there in recent years. The battle of the news releases, the earmarks of political campaigning complete with political stickers and koffeeklatsching have become standard procedure in the highly volatile district in recent years.

This year Arne Kepp, a guy who claims attendance at 44 meetings is seeking election to the Board, competing against Robert Behymer and incumbent Buddy Kopald, for the two seats on the Board. While it is assumed Kopald is a shoo-in for re-election, Kapp is actively seeking the post opposing caucus-supported candidate Behymer.

While we have been much impressed with both candidates we hope residents will give serious consideration to voting for Kapp. We've never seen a more sincerely-dedicated resident than Kapp who has attended meetings month after month. He has two college degrees, has four years of study on his doctorate, and has taught economics at Cornell University. In addition to this excellent background his involvement in board meetings, and in working on bond referendums has been most noteworthy. There is no doubt that he is an outstanding candidate for the school post and deserves the support of all residents whose sole consideration for voting is they choose the best qualified candidate.

Niles Teen Dance Twice Monthly

The Niles Park District Dances for all local Teens held at the Recreation Center 7877 Milwaukee Ave. in Niles every second and fourth Saturdays are the place to go for local young people.

The dance held on March 27th was another great success. The free pop corn at the snack bar disappeared nearly as fast as the big beat music played by the great Saharas.

A tie was declared in the second of six dance contests being held each dance for six dances. The winners were Cindy Barbalace, Tony Principe, Pat Luttrell and Brad Brown. The winners of the finals will each receive a huge trophy.

This Saturday, April 10th, another big dance will be held and free pop corn along with the Saharas, will both return by popular demand.

The dances start at 8 pm. and are open to all local Teens between the ages of 13 and 19. Pictures will be taken, so all you local Teens wear you best smiles.

60 Brebeuf Diamond Stars At Practice

The present defending C.Y.O. City Baseball Champions, the St. John Brebeuf Warriors, started practice recently with over 60 eager young players anxious to follow in the footsteps of last years undefeated team. They will again be coached by Ray Schroeder, Elmer Kosiba, and Dan Kosiba who agree that although there is only one returning starter [illegible] the potential to hold [illegible] against any team in the C.Y.O.

Unofficially the first game will be played on April 26 at [illegible] field to be determined later.

Fireman Of The Year

Niles fireman James Kozak receives hearty congratulations from Niles Lions president Dave Hoppe after receiving award as Niles fireman of the year. Kozak, a paid-on-call fireman, has been a member of the department for the past 13 years. The award, which is presented annually, was given to Kozak at the Lions annual Corn Beef and Cabbage dinner at Bunker Hill Saturday evening.

Forward Era Platform

(News Release)

Mayor Nicholas Blase has formally announced the platform of the Forward Era Party for the 1965 election campaign. In a statement this week he said, "I feel that we have an honest and important reason for running for public office. It is the sincere desire to move our Village forward. Our platform is realistic and positive: We will continue with the work done in the past to build a better Village in the future. This is our biggest pledge to the people of Niles."

Mayor Blase went on to list the Forward Era Party's pledges for the next four years.

STREET LIGHTING PROGRAM--The Forward Era Party pledges to provide new and more adequate street lighting in our residential areas during the next four years. Many sections of Niles are in dire need of better illumination. This project has already been started on a small scale, but the Forward Era Party pledges to push the street lighting program forward until all of our Niles residential streets are supplied with adequate lighting equipment.

FLOOD CONTROL--Tremendous steps have been taken during the past four years to stop the flooding problem in certain areas of our Village. But this problem must be solved completely. The Forward Era Party pledges to continue working towards the final solution to the flooding problem.

CONTROL OF MULTIPLES--Proper control of high rise apartment buildings is mandatory if Niles residents are to be protected against overcrowded schools and increasing taxes. The Forward Era Party pledges to continue controlling the construction of multiples within the Village in order to maintain the proper residential atmosphere.

IMPROVED PUBLIC WORKS--We can certainly be proud of the Public Works Department as it is today. It is one of the finest in the northern suburbs. During the past four years many improvements have been made to bring it up to the high level it has achieved. The Forward Era Party pledges to continue on their program of improvement of the Public Works Department, to assure residents of the best service in any weather and at any time of the day or night.

INDUSTRIAL DEVELOPMENT--Many School Districts are plagued by increasing taxes because of the lack of industrial development in their areas. The Forward Era Party plans a continued program of organized industrial expansion. This program has already gone through the planning stages with the cooperation of Niles and other Villages. The members of the Forward Era Party are acquainted with the problems and are able to cope with them. They wish to continue with the plan of bringing industry into highly taxed areas to lower the tax burden on Niles residents.

TREE PLANTING PROGRAM--The Village has already begun work on a plan to provide the residents of Niles with trees on a cooperative-cost basis. The Forward Era Party pledges to continue planning this program and to see it through, so that Niles may be a more beautiful community for everyone to enjoy.

SENIOR CITIZEN HOUSING--The Forward Era Party feels a great responsibility to our elderly citizens. They plan to provide good low-cost housing for these residents that will permit them to remain in Niles and to enjoy its community life when they reach retirement age.

PROGRESS THROUGH ECONOMY--Four years ago when the New Era Party ran for public office in Niles they pledged a program of progress with economy. Now, in 1965, the Forward Era Party pledges to continue this program. Mayor Blase will continue to work under the philosophy of moving forward without overspending.

TOWN HALL MEETINGS--You deserve to be informed. The Forward Era Party pledges to institute regular Town Hall meetings in which YOU may participate.

Niles Voters Party Platform

(News Release)

NILES VOTERS PARTY PLATFORM - We Will

A. Economy - There is too much money being spent unnecessarily in the Village of Niles. Foolish non-productive projects which profit a few but tax many. Eliminate wasteful spending.

B. Sewerage - Niles has become a large residential Village, not a small town. With growing pains we find problems. Because of these problems we have pledged ourselves to a sewer relief program in cooperation with the Metropolitan Sanitary District and the County of Cook. We need sewer relief - not just promises.

C. Multiple Dwellings - Niles needs a controlled program for Multiple Dwellings not helter-skelter building - controlled from the Mayor's desk on down. There are entirely too many multiple dwellings which have been erected in the last four years - they must be stopped.

D. Civil Service - Niles has a so-called Civil Service Commission, however, it has never been instrumental. There is no Civil Service in the following departments - Public Works, Village Clerks Office, Building Department, Electrical Department or any of the personnel appointments. We will institute a complete program of Civil Service within the Village of Niles. We will eliminate unnecessary positions within our Village and solidify all positions under a complete merit program - Niles needs this.

E. Youth Program - We have already formed a Citizen's Committee under the heading of one of our Candidates for Trustee to - Give the youth of Niles recreation facilities - give the youth of Niles social facilities - give the youth of Niles a place to prove themselves. This center will be named the John Fitzgerald Kennedy Memorial Physical Fitness Youth Center. We have already written to the Kennedy Foundation for a contribution. We have promises of various parcels of land which will be donated. We have commitments from various business houses in Niles. We will erect this center win or lose April 20th with the cooperation of the Mayor - at no cost to the taxpayer. This will be a great memorial which will benefit the entire Village with no cost to the taxpayer. This center will be available for all the various civic groups in Niles for fund raising affairs - for our youth - with no price tag attached.

VILLAGE, PARK ELECTIONS TUESDAY

From The Left Hand

by David Besser
Editor & Publisher

Pre-election Nilesbits

It is unbelievable such poorly qualified candidates would seek office as the Niles Voters Party.

To the best of our knowledge none of the men have been active in the civic community, aside from clerk candidate Lillan.

Mayor candidate Reed stated he quit the police force, and submitted his resignation several times previously...he has never lifted the shadow over the obvious question...why?

At the Chesterfield Garden meeting he was asked to state positively what program he intended committing the village to...his trustee candidate Pifke unbelievably said, "That's a loaded question...don't answer it." Reed did not.

