and history, has growing interest and fascination for man. The author explains what the "historians of life" do: how the history of living things is preserved, discovered, and interpreted; what major historical and biological principles have been deciphered from fossilized clues; and how these principles fit into our understanding of life and its evolution. He introduces the reader to a world around him, full of the shells and bones of a multitude of organisms amassed through geologic time, of whose presence as well as meaning he may have been unaware. He describes the changes in world geography that can be read from the earth, as well as the nature and significance of the evolution of plants and animals that the earth has recorded.

DIGGING FOR HISTORY, by Edward Beaud, describes the excavations and findings of archaeologists all over the world from 1945 through 1959. The principal and most interesting discoveries are examined in detail, others are more briefly summarized. Perhaps the most startling new discovery is that of an established city culture in Palestine with the approximate date of 9000 B.C., making it the oldest known such culture. There are also chapters treating the new technical devices now at the disposal of the archaeologist both in the field and in the laboratory.

Park Football Registration Begins

The Niles Park District Recreation Department announces the opening of registration for its fall touch football leagues. Play will be in two divisions, one for high school boys and the other for the grammar school group.

Those boys interested in playing touch football should sign up at the Grennan Heights Fieldhouse, 8255 Oketo Avenue, any day during the week. For further information call the Recreation Dept., at YO7-5334.

Richard Miller, son of Mr. and Mrs. Gus Miller, 7400 Main St., Niles, who recently received his Bachelor of Science Degree at St. Mary's College, Winona, Minn., is now a member of the U. S. Marines, stationed at Parris Island, South Carolina.

Invitational Tourney A Success

Joe Sanchez, a strapping 12 year old pitching marvel led Zion to the first championship of the Niles Invitational Little League Baseball Tournament, by tossing a three hit shutout against the Rounds Lake All-Stars. The score was 5 to 0. In the consolation game Deerfield bombed Morton Grove II to 0.

Pitching a no-hit, no-run game, hitting two home runs in one game, flawless fielding while playing first base, all add up to one name in the tournament—Joe Sanchez.

In first round games, Zion with Joe Sanchez pitching a no-hit no-run game eliminated the Pompeii All Stars 5 to 0. Deerfield beat the Edison Park All Stars in a squeaker 3 to 2. Round Lake dumped Highwood in a slugfest 16 to 9. The Niles Little League All-Stars sponsored Morton Grove a 5 run lead, came back to tie the game, only to lose 7 to 6 in the only extra inning game of the tournament.

In semi-final games, Zion with Joe Sanchez pitching first base in this game moved past Deerfield 6 to 2. Sanchez hit two home-runs and drove in 4 runs to move his team into the finals. Round Lake beat Morton Grove 6 to 5 and scored the winning run in the last inning after two outs.

The Niles Park District Recreation Staff would like to congratulate all the teams entered in the tournament for the wonderful sportsmanship shown during the games and all of the people responsible for the help they gave to make the tournament a success.

From The Left Hand

by David Decker Editor & Publisher

The Battle of Lawrencewood is fast coming to an end. And with it will end an era in Niles history which has been frothed with emotion, tempestuous in its moods, and passionate in its feeling.

Actually, the battle has been somewhat of an eight year seesaw, as neighbors along the fringe area of Oakton and Waukegan fought the shopping center interests and the multiple dwelling interests during this period.

Because the battle began years before we came upon the scene, and because arguments and memories seem to be wrapped in vagaries, we're uncertain our version of the history of the area is entirely accurate. Our piecemeal sketch of this 8 year battle follows: When the battle first raged Nilesites from Kirk Lane and NICO fought the intended building of the shopping center interests. The sympathy of the village trustees through the past years had never been with these residents, and thus they had to engage their own strength in the battle to block the center.

Since no co-operation was received from the village hall these residents in school district 71 area, pressured the board to purchase 10 acres of property facing Oakton Street roughly in the middle of the Lawrencewood shopping center area. While it didn't ultimately block the building plans of the center interests it can be assumed that the long delay in the building the center can partially be laid to this action.

When the district 71 Board bought the land in that area, it was charged that the Lawrencewood interests offered to give the school board a 10 acre plot in the immediate area, but not in the center of their shopping plaza. According to these confusing vagaries we had mentioned, the 10 acre gift was turned down. If this was true it is obvious that the school board action was treated to block the center rather than in anticipation for building another school for as of today, five years later, Niles Public School has only about 625 students, which certainly doesn't merit the consideration of a second school.

During the next intermittent period little was done in the area; the center people remained inactive and the school people just sat on their 10 acres of land. Then last year, again pushed by the residents in the Kirk Lane-NICO area, an attempt was made by the park board to purchase this land, 52 acres in all. While the park board intentions were primarily for a park, the bordering residents in this area were interested in blocking the center and the multiple dwellings which were planned for the area.

