

District 64 Review

The Board of Education of Elementary School District 64 held its regular monthly meeting at the board offices, 400 S. Western, on November 19.

Resignations were accepted from three faculty members. Francine Sabala, teacher of the second and third grade at Jefferson School, is resigning because of her mother's illness. Patricia Robbins, kindergarten teacher at Merrill, is resigning to be married. Mrs. Jo Ann Garinger, first grade teacher at Franklin School, RESIGNED January 1.

The employment of two reserve teachers was recommended by Dr. Plimpton and confirmed by the Board of Education. Mrs. Nancy Lindner, former sixth grade teacher at Edison, and Barbara Tieg, who will graduate from Michigan State University in December, were employed.

The City Council adopted an ordinance on October 7 to make provision for the pavement of sidewalks on Elm Street, Manor Lane, Oakton St., and some other places within the city by special assessment. The forty-day waiting period required before the city can act ended Nov. 16. In the meantime, most of the sidewalks on Elm St. have been installed by the property owners and the property owners on Manor Lane have indicated that they would also install their own walks. There are still some legal details to be completed, but if the weather holds, it may be that all these sidewalks can be completed this fall.

Contracts were awarded to Kewanee, the low bidder, for equipment for the art and science rooms of the Emerson Jr. High. Chicago Seating Co. was awarded the contract for the equipment for the home economics room. The Executive Company will supply the inter-communication system at Emerson.

W.A. Boettcher Floor Co. were awarded the contract for flooring the new gymnasium addition at the Lincoln Jr. High School.

The fence contract for fences at the Field, Jefferson, Madison, and Merrill Schools was awarded to the Chicago Fence and Equipment Co.

The board adopted a resolution dedicating Greendale Ave. to the Village of Niles.

Several teachers and Mr. Lamar, president of the Washing-

Chamber Picks New Board Members

The Niles Chamber of Commerce has selected three members to serve as new directors. They include Joe DiMaria, Angelo Marcheschi, and Richard Harczak.

The Chamber also announced that the nativity scene purchased by the group, will be now being publicly displayed in front of the Village Hall.

The group also will make an effort to have Railway Express deliveries come into Niles. At the moment it is necessary for Niles residents to go to the express office to pick-up merchandise.

ton School Parent Teacher group were guests at the meeting.

The public is invited to attend the meeting of the Board of Education. They are held on the third Wednesday of each month at the board offices, 400 S. Western Ave., at 8 P.M.

Firemen's Dance At Bunker Hill Sat.

The 4th Annual Firemen's Dance will be held at beautifully remodeled Bunker Hill Country Club on Saturday evening, January 31.

The Firemen's Benevolent Association, in presenting this outstanding social event, would like to invite all Niles residents and their friends to again enjoy an evening filled with entertainment and real enjoyment. In the past this event has been well

supported by all of Niles, which has resulted in material benefits to the firemen and their families in times of need.

Tickets to this dance are only \$1.00 and will be available soon. An unusual evening of music and entertainment has been planned by the Dance Committee.

Zoning Variations Delay Annexation

from the Left Hand

By David Besser
Editor & Publisher

How well did Niles fare in '58? A pocket-size review of the past year would reveal these happenings...

JANUARY...Chief Romey was under fire from the trustees... ignoring Board recommendations led to a special meeting... health Board will begin inspections after receiving forms for same... Carl Gardner, village planner hired by Niles... Fire Dept. adds Tencate and Kozak... Police Dept. adds Balek and Em... thieves broke into Ideal Barber Shop and Niles Beauty salon... Mrs. Van Ness mother or tenth time... Mrs. Max Mack narrowly escaped injury when car went into ravine at Caldwell and Oakton... Park Board announced 0-5 referendum for April... Firemen's Dance Jan. 25... Nielsen proposes meters for taxis... Attorney Lawler said no organized move for annexation as begun in his area north of Dempster.

FEBRUARY... Local doctor surrendered to Romey after shooting up apartment... trustees approved Schiull petition for commercial zoning in 7200 block of Harlem... reversed Zoning Board decision... commercial zoning alongside homes... Poehl and Stanley dissented from... Trustees then o.k'd commercial zoning alongside Niles school... Stanley and Coughlin opposed move... post office bids... Feb. 16 for building at Milwaukee and Octavia... 65 ice rater braved sub-zero temperatures at park ice derby... Niles Days money to be split between fire, police, parks, and youth council... Maine HI goes on shift.

