Stanley Forces Win Committee Battle

Trustee John Stanley's forces showed superior strength to Mayor Frank Stankowicz's army two weeks ago with the resultant victory for the Stanley colors.

At the May 6 Trustees' meeting Mayor Stankowicz read his list of standing committees for the coming fiscal year. While trustees Marszalek and Bruno supported their leader's choices a loud rebel call went out from his adversaries. The Stanley army of Poeschl and Trocki were joined by Nielsen in rebelling against the Stankowicz choices. Militant John Trocki

was most vociferous in his denunciation of the Stankowicz choices. He was removed as head of the police and fire committee and he felt this was a "rank" demotion. The disagreement by the two forces resulted in a meeting two weeks ago to iron out the committee problems for the coming year.

At last Wednesday's meeting the standing committees were unanimously approved. The chairman of each committee is listed first: Finance and Claims; Marszalek, Bruno and Poeschl; Public Health, Judiciary and Ordinances, Bruno, Nielsen and

Apartment Zoning Requested At East End Of Lawrencewood

Carol Hoelbl, daughter of Mr. and Mrs. Louis Hoelbl, 7369 Milwaukee Avenue, rides atop Little Bertha, the Adams-Seil elephant which was featured at Monday's circus. An estimated 11,000 persons attended the three performances of the Niles Lions' sponsored circus. In addition to sponsoring the circus the Lions also treated 150 children from St. Hedwig's school to a day under the big top. Despite the crowds the circus was well-manned with Niles firemen and policemen. Their control of the affair plus the crowds' cooperation both received high praise from the circus people.

Oakton St. Bank Site Approved

The Lawrencewood shopping center interests requested at Wednesday's trustee meeting that part of their property be rezoned for multiple dwellings and that a 200 square foot corner be rezoned for the possible use of a gas station. The request was referred to the zoning board.

The area at the east end of the center's property, which borders the forest preserve area, is the location where the interested parties would like to build multiple dwelling units. It is likely that they would be six unit buildings. The property is 1713 feet from Oakton street to its southerly border. One tract for the multiple dwelling area extends 291 feet west from the preserve.

A second tract of property to be used for the same purpose extends from the westerly boundary of the first tract west an additional 266 feet. The property then extends 1104 feet to the rear of the school property which fronts on Oakton Street. The school property, which is about in the center of the east-west part of the area extends 604 feet south from Oakton Street.

At the southwest corner of the entire property (the corner of Oakton-Waukegan) a 200 square foot area is being set aside for the likely use as a gas station. The request for rezoning is from A to Commercial E (this classification included motels as well as gas stations).

The remaining area of approximately 30 acres is likely to be the location of the shopping center. It has been rumored that the center plans have been revised and possibly a 21 shopping store center would go into the remaining 30 acre tract.

Goldblatt's has been the major store that was to head the shopping center. It was predicted that the center anticipated an annual business of approximately \$20 million dollars.

Recreation Director Selected By Park Board

The Niles Park Board held a special meeting Thursday, May 21, 1959 to discuss the hiring of a Recreation Director and Superintendent of Parks. The Commissioners reviewed over 50 applications and decided to hire Mr. Julius J. Pandera as Recreation Director and Superintendent of Parks.

Mr. Pandera is a Niles Resident. He holds a B.S. degree in Physical Education from DePaul University. The course included all phases of Park recreational activities and related organizational promotions. Mr. Pandera has had 4 years experience as a Park and Recreational Superintendent.

Beginning with the month of July, the Park Board meetings will be held the second Thursday of the month at the Grennan Heights Fieldhouse. The change in meeting night will enable the Park Commissioners to attend the Village Board meetings. The June meeting will be the first Wednesday.

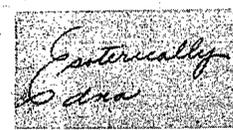

Liquor License Requests Causing Real Hangovers

Since Niles' liquor ordinance restricts the number of licenses within the village many local businessmen are asking who is restricted and how do you become unrestricted.

The most adamant pursuer of a liquor license is Tony Riggio, owner of Riggio's Restaurant, 7530 Oakton Street. He has sent three or four letters to the Village Board within recent months requesting the issuing of a license.