Resident Chuck O'Grady asked Pifke, since he seeks public office, why he has not been active in the Grennan Heights Homeowners Association...and has not paid his dues the past four years? Pifke said he still is a member...even though he has not paid his dues.

Trustee candidate Kriese, perhaps inadvertently, said at the Kirk Lane meeting he has been active in the Oakton Manor Homeowners Association. He lives in Grennan Heights, several blocks from Oakton Manor.

Trustee candidate Rogin condemned the incumbents for allowing multiple dwellings in Niles. His father-in-law, who he works with, is part-owner of Chesterfield Builders, who built many multiples, and seeks another nine-unit building at this writing. No multiple zoning has been allowed since the incumbents took office, exclusive of the senior citizens building on Caldwell.

Also, Rogin's calling a resident a "liar," as well as calling the incumbents the same term, reflects great immaturity on his part.

Pifke was active with the Stankowicz group four years ago and other Stankowicz supporters, including the ex-Mayor's wife, were in attendance at the Niles Voters Party affair last week.

* * * * * *

In the park election Frank Jacobs filed just before the deadline, enabling him to be the last candidate on the ballot. Ray Eagan filed first for the same reason, to get a preferred position. The implication in such maneuvering is that voters are too stupid to seek out the candidates, and thus will check off the first or last candidate.

Jacobs was the former commissioner who caused so much trouble while driving around as police chief of the Niles park district 4 years ago. He had a special red light and a municipal license plate on his private car, which caused much trouble.

When park attorney Jim Orphan resigned from the park board he criticized Jacobs and his fellow commissioners, in those days, for their constant lack of cooperation with the

Village Election

Four years ago THE BUGLE headed its village pre-election editorial "The Issue Is Corruption". It then proceeded to list the existing gambling, the big builder-stranglehold on the politicians and the village, and the general negative climate in Niles, which it compared in a similar light with infamous Cicero. Citing the need for a change we endorsed The New Era Party.

Today, four years later, the gambling has been eliminated, the big builders are treated without preference, Nilesites now live in a community which looks forward and up, and pride in its sudden fame is apparent.

Four years ago Niles children had little to brag about when speaking about their town to their neighbors. Today, all Nilesites can stand tall.

We're most pleased the road we chose to take, along with many of you, was the right one.

Next Tuesday we urge EVERY Nilesite to take a few minutes of his time to walk that same road to the polls and express his support for the entire incumbent ticket, THE FORWARD ERA PARTY.

Rather than cite the integrity, good sense, good educational background, and civic contributions of these five candidates, we'd like to emphasize the need for the backing by every voter. Over the period of four years officials attend more than 100 meetings, each one which directly affects you. The effort is great, often at a sacrifice, both in time and money. But the end result is a better community for you and your children.

Since these people of good will have done much on your behalf you owe them a few minutes of your time by casting a vote. It is an expression you prefer the straight road the community is now on.

An All America town has to have All American ball carriers.

Let the FORWARD ERA PARTY know you appreciate its efforts by voting overwhelmingly for it next Tuesday.

Park Election

In next Tuesday's park election 12 candidates are seeking the two openings on the Park Board. Both terms are for six years, thus, Tuesdays elected candidates will serve the village for a long vital period.

Most honestly, we do not know many of the candidates, and are only familiar with them as the result of having read their news releases. Based on their educational background, and their previous experience in recreation, three candidates seem well-qualified, GEORGE LEDDY, BILL STERLING and JERRY SULLIVAN.

GEORGE LEDDY is a physical education teacher at Lane Technical High School. He holds a masters degree in physical education and has been a baseball coach for many years.

BILL STERLING is a graduate of Colorado University. He has served in the Skokie Park District as a gym instructor and in organizing their 'tween program for four years and would seem well qualified to aid Niles park program.

JERRY SULLIVAN has been actively engaged in sports with youth groups in the community, as well as serving actively in many civic endeavors in past years.

The Park Board needs two new candidates on the Board. Past years bickering, which resulted in the loss of park director Jules Pandera seems to go on continuously. The relationship between the park board and village board needs improving. The hiring of park commissioners relatives has caused an unnecessary problem, which could be avoided if it was disallowed. Purchasing practices, where park property has been delivered to the commissioners' homes, is another practice which has existed during this administration.

There is need for new men to serve. While only two men can fill the two openings, we believe LEDDY, STERLING and SULLIVAN would contribute to the future park program.

Vote For Mayor, 3 Trustees, Village Clerk

Nilesites go to the polls for the third time in 14 days to elect 3 trustees, a village clerk and a Mayor in the village election, as well as two park commissioners for the park board, on a second ballot.

In the Village election it is the incumbents, under the banner of the Forward Era Party, who are being opposed by the Niles Voters Party.

One independent candidate, Frank Troiani, is also seeking one of the three trustee posts. He has campaigned as an independent, believing Niles needs a candidate who is unaffiliated with local political groups.

While the election must be considered a contest between 11 candidates, the major contention evolves around the Mayor's office where former police officer Bill Reed is seeking to unseat Mayor Nicholas Blase.

Reed has been "banging away" at a "conflict of interest" theme in campaigning against Blase. Reed has con-

His father-in-law, who he works with, is part-owner of Chesterfield Builders, who built many multiples, and seeks another nine-unit building at this writing. No multiple zoning has been allowed since the incumbents took office, exclusive of the senior citizens building on Caldwell.

Also, Rogin's calling a resident a "liar," as well as calling the incumbents the same term, reflects great immaturity on his part.

Pifke was active with the Stankowicz group four years ago and other Stankowicz supporters, including the ex-Mayor's wife, were in attendance at the Niles Voters Party affair last week.

* * * * * *

In the park election Frank Jacobs filed just before the deadline, enabling him to be the last candidate on the ballot. Ray Eagan filed first for the same reason, to get a preferred position. The implication in such maneuvering is that voters are too stupid to seek out the candidates, and thus will check off the first or last candidate.

Jacobs was the former commissioner who caused so much trouble while driving around as police chief of the Niles park district 4 years ago. He had a special red light and a municipal license plate on his private car, which caused much trouble.

When park attorney Jim Orphan resigned from the park board he criticized Jacobs and his fellow commissioners in those days, for their constant lack of cooperation with the

EDITORIALS

Village Election

Four years ago THE BUGLE headed its village pre-election editorial "The Issue Is Corruption". It then proceeded to list the existing gambling, the big builder-stranglehold on the politicians and the village, and the general negative climate in Niles, which it compared in a similar light with infamous Cicero. Citing the need for a change we endorsed The New Era Party.

Today, four years later, the gambling has been eliminated, the big builders are treated without preference, Nilesites now live in a community which looks forward and up, and pride in its sudden fame is apparent.

Four years ago Niles children had little to brag about when speaking about their town to their neighbors. Today, all Nilesites can stand tall.

We're most pleased the road we chose to take, along with many of you, was the right one.

Next Tuesday we urge EVERY Nilesite to take a few minutes of his time to walk that same road to the polls and express his support for the entire incumbent ticket, THE FORWARD ERA PARTY.

Rather than cite the integrity, good sense, good educational background, and civic contributions of these five candidates, we'd like to emphasize the need for the backing by every voter. Over the period of four years officials attend more than 100 meetings, each one which directly affects you. The effort is great, often at a sacrifice, both in time and money. But the end result is a better community for you and your children.

Since these people of good will have done much on your behalf you owe them a few minutes of your time by casting a vote. It is an expression you prefer the straight road the community is now on.

An All America town has to have All American ball carriers.

Let the FORWARD ERA PARTY know you appreciate its efforts by voting overwhelmingly for it next Tuesday.

Park Election

In next Tuesday's park election 12 candidates are seeking the two openings on the Park Board. Both terms are for six years, thus, Tuesdays elected candidates will serve the village for a long vital period.

