LETTERS TO EDITOR

Flooding On Olcott

To whom it may concern:

For the last 2 years, I have been going down to the Public Works Department complaining about flood problems. I told them for the last 7 years I was getting flooded out sometimes twice a year. I talked to Mr. Bacher, Supt. of Public Works, Mr. Martin, Building Commissioner, and also Mr. Pride, Dept. Manager. They all said there was nothing they could do. I talked to the Water, Sewer, and Light Committee and was told by them that I had holes in my drain tile around my foundation, which did not help much. Then I talked to the City Engineer and he told me that it was an "Act of God" and that we have been getting more than an ordinary amount of rain, more than a 5 year downfall in the last 7 years, which is possible but not probable.

All I know is every year I get flooded and I don't think that these big politicians believe me. None of these men have been here to see the water in my basement. They sent their workmen when I called and they shake their heads. When I had the surveyor out to shoot a grade for the sewer, he laughed, how could there be approximately 3 ft. difference in grade level in 50 ft. in this particular situation.

This home was built by a contractor who was supposed to have taken out permits and the City was supposed to have inspected to see that there was no error. If the contractor took out a permit and the City inspected the way they should, why is there a 3 ft. difference in grade level and why is there

Last year I paid almost $500 in property tax. This is a lot of money for no service out of the City. I pay taxes for the salary of these politicians to help people and their problems. I get no help but still have to pay taxes. Why?

Yours truly,

Mr. William Wilwers

'Salome' Returns

Dear Mr. Besser:

Last weekend I decided to prove a point. Therefore, I discontinued the oriental dancers at the Golden Steer. The people that came in enjoyed listening and DANCING to the music of the fabulous CHORDAIRES. However, they all said that while they enjoyed the music, they were very disappointed because they had brought some friends and neighbors to see the oriental dancers; especially large groups of women that come from Arlington Heights and other suburbs.

Therefore, this weekend I am resuming my old policy and bring back "Salome" and the "Harem Boys" with the Chordaires.

As the customers were leaving the Golden Steer a little earlier than usual, I promised them that they wouldn't be disappointed because from now on, we will have the oriental dancers every weekend.

Sincerely,

Lew Andrews

Begin Codifying Ordinances

Trustee Ken Scheel announced the codification of ordinances will soon begin. Records accumulated on the second floor of the village hall will first be codified. $3,500 has been allotted from the past year's budget for this purpose. An additional amount will be forthcoming from the '64-65' budget for similar purposes. Village Clerk Lieske reported the regulations were in disarray "downstairs" as well as upstairs. Trustee Marcheschi reported a check for $12,50 was found among the old records, and the company which sent in the check will be notified. The check, dated September 26, 1961, was for a vending machine fee.

Seek R1 Zoning In East Maine

At Trustee Len Szymanski's suggestion trustees will study the advisability of retaining present R2 zoning for an area boundaried by Davis-Church-Washington and Courtland. The East Maine Homeowners Association is seeking R1 zoning for the remaining few lots there. The R2 zoning has 6,250 square feet required while the requested R1 zoning has 7,500 square feet. The Niles Realty Subdivision is opposing the change, desiring the zoning remain as it is. The description for the present zoning expires January, 1965.

Sidewalk Bids To Be Received

Trustee Len Szymanski reported Tuesday night bids will be received for sidewalk installation for public walks. Owners will be notified of the plans. If the landowners do not volunteer to pay for the construction Niles will build the walks and the construction cost will be sent to the County offices, from whom landowners will receive bills.

Niles PTA Meets Tuesday

The regular meeting of the Niles Public School PTA will be held on Tuesday, March 3, at 8 p.m. in the gymnasium. The officers for the coming year will be elected.

After the meeting the parents will be entertained by the Niles Tonwship High School West Division Intermediate Band under the direction of Mr. Charles Groeling.

Hostesses for the evening will be the second grade mothers. Mrs. Warren Schubert, Mrs. Scott Bond, Mrs. Wm. Terpinas, Mrs. Richard Albrecht, Mrs. Stanley Glowacki, and Mrs. Stephen Jeger are the room mothers.

East Maine Caucus Picks Candidate

Delegates from the newly-formed Maine Township General Caucus elected Richard H. Freeman, 2224 Birchwood Ct., Glenview, as its candidate for the Maine Township High School Board Tuesday night. The selection of Freeman will likely insure school district 63 its second school board representative from its district. Board member Walter Craigle, 8316 Merrill, Niles, is presently a member on the Board.

Letters from caucus groups in Des Plaines and Park Ridge stating they would give full support to the East Maine caucus candidate, makes his election almost a certainty.

At Tuesday night's meeting, caucus candidates' Freeman and Richard T. Pearlman, 7441 Churchill St., Morton Grove, presented themselves before the delegates. A third candidate, Allen Schwartz, 8940 Church, Des Plaines, was nominated from the floor, and also made a presentation before the delegates.

In the voting Freeman received 16 votes of a possible 27 votes. Since he received a majority of the total vote, the number of votes from the remaining candidates was not announced.

In the by-laws of the new group it was stated that school district 63, 64 and 62, from East Maine, Park Ridge and Des Plaines, respectively, would each have two school board representatives chosen, and a third representative would be chosen alternatively from the three areas. School district 63 would be the third area to choose the alternate.

board should send a letter to the fire chief, backing up the officers." Trustees approved such a resolution.

Marcheschi then said Niles Fire Department was being used as a whipping boy. He cited a recent fire call for an ambulance on Chester Avenue, which the telephone operator referred to Des Plaines, rather than Niles.

As a suggestion for protection of the Niles Department Marcheschi recommended a study to monitor all calls to the department, tape recording the incoming-calls as Des Plaines now does. The cost study was unanimously approved.

Trustee Len Szymanski, was the only trustee to weigh both signs of the fire-call controversy. He noted the person who had reported the call only mentioned it was a car fire, a routine call. Szymanski mentioned "We're neither at fault nor absolved". However, Szymanski contended Cowhey is responsible for the districting of the areas. He said Cowhey should have taken some action. Szymanski also commented sending a duplication of fire equipment to an area causes controversy, and departments do not like to do this.

