ground and considerable successful experience over several years as an administrator of libraries and in library planning. With his assistance the architectural firm of Orput, Orput and Associates of Rockford was employed as architects for the proposed building. This firm was selected because of its outstanding architectural ability and its attitude of complete cooperation with the people responsible for the building, as well as its close acquaintance with the needs of this community through other projects carried out in this area.

The Chairman of the Niles Village Planning Commission has used his position as a public official to express his personal opinion of the Library bond issue which is to be presented to the voters on July 25. He has every right as a private citizen to vote as he pleases and to express his opinion in public or in private, but he does not have a right to use his official position to rule on matters which are not under his legal control.

The elected Board of Trustees has spent two hard years of extremely careful and thorough planning. The members of the board have devoted many, many hours of time to the development of this project, and have followed with careful consideration the suggestions of the experienced librarian, excellent architects and legal counsel. It should be remembered that the board members perform all of their duties entirely without pay; they do this as civic-minded citizens actively interested in the development of the village and the welfare of its citizens.

Two years had been spent by the board in a thorough survey and pricing of all parcels of available and suitable land. Finally, with the advice of legal counsel, the librarian and the architect, a site was chosen which fits perfectly into the needs of the community in location, cost to the taxpayers and size to accommodate the necessary facilities. Previous news releases have fully explained the reasons for the selection of this land between Oakton Street and Oakton Court, just east of Waukegan Road.

Though not legally obligated to do so the Library Board consulted with the Village Board for suggestions both before and after final selection of the site. At a meeting called on June 4 by the President of the Village Board for the purpose of discussing the library plans, Mr. Schroeder, the chairman of the Village Planning Commission, was conspicuous by his absence, although he had been specifically invited to the meeting. In fact he has not been in attendance at any presentation of the library project.

We wonder whether Mr. Schroeder will bother to attend the next public meeting to be held at Notre Dame High School on July 20 at 8:00 p.m., a meeting to which every interested taxpayer is invited.

As final architectural plans are developed after success of the referendum, every precaution will of course be taken to fulfill requirements for maximum building, fire and traffic safety in consultation with village officials. Furthermore the Board is very conscious of the need for landscape beautification, light control, and traffic control to assure that the library building and grounds will fit in with the very fine residential area in which it will be located.

WANP Keeps Busy During Summer

Our July meeting was quite busy in keeping with the fast summer schedule.

The last minute details for running the concession stands for the fireworks display at Notre Dame were taken care of ably by Dorothy Dennis and Mary Jane Terpinas. Discussions were held on Niles Days concerning the float and the "Doll Booth" which we are in charge of this year. Also coming up is the 2nd Annual membership tea to be held at Dorothy Dennis's home.

Kathy and Joan Stankowicz are heading up the committee for our Police picnic on September 6th. We are in the planning stages of the 2nd Annual Card and Fashion show which was such a huge success last year. It will be held in October.

Hostesses for the evening were Lois Christie and Pat Berresheim. The gift was donated by Betty Gerhardt.

Have you seen the feminine touch that has been added to the Police Department? The flowers in front of the new Police Station were procured by the Auxiliary for the new building.

Niles K.C. Picnic Sunday July 19

The North American Martyrs Council #4398 K. of C. Niles, Ill. will hold its eighth annual picnic on Sunday, July 19, 1964 at the Bunker Hill Grove #8. The picnic will start at noon with the events beginning promptly at 1:00 p.m.

Chairman Irv Glaszynski & his committee will furnish the goodies for those in attendance but each family is urged to supplement this with their own. Games and prizes for all, from tots to totters, will be the theme of the day.

'No' Vote

Continued From Page 1

Barely one year later the same autonomy is used by the Library District as an excuse for inadequate coordination of its new library plans with zoning and planning concepts. Attorneys again have preached the autonomy line. Can we citizens excuse these elected officials for failure to consult with local planning officials regarding the zoning and the coordination of their plans with other uses in the area on the grounds above autonomy. places them above such considerations? Are zoning principles not equally applicable to elected officials and the masses alike?

The Library Board will probably seek shelter in the fact that they consulted with Village Board of Trustees, but I would like to point out that this group has not seen fit to consult with its staff in such developments as the new fire station, the enlargement of the water reservoir, the new police station, nor any of the major residential sub-divisions in the village.

I am firmly convinced that it is only by chance that a better than average result is ever achieved unless it is preceded by thorough planning. The haphazard development of the property along the major thoroughfares of our village clearly presages growing traffic problems, gradual deterioration and falling property values over the next ten to twenty years.

The placement of the library in the location selected is bad enough, but to fail to coordinate its physical layout and traffic patterns with the area needs and land uses is inexcusable.

I will vote "No" for the referendums on July 25, 1964 and I urge others to do likewise.

