From The Left Hand

Bob Wente's basement was party headquarters Tuesday night for the New Era Party. We first went down in to the basement after five precincts had been marked on the blackboard.

But the victory celebration was so unlike any Niles had ever seen. Tears filled the eyes of many of the wives present and the victors were in a semi-state of shock.

By 8 o'clock the newly-built recreation room began to fill with the workers. There were five precincts listed on the blackboard to the right of the entrance to the room.

Then, as the basement room continued to fill and the precincts began to roll in the success of the campaigning was obvious.

Blase stood, cigar in hand and thanked everyone. "I'm speechless," he said, "and then after a pause thanked his workers and promised all the party's pre-campaign pledges would be fulfilled.

By now there was lots of hugging, a few well-planted kisses, and tears...just loads of tears. Merilyn Wente was back in the

New Era Sweeps Niles

Independents Beat Three Machines

Nick Blase and his NEW ERA Trustee Candidates Ken Scheel, Bob Wente and Len Szymanski, swept to victory Tuesday night in the greatest political upset ever seen in Niles and Niles Townships.

The unprecedented New Era "sweep" ended the 20 year reign of Mayor Stankowicz, head of the Democratic organization in the Niles Township half of Niles.

Nick Was Speechless...And There Were Tears

In Bob Wente's basement, 8312 Oleander, New Era Party's headquarters, only Wente, his wife Merilyn, Ken Scheel and campaign manager Bill Zimos were manning the post at 7 p.m.

The first hint of things to come was a report that NEW ERA had won the straight tickets in Oakland Manor, a supposed stronghold of ACTION candidate John Stanley.

By 8 o'clock the newly-built recreation room began to fill with the workers. There were five precincts listed on the blackboard to the right of the entrance to the room.

Blase stood, cigar in hand and thanked everyone. "I'm speechless," he said, "and then after a pause thanked his workers and promised all the party's pre-campaign pledges would be fulfilled.

Will Lead Niles Into The New Era

At about 11 P.M. Tuesday night Niles New Era village clerk candidate Marge Lieske, new trustee received the final word, precinct returns Len Szymanski, new trustee Bob Wente and campaign manager Bill Zimos.

Table with columns for Precincts (1-20) and Total. Rows include PEP PARTY, NIP PARTY, ACTION PARTY, and NEW ERA PARTY candidates.

PRECINCT 1; located at 7000 Newark Avenue, PRECINCT 2; located at Village Hall, 7166 Milwaukee Avenue, PRECINCT 3; located at Bowling Center, 7333 Milwaukee Avenue, PRECINCT 4; located at 7033 Jonquil Terrace, PRECINCT 5; located at 7045 Oakland Street, PRECINCT 6; located at 8001 Waukegan Road, PRECINCT 7; located at St. John Brebeuf School, 8201 Harlem Avenue, PRECINCT 8; located at 7252 Greenleaf Street,

The startling upset was unbelievable because of the decisiveness at which the non-professional swamped the "pros". The New Era Party won 14 precincts out of 20 and Blase, low man among the four winning candidates on his ticket, received 700 votes more than Mayor Stankowicz, who finished second in the four-man Mayor race.

New Era's great strength was in several precincts. At St. John Brebeuf, Ken Scheel received 285 votes to lead his party in a romp over their opposition. Stanley polled 184 votes, Mayor Stankowicz had 123 votes and Ciccone received 29 votes.

New Era was invincible north of Oakland Street, winning every precinct to the north. Stanley squeaked thru at Walt's Mobil Station on the southeast corner of Milwaukee and Oakland. Stankowicz won the Jonquil Terrace poll at Flores's Sinclair Station across the street. Stankowicz also won the polls at the St. Andrews Home for the Aged at 7000 Newark, as well as the polls at the Village Hall, Niles Bowl, 7045 Oakland Street and the Jonquil Terrace poll.

Trustee candidates Ken Scheel, Bob Wente and Len Szymanski led their Mayor candidate in every poll. In contrast, Mayor Stankowicz and Trustee Stanley led their tickets in the voting. Ciccone trailed his running mates by a slight margin.

Motor fuel tax money returns helps to build new streets as well as improve old ones.

By supporting your Niles Gas Stations, state tax money spent there is returned in part TO NILES to be used for streets, and sidewalks also curb improvements.

AS AN EXAMPLE.. Oakton Manor and Grennan Heights residents both received about 33% reduction in their street assessments due to the applying of motor fuel tax money returns to the construction of streets IN NILES.... one more example example why "it's good business to do your business in Niles..... ## CHATTER MATTER

by GURDIT SCHREIBER  
10-1-988

This week, my first item is half happy and yet half sad, I would like to congratulate Rev. James E. d'Autremont, C.S.C., the principal of Notre Dame High School for Boys, on his Silver Sacrodotial Jubilee, which he will celebrate on May 21. Then on behalf of his students, their parents and all the people of Niles, who have loved and respected Father for his wonderful understanding of our sons, I must say good-bye. At the end of the school term, Father will be transferred. When he leaves, Notre Dame High School without Father d'Autremont will be like Notre Dame University without Knute Rockne. "It's been an honor knowing you, Father, may God Bless you and keep you well".

Speaking of priests at Notre Dame, have you seen Father VAN and Father CORMIER lately? Since they've gone on liquid diets, they sure are streamlined! You both look wonderful.

Miss DARLENE CONGUI, the daughter of Mr. & Mrs. FRANK CONIGU 8025 Oconto was rushed to the Lutheran General Hospital last week for observation. She should be home by now and speedy recovery wishes are sent her way.

