PARK POOL TO OPEN JUNE 12TH

The Park District Swimming Pool at 7877 Milwaukee ave., will open on Saturday, June 12, at 1 p.m., and will remain open, weather permitting, for 78 consecutive days through Aug. 30, according to Gerald Sullivan, Park District President.

The new Ballard Swimming Pool will open for public use on or before July 4, according to Webbs Norman, Park Director. Norman reported that every effort is being made to complete the project for the convenience of the residents and with continued good working weather, the project will be completed and opened shortly after the Recreation Center Pool opens.

Pool Season Tokens will go on sale on Monday, June 7, in the Recreation Center Building, 7877 Milwaukee ave., between the hours of 9 a.m. and 4 p.m., Monday through Friday, and on Saturday from 9 a.m. to 12 noon. Also, during the first week, Tokens will be available in the evenings from 7 to 9 p.m. Token applications and pool program information have been mailed to all those residents who participated in the pool programs last year.

All persons wishing to enroll in special pool programs such as: Learn-to-Swim, Diving Instruction, Competitive Swimming, etc., may register at the same time they purchase tokens.

Commissioner Jack Leske, Finance Committee Chairman, reported that Season Tokens and daily fees will be the same this year as last. Family rates begin with $17.00 for husband and wife, plus $2.00 for each child up to a maximum of $25.00. Individual season tokens, regardless of age, are $10.00. All non-resident season tokens are slightly more than double the resident rate.

Park officials state that season tokens will be honored at both pools.

The 1971 pool program offers a variety of activities, such as public swimming seven days a week, swimming instruction for children, a comprehensive competitive swimming and diving program, diving instructions and synchronized swimming.

The competitive swimming program, under the direction of Bill Casey, Swimming Coach at Notre Dame High school, will offer competition in the Park District Conference and in A.A.U. competition. In addition, the diving program will be under the direction of Fred Newport, ranking collegiate diver from the University of Wisconsin.

According to Park officials, every effort is being made to expand the competitive program to assure Niles youth the opportunity to participate in this exciting sport.

Complete details on the pool programs and schedules can be obtained by calling the Park District Office at 967-6633.

Positive proof of residence in the Niles Park District must be presented when purchasing season tokens - such as your tax bill, driver's license, etc.

From the LEFT HAND

(Reprinted from June 11, 1970)

I've found out a truth which I'm sure many of you've known for many years. It's simply you say good-by to your kids a little bit at a time, as the years slip by.

Tonight our number 3 child graduates from grammar school. And while I don't want to hold back the clock, still I wish it wouldn't move quite so fast.

Until last week-end she was a little girl. While everyone says 'this child looks like that one,' and 'she's going to be just like her sister,' still her Mother and Dad know this isn't true. She's not like anybody, just as the other 3 kids are quite different from one another. They all live under the same roof, and they're the progeny of the same source, but that's the end of their sameness.

While Dads in particular like to think of their daughters as soft willowy flowers, gentle and fresh, and fragile and warm, this graduate brings back the memory of music . . . the kind with a beat, which drives 'Old 45' to the wall. I was nurtured on Glenn Miller and soft oozy schmaltz which was muted and sweet . . . Charley Spivak trumpets and blended saxophones which accompanied such euphonious names as the Modernaires and the Mellow Larks. But the graduate has her sound with names that must read the Cacophony Chorus, the Garbage Can Drum Beaters and the Ersatz Noisemakers.

'Old 45' and The Graduate have other generation-and-a-half gaps as well. F'rinstance, it's a little thing, but as they say, it's the little things . . . Like, "Hey graduate, where's my pen?" It's the third one she's grabbed this week and it's my one tool of the trade. Without it I'd have to go back to those ten cent ink-stainers, or even to a pencil.

For another example I'd like to say, take my shirts . . . but if I did, you can be sure she grabbed them long ago. Take that grey knit sweater I bought at a knitting mill in Vermont last year. Well, you can be sure she took that one long ago, too.

