fests once again the importance of a minority opinion. This action is contrary to our most basic beliefs in this country, and as always must be revealed, in hopes that it will not become the law of the land.

All residents have paid for their streets by their homes. Likewise, religious institutions of all denominations have footed the bills for their streets. Village officials have no business using the money of ALL the taxpayers for such a purpose and have placed themselves in an untenable position.

The cost of the street improvement is only about $11,000. But the principle usurped in this instance is of much greater value than the cost of the street. No religious group should be aided or favored with tax money of all the residents. It is the old argument regarding the importance of separating the state from the church. This separateness is a most important tenet of our way of life, and it must be protected most jealously.

Mayor Blase contends if the village condemned the street court costs might be greater than the improvement. He believes this court action is not practical, and emphasizes the street is most necessary to the village.

We, being less practical, contend if court action costs ten times more than the street improvement, it is still preferable than circumventing such a basic part of our lives.

Blase, who must be admired for his candidness, contends everything he does, 'is measured politically', as well as practically. Blase most honestly emphasizes the importance of actions being favorable politically, before they are undertaken.

But despite this candidness and honesty, we can't help wondering if next April's election might be motivating this action.

In Chicago catering to religious and ethnic groups is a most important part of big city politics. But here in the suburbs, any such inclination repels us.

Blase and his friends may be very guilty of offending residents. Thirteen months ago the group surrounding Blase put up one candidate, a relative unknown, who supposedly would attract voters whose religion was the same as the candidate. The Blase forces might have thought this was smart politics, since their unknow candidate brought in votes for the ticket's weaker candidate, who slid back into office as its result.

We thought this was most offensive, since they deliberately chose this man because of his religion, and the accompanying vote which they expected. They didn't concern themselves about the candidate, merely about the votes he could wield for the ticket. Now, Blase, who admits to measuring his actions politically, is using tax money to aid another religious group.

What Blase is unaware of is that if voters thought he was buying them by such crass means they would likely turn on him.

While we use the name "Blase" or the "Blase forces", all the trustees except Wente are guilty of these trespasses. It took 'guts' for Wente to stand against the tide. It was unfortunate he stood alone.

The Morton Grove Suburban Juniors closed an active season with the installation of officers. Shown at the recent dinner dance at Old Orchard Country Club are Mrs. Lawrence Schreiter, new President accepting gavel from retiring President Mrs. Albert Sala. Mrs. Robert Whallon, second Vice President, Mrs. Robert Wagener, Recording Secretary, and Mrs. Robert Young, Treasurer were also installed during the evenings ceremonies.

Al Nehart Named MG Poppy Day Chairman

At their last meeting, American Legion Post #134 Commander, Bill Kramer of Morton Grove, named this year's Poppy Day Chairman.

Al Nehart, 9242 Marmora, will head up Legionnaires and other volunteers who annually conduct Poppy Day in the village. Upon his selection, Nehart announced Poppy Day would be held on Thursday, May 21st.

The Morton Grove Post and its Auxiliary Unit usually canvass house to house and also conclude their drive with volunteers stationed at various intersections throughout the village. The poppies sold are purchased from veterans who are hospitalized. They are paid 7¢ apiece for fashioning them.

This small token payment gives the hospitalized men something to do as well as a little income to enable them to buy something for themselves in the line of clothing, cosmetic items, smokes or other incidentals.

Other proceeds of the Poppy Day sale are turned over to the Auxiliary Unit and the Rehabilitation Committee and they are used for the rehabilitation work at various local hospitals which is so vital to the boys still confined there. Remember these former servicemen on Poppy Day!

MG Safety Committee Lists Rules

The Morton Grove Safety Committee urges all village residents and bike riders to adhere to the following set of bike safety rules. Careful study and application of these safety rules can mean the difference between life and death for our children.

1. Cross Dempster at traffic lights only or where there is a crossing guard.

2. Walk bicycles across streets like Dempster, Waukegan, Harlem, Shermer, Central, Church, Beckwith, Lincoln and Austin or wherever the traffic is heavy.