Respectfully submitted,
Walter J. Schroeder

From The Left Hand

by David Besser

Long ago we realized a newspaper cannot tell taxpayers how to spend their money. Requesting voters to go to the polls and cast their votes in favor of expending more money is a wasteful impertinence and is a wasteful time-consumer.

On the other hand if you tell taxpayers reasons why they should vote against an issue you're feeding raw meat to the lions of discontent who are just hungrily looking for reasons for opposing an issue. Thus, we've concluded newspapers have little success in aiding the passage of bond referendums but are effective in opposing such issues.

In our years in Niles we have favored every school bond issue except one, the first Maine High South referendum, which had a Champagne lavishness which did not fit our beer pocket-book.

Saturday's Library referendum is backed by many public organizations in the community, and certainly deserves passage. It is an economical package less than any of our neighbors' library buildings. The need for such a building has been great for many years here. Certainly school children, particularly St. John Brebeuf and school district 63 children, are desperately in need of a library facility. Every parent of children of both these groups owe it to their children to make sure this referendum passes.

Many residents will cite the location as inadequate for Niles. Most honestly, we believe the locale is poor, as Walter Schroeder had cited in his letter last week. But, the library board has already paid one-third of the \$75,000 site. If the referendum should fail this time it will be tried again at a later date, and possibly at an increased cost.

We believe Plan Commission chairman Schroeder's arguments were sound in his criticism of all boards in Niles. The Plan Commission was created for the purpose of planning this aborted community. That the fire station on Dempster is poorly located, that the new village hall is located in an equally horrendous location, and the library will now be at an extreme end of the community, are sound and just criticisms. Nevertheless, as Mayor Blase said Monday night, the time for planning this community should have been years ago. And while the argument rationalizes away the fact that the plan commission still could be used for Niles future, nevertheless, past years planning makes Niles a patchwork community, which makes unnecessary burdens for the entire village.

Since Niles officials don't seem to learn from the past, and since land in Niles is almost unavailable, no location in the village will satisfy the many. We always believed when the village fathers expended \$12,000 for village planner Carl Gardiner, we expected his advice would be followed. He said the Oakton-Milwaukee area was the most centrally-located area available for community buildings. But, the fire station went into a corner of

Niles Days Festival Starts Tonight

Tonight, July 23rd, the 1964 Niles Days festival will begin. The gala four days of talent shows, displays, rides, games and refreshments will officially be under way with the announcement of the names of the new Mr. and Mrs. Niles 1964 and the crowning of the teen King and Queen at 9:00 p.m., following opening ceremonies. Net proceeds of the carnival will go into the Niles Public Library building and land fund and residents of Niles are urged to come out in force to support this event. Be sure to take time off on Saturday, July 25th to get to the polls to express your desires regarding the Library Bond Issue proposal between 6:00 a.m. and 6:00 p.m. Those residents of the library district living south of Oakton may vote at the present library, 7944 Waukegan Road and those living north of Oakton Street will cast their ballots at Notre Dame High School.

Visitors to the Niles Days grounds may see animated models of the named space-flight program including the space capsule itself and a man-in-astronaut in a space suit and equipment used by flight personnel. Mr. James Fisher, Civil Defense Director of Niles

will be at the exhibit to answer any questions visitors might have.

The location of this mecca of fun and games is the Lawrencewood Shopping Center, Oakton and Waukegan, Niles and the dates are July 23rd to 26th.

On the final day of the "Days" a parade will be held at 2:00 p.m., originating in the parking lot of Notre Dame High School. Parade marshal, Chuck O'Grady has announced the parade route as follows: from Notre Dame the parade will proceed south on Ozark to Main Street, east on Main to Harlem Avenue, south on Harlem Avenue Street and into the Niles Days grounds. Snake out a location along the parade route and see the floats designed by local organizations and businesses.

Endorse Library Bond Issue

The Board of Trustees of the Niles Public Library District has called for a Bond Issue Election to be held on Saturday, July 25th, 1964. This election will be for the purpose of providing funds for the building and equipping of a permanent library building

on the site located on Oakton Street just east of Waukegan Road. The amount of this issue is \$575,000. To be assured of sufficient funds for maintenance, growth and improved services, the District Board is requesting an increase in

Air Differences At Monday's Meetings

The expected debate between Plan Commission chairman Walter Schroeder and the members of the Niles Library Board did not take place at Monday night's public meeting at Notre Dame High School. Schroeder, who publicly criticized the library board for their failure to submit their library building plans to the Plan Commission was not in attendance at Monday night's meeting. He travels out-of-town much of the time and it is likely this was the reason for his absence.

Before an audience of 47 people, many of whom are public officials, library officials met opposition of their July 25 referendum plans primarily from residents on Oakton Court, whose homes are across from the intended building (east of Waukegan Road on the north side of Oakton Street).

The more vociferous critics were concerned with traffic in their area, as well as lights from parked cars, which would use the parking lot on the Oakton Court side of the library building.