I could mention the telephone, but best I keep the blood pressure down. I guess these kids are more refined these days. Back in the 30's and 40's you'd go over to a guy's house and yell, "Ohhh, Joeeeee," Or you'd whistle. Or you'd just wait out in front or in the gangway or in the backyard for him. But this classy Miss Suburbia does it much more genteely. She uses the phone. If she wonders what Jan is wearing to school on Arbor Day . . . telephone. "I saw Bob with Sue . . ." telephone, telephone, telephone. (that's worth 3 calls). Homework . . . telephone. It's sort of a game. If she gets home early the phone never rings. It couldn't because she's on it . . . telephoning. If she comes home, like ten minutes later than usual, and 'Old 45' is there, he becomes an answering service. F'rinstance, take the time we were having dinner some months ago. For a real laugher 'Old 45' answered her phone

Niles Man Killed In Gun Battle

By Diane Miller

Gus Kalidomos, 20, of 7791 N. Nordica, Niles was shot three times and killed by Niles police during a gunfight Tuesday afternoon in the Lawrencewood Shopping center, Oakton and Waukegan, Niles.

Niles Police Chief Clarence Emrikson told The Bugle that Kalidomos and another man had been the object of a search by Niles police Tuesday morning after Highland Park police issued an alert for a 1957 Chevrolet, red and white with Illinois license plates HW5395 which allegedly was involved in the robbery of a Highland Park motel on Monday. The motel clerk Oscar Leinberger was shot during the robbery.

Chief Emrikson said that the vehicle sought by the Highland Park police was known to the Niles police and a search by 12 marked and unmarked squad cars took place Tuesday morning.

Approximately 1 p.m. that afternoon, an officer watching the Kalidomos home on Nordica saw a car matching the one used in the robbery drive up to the home and Kalidomos left the car. The car then drove away and another Niles officer who was summoned by the stakeout officer, pur-

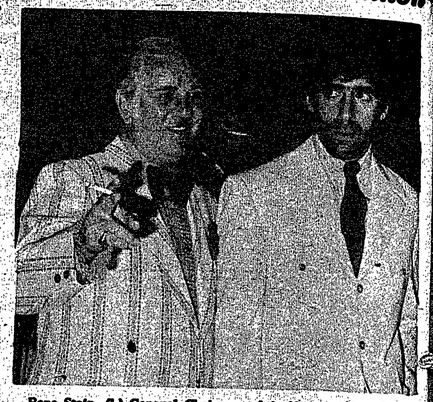
Bene Stein Chairman of Girls Softball Marathon



Bene Stein, (l.) General Chairman of the Niles Youth Congress Softball Girls League as seen recently with Elliot Gould, star of motion pictures.

Bene Stein, General Manager of Golf Theatres I and II, Niles, has been appointed General Chairman of the Niles Youth Congress 52 hour softball marathon for the Little City Foundation, a residential community for the blind retarded and mentally retarded, to be played June 25, 26, 27 at Jozwiak Park, Touhy and Milwaukee aves., Niles. Bene, a familiar figure to moviegoers, graciously accepted the invitation to act as General Chairman and to add the support of the Golf Mill Theatre family towards the marathon. "The management of the Golf Mill Theatre feels the young ladies of the Niles Youth Congress Softball League deserve all the support they can get due to the wonderful efforts they are putting forth in undertaking this worthy cause. It's beautiful when you stop and realize they are devoting 52 consecutive hours to play softball for the Little City Foundation. These young ladies are clearly showing young people can do their 'thing,' with dignity and graciousness in sponsoring a cause."

The Bank of Niles, 7100 W. Oakton, Niles, has been designated as Marathon Headquarters for all contributions to the Girls Marathon. $1.00 from each family in the community will help a child afflicted with mental retardation come closer to a normal life. Please make all checks payable to Niles Youth Congress/Little City Foundation.

Centel Withdraws Unlisted Number Charge

Central Telephone Company has withdrawn its filing with the Illinois Commerce Commission for a 50¢ monthly charge for non-published directory service at this time.

