campaigning for school board posts with derision. It seemed incongruous school board members should have to campaign for these seats. All the hokey of a political rumble has taken place in the district in recent years, with a sound truck blasting away, being the most blasphemous act at last year's election. Previously phone campaigns and handing out handbills was the major means used by the aspiring candidates.

Since the stamp of the caucus generally means the candidate becomes the elected official, we hope the groundrules for choosing the Board members will be consistent and democratic. And we hope the well-intentioned people who are activating the elementary caucus may even step aside after its formation, and let unprejudiced representatives, free from associations with next April's candidates, do the choosing. Only in such a manner as this can the caucus intention be realized. Yet, on the other side of the coin there are very few persons who have a genuine interest in the workings of the school board, who sit in on routine school board meetings, and devote time to informing themselves on the problems surrounding the school board. These are the people whose interest should be utilized in the Caucus, and they are the people behind the caucus. It's a two-headed coin, which must fall one way or the other.

### Marge Makes It Official

The Forward Era Party has picked incumbent Village Clerk Margaret B. Lieske as its choice for re-election to that post, according to campaign manager, Len Borkowski.

"With the excellent job Mrs. Lieske has done," said Borkowski, "we are pleased to have her as one of the Forward Era Party slate of candidates. She has worked tirelessly to bring order and efficiency to the Clerk's office. She has also worked closely with Mayor Blase to implement many of the improvements in Niles."

The Village Clerk's job is both demanding and varied. Most of the work is directly involved with the public. Water bills, licensing fees, building permits, special assessments are all handled through this office. In addition, the Village Clerk is charged with keeping all the records of the Village of Niles. This includes ordinances, resolutions, street or alley vacations, and zoning decisions. All these records must be available promptly and accurately.

"It is not enough to do our

### District 63 Caucus Approval Expected

The proposed bylaw changes presented at the December 8, 1964 meeting of the East Main Township General Caucus include provisions for incorporating Elementary School District 63 into the Caucus. The Caucus presently nominates candidates for members for the school board of High School District 207.

Present bylaws require that any proposed changes to the bylaws be presented to the delegates at the regular December meeting of the Caucus, and then voted on in February.

Chairman Roy Makela stated that should Elementary District 63 be incorporated into the Caucus in February, the Caucus will then be able to nominate candidates for the April 1965 election of District 63 school board members.

Members elected to the Nominating Committee were Mrs. Eugene Tarkoff, Mrs. George Woelfel, John Obermayer, Arne Kapp, and Leif Fugelso. The two alternate members elected were Walter Zinn and Holland

work efficiently if it comes at the expense of courtesy," said Mrs. Lieske. "We strive to keep the friendly, personal touch in our dealings with the public, and we always try to make things easier for the citizen. For example, one of my happiest moments came when we were able to reach an agreement with the Niles Park District to hold the Village and Park elections at the same time at the same polling place. This makes it much simpler for the voter. In previous years the voter had to dash from one polling place to another to cast his ballot."

Mrs. Lieske has also instituted a plan whereby every girl in her office is proficient at two jobs. Therefore there is no interruption in any particular work in case of illness or vacations.

Mayor Nicholas Blase, heading the Forward Era Party ticket, said, "As Mayor I am probably most aware of Marge Lieske's outstanding performance. I'm glad we are running on the same ticket. The voters of Niles could do no better than to return her to office."

Social hour will follow meeting with fourth grade room mothers acting as hostesses.

Taft. Mr. Kapp was appointed chairman of the committee.

Guest speaker of the evening was William Newport, school board president of High School District No. 207. Mr. Newport headed an informative discussion on the present and future problems of his board, and the duties and responsibilities of school board members. A major point brought out in Mr. Newport's presentation was that an interested public is necessary to provide quality education for our children.

The public is welcome at all regular meetings of the Caucus.

### Twin Boys

Mr. and Mrs. Denis J. Pitt, 6688 Harris Road, are the proud parents of twin boys, Montgomery and David, Montgomery weighed 6 lb. 7 oz. and David weighed 5 lb. 10 oz.

## Announce Niles March Of Dimes Teen King

Co-Chairman Mrs. James Plonke and Mrs. William Terpinas announce the choice of Niles March of Dimes Teen King.

The King chosen from various candidates is Michael Martorano, 18, a senior from Niles High School West. Michael is best known for enthusiasm for sports. He is also credited with possessing a very special kind of courage and maturity way beyond his eighteen years, which is displayed in his attitude towards the recent handicap which was thrust upon him. Although handicapped by the amputation of a leg due to an accident, Michael showed a sincere interest to assist in the March of Dimes

campaign to help fight crippling in children. A spirit such as Michael's is not heard of often; he is a credit to the youth of today and a shining example to everyone.

Michael's interests extend to art and model plane and boat building. He is hopeful of being accepted into college where he plans to further his education.

