Lions Dinner Set For April 3

On Saturday, April 3, the outstanding Niles fireman of the year will be honored at the sixth annual corn beef and cabbage dinner-dance to be given by the Lions club of Niles in Bunker Hill country club, 6635 Milwaukee, Niles, at which time appropriate awards will be presented to him. There will be a social hour from 6:30 to 7:30 p.m. Dinner served 7:30 to 9 after which music for dancing will be rendered by the Vibra-Tones, Niles well known four piece orchestra. The Lions club of Niles extends an invitation to all to attend. Donations \$4.50 per person includes all you can eat. Reservations may be made with chairman Angelo Marcheschi of 7943 Noyes, Niles, phone 967-8564 or thru any member of the Lions club of Niles. "It is well to remember," said club president David Hoppe, "that this annual Lions project is run to obtain funds to send sightless boys and girls to summer camp each year and to provide glasses for children with impaired eyesight." The camp (Camp Lion) is located on Hastings Lake at Lake Villa, Ill., where visitors are always welcome during the summer.

A complete filing system was initiated in all phases of the Clerk's office correspondence, ordinances, resolutions, petitions, projects, elections, special assessments, account payable, water Department billing, and all other records. This gives some indication of the volume and variety of work handled by the office. Centralized purchasing was instituted which saves the taxpayer a considerable sum of money. In fact, all the changes, from the purchasing of new typewriters and adding machines to the organization of the stock room, were made with the thought of saving money.

The Clerk's office now handles 30% more of a work load with only about a 10% increase in the budget as compared to three years ago. As a further saving to the Niles taxpayer, Marge Lieske has made it a practice to call in all bonds as soon as the money is available.

Besides her official duties Marge has been an active participant in many civic activities including the Niles Days Committee, and the Niles Women's Club, and the Friends of the Library.

To relax, Marge loves to bake and try out new cake recipes. She and her husband, Ralph, attend St. John Brebeuf Church.

To help the voter reach an intelligent decision on April 20 the Forward Era Party would like to present two of the candidates on the slate: Trustee Kenneth R. Scheel and Village Clerk Margaret B. Lieske.

Kenneth R. Scheel, Forward Era Party candidate for reelection as Trustee, wears many different hats—Village trustee, businessman, father, teacher—and they all sit well on him.

Ken moved his family into their present home on Kenney Street nearly 13 years ago when the entire population of Niles was about 5,000. Today it is 30,000. Behind him were his days at Calgate University, where he graduated with a pro-law Bachelor of Arts degree in 1947. Also behind him were his two stints in the Marine Corps. The first one was during World War II from which

FORWARD ERA PARTY

Village Clerk Margaret B. Lieske is the only candidate with the Forward Era Party whose position is a full-time paying office. Since taking charge as Clerk in 1962, Marge has completely reorganized and modernized the office to the point where it would be the envy of any well run business enterprise. Actually this is not so surprising because Marge has studied at the Metropolitan Business College; has had many years experience in business efficiency methods; and, most important, devotes a lot of time and effort to her job.

Later that same year, Ken Scheel was appointed to the Niles Zoning Board of Appeals. Also serving on the Board at that time was Bob Wente. Both men were dissatisfied with conditions in the Village, and joined forces with an unknown lawyer named Nicholas Blase to form the New Era Party. They were joined by Leonard Szymanski and Margaret Lieske, in the elections of 1961. Ken Scheel was one of the successful candidates for Village Trustee.

As a Trustee for the last 4 years, Ken has been involved in all the exciting improvements, which have taken place in Niles. As Chairman of the important Finance Committee, he is responsible for setting up the Village budget—and should get

much of the credit for the tax rate staying the same for four years.

As Chairman of the Fire Department Committee, Ken has helped keep the Fire department earning its Class Four rating. This is the best rating a village of this size can obtain.

Even though Ken is kept busy as a Trustee and Secretary-Treasurer of the Softener Corporation of America, he still finds time to teach a course in religion at St. John Brebeuf, and to speak before student groups on the subject of local government. His one slight regret is that he doesn't have as much time as he would like to spend with his wife, ten-year old son and four-year old daughter.

Mrs. Theodore J. Mozden, Chairman of this event, tells us that this year the Guild will handle resale on sporting equipment only. Anyone wishing to donate items to the sale may deliver them to Paluch Hall on Friday evening, April 9th from 6 to 9:00 P.M., or may phone Mrs. Mozden at 824-4830 or Mrs. Albert Zale at 827-3665 and they will see that your donations are picked up. Should you desire any further information please phone one of the ladies listed above.

NILES VOTERS PARTY

Donald Rogin, a member of the Jewish faith, married with one son, is a candidate for trustee. He attended the Chicago Technical College and the University of Illinois. He is employed as an executive of a realty

firm, and will have much to add in the highly publicized field of Village Board. Mr. Rogin is a man who is acquainted with the problems confronting the people of Niles in regard to the building situation, as he has been associated with the various phases of the building industry for some time. Mr. Rogin resides at 9927 Huber Lane with his family.

Niles Knights To Host Spelling Bee

When the North American Martyrs Council #4338 K of C, next meet, they will host a Good Old Fashioned "Spelling Bee".

Fifteen contestants, in teams of five from each school, St. John Brebeuf, St. Isaacs Jogues, and Our Lady of Ransom, will compete for the prizes. A Team trophy will be awarded to the team having the highest score, a \$50.00 bond to the individual winner, and a \$25.00 bond to the runner-up. In addition each contestant will receive a memento of the occasion.

The "Spelling Bee" is scheduled to start at 10:00 A.M. Saturday, April 3, 1965 at the St. John Brebeuf School, 8301 N. Harlem Ave., Niles, Ill. Families and friends of school age children are cordially invited to attend and lend Moral Support to the contestants. Admission is FREE.

From The Left Hand

by David Besser Editor & Publisher

We highlighted trustee Ken Scheel's picture on the Niles front page this week, because Ken was the guy who led the way to the elimination of pinballs in Niles, which was the key issue which led to Niles receiving the All America award.

There usually is a key issue, often with emotional overtones, which is necessary to winning awards. Had old Niles been on the up and up, free of any hanky panky, the likelihood of Niles receiving such an award would have been small. There are thousands of fine upstanding communities thruout the country which give its residents excellent services, fine facilities and get little recognition for its efforts. But when a town has a problem, and it is rectified, then such recognition is forthcoming.

