

Cancer Society Thanks Niles For Contributions

The Northwest Suburban Chapter of the American Cancer Society wishes to extend its thanks and appreciation to the residents of Niles for their support of the April Cancer Crusade under the able direction of Mrs. Clinton (Marge) Sotan.

Mrs. Sotan announces that the drive is in the final phase and it would be greatly appreciated if any residents still having envelopes would call Yorktown 6-6683 or Talcott 3-5220 so they can be picked up, or they can be left at Niles Drug Store at Oakton.

We are always in need of clean white used material for making dressings and anyone wishing to donate worn sheets, shirts etc., may call Mrs. P. A. Hamilton at Niles 7-6874.

On behalf of the Board of Directors and all of the wonderful volunteers that make up the American Cancer Society we

Fire Department Warns Of Rubbish Causing Fires

Most folks have the makings of a "real good" fire in their homes simply because they don't know what rubbish is.

Here are some of the things that firemen classify as rubbish: (the fuel that fire needs) lamp shades, old mattresses, cast off clothing and furniture, old newspapers, dirty rags (particularly those that have been used for polishing or painting), old boxes, toys, scrap lumber, old rags, etc.

The Skokie police-politician-crime tie-in which is now under scrutiny in Chicago bears local interest to Nilesites. The wingspread of the Krier-machine spilled over into all Niles Township villages.

In days bygone, when Niles was confined primarily to the area east of Harlem, the Niles Township Democratic machine, headed by Krier, ruled the roost here as well. Mayor Stankowicz a part of the machine, had an honour rule in Niles receiving and giving support to his party. On local election days in Niles the well-oiled machine would get out the vote here as it did throughout the Niles Township area. The chance for opposition was slim.

But, like any pyramid, whose foundation is pocked with air holes, it began to crumble when the weight at the top becomes excessive.

In Niles, just as in Skokie and Morton Grove, the disintegration of the machine began when the Chicago invasion took place in the early fifties. While the control of the local political offices continued to be held by the same men, their eventual downfall was correlated with sudden increased population.

Last year Skokie's trustees began the inevitable turnover. Three mavericks usurped the Krier-machine to gain office. In Morton Grove, many persons say Mayor Koller days are numbered. In Niles the chances for the Mayor to retain his number one chair are similarly slim.

While corruption has come to public light throughout the township more recently the seeds of its existence has been here for some time. Sad as it may be, no person nor party should be retained in office for too long a time.

In our national government, just as in our local one, misdeeds seem to increase with the length of time any one group remains in power. The change to another group is generally a healthy change.

The Krier-dominated machine seemed to close its ranks in more recent years. Perhaps it was felt that their chance for retaining power was best by drawing their forces around their home-base in Skokie, rather than spreading their ranks more thinly throughout the Township. Thus, in recent years the Stankowicz-dominated forces in Niles were less a part of the Krier forces than before. And it is likely both groups perpetuated themselves an additional four year term as the result of this re-alignment.

In 1957, Niles had a population of 14,000. By splitting their vote three ways local voters retained the Stankowicz government for four more years. Both in Skokie and Morton Grove, where identical changes are taking place, the Krier forces remained at the head of their towns during these elections.

The new era, the one of the political amateur, has already begun in Skokie and it will follow in MG and Niles next year. The neophytes, who've had little knowledge or interest in civic government while Chicago residents have been slow to awaken since moving to the suburbs, but being involved in school matters, sewer problems, endless peti-

Mayor And Five Trustees Oppose "No Pinball" Ban

All Oppose Stanley's Pinball Ban

Trustee John Stanley's motion to ban pinball machines in Niles met with an unusual display of anger by Mayor Stankowicz and a stony silence by the remainder of the village board.

At Tuesday's night's meeting Stanley acted after reading in Chicago papers as well as in THE NILES BUGLE that seven federal tax gambling stamps had been issued to Niles' businessmen. Stanley said that the purchase of the gambling stamps "for use on pinballs" was tacit admission that the village was gambling in the village.

Mayor Stankowicz angrily denied that any stamps were purchased by Niles' business men saying, "I find no one has purchased the stamps in the village". When Stanley explained that the stamps were purchased by the owners of the machines rather than the businessmen, themselves, Stankowicz reacted with anger equal to his original outburst. The Mayor said if the trustees passed such an ordinance it would be an admission that there was gambling in Niles.