King Michael and other teens of our community will be stepping

forward at the various shopping centers on Saturday, January 23, 1965, distributing Blue Crutch tags and asking for campaign donations for the March of Dimes.

tain problems, before deciding whether or not he would run with Blase. Since Scheel was the top vote-getter in Niles in 1961 (also the top vote-getter in Niles history) Blase would likely welcome any Scheel suggestions, which would lead to Scheel's climbing aboard the Blase handwagon, or allowing Blase to join the Scheel steamroller.

## From The Left Hand

By David Besser Editor & Publisher

"Disgruntled Citizen" dropped us a few well-chosen lines this past week... suggesting we come up with a better candidate this April than Niles Mayor Blase, who we supported in 1961. Normally "Disgruntled" and "Anonymous" and other non-signed letters are dropped into the hopper, since the guy (or gal) who will not sign his name to a complaining letter is not deserving of venting his opinions in print. However, non-signer "Disgruntled" asked one question which we've been asking ourselves, and perhaps the incumbents in both Niles and Morton Grove can lend an answer to our perplexing query.

"Disgruntled" made note that Mayor Blase and friends are having a little fund-raising affair at Tam O'Shanter February 10, and wonders how come the guy who cried poor, who questioned the use of large funds and ads in the last election, is now paying the way for a similar campaign.

Over in Morton Grove, former trustee Ed Colby asked a similar query at a recent political meeting, when he wondered aloud where the Morton Grove incumbents get contributions for throwing cocktail parties and golf outings.

In Niles the Blases have sent out a letter to businesses in the community, seeking contributions for the upcoming campaign. While all the letters won't bear fruit, you can be sure many of them will. As an example, the tavern owners in town were recruited by the Blase-men the past year when they defeated a Trustee Scheel motion to cut down the hours on the late-closing taverns. This action meant a great deal of money to the booze halls, and it is in the realm of reason to expect that they'll be happy to drop a few farthings in the interest of Blase and friends. Others whose businesses are linked in ways with the village also will have to shell out for the political pot wows.

When Niles officials went to San Francisco to place its bid for All America City, businessmen also contributed to passage to Frisco. Since Niles officials bragged they had the largest entourage there, it can be assumed the largest slush fund of any of the All America City candidates was created to give our boys a free four day holiday in the shadows of the Golden Gate.

The question thus begs: Why must the "squeeze" be put on the community to feather the nests of those seeking public office? Once again, this may be a bit of naivete to ask this question. It can be said that an adventure into politics should be shared by the many. But it shouldn't be necessary to commit this form of political blackmail to get money to run for a little paying office.

The prestige of being a village official seems to be a major motive for most people running for office. Since those who seek this office take the bows, they should be the major contributors in a campaign. Certainly, the voluntary contributions of one to five dollars by public-spirited citizens, WHO HAVE NO VESTED INTEREST,

## Need 195-310 Signatures On Petitions

Next Monday, January 25, candidates for village offices, to be elected in the April 20 election, will officially be able to file their petitions. Last day for filing is Monday, March 1.

Village Clerk Marge Lieske, an incumbent seeking re-election, told THE BUGLE petitioners must have signatures of eligible voters in Niles totaling between 5% and 8% of 3,882 on their submitted petitions. The 3,882 is the number of voters in the last general election in April, 1963.

In previous years parties and candidates have "camped in" the previous night at the village hall, to enable their ticket being placed first on the April ballot. In 1961, the Ed Ciccone ticket roosted on the inside village hall steps, leading to the second floor village clerk's office, keeping an all-night vigil to insure their inside post on the village ballot. Unfortunately for them, their inside post position did little good, since they finished fourth in the four-ticket race. It might have been said they had the horses for the race but the jockeys and stable hands never left the club house, in preparation for the race.

## Human Relations Council Meeting January 28

"The Vatican Council--its impact on all religious leaders and its relationship to all other religions" will be discussed by a panel of religious leaders at the Niles Human Relations Council meeting Thursday, January 28, at Niles Community Church, 7401 Oakton St., at 8 p.m.

Panel members will include Dr. David M. Grankov, Assistant Professor of Biblical Theology of the Lutheran Theological Seminary, Rabbi Sidney Jacobs, Niles Township Jewish Congregation, and Monsignor John Quinn, Officialo of the Chicago Archdiocese, and Peritus at the Vatican Council.

The newly-formed Council is considering several topics for future meetings. They include: Shared Time Program; Panel Discussion on Open Housing; How to help the Inner City as Wilmette and Other Groups Do; Fair Employment Practices Act

# Another Morn'nother Yawn.

By Frieda Aron—966-9889

Just three days ago, a dear friend of only three years acquaintance left town and will not be living in the same city anymore. It will only be distance that separates us, our feelings for each other will go on and on. In three days from now, an attachment of 21 years will be severed and the living distances will be only a few short miles apart; if I am lucky enough, my newly married daughter will count me as one of her good friends, if not, then I will have to be content, knowing she is happy.

