leads to more qualified teachers, who are the singularly most important part of the educational process. An excellent teacher in the old red schoolhouse will produce greater results than a poorly-qualified teacher in the most palatial surroundings.

Initially, we mentioned many of us concerned ourselves mostly with the elementary schools during the past ten years. Since high school time passes by quickly, the question of making college available for the many, who will not qualify in the universities, should be our concern now.

It is likely that the junior colleges in Illinois will be entirely under state control in the immediate years. In reality they will be two-year state colleges located in areas close to students' home areas. While Skokie overwhelmingly turned down such a referendum for this type of school, it is needed in the Niles-Morton Grove-Des Plaines area and a committee to study such a proposal is necessary. When the Skokie referendum was turned down, we believe the referendum was for a junior college in Arlington Heights. However, if a proposal for a junior college would be located here, residents might be more prone to support such a proposal.

A group created to study such a plan will someday take this under consideration. Creating a new district would likely take three or four years to activate. This fall's high school freshmen, who finish in the middle third of their class, may find the college doors closed if such a junior college facility is not available.

Niles Woman's Club News

'Tis the time of the year when everything is bright and blooming. There are flower shows, colorful parades, and, in a little while, fireworks. But for our money, the brightest show around is a Woman's Club Luncheon. All year we may dress in conservative style for meetings, and have our little tiffs over proper parliamentary procedure, while working together to improve conditions in our individual communities, or try to raise funds to benefit worthwhile organizations, but come Spring all past difficulties and new problems are banished from our minds for one day. We may dress to please men 364 days a year, but come the Spring Luncheon we blossom out if only to prove that we really are ladies. What brings this all to mind is the Woman's Club of Niles luncheon held at Old Orchard Country Club last Saturday.

Mrs. Wm. Egan, president of the 10th District of the Illinois Federation of Women's Clubs, in a rose suit with the wisp of a white hair perched on her head, and obvious pride in her own Niles club, installed the new officers. Mrs. Wm. Curtin, president of our club, calm and relaxed (this is her second year in office), wearing a hyacinth blue suit, introduced Mrs. Joseph Bernhard, Vice President, Northern Region of the Illinois Federation, Mrs. Bernhard, in powder blue, in a brief address inspired us all to go forth and find new members to help promote the welfare of home and community and to stimulate interest along educational, civic and cultural lines. The real objects of any federated Women's Club.

a 5,000,000 gallon water reservoir with parking facilities on the deck. There is a desperate water situation all over the country, he said and it would be wise to be prepared, if possible.

Mr. R. Ottow and Mr. J. Miller were reappointed to another five year term on the Zoning Board by Mayor Blase.

In other actions the board of trustees split on a vote to change the fence ordinance from 4 ft. to 6 ft. qualifications. Trustee Marchesch, chairman of the license committee stated that there were numerous requests for permission to erect six foot fences by home owners for a variety of reasons, mostly that of privacy. Trustees Bruno, Peck and Berkowsky protested that it was unsightly, would not help the troublesome neighbor situation and the people who did not want to see the lovely property fenced in did not call, therefore there wasn't enough of a public demand. The motion for the six foot fence was defeated and a second motion by Trustee Peck to allow limited six foot fences (around the back of the homes) met with less success, therefore Trustee Peck rescinded his motion. The debate ended with a request for Building Commissioner Martin to write up a report of the requests and complaints that came into his office and have it ready for the board members to check into.

The week of May 23-29 is National Police Week and the Niles Police Station is open to the public daily from 6-9 P.M. and on Saturday from 1-8 P.M. The public is more than invited, it is requested to please come in and be shown around the station—arms, equipment, narcotic set-ups, everything in the station is open and will be available to the visitor. This is the project of the Women's Auxiliary of the Police Department and they are glad to be your hostess and your guide.

Left Hand - Park Bd. To Hire Relatives Again

From The Left Hand

by David Besser
Editor & Publisher

1st O' The Month Meanderings..

THE BUGLE has always been harshest with public officials which it endorsed.

Six years ago when Sam Bruno sought his first term on the village board he came over to our house in pursuit of an endorsement. We were somewhat startled at this act but elicited from Bruno that he would always stand on his own two feet, and serve the people independently. As most of you know Bruno immediately aligned himself with the Stankowicz forces and never once opposed them. When Blase gained office he switched ballclubs and now goes down the pike with Blase.

In the same vein Blase made pre-election promises which he forgot about when he gained office and we jumped on our white charger and roared into battle against the intrepid Mayor.

Now, new park commissioner Jerry Sullivan has been in office about one month, and his promise of remaining independent already looks pretty shabby.

When it came time to elect a new president for the coming year Steve Chameriski gathered Lou Schretner and Sullivan, in pursuit of being elected. Sullivan, the independent, who immediately began playing "politics" joined this faction. Rather than stand alone, as he told us he would, he already is starting off on the wrong foot.

Last week the "New" park board decided to go back to their old ways by rescinding a previous motion. They had voted no relatives could serve in the district if one park commissioner objected to it. With independents Leske and Peck on the Board the "no relative" clause was expected to be policy. Now, with Peck moving up to the village board, a Leske or Egan vote would rescind the "no relative" policy. So the new triumvirate, Chameriski, Schretner and Sullivan joined hands again and voted to rescind the former order. Both Chameriski and Schretner have had relatives serving for pay in park activities.

When Jules Pandera served as recreation director he had commented many times that such a policy creates a difficult position for the recreation director. Likewise, when Marv Weiss worked in Morton Grove, he too had a problem with relatives of park commissioners.

It is an unnecessary problem, but unfortunately, the men who are elected to serve the entire park district of about 30,000 people, indicate they are more concerned with serving their own families. It is obvious the "no relatives" policy creates fewer problems, and leaves the commissioners free from being criticized for hiring preferred personnel. Likewise, the usurping the authority of the recreation director handicaps the entire district.

Interestingly, the return to the "relatives first" policy was by a 3 to 2 vote. Sullivan joined with the new bloc on the park board to throw the decisive

Evaluation By North Central Ass'n.