Library Board President Clarence Culver explained a meeting will be held after the referendum, at which time all opinions will be considered, including the possibility of relocating the parking lot on the Oakton Street side of the building.

Culver chaired the meeting, and introduced the impending referendum Saturday by citing the great need for the new building. He said during the past year Nilesites could no longer use neighboring libraries, as they had done in past years. Other comments explaining the traffic pattern which would take place on Oakton Court, where there would be two entrances to the library area. Culver then introduced architect Orput.

The architect, who created the new Niles Public School in the Lawrencewood area, and draw plans for the recent Niles High Township High School buildings, said the library would have a "split-level profile", and a mezzanine level house book stacks above the planned adult library room. There would also be a children's library room and an audio-visual room.

Big Herms, Kenron, and Rust-Oleum turned loose the block busters last week as they overwhelmed their opposition. Big Herms smothered Norberts II to 1; Kenron walloped Blases II to 2; and Rust-Oleum trounced the Hawks 7 to 0. The only close game was won by the Bombers as they defeated Romito 5 to 3.

For Big Herms, Hurwitz, Harrison, Leff, Sharpe and Scherman got 2 for 4, with Hurwitz hitting a home run and Leff a double. Norberts got only three hits off the bats of Calahan, Gross, and Perino who each got a single. Norberts also committed 7 errors.

In the Kenron-Blases fracas, DeMeyer hit two homers for Kenron, while Diezel and Thomas got one each. He and Bachochin got triples, and Pusateri a double. The best average for the night was collected by Ray Blumenthal who got 3 for 4. Blases had no extra-base hits; in fact, they got only 5 hits all night, Bob Zanko getting 2 of them.

In Friday's second game, the best of the week, Romito lost to Chesterfield on some sloppy base running and loose ball handling. Romito was leading 2 to 0 going into the fifth inning when the Bombers came up with 5 runs. In their half of the seventh, all Romito could muster was one run. There were no extra-base hits in the contest, and each team garnered only 5 hits; Dulin of the Bombers and Lielinski of Romito each got 2. The big error for Romito was a toss from Fajnor into center field, intended, no doubt, for the second baseman. So tragically enough, the Bombers committed 7 errors, a new high for them, but Romito countered with too many mental as well as physical lapses.

The Bombers played without the services of Dick Jaegers, one of their outstanding ball players, who is out for the season because of illness. Dick is an excellent hitter with an average of .500 on the season, as well as a sound defensive player. All the players as well as your scribe wish him a speedy and complete recovery.

Kenron and Big Herms head the league with identical 8 and 1 records, while Rust-Oleum has 8 and 2. Chesterfield comes next with 5 and 4, and Norberts has 5 and 5. The Hawks, Blases, and Romito each have only one victory.

Queen Gives Thanks

Dear Editor:
My reign as Queen of Niles Days will be over in a few short days. I would like to thank publicly, through the medium of this newspaper, everyone responsible for having conferred this title upon me, and for the lovely trophy.

My thanks to Goldblatt's of Lawrencewood for the wonderful wardrobe given me. I had a wide variety from which to choose, and I want to thank you so much for your gift.

To Boots Photographers, of Park Ridge, I express my thanks for the cherished colored portrait of myself. This is a gift which will be a constant reminder of my reign.

The cordial manner in which both treated me will long be remembered.

My thanks to Mrs. Frank (Diane) Hanson, for inviting me for the ribbon-cutting ceremonies for her Little Theater Group.

To Mr. Ang Marcheschi for my appearance at Norberts Nurseries for the swimming demonstrations put on by the brave children who weathered the cold.

To the new Queen of Niles, I wish you the best!

Sincerely yours,
Miss Kit Spikings

To Blase

The following is a copy of a letter sent to Mr. Nicholas P. Blase.

Mr. Nicholas P. Blase
Pres., Village of Niles
8554 Kedzie Street
Niles, Illinois

Dear Mr. Blase:

Out of clear sky the "Do Not Enter" sign was removed from Milwaukee Avenue, at north entrance of Oriole Ave., going south.

Since then, I believe, most of the neighbors on Oriole from Milwaukee to Oakton had signed a petition, requesting that it again be made a one-way street, going north as it previously was. I understand that a study is being made as to what procedure to follow.

May I ask, how long is required to make such a survey? Or are the experts waiting until some accident occurs, before taking action, well if so their time expired yesterday. An automobile, late yesterday afternoon, partially uprooted a tree, in our neighbor's parkway, at 8104 Oriole, which would not have happened had this still been a one way street, as the vehicle was South bound. While we might consider this a minor accident, however it could have been fatal, but thank goodness it was raining, thereby confining children indoors, who otherwise could have been injured.

Niles Park Pet Fair & Band Concert Rescheduled

The scheduled Pet Fair and Band Concert, for Sunday, July 26th has been rescheduled for Sunday, August 2, so as not to conflict with the Niles Days Parade.

