## From The Left Hand

by David Besser

Mid-Month Wrap-Up

In rambling thru the police report the past week we came across a report of an injured industry worker who chose the wrong day in Niles to get injured. He was in an accident on Wednesday, which is a poor day to find any medical personnel in the village. He was attended to by a Niles doctor, but the report mentioned that there was no doctor who was immediately available.

This brings to mind the obvious question, "Why do all doctors have to take off Wednesdays?" We are well aware that if someone needs emergency care he can always make use of the local hospitals. But I wonder how many times have Nilesites lived thru a Wednesday, obviously in need of a doctor, but unable to receive any medical care in the village? In this era of plenty it seems incongruous that no doctor service is available at any medical offices in the village.

Along similar lines, we don't believe Niles has any form of an emergency medical service in the event Nilesites need such attention any day or night. In next-door Des Plaines a resident died last year, after trying in vain to have a doctor attend the sick person. Since the incident (bad publicity) the doctors in town were goaded into forming a co-operative service whereby a doctor could be reached 24 hours a day. Here in Niles we have many first rate doctors (some second and third rate also). But around-the-clock service for villagers can hardly be considered first-rate.

Two crossing guards quit their jobs recently after their salary was slashed from about \$13 a day to \$9 a day.

The women who quit were capable (no second raters here) guards but obviously must have felt the pay slash was hardly justified. From their standpoint they probably felt their five hour work day was really a full work-day since they were tied-up with this job from 8 a.m. until 4:30 p.m. From the village's stand-point, the addition of more guards to the force required that an hourly wage be set-up, which had to be strictly upheld. Thus, while the village continues to grow, and services correspondingly increase, the budget-minded new administration had to set a standard of payment. It's a shame some means for retaining the former workers couldn't have been reached since their valuable years of experience could certainly be utilized by the village.

November 7 is the date for a jury trial which is scheduled for Judge Smitgel's court. The case concerns the alleged dunking of a former model by a 13 year old hood's daughter which was reported in last week's Bugle. The case was most unusual since the family of the hoodlum, which normally refrains from any unnecessary publicity, instigated the proceedings. This was most unusual since most hoodlums and their families are publicity-shy and prefer to stay out of the

## Controversial Book Taken From Stores By Niles Police

### EDITORIAL Tampering With The Bill Of Rights

THE NILES BUGLE, above all else, has always been a symbol in this community of freedom of expression. It has always felt it is the duty, and the right of all people that they should have the inalienable right to criticize, be criticized, and that the pages of the newspaper be available for any opinion, ours as well as yours, to be brought into Niles homes free of censorship.

Thus, to be consistent, we must strongly object to the Niles police and Mayor's action the past week to confiscate the book, Tropic Of Cancer, from the bookstands in Niles.

The battle over this book has raged throughout our country for the past 27 years. While it was accepted by many as literature of the highest art, it was banned from American printing, though it could be found in bookstores in most other countries of the world. Defenders of the author contend Miller's realism records what people do and think, and acknowledge his literary ability as recognized by students of literature throughout the world.

Miller has used a style of free expression which has been adapted to psychoanalysis. Similarly to the past ban on Miller's books, an author named Mark Twain had one of his books banned. It was a farcical take-off on Elizabethan times.

Not having read Miller's book, we are in no position to judge its merits. But to usurp the 1st amendment of our constitution, is in our opinion a much more grave danger, than whatever could be derived from reading any book. America's strength is derived from within. When her Bill of Rights has been violated, it is a threat which should compel Americans to stand up and defend it the same way Americans stand up and defend her physical body. Without our "freedom" America is relegated to the role of the very totalitarian forces, which we so actively combatted in the past, and which we are doing today.

The excuse that this confiscation was justified to keep this book out of children's hands, is neither sound, nor is it the responsibility of any body politic, to undertake such responsibility. It is clearly the parent's responsibility to condition children against the filthy and smut which is abundantly available to them. The repression of such books will only make the curious desire them more.