MARCH... Zoning Board rejected gas stations at Mil-Main and Oakton between Washington and Prospect... Woman's Club rop charm school after poor response from teenagers... rum-said A&P to build at Milwaukee and Harlem... Chamber dinner at Wellers March 15... stolen goods recovered from Niles Drugs robbery... employee apprehended... speed limit lowered on Harlem Avenue... Kramer-son squabble at March 10 school board meeting... O.K. public works building addition at 9,000... Niles may soon get bank... Aunt Jimema at Community Church pancake dinner... Mrs. Dirinden complains of fettes in wood of her newly-constructed home... new ambulance purchase to cost \$12,000... hassle over garbage disposal of local stores... resident Williamorman suggests village should pay for water damage to his car caused by over-flowing of east reentleaf water tank.

APRIL... Teachers tell BUGLE pressures brought to bear by school board incumbents... Jav-nes campaign against lewd literature... Niles youth dance April 12... School Board incumbents eaten by 2.1 margin... pin ball machines cop \$40 of teen age boys' money... Dist. 64 approves junior high at Oakton and Cumberland... Dist. 63 o.k. 3

Robert Foff Bitten By Wild Mouse
Robert Foff, 7, 7344 Octavia, was bitten by a wild mouse at Milwaukee and Octavia. He received medical treatment for the wound.

Powers Powerless As Water Pipes Burst
Mrs. Oakley Powers, 7353 Monroe, reported frozen water pipes in her home had burst on December 15.

Dies From Heart Attack

Officer Frank Stankowicz attempts to give artificial respiration to Clarence Roy Schow, 61, of Chicago, December 21, after he suffered a heart attack and ran off the road at Touhy Avenue and Harts Road. Schow was taken to a local hospital where he was pronounced dead on arrival.

Trustees O.K. Borrowing "From Peter To Pay Paul"

In an abbreviated meeting Friday night the Board of trustees unanimously approved the purchase of tax anticipation warrants which will enable them to borrow money from the water fund and possibly the special assessment fund. This action was caused by the depletion of money in the general corporate fund, the fund which is used for the "running" of the village.

It is expected the loan will run about \$90,000, which will be used until the end of the fiscal year April 30, 1959.

Another factor which has helped deplete the fund is the expense of the addition to the Public Works Building. While it was anticipated that the addition could be built for \$20,000 the figure is now at \$40,000 and it is likely to increase.

In borrowing money from the other village funds it will still be necessary to pay interest on the loan. This charge can be up to 3 per cent.

When the first tax money from the county treasurer's office is received in 1959 it must be used to pay back the loan.

Refuses To Pay \$2600 Motel Bill
Art Weller reported to Police Chief Romey that a Carlton Pearson, 42, had run up a bill of \$2600 at his motel and refused to pay the bill. He was booked by the Niles police and his bond was set at \$1000.

He had been in the motel since April 9. His bill was for food, lodging and other services he received without compensation. Pearson formerly lived in Boulder Colorado.

Outside Christmas Decorations Damaged
Mrs. Egger, 8341 Osceola and Mrs. Albert, 8130 Ottawa, reported to police that damage was done to their outside Christmas decorations.

Attempts To Lure 9 Year Old Girl Into Car
On December 27 Niles police received a complaint from a mother that a man tried to lure her nine year old daughter into a car at Kenney and Milwaukee Avenues. The man was described as a man of about 30-35 years old. He weighed about 160 to 170 pounds, and was wearing a grey fedora pulled down close to his eyes.

Objections To Industrial Zoning Causes Delay

The expected annexation of property north of Dempster Street was momentarily derailed Friday night as the Niles zoning board took under advisement requests, and objections to the requests, for zoning of much of this property.

It had been expected that the zoning variations for some of the approximate 40 parcels of property that were petitioning for annexation into Niles would be approved Friday by the zoning board. The Village trustees would then conduct a second meeting during the evening which would approve the annexation of these parcels of land. However, the complexity of the requests for variations plus the objections from interested parties caused the zoning board to take the problems under advisement. While it was announced that the next meeting would take place January 29 it is likely that the zoning board will convene sooner to finalize these problems. At that meeting the trustees will likely approve the annexation. The trustees, who have the power to overrule any zoning board decisions, will actually be in the position to approve or disapprove the variation requests.

The usual procedure for annexation into a municipality is for the annexed property to come in as Class A Residential. However, two years ago an act of the state legislature revised the annexation statutes which now enables the land to be rezoned prior to its coming into the incorporated area. The Illinois Supreme Court has upheld the legality of the revised statute.

