

2 Issues On Niles Library Ballot

On July 25, 1964, the residents of the Niles Public Library District will be asked to vote on two separate issues.

A site has been purchased on Oakton Street just east of Waukegan and the first proposition will be for a \$575,000 bond issue to construct an adequate library building to serve the library needs of Niles for the next 20 years and for the balance of the land cost. Niles Days funds allocated for this purpose and funds budgeted for the past two years from present tax funds have minimized the amount of this bond issue. The second proposition is for an increase in tax rate from .06 to .10 to properly staff and maintain a high quality of library service.

Brochures are being prepared, stating all of the facts and will be distributed as soon as they are completed. Because many organizations disband operations for the summer, two open forum meetings are being arranged so that voters may view architects drawings of the building exterior and floor plan. Questions on the proposition will be answered by board members, library administrator and the architects. Any organization still in session through the summer may request a special presentation at its meeting by contacting the library administrator, Mr. Frank Allen, at 967-8559.

Notice of open forum meetings will be sent to all local newspapers and the tentative dates are July 9, a Thursday, and July 20, a Monday. Brochures will be available at the library in the event you do not receive one in your home, if you will not be in town on the day of election, please contact Mr. James O'Phelan at YO-5-2282 and you will be instructed as to the procedure for casting an absentee ballot. Your library trustees are Clarence Culver, 823-9497, Carlyle Esser, 823-9461, Mrs. Oscar Meyer, YO-7-9048, Sigmund Lewicki, YO-5-6674, Mrs. Edward Walger, 823-8275 and Mrs. Sidney Brandt, 966-8530. These board members or Mr. Allen will be happy to answer any questions you might have if you are unable to attend either of the open forum meetings.

would laugh at the problems we constantly dwell about, out here in suburbia. Just think, thirty children-to-a-classroom, and we warn those accustomed to genuine problems about moving to our area. While the motives behind the signs are certainly sincere, nevertheless it seems somewhat ludicrous to read such signs in the school district. Furthermore, not being as hard-nosed as the guys who wrestle with the problems, we wonder what reaction more thoughtful potential residents have to the signs. While the villages and the Chambers of Commerce in the area attempt to attract people and industry to the area the school district is warning them against coming to the same area. Somehow, we believe the school board has let its problems blur their reasonableness in this area. As great as their problems may be, they are not so great that they're asking residents to stay away from our doors.

At a meeting downtown several months ago a Chicago-based editor chided us suburbanites for the make-believe problems he thought we had. After he ran off a list of the many, many problems which exist in the inner-city we felt somewhat abashed when we faintly mentioned our burdens. Somehow, telling Chicagoans about our school problems seems equally absurd.

Niles Twp. Demos Free Kids Set For Saturday Day

Raymond V. Krier, Niles Township Democratic Committeeman invited all the children in the community under the age of 12 to a free "Kid's Day" of fun and rides at the amusement park on Golf Road and Skokie Boulevard, on Saturday, June 20th, from 9:30 a.m. to 1 p.m.

Plans for the annual "Kid's Day" were announced at the regular meeting of the Niles Township Regular Democratic Organization held June 4th at Krier Private Dining Room, 8014 Lincoln Ave., Skokie.

Flyers will be distributed to every home in Niles Township.

Children will be able to ride all the devices at the Fun Fair at no charge.

Phil Goldstick of Skokie, Martin Brin and Ray Thomas of Lincolnwood are co-chairmen for the "Kid's Day" and will supervise the events of the day in the absence of Committeeman Krier.

Mr. Krier will be participating that day in the State Nominating Convention in Springfield, as he is an elected Delegate. He later will attend the \$100.00 a plate dinner in honor of Paul Powell, Democratic candidate for Secretary of State.

Former President Harry S. Truman will be guest speaker at this dinner which Mr. Krier will attend together with Democratic organization member Jim Smith.

Among the speakers at the June 4th meeting where the "Kid's Day" announcement was made were: Lynn Williams, De-

Topps Will Move From Niles To Morton Grove

Arthur Rubloff & Co., leasing and managing agents, announced that Topp's Discount Center, a subsidiary of Interstate, has entered into a long-term lease for a store in the Village Plaza Center in Morton Grove at Harlem and Dempster Avenues. The store will contain 72,000 square feet plus 8,000 feet adjoining the present building for a garden shop. The total rental is approximately \$1,000,000.

The store was formerly occupied by Atlantic Mills, a subsidiary of Virginia Dare Corporation. Topp's plan a complete modernization and renovation of the space at a cost of \$100,000. Occupancy is planned for August 15, 1964.

Arthur Rubloff & Co., represented by Jack Coens and Thomas P. Keane, were the sole brokers in the lease negotiations. Joseph Bernstein was attorney for the owners of the Village Plaza Center.

List Local Loyola U. Graduates

"Big government is here to stay" and the active involvement of educated men is needed for politics to be "a noble calling," the Solicitor General of the United States, Archibald Cox, said at the 94th annual Commencement of Loyola University, June 9, at McCormick Place.

Cox told more than 1,000 students, the largest commencement group in the Jesuit university's history, that "When we ceased to be a nation of farmers and small shopkeepers and became a complex, urbanized society, big government came to stay."

He added that breakthroughs in the science of government have not matched the increase of knowledge in other fields and that there is "a desperate need for ... a greater number of talented, energetic, and educated men to turn their attention to government, not as critics on the side lines but with vigorous involvement."