Most honestly, we do not know many of the candidates, and are only familiar with them as the result of having read their news releases. Based on their educational background, and their previous experience in recreation, three candidates seem well-qualified, GEORGE LEDDY, BILL STERLING and JERRY SULLIVAN.

GEORGE LEDDY is a physical education teacher at Lane Technical High School. He holds a masters degree in physical education and has been a baseball coach for many years.

BILL STERLING is a graduate of Colorado University. He has served in the Skokie Park District as a gym instructor and in organizing their 'tween program for four years and would seem well qualified to aid Niles park program.

JERRY SULLIVAN has been actively engaged in sports with youth groups in the community, as well as serving actively in many civic endeavors in past years.

The Park Board needs two new candidates on the Board. Past years bickering, which resulted in the loss of park director Jules Pandera seems to go on continuously. The relationship between the park board and village board needs improving. The hiring of park commissioners relatives has caused an unnecessary problem, which could be avoided if it was disallowed. Purchasing practices, where park property has been delivered to the commissioners' homes, is another practice which has existed during this administration.

There is need for new men to serve. While only two men can fill the two openings, we believe LEDDY, STERLING and SULLIVAN would contribute to the future park program.

Vote For Mayor, 3 Trustees, Village Clerk

Nilesites go to the polls for the third time in 14 days to elect 3 trustees, a village clerk and a Mayor in the village election, as well as two park commissioners for the park board, on a second ballot.

In the Village election it is the incumbents, under the banner of the Forward Era Party, who are being opposed by the Niles Voters Party.

One independent candidate, Frank Troiani, is also seeking one of the three trustee posts. He has campaigned as an independent, believing Niles needs a candidate who is unaffiliated with local political groups.

While the election must be considered a contest between 11 candidates, the major contention evolves around the Mayor's office where former police officer Bill Reed is seeking to unseat Mayor Nicholas Blase.

Reed has been "banging away" at a "conflict of interest" theme in campaigning against Blase. Reed has con-

HARCZAK'S HOLIDAY SPECIAL
HAND CUT, FRESH & SMOKED POLISH SAUSAGE

The good old-fashioned kind that mother used to make. Do you remember how sausages used to taste? HARCZAK'S still makes them that way, with the same old lip-smacking goodness that comes from using only the finest ingredients. It's no secret that good sausages come from the type of meat used. HARCZAK sausages are ALL meat, NO FILLERS are ever used. The only thing HARCZAK adds to their sausage are the best natural imported spices that can be obtained. Then for that superlative flavor that has become a HARCZAK trademark, the sausages are smoked until they reach their peak of flavorful goodness and are ready for your table. Once you taste them, you'll admit that HARCZAK'S have found the missing link.

We have hams from Dubuque, Ia., that are fully cooked, ready to eat, and are the mildest, sweetest hams on the market. Give your family a treat this Easter with one of these hams. This is what the Calero & Catino organization said about these hams which they gave as Christmas gifts. "The best we ever had."

LEGAL NOTICE

NOTICE is hereby given that a public hearing will be held by the Plan Commission and Zoning Board of Appeals of the Village of Niles, Illinois, on April 29, 1965 at 8:00 P.M. at the Municipal Council Chambers Building, 7200 Waukegan Road, Niles, Illinois, for the purpose of considering the following matters:

1) (65-ZP-2) To comply with the Resolution of the Board of Trustees of the Village of Niles to conduct a public hearing on the matter that under the Zoning Ordinance the rear yard requirements in R1 and R2 single family residence districts are forty feet; that said requirements in the R3 and R4 general residence districts are thirty feet. That the Plan Commission report its findings and recommendations on the question of prohibiting the parking of vehicles upon the above mentioned rear yard areas.

2) (65-ZP-3) To comply with the Resolution of the Board of Trustees of the Village of Niles to conduct a public hearing and report its findings and recommendations on the question of re-defining the word "family" which appears in Section III, Rules and Definitions under the Zoning Ordinance. That it is requested the Plan Commission consider the following as a possible definition of the word "family" - A "family" consists of one or more persons, each related to the other by blood (or adoption), together with such blood relatives' respective spouses, who are living together in a dwelling unit and maintaining a common household. A "family" includes any domestic servants and not more than two roomers, boarders or guests residing with said "family". A "family" may include, other than the above, not more than two unrelated persons.

Ready Plans For April 30 Niles Baseball League Dance

"Time is running out in our concerted drive to make the 1965 Niles Baseball League Dance the greatest in history," Mr. Edward Trojan, League Dance Chairman, declared in a recent statement.

Mr. Trojan once again pointed out the importance of a successful dance to the League's fund-raising program.

"Here is an opportunity for every member of the community not only to assist the League in its urgent need for raising funds, but also at the same time to have an evening of fun and enjoyment with their neighbors and friends," said Mr. Trojan.

It was pointed out that the League would especially like to have the parents of every participating boy attend the dance. However, large parties of friends and neighbors are encouraged, and everyone is welcome.

Tickets are available at the door or by calling Mr. Trojan at YOrktown 7-6920.

In addition, at a recent League Meeting a list of participating sponsors for 1965 was announced. The list at that time was Lytton's, Harig Manufacturing Co., Norwood Park Savings & Loan Assoc., Bank of Niles, Harcourt, Brace & World Inc., Raymond Foods Inc., Vapor Heating Corp., Imperial Eastman, Golf Mill Lanes, Booby's, Eagle Sheet Metal, U-DO-IT, Darnell's Television, Semmerling Fence & Supply, V.F.W., Lawson Products, Niles Bowling Center, Kutza Bros. Drugs, Little Miss & Mrs. Shop, Monogram, and Colonial Funeral Home.

The program seeking new sponsors will continue indefinitely and anyone interested in sponsoring a team in whole or in part is urged to contact Mr. Trojan, or any League Officer.

Throughout the year the League will recommend the support of League sponsors by all League members and Niles residents.

Niles Womans Club Meet April 21

The Woman's Club of Niles will hold its last regular meeting of the club year on Wednesday April 21, 1965, at 8:00 P.M. at the Bunker Hill Country Club. Election of officers for the coming year will be held. Therefore, this meeting will be for members only.

Mrs. William Curtin, President and Mrs. Walter Kramer, First Vice President, will be delegates to the Illinois Federation of Women's Clubs annual convention, May 4, 5, 6, 1965, at the Sherman House, Chicago. Alternates will be Mrs. Timothy Hanrahan, Revisions Chairman and Mrs. Leon Friedman, Parliamentarian. Mrs. Friedman is also International Relations Chairman of the 10th District of the Illinois Federation.

All America Flag Raising

Several hundred Nilesites attended the All America flag raising ceremony at the new courthouse-police station Sunday afternoon. In addition to the Nilehi West band, Girl Scout troop 716 and Boy Scout troop 45 joined in the festivity.

Niles Prepares For Year-Long Celebration

The first hectic weeks since notification that Niles has been named an All American City have involved many people in plans for the thrilling ceremonies for raising the proud red and white flag on the grounds of the Council Chambers at Waukegan Road and Touhy Avenue on April 11.

During the next year, there will be programs of activity in which Niles residents from infant to senior citizen will be invited to participate in celebration of the honor bestowed upon our Village.

Countless hours of dedication of Niles residents in many aspects of community development in the past decade inspired our fledgling Junior Chamber of Commerce to select as their first project the preparation of the entry of Niles in the All America Cities contest.

At this time, public and sincere thanks are expressed to the Jaycees of Niles for initiating the steps resulting in this lating the steps resulting in this award. Special commendation goes to three Jaycees; to Walter Zinn for compiling the entry form and for writing the inspiring words delivered so eloquently in San Francisco by our official representatives; to Russell McAndrew for the clever art work to illustrate the presentation as finalists and to Kenneth Cohen for tireless leg work to gather facts for the award winning compilation.

The year of activities will begin with the official Award Presentation Dinner Dance, to be held on May 2 at Tam O'Shanter Country Club. Due to limited facilities, all of the hundreds who are eligible to attend this affair cannot be accommodated. There is in the plan of coming events an All America City Grand Ball to which everyone will be invited.