3. Always ride on the right side of the street (with traffic).

4. Observe all traffic signs.

5. Only one on a bike.

6. Give pedestrians the right of way.

7. Night riders must have front lights and rear reflector.

8. Park bike so you do not block sidewalks or doorways. Park in a rack if one is available.

9. Do not weave in and out of traffic.

10. Ride single file only.

11. Keep bike in good mechanical condition.

12. Do not hitch onto moving vehicles.

13. To prevent your bike from being stolen, always lock it.

Suburban Jrs. Press Book Wins Award

The Morton Grove Suburban Juniors were awarded second place in the press book competition of the Tenth District Illinois Federation of Women's Clubs at a dinner held in Highland Park on April 22.

The second place finish was especially rewarding as this was the first year that the Morton Grove Suburban Juniors entered the combined Junior-Senior competition.

The press book, which is comprised exclusively of all publicity articles achieved throughout the current club year (including newspaper, radio and TV coverage), was compiled by Mrs. Robert Whallon and Mrs. Ronald Schey who were publicity co-chairmen of the Juniors.

name shoving a teacher and other unruly and antisocial actions.

In his report to the board Monday night, Parker pointed out that in today's educational climate the emphasis is on student self-governing habits rather than punishment.

"Teachers work hard to solve any disciplinary problems by counseling the student, conferring with parents, and with the administration," he said. "Chronic cases are hard to solve and sooner or later they must be resolved."

Teachers expect backing from the administration in a critical problem, he noted, but the superintendent makes his own decision whether to take the matter to the board, the only body legally authorized to expel. The superintendent expects backing from the board, he said, whether he gets it or not.

A board member asked Parker why the slowdown wasn't mentioned in the report. Parker said, "We expect teachers to carry out extra-curricular assignments given them. To my knowledge, no teacher failed to carry out an assignment last week."

Board members will meet with teacher and administration representatives May 14 to discuss disciplinary responsibilities.

From The Left Hand

by David Besser
Editor & Publisher

Friday night we saw the second-night version of "My Fair Lady" at Maine High School. Along with the many hundreds who jumped to their feet when the final curtain went down, we joined in roaring our approval. As any good Cockney might say, "We got ar' tuppence worth".

The productions we've seen at Maine are so very professional, we sit in constant awe. Realizing the amazing competence of the teens certainly is a story which should be told over and over again, to combat the bad press teens have long been accustomed too. The excitement, the verve, the freshness and the sheer desire of these young people makes for wonderful theatre. Just as we have long believed that the most exciting sports events are found on the prep fields, likewise the sheer joy of seeing the theatre as it should be, can be seen in today's high schools. To the Eliza Doolittles, and all her cohorts, we'd like to say, 'thank you for a fine evening'.

During the three nights there were several local students who were a part of the casts. To name even one, would be unfair to the many others. However, the oft-complaint of Niles and Morton Grove students, who contend they've been left out of events because they live in those towns, can be taken as plain sour grapes. Saturday night's lead was taken by a Niles girl, and Friday night's male lead was also a Nilesite.

• • •

A lady telephoned Tuesday explaining the need for local Human Relations Committees in our towns. She said she attended a meeting on the North Shore recently and was aware of the lack of representatives from our towns.

We were part of a panel which explored this area two months ago, and have been made aware of the urgent need for just such groups in Niles and Morton Grove. There is no point in hiding our heads under our all-white suburban sands, pretending no problems will exist in the immediate future. The need for preparing and planning for the future in this area is a necessity ... and indeed an urgent one.

We have mentioned before this is an area in which the political leaders in our communities should take the lead. They chose to assume positions of leadership and the residents have given them a mandate to take this lead. In Niles Mayor Blase contends he always measures actions 'politically' before moving forward. Well, this is an area which will not be 'politically' popular ... but it does demand leadership. In Morton Grove, Mayor Schreiber runs a ship with a very even keel. The slightest storm is avoided. But the need for leadership is evident ... and the need for moving constructively in this area is at hand. With less than a year to go before election time, both political forces will likely remain mute.