Park Lane Will Change Addresses

Trustee Ken Scheel reported the address numbers in the Park Lane area do not correspond to neighboring area's numbers. The village engineer was ordered to study the problem, and an ordinance will be passed to adjust it.

instructor-co-ordinator, who spelled out the needs, advantages and obstacles surrounding the creation of such a program. The school board, which is most susceptible to new ideas, accepted the proposals with alacrity. And the result... well, as many of you who attended East Maine's Sunday band concert know...it was a rip-roaring success. After only 15 weeks of instruction East Maine has a band...a band of 150 musicians, no less.

Sunday's audience was most appreciative of the progress made in such a short time. Most important its success will insure an ever-increasing program, in which it can anticipate 300 or 400 students participating in the not-too-distant future.

It all resulted from Lorraine's one-woman efforts. Mrs. Makela, like Malley and Adler, made our community a better place to live. It proves once again what one or two persons can do.

Last week's newspaper reported the Niles Republicans have formed, reformed, retrenched, re-vitalized or became re-incarnated. We expect the group to dress in full battle gear, as the smell of the April, 1965 elections become more pungent. Former trustee candidate Roy Berquist, who unsuccessfully ran with John Stanley in 1961, is among the gladiators who is up front with this new assault group. Expect the Niles Democrats, another group of political woebegones, to re-trench their forces for the "Battle of Sixty-Five".

Actually, because unknown Blase moved into the Mayor's seat with what seemed like incredible ease, many of the more ambitious in Niles are likely eyeing the top chair with relish. But Blase and friends, who seem to enjoy their top dog billing, have a few surprises in store for any competitors, who have the nerve to unthrone them. Before 1964 has ended the new courtroom-police quarter will be finished. They will point to the building with pride... and claim it manifests accomplishment on their part, without using the taxpayers money. Then lo and behold, when their scally-wag competitors try to deflate their successes, up will go the luminous lites on Milwaukee Avenue. And their "em-Blase-oned" reflection will shine on an accomplishment, which their detractors will find difficult to dim.

Ironically, it was the aforementioned Stanley, who was so pitiable lambasted by Blase, whose foresight resulted in annexing the Golf Mill area to Niles, which created the revenue for these lights...and the new courtroom.

* * * *

And the mention of Mr. Stanley's name brings to mind that springtime means testimonial time in Niles. It's that time when someone should be given an honor for the year. And while very independent guys like Stanley don't cowtail to any man, it would be fitting for the professional party boys in town to throw Mr. Stanley a long-overdue tribute.

Backs Niles F.D.

A letter from the village of Skokie commended Niles Fire Department. It stated it would be happy to help Niles counteract any adverse publicity it recently received. It mentioned stories in a Chicago newspaper were a misrepresentation. A second letter from Revere Electric also commended the Fire Department.

LAY CORNERSTONE AT NEW POLICE-COURT BLDG.

From The Left Hand

by David Besser
Editor & Publisher

In a little noticed effort Niles police will be driving Oldsmobiles in 1964. The cost of Olds over lesser cars will be slightly more than $1000.

This little drama of having Niles police drive in more expensive cars has been an annual saga in Niles. Prior to the New Era election the police drove Pontiacs. When the economy-minded new officials gained office they aimed to chop off needless spending. Like Chicago, and most neighboring towns, they purchased the more inexpensive Fords. This year trustees allowed the police committee to make the choice. Sam Bruno, the trustee who has barked at the heels of whomever is in the driver's seat on the board, headed the committee which chose the Olds. Bruno dates back to the Stankowicz wing of the Board, and favored the Pontiacs in the old days. When the New Era moved onto the Board Bruno still favored the heavier cars. So you, Mr. Taxpayer, can add another $1000 to your part of running the village, because Mr. Bruno and committee decided the bigger cars were preferrable. Actually, in past years the police department, spoiled by the bigger cars, bewailed the use of Fords. They bemoaned the cars were forever in need of repair, and were displeased with having to drive the smaller cars.

It's a small item, but its the ways of the pre-New Era days. While we Ford owners endure the miseries and discomforts of our economical monsters, Niles finest will be touring the town in comfort, albeit with increased amounts of gas burning.

"Mr. Taxpayer, take a backseat...and no backseat driving please, big spender"!

* * *

The public pronouncement by trustees backing the Fire Department in its recent debacle with the state fire marshall was trivial. The Mayor's bellowing about the state fire marshall is standard procedure.

When the attorney representing the boys who sued the village for allegedly being abused, was in the headlines Blase blasted him. According to the Mayor the attorney had some angle.

When the Blue Ballot was in the forefront Blase shouted and said this was a political hoax. He thinks Blase believes the best defense is a good offense; "Clobber the other guy loud and long, and you can divert the central issue. As that old Milwaukee Avenue philosopher once said, "You can whitewash some of the issues, some of the time - but you may get washed-up in your own backwash, if you're proven to be all wet".

The newly-formed school district #63 high school caucus deserves a well-mentioned huzzah from residents for its efforts.

Time Capsule Placed In Building

A brief ceremony in commemoration of the new Police station and Municipal building being built at Touhy and Waukegan took place on Saturday, February 29. The ceremony was was climaxed with the placing of a Time capsule, a copper box 16" by 5" by 4". The box contained predictions of 17 civic and homeowners' associations.

The 17 of the 36 civic and homeowners' groups that responded were Niles Chamber of Commerce, Grennan Heights Garden club, Jonquil Terrace Civic association, Niles Public Library, Chesterfield Gardens Improvement Ass'n., Niles Lions Club, Niles Citizens Committee, Oakton Manor Homeowners Ass'n., Kirk Lane Community Organization, Rotary Club, Safety council, Village Board of Trustees, Woman's Club of Niles, School District 71, Park Lane Community Association, Women's Auxiliary of Niles Police Department and the Niles Police department.

The opening address of the ceremony was made by Herb Adler, who introduced Ed Berkowsky as organizational representative. Mr. Adler then held the Time capsule, already sealed, up for everyone to view. A brief address was given by Niles Police Chief Clarence Emrikson who said "there is 10 times as much room here (the new station) which will make our work a little easier." In attendance were Judge Anton A. Smigiel, Judge James McCullen and Judge Herbert Stoffels. The final speaker was Mayor Blase, who extended his appreciation to the people of Niles for their contributions (tax wise). The invocational blessing was given by the Rt. Rev. Msgr. John Flanagan, pastor of St. John Brebeuf Catholic Church.

