

Niles P.T.A. Meet September 16

The first regular meeting of the Niles Public School P.T.A. for 1958-59 will be held at the Niles Public School on Tuesday evening, September 16 at 8:00 p.m. A short business meeting will be held followed by introduction of the Board of Education members and members of the Faculty.

In conjunction with this meeting the Second Annual Flower Show will be open for exhibition at 7:00 p.m.

Last year over 75 entries were judged. This year the committee is hoping that 100 arrangements will be entered. All students, parents and teachers are invited to enter exhibits.

The Grennan Heights Garden Club of Niles will again be the judges and award the ribbons for prize winning entries.

Following are the classes of entry: for children: Class 1—arrangement in a cigar box; 2—song or book title (arrangement illustrating title); 3—arrangement in a toy; 4—figures made of vegetables. For adults: 5—miniatures (all measurements must be 3"5" over-all); 6—arrangement in a kitchen utensil; 7—arrangement in your favorite container; 8—arrangement of fruits and vegetables or vegetables; 9—arrangement expressing Fall, using either weeds, flowers, foliage or seed pods, and 10—horticulture specimen bloom (1-3.5 of a kind).

Refreshments will be served. Eighth Grade mothers will be hostesses for the evening. Room Mothers are Mrs. John Boyk, Mrs. Robert Cashatt, Mrs. Wm. Faehse and Mrs. John Morgan. Be sure to circle Saturday, November 1, 1958 on your calendar—a dance with a Roaring 20's theme is planned for that evening. More details later.

St. John Brebeuf Women Meet Tues.

The Catholic Women's Club of St. John Brebeuf parish will have their first meeting of the season Tuesday evening, Sept. 9. Preceding the meeting, the benediction of the Blessed Sacrament will be held in the church at 7:45 p.m.; then the members will adjourn to the school hall, 8301 Harlem, Niles. The following women will hold various offices in the club for the 1958-59 year:

Mrs. Walter Lorenz, president; Mrs. Frank DiMaria, vice president; Mrs. Raymond Donohy, secretary; Mrs. Leonard Steiner, treasurer; Mrs. Jack LeClair, Mrs. Henry Jarosch and Mrs. William Doyle, board members; Mrs. Frank DiMaria, sick and membership; Mrs. Hubert Adams, program.

Mrs. Frank Kodym, altar and medical missions; Mrs. William Harvey, decency; Mrs. Louis Schreiner, publicity; Mrs. James Walsh, Girl Scouts; Mrs. Edw. a. d. Hamnerberg; Mrs. Kenneth Scheel, Our Lady's volunteer; Mrs. John Annas, school; Mrs. Joseph Ferraro, circles; Mrs. Bart Murphy, social; Mrs. Richard Burton, hospitality; Mrs. William Quinlan, card party; Mrs. Bernard Carothers, bake sale; Mrs. Walter Davis, gift booth; and Mrs. Albert DeLorenzo, spring luncheon.

Rev. John Flanagan, the parish pastor, is also the club's spiritual director. It is the aim of all the officers and the wish of Father Flanagan that every lady who belongs to the parish, may this year become a member of the Women's Club. They are striving for a 100 per cent membership and the drive is on right now. The monthly attendance have been very large but more seats are still available. The meetings are informal, friendly and lots of fun. Refreshments are also served.

(Continued from Page 6) Oriole Avenue residents in the Fidelity homes requested that the catch basin plan be approved in their area since there were no objectors to the plan. However, the program was delayed until after the "walk-off of the area takes place.

Trustee Stanley, who was not at the meeting between homeowner representatives and the trustees said, "why should we have to dip into village funds to pay for someone else's mistake?"

Trustee Poeschl inferred that the Builder would likely pay for the labor as well.

Whatever results eventually culminate from the many months of haggling back and forth Fidelity homeowners may well look back on this meeting as the time when both the builders and the trustees "bent over backwards" to help them with their problem but unfortunately, they were unable to take advantage of "a good thing when it was HANDED TO THEM."