Then the Mayor proceeded to defend Niles' businessmen. In an obvious blast at THE NILES BUGLE he said he did not believe that businessmen had to take ridicule from newspapers... he said the newspaper criticism was an inference the businessmen were gamblers. In another remark directed at THE BUGLE he said he had told "a reporter" there were no stamps in the village and he asked the reporter whether he had seen the stamps, he said he had not. The Mayor then went on to say that the pinball machines in Niles are not gambling devices. Trustee Stanley then made his "no pinball" motion which died because of lack of a second from any other trustee.

Stanley said that these stamps being issued in the names of the businessmen made their use obvious. But Mayor Stankowicz and Trustee Sam Bruno both said manufacturers of the machines are now in Washington for the purpose of determining whether the machines are gambling devices.

Bruno, made the incredulous statement that a U.S. agent sold the stamps illegally, in defense of why, if they were sold, they were sold on amusement devices.

Village Attorney Wells questioned whether the ordinance would be "good" if there was no gambling in Niles. Stanley said pinballs are "a game of bagatelle under state statute and could be banned. Wells then affirmed this was possible.

Members of the Greanan Heights Festival committee wish to remind Niles residents to reserve Sat. June 25 for a real good time. From left to right: Peter Geahos, 8301 Oketo, Oscar Meyer, 8333 Oleander, and Henry Kramer, 8146 North Oketo.

District 71 Excess Funds Referendum June 21

Woman's Club Get Honorable Mention Award

By the end of 1960 the taxpayers of Niles Township will have accumulated the sum of some \$400,000.00 of "excess" township tax funds. These excess funds have accrued from the two percent collection fee included in your annual tax bill.

Last year the legislators felt it advisable to pass Senate Bill 171 in order to permit the distribution of these funds to the elementary school districts after January 1, 1961.

On June 21, 1960, there will be an advisory referendum called by the Township Board of Auditors to solicit your opinion as to how you think these funds should be distributed. Your Board of Education recommends that for the best use of these excess township funds they be turned over to the elementary school districts in total. We recommend that you read the ballot carefully and pick the Proposition that will bring the greatest return to the school district.

A vote to return these funds to the school districts means that the Niles Public School would receive approximately \$30,000. This is based on the 1958 assessed valuation. This money would probably be received in the spring of 1961. Hence, this amount

would not have to be included in the tax bills of the people living in this school district.

Each year the operational costs of this district must rise. There are more children enrolled, consequently, more tax dollars are required. Her is an opportunity to give the taxpayer some relief from this ever growing financial obligation.

In this school district the residents living south of Howard vote at the Niles Village Hall located at 7166 Milwaukee Avenue. The residents living north of Howard will vote at St. John Brebeuf School located at 8301 Harlem Avenue. Polls will be open from 6:00 a.m. to 7:00 p.m.

7 Residents Were T.B. Patients in 1959

Seven Niles residents among 130 north suburban residents were hospitalized with tuberculosis during the year 1959. The cost of hospitalization was \$16,236 for the seven Nilesites, according to the latest report from the Suburban Cook County Tuberculosis Sanitarium District. Money contributed to the TB charity Foundation issued for the costs of this hospitalization.

Each year the General Federation of Women's Clubs and the Sears Roebuck Foundation jointly sponsor a Community Achievement Contest. The Woman's Club of Niles won honorable mention for their entry in the Tenth District of the Ill. Federation of Women's Clubs.

The following are the state winners of the contest: 1st-Wheeling Woman's Club, 2nd-West Frankfort Woman's Club, 3rd-Ryle Woman's Club, 4th-Jerome Woman's Club, 5th-Bellevue Woman's Club.

The winners were announced at the I.F.W.C. convention at the Sherman Hotel early in May. These entries will now go to the General Federation of Women's Clubs headquarters for the final judging.

The Woman's Club of Niles is the proud recipient of an achievement certificate presented by CARE (Cooperative for American Relief Everywhere). The award is presented for a notable public service in support of the General Federation of Women's Clubs CARE program through the state federation. The program helps needy people throughout the world.

My head spins with the flurry of two graduations, baccalaureate services, a prom and multiple family gatherings. So for this edition I must of necessity turn social editor and write of what has been all time consuming for yours truly.