Police Chief Emrikson then placed the capsule within the cornerstone and the Mayor completed the ceremony. The historic event was closed with a personal invitation from Herb Adler to all those present to attend the opening ceremonies on Friday, Feb. 29, 2064.

Police Dance At TAM April 11

The Niles Patrolmen's Benevolent Association is working in high gear these days making final preparations for the up and coming Policemen's Ball on April 11, 1964, at the beautiful Tam O'Shanter Country Club.

The members have just finished addressing letters and tickets to every family in the Village of Niles and they are expected to reach the homes this week.

The Association is indebted to the residents who made last year's affair such a tremendous success and we are hoping that each and every Villager will make use of the tickets that are being sent to them.

This year the entire Country Club will be used and there will be two orchestras playing at all times. Perry Fotos and his renowned group will be on the first floor and the highly versatile Merry Makers will entertain on the second floor.

For just $1.50 per person the Association guarantees an entertaining night for all. Mark the date on your calendar now; that's April 11th, 1964, 9:00 p.m. til ??? at the Tam O'Shanter Country Club, 6600 W. Howard St., Niles.

Village Forum March 10

In keeping with Niles Progress Year "64" it has been confirmed that the Public Forum on March 10, will have a complete panel of representatives from various taxing bodies in Niles. The Niles taxpayers will have the opportunity to hear first hand where their tax dollar is going and why. The public forum will be held at the Grennan Heights Field House, 8255 Oketo Avenue, at 8 P.M.

Tickets Now Available For Smoking Clinic

Tickets for the Cigarette Clinic to be presented by the Niles Board of Health will be available after Monday, March 9, at the Niles Village Hall or at the New Fire House, 8360 West Dempster Street, in Niles. They will be free of charge. The Clinic will offer a "5-Day Plan to Stop Smoking" by the Hinsdale Sanitarium & Hospital, to those people who would like to break the nicotine habit and are having difficulty doing so. For further information call during Health Board Office hours, Tuesday, 1:00 p.m. till 3:00 p.m., and Thursday between 6:30 and 8:30 p.m. or call the Secretary at YO-5-4727.

Niles Baseball News

Saturday, Feb. 29th, over 300 boys registered in the Niles Baseball League for play this summer. At this rate with a like amount of registrants, on Saturday, March 7th, this could be the largest turnout since the League's inception. Should this happen, any boy who does not register before five o'clock on Saturday may not get to play. With this kind of turnout the League is of course very grateful to all of the sponsors, such as the House of Security Insurance, the V.F.W., and Sembering Fence, who have agreed this week to sponsor a team of youngsters. This week's registration will again be held at St. John Brebeuf Church.

Sunday, March 8th, the League will have its one restricted event. That is the annual Fathers and Sons Party to be held at the Bunker Hill Country Club from 1 to 5 in the afternoon. Last year Mr. Bill George of the Chicago Bears was in attendance to sign autographs. This year they hope to have another Bear there. Only those boys who have signed by the 7th of March will have tickets for this event.

Civic Leaders Present Petitions For Jr. College

Petitions for a special election in four northwest suburban high school districts to create a new junior college were presented Tuesday, (Feb. 25), to Dr. Noble J. Puffer, Cook County Superintendent of Schools.

The presentation of the petitions containing 5,555 names, was made in Dr. Puffer's office at One North Wacker Drive by civic leaders in the Palatine Township High School, Arlington Heights Township High School, Glenbrook High School, and Niles Community High School.

The petitions asked that a special election be held May 23 for authorizing the establishment of a jointly operated junior college to serve the four high school districts.

Among the civic leaders presenting the petitions for the creation of the new junior college for the four high school districts were: Dr. LeRoy A. Smith, chairman of the Steering and Citizens Committee, and chairman of the Glenbrook district, Dr. Smith lives at 1216 Oakwood Lane, Glenview. Also making the presentation of petitions were James Moore of Niles Township, residing at 6437 Kilpatrick Avenue, Lincolnwood; Milton Sellhorn of the Glenbrook district, residing at 2417 Oak Street, Northbrook; Eric Jones of Palatine Township, residing at 262 N. Linden Avenue, Palatine, and M. Edward Smith of the Arlington Heights district, who resides at 221 S. Wilshire Lane, Arlington Heights.

"The green light for creating more junior colleges to meet the growing need for higher education was given two years ago when the Illinois state legislature passed legislation which permits two or more high school districts to join in establishing new junior colleges," explained Dr. Puffer.

"It is very gratifying that civic leaders in suburban Cook County are recognizing the need for more junior colleges by taking the initiative in bringing these new colleges into existence," he said.

Dr. Puffer pointed out that three other Cook County high school districts — Leyden, Proviso and Elmwood Park — already are on their way to establishing a junior college. As a result of a recent petition with approximately 5,000 signatures, a special election will be held March 24 for a junior college proposed for Proviso Township and the Leyden and Elmwood Park community high school districts.

Petitions for special elections for new junior colleges first are studied by Dr. Puffer and his staff, and then forwarded to Ray Page, the State Superintendent of Schools. Upon Page's recommendation, Dr. Puffer advertises the proposal in the newspapers of the districts and then holds public hearings in the high school districts involved before the election is scheduled.

These special hearings, which will start at 8:30 p.m. will be held at the Palatine High School on March 23; Glenbrook High School South on March 24; Niles Community High School West on March 25, and Arlington High School, Forest View Branch on March 26.

Dr. Puffer explained that junior colleges are especially adaptable to fulfilling a "threefold educational objective for our growing suburban areas."

"First, a junior college affords many deserving young persons the opportunity to obtain two years of undergraduate work while living at home," he explained. "This need is underscored by continuing increase in the sizes of high school graduating classes."

For example, he said that the Niles, Palatine, Arlington Heights, and Glenbrook high school districts which had 3,080 graduating seniors in 1963 will have at least 7,000 graduates by 1970 and 10,000 graduating seniors by 1975.

"A junior college also can provide two years of terminal education in various vocational fields to help fill the demand for numerous types of technicians," Dr. Puffer said. "And, thirdly, a junior college can provide more facilities for adult education which has become increasingly important in this age of automation."

MTJ Sisterhood To Tour Furniture Store

Door prizes and refreshments will be served. Let's all get together for this new program. For further information, call Anita Miller at 299-5354.

Niles Color Center Presents Movie On Home Repair

Home-owners here will soon have the chance to see a free motion picture on a revolutionary new system for making home repairs.

