Emphasizing he believed much of his criticism pointed to unorthodox activity at the polls, he said election officials at the polls were not performing their duties.

Marciano, a school teacher undismayed by his observations, said he has full intentions of running again. "Again" is likely to mean at next year's election.

Blase, Mayor of Niles with a membership card (honorary) in appreciation for his generous contribution to the Guild to further its plans to promote the graphic arts in the Niles Community.

Art Guild Honors Mayor With Honorary Membership

The Niles Art Guild is but a few months old but many residents recognize the potential of the group in the prestige it brings to the Niles Community. In appreciation for its strides, the Guild was recently the recipient of a donation from Mayor Nicholas B. Blase to further its efforts in the advancement of the graphic arts. Grateful for the contribution, the membership voted Mayor Blase an honorary membership. Mrs. Edward Walger and Mrs. Robert Berles, president and treasurer, respectively and organizers of the Niles Art Guild visited Mr. Blase in his offices to personally express the thanks of the Guild and present him with his honorary membership card. Mr. Henry Fay, the photographer-member accompanied them to record the official ceremony, which Guild members hope will be the first of many to follow.

The first major art fair of the Niles Art Guild will be held on May 23 and 24 (Saturday and Sunday) along the malls of the Lawrencewood Shopping Center, Oakton and Waukegan, Niles.

million dollar efficient, its time government came to our towns. As long ago as 25 to 30 years the well-run towns along the North Shore shifted to this type of government, but the political hacks in our areas never released the reins. This indeed is a bonafide issue.

In Morton Grove the need for a full-time fire department is another basic issue. The political hopefuls who attempt to unsheathe the present good-ness blood and guts issue here. And the defenders of the present policy would have a hard time proving the present department is up to neighboring towns. If the efficiency is less the safety and welfare of the community is being bargained with. Again, this is a genuine issue.

In Niles, the issues may take a big back seat to a personality battle. Blase, enjoying the Mayor's role to the hilt, will battle with fury, one and all, who aim to topple him. Out of his own party Ken Scheel may come, and the battle would then be a merry one for the top seat, Scheel, the boy next door, and Blase, cigar-chomper, gruff-talking, politically-indifferent, would enter center-ring. The battle would likely evolve around the image they create, rather than any issues.

We're now into the final 52 weeks of next year's campaigns. The issues and the images, which may have been lacking the past three years, will begin to evolve. The headlines will be loud and black, the political lambs will become tigers, and the annual four year circus will have a political calloppe, complete with brass rings and brassy riders. Let's hope the guys who grab the brass rings don't go around in circles after they jump off the political whirligig.

Nilehi Teacher Slow-Down OK'd; Re-Hear Expulsion Case

The vote was 5 to 2. By the same vote, the board decided to suspend Joel Wolf, of 9048 Kenneth, Skokie, until a final decision is reached after a rehearing of the case next Monday.

The District 219 School Board agreed to reconsider its previous decision to permit the 17-year-old senior home tutoring so that he could complete graduation credits.

From The Left Hand

Monday night's Nilehi meeting was emotion-packed.

The vast majority of the audience sided with the teachers. Businessman Richard Mayer stated the main issue is: "Will the authority of the administrators and the teachers be backed up?" Mayer went on to say "ten-agers believe 'parents can get them off' (whenever they're in trouble)". He re-litigated "The question is the undermining the control of the faculty-- for every student is undermined".

Mrs. Wolf, mother of the boy in question, spoke harshly against the teachers' union. She spoke of the power of the teachers' union, and likened their action to Jimmy Hoffa's power and actions. "She said she had threatening letters from the teachers and offered them in evidence. Board president Man disallowed accepting of the letters.

Mrs. Wolf, her voice cracking with emotion, said she had received "100's of phone calls". The inference was the calls were not friendly.

She then asked the audience how many of the teachers present (about 130) had actually known her son, or had taught him. Two hands were raised. She went on by saying she was fighting the principle of the union (?). She asked if this altercation was "Good community living" and she said she was a taxpayer paying \$1000 a year in the community.

A teen-age student walked to the microphone and said the teachers at Nilehi weren't "unduly hard" and that "he shouldn't get away with it".

Philip Smith spoke before the mike, saying the school board would be courageous in its action.