The referendum held by about 450 voters and many of them were not present at the polls. However, all of these citizens' indignity was really the result of their own willingness when they failed to provide their own facilities in Niles during the time when they had the opportunity back in 1960 and 1961.

Blase Urges All Nilesites Sign CTA Petitions

Mayor Nick Blase announced at Tuesday night's trustee meeting that all Nilesites should sign petitions which will be presented to them for CTA bus service. Blase said the petitions would be in the hands of all residents within two weeks and that the petitions came from the CTA. There is no guarantee the CTA will come into Niles but a 100% backing by residents would give Niles an excellent opportunity to obtain the service.

Blase gave high praise to Niles transportation committee which includes chairman George Heinz, Richard Hareczak and Bill Cronk.

The petitions will be distributed through the Niles Citizens Committee to local homeowner groups which will seek the signature of the petitioners.

In other actions Tuesday night the board approved the bid of 3.91% interest for \$808,500 of bonds for the Touhy Avenue water reservoir and the construction of the Cumberland Avenue connecting main and the Milwaukee Avenue express main. Wm. Blair, Bacon and Whipple, A.J. Becker and Julian Collins were joint low bidders. Construction bids were read at the meeting and a decision on the awarding of contracts will be forthcoming at the September 26 meeting.

Also, the board approved, 5 to 1, a zoning board decision on Page 12.

Niles Park-less Problems

The problems of Niles Park Board are not of their own making and thus they deserve much sympathy in their efforts to bring Niles more park land. Their realization that Niles no longer has any larger land areas (between Touhy and Dempster) which can be used for an eventual swimming pool area is forcing them to reach for any straw in the wind.

The board inherited a problem which was created, not by any previous park boards, but rather by village boards of seven or eight years which had the responsibility of providing recreation areas for villagers. The Niles park board and park district is only six years old, and was created after the tremendous population explosion developed here.

It was the duty of the village fathers in the early fifties to provide areas for recreation. That they failed in this task has resulted in Niles dearth of parks today.

Obviously, there is one lesson to be learned by the failure of the village fathers of the early fifties.

However, dismal a failure may be, if a lesson can be learned from it, the failure can be used to our advantage. And the simple lesson that is clear from this failure is that the men who are in the position to aid the village, must look five and ten years into the future, and not be concerned with only the present. Had the village fathers in those bygone days planned for recreation areas in Niles we could have several areas today for parks, whose total cost would not have equalled this massive \$650,000 figure which now comes to the fore on the Lawrencewood 18 acre plot.

Since it is obvious that land between Touhy and Dempster has been saturated by home-building today's officials must look to the coming ten years. Just as this problem existed ten years ago in our present home areas, we have a similar problem which will be on us tomorrow for the area between Dempster and Golf (and perhaps to Central Road). An adequate land area sufficient for major parks is now available only north of Dempster. If we are ever going to have a recreation center and several swimming pools for Niles they will have to be built north of Dempster. This takes foresight on the part of our public officials, but it is the only answer to alleviate our parkless needs.

Nilesites in many sections of this town have been utterly selfish in their motives behind their previous votes in past park referendums. As the result of their self-interested vote, they lost all opportunities for parks fairly close to their homes. The result of their previous voting has left us with three alternatives. We can pay \$40,000 per acre for property dangerously burdened by traffic and grossly over-priced. We can purchase property north of Dempster at a more equitable price which is a couple of miles from our homes....And we have the third alternative....we can continue to be a parkless community.

The last alternative is so fool-hearty since most of Niles children are only now beginning to reach an age when they need outside recreation activity. And if your children and mine have no place to go for this much-needed activity, many of them will find up on the police record in coming years. And what many Mr. and Mrs. Niles say to the juvenile home to help out their children, they may also realize that their children's delinquency was really the result of their own willingness when they failed to provide their own facilities in Niles during the time when they had the opportunity back in 1960 and 1961.

Shermer Park Completed In 1962

The furnishing of the leased park in Jopoli Terrace, the construction of a new park at Shermer and Waukegan, and the renovation of Jozwiak have certainly strained the Niles Park District maintenance crews. Our over ambitious building program this year has considerably slowed our work at the Shermer Point Park. Five of our six parks have received major improvements with the above three requiring extensive work. Shermer Point is scheduled for completion in early 1962. We believe this schedule will be maintained.

