

Left Hand

Continued from page 1
who were the incumbents.

The fourth party, the so-called "Independents" spoke in more outspoken terms, criticizing builder-trustee tie-ins, multiple dwelling zoning and then the mayoral candidate brought up the big guns by denouncing the tie-in with township politics, and bespeaking of gambling in the community.

As the drama unfolded, the independents upset the 20-year old incumbent by landslide into office. The well-financed, first-to-start group, which played it cool, came out fourth in a field of four.

The aftermath of the politicking was somewhat disillusioning. The new mayor, who brought up the big guns which salvaged him into office, suddenly clammed up. While the gambling continued, he said he did not have one complaint about it in a survey he had taken.

And then, seeming to forget the township political tie-in which he lashed out at, he promptly joined the Maine Township Democratic group. "You don't understand that you can't get anything done unless you belong to a political group," said the man. However, the more independent independents, his running mates, stayed that way, knocked out the gambling, and settled down to running the town, while two of them stayed free of the outside political groups.

The rank and file bell ringers whose moment of glory was in defeating the 20-year old cobwebbed incumbents, mostly left the political scene after the election. Some of the more disillusioned said they'd been betrayed, some wondered why they knocked themselves out for others' glory. But the majority of them had felt they had accomplished their mission, and sat back to wait for their efforts to bear fruit.

The Niles 1961 picture was great drama. Those who actively participated were richer for the experience.

As we mentioned before, you seldom get a similar opportunity in a larger city. But here in suburbia you are in the starting line-up while the game is being played.

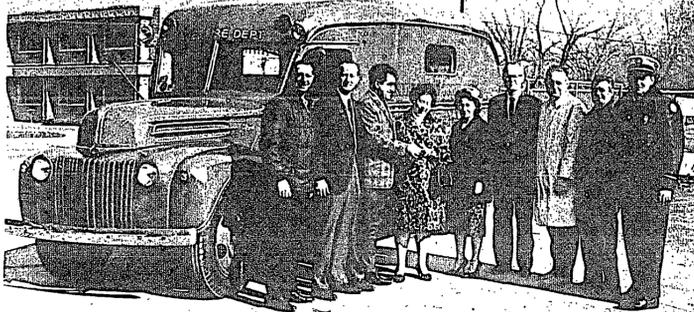

Go find yourself a ball club, or create one of your own. "The town you improve will be your own."

Invest 4 Brownie #962 Girls

On October 20 at the Oak School, four new girls were invested into Brownie Troop #962. They are Kathy Anderson, Leslie Leske, Deborah Schuelke and Cindy Truedau. The mothers of all the girls were invited to attend the investiture and after the ceremony refreshments were served. The leaders of the troop are Mrs. Shirley Mueller, Mrs. Loretta Giometti and Mrs. Marion Emrikson.

The girls presenting colors at the Oak School PTA meeting November 16 at 8 p.m. are Debra Berk, Kim Emrikson, Nancy Giometti, Lynn Keller, Connie Mueller, Jill Obermaler, Andrea Schneider, Gall Sipe and Valerie Viehlehr.

On November 28 the entire troop is looking forward to attending "Winnie the Pooh" at the Goodman Theatre. The girls will take the bus down, accompanied by their leaders.

New Bookmobile

On October 31, 1964 Mayor Nicholas B. Blase officially presented the keys and title of the Emergency Unit of the Niles Fire Department to the Friends of the Library, who in turn will convert this unit into a bookmobile. This unit is 20 years old and has served its need to the Village, it is in very good condition but not usable as an

emergency unit.

Pictured left to right: Trustee Marcheschi, Trustee Szymanski, Mayor Blase, Mrs. Phillip Bergeron, President of The Friends of the Library, Mrs. William McEnaney, Vice President, Francis S. Allan, Library Administrator, Trustee Scheel, Trustee Bruno, and Chief Hoelbl.

Halloween Party

Continued from page 1

erski, Mrs. George Gauthier and Mrs. Walter Elder. The Refreshment Committee members were Mrs. Ted Olsen, Miss Carol Chamerski and Miss Judi Schreiner.

At this time, prizes were also awarded to the winners of the Halloween Painting Contest. Of the 150 children who entered the contest originally, 112 of them brought back their finished paintings for judging. The three judges, Miss Judi Schreiner, Mr. Ted Olsen and Mr. Michael Wiesner, had a very hard time picking out the nine winners. They finally decided that in the 8th Grade category, the winner artists were: First Place—William Hans, 8738 Oketo, St. John Brebeuf School, Second Place—Bruce Bianchi, 8336 Caldwell, Niles Public School, Third Place—Janice Claude, 6950 Dobson, Niles Public School.

The 7th Grade winners were: First Place—Rose Divita, 7417 Mulford, Emerson Jr. High School, Second Place—Michael

Tabor, 8662 Merrill, East Main Jr. High School, Third Place—Nick Bavaro, 7139 Breen Street, St. John Brebeuf School.

The 6th Grade winners were: First Place—Ken Tabor, 8662 Merrill, Oak School, Second Place—Nancy Koza, 8526 Oketo, Oak School, Third Place—Bernadette Schatz, 7929 Nora, St. John Brebeuf School.

All the paintings that were received were then put on display in store windows at both the Golf-Mill and Lawrencewood Shopping Centers. The nine winners will be on display in the lobby of the Golf Mill Theatre.

Many of the children stayed at the Party and played the different games which were under the supervision of some of the members of the Lions Club of Niles.

Our sincerest thanks to the many people who came and helped to make the Party a big success. The children and their parents who attended had a fine time. The Maintenance Crew who did such a terrific job of setting up and cleaning up afterward, The Niles Police Department and the Niles Fire Department. The members of the Lions Club of Niles, The Judges of Costumes. The members of the Refreshment Com-

Color guards are: Debra Berk, Kim Emrikson, Nancy Giometti, Lynn Keller, Valerie Viehlehr, Connie Mueller, Jill Obermaler, Andrea Schneider and Gall Sipe.

Stop Lites

Continued from page 1

abatement on Waukegan Road, and suggested luminous paint and additional lighting be added there to reduce the present hazard, which claimed another accident the past week-end.

Szymanski commended the Health Board for its fine medical self-help program, and stated any groups desirous of seeing movies and this program should notify the village.

Szymanski criticized THE BUGLE for its criticisms of Judge Smigiel. Szymanski said Smigiel "stands for integrity and the highest ethics" and dispensed justice equitably. He noted Smigiel served the village of Niles well, and now has a favorable record as a Circuit Court Judge. Szymanski noted THE BUGLE has had this "continual harangue" regarding Smigiel, and he suggested the other newspapers in the area should take note of it, implying they should counter THE BUGLE criticism. Szymanski said he was aware that "newspapers have the last word" but still he desired to state his comments. Mayor Blase then said he concurred 100% with Szymanski's comments.

Scheel announced the home fire inspection program will take place November 23, and it will start on Scheel's block on Keeney Street.

Scheel reported the 1935 pumper is in need of much repair and new specs will be drawn for a new one, estimated cost \$23,000.

A special meeting will take place Saturday to reach a decision on R2 zoning on Ballard Road which the ZB has already concurred with.

T-street area abutting Golden Acres under consideration for annexation dependent on the approval of Niles officials, who will study area there.

Referred to the ZB re-zoning for Lutheran Church of Resurrection at 8450 Sherman Road, beauty school for 804 Milwaukee and B1 zoning for area north of Oakton on Greenwood.

Manufacturing zoning for Joker Joe area also referred to ZB.

Berkovsky suggested tree planting program for parkways and front lawns be jointly undertaken by village and homeowners, to be placed in next year's budget. He said Skokie allotted \$5,000 for first year program there.