Letters have been mailed to the more than 10,000 Central Telephone subscribers whose telephone numbers are not published in their directory advising them of the withdrawal.

The original reason for the proposed charge for non-published numbers was the additional clerical costs involved for this specialized service. Security for non-published numbers requires extra personnel who are specially trained, as well as extra bookkeeping.

Centel felt there was no logical reason why the expense of non-published service should be borne by all customers.

The proposed charge is not unique as telephone companies in Illinois and at least 20 other states have similar charges.

LETTERS TO THE EDITOR

Ask Before, Not After!!

Dear Mr. Besser:

Congratulations on your fine editorial in the Left Hand on May 20. That is exactly what I advocated prior to the Trustee election on April 20, when I ran as an independent candidate.

Only one thing I don't understand. How come you publicly endorsed two of the incumbent candidates, when they are the very people who have decided whether we have or do not have the utility tax?

As you asked your readers in your newspaper, why should Nilesites have to pay any Village tax at all? Instead of your readers Dave, why don't you ask the men you backed? And when you do . . . . why don't you ask them BEFORE the next election . . . instead of a month later?

Sincerely,
Chester R. Peterson

Niles

Thank You

Thanks a million for all the space you gave our publicity notices in your newspaper, the Niles Bugle, during the school year 1970-71! Our year was most successful, due to the cooperation of so many people. On behalf of the officers and members of the Niles Elementary School North and South PTA, .. thanks, it was appreciated very much.

Sincerely,
Mrs. Robert G. Bianchi
PTA President

Grateful To Those Who Care

Dear Editor,

I would like to thank the Niles Fire Department Ambulance for their prompt and courteous attention they gave to me when I was having an asthma attack on Tuesday, May 18. They took me to the emergency room at Lutheran General Hospital where I received prompt attention also. My husband wasn't at home so my neighbors Mr. and Mrs. Mike Landauer of 7047 Monroe called them for me. I would also like to thank them. It is so nice to know you have people who care.

Thanking you
Mrs. Marcella Gradisch
7050 Monroe St.
Niles

Thank You

Dear Mr. Besser:

I wish to express my sincere gratitude on behalf of the Philoptochos Society your publicizing our recent showing of the Greek movie "To Doloma" in your newspaper column.

You have helped us to make our efforts worthwhile through the media of your column.

Thank you again for your time and effort.

Sincerely yours,
Mrs. Stanley Fistedis

Pope's Pantry Opens in Morton Grove

Pope's Pantry, 6126 Dempster st., Morton Grove, opened Sunday, May 30 with radio, TV, and food industry personalities on hand to assist the new owners at the opening.

Robert Pope, himself a former TV food instructor with his brother, Frank, and his father, Francois, on the Creative Cookery TV Program, is one of the new owners. Other owners include John Adamson, former assistant at the Antoinette Pope School of Fancy Cookery, Chicago, and Dan Siverling, formerly of Babbitt Kitchens, Long Lake, Wisconsin.

Pope's Pantry will specialize in "call-in, carry-out" foods with a starting menu of taste tempting sandwiches including a special-size Submarine, Rib eye steak, German Brotwurst and a variety of regular favorites. Main dishes will feature Pope Spaghetti, chili, ribs and broasted chicken. Freshly prepared potato salad, slaw, ambrosia salad, and desserts including Strawberry Shortcake and freshly baked pies will be available.

The new owners said their menu will be expanded as soon as possible to include a wider selection of foods to be available for carry-outs.

A limited seating capacity will accommodate customers dropping in for lunch, dinner or snacks and a convenient parking area adjoins the restaurant.

"Quality, specially tested recipes, and fast service, will be the cornerstone of our business," said Bob Pope. He added, "We hope to become a part of this fine community very rapidly, and invite our TV friends, our former students and all of our new neighbors to drop in for a meal or to call in for a carry-out."

To some housewives, happiness is a virtue that just misses being a vice.

