May 25th at St. Frances Hospital. Mom and Dad are Lorraine and Bill. Sister and brother are Susan aged 6 and Dean aged 3. Our very best wishes to the new Nilesites.

One of the nicest birthday presents for Leita Diltz on May 21st was a visit from her brother Ralph Hardin, his wife and daughter Susan, 11, of Cedar Rapids, Iowa. It is the first birthday they have ever celebrated together.

On June 12th at 3:00 p.m. the Lyric School of Dancing will hold its annual recital at Main Township East. To me, my daughter Wendy will be the star of the show, even if she stands with her finger in her mouth as she does whenever asked to perform. Somehow, I don't feel she is ready to go professional yet.

In the current issue of Reader's Digest along side a full page color photograph of President Dwight D. Eisenhower is the quote "Informed Citizens are the guardian and spirit of democracy". Something to think about when you hear derogatory remarks about the Niles Citizens Committee.

The two most difficult careers are entrusted to amateurs—citizenship and parenthood. The latter forces us to grow through experience, the former takes determined effort. Remember, the man who rests on his laurels is wearing them in the wrong place.

Family Service Play Available To Local Groups

At this time of the year when newly appointed program chairmen are frantically trying to fill next year's program schedule with interesting material, the Family Service Agency of Niles Township offers a suggestion.

Mrs. Walter Kramer, Public Relations Director of the Agency, announces the availability of a one act play, "The Broken Circle". The Skokie Civic Theatre, under the auspices of the agency, has gained new recognition for its excellent staging of this interesting drama of a troubled family and how they were helped to solve their problems. Any local group, including civic organizations, P.T.A.'s, women's clubs and church groups may inquire about a date for the play in the coming year by contacting Mrs. Kramer at Niles 7-8457.

Eliminate "Multiples"

not be done. "You'll keep most of them out...and even keep most builders from even trying to build multiples by eliminating such zoning under your new ordinance", cited Blase, Commission member Ken Scheel then asked if only single family dwelling residents (new classifications R-1 and R-2) could be proposed. Attorney Jones said this could be done and that the R-4 multiple dwelling zoning could be eliminated in the new zoning plans.

Scheel said if this area was zoned for non-conforming use then any requests for multiples would fall under the request for a variation for this type of zoning. Under the new zoning ordinance variations would only be heard by the zoning board and then any further legal recourse would have to be taken into the courts. This would eliminate the village trustees from being able to overrule the zoning board which has occurred on many instances.

At this point in reviewing the new zoning ordinance plan Commission chairman Dick Cass said the group must consider the future and felt Niles, like the entire country, must make plans for handling the population explosion, which is resulting in the country.

Blase disagreed saying he believed the people in Niles should be considered now. Jim Nolan, representing Oakton Manor Homeowners, said it may be well that the plan commission is thinking of the rest of the nation, regarding Cass' statement about future population increases which he felt the board must be made

St. John Brebeuf Women Meet Tuesday, June 7

The final meeting of the season of the St. John Brebeuf Catholic Women's Club will be held on Tuesday, June 7th at the school hall, 8201 Harlem, Niles, Ill. Preceding the meeting, benediction of the Holy Sacrament will be held in the church at 7:45 p.m.

Community Church News

With the approach of vacation time plans for Vacation Church School are nearly completed and the dates have been set for June 20-July 1, from 9:30 to 11:30 each week day morning, at the Oak School. As we have stressed in former years this two week period of intensive study and Christian fellowship can be a much more enriching experience for the child than a whole year of sporadic Sunday School attendance.

The registration fee will be \$3.00 per child for a two week period, with a maximum of \$7.50 for any family with 3 or more children attending. Vacation Church School Classes will be held for all children ages 4 through 12.

The couples Club is sponsoring a Dinner-Dance at the Chevy Chase Country Club on Sat., June 11. All church members and their friends are cordially invited. \$4.25 includes dinner, gratuities, tax and dancing for the evening in the main ballroom. Reservations and your money must be in by June 3, so kindly call one of the following: Helene Koch-NI 7-8472, Norma Tracy NI 7-8634 or Audrey Kuntner TA 3-6431.