Mixed praise and criticism turned up this week in preliminary comment as to the operation of Maine township high school's three buildings and academic program.

A few of the fifty-man evaluation team sent by North Central Association to inspect the schools in the pilot operation for the state of Illinois offered clues as to the reports they will turn in to North Central officials. The reports of all visitors will be compiled and forwarded to the District 207 board of education.

Superintendent Earl W. Wilsie said that he hopes to receive the entire visitation report before school ends June 11.

Brother Leonard Courtney of St. Mary's college, Winona, Minn., is a reading specialist who served as the critic of the reading program for all three high schools. He declared that the philosophy of the reading program, as set out by Dr. Wilsie, is most commendable and that the program is being executed to a "very commendable extent."

"The program is being carried out in a way that is less than ideal but there is a strong consciousness and appreciation of reading as fundamental to the intellectual and academic development of the child," Brother Courtney said.

"Three areas of concern must be evident in a good reading program and I have found them emphasized in the Maine program under the co-ordinating efforts of Mr. (George J.) Walker," Brother Courtney observed. Walker, an English teacher at Maine West, sponsors the yearbook there and directs the combined reading program of the three high schools.

The reading critic named the three fundamentals of the program as provision for reading improvement of all students through a specialized program; the awareness among English teachers of need to teach reading not only as an art in literature courses but as a skill

North Shore Summer Project Aims To Open Housing To All

"By voting not to take a stand on discrimination in selling houses, the realtors have shown that they will continue to practice discrimination; therefore, the North Shore Summer Project must work even harder," said Mr. Lawrence Martin, the chairman of the NSSP of Niles Township.

Mr. Martin pointed out that the work of the NSSP is a peaceful plan to establish non-

discriminatory housing by interviewing home owners and determining exactly where the discriminatory practices exist. College students, who will conduct the interviews with home sellers, are now being recruited.

Mr. Martin went on to say, "If the realtors were sincere in their belief that they do not set restrictions on houses, but only carry out the seller's wishes, then they would issue a statement saying that they will show their multiple listings without any regard to race, religion or national origin, thus clearing themselves of any guilt in the matter."

Dr. Paul Mundy, chairman of Loyola University's Sociology Department and an adviser to the Human Relations Commis-

ion, cited a recent survey of 85 homes listed as "out of bounds to Jews." But when the homeowners were asked if they had given their realtors such instructions, 48 of the 85 said they had not, thus implying that the realtors had used discriminatory practices to fix neighborhoods, as they deemed desirable.

Nifty Service Station Gutted By Fire

The Marathon Nifty Service Station, Harlem and Dempster, was destroyed by fire Monday night. It was lit by sparks from an extension wire ignited gasoline which was on the floor of

the station. The owner attempted to extinguish the blaze, before firemen arrived. The impending explosion burst the windows outward and the station was gutted by the ensuing fire. (Photo by L. Meyers)

Niles Citizens Committee To 'Watchdog' Taxing Bodies

The Niles Citizens Committee enters its sixth year of service to the community with vigor and enthusiasm. At its regular meeting, held on May 26th in the Niles Council Chambers, the committee embarked upon a program which should earn for it the respect and gratitude of every homeowner resident in the village. The representative membership unanimously voted to adopt a proposal advanced during the regular order of business which read as follows:

more efficient services. This program must be conducted on a high level of integrity, and in this vein, no municipal body should object to this committee's pursuit of their budgets.

Taxpayers' Federation of Illinois with offices at 411 1/2 South Fifth Street, Springfield, the only civic organization in the State of Illinois which does extensive studies of local governments, has endorsed this local action group through the assistance and full cooperation of its offices.

Proposal: That the Niles Citizens Committee undertake the responsibility of serving the Niles Community as a Public Expenditures Council, said council to adopt a policy of non-partisanship. Concentration on tax-cutting is not the solution to the modern community's problems. The inescapable fact is that the demands of our growing population points to higher local taxes. Waste and unnecessary programs are the big enemies. While the major impetus of such a council is to save money, in many cases it can push for more spending to get better or

The Council will begin immediately to study and compare figures in the last five annual publications entitled "The Statewide Summary of Municipal Finance in Illinois" forwarded to the Niles Citizens Committee from the office of Michael J. Howlett, Auditor of Public Accounts.

Election of officers was held and the following members were installed to serve for a term of one year: Ben Sosnowski, chairman; Stan W. Lowe, vice-chairman and Edna Walser, secretary-treasurer.

Notre Dame High School Graduation June 4

Notre Dame High School for Boys will graduate 48 Niles seniors on June 4 at 8:00 p.m. in the school.

Culminating 4 years of work at N.D., the graduating seniors previously took part in a Communion Breakfast held in the school cafeteria on May 29.

Included in this large group are some of the leaders of the 'Spirit of '65' many of whom had outstanding records as either officers of clubs or varsity athletes.

James Conscent took part in the school play as did Robert Keefe who held the male lead in this year's musical production, "Oklahoma".

Joe DeBartolo was an officer in the chorus, and sang the song dedicated to "Niles the All-American City" at the recent celebration.

Jim O'Connor, who was co-editor of MARIDON, the school yearbook, and a member of Quill and Scroll.

Lettering in football for 2 years, Mitch Kulikowski was a member of the cap letterman's club was Gerry Sheehan who also lettered for 2 years.

Mike Kostecki was a player on the varsity baseball team, while Pete Turk earned his letter for Cross Country.

Greg Simone, in addition to being a varsity track letterman for 2 years and one of the teams outstanding hurdlers, was Vice-President of the Notre Dame Student Council, Chairman of the Prom Committee, and voted hardest working senior by the class of '65.

Ed Booth was a valuable member of the swimming team, earning his letter for two years of varsity competition.