We'd like to have placed Nick Blase's picture on the front page this week, since only Nick campaigned to eliminate gambling in Niles. But after election time four years ago Nick began to hedge on his campaign promise. Someone who knows Nick well once wrote us a note reminding us of Nick's indecision. After many meetings, and much soul-searching, Ken Scheel said he had a "moral obligation" to fulfill this campaign promise, which only Blase orally used as an issue. And it was this one vote, led by Scheel, which resulted in Niles new look, which eventually resulted in the All America title.

For the benefit of new residents, the former trustees, who let the gambling flourish in Niles, once took a vote against eliminating gambling. And one of the trustees who favored keeping the gambling is present trustee Sam Bruno.

When the accolades are handed out in the coming weeks the name Scheel should be most prominent. He carried the ball when others began getting butterfingers.

1963 BUGLE Award For Anti-Gambling Fight

In 1963 THE BUGLE received the top community service award for weekly newspapers in the state of Illinois for its successful four year fight to eliminate gambling in Niles.

The award was presented by the Illinois Press Association.

THE BUGLE actively editorialized over a four year period the banning of payoff gambling pinball machines. More than fifty machines were operating in Niles during this period, bringing in revenue estimated at more than a million dollars annually. In 1963 the state legislature passed a statute which resulted in the ban of payoff pinball machines.

Ken Scheel's Anti-Gambling Drive Key To Award

If any one person can be pointed to as making the greatest contribution which resulted in Niles receiving the All America award it would have to be Niles trustee Ken Scheel. It was Scheel who pushed for the passage of an ordinance banning pinball machines in Niles in 1961.

The gambling issue seems to be the key issue which, both Niles representatives and LOOK magazine considered most significant.

In the Jayces booklet submitted to the All America committee the first page of the presentation is a re-production of the April 6 edition of a page one story from THE BUGLE which cites "a new gambling game in Niles."

Recent Illinois Winners

Recent Illinois cities which have won the All America award include Woodstock, 1964, Quincy, 1963 and Highland Park, 1958.

One Of 11 Winners In The U.S.A.

Niles, Illinois was one of eleven cities and villages in the United States to receive All America City honors. It was announced today by the National Municipal League and LOOK Magazine, co-sponsors of the annual competition for the Nation's cities.

Quoting the news release from LOOK, "In Niles, just north of Chicago, a bitter block-by-block, door-by-door campaign was needed to elect a reform slate in 1961. Reform was overdue, not only to bring community services a-breast of an 8-fold increase in population, but to rid the town of gambling establishments. With citizens committees and government working together, the town now has an anti-gambling ordinance, a new 52-acre park and community center, a new library building and a new village hall.

"The All-America City designation is given each year to eleven cities whose citizens have made outstanding progress in solving community problems. The winning cities were picked from a field of over 100 by a jury headed by Dr. George H. Gallup, director of the American Institute of Public Opinion and Chairman of the Council of the National Municipal League.

In addition to Niles other cities receiving the award include Green Bay, Wisconsin; White Bear Lake, Minnesota; Bluefield, West Virginia; Columbia, South Carolina; Fort Worth, Texas; Hazleton, Pennsylvania; Hopkinsville, Kentucky; Keene, New Hampshire; South Portland, Maine and Winston-Salem, North Carolina.

All America Flag Ceremony Sunday

Niles will host the All America flag at the new police station-courthouse this Sunday at 2 P.M. Girl Scout troop 716 and Boy Scout troop 45 will participate in the ceremony.

'Las Vegas Nite' Friday

This Friday evening, April 9, Las Vegas comes to Niles. No broncos to ride, no plush swimming pools, but the evening of entertainment planned by the Woman's Club of Niles, and should prove to be just the spring tonic everyone could use at this time of the year.

The list of prizes, like Jack's beanstalk, just grows and grows. Zenith Stereo or Ukulele for the music buff, service for 12 of American Star Stainless or lovely canisters for the hostess with the mostest, Seat belts for the safety minded, bowling bags for the sports minded, a fiberglass canopy for the home or gum tree for the yard. This is only the beginning!

Remember round-up time for fun and surprises is 9 p.m., this Friday evening, April 9, at Bunker Hill Country Club, 6635 Milwaukee in Niles.

Parade May 2

Niles will hold an All America City parade Sunday, May 2. For further information contact Chuck O'Grady at 967-5333.

In the evening Niles will officially receive the All America award from Look magazine and the National Municipal League at a dinner-dance at Tam O'Shanter.

Senior Citizen Survey

The Village of Niles has started a survey to determine if there are a sufficient number of limited income senior citizens in the community to justify the construction of a low-rent apartment building for them in the Village of Niles.

If enough interest is shown by the senior citizens of the Village of Niles they will then have the opportunity to participate in the advantages of low-rent apartments developed specifically with their best interest in mind.

The Village of Niles would also benefit because the senior housing would be built without cost to the Village.

Forms for the questionnaire can be had at the Village Hall, Post Office and stations where utility bills are paid. We hope to get a significant response, whether it be pro or con.

Niles Community Church News

Niles Community church members, students and friends participated in the "One Great Hour of Sharing"; sponsored by the United Presbyterian Church. Offerings collected were to be used in needy countries overseas.

Mr. and Mrs. Theodore Sebastian and Mr. and Mrs. Alce MacLagan attended the recent instruction class of the church and were united with the congregation on March 28.

Mid-week Lenten services are held at 7:30 p.m.

St. John Lutheran Principal Receives Chevrolet

On Sunday, April 4, Mr. Gerhard Schmiel, of 8277 Merrill, was presented with the keys to his new 1965 Chevrolet Bel Air, purchased for him through contributions from the various organizations and private donations from members of St. John Lutheran Church in Niles.

Mr. Schmiel has been principal and teacher of St. John Lutheran School since it opened in September, 1960. He came from Watertown, Wisconsin, where he taught for many years. Mr. Schmiel has worked very hard since coming to St. John Lutheran, not only in the capacity as Principal, but also as organist, choir director, Sunday School work, and many other things. Therefore, to show their appreciation for his faithful service, not only to St. John, but also to his 43 years of faithful service as a dedicated Lutheran school teacher, the congregation decided to buy him his very first car.

To say he was surprised when he was told it was his, is an understatement. The committee had worked hard and done this without his knowledge. We wish him many years of happy and safe driving.

Co-Ed Summer Session At Notre Dame Hi

An eight-week co-educational summer session will be held at Notre Dame High School for Boys, Niles, according to an announcement this week by the Rev. Joseph E. O'Neill, principal.

The session will begin June 14 and end August 9. It will be open to girls as well as boys regardless of creed or of regular high school affiliation.

