Report of a little boy called "Dil-" as we term them, there was a column in the last edition. Everyone's now and then is the boy's name Dill. However, he's still a bit of a mystery. He never appears but once a week, and then only for a few minutes. In the last edition, he was seen to be wearing a blue shirt and holding a baseball bat. It's possible that he may be a local boy, or possibly a visitor from somewhere else. We'll have to wait and see.