Miss MARIE DOROTHEA DI NOVO, daughter of Mr. & Mrs. JOSEPH DI NOVO of Chicago, became the bride of Mr. NORBERT VALENTINO, son of Mr. and Mrs. MARCO VALENTINO, 7401 Main St., Niles, on Saturday, September 2, at the St. Francis Xavier Church. Rev. John J. Flanagan, pastor of St. John Brebeuf church, officiated at the ceremony. The bride was radiant in a specially designed wedding dress and veil, which had been designed and made by her husband. He also had designed the beautiful blue dresses and the white head pieces worn by the bridesmaids and the 2 maid of honors. After honeymooning in Florida for a couple of weeks, the newlyweds will make their home in Chicago. Mr. VALENTINO is a recent graduate of the Art Institute and is presently employed at the Sears stores, as a designer of children's clothing.

The Teens sang Happy Birthday to two of our favorites, Mr. DICK KOCH who's 14th birthday was on Sept. 1 and to Miss ROSEMARY KIRSTEIN who was born 14 years ago on Sept. 2. Be sure to send birthday greetings to Mr. and Mrs. JOSEPH WEICHBRODT—Joe's birthday will be Sept. 14 and Stelle's on Sept. 18. Happy birthday to Miss CINDY DITTMAN who will be 4 on Sept. 24 and to Miss GAIL MILLER, who will be the sweetest sweet 16 on Sept. 26.

Miss YVONNE BREDIER and Mr. EDDIE MATAYKA were chosen the Rock & Roll Champs for the month of September, by the judges of the Niles Teen Dance Club. There will not be a Teen Dance at the Fieldhouse on Friday, September 15, due to the re-registration of voters on that day.

All Niles voters are required to re-register at their regular precinct polling places and these will be open on Friday, September 15 and Friday, October 13 from 8:00 a.m. to 9:00 p.m. If you want to vote in future elections, be sure to register.

The Holy Name Society of St. John Brebeuf will again sponsor their annual "OPERATION FILLUP", on Sunday, Sept. 17. Dave Santorello, of Dave's Tennis Station, corner of Milwaukee and Waukegan, has again agreed to donate his profits, services and the use of his gas station for the day. So keep the gas tanks low and "Fillup at Dave's on September 17th".

When I mentioned to Bob BESSER that we were going on our vacation, he asked me to write it up for the readers, hoping they might be interested in our trip. Lou, Lou Jr., Judy and I left Niles on Saturday, Aug. 26. Since our oldest daughter Joan had to work, she could not accompany us, so she and our dog Popcorn, stayed home and kept each other company. We drove to South Bend, Ind., and had lunch with Lou's sister and her family, Mr. and Mrs. Joseph Rybak and Cathy and Mike. In the evening, we helped celebrate the silver wedding anniversary of Lou's cousins and our dearest friends, Mr. & Mrs. Al Tatay.

The next morning, right after the 7:00 a.m. Mass, we headed for Niagara Falls, N.Y. I like riding on the toll roads in both Indiana and Ohio. I liked the idea of picking up a ticket at the entrance and paying the toll charges at the exit much better, than stopping every few miles and paying 30¢ as we do in Illinois. We arrived at the Falls that evening and headed towards the motel where we had made reservations.

Garden Club Presents Litter Baskets To Village

As a part of its long-range civic beautification program, the Greman Heights Garden Club of Niles recently presented twelve open-mesh type "litter" baskets to the Public Works Department of Niles.

Mr. Ed Bacher, Superintendent of Public Works, and Mr. John Poeschl, village trustee, accepted the contribution on behalf of the village. Mrs. Everett Basham, club president, and Mrs. Edward Mueller, chairman of the program, made the presentation.

The Public Works Department has assumed the task of strategically placing the baskets throughout the village and such maintenance as is necessary in the future. Chains and locks with a master key have also been provided. As time goes by, the club hopes to make more such containers available.

Plans are now being made by the club to provide funds which will assist in enhancing the landscaping of the schools of the village. Schools included in this activity are St. John Lutheran, Jefferson, St. John Bre-

Oak P.T.A. "Meet The Teachers" September 18

For its initial meeting of this season, the Oak School P.T.A. has planned an evening to "Meet the Teachers", on Monday, September 18, 1961 at 8:00 p.m. at the school, 7640 Main Street, Niles.

Mr. Frank A. Dagne, Principal of Oak School and Mr. Lewis Miller, the new President of the P.T.A., will be there to welcome you. Movies taken by Mr. Dagne at the Fun Fair last May will be shown and details of the proceeds will be presented.

Girl Scouts of Troop 300 under the leadership of Mr. Robert Soby and co-leader Mr. Robert Knudson are to present colors. The sixth grade color guards are Arlene Davis, Sharon Messina, Phyllis Seman, Janet Soby, and Donna Thompson.

Refreshments will be served by the P.T.A. hospitality committee.

Woman's Club Holds Meeting Wednesday

The first general meeting of the Woman's Club of Niles will be held on Wednesday, September 20, at 8 P.M. at the Bunker Hill Country Club, 6635 Milwaukee Ave.

