future accidents. And the heavily burdened corner, merits another try for a stop light there.

One mother telephoned Monday and said many of the mothers are thinking of forming a human chain to barricade the street, pointing to the problems, and hoping such an effort will get the response necessary for a solution there. While we can't agree with the method, nevertheless Niles public officials have to fortify that corner by more stringent means than they have done in the past. One accident is one too many.

• • •

The need and desire for a new village hall building is ever-with us, and is a source of conversation among officials and employees who make use of our antiquated facilities.

It has been the thinking of the Mayor, as well as several of the trustees, that a referendum at this time would meet with failure. It is also believed that a library referendum should precede a village hall referendum.

Library board members have been talking about a possible bond vote by the end of this summer. It is believed if a land site was purchased, or an option was taken on a land-site, Nilesites would be more disposed to favor the passage of a library referendum. Further belief concludes that the money from Niles Days, which is earmarked for land for the library will be available by summer's end. Thus, with the favorable image created by this Niles Days grant, it is felt the last days of summer would be the period most desirable for presentation of a library bond.

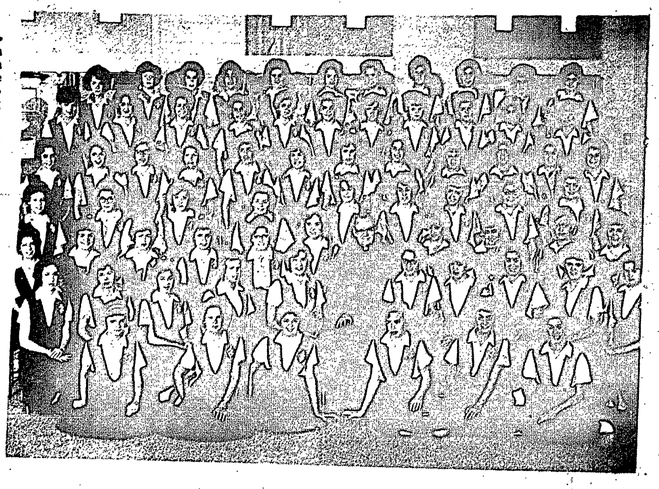
Now is the period when a citizens committee could once again be formed to lay the groundwork for such a plan. The highly successful park swimming pool referendum had the impetus of a real fireball committee, which supplemented the park board's efforts in passing the park bond.

Now, would certainly be the time when a citizens group could set a fire cracker under our well-meaning library board.

• • •

The village planner Carl Gardner long ago suggested that the area most desirable for a village hall is in the Oakton-Milwaukee area. The land directly across from the swimming pool site is still unimproved, and consideration for this area, is within the recommendation of Gardner. Many of us have long decried that Niles has no central area. Such a location would give Niles a swimming pool-park on the east side of Milwaukee and a village hall on the west side. The location, according to Gardner would be central for the town, and an image we would all be proud of. The one problem concerning traffic would have to be recognized, but this is a problem Niles has on all of her main thorofares.

St. John Brebeuf Class Of 1963



Graduation exercises for the class of 1963 of St. John Brebeuf School will begin with Mass and Communion this Saturday, June 1. Diplomas and awards will be presented to 141 graduates by the Pastor, Rev. John Flanagan, following the Mass.

Ray Eagan Elected Niles Park Board President

On May 21st the commissioners of Niles Park District held their annual election for president and vice president.

Mr. Raymond C. Eagan was elected President of Board and Mr. Jack Leske was elected Vice President.

Preceding the election three commissioners were given oath of office.

Lou Schreiner who was re-elected for 6 yr. term, Steve Chamerski, elected for 4 year term and Keith Peck elected to 2 year term were given their oath of office by Secretary T. H. Olsen.

Retiring President Lou Schreiner thanked fellow commissioners for their untiring effort to help make 1962-1963 one of the most successful years of the Niles Park District.

With a successful bond issue for pool & community building, plus over 200 acres annexed to the park district. A lease was signed with Chicago Forest Preserve and many improvements on parks.

Mr. Schreiner commented quote "the Niles Park District has finally taken its rightful place with the leaders in the State of Illinois, to provide and maintain recreation facilities for its residents."

The newly elected president, Raymond Eagan then announced the following committee appointments; Finance chairman, Lou Schreiner, member Keith Peck; Recreation chairman, Steve Chamerski, member Ray Eagan; Building & Grounds chairman, Jack Leske, member Lou Schreiner; Purchasing chairman, Ray Eagan, member Steve Chamerski; Police Security chairman, Keith Peck, member Jack Leske; Publicity chairman, Lou Schreiner, member Jack Leske.

The commissioners also re-appointed Frank Schmidt treasurer, T.H. Olsen Secretary, and George Gauthier Attorney.

Smigiel Tells Court Procedures

News of the Chicago Traffic Court requiring a parent to attend Court with teen age violators is not new to the Village of Niles. Judge Smigiel, Judge of the Village Court of Niles, installed this procedure over three years ago and requires one parent to attend Court with a traffic offending minor.

Judge Smigiel also practices sending traffic violators both young and older alike, to the Cook County Traffic School for two sessions over a two week period and reserves judgement on the violation until after the grades are received by the court, as to the tests taken by the motorists.

The Judge feels that a fine is not the sole solution to cutting down traffic violations and therefore requires either a parent's presence or/ and sometimes in addition, a session at the Traffic School.

Mrs. Lederer Heads Niles MS Drive

Mrs. Louis E. Lederer, 8558 N. Ozark Ave., Niles YOrktown 6-5635, has been named the Chairman for Niles of the 1963 Multiple Sclerosis Hope Chest Drive. The fund drive, sponsored by the Chicago Chapter of the National Multiple Sclerosis Society, will be a house to house canvass during the week of June 3, by 49 volunteer women of Niles.

Multiple Sclerosis is a chronic, crippling disease of the nervous system and one of the greatest causes of chronic disability among young adults, mainly in the 20 to 40 age group. "M.S." as it is called, is a mystery disease, the cause of which is not as yet known, in which the protective covering of the nerve fibers deteriorates, rendering the muscles incapable of proper co-ordination and performance of their tasks.

The MS Hope Chest Drive will have as its aim the collection of funds for more research and more clinics. Nationally sponsored research projects on Multiple Sclerosis are currently being conducted in the Chicago area at the University of Chicago, Northwestern University and Hines Veterans Hospital. An out-patient clinic at Northwestern University Medical Clinic is supported by the Chicago Chapter.

Helping hands for these Niles girls during their canvass will be most welcome.

District 63

Continued from Page 1

....The Board will hire a legal counsel, an expert in the field of zoning. Nathanson said als father was qualified for the job, and recommended him. He said he would accept the position and would serve without fee.

....Eight resignations were submitted to the Board from teachers moving and accepting positions in other districts. Bagg said 165 1/2 teachers contracts are now active and there is a need for 15 more elementary teachers and 4 junior high teachers.

The meeting to discuss the new school plans will take place the fourth Monday in June. There is also a meeting the second Wednesday of June.

Welcome Aboard

Mr. & Mrs. John Basso, of 8857 Grand, Niles, are proud to announce the birth of their new baby boy, Thomas Lawrence, who was born on May 16 at Lutheran General Hospital. He weighed in at 6 lb. 13 1/2 oz.

Niles Days Tickets Go To Residents

Beginning this week Niles Days tickets are being distributed to all Nilesites via their local homeowners' association. The new distribution plan will insure all the residents receive a book of tickets.

Money received from Niles Days revenue will be used to help purchase land for a permanent building for Niles Library.

This year Niles Days will be held July 19, 20, 21 and 22, in the Lawrencewood Shopping Center area. The grand prize will be a Chevy 2 Super Sport convertible.

The Niles Days books this year are $2.50, decreasing the book price by one-half over the past years.

Mrs. Wisniewski Heads Niles Police Aux.

The newly elected officers of the Women's Auxiliary of the Niles Police Department, Mrs. Rosemary Wisniewski, President, Mrs. Annette Dvorak, Vice President, Mrs. Virginia Rek, Secretary, Mrs. Pat Berresheim, Treasurer and Mrs. Mary Sansone, Sergeant at Arms, were installed by Judge Anton A. Smigiel, following a dinner at Angelos Restaurant, May 8, 1963.

Mayor Blase and Chief Emrikson took time from their busy schedules to attend the event, as did the Trustees and their wives, Mr. and Mrs. Berkowsky, Mr. and Mrs. Bruno and Mr. and Mrs. Marcheschi, Mr. and Mrs. Filas and Mr. and Mrs. Simms.

Misses Dvorak and Sansone acting hostesses for the evening prepared an entertaining and eventful program.