Fr. O'Neill said that this will be the first time that Notre Dame classes will be co-educational. This is being done, he said, to increase the number of potential students for the summer session so that as wide a selection of courses as possible can feasibly be offered.

Courses that will be available include: Theology I, II, III, and IV; English I, II, III, Composition and Rhetoric, Latin I and II, Spanish I and II, World History, U. S. History, Algebra I, Geometry, General Math II, Calculus, Typing, Music Theory, Bookkeeping, Biology and Physics.

Classes will be held five days a week in either of two periods: between 8 a.m. and 2 p.m., each day. Each subject taken for the full eight weeks will be worth two semesters of high school credit.

Fr. O'Neill said that the availability of a complete curriculum of high school theology courses will give Catholic students who attend public schools the opportunity to get unified, concentrated religious instruction.

In addition to the courses above, a special Drama Workshop will be offered four evenings a week for a six-week period from June 14 to July 23. Classes will be held from 7:30 to 10 p.m. The Drama Workshop will be worth one semester of credit.

Bus service and food service will be available for day classes for the full summer session.

Students may register for the summer session on weekdays April 12 through June 12 from 8:30 a.m. to 3:30 p.m. at the school, 7655 Dempster St., Niles. Mail registrations will also be accepted. A brochure containing complete information and mail-registration forms is available from the school upon request.

Notre Dame High School for Boys is staffed and run by priests of the Congregation of Holy Cross, who, in addition, run five other high schools in the U.S. and foreign countries and four colleges and universities, including the University of Notre Dame, South Bend, Ind.

Pack 175 News

Cub Scout Pack #175 held its monthly pack meeting the 24th of March.

Den #5 with Mrs. Mary Effen and Den #9 led by Mrs. Shirley Hosp combined their talents to put on one of the finest skits of the year. The Skit "South of the Border" was complete with lovely ladies, a brave matador, and the fiercest bull ever seen inside St. John Brebeuf Church Hall.

On Tuesday, March 30th all the Cub Scouts will be in full uniform to form a guard of honor for the Bishop to hold Confirmation services.

All den mothers and committee members are urged to attend the Round Table at 7:45 at the Oakton School.

The Cub Scouts will join the Holy Name members for Communion on Sunday, April 11th.

Symphony Performs Sunday

The Northwest Symphony Orchestra Association is proud to announce the presentation of an afternoon of excellent symphonic entertainment on Sunday, April 11, 1965, at 3:30 P.M., at Maine Township High School, East, Dempster & Potter Rds., Park Ridge, Ill.

Beatrice Ann Westmoreland, a former Park Ridge resident, of Hinsdale, Ill., will be the featured piano soloist. She is a senior at Hinsdale High, and received her past training with Mme. Cecile de Horvath of Western Springs, who is a former concert pianist. Presently Miss Westmoreland is studying with Reginald Gerig, head of the piano department at Wheaton College. She has received superior ratings at the State Music Contests for the past four years. For this program she has selected to play the Franz Liszt 2nd Concerto for piano. The balance of the program will comprise of the following: Suite for Orchestra from Water Music by Handel, and the First Symphony in E Minor by Jean Sibelius.

LETTERS TO THE EDITOR

Forward Era Backer

Dear Sir:

Last Tuesday evening, my husband and I attended the special meeting of the Cook County Board of Commissioners held at the Niles-Village Hall. While waiting for the meeting to begin, I overheard a gentleman seated in back of me remark that he wasn't going to vote for Blase because "he's gotten enough of the graft - let someone else get a little of it for a change." I wanted to tell this man just a few reasons why he should vote for Mr. Blase but the meeting was called to order and I was unable to do so. Consequently, I take this avenue of communication in hopes it might be read by this gentleman and by a lot of other people who may select their candidates by this same type of illogic reasoning.

During the past ten or twenty years I think many people have come to regard the word "politician" as a dirty word. Every politician is automatically a crook in their estimation. I agree many have given cause for this type of negative thinking, but I for one still cling to the belief that there are still men of good will and public concern for their fellow man who run for office for reasons other than for their own selfish gain.

I believe the candidates of the Forward Era party are these kind of people and I think I know where I speak. During the past four years of their administration there were ninety-six Board meetings and my husband and I attended ninety-three of them. I feel more than any other resident of Niles are aware of what has been accomplished and how they have voted on every important

issue. The opposition party keeps harping about all the multiples that have been built in the past four years - they want to give people the impression that this is the work of the present administration. The truth is that not one single piece of property has been rezoned for multiple dwellings. The multiples you have seen built during these past years received their zoning during the Stankowicz administration. On the other hand do you know that one of the Niles Voters Party candidates is the son-in-law and employee of one of the biggest builders of multiples in Niles. At a recent Home Owners meeting this Candidate said he builds multiples but he really hates them.

How many of you realize that the Village portion of your taxes has not gone up one penny, in fact, has gone down one penny during the past four years. Ken Scheel has every

department on a strict budget - something this village never had before. Any expenditure over one hundred dollars must be given a special O.K. before it can be spent. As we all know, everything we buy has gone up in price. We have added many more policemen, firemen and public works employees to our Village employment rolls. Almost all the trucks and other pieces of heavy equipment have been replaced. We have more streets to plow and maintain, more people to service than ever before, a new fire station and a beautiful new police station and court room facility and all at no increase in our Village tax rate. I just received my tax bill which stated that thirty-five dollars of my total tax bill went to the Village. I think that's a pretty good buy for thirty-five dollars. I paid more than that for a new Spring coat.

How many of you know that Robert Wente put on his high boots and went into the Chicago River on several occasions and helped clean out all the debris that was clogging the river and restricting the flow of water, which in turn was contributing to our flooding problems? Little do we know of the countless hours of unselfish devotion to duty these men have given to the Village. One of my neighbors said he wouldn't vote for Blase because Blase wouldn't get him a free pass to the racetrack. He said any politician can do that for you, it's sad to think that to this person a pass to the racetrack is the most important issue in Niles. It is virtually impossible for any elected public official to satisfy all of the people all of the time. Whenever something good is done for one group, inevitably other people may be hurt but an official must base the decision on the greatest good for the greatest number. We all like driving on the Kennedy Expressway, but remember a lot of other people had to be displaced in order to make it a reality. At the time of Winston Churchill's death a reporter made an observation to the Duke of Windsor that Churchill was probably even more popular in the U.S. than he was in England. The Duke replied "Yes, but remember, he never ran for office in America. In politics you make enemies as well as friends". So, I call on all Nilesites to put aside any petty personal grievance you may have and cast your vote only on the basis of who will do the most good for the most people.