Kirk Lane Overwhelmingly Opposes New Sewer Plans

The Kirk Lane Community Association met Friday night at the Village Hall primarily to discuss the plan for the proposed sewer in their area which is now in the "planning" stage on the engineers drawing boards. Approximately 100 residents were present at the meeting, most of them objectors to the proposed \$35,000 sewer. Trustee John Trocki, a Kirk Lane resident, was the man on the "hot seat" when his neighbors began firing away questions regarding the plan which could cost each resident as much as \$500, if the plan is approved. At the beginning of the question and answer meeting, Trocki emphasized that the residents can buy the proposed plan "only if they want it." He added, "this isn't being forced down your throats" in telling the homeowners it was their choice for them to choose whether or not they desired the sewer. Trocki then explained the sewer would service the area from Howard to Oakton and from the forest preserve to Oriole Avenue. He said the sewer would be paid for by a "special assessment" and that this would be determined at a public meeting of the Board of Trustees. All residents affected by the assessment would be notified by the village as to the date of the trustees' meeting and at that time they could voice their opinion as to whether or not they are in favor of the plan. Their majority opinion would be considered by the trustees and would likely determine which way they would vote on the sewer. In discussing the homes which flood after a rainfall Trocki said he was aware of the flooded conditions that exist in three locations in Kirk Lane. He cited the areas of Neva and Howard, Nora and Dobson, and the south end of Oconto as the locales where constant flood conditions exist. In a heated argument among the homeowners one resident said about 30 homes have flood conditions in the area. A second resident, a local builder, retorted that the homes in low areas should have been built with overhead sewers and since they were not these homeowners "got just what they paid for." This amused the audience which was overwhelmingly against the sewers, and they greeted this remark with laughter and applause.

A Mr. Novak, a Neva-Howard resident, answered the builder who had directed the latter remark at Novak. He said old-timers such as himself, who do not have any children attending school or using the parks, nevertheless pay taxes for the schools as well as for the parks. He emphasized that he did not mind this but in community-living everyone must help pay for

"Bustles To Bows" Fashion Show October 8

Final plans have been completed for the gala fashion show "Bustles to Bows" to be given by the Woman's Association of the Niles Community Church on Wednesday, October 8, 1958 at the Bunker Hill Country Club. The latest designs in fashion will be displayed by Wells of Skokie and will be modeled by fifteen pretty girls from the church. If you have not purchased your ticket as yet call Mrs. Donald Freeman, Orchard 4-3868 or Mrs. Carl Baczurick, Niles 7-7768.

Owners Scoff At Waukegan Park Site Appraisal

Park Board members and Kirk Lane representatives made little headway for acquiring a park at Waukegan and Joliquet when they met with the landowners of the 2 1/2 acre plot Wednesday night, September 17th. The property, located on the eastside of Waukegan Road and 92 feet north of Joliquet Terrace Avenue has a Waukegan frontage of 140.6 feet and extends back 779 feet in average depth. The land, which is south of the proposed 40 acre shopping center, is zoned B Regional Shopping. The owners evaluate the land at \$80,000.

Landowners Joseph Hansen and John Bauer, both Skokie residents, scoffed at the appraisal of \$25,000 the Park Board received from Charles R. Bixby & Company, a Chicago surveying company. Commissioner Giovanelli then asked the men if they would "stand by" the figure of the second survey taken and the men answered "Maybe."

Kirk Lane representatives Hill, Kitzing, Sosnowski, Szymanski and Zimos tried vainly to point out to the men that their figures were somewhat inflated. They brought out the fact that if the men decided on building homes in the area a 30 foot street would reduce the size of the 140 length to 110 feet. They also cited approximately \$35 per foot would be the cost of (streets, sewers) improvements in the area as they attempted to deflate the \$80,000 valuation the owners placed on the property. Hansen and Bauer pointed out that they sold land to the Cleveland School in Skokie which was a 5 acre unimproved plot. They said they received \$95 a foot for the inside lots and \$125 and \$135 per foot for unimproved outside lots.