Program Chairman, Mrs. Philip Schuster, has arranged for Miss Lenore Urbauer to entertain the women with the story and songs of Carrie Jacobs Bond. The title of her program is "A Gallant Lady of Song."

Hostesses for the September meeting are Mrs. William Ahrens, Mrs. Herbert Adler, Mrs. William Barth, Mrs. Nick Battista, Mrs. William Baum, Mrs. William Beck, Mrs. Bennett, Mrs. David Besser, Mrs. Robert Butzik, Mrs. Maurice Chambers, and Mrs. Edward Walger.

All women residents of Niles are invited to attend meetings and to become members of this civic organization.

tions. When the clerk gave us our key, he told us there was a message in our box. We were to call cabin 80, soon as we had arrived. Imagine our surprise, when we found friends from Chicago, occupying that cabin. Mrs. Milton Stein and her 3 children Rae, Pamlette, and Henry were on their way home from their vacation and decided to stay overnight at the same motel we were staying at. They had spent 2 weeks at the Cape, just about a mile away from the Kennedy home. They had watched the helicopter fly over, bringing the President to Hyannis but did not get to see him. They drove around his estate, hoping to get a glimpse of the family but the home was so closely guarded, they couldn't get any closer than a mile away. After having dinner together, we drove to see the Falls, illuminated. It

was a beautiful sight, one the children will never forget. We went back to the motel for a good night's rest.

The following morning we went shopping. This was a special thrill for JUDY because as a souvenir from the Falls, she bought her first pair of high heel shoes. After our shopping spree, LOU Jr., showed off his swimming stroke at the motel pool, while we sat around and watched. After lunch, we drove to the airport and I had my first plane ride. LOU decided we just had to see the Falls from the air and it was wonderful. I was scared but I loved it. From our plane ride, we again drove to the Falls and this time boarded the "Maid of the Mist" and got a closer look at the Falls. When we boarded the boat, we were each given a rain coat to wear but we were soaked anyway. The kids enjoyed the boat trip very much, they didn't mind getting wet but I looked like a drowned rat.

The next day we drove into Canada. The Canadian side is beautifully landscaped and offers a much better view of the Falls than the American side. For our two kids, this was something new but LOU and I had been here before. We were here 24 years ago on our honeymoon but this time we wanted to see the sights. From Canada, we drove to Grosse Point Mich., where we again visited with friends. Mr. Paul Szabo had been the best man at our wedding and although he used to tell us, he'll never get married, he did! We met his wife Jackie and their two children. His wife is charming and we loved her. The kids are darling. Paul and I got to talking and comparing the schools where their children

go and our St. John Brebeuf. He told me that their parish was so big at that time, it had been divided into smaller ones. One of these was named "Star of the Sea", which the parishioners affectionately call, "The Tuna Fish" Parish. Come? I thought so.

The next day Paul asked us to the shoe store where he is the manager and then told me to take my choice of any pair of shoes in the store and that would be my gift from him. I picked out a pair and then Judy got a pair, too. That made both of us real happy.

From there we drove into Detroit and I couldn't get over the beauty of the city. Their shopping district is so clean and the new factories and office buildings are so modern and just beautiful but you really have to be careful driving through Detroit, they drive like maniacs.

Then we drove to Grand Rapids and stayed with friends of ours, who at one time lived in Chicago. Bud and Eileen O'Boyle and two of their three children, Mary and Mike were our hosts. Their third offspring we did not get to see, cause Jim is in the Army now and stationed in France. We had so much talking to catch up on, we just sat and gabbed, it's always fun to visit with people you love and the O'Boyles were very dear to us. The following day we headed for home. I got a kick out of different things I saw on the way and one was a slogan I spotted on a towing truck. It was, "I'm going out to pick

up a friend" and he had a damaged car hooked on the back.

We had our last vacation dinner at one of the Glass House Restaurants on the Indiana Tollway. One of the first things I noticed on the table, was a little card and on it on the one side was printed "Please Give Thanks" and on the other side were "Thanksgiving Prayers before Meals". There was one for Roman Catholics, one for Jewish, one for

Protestant and an Eastern Orthodox Prayer.

We pulled into Niles around 5:00 p.m. and it felt so good to be home. We had a wonderful vacation. The weather had been perfect and the food along the way had been delicious. It must have been, I gained 7 lbs. We had viewed new scenes, renewed friendships and had a wonderful time but there is no place like home. It's good to be back.

Niles Park Bowling Registration Begins Today

The Niles Park District Recreation Department announces that registration for the Park District Bowling Leagues will be held at the Niles Bowling Center, 7333 N. Milwaukee Avenue, beginning Thursday, September 14, 1961.