A slightly different tack, but significant, is the attraction of the John Birch Society to Glenview. It is about to open regional offices there, and we ask ourselves, "Why Glenview?" We believe Glenview's personality is a composite of the people themselves, and it's an area where the group will be comfortable. It's an area where the newspaper there never ruffles feathers and where most of the residents prefer to "be above the battle."

Meeting adjourned until Saturday, and next regular meeting will be November 24.

From The Left Hand

by David Besser
Editor & Publisher

Niles vies for the All America city honors this weekend in San Francisco, and all of us are hopeful she emerges as one of the 11 winners of the title. But whether or not she achieves the title, Niles has come a long way in recent years.

It was only a couple of years back Skokie also was a finalist in this competition which twice points to the outstanding area in which we live. The selection of two villages from one township, among the many throughout the United States, is proof our area is outstanding.

We have always had the feeling our area has a vitality, unlike many of our neighbors. While neighboring Park Ridge and Glenview seem to manage the suburbia of the 20's, Morton Grove, Niles and Skokie are children of the booming fifties— young, sprawling, kicking and vital.

Certainly its closeness to Chicago has been a key in the successful growth of these communities. Having Chicago water piped into our villages has been instrumental in attracting industry, as well as residents to the area.

A town acquires a personality as it develops, and its people give it the verve which makes it stand out from all others. This personality attracts and it repels or it resists. As an example, our three towns have amassed one of the greatest industrial complexes in the entire country. By contrast, Park Ridge has held out industry, preferring only the neat, well-ordered office buildings which reside there. While it certainly is the people's privilege to determine the type of community they reside in, it tells something about the people themselves.

Again this year the Village of Niles is volunteering to accept pies for the Thanksgiving Pie Drive. This is an extension of the drive in progress throughout Chicago. As the Chicago Police Department cannot serve areas outside of Chicago, pies will be accepted at the Village Clerk's office at 7166 Milwaukee Ave. on November 24 and 25 from 8:30 a.m. to 5 p.m. Pies will not be picked up.

Niles Joins In Thanksgiving Pie Drive

The pies which are received at the Village Clerk's Office will then be delivered to orphanages, homes for the aged, and those less fortunate, that they too may share in the Thanksgiving festivities.

Lions Hold Bowling Sweeper Saturday Nite

What better way to give thanks than by opening your heart in this very small way.

Niles Garden Club Meets Monday Nite

Come get some new ideas for holiday decorating in your home. Guests are always welcome and membership is open to the women of Niles. Call your neighbor, bring a friend. Come learn about the many interesting and worthwhile projects the Garden Club of Niles is a part of. Projects that give enjoyment to members. Projects that benefit you, your Village, your state.

Hostesses for the evening will be Mrs. H. Meyers, Mrs. E. Sierzega, and Mrs. V. Volpe.

- November 30—TOPS Meeting, Niles Rathskeller, 7 p.m.

Niles "leaves its heart in San Francisco" Friday as it vies for the title of All America City, along with 21 other finalists. Eleven winners will be chosen among the 22 finalists.

Niles representatives will arrive in San Francisco today, Thursday morning, and will make its presentation Friday morning, the second day of the presentation period. Niles will make the second presentation Friday morning.

Nilesites attending the Awards final presentation include Niles Chamber of Commerce president Al Green and his wife, Junior Chamber of Commerce members Ken Cohen, Jeff Karzen, Russell McAndrew and Walter Zimm, Police Officer of the Year winner, Frank Wichlac, and Niles officials Mayor Blase, trustees Ang Marchesi, Ken Scheel, Len Szymanski, Bob Wentz, Village Clerk Marge Lieske and Village Manager Jim Pryde.

Thursday morning all 22 finalists will receive a briefing before the Awards Jury. Thursday afternoon the presentations will take place, with the remaining ones completed Friday.

The reports delivered by the finalists will be orally read. The Jury will have the written report, but a 10 minute orally-read presentation will take place. Upon its completion a five minute question period follows, with the Jury quizzing the applicants.

This quiz period is most important, and its outcome will likely determine the winners. Neighboring Skokie vied for the All America title two years ago, and a surprise letter received from a local resident on Human relations, aided in Skokie falling in its title bid.

Booby's, House Of Security Non-Political

In the heat of campaigns and general Elections, the Niles Days Committee was reminded of a long overdue clarification regarding the sponsorship of the booths of the 1964 Niles Days Festival, Booby's Drive-In and The House of Security sponsored and underwrote the cost of booths for the 1964 festival but they did not know which Niles organization would manage these booths. Therefore, because Booby's both was managed by the Niles Republican Organization and the House of Security's booth was managed by the Niles Democratic Organization, it does not necessarily reflect the personal politics of these sponsors.

Garden Club Meet November 23

The Grennan Heights Garden Club will meet at the Bunker Hill Country Club, on November 23, at 8 p.m.

Were You Counted?

THE U.S. BUREAU OF THE CENSUS IS COMPLETING ITS SPECIAL CENSUS OF NILES, ILLINOIS.

It is important that the census include all of the people who were living in this place on the official date of the census which is given below. If you were living here on this date and believe that you were not enumerated for the census, fill out the form presented below and mail it to the Census Supervisor.

My address on October 28, 1964

Number and Street	City, State	Apt. No.
Residence located between _____ and _____	Name of street	Name of street
Name of each person whose usual place of residence was in this household on census date (Enter last name first)	Relationship of this person to the head of the household as head, wife, son, roomer, etc.	Color or Sex Race

CUT OUT THIS FORM AND MAIL TO: Census Supervisor, U.S. Bureau of the Census, 6849 Touhy Ave., Niles 48, Illinois

Jackie Kohorst, Illinois Bell Telephone service representative, demonstrates the newly-designed wall phone for Touch-Tone calling. Prior to the introduction of this distinctive new service, customers will hear a new, lower-pitched dial tone starting tomorrow. Use of phones will not be affected. The distinctive new service will be available December 14 to phone users whose numbers begin "YORKTOWN 5, 6, 7 or 965, 966, 967 according to Chuck Ball, telephone manager.

'Yorktown' Telephones To Have New Voice Tomorrow

All "Yorktown" telephones—those that have numbers beginning YO 5, YO 6, YO 7, 965, 966, 967,—will have a new "voice" beginning tomorrow morning (November 20.)

The new voice will be a lower pitched dial tone—the sound heard when the phone is picked up.

The lower pitched tone will not affect the use of dial phone in any way, Illinois Bell Telephone Manager Chuck Ball said. Phone users should make calls in the usual way.

The reason for the change is the introduction of Touch-Tone calling to phone users with "Yorktown" and 965, 966, and 967 numbers, Ball said.

The present dial tone interferes with the musical tones sent out by a Touch-Tone phone and would cause customers who will have this new service to get wrong numbers, he explained.

With Touch-Tone service, pushbuttons and musical tones are used to place a call. This faster, easier and more convenient service will be available beginning December 14.

A 10 button keyboard, carrying the same number letter-combination found on the conventional dial, replaces the familiar dial wheel. Customers no longer will wait to wind up the dial for each digit, then wait for it to spin back. They will be able to tap out the number about twice as fast as they now dial it.

Ball said installation of Touch-Tone equipment in the central office should be completed by early December. From then until December 14, the equipment will undergo rigorous testing to make sure it's in excellent operating conditions.

23 Bed Unit For Intensive Care At LGH

One of the newer concepts of hospital patient care is the intensive care unit. This area provides care for critically ill patients who need special or intensive care.