The Park Board then presented a letter which they had previously received from the landowners which stated the conditions under which they would sell the land. The letter stated the land is for sale only at \$99 per front foot. (They refer to the 779 feet to the east as the frontage). The letter agreed that it is a supreme sacrifice on the part of the owners to sell the land at this price. They said they would be interested in a 30% down payment and would accept 10 payments plus interest on a contract basis and this offer months.

Kirk Lane representative Sosnowski said he believed it would be an advantage to let the men know the financial position of the Park Board. It was brought out that the Board could raise

Park Board Approves Midget Race Track

The Park Board approved the request of Bud Royster for the use of the land by the Public Works Building for a 1/4 midget-auto racing track. Royster said workers in the area offered to throw in 300 yards of clay in the area. Royster said an organization known as the Midwest Motor Mites is the group behind the racing for boys from 4 years old to 12. He said the Northwest Tire Company has racers on display and will be distributors for the cars. In addition to a track it was decided the area would be used as an ice skating rink during the winter months.

Chamber Review

The Chamber of Commerce met Wednesday, September 10 for their first meeting of the new season at the Lone Tree Inn.

President Smigiel and Secretary Baumlert defended the Chamber's efforts regarding their Niles Days' Booth. It was stated that criticism had been directed at the Chamber by Lou Schreiner, chairman of the booths, who felt that the Chamber did not ably represent themselves at the three-day affair.

However, Smigiel said, "We lent ourselves ably" in defending the efforts of the group. Baumlert mentioned that the Chamber booth "stimulated the sales of tickets for the car which was given away at the carnival."

In other actions Smigiel announced that the 14,000 population signs have been posted around the outer perimeter of the village which was a Chamber project.

Smigiel also announced that next month's meeting will feature a round-table discussion of the new judicial amendment which will be an election issue in November. A representative of the Cook County Bar Association will be present.

It was also mentioned that the businessmen in Niles have never been promoted in an effort to have them become members of the Chamber.

Smigiel said he felt the Chamber and the trustees deserve recognition for having brought a post office to Niles.

He also mentioned that the Chamber also endorsed the newly-formed bank which is now three-fourths subscribed. He also said two or three sites for the bank building have been proposed but no definite site has been decided upon, as yet.

Fire Lieutenant Charley Eicher spoke to the group regarding Fire Prevention Week which is October 5th to 11th. The Chamber voted to donate \$200 to the department which is the same amount as they donated last year.

Art Weller, owner of Weller's Motel, announced that a drive-it-yourself agency will provide transportation to and from the airports and to and from Niles.

O. B. Anderson, representative from the Onrud Company, said the Skokie-Valley Industrial Association has been attempting to get public transportation into the area for over two years. Anderson said one route which was discussed was to have a shuttle bus come into Niles, going down Milwaukee Avenue to Oakton Street and then turning east. He said the group had also discussed the possibility of a bus on Lehigh Avenue but emphasized that these discussions had been going on for some time and results for establishing the routes are indefinite.

Weller opposed any public transportation into Niles from Chicago but favored intra-suburban transportation (i.e. transportation linking Skokie and other suburbs with Niles). Weller said, "the faster and more transportation Niles gets the faster you will appreciate your property... if you want to go slums fast get all the transportation you want". Weller added that perfect transportation will bring in your "junky help".

Brebeuf Woman's Club

The St. John Brebeuf Catholic Women's Club will hold their regular monthly meeting on Tuesday, Oct. 7 at the school hall, 8201 N. Harlem. Prior to the meeting, Benediction of the Blessed Sacrament will be held in the church at 7:45 p.m.

The officers of the club extend a very cordial invitation to every lady of the parish to attend this very important meeting. Every year, the October meeting is a welcome from the parish to the sisters who teach at the St. John Brebeuf School. As in the past, this meeting will feature a Pantry Shower and everyone is asked to come.

Notes are given to the children at school, listing different food items that they may bring during the day. These are then gathered by the room mothers and put into big baskets. In the evening, the club members bring their donations and these plus the baskets are presented to the sisters.