As always we look to our religious leaders to carry the ball when a moral issue confronts us. It's unfortunate we can't look to our political men to enter the moral area.

OPEN BIDS FOR NEW MILWAUKEE AVE. LIGHTS

Receive Bids From $202,832

Bids for the new luminous lights for Milwaukee Avenue were opened, read and submitted to committee for study at Tuesday's trustee meeting. The bids ranged from a low figure of $202,832.50 to $237,761.50. According to public officials they believed the figures for the project were less than anticipated. They also voiced opinions the competitive bids were within a relative close range of one another.

The proposed lighting construction should begin after the May 25 Board meeting (when the selected bidder is announced) and is anticipated for mid-June. Mayor Blase told THE BUGLE the entire construction should take about three months.

The lights will be placed on aluminum poles on Milwaukee Avenue extending from Albion Avenue to Golf Road.

Blase also announced the state is now "letting bids" for the four-way stop light at Milwaukee and Dempster with installation likely to be in June. He added it can be expected a stop light at Main and Milwaukee should be bid upon within the next two weeks. The third stop light at Milwaukee and Ballard Roads should be installed during this same period.

In other actions trustees sent to committee a proposal for a 5-story office building at 7850 Caldwell Avenue, on the old Bornemeyer property. The proposal has a parking lot for 120 parking spaces, and a swimming pool may be built on the roof of the building.

.....Blase announced May 18 to 25 is Mental Health Week.

.....January sales tax return is $26,836,42.

.....Approved an ordinance for the making of Oriole and Ottawa Streets two-way streets between Oakton and Milwaukee. Resident Joe Kenske, aided by a petition from neighbors, requested the action.

.....Adopted resolution that the Plan Commission consider increasing apartment parking areas from 1 1/2 cars to 2 cars per apartment.

.....The 50-50 sidewalk plans are still under study in committee.

.....April fire calls answered were 134 calls.

New Woman's Club President

Mrs. William Curtin, newly-installed president of the woman's Club of Niles, receives the gavel from retiring president, Mrs. Leon Friedman. Looking on are (l. to r.) Mrs. Chauncey W. Olson, first vice-president, Tenth District; Mrs. William D. Egan, Tenth District President; and Mrs. Joseph Bernhard, Tenth District past president.

Proclamation

WHEREAS, it is customary to observe CLEAN UP WEEK every Spring throughout the nation, and

WHEREAS, many fires are caused by carelessness and by the needless accumulation of debris, and

WHEREAS, such observance calls for action on the part of all local residents by eliminating fire hazards and by devoting this week to keeping our community clean and orderly.

NOW, THEREFORE, I, NICHOLAS B. BLASE, PRESIDENT of the Board of Trustees of the Village of Niles, Illinois, do hereby urge the citizens of this village to observe CLEAN UP WEEK from May 16th - 22th, 1964, so we will have a community of which we can be proud.

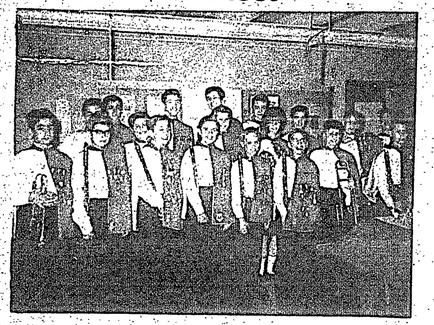
DATED this 27th day of April, A.D. 1964.

Nicholas B. Blase
President of the Village of Niles, Illinois

Sets Week Of May 17 As Baseball Week

Mayor Blase of the Village of Niles has set aside the week of May 17 as Baseball Week to coincide with the opening of the 1964 baseball year for the Niles Baseball League. Opening day festivities on Sunday, May 17, will start at one o'clock with a parade of all Peanut and Little Leaguers in uniform. The parade will start at the Lawrencewood Shopping Center parking lot and lead to Grennan Heights Field. At the field, ceremonies involving prominent personnel from the Village and Park District will set off a Little League game on Diamond #1 and a Peanue League game on Diamond #2. The Pony League will display their talent on Diamond #5, Touhy and Franks, at five in the afternoon. The entire population of the Village and their friends are welcome to these games which involve nearly seven hundred youngsters living in the Village.