When the expansion at Lutheran General Hospital, Park Ridge, is completed a 23-bed intensive care unit will be opened on the ninth floor. The hospital currently has a five-bed intensive care area which opened last spring.

In the intensive care unit, the patients will be grouped to permit constant attention by the nursing staff. Specially trained nurses and special equipment and electronic devices are features of the area.

"Although the cost in this area is higher than the normal patient rooms, the cost here is considerably less than a private duty nurse," said Robert J. Nast, administrator.

In the intensive care unit, visiting regulations allow the patient's family to visit five minutes each hour, any hour of the day. A special private visitors lounge for the families of patients in intensive care is located adjacent to the unit.

Patients are admitted to the intensive care unit on orders from their family physician. When their recovery has progressed to the point where their condition is less critical, the patient is transferred to a regular patient floor.

The intensive care unit is one of the features of the expanded Lutheran General Hospital. An expansion program is now underway with completion set for the end of 1965.

The expansion will add three floors to the top of the present building and will add a five-story wing to the west of the present building. Included in the expansion will be 203 more beds for psychiatric, long-term

and medical-surgical patients. A new emergency department, a complete outpatient clinic, larger parking lots and expanded service areas are also included.

Total cost of the project is \$5,500,000. A federal grant of \$712,000 has been received and the hospital is financing the \$3,560,000. The community is being asked to provide \$1,228,000.

Girl Scout #159 Attend Theatre
 Junior Girl Scout Troop 159 under the leadership of Mrs. Norma Goldman and Mrs. Ruth Green will attend the Goodman Theatre on November 28th to see "Winnie The Pooh". These girls are currently working on their "Troop Dramatics Badge" and will be very interested spectators. Members are Bonnie Wilson, Debbie Walls, Marci Perlman, Debbie Neubauer, Diane Benson, Amy Brinkerhoff, Lisa Deck, Janet Goldman, Pamela Graff, Pamela Koperny and Diane Green. A songfest is planned for the trip up and back.

Symphony To Appear At Maine East

The Northwest Symphony Orchestra Association is pleased to announce that tickets are now on sale for the 1964-65 season, which will consist of four concerts. A season ticket is only \$5.00 for the four concerts. Tickets for individual concerts are \$1.75. Season tickets for high school students are \$2.00 while individual concerts cost \$1.75. Thus season tickets are a real bargain. The four concerts will be held on November 29, January 17, March 14, and April 11, at Maine Township High School East, Dempster & Potter Roads.

The first concert, on November 29, will feature Jeanne Scott of Glen Ellyn, who will play Brahms' D Minor Piano Concerto. Mrs. Scott, an accomplished musician, plays commandingly and with great depth. She appeared on TV Artist's Showcase this past winter. Schumann's First Symphony (The Spring) and the Brahms' Academic Festival Overture will complete the program.

Members of the Symphony group, it is comprised of residents of the Northwest area, derive much enjoyment from participating in the presentation of these programs, and residents are assured that they too will find enjoyment there. Mrs. John R. Schwenke is in charge of ticket sales, and her address is 954 Prairie Des Plaines, 824-7727. In Niles Call Mrs. James Plonka, YO-5-4549.

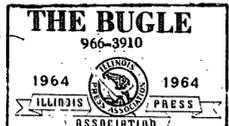

Churches Observe Fight To End T.B. Sunday

On Sunday, November 22, Chicago's churches will add special blessings to a 58 year old campaign dedicated to the eradication of a disease which has plagued society since its beginning.

From the pulpit and church bulletin, the clergy will call their congregation's attention to the 1964 Christmas Seal cause. The campaign officially opened on Monday, November 16.

According to H. Ferris White, Jr., general chairman of the campaign, "unless this year's Seal goal—that of \$875,000—is met, the important TB-defeating services provided by the Tuberculosis Institute of Chicago and Cook County will have to be cut."

"In Chicago where pockets of TB have forged great strongholds of infection this becomes

Mr. Two Hands

John Sebastian, senior staff member of Maine Township High School's Driver Education Department, will appear on the nationally televised morning show "Missing Links" on Friday, November 20th, on WBKB-Channel 7 at 10:30 a.m.

Appearing with MC, Dick Clark and panelists Dorothy Kullgren, Joel Gray, and Nipsy Russel, he will discuss his early professional basketball playing career experiences. The panelists will try to guess specific words left out of his story, thereby providing the

so called "Missing Links"

Mr. Sebastian recently refereed the Harlem Globetrotters game sponsored by Maine Township High School West. On following days he refereed a series of Globetrotters' games played in the vicinity.

His professional career included playing three seasons against the famed "Globies" in this country and abroad. It was at this time that he was given the appellation, "Mr. Two Hands" because of unique style of basketball handling. His particular style merited him appearances on other TV shows notably Art Baker's nationally televised "You Asked For It", and locally Norman Barry's "Let's Look At Sports."

a personal situation," he explained. "We know that at least half the adult population of Chicago has come into contact with an active source of TB. For these infected individuals, a combination of factors such as lingering colds, inadequate food or living conditions, or another disease, could lower one's body resistance, making active TB a reality," he added.

"Each year in Chicago, alone, nearly half of the 2400 new active TB cases spring from old infections. In many cases the TB infection had lain dormant for months or even years," he said.

"Most victims are unaware that they suffer from TB as no warning signs are given during the initial stages of disease," the campaign chairman stressed.

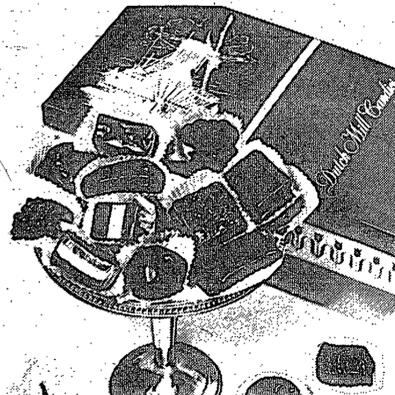

"We have to search out this group of unknown victims before they have ample opportunity to infect not only their own youngsters, spouses, or other family members, but unsuspecting relatives, friends and co-workers.

Case finding and gaining the needed financial support with which to continue TB control efforts is "a giant undertaking," White said. "We are grateful to our clergy for assisting us in this venture."

Another Morn., Patrolman's Benevolent Association Gives Thanks

another Morn.
By Frieda Aron—966-9669

This fall, a desire became a reality. Through the drive, perseverance, and untiring effort on the part of a handful of patrolmen on the Niles Police Department, a much desired goal was on the way to becoming a reality.

The first step taken was the formation of the Niles Patrolmen's Benevolent Association.

This association is dedicated to the acquisition of benevolent benefits for its members.

For the past two years, the Niles Patrolmen's Benevolent Association has sponsored the "Policeman's Ball." Because of the generous support of the residents, business and industry of Niles, the past two "Policeman's Balls" were finan-

cial and social successes.

Proceeds from these two affairs made it recently possible to make initial payments on the purchase of \$2,000 life insurance on each and every member of the Niles Police Department.

"Why do continental women look so young", asks the television announcer. "Countess So and So, mother of two, active horsewoman, busy housewife in France, is almost thirty. But she uses 'such and such soap' and that's her fountain of youth," he means. Well now, you don't say—anyone under thirty or over thirty who thinks mummification will set in at that age please come forward and be counted! This most stupid of all stupid commercials could only be geared to an America that "thinks young and lives young". In our country anyone past their twenties is passe and ready for the junk heap. That commercial wouldn't dare be shown in Europe, where the world becomes more exciting and more fulfilling with age. The continental philosophy of life attributes the best part of living to maturity, full development and growth of ones' stature.