Graduating Seniors are listed in alphabetical order:

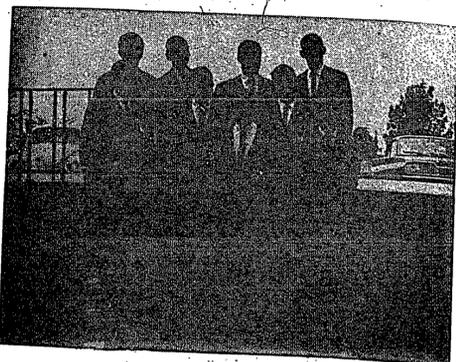

George Aufmuth, Jerome Beer, Gerald Bialka, Jerry Bilinski, Larry Bowrowski, Edwin Booth, Robert Bostrom, James Conscent, Steve Cweinkala, Joe DeBartolo, Robert Deegan, Frank DiMaria, James Doyle, Glenn Flowers, Robert Frankenberg, Frank Gembala, Roger Gertz, Ken Hansen, Robert Keefe, Michael Kostecki, Mitch Kulikowski, LeRoy Meyers, Fred Michalik,

It's not a present they're looking at—it's a wrapped package of the new baby formula being used at Lutheran General Hospital. Left to right are Alan Baskin, president of the firm preparing the formula; Mrs. Clara Doud, 8341 Olcott, Niles, head nurse in the nursery; Mrs. Frances McConaughy, 8937 Nenah, Morton Grove; and Miss Carol Hahn, Des Plaines, infant nurse.

LGH Babies Receive New Service

The baby formula room has been closed at Lutheran General Hospital, Park Ridge. This doesn't mean, however, that babies will be going hungry.

Lutheran General has begun receiving its baby formula from a commercial formula service. Formula will be delivered each day to the hospital. Before this, Lutheran General, like other hospitals, had its own formula department where all diets for new-born infants were prepared.

"This new service provides us with a much wider range of formulas while at the same time providing even higher

quality controls than we had before," said Robert J. Nast, administrator.

Nast pointed out that the service could provide any and all formulas specified by doctors.

"By adopting this service we will also be able to achieve some economies in operation. In addition, this will enable us to use the formula preparation area in the hospitals for other uses," Nast pointed out.

The service normally delivers formula each morning. However, it maintains a 24-hour, seven day a week emergency delivery service.

Formulas are prepared in the Chicago plant operated by the service under rigid health controls.

If the parents wish, they can make arrangements to continue this service after the baby leaves the hospital.

"At Lutheran General we are constantly striving to improve services and care to our patients while at the same time holding the line on costs as much as we can. I feel that the adoption of this baby formula service is a valuable addition to our program," Nast said.

'Open Housing Debate Hi-lites May 27 HR Meeting

House Bill #257 new before the Assembly in Springfield, doubtful of passage, was the subject of a fervent discussion at the May 27th meeting of the Human Relations Council at St. John Brebeuf. The speakers left vivid impressions and were no fence straddlers; the result was black and white with no sign of the slightest "tell-tale" gray. Mr. Bill Robinson of the Church Federation of Greater Chicago and a social worker, gave the strongest presentation of the passage of the open occupancy bill and Mr. Henry Schneider, President of the Chicago Real Estate Board and a lawyer, took the opposing side with equal strength and determination.

In essence the bill states: "the denial of equal housing opportunity because of race, creed, color, national origin or ancestry is a matter of concern of the State of Illinois. The denial of equal housing accommodations and opportunities because of discrimination has compelled many citizens to live in segregated communities and in dwellings which are substandard, unhealthy and overcrowded". Such situations will bring about increased crime, vice, juvenile delinquency, disease, etc.

Mr. Ron Pinkowski, the President of the Council asked the audience to receive the program with an open mind and to re-evaluate one's opinions and thoughts at the start of the program; whether any opinions changed at the conclusion of the program or not, the 100 or more people in attendance

were given a clearer insight into the problems involved and found it rewarding.

"Segregated housing is our American Society is dehumanizing and strikes at the heart of human dignity," said Mr. Robinson. Characteristic of the urban community is social mobility—moving up the ladder socially.

Creeping ghetto-ization is the direct out come of the virulent disease of today—the dual-housing market. One neighborhood for blacks and one neighborhood for whites with sliding rule prices. However this is not a bill only for colored people, this would preclude any discrimination because of race, creed, color and national origin. Because of the difficult times we are living through with Civil Rights' it is presumed that the open occupancy bill, #257, deals only with the color problem.

Mr. Schneider said, "legislation is force—our constitution protects our property—coercion or forced housing will not solve anything." Time and understanding will eventually take care of the situation in the right manner and the freedom of choice to contract for, or hold property is an inherent right which can not be destroyed. "We, the realtors are the voices of our customers, we do as they request, we do not tell them what to do or where to live or whom to sell to. If we did not follow their requests our business would be gone." Mrs. Schneider agreed that morally his

solution was the old hackneyed phrases the real estate board has been projecting throughout the years. Frankly it was a disappointment that the Real Estate Board hasn't been able to prove their point beyond the inadequacies of the commonplace objection—"the rights of the property owners will suffer". Nothing more valid has come out of the mouths of their spokesmen in the last 100 years.

"It is expensive and degraded of the individual to maintain enforced ghettos; in the greatest country of the world, we lose our battle for the minds of man, if we do not practice what we preach," said Mr. Robinson.

"Bills seeking quality of acceptance will not achieve the lasting solution that naturally processes will achieve in time," said Mr. Schneider.

District 63 Board June 9 Meeting Cancelled

The Board of Education of East Maine School District No. 63 has officially cancelled the regular meeting scheduled for June 9. This action was taken by the Board because the date coincides with commencement for East Maine Junior High School children.

Graduation Whirl In District 67

Eighth graders winding up their District 67 elementary school careers will be in a graduation whirl for the next fortnight.

Red and white class ribbons are fluttering from well over a hundred students at Golf Junior High School in Morton Grove.

On their schedule: Class picnic, Wednesday, June 9; then the graduation dance, Friday; commencement, Monday; no classes Tuesday (for eighth-graders only, of course), and their return to pick up their last Golf Junior High report cards on Wednesday, June 16.

The faculty graduation committee announced the schedule.

Graduates bus to Cedar Lake Park in Lake Villa for the traditional class picnic, with swimming if the weatherman cooperates.

The dance will be 7:30 to 10 p.m. at the Junior High with the emphasis on this explanation: "This is NOT a prom." Dates aren't advisable or necessary. No outsiders are to be invited.