As the mother of the bride, shouldn't I have something special, something sacred, something of intrinsic value that would of necessity pass between women? Somehow I can't think of a thing to say or do. Everything imaginable has always been discussed at our table, frankly and without fear or hesitation, there have been some restrictions and some disciplining but generally each was allowed to develop a definite set of mores that would guide them into womanhood and marriage. So that now, when one child will be leaving our hearth, we feel she is prepared. Therefore all I can say is "I wish you love, for without love there is nothing and I wish you much laughter, for without a sense of humor life can often seem unpalatable." I cannot tell her to be warm, compassionate and understanding, but her nature will take care of that. So my darling daughter, fly off to the moon with your loved one and make the life you want for yourself and your family. Each must do what he thinks best!

It came as no surprise that the Chicago City Fathers ruled "thumbs down" on the use of "Another Country" as required reading for Wright College students. James Baldwin needn't be too unhappy about it, his path to the bank will be soft and padded with the extra royalties pouring in. No one will miss reading it this time round, after a ban was put on it!

The painters are here today and nothing is more obnoxious than the smell of paint; now the smell of sweet success is delicious, but paint, ugh! Why does painting come easier than success?

The father of the bride says to me, "Don't get maudlin and start to go weepy, like all the mothers do." But knowing him, I shall bring an invisible sheet to the ceremony, to cover the invisible tears that will flow into his heart. He's such a softy!

## Maine Twp. Jewish Cong.

Maine Township Jewish Congregation will hold services 8:30 P.M., Friday, January 22 at the Mark Twain School, 9401 Hamlin in the area west of Golf-Mill. Saturday Morning services, starting 9:30 A.M., January 23, will be held in the Sequoia Model home, 9362 Hamlin. Rabbi Emanuel Bennett will officiate on both days.

"Isaac Leiser, the Forgotten Man of American Jewish History," will be the subject of a discussion at the next meeting of the MTJC Adult Education Series, Thursday Evening, January 21, starting 8:00 P.M. at the Sequoia Model Home. The discussion will be preceded by a class in Hebrew instruction. Rabbi Bennett will conduct the meeting.

## Maine East Pom Pom Girls

Maine East high school's curvaceous pom-pom corps, composed of fourteen dextrous maidens who dance and wave huge masses of blue and white crepe paper blossoms in rhythmic abandon to the ecstatic delight of Demon partisans and the discomfiture of less pulchritudinously endowed institutions, put their collective foot this week on the first rung of the ladder of tepidochorean fame.

By way of achieving significant academic recognition of their arcane art, they will journey on Saturday to De Paul University, a sister cloister in a neighboring metropolis, to give a demonstration of their enticing routines.

De Paul Supporters, cojoined by adherents of Bowling Green university from far-off Ohio, unwittingly believe that a contest of basketball is the weekend attraction that is to bring them clashing together in Old Alumni hall.

Little do the spectators imagine that the dancing damsels from Maine will prove to be the real attraction. If history will accommodatingly repeat itself, cries of surprise from dusty

throats at halt time will convert to screams of approval, just as they do in high school aggregations of sports fans wherever Maine plays and the pom-pom prancers prouette.

Pat Lyons, Maine East English teacher who mothers, manages, and ramrods the girls through their steps every week from September to June, is modest about their success.

"The juniors and seniors have precision and experience, but the younger ones equal them in spirit and desire," she acknowledges.

But as yet, any girlish fancies of strutting in the Rose Bowl parade are squelched as premature, Miss Lyons avers.

Demon rooters, who adore the girls, on the contrary place no limitations on the heights to which their favorites could rise.

At pep rallies and games, wherever the swish of the pom-pom is heard, Maine rooters joyfully applaud and cry "Long may they wave!"

Just last week somebody coined the old saw that Pomerania never had the pom-pom

## Niles Health Board News

The importance of tuberculosis (also called consumption) as a major health problem cannot be overemphasized. In the United States, altho the death rate has plunged from 200 per 100,000 to five, Tuberculosis remains a dimension to be dealt with. There are still some 50,000 cases reported a year.

The causative germ in this disease is the Tubercule Bacillus, of which there are three types; human, cattle (bovine), and bird (avian). The bovine (most dangerous to children) is transmitted to humans who drink milk from Tuberculla cows, underlining the imperative nature of drinking pasteurized milk. The Tubercule Bacilli invades body tissues where they multiply; when the body resists them it forms a hard tissue around the germs which stops their activity. When the lungs are attacked pulmonary Tuberculosis occurs. As the disease becomes serious the Tubercule cells, die, forming ulcers and cavities. Sometimes bones, joints, lymph glands, kidneys or the skin may be attacked. The primary carrier of the disease is sputum from an infected person; thus it is necessary to adequately treat all infectious cases, stressing the importance of covering the cough or sneeze. This disease has an insidious character; for example, chil-

dren who contact Tuberculosis may not manifest signs of illness until they are mature. Other sources of infection may be contaminated food and water. Symptoms characterizing the chronic type of Tuberculosis are constant tired listless feeling, poor appetite or steady loss of weight, developing later a dry cough and slight rise in temperature. If unchecked the chronic cough racks the patient, and at times blood colors the sputum. Early diagnosis aids not only the patient but helps to limit contagion to others; thus, the yearly X-ray assumes

giant proportions as an effective tool. With children the use of the Tuberculin test as a screening method on a yearly basis is recommended in lieu of chest X-rays. A minute dose of the Tuberculin is injected into the skin which will react positively by reddening in a few hours.