The first letter sent to the Board was brushed aside by the liquor commissioner, who is also the Mayor. He had stated there were no licenses available at that he believed there was a restrictive covenant in the Grennan Heights area preventing any liquor being sold in the Riggio area. The second letter received by the Board from Riggio's was sent by an attorney named Doyle refuting any such restrictive covenant on commercial property. The Mayor (liquor commissioner) merely said there were no more licenses.

LETTERS TO THE EDITOR

Dear Editor:

Please let me introduce myself, my name is Mr. Sam Donatucci, physical instructor with the Chicago Park Districts. Mr. Tullio Catullo who is managing the Cardinals, (they are one of the many teams competing in Niles peanut division) asked if I could appear for the initial workout of the Cardinals and give some fundamentals of baseball.

When I arrived there were sixteen anxious boys awaiting for instructions. The thing that amazed me was the parents who also attended the workout. There were seven dads ready to give any assistance that was necessary.

It did my heart good to see parents like that take so much interest in the child. Standing out in the first workout was Dennis Major, William Royster, Richard Eickhoff, and Fredric Marrese. Other boys who will do a good job for the Cardinals are: Richard Catullo, Peter Di Mara, Jack Stanly, Russel Kolcz, John and Jerry Sill, William Bradtke, Larry Glowacki, David Maslovitz and Gary Wagner.

Once again I would like to take a few more lines and thank these fathers who took time out and spent some time with their

children, this type of patience will be a great factor in a better community and a finer citizen for the future of Niles township.

Yours truly
Sam Donatucci

Pres. - Calvin Jacobsen; vice-pres. - Corvin R. Wagner; secy. - Thomas J. Tiernan; and treas. - John Byrne.

The new board of directors consists of: William Alles, Harry Bernstein, Harry Kordecki, John Mackin, Alfred Martin, and Melvin R. Farnell.

JOIN AND SERVE

Have you ever had an irreplaceable desire to become a "Knot-head"? We have, in Niles, eight proud new "Knotheads" and their names are Thelma and Ralph Glading, 6931 Fargo, Anita and Bob Detloff, 7035 Keeney, Mary and John Oldfield, 8263 Elmore and Elaine and Jack Gibson, 8236 Elmore. To qualify for this singular honor these devotees of the square dance traveled recently one hundred miles into Wisconsin to participate as a square at a jamboree in that state. On their return they enjoyed an early Sunday morning breakfast in the Glading's home. You will recognize them by the large metal pin in the shape of the State of Illinois which denotes their exalted status. The "Knotheads" are all members of the "Little Squares", a group that meets twice a month in the Greenan Heights fieldhouse, and the man who directs it is local activities caller is Ralph Glading.

Local personalities just returned from early spring vacations are Joanne and Bill Ransone, 8247 Merrill, who revelled in the luxury of Sea Island, Georgia resort for ten glorious days. Virgene and Gene DiBiasi, 8313 Elmore, were feted for a week of lively functions in New York, the result of Gene's attaining membership in the President's Club for reaching a high sales quota in his insurance company. Mary Ann Wambach, 8211 Washington, was 12 on May 15th. She celebrated the occasion with the usual family gathering. Kit Spikings reached her teens (13) on May 1st and sister Kim was 8 years old on April 26th.

There has been a rash of burglaries and reports of prowlers in the area in the past few weeks. The Schmidtke home on Elmore bears evidence of attempted entry but the culprit was frightened away by a neighbor walking the dog. Another victim of the current scourge was the Dechambre home on Wisner and here all signs indicated a non-professional. A small girl on Merrill surprised a young man loitering in the garage. In addition to the arrival of green grass, pretty flowers and warm weather the season is prone to bring out both insect and human prowlers. It might be expedient for all homeowners to notify someone of their intended absence even if only for a few (Continued on Page 4)

would not conflict with the heavy traffic hours in the area. He noted that a banking operation is a clean business since there is no garbage disposal problem.

Then he mentioned that the bank experts believe the Lawrencewood Shopping Center would be in by 1960 and this, he said, influenced the decision to locate the bank here.

Zoning Board member Ken Scheel then asked if there were any objections from anyone in the room. James Pecora, 7100 Oakton, the resident alongside the property said he had no objection to the bank proposal.