An unnamed man spoke of our competing against the Russians, and was met with group consternation from the audience for his remarks.

The teacher-dominated audience applauded loudly remarks favorable to their demands for expulsion, and waited perceptibly at opposing views.

The vice president of a student group at Nilehi East arose and apologized for 400 students who had demonstrated there last Friday, obviously sympathetic with the errant student. He said the 1500 figure attributed to the demonstrators was erroneous, and he had come to apologize.

Further Plans To Enter Niles As 'All American City'

The Jaycees are proceeding with their plans to enter the Village of Niles in the Look Magazine "All-America City" contest for 1964. The members are now starting the task of gathering the information and data.

"If you have an y revelant facts," said McAndrew, "a phone call to myself at YO 7-6843, to Kenneth Cohen at CY 9-3511, or to Walter Zinn at CY 6-5698, will give us a tremendous start on our big project. As the Jaycee tiger would say: 'I'm proud of Niles... now, let's tell America!'"

'Open House' At St. John Brebeuf Huge Success

The doors of St. John Brebeuf School in Niles swung open in hearty welcome to a new class of students last week. April 21 and 22 marked the first "OPEN HOUSE" for parents of the 1585 boys and girls attending the school. Parishioners were given the opportunity to see their school in operation and over 800 parents responded to the invitation.

Parents of students in grades 1 through 4 visited on April 21 from 9:30 to 11:00 A.M., and from 1:15 to 2:30 P.M. Grades 5 through 8 followed the same schedule on April 22. 5 Nilesites Chosen To Run Hospital On Land

Tuesday trustees approved five Nilesites for directors on the nine-man board which will administer policy for the Niles Community Hospital. The 93 bed hospital, which as yet has not received state approval, will convert the present Pleasant View Convalescent Home on Touhy Avenue, across from the Niles Public School, into a medical-surgical hospital.

Nilesites, who will comprise the majority number on the nine-man board include Albert Greengard, Niles Druggist, Edward Ciccone, sewer contractor, and Bank of Niles director, F. Zastopa, a local industrialist, Trustee Ed Berkowski, and Niles Mayor Nick Blase.

Trustee Ken Scheel was the lone dissenter voting against the selected directors. Scheel told THE BUGLE he voted against this selection, partly because the project has not been approved by the state, and partly because he did not approve one or more of the selectees.

In other actions trustees approved increasing the fire department officer cadre by adding a sixth lieutenant. They had previously approved an increase but withdrew it at a subsequent meeting.

One-half of Main Street will be constructed by the village between Sherman and Harlem. Resident T.V. James and St. John Brebeuf will dedicate the street to the village and Niles will pay \$11,185 for the paving of the street and curb. Blase and Trustee Bruno explained if the village condemned the street, and then made the owners pay for the street, the condemnation process would be a long one.

Mesdames Brand and Meyer were elected for six year terms. Continued on Page 16

Pay Down Payment

Nilesites to go to the polls Saturday, July 25, to vote for a permanent library building and library site, THE BUGLE learned Wednesday.

This week the library district paid a down payment on the "Franson" property on the north side of Oakton Street, approximately one-half block east of Waukegan Road. The property is one and a quarter acres and will cost about \$73,000.

Part of the payment of the property comes from funds donated to the library district from Niles Days and other contributions. This year it is estimated about \$5,000 may come from Niles Days to be used for part of the land purchase for this project.

Surprise Candidate Wins Library Seat

Niles April 14 library election had a surprise winner, it was learned exclusively by THE BUGLE Tuesday, Arlene Brandt, 7018 Carol, topped the three candidates who ran for election. Her 1,653 topped Eva Meyer, incumbent candidate who was re-elected, and who had 1,605 votes, and defeated candidate Isobel Curtin who lost with a 1,517 vote total.

Mesdames Brand and Meyer were elected for six year terms.

Boy Scout Troop 45 Attends Spring Camporee

The Semi-Annual Spring Scout Camporee of Maine Ridge District was held at Deer Grove, Quinlan and Dundee Rds., for three days, April 17, 18 and 19.

Scouts and leaders slept through thundershowers the first night out, but spent an activity-filled Saturday. Shortly after darkness on Saturday evening, hundreds of scouts filed in silence, single file, along a trail lit only by flickering signal lights, to the site of the camporee bonfire. Troop 62 of Niles and troop 104, Park Ridge, supervised a program which took the scouts through the various phases of the development of the United States up through the 1960's.