On the afternoon of May 2 there will pass in review the largest parade ever held in Niles. All organizations and industrial plants have been asked to participate. Among dignitaries on the reviewing stand will be Senator Paul Douglas, state representative, Edward Warman and Sheriff Ogilvie. Confirmation from others is anticipated and will be announced as they are received.

Musical groups that have already confirmed their appearance include: marching bands from Niles West High School, Notre Dame High School, Lincolnwood American Legion, Niles Public School, Vernell Drum Bugle & Twirling Corps of Glenview, drill teams from the U.S. Navy at Great Lakes, Marine Corps of Glenview Naval Air Station, Morton Grove Post #134, Marching groups from VFW Post #7712 Niles, Boy Scouts--Troops #45 and #175, Cub Scout Pack #45 and Girl Scouts and units from Medinah Temple.

Also to be seen will be floats from Oakton Manor Homeowners Assn., Bank of Niles, Leaning Tower YMCA, Niles Chamber of Commerce, Women's Auxiliary of the Niles Police Department and decorated cars of the Niles Safety Council, Niles Jaycees, Chesterfield Garden Estates and the Rotary Club of Niles.

Charles O'Grady is chairman of parade arrangements and he requests that all organizations planning to participate in the parade notify him by mail at 8036 Oketo or by phone at YO-7-5339.

Subsequent news releases will include a listing of other groups to appear in this impressive parade, provided notification is received before April 22.

'Carousel' At Maine East High School May 6, 7, 8

Oscar Hammerstein's masterpiece, "Carousel," which he called "the most appealing musical of them all," will shower Maine township audiences with engaging tunes brilliantly played and sung, as well as lines professionally enacted, if the hard working student cast at Maine East high school has anything to say in the matter.

"I have watched and participated in the work of all musicals here the last six years, and I have never seen a more dedicated and diligent cast, crew and orchestra," pronounced T. A. Varges, chairman of Maine's music department.

"Music Boosters, parents and friends of student actors and musicians have never cooperated more beautifully," Varges said. This spring's performance is brilliant of them all."

Mrs. Edward Alde, 1021 Crabtree Ln., Des Plaines, was specially singled out by Varges as devoting time and energy into making people aware of the spring musical, "far beyond any efforts to my knowledge in previous years, despite the excellent Music Booster chairmen of publicity and arrangements, or costumes this school has always enjoyed," he said.

Tabor Kelly, music faculty member who is directing the singing, which carries the show, said that the chorus numbers are developing fast and predicted that the audiences will leave the auditorium humming the tunes because they are so catchy."

Students at work on principal characters in the show are already realizing what surprises the costumes have in store for the audience and are anxious for dress rehearsals.

When the musical plays at the Maine East high school auditorium on May 6, 7, and 8, the traditional standing room only records should be broken, in the estimation of Music Booster officials and faculty musicians at work on the production.

"We are hearing in the halls now snatches of the show's tunes which the choruses and actors have taken to heart with the greatest enthusiasm," Kelly said. "Usually we don't hear the kids making noises like that until a week or two before the play dates."

Echoing their teachers' enthusiasms are the leading players, diligently at work on their lines.

"This show's story is light hearted but it has meaning and most of all, fun," said Sandi Boike, of Niles, who plays Mrs. Mullin, the owner of the Carousel, whose main occupation seems to be luring Billy Bigelow, played by Bob Leesley of Park Ridge, back to work for her as a barker.

Billy, however, has a hard time getting away from the surveillance of his girl friend Julie Jordan, played by Barb Babcock. That she becomes his wife doesn't help Mrs. Mullins one bit.

"When this show is over, they are going to say that a rollicking time was had by all," Varges promised.

School District 67 Election

Voters in School District 67 elected Lee Hammett, Bernard Rabens and Dr. Irwin Ginsburgh to that elementary district's school board Saturday. All are for three-year terms.

Two write-in ballots were cast, for two women who did not file petitions in the election.

Dr. Ginsburgh, whose term as board president ends on Thursday, and Rabens were incumbents for the seven-member board. Hammett, advertising firm president who lives in Golf, is the new member.

The three newly-elected and four other members on the board, Mrs. Otto Tinzmann Jr., Ward Dobbin, William A. Randolph, and Norton S. Goodman, elect their president and organize for the new year at tonight's board meeting.

Ray Eagan Seeks Re-Election As Park Commissioner

(News Release)

"Ray" Eagan announced yesterday, his intentions to become a candidate for re-election to the position of Niles Park Commissioner.

"Ray" or "Eagan", as many of his friends call him, will have completed his first four year term as Niles Park District Commissioner on May 1st of this year, and although these four years have seen the Niles Park District progress more than in the entire past ten years, "Ray" feels that the years just ahead have more potential than ever before. He also feels that his experience during these past four progressive years has broadened his knowledge of the real needs of the Niles Park District, and he would welcome the opportunity to offer this knowledge and experience to the residents of the Niles Park District to work for their benefit.

"Ray" has been a resident of Niles for fifteen years and has fulfilled many civic obligations, always with the thought in mind to make Niles a better place in which to live.

"Ray" Eagan's aggressiveness and untiring leadership is attested to by the fact that during his four years as Commissioner of the Niles Park District, he was elected by his fellow Commissioners as Vice-President, three years, and President of the Board during the year in which the new Recreation Center and Swimming Pool were constructed.

"Ray" C. Eagan has been employed by the Illinois Bell Telephone Company for the past 25 years, the last 17 of which have been in various supervisory capacities. He is also a member of St. John Brebeuf Parish and the Holy Name Society, North American Martyrs, Knights of Columbus (4th Degree), the Telephone Pioneers of America, and a veteran of World War II with five years active service in the U.S. Army Signal Corps.

Other outstanding accomplishments which occurred during the past four years are:

1. First successful Bond Referendum in the history of the Niles Park District at low interest rates.

2. Niles Park District receives a Grant from the Federal Government of $28,800, which is only the second Grant made in the State of Illinois.

3. The annexation of the Golf-Mill Shopping Center into the Niles Park District.

4. Employee Benefit & Hospital Insurance Program approved for employees of the Park District.

5. Permission received to use five acres of Cook County Forest Preserve District property at Howard and Nordica for Niles Park District recreation area, and also Forest Preserve property adjoining Jozwiak Park.

6. Many new activities added to Park Programs for both 'Teens and Adult residents'.

7. Four new Park sites purchased totalling approximately 13 acres.

8. Nine new areas annexed into the Park District.

9. Maintenance of Low Tax Rate throughout all of this growth.

Bill Sterling Runs For Park Board

(News Release)

Bill Sterling candidate for the Niles Park Board is winding up an energetic campaign, having made a 12 hour "march on progress" for the Niles Park District. He has clearly demonstrated in his campaign that he is head and shoulders above the other candidates in qualified park experience and management know-how.

The main purpose of Bill's march was to acquaint the public with the job requirements of a Park District Commissioner and to explain his proposals for the betterment of our Park District. Sterling emphasized "the primary functions of the Park Board are to create policies and to plan future progress and development. Equally important is the budget management of several hundred thousand dollars to your tax money."

Bill's past 7 years of executive management experience well qualify him to carry out these responsibilities. Coupled with this, he has served for the past 4 years with the Skokie Park District in 2 of their most successful park activities, acting as gym instructor and co-organizer of the TWEEN (12-13 yrs.) program, which is nationally recognized. During this time he has supervised well over 1,000 children ages 6-13. Having associated with one of the highest rated Park Districts in the country, he has acquired a well-rounded background and knowledge of Park programing and functions.

Sterling's 5 point proposals for progress were enthusiastically received by the Golf Mill Homeowners Association, Kirk Lane H.A., and East Maine Community Association, and The Jonquil Terrance H.A.