The newly elected officers for the 1960-61 term will be installed. Those elected were: Mrs. William Quinlan-President, Mrs. Martin Bell-Vice President, Mrs. William Thompson-Secretary, Mrs. Raymond Domoney-Treasurer. Board members are Mrs. John Annas, Mrs. Edward Zonstus, and Mrs. Robert Keating.

A skit titled "Baby Show" will be the main attraction of the evening along with the announcement of the winners of the "Baby Beauty Picture Contest". A gala evening is promised for one and all.

During the evening, tickets may be purchased for the Annual Spring Luncheon, which will be held on Saturday, June 11th at the Chevy Chase Country Club. Mrs. Patrick McConville is the chairman.

Reminder--Sunday, June 5th, is Communion time for the club members, Brownies and Girl Scouts of the Parish at the 7:30 a.m. Mass.

Niles Unofficial Census....20,364

The census bureau announced last week that Niles present population is now 20,364.

The figure shows a 56 percent increase from 1950 which is the largest percentage increase of any north or northwest Chicago-area suburb.

Niles' new figure pushes the village into second place in population among Niles Township communities as Niles passed suburb Morton Grove which now has 19,970 people in her fast growing community.

Niles new increase raised her population by about 1500 during

the past year. In a special 1959 census Niles had 18,857 people in her community. The previous census to the '59 nose-counter was in 1957 when Niles had a population of 13,949. Her 1950 figure was 3,600.

The 1960 total is not official, and it is likely that an additional persons are still to be added

to the 20,364 figure. Other neighboring communities which showed phenomenal growth increase during the past ten years, follow: Arlington Heights, 8,868 to 27,940; Des Plaines, 14,994 to 34,815; Mount Prospect, 4,009 to 18,819; Park Ridge, 16,602 to 33,007; Glenview, 6,142 to 17,383; Wilmette, 18,162 to 17,383; Northbrook, 3,348 to 11,599 and Palatine, 4,079 to 11,479.

Stanley Will Ask For Ban On All Pinballs In Niles

Editorial

Gambling Is Niles' Cancer

Niles has a village-wide cancer within its midst which threatens to destroy the village. The malignant growth is gambling. Last week THE BUGLE reported seven gambling tax stamps were issued by the federal government to Niles. These stamps other than Niles. Coincidentally, infamous Cicero, also was issued seven stamps.

What does the seven stamps mean to the individual residents of Niles. Superficially, it is not a reputation which Niles' children should be burdened with in their contacts with students from neighboring villages.

But more objectively, an illegal gambling cancer, destroys the foundation of a village's structure. When illegal action such as this is allowed it is only done so with the approval of village officials. Thus, its corrupting influence is a cancerous cell by itself.

And like cancer, it begins to devour the healthy cells in the body, which are so necessary for existence and growth.

In Niles, a town which shows the greatest growth increase of any north or northwest suburb, it is essential that the town attract business and industry which is so essential for a healthy community. The need for industry and business to help finance our schools is a basic need. But when a town has a cancer, with its accompanying corruption, what businesses and industry are attracted to such a community!

The same idea can be applied to future residents. How many residents desire to live in Cicero and carry the burden of the corruption which has existed there for many years? Rather than move to such a community it is better to move in to a healthier area where the air breathes clean.

In Niles this existing corruption places a mushroom cloud over the entire village. Our outstanding fire department's work the fine school work, the efforts of all decent citizens to make the community a better place to raise their children is going to waste so long as such a cancer exists. All of us residents have the greatest investment of our lives in Niles...the investment of raising our children in this community. They deserve the very best of opportunities...but, they will not receive them so long as the gambling cancer is allowed to live in Niles.

Trustee John Stanley, who has his eye on the Mayor's chair in 1961, said he will introduce an ordinance to ban pinball machines. Stanley's "better late than never" measure should be actively sponsored by every resident.

Niles will continue to be a village without law so long as the gambling ordinance in the village is not enforced.

Most important, this situation points to a fact which most of us have long realized. Niles is corrupt...Niles is a village represented by men who do not respect nor enforce the law. And like a cancer, arresting the disease, even by the eliminating of pinball machines, is only a temporary measure.