I wish all of you could have been to this special meeting of the County Board which I mentioned at the beginning of this letter. It was called to hear a request for the rezoning of a tract of land in School District 63 to help bring industry to this overburdened school district. There were people from Park Ridge, Morton Grove and Glenview as well as Niles in attendance. The Mayor of Morton Grove, a trustee from Glenview and an Alderman from Park Ridge. All addressed the Board, but all of you would have been proud, indeed, of your Mayor, Mr. Blase, if you had heard his stirring appeal to the Board. He received a tremendous ovation from the crowd. To borrow a phrase from Winston Churchill, this was indeed his "finest hour".

Margaret Lieske has restored efficiency and order to the Village Clerk's office. The many beneficial changes she has made go unnoticed by the general public, but she has changed a "pile system" into a "file system" and she is a tireless worker, personally.

Cub Pack 45 Review

Cub Scout Pack 45, Niles, Illinois sponsored by Oak School held their Pack Night, Thursday, March 5 in the school All Purpose Room. The meeting began with the presentation of colors by Charles Bryda, Daniel DeFilippo, James Ignatius, Keith Larson, Mark Puccio, Ken Sandberg and Robert Weidner of Den 9 under the leadership of Den Mother, Marilyn Ignatius.

Achievement awards were then given to the following: Scott Festa (1 gold arrow and 2 silver arrows for Wolf), Steven Katz (1 gold arrow and 1 silver arrow for Wolf), Bruce Nagel (1 gold arrow for Wolf), Randy Waldman (1 gold arrow for Wolf), Larry Agrest (Lion Badge), Mark Mandl (1 year pin), James Schneider (1 silver arrow for Lion).

Cub Scout Pack 45 presented Graduation Certificates and Boy Scout Plaques to Ronald Friedman, Phillip Hillson, Randy Hyken, Frank Mervis, Steven Pasente, Paul Pomazal, Martin Rothenberg and James Schneider. These boys are now in Boy Scout Troop 45, Eagle Patrol, Congratulations.

The theme for the month of March was "South of the Border". Each Den presented their projects. Den 1 showed their baskets they weaved and painted, along with a handmade tree with handmade monkeys attached. Den 2 showed maps attached to sticks of several South American countries and their products they are well known for. Den 3 showed their shadow boxes they made, along with Mexican masks and did a Mexican dance. Den 4 had the honor of doing the skit. Dressed in serapes, Mexican hats and shoes, they explained the clothing the people of Mexico wear. They gave a Mexican birthday party, along with each boy trying to break the "pinata". Den 5 showed the Aztec Indian masks they made and gave a demonstration on how the game "Pelota" is played, along with a handmade Mexican flag. Den 6 showed how they made Mexican hat ashrays out of pottery. Den 7 showed their Mexican pottery they made out of glass jars, encircling them with twine and coloring and varnishing them. Den 8 showed step by step how they made woven baskets that are used in Latin America. Den 9 boys were dressed in Serapes and big straw hats, calling themselves the "Tamales Seven", along with their handmade musical instruments gave a musical rendition. Den 10 dressed in their Serapes and hats each pronounced common Spanish words and gave their definitions.

After the enjoyable program, refreshments were served.

School Board Chooses Dist. 63 Vacancy

The voters of District 63 should be aware of these facts before voting in the school board election on April 10th.

There are only two vacancies to be filled at that election. There are three candidates running, but only two can win. The late Shelley Nathanson's seat will be filled by selection from the School Board after the election has taken place. There is no presumption that the candidate placing third in the election will necessarily be the person who will fill the vacancy caused by Mr. Nathanson's death.

School Bells Toll For Niles Firefighters

School bells tolled for five Niles firefighters recently, who attended instructional conferences and seminars.

Lt. Sam Buble, department drillmaster, and Harry Kinowski, Jr., head of the department's fire prevention bureau, returned after attending a four-day fire department instructors school in Memphis, Tennessee.

Lts. Charles Bobula, Robert Dittmann and Paul Waldin attended a two-day arson seminar in Chicago Heights.

Lt. Buble and Inspector Kinowski were among 3300 persons from over 40 states, Canada, and several foreign countries to attend the 37th Annual Fire Department Instructors Conference.

The conference is a clearing house for the exchange of ideas in firefighting methods, training and fire prevention. It is attended by key department officers, educators, fire and industrial plant engineers, members of the armed forces, and public officials. Among the subjects covered are the training

of industrial fire brigades, handling fires involving highly combustible chemicals, firemen's occupational diseases, and what to do in the event of a nuclear attack.

The arson seminar, attended by over 300 firefighters, policemen and insurance investigators, covered the proper investigative procedures involving arson fires and explosions. Demonstrations were used to illustrate examples. Among the panel of experts to attend were members of the Chicago Police Department's Arson and Bomb Squads.

The seminar was sponsored by the Illinois Fire Marshal's office and hosted by the Chicago Heights Fire Department.

Niles Fire Chief Albert L. Hoebl said that the knowledge gained at the two schools will be passed on to all Niles firefighters in subsequent training sessions. He said Niles' attendance in all schools when possible is imperative if the department is to keep abreast of constant changes in the firefighting profession.

St. John Lutheran Confirmation Sunday

To enable their youth to become and remain faithful to their religious belief, St. John Lutheran Church gives thorough instruction, climaxed by a confirmation service, that they may be wise unto salvation and well trained in godliness in life.

The confirmation service this year on Palm Sunday, April 11, at 10:30 a.m., will have both the questioning and confirmation in the same service, so that relatives and sponsors who live at a distance need not miss anything. However, an extra service will be held that Sunday at the same time as Sunday School, 9:15 a.m., so that those members who do not have a direct connection with the confirmands, may attend either the 8 a.m. or 9:15 a.m. service and leave room in the last service for those who do.

Our confirmands for this year are Laura Angelino, Cheryl Bartlett, Bruce Block, Scott Brooks, Janice Brown, Edith Burtzloff, Nancy Christiansen, Kandy Diakomis, Terry Erickson, Susan Graef, John Hardt, Kenneth Johnson, Lance Kamin, Thomas Koller, Keith La Prise, Robert Linden, Nancy Logan,

Laurel Lowery, Pamela Magnuson, Elaine Meyer, Lauri Moore, Linda Fencek, Larry Schnirer, Bruce Schumacher, Bruce Scott, Rochelle Stevenson, Terry Verner, Kenneth Wegner, Joellyn Young, and Donald Zerien.