The Niles Park District is always happy to cooperate in any event sponsored by our community and will partake as representatives in this year's Niles Days Parade.

The Pet Fair will be held, August 2, 1964 at 1:30 P.M. All residents of the Niles Park District are eligible to enter their pets. Classes for entrants will range from dogs to hamsters. Any pet is eligible as long as it is in good health, at least three months old, and has been a member of the owner's family for at least two months.

Classes for entrants will be as follows:

- I. Dogs - most obedient, oldest, smallest, largest, and best handled.
- II. Cats - Most beautiful, best groomed long-hair, best groomed short-haired, oldest, smallest, largest, best handled.
- III. Birds - best cared for bird, most attractive cage, oldest bird, most unusual.
- IV. Fish - best cared for, most attractive aquarium, most unusual.
- V. Caged Animals - cleanliness, suitability of container.

There will also be a special entry for dogs in obedience trials. If you feel your dog has been well trained you may show your dog demonstrating the heel, sit, down, and come when called.

First, second, and third place ribbons will be awarded to the winning contestants. The Pet Fair promises to be a day of fun for you, your pet, and all who come to just watch the entertainment. You may pick up a registration slip at Greenan Heights Field House, 8255 Oketo, or at the Niles Recreation Center Pool, 7877 Milwaukee. All entrants must register on or before July 30th, 1964. For further information regarding the fair, call the Niles Recreation Center Pool, phone 967-6633.

Following the Pet Fair, the Niles Park District will hold a Hootenanny. This program should begin at 3:30 P.M. at the Greenan Heights Park. The program will last for an hour and fifteen minutes and promises to entertain young and old alike. The entertainment will be provided by the Northwest Music Center. A master of ceremonies will be present to introduce the acts. and to

jured, as they often play in the parkways.

In my opinion, a careful analysis of the extreme possibilities of accidents at this intersection should have been made before the "Do Not Enter" sign was removed. While not a traffic expert, but only a layman, allow me please to point out some of the dangers now involved, that didn't exist before.

#1. Oriole Ave., from Milwaukee to a certain point south, being only 26'-0" wide, with parking on both sides, is too narrow to permit two way traffic.

#2. A car coming off Milwaukee, onto Oriole requires only about a 30 degree angle turn.

#3. Most important is the fact, a car entering Oriole at Milwaukee is coming out of 40 mile zone, to what on Oriole, 20 miles per hour? Realizing that only a 30 degree angle turn is involved, many cars make turn off at 30 or more miles per hour.

#4. To us personally, living close to Milwaukee, you might say right on the edge, extra dangers now exist, before we only had to be alert of cars from the south and from those there never was much danger, since they had to slow down for stop at Milwaukee, but now don't only have to watch those from the south but mainly those from the north. Now when backing out on driveway, we don't only need an eye at the back of head, but also one on each side, so that we may look north and south at the same time. Just last week one day, we had a close call while backing out, had we been 10 to 15 seconds sooner, a car coming off Milwaukee at about 30 M.P.H., would have crashed into ours.

It is getting so, that we are even taking chances of parking a car in front of the house.

In view of the circumstances outlined above, I predict a terrible accident will occur at this intersection, unless something is done immediately to remedy present condition.

In a recent village report, stress on traffic conditions and accidents has been so emphatically emphasized, yet the carelessness or oversight in having that "Do Not enter" sign removed, surely will not reduce the hazard of accidents, they will be increased. Should a serious accident occur, I feel that the village should be held responsible for allowing present conditions to exist.

In conclusion, I plead, lets make conditions to avoid accidents, not to create them.

Respectfully yours,
William Gaede

In Niles Days Parade

Two Niles teens, members of the Vernell Drum and Twirling Corps, will participate together with the corps in the Niles Days Parade. They are left to right Karol Miller, 8022 Elmore, color guard, and Caryn Zirves, 8049 Overhill, baton twirler. The parade is scheduled for Sunday, July 26th.

TB Unit Coming To Niles Aug. 3

"None of us is free of danger as long as someone else is ill with tuberculosis."

With these words, Dr. Karl H. Fuetze, general administrator of the Suburban Cook County Tuberculosis Sanitarium District, urged all suburban residents to utilize the free x-ray service now conveniently available in the county.

"Tuberculosis is a complex disease," he explained. Unlike most other infections, TB does not disappear completely in the body, or cause changes in the body that result in lasting immunity. The tubercle bacilli (the TB germ) remains dormant in the body. At a time of stress or general lowering of resistance, the infection can and does cause active disease. About 75% of the new TB cases reported each year in this country are thought to be due to breakdown of such dormant infection.