At Friday night's meeting an attorney, Mr. Eisenstien, representing Fidelity Builders, was the first to request a zoning variation. He desired 22 lots be rezoned for multiple dwellings. Fidelity owns 40 acres at the northeast corner of Washington and Dempster. Their land extends on a narrow path along Washington, north of Churchill, and then crosses over Washington. They have 14 acres of property which fronts on the east side of Milwaukee Avenue just north of the trailer park. While there were no objections to Eisenstien's request Attorney James Orphan, representing the Niles Park Board, asked Eisenstien if his people would be interested in annexing to the Niles Park District (the park district is an autonomous body which must have separate petitions requesting annexing into the park district).

Eisenstien said, "If it is beneficial, not detrimental to our people, we would consider such a move. Heretofore, we have always been cooperative".

The request for the multiple dwelling variation was taken under advisement by the zoning board as were all other variation requests.

The major "bone of contention" concerned property owned by a Mr. Fink. He owns 72 acres of property on the east side of Milwaukee Avenue which are approximately across from the proposed Golf-Mill shopping center. He had requested a Class G industrial classification for this property. He was represented by attorney Lawler.

Thirty property owners objected to this request. The objectors are part of a group known as the East Maine Township Community Association and were represented by attorney Bernard Kaplan.

Kaplan said the 70 acres was a "camouflage" for a drive-in theatre. He said the group had beaten in the courts the request for a drive-in theatre once and if necessary they would do it again. He added his group objected to commercial zoning beyond Milwaukee Avenue and emphasized that his group would not "take industrial area being jammed down their throats".

Acting chairman Rohner said no one was trying to "jam anything" and accepted a motion which was unanimously approved to postpone a decision until after consideration was given to this problem.

Attorney Lawler, representing the property owner, took exception.

Will Take '59 Census
At the December 26 trustees meeting the board approved contacting the federal government regarding the taking of a special census during the first half of 1959.

The last census taken in Niles was in early 1957 when the total came to 13,949. According to present water meter records Niles has about 4700 families. Projecting this figure it's likely our population will be 16,000 to 17,000 persons.

The census takes about six months to complete after the Commerce Department has been notified of the request for a census. It will cost Niles about 16 cents a head per person for the compilation. The village receives approximately \$4 per person from the State of Illinois each year. Since the population will have increased from 2000 to 3000 persons Niles will receive \$8000 to \$12,000 more from this tax to be used for road maintenance.

ACCIDENTS
Casimer Mikosinski, 8431 Greenwood Avenue at 6901 Milwaukee December 26.
Katherine Hager, 8430 Osceola Avenue on December 24.
Mary Horelick, 8713 Oriole and Evelyn Houdek, 8152 Washington in front of the Oriole address.
William Sofka, 7259 Lill and John Grinaer, 8723 Olcott in front of 7113 Milwaukee Avenue on December 17.
Louis Lachman, 7007 Jonquill Terrace on December 17.
Edwin Sinowick, 8441 Olcott and Boyd Weber, 8304 Olcott on December 15.

December 17 Trustee Review

Niles trustees Wednesday, Dec. 17, took another big step toward annexing the site of the Golf - Mill shopping center by authorizing \$600,000 in fees to the office of Henry Wells, village attorney, for legal work to be done to achieve annexation.

Trustees Kenneth Coughlin and Edward Marzialek voted against the measure.

In a discussion which preceded the balloting, Coughlin declared that more thought should be given to the benefits to be derived from the annexation as opposed to extra expenses incurred by the village.

"I'm not against annexation but I do think that we must consider the fact that we will have to enlarge certain departments which will serve the Golf-Mill shopping center.

"I would like a meeting with all department heads and get a report on what will be needed to serve the center and the costs involved as compared to revenue," Coughlin stated.

Trustee John Stanley, moving force in the program stated that, "at this time we have about four-square miles of land in Niles and our budget is about

\$400,000 annually. By adding this one square mile we will be getting about \$60,000 in real estate taxes alone. There is a \$2 million assessed valuation there. I expect that total revenue to the village eventually will be about \$200,000," Stanley replied.

"We must get this annexation finalized at our Dec. 26 meeting or some other village will jump in and leave us holding an empty bag," Stanley warned.

In other action the board:

—Awarded a contract for the Greenleaf water main extension to the apparent low bidder, Clyde Wilbur Plumbing Co., \$4834.