A sight I can do without—those visor-capped sportsmen of the newest fad—shooting along the streets on their "hondas". With the suburbs wild about family bicycles and outdoor each other with fancier and plusher bikes, will cars become extinct? Maybe the family car will be given back to the family—who will now be complaining that kids are using Moms' and Pops' bikes.

The ultra-conservative hierarchy of the Chicago Medical Society would hesitate before refusing equal time in this situation—nay, I think they would rather eagerly grant it. Two friends who are sharing the same hospital room, allowed the faultless hands of the same surgeon to usurp a democratic uterus on the same day. Both party members are enjoying their recovery, mild on the political angles, but violently pro-surgeon.

Cleaning, cooking, ironing, washing, etc., etc., all the components of a housewife, are lacking in my make-up. After twenty-two years of marriage I have to be propelled into doing some of those things, only because of the possibility of utter starvation, or the house disolving into a mountain of dust. And the best reason of all—a reunion at my house of the nurses I knew and worked with twenty years ago set me into a spin of cleaning that will long be remembered, but probably not be repeated for another twenty years. That little smart sleek son of mine watched me minutely for a few minutes and then said, "Mommy, are you having inspection tonight, you're making everything so clean." Will super-cleanliness spoil the Aron family? Tune in next week at the same time and learn the sad truth!

Thank you, those who called and those who spoke to me, criticizing my "March of the Maids". But some of you missed me also. This was aspoof on us lilly whites, not a ridicule of the colored maids. That would never have occurred to me, to think so little of such hard-working people, and such unfairly treated people, not because of their trade but because of their color.

Symphony To Appear At Maine East

The Northwest Symphony Orchestra Association is pleased to announce that tickets are now on sale for the 1964-65 season, which will consist of four concerts. A season ticket is only \$5.00 for the four concerts. Tickets for individual concerts are \$1.75. Season tickets for high school students are \$2.00 while individual concerts cost \$1.75. This season tickets are a real bargain. The four concerts will be held on November 29, January 17, March 14, and April 11, at Maine Township High School East, Dempster & Potter Roads.

The first concert, on November 29, will feature Jeanne Scott of Glen Ellyn, who will play Brahms' D Minor Piano Concerto. Mrs. Scott, an accomplished pianist, plays commandingly and with great depth. She appeared on TV Artist's Showcase this past winter. Schumann's First Symphony (The Spring) and the Brahms' Academic Festival Overture will complete the program.

Members of the Symphony group, it is comprised of residents of the Northwest area, derive much enjoyment from participating in the presentation of these programs, and residents are assured that they too will find enjoyment there. Mrs. John R. Schweske is in charge of ticket sales, and her address is 954 Prairie Des Plaines, 824-7727. In Niles Call Mrs. James Pionke, YO-5-4549.

Churches Observe Fight To End T.B. Sunday

On Sunday, November 22, Chicago's churches will add special blessings to a 55-year-old campaign dedicated to the eradication of a disease which has plagued society since its beginning.

From the pulpit and church bulletin, the clergy will call their congregation's attention to the 1964 Christmas Seal cause. The campaign officially opened on Monday, November 16.

According to H. Ferris White, Jr., general chairman of the campaign, "unless this year's Seal goal—that of \$875,000—is met, the important TB-defeating services provided by the Tuberculosis Institute of Chicago and Cook County will have to be cut."

"In Chicago where pockets of TB have forged great strongholds of infection this becomes

Mr. Two Hands

John Sebastian, senior staff member of Maine Township High School's Driver Education Department, will appear on the nationally televised morning show "Missing Links" on Friday, November 20th, on WBKB-Channel 7 at 10:30 a.m.

Appearing with MC, Dick Clark and panelists Dorothy Kilgallen, Joel Grey, and Nipsey Russell, he will discuss his early professional basketball playing career experiences. The panelists will try to guess specific words left out of his story, thereby providing the

so called "Missing Links"!

Mr. Sebastian recently refereed the Harlem Globetrotters game sponsored by Maine Township High School West. On following days he refereed a series of Globetrotters' games played in the vicinity.

His professional career included playing three seasons against the famed "Globies" in this country and abroad. It was at this time that he was given the appellation, "Mr. Two Hands" because of unique style of basketball handling. His particular style merited him appearances on other TV shows notably Art Baker's nationally televised "You Asked For It" and locally Norman Barry's "Let's Look At Sports."

a personal situation," he explained. "We know that at least half the adult population of Chicago has come into contact with an active source of TB. For these infected individuals, a combination of factors such as lingering colds, inadequate food or living conditions, or another disease, could lower one's body resistance, making active TB a reality," he added.

"Each year in Chicago, alone, nearly half of the 2400 new active TB cases spring from old infections. In many cases the TB infection had lain dormant for months or even years," he said.

"Most victims are unaware that they suffer from TB as no warning signs are given during the initial stages of disease," the campaign chairman stressed.

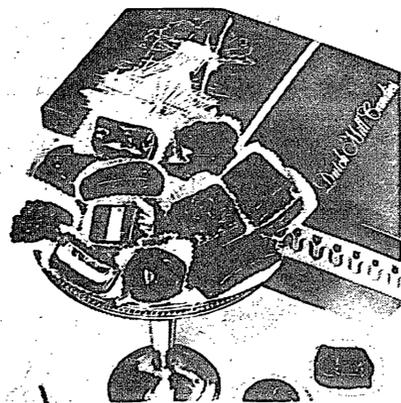

"We have to search out this group of unknown victims before they have ample opportunity to infect not only their own youngsters, spouses, or other family members, but unsuspecting relatives, friends and co-workers.

Case finding and gaining the needed financial support with which to continue TB control efforts is "a giant undertaking," White said. "We are grateful to our clergy for assisting us in this venture."

Another Morning. Patrolman's Benevolent Association Gives 'Thanks'

By Frieda Aron—966-9669

"Why do continental women look so young?" asks the television announcer. "Countess So and So, mother of two, active horsewoman, busy housewife in France, is almost thirty. But she uses 'such and such soap' and that's her fountain of youth," he means. Well now, you don't say—anyone under thirty or over thirty who thinks mummification will set in at that age please come forward and be counted! This most stupid of all stupid commercials could only be geared to an America that "thinks young and lives young". In our country anyone past their twenties is passe and ready for the junk heap. That commercial wouldn't dare be shown in Europe, where the world becomes more exciting and more fulfilling with age. The continental philosophy of life attributes the best part of living to maturity, full development and growth of one's stature.

A sight I can do without—those visor-capped sportsmen of the newest fad—shooting along the streets on their "hondas". With the suburbs wild about family bicycles and outdoor each other with fancier and plusher bikes, will cars become extinct? Maybe the family car will be given back to the family—who will now be complaining that kids are using Moms' and Pops' bikes.

The ultra-conservative hierarchy of the Chicago Medical Society would hesitate before refusing equal time in this situation—say, I think they would rather eagerly grant it. Two friends who are sharing the same hospital room, allowed the faultless hands of the same surgeon to usurp a democratic uterus and a republican uterus on the same day. Both party members are enjoying their recovery, mild on the political angles, but violently pro-surgeon.

Cleaning, cooking, ironing, washing, etc., all the components of a housewife, are lacking in my make-up. After twenty-two years of marriage, I have to be propelled into doing some of those things, only because of the possibility of utter starvation, or the house dissolving into a mountain of dust. And the best reason of all—a reunion at my house of the nurses I knew and worked with twenty years ago set me into a spin of cleaning that will long be remembered, but probably not be repeated for another twenty years. That little smart aleck son of mine watched me minutely for a few minutes and then said, "Mommy, are you having inspection tonight, you're making everything so clean." Will super-cleanliness spoil the Aron family? Tune in next week at the same time and learn the sad truth!