The movie is to be shown on March 9 thru March 14th at Niles Color Center, 7652 Milwaukee, Niles, during store hours. It deals with a system called Tuff-Kote, which puts an end to making the same repairs over and over, such as cracks in walls, ceilings, brick, masonry and wood. Tuff-Kote makes a permanent repair by bridging cracks instead of filling them. A heavy compound and tough fiberglass cloth combine to make a repair that's stronger than the original wall itself, and it expands and contracts with the wall. Cracks repaired with Tuff-Kote do not re-open, thus eliminating forever the troublesome and costly job of filling cracks.

Tuff-Kote works wonders with other home repair jobs. It with other home repair jobs. It affectively fixes leaky gutters, roof leaks, rotted window sills, weather-beaten garage and house doors, and a host of other jobs around the house.

By making these repairs before painting, the home-owner gets more life from a paint job, an additional convenience and savings.

The informative and entertaining film, called "Love Your Home," is a full-color movie that will be shown continuously in Niles Color Center's showroom. The public is invited to view it without charge.

Lutheran General Hospital Receives $7,975 Grant

A grant of $7,975 has been made by the Chicago Heart Association to carry on heart research at Lutheran General Hospital, Park Ridge. The grant was made to Dr. Otto H. Trippel and Dr. Jack van Elk.

The funds will be used to study the effect of hyperbaric (high pressured) oxygen on coronary occlustons. Research will be conducted in the new $1 million John A. Hartford Hyperbaric Oxygen Research Center at Lutheran General Hospital.

Dr. Trippel is a member of the Lutheran General medical staff and is assistant professor of surgery at the Northwestern University School of Medicine. Dr. van Elk is attending physician in charge of the cardiology section and director of the high pressure oxygen research center at Lutheran General Hospital. He is also on the faculty of Northwestern University School of Medicine.

Milan Cathedral Replica At Golf Mill

"A 12 Year Labor of Love," that's what artist Emmanuel George Venetucci calls his Cathedral.

During the 12 years (30,000 hours) over 1,000,000 matchsticks were constructed to produce a replica of the Cathedral of Milan, Mother Church of Pope Paul.

It is 15 feet long, 8 feet wide and 10 feet high and was completed in September of 1961. There are 164 windows, 832 statues and 500 individual canopies, gargoils and the like.

This inspiration of art still created practical problems. 2,000 separate drawings and blueprints were required prior to construction. The superstructure disassembles into 16 sections for packing and shipping.

The Cathedral will be on exhibit in the South Mall at the Golf-Mill Shopping Center, Golf and Milwaukee Avenues in Niles from March 9th to March 21st. Admission is free.

Cub Pack 45 Holds Blue & Gold Dinner

Cub Scout Pack 45, Niles, Illinois, sponsored by Oak School and under the fine leadership of Cubmaster Larry Mervis held their annual Blue and Gold Dinner on Monday, February 24th at Maine East High School. The program began with the Grand March, a way for everyone to see the unique table decorations made by the various dens, and then the presentation of colors by Gary Chambers, Robert Charal, Wayne Gilbert, Terry Livorsi, Mike McDonnell, Guy Mitchard and Robert Sandvik of Den 7 under the leadership of Den Mother, Marilyn Charal. A short welcoming speech by Mr. Phip Rothenberg, Committee Chairman, the Table Prayer by Captain Forsythe of the United States Army, and then the banquet – the most formal and elegant yet — prepared by the mothers of each boy in Pack 45. Fifteen new bobcats were inducted; Donald Blayney, Reid Hyken, James Ignatius, James Jerfito, Phillip Lazicki, Mark Mandl, Bruce Nagel, Milan Nikitovich, Larry Paxson, William Pierro, Mark Puccio, Willis Reber, Peter Schiller, Herbert Sherman, Robert Weidner. As Mr. Mervis proudly stated when he became Cubmaster 6 years ago, there were 22 boys. Now there are 93 boys and there is still room for more. He's shooting for an even 100. Two new Dens were formed as a result of the new inductees headed by Mr. & Mrs. Donald Blaney and Mr. & Mrs. Bernard Ignatius. This makes a total of 10 dens in Pack 45.

Mr. Mervis and Mr. Rothenberg, following the induction, presented the awards to all the other boys and each one went up at least one rank. As they received their badges they were required to place a feather in the headdress of Akela (the Cub Scout name for a good leader) in a color corresponding to the rank they received. This was most impressive and Mr. Mervis was responsible for constructing Akela for this occasion. Boys who received their Wolf badges were: Jeffrey Wegner, Randy Waldman, Brian Bartulis, Carey Bieber, Kent Henrichsen, Michael Herr, William Keener, Larry Massey, Kenneth Sandberg, Scott Beran, Kenneth Capasso, Corey Carbonara, Daniel McDonnell, James Ryan, Jay Russ, Steven Tompkins, Edward Wallace, David Zider, Richard Dayment, Jacques Hoeffleur, Richard Bobula, Harley Loebman, Ricky Myers, Kenneth Schneider, Gary Braun, Greg Braun, James Cook, James Hayes, Bryan Pierce, Wayne Gilbert, Terry Livorsi, Mike McDonnell. Boys who received their Bear badges were: Steven Burgher, David Itkin, Jeffrey Lundius, Frank Mervis, Steven Pascente, Greg Thompson, Jeffrey Wegner, Lonnie Lloyd, Martin Rothenberg, Larry Agrest, Terry Frick, William Rothenberry, Randy Hyken, Donald Johnson, Paul Pomazal, James Schneider, James Cook, Ronald Friedman, Anthony Greco, Philip Hilson, Robert Charal, Guy Mitchard and Robert Sandvik. The boys who received their Lion Badges were Bruce Martin, Kurt Weber, Donald Cochrane, Mark O'Neill and Jeffrey Lowe and one boy completed his Weblos badge – Bruce Potenza. Even the following Den Mothers and Fathers received certificates of thanks in recognition of the spirit of Cub Scouting that they have brought to our community through their service: Larry Mervis Den 1, Bob Bieber, Den 2, Ed Ryan, Den 3, Mary Anne Rotenberry, Den 4, Diane Hyken, Shannon Schneider, Den 5, Captain Jim Cook, Den 6, Marilyn Charal, Den 7, Shelly Greenhill, Den 8.