—Deferred action on awarding a contract for a diesel engine at the water pumping station until Wells could study the civil defense ordinance to determine if matching federal funds could be requested.

—Authorized James Kozak, village clerk, to order 28 new street lights and relocation of two other lights.

—Accepted a permit issued by the Illinois waterways department for a Harts road sanitary sewer connection.

—Referred to the building committee requirements for ramps at the proposed Gulf station at Main and Milwaukee and informed Bill Cadigan, of Consoer, Townsend & Associates, village engineers, that they wanted sewer lines installed to the end of the property line.

—Authorized request for motor fuel tax funds for street repair.

—Referred to the building committee a study on electrical installations at village hall with authority to correct any inadequacies.

—Referred to the zoning board of appeals a request for rezoning from class-A residential to class-B multiple dwelling at Milwaukee and Ozanam and a request to rezone land at Oke-to and Dempster from residential to commercial.

—Authorized Wells to draft an ordinance providing for issuance of 1958 tax anticipation warrants for \$90,000 to defray current operating costs, and authorized the clerk to advise all department heads that non-essential expenses must be submitted to the finance committee.

13 Local Illini Home For The Holidays

Christmas holidays for 19,476 University of Illinois students started at 1 P.M. December 20 at the Urbana - Cahampaign campus.

Thirteen Niles residents are among these students. They include Deanne Lynn Cortright, 8219 Merrill, Carol Lana Flamm, 7948 Oconto, Carl Gak, 7900 Octavia, Sarah Marie Galbo, 8217 Oriole, Eugene Ivan Grunby, 8149 Prospect, Richard Dewitt Harrell 7025 Keeney, Hames William Havacek, 7025 Keeney, Laverne Dorothy Jarde, 8031 Ozanam, Richard John McKinlay, 7643 Oketo, Gerald Peter Nugent, 7846 Harlem, Thomas Frank Russo, 8005 New England, Richard John Twarowski, 8107 Washington and William Charles Wilkin, 7524 Lawler.

The holiday ends at 8 A.M. January 5 for a last minute sprint with books and term papers before final examinations begin January 16. With the completion of examinations January 24 the semester ends. Second-semester registration begins February 2 and classes start February 5.

Enrollment on the campus is now only 45 under the post-war peak when returning veterans swelled college ranks. Students are from every county of the state.

Mrs. Hager Named March of Dimes' Chairman

MRS. ROBERT HAGER, 8439 Osceola, has been named chairman of the 1959 Mothers' March by Mrs. Frank J. Stankowicz Sr., March of Dimes chairman in Niles.

The annual one-hour, one-night march, the traditional climax of the March of Dimes January campaign, will take place between 7 and 8 p.m., Tuesday, Jan. 27.

Dedication of marching mothers to the March of Dimes helped make possible the discovery of Salk vaccine and the victory over polio.

In 1959 mothers will be marching from door to door to raise funds for the greatly expanded program of The National Foundation.

MARCH OF Dimes funds will now be expended for much-needed research, patient aid, and medical education in the field of birth defects and arthritis, as well as polio.

"In the hope we can achieve equal victory for children heartbreakingly crippled by birth defects and arthritis," said Mrs. Hager, "we are appealing for more volunteer marching mothers this year."

Anyone wishing to help may call Mrs. Hager at NI7-6759.

When she calls on her neighbors on Jan. 27, every Marching Mother will be wearing a white glove, symbolizing "the hand of mercy," reaching out to the heart of the giving public.

Annual Report Of Explorer's Troop

Indian Dancing
The Post Indian Dance Team entertained three Cub Packs at their Blue and Gold Banquets; they danced at 2 Scout Courts of Honor; 2 Scout meetings; danced 7 times for the Oak School P.T.A. Festival; 1 time for a meeting of Grennan Hgts. Improvement Association; and one evening for the Grennan Heights Festival.

Skin Diving
The Post had two expeditions for skin diving, plus several other occasions when 3 or 4 members went diving. The first was a weekend at Devil's Lake, Baraboo, Wisconsin; and the second, at Lake Geneva, Wisconsin. Expeditions were conducted under strictest safety rules and all were highly successful. The Post also put on 3 shows in demonstrating skin diving at the Scout-O-Rama. Participation in the Explorer swim meet was fun even though we did not win.

Camping
Post 45 participated in 7 week-end camping experiences at such places as Illinois Beach State Park, Big Foot Beach State Park, Woodstock Boy Scout Camp, Baden Powell Camp, Starved Rock State Park and the Annual Camporee at the Chain of Lakes Shooting Grounds.