Mrs. THOMAS CARABINE, of 8246 Wisner, has been ill for some time and will have to spend the next few weeks in bed, I'm sure she would enjoy getting your notes and get well cards, so how about filling up that mail box of hers. Mrs. CARABINE is known to all the ladies of St. John Brebeuf parish as chairman of the school committee and she certainly did a wonderful job.

More blood donors are still needed to replace the blood given to Mrs. AUG SCULLY at Mayo Clinic. So if you haven't done your good deed for the day, here's your chance. Call either Resurrection, St. Francis or Lutheran General Hospitals, for an appointment. It doesn't hurt and only takes a half hour. Be sure to give Mrs. SCULLY'S name and her clinic number, which is 2-340-514.

Our deepest sympathies are extended to Mrs. EARL CAMERON, due to the recent death of her brother-in-law.

Condolences are sent to the family of Mr. OSCAR PETERSON who was buried on April 28. Although Mr. PETERSON was not a Niles resident, many people

## "Babes In Arms"

Getting ready for the presentation of "Babes In Arms" which was held last weekend at Notre Dame High School for Boys are Nilesites L. to R. Brian Mulcrone, 7306 W. Lill, Niles, Norb Bora, Tim Franta, Pamela Yost, and Tom Wagner, 7505 Main, Niles.

## Announce Litterbug Winners

The Grennan Heights Garden Club of Niles is pleased to announce the winners of their Litterbug Poster contest. It was very difficult to make the final choices as there were so many excellent entries by the children. Niles is lucky indeed to have so much budding talent.

The winners from St. John Lutheran School were: Nadine Asher, 7006 Howard, 1st Place; Janet Ottow, 7434 W. Jonquil Terrace, 2nd Place; and Marlene Miloch, 7542 Cleveland, 3rd Place.

From St. John Brebeuf, the winners were Gary Davis, 6955 Madison, 1st place; Mary Carleen Borth, 7805 Monroe, 2nd place; and Cynthia Dvorak, 8105 Wisner, 3rd place.

Niles Public School winners were Karen Jariaska, 7125 Keeney, 1st place; Cary Obrochta, 6927 Oakton Ct., 2nd place; and Richard Gauthier, 6825 Keeney, 3rd place.

Those winning at Oak School were Peter Baffes, 8242 Oconto, 1st place; Keith Pacheco, 2nd place; and Nancy Christiansen, 3rd place.

The awards to the winners will be made at 3 p.m., Saturday, May 13, at Oak School, 7640 Main.

## The Niles Bugle, Thursday, May 11, 1961 May 19 Registration For District 71 Summer School

The Board of Education has again approved the operation of a summer school program for the children of district 71, in Niles. As in the past, the primary purpose of this summer program is to provide an opportunity for additional help in basic subject areas to youngsters who are in need of more individualized attention, or who want to improve their basic skills.

Registration will be held during the day of May 19, 1961, between 9:00 a.m. and 12:00 p.m. for students enrolled in the Niles Public School. Registration will not be accepted after May 31st, 1961. This deadline must be observed in order that the staff can be secured and instructional material ordered. Registration for non-resident students will be held June 1, 1961, between 9:00 a.m. and 12:00 noon.

knew him as the kindly gentleman who was in charge of wardrobe checking at Bunker Hill Country Club.

Mr. & Mrs. AL GRUENEWALD were certainly surprised on Saturday, April 29, when about 40 of their friends got together to help them celebrate their 5th wedding anniversary. Although April 18 was the day they exchanged their "I Do's", they had to wait until the 29th for their special Mass of Thanksgiving to be said at St. John Brebeuf Church. Their friends attended Mass with them and then AL and BERNICE and their son JIM and daughter BARBARA, were guests of honor at a special luncheon. They were presented with a beautiful outdoor statue of the Blessed Virgin, as a remembrance of their Silver Wedding Anniversary. The only thing the GRUENEWALD'S felt sorry about, was that their oldest son RALPH could not join them for the celebration. He was busy on that day, studying at the Illinois University.

Congratulations to Mr. & Mrs. PETER D' ORAZIO, 7323 Lill St., on their 15th wedding anniversary, which they will celebrate on May 11.

One of the happiest set of parents I talked to last week, were Mr. & Mrs. RUS THEIS. The reason for their happiness was due to the unexpected visit from their son RON, who lives in Denver. Soon as RON was told that his vacation was to begin, he immediately left for Niles. He didn't even have time to tell the folks that he was coming home, so his visit was a surprise. With all his friends coming in to see him while he was home, it was like having an all week open house. Now that he's gone again, the family is back to normal living.

Related birchday greetings are sent to Mr. JERRY MATAYKA, who was 16 on May 6, Happy Birthday to; Miss JANICE BRAVIERI will be a Teen on May 11, Mr. TOM PAPPAS will celebrate his 15th birthday on May 11, Miss BERNADETTE D'ORAZIO will be 9 on May 18, Mr. BILL DRESSEL, Jr., will be sweet sixteen on May 18. The BEIL twins, MARY ANN and MONICA will have their 9th birthday on May 19. Little JOYCE HASCHAK will be 2 on May 23. We're going to have a special birthday cake at our house on May 13th and it will have 2 Bugle's lit on it, because that's the second birthday of Chatter Matter, I think we'd have more fun if a certain editor and a certain columnist got lit instead.

May 17 is the date to mark on your calendar. That's the day of the Kiddie Carnival, which will be held at the St. John Brebeuf School. An invitation is extended to the parents, families and friends of the school children, for a day of fun. The ponies will be there to ride, there will be games to play and refreshments will be served.