The following students from Morton Grove and Niles receiving degrees were: Daniel M. Hickman, 8927 N. Octavia, Morton Grove, Political Science; Thomas T. Hoskins III, 7224 S. Sibley, Morton Grove, Marketing; Ronald H. Reinwald, 8901 Milwaukee, Niles, Marketing; and Mary Ellen Wertz, 7900 N. Oketo, Niles, Bachelor of Science in Education.

Robbers

Continued From Page 1

Emrikson said the robbers were wearing clear plastic masks that distorted the outlines of their facial features, but the witnesses identified Panczko by the size and "freshness of his neck," general build and his "peculiar shuffle."

All of the witnesses said that Panczko was the gunman who slugged Zillgen. Emrikson asserted, Panczko denied taking any part in the robbery.

Panczko and D'Argento were charged with possession of burglary tools. A second charge of possessing a stolen auto was lodged against D'Argento. Panczko was released on \$5,000 bond and D'Argento on \$7,500 bond.

Sheriff's police described the events that led to the arrest of the two men.

An off-duty Forest Park policeman saw a parked car that resembled one stolen shortly after midnight at the Country Club Motel, near River Forest.

The policeman, Richard Archibald, looked inside and saw burglar tools, gloves and three loaded pistols on the rear seat. He notified sheriff's police and Sgt. James Walsh arrived with two patrolmen, all armed with shotguns and submachineguns.

After a stakeout of nearly 8 hours, a green car pulled up with two men inside. One man got into the car under surveillance and the driver of the green car turned it around.

Driving the green car was Panczko, D'Argento had started up the parked car.

The police had no trouble with Panczko. He gave himself up immediately.

But D'Argento backed up his car and raced across the motel lawn.

Sgt. Walsh opened fire with a machinegun. The car struck a tree and D'Argento rolled out. He ran down a knoll and disappeared in Thatcher Woods Forest Preserve.

By this time forest rangers and a dozen police agencies had joined the hunt.

Chicago police turned up with three police dogs. The sheriff's police helicopter, which was flying a traffic beat, began to hover over the area.

Finally, at the corner of Park and Oak in River Forest, police found D'Argento hiding behind a back-yard fence.

As they led him to Niles sheriff's police station, D'Argento said he was "scared to death."

Commented Arthur J. Bilek, chief of the sheriff's police:

"This capture is one of the finest examples of inter-police department co-operation seen in Cook County in many months."

Community Church

Niles Community Church (Presbyterian) has announced that for its summer schedule there will be one worship service each Sunday at 10 a.m. This schedule will be in effect from July 5 through September 13. Church School, also at 10 a.m., will continue for Nursery through Primary Departments. All older children are encouraged to attend worship services with their parents.

From The Left Hand

by David Besser
Editor & Publisher

We're publishing a letter to the editor this week from Reverend Maple, the gentleman who took an active interest in the Maier's Bakery strike. His interest in opposing the "Open Occupancy" laws is most disilluminating. Like many who have his concern he dwells on the importance of property rights.

Sunday night we heard Reverend Niemoeller interviewed on a T.V. show. In criticizing his fellow-churchmen in Germany during the thirties and forties he believed men of the cloth's paramount concern is two-fold. He said their concern should be centered around a "love of God and a love of man".

Unfortunately, too many men of the church have remained silent during the civil rights upheaval. Sadly, the lack of moral leadership from many churchmen during this era is quite reminiscent of Germany in the thirties.

Sunday we spent the afternoon at Soldier's Field at the civil rights rally. Our suburban-born children, who have lived in a vacuum among people exactly like themselves, experienced a worthwhile afternoon. Without any preaching or lecturing we were pleased with the reaction of our 12 year old. She volunteered quite matter-of-factly that Negroes aren't any different than any one else. She observed their dress, their courtesy and their articulateness Sunday, and commented "there is no difference". Neither she nor her parents dwelled on the subject. She learned by experience, and it will never be forgotten.

In Chapter 102 of the Illinois Revised Statutes the law regarding open official meetings is as follows:

"All official meetings at which any legal action is taken by the government bodies of the State, counties, townships, cities, villages, incorporated towns, school districts and all other municipal corporations, boards, bureaus or commissions of this state, which are supported in whole or in part by tax revenue, or which expend tax revenue, shall be public meetings, except for deliberations for decisions of the Illinois Commerce Commission and Illinois Parole and Pardon Board, meetings where the acquisition or sale of property is being considered, provided

Mrs. Nuzzo Acquitted Of Husband's Murder

Mrs. Jeri Nuzzo, 34, was found not guilty of murdering her husband yesterday by a criminal court jury which required only 90 minutes to reach a verdict.

The blonde night club singer who testified that she shot and killed her husband John, 35, in self-defense on the night of Oct. 6, was immediately assigned a bodyguard by sheriff's police.

Richard Cain, chief investigator for the sheriff's office, said that a number of threats have been made on Mrs. Nuzzo's life during the two-week trial and that she will be guaranteed until she leaves the county.

Mrs. Nuzzo was laughing and crying as she telephoned her parents and her two children, Linda, 6, and John, 3, in Washington Crossing, Pa.

"It just seems too good to be true," she said. "It's been such an awful thing."

Cain disclosed that on the night of June 11, after she left the criminal court building at 26th street and California avenue, Mrs. Nuzzo, free on bond, was followed by several persons in a black car. The car followed the CTA bus which Mrs. Nuzzo took downtown, Cain said, and during that time she realized that the driver of the car was a relative of her husband.