The league is open to all boys and girls in the Village of Niles. There are two age groups in the Junior Bowling Congress:
 1. Junior--All boys and girls who have reached their 13th birthday on or before March 1, 1962.

2. Bantams--All boys and girls who will not have reached their 13th birthday before March 1, 1962.
 League rules and regulations will be distributed to each bowler upon registration. Interest in these leagues is good and the registration will be on a first come, first served basis.

This is the time to learn to bowl or to improve your game. Register early, starting September 14th at the Niles Bowling Center, 7333 N. Milwaukee Avenue, Niles 46, Ill.

September 29 Dance Caps Softball League

The Niles Park District Senior Men's 16" Softball League will conclude its regular scheduled league games on Friday, September 8, 1961. Arrangements for the playoffs have been set and a schedule of the times and dates is listed.

Plans have been made to close the season with a dance to be held at the Bunker Hill Country Club on Friday, September 29. This evening will be set aside to honor the champions of the league. Trophies will be awarded to them along with the second and third place teams. We would like to ask all of the players to get behind the league officers in this venture because they have worked hard to make this league a success. Each team will be requested to dispose of 50 tickets for the dance. With 20 men to a roster this should be no problem for any team. Tickets will sell for \$1.00 each. The funds

derived from this dance will be kept in the Senior Men's 16" Softball League treasury and will be used for the future betterment of the softball league.
 Special tribute must go to Jerry Sullivan, the league president, and to Mike Kosear, Tom Konkin and Frank Morway, the other league officers, for the co-operation they have shown the director and supervisor of this league.

Taft Plays

Notre Dame

Since Mon. Aug. 23, about 70 Dons, including 8 returning lettermen have been preparing for the football season. If Notre Dame beats Taft tomorrow night it will break old tradition for the Dons. It will be the first time in the school history that the Dons have won their opening football game.

Last year Taft beat the Dons 28-19 in very close competition. The capacity crowd witnessed a game that kept them on their feet from kick off to the last touchdown. Even though most of the crowd was saddened by the final score, they knew that it was indicative of the contest. One man everybody remembers who played the game was Alan McFarlane, who scored three touchdowns in the last three quarters.

Here is how the game read at the quarters: N.D. 7, Taft 0...1st quarter.
 N.D. 7, Taft 7...half time.
 Taft 14, N.D. 13...3rd quarter.
 Taft 28, N.D. 19...4th quarter.

This year the Dons expect a very fine season because they have... eight returning lettermen. 2. 9 junior squad that was undefeated as sophomores and as freshmen.

The eight returning lettermen are: Buoincontro, Loboy, Gibbins, Starshak, Morris, Prasech, Belinski and Risher.

Boys From Explorer Post 62 Enjoy Canadian Trip

A super superactivity is the way the young men of Explorer Post 62 of the Niles Community Church are describing their trip to Canada. Five of the Post members together with two Assistant Advisors took the trip which started with a Greyhound bus trip from Chicago to Ely, Minn. After spending a night at Eagle's Nest Lake near Tower, Minn., the boys journeyed to Winton, Minn., where they took the launch and portage tow to Baswood Lake. From that point men, boys, and equipment embarked in canoes to the Canadian Customs and Ranger Stations on

Baswood Lake. They continued to paddle up to a small Canadian island, where camp was set up. From then on it was all fun, swimming, canoeing, and food. Several of the group tried to coax the fish to bite, but were not successful. After three days the group broke camp and returned to the mainland, and finally back home. The Post members who attended were Owen Gaede, Ron Jesse, Dave Klebbe, Robin Miller, and Jack Wiesenthal. The Advisors were Mr. H. Miller and Mr. C. M. Wiesenthal. Movies of the trip will be shown to the entire Post at the next meeting.

Start Leukemia Drive

As opening day nears for the annual appeal of the Leukemia Society's Greater Chicago chapter, more Niles volunteers were announced this week.

They will call on neighbors during the period from Sept. 10 to Oct. 14, seeking help for the research that it is hoped may find the cause and a cure for leukemia, an always fatal disease that takes some 12,000 American lives yearly.

Joining several thousand volunteers in communities throughout Cook, DuPage, Kane, Lake and Will counties are these Niles residents: Mrs. Steven Murphy, 110 Stetting Road, Mrs. Edward Tobin, 7100 Touhy, Mrs. John Morgan, 6950 Niles, Mrs. Phillip Allen, 7850 Neva, Mrs. Kenneth Beduhn, 9047 Grace, Mrs. Chester Magaro, 9012 Grace, Mrs. Thomas Kaso, 7456 Mulford, Mrs. Louis Roberts, 6915 Rosemary Lane,

Skokie Valley United Crusade Begins September 22

More than 3,000 volunteers of the Skokie Valley United Crusade residential division will contact their neighbors September 22 to October 11 in Golf, Lincolnwood, Morton Grove, Niles and Skokie.