Mrs. Fred Topp acted as Mistress of Ceremony taking the audience on a trip around the world. First to Europe where Mrs. William Reed sang songs of the continent, then on to Hawaii and the Hula dancers, Cindy Dvorak, Christine Keating, Judy Schmidt and Candy Class who also danced modern jazz. The trip ended in Niles where a Twist contest was held with the men participating. Cindy and Candy helped set the motion. Mr. Marcheschi and Mr. Berkowsky tied for first place.

All who attended the installation received favors in theme with the program and corsages for the women were made by Annette Dvorak.

The first meeting to be conducted by the new officers will be held Friday, June 7, 8 P.M. at the Public Works Building.

Niles Calendar Of Events

June 3 - Niles Park Echoes Rehearsal 7:45 p.m., Grennan Heights.

June 4 - Fine Arts Society Meeting, Village Hall, 8:00 p.m.

From The Left Hand

By David Bonar
Editor & Publisher

Short, Short, Comment: We were among the minority voters who opposed the village court. We are not mindful to say we 'told you so' but the same village officials who pushed this issue, and sent out a brochure backing the issue, neglected to tell you about the need for a village court, and its accompanying jury box. Village officials are now considering a building which will house such a court. The one-sided propaganda favoring the court never mentioned this added cost.

We are hopeful that before they expend more money for our courtroom, that they first determine whether the judge in Niles will be here to rule over the courtroom. Many students of this system believe the judges may wind up sitting in courtrooms in downtown Chicago. It would be a mocking bit of irony if the judge elected for Niles did not serve Niles, and that the court we would then build would have an outside magistrate trying cases of outside residents in a courtroom paid for by Nilesites.

o o o o o

School District 63 is the fastest-growing and fastest-moving school district in this area. The strains and stresses resulting from this growth are unlike any neighboring school districts.

Heading the school district is Superintendent Jim Bagg, who started as a principal of Oak School when the district was small, and has been the coach and quarterback calling the plays here. Jim is a man who knows where he is going, and takes command boldly, and with firm resolve.

Up until recently school board activities were of little interest to residents, except for individual personal problems some parents might have. There had always been minor mumbling over the lack of a full-year kindergarten program, but the more reasonable parents understood the problems the district was having, and little concern was shown in this area.

The young parents who lived in the area had little time to watch the schools closely, and the school board ran the district with little criticism from their constituents.

Considering this indifference, plus the strong leadership of the superintendent, the school board became a shadow of what the people's representative should have been. Bagg's individual personal strength seemed greater than the combined willy-nilly strength of the board, and thus the line of communication between the residents and the schools was closed down. Thus when the eruptions of the past year did come, school people and school board members were taken back by the sudden rise of the people who own the schools (the residents).

District 63 has the unique make-up of a great many young, educated people, who're not accustomed to letting the "other guy do it." When there is a ballgame to be played, they want to be in the line-up. And while they might have gotten lost among all the diapers in their houses during the previous years, they suddenly wrestled

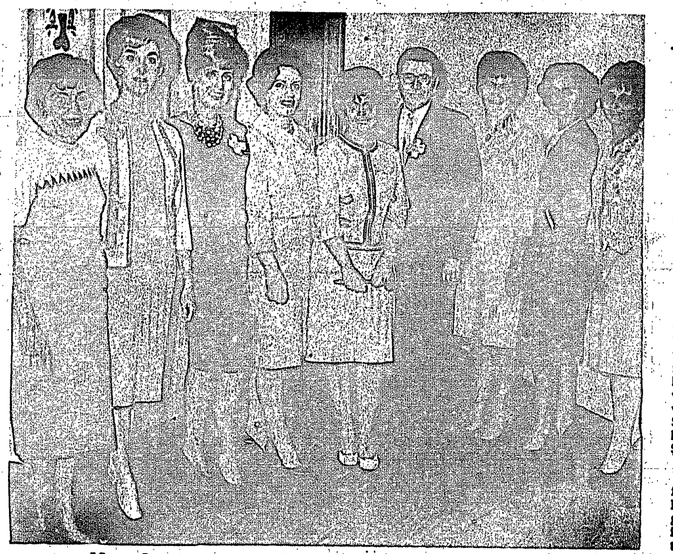
STUDY PLANS FOR NEW POLICE, COURT BUILDING



Newly Elected Ballard PTA Officers

Newly elected officers of Ballard PTA were installed recently at the final meeting of the group for the current school year. From left to right are: Mrs. Anthony Vasto, health committee; Mrs. Ronnie Lyons, ways and means; Mrs. Norman Kohen, recording secretary; Mrs. Marshall Siegel, treasurer; Mrs. Holden Krone, president; Dr. Walter Zinn, first vice-president; Mrs. Harry Elatkin, second vice-president; Mrs. Irene Cantwell, safety; Mrs. Sol Scher, corresponding secretary.

District 71 Prepares For June 15 School Vote

The Board of Education of School District Number 71, Niles Public School in Niles has announced plans for a bond referendum to be held on Saturday, June 15, 1963. This referendum will be for the purpose of paying and equipping a new school to be built on the property now owned by the district at Oakton Street, between Waukegan Road and Caldwell Avenue.

With the enrollment of the Niles Public School rapidly increasing the Board of Education has decided that its course of action must be to build at this site to better service the increasing needs of the community. Independent surveys by educational specialists have confirmed the facts and figures compiled by the Board of Education over the past several years. The present enrollment at the Niles Public School has now soared to 715 pupils. Projecting the enrollment to 1966 the enrollment figure will be 850 students. Rooms originally planned for a shop, home economics rooms, library, visual aid room and other specific areas of teaching are presently being used for general classrooms. To temporarily stem the enrollment tide the Board of Education purchased on a sell back basis the two mobile classrooms now in use. To meet state standards additional and adequate classroom facilities must now be provided.

It is proposed that a two story school be built on the Oakton Street site. This school would have 10 general class-

Hot Weather Causes Water Shortage

Public Works Superintendent Ed Bacher told THE BUGLE Tuesday water pumped from Chicago the past week-end slowed down, thus decreasing the water reserve in Niles. Bacher said water in the reservoir storage was down to 31/2 feet, resulting in a reserve of only about 1,000,000 gallons. Normally, Niles has a reserve of 5,000,000 gallons. When the problem exists during a dry spell, the pumps bringing water to Nilesites have to send less water to homeowners in order to build-up pressure.

Niles village ordinance requires all residents to sprinkle their lawns on alternate days. Nilesites with even-numbered addresses sprinkle on the even dates of the month and residents with odd-numbered addresses water their lawns on the odd dates of the month.

Favor Touhy Reservoir Area

(Written before Tuesday night's meeting)

Niles village hall growing pains may have been temporarily solved Tuesday night at a "closed" meeting of Niles public officials.

The most likely plan under consideration is to build a modest one-story building on the water reservoir property at Touhy and Waukegan Road which would house the police department and the judge's chambers. Money used for the construction would come from the water fund which now has an excess of $250,000. It is estimated the new building would cost about $150,000.

Niles burgeoning village, with its new village court, a new village manager, and an ever-growing village clerk's office, is forcing the old village hall to strain at its seams. Because village officials do not believe they could pass a village referendum for a full-sized village hall, the talked-about new building is a compromise-building, between what is desired, and what is of immediate need in the village.

The transfer of the courtroom and the police department to another building would enable the village clerk's offices to use the village hall's entire second floor, as well as the police offices on the first floor. The village manager's offices would also remain at the old building. Vehicle license and similar departments might be located on the first floor saving residents the trip to the second floor.

Real estate people have been working on the problem of providing Niles with a location for a village hall for nine months. However, the high cost of property (Milwaukee Avenue-about $50,000 per acre) makes any present plans for a new location for a hall prohibitive. Propositions have been presented to village officials for high rise apartments on the water reservoir area at one-half the density required by Niles building code. Other trades and proposals have all had "strings attached" which makes them inequitable propositions.

District 63 Report Tonite

The parents of Oak, Ballard, Melzer, Washington, Nelson, Mark Twain and East Maine Jr. High schools will have the opportunity to show their interest in their children's education by attending an open meeting of District 63's School Board at the Ballard School Gymnasium, Thursday, June 6th at 8 P.M. Mr. Ludwig Bodzewski will give a comprehensive report on the accomplishments and the future plans for the elementary and Jr. High curriculum. This will be Bodzewski's final report prior to leaving his post in District 63 as Asst. Supt. for Curriculum. It is felt that his report will be beneficial to all parents interested in understanding the progress being made in the district's schools.

314 Graduate From School District 63

Commencement exercises for East Maine Junior High School were held on Wednesday, June 5, at 8:00 P.M. in the Fieldhouse of Maine Township High School East. Mr. E. W. Bagg, Superintendent of School District 63, addressed the graduating class. Mr. Larney N. Field, principal, presented 314 students from Morton Grove, Niles Glenview, Des Plaines, and Park Ridge. The students were awarded their diplomas by Mr. Gordon F. Kopald, president of the Board of Education, and Mr. Stanley Osri, Board member.