Cain said that Mrs. Nuzzo fled into a Loop store in panic and hid behind store mannequins while she phoned for police protection. He added that her story has been checked and found to be true.

Everyone is invited to watch and cheer from the stands.

OK Instrument Company Next To Residences

Tuesday night trustees reversed a Zoning Board ruling by approving Manufacturing zoning for the Elinor Instrument Company in the Cross Pointe-Caldwell-Natchez Avenue area. The vote was a unanimous 5 to 0 vote. Residents living along Caldwell Avenue objected to the potential noise and requested a 150 foot buffer zone which was ruled incompatible with the zoning code. However, Mayor Blase was assured by the industrialists that bushes would block the view of the parking lot at the new building.

A side issue of the objectors was a petition of 6 of 11 lot owners in the area who may request entire residential area on the east side of Caldwell be rezoned to Manufacturing. However, the petition was not presented to the village at this time.

In other Board actions the paving by the village of Main Street alongside St. John Brothers property was postponed. Money intended for this purpose will pave Mulford between Odell and Milwaukee, Tr. Berkowsky said the traffic problems created by the new swimming pool necessitated the action.

Milwaukee Avenue will be re-surfaced by the state between Alton and Waukegan. Police officer Reid resigned and a new appointee will be made in July. Approved ordinance updating reserve police pay from \$2.25 to \$2.50 per hour, with an additional 50¢ per hour charged for administrative costs. Review Of Bd. Of Education Dist. 64 Meeting

At the regular meeting of the Board of Education, District #64, on June 17, 1964, the Board of Education heard the protest of a parents' group against the boundary-line change between the Oakton and Franklin Schools, as recommended by the Superintendent of Schools, Dr. Plimpton, and authorized by the Board of Education on May 20, 1964. At that time Dr. Plimpton reported that the enrollment at Franklin School has greatly increased. Since new home building is continuing in this area, boundary-line changes seem inevitable. In accordance with the ruling of the Board of Education, the boundary line between Franklin and Oakton Schools from Dee Road east was moved north, and the children living on Woodland Avenue from Dee Road east, the south side of Glenview from Fourth east, and both sides of Glenview from Hamlin east are transferred to the Oakton School area. The Board of Education promised further consideration of the parents' request, based on the hazardous crossing at Oakton and Northwest Highway.

Beginning with 1964-65 school year, the French program at the junior high school level will be selective. The children not studying French will spend additional time in basic skills. The present eighth-grade pupils are the first to complete five years of French.

The following resignations were accepted with regret by the Board of Education: Mrs. Mary Andrews, third-grade teacher at Washington School; Vera Blomquist, vocal music teacher; Mrs. Jeanette Colwell, kindergarten teacher at Merrill School; Mrs. Evelyn Dahm, second-grade teacher at Washington School; Mrs. Jean Olson, sixth-grade teacher at Merrill School; Miss Margaret Moore, French teacher; and Miss Neoma Yapp, third-grade teacher at Roosevelt School.

The firm of McCallen, Olson, & Abney was employed to do the annual audit of the activity funds and the teachers' salary records.

Mr. Berry is retiring soon, and Mr. Berry is to assist him.

President Kenneth MacKay appointed the following Board of Education committees:

Administration.....Robert Stacey, chairman; Ruth Kupjack, vice-chairman.

Building.....Bushnell Fullerton, chairman; Jack Hedrich, vice-chairman.

Education.....Nicholas Kartinis, chairman; Jack Hedrich, vice-chairman.

Finance.....Thomas Jacobs, chairman; Robert Stacey, vice-chairman.

Salary.....Thomas Jacobs, chairman; Robert Stacey, member; Ruth Kupjack, member.

P.R.E.A. Representative.....Ruth Kupjack.

Park Ridge City Council.....Bushnell Fullerton.

Park Ridge Park Board.....Jack Hedrich.

Township Supervisor.....Thomas Jacobs.

School Boards.....Kenneth MacKay.

The low bid of the Kenneth Spradlin Chevrolet Agency on a new pickup truck was accepted by the Board as recommended by Russell Miller, Superintendent of Buildings and Grounds.

A new law, "Code for Health and Safety," requires that a physical survey of public schools be made and the results of that survey be sent to the Superintendent of Public Instruction, State of Illinois. This survey must be made within six months of the passage of the law in June. A period of two years is allowed in which to correct any violations found in the buildings. The firm of McCaughey, Erickson, Kristmann & Stillwaugh, Inc., was accepted by the Board of Education to make the physical survey of two schools chosen by Mr. Miller. The remaining schools will be surveyed later.

Edward Small, Director of the 1964 Summer School, reported the largest enrollment since summer schools were first offered in District #64.

Mr. Clifford Berry has announced plans to resign from his present position as Secretary of the Board of Education and Business Office Manager, effective some time in July, to join the staff of School District #62 in Des Plaines. The business manager in that dis-

Letters TO THE EDITOR

Anti-Open Housing

Dear Mr. Besser:

We disagree with the clergyman who signed the much publicized Pastoral Letter which states that "residential segregation in our communities" is a "denial of the will of God."

Other thoughtful clergymen also disagree. A resolution adopted by the American Council of Christian Churches rejects the program of "liberal" Christianity which calls for a "non-segregated world." It declares that this "does violence to the true Gospel of Jesus Christ."