Dr. Fuetze further explains that added to the stubbornness of the TB infection is the problem that even active TB does not usually cause noticeable symptoms in the early stages. "If TB infection which results in disease would cause alarming symptoms like polio does, the need for the regular chest x-ray would not be as urgent. But the nature of TB is such that when it does become serious enough to come to medical attention, it is often in a highly infectious stage. These are the reasons why the mobile chest x-ray buses are curiously named."

Family Hosts Ecuadorian Student

Susan Davis, daughter of Mr. and Mrs. Donald Davis, 7835 Odell, Niles, is busy making plans to welcome a South American "sister" to her home during the month of August.

The guest "sister" will be Miss Mario Eleno Vasconez, 16, of Quito, Ecuador. Mario will arrive at Chicago's O'Hare Field, Wednesday noon, July 29, and will stay with the Davis family for two weeks.

Mario and her host are taking part in VESTA, (Visit of Ecuadorian Students to America), a five-week international living and learning program sponsored by the Mid-America Chapter, American National Red Cross and Red Cross of Ecuador.

The two teenagers will see and discuss the service activities of the Junior Red Cross division of the Mid-America Chapter, which has more than 150,000 area high school and college students actively involved in its programs. (Susan is a freshman at St. Patrick's High School, and is active in the Junior Red Cross program at her school.)

The Davises are one of 40 families in greater Chicago area acting as hosts and "parents" to the 20 Ecuadorians during their five-week stay. "Mario will be with us for two of the five weeks, and then she will go to live with another family," said Susan. "While she's with us, we want her to feel like a real member of the family."

The final week of their visit to Chicago and America, the visitors will attend a Junior Red Cross leadership training school at Lake Forest Academy.

The visitors and their "families" will meet at Lake Forest Academy on Sunday, August

Who's Who In LWV League

Mrs. Paul Connelly is highlighted this week as a League member who is very active in community affairs. Besides her membership in the Morton Grove League of Women Voters, Dodie is President of the Garden Club of Morton Grove, and is 2nd Vice-President of Membership of the Woman's Club of Morton Grove.

Dodie has put in many hours as a volunteer at Lutheran General Hospital, and she is active in a bowling group which contributes money to the Orchard School for Retarded Children.

As if all of this weren't enough, Dodie also helps her active husband, Paul, who is President of the Morton Grove Park District, and President of the M.G. Day's Committee.

It is women like Dodie Connelly who help make Morton Grove a finer community.

Receives Honors

Bob Cashatt, 7034 Monroe St., Niles, has earned section leader honors in the Illinois

Summer Youth Music Junior High School Band, now in session at the University of Illinois. Bob won his place as first-chair bass through intensive tryouts. The 1964 ISYM program is bringing 1,425 talented grade and high school musicians to the U. of I. campus for sessions June 21-July 3, July 5-17, or July 19-31. Above from left, are Junior Band section leaders David Wainwright, Joliet, baritone; Ricky Porter, Springfield, trumpet; Cashatt; John Pearson, Chicago Heights, trombone; and Peter Johnson, Downers Grove, French horn.

Open Air Concerts Begin At Golf Mill Center

Golf-Mill Shopping Center, Golf and Milwaukee, Niles will host some of Chicago's most famous band personalities when they present their Friday night free Open Air Concerts starting tomorrow, Friday, at 9:15 P.M.

The concerts are to be held in the weatherproof pavilion just east of the Office Tower, and chairs will be available for 750 people.

Lou Prohut and his polka party with Sig Sakowicz as host will start the series tomorrow night.

Prohut and his "polka rounders" have been a Chicago favorite for many years from performances on radio, TV, and in person.

"Sig" Sakowicz is one of the country's most famous in-

terviewers, and as a local resident (Park Ridge), Sig is a special favorite of "Golf-Millites". He now conducts programs on WTAQ and WGN.

The Open Air Concerts will continue each Friday night through the summer with such famous names as Henry Brandon, Art Hodes, Vic Faraci (Sing-Along), a Hoopernary with the Coventry singers and Joe Klee, Emmy winner, Jim Stewart and Eddie Wojcik.

The Public is invited free, come rain or shine. There will be seating provided.

"The music for this occasion is provided by a grant from the recording industries trust funds obtained by the co-operation of Local #10, Chicago Federation of Musicians, Rudolph Nashan, Vice President."

Ready TAM For Western Open

George Keyes, the golfer who knows Tam O'Shanter best of all, predicts that scoring there in the 1964 Western Open will be easier than in some of the famous Tam tournaments of the past.

Keyes, now in his fourth season as Tam O'Shanter's head professional, was a frequent contestant in the World and All-American tournaments held there annually until 1958.

"The pros in the Western Open should find the course easier in two ways," says Keyes. "It is a little shorter where we've built a new green at the seventh and a new tee at the eighth. Also, disease has cost us some strategic trees on the 16th, 17th and 18th holes."

What will this mean in actual scores?