Heart Assn. Has Eight Health Hints

Now that summer is here with its soaring temperatures, the Chicago Heart Association has eight health hints for those who cannot escape the heat.

1. Don't overdo! Treat your heart kindly and it will be kind to you. Don't rush for trains, buses or taxis.

2. Wear a head covering—hat, cap or kerchief in the hot sun to reduce the chance of heat exhaustion or heat stroke. Whenever possible, stay out of the sun during the hottest part of the day.

3. Don't overeat. Eat light, easily digested foods, fruit, vegetables, salads, cottage cheese and gelatin desserts.

4. Avoid ice cold drinks when you are overheated. Although they may seem "to hit the spot" they may be followed by reactions of increased body heat and actually defeat the purpose of keeping cool.

5. When swimming don't plunge or jump quickly into cold water. Wade in slowly so that the sudden change in temperature is not shocking. Never swim alone, and don't venture beyond your depth.

6. Don't be a "hothead"—keep "cool" and you'll be cool.

7. Don't be a week-end athlete. If you are over 35 and have not exercized regularly, it is a good idea to see your doctor before undertaking strenuous physical activity.

8. Practice moderation in all things.

These are general rules to follow if you want to keep cool. If you have heart disease be sure to follow your doctor's advice. For general information about the heart, write your Chicago Heart Association, 22 W. Madison, Chicago 2, Illinois.

Nilehi West Graduates 500 Seniors

Niles East and Niles West high schools next Wednesday and Thursday evenings, June 12 and 13, will graduate about 950 seniors. Ceremonies will commence both evenings at 8 pm.

Graduation exercises for Nilehi East's more than 425 seniors are scheduled for the outdoors Wednesday evening in the football stadium, weather permitting. If it rains, the ceremonies will be held in the school's main gymnasium.

Nilehi West's graduation exercises for about 500 seniors will be held in the gymnasium Thursday night.

Commencement exercises at both high schools will include an address of welcome and introductions of platform guests by Dr. Clyde Parker, superintendent, and distribution of diplomas by Dr. John Speer, president of the Board of Education, who will be assisted by other members of the school board.

At Nilehi West, addresses by students will include Richard Stein, valedictorian; David Gorenstein, salutatorian; and Susan Nixon, class speaker. Warren French, senior class president, will deliver the welcome from the senior class.

The Rev. Daniel Sandstedt, chaplain of Augustana Hospital, Chicago, will deliver the invocation and benediction at Nilehi West's graduation.

Under the direction of Hugh McGee, chairman of the Nilehi West music department, the school's orchestra will play the musical prelude, Processional and Recessional. The Choir and Orchestra will also feature "The Song of Man" by Richard Kountz.

Nilehi East's student speakers at commencement exercises will be Peter Nemkov, senior class president, and the valediction and salutatorian, whose names will not be known until after examinations Monday, June 10.

State Bowling Tourney At Classic Ends

The 66th annual Illinois Bowling Association (IBA) State Tournament has ended at Classic Bowl in Morton Grove. Lou Ciolfi and J. Simonis, members of the Hamm's Beer Classix League Team, emerged as the doubles champions with a scratch score of 1341. Ciolfi also won the all-events with a scratch score of 2005. Bob Ziegler of the Southtown Classix League became singles champion with a scratch score of 713.

Captain Otto Niehus' Old Fitzgerald team won the year championship in both the scratch and handicap competition with 3201 and 3247 tallies. Old Fitz previously had won the ABC team championship. Members of the winning team besides Niehus are Ed Kawolics, Harry Lippe, Les Zikes, Mr. and Jim Stefanich. Kawolics, incidentally, finished second in the all-events scratch at Classic Bowl with a 1968 total and winning himself a silver belt buckle. All scratch winners receive diamond belt buckles.

Elmer O'Brien, executive secretary of the IBA had special praise of the scoring at Henry Aronson's Classic Bowl. "All of the winners posted better scratch scores than their 1962 counterparts except for Ziesler," said O'Brien. "Similarly, all 1963 handicap winners rolled higher than the winning scores of the previous season with only one exception."

At the close of the meet, Jim Sullivan, president of the IBA, said, "I cannot give enough praise to the Morton Grove Chamber of Commerce and its president, Bill Kearney, for the cooperation that they gave to this great tournament. This year's meet, which started April 6th, attracted 2011 team entries and 1794, 3588 and 3160 in the doubles, singles and all-events, the 3rd largest entry in the 66 years of its existence."

"With such a record entry," said Elmer O'Brien, executive secretary, "not a hitch developed, and the tournament was run from beginning to end with extreme smoothness for which I credit Henry Aronson and the Classic Bowl staff, as well as the IBA staff. I also want to thank the mayors and trustees of Morton Grove and Niles for issuing Bowling Week proclamations."

Niles, Morton Grove CD Directors

At present, 108 cities and villages and 20 fire protection districts in Cook County outside of Chicago have local C-D directors. The directors from Morton Grove and Niles are: Edward L. Wilander, 9039 Parkside, Morton Grove, and Col. C. Russell Prichard, 8314 Osceola Ave., Niles.

Review Of School District 64 Board Meeting

A dinner meeting at the Pantry preceded the regular meeting of the Board of Education. Special guests included new board members and Mrs. Florida Verley and Miss Eleanor Gibbs, who is retiring from teaching. Another teacher, Miss Helen Secretan, was unable to be present. Mr. Kenneth Mac Kay, master of ceremonies, said he was acting in a dual role in expressing his appreciation to these teachers; as President of the Board of Education, and as a former student of Miss Helen Secretan, who is retiring this year after thirty-eight years of teaching and service in our community.

At the regular meeting of May 15, 1963, the District #64 Board of Education, accepted the resignation of Dr. Donald F. Kline as a member of the board to become effective May 16. Mr. Bushnell Fullerton accepted the assignment to fill out the unexpired term of Dr. Kline until the next general election.

A report on "individualized" or "personalized" reading was given by Dr. Blair Plimpton, Miss Edith Ford, Mrs. Ismone Collins, and Mrs. Mark Young at the beginning of the board meeting.

The resignations of fifteen teachers were accepted. The Board extended the leaves of absence for Mrs. Sue Wear and Mrs. Helen Jones for one more year.

Dr. Blair Plimpton reported that two hundred and thirty-nine contracts have been signed by staff members who are planning to return to the faculty next year. Including the additional positions to be filled for the coming year, this amounts to forty-two vacancies to be filled between now and September. Good progress is being made in filling these positions.

The Board of Education approved the recommendations for transfer of pupils to avoid oversize classrooms:

CARPENTER SCHOOL. Fifteen kindergarten children will be transported to an afternoon section at the Oakton School by special kindergarten bus. Five sixth-graders will be transferred to the Washington School. Both of these groups of children will come from the east end of the Carpenter area, since this is the area farthest from the Carpenter building.

EDISON SCHOOL. Residents moving into the new town houses on Peterson near Cumberland will be assigned to Merrill School.

FIELD SCHOOL. There are two classrooms on the third floor at Field which can be used for two of the three sections of sixth grade until the construction of the new classrooms in completed. If the contractor indicates probable completion date by Christmas time, then temporary provision for the third section will be made in the Field library. If the contractor indicates that construction may not be completed until Easter or later, then one section of Field children will be reassigned to Oakton School and transferred to this building for a full year.

JEFFERSON SCHOOL. If the construction at Jefferson is not completed by Labor Day, temporary arrangements will be to start kindergarten children in one large group with three teachers in the activity room.

MADISON SCHOOL. Thirty kindergarten children living on the north side of the Madison School area will be transported to the Oakton School for kindergarten, and 31 sixth-grade children from the Madison School area will be assigned to the Oakton School for sixth grade. The distribution of the residences of the sixth-grade children in the Madison area requires that they be picked up by bus in the morning but they can ride home on the bus which transports kindergarten children in the afternoon.

Bids on the bond issue in the amount of $475,000 were opened. John Nuveen and Co., 135 S. LaSalle St., Chicago, was the successful bidder for the sale of these bonds for the net interest rate of 3.2241%.

The Board accepted the bid of the Harrison-Spielman Co., 652 West Grand Ave., Chicago, to install Powermaster boilers in the Field School.

Saturday, June 8, was approved as the date for opening bids on the remodeling of the Lincoln School third-floor ceiling.

The calendar for meeting legal and board business requirements and study of special educational programs for 1963-64 was distributed.

A policy recommendation concerning the retirement age of Board of Education employees was submitted by the Administration Committee. It is the policy of the Board of Education that the normal retirement age for all employees is 65 years. The Board may, however, at its discretion, continue the employment, on a year to year basis, of personnel who have reached the retirement age, and who request such employment.