They will call on nearly 40,000 homes and neighborhood business firms to raise \$57,000 of the crusade's \$130,000 goal for local Red Feather agencies.

Alfred J. Haut and LeRoy Plaziak are chairman and co-chairman of the division, one of five fund-raising sections of the 10th annual campaign by the Community Chest that has united the five towns since 1952.

"Other than a grant to the United Service Organization (USO) for our more than 1,900 local men in the armed forces, every contributed dollar stays in our community to benefit our people," Haut said. He reminded local residents that "only money given here helps here. Gifts to campaigns in other communities remain where they are given."

Community chairmen of the residential division are Carl L. Gubitz, Lincolnwood; Edward J. Duncan Jr., Morton Grove; Thomas M. Elvin, Niles; Mrs. Fred A. Albrecht, Skokie; and Mrs. Robert C. Bray, Golf. Donald D. Verlench is chairman of Old Orchard shopping center, Skokie, and Vincent P. Barrett is chairman in Niles of Golf-Mill Shopping Center.

Jefferson PTA Tea 1 Sept. 19

On September 19th, the Jefferson P.T.A. will hold their Welcoming Tea to meet the new mothers of children entering Jefferson for the first time. The Tea will be held in the activities room from 2:00 to 3:00 p.m.

All the Room Mothers, under the direction of Mrs. Violet Bergquist, 8401 Bruce, will act as hostesses, and we are pleased to have Mrs. Marion Frank our principal's wife, and Mrs. Shirley Bretwisch, the P.T.A. president's wife do the honoring.

We hope all the mothers will attend and take this opportunity to better acquaint themselves with their children's school. The Tea will be under the direction of Mrs. Alline Winter, 8111 Elmore, Vice President of the P.T.A.

Niles PTA Luncheon A Success

The Niles Public School PTA honored the faculty at a luncheon at Bunker Hill, Sept. 5, 1961. Mrs. Dave Hoppe, Hospitality Chairman, arranged for a delicious roast beef lunch with all the trimmings. A warm welcome was extended to all members of the faculty by the P.T.A. Board.

Open Jewish Center Nursery School

The Jewish Community Center of Niles Township announces the opening of its Pre-School Nursery on October 4. Operating under a State of Illinois license for Nursery Schools, the program offers rich experiences in a group setting. Preschoolers are given an opportunity to express themselves with varied art media, music, dramatic play and play material available for their age group. Occasional trips as an integrated part of the program are taken. The celebration of Jewish holidays and the welcoming of the Sabbath are also a part of the program. Parent meetings are held several times throughout the year.

Classes are held at Skokie Park District, Devonshire Center, 4400 Grove Street, Skokie, Illinois, under the direction of qualified teachers. Two-day and three-day a week programs are run. The three-day a week class meets Monday, Wednesday, and Friday, one session from 9:00 A.M. - 11:30 A.M., the other 9:30 A.M. - 12:00 noon. Cost is \$85.00 a semester. The two day a week class meets Tuesday and Thursday, one session from 9:00 A.M. - 11:30 A.M., the other 9:30 A.M. - 12:00 noon. Cost is \$50.00. For those who need transportation, service bus pick-up and drop-off will be available at an additional charge of \$45.00 per semester for the three day program, and \$30.00 per semester for the two day program.

All children participating must be members in the J.C.C. of Niles Township. Registration for the fall semester, running October to January, is being accepted now. To register your child or for further information, call the J.C.C. at OR 4-8910.

Nilesite In Cleric Ceremonies

The annual Investiture and Profession ceremonies for the cleric novices of the Society of the Divine Savior were held on September 7th and 8th respectively. A record group of 47 received the habit of the Salvatorians as they prepared to spend one year in the novitiate at Colfax, Iowa.

The large number of newly invested members is caused by a new ruling which permits students to enter the Society after the fourth year of high school. The new novices include all those who have completed fourth, fifth or sixth year of minor seminary this year.

From Niles was Frater Bruce Michael (John) Bostrom, son of Mr. & Mrs. J. Donald Bostrom of 8251 N. Oleander.

Suggests Citizen Groups Study New Hi School Plans

An open invitation to citizen groups in Maine Township to familiarize themselves with board of education plans for a new high school was issued Thursday by Dr. Earle W. Wiltse, superintendent of District 207, Park Ridge.

Representatives of several parent - teacher councils of grade schools that feed students into the two township high schools met informally with board members and other school officials in the lounge of Maine West to discuss board plans.