Residents are urged to call on their family physician for X-Ray or skin test, or to avail themselves of Mobile X-Ray units they may be available. Suburban residents of Cook County may also go the Park Ridge Clinic, 1999 Dempster St., Park Ridge, where x-rays or skin tests for families are free of charge.

## St. John Brebeuf Women Present Book Review

The answer to January-tis or that post-holiday let down is at hand. Join your friends at the review of "The Wind at My Back" on Tuesday January 26, at 8:30 in the St. John Brebeuf Parish Hall, to be given by Mrs. William Scuderi. This is an account of the life and times of Pat O'Brien and is as refreshing and appealing as the man who tells it. The story begins in the peanut galleries of

the theaters of Milwaukee, where this son of Irish immigrants spent his youth, continues through his struggles to keep alive on Broadway, goes on to his great roles in motion pictures, and gives a witty insider's look at Hollywood's Golden Age. It is filled with a warm humanity for it is far more than a famous actor's experiences - it is the tale of a success as a human being. Throughout, this

book is filled with his deep, abiding commitment to his religious faith - the cornerstone of his life as actor, citizen, husband and father.

Refreshments will be served. Donations will be accepted and used to purchase new books for the Parish Library. All are cordially invited to share in this entertaining evening.

## Demon Matmen Have Long Weekend

Maine East's "Steamin Demons" wrestlers were busy last weekend, facing Riverside-Brookfield Friday and acting as hosts for a quadrangular meet Saturday. R-B's Bulldogs, possessing several potential state champions, overwhelmed the Demons by a score of 43-5. Bruce Friedman, who has turned into a consistent winner for Maine, produced the only victory with a pin in the second period. In this meet several of Maine's best ran into the Bulldogs finest, producing some good bouts. Saturday Maine did much better, placing second to the Prospect Knights. Every one of the Demons won at least one of his two matches, including Freshman Jim Froman's 6-1 third place victory, his first in varsity competition. Individual champions for Maine were John Hayna, Phil Eaton, and Tony Rochetti. Hayna was unscored upon in his matches, while Eaton and Rochetti each scored pins on their road to victory. This quadrangular meet was very important to the team, for it gave them added experience in tournament type wrestling with two or three matches each day.

## NILES BASEBALL LEAGUE

Tuesday, January 12, marked the first big meeting of the Niles Baseball League for 1965. Commissioner Tony DiLorenzo feels that about 800 Niles boys will participate in the league this year. Mr. Marvin Weiss, the Niles Park District Director, was greeted warmly by the members. The balance of the meeting was devoted to reports from committee chairmen.

Jack Leske, the Registration Chairman, announced that registration will be Feb. 27 and March 6 at the Recreation Center. Keith Peck and the rest of the committee will register the boys from 11 a.m. to 5 p.m. on both days.

The Father & Son affair will have a new location this year. Chairman Jack Leavitt said it will be the new Recreation Center. The date is March 14 from 1 to 7 p.m. A feature attraction will be the 1964 World Series films. Arnie Anderson, Tony Porcaro, Art Dahlquist and all the other members of the committee promise a good time for all.

The annual dance will be Friday, April 30 at the Hyatt House. Ed Trojan, the Dance Chairman, looks forward to a wonderful evening of fun for all the members and their guests.

This will be valuable in the district meet, which in only one month away. Next Saturday, Jan. 16, the "Steamin Demons" face Hinsdale at Maine beginning at 2:00.

Final quadrangular standings:

1. Prospect-118 points
2. Maine East 98 points
3. Fenton-71 points
4. St. Viator-35 points

## Maine Loses To Hinsdale

Last Saturday, Maine East's varsity wrestlers suffered their third conference setback at the hands of a spirited Hinsdale team by a score of 32-6. The "Steamin Demons" only victors were produced by John Hayna and Bruce Friedman. Hayna was unscored upon in his last three bouts, while Friedman, improving steadily with each match, has won five out of his last six. Two matmen made their first appearance of the season; Terry O'Brien at 103 and Wally Pollack at 180. The "Steamin Demons" now have only four conference meets remaining before the district tourney, two of which will be held next weekend. Friday night Maine plays host to a tough Lyons team at 7 p.m. and Saturday they travel to Glenbard West for a 2 p.m. meet.