Regarding the proposed petition for a general referendum on open occupancy it seems the clergy in general do not know "the will of God." The Biblical precept "Thou shalt not steal" is based upon the God-given right to own and thus to control property. Open occupancy (forced housing) legislation if enacted into law will be but legal stealing of the God-given right to own and control our property. Stealing is not in "the will of God." (Sign a petition at your local Real Estate office before it is too late. Deadline, July 3rd.)

The great commandment is to "love the Lord...and thy neighbor as thyself." It is not the "will of God" to ignore the fears and desires of our next door neighbors when selling. Selling to a Negro family in the name of the Lord may be venting of hidden anger of frustration against our next door neighbor. Hypocrisy is easy but it is wicked and is not "the will of God." A determination to ignore our closest neighbor's opinions and feelings may be pure bigotry. The ditch on either side of a road must be avoided.

Let the liberal clergymen tell us if their sociological aims for our communities also include the next, natural step of biological integration... miscegenation. This is neither helpful nor "the will of God for black or white."

Skokie Valley Crusade Money Stays Here

As the Skokie Valley United Crusade prepares itself for this year's campaign it should be noted that much has already been printed about the proposed Metropolitan United Appeal. This plan, conceived in Chicago, would combine the Suburban Chests with the Chicago Crusade of Mercy into one big Red Feather organization, supposedly to the benefit of all. This is possible but it still a plan is, which still requires formal acceptance by all concerned. Even if it were to be approved today, it would have absolutely no effect on this year's campaign. There would still be two separate and distinct organizations each vying for the funds they need to supply the needs of their respective agencies.

Skokie Valley, consisting of the villages of Golf, Lincolnwood, Morton Grove, Niles, and Skokie have, since 1952, conducted a United Crusade drive to raise funds for its member agencies. Each year despite the wealth and generosity known to exist here, the Crusade has never reached its budgeted goal. Last year, in fact, was the first time the money raised ever exceeded \$100,000.

This financial fluke seems to mystify the residents, embarrass the officials and disgust the member agencies. To those closest to the inner workings of the Crusade, the cause is quite apparent. The blame rests not with the residents or the business firms but rather with our metropolitan counterpart, the Crusade of Mercy.

The unwritten ethical procedure for each community conducting a community wide United Appeal is to respect the borders and boundaries of the neighboring community. Skokie Valley stayed out of Evanston and Glenview and they did likewise. This was never the case with our big brother, the Crusade of Mercy of Chicago, and no area was off limits to their volunteers. Despite the flight of industry to the suburbs, the Chicago Crusade of Mercy solicited them just as though they were located in the Loop. Capitalizing on the similarity of names, the residents and the business firms were hoodwinked into believing our Crusade was a branch of the mighty Crusade of Mercy and any money contributed to the Crusade of Mercy would magically find its way back to Skokie Valley.

Next year we may have this Metropolitan plan, with one big hopper, but right now Skokie Valley is trying to raise its own funds for its own agencies which will serve its own people. Right now there is no connection whatsoever between the Skokie Valley United Crusade and the Chicago Crusade of Mercy, and any money contributed here in Skokie Valley is used here in Skokie Valley. Also funds donated to the Crusade of Mercy are used in Chicago and by no stretch of the imagination does it ever come back here to help the Orchard School, the Visiting Nurses or our local councils of the boy and girl scouts.

Remember, when you are asked to contribute to the Crusade, take the time to find out just what Crusade it is and if it will add Skokie Valley—the place you call home.

Scouts and Scouters from Niles and Park Ridge completed the ordeal of the Order of the Arrow of the boy scouts and 34 were inducted into membership at the banquet Saturday evening, June 6, at St. Mary's Episcopal church, Park Ridge.

The ordeal was held at Camp Baden Powell, Des Plaines. The candidates underwent an ordeal by sleeping apart Friday night, Saturday they ate very little food, were given work to do that would benefit others and maintained complete silence all during the ordeal.

The work they accomplished included cleaning both cabins, making parking lot and marking the boundaries, digging a new latrine and constructing a ceremonial council ring at Camp Baden Powell. Also patrol boxes were painted for the National Jamboree. Some worked painting the scout service center.

The Order of the Arrow recognizes scout campers who best exemplify the scout oath and law, who give cheerful service to others and who maintain camping tradition and spirit.

The ordeal team was composed of Don Broman, Lynn Rowe, Fred Jaeger, Bill Skibbe and Ken Oscarson, assisted by

Mr. Elmer Nichols, Mr. William Barker and Mr. Bob Bender.

Officers of the Nashota chapter are Roger Voegelé, post 76, chapter chief; Bob Miller, post 104, treasurer; Gary Johnson, troop 52, membership chairman; and Bill Barker, Jr., troop 1, taskmaster.

Those inducted from Niles were Chuck Bobula and John Asclutto of troop 45; Dick Ordlock, Rick Polad and John Zakowski of troop 62, and Bob Meyer of troop 107.

Eight other members received Brotherhood membership in the lodge, the second rank: Fred Jaeger, Gary Johnson, Rick Mellen, Ken Oscarson, Clint Sipe, Randy Salo, Roger Voegelé and Mr. Ray Oscarson.

Maine East Graduates 1017 Seniors

Maine East high school graduated 1017 seniors, the largest class in the school's 62 years.

Processional of the seniors to their seats required half an hour, the personal receiving of each diploma an equal amount of time, and the recessional nearly as long.