Calling all Niles Teens! The Niles Teen Dance Club will have their third annual spring dance on May 26, from 8:00 p.m. to 11:30 p.m. at the Bunker Hill Country Club, 6635 Milwaukee Ave. Free tickets to the dance may be obtained at the regular Friday night dances at the field-house, or at my home, 8236 Osceola Ave. You must have a ticket to be admitted. At this dance, our Rock & Roll Champs for 1961 will be crowned. The couples competing will be Miss MAUREEN ANGER and Mr. JERRY JAMES, Miss JUDY LIMOSANI and Mr. DICK COLASUONO. Miss EVELYN BROCCOLINO and Mr. BILL DRESSEL Jr. Miss CHRISTINE KARPINSKI

and Mr. GEORGE TARSIANO. Miss JOAN BARTHOLOMEI and Mr. JOHN KELLY.  
"Bernie and the Rejects" will play for dancing. Refreshments will be served and prizes awarded. The Niles Teen Dance Club is sponsored by the Niles Park District.

**CRABGRASS**

**Kill ugly crabgrass this weekend with VOID**

**BEFORE** it seeds to start another crop  
**BEFORE** it chokes out and ruins your lawn  
**BEFORE** it steals nutrients—starves grass

Kill crabgrass now—because in 4 to 6 weeks it will ripen and drop hundreds of tiny seeds into your carefully tended lawn. Kill it now—before it creeps and prospers to make your proud lawn a neighborhood eyesore. Kill it now—with VOID—before it starts a bigger crop, grows tough and tank. VOID has up to 32% more crabgrass-killing power than similar compounds. (It's safe for children and pets to play on a VOID-treated lawn.) Ask us for VOID—another money-back guaranteed product from IMC.

**HERE'S HOW TO CONTROL CRABGRASS**

1. Mow lawn no shorter than 1 1/2 inches — to keep soil shaded and cool, discourage crabgrass germination and growth.
2. Fertilize lawn at regular intervals so healthy, well-fed grass can crowd out crabgrass.
3. Always water-soak to 3- to 4-inch depth to promote deep-root lawn growth, defeat crabgrass.
4. Because early spring controls can miss many crabgrass seeds; apply VOID now — kill growing crabgrass 100%!

## DOING BUSINESS IN NILES HELPS FINANCE STREET IMPROVEMENTS

Motor fuel tax money returns helps to build new streets as well as improve old ones.

By supporting your Niles Gas Stations, state tax money spent there is returned in part TO NILES to be used for streets, and sidewalks also curb improvements.

AS AN EXAMPLE.. Oakton Manor and Grennan Heights residents both received about 33% reduction in their street assessments due to the applying of motor fuel tax money returns to the construction of streets IN NILES.... one more example example why "it's good business to do your business in Niles..... It Makes Good Sense... and Cents."

## WHEN YOU DO BUSINESS IN NILES.....

Sales Tax Money comes back to serve you.....1/2 cent of every dollar spent IN NILES is returned TO NILES.....

AS AN EXAMPLE.... Sales Tax returns can purchase new sidewalks and a street lighting program for Niles.

.....one more example why "it's good business to do your business in Niles..... It Makes Good Sense.. And Cents."

### Questions Questionnaires

Dear Mr. Besser:

I understand that our newly elected Mayor was so interested in our Police Department that he sent out questionnaires to all the men, asking them to spell out any complaints that they have about the department. They were asked not to sign their names, as it was assumed the letters were to be held in strict confidence.

Most of the comments were that Mr. Blase's promises of a "New Era" might really be something to look forward to. But then, as usual, the tongues started wagging and someone came up with the idea that the paper sent out by the Mayor was coded, so even though the person did not sign his letter, his name could readily be found through this so called code. Well, as might be expected, everyone started checking his paper and a lot of possible "coded" marks were found. Needless to say, the men thought this rather underhanded, not to mention the fact that a lot of confidence the men had in him was to be questioned. Are the comments the men made in supposed confidence to be used as a club? Certainly you could not expect the men to put down their real feelings with this hanging over their heads. It would seem then, that the questionnaire was a waste of time as the true feelings of the men will not be expressed.

My question is, is this a false rumor and are some people so suspicious, or is it true? As a citizen of Niles I would certainly dislike seeing this type of procedure in our Niles Police Department. (Has O. W. Wilson been seen in our town lately?)

I therefore send you this letter hoping you will look into the matter. I may be told that the above mentioned material may be none of my business, but being a very interested citizen in Niles and hearing my neighbors talking about this I feel it should be brought out into the open. I have always been proud of the Police Department here; it seems where ever you look, you see a Police car patrolling, doing a good job in keeping our town a safe place. I would hate to see this changed by some "Wilson type" tactics.

I wish you luck in your findings and I hope they are negative. If he would do this to the Policemen, what would he pull over the eyes of the people of Niles?

"A citizen of Niles"

### Redistricting 13th Congressional District

Dear Mr. Besser:

The matter of Congressional redistricting is coming to a head. In the next few weeks the State Legislature will create 24 new districts out of the present 25 districts that Illinois now has.

I hope that in response to my suggestions that the voters of the present 13th Congressional District have informed their State Representatives and State Senators of the need for two new districts to be formed out of the present 13th District. This is true because the population of the 13th District is more than 900,000 and the average population of the new districts that are going to be formed will be 420,000.