Results of the Hinsdale meet:

95 lbs.—Hayna (M) beat Wycoff 7-0.

103 lbs.—O'Brien (M) lost to Mathews 8-0.

112 lbs.—Froman (M) lost to Magnus 5-2.

120 lbs.—Rausch (M) lost to Brooks 6-5.

127 lbs.—Egelsten (M) lost to Bowman 4-0.

133 lbs.—Eaton (M) lost to Smith 4-3.

138 lbs.—Harner (M) lost to Sutcliffe pinned.

145 lbs.—Rauschert (M) lost to Harry 4-1.

154 lbs.—Rochetti (M) lost to Turek 8-0.

165 lbs.—Friedman (M) beat Wright 7-1.

180 lbs.—Pollack (M) lost to Pera 11-0.

Hwt.—Misluda (M) lost to Irmie 4-1.

For Christmas we had Jackie Lindstrom a 111 average bowler, bowl a 492 series, then we had Vivian Kasper a 108 average bowler, have a 188 game and a series of 442; now Veda Kauffman of Del's Delicatessen a 118 average bowler bowled 138, 143, and 173 for a series of 454. These bowlers are showing the other bowlers that they can bowl a high game and a high series. To keep up with the pace, that these bowlers are setting, Winnie Borth a 139 Bowler, bowled games of 171-185-152 for a series of 508. This is her first 500 series.

Just to keep in step, Erna Benke, a 146 Bowler, of Forest View Bakery bowled games of 157-192-161 for a series of 510. This is Erna's first 500 for the season.

Now if a patch were to be given for the 3-7-10 split, this patch would be awarded to Lorraine Holmes of R. Grant & Co. It seems as though someone is congratulating someone every week, for high game, or high series or a large split that was converted. There is never a dull moment in the Ten Pin League that bowls at Niles Bowling Center.

## Nilehi Students Prepare For Semester Exams

"The school year is half over!" is probably the happy thought of many Nilehi youngsters as the first semester of the 1964-65 school year draws to an end.

But right around the corner from that happy thought is the perhaps not-so-joyous thought of final examination week.

All three Niles Township High Schools this year will hold semester final examinations Tuesday, Wednesday and Thursday, January 26, 27, and 28.

No classes will be held Friday, January 29, when teachers will be finishing grades and completing semester records.

Each of the high schools again this year will conduct final examination sessions according to the "campus plan," meaning students attend school only at the times of their examination periods.

The schedule of examinations is:

Tuesday, January 26—this is a regular school day. However, class periods will be adjusted to permit extended testing periods. Nilehi West and East's seventh period classes and Nilehi North's first and eighth period classes will be examined.

Bus pickup and delivery of students will be the same as usual on Tuesday.

Wednesday, January 27—final examination sessions will

be held during periods one, three and four at Nilehi West and East and during periods two, four and seven at Nilehi North.

Exam sessions are 90 minutes each, with the first starting at 8 a.m. in each of the high schools and the last one finishing at 1 p.m. The time interval between tests is 15 minutes.

Thursday, January 28—periods two, six and five will be tested at East and West, and periods nine, three, five, and six at North. The same time arrangement as Tuesday will be followed.

Nilehi North's school day is divided into nine class periods this year, whereas at Niles East and West the school day is seven periods.

On the two days when special time schedules are in effect, the morning bus pickup will remain the same as regular school days. Bus departure from the schools will be 10 minutes after the end of each testing period.

Students are encouraged to ride their regular morning bus to school even if they do not have an examination scheduled at 8 a.m. Study areas will be provided in the schools for the students wishing to study while waiting for an examination period.

No cafeteria services will be available Wednesday and Thursday.

## Maine Demos Hold Meeting

Members of Maine Township Regular Democratic Organization (and a few frigid friends) braved the freezing cold to attend the last meeting of 1964, at their Headquarters 1535 Oakton in Des Plaines.

Mr. Thomas C. Bradley, committeeman, presented Alice V. Mackin of Des Plaines with a plaque for outstanding and dedicated service to the Democratic Party (over a period of 15 years) as President and Committeewoman of Maine Township Regular Democratic and the 13th Congressional District Women's

Organization. Joseph Raschillo received the top precinct Captain award of the year.

Program Chairman Harry Bernstein has invited a top tax expert who will provide valuable tax information at the next meetings, Thursday, January 28th. Every one is welcome, meeting starts at 8 p.m. Meetings are held every 4th Thursdays of the month. Maine Township democratic office is open every Tuesday and Thursday from 10 a.m. to 1:00 p.m. Headquarters telephone number is 296-2470.

## Niles "Teen Beat" Dance Draws Huge Crowd

The biggest crowd so far was jammed into the Niles Recreation Center at the semi-monthly "Teen Beat" dances held by the Niles Park District on the 2nd and 4th Saturdays of each month, and these days became the place to go for local teens.