"We've had electric heat 3 years—for comfort and economy you couldn't want anything better" ...report Mr. and Mrs. John Meske

"In our home, the bedrooms, living room—dining room, bath and kitchen, are all good-sized rooms. Last year, with electric heat, we paid only \$175 to heat our 5-room home. And electric heat is so clean. In the three years we've lived here, we haven't had to buy a can of paint or even wash the walls." □ What's more, like the Meskes, you'll find electric heat has a lot of other outstanding advantages. For example, it's 100% efficient, no heat is lost up the chimney. Each room has its own individual thermostat. You can set the temperature at 80° in the bathroom, 72° in the living room, 65° in the bedroom, all at the same time. Electric heat rates have been cut 50% since 1958. Get the facts on electric heat. Another Morn'nother Yawn..

by Frieda Aron 966-9669

I'm in love — wildly, madly, ecstatically in love again. When I first saw him, I knew he was meant for me, but my feelings about him were undecided. Then time and proximity sealed our fate. There were many good moments, delightfully gay and funny moments, joyous and grateful ones.

And then there were years of roller coasting emotions—fury, despair, tortuous inaccessibility and total indifference; of times undisguised and tearful hate which brought with it oppressive feelings of guilt. How I wanted to fly away from him or fling him out of my life! Then—and it was a long, long, long, then— it was different. Suddenly there he was, full of charm and the joy of living. Twinkling with good humour and the corniest of puns, easily manageable, warm and lovable, ornamental and useful around the house, he even kisses me now and then without being asked. And so I fell for him, lock, stock and barrel. What could I do? When the door almost got knocked off its hinges and that soprano-baritone croaked out, "Maamaa, I'm home," my knees tremble with love for that thirteen year old son of mine.

There is a difference in the love between parents and their children of the same and opposite sex and I never realized it before. The nineteen year old daughter is gentle, sweet, sensitive and fragile. The love I bear her is like a cloak, a protective cloak that will link us together forever. In the little things we do for each other and words we say and the thoughts we do not share, but understand, lies the sum total of our affection. She is an integral part of me, she will always be my daughter and so I take her more or less for granted. The greater stimulation and intensity of emotion is reserved for the opposite sex and the family unit is not excluded. Therein comes the father-daughter and mother-son relationship. Precisely because I know my son will not be mine forever, I can indulge myself in this love of him now. The female child growing into womanhood who will one day marry him will have not competition from me, he will be all hers, if she so desires.

This has developed into a treatise on love and so I might as well answer a colleague who has taken issue with my review of the controversial "Another Country" by James Baldwin. She questions my words, "each individual searches for some warmth, some tenderness, some momentary pleasure, anything at all to give life a bit of meaning, and if sexual pleasure is all that's left, why not?" Says this colleague, "I'm surprised that some priest, rabbi or minister did not answer her question by now. Would not this line of thinking also conclude, if alcohol, dope, rape, theft and murder, is all there is in the lives of some to give them pleasure, why not?"

No, not the same at all! To want love, to give love, however we may err in the objective or methods (according to the mores of society) is the essence of humanity. The searching for and the momentary clutching of that elusive warmth and tenderness is as everlasting as the discussions pro and con. Where is the tenderness and love in rape, robbery, murder, etc.? Is there real pleasure in such deeds or a need for defense, or revenge on a world of rejection?

DOING BUSINESS IN NILES HELPS FINANCE STREET IMPROVEMENTS

Motor fuel tax money returns helps to build new streets as well as improve old ones.

By supporting your Niles Gas Stations, state tax money spent there is returned in part TO NILES to be used for streets, and sidewalks also curb improvements.

AS AN EXAMPLE.. Oakton Manor and Grennan Heights residents both received about 33% reduction in their street assessments due to the applying of motor fuel tax money returns to the construction of streets IN NILES.... one more example why "It's good business to do your business in Niles..... It Makes Good Sense... and Cents."

WHEN YOU DO BUSINESS IN NILES.....

Sales Tax Money comes back to serve you..... 1/2 cent of every dollar spent IN NILES is returned TO NILES.....

AS AN EXAMPLE.... Sales Tax returns can purchase new sidewalks and a street lighting program for Niles.

Blase, Schreiber Speak At County Zoning Hearing

by Frieda Aron

Before a capacity crowd, (I stopped counting at 300) at Niles Village Hall, on Tuesday, March 30th, Mayor Nicholas Blase made an impassioned plea to the Cook County Board of Commissioners for rezoning 133 acres of land under dispute within School Board District 63, north of Golf Road in Niles.

".....do we have to go begging for funds.....take a positive step, a courageous step.....it is not illegal.....just do something for the general welfare of the community.....we beg you to take action and give us our zoning." The hall rang with applause and Cook County Board President Seymour Simon commended the Mayor on his fine presentation. Three Commissioners of the Cook County Board zoning committee were present at the hearing, Charles S. Bank, chairman, Lillian Piotrowski and Kenneth Wilson. Missing were Commissioners Floyd Fuller and Thomas Bradley, the latter sending a telegram in favor of the amendment for rezoning from R3 residential to M1 light industry.

The first speaker on behalf of the request was Jack Siegal, attorney for School District 63. He blamed the financial plight of the schools on the exploding growth of the population in the last ten years, even as late as the last five years, the amount of school children has necessitated that educational funds be made up from State and Federal aids. In 1955 pupils in the School District numbered 883, in 1960 - 3,233 and estimated for 1965 are 6,100 pupils. The educational budget has gone from \$168,036 in '56 to \$2,750,000 in '65. The Zoning board erred in its decision five years ago by not granting permission for rezoning this land, said Mr. Siegal and should take steps to undo that error. The fundamental reasons for zoning are the best interests of the public and the best possible use of the property in question. Only by the income produced by industrial park zoning can the tax base be balanced and the shortage of educational funds be alleviated. What better use for the property can there be, he suggested.

Further speakers for the rezoning were Earl Epstein, president of the Board of Education for School District 63, Mayor Robert Schreiber of Morton Grove, who maintained the 7,000 residents in Morton Grove approved the rezoning and schools in District 63 could be self-sustaining if light industry were allowed to come in. Trustee Norma Morris of Glenview, Alderman Goll of Park Ridge and nine homeowner groups were represented as approving the amendment.