Thank you, those who called and those who spoke to me, criticizing my "March of the Maids". But some of you misread me also. This was a spoof on us lily whites, not a ridicule of the colored maids. That would never have occurred to me, to think so little of such hard-working people, and such unfairly treated people, not because of their trade but because of their color.

This fall, a desire became a reality. Through the drive, perseverance, and untiring effort on the part of a handful of patrolmen on the Niles Police Department, a much desired goal was on the way to becoming a reality.

The first step taken was the formation of the Niles Patrolmen's Benevolent Association.

This association is dedicated to the acquisition of benevolent benefits for its members.

For the past two years, the Niles Patrolmen's Benevolent Association has sponsored the "Policeman's Ball." Because of the generous support of the residents, business and industry of Niles, the past two "Policeman's Balls" were finan-

cial and social successes.

Proceeds from these two affairs made it recently possible to make initial payments on the

purchase of \$2,000 life insurance on each and every member of the Niles Police Department.

Santa Claus Comes To Golf Mill Friday

Friday afternoon, November 20, Golf-Mill Shopping Center, Niles, will officially welcome the 1964 Christmas Season.

The main features will be the lighting of a colossal 50 foot Christmas tree atop the nine story Golf-Mill Professional Building. The tree will serve as a Christmas landmark for the Northwest suburbs.

As last year, the friendly Snowmen will be prominent a-

round Golf-Mill. A giant 35 foot Snowman will be inflated tomorrow (Friday) in both the North and South Parking areas. Made of indestructible Hercules Rubber the Golf-Mill Snowmen will blow up to their full 35 feet in 60 seconds with the use of blowers within the frame.

Additional 18 foot snowmen will be on the canopies throughout Golf-Mill, complete with top hat, pipe and scarf.

Santa Claus will make his appearance all afternoon and evening to top off the festivities. With Santa will be his reindeer, Donder, Blitzen, Dancer, Prancer and Rudolph with his red nose.

The complete theme this year will be an overall friendliness that will be found in all Golf-Mill stores this Christmas season.

Notre Dame Captures Second Place

by Dan Kosiba

Notre Dame's Dons took vengeance upon the St. Procopius team and convincingly walloped them 34-12.

The win over Proco stretched the Dons' string to 5 in a row and 6-1 for the Conference season, one game behind first place Marian Central of Woodstock.

The Notre Dame seniors playing their last conference game at N.D., turned in fine performances with seniors Brian Powers, Bill Malloy, and Mike Lyon responsible for 30 of the 34 points.

Halfback Mike Lyon set a new Notre Dame scoring record, previously held by Gregg Schilling (class of '62) by adding three touchdowns to his two

year total. However, Lyon lost his Conference scoring title to Rick Bordenave of Marmon Military Academy.

Scoring

Touchdowns: N.D., Powers (7 yd. run), Malloy (50 yard run) Lyon, 3 (35, 13 and 9 yard runs), St. Proco Glander (3 yard run) Martinek (1 yard run). Points after touchdowns: N.D.: Hurley 4 (kicks).

Final Suburban Catholic Standings:

Marian Central 7-0
Notre Dame 6-1
Joliet Catholic 4-3
Marmon Military 3-3-1
St. Procopius 2-4-1
Immaculate Con. 2-7
St. Edward 0-7

Nilehi West Athletes Honored At Banquet

Niles West Varsity Football and Cross Country athletes recently were honored at the school's annual Awards Banquet, sponsored by West's Booster Club.

After a prime beef dinner, parents and guests applauded the athletes as they received major and minor awards for participation in the two fall sports. Between presentation of awards, Harry Sortal, school guidance counselor and emcee, entertained the audience with witty anecdotes about individual

Among the honored guests at the banquet were area newspaper men, Doctors Joseph Brown and William DiGillo, and the Niles West Varsity cheerleaders.

Adding to the festive occasion were a number of special awards presented by the Skokie rotary Club and the NI-WE-HI Booster Club.

The Rotary Club's special awards were given to two boys voted to be the most valuable players by their respective teams. Receiving the "Most Valuable" player for cross-country was Junior Bob Clemens. The "Most Valuable" player award for football went to Senior Bob Levin.

Varsity Football Coach Mike Basrak also announced the 65-66 football co-captains, Terry Thomas and Norm Anderson.

Other special awards were made to Mike Basrak and Paul Zlotnick, the Indian mascot.

Special honors went to three boys selected to the All-Des Plaines Valley League Football Team. Selected were Halfback Bob Levin, Ends Rick Steed and Dave Reichert. Receiving honorable mention for the same team were Tackle Jim Novotny, Linebacker Gary Wilson, and Fullback Dave Smith.

Maine Ridge Elects Officers

The annual dinner and business meeting of the Maine Ridge district of the Boy Scouts was held Thursday evening, November 12, at the Lone Tree Inn.

Newly elected officers are Robert Sasser, Park Ridge, the chairman, Robert Stacey, Park Ridge, and John Volp, 7120 Keeney. They are vice chairmen.

Members at large from Niles collected were Ronald Sæberson, 8212 Merrill, New members at large are Ted Lesniak, 8406 Oketo, Niles; Thomas Whaley, Glenview, and William Pelrine, 7040 Wilson Terrace, Morton Grove.

Frank Newton, council scout executive, installed the members at large; the challenge was given by Art Fink, vice president of the council and the acceptance by the new chairman, Bob Sasser.

Highlights of district executive Herb Pietschmann's report were the increase in boy scout membership over a three year period from 1929 to 2149. Summer Camp had an increase from 682 to 768 boys attending. Cub, boy and explorer advancements should exceed the 1963 figure of 1353 by the end of this year.

The week end campsites are Camp Baden Powell, Camp Dan Beard and Lakota reservation and long term camping at Camp Napowan, Wild Rose, Wis., Herzog reservation near Milwaukee and the new camp in the heart of Wisconsin's Indian Head Country, 23 miles northwest of Spooner.

Walter Craigie, 8316 Merrill, chairman of the long range planning committee, told of the job ahead and the challenge.

Institutional representatives at the business meeting were Michael McDonnell, St. Isaac Jogues Catholic Church, Vasco Mattoon, St. John Brebeur Catholic Church, D.S. Schneider, Oak PTA, and Dan Tracy, Niles Community Church, all of Niles, and Robert Richardson, Glenview.

'Friends Of Library' Give Thanks

On Behalf of the Friends of the Niles Public Library, Mrs. Peter Livorsi, Card Party chairman and the members of her committee, would like to take this opportunity to publicly thank all the merchants who generously contributed to the Card Party. It is encouraging to know that the merchants and businessmen of Niles are interested and understand the needs of their community and are always willing to cooperate towards the betterment of Niles.

The "Friends" would also like to thank all the Niles residents who contributed by buying tickets and who attended the Card Party to make it a success. Soon one of the goals of the "Friends" will become a reality and will be enjoyed by many citizens of Niles. Through the participation of the wonderful people of Niles in community projects such as ours we will see progress.

I would like to thank the editor of this paper for his consideration in printing all my articles publicizing the affair. Without his cooperation our efforts to inform residents of our activities would have gone unnoticed.

Rocket Society Meets Dec. 3

A countdown is given, a button is pushed and VA-ROOM the AREOBEE-HI streaks skyward, leaving a smoke trail behind. At about six hundred feet a parachute is ejected and the entire rocket floats gracefully down to terra firma.