We don't believe the judgement of the police to reduce the reading habits of the entire community to their standards, is anything less than totalitarian. The Hitlerian and Khrushchev control of books is too familiar to all of us to realize how quickly such censorship could snowball.

There is much advertising, television programs, magazines and yes, even newspapers, which we believe often go beyond the bounds of our tastes. Yet, we vigorously defend their right to express themselves, however, much as we may disagree with them.

Like most things which we cherish, the Bill of Rights is most fragile. It must be guarded and protected jealously. It can be destroyed quite unwittingly, and quite piecemeal...and by men of good intentions.

### Niles Days Meeting October 18 Blase: "Someone Has To Do It"

If you have ever looked at the man who is the president of the company you work for and thought "I'll bet I could handle his job," well, here is your chance to see whether you really do have the stamina and characteristics to ever expect to be considered for such a position of responsibility.

On Wednesday, October 18th at 8:00 p.m. the Niles Days Committee will hold a meeting in the Niles Village Hall. If you have been overlooked when management has been seeking a good man to fill a high office in your corporation and you know you are just the man for the job now you can prove your ability and qualifications to your company and to the residents of Niles. The new slate of officers will be elected to serve for one year and guide the committee through Niles Days 1962. Volunteer your services at this important October 18th meeting.

Checks disbursing the funds of Niles Days 1961 will be distributed at the meeting to representatives of recipient organizations.

Any worthy group that feels they are deserving of sharing in the net proceeds of next year's event, must submit a written request to the committee before the date of the meeting. They will be read at the meeting and the committee will consider the merit of each and vote upon whether or not the request shall be granted. Address such correspondence to Eva Meyer, Secretary, Niles Days Committee, 8333 Oleaner, Niles, Illinois. Presiding chairman will be Mr. Stan W. Lowe, 8242 Oleaner and the current treasurer is Mr. Ralph Lieske, 8719 N. Elmore.

### Grennan Hts. Meeting Features Discussion Of New High School

## Chatter Matter

BY DOROTHY SCHREINER  
YO 7-9887

Mr. & Mrs. FRANK STANKOWICZ Jr., 7065 Franks Ave., welcomed their fifth child on Sept. 16. Baby SALLY ANN was born at the Lutheran General Hosp., and weighed 7 lb. 13 1/2 oz. Her little playmates at home are her brothers FRANKIE and JOEY and her sisters SHARON and MARY LYNN. The baby has been named after her paternal grandmother, Mrs. FRANK STANKOWICZ. Mr. & Mrs. M. CHRUSCIEL are the maternal grandparents. I saw SALLY ANN's first baby picture, so proudly showed off by her aunt CAMILLE and she is adorable.

I'm very sorry to report that Mrs. HAROLD AHLMAN, 8553 Milwaukee Ave., is on the sick list again and this time she went to the Mayo Clinic. She has been so very ill for such a long time, that I know all her friends are hoping that the doctors there find out what makes her tick and make her well soon.

It was Niles Days at the Ravenswood Hosp. recently, what with three of our residents, MISS DOLORES BIALKA, Mrs. JOSEPH WEINS and Mr. ROBERT DETLOFF being patients there at the same time. I hope you are all feeling fine now and that Miss BIALKA is back at college, Mr. DETLOFF is back at work and Mrs. WEINS is home again, at her favorite role of housewife and mother.

Congratulations to Mr. & Mrs. NORMAN SANSOM, who will be celebrating their 16th wedding anniversary on Oct. 16.

It will be 3 years of married happiness, for Mr. & Mrs. WILLIAM O'SHEA on Oct. 25. Best wishes to both of you.