At the close of the program the boy scouts and their families (who were guests) again filed through the black night in flickering silence to the camp of the Order of the Arrow. Amid the beat of tom-toms, the Chiefs of the Camp tapped out the scouts who "best exemplified the spirit and high standards of scouting," as future members of the Order of the Arrow. The boys chosen were put under oath of strict silence until the next morning.

Attending the Spring Camporee were scouts of troop 45, Terry Ennis, O.A., Keith Hayden, O.A., Jerry Tabert, Bruce Potenza, Steve Zider, Mike Theis, Carl Hahn, Terry Allen, M. Hoffman, J. Lowe, Keith Grendel, John Norton, W. Grunzyski, and the two scouts honored by Order of the Arrow, Chuck Bobula and John Ascunzio. Scoutmasters were Joe Nieschowitz, scoutmaster; Ed Tabort, Charles Bobula and Fred Potenza.

Troop 45, Niles, was awarded two red ribbons for events participated and a "well-done" for their campsite.

Another Morning... Beth Elohim Reform Jewish Congregation

by Frieda Aron 966-9669

The flags flew, the band played, the dignitaries spoke, cut the ribbon and the Skokie Swift was launched on its six 1/2 minute giant step to and from Dempster St. in Skokie and Howard St. in Chicago. The parking lot for 350 cars was neatly waiting, the kiss and drive area was ready (where Mrs. Suburbia drops Mr. Suburbia with a peck and a wave. He goes off to an exciting day at the office and she goes back to her action-detectors.) The line stood six deep and 1/2 mile long as the underprivileged children of the century were being treated to a free train ride. Not because it was free, for after all everything comes naturally to our kids and they deserve it!!!!

Time was when we begged to be allowed to ride in Daddy's car, no matter that it was only a truck with boxes for seats. (Madame, your chronological years are peeping through.) Only the rich or a doctor was privileged to have a chauffeur on four wheels. Now, the children are bored with the family car, (at least until they are sixteen and need to impress their friends) and they are waiting patiently, flayed by the chill wind and biting air, thrilling to the toot of a train and excited by the thought of boarding that single-car running on a track. Is this uncommon phenomena a return to the simple joys of life? Cameras were abundant as they recorded the awe-inspiring event. A train was running in the suburb! There was a feeling of togetherness that was heart-warming. And then as always, came the kiss of death to this touching scene. A lovely family group passed before me and I admired their physical appearance and unity. The charming young mother and good-looking young father were hurriedly guiding their two little ones ahead of them, back from the wrong waiting line. Mother dear, in a voice full of bile and spite, said, "Daddy is stupid, as usual, taking us there, instead of here." Daddy dear just walked along, without a murmur. Ah—this matriarchal society! My thirteen year old son, reading this over my shoulder says, "The train should take them to a marriage counselor!"

The young Negro school teacher from St. Louis, we met on a train one Sunday morning and invited to our home for the Passover Seder, sent us a lovely letter, and here is a part of it: "I've talked about my visit to your home constantly since my return. Never before have I met a more friendly family and warm, too. Your children are very human, warm and just beautiful. I love them for accepting this way of life and you for teaching them. You are to be commended for your beliefs and practicing and expressing them publicly. My mother informed me we're Northern Baptist, however she could not explain the difference. (Hal Hal Hal 'Hal') I was in error; I said she was Southern Baptist.

Maine East Musical Huge Success

Excellence of staging, music, costumes and scenery is the reason for overwhelming public demand for tickets to *My Fair Lady*, Music Booster officials for the show at Maine East high school declare.

"We still have good tickets for Thursday night," said Mrs. Merton Knapp, in charge of ticket sales, when interviewed on Monday. Some good seats for Friday and Saturday remained at that date. Maine's auditorium seats a few more than 1500.

"We are particularly happy with the service received from Tracy Music Library in Boston," said Lloyd Spear, music department chairman and general manager of the show.

"Word has gotten around that our costumes and scenery have been newly designed by the Tracy company. Everyone wants to see shows when they open with entirely new settings, lavish and colorful costumes, and specially arranged music.