Commencement is Monday, June 14, at 8 p.m. with graduation robes the order of the evening. Each graduate receives five tickets for this big school year windup at Golf Junior High gym.

NIG Election Proposes 2 New Directors

Northern Illinois Gas Company in a proxy statement mailed to its more than 102,000 stockholders proposed the election of two officers as directors.

William J. Crowley, executive vice president-finance, and C. J. Gauthier, executive vice president-operations, are the new board nominees. With the reelection of the present directors, the size of the NIG-Gas board membership would increase from nine to eleven.

President Marvin Chandler said in the proxy statement that the board recommends the election of these two senior officers in order to make their counsel regularly available in the deliberations of the board.

Crowley has been employed by the company and its predecessors for more than 39 years, while Gauthier has nearly 20 years of service. Both were made executive vice presidents on January 1.

The election will take place at the utility's annual meeting of stockholders on June 8. The meeting will be held at the company's general office located on the East-West Tollway at Route 59.

Niles Chamber of Commerce

By Al Green
President-Niles Chamber

The hustle and excitement of the All-America Award has toned down but work is in progress through the All-America Commission recently appointed by Mayor Blase. It will be the function of this Commission to perpetuate the All-America theme for the next eleven months. Yours truly, being a member of this group, will see that the Chamber keeps on top of all this activity.

Just returned from a State Pharmaceutical Convention in Peoria, and in comparing Niles—which has a much smaller population—have noted that we seem to be very much more advanced in development of industry, shopping centers and business than a city like Peoria which is much older than we are.

Have received a very nice letter from Earle Rappaport, President of the Jaycees, thanking the Chamber for its support during the Jaycees first year of being in existence. The Chamber will continue to cooperate with all organizations for it certainly is of mutual benefit to the Village and the organizations involved.

We are in full swing preparing for our annual 4th of July celebration under the capable leadership of our Vice President, Henry Ford, and assisted by our Treasurer, Lillian Sabac. This 4th of July should be an outstanding celebration as this year, it is 4th of July, All-America style.

The Milwaukee Avenue Development Committee has not had a meeting at this time because of all the activity on the All-America City Award. We hope to be able to call a full scale meeting in the near future.

I would like to impress upon everyone that we are an All-America City for the next eleven months, so let's keep up the civic pride—keep talking about it to your friends and neighbors, and display signs in your businesses and on your cars.

Our next regular meeting, Wednesday, July 9, at 12 noon will be held at the Golf Mill Bowling Lanes Restaurant, Jim Kaleros, the new owner of Golf Mill Bowling Lanes, and likewise a new member of the Chamber, will feature a traditional Greek luncheon.

The program to be presented by Vince Johnson, our Program Chairman and Vice President, will be entitled "Of Lights and Lasers." The program will be given by the Illinois Bell Telephone Company through the cooperation of our genial member Jim Brandon of Middle States Telephone Company. How is that for working together—competitors but friends.

Maine East Music Dept. Lists Senior Awards Winners

The Maine East Music Dept. held its Senior Awards night Tuesday, May 18, 1965. A delicious dinner was served in the cafeteria for the honored seniors, their parents, music faculty, dance band members, Music Boosters, and Tri M officers.

The program got under way with the presentation of the Tri M officers for 1965-1966. They are as follows: Judy Kappy, president; Robert Zerknick, vice-president; Terry Bryant, secretary; Carol Burgener, treasurer; Marianne Follingstand, historian; Ray Carle, Chaplin; David Marrone, Sgt.-at-arms and Trudy Makela, publicity.

One of the highlights of this occasion was the Modern Music Masters Initiation ceremony. The present Tri-M officers Judy Kappy, president, Pat Smiesko, vice-president, Terry Bryant, secretary, Kathy Hanson, historian, Douglas Koch, chaplain and David Marrone Sgt.-at-arms gave the impressive initiation ritual to the students who had qualified for Tri M membership. They are: Barbara Babcock, 7544 Emmerson St., Morton Grove; James Bartle, 2339 Oak Tree Lane, Park Ridge; Donna Christ, 8729 Merrill St., Niles; Curtis Clapper, 1502 Marcus Ct. E., Park Ridge; Joanne Gambardella, 405 Elm St., Glenview; Beryl Gersh, 9408 N. Hamlin, Des Plaines; Norman Jacob, 7509 Palma Lane, Morton Grove; Gail Katz, 9346 Ozanam, Morton Grove; Janet MacArthur, 7910 Davis Ct., Morton Grove; Marshall Pederson, 1952 De Cook Ave., Park Ridge; Rick Polad, 1032 N. Cumberland, Park Ridge; Dave Pancher, 9248 Cedar Lane, Des Plaines; Jeff Sonin, 9328 Parkside Lane, Des Plaines; Jeanine Strunk, 1480 Marx St., Park Ridge; Scott Sullivan, 9359 Osceola, Morton Grove; and Alan Woodhull, 1425 Good Ave., Park Ridge.

50-50 Sidewalk Program

The 50-50 Sidewalk Program will again be one of the Niles spring projects. If the public sidewalk in front of your home is in need of repair, the Village of Niles will share the cost on a 50-50 basis. Only a limited number of sidewalks can be repaired each year on a first come first serve basis, and the deadline for requesting sidewalk repair work is August 1, 1965.

For this program, residents have to call 647-8565, and Public Works will be out to measure the broken sidewalk. After the cost is calculated you will receive a notice specifying your share of the repair work, which you have to sign and return with your remittance to the Public works within 30 days or the notice becomes null and void.

We are asking all residents who had called the Public Works previous to April 1, 1965 to call again to be sure their name is on the list for this year's sidewalk program.

KCs To Sponsor Candlelight June 5

North American Martyrs Council #4338 Knights of Columbus of Niles, will sponsor a "Candlelight Bowl" on Saturday, June 5, at the Classic Lanes at Caldwell and Waukegan, Niles.

The "Candlelight Bowl" is a Scotch Mixed Doubles affair, in which the man bowls with someone's wife or girlfriend other than his own.