The 5 points are:

1. Park Development--To insure that the park program encompasses interest and participates for all ages and all areas of Niles.
2. Land Acquisition--To invide not only for immediate open area acquisition but for the future needs. 10 and 20 years from today. This unfortunately was not done 10 years ago.
3. Youth Leadership and Volunteer Program--By providing the opportunity for our teens youth to participate in leadership programs, we can help develop civic responsibility and future leaders for our community. By enlisting qualified volunteers who reside in Niles, we can expand and introduce a variety of economic park programs that would provide our people with a feeling of civic accomplishment.
4. Co-operative efforts with School & Village Boards--To economically provide facilities, a co-operative effort must be made with the School Board & Village Board for optimum use of buildings and land.
5. Beautification of parks and surrounding areas--Along with beautification of park lands and buildings, the district should act as a spearhead to encourage all civic organizations to help beautify the areas in which we live.

It is interesting to note that although there are 12 candidates, Sterling was conspicuously alone at most of the Park District meetings in the past year.

Mr. Sterling is currently a trustee of the Golf-Mill H.A. and their director of children's activities. He is a graduate of University of Colorado with a Bachelor of Science degree in Market Research and is presently an executive for Delta Chicago, Inc. of Franklin Park.

Bill Keener Vies For Park Board Post

(News Release)

William (Bill) Keener has announced his candidacy for one of the vacant positions for the Niles Park District.

Bill attended schools in New Jersey and completed his education at Rutgers University. He then served in the United States Marine Corps and spent two years in Korea. Afterwards he became employed as a television technician with the Illinois Bell Telephone Co., and has been with them for ten years.

For the past three years Niles has been home for Bill, his wife, Marcy and their five children, Billy 9 years, Marylyn 6 years, Robert 5 years, Frank 3 years and Kristen 15 months old. During these three years he has taken a great deal of interest in the community and its projects, such as:

Was President of the Oakton Manor Homeowner's Assn. Was instrumental in helping the village obtain the stoplight at the intersection at Main and Milwaukee Avenues. Worked successfully with the Park board in obtaining a warming shelter at Keeney Park. Is presently the cubscout-master of pack 175 at St. John Brebeuf. Is a member of St. John Brebeuf. A member of the Holy Name Society. Takes an active part in Little League Baseball. Chairman of the 1965 Little League parade. Member of the Safety Council of Niles. Has worked for Niles Days. Member of the financial committee for Niles Days 1965.

Bill's interst in the Park Board is to help contribute new and additional activities for children of all ages, but chiefly to promote interest for more adult programs and family participation.

For additional information please call campaign manager, Andy Ciabattari, 965-0487.

'Mussy' DiVito Seeks Niles Park Post

(News Release)

Actively campaigning for the position of Park Commissioner is Nilesite Uderich DiVito, better known as "Mussy" to his friends.

Mussy graduated from Crane Technical High School in Chicago and attended Crane Evening College and Lewis Institute. Although a licensed plumber, he is currently attending the Chicago College of Naprapathy, from which his wife graduated as Dr. of Naprapathy.

He spent almost all of his lifetime in sport activities in Chicago. Mussy is proud, and has every right to be, of the awards and medals he won. One gold medal, of which he is especially proud, was won in the Chicago Olympic bicycle races.

Mussy, 52 years young, his wife Gene, a son and two daughters have resided at 8000 N. Elmore since 1957.

Following in his father's footsteps, Dan, a fine athlete, a graduate of Maine East High School, is currently majoring in Physical Education at Southern Illinois University.

While Joyce attends Maine East and is actively engaged as a Pom-Pom girl, Joanne is a professional ballet dancer.

Mussy exhibits his artistic talents through gardening, which he loves, and vocalism. Known as the "singing plumber," he sang with the Chicago Opera Co. for over five years.

His great interest in athletics and enthusiasm for encouraging and developing youths' interest in sports is reflected in his years of experience as a coach for the Chicago Park District--experience which will be a definite asset to the Niles Park Board.

Uderich DiVito's reason for seeking the position of Park Board Commissioner of Niles is to continue, with the help of the Board, to strive for higher and better standards for the Park District. He also firmly believes in having more activity programs for the youths and adults of Niles.

Albert Geis Is Candidate

(News Release)

Alfred G. Geis, a candidate for Niles Park Commissioner, has been a resident of Niles for 24 years at 8145 N. Olcott Ave. He has been employed, for over 25 years, by the Illinois Bell Telephone Co. He has been a Communications Maintenance Supervisor for the past 13 years and is now stationed, in that capacity, at O'Hare International Airport. He is the father of three daughters, Diane 8, Linda 3 and Sharon 2. His wife is an officer of the Grennan Heights Garden Club of Niles. His hobbies and activities include ice skating, water skiing, boating, fishing and photography. He holds amateur radio License W9MVJ, Citizens Radio License 1BQ7764, First Class Radiotelephone License PI-18-1660, Private Pilot License 1004982 and is an active member of the FMN-1 Civil Defense Radio Communications Network. He was also an instructor in Navy Radar and Sonar Maintenance during World War II. Mr. Geis' parents were very active in Niles community affairs and his mother and brother now reside in Gardena, California.

Frank Jacobs Files For Commissioner

(News Release)

Frank L. Jacobs, candidate for Niles Park Commissioner, has lived in Niles at 8313 Wisner Street with his wife, Mildred, since 1959. He has one married daughter, Carole. Jacobs has long been interested in civic development and progress. He is known for his interest in the betterment of the Niles Park District. Early in 1954 he became active in the Citizen's Committee that organized the Niles Park District. After the Park District was formed, Jacobs served as Secretary-Treasurer for four years, and also two years as a commissioner, which includes one year and President of the Board. While Secretary he contracted many of the local Park Districts and worked very closely with the Illinois Association of Park Districts to obtain model Park District operating ordinances. He assisted in the preparation of all of the basic ordinances and rules and regulations, which the Park District is currently operating under.

Frank L. Jacobs has held an executive position with a large merchandising organization for over 25 years. He is a past Director of the Oakton Manor Home Owner's Association, and recently received a citation award from the Crusade of Mercy for outstanding Individual Performance.

Jacobs is keenly aware of the necessity of good government and is dedicated to the principles of the Niles Park District. He has worked very hard in the past to both organize and expand the Park District so that all residents of Niles (Senior citizens, Teenagers, and Tots) can have the same recreation facilities as the neighboring villages, and if elected plans to work with the present Commissioners for the betterment of our Niles parks.

Election is Tuesday, April 20, 1965.

Troop 45

On the weekend of March 20 and 21, the following scouts of Troop 45 stayed overnight at Fort Sheridan, Ill. Steve and Peter Welsh, Cliff Briars, Carl Hahn, Bill Gruzyinski, Randy Hyken, Steve Pascente, Phil Hilson, Jr., Bruce Potenza, Paul Pomazal, Martin Rothenberg, Jim Schnieder, Frank Mervis, Mitch Wood, Steve Zieder and Keith Grendel. The following fathers accompanied the scouts: Mr. Schnieder, Mr. Hyken, Mr. Rothenberg, Mr. Hilson, and Mr. Pomazal.

The weekend included a hike, a visit to the Fort Sheridan Museum, and the Air Detachment Center, plus a movie. We also had all the food we could eat, served Army style in the mess hall. The food was really delicious, a few of the scouts are thinking of enlisting after the way they were fed.

At a Court of Honor held on March 10, Randy Hyken, Paul Pomazal, Steve Pascente, Ron Friedman, Phil Hilson, Frank Mervis and Martin Rothenberg were inducted into the Troop as Tenderfoot Scouts by Dr. Zand, Scoutmaster, and Mr. Eaton, Assistant Scoutmaster. Stephen Welsch received his Tenderfoot badge, Lonnie Lloyd, Bruce Potenza and Peter Welsch received second class badges.

The Troop is planning a trip to Glenview Naval Air Base in April. It will also participate in the District Camporee at Kankakee River State Park the weekend of April 23 to 25.