Walter Craigie, chairman of the meeting, said that every board member is available to speak at the request of any civic group in the township that wishes to consider the \$8.8 million school building program that will be voted on in November.

Requests will be answered and speakers assigned in the Board of Education office, TA5-4485.

On advice of the group, Dr. Wiltse set Thursday, September 21, as the date for a meeting of the board with all leaders of parent-teacher councils and other school-related groups in the township. That meeting will be held in the auditorium of Maine East High School at 8 p.m., he said.

Promote Scout Leader

Hyer Martin, Maine Ridge District Scout Executive, has been promoted to Council Executive of the White River Council, Bloomington, Indiana.

"Hy" has been associated with the Northwest Suburban Council since February, 1959. During his stay, Scouting in the Maine Ridge District has increased from 44 packs, troops and posts to 62 units, and from 1416 boys to 1988 cubs, scouts and explorers.

Mr. Martin is married and has two children, a boy and a girl. For eighteen years he has worked in the program of the Boy Scouts of America and has served in Scout Councils in Fairmont, Youngstown, Louisville, and Cleveland. He attended West Virginia Wesleyan College and Fairmont State College in West Virginia.

His top professional Scout training and rich background of Scouting experience has given the Maine Ridge District excellent leadership. Scout and scouters alike will miss this man, who has dedicated his life's work to bringing Scouting to boys.

Announce Emerson PTA Officers

The P.T.A. of Emerson Junior High School wishes to announce the Executive Officers for the year 1961-62. President, Mr. & Mrs. John Foster, Vice President, Mr. & Mrs. Thomas King, Treasurer, Mr. Nicholas Kartinos; Secretary, Mrs. Wilma Ruhl.

A new type memo calendar has been adopted listing all events for the coming school year. Parents may expect same through the mail shortly.

Janet Cress Freshman At College

Miss Janet Cress, 8344 N. Oleart Ave. of Niles is participating as a freshman in ceremonies opening the one hundred and thirty third year at Illinois College in Jacksonville.

Six score and thirteen years ago, nine students met with their instructor in the first college building in the state of Illinois to form the historic beginnings of Illinois College.

This year the Jacksonville school is expecting an enrollment of 600 students, an increase of nearly one hundred over last year.

In anticipation of a larger enrollment, the new 1000 seat chapel, presently under construction, will be completed in December. During the fall term construction of a new addition to one of the women's residence halls and a new science hall will get underway.

Following three days of freshman orientation and various pre-academic and social activities, students will register for classes September 13 and classes will commence the following day.

Acting-out, that popular art which has come down through the ages, through the professional theater, through the cinema and television, has now caught on as a home and school recreation. Youngsters particularly like to suggest dramatic situations without talking, but with appropriate facial expressions, grimaces, gestures, bodily movements. This is the essence of pantomime. In PANTOMIME, CHARADES and SKITS, Vernon Howard starts with simple pantomimes for individual and mixed group acting. He gives meticulous directions for performing them, hints for beginners and advice for everyone, including the host, teacher, leader or director. Then after building up gradually to more exacting pantomimes, he shows how to play the game of charades and make it fascinating. In every case, additional ideas for pantomimes and charades with and without a stage, with and without scenery and props, and some with musical accompaniment, are suggested. Then, in the final section, Mr. Howard gives a number of pantomime skits, some with a sideline narrative, some without. The pantomimes require no memory of lines, of course, and little memory of action, as the author encourages the players to be spontaneous and to use their imagination and general knowledge for self-expression, so that they gain poise and self-confidence in the process.

Harold Melville is the author of several books on theatercraft and has had wide experience as actor, stage-manager, scene-designer, and painter. His latest book COME LET'S GUIDE TO AMATEUR DRAMATICS, is a thoroughly practical, sensible, entertaining and instructive book that tells the amateur what he needs to know. Helpful alike to the established little theater group and the stock company, it is the small amateur group that Melville has chiefly in mind. Sympathetic understanding of small and unsuitable halls, willing but unglamorous materials, enable him to give ordinary folk the useful hints and down-to-earth advice that so many professionals forget they need. Choosing a play, producing, adapting a hall, scenery, lighting, properties, costume, make-up, festivals, all are dealt with in ordinary language and with a strict eye on the budget.

Josephine Paterek's COSTUMING FOR THE THEATRE takes the amateur costumer through every step of costuming a stage production; the preliminary research, the gathering of clues, the projection of personality through costume from reading between the lines of the script, the selection of a basic silhouette and color scheme, the purchase of fabrics and trappings, and the choice of accessories which add the finishing touch to an ensemble. Elements of design and the fundamentals of the craft of costume construction are simply presented, along with drawings and diagrams which should be easy to follow by anyone who can avoid colors which clash and who is skilled enough in sewing to make a simple skirt and blouse or a pair of pajamas. Theatrical sewing short-cuts and suggestions for organizing the efforts of volunteer helpers and crew members should prove invaluable in reducing workroom

Jefferson PTA Plans Educational Programs

The Jefferson P.T.A., District 64, has planned a most interesting and educational program for their meeting in the coming school year.