New on the annual program was the presentation of the colors, wherein the American flag and the school flag were brought to the rostrum.

Following the audience's singing of the national anthem, Dr. Elmer Nelson, president of the American Lutheran church, Illinois district, Park Ridge, gave the invocation.

Ralph Switzer, Jr., president of the senior class, welcomed the audience and introduced the valedictorian and salutatorian, who gave the commencement addresses.

Class valedictorian was Ann Hurley, of 1033 Courtland, Park Ridge, Sharon Swander, of 1119 Poole, Park Ridge, was salutatorian.

Six retiring teachers were presented with scrolls in recognition of their years of service to Maine. They were Mr. Oakley Herrell, mathematics department chairman; Miss Lulu Mae Johnston, senior girls counselor; Miss Libbie Kukral, social science teacher; Samuel C. Marzullo, director of athletics; Miss Corinne Van Dyke, business education teacher, and Mrs. Mathilde Ziegleschmid, German teacher.

Miss Margaret Lowery of the English department received a watch in recognition of 25 years of service at Maine.

Dr. Earle W. Wiltse, superintendent of Maine township high schools, presented the class to the board of education for their diplomas. William T. Newport, president of the board of education, accepted the class. Members of the board who officiated in presenting diplomas were Mrs. W. W. Kuehl, Dr. Leonard W. Swanson, Walter T. Craigie and Stanley M. Osri.

Keith Honn and Walter Lusky, counselors, announced the graduates' names.

many local residents in this rewarding hobby for fun and profit through her classes at Maine Township High School evening sessions. Many of the paintings seen at local art exhibits are the work of her students.

Classes will be limited to 15 students so that individual instruction may be given to each applicant. The series of classes will be conducted for 10 Wednesday afternoons and 10 Thursday evenings. Registration will be for 8 weeks at \$14.00 allowing students to vacation out of town for two weeks and still obtain a full 8 week course.

Afternoon sessions on Wednesdays will be held from 1:00 to 4:00 p.m. and begin on July 1 continuing through September 2nd. Evening session will be held on Thursdays from 7:00 to 10:00 p.m. from July 2nd through September 3rd. While it is preferred that students apply for either afternoons or evenings a full course of instruction can be had in one month by attending both Wednesday afternoon and Thursday evening.

A list of supplies needed may be obtained at Hobbyville in Lawrencewood, Pearson's at Golf Mill or from a list posted in the window of the Art Gallery, Store 229, Lawrencewood.

For additional information, please call Edna Walger at 823-8275 or Marge Berles at 823-4703. To insure a place in these classes you may send your name, address and phone number with a check for \$14.00 made out to The Niles Art Guild to Marge Berles, 819 North Wisner, Niles 48, Illinois. Be sure to indicate which of the sessions you are interested in attending.

Classes for youngsters are being conducted now in the Art Gallery on Wednesday mornings from 10:00 a.m. to noon. If you are interested in two weeks of art day school five mornings a week from 9:00 to noon, you may call the above numbers. These are both fee courses.

Baha'i Lecture At Lawrencewood July 6

Mr. Rowell Hoff will speak in the Community Room of the Lawrencewood Shopping Center at 8:00 P.M., Monday, July 6. Mr. Hoff, vice-chairman of the Oak Park Baha'i Assembly, will describe the release of new spiritual force within the last 120 years.

After Mr. Hoff received his MA from the University of Iowa, he served 9 years in the U.S. Air Force as a Chinese language translator. He now teaches English for the foreign born at the Central YMCA in Chicago.

Everyone is welcome at these meetings, which are sponsored by the Baha'is of Morton Grove, Niles, and Skokie.

James Johnson Graduate Of Knox College

James W. Johnson, son of Mr. and Mrs. Walter E. Johnson, 8539 Kedzie West, Niles, was one of 191 graduates receiving bachelor of arts degrees during the 119th annual commencement exercises at Knox College. The traditional ceremonies are held on the shaded east lawn of "Old Main," century-old central building on the Knox campus and famed site of one of the Lincoln-Douglas debates of 1858.

Johnson majored in economics and business administration while at Knox. He is a graduate of Lane Technical High School in Chicago.

Johnson was a member of Phi Delta Theta social fraternity at Knox. He played varsity football. He served on the Student Senate. He attended Knox as an Illinois State Scholar.

Completes Course

James McMahon, 8017 Churchill, Niles, recently completed the two-week Basic Sales Training School of the Standard Register Company, Dayton, Ohio. He was among 10 men who attended the school.

McMahon, who is a graduate of St. Joseph's College with a degree in Marketing, joined the business forms company in December, 1963.

A. D. Johnson Chairman Of LGH Expansion Fund

A. D. Johnson, 152 N. Scoville, Oak Park, has been named general chairman of the Lutheran General Hospital Expansion Fund. Mr. Johnson is one of the founders of the United Insurance Company of America, Chicago, and serves as its secretary-treasurer.

"We are deeply gratified that Mr. Johnson has accepted this position," said N. M. Nesset, president of the board of trustees of the Park Ridge hospital. "His interest and support have played a very significant role in the development of Lutheran General Hospital."

Lutheran General is planning a \$5.5 million expansion program to add 203 additional beds including psychiatric, chronic care and medical-surgical. After the expansion, Lutheran General will be a 527-bed hospital.

Also included in the expansion is a complete outpatient clinic, expanded service areas and a new emergency department. The hospital is seeking to raise \$1,228,000 from the community.