Niles School Band Among Tops



(Front row, from left to right: Paul Loverde, Bruce Bianchi, Alan Mandell, William Kretschmer, Raymond Peck, James Mueller, Robert Fox and Robert Anderson.

(Rear row: Raymond Pagni, Robert Cashatt, Robert Grauman, Chris Peterson, Gary Gundlach, William Torenko, Carl Peterson, Mary Beth Norling, James Zalesny, Richard Eichkoff and Joel Wiesneske.

Two additional winners, John Dedes and Michael Pysno, were absent at the time this photograph was taken.

Although the concert band from Niles public school, district 71, just missed the highest rating at the annual regional state contest, which was held Saturday, April 25 at the Ridgewood high school, Norridge, Illinois, all of the instrumental ensembles and seventy five percent of the individual contestants achieved the highest grade. The temporary chagrin of the entire concert band over just missing the top rating by one point was soon changed into determined optimism by the magnetic school band director, Richard Robertson, along with the supporting arms of Clarence E. Culver, superintendent and host of parents and friends for whom it was naturally difficult to understand the decision of the excellent judges but accepted it graciously as a challenge, awakened to the need for more work and zest rather than rest.

Letters TO THE EDITOR

Street Paving Dispute

Dear Mr. Besser:

I found your "Left Hand" column in the May 7th issue very interesting. The main interest was the dispute regarding the payment of the street for the new St. John Brebeuf church.

I live on the 6800 block of W. Keeney St. in Niles. The street is half the width of other surrounding streets and about 60% of the opposite side of this street has been purchased by the Niles Park District. When I asked about the pavement of this street I was told the Village could not pay for it.

This property is village property and the park property is also part of this village.

The church property is tax free and has daily income, yet the village cannot pay for its own. Why???

Very truly yours,

Mrs. Anne Schutt
6812 W. Keeney St.
Niles, Ill.

Flooding

To Whom It May Concern:

Last week I sent in my property tax bill which was almost $500.00, this has been approximately at the same level for the last 7 years. In this length of time I have been getting flooded out every year sometimes twice a year.

I have written letters to the Mayor of Niles and received no replies as to what they intend to do about the flooding. I have statements from the builder of my home stating there is nothing wrong with the sewers on my property. Therefore I feel the problem lies with the City of Niles.

You would think that after sending letters to the Mayor of Niles and The Public Works Department some action would be taken. So far he blames the trouble on the builder. If I can not get any results from the Mayor of Niles who do I see then?

Thank you,
William Wilwers

Niles Public School Offers Summer School Program

The Board of Education has again approved the operation of a summer school program for the children of school district 71, in Niles. As in the past, the primary purpose of this summer program is to provide an opportunity for additional help in basic subject areas to youngsters who are in need of more individualized attention, or who want to improve their basic skills.

We hope the following comments will help to acquaint you with the proposed classes:

1. Beginning date is June 15, 1964. Instruction ends July 24, 1964.

2. Mr. Culver, Superintendent of the Niles Public School, will be in charge of instruction. All instructors will be members of the Niles Public School Staff.

3. Instruction will consist of classes in remedial arithmetic and remedial reading. Each class will be of 1-1/2 hour duration.

4. Remedial reading classes will begin at 9:00 A.M. and end at 10:30 A.M. Remedial arithmetic classes will begin at 10:30 A.M. and end at 12:00 P.M.

5. The fee which includes books and teaching materials, will be $25.00 per class and is payable at the time of registration.

6. Classes will be limited to 15 pupils.

7. Summerschool enrollment will be opened to all students enrolled in school district 71. Non-resident students may enroll to complete individual classes to 15.

8. School District #71 will not provide transportation for summer courses. The parents are responsible for the transportation of their children.

9. We do not recommend enrollment unless a child can attend the full six weeks.

10. In all cases before enrolling your boy or girl you should discuss the summer school program with your child's teacher. No child will be enrolled without a teacher's recommendation after a parent-teacher conference.