Baccalaureate Service Changed

The 68th Annual Commencement Sermon or Baccalaureate Service, to be held at Maine Township High school East June 6 at 8 p.m. in the school auditorium, promises to be a departure from the traditional services which have always preceded graduation exercises. A student committee, headed by Thomas Heenan (Park Ridge), president of the Class of '71, has designed a program to "achieve greater relevancy."

Certain aspects of the traditional service, such as the Invocation, the Choral selection, and the Benediction, have been incorporated into the new. However, where the service once had scripture reading and a sermon, the new program will have a student-planned segment entitled, "Metamorphosis." This part of the program will use slide projections, music, a Channel 7 documentary, and selected readings from The Prophet.

As Heenan put it, " 'Metamorphosis' traces the development of the human being from birth through high school, showing how his environment has affected him, and then looks at the future for the graduating student. I feel that this new program will be more relevant, moralistic and inspirational than past traditional commencement sermons."

Robert M. Florczak, son of Mr. Marion Florczak, of 7029 Cleveland, Niles, graduated from John F. Kennedy college of Wahoo, Nebraska and participated in the commence exercises held on May 23. Robert, who is majoring in S. Sociology, received a Bachelor of Arts Degree.

Augustana college, Rock Island, conferred degrees on 337 seniors at the 111th commencement convocation Sunday, May 30, in Centennial Hall.

Receiving a bachelor of arts degree in elementary education was Valerie Estelle Niclas, daughter of Mr. and Mrs. Henry G. Niclas, 5446 Madison, Morton Grove.

A total of 572 candidates for degrees participated in commencement exercises May 29 in the Gates Physical Education Building at Wisconsin State University-Superior. Receiving his B.S. degree was James R. Barnas, 8157 N. Cumberland ave., Niles.

The University of Colorado awarded approximately 2,800 degrees at its 147th Commencement Wednesday, May 26, in Folsom Stadium on the Boulder campus.

Among the candidates for degrees from the Morton Grove area are Karen L. Stavnes, 8942 N. Birch, doctor of philosophy and Joanne D. Thomas, 8825 Marmora, bachelor of arts.

Summer Programs at Leaning Tower

The need for fun, well organized, and educational summer programs has never been more apparent than it is today. Enrollments in past years in both Day and Resident YMCA Camping programs have indicated a parental desire for outdoor programs presented through the small, individual group experience. This summer the emphasis in programs at Leaning Tower YMCA for youth is to create a self-awareness through exposure to outdoor surroundings. The goal for the summer is to have children see, experience and understand.

Leaning Tower will again offer summer Day Camp experiences for both boys and girls kindergarten through seventh grade. There are four independent camps each geared to the interests and capabilities of that particular age group. Bus pick-up is included for Niles, Skokie, Morton Grove, Lincolnwood, southern Glenview and Wilmette, and Chicago north of Bryn Mawr.

A limited enrollment of 56 boys and girls will be able to participate in a one week resident camp experience. A special camp program has been developed to explore some of our current environmental problems along with participation in swimming, boating, and horseback riding. This program will be providing ground work for several innovative programs of the future at Leaning Tower. Dates: Aug. 22-28.

A very old means of transportation will provide youngsters with the opportunity to see areas the average person often misses. Eight one day canoe trips are available for boys and girls 9 years and over. There are many nearby safe areas to poke around and explore. The theme for these trips is "Discovery by Water."

There are still several openings for the unique experience of spending eight days on a wilderness canoe trip. A group of boys and girls will be leaving Leaning Tower on July 23 and returning on Aug. 1. They will be discovering themselves and a primitive area near Cook, Minnesota. This is an experience of a life time. Ages: 12 years and over.

A series of local trips can provide a lot of fun. The Y Summer Adventure Program offers 22 trips including: Horseback Riding; Go-Karting; County Fairs; Fishing; and many more.

More information can be obtained about any of the above programs by calling the Leaning Tower YMCA and asking for the Camp Office, 647-8222.