So if you haven't as yet written be sure to write your State Representatives and your State Senator and tell them that you are concerned with getting fair representation in Washington. Tell them that the new Congress-

## Nurses Become Models

These Misses Arleen Brvenik and Paula Weise, Niles, student nurses at Lutheran General and Deaconess Hospitals School of Nursing modeled their own creations at the recent fashion show "Suddenly Its Summer" given by the class of 1963. Miss Brvenik wore an original orange evening gown and Miss Weise modeled an original balloon dress with can-can slip.

The students modeled stunning fashions supplied through the courtesy of The Mayfields Store, Park Ridge and Des Plaines, to a capacity crowd. The audience enthusiastically admired the high-style fashions as supplied by Mayfields and joined in the spirit of fun as the students modeled their original creations, spoofing today's fashions.

The fashion show was followed by refreshments, served in the Nurses' Residence.

## Hold Next Garden Club Meeting Wednesday

The next meeting of the Grennan Heights Garden Club of Niles will be held on Wednesday, May 24 at 8:00 p.m. at Bunker Hill Country Club, 6635 Milwaukee.

The speaker for the evening will be Mr. Carl Klehm of the Klehm Nurseries in Arlington Heights. Mr. Klehm will present an interesting film on landscaping, and there will be a question and answer period following. All members of the club are urged to arrange for baby sitters for that night so their husbands are free to attend the meeting also.

The hostesses for the evening will be Mrs. William Leidner, 8309 Oleander, Mrs. Frank Luecker, 8353 Olcott, and Mrs. John Peterson, 8322 Oleander. The shadow box arrangement will be made by Mrs. Clinton Sipe, 8130 Osceola.

The club has the pleasure of announcing the following new members: Mrs. Roy Kwolek, 6963 Cleveland; Mrs. Ernest Vehrs, 7115 Keeney; and Mrs. Anton Frange, 7119 W. Keeney.

This will be the last meeting until September and all interested home owners are cordially invited to attend. Membership in the club is open to all Niles residents; meetings are held the fourth Wednesday of the month at 8:00 p.m. at Bunker Hill Country Club.

Winners of the club's recent flower show will be announced at a future date, and the club wishes to thank all those who attended and made the show so successful.

# Edna Reviews History Of Niles Citizens Committee

Though the first productive steps were taken two years ago toward the formation of the Niles Citizens Committee, there are still those who ask, "What is the Niles Citizens Committee?"

Reams of letters and publicity have been written since then and since this spring marks the anniversary of its beginning, it is appropriate at this time to relate the history of its brief existence and what the Committee has accomplished.

For years citizens interested in the progressive development of the Village of Niles recognized the problems presented by geographical divisions of townships, school districts and the peculiar elongated proportions of the village boundaries. It had been the general consensus that if unity of thinking and actions could be brought about these problems could be overcome.

Because of a national contest sponsored by the General Federation of Women's Clubs and the Sears, Roebuck Foundation the Woman's Club of Niles undertook to establish the Niles Citizens Committee. Letters were sent to many clubs and civic organizations in Niles inviting them to participate in the work of the Committee which could be summed up in three words; UNITY OF PURPOSE. The response was both immediate and gratifying and the first meeting was held on June 30, 1959.

The first proposal brought to the attention of the Committee was that of a community center for Niles. There was a vital need and much interest on the part of all members of the committee, but because of the tremendous cost and the rapidity with which the issue was brought to referendum election two attempts were doomed to failure. The establishment of a center has not been abandoned, however, and perhaps with a proper presentation, the Niles Citizens Committee will be able to support unanimously a future proposal.

By November 1959 a committee was appointed to establish the permanence of the Niles Citizens Committee through adoption of by-laws and application for a State Charter. The permanent by-laws were adopted at the meeting on March 11, 1960 and a request for a charter was made. A certificate of incorporation was received and as of May 3, 1960 the Niles Citizens Committee was recognized by the State of Illinois.

The next major issue to come before the Committee was the problem of the alarming influx of multiple dwellings being built in Niles with the resulting tax burden on the individual single family homeowners. Through the Committee petitions were circulated protesting the granting of a disproportionate number of building permits for dwellings of this description. The zoning board upheld the wishes of the people but their decisions were reversed at the village board level. This disdain on the part of village board members might well have been a contributing

factor in the outcome of the recent election. This plus unnecessary delay in adopting the zoning ordinance prepared by a city planner, hired at great expense, despite continued requests from the Citizens Committee has shown that an awakened and interested citizenry is concerned with the administration of its village government.

Another point with which the Committee is elected to concern itself is the study of the possibility of bringing Niles under one school district. It is understood that this might not be a wise proposal but all of the facts will be studied and weighed before any action is taken. The Committee's concern is what is best for the majority of the residents of the Village of Niles.

The question has often been raised, "Is the Niles Citizens Committee shown recently from Niles Days was voted to their treasury. A \$5,000 membership fee is contributed currently

Committee a political organization?" The answer to this is an unequivocal No. Its by-laws specifically state: The Chairman shall not hold elected public office or campaign for same during his or her term of office. The Committee wishes only to stimulate the people of Niles to an awareness of what is happening in our village and to present both sides of any issue in a fair and unbiased manner.

When it was brought to the attention of the Niles Citizens Committee that the persons serving as members of the annual Niles Days Committee were protected by neither by-laws or charter, proposed by-laws were submitted and subsequently adopted.

Many organizations have availed themselves of the service of the Committee to prevent a conflict of timing of events and use of facilities by checking first with the catalog of current activities kept by the secretary of the committee.

by each member organization which covers the cost of minor expenses. The \$500 will be used to pay the cost of printing and mailing of literature on issues on which presentation of important facts must reach every homeowner.