11. Registration will be held during the day of May 22, 1964, between 9:00 a.m. and 12:00 noon for students enrolled in Niles Public School. Registration will not be accepted after May 29, 1964. This deadline must be observed in order that the staff can be secured and instructional material ordered. Registration for non-resident students will be held June 2, 1964, between 9:00 a.m. and 12:00 noon.

12. Children in grades 1 through 3 that have failed one or more major subject areas—arithmetic or language arts will be failed, and cannot make up these subjects by merely attending summer school.

13. Children in grades 4 through 8 that have failed 2 or more major subject areas — arithmetic, language arts, social studies and science will be failed, and cannot make up these subjects by merely attending summer school.

14. Summer school in no way is a means for promotion. Summer school is merely an opportunity to improve in subject areas where youngsters need more individualized attention, or who want to improve their basic skills.

15. At the completion of summer school, a written report will be made to the parents regarding the child's progress. A copy of this report is also sent to the pupil's next teacher in order that she may be aware of and continue the work that has been completed during the summer.

16. Should you have any further questions regarding the summer school program, please fell free to call Mr. Culver, Niles 7-9752.

Every Child Can Compete

Niles Jaycees Sponsor Junior Sport Jamboree

The Village of Niles Jaycees is sponsoring its first Junior Sport Jamboree in cooperation with the Illinois Jaycees and the Illinois Youth Commission.

The Junior Sports Jamboree is a competitive track program for boys and girls ages 10 to 15. With the slogan "Every Child Can Compete," the express purpose of the Jamboree is to involve those youngsters not presently participating in competitive programs. To participate, a youngster need only the desire to compete. In addition to the obvious advantages of physical fitness, for many it will be their first chance for personal recognition and self-development of their physical abilities.

Contestants will compete in the following age divisions; Midgets, 10 and 11 years; Juniors, 12 and 13 years; Intermediates, 14 and 15 years. The events include 50 and 75 yard dashes, broad jumping, relay races, and baseball throws. There are some variations in distances and events among the different age groups as well as between the boys' and girls' events.

This meet will be held on Saturday morning, June 27, at the East Maine Junior High School. The winner of each event qualifies for the sectional competition, and the winners at the sectional qualify for a free trip to the State Meet.

The varied and numerous events will require many timekeepers, judges, and starters. The Niles Park District is giving its full support and help, but more help will be needed. Fathers who would like to assist on June 27, please contact Mike Linderman, 296-4824.

All contestants will receive certificates of participation from the Jaycees, and the State winners will receive beautiful trophies.

Entry blanks may be obtained from the Village Clerk's Office, the Grennan Heights Field House, and Pearson's Music Store in Golf Mill. The entry blanks must be returned by June 15.

The Jaycees would welcome new members who are interested in this dynamic group. Young men from 21 through 35 should contact Sid Frolkis, the membership chairman, at 965-2333 for further information.

Bell Ringer March For Mental Health May 18-25

By proclamation of Mayor Nicholas Blase, the week of May 18-25 has been set aside for the "Bell Ringer March for Mental Health."

Mental illness is one of our nation's number one health problem, with more people hospitalized with mental illness than with all other diseases combined. In addition, one person in every ten has some form of mental or emotional illness requiring psychiatric treatment.

In an effort to cope with these awesome figures, the Mental Health Society of Greater Chicago is spearheading a five point program of service, planning, education, action and research.

The many women who volunteered to assist in the campaign are invited by Mrs. Kenneth J. Cohen, Bell Ringer Chairman, to a meeting of all the marchers on Saturday, May 16, at 2:00 p.m. The informal get-together will be held at the Devonshire Community Center, 4400 Grove, Skokie.

Sid McCoy To MC Notre Dame Jazz Show

Sid McCoy, well known WCFL jazz personality will act as narrator and master of ceremonies for Notre Dame's annual Jazz Panorama on Friday, May 15th at 8:00 P.M.

This annual concert presented by the Melodons of the Notre Dame Jazz Lab will feature some of the arrangements of modern American music that won the band acclaim in their recent appearance at the Collegiate Jazz Festival at Notre Dame University.