The one cure is by cutting out the source of the disease.

Bill George Heads Niles Luncheon Today

Capture Knife-Parin' Robber

Two of Niles top policemen, Detective Ed... have done outstanding police work which led to the arrest of a knife-paring stickup man who held up the Oklahoma Gas Station in Niles Sunday night. Bernard John Harrington, 21, of 7605 Bosworth, Evanston, was arrested Sunday night and admitted to five other recent hold-ups in the surrounding areas.

Detective Dennis and Police Officer Stankowicz, recipients of "Policeman Of The Year" award, the past two years, did outstanding jobs in the resulting arrest of Harrington.

Stankowicz, who lives at 7065 Touhy Avenue when he noticed a auto turn on to Franks around 2:30 Sunday morning. While patrolling alone in this early morning hour, Stankowicz checked on the parked car but found it temporarily abandoned. He noted the license number of the car and had it checked immediately through State records to determine if it was stolen.

While Stankowicz was checking on the car, Oklahoma Gas attendant Christopher O'Callaghan phoned the station that a knife-paring youth had held-up the station and stolen \$27. Stankowicz, immediately checked the address of the owner of the suspicious car which was parked on Franks Ave., and together with Dennis went to the owner's home in Evanston.

Working with Chicago police they broke into Harrington's residence in pursuit of the youth where he confessed to the six hold-ups to Dennis and Chicago police.

Harrington told police that after the held-up Niles gas station he then went to a Clark Gas Station at 3016 Peterson where he once more used a four inch paring knife in a second hold-up. He also confessed to hold-ups in Skokie, Glenview and another Chicago station, also on continued on page 7

Would End Gambling Rein

would introduce an ordinance to ban pinball machines in Niles. Stanley's action comes on the heels of the story in last week's Niles Bugle, which revealed seven Niles businesses were issued federal gambling stamps. THE BUGLE was the only local newspaper to report this story. Niles was the only north or northwest suburb issued the tax stamps. She received the same number seven as Cicero.

In other BUGLE interviews Mayor Stankowicz asked if "we had seen the stamps," in answer to BUGLE questions. He refused to comment other than to say he would have to investigate first. His comment about whether this reporter "had seen" the stamps was an answer similar in response with Police Chief Romney and Trustee Sam Bruno. Romney said that no stamps were purchased in Niles but that seven store owners had signed papers of treasury officials who had been in the village some months ago. Romney said he investigated the stores in question and they had never purchased nor had been issued any gambling stamps. Romney also said pinball machines have been legalized by ordinance.

Romey's opinions about the issuance of the stamps in direct contradiction to a story in a Chicago newspaper, a wire service story which was issued to most local newspapers, and by the U.S. District Attorney's office all which confirmed the gambling stamps issuance.

Trustee John Trocki first had no comment on the gambling story. When he was further interviewed Trocki said this situation existed before he got on the board inferring that he had no control or responsibility over the present situation. When asked then "what he would do" about the present situation, Trocki said he had not proof of any gambling stamps being issued. When asked about eliminating pinballs as Des Plaines had done, he accused THE BUGLE of constantly "panning" the trustees. Trocki stated the following: "Besser I've told you this before and continued on Page 7

Little 6 year old DEBBIE ANN, daughter of Mr. & Mrs. NORMAN SANSOM, 7642 Kedzie, has been having a rough time lately. First she has chicken pox and now she is in bed because of rheumatic fever. Her Mom told me that DEBBIE will have to stay in bed for quite awhile. She needs lots of rest. Her greatest pleasure is in getting her very own mail, so please send DEBBIE loads of get well cards and cheer the little one up.

PATRICK, the 8 year old son of Mr. & Mrs. BOYD RILEY, is fine once again and back in school. PAT spent a week at the Lutheran General Hosp., for observation. The whole family was very relieved, that nothing serious showed up and PAT got back just in time for school exams. "I bet that's rougher than your stay in the hospital, isn't it PAT?"

Mrs. AUG SCULLY is in the St. Elizabeth Hosp. again. MARGE was taken in for tests and blood transfusions. Seems like she has been ailing for such a long time and all her friends are praying that she will be well soon. Between the help from your good neighbors and your wonderful husband, your three children are well taken care of. Get well quick, Marge.