The Niles Citizens Committee meets the fourth Wednesday of January, March, May, July, September and November. These meetings are held at the Village Hall, Touhy and Milwaukee at 8:00 p.m. and are open to any resident of Niles. The next meeting will be held on May 24th at which time election of new officers for the coming year will be held. Any resident interested in the work of the committee may serve as one of its officers, chairman, vice-chairman or secretary-treasurer.

The Niles Citizens Committee is here to stay and you are invited to become an important part of its work. Come to the May 24th meeting and be an informed member of your community.

## Ilg Park YMCA Sky Valley Camp Opens June 26

"The Sky Valley Camp, operated by the Ilg Park YMCA will open on June 26th," M. Marvin Lotz, Executive Secretary announced this week.

"Swimming, campcraft, nature fun, archery, trips, games, and sports and stories will all be a part of the regular program," Lotz said. "Camper's will be picked up each morning, Monday through Friday near their homes and returned by chartered bus."

"One day each week will be devoted to a trip to a place of interest. Swimming periods will include instructions as well as fun time and will be held in the

New Park Ridge YMCA pool. Weather will not be a problem Lotz said "for the beautiful Park Ridge Y pool is an all weather pool where rain or cool weather does not interfere."

The Sky Valley Day camp will operate for two week periods. A parents nite will conclude each two week period.

Harold Rohlfing will again direct the camp with the help of mature, college level counselors, trained and experienced in youth work.

"A special Open House for all

interested parents and children will be held on Sunday, May 21st from 2-4 p.m." Rohlfing said. The well known leaning tower of Pisa at 6200 Touhy Ave. will be opened so that children accompanied by their parents may climb it if they wish. Slides of last year's activities will be shown and representatives of the 1961 staff will be present to answer questions and show visitors around the day camp site. Refreshments will be served. Parents interested in knowing more about the day camp are invited to call the YMCA at N17-6161.

## Attend Park Installation

At Thursday night's park installation meeting in front row is retiring park board president 37 Nilesites were on hand to welcome Niles new park board at the Grennand Heights Fieldhouse.

## Elect Miller Orphan Letter

Continued from Page 1-  
The board, He noted that the three men had been "part and parcel of the board since its inception" and "we are going to lose a great deal of experience as the result of their departure."

The new board then elected Miller as president and Ray Eagan as vice-president of the park board for the coming year. Miller then appointed the following committees: Recreation, Panderas-Chairman, and Schreiner; Building and Grounds, Leske Chairman and Eagan; Appropriations, Schreiner-Chairman, and Eagan; Purchasing, Miller, Chairman and Panderas; Safety and Police Protection, Eagan-Chairman and Miller. A new committee headed by Leske would handle public relations.

After the appointments the park board approved a motion by Eagan disbanding the office of police chief from the park district. It was unanimously approved.

Miller, speaking to Jacobs, who had retired to the audience, explained that the office did contribute to past park district activities but it also contributed "difficulties". Miller said he knew the work which had gone into this job.

## Need Volunteers For Multiple Sclerosis Drive

Volunteers are needed for the 1961 National Multiple Sclerosis Hope Chest Door-to-Door drive, June 5 through 9 throughout the Chicago and suburban areas, it was announced today by Irv Kupcinet, chairman of the Chicago Campaign.

Miss Lee Phillip, Chairman of the Women's Door-to-Door march announced that some of the volunteers from the Niles area are: Mrs. E. Adrianopoli 7149 Cleveland St., Mrs. T.D. Mamaglu, 8410 Bruce Dr., Mrs. E. Gackowski, 8126 Elizabeth Ave., Mrs. Lucille Relli, 8543 Carol St., and Mrs. W. S. Terpinas, 6938 Dobson St.

Multiple Sclerosis is a chronic crippling disease which disables young adults during what should be their most productive years. When MS strikes, its victims have it for life. It is the nations number one prime-of-life crippler.

## Lions Host Patrol Boys And Girls

Happy days are here again! Lions Cliff Eickoff and Marshall Spikings, heading the boys and girls committee of the Niles Lions Club, have announced all arrangements have been made to treat the patrol boys and girls of the Niles schools to the annual days outing at the Cubs baseball park.

On May 19, thirty-six boys and girls from the Oak School, district 63 and thirty boys from St. John Brebeuf Parochial School will be transported by bus to the ball park. On June 9, sixty students from Niles Public School district 71, will have their day. As usual refreshments will be served to our guests with the compliments of the Niles Lions Club.

AN ORDINANCE CHANGING THE REGULAR MEETING DATE OF THE NILES PARK DISTRICT, COOK COUNTY, ILLINOIS

BE IT ORDAINED, by the President and the Board of Park Commissioners of the NILES PARK DISTRICT, Cook County, Illinois:

SECTION 1: That heretofore, by administrative Ordinance, duly passed, the NILES PARK DISTRICT, Cook County, Illinois, has held its regularly stated meeting on the second Thursday of each month at 8 P.M., at the Greman Heights Fieldhouse, Niles, Illinois.

SECTION 2: That after due deliberation, the Board of Park Commissioners of the NILES PARK DISTRICT, Cook County, Illinois, has decided that it will be in the best interest of the public and best serve the proper dispatch of business if said stated meeting is changed.

SECTION 3: That said stated meeting day is hereby changed from the second Thursday of every month to the second Tuesday of each month, effective with the month of June, 1961.