The bowling starts at 9 p.m., followed by dinner and dancing. Chairman Roy Ebert cordially invites all Knights and their friends to have a good time.

Tickets at \$8 per couple can be obtained from Roy Ebert, 967-8894; Tom Faldin, 967-7879; Irv Blaszyński, 967-8232.

June Hart, One Of Niles All Americans

It has been reiterated throughout speeches made during official ceremonies conducted in past weeks that receipt of the All America City award is due to civic activities of its residents. From time to time through the coming year various groups and individuals will be singled out for special tribute.

Perhaps one of the most fortunate occurrences in the Niles community was the decision that made June Hart a resident in a lovely home at 8850 N. Merrill. Many leading citizens concur in the opinion that Liverpool, England's loss is very definitely a gain for our Village. With June's genuine love of people, it was not long before she expanded her interests beyond the confines of her immediate neighborhood and had earned the confidence, respect and sincere affection of all with whom she came in contact.

June Hart offered her writing talents to various groups with whom she became associated. She has been a columnist, to chronicle the items of interest about Niles people for newspapers serving the community. Her work with teens has inspired her to write articles paying tribute to individual youngsters for their commendable achievements in scholastic and extra-curricular endeavors.

Everyone who has had the privilege of meeting and talking with June is immediately aware of her warm and sympathetic nature, sparkling good humor and is enthralled with her charming British accent.

As an alien resident, June Hart has contributed in many ways to the Niles community more than many citizen residents. She is grateful for the generous reception given to her by the people of Niles and has said on many occasions that before coming to America, she had a preconceived unflattering idea of cities in this country, but that her associations in the Village of Niles have completely dispelled them to the point that she could well serve as an ambassador to her native

Hear Data On Teachers, Growth Plan

At its regular meeting Monday, May 17, the Township High School District No. 207 board of education accepted 13 resignations, confirmed the appointment of 16 teachers for next year, voted to relieve teachers of bus duty, accepted low bids on milk products and fuel oil for the 1965-1966 school year, heard reports relating to Special Education and the Professional Growth Program, and salaries of administrators, secretaries, clerks, custodians, and cafeteria workers for the 1965-1966 school year.

WILLIAM F. KOPP, chairman of the Professional Growth committee, presented the committee's annual report to the board and related the problems which the committee encountered in implementing the program. Kopp's report indicated that more than 1,800 professional growth units had been earned by teachers during the 1964-1965 school year. Approximately 1,600 of these were earned thru graduate credit. Others were awarded for travel, work experience, leadership, and publications. Superintendent, Dr. Earle W. Wittse complimented Kopp and the committee for the manner in which the group has assumed its responsibilities during the past year. The board of education unanimously thanked the committee for its progress.

Woman's Club Greets New Officers

The season's last meeting of the Morton Grove Woman's Club was held on Thursday, May 13 at the Glenview Country House, 1560 Waukegan Road.

The outgoing president, Mrs. Bernard Hoss, 6219 Lincoln Ave., turned over her gavel to Mrs. Richard Davis, 6847 Lyons, who has served as First Vice President and Public Welfare Chairman.

Mrs. John Campton, 8924 Major, will take over as First Vice President. Mrs. Campton has served as Recording Secretary and Fine Arts Chairman.

The other new officers installed by Mrs. James Orphan are Mrs. John Lyman, 5717 Cleveland, Treasurer, Mrs. Robert Schroeder, 9130 Morton, Public Welfare Chairman, Mrs. Raymond Steinbeck, 7829 Linden, Fine Arts Chairman, and Mrs. Edward Willander, 9039 Parkside, Civics Chairman.

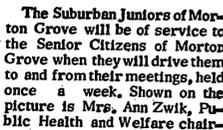

The club was entertained by Leona Peck, who presented "The Shape's The Thing", a comedy satire on women's fashions.

NSJC Sponsors Nursery School

The Nursery School will serve children from three to five years of age and will be run on a half-day schedule. The program consists of a variety of activities including arts and crafts, field trips, indoor swimming and games. The staff will consist of experienced professional teachers and the facilities are of the finest, including a private enclosed outdoor playground. Transportation will be available at an added fee.

Welcome

Janet Lyn Osterberger, new daughter of Mr. and Mrs. David P. Osterberger, 7113 Palma Lane, Morton Grove, made her debut on April 25. She weighed 7 lb. 9 oz.

The Suburban Juniors of Morton Grove will be of service to the Senior Citizens of Morton Grove when they will drive them to and from their meetings, held once a week. Shown on the picture is Mrs. Ann Zwik, Public Health and Welfare chairman, and two Senior Citizens: Mrs. A. Stamm and Mrs. P. Mathews. Also on the committee for driving are Mrs. O. A. Maki, Mrs. Richard Polito, Mrs. Ed Osmolak, Mrs. Robert McGown, Mrs. John Schroeder, and Mrs. Harry Simon.

Maine Seniors Prepare For Busy Schedule

Final examination dates and the program of academic and social events that will close the school year were announced yesterday for Maine East High school by Milo S. Johnston, Principal.

Senior examinations will be held Wednesday and Thursday June 2 and 3. Examinations for the other three classes will be held Tuesday and Wednesday, June 8 and 9.

Richard VanScovoc, director of guidance, and counselors Margaret Wolf and Walter Lusky drew up a closing bulletin for seniors that lists events for them from May 17 to graduation.

On Friday, June 4, after examinations are over, the seniors will report to the auditorium for marching practice for the baccalaureate sermon, the honors assembly, and commencement.

On Sunday, June 6, seniors will report to the auditorium at 7 p.m., preparatory to the baccalaureate sermon in the fieldhouse at 8 o'clock.

Seniors will go to class for the last time on June 7. At 3:10 that day, seniors will return to their homerooms to clear their lockers. The same day, commencement tickets will be distributed in the classrooms. As with baccalaureate tickets, seniors may have a maximum of four but are expected to take fewer if four are not needed so that exceptional cases may be properly cared for.

St. John Women Plan Dinner-Dance

The St. John Greek Orthodox Women's Club of Des Plaines announces its annual benefit dinner-dance to be held Saturday, June 5, 1965 at the St. John Greek Orthodox Church Social Center at 2350 Dempsters St., Des Plaines, Illinois.