"I believe the winning scores in past years averaged around 275 or 276. This year I think the winner will score between 272 and 274. Some one who is playing well could average 68 for the four rounds."

In a general description, Keyes calls Tam "a good driving course—you simply cannot spray tee shots. Out-of-bounds on nine holes and trees on many holes hurt wild drives. Also, on the dog-leg holes there is a great advantage to placing tee shots where you want them."

Keyes emphasizes that the river "makes the course" on three key holes.

"The river forces a player to make a decision whether to go for broke or to play safe with a layup on the second hole," he points out. "Then the river comes big into play at the 15th and 16th, which is about the time things get tight for those in the lead."

As for the greens, Keyes mentions that "The greens are large, not difficult to hit and have normal speed. But there is a break in every green and the medium type of trapping emphasizes good pin placements."

New MG Resident

The course record is 63 shared by Lloyd Mangrum and Gene Linder, and the 72-hole record is 269 set by Byron Nelson back in 1945.

Mr. and Mrs. Rhode R. Wanta, 6236 Lincoln Avenue, Morton Grove became the proud parents of a baby boy, Robert Scott, born on June 28. The baby tipped the scales at 8 lb., 1-1/2 oz.

Social Work Program At Lutheran General

A residency program in hospital social work has been approved for Lutheran General Hospital, Park Ridge. Purpose of the program is to provide specialized training in hospital social service to a graduate social worker according to T.L. Jacobsen, executive director.

The program will be under the direction of Miss Clara Sletten, head of the department of social service for Lutheran General and Deaconess Hospitals.

YOU SHOULD KNOW THIS ABOUT MEDICINES

There have been frequent reports about serious consequences resulting from overdoses of medicines given to infants and children. A five grain tablet of aspirin can be a poisonous dose to an infant. Almost any household remedy can be dangerous if improperly taken. Subject to variation, it is important to know that an average dose for a one month infant is 1/20th of an adult. For a one year child it is 1/7th and a five year old about 1/3rd. Now you can see why it is important to read directions carefully and follow your physician's instructions exactly.

How to "get your money back" if you reach a wrong number

Here's what to do: Dial the Operator ... Dial "O" for the Operator and tell her the town you reached by mistake. She'll see you are not billed for the call — and help you get the right number, too. There's no need to tell her about wrong numbers within your free-calling area; they carry no extra charge anyway. (The front pages of your telephone directory list the places within your free-calling area.)

Coin Phone Calling ... If you called from a coin phone, either local or Long Distance, the Operator will connect you to the number you want or see that a cash refund is mailed to you.

Maine Placement Tests August 12

Merlin W. Schultz, coordinator of guidance and director of research and testing, High School District 207, has announced that Wednesday, August 12, 1964, is the last date for this year's high school placement test.

Any student who plans to enter one of the three Maine Township high schools as a freshman and who failed to take the test in January or May should plan to take the August 12 test. All incoming freshmen are required to take the placement test.

The test will be administered from 8 a.m. to 12 noon in the Maine West high school cafeteria. All test materials will be furnished to the students at the Maine West testing center.

Students who intend to participate in the August 12 testing program are asked to contact the Maine West high school personnel office as soon as possible: 827-6176, extensions, 391, 392, or 394.

The test battery will include the following four subtests: academic aptitude, arithmetic achievement, language arts achievement, and reading achievement.

According to Mr. Schultz, the test results will be of value to counselors and teachers for guidance and counseling purposes during the student's four years in the Maine high schools. The results will also help in the selection of high school courses which will be challenging and meet the needs and interests of the students.

Rifle Squad Elects Officers

The Morton Grove American Legion Post #134 Rifle Squad elected new officers for the coming year at their last regular meeting. The Squad participates in parades, stands at attention at wakes, participates in funerals and performs at all civic and ceremonial functions of a patriotic nature.

They recently helped dedicate the Mansfield Park Fieldhouse.

At the head of the Rifle Squad is Al Nehart, 9242 Marmora, Morton Grove, serving as Commander. Nehart's Senior Vice is Russ Walliser, 5800 Madison, Morton Grove. Secretary is Bernard Williams, 5909 Carol, also Morton Grove, and Treasurer is Jerome De Berthier, Park Ridge.

The Rifle Squad will also march in the Morton Grove Days Parade.

St. Martha Golf Tourney

St. Martha Parish Holy Name Society is planning another special summer outing, and it's date is Saturday, August 8th. The annual golf tourney last year drew 135 golfers and 250 attending the dinner and staying afterwards for dancing.

The site of this year's event is the 27 hole course, Golden Acres, near Roselle, Illinois.

Tee off time will be at 10 A.M. Non-golfers are invited for dinner which is \$5.00 per person. Likewise, the golfing fee is \$5.00 per person.

Parishioners may make their reservations after each mass Sunday in front of church. Other villagers interested in joining the Holy Name men may contact Dan Scanlon, chairman, 6725 Beckwith, YO 5-5303.