Dist. 207 Teachers' Salary Proposal

A 1971-72 teachers' salary package proposal has been submitted by the Board of Education of the Maine Township High Schools to the District 207 Teachers' Association for a faculty vote of approval. The proposed schedule provides for a beginning salary of $8,200 and a top of $18,245.

It is estimated that the proposed salary schedule would cost $453,892 more than the $8,931,700 1970-71 base salary costs for professional staff members whose salaries are determined from this schedule. This represents a 5.08% increase. If approved, it will provide individual professional staff members who are eligible for advancement on the schedule with salary increases ranging from $533 to $870.

The proposed salary schedule represents a 2.5% increase over the 1970-71 salary schedule. This increase is in addition to the annual one-step advance on the schedule for which most staff members are eligible. The proposed annual step increases average 2.58%, based on the current salary schedule.

Developed by the Board's professional relations committee, the salary package proposal and its submission to the Teachers' Association was approved unanimously by the Board of Education at a special meeting held Monday evening, May 24, in the District 207 Administration Center, Park Ridge.

The professional relations committee of the Board, headed by William P. Wuehrmann, now Board president, has been meeting with teacher representatives since January in an attempt to put together an acceptable wage package, keeping in mind the steadily deteriorating financial position of the district.

"Any institution's ability to compensate employees must be based on the ability to pay," stated Mr. Wuehrmann. "Currently, District 207's indebtedness amounts to approximately $3,200,000. Even without changes in the current salary schedule, the indebtedness will increase for the 1971-72 school year. Unfortunately, it appears there will be no significant increase (if any) in financial support from the State level.

"However, the Board is striving to maintain both a quality staff and program which compares favorably with area schools having a significantly higher per pupil tax base. We are also making every effort to increase compensation for professional services at a rate equal to the rise in the cost of living. We feel the wage proposal we are now submitting to the Teachers' Association accomplishes these purposes."

Auditions Scheduled for 'Fiddler'

"Did you hear the Morton Grove Music Theatre is doing 'Fiddler on the Roof'?" "Guess what? Ethel Libkin is holding auditions for 'Fiddler on the Roof'." "Imagine that. Morton Grove Music Theatre was selected to do the first local production of 'Fiddler on the Roof'."

Statements such as these are indicative of the excitement generated by the announcement that "Fiddler on the Roof" is to be the next presentation of the Morton Grove Music Theatre. Performances of the "World's most acclaimed musical" are scheduled for the weekends of Aug. 13 and 20 at the Niles West Theatre.

"The tickets are printed, the production crew has begun to work; now all we need are the actors," said the director, Ethel Libkin. Mrs. Libkin's expertise is well-known to suburban theatre patrons who have supported Music Theatre's past productions. "They are the best people in the world, and so they deserve the best cast we can find," added Director Libkin.

Barb and Bob Grahn, whose creativity has provided memorable choreography for many productions, including "Man of La Mancha," will combine their special talent with that of Mrs. Libkin once again. "The Grahn's are like an insurance policy to any director," Mrs. Libkin stated.

Auditions for "Fiddler on the Roof" are being held on Saturday, June 12 and Sunday, June 13 at the Golf Elementary school. The school is located on Waukegan rd. just south of Golf rd. in Morton Grove.

Anyone 16 years of age and older is invited to audition. There will be music available for those who do not bring their own. Those auditioning for any role in the show are advised to wear comfortable clothing that will not restrain movement.

Braves	2-1-0
Tigers	2-2-0
Mets	1-1-0
Dodgers	1-2-0
Orioles	1-2-0
White Sox	1-2-0
Expos	0-1-2
Athletics	0-2-1

The Pony Division started play on Saturday, May 15, with the Cubs winning the opener from the Athletics 14 to 3. Two triples by J. Blahnik, also triples by T. Kloss, P. Clausen, and D. Bohm.

A 12 hit attack downed the Angels 7 to 5. G. Jensen had a double and 2 singles, T. Polinski a double and a single, E. Mendrela a double and a single, and J. Mostek two singles. Ed Mendrela pitched a strong 3 innings and Ron Reeve saved in the bottom of the last inning.