One sad note for an otherwise gala and proud night was the announcement that Captain Jim Cook of the United States Army and Den Father of Den 6, and his family will be leaving Niles very soon to make their home in Okinawa. Pack 45 is losing a most eager and able leader and everyone will miss the Cooks.

Receives Academic Honors

Public To View New Oxygen Research Center

Open house will be held from 1:30 to 4:30 p.m. Saturday and Sunday, March 7 and 8, at the new $1 million John A. Hartford Hyperbaric Oxygen Research Center at Lutheran General Hospital, Park Ridge.

"We are asking all visitors to the open house to park their cars in the lot back of the hospital," said T. L. Jacobsen, executive director. "In this way, visitors can walk right into the hyperbaric center."

The center will be open for public inspection during these hours. The public will get an opportunity to view the world's largest hyperbaric (high pressure) oxygen system.

"This will be a good opportunity for the public to get a first-hand look at the center," Jacobsen said. "After we begin using the center, the chambers will be part of our surgical area and will not be available to the public."

John Volp On Honor Roll

John Volp is named on the first semester Honor Roll at Millikin University. Honor Roll students must earn a 3.0 (B average) or better on a 4.0 grading system. A total of 224 students were listed, 11 with perfect 4.0 averages.

John is a graduate of Niles Township West high school and is a freshman this year at Millikin where he is majoring in mathematics. He is the son of Mr. and Mrs. John H. Volp of 7120 Keeney, Niles.

Another Morn.. 'nother Yawn...

by
Frieda Aron

Sitting in the car outside the shop, idly listening to the radio just before turning off the ignition, my gaze wandered to a car that drove up alongside of mine. A lovely darkhaired girl sat in the front seat with a baby on her lap and the handsome young man behind the wheel smiled down at her, as he turned off the ignition. But the downcast eyes under the wide brimmed hat, and the drooping full red lips of the girl neither saw, nor responded to his tender look. She juggled the child on her lap, as he opened his side of the door and went to the trunk of their car. Then he came to the side of his wife with something large and metal which unfolded just at the door. The husband and father opened the door, reached over his wife, amd taking the baby off her lap, sat the child into the strapped in baby seat, next to the wheel; then picked up the young mother carefully and sat her into the shiny new wheel chair. Thin legs dangled on the footrest and she seemed to shrink into the chair, never lifting her eyes. Unstrapping the child and placing it on her mother's lap, he wheeled both his girls into the yarn shop.

The world of high fashion with its walking coat hanger figures and haystack heads is not my forte; crazily colorful, gaudily exciting individuality is my cup of tea; yet, now and then I look at myself and say "Why not give fashion a chance to improve you?" So, I hie myself off to the nearest beauty shop for a bit of overhauling, and the result—?? This time I picked L'Elegance Salon de la Beaute, on Dempster—every woman walking out of there was a fashion plate and graced her coiffure—until I walked in. Poor little Annette Piraino, the luckless beautician who took me in hand. This sweet, knowledgeable, girl in her art, was accustomed to doing the work on her customers. I guided every twist and turn of the ugly curlers that took over where the hair had once been. She fussed, fumed and swelled indignantly over my "no ratting, no spraying, no lotion, no-no-no-anything" edict. "No one is going to drive me crazy!" she told me. Sooo, I'm back to my unfashionable, unstylish coiffure, and incidentally, Annette, everyone loved the result and it was charming—for some one else. This impregnable fortress of inelegance will go on and on.

Paul Newman, as he appears in "The Prize" as a young American novelist who comes to Stockholm to accept a Nobel Prize and walks into both murderous danger and an uninhibited love affair.

"The Prize" At Golf Mill

It's not often that you get a motion picture which is a suspense-thriller, a love story and a sophisticated comedy all rolled into one. Starting Friday at the Golf Mill, "The Prize," with Paul Newman, Edward G. Robinson and the beautiful European actress Elke Sommer heading an all star cast, is just such a picture and it spells Entertainment with a capital E.

Based on the best selling novel by Irving Wallace and filmed in Panavision and color against arresting backdrops of Stockholm, Sweden, "The Prize" concerns a young American novelist who comes to Stockholm to accept a Nobel Prize and walks into both murderous danger and an uninhibited love affair.

Paul Newman plays the young writer who becomes involved with two glamorous girls. The first, blonde, blue-eyed Elke Sommer, plays a member of the Swedish Foreign Office. The second, brunette Diane Baker, plays the niece of another Nobel Prize winner, Edward G. Robinson.

For the children at the Saturday matinee, the Golf Mill opens with an hour of cartoons at 1:30 followed by the kiddie feature, "Konga". The matinee program ends at 4 P.M.

Theatre Guild Holds Tryouts March 9, 10

Calling all actors and actresses in Niles, Morton Grove, Golf, Skokie, Lincolnwood and vicinity!! Tryouts will be held on March 9th and 10th at 8:00 p.m. in the lovely new playhouse of the Des Plaines Theatre Guild at 620 Lee St. (near Miner) in Des Plaines.

The next Guild production will be "Everybody Loves Opal," a way out comedy written by John Patrick and directed by Art Thorson, producer of the Repertoire Theatre for CBS. Casting selection s will be made for two female leads, two principal male roles and two male supporting parts. If drama is your special talent and you have been wanting to get into little theatre, this is your opportunity. Mark your calendar now, attend the tryouts and begin activity with an exciting group of thespians. The Des Plaines Theatre Guild enjoys a fine reputation for outstanding productions and you are invited to be an important part of its future.

Tomorrow, March 6th, is opening night for the Guild's current production of "A Touch of the Poet." Curtain time is 8:30 p.m. and tickets may be obtained by calling 824-9309 or 824-8019 for advance reservations. This play will be performed also on March 7, 13, 14, 20, and 21. "A Touch of the Poet" is one of the most mellow, laughable, touching plays by Eugene O'Neill, America's greatest playwright.

Hold Scout Roundtables Tonite

The cub and scout roundtables will be held tonight (March 5) at Oakton school, 2101 Oakton, Park Ridge at 7:45. A film strip outling the general theme of the coming months, "Strengthen America's Heritage," will be shown to both groups.

Cub scout naturalists, the April cubbing theme, will have cubmaster Art Perren of pack 217 handling the opening ceremonies. Don McCormick has a special feature of summertime activities to present.

Dorothy Frakes will speak on get acquainted activities and den mother's activities. Ed Fluhler will discuss how to use program planning.