Scanlon has announced as previously, there will be trophies awarded for low net, low gross, longest drive, closest to the pin and the special teen age trophy.

St. Luke's Officers Elected For Coming Year

At a recent election of the officers of the St. Luke's United Church of Christ Church Council, Mr. Charles Redwine, of 2232 Dewes, Glenview, was elected president for the coming year. Mr. Redwine succeeds Mr. Kenneth McCormac as president. Other officers and council members are: Mr. Arch Schroeder, Vice President, Mr. Ken Floody, Secretary, Mr. Harold Jaffee, Treasurer, Mr. Glenn Pusch, Fi-

NW Sub. Jewish Cong.

Services of the Northwest Suburban Jewish Congregation, 7800 West Lyons Street are held daily at 7:30 p.m., Mondays through Fridays, and on Sunday mornings, at 9:30 a.m. Traditional Sabbath morning services Saturdays at 10:00 a.m., under the direction of Rabbi Lawrence H. Charney, assisted by Cantor Gidon A. Lavi. Worship is open to all residents in the area, and mourners may attend any service.

The synagogue's Membership Chairman, Philip Teitelbaum and his committee, cordially invites all residents of the area to visit the synagogue building on Sunday mornings, between the hours of 9:00 a.m. to 1:00 p.m., for "Open House". Representatives of each facet of the congregation will be present to answer all questions regarding visitors interests. Refreshments are served during the Sunday morning hours and on Wednesday evenings from 7:00 p.m. to 10:00 p.m. on July 22, August 5, August 19, and September 2.

American Legion To Hold Convention

Next week will find the American Legion and its Auxiliary Units holding their annual state convention in Chicago. The Auxiliary headquarters will be in the Morrison Hotel and several members of the Morton Grove Unit #134, American Legion Auxiliary will attend the July 30, 31st and August 1st sessions.

Delegates include retiring Auxiliary Unit proxy, Mrs. Marge Howe; newly elected president, Mrs. Charles Post; Mrs. John Sepsey and Mrs. William Eaton, vice presidents; and Mrs. Jack Bartholmy and Mrs. Francis Fredericks.

The American Legion will also hold sessions simultaneously and participate in a huge parade on Sunday, August 2nd.

The Auxiliary will elect department officers, transact pertinent business and hold a gold star member luncheon and post presidents' parley dinner.

Registration For Voting

At this time of political conventions and campaigning, one is forcefully, if not pleasantly, reminded of the responsibility of citizens in a democracy. For what is a democracy if it is not a composite of interested people? When the interest of the people wanes — then it is not long before the responsibility and responsiveness of the government is undermined.

The greatest responsibility of the people of the United States, of the State of Illinois and of the Thirteenth Congressional District is to exercise their constitutional franchise to vote. Being young and away at school or serving in the armed forces are not reasons to forego the right that so many others are fighting to attain. Separation should be an additional and forceful reminder that one still has the privilege and the duty to determine the kind of rule he returns to, and lives under.

The first step for those voting by absentee ballot in November is to register. This is absolutely necessary and may be done by visiting Room 230 at the Cook County Building, 118 N. Clark Street, Chicago, any weekday from 9 to 5, or 9 to 12 on Saturday, or by going to your Village Hall. To obtain the hours for registration in any village, just call the village clerk's office.

Registration in person is mandatory for all civilians. The last day for registration in the Village Hall is September 21st and the last day at the County Building is October 5th. Precinct registration day is October 6th for those persons who find it impossible to register elsewhere and it is the one last chance to register near one's home.

Another Gift For Miss M.G.

Although due to circumstances beyond anyone's control, a donation from the E. J. Korvette store at Dempster and Waukegan arrived too late for presentation at the crowning of Miss Morton Grove, this year's queen was given the contribution of \$10.00 of beauty treatments in the Eve Nelson beauty salon of the store last week.

Joy Regis, this year's Miss Morton Grove, was very happy to receive this gift.

The queen contest is jointly sponsored each year by the Morton Grove Days Committee and the Morton Grove American Legion Post #134. They are very thankful to Mr. Ben Pollock, General Store Manager, of Korvette for his cooperation in presenting the new queen with this prize.

Surprise For Legion Commander

The outgoing commander of the Morton Grove American Legion Post #134, Bill Kramer, and his wife, 5800 Washington, were the guests of a group of Legionnaires known as the Oriental Chefs on July 15th. The Singing Sorosis in Northbrook was the scene of a festive dinner feting Kramer.

The Oriental Chefs and their wives called the millenium dinner to complete their year as serving refreshments at the monthly Legion meeting. Those surprising commander Kramer and Mrs. Kramer were Dr. and Mrs. Harold Selgin, Mr. and Mrs. Ed Viglietti, Mr. and Mrs. Norm Dresden, Mr. and Mrs. Andy Vitich, Mr. and Mrs. Jerry DeBorja, and Mr. and Mrs. ...