Over 500 Tour Maine High South SHOP LOCALLY

More than 500 people toured Maine Township High School South Saturday, June 20, 1964, under the leadership of W. Bert Ball, former chairman of the Board of Education's Building Committee.

"They sure saved a lot of money in a lot of places," commented one visitor to his companion during the tour. "These walls don't cost too much, and once they are finished they are easy to maintain."

The visitors had to detour materials and hanging wires which construction workers left in place for a fast return to work on Monday. However, the visitors did not seem to mind.

They saw a partially completed classroom wing of the building, a hardwood floor in the gymnasium, gleaming, newly laid tile in part of the swimming pool, the shape of the library, many classrooms, and special facilities that are expected to be completed before the August 12 target date.

At a stopping point in the auditorium wing, Mr. Ball explained the 856 seat auditorium. "It is not economically feasible," he said, "to build an auditorium to seat an entire student body when seats alone cost about \$30,000 each. The Board decided that money would

be best invested if this were built to hold one class—freshman, sophomore, junior, senior—at a time. "Thus," the former school board member said, "you are not seeing under construction here a huge theater. Instead, it will be an auditorium big enough for school class use and small enough for community meetings."

All parts of the Maine South building are now on schedule, with the exception of the auditorium, where work is delayed about three weeks.

Lerner-Siegel Forces Join In Niles Twp.

Jerome Lerner, Chairman of the Democratic Voter's Association of Niles Township, announces that on July 1, 1964 a politically historic meeting will

take place. Democratic voters who supported William Siegel as a candidate for Niles Township Democratic Committee and those who supported Jerome Lerner for the same office in April of 1962 will join forces at this time.

those who are interested in a vital, active, independent Democratic organization in Niles Township to affiliate with the Democratic Voters Association.

The meeting will be held at Orchard Twin Bowl at 8:30 P.M., on Wednesday, July 1, 1964 when Anthony Scariano, a State Representative from Park Forest, will address the group.

The union of these Democrats will constitute Democratic Voter's Association as the largest Democratic political organization in the Township. In the election of 1962, the combined forces of Lerner and Siegel garnered in excess of 10,000 votes.

Among the prominent independent Democratic leaders who are joining the ranks of the Democratic Voters Association are William Siegel, Harvey Schwartz, and Richard Salzman. They have invited all

Student Editors Announced

Sponsors of student publications at Maine East high school announced at the recent annual dinner of Quill & Scroll, journalism honor society, the names of student editors for 1964-65 of the Lens, student yearbook, and the Pioneer, student newspaper.

Bobbi Koppel, 7512 W. Davis, Morton Grove, is the new editor in chief of the yearbook. New in the history of the Lens is the post of managing editor, which faculty sponsor Carroll Chouinard described as "extremely important, especially in view of the small number of experienced students who will be on the Lens staff next year." To fill that position, Marguerite Orr, 8323 N. Oketo, Niles, was selected. Both girls have two years staff experience.

Craig Anderson, of 8267 Washington, Niles, was named Lens business manager, and Jeff Rubin, of 9002 Oleander, Morton Grove, became sports editor.

Only these four students remain from this year's staff. All others not being graduated this year will transfer to Maine South.

New editors of the Pioneer were announced by faculty sponsor Kenneth Beatty, Shari Lewis, of 2205 Farrell, Park Ridge, will be editor in chief. Assisting her as managing editor will be Kathy McConnell, of 1710 Glenview, Park Ridge.

A total of nineteen students will operate the Pioneer at Maine East next year, while the Lens staff will have

Maine East Hi Offers Summer Sports Program

A few openings remain for boys and girls of Maine township who want to enroll in the summer sports program of Maine East High School, Administrative Assistant James Hartford of East announced.

The program includes swimming, gymnastics, volleyball, golf, softball, and games in a morning only schedule from June 15 to July 10 and from July 13 to August 7.

Tuition for either session is \$10 for swimming only, or sports only, or \$15 for the combined program. Payment should be made in advance at the summer school office at Maine East.

Boys and girls in the fifth through the eighth grade will particularly find the program profitable and most enjoyable, Hartford said. It is possible to enroll for four or eight weeks in any combination desired.

Name Co-Chairmen Of LG Hospital Fund Drive

Three business leaders have been named industrial co-chairmen for the \$5.5 million Lutheran general Hospital Expansion Fund Drive. They are George Orescan, vice president of the Universal Oil Products Co., Des Plaines; R. E. Moore, president of Bell and Gossett, Morton Grove; and W. E. Thomas, president of Magnaflux Corp., Chicago.

"We are deeply gratified that these outstanding leaders will be aiding Lutheran General Hospital in providing improved health care facilities for this community. As industrialists, they know the importance of adequate hospital facilities for the community," said N. M. Nessel in making the announcement.

Lutheran General is seeking to raise \$1,228,000 from the community. A \$712,000 federal Hill-Burton grant has been announced and the hospital will finance the remainder.

The addition will increase the size of the hospital from the present 324 to 527 beds. Also included will be a new outpatient department, a new emergency section and expanded areas for X-ray, physical therapy, administration and dietary.

Maine Twp. High School Board Meeting Of June 15

Long range plans for Maine Township High School North, when needed in the future, received friendly impetus at the June meeting of the Board of Education Monday, June 15, 1964.