The next regular meeting date of the Board of Education will be Wednesday, June 19, 1963, 8:00 p.m. at the Board of Education offices, 400 S. Western Ave. The public is invited to attend.

Goodwill Asks For Donations

Goodwill industries is appealing to all home-makers to donate any curtains, drapes, blankets or bed-spreads they may be replacing in their homes this spring. All types of furniture too, except heavy over-stuffed pieces or large dining tables, are in short supply in the Goodwill workrooms. Hundreds of handicapped men and women of all raced and religions earn their living while being trained to clean and repair these donated articles, making them ready for resale in the ten Chicago Goodwill stores. If you have material to contribute will you please use one of the conveniently located Goodwill Deposit boxes, or, telephone ORchard 5-7775 and ask for Pick-up service and a Goodwill truck will call at your home or place of business.

Non-profit Goodwill Industries is one of the largest rehabilitation institutions in the country, using as a basis for training for discarded materials contributed by a generous public. It has truly been said that Goodwill's Business is PEOPLE.

Many of the handicapped who work to reclaim the donated articles are themselves rehabilitated to the point of acceptance in competitive industry. Within the past ten years 307 disabled men and women completed their training courses, after which Goodwill's Job Placement Staff secured jobs for them in industry where they earn wages comparable to the non-handicapped.

As each graduate moves on another disabled person is given this opportunity for self-improvement. Goodwill's program makes tax payers instead of tax burdens of these deserving handicapped people. The number to be given this opportunity depends upon the amount of help received from Chicagoland's householders and industry.

Fast Service After Maine Hi Accident

It is not until we are involved in an accident that we come to really appreciate the value of public servants. The recent freak accident in the main office of Maine Township High School East is an example. Within five minutes after the report of the accident, police, firemen and ambulances were at the scene. The care and efficiency with which they worked reflects their training and devotion to duty. We are fortunate to live in a community which provides such efficient service.

McDonald's Celebrates 2nd Anniversary

The man who has served a whopping total of 1,600,000 hamburgers to families in Niles is getting ready to celebrate his second anniversary as the biggest seller of hamburgers in Niles.

He is Jerry Meyer, operator of the McDonald's Hamburger restaurant at 7937 Milwaukee Avenue which will mark its second anniversary in business on June 14.

The local McDonald's is part of the big national chain which now numbers 475 units in 42 states. Nationally, McDonald's has sold more than one billion hamburgers since the chain operation began in 1955.

"The overwhelming acceptance which families in Niles have accorded McDonald's has been extremely gratifying, and I would like to take the occasion of this anniversary to say thanks to them for helping us become part of the community" said Meyer.

Local families have flocked to McDonald's ever since its opening, lining up at self-serving windows for hamburgers to take home or eat in their cars — and proving the effectiveness of the unique McDonald's concept of a carry-out restaurant keyed to the family trade and concentrating on America's favorite family fare, the hamburger. McDonald's represents a big departure from the usual drive-in restaurants serving transients. An estimated 90 per cent of McDonald's business comes from local families.

McDonald's restricts its menu to just 10 items — hamburgers, cheeseburgers, French Fries and soft drinks — to speed service and keep prices down.

"McDonald's has found many ways to turn the preparation and serving of hamburgers into a science — and to pass the savings of this scientific approach along to the customers by holding .15 cent price lines," says Meyer, "Not only in quality of food and in atmosphere, but in consideration for the family budget is McDonald's keyed to the family trade."

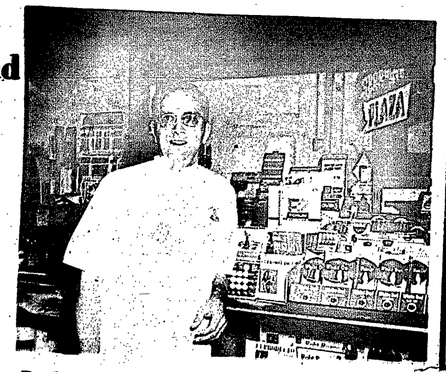
Science-minded local youngsters — and their fathers — get a special treat from watching Mc Donald's turn out hamburgers at a mass-production pace, while mothers are able to inspect the spotless kitchen, Meyer reports. The entire preparation area in on view behind glass windows and exhibition cooking is a major attraction at McDonald's.

The need for streamlined speed and assembly-line efficiency in turning out hamburgers is pointed up by the fact that locally McDonald's uses up to two tons of beef, a ton and a half of potatoes and almost 50 gallons of catsup in an average week. Last year, the entire chain used 17,000 tons of beef and 2,400 carloads of potatoes.

Wins Radio At Niles Shoe Repair

Mrs. Barbara Petruska, of 840 N. Greenwood Park Ridge, Ill., is the winner of the May drawing at Niles Shoe Repair Center, of a Pocket Transistor Radio.

Mrs. Petruska's name was drawn out of the box, by Jo Ann Vaughn, age 2 1/2 yrs., daughter of Mr. and Mrs. Geo. Vaughn, of 7947 Nora, Niles, Ill.



Bob Pankau Backs Y

Robert Pankau, of PANKAU DRUGS, 7503 Milwaukee Avenue, Niles, said, "Young people, perhaps more than adults, need what the Y will offer. Right now there simply isn't any facilities for year around use in this area that can compare to what the Y will have."

Ravinia Festival Has Full Schedule For '63

Acclaimed as the most gifted of today's young folk singers and described as a "Sibyl with guitar," Joan Baez is a stellar addition to the Ravinia Festival's roster of celebrated artists appearing at the North Shore park this summer.

The 22-year-old Miss Baez, whose vibrant young soprano voice has earned her concert and recording stardom, will be heard at Ravinia on Wednesday evening, July 24.

Born on Staten Island, the daughter of an English-Scottish mother and a Mexican born father, she soared to national fame at the first Folk Festival at Newport, R.I., in 1959. She records for Vanguard and most of her concerts are given on college campuses.

Although Miss Baez hadn't planned to sing at all this summer, she has agreed to a limited number of engagements, and Ravinia is one of the few.

Ravinia opens its 28th festival season on Thursday evening, June 27, with Pablo Casals, world-renowned maestro, conducting the first concert of the Chicago Symphony Orchestra.

For jazz enthusiasts, the festival association announced the appearance of two of the vocal "greats" in that musical idiom—Carmen McRae and Dinah Washington—who will be featured with Count Basie. Miss Mc Rae is scheduled for July 17 and Miss Washington for July 19. Sarah Vaughan previously was announced for Basie's pair of concerts, but unfortunately is unable to appear.

In confirming the appearance of Jose Iturbi as conductor and pianist with the Chicago Symphony Orchestra on July 4, Ravinia reports that Iturbi's sister, Amparo, will be at the second piano that evening.

Except for the July 6 program, Ravinia has completed its schedule for the season, offering 17 symphony concerts, nine evenings of jazz and folk music, and six performances of the New York City Ballet.

In addition to Casals and Iturbi, the 1963 season's distinguished symphony conductors are the legendary Igor Stravinsky, with Robert Craft, Sir William Walton, Hans Schmidt- Isserstedt, Georges Pretre, Willi Boskovsky, Walter Hendl, and Norman Dello Joio.

An equally illustrious lineup of orchestral soloists includes Byron Janis, Leon Fleisher, Lorin Hollander, and the Iturbis, pianists; Elisabeth Schwarzkopf, Maureen Forrester, Olga Iglesias, William Warfield, Pablo Elvira Jr., and Paulino Saharreas, vocalists; Christian Ferras and Berl Senofsky, violinists; Janos Starker, cellist, and Milton Preves, violist.

As announced earlier, special attractions of 1963 will be the exciting new vocal trio, Peter, Paul, and Mary, the incomparable trumpet player Al Hirt and his sextet, and Ella Fitzgerald, "First Lady of Song," with Duke Ellington, Count Basie, with Carmen McRae and Dinah Washington, completes the nine evenings of popular concerts.

The New York City Ballet will close the season.

Scout Leaders Training

Cub scout and boy scout leaders and committeemen summer training sessions are scheduled by the Northwest Suburban council for June. The first three basic sessions will be offered according to Arthur R. Leu, training specialist.

Cub Scout leaders and den mothers meetings will be held on June 10, 17 and 24 at the Scout Service Center, 2500 Dempster, Des Plaines.

Boy Scout leaders will use Camp Baden Powell, 411 N. River road, on June 13, 20 and 27 at 7:45 P.M.

All reservations should be made with Norman Campbell at the Scout Service Center.

Adults who were unable to avail themselves of training in the Maine Ridge district last fall or this spring should attend these training sessions and receive this knowledge, which will make pack and troop operations much easier.