We know this will be a big success, it has been the other years too. We hope to see loads of food brought in, so the good sisters may see how happy we are to have them with us, how grateful we are for the time they give our children at school.

Don't forget, Sunday, Oct. 5 is the Club's Communion day. See you all in church, at the 8:00 Mass.

NNNA Being Formed By New Homeowners

Sigmund Lewicki, 8707 Olcott, announced that a new homeowners' association is being formed in the area in his neighborhood. Residents in the locale between Main and Dempster and residing on Osceola, Olcott, Oleander and Oriole will be included in the group known as the North Niles Neighbors' Association.

Lewicki said that the group is just beginning to organize. He added that about sixty people are already interested in the group.

He stated that the first meeting of the group will take place the second Wednesday of October at the Oak School.

Noting the many associations in the area Lewicki mentioned, "We hope some day to form one group for all the groups. At this time it is likely our group would then be disbanded."

Maine Holds Frosh Parents' Nite Sept. 30

Plans for a Freshman parents' night, three open houses, a class party, and a meeting night were made at a meeting of the Parent-Teacher Council of Maine high school held Sept. 9. At the same meeting, officers for each of the four class councils were elected.

Freshman PTC Night has been set for Tuesday, Sept. 30, at 8 p.m. This annual event, like others on the PTC calendar, helps familiarize parents with the operation of the school.

The following couples were elected chairmen and vice-chairmen, respectively, by each of the councils:

Freshman Council—Mr. and Mrs. Frank J. Prochaska, 1734 Howard, Des Plaines, and Mrs. and Mrs. Irwin Rappaport, 5180 N. Mission Drive, Chicago 31.

Sophomore Council—Mr. and Mrs. Clarence Wilke, 980 E. Villa Drive, Des Plaines, and Mr. and Mrs. L.A. Gardner, 42 Washington, Glenview.

Junior Council—Mr. and Mrs. Bert E. Schon, 1231 Delphia Ave., Park Ridge, and Mr. and Mrs. Anthony Kamka, 9540 Forest Place, Des Plaines.

Senior Council—Mr. and Mrs. Harry Anderson, 908 S. Home, Park Ridge, and Mr. and Mrs. E.R. Smith, 116 Peale, Park Ridge.

There are at least 10 couples

on each of the councils. They serve with Maine deans and class sponsors, and have programs which build interest in school affairs and encourage closer cooperation with teachers.

A partial calendar of PTC events follows:

- Oct. 14—Open House, A-H, 7 to 10 p.m.
- Oct. 21—Open House, I-P, 7 to 10 p.m.
- Oct. 25—Senior PTC party, 7 to 10 p.m.
- Oct. 28—Open House, Q-Z, 7 to 10 p.m.
- Nov. 18—College Night.

Maine Mothers Meet Tonight

College life from the standpoint of new students will be discussed September 24 at the first meeting of the school year to be held by the Maine Township High School's Senior Mother's Club.

Mrs. Burton Pearsall, Province President of the Alpha Chi Omega Sorority, will be the speaker. She has worked extensively in the college field.

The Senior Mother's Club was organized by the members when their children were eighth grade students. The mothers have followed their youngsters each year, advancing both the club name and interests. This meeting marks the beginning of the final year for the organization.

The meeting will begin at 8 p.m. in the Maine Township High School Auditorium.

It will be the first meeting under the new officers: President Mrs. D. A. Parkhurst, Park Ridge; Vice President Mrs. I. J. W. Mac Hattie, Des Plaines; Recording Secretary, Mrs. F. A. Koehler, Des Plaines; Corresponding Secretary, Mrs. Edw. Taunk, Des Plaines; Treasurer Mrs. W. W. Tongue, Park Ridge; Program Chairmen Mrs. G. F. Chamber Review

(Continued from Page 2)

Anderson stated he and Weller are in disagreement on this transportation problem. He cited suburbs such as Skokie, Evanston and Oak Park as examples of areas which have public transportation and inferred they have retained their status economically.