A new rocket engine is inserted and the flight is repeated. Of course by now we hope that you realize that we are talking of a model rocket, and

one which can be flown in an area the size of a football field. The Niles Model Rocket Society will introduce you to this new safe hobby, all that is necessary is to attend a meeting on Thursday, December 3 at 7:30 p.m. in the new Recreation Center, 7877 Milwaukee Ave. Application for membership is open from age 10-adult. We would ask, though, that you contact LeRoy Meyers, YO-5-3919 before attending this meeting.

Library Closes For Thanksgiving

The Niles Public Library will be closed on Thursday, November 26th, Thanksgiving Day. During the rest of the week it will be open its regular hours: Friday, 9 a.m. to 6 p.m. and Saturday, 9 a.m. to 4 p.m.

There will be no children's story hour on Tuesday, November 24th or Thursday, November 26th. Story hour will be held at its regular time the week beginning November 29th.

TAKE NO CHANCES WITH YOUR EYES

Most people do not give their eyes the best possible care. To further complicate the danger, some unscrupulous promoters offer eye products that delay proper treatment, even though causing no immediate harm. Be wary of mail-order medicine men.

Don't be misled by claims that "magic" salves or drops will dissolve cataracts. You ultimately save no money when getting improperly fitted glasses by mail. Depend on your local licensed supplier. And, if your eyes need treatment let no one but a physician tell you what to do.

YOUR DOCTOR CAN PHONE US when you need a medicine. Pick up your prescription if shopping nearby, or we will deliver promptly without extra charge. A great many people can trust us with their prescriptions. May we compound yours?

Kutza Bros. Rexall Drugs

"To save time have your Doctor phone your Prescription to us"
7503 Milwaukee Ave. 647-8337
(At Harlem Avenue)

Your telephone will sound different starting Friday

Friday, November 20, you'll be greeted by a new sound when you pick up your phone to make a call. The familiar dial tone will have a new voice—one that is lower in pitch. This new tone will not affect the use of your phone in any way. So don't be startled. Make your call in the usual way.

TOUCH-TONE® Calling Coming Next

The new tone paves the way for TOUCH-TONE calling, to be available for Morton Grove customers December 14. TOUCH-TONE telephones let you tap out numbers instead of dialing. Each time you tap, you hear a pleasant musical tone—a different one for each button. And you can tap out a number twice as fast as you can dial. No more waiting for the dial to spin back. It's faster, easier.

This is the new TOUCH-TONE telephone

If your telephone number begins with YO 5, YO 6, YO 7, 965, 966 or 967, you can order TOUCH-TONE telephone service now. The cost is surprisingly low. Just call your Service Representative at 673-9981, or ask your telephone man.

DOING BUSINESS IN NILES HELPS FINANCE STREET IMPROVEMENTS

Motor fuel tax money returns helps to build new streets as well as improve old ones.

By supporting your Niles Gas Stations, state tax money spent there is returned in part TO NILES to be used for streets, and sidewalks also curb improvements.

AS AN EXAMPLE... Oakton Manor and Grennan Heights residents both received about 33% reduction in their street assessments due to the applying of motor fuel tax money returns to the construction of streets IN NILES.... one more example why "It's good business to do your business in Niles..... It Makes Good Sense... and Cents."

WHEN YOU DO BUSINESS IN NILES.....

Sales Tax Money comes back to serve you.... 1/2 cent of every dollar spent IN NILES is returned TO NILES.....

AS AN EXAMPLE.... Sales Tax returns can purchase new sidewalks and a street lighting program for Niles.

.....one more example why "It's good business to do your business in Niles..... It Makes Good Sense... And Cents."

A Job Well Done

Tony Di Lorenzo (center), Commissioner of Niles Baseball League for the 1965 season, presents to Art Dahlquist (left) and Cy Gradowski (right) baseball plaques in commemoration of their outstanding service to the Niles Baseball League during the past year.

Niles Baseball League

Concludes Successful Year

At the regular monthly meeting of the Niles Baseball League last week, the annual record books were closed on the most outstanding performance in the history of the league. Commissioner Cy Gradowski and league officers, Jim Gramarossa, Bill Borman, and Art V. Dicka along with the Board of Directors composed of Art Dahlquist, Jack Faneck, Bob Helderman, Bob Brooks, Lou Marresse, Dan Tracy and Frank Barbalace, ended their one-year terms with the knowledge that their leadership provided 690 boys (ages 8 to 18), the largest number of players since the inception of the league in 1952, the opportunity to participate in America's favorite pastime.

Under the energetic guidance of Cy Gradowski and the numerous committee chairmen, managers and coaches, Peanut, Little, Pony and Pony Grad teams, aggregating the gigantic number of 52, played a cumulative regular league schedule of games totaling in excess of 900, not including playoff and all star competition. This is really an impressive performance considering all players were fully equipped, insured and guided by competent adult supervision through an organization which is basically a volunteer effort and paying its own way.

'It's Academic' Time At Nilehi West

"It's Academic" time again at Nilehi West.

Seven seniors recently were selected to represent their high school in the weekly NBC, channel 5, high school quiz show.

Three of these students will be picked as the school's team. The others will serve as alternates.

The students are Steve Greenman, Lynne Graham, Bonnie Zimmerman, Marsha Kurtan, Miriam Fried, Bruce Bolnick, and Jon Conrad.

Mrs. Lois Fisher, faculty sponsor of the group, reported that 14 students went to the NBC studios early in November to audition. The purpose of the audition, she said, was to indicate what students reacted best under stimulated game conditions.

Although the Nilehi West team does not know at this time what two other schools it shall meet in competition, Mrs. Fisher said, the taping of Nilehi West's first show is expected to be in January or February.

"It's Academic" is a fast-paced quiz show, covering the areas of literature, science, mathematics, history, current events and art. The show is on Saturday evenings at 6 p.m.

Nilehi North Mixer Attended By 800

"Northeast by Northwest," Nilehi North's initial student mixer, entertained nearly 800 students from all three Niles Township High Schools, reported Ralph Lyerla, faculty adviser to the union organization.

The school's first union was designed as a get-together for students from Niles East, West, and North so that classmates who had been separated by the division and formation of the new North school would have an opportunity to renew acquaintances and enjoy an evening of dancing and entertainment, Lyerla said.

Entertainment was provided by the presentation of "The Honeymoon Machine," the first of a series of feature length motion pictures to be offered by the union this year.

Lyerla said the unions at North are designed with entertainment for the North student

body in mind. "It is an opportunity for the students to get together for an informal evening of fun," he continued.

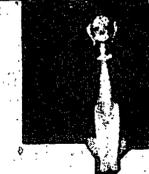

Students who comprise the student union executive board include Larry Bassuk, president; Patti Ballou, vice president; Linda Halteen, secretary; Marilyn MacCorkle, treasurer; and Bob Bartholomew, entertainment chairman.

LIMITED TIME OFFER—SEE YOUR DEALER

Now save up to \$60 when you buy a new electric dryer

Right now—just as outdoor drying starts to get its worst—Commonwealth Edison and Public Service Company, in cooperation with your appliance dealer, offers you a chance to save up to \$60 on any new flameless electric dryer. You'll get the \$20 to \$40 you normally save when you buy an electric dryer instead of gas—plus a special cash discount of \$20 from Commonwealth Edison.

What's more, flameless electric dryer savings don't end with low first cost. There are few moving parts, so electric dryers are more economical to maintain. With no pilot light, they cost nothing when not in use. As a result, an average family can dry the modern electric way for only \$1.25 a month.* And because there are no fumes, flames or products of combustion, things keep fresh and new looking longer—you'll save money on your clothes.

See your dealer for the money-saving details now. No down payment. Satisfaction on any flameless electric dryer guaranteed.