The boy scout section will be lead by Ralph Kort, their April theme being get outdoors. Map, compass and measuring, review of proper packing methods and a bike overnight camp with scouts traveling to and from the camp site by bike and transporting all equipment and food will be discussed.

Search Is On For Talented Teens

Teen-age singers, dancers and musicians from the Lawrencewood District are invited to audition for the Talented Teens Search on Wednesday, March 11th. Auditions will begin at 7:00 p.m. in the Lawrencewood Little Theatre, Oakton and Waukegan Road, Niles, according to George F. Koehnke, President of the Talented Teen Foundation which conducts the contest.

The Search, sponsored by the Coca-Cola Bottling Company of Chicago, will select winners in 25 city and suburban area contests to compete at McCormick Place in early summer for an all-expense three-week tour of Europe and other prizes.

The contest is open to all performers between the ages of 13 and 19. There is no entry fee and the public is invited to attend the auditions free of charge.

The Grand Prize winner of the talent contest will fly from O'Hare Airport on a BOAC jet direct to London and then travel to seven countries by motor coach. The winner will tour with a troupe of 60 Talented Teens who will be doing concerts and shows for European students and American military personnel stationed abroad.

This is the second Teen Search and European trip sponsored by the Coca-Cola Bottling Company of Chicago.

Further information may be obtained by calling Mr. Koehnke at 773-1080.

Maine East "Spring Concert"

Maine East high school's orchestra will present its annual Spring Concert Sunday, March 8, at 3:30, Lloyd Spear, Maine's music department chairman, announced yesterday.

Assisted by Walter Flechsig, Spear will conduct the 75-piece orchestra in a ninety-minute concert of both traditional and modern music, from Handel to Britten, in the school auditorium, Potter and Dempster.

Admission will be by Music Boosters ticket or paid admission at the door, at $1 for adults and 50 cents for students.

Three senior girls will appear as soloists. Arlene Carlson, daughter of Mr. & Mrs. Robert S. Carlson, 713 N. Park Plaine, is a pianist. Soprano soloist will be Kathleen Krysyniak, daughter of Mrs. Pearl Peplowski, 7926 North Oketo, Niles. Karen Scholl, clarinetist, is the daughter of Mr. and Mrs. Frank J. Scholl, Jr., 716 Babetta, Park Ridge.

Niles Red Cross Drive Now Under Way

The Niles Red Cross Drive started Sunday, March 1 and will continue during the month of March according to C. Norman Weigle, Niles Committee Fund Chairman. Mr. Weigle announced the following persons were assisting the Niles Community: Mr. Robert W. Southard of Vapor Heating Corporation is acting as industrial Chairman. Mr. C. L. Massey of Lumbermen's Mutual Company is acting as Residential Chairman. Assisting Mr. Massey is W. J. Elder who is also connected with Lumbermen's Mutual Company. Mr. Charles Barbaglia is Treasurer of the Niles Committee. Mr. Barbaglia is Assistant Cashier at the Bank of Niles.

Mr. Southard has stated that all industries and businesses in the Niles area are receiving a mailed letter requesting a donation to be mailed to the Niles Red Cross Committee. The donations may be mailed directly to Mr. Barbaglia at the Bank of Niles in envelopes furnished by the Committee.

Mr. Massey and Mr. Elder are in the process of having a block to block, house to house campaign which will cover the entire area in Niles. Any persons who are not home or are not solicited may also mail contributions directly to the treasurer, Mr. Barbaglia, c/o Bank of Niles, 7100 W. Oakton Street, Niles 48, Illinois.

Mr. Weigle has emphasized that the fund chairman, his assistants and all other Niles residents helping in the campaign are volunteers who receive no portion of the funds. The Red Cross operates under a congressional charter and its only source of funds is through volunteer contributions.

The quota for the Niles area this year is $2,500.00. All those who contribute become Red Cross members entitled to vote at the Chapter Annual Meeting. Mr. Weigle stated that a $5.00 contribution will provide $30.00 worth of service because the work is done almost exclusively by volunteers.

1200 Nilehi Students On Honor Rolls

More than 1,200 Nilehi students recently were listed on the first semester honor rolls of both Niles East and Niles West. Total enrollment in the two high schools is about 6,000.

Girls ranked high with about 680 names listed while the boys placed about 570 names on the honor lists. In total enrollment there are 2,932 girls and 3,073 boys.

Appearing on the Gold Honor Roll at Niles East and on the White Honor Roll at Niles West were 658 names. On the Blue and Scarlet lists at Niles East and Niles West, respectively, were 602 names.

Named for the colors of each of the schools, the lists differ by the grand point averages they represent. The Gold list at Niles East and the White list at Niles West include the names of students who achieve a grade point average of 3.5 to 4.0, an "A" average being the 4.0.

The Blue and Scarlet lists include names of students who have grade point averages ranging from 3.0 to 3.49.

Broken down into the four levels of the high school years, the honor lists named 321 seniors, 288 juniors, 319 sophomores, and 332 freshmen. In that order, each of the classes has a total enrollment of 1,212 seniors, 1,641 juniors, 1,594 sophomores, and 1,558 freshmen.

Girls on every level seemed to do better than the boys. Exceptions to this were at the sophomore level where boys outdid the girls on the gold and white lists and tied the girls on the blue and scarlet lists, and at the freshman level on the white and gold lists only.

St. Patrick Academy 35th Anniversary

The month of March heralds the 35th anniversary of St. Patrick Academy in Des Plaines. The Parents Association of the school is giving a St. Patrick Benefit Party at Villa Venice in Northbrook on Friday evening, March 13th to observe this special occasion. Parents and friends of the academy have been invited by Mrs. A. R. Gallagher and Mr. J. Winke to help with the celebration. Guests have been promised a choice of dancing or card playing for the evening's entertainment.

Honored guests will be recognized by the Rev. Andrew J. McDonough of St. Juliana's parish. Among the most illustrious of the alumnae is the president of the Council of Catholic Women, Catherine O'Donnell Schwass. Mrs. John Raymond is the first president of the Mothers Club. Other past presidents and alumnae are expected to be among those present.