No other training courses are planned until fall. Without training, adult leaders can expect to put on a week program and suffer the frustrations of the untrained.

Hi, Glenn Olson

A baby boy, Glenn Robert, was born to Mr. and Mrs. Bruce M. Olson, of 8286 Merrill, Niles on May 14. At Lutheran General Hospital he weighed in at a strapping 8 lb. 8 oz.

DOING BUSINESS IN NILES HELPS FINANCE STREET IMPROVEMENTS

Motor fuel tax money returns helps to build new streets as well as improve old ones.

By supporting your Niles Gas Stations, state tax money spent there is returned in part TO NILES to be used for streets, and sidewalks also curb improvements.

AS AN EXAMPLE.. Oakton Manor and Grennan Heights residents both received about 33% reduction in their street assessments due to the applying of motor fuel tax money returns to the construction of streets IN NILES.... one more example example why "It's good business to do your business in Niles....... It Makes Good Sense... and Cents."

WHEN YOU DO BUSINESS IN NILES........

Sales Tax Money comes back to serve you.....1/2 cent of every dollar spent IN NILES is returned TO NILES............

AS AN EXAMPLE.... Sales Tax returns can purchase new sidewalks and a street lighting program for Niles.

.....one more example why "It's good business to do your business in Niles...... It Makes Good Sense.. And Cents.

Maine East White Collar Girls Luncheon

White Collar Girls club of Maine township high school East held its fourteenth annual mother-daughter dinner on May 29 to honor mothers of the members, install new officers, and enable public presentation of club honors. The dinner was held in the Tally-Ho restaurant.

Guests among the 63 present were mothers, faculty members of the business education department, counselors of junior and senior girls, and several members of the school's administration.

White Collar Girl of the Year award went to Diane Polit, junior, of 7750 N. Oconto, Niles, for her outstanding work for the club this year. Faculty co-sponsor Miss Joyce Andersen made the presentation.

William T. Will, chairman of the business education department, presented to Mr. and Mrs. Stanley Gozdecki, 8151 N. Merrill, Niles, a scholarship award for their daughter Josephine, who graduated in 1961, winning the same award, and is now in the business education five-year program at the University of Illinois.

New officers, installed by Miss Margaret Fairchild, co-sponsor, were Carol Matan, junior, of 7709 N. Oketo, Niles, president; Pat Soens, junior, 9310 Cameron, Morton Grove, first vice president; Diane Polit, second vice president; Patricia Benesch, junior, 8320 W. Oak, Niles, secretary; and Mary Luzwick, junior 8220 N. Oketo, Niles, treasurer.

The evening's entertainment included a talk, "Bells are my Hobby," by Mrs. Tyng Munns of La Grange Park, and several musical numbers. Senior Kay Shibley sang several solos and incidental music was provided by a trio consisting of Kathy Tongue, violin; Thea Blankley, cello; and Cynda Reeves, piano.

Form Niles Republican Organization

On Tuesday, May 28, 1963 a group of interested citizens of the village of Niles held an organizational meeting in the Lawrence Wood Shopping Center and formally organized the Village of Niles Regular Republican Organization.

At this meeting the following were elected temporary officers of the organization President: Carl Broholm, Vice President: Herman Groneman, Secretary: Bruce Bowen, Treasurer: Mike DeFazio

The organizational President, Carl Broholm, pointed out that the lack of a village organization has been a handicap to the republicans of Niles and has permitted minority groups to obtain success without truly representing the majority of the people.

Plans were then discussed for strengthening and unifying the republican effort in the Village of Niles and to promulate republicanism in the future. A membership drive is planned and regular meetings are tentatively set for the third Tuesday of every month.

Schurz Class Of '42 Reunion

The January 1942 Class of Carl Schurz High School will hold its 21 1/2 year reunion. The reunion will be a buffet supper at the Old Orchard Country Club, Rand and Euclid Roads, Prospect Heights, Illinois.

For further information, PLEASE contact Jane Jacobson (Ewald) 5917 N. Harlem, Chicago, Illinois (telephone NE 1-2196) or Audrey Confort (Nelson.) 5530 W. Lawrence, Chicago, Illinois (telephone AV 2-4155.) by June 18.

COME ON YOU MID-YEAR MAVERICKS----LET'S RESPOND!

Lawrencewood Shopping Center Features 6-Part Father's Day Activities

A 6-part program of Father's Day activities offering entertainment plus free bicycles, barbecue grills, ball game tickets, steak dinners and other valuable prizes is under way at Lawrencewood center, Oakton and Waukegan rd., in Niles.

In the major event, "Kings for the Day", five area fathers will be chosen in a free drawing to receive box seat tickets for two to the White Sox double-header on Father's Day and dinner for two at the famous Stockyeards Inn after the game.

Entry slips are free for the asking in all Lawrencewood stores. The drawings will be held Thursday, June 13, at 7 p.m.

A coloring contest with a bicycle as first prize is open to youngsters. The subject to be colored is the Ken-L-Ration company's "Space Dog". Free coloring sheets and instructions are available in all stores.

On Thursday, June 13, housewives with a yen to perfect their skill at outdoor cookery are invited to attend Ellen Edward's free "Barbecue College" at either of two sessions--10 a.m. or 2 p.m.--in the new Lawrencewood Community room.

As home economist for the Oscar Meyer company, Miss Edwards is known the country over as an engaging performer and an outstanding authority on festive cooking, nutrition and easy menu planning.

Lawrencewood Merchants will give free barbeque grills as door prizes at each session. Free recipe booklets will also be distributed.

"Little Oscar", the "World's Smallest Chef", another well-known Oscar Mayer personality, will appear at the center on Friday, June 14. He and his famous "Weinermobile" truck will hold forth at Sure Save and National Tea in turn during the day. He will give free "Weinerwhistles" to children.

On Saturday, June 15, all youngsters 16 and under will be invited to enter their dogs in the Ken-L-Ration Dog Show to be held at 2 p.m.

Prizes for this event include a bicycle, wrist watch and camera. Trophies and ribbons will also be awarded to winners in five categories: Best groomed dog, best trick dog, best costumed dog, largest dog and smallest dog.

Registration of dogs will begin at 12:30 p.m. in front of Kresge's.

Amusement rides now in operation will continue through Sunday, June 9. Ten-cent discount tickets good on all rides are available free to shoppers in all Lawrencewood stores.

Maine Hi Placement Tests July 17

Any eighth grade students who plan to enter the Maine Township High Schools next fall as freshmen and who have not yet taken the high school placement tests should plan to do so on Wednesday, July 17, 1963, at Maine West high school, from 8:30 a.m. to 12 noon. This announcement was made by Dr. Robert Zeller, director of testing and coordinator of guidance, District 207.

The placement test battery will include four sub-tests: academic aptitude, arithmetic achievement, language arts achievement, and reading achievement. The tests will help parents and students select high school courses which will be challenging and meet their needs and interests. All test materials will be furnished to the students.

Additional information may be obtained by calling Dr. Zeller's office, Maine East high school, 825-4484, Extention, 437.

BUGLE News Schedule

All local news should be mailed or brought to THE BUGLE office at 8139 Milwaukee Avenue in Niles. All organization news for Thursday publication must be in our office by 9 A.M. Saturday morning. Late-breaking news stories will be accepted until Tuesday noon.

Salk Vaccine Given June 16

The second step of the Polio Program undertaken by the Board of Health of the Village of Niles will be tendered on Sunday, June 16, 1963, between 12:00 P.M. and 4:00 P.M. at the Notre Dame High School. No vaccine will be administered unless a signed request similar to the one shown here, is turned in at the time of the immunization. In order to provide maximum protection before the onset of summer season, all persons are urged to receive this booster injection.

There is a need for additional nurses to aid in administering the vaccine. Any nurse residing in Niles, wishing to volunteer her services on June 16, is requested to call the Secretary at YO 5-4727.

Buys Controlling Interest In Bank Of Niles

Herman Greisdorf, attorney and developer, heading a small group of investors, purchased the controlling stock interest in the Bank of Niles. Approximately 7700 shares of 10,000 outstanding shares of stock were sold at $75 per share.

Mr. Greisdorf announced that no immediate changes of personnel or officers would take place and that his plans were mainly to develop the present bank with increased deposits and loans.

The Bank of Niles has had a very successful growth since its opening day on November 4, 1960. Its footings now exceed $8,000,000 and over 4700 savings depositors and 3000 checking account depositors have on deposit over $7,200,000.

Its present directors are Judge Anton A. Smigiel, President and Chairman of the Board who will retire from active management as of July 1st to assume his duties as Village Judge of the new Niles Village Court, Ralph Erickson, Vice Chairman of the Board, Ronald Pankau, Richard Harczak, Edward Ciccone and Joseph Srodulski.