Friday, Sept. 29, was a very sad day for the children of the St. John Brebeuf School. It was the last day of duty for their beloved crossing guard, Mrs. Lottie Simmons, whom the children affectionately called "Rose". When the kids were told that it was her last day to guide them at the corner of Monroe and Harlem, the tears flowed down many chubby cheeks but I understand that the tears mixed with theirs were also those of Rose. She put in many extra hours each week, by coming a little early and staying later than her time requirements. I've watched her when she took the time, to button a jacket or tie on a babushka for some child, when it turned cool and the child needed help. Rose will be missed by the children on her former corner, she was one of their very best friends.

Happy birthday to the following: Miss MAUREEN CARR celebrated her 12th birthday on Sept. 27 but her party was held on Sept. 23. Must be fun to have two days to celebrate, did you get twice as many gifts? I think the CHARLES KUNTNER family should have one huge birthday cake in October and they could enjoy it all month. Oct. 1 was the birthday of Mrs. KUNTNER and her mother Mrs. CAROL HUEY. Then DONNA will be celebrating her 17th birthday on Oct. 17. Then just 3 days later, on Oct. 20, Mr. KUNTNER will have his big day. Little Miss BARBARA ANN OBRZUT will be all of 2 on Oct. 14. Baby SUZANNE MARIE LE CLAIR will be 1 on Oct. 20. Miss LAURA EAGAN will be sweet 16 on Oct. 24.

Re-registration for voters who haven't as yet registered will be held on Friday, Oct. 13 from 8:00 a.m. to 9:00 p.m. May I offer a suggestion to the many people who do not know where to go to register. If you lived in Niles and voted in the last presidential election,

# Cowboys, Eagles Top Park Touch Football Leagues

## HIGH SCHOOL DIVISION

When the dust settled on the Greman Heights Field Monday afternoon the high school division of the Niles Park Touch Football League was all tied up. Overpowering upsets were the order of the day.

The once beaten Chargers struck fast and hard as they bowled over the Packer team, 51 to 12. Joe Bielski passed for three quick touchdowns in the opening half. Jerry Thode's recovery of the second period opening kickoff set the stage for the fourth consecutive Bielski engineered score. All the Charger players broke into the scoring column as they amassed 45 points before Gary Schuetzner could rifle one into the end zone for the Packers.

The afternoon's second contest followed the established pattern as the front running Cowboys fell to the Lions 48 to 18. This struggle was close for the first 20 minutes with the Dan Kelly scoring twice in this period. Lion John Brennan matched this effort and triggered the second half lion surge with pay off tosses to Dennis Macasek and Ken Rogers.

The Cowboys and Chargers moved to the front of the pack Wednesday afternoon as they registered wins over the Packers and Lions in the high school division.

Dan Kelly's accurate arm carried the Cowboys to a 27 to 12 victory over the Packers. Jim Herley, Ken Scheel, Bob Lawrence and Ron Matzek caught Kelly afield for touchdowns. Kelly pitched to Scheel, Herley and Len Miele accounted for the extra point gap slightly in the second half as Gary Schuetzner threw for two touchdowns, one to John Perion, one to Pat Brennan.

The Chargers and Lions battled on even terms, exchanging touchdowns throughout the better part of the game. Charger Chuck Davis passed to Joe Bielski for the winning score late in the second period. Prior to this Davis and Lion John Brennan had each scored up for their teams and had each thrown two payoff passes.

October 6, 1961

Friday's make-up date caused a duplication of Wednesday's opponents in the high school league. The Cowboys again bumped the Packers, 46 to 31, but the Lions upended the Chargers 33 to 20.

John Brennan led his Lions by scoring once and passing for five more touchdowns. The Chargers, playing without their leader, Chuck Davis, overcame a 13 point deficiency and had the game tied, 20 all, with two minutes remaining. It was then that the Lions pulled out the stops and tallied twice in the final 120 seconds.