East Maine Junior High School held their graduation exercises on Monday, June 6th amid a bevy of lovely new dresses and handsome new suits. Diplomas were handed out by Mr. JOHN PRESS, President of the Board of Education for School District #63 and Oakton Manorite. Many of the faces to approach him were neighbors. In addition to my son, TIM, some of the proud recipients were the CASS brothers, LARRY and PAUL, DICK COLOSUANO, CAROL CRAIGLE KATHY CURTIN, LYNN DEERING, MARILYN FORNALL, KATHY KOCH, the LAMBERTTWINNS DENNIS and PENNY, NANCY MCGREGOR, KAY DILSON, PAM ROTH, ROGER SABERSON, NORMA TRYBUS and CHUCK WIERCINSKI. The entertainment consisted of the entire graduating class rendering three lovely selections: One interesting side-light of note was that the most popular names for girls the year these children were born were KATHY and CAROL for girls and for boys MICHAEL and James.

One of the thrills of the week for me was seeing my son, BILL, in his first tuxedo. How strange that simply by the wearing of such apparel, the untidy, lumbering hunk of male is magically transformed into a suave, man-of-the-world, handsome gentleman. It is just one more not too gentle reminder that your little boy is a man and leaves Mom with a misty eye as he departs to pick up that special date.

In our generation prom night was a fairly established tradition of dancing to a name band at a popular room in one of the downtown hotels with a late supper at a well known bistro with probably more dancing to a small combo. Today the kids want something different. Following the prom in the past few years it has been popular to take a train in the very early morning hours to some distant picnic spot where activities are continued the entire next day.

This year one party of the Maine Township High School graduates devised an outing they felt was new and different. After the prom held in the school cafeteria, which was elaborately transformed into a garden scene, a floorshow which included a top award winning barbershop quartet, a male and female vocalists and fireworks on the school grounds, ten couples made tracks for the Monroe St. cruises waited to take them out into Lake Michigan for a front-a-distance view of the Chicago skyline. The couples included JOHN PHILLIPS and JUDY JOHNSON, RON KULLICK and GAYLE BLAKER, TIM AUSTIN AND DENISE MC ENERNEY, BOB MISENER and SALLY SCH-

OZANAM ELEMENTARY SCHOOL, PROJECT - G. ARCHITECTS & ENGINEERS

District 63 Votes On New School June 25

The Board of Education of East Maine School District No. 63 is holding a bond referendum on Saturday, June 25, seeking permission to issue \$350,000 in bonds for the purpose of constructing a new seventeen room elementary school to be ready for occupancy by February 6, 1961.

The building which has been temporarily named Ozanam Elementary School will be located two blocks north of Dempster Street and four blocks east of Washington Road on a site owned by the school district. The building will contain fifteen regular classrooms. The two story structure has provisions for additional classrooms and a future all-purpose room.

The polls will be open from 12:00 noon until 7:00 P.M. on Saturday, June 25. Niles polling places have been designated as follows: Ballard School, 8320 Ballard Rd., Niles 48, Illinois. For those living north of the

center line of Dempster Street and west of the center line of Milwaukee Ave., and also that part of School District No. 63 lying south of the center line of Dempster St., and west of the center line of Cumberland Avenue.

Oak School, 7640 Main St., Niles 48, Illinois, for those living south of the center line of Dempster Street and east of the center line of Cumberland Avenue.

"Members of the Board of Education have been attending home owner meetings throughout the district to explain the need for the new school", said E. W. J. Bagg, Superintendent of Schools. "It is imperative that the district support each step of the long range plan of the Board of Education if an adequate educational program is maintained. We urge all citizens to vote for this proposition for the welfare of the children in the district."

KIRK LANE REVIEW

The May 20th meeting of Kirk Lane Community Org., was held at the village hall at 8:15 and was called to order by 1st Vice President William Zemos. There were forty members present to hear a report by Mr. Ben Sosnowski, regarding the future of multiple dwellings in the village of Niles. He stated that the future of multiple dwellings in depended a lot upon the new zoning plan that is being formulated and is to be presented to the voters at some future date. Read the "Bugle" for more details, and go to the meetings to show your interest in this important item affecting all of Niles.

There will not be a meeting in June, but the next meeting will be in September on the sixteenth which is the third Friday of the month, at which time we expect to see many of our friends and neighbors. The cost to belong to such a worthwhile group is only one dollar per family, and our Secretary, Don Kitzing, 7737 N. Nora, will be glad to issue you a membership card any time you wish to contact him and pay the "Buck".

Doughnuts and pop were served as refreshments at the end of the meeting, which adjourned at 9:55 P.M.