The Ridgewood Cemetery Company offered an agreement permitting construction of a temporary road through the cemetery property for use of trucks in transporting fill for the two ponds on the proposed Maine North site. The Board of Education accepted the agreement subject to the approval of their attorney.

The 52-acre site, located between Golf and Central Roads, east of the Toll Road, adjoins Ridgewood Cemetery property. The roadway will permit entry from Central Road.

In its offer of cooperation, the Ridgewood Cemetery agreement said, in part, "Ridgewood is desirous of assisting the Board of Education and is willing to grant a license to use a portion of its real estate in accordance with the Board of Education's request....."

The Cemetery Company asked only that the part of its land to be used as a roadway for trucks hauling fill be fenced off by the Board of Education. The fence will remain the property of the School District and be taken down after fill operations have been completed within the five and one-half year time limit of the agreement. The fence can be used later at any one of the high school sites.

The agreement also provides that gates at the ends of the temporary roadway must be locked at all times when the road is not in actual use by trucks hauling fill. The Board of Education agrees to restore the property to its present condition after completion of the work.

Although the fourth high school is not needed now continued increases in enrollment make this a probability about 1974. The Board bought the property January 4, 1963 when it was offered for \$450,000, payable over a ten year period at no interest.

Real estate authorities in the area have praised the acquisition as "a bargain" and estimated the property now to be worth at least \$1,000,000,00.

The 52 acres contain approximately 16 acres of pond, which the Board is currently arranging to fill at a profit to the High School District. It was announced some time ago that the contract for filling the two ponds provides payment of 30¢ a cubic yard to Maine Township High School District No. 207. The cost of preparing the site for use, when another high school is needed, will come out of this revenue which is expected to gross about \$900,000,00.

The Board was advised at the Monday meeting that the approximate cost of the fence required by Ridgewood Cemetery Company will be about \$300,000. Discussion did not include probable location of the fence after it is removed from the Ridgewood Cemetery property.

The Board was advised by Laurence Hill, Field Superintendent for McCaughey, Erickson, Kristmann & Stillwaght, Architects, at Maine South, that all elements of the new building are well ahead of schedule with the exception of one. The exception is the auditorium which is currently about three weeks behind due to early difficulties. "At one point of construction, this section of the building was 60 days behind schedule.

It was indicated that by August 11, the anticipated completion date, the auditorium would be finished and ready for use by September 8, 1964.

Tri-County membership and twelve educational television receivers, which become school property, will not exceed \$5,500, according to Dr. Wiltse.

The Board authorized expenditure of \$93,527.09 after accepting low bids from Bruns-Brinswick Corporation and Martin L. Larson Company on varied lots of furniture needed for the new school. This included fold-up cafeteria tables, chairs, and classroom desks and chairs. A low bid for draperies in the amount of \$9,500.00 submitted by Gilbert A. Force was accepted, and that of \$12,432.00 for art department cabinets and other necessities submitted by the Chicago Seating Company.

It was reported to the Board that bids had just been received on shop equipment required for the Industrial Arts courses but that no commitment could be made until after an analysis has been completed.

Football games will now be played at Maine West this fall. They will be held in the afternoon since no lights are being provided at that field for night competition. Previously approved was the purchase of bleachers and the Board, Monday, approved a maximum expenditure of \$15,652.50 to cover the cost of scoreboard, installation of electric power lines to supply light to enclosed areas, including ticket booths and press facilities, and for the public address system, plus conversion of the Schroeder property into an Outdoor Science Laboratory. The Schroeder house will be dismantled by McKay Contractors, Inc.

Maine Twp. High School Board Meeting Of June 15

The Professional Growth Committee, elected by faculty members, submitted a program for rating the performance of teachers by the school administration in conjunction with the individual's programs of professional advancement.

IF A BEE, A WASP OR A HORNET STINGS YOU

First try to remove the stinger if possible. Then, immediately apply ice. If the swelling does not subside or the pain continues to increase, do not delay going to a physician for help.

Some people are greatly allergic to insect stings. If medical treatment is not given soon, serious complications may ensue. We carry a complete stock of medicines to help relieve insect bites. Also, insect repellents to avoid them.

YOUR DOCTOR CAN PHONE US when you need a medicine. Pick up your prescription if shopping nearby, or we will deliver promptly without extra charge. A great many people entrust us with their prescriptions. May we compound yours?

Rick Tajak of the Giants hit two homers in Harig Field to help his team to a 19-6 win over the Colts.

Wayne Karolewski of the Senators, hit three home runs in leading his team to a 27 to 7 triumph over the Indians.

The hitting of the Angels' Don Gushurst and Cliff Panek supplied the margin of victory over the Yankees, 12-7.

Senior Men's Softball

by Tony Brenner

Big Herm's and Kenron's Majors continued their winning ways this past week in the Niles Men's Softball League. Big Herm's punted Romito Plumbing 22 to 3, and for the first time in three years the Majors from Kenron conquered the Chesapeake Bombers 9 to 3. In the Big Herm-Romito game, home runs by Markbreit and Hurwitz, who also got a double plus other doubles by Harrison and Leff and Dultz spelled the doom of the Plumbers.

Harrison not only pitched a fine game but added 4 hits out of 5 at bat to his fine hurling performance. Big Herm's got 16 runs in the fourth inning, and Romito could never catch them. The Plumbers also committed 6 errors, 9 big errors. The only consistent hitting they got was from Anderson and Lammerfield who each hit 2 for 3.