Proceeds from the dinner-dance will go toward the building fund of the St. John Greek Orthodox Church which is now in its second phase.

For reservations, please contact Mrs. Philip Pekras of Mount Prospect HE 7-1583 or Mrs. Constantine Stamis of Mt. Prospect CL 5-7280.

M.G. Coin Club Inaugural Show June 5 & 6

The Inaugural Show of the Morton Grove Coin Club will be a 1 1/2 day event, held on June 5 and 6, 1965, at the Admiral Ogden Hotel, 9353 Waukegan Road, Morton Grove, Illinois. An educational program will be held from 5 to 10 P.M., Saturday, June 5, consisting of slides, speakers and films.

The Bourse area will be open both days with dealers to serve the numismatist as well as the beginning coin collector. Dealers will show coins of the world as well as those of the United States.

In Summer Teacher Program

Two District 67 teachers have been selected as participants in the NDEA Summer Institute in Applied Linguistics at Chicago Teachers College North.

Mrs. Arlene Deardorf and Mary Lu Miller will attend the course from June 28 to July 16, receiving a weekly stipend under the National Defense Education Act of 1958 through the U.S. Department of Health, Education and Welfare.

The announcement came from Dr. Joseph C. Beaver, institute director. He is chairman of the department of American English and Linguistics, CTCN.

The institute is one of about 100 such NDEA programs nationally this summer. Of 830 applications, 200 teachers were selected, among them Mrs. Deardorf and Miss Miller, who teach in the nongraded primary at Golf Elementary School in Morton Grove.

Edgar H. Florence of Glenview, their school principal, expressed considerable pleasure over their selection for the study of newer grammars, both structural and transformational, and to learn about current applications of these.

Golf Elementary School will be undertaking more experimental linguistics work this fall, he said. The study will add to the qualifications of the two teachers as resource people for the program.

Mrs. Mary Jane Ziagos, teacher at Golf Junior High, participated in a similar institute last summer.

Suburban Juniors Tour Croyden China

Twenty seven members and friends of the Suburban Juniors of Morton Grove enjoyed a tour of Croyden China in Lincolnwood. Mrs. Staley, of Croyden, conducted the tour, and told some very interesting facts about what to look for when buying China or Dinnerware. Mrs. C. Bennett Altman, 7645 Beckwith Rd., American Home and Family Chairman arranged the tour. The fact that the group numbered more than twenty-five made the Suburban Juniors eligible to receive a complete service for eight set of Dinnerware. The Dinnerware will be raffled at the Ways and Means Dance to be held in June. Mrs. Hans Swanson, 7609 Beckwith Rd., is Chairman of the Dance.

The Suburban Juniors '64-'65 Bowling season has come to an end, and the proud holder of the traveling trophy, is Mrs. Robert McCown, 9138 Beldefort in Morton Grove.

For information on where the unit meetings will be held please call Mrs. Edward Andersen at YO 5-1593.

Thursday, June 6, the doors will open at 10 A.M. and will feature exhibits, bourse, door prizes, auction, and medal awards for exhibits in ten classifications. The auction will start at 2 P.M. Souvenirs will be given away FREE. Foods and refreshments will be available on the premises. Registration for the drawing on gold coins and scarcer numismatic items will take place about 5:30 P.M. For bourse or other information please write: Morton Grove Coin Club, P.O. Box 43, Morton Grove, Illinois 60053.

Dave Reicherts Receives Sports Award

Nilehi West's Senior Dave Reicherts last Tuesday received the Irving B. Hoffenberg Sports award at the school's spring sports banquet.

The award consists of a \$50 Savings Bond and a trophy, which is a replica of a larger one which remains in the school with names of recipients attached.

Dave, who is the first to receive the award, last fall was named all-conference football end in the Des Plaines Valley League. Dave, in addition to being active in student service clubs was captain of Nilehi West's track team.

Irving B. Hoffenberg, in whose memory the award is given, was active in both the Nile West and Nile West Booster clubs. He was instrumental in sponsoring the beginnings of Nile West's Sports organization and was a president of the club.

The award will go annually to a Nile West senior boy, nominated by the coaches in the school.

Criteria used in selecting the winner include high moral standards, strong competitive desires, leadership, sportsmanship, exemplary school behavior, and good effort in the classroom.

Athletic superiority is not essential, reported Nilehi West Assistant Principal Dr. George Gillyly.

LETTERS TO THE EDITOR

Edna 'Sounds Off'

Some twelve years ago my family elected to move into the Niles community. I was chagrined at the jibes and comments of former Chicago neighbors and friends in surrounding suburban areas. I had chosen to live in a community of questionable reputation, that other areas considered at their back door and that had very little to offer in culture or services. I determined then and there to make them eat their words and become one of Niles' most active volunteers. Where there was promise of growth or improvement I became part of the group of organization or initiation of a new service. I begin this missive in this way to show that past dedication to my town qualifies me to express myself in matters pertinent to activities within the village.

Disturbing tendencies dating from last November have caused many sleepless nights and almost daily heart palpitations and have to do with the political takeover of the entry of Niles in a national contest. We should be and most of us are grateful to the one man of the Junior Chamber of Commerce who dedicated most of his free hours of the summer of 1964 to the preparation of the entry. Except for a few exceptions, Walter Zinn's efforts to obtain detailed histories and progress reports from various local organizations met with no great enthusiasm. Those who shared his excitement over the project were able to inspire him to compile an entry which placed Niles among the finalists. From this time on local politics intercepted and ran with the ball. When the limelight of national recognition was turned on, there was somehow no room in its glow for the man solely responsible for the original entry.

Another phenomenon began to manifest itself in the appearance of names and faces never before present on the civic scene. (Responsible for this distressing turn of events was the poor judgement which placed a man in charge of proceedings, a non-resident unfamiliar with the history of Niles and its impressive growth. He came on the scene as a volunteer but has remained to petition reimbursement for his uninspired services. As a taxpayer and active citizen, I protest the allocation in the current fiscal budget which will permit such a salary disbursement. Volunteers brought Niles to recognition and there is no reason to believe that in this our shining hours this method cannot continue to be employed.