Public Service Company
Commonwealth Edison

*Based on the actual use of a conventional gas dryer.

At Des Plaines

Wallis' new Technicolor musical for Paramount, "Roustabout" which opens Friday at the Des Plaines Theatre. Elvis plays a carnival roustabout (handyman) who becomes a midway singer in order to drum up some business for the sagging carnival. Along with Elvis, the cast includes Barbara Stanwyck, Joan Freeman, Lefty Erickson, and Sue Ane Langdon. It is co-featured with H.G. Wells' "First Men on the Moon."

Knights To Go A'Rolling

On Wednesday evening November 25, 1964, from 7:30 P.M. to 10:30 P.M., The North American Martyrs Council #4338 K. of C. Niles, Illinois will hold their SECOND ANNUAL "ROLLER-ROLL" at the PLAYDIUM 1766 Glenview Road, Glenview, Illinois.

Tickets can be obtained, \$50 per person or \$2.00 for an entire family, at the door.

Round trip bus service, for those who require it, will be available at the St. John Brebeuf School parking lot. The fare will be \$25 per person. Bring the entire family and have a good time.

Golf Mill ORT Celebrates Chanuka

A joyous Chanuka celebration is in store for members of Golf Mill ORT on Tuesday, November 24, 1964, at the home of Mrs. Lewis Greenberg, 7819 Churchill, Morton Grove, Illinois. Luncheon will be served promptly at 12:30 P.M. Mrs. Norman Kohan, president, of 9048 Clifton, Niles, welcomes anyone who may be interested in attending the meeting and particularly anyone who may be interested in joining this group. Mrs. Henry Abrams, 2440 Golf Road, Glenview, co chairman, promises an enjoyable afternoon of fun and frolic.

V.N.A. To Hear Mrs. Seth Brown

The next meeting of the Visiting Nurses Association will be held at the Oakton Park Center, 4701 Oakton Street, Thursday evening, November 19, at 8 p.m.

Guest speaker for the evening will be Mrs. Seth Brown, President of the Evanston Visiting Nurses Association.

Rubbish Pickup

Due to the Thanksgiving Holiday, all rubbish calls must be placed before 4:30 P.M. on Wednesday, November 25, 1964. Call 647-8565 if you want to discard old furniture, large crates, hot water tanks, etc.

Cub Pack 175 News

Cub Pack #175 of Saint John Brebeuf Church held its monthly pack meeting in the school hall with a very large group of parents and friends in attendance.

Den #4 and Den #7 tied for the honor of winning the attendance flag, with the award going to Den #4 by the toss of a coin. The meeting was well conducted by Assistant Cub Master Richard Lamermayer as Cub master William Keener was unable to attend. Den #2 with Keith Kozeny, Allen Hilgers, Gerald Magnuson, Gary Les, Jeff Mazur, and Wayne Brekke presented the colors in fine style.

Den #1 led by Mrs. Marlon Hilgers put on a skit titled "How to Muscle In" starring Ken Hilgers, Mike Kroening, Bill Sturm, Bob Hentschel, Greg Kozeny, and Gary Kokron.

All the cub scouts and members of Pack #175 wish to extend their sincere thanks and appreciation to Mr. Blaskovits for all his time and effort in making four additional flat stands and donating them to the pack.

The pumpkin contest was very difficult to judge with so many fine entries. After much debate and rechecking the final selections were: funniest Billy Sturm, scariest Darrell Ebert, and the most original going to Martin Draths.

Book Fair At Mark Twain School

The Mark Twain School PTA announces the 2nd Annual Book Fair to be held on Friday, November 20th at 9:00 A.M. to 4:30 P.M. and on Saturday, November 21st at 10:00 A.M. to 2:00 P.M. at the Mark Twain School in Des Plaines. The books are for age groups 5 yrs. to 12 yrs. and would make very nice gifts for the holidays. All proceeds will go to the new Mark Twain School Library.

Vernell Corps. Expanding, Seek New Members

The Glenview V.F.W. can be proud to claim the Vernell Drum and Twirling Corps.

This active group not only provides a healthy recreational atmosphere for many young people in the area, but also has brought many credits in the form of trophies and awards upon themselves as well as the village.

A short resume of their 1964 contest accomplishments is as follows: the Governor's trophy for Color-Guard and Drum section at Notre Dame; the Governor's trophy for the 1st place State Fair championship in Springfield, Illinois; and many other awards too numerous to mention.

The peak of the season was the trip the Corps made to New York for one week to participate in the world contest.

Currently the Vernell Corps is expanding in size and will welcome inquiries from all interested girls and boys, ages 11 to 18, from local and surrounding suburbs.

Please contact Mrs. J.C. Miller, 825-6582.

At Golf Mill

MONEY TO BURN...Debbie Reynolds is horrified when hubby Harve Presnell tells her that he warmed his "backside" at the pot belly stove where she hid their \$300,000 profit from the sale of a silver mine. The scene is from "The Unsinkable Molly Brown," screen version in Panavision and color of Broadway's triumphant musical hit. Opens Friday at Golf Mill.

Chief Emrikson Urges Safe Holiday Driving

Chief Clarence Emrikson of Niles today said that Thanksgiving is a solemn time of gratitude for all the blessings of a prosperous year. He reminded that "those who have the true spirit of this holiday will be mindful of the moral responsibilities of driving safely during this holiday and during all the rest of the year."

"Thanksgiving was established so that we could all give thanks for a bountiful harvest and the blessings of a happy and prosperous year. The spirit of Thanksgiving was never intended to be desecrated by the pain, suffering and grief resulting from unnecessary tragedies during the celebration of this national holiday," said Chief Emrikson in urging all citizens of Niles to keep the spirit of Thanksgiving in their driving.

St. Lukes Church News

Sunday, November 22, St. Luke's United Church of Christ holds worship services and Sunday school at 9:30 and 11 a.m. The sermon topic for this Sunday is "Overcoming Our Sorrows." Memorial Sunday will be observed at the 11 o'clock service in honor of those who have passed away in the past year.

Wednesday, Nov. 25, Thanksgiving Eve Service will be held at 7:30 p.m. The Sermon topic is "The Bible Case of Thanksgiving."

Maine Twp. Jewish Cong.

Former President John F. Kennedy will be remembered at a combination Thanksgiving-Memorial service of the Maine Township Jewish Congregation, tomorrow evening (Friday, Nov. 20) starting at 8:30 P.M. at East Maine Junior High School.

Rabbi Emanuel Bennett will speak on the subject "A Psalm of Thanksgiving."

Boy Scout 170 To Hold Dinner

On Sunday, November 22, Boy Scout Troop 170 will have its 2nd annual Spaghetti Dinner at the Hynes School, 9000 Bellefont Avenue, Morton Grove.

Tickets will be available at the door from 2 until 6 p.m. The tickets will be \$1.25 for adults and 75¢ for children.

The big treat is that there is no set limit on what one can eat.

Letters TO THE EDITOR

Opposed To Hi Rise

Gentlemen:

Enclosed is a copy of a recent article concerning a situation that must be dealt with firmly and decisively. I have been asked to contact the newspapers of the immediate area to solicit their support. We urge your cooperation in supporting our stand to defeat the rezoning proposed for the area bounded by Golf Road, Western Avenue, Kathy Lane and Parkside Drive. Any exposure that you may afford us will be appreciated.

All the Homeowners' Associations of this area are organizing to continue further protests. Among them are Ballard Acres, Ballard Gardens, Golf-Park Terrace, Bee-Cee, Golf-Greenwood Gardens. In addition to a great number of individual homeowners who are not members of any association.