In the receiving line will be Capt. and Mrs. A. R. Gallagher, 7401 N. Oriole, Mr. T. Franzen, 6666 Devon Ave., Mr. and Mrs. J. Wehrheim, 6429 Neva Ave., and Mr. & Mrs. J. Winke, 5745 N. Oleander Ave. Mr. & Mrs. C. Parker, 7508 N. Olcott Ave., and Mr. & Mrs. J. Maes, 7405 N. Oketo Ave., have charge of ticket distribution. Mr. & Mrs. A. Humel, 5035 N. Nordica are responsible for the Grand Award of the evening. Door prizes are a traditional feature of every benefit so Mr. & Mrs. E. Glatt and their committee have been busy for weeks assembling an attractive array of prizes. Other members of the benefit committee are Mrs. W. Gorman, 7048 N. Oleander Ave., Mr. & Mrs. F. Goise, 7455 N. Ottawa Ave., and Mrs. H. Mc Grath, all of Chicago.

Maine Twp. Jewish Cong.

Maine Township Jewish Congregation will hold Friday night services March 6th, at the Mark Twain School, 9401 Hamlin, in the Twin Oaks Area, starting at 8 p.m. A guest Rabbi is scheduled to officiate. The following morning services will be observed also at Mark Twain starting at 9:30 a.m.

PAIN — A BUILT-IN WARNING SYSTEM
Your body is truly a most miraculous creation. Not only is it more complicated than any man-made machine, but when something is functioning incorrectly a built-in warning system tells you to have it checked at once.
When you experience pain your warning system is at work. Usually by the location and the intensity of the pain your physician can quickly diagnose the problem and call for a remedy. This remedy will be one of the more than 4,000 medicines we regularly stock in our pharmacy.
YOUR DOCTOR CAN PHONE US when you need a medicine. Pick up your prescription if shopping nearby, or we will deliver promptly without extra charge. A great many people entrust us with their prescriptions. May we compound yours?

DOING BUSINESS IN NILES HELPS FINANCE STREET IMPROVEMENTS

Motor fuel tax money returns helps to build new streets as well as improve old ones.

By supporting your Niles Gas Stations, state tax money spent there is returned in part TO NILES to be used for streets, and sidewalks also curb improvements.

AS AN EXAMPLE,, Oakton Manor and Grennan Heights residents both received about 33% reduction in their street assessments due to the applying of motor fuel tax money returns to the construction of streets IN NILES,... one more example example why "it's good business to do your business in Niles..... It Makes Good Sense... and Cents."

WHEN YOU DO BUSINESS IN NILES.....

Sales Tax Money comes back to serve you.....1/2 cent of every dollar spent IN NILES is returned TO NILES.....

AS AN EXAMPLE.... Sales Tax returns can purchase new sidewalks and a street lighting program for Niles.

....one more example why "It's good business to do your business in Niles..... It Makes Good Sense.. And Cents.

"Save Your Vision" Week

R. to L., Dr. Chester J. Nowak, Niles optometrist located at 8150 Milwaukee Ave, receiving Save Your Vision Proclamation from Mayor Nicholas Blase, center. Drs. Edgar Fox, and Harry Sirota, Niles optometrist located at 8057 Milwaukee Ave, was present. Dr. J. J. Podgers, M.D., Niles Health Officer, 8057 Milwaukee Ave, made a statement on Save Your Vision Week.

March 1-7 is Save Your Vision Week, the 37th consecutive observance. Its theme is "Get More Out of Life With Good Vision." And you can, if you don't take "eye fatigue" for granted.

Dr. J.J. Podgers, M.D., stated "God's most precious gift to man is sight. Therefore, attention to our vision is appropriate for good health during Save Your Vision Week."

Announce Revised Salary Schedule In School Dist. 63

A revised salary schedule for the 1964-65 school year was adopted by the Board of Education of East Maine School District No. 63 at their last regular meeting.

The adoption of the salary schedule came after a series of meetings had been held with a Teacher Salary Committee and the administration of the district. The Board also made some changes in the salary schedule provisions which are a part of the schedule.

A policy relative to sabbatical leave was added to the schedule by the Board. The new policy will make available to teachers an opportunity for advanced study at half pay after seven years of service in the district. A maximum of 1% of the total teaching staff will be eligible for sabbatical leave any given year. The granting of sabbaticals will be based on applications by qualified teachers and the recommendations of the Teacher Evaluation Committee and the administration of the school district.

The revised schedule provides for a starting salary of $5100.00 for beginning teachers with a Bachelor of Arts degree. Annual increments varying from $100.00 to $200.00 will be granted in 15 steps to a maximum of $7350.00. Beginning teachers with a Master of Arts degree will start at $5400.00. Annual increments varying from $100.00 to $200.00 are also a part of the 15 steps in this category of the salary schedule. The maximum salary for a teacher with a Master's degree plus 10 additional semester hours will be $8,000.

The provisions providing for leave of absence for teachers under tenure were revised by the Board. The Board clarified maternity leave for tenure teachers and further provided that the reemployment of teachers after a leave of absence would be contingent on whether a position was available for which the teacher was qualified.

The recommendation of the Salary Committee that a Teacher Welfare Committee and a permanent Salary Committee be formed representing the teachers of the district was approved by the Board.

The adoption of the revised salary schedule and provisions represents a fine spirit of communication between teachers and the Board of Education according to Superintendent Jim Bagg of District 63. "The bringing together of teacher representatives and the Board of Education in a friendly atmosphere of communication has led to a common understanding of the financial problems involved. Many teachers have expressed their gratitude to the Board for considering their problems and taking time to work with teachers in the development of a satisfactory salary schedule."

Honor Dick Ordlock At Eagle Scout Dinner

Among Scouts, Explorers and their sponsors for Maine Ridge District honored at the Seventh Annual Eagle Scout Recognition Dinner at Old Orchard Country Club on February 20th was Eagle Scout Dick Ordlock of 8125 N. Elmore, Niles of Troop 62, Sponsored by W. A. Heath, United Air Lines.

Sixty-four Scouts from Northwest Suburban Council were recognized at the banquet. During the day each Eagle Scout was the guest of a sponsor at his place of business learning about the vocation of his choice. Dick Ordlock's vocational interest is to be an Airplane Pilot.

Guest speaker, Mr. Everett Mitchell, Farm Editor of Stations W.M.A.Q. and Channel 5 pointed out a comparison of the opportunities by youth for service to "God and Country" in some foreign lands he had visited in comparison with our own United States.