"The fact that the Tracy company has gone to unusual lengths to provide all this material particularly for us makes it possible for us to promise our audiences a show mounted with dash and style superior to past musicals we have presented."

This is the fourth year in a row the Maine Music Boosters and the high school music department have selected the Tracy Music Library as supplier.

On March 14, Mrs. P. B. Metcalf, the company's president, flew here from Boston to consult with show officials. Scenery and costumes were planned then, have since been constructed in Boston, and are being flown to O'Hare this week.

"We should receive some material this week," Spear said. "Everything will be ready for dress rehearsals Monday, Tuesday and Wednesday, May 4-6."

The Lerner-Loewe musical, which has had a long and popular Broadway run, will be presented by Maine East students in the school auditorium Thursday, Friday and Saturday of next week.

Mrs. Metcalf has sent word

to Spear that she will attend the Saturday show, bringing with her various show people who want to see the new costumes and scenery, so important to the show's success.

Three separate casts of main actors have been trained by Mrs. Ruth Given of the English faculty, for the performances.

Players on Thursday will be Linda Van Arsdell as Eliza, Paul Nouring as Higgins, Mike Kaye as Freddie, Keith Bishplinghoff as Pickering, Wendy Kartinos as Mrs. Pearce, Steve Goodman as Doolittle, Diane Link as Mrs. Hopkins, and Laura Davies as Mrs. Hill.

The Friday cast will include Jeanne Snodgrass as Eliza, Mike Kaye as Higgins, Joe Trytten as Freddie, Dave Stout as Pickering, Lynn Adler as Mrs. Pearce, Roger Vogele as Doolittle, Laura Davies as Mrs. Hopkins, and Terry Knowles as Mrs. Hill.

Saturday's troupe will have Kathy Krystyniak as Eliza, Larry Wilson as Higgins, Mike Kaye as Freddie, Keith Bishplinghoff as Pickering, Wendy Kartinos as Mrs. Pearce, Steve Goodman as Doolittle, Diane Link as Mrs. Hopkins, and Laura Davies as Mrs. Hill.

Bruce Brothers To Coach Basketball At Maine East

Milo S. Johnston, principal of Maine East High School, announced yesterday that Bruce Brothers, freshman coach at Waukegan High School, has been employed to coach varsity basketball, beginning in September.

"Brothers comes to us highly recommended," Johnston said. "His career as a high school and university basketball player was outstanding. As a coach he has performed at top level. We welcome him warmly as our new varsity coach."

Brothers succeeds Bernie Brady, who moves to Maine South in the fall.

In his work at Waukegan, Brothers has coached his teams to the suburban league title four out of the five years of his tenure.

The new coach is 30 years old, stands 6 feet 5 inches, is married and has two small children, Bruce and Thomas. He was born in Quincy and passed through grade school in Coatsburg, Ill.

At Quincy high school, Brothers starred on the court and was selected as a member of the all-state teams of 1951 and 1952. At the University of Illinois, where he majored in physical education, he was named most valuable player in his senior year.

Brothers was married shortly after graduation and spent the next two years in military service, moving with his wife to Fort Carson, Colo. He went to Waukegan as soon as his service ended. While there he attended Roosevelt university classes in Chicago and received his master's degree in school administration in 1962.

"We are glad to have Bruce Brothers with us," said Bud Gates, Maine's assistant athletic director. "His reputation is excellent and we look forward to successful seasons under his coaching."

Waukegan's principal, director of athletics, and basketball head coach recommended Brothers in the strongest terms, in letters to Gates.

"He has had exceptional success in developing boys as well as in winning games in his assignment here," wrote Principal George W. Latham.

"We at Waukegan are proud of his achievements and would like to have him remain... I would recommend him very highly for the position as head coach at your school," stated Leo L. Singer, Waukegan's director of athletics.

Jack Miller, basketball coach at the upstate school, said that Brothers "has had an outstanding record at the freshman level... he is well liked and respected by the students and by his fellow teachers."

Asked for comment on his appointment, Brothers replied, "I am very happy to move to Maine East. I look forward to it as a tremendous opportunity. I want to thank my well-wishers at Waukegan for the cooperation and loyal support they have given me and my teams. I shall work at Maine East to deserve the same consideration from students, faculty and townspeople there."

Brothers said that he had not made plans for moving into Maine township but would announce them later.