Its present officers are C. Norman Weigle, Executive Vice President and Arthur J. Dorsen, Cashier.

NSJC News

Traditional Friday evening services of the Northwest Suburban Jewish Congregation, 7800 West Lyons Street, Morton Grove, will take place at 8:30 p.m., June 7, 1963. Rabbi Lawrence H. Charney will direct the services and deliver a sermon, "Men of Action". This service will be the last late Friday evening service of the current year, and will honor the June, July and Wedding Anniversary celebrants. Following the worship, Installation of Men's Club officers will take place.

The liturgical selections will be chanted by Cantor Milton S. Foreman.

The Men's Club will host a reception in honor of the occasion.

Saturday morning Sabbath services will take place at 10:00 a.m., at which time Charles, son of Mr. & Mrs. Arthur Hadden will become Bar Mitzvah. Rabbi Charney will address the Bar Mitzvah and deliver the charge, and Mr. & Mrs. Hadden will host a Kiddush (sanctification over the wine) following services.

Sunday, June 9, will be the last day of Sunday School, which will be observed by an assembly conducted by the School Living Committee.

St. Isaac Jogues' News

Something new fabulously different and something sew exciting new is a very small way of describing the unusual unique Fashion Fantasy which was held at Saint Isaac Jogues's Hall, 8101 Golf Road, Niles, last week. Guild 10 sponsored the show although the program itself, was Mrs. Thomas Hoskins Jr., 7224 Suffield Court, Morton Grove, known to her friends as Peggy.

This spectacular event was really a one woman performance. The unique part about it was the fact that Peggy not only designed the ensembles complete from head to toe but modeled and commentated herself giving her extraordinary fashions secrets to an audience transfixed with amazement.

Oatmeal boxes, cigar boxes, corset stays, key chains, hula hoops, mattress covers, torn nylons, and bread baskets are all transformed into amazing, incredible, beautiful, wearable items.

Oh's and ah's were still being uttered when, like a flash, she changed behind a screen assisted by her lovely daughters: Nancy, a graduate of the Academy of the Sacred Heart in Lake Forest; Sue, graduating this June from Regina Dominican High School, Wilmette; and Patti, a junior next year at Regina and the state YMCA diving champion for the second year representing Evanston YMCA. Kathy, a sixth grader at Saint Isaac Jogues, was custodian of her little brother Chuck's puppy until time for his number. The black toy poodle strut his stuff with a red and white checked hat to match Peggy's with the leash and collar made of the same fabric as her ensemble. He was a last minute attraction.

Approximately three-hundred women were kept spellbound for an hour and a half while Peggy changed from one fascinating costume to another, each one more unbelievable than the one before and each one created and executed by Peggy herself who has never had formal training and who claims that her fatest hobby is an outlet for her excess energy.

The music was supplied by Mrs. Robert Sutter, 2527 Fontana Drive, Glenview, pianist, accompanied by Steve Bonczkowski, 2414 Fontana Drive, Glenview, guitarist and a junior at Notre Dame High School, Niles.

Many organizations are now revamping their next years schedule to include Peggy in her Fashion Fantasy. Saint Thomas More, 2825 West 81st Street, Chicago, will undoubtedly be one of the first. Mrs. Hoskins is a past president of Saint Thomas More Altor Guild.

Mrs. Richard Hohs, 7100 Enfield, Morton Grove, won the two Sable boa which was made possible through the courtesy of Briget Ann Flynn Furs, 190 North State Street, Chicago. The fur was raffled that evening along with some other interesting prizes donated by G. Fishman and Sons, Chicago, Mary Ann Silks & Woolens, Evanston, Vogue Fabrics, Evanston, and Singer Sewing Machine, Evanston.

YMCA Seeks Additional $200,000

Campaign leaders on all fronts of the Ilg Park YMCA Building Fund program are in high gear these days as they seek to raise an additional $200,000 by July 31st. The detailed engineering drawings and building specifications are being prepared now and if we meet our goal it means that construction can get under way before the end of the year," said G.E. Fickett, General Campaign Chairman for Y fund drive, a Vice President of Powers Regulator Company, Skokie. He added: "The financial resources for the new building now total over $2,100,000 and the board of directors is as anxious as everyone else to see construction begin. However, a little additional patience at this time along with more hard work will assure the total project of complete success."

Men and women of all the surrounding communities are giving freely of their time and abilities to help make the new Y a reality. They know that it will make an outstanding contribution to the youth and families of the area.

Leaders and friends of the Ilg Park YMCA will attend the Annual Meeting to be held Tuesday, June 11th. Mr. Charles Percy, chairman of the board of Bell and Howell, Lincolnwood, will be the speaker. A large attendance is expected, and up-to-date reports on the building campaign will be presented. The meeting will begin with dinner served at 6:30 PM in the Teletype Corporation's Dining facilities. Reservations are invited. Phone NI 7-0161.

"It pays to know"

YOUR CAR ENGINE IS LIKE YOUR HEART—IT NEEDS CARE AND PERIODIC CHECKUPS. Just one carbon-coated spark plug can rob even a 4-cylinder engine of 25% of its power. It also wastes gas and brings undue strain on other engine components. So have your car engine checked regularly . . . it really pays. And it also pays to check the better mileage you'll get on car insurance with State Farm Mutual. Call me today!

Community Church News

New Members received into Niles Community Church on June 2nd. were Mrs. Ernest Demmar Jr., Mrs. Betty Horn, Mr. and Mrs. Bernard Ignatius, and Mr. and Mrs. Harold Westberg.

The Womens Association of Niles Community Church will meet on Tuesday, June 11th at 6:30 p.m. in the church. Mrs. Marvin Telford, YO 6-7428, is in charge of plans for this pot luck dinner meeting. The meeting is open to all adult members and friends of the church and Mrs. William Bruchert and Mr. Frank Wichlac, both Juvenile Officers of our Niles Police Department, will speak on the subject, "Youth."

Members and Friends are reminded that the annual Church and Sunday Church School picnic will be held at the Bunker Hill Forest Preserve, Grove #7 on Sunday, June 9th from 12 noon until 6 p.m.

The Couples Club of Niles Community Church will hold their annual Dinner Dance in the Oleander Room of Adam's Hartman House in Wheeling on Saturday, June 8th. Host couples are Mr. and Mrs. John Benson, Mr. and Mrs. Vernon Johnson, Mr. and Mrs. Arthur Iverson and Mr. and Mrs. Douglas Strutz.

Maine Twp. Sisterhood Meet June 12

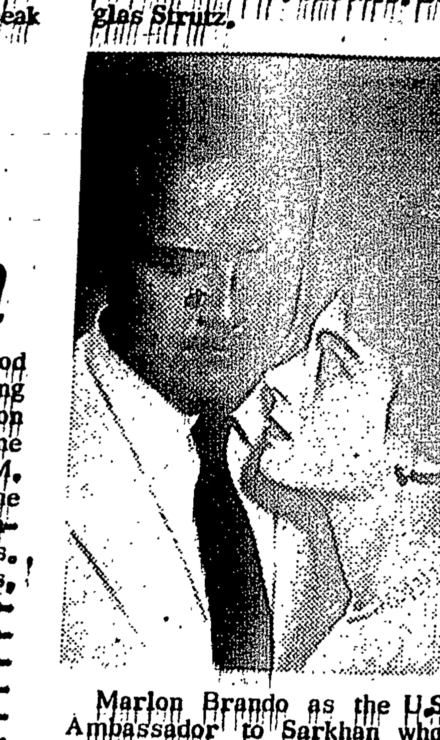
Maine Township Sisterhood takes special pride in inviting you to their first installation of officers on Wednesday, June 12th, 8:30 P.M. at the M.G.M. Motel, 9424 Waukegan Rd. The following officers to be installed are: President, Mrs. Robert Leon, Vice Presidents, Mrs. Arthur Taub, Mrs. Erwin Miller, Mrs. David Madorsky, Mrs. Edgar Faber; Recording Secretary, Mrs. Gerald Adolph; Corresponding Secretary, Mrs. Erwin Borchew; Financial Secretary, Mrs. Marshall Swislow; Treasurer, Mrs. Norman Meltzer; Sentinel, Mrs. Norman Kaplan; Guardian, Mrs. Martin Levy; Historian, Mrs. Donald Kirshner.

Entertainment will be supplied by Ron & Ruth, folk singers. Refreshments will be served. For further information call: Mrs. Miller 299-5354.

Park Teen Dance June 14

The Niles Park District Dance will be held at the Bunker Hill Country Club on June 14 beginning at 8:00 P.M. All teens in the park district are cordially invited. Tickets for this affair are free but must be picked up prior to the date of the dance. No one will be admitted to the dance without a ticket. The charge will be $1.00 at the door.