Any boys interested in becoming Scouts visit us at Grennan Heights Fieldhouse, Keeler & Odell Sts., Niles, on Wednesday night, 7 to 9 p.m.

George Leddy Park Board Candidate

(News Release)

Rose Leddy says, "Meet my husband and father of our nine children." George Leddy is a candidate for Niles Park District Commissioner. He has lived in Niles since 1954 and now resides at 8543 N. Ozanam. George, a former athlete from the Universities of Illinois and DePaul received his Bachelor degree in Physical Education and Recreation from DePaul in 1949, in June of last year George received his Masters Degree in Education.

George has been in the Physical Education and Recreation Field since his early college days when he worked at the Olivet Institute in Chicago as the recreation leader. After graduation he started his teaching at Kelvyn Park High School (his alma mater) then on to Austin High School where he served as baseball coach for seven years and in the same capacity for three years at Taft H.S. He is presently Director of Driver Education at Lane Technical High School, George has served on the examination board for the practical examination of prospective Chicago High School teachers in Physical Education.

His knowledge in this field, his experience in recreation and his enthusiasm for a better Niles Park District makes my husband, GEORGE LEDDY an outstanding candidate for the Commissioners position.

New top trim, base panel and hooded ball casters enhance design beauty. Capacities of new models range from nine to twelve table settings. It is now available at Townhouse T.V., 72 Touhy Avenue, Chicago. See our ad for the low, unbelievable low price.

Brebeuf Basketball Team Ends Season With .584

The St. John Brebeuf Warriors, coached by Elmer and Dan Kosiba ended a surprising 53 game season with a 31-22 record for a .584 percentage. The seasons highlight was a 1st place sectional finish in the Notre Dame High School League.

The team was spearheaded by eight-graders Joe Virgilio, Jim Basso, and Paul Weber, who teamed for most of the scoring and rebounding. The playmaking and defensive specialists were eight graders Tom Grammarossa and Gerry Gradowski. Jeff Lascrelle, Gary Lake, and Tom Karl were always effective and dependable in the special game situations. Special mentions go to: Paul Weber, who took team scoring honors (488 pts.), Notre Dame League high scorer (91 pts.), and St. Mary of the Lake Tournament high scorer (64 pts.); Jim Basso, who took second honors for team scoring (392 pts.); Tom Grammarossa, who took 3rd place in team scoring (156 pts.) and Gerry Gradowski, who won a Gold Medal in the C.Y.O. city-wide free-throw tournament. From the view point of statistics, this proved to be the best team in the history of the school's basketball program.

The seventh grade team ended their season with a promising 8 and 2 record. The nucleus of next year's 8th grade team will be comprised of seven graders Bob Warren, Ken Bleschke, Gary Wagner, Rick Mak, Bruce Donash, Bob Vodicke, Jim Rotunno, Arlen Cienkowski, and sixth grader Tommy Les. These nine will carry most of the burden of next year's expanded schedule, and will be trying to better the record of this year's 8th grade team.

Art Collection At Golf Mill

June Decker of Park Ridge, will exhibit a collection of her paintings in the Art Gallery of the Golf Mill Theatre during the month of April. She is the wife of Ferdinand Rebechini, sculptor and designer, who has his studio and gallery at 928 Busse Highway, in Park Ridge.

The palette knife is used more often than the brush when Miss Decker works on an abstract oil. Abstract composition is her preference in painting, although she does realistic portraits and landscapes "on location". Oil, casein and watercolor are her media, and she favors warm, earthly colors.

Brebeuf Girl Scouts Seek Clothes, Food

During the month of April, the Girl Scouts of St. John Brebeuf School will be collecting baby clothes and food, which they will send to the Misericordia Children's Home. Anyone wishing to help the scouts in this worthwhile service project can contact Mrs. Frank Fokorni at YO 7-7084 or any Brownie, Junior or Cadette Scout of the parish. Any used or new clothing, especially blankets, shirts, diapers, bibs or any type of baby cereal, vegetables, etc., will be greatly appreciated.

Auditions will be held Wednesday evening, April 28, at 8 p.m. in the auditorium of Maine Township High School East, Park Ridge. For details contact Mrs. A. G. Denk at 827-1703.

School Bells Toll For Niles Firefighters

School bells tolled for five Niles firefighters recently, who attended instructional conferences and seminars.

Lt. Sam Bubley, department drillmaster, and Harry Kinowski, Jr., head of the department's fire prevention bureau, returned after attending a four-day fire department instructors school in Memphis, Tennessee.

Lts. Charles Bobula, Robert Ditmann and Paul Waldin attended a two-day arson seminar in Chicago Heights.

Lt. Bubley and Inspector Kinowski were among 3300 persons from over 40 states, Canada, and several foreign countries to attend the 37th Annual Fire Department Instructors Conference.

The conference is a clearing house for the exchange of ideas in firefighting methods, training and fire prevention. It is attended by key department officers, educators, fire and industrial plant engineers, members of the armed forces, and public officials. Among the subjects covered are the training of industrial fire brigades, handling fires involving highly combustible chemicals, firemen's occupational diseases, and what to do in the event of a nuclear attack.

The arson seminar, attended by over 300 firefighters, policemen and insurance investigators, covered the proper investigative procedures involving arson fires and explosions. Demonstrations were used to illustrate examples. Among the panel of experts to attend were members of the Chicago Police Department's Arson and Bomb Squads.

The seminar was sponsored by the Illinois Fire Marshal's office and hosted by the Chicago Heights Fire Department.

Niles Fire Chief Albert L. Hoelbl said that the knowledge gained at the two schools will be passed on to all Niles firefighters in subsequent training sessions. He said Niles' attendance in all schools when possible is imperative if the department is to keep abreast of constant changes in the firefighting profession.

District 67 Musicians Win Top Award

District 67's junior musicians came home from Bellwood with the top rating in contest of the Illinois Grade School Band Assn.'s District 7.

Each of the 44 in the concert band (27 from Morton Grove's Golf Junior High, 8 from Hynes School and 9 from Golf Elementary) has a new gold medal to prove the accomplishment.

In the contest on Saturday, March 27, at Roosevelt Junior High gym in Bellwood, Ill., 26 bands were entered. District 67's musicians played a march, "Citadel" by Erickson, an overture, "Summer Legent" by Buchtel, and "Sonatina for Band" by Erickson.

Now the byword of the happy competitors is "On To Lockport". The first-division rating in the Bellwood contest means they're eligible to compete in the state band contest May 1 at Lockport.

Donald Mitchell, band director, led the group on the Bellwood trip.

Oral Polio Vaccine Given May 1, June 27

Consistent with principles of good public health measures, the Niles Board of Health will again conduct a Sabin Oral Polio Immunization Program. The vaccine to be used will be the three in one, which will combine poliovirus types 1, II, and III. It will be administered in two doses, the first on May 1, 1965, and the second on June 27, 1965, at Notre Dame High School for Boys, 7655 W. Dempster Street, Niles, from 1:00 P.M. to 5:00 P.M.

It is necessary that the fight against Polio be continued if this dreaded disease is to be conquered. Residents of Niles who have not already immunized themselves and their families are urged to take steps to do so.

"Dietary" Program For League

The role of the dietary department in the hospital will be the topic at the spring meeting of the Service League of Lutheran General hospital, Park Ridge, at 8 p.m., Tuesday, Apr. 20 in the hospital auditorium.

Edith Graham, manager food dietary at Lutheran General, and Karen Grunschel, dietitian, will present the program. Diets and dieting will also be included on the program.

A social hour will follow the meeting. Members and their friends are invited to attend, according to Mrs. Frederick Bauer, Service League president.

St. John Lutheran Principal Receives Chevrolet

On Sunday, April 4, Mr. Gerhard Schmiel, of 8277 Merrill, was presented with the keys to his new 1965 Chevrolet Bel Air, purchased for him through contributions from the various organizations and private donations from members of St. John Lutheran Church in Niles.