SECTION 4: That the time and place of said meeting shall be as heretofore, namely, 8 P.M. at the Greman Heights Fieldhouse.

SECTION 5: That all Ordinances or parts of Ordinances in conflict with this Ordinance are hereby repealed.

SECTION 6: That this Ordinance shall be in full force and effect from and after its passage, approval and publication according to law.

PASSED this 16th day of May, 1961. AYES: 5; NAYS: 0; ABSENT: 0.

APPROVED by me this 16th day of May, 1961.

Bernard J. Miller, President, Niles Park District, Cook County, Illinois

ATTESTED and FILED in my office this 16th day of May, 1961, and published in the NILES BUGLE, a newspaper of general circulation in the Village of Niles on the 25th day of May, 1961.

Prepare Preliminary Plans For Maine Hi

The Maine Township High School Board of Education, at its regular meeting, May 17, 1961, directed the architect to proceed with preparation of preliminary plans for a third high school and for additional facilities at Maine Township High School West.

The third high school will be located in Park Ridge between Talcott Road and Devon Avenue, East of Des Road. To get optimum use of the 65 acre site, a campus plan will be developed. The school will consist of five units—all inter-connected. There will be a three-story classroom building, a vocational shop wing, a fieldhouse and swimming pool for physical education, a fine arts area with auditorium to seat 900 people. The library will contain audio-visual aids to learning in addition to reference and fiction books.

In response to a request from patrons in Des Plaines, the board added a field house for Maine West. This action was taken after school officials described the administrative and scheduling difficulties that result when the two schools are required to use the one field house at Maine East. Superintendent Earle W. Wiltsie explained that these prob-

lems will increase with the addition of third school. The West field house will accommodate 3,000 spectators for athletic events and 3,700 for mass meetings. It will be the only area at the West school that will be large enough to seat the entire student body at one time for conferences and assemblies. The field house will be located near the football field. It will contain at least four teaching areas for physical education, all provided with inter- and intra-mural equipment.

The architects were directed to design useable but economical facilities with no fancy frills at a total cost for the two pro-

Dashing Fashions At Maine East Friday

"Dashing Fashions on Parade" will be presented by the home economics department at Maine Township High School East in the auditorium at 8 p.m., Friday, May 26. Bill Clark will be at the electric organ, playing for the parade.

jects not to exceed \$8,800,000. The earlier estimated cost of Maine South was reduced by \$1,000,000 by the board. This was done by reducing the number of swimming pools from two to one, cutting auditorium seating capacity to 900 and placing this building on separate bid so it can be eliminated if bids are too high. In the first go-around, office space was reduced, some shops were eliminated and all departments were asked to cut space requirements. The physical education areas were drastically reduced.

Saturday, November 18, 1961, will be election day for the bond issue. The exact amount of the issue will be determined after the architects have time to develop revised preliminary drawings. The architectural firms of McCaughey, Erickson, Kristmann & Siewniewski, of Park Ridge, Illinois, and Caudill, Rowlett & Scott of Houston, Texas have been notified to proceed at once with the planning. They will

have a 336 page book of educational specifications to serve as a guide. This mimeographed document was prepared by teachers, administrators, parents and students. It suggests five guidelines for the designers to follow: 1. Make the library the center of learning. 2. Design a school for 3,000 pupils in such a way as to combine the benefits of smallness with those of bigness and reduce the disadvantages of both. 3. Adhere to the recommended standard ratio of 300 students to one counselor. 4. Design an economical, plain, simple structure. 5. Insofar as possible, the facilities in all three schools will be kept comparable.

ruso, 8236 Neva, Treasurer; and Henry Suppan, 7213 Lill, secretary. First on the agenda under the newly-elected President is to combat obscene literature in Niles. He stated that one of the obligations of a Holy Name mem-

ber is to combat the distributing of such literature in our Village. This type of trash is one of the real sources that develops juvenile delinquency. Delinquents are made-not born.

The solution lies with the parents and a strict enforcement of those laws pertaining to obscenity which already exist on our

Statutes Books. St. John Breuf Holy Name Society receives Communion in a body every second Sunday of the month with a meeting every second Monday after Benediction at 8 P.M. Every Catholic Man in Niles should be a Holy Name Man.

### Mayor Blase Answers "Citizen"

Mr. Bessert:

You can assure "A Citizen of Niles" that there is no substance to any rumors of coded questionnaires or any other such markey.

When we decided to attempt to pick a police chief from our own department, we knew full well that the element in Niles which would like things as they were would do constant attempts to undermine our efforts. Rumor spreading and other insidious actions are typical of the type of person responsible for this and more important to our Niles People, the type of government this person would represent.

Our actions at all times will be above board and open for full review by our citizenry. If at any time there is some problem bothering anyone, please feel free to call on me at the Village Hall Tuesday and Thursday, 8:00 to 8:00 P.M.

We hope you will all join with us today in working toward a better Niles for tomorrow.

Kindest regards,  
Nicholas B. Blase, Village President

### Editors Notes:

Mayor Blase's letter is in answer to a letter to the editor which appeared in last week's Bugle. The letter mentioned rumors in Niles which stated the police questionnaires had been coded for identifying purposes.

We received a letter from "A St. John Mother" this week. Unless the letter-writer sends us her name we will be unable to print the letter. Names of letter-writers will be omitted if requested but all letters must be signed.

### Niles Lions Annual Bowling Classic Comes To An End

The Niles Lions Club announced the conclusion of their 5th annual bowling classic which was held at Niles Bowl, in Niles, with 542 bowlers participating. The tournament extended over seven weeks, attracting bowlers from many of the surrounding suburbs and also a representative from as far south as Winter Haven, Florida.