My concerns were made known to our village president some weeks ago. You know, of course, his office door is always open to his constituents and you are generally made to feel that your ideas will be taken under advisement. He says all the things he knows you want to hear then proceeds to do exactly what he wants to do. The gentleman referred to previously has accomplished a very definite result. He has succeeded in making of our village president a sort of god-image, and unfortunately he is beginning to believe his own press. Instead of functioning as presiding officer of a board of trustees, he conducts himself like a big business tycoon, making decisions, expecting and usually receiving approval of his board even though they have reservations about such actions.

About 3 1/2 years ago I expressed public concern over the involvement of our "Independent" candidate in national party politics. The reason advanced by our candidate was that such affiliation would greatly benefit the Niles community. He was able to obtain fine lighting on Milwaukee Avenue through Niles but this same affiliation did not serve to bring relief to a real disaster area. The president of the Cook County Board could apparently do nothing about the vote that would forestall the construction of multiple school already over-burdened in the district #63. The tentacles of Chicago's political machine are reaching out insidiously to engulf Niles. As an independent voter I deplore and protest the infiltration of domination of our village administration by any national political organization.

I supported the incumbent slate of candidates because I feel they are imbued with native intelligence and politically astute enough to understand that when their constituency places them in a position of responsibility, personal ambitions must be subjugated to actions which are in the best of interest of the community. I request that the board of trustees insist that before the president of the board takes action in any matter of policy or financial expenditure, all members be consulted.

Every month throughout the club year, members of the Woman's Club of Niles stand and recite a collect for club women. One sentence says "Teach us to put into action our better impulses, straightforward and unafraid." I try desperately to live by this precept, being an imperfect human, not always succeeding, but keeping the goal always before me. The concluding words of a recent presentation were the following inspirational thoughts of Lincoln: "A man should be proud of the community in which he lives, and that he should so live that his community will be proud that he lives in it." Wouldn't it be just great if all those who undertake community leadership had such dedication?

Sincerely,
Edna Walger

LGH Employees Pledge \$20,000 For Expansion

Employees at Lutheran General Hospital, Park Ridge, are joining in to help expand the hospital. So far, employees have pledged more than \$20,000 with additional gifts still coming in.

"These dozens of gifts, all given on a strictly voluntary level, are especially significant since these people are already making a contribution to the health of the community by working here," said Robert J. Nast, administrator. "The fact that our employees are helping in the expansion is significant to the entire community."

With the addition of the employees' gifts, the total raised has now hit the \$880,000 mark or over 70 per cent of the \$1,228,000 goal.

A plaque will be placed in the new employee cafeteria honoring the employees who contribute one per cent of their paychecks over a three-year period," Nast stated.

Lutheran General is currently

in the midst of a \$5,500,000 expansion program. The expansion will add 203 additional beds to the present 324 beds for a total of 527.

The expansion is adding three floors to the present seven-story building and is adding a five-story addition to the west of the hospital. When completed, Lutheran general will be larger than 98 per cent of all the hospitals in North America.

Included in the expansion will be 46 additional psychiatric beds, 116 more medical-surgical beds and 41 chronic care or long-term beds. Also included in the expansion is a new emergency department, a large outpatient clinic and expanded hospital service areas for dietary, laboratories, x-ray, physical therapy, medical records, Service League and other departments.

Work began in August of 1964. Completion of the total project is scheduled for early in 1966.

Another Morn South Majors 'nother Yawn.. Open Play

This past week the artillery of human concern was concentrated on the Communist Party. The House Un-American Committee held hearings in downtown Chicago and the Greater Chicago School of Anti-Communism was held in uptown Chicago, at the Edgewater Beach Hotel. The dining rooms at the hotel were only a step from the classrooms, so my point of focus was the Edgewater, they have lovely dining rooms.

How does one teach Anti-Communism? You are either for, against, or neutral. I am well indoctrinated in the American way of life; uncompromisingly certain no one in his right mind would care to change our system, merely improve some of its subsidiaries. How well it has been proven time and again that complicity is no proof against insidious propaganda. Maybe I should be more alert and value my security with greater efforts? I went to the first sessions on Monday morning, expecting to be harangued, postured at, and forcefully given a dose of violent hate. When I came home, I quickly looked under my bed, but there were no communists there, only the usual collection of curlicues of dust--I hadn't cleaned all week end.

Dr. Fred Schwarz, the director of the Christian Anti-Communism Crusade and Herbert Philbrick, the moderator of the school sessions were demagogues, no scaremongers, no bogey men. And all the speakers following continued in the same pattern. Logical, constructive and reasonable the talks were simply given with an informal and friendly manner and utterly convincing of the speakers' dedication and integrity and devotion.

Schwarz is a brilliant speaker, evidence of a quick and superior mentality, but his charm eludes me, if there is any. He has a habit of posturing with hand on hip and a twitching of his neck to accentuate his point in question. His premise is that "Communism exists, is evil and proposes to conquer the world and the dimensions are alarming and specific knowledge on the workings of the communist mind must be common knowledge to each and every one of us". He has set out as a savior of the American people and incidentally makes an excellent living at it.

Philbrick has personal charm, is just as dedicated to the cause and even when off the rostrum, gives mute testimony that all this is expressly meant for the good of humanity.

There is a varied group of speakers attached to the Crusade--housewives, theologians, lay people, professors, and another medical man as was Dr. Schwarz before he took up the task of devotion to the destruction of the communist image. Well-informed, well educated, well-groomed and well-paid. The guest speakers are only paid for their fare and hotel room, but any session such as the one held in Chicago costs \$20,000. This is not a vicious, hate-spreading organization; there are no deviations from their intensity in making the public aware of the Communist Danger awaiting us.