Two great bands, one on each floor, played to a wall to wall crowd. The fabulous Saharas and the great Star-Vels kept teens on both floors dancing to a frantic beat all night.

This Saturday, January 23, the Saharas will again be at the dance and a great new band, the Caravelles, will also be on hand to furnish the big beat music.

The dances start at 8 p.m. and admission with club card is \$1 each. Admission without club

card is \$1.50 each. All teens who have not purchased their club cards please do so this week, the dance is becoming so jammed that admission may soon have to be limited to club card members only. Club cards are issued twice a year and are \$1.00 each.

The dance is open to all teens in the area between 13 and 19. School clothes are the attire; no slacks, please, for the girls.

## NSJC Sisterhood Meets Jan. 28

Mrs. Richard Abrams, 8908 Octavia Morton Grove, President of the Sisterhood of Northwest Suburban Jewish Congregation announced today that the Sisterhood will hold its annual January meeting in behalf of the Combined Campaign for Torah Fund and Mathilde Schachter-Residence Hall of the Jewish Theological Seminary of America, at 8:30 P.M. on Thursday, January 28th in the social hall of the Synagogue at 7800 West Lyons, Morton Grove.

Mrs. Albert Paul, 7436 Surfside Morton Grove, Torah Fund Chairman, says that a very beautiful and inspiring program has been arranged. "The Three Gifts", a play by Isaac Lobe Peretz will be presented by the Six Point Theater under the direction of Mrs. Martin Handelman of 9437 Karlove, Skokie. The vocal and musical arrangements will be Cantor Gidon Lavi, and the lighting by Mrs. Fred Mamette 9242 Oketo, Morton Grove. The cast includes: William Miller, Carl Lebovitz, Natalie Landau, Jennie Sherman, Gertie Steer, Arnold Weinberg and Herbert and Marcia Terman all of Morton Grove; Ethel Sostrin of Niles and Marlene Frank of Des-Plaines.

The Sisterhood of Northwest Suburban Jewish Congregation's effort is part of an intensive, nationwide campaign to raise \$1,000,000 to support the educational, youth and interfaith programs of the Jewish Theological Seminary of America, so that the entire community can continue to benefit from the Seminary's program. The object of the campaign is also

to help build a Residence Hall for women students of the Seminary's Teachers Institute.

The social part of the evening will be hosted by the Leah Circle. Mrs. Myron Cooper, 7530 Foster Morton Grove, the Circle leader reports that they are planning the sale of a humorous coloring book that has been created by Mrs. Herbert Hill 8906 Moody Morton Grove and made by the members of the Leah Circle.

All members and their friends, are cordially invited to attend.

## Out-Prom Approved By Niles

Niles' Board of Education last Monday night approved Superintendent Dr. Clyde Parker's recommendation that the high schools be permitted to hold their proms away from school facilities.

The Niles Township High Schools for the past several years have had their annual year-end proms in the gymnasiums of the schools.

Dr. Parker explained each building principal with his faculty advisers will decide whether that school prom is to be held out of the school.

Of course, he added, this prom faculty committee will have to be sensitive to community and parental feeling before making its decision.

Should a school's prom committee decide it advisable for the prom to be held out of school, Dr. Parker said, he would approve it under the following conditions:

The prom shall be held in the Niles Township or the immediate environs, if at all possible. I would not approve a prom being held in a distant location (meaning a location farther away than the Chicago loop.)

The prom be fully chaperoned according to standards to be developed by the three high school principals.

Parents are to assume the responsibility for students getting to and from prom locations.

Students are to check in by time schedule when they arrive and check out by time schedule when they leave the prom location.

When students leave the prom location they are not to return.

If the prom is held in a hotel, students are not to leave the prom site in the hotel except by special permission or according to ground rules established ahead of time by faculty sponsors.

All negotiations for a prom location away from school property are to be made by the designated faculty committee with the full knowledge of the business manager.

Arrangements for orchestra or entertainment are to be made by faculty committee with the full knowledge of the business manager.

Students are not to be given time off for any extensive decorations of facilities away from the school building.

Expenses to students are to be minimal and approved by the faculty committee.

When all arrangements for the prom have been made, the principal is to give a written report to the superintendent of schools summarizing the arrangements.

## Niles Teens Take Part In Dimes Drive

## John Crippen To Speak On "Prophets Of Confusion"

Mr. John Crippen, executive secretary of the Anti-Communist League of America will speak to the Men's Fellowship of the East Maine Baptist Church on Friday, January 22 at 8 p.m.

Mr. Crippen, who resides in Park Ridge, will speak on the subject, "Prophets of Confusion" which will deal with the human relations question.

Mr. Crippen has been active in the fight against communism through the Anti-Communist League and is an authority on the subject on which he will speak. At the end of his talk, Mr. Crippen will invite the audience to participate in a question and answer period. Refreshments will be served at the close of the meeting.