The Zoning Board then approved the rezoning for the express purpose of a bank. In the event the property is not used for this purpose then the land would revert back to its residential classification. The Board approved the rezoning by a 5 to 0 vote. Ed Baumler, a zoning board member passed on the vote. He stated at the beginning of the discussion, he was one of the organizers of the bank and he did not believe he should be eligible to vote on the issue.

In other actions the Board approved the building of a home on a lot at 8128 Odell.

Approved a home on a 30 foot lot at 8041 Ottawa. The house will be 22 feet by 48 feet and the owner, Mr. Rauschenberg, promised to give a written assurance to the two neighbors that he would be responsible for any damage to their home resulting from the building. The Z. B. voted 5 to 0 for the variation. New board member Wente passed on his vote.

St. John Lutheran Luncheon June 10

The Ladies Circle of St. John's Lutheran Church of Niles (Milwaukee near Harlem Ave.) is having a Moffett Pantry Party Luncheon on Wednesday June 10, at 12:30 P.M. Tickets are priced at \$1.00 for adults and 50 cents for children. Tickets may be purchased from Mrs. L. Schmidt Ni. 7-7721.

Unanimously approved a variation to permit the building of a home on a 39 foot lot at 7812 Harlem. The building will be 24 feet by 42 feet deep. There were no objections from neighbors Bergmann and Cooks, whose homes border the property.

Unanimously approved a variation of lots 16 and 17 at the rear of the Lone Tree Inn parking lot. Attorney Roland Lada, representing the petitioner, had three previous meetings with interested residents in the Jonquil Terrace area. They agreed that the Lone Tree Inn owner would build a 7 foot opaque fence along the westerly border of the property used for the parking lot. There was also agreement that there would be a 20 foot buffer zone at the westerly rear of the area which would be maintained by the Lone Tree interests and that a similar fence would also be built along the southerly limits of the property. Lada emphasized that there would be no horn blowing and that lights installed in the area would face away from the adjoining property. Franklin made the motion which led to the granting the variation as he emphasized that the area would be granted remain residential.

Chatter Matter

By Dorothy Schreiner - NI 7-9887

Thank you kindly for the nice comments on the first column and I'm happy that everyone likes the name "CHATTER MATTER". That was daughter Joan's idea.

A surprise luncheon was given by Mrs. Anthony Castle in honor of the birthday of Mrs. August Scully. The guests present were: Mrs. Henry Kramer, Mrs. Clarence Berg, Mrs. Joseph La Grippe, Mrs. Melvin Watts and son Shane and Mrs. Fabian Fornall and daughter, Patty. A good time was had by all. Surprises are such fun. Happy Birthday, Marge.

Get well wishes to Mr. Thor Larsen, 7460 Seward, who is spending a few days at the Norwegian American Hosp.

Mr. & Mrs. Fabian Fornall and daughters Marilyn and Patty are back from a 5 day fishing trip. They drove to Three Lakes, Wisc. and visited at the cottage of Mr. Fred Rinka, father of Mr. Rudy Rinka, a neighbor of the Fornalls. Florence told me they had a wonderful time. Lots of rest and they caught a lot of fish. Fabie's already making excuses for the ones that got away.

A neighborly welcome to a couple of new Niles residents. Mr. and Mrs. John Messina and their daughter Sharon Lynn moved here from Chicago and are now at home at 8252 N. Olcott. Mr. and Mrs. Bill Jeschke and their daughters Nancy and Jean came here from Jefferson Park just 3 weeks ago and now live at 8217 N. Olcott.

Baby Joey joined the Frank Stankowicz Jr. family on May 6, at the Resurrection Hosp. He came just in-time for Grandpa's birthday and I bet that's the first time the Mayor received a gift tied in a diaper.

Pardon my proud poppin' buttons but I won a blue ribbon on a house plant I entered in the Grennan Heights Garden Show, which was held at Oak School on May 16. It was the most beautiful display of flowers I have ever seen. The ladies certainly out did themselves and the board is to be congratulated on their fine show.

Watched the ball game between the Firemen vs. the Niles Lions and it was a lot of fun.

(Continued on Page 5)

Liquor

(Continued from Page 1) available and that was the end of that correspondence.