Speaking against the rezoning were the attorneys for the few dissenting property owners, Attorney Peter Paul Black, Attorney Robert Haskins, representing the largest property owner in the area, Morton Fink with 58 acres of land, and Attorney Thomas Crowley. Also opposing rezoning was the representative of the Jewish Federation of Metropolitan Chicago, M. A. Rush. The 17 1/2 acres of land owned by the Federation were said to have cost \$18,000 per acre and would lose value and the purpose of the purchase, to build a community center, would be defeated.

Both Mayor Schreiber and Mayor Blase admitted that there had been offers of industry for the acreage, but the lack of zoning was all that held back development of the acres. It would be very easy to draw industry into the villages as soon as the proper zoning was permitted.

President Simon advised that there will have to be more time before a final decision can be made. However, he expressed his pleasure that such an unusual request had been made and that the village officials made it possible to hold this hearing. The usual request from officials is to rezone industry to residences and he appreciated the opportunity to appear here; "first time in history a meeting of this type has been held—it is a good innovation in government" he concluded.

Cub Pack 78 News

At the March meeting, Thursday, March 25, Cub Pack 78 Cubmaster Paul McAllister announced plans for the spring season. They include a father-son hike through the Arboretum on Saturday, April 24; a Pine-wood Derby Race at the May pack meeting, a silk-screening demonstration by the boys of Pack 78 at the May 22-23 Scout-O-Rama in which Pack 78 has participated since receiving its initial charter; a tour of Glenview Naval Air Station in June.

The March meeting in Fellowship Hall, First Baptist Church, the pack's sponsoring institution, began at 7 p.m., with the flag ceremony done by Irwin Wagner, Walter Kuntz, Bruce McAllister and Mark Anderson. The Pledge of Allegiance was led by Bill Tandy.

Den 4, under the leadership of Kathleen Henshaw, did a Mexican band skit. New bobcats and their families welcomed into the pack were Frank and Michael Eichstadt, Bill Parry, Harold Toothacre, Terry Turner and Ted Urda. The wolf badge was awarded to Paul Jambor. The following boys received Bear badges and matching pins for their mothers: Mark Duskett, Peter Lundberg, Bruce McAllister, Bill Tandy. The Bears were all from Den 4, and there was a Den 4 yell. Two-year pins went to Peter and Mark. Den 5 held an election in which Steven Thomas was named Denner and Steven Zingman was assistant denner.

Cubmaster McAllister announced Pack 78 has received a 100% Boys Life subscription award for having all registered Cub Scouts receiving this magazine each month. He also handed out registration cards for the boys and leaders present.

Audition Vocalists

The Northwest Symphony Orchestra invites vocal and instrumental soloists to audition for appearance with the orchestra during its 1965-66 concert season. Brebeuf Basketball Team Ends Season With .584

The St. John Brebeuf Warriors, coached by Elmer and Dan Kosiba ended a surprising 53 game season with a 31-22 record for a .584 percentage. The seasons highlight was a 1st place sectional finish in the Notre Dame High School League.

Jim Basso, who took second honors for team scoring (392 pts.); Tom Grammarossa, who took 3rd place in team scoring (156 pts.) and Gerry Gradowski, who won a Gold Medal in the C.Y.O. city-wide free-throw tournament. From the view point of statistics, this proved to be the best team in the history of the school's basketball program.

The team was spearheaded by eight-graders Joe Virgilio, Jim Basso, and Paul Weber, who teamed for most of the scoring and rebounding. The playmaking and defensive specialists were eight graders Tom Grammarossa and Gerry Gradowski. Jeff LaSorella, Gary Lake, and Tom Karl were always effective and dependable in the special game situations. Special mentions go to Paul Weber, who took team scoring honors (488 pts.), Notre Dame League high scorer (91 pts.), and St. Mary of the Lake Tournament high scorer (64 pts.);

The seventh grade team ended their season with a promising 8 and 2 record. The nucleus of next year's 8th grade team will be comprised of seven graders: Bob Warren, Ken Blesock, Gary Wagner, Rick Mak, Bruce Donash, Bob Vidicha, Jim Rotunno, Arlen Cienkowski, and sixth grader Tommy Les. These nine will carry most of the burden of next year's expanded schedule, and will be trying to better the record of this year's 8th grade team.

TWO'S COMPANY, THREE'S A CROWD—Peter O'Toole, as King Henry II of England, seems to be telling Richard Burton, his Chancellor, that there are better times and better places to discuss affairs of state. This scene takes place in Hal Wallis' highly acclaimed production of "Becket", which opens Friday at the Des Plaines Theatre. The charming little girl in this sequence is French starlet Veronique Vendell.

LWV "Water" Meeting Tonight

The League of Women Voters of Morton Grove is cooperating with the Glenview and Deerfield Leagues to sponsor an informative program on water resources to be held on Thursday evening (tonight) April 8, at 8 p.m. at the Hoffman School, 2000 Harrison, Glenview. The program will include a 30 minute color film, "Troubled Waters", a 20 minute talk by Dr. Merrill Gamet, of the United States Public Health Service, and a question-and-answer period. The League of Women Voters of the United States has been studying water resources since the 1950's and supports federal legislation which will encourage research and coordinate long-range planning by state, interstate, and federal agencies.

All interested citizens are invited to tonight's meeting. For further information please call Mrs. J. M. Barlett at YO 5-2075.

English Department Head James N. Wicklund of Notre Dame High School for Boys, Niles, points out features of Shakespeare's Globe Theatre to students, (l. to r.), Joe Jagiello, Tom Fokorni, and Tim McAuliff, in preparation for the professional production of Shakespeare's "The Taming of the Shrew" that will be staged at the school April 9. The play will be presented one time only at 8:15 P.M. in the school's auditorium, 7655 Dempster Street.

Notre Dame Hi Presents 'Taming Of The Shrew'

A professional production of Shakespeare's "The Taming of the Shrew" will be brought to the stage of Notre Dame High School for Boys, Niles, the evening of Friday, April 9.

The play, one of Shakespeare's most hilarious, will be staged by the National Shakespeare Company, a touring repertoire group which performs for student audiences across the country.

The play will be presented one time only at 8:15 p.m. in the school's auditorium, 7655 Dempster St. Students from area high schools and the general public are invited to attend.

A limited number of reserved seats are available at \$1.50 each. General seating tickets for students are priced at \$1.00 and for adults at \$1.25. They may be purchased at the box office or by mail through the Student Council Cultural Committee. Enclose self-addressed, stamped envelope with check or money order.