## Township Human Relations Group Backs Fair Housing

Our mid-campaign review shows that we are assured of success for our Fair Housing Act, reports Bob Turton, Chairman of the Niles Township Human Relations Council. "We're well on the way towards our goal of 1000 with 650 signatures. In fact, we are raising our sights to 1300 and request residents of Niles Township who would like to sign or assist us in the campaign to contact the ad co-chairman, Dr. John Cohn at YO-5-2288 or Mr. Michael Lewton, OR-4-7980.

Don Rentile, Treasurer for this campaign reports, "If our current momentum is maintained until the drive ends on February 23, we will have sufficient funds to publish the ad in at least two of our community newspapers."

Bob Turton continued, "We feel the appearance of this fair housing statement will help and the 'silent aggressions' which seek to restrict individuals from our community solely because of race. This year the various community organizations such as PTAs and religious groups who will be holding Brotherhood Week programs can give their members the opportunity of doing something concrete by having this statement to their attention."

The Fair Housing statement reads:

## Troop 159 Bowling Party

Junior Girl Scouts of Troop 159 are celebrating their completion of another year in Scouting by having a Bowling Party on January 18 at (Dixie Bowl, Mrs. Margaret Green and Mrs. Mrs. Elizabeth Hoffman were in charge of the outing. Future outings are Diane Hansen, Amy Erickson, Lisa Dock, Hannah Grinch, Diane Green, Pamela Grinch, Diane Green, Pamela Grinch, Debbie Neumann, Nancy Hartman, Dainie Walle and Bonnie Lou Wilson. Mrs. Green will present the girls with their year pins at this time. An instructor in bowling will be on hand to assist the girls who have never bowled before.

We affirm the right of all people to live where they choose.

We believe it is morally wrong to deny equal housing opportunity when based on race, creed, color or national origin whether by express or tacit agreement, silence or custom.

We welcome to our community and villages and as our neighbors, all people, irrespective of their race, creed, color or national origin.

Cost of publishing this ad will be covered by the \$1000 contributions from the persons signing the statement.

### Waukegan

Continued from page 1 involved in the payment of \$11.75 per lineal foot for whatever footage their property encompasses. Mr. Lachyma was asked why Motor Fuel Taxes could not be used for this purpose and one of the property owners suggested that Lincolnwood and Glenview did not assess their property owners for lights. But the attorney was not convinced that those communities did it of their own funds, unless a bond was raised or General Corporate Funds were used. It was explained to the spectators that State, Federal or MFT money cannot be used for streetlights. Each village must do that on their own with funds specially raised for the project.

The turnout of property owners was disappointing to the board members, but those who were there seemed satisfied that the lights were in the offing, however a bit dubious about the money factor. Of course, there will still be a court decision and much red tape before the lights will be shining on Waukegan Road, but it is hoped that not too many months will pass before the work starts.

### Placement Tests To Begin At Nilehi Schools

In the busy world of junior high graduates, February marks the beginning of an important process—their getting ready for high school.

Eighth grade students planning to attend any of the Niles Township High Schools will take a pre-high school testing program in the school they are now attending.

Dr. Arthur Ryden, director of Guidance and Testing for the high school district, said this testing of students in the public schools of Niles Township will be a cooperative activity. The tests will be administered in each of the nine public school districts by both high school and junior high staff members.

Because parochial school graduates go to several different high schools in the area, Dr. Ryden explained a different plan for testing these youngsters is provided.

### Maine East Dance Band

Maine East high school's special musical organization known as the Dance Band leads an interesting life. Its members are admitted free to all school musicals and given the best seats in the house.

All twenty players are experienced members of the school concert band and are credited by O.D. Premo, their director who also trains other Maine East musical organizations, as better than last year's group of the same name.

That this statement is a tribute to the musical ability of

### Niles Park District Review For 1964

1964 was a banner year in the progress and development of the Niles Park District. The highlights of the year were the opening of the new pool and recreation center at 7877 Milwaukee Ave., the purchase and development of new park sites, and the hiring of a new director, a new full time recreation supervisor, and a full time secretary.

Mr. Jack Leske, Board President and the Board members, Keith Peck, Ray Eagan, Steve Chameriski, and Louis Schreiner, are proud to present the following resume of the Niles Park District's activities for 1964:

January, 1964 Swimming Pool procedures and fees established. Park site near Oak School surveyed and graded.

February, 1964 June 7 set as Open House, and June 10 as Opening Day for new Swimming Pool. Work continues on leasing Public Service Company Right-of-Way for park area.

March, 1964 Establish job description for superintendent of recreation. Lockers for bathroom at pool site purchased. Negotiate with School District #64 for school property at stalemate. Park sit property at stalemate. Park site at Oak School being graded. Third ball diamond under construction at Jozwiak Park. 1963 assessed valuation of park district listed at \$96,356,763.00. (This includes Golf Mill Shopping Center.)