Winners of the tournament will be announced as soon as the averages are verified by the various league secretaries, the Chicago Bowling Association and the American Bowling Congress. The first place prize is \$500.

The Niles Lions Club would like to express their gratitude to all of those who participated and extend their invitation for next year. The profits will be used for many of the Lion supported activities such as, the blind, physically handicapped, retarded children, etc.

## New Era Begins To Take Form

Continued from Page 1

Unanimous approval was given for the following zoning board appointments: Chairman, Walter Schroeder, term to expire in 1965; Kal Rowan, secretary, expiration 1966; Wilber Daniels, expiration 1966; Joseph Miller, expiration 1966; and William Zimos, expiration 1966. These men replace Richard Cass, Mr. Zimmelman, Edward Baumbler, Ken Scheel and Bob Wente. Blase said that Robert Franklin and George Brenner (both Stankowicz appointees and supporters) did not wish to resign.

Unanimous approval was given to the following new health commission: Dr. J. Podgers, chairman; Dr. Jacobson, George Gauthier, Anthony Guaraccio, and Ray Wilkins, Wilkins was appointed temporary inspector.

Bruno announced that the Cook County Health Board will be happy to co-operate with Niles Health Board.

Blase said the auditor suggested much of the village treasurer's job could be handled by village collector. Ordinance to reduce salary to \$100 monthly for treasurer will be drawn up and part-time village collector will double in brass in working in village clerk's office as additional employee.

Unanimously approved Harold Olson as village engineer. Olson's firm now is employed for village of Skokie and he said he would open office in Niles, giving the village full time engineering services.

Blase announced any regular member of the police and fire department will no longer be able to work part time for the public works department.

Announced June 4 through June 10 will be B'nai B'rith week in Niles. Blase commented on the group as being "an up and coming organization in the village."

Announced law suit filed by Sun Oil Company regarding property at Lee and Ozanam and Milwaukee.

Bruno announced they are checking on the bids for gas tanks for village vehicles at the Public Works Building. Also considering use of P.W. workers as mechanics for vehicles.

Attorney Dahl will contact Wells regarding \$825,000 water reservoir bond issue for Harlem Touhy area.

Vending machine ordinance was revised for more equitable distribution of charges among users. Permits vary from \$2 to \$35 with a nominal charge for each additional machine used by individual vendor. New ordinance referred to attorney regarding the charge to vendor for a second location for machines.

Heard Mr. Ken Thompson

Glenview plead with board to oppose multiple dwellings in all of District 63. He cited additional 7000 multiple units planned for area and noted school board has reached its maximum bonding power. He noted increased population will require 7 additional schools saying "I'd be flattered and honored if you would stand behind us." Wente's motion for letter opposing multiples will be sent to District 63 and county zoning board and Niles representative would be at all meetings of county board regarding zoning outside the village but within the 1 1/2 mile radius of the village, which the village has limited jurisdictional right too.

Stanley then arrived after these appointments were made. He said "You speak in a lot of things" and when Blase reminded him the meeting started at 8 P.M. (40 minutes previously) Stanley said he had been a baby sitter. Blase jokingly added "We may sell your house one day when you are not here."

The board then approved plot 2 for Chesterfield Builders east of Waukegan Road in school district 67.

The major flare-up of the night took place when Stanley wanted approval for a plat of subdivision for Krilich Builders in unincorporated area at Ballard and Dempster. When the board considered further study Stanley said, "How can you push people around like this?" Blase said that no one was being pushed around and he, Blase resented the "intimidation" of the builders in town wanting their plans hurried through. When a person in the audience murmured that Stanley should "shut up" Stanley half-angered, half-in-jest returned the remark. The matter then was referred to committee for study.

Board approved Schmeisser re-subdivision in Oketo-Dempster area.

Deferred action on Callero & Catino property at 8900 Wisconsin. Builder does not comply under new zoning ordinance and his claim that he had property under consideration before the ordinance was approved was not upheld by village attorney. Dahl said that title was not received until after new ordinance was adopted and he would have to comply under it.

Accepted offer from Grennan Heights Garden Club for 12 litter baskets to be maintained by Public Works Department. It is part of the Club's beautification program for Niles.

Referred to committee letter asking for 50-50 costs for new sidewalks for 75-home subdivision at Prospect Avenue behind Jefferson School. Trustees were not in favor of such an arrangement.

By Jean Fox

Recently there have been many books criticizing our civilization, education, merchandising methods; fewer suggesting how to improve the situation. However, some constructive, if often controversial, books have been published, and are now available in Niles Public Library.

A book that suggest some of the answers by pinpointing the problems is John Gardner's EXCELLENCE. The author asks, "Is excellence possible in a democracy? Does our devotion to equality condemn us to a pervasive mediocrity? How can one honestly explain or justify the slovenliness that is so often accepted as normal in our schools, in trade unions, in industry, in government — in short, everywhere in our society? How equal can we be? Can an egalitarian society tolerate winners? How much talent can society absorb? Does every young American have a right to a college education? Are we headed toward domination by an intellectual elite?" This is a book for anyone who is uneasy about the quality of our national life. It is a book for parents and for teachers; it is a book for citizens; it is a book for everyone who cares about the future of our society.