The program will include compositions that have come to be recognized as jazz standards along with some original works by the members of the Jazz Lab. Emphasis in this year's concert will be placed on the solo abilities of the students. The music will be largely in the idiom of Count Basie and Stan Kenton.

The Melodons under the leadership of the Rev. George Wiskirchen, C.S.C. have over the past years established for themselves a nationwide reputation as being one of the finest high school jazz ensembles in the country. This is evident from the invitations to perform at clinics and concerts that come from various colleges and educational organizations.

Father Wiskirchen is recognized as one of the leading authorities on the subject of jazz in education. In addition to directing the Melodons he also conducts the Jazz Workshop of Northwestern University. He is the author of a regular feature column in Down Beat magazine and has given clinics this year in Illinois, Iowa, Wisconsin, Indiana, Florida and Texas.

Also featured on the program will be several numbers by the Dennis Gardino Sextet, a small group made up of members from the big band.

The following from the Niles and Morton Grove area will be participating in the concert:

Niles: Larry Bobrowski, 7208 Lee St., Michael Feehan, 7415 Main, Gary Romans, 8553 Ozark, Jerome Thode, 8243 Odell and Bill Wisniewski, 8411 Osceola.

Tom Tryon in the title role, left, and director-turned-acter John Huston as Cardinal Glennon are shown above in a scene from Otto Preminger's "The Cardinal" at the Golf Mill Theatre in Panavision and Technicolor. The repeat showing of this film starts Friday.

At Golf Mill

Otto Preminger's "The Cardinal," nominated for six Academy Awards, is booked for a return engagement at the Golf Mill Theatre starting this Friday. The film played the Golf Mill in early April and is being brought back by popular request for one more week.

Tom Tryon, Romy Schneider and Carol Lynley share the starring roles.

As a special treat for the children, the Golf Mill will have a kiddie show at the Saturday matinee. Doors open at 1 p.m. and the cartoons start at 1:15 p.m. followed by the kiddie feature, "The Littlest Hobo" at 2 p.m. The feature film is a tender story of a boy, a dog and a lamb. Program ends at 3:15.

Mayor Nicholas Blase is about to "ring the bell" for mental health. Mrs. Kenneth J. Cohen, Bell Ringer Chairman, accepts the first donation while Mr. Kenneth J. Cohen, General Chairman, looks on.

Ken Cohen Named Niles Bell Ringer Chairman

Kenneth J. Cohen, 9045 Clifton, Niles, has been named Niles Community Chairman for the 1965 Bell Ringer Campaign for Mental Health, to be sponsored by the Mental Health Society of Greater Chicago during the week of May 18 – May 24.

Mr. Cohen is a member of the Village of Niles Planning Committee and Zoning Board of Appeals. He also is Chairman of the Niles March of Dimes campaign.

Proceeds from the 1964 Bell Ringer Campaign will support the Mental Health Society's five point program of service, planning, education, action and research to help the mentally ill.

An affiliate of the Illinois Association for Mental Health and the National Association for Mental Health, the Society mobilizes citizen support for the fight against mental illness.

The Mental Health Society of Greater Chicago serves Cook and Lake Counties as the major spokesman for private citizens on behalf of the mentally ill.

It helps people locate appropriate treatment for the mentally ill, encourages volunteers to enroll for service, aids communities and agencies to plan for better mental health services, helps people accept the fact that mental illness is an illness and that the mentally ill can get well and helps organizations secure speakers, programs and literature on mental health.

The Society helps lead the fight to secure urgently needed public funds to guarantee humane care and the best scientific treatment to every mental patient and helps finance research into the diagnosis, treatment and rehabilitation of the mentally ill.

Woman's Club Of Niles Installs New Officers

An installation and honor ceremony highlighted the May 2 Annual Spring Luncheon of the Woman's Club of Niles held at the Tiffiny Restaurant in Niles.