At the last two meetings of the trustees more liquor requests from old Niles businesses continued to come into the board. As of now, Rainbow Foods, 7960 Waukegan Rd. is seeking rezoning before the next zoning board meeting in anticipation of applying for a package liquor license. Meanwhile Riggio's had sent in a check for the amount of the license formalizing their request for the license. The money was returned. There were no licenses available. At last Wednesday's trustee meeting Riggio sent still another letter regarding clarification of the liquor restriction. The letter requested to know about a waiting list for a license. It queried as to the number of applicants on the waiting list and whose names preceded and anteceded her application. While the same old answer, "No license is now available" Riggio's might have won a small point. Mayor Stankowicz said occasional liquor brought into the premises from the outside for parties was permissible.

Meanwhile the board received a request for a license from the Capri Motel. The letter stated two years ago a request for a license was turned down with the answer that no more licenses were available. Since the recent increase in the present ordinance Capri felt entitled to a license for their establishment. Again the answer was, "No more licenses available".

Why has there been such a revival of interest for license? On February 4 the trustees had approved the increasing of licenses by eight more to enable the annexation to be completed. Six licenses were promised for the Golf Mill shopping center and two more were promised for two restaurants at Milwaukee and Dempster.

May 6 the trustees increased the liquor license ordinance an additional three more to give licenses to businesses which had

previously been operating on county licenses; their entry into the village required they receive the village licenses. Thus, in a 3-month period the liquor licenses within the village increased by 11. The older stores in the village, which had requested licenses years ago, were passed while the new stores received licenses. It is expected that another license will be issued to a store in the planned shopping center at Dempster and Harlem.

In addition to Rainbow Foods, Riggio's and the Capri Motel, Niles Drugs and the two Jewel Foods stores have all requested licenses. They were all rejected because there were none available. With the 11 licenses increase in three months it seems strange that for years many of these stores have been unable to sell liquor because no license was available.

Esoterically

(Continued from Page 2) hours to foil such attempts in the future. If you are to be away for an extended period always inform your police department and the patrol cars will take special note of your property during your absence.

To conclude this tome on a lighter note we can report that the social success of the final affair of the Woman's Club of Niles was due largely to the efforts of Gussie Carlton, chairman of the spring luncheon and Dorothy Baum, who arranged for the entertaining program and Eleanor Gilardon, whose thoughtful details heightened everyone's enjoyment. Eleanor and Max celebrated their 22nd anniversary on May 22nd. Another Eleanor deserving of special mention is

Eleanor Harris, whose pressbook of club activities was awarded a second place ribbon in the 10th district classification. The club is also proud of Lillian Nach whose literature entry in a recent contest received a second place niche. She has been asked to serve as district literature chairman. This will make two club members serving on the

district board. Nancy Koch done an admirable job for the past year as music chairman. The Woman's Club of Niles received much favorable mention from both the District and the State for the work they are doing. Give me a buzz neighbors and let me know what's exciting on your street. See you.

Chatter Matter

(Continued from Page 4)

The Lions would of won, they put more weight behind their batting but they did have a lot of trouble picking up grounders. Seems like their pots got in the way. I think a few sessions at Slenderella would help a lot, eh, boys?

An open letter to all dogs in Niles: The people of Niles are getting awful mad at you. They are all complaining because you roam all over their lawns and dig up under the evergreens. Home owners work too hard and put in a lot of money to get their gardens and lawns in good shape and they don't want unattended dogs tramping through. Now I'm sure that where you live, you must have a yard. Stay there! If you feel you must take a walk, please have your master at the other end of the leash. I just hope your all smart enough to read and heed this warning.

Teen Talk: On behalf of the Niles Teen Dance Club, I would like to thank two really nice guys from Niles: Thanks to Mr. Merwyn Schaefer, 7420 School St., who is our special angel and comes out every time the juke box breaks down. Without him, we would have no music, no dance. Thanks also to Mr. John Poeschl, 8150 N. Osceola who bought a stack of tickets to the boxing show a couple of weeks ago and donated them to the club, so that the Teens could use them and have a good time. We're very grateful to you both.

Places to go and things to do: June 2 - St. John Brebeuf Catholic Women's Club meeting at school hall. June 5 - Spring Dance at Bunker Hill. For Niles Teens Only.