"The Taming of the Shrew" has brought laughter to audiences for over 300 years. It is well known in the United States as the plot for Cole Porter's musical "Kiss Me Kate." The plot involves a harried father who despairs of finding a husband for his hellion daughter Katherine, but is overwhelmed with suitors for his saint-like younger daughter, Bianca. In vying for her love, these suitors make Latin sound like Greek and sweet music something like the strirings in a chicken coop. But this is nothing to the roars and rumbles that take place when finally a mad-brained gentleman named Petruchio comes to woo the headstrong Kate.

Lady Of Ransom Rummage Sale April 10

The Morning Star Guild of Our Lady of Ransom Church in Niles, will hold their Annual Rummage Sale this Saturday morning, April 10th, beginning at 9:00 A.M. The sales will be held in Paluch Hall, 8300 N. Greenwood Avenue, Niles, and will run until 2:00 in the afternoon.

Rummage is wanted for this sale and anyone wishing to donate items to the sale may deliver them to Paluch Hall on Friday evening, April 9th, from 6:00 to 9:00 P.M. or by phone Mrs. Theodore Mozdern, Chairman of this event, at 824-4830 or Mrs. Albert Zale at 827-3665 and they will see that your donations are picked up. Here's an opportunity to do your spring cleaning and rid your homes of extra items not needed anymore. Check through your basements, garages, attics, and closets for those never-used space-stealing items and for all-outgrown clothing and toys.

The National Shakespeare Company's players have appeared individually in productions at the American Shakespeare Festival in Stratford, Conn., the San Francisco Actors Workshop, and the Cleveland Playhouse, as well as in Broadway and off-Broadway plays.

The performance is being sponsored jointly by the Notre Dame Student Council and the English Department. Faculty advisers for the event are the Rev. Joseph C. Stroop, C.S.C., Student Council moderator, and James Wicklund of the English Department.

Niles Chamber of Commerce

By A'Green
President-Niles Chamber

The Chamber Office has been a beehive of activity this past month, Niles being an All-America City Award Winner has caused great excitement and activity, and many plans are being formulated by the Jaycees, the Village and the Chamber.

The Milwaukee Avenue Development and Beautification Committee is getting under way and we hope that soon we will be in conference with advisers and village officials in making plans for the future.

Recently, the Illinois State Chamber released, through its economic development committee, a brochure on the Chemical Process Industry in Illinois. This report shows a great increase in activity in our state, and I have observed that a great number of the progressive companies are locating in the Niles and Skokie areas.

For an evening of fun-attend the Women's Club Las Vegas Night to be held Friday, April 9th, at 9 P.M., 717 at Bunker Hill Country Club, 6635 Milwaukee Avenue. Donations, \$1.50 - For tickets, call Diane Hanson, 825-6471.

The Chamber wishes to thank the Niles Citizens' Committee and its President, Ben Sosnowski, for its efforts in obtaining a portion of the Niles Days funds for Christmas Decorations for our Village streets this coming holiday season. Thanks, also, to the Niles Days Committee, and their Chairman, Charles O'Grady, for furnishing these funds. It will be a pleasant change to look forward to a real Christmas decoration scheme for our Village this coming season.

Our next meeting date, Wednesday, May 14th, at 12:00 o'clock, will be held at the new Neptune Restaurant in Lawrencewood Shopping Center, Oakton and Waukegan Roads. Our Program Chairman, Vince Johnson, has a program which should be of interest to all of us. The feature speaker, the Reverend John J. Russell, Rector of St. Mary Episcopal Church in Park Ridge - a man of many talents and college degrees - will speak on "Youth and Parents."

The Village and the Chamber have made excellent progress in the past year and we are looking forward to a greater future.

Lutheran Church Of Resurrection

Lutheran Church of the Resurrection holds Worship and Sunday School at 9:30 A.M. Nursery is provided. Pastor Steve Murphy's sermon topic for Palm Sunday is "The Road To Jerusalem". Blase: "Getting Tired Of Half-Truths, Distortions"

(News Release)

Speaking before a group of about 50 campaign workers at the Forward Era Party campaign headquarters last week, Mayor Nicholas Blase let it be known that he was getting tired of the half-truths and distortions being spread by the opposition party.

"Either they are deliberately deceiving the people of Niles or they just don't know the facts. After all, how could they when they hardly ever bother to attend a Village Board meeting. Now I will give you the facts - facts which are all part of the public record.

"The street lighting on Milwaukee Avenue was paid for by the State of Illinois out of the Motor Fuel Tax fund. It did not come from village taxes, and did not cost the Niles residents one extra penny. Providing more lighting in our residential sections is part of our program, but will necessarily have to move slower since the funds will come from the village. Remember that our main platform theme is 'progress but with economy'.

"Let's throw some light on another subject. Our police force is one of the best in the state. Much of the credit must go to our fine Police Chief, Clarence Emrickson. He was chosen for his job after extensive interviews with many people, and we were happy to find a capable man in our own ranks. Last year, our police force was ranked 15th among 115 Cook County municipalities. The only reason the rating was not higher was because the facilities were inadequate. This was just before we completed the new Police and Council Chamber building.

"Speaking of that new building, let's get some facts straight about that. The major portion of the building is taken up by the police department; the rest by the court facilities. The cost of the building was financed through the Working Cash fund, so that no tax increase was needed. The entire building cost \$190,000, and not some of the high, wild figures which have been tossed about by the opposition. But, of course, they are not interested in facts.

"Now let's talk about our court. It has been praised as one of the finest facilities in any town in Cook County. What does it cost us? Actually less than it did before, when we had our own judge. The county pays the judge's salary in total, the telephone bills in total, and part of the maintenance costs. So we have a court to be proud of for less money. Apparently the opposition is not very proud of our Village.

"Well I am proud of our Village. I am proud of the progress and improvements we have made. I am proud of the fact that the National Municipal League and Look Magazine thought we had improved ourselves enough to make us a finalist in the All-America Cities contest. They are impartial outsiders and judge only the facts. I am most proud of the fact that our Village of

Niles tax rate has actually gone down 1 cent.

"It is hard to tell people that our taxes have not gone up when they receive a real estate bill which is higher. However, it is important to realize where these increases are coming from. The biggest portion comes from the School Districts; some from the Park District and Library

Reed: Blase Did Not Live Up To His Promises

(News Release)

District. The Village administration, naturally, has no control over these separate taxing bodies. The only thing we can do, and have done successfully, is to keep our portion of your tax bill as low as possible. Otherwise, your bills would be even higher, as they are in many towns around us. Did you know that our village tax rate is lower than any other northern Cook County municipality? We have done this by tight budgeting and having competent, dedicated people working for the Village of Niles.