Mrs. Chauncey W. Olson, Tenth District first vice-president, read an invocation and Mrs. William D. Egan, Tenth District president, lead the ceremony formally installing the following new officers:

Mrs. William Curtin, president; Mrs. Walter Kramer, first vice-president; Mrs. Ernest Dettmar, treasurer; Mrs. Warren Unrath, corresponding secretary; Mrs. William C. Baum, program chairman; Mrs. Donald Huebner, social chairman; Mrs. Frank Hanson, ways and means chairman; Mrs. George Pierre, philanthropy chairman; Mrs. George Wegner, publicity chairman; Mrs. Timothy Hanrahan, revisions chairman; and Mrs. Edward Walger, fine arts chairman.

A certificate of award was presented to Mrs. Walter Kramer, whose poem entitled "Rainy Day Blues" won a second place award in the children's poetry class of the Tenth District Literature Contest. An honorable mention was announced for poetry submitted by Mrs. Max Gilardon. Mrs. Friedman accepted a special Tenth Birthday Award for the Woman's Club of Niles presented by Tenth District President, Mrs. William D. Egan, in appreciation for the club's efforts in Federation work. Mrs. Leon Friedman was also presented with the past-president's pin and the pressbook as a token of appreciation of her accomplishments throughout the past year.

A new season for the Woman's Club of Niles will open in September with the club's Membership Tea – the date and time to be announced.

"Fly Up" Time For Brebeuf Brownies

On May 13, St. John Brebeuf Brownie Troop 682 will hold their "Fly Up" ceremony at Lawrencewood Community Room, Mrs. Donald Kennebeck and Mrs. R. Mack are leaders of this troop. Part of the program will be a march to the tune of the latest Girl Scout Song "The Growing Tree," followed by the presentation of the flag and a skit on the history of girl scouting. Mrs. Leona Mack will pin the wings on each Brownie as she "flies" into junior scouting and Mrs. Joanne Kennebeck will present each girl with her year pin. The girls will cross a decorated bridge and the familiar candlelighting ceremony will follow.

Refreshments will be served by Mrs. C. Dubas, Mrs. T. Philbin, Virginia Vaughn, Ellen Heidkamp, Linda Elisco, Patricia Allen, Denise Wagner, Cathy Siemionko, Mary Ann Wisniewski, Donna Haywood, Kim Youngs, Mary Jo Kennebeck, Margaret Maher, Margaret Griffin, Judy Berrigan, Ellen Krouchick, Deborah Chrobak, Rita Heuel, Kathleen Ohlson, Debra Wagner, Patricia Zelinsky and Christine Dubas. Three girls have just completed their latest project which was for Mother's Day. The lucky moms received a brocade type wastebasket which was cleverly designed by Mrs. T. Philbin, and consists of a Bresler Ice Cream Container, DeLuxe Mattress Ticking and colorful Mystic Tape. Mrs. Philbin and Mrs. P. Allen generously gave their time to complete this project.

Lutheran Church Of Resurrection

Lutheran Church of the Resurrection holds worship and church school at 9:30 a.m., followed by Teen discussion groups and adult Bible study. Nursery is provided. Pastor Steven Murphy's sermon topic for Sunday, May 17, is "What Really Happened at Pentecost?" The Churchwomen meet May 21 at the home of Mrs. Harold Johnson. The Hymns and Belles are sponsoring a Progressive Dinner Sunday evening, May 17. Mrs. James Dunn and Mrs. Lawrence Joseph have tickets. Resurrection meets at Golf Grade School, 9401 Waukegan Rd., Morton Grove.

Science Fair At Mark Twain School

A Science Fair will precede the final meeting of Mark Twain P.T.A., May 27. The Fair, presented by 5th and 6th graders, will be held from 7:30 – 8:15 p.m.

Dr. Frieda Kehm, Mental Health Chairman for Illinois Congress of Parents and Teachers; Director of the Association for Family Living; and whose radio program "Call Dr. Kehm" is heard daily on WBBM will address the regular meeting at 8:30 p.m. Her subject will be "Discipline and Adjustment Problems in Kindergarten through Sixth grade."

Newly elected officers for the year 1964–65 will be installed.