We presented a movie on bowling for the men, and a movie on painting and decorating for the ladies. They were very well liked and we will have other interesting movies at our future meetings.

The Kirk Lane Community Organization is not political but a civic group that is always working for the betterment of Niles.

The advent of village managers and specialists in planning and zoning and other municipal problems, all are indicators of the change in the local body politics. No longer are these corporations, which spend from \$500,000 to well over a \$1,000,000, going to be operated "by ear". The era of the specialist, who is employed to run large corporations, is now upon us. The employment of specialists can only be employed

by enlightened officials. Thus, with the change from the old well-entrenched machines to that of novice theorists, with their specialists, will come the new era of the sixties.

The sixties will be the era of enlightenment.....the era when Niles Township will begin to catch up with their Maine Township neighbors.

This major upheaval will not only result in the Niles-Township era catching up with her neighbors to the west, but likely seeing the MG-Niles-Skokie a-

Letters To Editor

The Niles Park board was approached approximately two years ago by our organization regarding the need for a park in our area. Efforts were made at that time by the Board to acquire approximately three (3) acres for a park in the vicinity of Jonquil Terrace and Waukegan Road. Lacking the necessary funds, the Park Board was unable to either purchase or possibly acquire it through condemnation proceedings. The Board informed us that it operates on a yearly budget and, little if any funds are available for land purchases. They indicated the only possible way funds could be obtained for park site purchases would be by referendum.

Further negotiations for acquisition of said land, of course, was ended when the Board presented plans for a fifty - two (52) acre park site at Oakton and Waukegan Roads. It is, of course, a matter on record that the necessary referendum was defeated on October 24, 1959. Since that time, we have not heard, nor approached, the Park Board regarding our ever present need for a small park because we felt this also was a matter of record. We, therefore are writing again to call this problem to your attention. Since plans for acquiring a Youth Center in the Village of Niles through the joint effort of the Park Board and committee of village trustees are being prepared, a referendum will no doubt be required. We request that when such a referendum is presented to the people of Niles, it be worded to indicate that a portion of the funds

be used to obtain, by whatever means necessary a park site of approximately five (5) acres in the vicinity of Jonquil Terrace and Waukegan Roads.

We make this request because this is about the last available piece of vacant land in our area because our children desperately need the recreation facilities, because our area is one of the oldest in Niles without so much as a "tot lot" for a park, because the additional cost of five acres should be a small portion of the total referendum, and because your Board, as was mentioned earlier, had advised that this is the only means by which they could provide a park site because of the lack of funds for such a purpose.

Gentlemen, your cooperation in this matter for the last two years has been most appreciated. We trust all of your efforts have not been in vain and you will find it possible to provide the children of our area with the park facilities they have so long needed.

June 3rd, Bruce Friedman hit 3 home runs against the Pirates, and Ricky Simone batted in 12 R.B.I.'s. A grand slammer was hit by Ricky Simone on June 9 against the Redlegs. The Dod-mighty proud of these boys.

June 2nd, the Orioles, behind the 4 hit pitching of Kenny Baschleben, defeated the Indians 16 to 8. June 7th, Bob Deegan pitched an 8 hit game defeating White Sox 6 - Orioles 10. June 8th, the Orioles defeated the Senators 13 - 12 on Bob Schultze's second home run of the night with two men out and one man on in the last of the 6th inning. In this thrilling game, the lead changed five times.

May 31st, Cubs opened the season by defeating the Cardinals 4 - 1. Ronnie Baczurik pitched, allowing only 2 hits and striking out 17 batters. Home runs by Glen Kemp, Ronnie Baczurik, and a triple by Joe Roppolo accounted for the scoring. June 6th, the Cubs got their second win defeating the Pirates 7 - 3. Glenn Thompson was the winning pitcher, allowing 3 hits and striking out 14 batters. Hits by Joe Roppolo, Mickey McCabe, Dave Schmidt, Glen Kemp, and 2 hits by Ronnie Baczurik collected all the runs.

Mr. L. Doud, manager and his assistant, Mr. Olson, deserve a lot of credit for the wonderful job done with a bunch of ten year olds on the Athletics team.

NILES BASEBALL LEAGUE Peanut Division

Park Softball League Begins Play

The Niles Park District 16th softball League got underway to a successful start Tuesday June 7th at the Notre Dame High School diamonds, where all of the games will be played this year.

In the opening game of the evening the Oakton Manor Civic Association behind the six hit pitching of "Ginger" Troiani beat the NAC 10 to 5 in a well played game.