Canoing
The Annual Post 45 Canoe Trip extended 65 miles down the Gunflint River in Canada and through parts of the Quetico National Forest. The Post completed several projects on this trip including the building of tables and improving campsites. An underwater repair job on the Marine Railway between Saginaw and Northern Light Lake received high praise from the Canadian Customs department official in the area. 15 boys received the "50 Miler" award from National headquarters of the Boy Scouts.

Evidence of the Post's ability in canoeing was the winning of 2nd Place in the Chicagoland-Red Cross Canoe Regatta. 7 Individual medals were also won in this meet.

Service Projects during 1958

1. Removed a 40' tree for an elderly couple in Wauconda, Illinois.
2. Removed a 35' tree for a widow lady in Park Ridge.
3. Skin divers made 2 attempts and finally recovered an out-board motor in the Fox River for a man.
4. Supervised Contests for Boy Scouts at Camporee.
5. Served as Messengers for United Fund Drive in Park Ridge.
6. Delivered Monthly Newsletter for Grennan Heights Improvement Association.
7. Supplied and manned First Aid Tent for 2 days at Grennan Heights Festival.
8. Supplied Color Guard for Oakton Manor Home Owners 4th of July Parade.

A series of tours is being arranged so that explorers in post 45 may see various companies and plants. These tours are designed to give the members a look at various vocations that they might wish to follow. The first tour, through the Harrig Company Tool and Die Plant, was highly successful.

Touhy-Waukegan Accident

Accident at Touhy Avenue and Waukegan Road October 8, 1933 is a reminder during this accident-prone season that mishaps can occur with few autos on the street. The picture is looking north into Waukegan Road. In background is police officer Bob Romey.

Bluebird Coach Lines Might Take Over American Coach

CHICAGO'S "Holiday Center" opened Saturday, December 20, offering 11 days of hospitality to visitors from abroad in the city. Operated by the Hospitality Center of Greater Chicago, the "Holiday Center" is open to vacationing international students and exchange visitors from Dec. 20 through 31 from 10 a.m. until 8 p.m. each day at the YWCA, 59 East Monroe Street. On New Year's Day, when the Center will be closed, the international visitors will be entertained in American homes.

A warm welcome is extended by American hosts and hostesses to all who wish to use this "home in the Loop" during the holidays. Tea will be served each afternoon from 3:30 until 6 p.m.

The Center provides a place to relax, read, write letters, and listen to music or view television for the 500 guests expected to use its facilities. Guided tours, tickets to concerts, radio shows, movies and theaters will be available.

Both companies lost money in 1957, according to their attorney, Louis R. Gentili. "A merger would cut many costs, Gentili said, by eliminating duplication of certain functions performed by personnel of the two firms.

This could make the bus operations profitable, the petition said.

BLUEBIRD HAS 110 employees and 46 busses, American has 75 employees and 33 busses. A merger also would open the possibility of a "circuitous" route, Gentili said.

For example, a Bluebird bus would head into the Loop from the western suburbs, then proceed north to the area now served by American, and return to the Loop, then back west.

American, ordered off the streets last July 15 by the ICC for failure to meet regulations, is still operating under its franchise pending outcome of an appeal in Circuit Court.

American since has filed an application for a 5 cent fare hike.

MEANWHILE, four bus companies, including Bluebird, have applications on file with the ICC to take over American routes. The other firms are Evanston Bus, United Motor Coach and South Suburban Safeway.

Red Cross Shows Ice Life-Saving Aid

Red Cross safety experts show how an extension ladder may be the means of saving a life. This and other techniques of "ice saving" are recommended by the Red Cross to

rescue hapless skaters, hunters and others who may find themselves dumped into frigid waters through weak ice.

Monthly Review Of School District 64 Board Meeting

The Board of Education of Elementary School District 64 held its regular monthly meeting at the board offices, 400 South Western, on December 17, 1958.

The Board of Education has always been gravely concerned with the safety of the children in District 64. Chief Norman Brown of the Park Ridge Fire Department was asked to be present at this meeting and to give a general report based on the city fire department inspections of District 64 Schools. The building and grounds superintendent, his assistant, the chief of the Park Ridge Fire Department, and the building commissioner from the City Hall are presently engaged in a joint inspection of all our schools. Chief Brown highly commended the Board of Education and personnel of District 64 on the excellent housekeeping and general fire safety of the Park Ridge Public Schools. He remarked that the schools were well planned and constructed with fire-safety in mind, and that there were no wooden stairways throughout the district. The details of our fire-drill program and our fire-prevention program were discussed at some length. Chief Brown commended the fire department and from the insurance company leading to safer conditions had been met promptly. Chief Brown was invited to return when the inspection of the district schools has been completed, with specific reports on the individual schools.