GLORIA & JOE MORHEISER of San Gabriel, Calif., flew to Niles to attend the funeral of Joes Mother, Mrs. Joseph Morheiser, Sr., who died Sunday May 24. Deepest sympathies to you and your family.

It was nice to chat with Gloria for a few minutes. Being typical Mothers, all we talked about were the children. GLORIA said that baby VICKIE isn't a baby any more and her red hair is redder than ever. Their son Jody is fine, every inch a real boy. Daughter MELODIE is doing real well in school. She is also attending the Loretta Young Charm school and with her new figure, looks like a model. It's always a pleasure to visit with old and good friends. Hope to see your whole family again, real soon.

Our sincerest sympathies are extended to Mr. ARNOLD KOLENBURG, 7443 Main St., due to the recent death of his mother.

Anniversary greetings to Mr. and Mrs. WILLIAM KEATING, who exchanged their "I DO'S" 10 years ago on June 10.

Mr. & Mrs. JOHN KELLY, 8303 Osceola will be celebrating their 21st. wedding anniversary on June 10 and their good friends Mr. & Mrs. EARL SCHWARZENBACK, 8302 Osceola, will be married for 29 years on June 10.

Birthday greetings to Miss COLLEEN MCHALE who was 12 on June 7. Master DAVID LEE SCHNIRER will be a year old on June 13. That cute photographer, Mr. Joe Weiss will be celebrating his 7 birthday on June 16. Baby JOANNE ELIZABETH DOYLE will have 1 candle on her cake on June 20. Master DOUGLAS JAYES will be 2 on June 21.

Mr. & Mrs. TONY CASTLE and Mr. & Mrs. FABE FORNALL spent their vacation together this year. The foursome drove to Sioux Narrows, Canada, where they spent 10 days in resting and fishing. This was the first Canadian trip for the FORNALLS but the CASTLES have been there before. They caught lots of fish and had a wonderful time. They got back to Niles and were so heavily tanned, they looked like Indians. While the older folks were enjoying their fishing trip the three FORNALL daughters CHARLENE, MARILYN, and also PATTIE stayed home and took care of the house. I understand that MARILYN did all the cooking and she's quite a chef. Mom and Dad were very happy that their girls did so well while they were gone and they are mighty proud of their family. Oh, by the way, although Mrs. FORNALL did a lot of fishing, she still isn't fisherwoman enough, to bait her own hook. Wiggly aren't they FLORENCE, the worms I mean.

Mr. & Mrs. WILLIAM DRESSEL and their 2 teens, JOYCE and BILL Jr., spent the MEMORIAL holiday week-end fishing at Townsend, Wisc. While the 2 BILLS did most of the fishing, Mom and Joyce spent their time shopping. Isn't that just like women! Glad you had a good time.

Don't forget the Niles Teen Spring Dance, which will be held at the Bunker Hill Country Club 6635 Milwaukee Ave., on Fri. June 10 from 8:00 p.m. to 11:30 p.m. Guests are welcome but they must have a guest ticket. St. Paul Bible School Class Begins June 16

In order to permit its full beginning of the long holiday the Fourth of July week-end the daily Vacation Bible at St. Paul's Reformd Episcopal Church, 7801 N. Harlem Avenue, Niles, will begin this year on a Thursday (June 16) instead of a Monday, and will 11:45 a.m., daily except Saturdays and Sundays, until its closing exercises Thursday evening, June 30th.

There are classes, open to all children, from nursery to young teenagers. The theme is "Signaling for Christ." Hand-craft and Bible stories along with snappy and wholesome songs and choruses add to the general application of the theme in a spiritual relation to presnt day events at a level of common understanding.

For further information and registration contact the church office in person or by phone (Niles 7-8234). There is no registration fee. Expenses are met by free-will offerings of parents and friends.

Baha'i Talk At VFW Hall June 14

"The Holy Land of Many Faiths," a talk on the country whose heritage has been enriched with the revelation of the Jewish, Christian, Moslem, and Bahai faiths, will be presented at the Bunker Hill VFW Hall at 6635 Milwaukee Ave., Niles, on Tuesday, June 14, at 8:00 p.m. The lecture will be illustrated with a series of colored slides.