Wishing to stress the importance of child, school and parent relationship the theme for these programs is "Educational Expectations of Parents, Teachers and Industry." The guest speakers will explain to parents what is expected of their children through the various stages of education, through Grade School, Junior High, High School, College and into Business and Industry.

Mr. John Laroumis, 801 Merrill, Program Chairman, has contacted a leader in each of these phases, Mr. Vern Hamilton, Principal of Emerson Junior High will be our first and highly anticipated speaker.

The Jefferson P.T.A. hopes that a program of this extreme interest to parents will be the incentive for every parent of children in school, regardless of their educational level, to attend all the meetings as they will each lead into another phase of their children's schooling.

Maine High Enrollments At All-Time Peak

High school enrollments in Maine Township have reached an all time peak of 6,381, according to information furnished by High School Superintendent Earle W. Wiltse. This is up 713 from first day totals a year ago.

The increase is greatest at Maine East where the school population jumped from 3,324 a year ago to 3,799—up 475. This increase is taxing facilities to capacity. Corridors at passing time are jammed. The cafeteria tables at lunch periods are filled to overflowing. Basement class rooms are used all day long. According to Assistant Principal, Clyde Watson, the entire building is used more than 90% of the time. Eighty-five per cent is considered standard.

At Maine West the enrollment has increased from 2,344 a year ago to 2,582—up 238. This is despite the loss of 150 graduates from Norridge Township. The last class from Norridge will graduate in June, 1962. After this year, all Norridge Township students will attend their own newly constructed Ridgewood High School. They have been attending Maine West on a tuition basis by special arrangement.

We hope that every parent will gain new insight and understanding of the educators' part in preparing their children for their adult life.

The first meeting will be held in the school auditorium on Nov. 13th at 6:00 P.M. As usual, refreshments will be served following the program.

We hope that all parents will join us at Open House on September 25th and take advantage of the opportunity at this time to join the P.T.A.

Mr. Dan Tracy, Ways and Means Chairman, has already made arrangements for the showing of five movies, the first of which will be shown October 21st. He is also planning for the annual Book Fair with a tentative date set for the middle of November.

Other projects are being planned to make this year one of the finest, most interesting and educational P.T.A. programs. We hope that all Parents of the school will participate to make this year Jefferson's best.

Honor Scout Executive At Farewell Dinner

Hyer Martin, Scout Executive of the Maine Ridge District, and Mrs. Martin were honored at a farewell dinner at the V.F.W. Club, Park Ridge, last Thursday given by members of the Order of the Arrow, Scouters and their wives.

Ralph Kort of Park Ridge, district commissioner, was toastmaster and introduced members of the Order of the Arrow, including Jack Wiesenthal, Niles, chief of Nashota Chapter.

Among those making short speeches were Jerry Debish, assistant district commissioner; and Walter Craigie, president of the Northwest Suburban Council, of Niles. Others were

Louis Nettlehorst, scoutmaster troop 17; Frank Newton, Scout Executive of the Northwest Suburban Council; Charles Christensen, merit badge counselor and Chief of Park Ridge Police; and Arthur E. Fink, chairman Exploring Planning Committee.

Rob Saberson, district committeeman from Niles, was present. Other connected with Niles scouting units were Paul Blewitts and Irving Horelick of Post 45 and C. M. Wiesenthal of Post 62.

"Hy" with 18 years of career in the scouting organization takes over his new duties as Council Executive at Bloomington, Indiana on September 16.

Jewish Sisterhood Dinner -Dance September 23

The Sisterhood of the Northwest Suburban Jewish Congregation is planning HOLIDAY CAPERS, its first gala affair of the new season, on Saturday evening, September 23, 1961, at 8:00 p.m.

Lever Memorial Temple, 1856 Sheridan Road (corner Himman), Evanston, Illinois will be converted into a glamorous adventure paradise called "The Hideaway".

An exotic dinner will be served at 8:00 p.m., and there will be continuous professional entertainments and music for dancing provided by

Dave Talbert while you dine and for the entire evening. Later in the evening, snacks will be available.

To add to the excitement, there will be door prizes and a Lucky Key Contest.

Dare to be adventurous. Come and bring your friends for a wonderful night of fun. Tickets are \$2.00 per person. Dinner, snacks, and drinks are additional.

For tickets please contact Ticket Chairman, Mrs. A. Goldberg, 721 Lake Street, Yo 5-6365, Morton Grove.