It was suggested the Chamber undertake to pursue an answer to acquiring additional transportation for Niles. It was also suggested a survey be taken of residents as to their desires for additional facilities. A transportation committee was formed to work with the various homeowners associations in pursuit of a solution to the problem. It was stated that the associations have pursued this problem for years and perhaps together a solution can be reached. However, any action by the Chamber was held in abeyance until next month's meeting.

Trustees Override Mayor's Veto In Tense Session

(Continued from Page 1)

can't pass ordinances... but merely attempt to direct policy regarding the chief of police (the fire and police civil service commission have authority over the police officers; only the chief is controlled by the trustees and the president).

Stanley added, "Many times there have been infractions by the Chief. When directives have been sent to him he does not conform. This resolution merely tries to make the Chief conform... it tries to put a control on the Chief of Police."

Stanley continued, "Every member is proud of being a part of the police department. However, the working policeman is cramped due to lack of supervision. Unless this resolution is put forth the police department will lay behind. Can it be assumed that the department is being taken over by one man?"

Stanley went on, "Why should the department be taken over by one man? Other departments in the Village are OK. The resolution merely attempts to put into writing what should be done."

After the Board bickered over the way the resolution was presented Poeschl asked Village Attorney Wells about the resolution. Wells said, "The Board has the power to establish rules and regulations... if the committee follows the Board then it is OK... however, the committee can't promulgate rules and regulations."

Stanley then asked about the veto the Mayor exercised. He said he would like it for the record that the veto is unlawful and impertinent. However, Attorney Wells disagreed with Stanley stating he believed the Mayor had the right to exercise his veto power. However, he also explained the procedure for overruling the veto which Stanley followed.

Stanley first asked the Mayor to withdraw his veto. Stankowicz said, "I cannot... I firmly believe the resolu-

tion is undesirable". Stanley then moved that the subject resolution be reconsidered by the Board. It was approved by a 4-2 vote. Marszałek and Nielsen voting in the negative.

Stanley then moved that the subject resolution be passed over the president's veto. This was likewise approved by the same 4-2 margin.

In other actions the Board referred the property known as the Fagerstrom Waukegan property to the village planners for study regarding zoning in the area.

Authorized \$350 expense money for Police Chief Romey to attend next month's international police chief convention in Miami, Florida.

Deferred action regarding the resignation of building commissioner Joe Morheiser which goes into effect November 1. Morheiser is moving to California.

Referred to the zoning board requests for variations to build single-dwelling units on 30 foot lots at 8137 Odell and 8114 Overhill. Also two lots at Milwaukee and Crain which would be used for multiple-dwelling units were sent to the zoning board.

Village engineers would be contacted immediately regarding surveying the rear lots in new Fidelity-areas.

Placed on file recommendations for standby electric power for the water works station.

LIBRA
Birthdays wishes to the following people who celebrate their birthdays in October, under the sign of LIBRA: Clarence Culver, Sam Buble, Sandra Arlene Swanson, Joe Nage, Mary Lou Weiner, Gerald C. Roberts and William Taft, of Alert TV. If I'm not mistaken, Sandra will be celebrating her "Sweet Sixteen" birthday Oct. 12th. I got that from my own personal file, and I hope I'm correct!

NEW NEIGHBORS
It's been some time since the Raymond J. Grimm family moved to 8331 New England, but may I take this opportunity to welcome them into the fold? On September 23rd, they also celebrated their anniversary. Dorothy and Raymond have two daughters, Barbara and Jacqueline.

ANNIVERSARY
On October 15th, Mr. and Mrs. Walter Zalud will be celebrating their 20th wedding anniversary! Best wishes to you. According to my record, this is their CHINA anniversary.

CONDOLENCES
Our condolences to George Adams in the loss of his wife Louise. There is not much one can say at a time like this. These words may help: "God knows all about tomorrow — for the future is His own — He makes things happen for the best — the world is His great throne."