Dan Kelly and Ken Scheel broke the Cowboy-Packer game wide open. Kelly intercepted two passes that he carried into the end zone from 60 and 70 yards away. Scheel set personal scoring records as he crossed the goal line five times for the Cowboys. In the absence of Captain Chuck Sydney, Gary Schuetzner engineered the Packer attack as he ran for one touchdown and pitched for four more, two each to Mike Kaye and Bob Czechowski.

Standings-Wk. ending October 6

	W	L	Pts.	Op. Pts.
Cowboys	3	1	117	105
Lions	2	2	115	84
Chargers	2	2	111	91
Packers	1	3	75	138

October 3, 1961  
Tuesday was small fellow's day on the Greman Heights gridiron. These grammar school boys emulate their older "brothers" in fight and desire, lacking, now, only the finesse experience will bring.

The Rams tasted defeat for the second time in this young season as they fell before Mickey McCabe and the Bears, 26 to 0. Mickey, besides scoring four touchdowns, two on the ground and two by passes from Rick Samone, put forth a creditable defensive performance.

The Colts and Eagles, fighting for the league lead, ended a regulation game time in a 19-19 deadlock. Two second period pass interceptions by Rick Schneider and Gene Fodor produced Eagle scores that offset the point producing efforts of Colts Gary Wisniewski, Mike Parkinson and Bill Goorsky.

A tie game is not acceptable in this competition and rules call for extra period play-offs. The Eagles took command during this overtime, striking pay dirt quickly on a Schneider to Bill Griffin spiral. The Colts penetrated deeply into enemy territory in the following minutes but the Eagle defense was formidable enough to preserve their 26 to 19 victory.

Thursday, as play ended for the week in the grammar school division, the Eagles were firmly entrenched in first place. This left the remaining teams scrambling for the runner-up position.

In the day's first contest the Rams squeaked by the Colts 18 to 13. The Rams enjoyed a 12 point intermission lead

due to touchdowns by Stanley Drahant and Frank Vivacqua. Captain Bob Bauer led his Colts to the lead early in the second half, running for one score, passing to Tom Ganssorek for another and guiding Greg Letner into the end zone with the lead point after touchdown. Later, a 45 yard desperation pass, Drahant to Robin Schroeder, registered the initial victory for the Rams.

The Eagle-Bear game turned into a rout as the Eagle Rick Schneider - Bill Griffin combination hit their stride. Schneider and Griffin, either alone or collectively, were responsible for all of the Eagles 42 points. A Bear consolation score came from Mickey McCabe passes to Chuck Bobula and Gerry Wagner.

### Dinner Dance October 14

### Open Letter From NBC

Dear Mr. Blase:

Thank you for your letter of September 28, 1961, protesting our program of September 25 on the crime syndicate.

You charged us with irresponsible broadcasting. We feel we performed a public service by broadcasting this program about the syndicate, its evils and abuses.

We did mention Niles in connection with gambling, and we were referring to the general area of Niles, including the unincorporated area around the village. We were aware that this unincorporated area comes under the jurisdiction of the Cook County sheriff.

Our script certainly was not meant to imply that there is currently gambling within the village of Niles. This is especially so because we were aware of your efforts, since your election five months ago, to outlaw vice and corruption in the village.

We are sorry you interpreted our program as an offense against you and the village administration. We assure you that no such interpretation was intended.

Sincerely,  
Lloyd E. Yoder

The St. Isaac Jogues Women's Club will sponsor a dinner dance for members and friends of the parish on Saturday, October 14, at the Villa Venice in Northbrook. Shown inspecting one of the many posters being displayed in the area are: Mrs. P. Frantell, Morton Grove, Mrs. R. Sutter, Glenview, Mrs. D. Boucher, Glenview, and Mrs. Wm. Boylan, Morton Grove. Mrs. Frantell, chairman of the party, requests that anyone wishing to make reservations contact Mrs. Edward Colby, 7304 Davis St., Morton Grove. Music for dancing will be provided by the Win Buetgen Band and talented members of the parish will entertain. From L. to R. Mrs. Paul Frantell, Mrs. Robert Sutter, Mrs. Donald Boucher, and Mrs. Wm. Boylan.