You may pick up your tickets at the Recreation office, 8255 N. Oketo, or at the residence of Mrs. Dorothy Schreiner, 8236 Osceola.



Marlon Brando as the U.S. Ambassador to Sarkhan who, with his wife (Sandra Church) faces the moment when the small kingdom is attacked by terrorists, in "The Ugly American" which opens Friday at the Golf Mill Theatre.

"Ugly American" At Golf Mill

All of those who have a mental picture of Marlon Brando on the screen running around in ripped T-shirts and slapping women in the face—are due for a shock.

In his latest picture, "The Ugly American" which opens Friday at the Golf Mill Theatre, Marlon Brando does a complete switch. Playing a high ranking diplomatic member of the U.S. State Department. Adapted from the best selling novel, the film shows Brando as a recently appointed American Ambassador to a fictitious Far Eastern country.

As an added treat for the kiddies, the Golf Mill will present a special Children's Show Saturday at 1:00 P.M. with an hour of cartoons and comedies plus the feature film, "Goliath and the Dragon."

Presents Cook Countys Civil Defense Role

Cook County's role in the massive new phase of Civil Defense was presented to suburban C-D directors at two meetings in late April, one in the south part of the County County and one in the north.

Arranged by the newly appointed County director, Patrick M. O'Block, as a means of getting acquainted with the 128 local directors, the meetings were attended also by officers of national and state agencies. Among them, they outlined the nation-wide fallout shelter program now in progress and the participation expected of each community.

Briefly, the project is aimed eventually to provide shelter space for every resident in the United States. Immediately—by July 1—shelters with room for 4 million persons—more than 100,000 in Chicago and Cook County—are to be stocked with emergency supplies.

The need for speed in the program was stressed by two speakers—Gen. Paul K. MacDonald, deputy director, region 4, of the national office of Civil Defense, at Battle Creek, Michigan, and Col. D.M. Vance, Illinois state director.

"I assure you that you will be very unhappy if the same questions are asked tomorrow that were asked last October," said Gen. MacDonald. "We shall have no excuse if the Cuban crisis rises again and finds us with nothing done to protect our people."

"I am concerned about the timing," said Col. Vance. "We hear about two-year plans and three-year plans and so on, but there is no certainty that we shall have that much time. You people have the potentiality to do the job before you."

Director O'Block said he considered himself more a coordinator than a director.

"Many of you have been in Civil Defense much longer than I," he told the suburban directors, "and I expect to benefit from your experience. We have a good County organization. There are some matters that can be improved, and I intend to work closely with the state and through that agency with the federal Civil Defense office. When you have problems, bring them to me."

The functions of the County Director in the shelter program as well as in emergency operations were given importance by other speakers.

Surveys conducted for the federal agency have resulted in the designation of 540 school hourses and some 1,500 other buildings in the suburban area as suitable shelters. Federal standards called for a minimum of 50 occupants and one and one-half cubic feet of safe storage space per person.

Requisitions for supplies—medical kits, emergency food, water containers, and fallout detection instruments—will be handled by the County office for the local directors. The suburban officers, however, must sign for all stores drawn for buildings in their areas and must assume responsibility for them, said Gen. MacDonald.

"Find out when your buildings are ready to receive supplies," he said. "See to it that lift trucks or hand trucks are available for handling, and fin available for handling, and find out whether the building owner is prepared to fill the water drums.

"You will get supplies at the government warehouse on Pershing Road and once you have signed for them you will be responsible. So make sure that the storage space has all the normal safeguards, particularly locked closets for medical supplies and detection instruments."

Fast communication from top to bottom of the C-D structure is essential to forewarn the population of an impending emergency—either an enemy attack or a natural disaster—and to get the C-D workers on the job, said Chauncey E. Carveth, executive director of the Illinois state agency.

It is the state's responsibility to give an alert message to the counties, but just broadcasting is not enough," he said. "Each community must be prepared to receive it and also to know how to act on it.

"The time and effort required for preparedness pays off. Last week I visited localities in Southern Illinois struck by tornados, and I head officials of the towns praise Civil Defense workers for saving lives and property.

Mr. O'Block said that one of his first objectives would be improvement of short wave radio communication throughout the County. His office already has the use of the County Highway Department's network the use of the County Highway linking the five maintenance districts. State and County police radio systems also are available, but they are somewhat limited geographically. What is needed, the director said, is one countywide frequency band connecting all agencies concerned with Civil Defense.

Capt. William Sandgren, who is assigned to radio and Civil Defense for the County Highway Police, said the sheriff's office is endeavoring to develop such a system.

"We plan to offer a communication schedule that will provide 24-hour service seven days a week," he said.

Dr. C.B. Hostetler, representing the County Department of Public Health, told of a project under way to give instruction in the use of the new medical self-help kit, to be placed in shelters. A course requiring one-half day a week, 16 hours in all, is being given at five health department district offices to prepare volunteers to teach others in use of kits.

"We have just sent out letters to hospitals and three of them already have set up instruction programs," said Dr. Hostetler. "The next step is to send letters to all of you suburban directors offering the kits on loan."

In addition to those mentioned as speakers, official representatives at the meetings included Matthew Pump, director of first aid for the Chicago Chapter, Red Cross; Gen. Frank Myers, in charge of the shelter program at the Battle Creek regional office; Henry G. Zedd, field office, and Glen Curry, accreditation officer, both of the Illinois state agency.

CJA Dinner June 10 At Covenant Club

Over 100 members of the Dry Cleaning industry in Chicagoland will attend the Annual Dinner of the Dry Cleaners Division of the Combined Jewish Appeal on Monday, June 10th at 5:30 p.m. in the Covenant Club.

This dinner is one of more than 80 luncheons and dinners held during the 1963 Combined Jewish Appeal campaign by members of Chicagoland Trades, Industries, and Professions.

Chairman of the Dry Cleaners Division is Sol Bolnick of 3750 Lake Shore Drive, who states that the goal of the CJA this year is $7,650,000.

Speaker of the evening will be Samuel A. Goldsmith, one of the outstanding men in our nation's Jewish community, who is Executive Vice-President of the Combined Jewish Appeal and the Jewish Federation of Chicago. His dedicated leadership during the past 34 years has been instrumental in uniting the community to achieve its twin goals of human progress here at home and overseas. Mr. Goldsmith has traveled on numerous study missions to Israel and Europe, and is well acquainted with the problems that face the Jews in those areas.

Officers of the CJA Dry Cleaners Division include Cecil Treadway, Sr. of 3950 Lake Shore Drive, Co-chairman; and Ben Rosenfield of 4200 Marine Drive, Advisory Chairman.

The combined Jewish Appeal of Metropolitan Chicago is the Jewish community's basic philanthropy. During 1962 gifts to the Combined Jewish Appeal totaled nearly $6 million. These funds were used for transit, resettlement and rehabilitation aid for tens of thousands of new immigrants in Israel and France, for relief and other welfare programs for Jewish people in 27 countries overseas; and in the United States for religious, morale building and welfare programs for members of the U.S. Armed Services, for the support of Jewish Educational Institutions in metropolitan Chicago. CJA funds are also used for the partial support of Jewish Federation medical and social welfare agencies serving more than 207,000 Chicagoans yearly.

Niles Pony Lge. Dugout Talk

Saturday, May 25th, the Chamber of Commerce Packers, assisted by a winning RBI double from Gene Fordor won a thrilling last ditch game from the Booby's Drive In Dodgers by a nine to eight score. This was the third game in a row the Packers have won by this score. Zimmerman pitched all the way for the Dodgers while Feldman, Karpinski, Fordor, and Knapstein had to combine their efforts to contain their opponents. In a later game the same day, Rollo and Oldfield of the Schmeissers Meats team hit home runs to slice the Golf-Mill Tigers by a masterful score of 28 to 4. Rollo also pitched but was helped by Kuscynski while Freitag, Gocke and hardworking Brad Brown threw for the Tigers. The next day Rollo slammed a four bagger for Schmeissers Meats to help win a pitchers battle with the Grennan Heights Imp. team by a squeaky 3 to 2 score. Hoelbl struck out 15 Grennan batters while Tracy sent 14 Red Sox to the bench via the same route altho Marrese relieved him for the last inning.

Saturday, June 1st, the Schmeissers Meats Red Sox continued their winning ways by defeating the Chamber of Commerce Packers by a 9 to 4 margin. Karpinski led the Red Sox hitting with 4 hits in 4 times at bat. The second game that day saw a see saw battle between the Lions club and the Grennan Heights Indians with the Lions roaring to a come from behind in the last inning win by a 9 to 7 count. Schroeder, with 3 for 4, hit a home run as did Olsen who had 2 for 4. Under the lights the Golf-Mil Bowl Tigers chewed up the Dodgers from Booby's Drive In 14 to 4. John Gocke turned in a fine pitching performance to get the first win for the Tigers. Mike Parkinson did some real good ball playing to help the cause.