Mr. Schmiel has been principal and teacher of St. John Lutheran School since it opened in September, 1960. He came from Watertown, Wisconsin, where he taught for many years. Mr. Schmiel has worked very hard since coming to St. John Lutheran, not only in the capacity as principal, but also as organist, choir director, Sunday School work, and many other things. Therefore, to show their appreciation for his faithful service, not only to St. John, but also to his 43 years of faithful service as a dedicated Lutheran school teacher, the congregation decided to buy him his very first new car.

Co-Ed Summer Session At Notre Dame Hi

An eight-week co-educational summer session will be held at Notre Dame High School for Boys, Niles, according to an announcement this week by the Rev. Joseph E. O'Neill, principal.

The session will begin June 14 and end August 9. It will be open to girls as well as boys regardless of creed or of regular high school affiliation.

Fr. O'Neill said that this will be the first time that Notre Dame classes will be co-educational. This is being done, he said, to increase the number of potential students for the summer session so that as wide a selection of courses as possible can feasibly be offered.

Courses that will be available include: Theology I, II, III, and IV, English I, II, III, Composition and Rhetoric, Latin 1 and II, Spanish 1 and II, World History, U. S. History, Algebra I, Geometry, General Math II, Calculus, Typing, Music Theory, Bookkeeping, Biology and Physics.

Classes will be held five days a week in either of two periods between 8 a.m. and 2 p.m. each day. Each subject taken for the full eight weeks will be worth two semesters of high school credit.

Fr. O'Neill said that the availability of a complete curriculum of high school theology courses will give Catholic students who attend public schools the opportunity to get unified, concentrated religious instruction.

In addition to the courses above, a special Drama Workshop will be offerred four evenings a week for a six-week period from June 14 to July 23. Classes will be held from 7:30 to 10 p.m. The Drama Workshop will be worth one semester of credit.

Students may register for the summer session on weekdays April 12 through June 12 from 8:30 a.m. to 3:30 p.m. at the school, 7655 Dempster St., Niles. Mail registrations will also be accepted. A brochure containing complete information and mail-registration forms is available from the school upon request.

MG Suburban Juniors To Attend District Luncheon

The Suburban Juniors of Morton Grove will again reserve a table at the annual Spring Dinner of the 10th District Juniors of the Illinois Federation of Woman's Clubs. This year the dinner will be held at the Highland Park Women's Club, 1991 Sheridan Rd., in Highland Park, on Wednesday, April 21, at 6:30 P.M. This will be a sit down dinner with a Folksinging group for entertainment. At this dinner, awards will be presented to the various women's clubs for their outstanding achievements. The officers for the 10th District will also be installed.

At the March 22 meeting of the Suburban Juniors, elections took place. The following members were elected. President, Mrs. Lawrence Schreiter, 8321 Mango, for a second term. 1st Vice President, Mrs. Richard Wallace, 8840 Meade, 3rd Vice President, Mrs. Hans Swanson, 7609 Beckwith Rd., and Corresponding Secretary, Mrs. Charles Carlson, 7349 Lyons, all of Morton Grove. Mrs. Joseph Chialiva, 8243 Mango, was recently appointed to the position of Recording Secretary.

The Suburban Juniors would like to publicly thank, Mrs. Robert Wagener, 7214 Arcadia, who had to leave the position of Recording Secretary before her term was complete, Mrs. Richard Cawley, 7429 Arcadia, past 1st Vice President, and Mrs. Nick Porcaro, 8526 Major, past Corresponding Secretary. All of these Women and devoted many hours to their respective positions and did a wonderful job.

Niles Voters Party Cites Opponents 'Malfunctions'

(News Release)

The Niles Voters' Party has scrutinized the present administrations' four years of public office and have been astounded with the Major malfunctions which have developed. The present Mayor trapsed throughout our Village rattling our cages about gambling, but after th election he was as quite as a church mouse.

During the Mayors' first year of public service, and (We have the proof and it was revealed at the open meeting of April 7th,) that he allowed 60 multiple units that we know of, to be built in Niles. This land had previously been unincorporated, but he incorporated it and allowed multiples to be constructed—going against the zoning ordinance of January 10, 1961.

This ordinance stated "All land annexed after this date must be zoned R1 single family dwellings""

The present Mayor of Niles promised the Voters a sewer relief system, but he has never even attempted to sit down with the people to fulfill his campaign vows. While promising sewer relief, he has only succeeded in adding to the dilemma by annexing more Multiples to drain into our outmoded sewerage. This is "The Monsoon Season" in Niles. How many flooded basements will we have, due to his unkept campaign promises?.

The Mayor promised the people a comprehensive lighting program, but where has the quarter of a million dollars been spent?—on "his" street—Milwaukee Avenue. Was it necessary to spend so much money and then put the lights so close together?.

The Mayor promised the people of Niles a form of justice, which would be an impregnable fortress. But the only accomplishment is the disgrace he places on the citizens by being one of three cities in the entire state of Illinois to attempt to humiliate the spirit of the "Blue Ballot" by his creation of the "Golden Elephant of Niles". The people ask what he accomplished by the misconceived menstrocity at Waukegan Road and Touhy Avenue? Why did the Mayor campaign against the Blue Ballot and ram through by referendum, a village court? Its simple, the Mayor of Niles has lowered himself to the level of ambulance-chasing within our village. This is CONFLICT OF INTEREST! They tried to initiate an ordinance at a Village Board meeting to outlaw this in Niles. The Mayor threw the proposed amendment out-locking the door on Justice.

The Village Clerk herself claimed no multiples ever were passed an approved by the incumbents. I say the Village Clerk is trying to cover up the actual activities of the incumbents in the field of multiples. She was trying to use a map which was colored in, denoting the Multiples and how they never rezoned any area. How about the Oakton and Caldwell area? , this was not in the Village of Niles four years ago. This area was allowed to go multiple even though it has industry boardering it as well as the Tam O'Shanter area. What will be erected in this newly sold area of Niles?. The Mayor claims you the voters have nothing to worry about until July, of 1965, in other words "Lets not talk about Tam in this campaign". We want to talk about Tam O'Shanter. The area adjacent to it has been allowed to go multiple. If Tam goes multiple, you can have 2000 adults and 4000 children—about 1200 units in Tam. Tam O'Shanter can go multiple after this election if the incumbents are re-elected. We will not allow this area to go multiple. The Village Clerk prides herself on no multiples-How can we have them?, is she using distortion in her annual shareholders' report to the citizens of Niles?. The Village Clerk prides herself on improving the Village Clerks' office and transposing the records from Medievan to Modern Times. But, why has she only gone half way in her modernization of this office?. Villages much smaller than ours have complete civil service programs. Niles has no civil service in the village clerks' office. Personnel has been increased though she claims to be saving the taxpayers money through automation which saves man-hours. Isn't this a contradiction?- to increase personnel and then go to automation. In private industry it is one or the other, because they do not have "political payroll padders" as proteges. Niles has no Civil Service program in any of the following departments—Electrical Department, Building Department, Public Works Department, Health Department or the Village Clerks' office, nor the the Village Managers' Office or any of the Administrative offices of the Village. The Board of Trustees which is up for election at this time, all ran with the Mayor and Village Clerk-four years ago. Since the last election, one of the incumbents has decided not to seek re-election. The second member of the Board of Trusteees was hesitant about his candidacy and association with the Mayor and Village Clerk, which would cause us to conclude that they did not approve of the Village Clerk and the Mayors' business dealings, activities, or policies. If they themselves hedge to be associated with the Mayor and Village Clerk, we can only conclude that these two people as well as the other candidate for Trustee are not benefiting or doing justice to the Village. If this is the case they should not be re-elected. In order to give the Voters' of Niles the opportunity for better government and the fulfillment of promises, we vow the people of Niles-that we as a dedicated group of civic-minded citizens to Stop the talk and start the Action at the Village Hall! The Village needs men with different ideas, ideals and backgrounds, from various walks of life—who will step-up and make their own decisions. Men who will not be puppets, ruled by an Iron-hand at the Village Meetings. Niles must be truly freed on April 20th, from a man who has silenced the honest voice of anyone who opposes him at these meetings, as well as the six trustees on the current Village Board.