If we enumerate our most important points, I am sure that you will agree with them:

1. The area is unincorporated and as such has no closeby fire protection. The nearest fire equipment available to this area must come from Des Plaines, and fire equipment will be dispatched only as priority 2 - in other words, the City of Des Plaines has first call on the equipment.

2. Presently there is no fire equipment in the area available to handle a "high-rise" structure of 42 feet.

3. Mr. Suson claims that he will have "high-pressure" fire fighting equipment on each floor. Presently the private water supply is barely adequate for the area now serviced; in fact we had at least three water failures this year in addition to water rationing during the summer months.

4. The character of the buildings is not in keeping with the area of single family residences of 12 to 16 feet high and duplexes and apartments of some 20 feet high. The only high-rise in the area is a commercial building located in the Golf-Mill Shopping Center.

5. Traffic would be channeled onto Golf Road and/or Western Avenue and Golf is already becoming over-burdened with traffic flow. Western Avenue would go from a quiet residential street to a thruway, a distinct threat to the young children of the area.

6. The sewer system is inadequate to use on a new number of units in addition to the units Mr. Suson is now building or has built in this area.

7. The relaxing of rezoning in this area has caused a severe tax problem to the present residents. My own tax bill has risen nearly 50% in four years with no leveling off in sight. We are being pushed to the brink of our financial resources. Mr. Suson's indiscriminate erection of multiples and apartments for an area that was primarily intended for single residences is hardly commendable.

I will be very happy to pay the cost of two tear sheets on any publicity on this matter, pro or con.

Sincerely,
William Scholly
9388 N. Western Ave.
Des Plaines, Illinois

Niles Home Inspection Program Begins

Worrying and wondering won't give you a fire safe home. Now is the time to take advantage of the Niles Fire Department's Home Inspection Program. When the firefighters call on your home against the ravages of fire, let them assist you in preparing your own home against the ravages of fire.

Whenever, the home owner pays out money, he expects to get either goods or service in return. This same homeowner also is a taxpayer. The money he spends in taxes goes in part to operate the fire department. In fact it's your fire department and the duties of the department is the prevention and extinguishment of fire.

Isn't it just good common sense for you to receive the service for which you have already paid cash? No one wants to throw money away and in this case, the fire department is willing to render you the service of a Home Fire Inspection which is due and available to you.

Beginning the week of November 23, the Home Inspection program will get under way. Any time after the 23 of November the following locations can expect a firefighter to knock on their door.

South of Oakton Street
Oleander Ave., 7600 to Jonquill Terrace, Olcott Ave., 7600

to Jonquill Terrace, Osceola Ave., 7600 to Jonquill Terrace, Oketo Ave., 7600 to Jonquill Terrace, Odell Ave., 7600 to Jonquill Terrace, Jonquill Terrace, 6850 to 7599.

North of Oakton Street
Keeney Street, 6800 to 7999, Seward Street, 6800 to 7599, Oakton Court, 6700 to 7199, Monroe Street, 7000 to 8399, Cleveland Street, 6800 to 7600, Madison Street, 6800 to 7199.

Welcome, Aboard

In Tonight's Play

Niles students of Maine East high school hear faculty drama director Phil Stewart instruct them in roles they will play tonight, Friday and Saturday in "The Madwoman of Chailiot." From left they are (top row): David Warneke,

8313 N. Merrill; Richard Walsh, 8226 Milwaukee; and George Loechl, 8273 N. Wisner, bottom row; Dagmar Lagnado, 8529 Kedzie; Mary Walker, 9220 Washington; and Stuart Levy, 9270 Woodland dr.

League Of Women Voters

How are the East-West Trade Winds Blowing?

Should U. S. policy on trade with Communist countries be more restrictive or less restrictive? Are basic changes called for in U. S. trade policy with the Soviet bloc? What are the relative advantages and disadvantages of increasing trade with the U.S.S.R.? These were some of the questions the Foreign Economic Policy Committee of the Morton Grove League of Women Voters tried to answer (or at least discuss) at League's November Unit Meetings.

Mrs. Samuel Thompson, Chairman, stated that, "The United States policy on trade with the East has been more rigid and restrictive than those of our allies. While the British and most Europeans feel trade should be considered on its merits, not its politics, the U.S. has specified that both economic and political consequences must be considered."

The committee pointed out that over the years succeeding U. S. governments have developed a bipartisan policy of expanding trade in order to keep America's economy strong; provided markets for our increasing production of industrial and agricultural goods; strengthen our political and economical solidarity with the countries of the free world; and counteract the Communist offensive. These objectives are relevant to the problems of East-West trade. Because of the threat that Communism poses to free societies, trade with the Sino-Soviet bloc has been fenced about with a barbed wire of special regulations. Are they realistic?

Mrs. Clayton Witt and Mrs. Martin Garlich did a fine job in helping Mrs. Thompson present a complex and difficult subject in an interesting and understandable way. Trade between the Communist countries and the rest of the free world is rising. What course shall we set in the face of these freshening trade winds? League members came away with a lot to think about.

Skokie Valley Crusade Just Past 50% Mark

When it comes to money, the average American is quite verbal. He screams if he thinks he is getting cheated and yet he brags when he thinks he has pulled a real deal. He gripes loudly when he hears about his tax dollar going to a foreign country that continually yells, "Yankee Go Home." The "so-

'Madwoman' At Maine

Tonight, when the curtains part on the Maine East high school auditorium stage, nearly a full house is expected to enjoy the antics of student hespians in "The Madwoman of Chailiot". The play will run through Saturday. Curtain time is 8 p.m.

In the Girardoux high comedy there are really three mad women but it is the colorful countess, who is determined to destroy the world's bad men by way of restoring universal happiness, who takes the prizes for eccentricity.

Played by Christine Marwick of Glenview, the mad woman of Chailiot turns the sewers and other regions of Paris into a mad, mad, mad, mad world as she follows the plotting of men who would blow up the city to get the oil that flows beneath it.

Even Woodrow Wilson, dead since 1924, gets into the act, being waited upon by one of the countesses' light-headed companions and her imaginary dog.

The two act-comedy sports a cast that is probably the most evenly divided among residents of all communities in the Maine East area than any previous entertainment. Faculty director Phil Stewart selected from dozens of students who tried out for parts, six students each from Niles, Glenview, and Des Plaines, eight from Park Ridge and three from Morton Grove. He pointed out that the parts in the play are so arranged that several students can play two roles.

Susan Penn, of 8826 Dee rd., Park Ridge, won the play's poster contest under the sponsorship of the school's art department.

Nilehi North Teaching Program Off To Fine Start

The team teaching program at Nilehi North is off to an auspicious beginning, recently reported Dr. Donald Strahan, principal.

The program is designed around the "school within a school" plan of the North building. With this plan there are four halls, or small schools, which comprise the total high school.

Within each hall there are regular classrooms located around a large, multi-purpose room accommodating about 125 students and facilities for audio-visual instruction.

Team teachers utilize these multi-purpose rooms several times a week to give lectures and demonstrations to large groups of students while the rest of the time is spent in smaller classrooms for discussion and quiz sections.

Dr. Strahan reported that at the present time the team teaching idea is centered principally around the freshman English and non-Western Civilization courses.

The teachers of these courses take turns conducting the large class lectures as the curriculum covers aspects in which each of the teachers is expert. The English teacher will lecture a unit on the literature of a certain period of history, followed by another lecture on the customs and history of this same period by the social studies teacher.

The purpose of the program is to provide the students with a diversified view of the course they are taking, Dr. Strahan said.

In the future, plans are to expand the team idea to include many more courses and teachers, he added.