A strong relief pitching performance by Rick Batleiner stopped the Dodgers offense. Rick struck out 9 of 12 batters he faced and earned the win. Final score 8 to 5.

Lack of hitting by the Tigers and heads up playing by the Orioles tamed the Tigers to a 10 to 3 defeat. Oriole pitchers B. Marino and J. Placko gave up 3 runs on 5 hits and struck out 13.

Cardinal outfielder Jim Thode went 3 for 3 in a losing cause. Pitcher C. Hadjuk was tagged with the loss.

An excellent game. Yankees jumped 3 - 0 lead on triple by Tom Polinski following singles by Ken Callahan and Ed Mandrela and a walk to Ron Reeve. Expos came back and tied score on long double by Bill Stift. Excellent pitching by all four pitchers. Excellent catch in left field by Dave Grouzard.

Game featured by 4 double plays gave the Cubs a 6-3 victory over the Orioles. Hits by J. Blahnik, M. Blair, T. Kloss and D. Clausen.

Excellent pitching by Pat Fergus plus a three run homer and good relief pitching by Ralph Nagrogess enabled the Tigers to win 9-3 over the Athletics.

A good close game was played between Braves and Angels. Errors accounted for the Braves 4 to 1 victory.

A tremendous pitching battle. White Sox took lead on 2 hits in the 4th inning. Game tied in 7th on home run by Tom Polinski and won on balk following hits by George Jensen and Jerry Mostek and Dave Grouzard, Polinski and Jensen each had 2 hits. Ron Reeve saved in bottom of the 7th. M. Donash and K. Callahan each pitched 3 innings.

The Cardinals in a burst of hitting power which had the whole team swinging won 11-1 over the Orioles. Rick Batleiner pitched 4 innings and struck out 10 batters.

Cubs 5 Expos 5. The seventh inning was a real thriller. Score tie 5-5 and the Expos at bat. The first man walked and 2nd batter hit. With no outs runners on 2nd and 3rd Jeff Blahnik was intentionally walked. The pitcher then proceeded to strike out the next 3 players to hold the Expos to a tie.

Good all around ball and a tremendous home run by Ralph Nadrogess enabled the Tigers to set back the Mets 6-2.

In a real wild game where the lead changed many times the Angels were down 7 runs in the 7th inning. Larry Jaroszewski had a grand slam home run that enabled the Angels to tie the score 14-14.

Cardinals ran the Tigers crazy taming them 11-3.

Wild pitching and poor fielding gave the Cubs a well earned victory over the Angels. Scott Brady did a good 3 inning relief job. The Cubs big batters were Mike Green and Dave Clausen, two singles and a triple by Mickey Blair.

Beckert Baseball Camp

A special camp to help boys 8 to 14 develop and improve their baseball skills has been established in the Niles area by Glenn Beckert, All-Star second baseman with the Chicago Cubs.

Featuring six weekly sessions starting June 14, the camp will be conducted at St. Isaac Jogues school, 8101 Golf rd., Niles, under the direction of Bill Morrisey.

The Glenn Beckert Baseball Day Camp, a division of Sports Stars of Tomorrow, Inc., is designed to complement and supplement local junior baseball programs, according to Beckert. Its main purpose is to help boys get the right start in baseball and improve their performance in junior league and high school competition, he said.

The same instructional methods developed at the famed Mickey Owen Baseball School in Miller, Mo., now in its second decade as the country's leading authority on boys baseball, will be used at the camp, the Cubs' infielder added.

Beckert said concentrated lessons and supervised practice on key fundamentals and techniques of hitting, fielding, throwing and base running will be emphasized.

Tuition for each one-week, 15 hour course is $35. Boys can enroll for either a morning (9 a.m. to 12 noon) or afternoon (1 to 4 p.m.) session.

Boys can register for the Glenn Beckert Baseball Day Camp in the Niles area by calling 282-8028.