Standings:

	W	L
Schmeissers Meats	4	0
Northwest Insurance	1	0
Chamber of Commerce	3	1
Niles Lions Club	2	1
Grennan Heights	1	2
Booby's Drive In	1	3

Jobs Daughters Installation June 8

Bethel #69 of the International Order of Job's Daughters is having installation of officers, Saturday, June 8th at 8 o'clock at Glenview Masonic Temple, 1450 Lehigh Avenue, Glenview. All are cordially invited to attend.

Linda Landerholm of Morton Grove will be installed as honored queen with Bonnie Smith, Morton Grove, as senior princess; Penny West, Glenview, as junior princess; Sharon Bast, Glenview, as guide and Nancy Kraska, Skokie, as marshall.

Linda Brunswick, Glenview will be recorder; Karen Bast, Glenview, treasurer; Sandra Gregory, Niles, chaplain; Barbara Strickett, Skokie, librarian; and Nancy Olson of Skokie as musician.

The messengers will be Patricia Glines, Niles, first messenger; Susan Harastany, Skokie, second messenger; Collett Watts, Skokie, third messenger; Linda Peterson, Glenview, fourth messenger; Gail Lockwood, Morton Grove, fifth messenger.

Judith Siebold, Niles, will be Senior custodian, Delora Pearson, Skokie, junior custodian, Ruth Kane, Skokie, inner guard and Audree Ruhl, Niles, outer guard.

The choir members will be Lucille Ballestra, Skokie; Patricia Brady, Skokie; Judith Fell, Glenview; Hollis Haupt, Glenview; Lynn Johnson, Morton Grove; Marcia Johnson, Morton Grove; Linda Laughlin, Skokie; Linda Lewis, Niles; Linda Lloyd, Glenview; Sharon Loring, Northbrook; Vicki Loring, Northbrook; Carol Long, Morton Grove; Connie Lowe, Skokie; Patricia McGowan, Niles; Arlene Olson, Niles; Kay Patterson, Morton Grove; Betty Pritchard, Skokie; Sue Weigel, Lincolnwood.

Judy Rae Johnson, Niles, Junior Past Honored Queen will be installing offcer with Linda Peterson, Skokie, installing guide, Diane Kuehn, Niles, installing marshal, all past honored queens of Bethel #69. Janice Barr, past honored queen of Bethel #93 Lake Zurich will be chaplain; Meredith McCartan, Morton Grove, past honored queen of Bethel #69 installing escort; Judith Frisk, of Chicago, majority member of Bethel #69, installing recorder. Lenore Otte, Des Plaines, past honored queen of Bethel #69 will be installing senior custodian with Donna Salamon, past honored queen of Bethel #70 installing junior custodian. Lynn Watts, Skokie, a past princess of Bethel #69 will be installing soloist and Marjorie Sanger, Grand Director of Music, I.O.J.D. of Illinois as installing organist.

Mrs. Ralph Sheffield, worthy matron of Skokie Chapter #1015 Order of the Eastern Star and Mr. Homer Long, worthy patron of Glenview Chapter #862 Order of the Eastern Star will be guests of honor.

The escort will be Ravenswood Chapter and Skokie Valley Chapter Order of DeMolay.

Susan Landerholm will give the ode to the flag with Donna Cruikshank to present the flowers. Rev. Maldwyn A. Davies, minister of Morton Grove Community Church will give the benediction.

Carol Long of Morton Grove is the retiring honored queen. She was elected "Sweetheart of Skokie Valley Demolay", an honor which she received last February.

The installing officer, Judy Rae Johnson, Newland, Niles, is a student nurse at Illinois Masonic Hospital.

Add 10 Bed Section At Luth. Hospital

A 10-bed section has been opened on the fifth floor of Lutheran General Hospital, Park Ridge. With the opening of this section, all available space is now being used at the hospital.

With the opening of the section, Lutheran General now has 316 beds.

"By using all private rooms as doubles and by using the visiting areas on each floor as patient rooms, we can accommodate 346," said T.L. Jacobsen, executive director.

The newly opened fifth floor area will be devoted to neuro-psychiatric care. The area had formerly been quarters for house physicians and externs.

In February, Lutheran General opened a similar section on the seventh floor. This area had formerly been occupied by administrative offices.

While we don't like to be doubling up, this in no way affects the care given patients," Jacobsen pointed out.

Bombers Hold 1st Place In Niles Softball Lge.

The Memorial day off didn't seem to bother the Bombers last Friday night as they punched out a 14-6 win over the Clinchers. And "punch" they did because only 5 of the Bombers' hits were extra base blows; Kennedy hit a double and a home run, and Marshal contributed a double. Kennedy had 3 for 4 at the plate and drove in 5 runs for the winners. Warda and Jaegers also hit 3 for 4. Huspen hit a round tripper for the losers who lost the game in the first inning when they spotted the Bombers 6 big runs.

In the first game on Friday night, Chesterfield Realtors with Borodsky and Dultz showing the way took a 9-3 decision over Golf-Mil Lanes. Borodsky had a single, a double, and a triple, while his companion Dultz got a single and a double. The Realtors seemed to be a good clutch team because they hit when it counted. Munro's homer for the Golf-Mil club couldn't spark his mates as they garnered only 8 total hits. Penz got the win, Neumann the loss.

The Bank of Niles team must have had holiday on their minds Wednesday night when they took a 23-0 drubbing at the hands of the Golf-Mil Lanes. Munro had 4 for 5 for the winners including a home run; Crosby also had 4 for 5, one blow being a double. DeFrancesca helped a winning cause with his 3 for 5, adding a double and a homer, as did Einsweiler with the same hitting effort. The Golf-Mil-ers committed no errors and Neumann allowed only 3 hits, one each by Danielac, Hoyle, and Ball. Twelve of the Golf-Mil aggregation got on base via errors.

Eight errors and a lack of timely hitting caused the Romito Plumbers their 11-7 defeat at the hands of Norberts Nursery. The Romito group had 3 home runs, one each by Tejeck, Vandini, and Endicotte; unfortunately, however, the losers couldn't get men on base often enough to make the big blows count. Tejeck had a perfect night at the plate getting 3 for 3; Endicotte had 3 for 3, and that was the whole attack for the losers. John Schmidt took the loss. The Nurserymen, on the other hand, had only 2 doubles, one by Walesa, the other by Arndt to show in the extra base column but the hits always seemed to come when men were on base. For the winners Galinski, Walesa, and Fox had 2 for 4 at the plate, and Arndt 1 for 4; but these handymen scored 7 of the total 11 runs. It was a happy night for Carl Gryzik who was the winning pitcher and who now has a 1 and 1 record. But he'll have to go some to catch Ray Thomas of the Bombers who is sporting a 3 and 0 tally.

Thillens Begins 13th Year

On June 8th, less than a couple of weeks away, the familiar call "Batter Up" will usher in the 1963 baseball season at Thillens Stadium, Devon and Kedzie Avenues.

For the 13th year, Thillens Boys' Major League teams will take the field with a full schedule calling for three contests nightly through Labor Day. Games are played at 6:00, 7:30 and 8:30 P.M.

Opening night ceremonies will include presentation of the entire group of 1,000 nine to 12 year-old boys enrolled in the program, togethere with their coaches. The youth program, designed as a weapon against juvenile delinquency, was founded by Mel Thillens, northside civic leader. In cross-section, the League represents all economic levels, nationalities and creeds.

Players are selected on the basis of their aptitude for baseball and are tutored in technique and good sportmanship by a staff of professional coaches and teachers, most of whom teach athletics in Chicago area schools and colleges.

Boys who qualify for a berth with the league are furnished with uniforms which are exact duplicates of those worn by big league teams. All necessary equipment is provided, also without cost to the players. Home of the League is modern Thillens Stadium, long familiar landmark to northside residents. The $100,000 structure acquired by Thillens in 1939, will accomodate up to 4,000 fans and is equiped with every convenience for the comfort and enjoyment of patrons.

Many clubs and charity group enjoy special night at the Stadium during the season. Through an arrangement with the League sponsor, these groups are permitted to raise funds through the sales of admission tickets. There is no charge for this service and total proceeds of advanced ticket sales are retained by the respective groups.

TB Institute Recommends Chest X Rays

Persons with chronic cough or shortness of breath are a special concern of The Tuberculosis Institute of Chicago and Cook County.

The Institute (the Christmas Seal Agency) is carrying on an educational campaign to inform the public about hazards of these "simple" symptoms which can lead to crippling lung diseases, such as chronic bronchitis or emphysema.