In THE SANE SOCIETY, Erich Fromm discusses the plight of modern man in a society whose main concern is economic production instead of increased human productivity, a society in which man has lost the dominant place. Modern man, declares Dr. Fromm, has been alienated from his fellow man, from the things he uses and consumes, from his government, from himself. His is a "manipulated personality". To allow present trends to develop unchecked will result, Dr. Fromm declares, in an insane society of totally alienated men. What can we do? Between capitalist managerialism and totalitarian dictatorship, there is a third way, a way to create a sane society in which no man is a means toward another's ends, where man is the center and where all economic and political activities are subordinated to the aim of his growth. Besides presenting a complete and systematic concept of humanistic psychoanalysis, Dr. Fromm outlines various possibilities of social change which can divert us from the path to robotism and lead us to mental health as productive, responsible individuals in a sane society.

In EDUCATION AND THE HUMAN QUEST, Herbert Thelen says: "Our situation is grave, more, it is immoral. Far to act ignorantly when knowledge is available, to deny realities that patently exist and make a genuine difference is the worst crime of civilization." After a broad analysis of the weaknesses of the whole approach to education, the author makes an exciting leap forward in educational theory and practice. He outlines a program for a drastic overhauling, emphasizing what education can be if we harness all we know about man, knowledge, and society. Professor Thelen presents classroom procedures as models to illustrate ways in which education becomes not merely a process of memorization or consumption of knowledge, but a process of inquiry. In calling for a broad, general theory to reshape education as the chosen of the human sciences, the author offers a carefully developed argument for constructive action, presented with disarming simplicity and conviction.

### Youngsters At Maine East Play School

Youngsters from three and a half to five years of age may be seen and heard these days at Maine Township High School East, No. Maine East has lowered the enrollment age. These are children attending the Family Living play school.

Family Living, a basic psychology course, is offered to juniors and seniors at Maine East. Each spring, faculty members and people in the surrounding area are invited to enroll children of pre-school age in the play school.

For three weeks, under the direction of these Family Living teachers, Mrs. Georgia Amster, Mrs. Joanne Garrott, and Miss Dorothy Kain, two play school sessions are held three times a week. The morning session is from 9 to 11:15, the afternoon session from 12:50 to 8 P.M.

The play school provides experience for children to learn how to get along with each other and provides valuable experience to students in the psychology class, explains Mrs. Amster.

The daily schedule follows a simple pattern of planned activities for each hour of the day. The students in each period are divided into three groups. Each group takes charge of the children's activities for one week.

The other high school students observe what is going on during these sessions. In this manner the students have an opportunity to observe child behavior pattern that have been studied in class work.

In OUR COMMUNITY, Dorothy and Curtis Mial ask, "Does your community meet the needs of the people who live in it, differ as they are from each other: Does it provide adequate housing? Good Schools? Employment for all? Wholesome recreation for all ages? Opportunities to enjoy the arts? Does it have adequate health, safety, and welfare services? These are a community's tangible needs. Does your community provide its members an opportunity to be of service? To join forces with like-minded people? To belong? To express controversial beliefs freely? To bring about desirable change? These are the intangibles needed by a member of a community; American community life is in danger of being lost in our changing urban society." OUR COMMUNITY offers an approach to preserving the sense of community and to finding it where it has been lost. This approach calls for bringing together a group of people to examine their community, its strength and weaknesses, and to discover its resources. Based on materials previously found useful in widely different communities, it includes reading, suggested discussions, and procedures to help people develop the insights, the information, and some of the skills requires for intelligent, concerted community action.

Teens: Did you get your free tickets for the Niles Teen Spring Dance? It will be held at the Bunker Hill Country Club on Friday, May 26, from 8:00 to 11:30 p.m. Don't forget, no tickets no dance. There's still time to get them, if you stop at my home, 8236 Osceola. You may bring guests, if you get guest tickets for them. This is a dress up affair, so frilly dresses for girls and jackets and ties for boys is the proper attire.

At this time, the Rock & Roll Champs for 1961 will be selected. The contest will not be held till 10:00 p.m., to give the working Teens time to get there. Letters have been sent to different organizations in Niles asking for door prize donations and from the way the prizes are coming in, we should have quite a few. "Bernie and the Rejects", will play for dancing but the juke box will be used for intermission and the dance contest. Refreshments will be served.

Just a few words, specially to the boys: The dance does not start till 8:00 p.m. This gives you an extra 1/2 hour to get dressed and be handsomer than ever. DO NOT GET THERE AT 7:00. After all, the girls don't start coming till after 8:00, so please don't be so anxious.

building materials of the neighborhood, for instance) have been well within the range observed in other communities."

Three of the eight Niles children afflicted were of preschool age and all but one of the remainder attended the parochial school. While the last lived in the parish, she was in public school. All but one were girls, ranging in age from 3 to 14.

Discussing the virus theory, both LeRoy and Hasterlik said there was no concrete evidence that a virus was responsible for the Niles cases.

Skokie Indians At Speedway Race May 27

The nationally famous Skokie Indians Drum & Bugle Corps will perform for the second consecutive year at the 50th annual 500 Mile Parade in Indianapolis Saturday, May 27th. Last year over 500,000 people watched and were thrilled by the Indians, so much so that the Indians were not only invited to perform in this year's Golden Jubilee Parade, but the Indians were also invited to perform at the first annual "Pre-Race Extravaganza" to be held at the "Trackyard" prior to the big race on Tuesday.

Memorial Day the Indians will be marching in Skokie's annual parade in the morning, then boarding the buses and traveling to Michigan Avenue and performing in the famous Chicago Memorial Day Parade.

After this busy weekend of appearances, the Indians will have a month to work on their music and drill before July and the start of senior Corps competition.