This meeting is the second of four meetings in Niles on each Tuesday of June to present the principles of the Baha'i Faith to residents of this area.

Inspect Preliminary Plans For New District 63 School

Preliminary plans for the new school building to be built in East Maine School District No. 63 were inspected by the Board of Education this week. The new building will be located on the site two blocks north of Dempster Street and four blocks east of Washington Road in the district.

Senator Douglas Announces Exams For Academies

U. S. Senator Paul H. Douglas (D., Ill.) announced today Civil Service Commission to conduct a qualifying examination on Monday, July 11, 1960 for the young men of Illinois who seek United States Military, Naval, Air Force and Merchant Marine Academies.

The examination will be given in the following Illinois cities: Alton, Aurora, Belvidere, Bloomington, Cairo, Carbondale, Carlinville, Carmi, Centralia, Chicago, Chicago Heights, Danville, Decatur, Des Plaines, Dixon, East St. Louis, Effingham, Elgin, Evanston, Freeport, Galena, Galesburg, Granite City, Harrisburg, Harvey, Jacksonville, Joliet, Kankakee, LaSalle, Macomb, Macomb, Marion, Mcroplis, Mt. Carmel, Mt. Vernon, Oak Park, Olney, Ottawa, Paris, Peoria, Quincy, Rochelle, Rockford, Rock Island, Savanna, Sparta, Springfield, Streator, Taylorville, Tuscola, Urbana, Vandalia, Watska, Waukegan, Wheaton and Woodstock.

The building will contain 15 regular classrooms and two kindergarten rooms, an administrative office including a principal's office, conference room, nurse's room, and storage room. The building will be a two-story structure with provision for additional rooms to the east and a future all-purpose room to the south. The building has been designed by the architectural firm of McCaughey, Erickson, Kristmann and Stillwaugh, Inc. of Park Ridge.

issuance of \$350,000.00 in bonds to finance the building will be held on Saturday, June 25. Pre-cincts have been established with polling places at Oak School, Melzer School, Washington School, and Ballard School, 8320 Ballard. problems that a rapidly expanding school population would bring to our district," said John E. Press, President of the Board. "Current data indicates that four sixth grade classes will be required to attend school in rented facilities in September. We are sure that the residents of our school district are aware of our problem and will support our program as they have done in the past."

According to Press a projection of current school census figures indicates that there will be in excess of 4,200 children attending elementary school by 1964. The decision to build the new building is a part of the long range plan of the Board of Education to provide adequate educational facilities for the education of the elementary children in the district.

clinic, still many who stayed away for fear of being looked upon as charity patients, came forward. Thus, it resulted in the immunity being administered to the many who would not have received it, had the clinic not been made available.

Actually, there are few persons who have not made use of public clinics in this country at one time or another. They are as essential today as social security.

The need of a public clinic in Niles, whether full time or part time is absolutely essential to the community. If 500 persons made desired use of the clinic for polio shots there are many who obviously need other treatment as well.

Polio publicity has been in all mediums for many years. Still 40,000,000 persons in our country are in need of the entire series. This is about 1 of every 4 persons in the United States. If so a great number lack this immunity, which has been so publicized, how many other needs are going unattended?

A part time clinic as a start with the help of doctors and private citizens alike, would serve a great need in Niles. Doctors in particular will bemoan such a clinic. But when you realize those 50 cent shots often bring a \$5 return to many, often given by their nurses, you understand their resistance. But when they decry this issue, as they will do, point to 500 Nilesites and 40,000,000 Americans in "this land of plenty" who need public clinics as much as they need social security and life insurance. To insure use of old age benefits from Social Security, Americans need young age benefits.

Pinball Gambling

I'll tell you this again...a fellow like you is hurting yourself. You are never going anywhere...you're hurting yourself by bum rapping as you do...I know 1/2 dozen people who won't read THE BUGLE...you're always critical...I'm trying to do the right thing...I'm working hard on the Board, Trocki also said the Governor refused to ban pinball machines and he didn't see who, he, Trocki, was to do more than what the Governor had. That quotation was Trocki's answer to whether he would ban pinball machines as Des Plaines had done.