April, 1964 Recreation Center Building nears completion. Softball and Baseball leagues prepared for another season. Purchase two backstops for new park sites. Equipment to heat pool ordered. Pool tokens go on sale.

May, 1964 Niles Park District Code Book of Ordinances adopted. Stop lights requested at Park entrance on Milwaukee Avenue. Jack Leske elected president of the Park District; Ray Eagan, Vice President. Areas around Greenwood Avenue and Dempster Street, and around Cumberland Avenue and Ballard Road, annexed into the Park District. 1965 Election date changed to coincide with Village of Niles election for the convenience of citizens. Niles Park Recreation Center prepares for Opening Day. Hire Anthony Schinto as Pool Manager. Softball League relays night lights at Jozwiak Park.

the group is significant from the fact that Maine East lost many fine musicians to Maine South last September.

Biggest project the group faces at present is interpretation of the hit tunes that are part of the 1965 student Variety Show, slated for presentation the evenings of February 16-19-20. The 17 boys and three girls also play for other functions.

Important numbers in the show include "Strike up the Band," "Bidin' My Time," "Charley, My Boy," "As Long As He Needs Me," "You Do Something To Me," and "Chicago."

Ready for a recent appearance were the members of the Dance Band shown here:

Standing, from left, Don Kasny, Laura Schoonmaker, Skip Hoffman, Robert Zukernick, Premo, Middle row, seated, Ray Carle, David Gallagher, Roy Ritzmann, Scott Reeves, Louann Wirgaul, David Marzone, John Doolittle, Ron Sanders, Jim Bartie. Bottom row, seated: Rick Levy, Steve Manrose, Art Pler, Ron Alde, and Jeff Sonin. Members not pictured are Ralph Ratscoff and John Pollat.

New employee benefit and hospital insurance program approved for Niles park district employees.

Fall and winter brochure printed and distributed by Park District with 30% more activities.

November, 1964 Marvin S. Weiss appointed Director of Parks & Recreation. Date furnished to All-American City Committee on growth of the District. Park enters floats in Chicago's Annual Christmas State Street Parade. "Teen Beat Club" holds first dance. Swimming pool receives highest rating (AA) for performance and hygiene. Sign lease with Public Service Company for park near Washington Street and the Right-of-Way. Serious Vandalism continues in the Park District. Niles Park District celebrates its 10th Anniversary.

December, 1964 Miss Cecily Ann Syputt appointed to position of Supervisor of Recreation. Work continues to improve April elections conditions. Park District concludes its most active and successful year in its 10 year history.

Norman Alper Honored Norman M. Alper, 7337 Lyons, Morton Grove, Illinois, has been honored with a sales award by Old Equity Life Insurance Company of Evanston, Illinois. He was the company's third leading agent throughout the nation for sales in the month of December.

Alper will be presented with a plaque by Old Equity's Illinois manager, Irving Jaffe of Chicago.

### Special Series Of Sermons At St. John Lutheran

In the coming months pastor Bussert of St. John Lutheran Church, 7423 Milwaukee Avenue, Niles, will deliver a special series of sermons, as they were delivered, word for word, by pastors hundreds or even thousands of years ago. This should serve to be stimulating, spiritually enriching, and strengthening for our faith to know how faithfully the Lord has had the Gospel preached through the ages; even in the dark ages, when false doctrine and superstition abounded, there were shining lights that proclaimed the genuine truth.

Following is the series: Jan. 24th: A sermon by CHRYSOSTOM, of Antioch, 347-407 AD, known as "The Golden Mouth," John 1:43,44

Jan. 31st: A sermon by AUGUSTINE, of Hippo, Africa, 354-430 AD, on "Forgive Us Our Debts," Matthew 6:12.

Feb. 14th: A sermon by CIRIL, of Alexandria, Egypt, died 444 AD, on "The Healing of the Leper," Matthew 8:1-4

Feb. 20th: A sermon by BERNARD OF CLAIRVOUX, in Clairvoux, France, 1090-1153 AD, on "The Love of God," 1 Corinthians 4:7

March 14th: A sermon from the 15th century (to be selected).

March 28th: A sermon by MARTIN LUTHER, of Wittenberg, Germany, 1483-1546, on "Let Him come to Me and drink," John 7:37

April 25th, A sermon from 1939 years ago.

Kindly spread the word among your neighbors and friends, - once this series is over with, there will be no opportunity to hear it again.

### St. Luke's

St. Luke's United Church of Christ, 9233 Sherman Rd., in Morton Grove, will hold Worship Services and Sunday School at 9:30 and 11 a.m. Sermon topic for this Sunday, January 24, is, "How Far Do You Live From Church?" There will be a congregational meeting immediately following the 11 a.m. services.

The Bible Study class will meet Friday, January 29, at 7:30 p.m.