"The opposition is conducting a campaign of falsehoods and fabrications, and show a total lack of awareness of what is going on. They are conducting a campaign of tearing down and destroying, not building up. They are conducting their campaign in ignorance with blunders on. They have not come up with a single positive thought or suggestion. Could it be they have none?

"The Forward Era Party has a positive program with the people to carry it through. Vote for progress with economy on April 20th. Tell your neighbor to vote, also."

Kopald Seeks Re-Election In School District 63

Gordon E. Kopald, currently a member of the Board of Education of school district #63, seeks re-election to that post on April 10.

For the past several years the district has experienced explosive growth, at a rate far in excess of that of any district in the entire state. Unfortunately, according to Kopald, the increase in available revenue has not been commensurate with the growth in student population. As a result he has been involved in helping cope with the myriad of problems thus created. In construction alone, since being elected three years ago, the district has erected two new schools, built additions to four schools totalling 40 rooms, and constructed seven all-purpose rooms. Based on the successful bond referendum of last December plans are now being developed for two school additions (at the Nelson and Melzer schools) and a new school on the Potter-Church site.

Kopald has been involved in a variety of extracurricular activities. He has been active in Cerebral Palsy and Mental Health organizations, ROMCA homeowners group, a 1964 Director of the Morton Grove Days Committee, previous Melzer and current Nelson and East Maine PTA member. He has had his own weekly radio show for the past few years. He has written and directed musical shows for various charity groups, and in conjunction with the Red Cross, has produced and presented many shows for each of the Chicago area Veterans Hospitals and Public Health institutions.

Gordon E. Kopald is National Advertising and Public Relations Director for the DAD's Root Beer Company. For the last 8 years he has lived at 7312 Sulfited Ct., in Morton Grove, with his wife Ruth and three children: Wendy, 13, Larry, 11, and Candy, 8. Ruth, a graduate of Chicago Teachers College, has been serving as a substitute teacher in the district.

Kopald feels that he has lived up to his commitment to the community by taking a patriotic interest in every child in the district. As such he asks that the voting public enable him, through their support on April 10, to continue to help create an educational atmosphere in which every child, regardless of his or her capabilities, can thrive and grow.

Kopald highly commends the

d school board.

The Mayor has promised better police protection, but what has he done but advance the price of each squad car tremendously by using Oldsmobiles instead of Fords used previously and the changing of police uniforms to the L.B.J. hat etc. This will cost the Village residents a nice fat five figure sum.

The Mayor promised you a better form of justice through a Village court, but first Niles residents must pay the price tag of many unnecessary salaries, a new building to house the court, allow about twenty other police departments to use it and then went against the blue ballot which the people of Niles voted to pass by about an 80% majority in November of 1962. Yet it was allowed to become part of the Circuit of Cook County.

The Mayor promised the residents of Niles a tree planting program and a sidewalk modernization program but he failed to inform the voters that they would pay for these services individually rendering them useless to the taxpayer.

The Mayor promised you C.T.A. transportation to Golf Mill. Do you see C.T.A. buses running anywhere in Niles? I challenge this issue.

Because I feel our present officials have done an excellent job in the past and will continue to work to make Niles an even better "All American City", I urge all of you to carry these remarks with you when you go into the voting booth. I think these people merit your support - they have brought orderliness, fiscal responsibility and integrity back to our Village government. I support Mayor Blase, Ken Scheel, Robert Wente, Keith Peck and Margaret Lieske because they are good for Niles. I hope Niles will be good to them on April 20th by electing them to office.

These are some of the Mayor's miskept promises to the voter's he made during his first four years of public service in Niles as Mayor - reelect him and I am quite sure there will be many more at the end of the next four

I am sorry to see Len Szymanski leave public office, but I would like him to know we are most appreciative and aware of his distinguished service on the Village Board. I Keith Peck I'm sure he is a worthy replacement. He is a man who has always shown his interest and concern for the welfare of the Village and he is well qualified for the position.

If Mr. Reed and his party have been so concerned about what has gone on in the Village during the past four years how is it they never came to a Village Board meeting to make their concern known or to question the Board? I do not recall ever seeing them at a Board meeting until about four weeks ago when Mr. Reed and Mr. Rogin came to a meeting. I say their concern comes a little late and it seems to coincide with their decision to run for office. Mr. Reed and Mr. Rogin happened to sit in front of me at this particular meeting. At that time I didn't even know who Mr. Rogin was, but Mr. Reed pointed out to him the various officials and told him who each one was. Mr. Rogin says he's so distressed over the way these various officials have carried on their work, but still he couldn't even recognize one from the other.

Golf Mill Center Displays House From Redwood Log

The Golf-Mill Shopping Center at Golf and Milwaukee, Niles will display a California Redwood Log followed out and fashioned into a complete three room house. It will be on display near the Mill from April 12 through 17.

Although the log is 1900 years old it features the latest in housing, building technique and interior design. It is 33 feet long, 8 feet wide and 9 feet 4 inches high. The unique house is the result of more than a year's labor by its exhibitor, Keith Straughan and his son.

The idea for the project had its inception during a fishing expedition some 30 years ago when Mr. Straughan was caught in a squall on the Klamath River. Taking shelter in the burned-out hollow trunk of one of the giant trees, he thought "Why

Robert Behymer Seeks School District 63 Post

Robert D. Behymer, candidate for election April 10 to School District 63 Board of Education with endorsement of the East Maine Township General Caucus, advocated re-doubled efforts to provide a significant industrial tax base while promoting greater harmony between the school board, administrative and professional staffs to enhance educational opportunities for all children within the area.

"District 63 Board members have done a yeoman's work for our children," Behymer said. "But the community's success with the recent bond referendum is significantly negated by the accelerating construction of multi-family housing in the absence of an industrial tax base. In these circumstances," Behymer added, "I am eager to continue to do my part as a board member in promoting a light industrial complex and vigorously support the board's efforts to check multiple residential sprawl and its attendant threat to quality education for our children.

"It is my intention," stated Behymer, "to urge the District 63 Board to investigate a further legislative solution qualifying the highest and best economic use of the land under petition for rezoning shall be considered." I think this should be amended to add, "consistent with the general welfare and character of the community." As it now stands, "...highest and best economic use..." is the barrier reef standing athwart of a safe, deep, and serene educational anchorage."

Behymer is a graduate of Indiana State University and has a year's graduate study in counseling and guidance. He lives with his family at 9478 Park Lane, Des Plaines, Illinois and is Corporate Inventory Manager for Montgo-