Thanks From The Bachers

To all my friends who made my retirement party something that my wife and I will remember the rest of our lives, thank you.

Mrs. Bacher and myself will remain forever grateful.

Bless all of you.

Mr. and Mrs. Charles Bacher

Thanks From Woman's Club

Dear Mr. Besser:

May I take this opportunity to express my thanks for the many kindnesses you and your staff have extended to me during my term as publicity chairman for the Morton Grove Woman's Club.

It has been a very rewarding year for our club. Our Youth Book placed first in the Illinois Federation of Women's Clubs "Youth in the News" Feature Story Contest. The Press Book that was entered in the Tenth District of the Illinois Federation of Women's Clubs contest won a first place award also.

The co-operation of the Bugle helped us to achieve these goals.

This year has been a most pleasant one for the Publicity Chairman and her committee. The committee, Mrs. C.J. Buswell, Mrs. Frank J. McCue, and Mrs. John Verdin join with me in wishing the new Publicity Chairman and her committee a most successful year. The Publicity Chairman for the 1964-1965 term will be Mrs. Percy Schramke, 5704 Carol.

Thanks From Post 134

Our many thanks for the coverage you gave our Nurses Scholarship Fund Pancake Brunch held on April 19th.

We would also like to publicly thank the more than twelve hundred people who came to our affair and ate the pancakes prepared by our Post's Explorer Scouts. These scouts are a wonderful bunch of boys who are fine examples of the youth in our community.

Thanks again.

Sincerely,
Al Nebart, Nurses Scholarship Chairman

Niles Art Guild To Hold First Art Fair

The lively new Niles Art Guild announces its first Art Fair to be held on May 23 and 24 along the malls of the Lawrencewood Shopping Center, Oakton and Waukegan, Niles. In the event of severely inclement weather, the Fair will be postponed until June 6 and 7. An invitation is extended to local artists to participate by contacting the Guild's exhibits chairman, George Walflein, 6802 Lowell Ave. in Lincolnwood by mail or phone him at OR-3-3529 or co-chairman, Angelo Gherardi, 6928 Jonquil, Niles, 967-6529.

The next session of art classes for children will begin on April 18 in the art gallery, store 229 Lawrencewood Shopping Center. Two sessions will be held, one in sketching and painting, another in arts and crafts. Many of the students in the current classes plan to continue, so applicants will be accepted on a first come, first serve basis.

The names of several teens who are interested in summer art classes, have been received by the Guild. It is necessary to have a list of at least 15 before these classes can be initiated. Young people who wish to be included in these classes for students with past art training or those wishing an advanced class in art may stop in at the gallery during the hours of 7 and 9 p.m. on Tuesday and Friday, Saturday from 10 a.m. to 5 p.m. or Sunday from 1 to 5 p.m. and leave your name with the attendant, to be contacted about class dates. Adults wishing to indicate interest in oil painting, water color or sculpture may follow the same instructions.

At the regular meeting on April 1 the following members were seated as board of directors to serve for one year:

East Maine Jr. High Sets Up Orientation Program

East Maine Junior High School offers an orientation program for students and parents every Spring. It is the belief of the administration that all sixth grade students coming into junior high in the Fall, as well as their parents, benefit a great deal from this program which gives them an opportunity to become familiar with the procedure, objectives and rules of the school.

Friday, May 15th - Mark Twain and Ballard Schools at Ballard from 1:00 to 2:15 P.M.

The students will be transported to the proper school by bus and the parents will go directly to the school indicated.

Mr. Latney Field, principal of East Maine Junior High School, "hopes that parents will recognize the importance of these meetings and will make a sincere effort to attend the one scheduled for them."

The following schedule has been prepared for the orientation programs this year:

Wednesday, May 13th - Nelson and Oak Schools at Oak from 1:00 to 2:15 P.M.

Thursday, May 14th - Washington and Melzer Schools at Melzer from 1:00 to 2:15 P.M.

**Mrs. Kenneth Cohen Named
Bell Ringer Chairman**

Mrs. Kenneth J. Cohen, 9045 Clifton Avenue, Niles, has been appointed Bell Ringer Chairman in Niles for the 1964 Bell Ringer for Mental Health, to be sponsored by the Mental Health Society of Greater Chicago during the week of May 18 - May 24.