### Notre Dame Fathers Club Meeting October 17

The Fathers Club of the Notre Dame High School for Boys, Niles, will hear Rev. Thomas Baker C.S.C., at their meeting on Tuesday, October 17th at 8:00 p.m. sharp in the school cafeteria. This meeting is expected to be one of the larger meetings of the season as Father Baker is one of the most capable and interesting speakers it will be our pleasure to hear.

Father Baker's general topic will be "The Teen Ager and his Personality" which should in a small manner assist the parents in determining "what makes their son tick".

On the agenda for the business portion of the meeting will be a report on the Father's Club Dance which is being held on November 4th at the O'Hare Inn.

Also on the agenda will be a report on the Father's Club Membership Drive, which is gathering momentum as the fathers are becoming aware of the bargain they obtain becoming members of the club.

The \$6.00 fee assures their son or sons completing a four year education without any cost to the remaining spouse. Nowhere in the country can as inexpensive an efficient as insurance be obtained.

Mr. Basil, the membership chairman, would like to point out that eleven boys were carried on last years roster.

### 100 Greenwood Estaters Attend Meeting

The Greenwood Estates Homeowners Association held their Quarterly Meeting on Tuesday, October 3, 1961 at the Village Hall. Interest therein was extremely notable when approximately 100 members turned out to express themselves on the four subjects which were on the agenda: 1. Election of Officers for 1962; 2. Homeowners complaint letters; 3. Rear yard water problems; 4. Special assessment, Dempster sewer project.

Election being the first order of business, 13 persons were nominated for the six offices of the association. In a very close election Roy H. Bergquist was elected President, Orville Ottow, Vice-President, Mrs. Theresa Himber, Secretary, Lloyd Graff, Treasurer, Thomas P. Amlin and Mrs. Elaine Gale to the Board of Directors.

The second order of business, Homeowner Complaints, was answered by Mr. Joseph Salerno, our Past Vice-President and Village Electrical Inspector who has devoted many hours to this problem. The association wishes to here acknowledge Mr. Salerno's efforts for a job well done.

Subject of Water Problem and Special Assessment were then discussed together, with Mayor Nicholas Blase and Superintendent of Public Works, Mrs. Edward Bacher leading the discussion. Many questions were asked by the membership and in most cases answers or solutions were obtained from Mayor Blase and Mr. Bacher. It is gratifying to us, as residents of Niles, to have Mr. Bacher, a devoted and unselfish individual who graciously will sacrifice his free time to serve us.

Many thanks to Mayor Blase and the Village Officers for permitting our Association to meet at the Village Hall when last minute confusion resulted on cancellation of our use of the Public Works Building due to a pistol match of the Niles Police Department thereat.

## Successful Greenwood Estates Dance Is A Complete Sell-Out

Once again on September 30, 1961, members and friends of Greenwood Estates Homeowners Association tripped the light fantastic at a dance given at Chevy Chase Country Club. The Social Committee reported that 10 days prior to the dance all 250 tickets had been sold. We regret that the room reserved could only accommodate 250 persons due to the fire ordinance whereby many of our friends who sought tickets the last week were unable to purchase them.

The lucky winners of the door prizes were Mr. Lloyd Erickson, 8517 Madison Dr., Niles, Mr. James Contos, 8501 Bruce Drive, Niles, and Mr. Joe Peck, 728 LaPorte, Wilmette, Ill.