SWEET TOOTH
The children of the Niles Public School Band are selling world famous chocolate bars, to help outfit their band. When these children ring your bell, please lend them a helping hand. I also suggest you attend any concerts they may have in the future — they're really great.

SAFETY FIRST
The law has not changed; it is still unlawful to pass a school bus from either direction, when same is stopped to load or unload children. Offenders will continue to be reported!

NO NEWS IS GOOD NEWS
I'm looking forward to attending the NICO dance Oct. 24th, and the P.T.A. Roaring 20's dance Nov. 1st, being planned by Mrs. Rudolph Hill.

New Plan To Aid Invalids

Fire Chief George Pasak announced a new free service to homes. This service provides for the uniform marking of invalids' homes. The purpose of this marking is in the case of emergency to let firemen know upon arrival at the scene that there is an invalid within the building and the pin pointing of the location of said invalid for prompt rescue. The method of marking the home is by the use of a reflectorized emblem on the front and rear entrance to the building and also emblems on windows and inside door of room which the invalid occupies. The emblem is the attractive red, black and gold marking of the fire service and any fireman seeing it will immediately take steps to effect a rescue.

If you have an invalid in your home and wish to obtain these free emblems, please contact the Niles Fire Department, Niles 7-9790.

Kirk Lane Overwhelmingly Disapproves Sewer Plans

Kirk Lane representatives presented the results of a survey taken in their area to the Village Board which showed overwhelming disapproval of plan for a sewer. The Village Board previously approved the "drawing up" of preliminary plans for the area.

Mayor Stankowicz stated that all interested residents will be notified by mail when the plans are available and they can then decide whether or not they want the sewer.

Len Szymanski, Kirk Lane president, said these results were being presented to the Board to show that there is no need for the plans. The following is the letter which was presented to the trustees.

Gentlemen:
On September 19, 1958, a meeting was held of the Kirk-Lane Community Organization at the Niles Village Hall. After much discussion, pro and con, regarding the installation of a sewer in the Kirk-Lane area, a committee chairman was appointed from those in attendance to organize a volun-

against sewer installation, and 15 rendered no opinion on the issue. We, the committee, suggest that since the majority of the people rejected the sewer proposal, we now ask the trustees, when rendering a decision on this issue, to uphold and abide by the wishes of the majority. Respectfully submitted, by: J. Tuhy, Chairman; Mrs. E. F. Rozy, Mrs. P. Schletter, C. Barcall, K. Rosenbaum, S. Spinelli, A. Wilkins, R. Kudla, and H. Lang.

LETTERS TO THE EDITOR

Dear Anonymous Letter-Writers
We have been receiving several letters from you recently which I'm sure all of Niles would like to read. However, we are unable to publish them unless you include your name and address with the letters. We will not print your name if you specifically request this but a signature must be received with every letter before we can print them.

Thank you,

PRAISE for an elected VILLAGE OFFICIAL? Yes... BELIEVE IT OR NOT!

Village officials are human... just like the rest of us they have their good qualities as well as their bad ones.

Perhaps the old adage "Give the Devil His Due" is what Nilesites have been doing and that explains the many complaints we hear about our village fathers. But let's be fair about it and also give praise where praise is due.

We have one village official for whom I have heard only praise from many, many people. JAMES KOZAK is that person. As Village Clerk Mr. Kozak has a rough job. Villagers ask him for information and contact him with their many complaints. Often they come to him with a large-size chip on their shoulder, fighting mad at "The Village". From my interviews with numerous citizens and several experiences of my own it is evident that Mr. Kozak is always courteous, pleasant and efficient and is not in the habit of evading questions put to him by irate villagers.

So here's a cheer for our village clerk, Mr. James Kozak and a fervent prayer that, as time goes by, we'll have more occasions to cheer for him and for FUTURE village officials.

K.C. News

Knight of the North American Donald H. Walgren, Grand Martyrs' Council, Knights of Columbus, announces that the officers and members of the North American Martyrs' Council will participate in two important religious events to be held in Chicago during the month of October.