Mrs. Cohen will direct the local door-to-door appeal for funds.

Proceeds from the 1964 Bell Ringer Campaign will support the Mental Health Society's five point program of service, planning, education, action and research to help the mentally ill.

An affiliate of the Illinois Association for Mental Health and the National Association for Mental Health, the Society mobilizes citizen support for the fight against mental illness.

for better mental health services, helps people accept the fact that mental illness is an illness and that the mentally ill can get well and helps organizations secure speakers, programs and literature on mental health.

The Society helps lead the fight to secure urgently needed public funds to guarantee humane care and the best scientific treatment to every mental patient and helps finance research into the diagnosis, treatment and rehabilitation of the mentally ill.

Volunteers are needed for the local Bell Ringer March, according to Mrs. Cohen. People, who want to help, may phone the Mental Health Society at WA 4832-0703.

Niles Firemen Doughnut Day June 12 In Niles & Morton Grove

**Schooled On
Aircraft
Emergencies**

Members of the Niles Fire Department attended classes pertaining to aircraft emergencies and disasters on March 19 and 20. The classes, conducted by Mr. William Mackley, covered evacuation and rescue operations of passengers of downed aircraft. All firemen participated in a simulated crash landing, in which the cabin was darkened and filled with smoke. Emergency escape exits were utilized in the evacuation plan. A familiarization tour of some of the airplanes used by United was also given with particular attention focused on the location of escape and rescue provisions.

The Salvation Army has received official permission to hold its annual area-wide tag day, "Doughnut Day," in Niles and Morton Grove on Friday, June 12, reports Mrs. Howard Olson of Elmwood Park, chairman for the drive.

Niles and Morton Grove will be among the 150 suburban communities in Cook, DuPage, Kane, Lake, McHenry and Will counties that will observe "Doughnut Day" simultaneously with Chicago.

On "Doughnut Day," volunteer taggers will sell the little-brown doughnut-shaped tags that have become familiar symbols of The Salvation Army's help for the needy. The tag day will mark the concluding appeal in the Army's 1964 Operating Fund Campaign to be held from May 25 to June 19. The total campaign goal is \$310,000 with \$165,000 of that amount to be raised on "Doughnut Day."

Tagging locations are being

assigned now and volunteers are urged to write, telephone or visit "Doughnut Day" Headquarters, 8 S. Dearborn St., Chicago; Financial 6-1080.

In Niles and Morton Grove, as in other communities where Salvation Army Service Units are organized, 20 percent of the funds raised in the local "Doughnut Day" drive will remain in the communities. These funds will be used to meet local emergencies, and to finance unduplicated programs of welfare service or health care. Each Service Unit, comprised of representative residents acting on behalf of The Salvation Army, decides how the funds will be used to assist needy individuals or families in the community.

The other 80 per cent of the "Doughnut Day" contributions will help support the social welfare services maintained by The Salvation Army for the unfortunate in the greater Chicago area.

**Area Boy Scouts Sign
For Summer Camp**

Over 250 reservations have been made by Niles and Park Ridge scouts for Camp Napowan, the Northwest Suburban Council boy scout summer camp at Wild Rose, Wisc.

Troop 62, sponsored by the Niles Community church, leads the Niles troops with 21 scouts registered. Scoutmaster is George P. Niesen, 8131 Elmwood, Niles and committee chairman is N. E. Smith, 7939 N. Oconto, Niles.

Other Niles units signed up are troops 1, 2, 17, 24, 33, 50, 52, 76, 78, 104, 105, 108, 123, 201 and 252.

Nearly 1200 scouts from the seven districts in the council have signed up for summer camp, June 17 to August 22. Troop camping is the basis

of Napowan and each boy will receive a better program if his scoutmaster or committee man attends with the troop.

Pioneer camp is for the average scout camping troop. The troop attends under its own adult leadership with its own planned program. The camp staff is available as needed. All meals and camp facilities are included.

Frontier camp is for those cases where it is impossible for troop leadership to attend. Frontier camp includes provisional staff leadership. All meals and camp facilities are included.

Wilderness camp is the rewarding camp with good leadership. The troop will attend under its own leadership, prepare its own meals, and live apart from the main camp. The camp staff and all facilities are available as needed.