Coming home enthused, but not totally won over to the need of taking up arms against the infiltrating communists: "every area, every phase, every social-conscious and most sensitive husband sequel-chmed me with his opinion. "If they were really working for the good of the common man, that money they are shipping to Japan, India, etc., to fight the take-over of communism,

South Majors opened the Little League season with the defending champs from last year, the Cubs, downing the Giants by a 7-0, whitewash behind the fifty whitewash pitching tossed by Kevin Kachan of the Cubs; the Cardinals who were last year's cellar defenders, came back strong, taking 2 wins, they are tied with the Dodgers and Cubs with 2 wins apiece in a 3-way fight; Greg Jakubik of the Cardinals, a real power ball specialist who was picked up in the draft, is one of the reasons the Cards are contenders for the crown, Greg is off to a fast start this season with his stick.

The Pony League got off to a sloppy wet start with the weatherman using his talent to smear the scheduled games; however, Larry Saret tossed a 2-hitter by allowing 2 taps in the first inning and none thereafter as the Indians nailed the Braves by a 14-2 score; Hans Woolf of the Dodgers knocked in the winning run in the 7th inning as his team took the Yankees with an 8-7 win. Results standings are:

Table with 4 columns: Team, W, L, T. Indians 1 0 0, Dodgers 1 0 0, Braves 0 1 1, Yankees 0 1 1, Cubs 0 0 0

Decrease In Illinois Bell Rates

For Illinois Bell customers in Skokie, Niles, Morton Grove, and Lincolnwood, there presently are 945 different station rates to all points within the state. There'll be 138 adjustments in station-to-station costs, of which 96 or nearly 70 per cent, will be decreases. The remaining 42 changes are increases. The adjustments are for five cents, Illinois Bell Manager Chuck Ball said.

Person-to-person calls from Bell customers in Skokie, Niles, Morton Grove, and Lincolnwood will be adjusted in 587 of 1005 cases. Of these adjustments, 537, or about 92 per cent, are decreases. The remaining 50 are increases.

For example, day calls to Bloomington will drop from \$1.30 to \$1.15; to Quincy, they'll drop by 10 cents from \$1.75 to \$1.65, and to LaSalle, from \$1.05 to \$.95. Some sample increases are: to Marengo, from \$2.70 to \$3.80, and to Waterman, from \$3.80 to \$3.85.

Ball noted that lowest long distance station rates within Illinois now apply anytime Sunday, and after 8 p.m. other days. He said these budget rates also apply to collect and credit card calls and to calls billed to a third telephone number.

could be better spent to alleviate the conditions, economic and social, that temper the way for Communism to gain entrance."

Gentry, Dodgers 'One-Hits' Niles Peanut League Winless Tigers

The Niles pony-league advanced into its third week of play with the Lions' Club Cubs beating the Schmetz's Meats Red Sox, 5-0, and the Booby's Dodgers outlasting the Golf Mill Bowl-Tigers, 3-2.

In the Cubs victory over the Red Sox Paul Weber and Red Santry duelled to pitch a one-hitter for the Cubs with the only hit coming in the last inning by Gary Aylesworth. Gary Wagner, Red Sox-pitcher, pitched a fine game but had no hitting support so he suffered the loss and the Cubs took over undisputed first from the Red Sox.

In a game for the leagues 3rd place position the Dodgers, backed up by the one-hit pitching of Rick Gentry, outlasted the winless Tigers in a game that was down to the wire all the way. The game was dominated by the Pitching of Rick Gentry, who struck out 18 of 21 batters and pitched his second one-hitter of the young season. Gentry was supported by the hitting of Joe Learman, who was 3 for 3; Mike Nocchi, who had two hits; Gerry Gardowski, and Rick Gentry. The only hit off of Gentry was a second inning line shot single by Bob Heiderman. This win for the Dodgers put them in clear possession of the third place position.

Brebeuf Wallops Juliana

The St. John Brebeuf Warriors, who have been tied for first place with St. Juliana in the Northwest Suburban C.Y.O. Sectional Standings, broke into an undisputed first place position by beating the St. Juliana team 9-2 in a game that was dominated by St. John hitting and pitching.

The hitting was supplied by Paul Weber, Ron Kolcz, Bart Mroz, Gary Oldfield, Gary Wagner, Jim Basso and Bob Warren who between them collected 11 hits with Ron Kolcz and Paul Weber hitting home runs.

Paul Weber was the winning pitcher going the entire distance giving up 6 hits and 2 unearned runs. He also contributed to his cause with a 4 for 4 day at bat, three doubles and a home run plus he drove in four runs and scored twice himself.

In the National Division this week, the Niles Sport Center Dodgers took a close game (3 to 2) from the Mets on a triple by Joe Toefel to drive in the winning run.

The Little Miss & Mr. Shop Yankees ran away with a score of 11 to 3 over the Lane Trophy Cubs. The pitchers, Glen Seajo and Dan McDonnell gave only 3 hits.

The Kutza Drugs Cougars and the Darnell T.V. Indians ended in a 6 to 6 tie game after a 4 run rally in the last inning.

The Lions of Niles Lions won from the Cardinals by 4 to 0 on a no hitter. Not a man was allowed to reach 1st base. It was pitched by Keith Larson and Michael Jerger.

The Lions of Niles Lions won by a 3 to 0 score over the Lane Trophy Cubs. A homer by Anthony Calabrese helped out. They also took the Braves on a hit game (3 to 0).

The Darnell T.V. Indians slugged their way to a 19 to 5 victory over the Skaja's Funeral Home Colts on 12 hits.

In the American Division the Niles Kwik Car Wash Angels took a close game (5 to 4) from the Twins.

The Bears scored 12 runs on 12 hits to beat the Giants 12 to 7.

The Bears came back to whip the Twins 4 to 3.

The Giants came out on top (5 to 2) over the Pirates on 3 hits. Pitching was by R. Daymet and B. Bass. There were home runs by R. Heiderman and Joe Roberts.

The Edison Lumber Co. Red Sox came from way behind to score 12 runs in the last inning. It was just enough to beat the Pirates 15 to 14.

The Harczak's Sausage Shop Wildcats gave up only one hit and had 8 home runs to take the Niles Chamber of Commerce Tigers 13 to 0.

The Eagles took the Niles Kwik Car Wash Angels 7 to 4. The pitchers, Hubick and Gurga also came through in the hitting and fielding departments to help insure the game.