He pointed out the differences of parents, business, community and Government encouraging and recognizing youth in their endeavors here in contrast to the roadblocks thrown up in some countries overseas. Americans should appreciate and take advantage of these opportunities.

Brebeuf Hoopsters Advance

Downing stubborn Santa Maria of Mundelein, 36-33, required an all out team effort last Sunday afternoon. The hard earned victory entitled Saint John's to advance one step nearer the coveted goal of North Section Champions.

Ball control and strong rebounding on both boards gave Saint John the half time lead of 19-13. Defense was the watchword as front men Pat Brennan, Greg Clark and Bob Frankenberg caused several key interceptions and continually harassed Santa Maria's fast break attack, forcing them to play Saint John's style of ball.

After the loss of forward Jerry Thode, early in the third quarter, Saint John countered with the steady floor play and defense of forward Jim Powers and center Russ Sabac to deter Santa Maria's strong bid for a comeback victory. Having lost the edge on rebounds, Saint John saw their lead dwindle to a single point on three occasions before victory was finally achieved.

It was the strong defensive floor play and ball control by Saint John that stopped the Santa Maria fast break attack. The Mundelein warriors, divisional champions of Lake County for three consecutive years, averaged 52 points a game this season before encountering the Brebeuf hoopsters. The old adage "A good offense is a good defense," reflects the steady advancement of this spirited team toward the intermediate division crown.

This Sunday's action again takes place at the Saint Tarcissus gymnasium (Moody and Milwaukee) at 3:00 p.m. It will pit tight defense and ball control by Saint John against high scoring Saint Hilary, who downed Resurrection parish last Sunday 55-41.

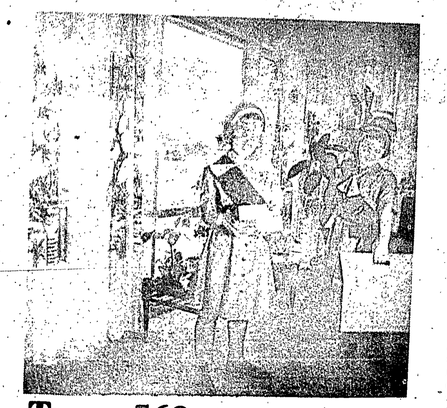
Girl Scout Week March 8-14

The Girl Scouts of the United States of America will celebrate their 52nd year in scouting beginning March 8th through March 14th. The theme for this year is GIRL SCOUTING A PROMISE IN ACTION and many troops are planning special activities for this week. The girls will re-examine the Girl Scout Laws and Promises and will work hard to use them as principles to live by. These girls are learning things now that they will use in the future also. They are learning to work as an individual and as a team towards the betterment of our society. Skills learned in homemaking, outdoor living and the arts will never be forgotten. Nor the good times and problems of learning scouting. They are taking an interest in their government and in their city and are always willing to lend a helping hand with a big smile. The observance of Girl Scout week reminds each of us to re-examine our own values and the values that we are passing on to our children.

Troop 853

Pictured left to right are Judith Dirindin, Catherine Corrado, Judy Smaha, Jan Wagner, Diane Molezzi and Mary Alice Magnuson, one of the five patrols from St. John Brebeuf Junior Scout Troop 853. They are showing the stuffed animals that they made and presented to the Angel Guardian Orphanage for one of their Service Projects of the year. The animals were cut, embroidered, stuffed and sewed by each girl.



Troop 569

Preparing to start the Girl Scout Cookie Drive beginning February 28th are Nancy Wisniewski and Barbara Corrado of Troop #569.

Legal Notice

The following wrecked and abandoned vehicles appraised at a value not exceeding $100.00 will be sold at public auction March 20, 1964, at 11:00 a.m. at Skokie Automotive, 7254 Milwaukee Ave., Niles, Illinois.

1955 Pontiac, 4 door, Serial No. P855H 36916; 1959 Oldsmobile, four-door, Serial No. 597 M 42189.

Any person or other persons legally entitled to possession of said vehicles may claim them within 15 days of said date. The aforementioned automobiles will be sold under section 35B-1 & 35B-2 of the Illinois Motor Vehicle laws.

Dated March, 1964, Clarence Emrikson, Chief of Police, Village of Niles, County of Cook, State of Illinois, Custodian of Unclaimed Property.

Girl Scouts Begin To Sell Cookies

On Friday February 28th, the Girl Scouts of Troop 809 of St. John Brebeuf School will begin to visit the homes of Nilesites at 4:00 P.M. The girls will begin to take orders for the annual Girl Scout Cookie Sale. A variety of 5 favorite cookies will be available, Scot-Tees, Mints, Savannahs, Sandwich Creams and Assorted Cookies. Deliveries will be made during the Week of April 9th through the 16th.

The Troop profits from this year's cookie sales will help to defray the expenses for the trip planned in June. Mrs. Frank Pokorni, Troop Leader, and the enthusiastic scouts will visit Prairie Du Chien Wisconsin for 2 days. This will be the troops final activity for this school year.

East Maine Jr. High Addition Approved

Preliminary plans for the second addition to East Maine Junior High School in District 63 were approved by the Board of Education at the last regular meeting.

After presentation of the plans by Architect Conrad Kristmann, of McCaughey, Ericksen, Kristmann & Stillwaugh, Inc., of Park Ridge, the Board unanimously agreed to proceed with final plans and submission of these plans to prospective bidders in the immediate future.

The proposed addition includes a comprehensive library center. Also included will be an additional wing to the present Junior High School to include regular classrooms, added shop and mechanical drawing facilities, homemaking and foods laboratory for girls, science rooms, and a large cafeteria.

The new library has been designed to meet the needs of the present and future enrollment of the total projected Junior High School. In addition to a large reading room with open stacks, the new library will include two small teaching and reference rooms to be used, in conjunction with the main reading room. In keeping with the concept that the library of a junior high school should be an instructional materials center, the plans include a large storage area for audio-visual materials and a visual aids projection room which will accommodate approximately 100 pupils.

The new cafeteria will provide adequate seating space for the anticipated enrollment of the Junior High School. Kitchen facilities will be expanded. New equipment will be added to equipment from the present kitchen and provision will be made for two service lines to operate at the same time. Added facilities include a walk-in refrigerator and deep-freeze unit.

Preliminary plans indicate that the opening of bids will take place sometime during the month of April and construction will begin in May. It is hoped that certain parts of the addition will be available for student use sometime during the 1964-65 school year.