On Friday evening, October 10th, all Knights of Columbus councils in the Archdiocese of Chicago will be represented at the perpetual novena services held at the Basilica of Our Lady of Sorrows, Catholic Church, Jackson Blvd. and Kedzie Ave., Chicago. The K. of C. pilgrimage will be headed by a Fourth Degree Honor Guard of 500 members.

On Columbus Day, Sunday, 12th, the annual Columbus Day Mass will be held at historic Assumption Catholic Church, 313 W. Illinois St., Chicago. This Italian church contains the Shrine of Mother Cabrini, first American citizen to be canonized a saint. Immediately after the Mass, the Knights of Columbus members in attendance will be served breakfast in the church auditorium.

Members can secure any further information about participation in these two events by consulting the Grand Knight of their council.

Teen Dance Contest This Friday Nite

The Niles Teen Dance Club will have another dance contest, on Friday, Oct. 10, at the Grennan Heights Fieldhouse. These dances are sponsored by the Niles Park District. About 150 Teens are present every Friday, between 7:30 to 10:30 p.m.

The annual Halloween Costume party will be held on Friday, Oct. 31. Admission will be by dance tickets, which will be passed out free to the Teens. Due to the size of the fieldhouse, attendance must be limited. The tickets will be given out on the two Fridays, prior to the party. Get your tickets early, only 150 will be given out.

Prizes will be awarded for the best and the most original costumes.

Left Hand

(Continued from Page 1)
of the police and fire chief. He said a committee can't act independently of the entire Board. He added any infractions should be reported to the president of the trustees and added that only the president can discharge the police chief.

Stanley, armed with legal books, protested that the Mayor's veto action was without precedent. He cited legal opinion which concluded that only in matters concerning appropriations and the involvement of school property could the Mayor use the veto power. However, Village attorney Wells believed the Mayor had the right of the veto. Wells then went on to explain that the procedure for overriding the veto was to request the reconsideration of the veto, and then a vote overriding the veto would follow. This procedure was followed.

Each vote was cast amidst a silence unheard of outside of a morgue. With Marszalek sitting in on this second meeting four votes were necessary to defeat the veto. A 3-3 tie would have caused the Mayor to cast the deciding vote. But again the same four men voted together.

Actually, the sweat and strain of the two meetings was hardly worth the effort. The committee must certainly answer to a Board and the trustees as a board still control all committees. However, it is a stern warning to Police Chief Romye that he must follow the recommendations set down to him by the police and fire committee. Twice within the past year Romye has received directives from the trustees which they say he has ignored. One trustee mentioned that Romye once told one of the trustees that the trustee could be replaced. Naturally, the trustee fought back by reminding Romye that the people could replace the trustee but the Police Chief could be replaced by the trustees.

The most disturbing aspect of the entire affair resulted in two offhand remarks that were overlooked by the other newspapers present. At the first meeting Trustee Nielsen was protesting the fact that he was not informed of the resolution, in lieu of the fact that he was a member of the committee which drew up the resolution. He was highly indignant over being overlooked. Trustee Trocki angrily stated that Nielsen was well aware of deficiencies in the police department. Trocki then stated to Nielsen, "Shall we bring the dirty laundry out into the open?" Nielsen's indignation quickly changed to silence as he mumbled "no" to the question. This "no" was the most important word uttered through the two weeks' discussions. For this answer was an admission that there is "dirty laundry" in Niles... and if the "dirty laundry" exists with the knowledge of any elected officials their refusal to "launderize" puts them in a very untenable position... for their silence will be construed that they are condoning what is going on in the Village.

With the resignation of Joe Morhesler, a \$4200 30-hour-a-week building inspector job will be up for grabs. The Scuttlebutt Association of Niles mentioned that one of the major domos in town has a relative in mind for the job. This same association was extremely accurate in predicting the outcome of the recent police examination.

"Koffee Klatchers" from the Women's Club and the Garden Club pressured the weak-kneed Park Board into rescinding a previous order which had eliminated the Klatchers from meeting one night-a-month at the Fieldhouse. The Board had planned a Wednesday night recreation.