Members of the Social Committee for the past year were Violet Bergquist, Chairman, Phyllis Peterson, Co-chairman, Chester Peterson, Treasurer, Donald Panuce, James Staup, Elaine Gale, Jules Styne, Rhoda Nadler, Mary Botari, Jack Polan, Charles Kaufman, and Shirley Crisorio. So that you'll know as much about Niles as we know Reverse Electric has a strike going on at the moment. Poles Chief Emerson told us all to be peaceful and that no problems have resulted from it. Occasionally a group of strikers may congregate and the police will request that they split up. It's a very peaceful strike, just like this column has been very peaceful today. If sort of makes you wonder if perhaps you weren't reading too closely. But, alas all is tranquility and calm, including The Left Hand.

Merely as a wrap-up to this week's news Trustee John Stanley has called a civil defense meeting for Friday, October 13, at 8 p.m., in the village hall between department heads. It brings to mind a statement by Stanley. He had mentioned two weeks ago that the government will pick-up interest charges on FHA loans which are used for fall-out shelters. A local banker called me after Stanley's statement and told me he checked and found this was not true.

**Brownie Troop 716 Enjoy Cook-Out**

Saturday, October 7, was a sunny day for a cook-out for Brownie Troop 716 at Bunker Hill Forest Preserves. Under the direction of Mrs. C. J. Pearson, and Mrs. James Beran, the girls built a fire and cooked lunches. Each Brownie had brought a foil wrapped package containing a hamburger, sliced potatoes and pieces of carrots and celery. This was broasted on the fire. The mothers who accompanied the group, Mrs. E. Wagner, Mrs. O. Johnson, Mrs. B. Dayment, Mrs. C. Dayment and Mrs. C. Bobula, unanimously agreed that the lunches were delicious. The girls finished the meal with chocolate milk and "some mores", consisting of a graham cracker sandwich of two wadded marshmallows and a half bar of chocolate.

The troop was then divided in half and one group left the campsite to blaze a trail with a cut onion carried by each girl. Ten minutes later the second group followed the first by their "smell."

The cook-out was closed by the rendition of several songs by the Brownies, who then headed for home, charred, happy and well fed.

The eighteen girls which form Troop 716 are: Joan Beran, Janice Bobula, Marcia Brinkhoff, Robin and Barbara Dawson, Janet Dayment, Connie Dayment, Debra Frederick, Cynthia Fruhauf, Shelley Jacques, Joy Ann Johnson, Peggy Knapic, Karen Mueller, Susan Nagel, Kristin Pearson, Patricia Pergler, Lorette Pionke, Susan Sherman and Gail Wagner.

An interesting fact in regard to "Facade" is that the Illinois Ballet company, directed by Richard Ellis and Christine Duboulay (former soloists with the Royal Ballet) is the only other company authorized by Mr. Ashton to perform it besides the Royal Ballet company.

## Notre Dame Wins 33-7

by Dan Lewis

The Green and White Dons of Notre Dame unleashed their power Friday night as they demolished St. Procopius 33 to 7. The Dons have won four games straight and have scored a total of 100 points while their opponents have only accumulated 20 points.

Early in the first quarter the Dons work the ball to the 5 yard line and a short run by junior Greg Schilling scored the first touchdown. The Dons failed to make the conversion because of the fine blocking of St. Procopius. The Redwings of St. Procopius got the ball to the 6 yard line and then Herbert Herbic passed to Glen McKay for their first and only touchdown. The Redwings of Lisle made the conversion and put them ahead 7 to 6 at the end of the first quarter.

In the second quarter a touchdown was scored again by junior, Greg Schilling who ran 10 yards. The "fighting Dons" made the conversion and the score remained 13 to 7 at the half.

The Dons came back with 3 touchdowns and 1 safety in the third quarter. Greg Schilling scored 2 of the touchdowns while "Alibi", Al Lobos scored 1 touch down. The safety was made by Notre Dame's guard, Tom Francisco.

Notre Dame didn't score in the fourth quarter but their excellent defense held their opponent scoreless in the quarter.

Next Saturday the "Fighting Dons" will travel to Aurora, Illinois to play their second conference game against Marmion. Last year the Dons defeated Marmion 26 to 13 at Notre Dame.