Trustee Poeschl questioned whether the pinball machines were legal machines. He said if they were gambling machines then he would like to see them removed. He then mentioned that gambling is instilled in the public and cited an Easter egg chance game kids played when he was a boy, which he believes shows even this game to be a gambling device.

Trustee Bruno said he didn't know what the situation is in Niles. He said those stores which purchased the stamps should be placed under surveillance. He said he believed the village board should not take action until after the U.S. Supreme Court hands down a decision whether pinball machines are considered gambling instruments. He said he believed it was foolish to ban the machines since they are bringing in revenue to the village. When told that Niles is the only town issued gambling stamps in this area, Bruno said if there is gambling than they should be abolished.

prettiest and it's ties' and jackets for the boys. Door prizes will be awarded and refreshments will be served.

At this special dance, the Niles Rock & Roll Champs for 1960 will be selected. The previous winning couples of our monthly dance contests, since Oct. 1959 will compete against each other. These are: Miss MARY ANN CALELLA & EDDIE MATAYKA, Miss CAROL KOCH & Mr. BOB GROSS, Miss EVELYN BROCCOLINO AND Mr. STEVE WRABLIK, Miss YVONNE BRIDIER & JERRY MATAYKA, Mr. BILL AHLMAN & Miss ARLENE JULIANO, Miss JUDY HARRISON & JIM KILASINSKI, Miss MARLYNSLWINSKI & WALT DAVIS.

The winning couple will receive trophies and wrist watches, which are being donated by the Niles Park District, the sponsors of the Niles Teen Dance Club.

There will not be a Teen dance on Friday, June 24, due to the Grennan Heights Summer Festival.

ery one. So for an interesting evening, let's all have a holiday in Mexico, on June 21.

Susan Marguerite Frey officially became a Niles citizen May 29. She was born at Resurrection Hospital and weighed five pounds seven ounces. She is the daughter of Mr. and Mrs. R. Frey, 7139 Milwaukee.

Steven Joseph Polercky, son of Mr. and Mrs. J. Polercky, 8535 Madison, was born at the Resurrection Hospital May 31. He weighed 6 pounds, 15 ounces.

A special notice to all the Niles citizens who want to vote in the Presidential election but who are not yet registered.

You may register now, at the Niles Village Hall, 7166 Milwaukee, on the second floor. Registration is from June 8, into Sept. On Monday, Tuesday, Thursday and Friday, the village clerks office will be open from 8:00 p.m. to 5:00 p.m. and from 6:00 p.m. to 8:30 p.m. Than on Wednesday and Saturday, it will be open from 8:00 to noon.

The next regular meeting of the Grennan Heights Improvement Assn., will be held on Tuesday, June 21, at 8:00 p.m. at the Grennan Heights Public House. The program for the evening will be the showing of a narrated colored film, "HOLIDAY IN MEXICO". These are the pictures that were taken by while on a recent vacation. Different members who have seen the films at the CASTLE'S castle, say they are very interesting and would be enjoyed by everyone.

Then Bruno spoke of the merits of gambling. He asked why it is allowed at race tracks. Gambling is an asset to a community if it is properly controlled. He pointed to the revenue which is derived from such gambling in defending this statement.

He then pointed to the same example as Poeschl, of children who take a chance on choosing a pink Easter egg in a game of chance. (It seemed obvious by this example and many others in the interviews, which were identical, that the trustees had eschewed this subject very thoroughly among themselves.)

Bruno, as did all the trustees said if there is illegal activity in the community it should be abolished. However, he said he had no opinion on the stamps... and like Trocki, he added that gambling is "being done all over". Bruno cited newstand gambling as an example of this "all over gambling".

Trustee Stanley, who said he will push for a "no pinball" ordinance, said THE BUGLE story on gambling resulted in "keeping him up all night". He said he toured Niles lounges and taverns with a plain clothesman from the state police office, and they did not find pinball machines which were paying off. He said the tour lasted until three or four o'clock in the morning.