MNLL Standings

Of the top six teams in Maine-Northfield Little League's minor division, five were defeated in last week's play. First place Yorktown-Sertoma fell to Central-Greenwood Standard 15 to 4. Ed Szymczak was the winning pitcher and Kevin Kwiatt hit a grand slam homer. Evan Hirsch had a double and a single and also pitched three innings. David Hirsh doubled for Yorktown and Jordan Lurie and Tim O' Keefe singled.

Second place Shasta Pet center was shot down by the Flying Frenchmen Restaurant 13 to 6 with Murray Shore credited as the winning pitcher. Steve Puisis homered for the Frenchmen and Jimmy O'Brien had three singles and three RBIs. Wayne Spiwak had three hits for the losers and Craig Stone, Danny Sanders and Jeff Gross each doubled in two runs.

Mission White Construction outblasted third place Dash's Texaco 22 to 15 behind a parade of doubles by John Burke, David Brody and James Burke and a triple by David Panicko. The Tasty Pup nipped the House of Schiller with batting power provided by two doubles by Chuck Gordon and two singles by Mickey Rothblatt. Other singles were hit by Jeff Pine, David Frishman, Bruce Abrams and Andy Dunitz. The big hit for the House of Schiller was a triple by Mike Singer who scored on a single by Randy Mark. Brad Wiltjer also singled for the losers.

The Light Factory dimmed Loochtan Insurance's hopes by defeating them 28 to 9 with Binky Schwal the winning pitcher. Bruce Martin and George Lagorio doubled and Lagorio and Kevin Shaw tripled. To top their day, Lagorio also homered as did teammate Martin. Glenview Foremost uncorked a batting barrage to defeat Glenview Countryside Merchants 27 to 9. Mike Miller and Howard Matulef shared the mound honors and contributed to the score with a home run and a single for Miller and two triples for Matulef. Greg Angelacos doubled and also made a fine catch on defense. Joe Kain tripled, David Ostrinsky doubled and singled, Richard Glass tapped two singles, and other singles were hit by Mark Gottlieb, Mike Logan, Paulson, Jimmy Klausner. For the losers, John Schippacasse homered and singled, Keith Palmgren and Kevin McCarty each had two singles and other singles were hit by Jay Potter and Jeff Berman.

In minor division games played the previous week, The House of Schiller edged past Loochtan Insurance 5 to 4. Randy Mark doubled, driving in Mike Singer and Brad Wiltjer for the Housemen's first two runs. His second double began another rally in the sixth when he was followed by Mark Goldie, also doubling, and Phillip Barish, who drove both men in with a long drive to left center field. Jeff Rappaport drove in the winners other run when his triple scored Jeff Epstein, who walked. Rappaport and Barish also were notable for their fielding. In another contest, Yorktown-Sertoma defeated Glenview Foremost 4 to 3 with Reid Stiefel and Tim O'Keefe sharing the mound honors. Robbie Shindler drove in two of the winner's runs with a double and key singles were hit by Stiefel and Jordan Lurie. Glenview Foremost's Joe Kain drove in two runs with a double and, despite the loss, Howard Matulef and Mike Miller pitched three good innings each.

In the major National League, Johnson Sporting Goods, Pellegrini Signs and Talisman Village are tied for first. Last week, Johnsons took DeVille Plumbing twice, 5 to 4 and 8 to 4. In the first meeting, Jeff Berenson poked two doubles for two RBIs. In the bottom of the last inning, trailing by one run, the Sportsmen's Tom Mendralla singled and went to second on a bad throw. He advanced to third on Tom Larimore's ground ball and scored on a passed ball to tie the game. With two outs, Dan Thompson walked and scored on Doug Mendralla's single to right field.

Industrial Education Award Winners

Parents and students of Maine Township high school East look over the winning projects from the Illinois Industrial Education Exhibit, held recently at Northern Illinois University, and the Illinois Institute of Technology high school Drawing and Design competition. At N.I.U, East students compiled four Outstanding and one Superior awards in Woods, one Outstanding, two Superior, and one Honorable Mention awards in Graphic Arts, one Honorable Mention award in Drafting and one Superior award in Electronics.