Dated July 23, 1964, Clarence Emrikson, Chief of Police, Village of Niles, Illinois, County of Cook, State of Illinois, Custodian of unclaimed property.

Golf Mill Art Fair At Des Plaines

Plans have been finalized for what has been termed the "ultimate in Art Fairs," the Golf Mill Art Fair, scheduled to be held from 10 a.m. until dusk on September 19 and September 20 in the Niles shopping center at Golf and Greenwood.

Invitations have been sent to many local artists to exhibit their work again this year. Prizes totaling \$500 will be awarded for the best oil painting, watercolor, pastel, pen and ink and sculpture.

Members of the 4th annual Golf-Mill Art Fair executive committee include: Ruth Healy, 114 Canfield rd., Park Ridge; Georgia Collett, 3735 Lindenwood Lane, Glenview; Mary Eli Stair, 9045 N. LeCros, Skokie; Robert Floodstand, 8830B Deer rd., Des Plaines; Martin Dolgin, 9018 Cumberland, Niles; Mr. & Mrs. Dale Wilson, 3 N. Greenwood, Park Ridge; Naomi Krone, 8442 W. Carol, Niles; Gertrude Tinglia, 8443 W. Carol, Niles, and Dave (Dave) Hirsch, 6601 Maple, Morton Grove.

The Art Fair will be held on the two September dates—rain or shine.

Here is a Hollywood star that is winning more popularity polls than any other actor or actress to date. It's Flipper, the lovable and talented dolphin, who proves himself a valiant hero in "Flipper's New Adventure," Metro-Goldwyn-Mayer's fascinating sequel to the successful "Flipper." Opening Friday at the Des Plaines Theatre, Co-featured with "Rhino."

Free Vacations From Golf Mill

Three lucky couples will be treated to a free vacation at the Crescent Hotel in Eureka Springs, Arkansas as the climax to the Golf-Mill Shopping Center's Dollar Value Days July 30, 31 and August 1st.

These carefree 6 day holidays are provided through the cooperation of Paradise Tours of Golf-Mill and Golf-Mill Merchants Association. The hotel is in the beautiful historic Ozark Mountains and is known as "The Castle in the Sky".

Residents are invited to come into any Golf-Mill store during Dollar Days and fill out an entry blank. There is no obligation and the winning names will be drawn at Golf-Mill's Children's Band Concert on August 7th.

Peter Sellers as President of the United States is on the "hot line" to the Soviet Premier in this Pentagon War Room scene from Stanley Kubrick's "Dr. Strangelove or: How I Learned to Stop Worrying and Love the Bomb." Also starred in the Columbia release are George C. Scott, Sterling Hayden, Keenan Wynn and Slim Pickens. Opens Friday at Golf Mill.

Strangelove Comes To Golf Mill

Peter Sellers and George C. Scott are starred in "Dr. Strangelove or: How I Learned to Stop Worrying and Love the Bomb," opening Friday at the Golf Mill Theatre. The film is called a "nightmare suspense comedy" by the producer-director, Stanley Kubrick. Also starred are Sterling Hayden, Keenan Wynn, Slim Pickens and screen newcomer Tracy Reed as "Miss Foreign Affairs."

"Dr. Strangelove or: How I Learned to Stop Worrying and Love the Bomb" has a psychotic Air Force general triggering an ingenious, foolproof and irrevocable scheme, unleashing his wing B-52 H-Bombers to attack Russia. The President of the United States, unable to recall the aircraft, is forced to cooperate with the Soviet Premier in a bizarre attempt to save the world.

The Golf Mill will present a special program for the children at the Saturday matinee. Doors open at 1 P.M. and program starts 1:30 with an hour of cartoons followed at 2:30 by the kiddie feature, "Captain Sinbad." The children's show ends at 4 P.M.

The following wrecked and abandoned vehicles appraised at a value not exceeding \$100.00 will be sold at Public Auction August 4, 1964 at 11 a.m. at Skokie Automotive, 7254 Milwaukee Avenue, Niles, Illinois.

- 1. 1950 Buick, 4 dr sedan Ser. 16029972.
- 2. 1958 Plymouth, 2 dr HT Ser. LP 2-20302
- 3. 1961 Plymouth, 2 dr Ser. 211-149287
- 4. 1960 2-dr Ford Ser. OUA1W142364
- 5. 1955 Ply. Station Wagon Ser. 115754482

Any person or other persons legally entitled to possession of said vehicles may claim them within 15 days of said date. The aforementioned automobiles will be sold under section 35B-1 and 35B-2 of the Illinois Motor Vehicle Laws.

Dated July 23, 1964, Clarence Emrikson, Chief of Police, Village of Niles, Illinois, County of Cook, State of Illinois, Custodian of unclaimed property.