The Park Ridge Library board has decided to close the branch library in the basement of the Roosevelt School as of December 19, 1958. We have been contacted regarding our interest in any of the furniture, equipment, or portions of the collection of books. Meetings with representatives from the library board are scheduled for this weekend, and recommendations will be made at the board meeting.

Mrs. Gladys Ahrensfeld is retiring as the manager of the Lincoln School cafeteria at the end of this month. At that time she will have completed twenty-six years of service in the Lincoln cafeteria. The Administration Committee has authorized the purchase of a suitable gift and recommended an appropriate

statement to be incorporated in the minutes in appreciation of her service.

The Board accepted the recommendation of the Building Committee that the contract for the floor in the Lincoln gym be extended so that the flooring will be laid in the pattern which is suitable for roller skating, as well as for all of the other physical education activities. The additional amount for this floor is \$2,250.

The Board of Education accepted the resignation of Mrs. Nancy Ross, teacher of fifth and sixth grade room at Jefferson Mr. Ross is serving in the Armed Forces and has been transferred to Japan and is taking cy Lindner, who is under contract as a reserve teacher, will take over her room when she leaves. Mrs. Audrey Nankervis, physical education teacher at Roosevelt, Carpenter and Edison Schools, resigned for personal reasons. She has submitted her resignation effective January 27.

The Board voted to offer contracts to the following:

Mrs. Elizabeth Anderson to replace Mrs. Jo Ann Garinger, first grade, Franklin School; Miss Lois Frederiksen to replace June Ward to replace Mrs. Elva place Mrs. Nankervis; and Mrs. Renner on a half-time basis.

Mrs. Anderson taught here previously but did not sign the contract offered her a year ago last spring when her husband went into service. She is back in PARK Ridge and interested in resuming a teaching career.

Miss Lois Frederiksen is graduating this month from George Williams College and is available to replace Mrs. Nankervis as a physical education teacher.

Earlier this fall Mrs. Elva Renner, one of the school nurses, was given a half-time leave of absence for the second semester. She asked for this leave in order to complete the practice teaching so that she could

quality for a Bachelor's degree. Mrs. Howard Ward will replace her on a half-time basis. Mrs. Ward lives here in Park Ridge, has done nursing in the Army Nurse Corps and Resurrection Hospital, and is presently taking courses in the field of public health nursing.

Mr. Peter Benda, Chairman of the Administration Committee, reported that they had thoroughly reviewed the many details of the school cafeterias as they presently are operated. Further study will be given to this problem and specific recommendations will be made by the committee later on this year in anticipation of the opening of the Emerson cafeteria.

The boundary line dividing the pupils between the Lincoln and the Emerson Junior High was also discussed at the Administration Committee meeting. Further study will be given this problem before specific recommendations are made.

The public is invited to attend the meetings of the Board of Education. They are held on the third Wednesday of each month at the board offices, 400 South Western Avenue, at 8:00 p.m.

St. John Brebeuf Women's Club Meet Tuesday, January 6

The regular monthly meeting of the St. John Brebeuf Catholic Women's Club will be held on Tuesday Jan. 6, at the St. John Brebeuf School Hall, 8201 Harlem, Niles.

Preceding the meeting, Benediction of the Blessed Sacrament will be held in the church at 7:45 P. M.

The members will be entertained by a 50 voice choral group from the Notre Dame High School for Boys, under the direction of Father Thomas Waldron, C.S.C.

Sunday Jan. 4 at the 8:00 Mass is Communion time for the Club Members and also for the Brownie and Girl Scout Troops.

Maine High Debate Team Wins At De Kalb

Maine high school's debate team has brought home a victory from its third tournament, held December 15 at Northern Illinois University at DeKalb.

Participating in this tournament were Beverly Bartrum, Jon Howe, Madelon Kosch, and Cathy Hosey of the varsity. In the sub-varsity division were Karen Anderson, Kathy Accola, Steve Atkinson, George Wruck, Jeanie Russell, Karen Russell, and Janet Lynch.

The sub-varsity team of Steve Atkinson, George Wruck, Karen Anderson and Kathy Accola took second place in the tournament

by winning six rounds out of eight.