On Wednesday evening the Breen Street Bombers bombarded Lehigh Auto Construction 22 to 14. Five home-runs were hit by the Bombers with left fielder Don Schriener getting two.

In the game between the Dude Ranch and the Niles Youngsters, on Thursday, the Dudes who showed the Youngsters, a thing or two about the game, came out on top by a score of 14 to 8.

The Niles VFW drew a tie.

Picture if you will a lavish spread with the rolling, rolling, rolling deck underfoot and you will understand that in spite of ravenous teen aged appetites there was still enough food left to feed twenty more hungry young people. Before the lake excursion talk to one of the above mentioned for some pointers. There were plenty of seaskip pills consumed so most of the party stayed on their own feet. Chaperones for the early morning cruise were Mr. & Mrs. RON PANKAU. It will be an experience much talked about by all participants for a long time.

On June 21 and 28 the final Bahai Faith Lectures will be held at Bunker Hill at 8:00 p.m. All interested persons are invited to attend. On the 21st, Harlan Scheffler will speak on the "Promise of All Ages", the lecture on the 28th will feature Laurence LaRocque speaking on "God's Plan for Mankind". No charge for the lectures and the speakers are outstanding in their field.

To follow an established pattern, I close with a thought for the day. The trouble with most of us is that we would rather be ruined by praise than saved by criticism.

St. John Brebeuf Women's Bowl Review

by MRS. E. GALLAGHER

The St. John Brebeuf Ladies Bowling banquet held recently at Petricca's brought its third bowling season to a close.

Three years ago, the ladies organized the league with Willie Arndt, Lyle Hammerberg, Agnes

Dyer and Dee Hlava. Through the officer's effort and the help of the new officers last year: Dot Warmann President, Eleanor Gallagher Secretary, and Audrey Sedorchuk Treasurer, the league has emerged to be one of the smoothest running and largest leagues at Niles Bowling Center. From the amount of laughing, yelling and oh's that goes on, it goes without saying that these bowlers are enjoying their night out.

On June 2nd, The Sunshine's Restaurant Team of the league were officially champions. Mr. Charles Stevens of Sunshine's Restaurant accepted the trophy. The ladies on the winning team were: Hazel Brunkhorst, Jackie Moore, Jean Reninger, Eleanor Gallagher, and Dee Farina. Individual ruby-rose-marble-trophies were awarded to the team.

High scratch-game award went to Dee Farina with a 243, who also received the W.I.B.C. Pin and a two step white marble trophy.

A four inch, silver speckled bowling pin with a pennant saying "PERFECT ATTENDANCE" was given to twenty-two bowlers:

Jean Krol, Irene Ebert, Mary Ann Gatto, Dot Warmann, Willie Arndt, Lyle Hammerberg, Lou Davis, Frankie Komer, Phyllis Filiptak, Bernadette Foley, Irene Sorrentino, Lou Porazinski, Elizabeth Parrish, Phyllis Bublely, Audrey Sedorchuk, Ann Perion, Rosemary Wilkins, Pat McInerney, Millie Hanahan, Vi Leitner, Bunny Chiappe, Eleanor Gallagher.

This is almost impossible but true: Lou Davis, of Pilot Fuel And Oil has had three years of this coming year and maybe the league will consider giving you a trophy or a special award for four years of perfect attendance.

The achievement award was won by Irene Ebert of Lehigh Auto Construction, who started with an average of 90 and finished with 116.

Mae Spitscausky and Dee Hlava took the two booby prizes for their game on sweepstakes night.

Niles Pony Team Beats Glenview

Sunday, June 5, the Niles Pony Grad team started off their thirteen game schedule with a victory over the Glenview nine in a contest at Glenview. Niles rallied in the first inning for four runs and again in the second to force five more across the plate. The cake was then frosted by another run in the third and two more in the seventh to bring Niles' total runs to twelve. Glenview was held to only two hits and one run by the magnificent pitching of Ed Sabey. Sabey was backed up by beautiful fielding all around the diamond. Niles will next encounter Prospect Heights on their home battlefield at Waukegan and Oakton. The team will then hit the road again to meet McHenry the following Wednesday, June 15. Come on out and cheer the boys on.

Mr. & Mrs. V. Remitz of 8357 Oketo, are proud to announce the birth of their daughter Carol Cathleen, who was born at Resurrection Hospital on June 6, 1960. Carol weighed in at 9 pounds.