Taking an Outstanding award was a 68" long walnut stereo cabinet designed and made by Richard Randall, a senior from Glenview. The unit is complete with turntable, AM-FM stereo radio, and tape deck. The project has elegantly shaped surface moldings on all doors and speaker panels with draped gold burlap speaker cloth behind the panels.

Also ranked as Outstanding was a six foot grandmother's clock made from solid cherry wood by senior Larry Galvan, Park Ridge. The clock reflects the clean lines of the Early American style and has imported clock works from Germany that feature a quarter hour strike and chimes.

Thomas McAllister, a Niles senior, also won an Outstanding award for his design and construction of a moderately sized stereo cabinet housing a portable stereo record player and radio. The speaker panel grills are routed from solid walnut in the Early American design with arched doors.

Randall, Galvan and McAllister are students in Bruce Kelly's advanced Woods class.

In the I.I.T. Drawing and Design competition, East had four Favorable Consideration winners - Dave Contorno, Niles, in Advanced Machine Drawing, Richard Russo, Niles, in Introductory Architectural Drawing, Richard Talalaj, Niles, in Advanced Machine Drawing, and Gary Antonich, Des Plaines, in Pictorial Representation. and told the caller, "This is a recorded message. The graduate is eating dinner. She will return your call after 7 p.m. At the sound of the beep you can leave your message . . ." That was pretty funny. The graduate's caller giggled so long she hung up without leaving her name. During the next half hour every acquaintance of the graduate since kindergarten called to hear funny 'Old 45' and his recorded message.

There are memories which are precious and private but if she'll forgive me I'll mention just one. After a 4 day routine check-up in the hospital I came home to a deserted house. But when the 10 year old pre-graduate heard I was home she flew across the street with tears in her eyes, and I got kind of misty over a very silly reunion.

Well, last week those Farewell Blues began to hit home. At 6 o'clock a little guy, all freshly pressed and brushed down, with a box under his arm, came into call for the graduate. Normally, I'd put him at ease by telling him he has to be fingerprinted and mugged before he can escort one of my daughters. But he outpoised me, and I just sort of mumbled a gayer hello than I was feeling. And as they say in the movies, "here, she comes" . . . and she walked down the steps in a light fluffy thing with roses all over and lots of brown curls atop those 2 brown eyes . . . and for that ever-brief moment, I wanted to stop the clock.

Tonight, I opened the refrigerator and those pretty white carnations still looked fresh, tied up neatly with the red ribbon. And across the table sits Number 3, the graduate. She's kind of anxious to get going because tonight is the big night. And while she rushes to get thru with dinner, and looks longingly at that damn telephone, I'm trying very calmly to tell her to take her time. After all, what's the rush?

sued the auto about three blocks to the parking lot of the American Printers and Lithographers Inc., 6701 Oakton, Niles. There, the driver jumped from the car and aimed a sawed-off shotgun at the policeman. The officer then alerted all cars in the area, but the driver of the car ran into the wooded area behind the lithography firm. An intensive search of the wooded area was called off two hours later when Niles police arrested Carmelo Micell, 17, of 7616 N. Neva, Niles in his home. Niles police were also attempting to determine if Micell was the man who abandoned the robbery car and escaped into the wooded area.

Chief Emrikson also told The Bugle that the police who had staked out the Kalidomos home reported that the suspect ran into the Lawrencewood Shopping center and when confronted by a Niles officer, pulled a sawed-off shotgun from under his coat, firing at the policeman.

Other Niles police officers converged on the scene from all directions and exchanged fire with Kalidomos who was hit and pronounced dead at Lutheran General Hospital.

After the shooting, police photographs of Kalidomos were identified by the hospitalized motel clerk as the man who had shot him.

Kalidomos was AWOL from the Great Lakes Naval hospital where he was being held awaiting discharge from the Marine Corps after officials learned of his arrest record, including a 1968 conviction for burglary.