The question which all high schools throughout the United States are debating this year of the British system of education.

Looking ahead, Maine will debate at Navy Pier January 16 and at Northwestern University January 16 and 17.

Since the team went down state last year, all the debaters are hoping for a successful season so that they can enter state competition again this year.

According to Fred Wagner, faculty sponsor, the team has a better won-lost record this year than in any previous year.

St. John Lutheran Induct New Officers At Jan. 1 Service

In the New Year's Day service at 10 a.m. the 1959 officers of St. John Lutheran Church of Niles will be formally inducted by Pastor Behling.

These include: Herman Reber, Dr. Ludwig Benke, vice-chairman; Norman Schill, secretary; Charles Ochs, treasurer; Calvin Eckstrom, financial secretary; Joseph LaPrise and Alexander Schmidt, bookkeepers; August Dreyer, Building Fund treasurer; George Seiferth, Building Fund bookkeeper.

The Board of Elders is composed of George Seiferth, August Loeding, and William Schmidt.

The Board of Deacons is manned by Paul Boethner Sr., Edward Clark Sr., Louis Balmes, Walter Kalbhen, William Klein, Roland Proch, Arthur Schmidt, Raymond Baer, Lewis Bush, Schmidt, Roy Balmes, Robert Patterson, and Edward Schiller.

The Board of Christian Education includes Melvin Ottow, Bush, Roland Proch, Edward Hepburn, and Arthur Schmidt.

Serving as Waltham League counsellors are Mr. and Mrs. Melvin Ottow and Mr. and Mrs. Alexander Schmidt.

St. John Brebeuf Women Give Gifts To U.S.O. Club

A timely gift of 65 boxes of home-made cakes and cookies was presented to the U.S.O. Club of Chicago on Saturday Dec. 20, by the St. John Brebeuf Catholic Women's Club.

Mr. Edward Stanko and Mr. Robert Schmidt of the St. John Brebeuf Holy Name Society, heard a radio appeal for cakes for the U.S.O. They decided to do something about it. They contacted Mrs. Joseph Ferraro, who is General chairman of all the church circles. She called the Women's Club members and they did all the baking. These were then picked up and delivered to the U.S.O. by Mr. Stanko and Mr. Schmidt. They reported that the cakes were very gratefully accepted and would probably be all eaten up in just one evening.

A special thanks to all the members who baked and also the Niles Community, Seymour and Maier bakeries for their help in supplying cartons for the baked goods.

Delay Annexation

(Continued from Page 1)

tion to Kaplan's remarks. He said he didn't like to hear anyone threaten to "take another person to court." He said he has been acquainted with Niles for years and is not in the habit of kidding anyone. He added he would like to see Milwaukee Avenue developed as Oakton and Touhy Avenues are now developed.

Park attorney Orphan asked Lawler if he would be interested in annexing to the Niles Park District. Lawler said, "We want to come into the community... we want to be a part of the community... as long as it is a benefit I'm pretty sure we would be interested... it makes good sense."

Lawler later asked Orphan what was the levy that would be assessed against the owner (or owners). Orphan said it was .08 to .09 (80 to 90 cents per \$1000 valuation).

A third variation which was objected too is an 18 acres on Dempster Street. This same Mr. Fink owned this property. He likewise desired a rezoning to Class G Industrial for this area.

A Mr. Whitaker, representing the Rizzo homeowners (The Greenwood Homeowners Association), objected to this variation. He was not opposed to Commercial zoning but he was against the industrial zoning.

A Mrs. Danielson, secretary for the East Maine Homeowner's group likewise voiced her objection to the industrial zoning.

Zoning Board secretary Richard Cass said these parcels in question all petitioned to come into Niles. He said he felt "this was too big to thrash out tonight". The Zoning Board agreed and took all these variations under advisement until their January 29 meeting.

Acting chairman Rohner then asked trustee Poeschl, who was in the audience if he had anything to add to the meeting.

Poeschl pointed out the advantages to these people annexing into the Village. He stated for \$25 a year they would get garbage pick-up service, police and fire protection and road maintenance.

He said the Cuneo shopping center was what brought this idea on in the first place. He said the 1/2 cent sales tax the village will realize from the center will help these people who are anticipating coming into Niles. He said if they remain unincorporated they would not derive this benefit. He said many Niles people go to outlying areas to shop. With the new center they will be shopping in their own town and deriving benefits from this sales tax money.