It was a determined bunch of Majors that took the field Tuesday evening, facing a team that figured to be tops in the league and a team which they hadn't beaten in three years. The Bombers from Chesapeake were just as determined to continue their whammy over the Majors. With the exception of Deering and Kennedy, however, the Bombers seemed to have forgotten their lucky rabbit's foot; only these two men got more than one hit, Deering going 3 for 3 and Kennedy 2 for 3, both doubles; Thomas hit 2 for 4, including a double; and Blumenthal, Diezel, He, and Topp each got 2 hits; then there was Fusateri's double. So the Majors amassed 14 hits to 11 by the Bombers, but Kenron got their men across the plate whereas obviously the Bombers couldn't get untracked.

In Friday night's contest, Mr. Weather walked off with all honors!

LEGAL NOTICE

OFFICIAL PUBLICATION NOTICE OF PROPOSAL FOR BIDS

Niles Special Assessment No. 13

NOTICE TO CONTRACTORS:

Sealed bids will be received by the Board of Local Improvements of the VILLAGE OF NILES, for the construction of a water main and sanitary sewer in Maryland Street (North of Ballard Road) in the Village of Niles, Cook County, Illinois, until 5:00 P.M., (Central Daylight Savings Time) on the 14th day of July, 1964, at the office of the Village Clerk at the Village Hall, Niles, Illinois.

All proposals received will be publicly opened and read aloud in the Village Hall at Niles, Illinois at 8:00 P.M., (Central Daylight Savings Time) on July 14, 1964.

Said improvement shall be constructed and made in accordance with the ordinance providing for the same and the maps, plans, profiles and specifications for the same on file in the office of the Village Clerk of said Village.

Proposals may be obtained from the office of HAROLD OLSON & ASSOCIATES, 7100 Oakton Street, Niles, Illinois upon the payment of TEN and no/100ths DOLLARS (\$10.00).

Said bid must be accompanied by cash or by a certified check payable to the order of the President of the Board of Local Improvements, in his official capacity, certified by a responsible bank for an amount not less than ten per cent (10%) of the total amount of the bid.

The contractor shall be paid in bonds and vouchers drawn against the special assessment hearing interest at the rate of six per cent (6%).

No bid will be received unless the party offering it shall furnish evidence satisfactory to the Board of Local Improvements that he has the necessary facilities, ability and resources to fulfill the conditions of the contract and execute the work, should the contract be awarded to him.

Bidders will examine the ordinance, maps, plat, plans, profiles and specifications and also the location in which said work is to be done and judge for themselves all of the circumstances and surrounding conditions affecting the cost and nature of the work.

The Board of Local Improvements reserves the right to reject any and all bids as authorized by law.

MRS. MARGARET B. LIESKE, Secretary of the Board of Local Improvements, Niles, Illinois

DATED: June 18, 1964.

Wayne Karolewski of the Senators, hit three home runs in leading his team to a 27 to 7 triumph over the Indians.

A torrid race is shaping up in both divisions of the Niles Peanut League. The Niles Sport Center - Dodgers squeezed into 1st place over the Lane Trophies - Cubs, the club that led the Eastern division since opening day. The Lions, Cardinals and Kutza Drugs - Cougars are right on their heels. In the Western division the Eagles continue to hold the lead although the Bears, Oakton Manor - White Sox and Wildcats are still applying the pressure.

Highlights of the Week:

The Lions edged the Norbert's Garden Supplies - Mets 2 to 1 in a magnificent pitcher's duel. Tom Leclain provided the margin of victory with a home run with one man on base. In a battle for second place in the Western Division the Bears and Wildcats fought to a 10 to 10 draw.

Key hits by Dan Mc Donnell and Tony Di Cicco enabled the Niles Sport Center - Dodgers to edge the Braves. The Eagles assisted by the excellent hurling of Andy Petlak and Barry Mueller beat the Whitey & Ron's Drive in - Twins 4 to 1. A fine pitching effort by Rich Niles and an excellent fielding play by Gary Basuta gave the Tigers their first victory of the season. Their opponents were the Oakton Manor - White Sox.

The Lash Doud - Giants exploded for 20 runs in a slugfest win over the Tigers. Jerold Elatkin and Russ Anderson spearheaded the display of offensive power. The Indians outlasted the Niles Kwik Car Wash - Angels in a 9 to 4 victory. J. Heidkamp, J. Mac Nider and J. Schnaeder were the pitchers for the Indians while J. Fugimoto and T. Mc Enerney hurled for the Angels.

The Bears blasted the White Sox 11 to 6. Gary Braun, John Buesse, Rich Coteus and Mike Callero led the hit parade for the victors.

IMC To Host Rose Society At Sept. Show

Instead of its customary June Rose Show, Chicago Regional Rose Society District No. 1 will host the Illinois-Indiana District (of the American Rose Society) Convention and Rose Show on September 19th and 20th at International Minerals and Chemical Corp., 5401 Old Orchard Road, Skokie.

Society President, Alex P. Hoffmann, 9412 Nashville, Morton Grove and Vice President Henry J. Suppan, 7213 W. Lill, Niles, who are co-chairmen of the convention and show, report that an American Rose Society judging school will be one of its important features.

Local rosarians are urged to keep up their spraying and feeding programs this summer so that they will have lots of exhibition type blooms in September, as non-member exhibitors are welcomed.

Mrs. Hoffmann is Chairman of Hospitality and Registration for the show, while Mrs. Suppan is Chairman of the Rose