We, of the Niles Voters' Party will not allow the people to be "Sold Out" again as they were four years ago. The incumbents ranted and raved the Village was sold out by the previous administration, however upon entering public office, the Mayor could not keep the one campaign promise he made to the voters of Niles, namely—eliminate gambling. The Mayor dragged his heels and by so doing, he sold the people of Niles out!

Please vote on April 20th, so that Niles can have a village government of the Majority, not by the Minority as it is at present.

In closing, let us enumerate on one more point—the Village Clerk has chopped up the voting districts, changed the polling places and done everything possible but inform the people of where and when they can vote! She prides herself on solidifying the elections between the Park District and the Village governing bodies, but the most important of all is the fact that there was no attempt made to solidify these two with the township general elections—as has been done in many of the other areas of Cook County, such as Skokie, Cicero and Berwyn, to name just a few. If these elections had been solidified, it would have saved we the taxpayers a tremendous expense on April 20th, since the County would have paid for the bulk of the election and there would be no reason to ask, "When and Where, Can I Vote?"

Letters To Editor

Thanks

Dear Mr. Besser:

The Women's Auxiliary of the Niles Police Department would like to take this opportunity to thank you for the fine co-operation you have shown us in printing our press releases each month.

We are grateful for the space you have given us in publishing regular news items as well as the special articles where we relied on the newspaper medium for our Card Party, etc.

Thank you again for your splendid cooperation. We do appreciate it.

Sincerely,

Mrs. Fred Berresheim
Publicity Chairman 64-65
W.A.N.P.D.

Seeks Pen Friends

Dear Editor:

Please forgive me for taking up your valuable time, I am a Japanese girl and am very eager to find pen friends in your country.

I am writing to you in the hope that you can help me get in touch with them.

I'd like to exchange information about student life and various topics in our everyday life and to discuss current international problems. I think this kind of direct communication between friends of about the same age will help both of us to learn about each other's country. It will also undoubtedly help me to brush up my English.

I also think we might have fun swapping items in our hobby collections.

I promise to be a faithful friend and correspondent to any boy or girl who wishes to be my pen friend. I have been at a loss to know how to get in touch with young people in your country, but recently the International Pen Friend Society (P.O. B. 3, Edogawa, Tokyo, Japan) advised me to write to a newspaper editor in your country and ask for help in locating friends.

I promise to do my best to see that every letter is answered.

I am a 17 year old high school student. My name is Yoko Nakanoko, and my address is 977 Igaya Hyogo-machi, Saga City Saga-ken, Japan.

Sincerely yours,

Yoko

Legion

The following letter was sent to:
American Legion - Post 134
Morton Grove, Illinois

Dear Mr. Fredericks:

On behalf of the members and candidates of the "United Civic Independent" party, let me extend my sincerest appreciation for your assistance to our "Meet the Candidates Dance" at the Legion Hall last Saturday.

We have received many favorable comments about the affair and feel that our success is greatly due to your member's fine co-operation and hospitality.

With sincerest regards for the Legion's continued success and progress, I remain

Very truly yours,
Themis N. Anastos
President

Forward Era Party 'Running On Achievements'

(News Release)

"The candidates of the FORWARD ERA PARTY are running proud. They are running on a record of achievements and accomplishments which are unequaled in the history of Niles," said Diane Hanson, campaign director.

"The challenges and problems which have arisen have been met with imagination, firm leadership, and meaningful legislation," Mrs. Hanson continued. "The names of our candidates are well known — well known because they have contributed to the dynamic growth and increased prestige of our village.

"Mayor Nicholas Blase has proven himself an able chief executive as well as an able fighter for the people of Niles. No one has fought harder to relieve the tax burden of School Distrct #63 homeowners. He has pressured, urged, pleaded, and argued with the Cook County Board to grant the zoning change on Golf Road. A zoning change which would permit an industry supported tax base to lower the real estate taxes.

"Village Clerk Margaret Lieske has made the Clerk's office a model of efficiency during her three years in that post.

"Trustee Kenneth Scheel has made it his specialty to watch over the village purse strings. So effective has he been as Chairman of the Finance Committee that the village tax rate has actually gone down while services have gone up.

"Trustee Robert Wente worked closely with the State of Illinois to provide the new street lighting on Milwaukee Avenue and the new traffic signals. The entire cost came from the State Motor Fuel Tax Fund and did not cost the people of Niles one single penny in extra taxes.

"Keith Peck has been working for the people of Niles for many years. His most recent interest has been the park system. He was instrumental in passing the referendum for our new pool. Keith is now completing his two-year term as Park Commissioner and will make an excellent addition to our Board of Trustees.

"These are the kind of people you want to represent you. These are the kind of people who are worthy of continuing the progress which has been made. These are the kind of people to govern your All-America City."

Campaign director Orville Otrow said: "With the election only a few days away, it is well for the voter to consider what is fact and what is fiction. The opposition party has run a degrading campaign, if it can be called a campaign. We knew they would resort to mud-slinging and character assassination. We knew it because they have no real issues to talk about. We knew it because we are familiar with the background of their candidate for mayor.

"They started out by talking drivel and nonsense, then graduated to out-and-out lies. Let's dispel of a few falsehoods right now. These are the facts — which is a word the opposition does not know the meaning of. These are facts which can be checked in the public records by anyone who cares to.

"(1) Not one single piece of property in the Village of Niles has been rezoned to multiple development since April, 1961. All the multiples which have been built were so zoned by the previous administration. Not a single parcel of land has been rezoned to multiples since Mayor Blase has been in office. (2) All equipment purchases for the Public Works department were made after open, competitive bidding as required by state law. (3) Our Electrical Inspector is a fully qualified electrician. (4) Our Village Attorney is an able lawyer, and I don't understand why his age has anything to do with his abilities. (5) Our Village Engineer is not an employee of the Village of Niles. He is paid only for each job he performs. In contrast, other towns our size employ 2 or 3 full-time engineers. Our system saves many tax dollars. (6) Our Police Chief is an outstanding police officer. Under his direction our police department was rated in the top 15 among 115 other Cook County suburban communities of all sizes.

"We have chosen to conduct our campaign on a positive level. The past records of our candidates are proof that their pledges and plans for the future of Niles are realistic, worthwhile, and deserve your support.

"Let us unite behind the candidates of the FORWARD ERA PARTY. Let us all join in keeping these experienced people working for us. Let us take the path forward into a brighter future with candidates who are sensitive and sympathetic to the needs of the people. On April 20th, you can proudly vote for the FORWARD ERA PARTY."

Spring Fashions At Jogues Luncheon

The latest spring fashions will be spotlighted on April 24, at 12 noon, when the St. Isaac Jogues Women's Club presents "Tulip Time," a luncheon fashion show at the Brass Rail Restaurant, Sheraton O'Hare, 6810 Mannheim Rd., Des Plaines.

Professional models will show fashions from Arthur Robert of Old Orchard. Table prizes will be lovely tulip plants and many door prizes. A mink boa, a mink trimmed sweater, a magnum of champagne and gift certificates will be raffled. The committee sponsored a poster contest in the upper grades of St. Isaac Jogues; judges were three art teachers. Co-Chairman of the event are Mrs. Carl Cipolla and Mrs. Robert Ramirez of Glenview.

Mrs. Walter Fry, 7232 Lake St., Morton Grove, President of the Club, Mrs. James Shea, Glenview, Mrs. Paul Frantell, 9323 Harlem Ave., Morton Grove, Publicity. Seated: Mrs. Win Buettgen, Glenview, Ticket Chairman.