He also emphasized Niles now has a Class 4 fire insurance rating. This rating would be a decreased insurance bill for these people. He said when Niles builds a second firehouse she may go into Class 3 which would

Letters To The Editor

Bugle Dear Bud, I would appreciate it very much if you would mail us a subscription to the Bugle. We enjoy reading your paper very much.

It makes you feel good to read about people you know and about the improvements and etc. of the Village.

We sure miss all our friends back there but the weather helps compensate for it.

So far the weather has been beautiful. I have purchased property out here and expect to start construction within the next few weeks.

Our new address is Joseph Morheiser 1200 S. Del Mar San Gabriel, Calif. Yours truly Joe Morheiser

Dear Editor, Educators are constantly looking for ways in which the educational opportunities for children may be enhanced. We are very interested in the proposal that there might be additional library facilities made possible through a referendum to establish a library in Niles.

Children from the East Maine School District who live in the Niles area are now attending Oak School and the East Maine Junior High School. Our board of Education has carefully budgeted school income so that library books may be purchased for each school. Because of financial limitations the district now spends approximately one dollar per child each year for new library books.

The establishment of a library in Niles would provide an excellent source of materials so that school children might enjoy a wider selection of books for recreational reading as well as reference materials. Opportunities for wide reading as well as actual library experience are important as a part of the education of every child and becomes more valuable as the youngsters progress through school.

We hope the citizens in Niles will carefully consider the advantage of a library and its relationship to improved educational opportunities for children and adults.

J. Bagg, School Superintendent School Dist. 63

Heart Fund Drive Sunday, February 22 In Chicago Area

February, Heart Month, is the time of the Chicago Heart Association's annual Fund Drive. Heart Sunday, observed this year on February 22 in the Chicago area, climaxes the campaign. On this day between the hours of 1 and 4 p.m. 57,000 Heart volunteers visiting neighbors in Cook, Lake and DuPage Counties will seek \$670,000 to carry on the fight against heart disease. Over-all target for the Chicago Heart Association is \$1,200,000.

Plan For Firemen's Dance

Officers of the Niles Firemen's Benevolent Association prepare for their annual dance January 31. Money received from the affair pays for life insurance policies for firemen. L. to R. Chairman Anton Smigiel, treasurer Leon Schwartz, vice chairman, Henry Kramer, board member David Hoppe and secretary Albert Hoelbl.

NILES FIREMEN'S Benevolent Association will sponsor its annual dance in Bunker Hill Country Club, 6635 Milwaukee, on Saturday, Jan. 31.

This dance is being conducted in tribute to the fine work done by village firemen throughout the year and proceeds from the sale of tickets and from the refreshments served at the club will go to the Firemen's Benevolent fund.

Proceeds of dances during past years has enabled the association to provide \$1,000 life insurance coverage for each individual fireman and to furnish relief to firemen's families in times of need.

Tickets to the dance are \$1 and are being distributed to every home in Niles; also, additional tickets will be available at the firehouse.

All available firemen will be present during this dance to meet and greet their friends and neighbors of Niles.

Obituaries

MRS. CHARLOTTE Nivling, 71, 7635 Monroe, Niles, died Dec. 20 in Swedish Covenant Hospital.

She was a member of the GAR Relief Corps. Among her survivors are her daughter, Mrs. Margaret Barber; son, Frank Curran, seven grandchildren and 13 great grandchildren.

Funeral services for Mrs. Nivling were held in Des Plaines Dec. 23.

WALTER E. Atzel, 43, 8253 Newcastle, Niles, died Dec. 22 in Hines Hospital.

Mr. Atzel was a mechanic. He is survived by his widow, Adele; son, Walter J.; his parents, Mr. and Mrs. George Atzel, and four sons.

Requiem mass for Mr. Atzel was held last Wednesday at 9:30 a.m. in St. John Brebeuf Church, Niles; interment was in St. Adalbert's Cemetery.

Hostesses At Jewish Services Friday

B'Nai B'Rith Girls of Morton Grove will be the hostesses at the Oneg Shabbat of the Northwest Suburban Jewish Congregation on Friday night, January 2, at 8:00 P.M., Melzer Public School, 9400 Oriole. Rabbi Lawrence H. Charney, spiritual leader of the congregation, will preach on "1958 in Retrospect."

Cantor Milton Foreman and the Synagogue Choir, under the direction of Mr. Barre Marder, will chant the liturgy.

Regular services will be held at 10:00 A. M. Saturday; at Melzer School, and Sunday and Hebrew School classes will resume Sunday morning, January 4th, following the winter recess.
