is being carried because yesterday's leaders had poor foresight. We felt pretty smug about our own hindsight.

We listed the many drives the community has supported. The men sat impassively, waiting for us to finish our droning. He said he took on the undertaking to raise money and he would see it through. He agreed the money-giving increases each year and he agreed it would likely continue increasing.

After receiving the names of the community leaders who might aid him, the same ones who seem to be in the forefront of every community effort, he moved toward the door, assuring us he would meet his goal as most others have done.

Who's Who In LWV League

Mrs. Sherwin Potter, recent President of the Morton Grove League of Women Voters, has had League in her bloodstream since her twenty-first birthday (women have to be of voting age) when she enthusiastically joined the Evanston League and promptly became active in League's Cook County Council.

Five years ago Gloria helped start the M.G. League of Women Voters as Provisional Organization Co-Chairman; and she was Co-Chairman for the "This is Morton Grove" booklet which was the first project the provisional Morton Grove League undertook. Gloria also worked as Unit Organization Chairman, Vice-President, and for the last two years served as an efficient, charming, and well-organized President of the M.G. League of Women Voters.

Currently, Mrs. Potter is enjoying several things she did not have time for when she was President. She is knitting more, helping her husband in his Jewelry Stores more, and even has found time to volunteer teaching swimming at the Morton Grove pool.

Gloria, her husband, Sonny, and children Howard, 14, and Alene, 10, reside at 9315 Marjora in Morton Grove, after living their first few married years in Evanston. As a Political Science major, Gloria urges all women who are interested in governmental problems to join League. She says, "League women find League stimulating and satisfying as well as informative and creative."

Morton Grove and Niles women are encouraged to plunge in and see for themselves why intelligent, active, creative women like Gloria Potter find League so exciting. Please call Mrs. Edward Andersen for more information at Y05-1599.

The Hymns and Bells meet July 17 at the Fornell home, for miniature golf. Resurrection is temporarily meeting at Golf Grade School, 9401 Waukegan Rd., Morton Grove.

By night or by day, the cross on top of Lutheran General Hospital is a landmark for the northwest area. It is one of the highest crosses in the entire Chicago area. Photos show the cross being lifted into position, the cross by day and by night.

TB Unit Coming To Niles August 2

"We'd like to congratulate Niles," said Dr. E.A. Piszczek, "not only for being voted the All-American city, but because Niles citizens really went all out for health and medical attention last year." Dr. Piszczek is the field director of The Suburban Cook County Tuberculosis Sanitarium District.

"Through chest X-rays and other diagnostic methods, eight new, active cases - far more than in preceding years, were discovered in the Niles community," he continued. "By the end of 1964, all but one had returned to their homes, jobs, and families."

"Now, this is good community action for better health. In a way, a very All-American thing to do. A mobile X-ray unit will be in Niles again this August, from Monday, August 2 through Friday, August 4. We wish Niles more glory in 1965, on behalf of their All-American title and in the equally important quest for good community health."

Free chest X-rays will be available at the Niles-Golf Mill Shopping Center, at Milwaukee avenue and Golf road from Monday, August 2 through August 4. For the remainder of the week it will be at the Super City Shopping Center, at Harlem and Dempster, in front of the National Tea Store.

X-ray times are from 2 to 9 p.m. on Monday, from 10:30

greater distance. The 35-foot tall, 3,000 pound cross can be seen 20 miles away. It towers 175 feet above the surrounding communities.

Passengers on planes landing at O'Hare Field report that the cross is a major landmark for them when they arrive on evening flights.

The cross was lighted for the first time on Christmas Eve, 1959, during the dedication of the hospital. It was removed from the hospital roof in August of 1964 when construction began on three additional floors.

The cross is lighted every evening at dusk and remains lighted throughout the night.

The suburban X-ray survey is sponsored jointly by the SCCSTD and The Tuberculosis Institute.

Registration is now open for the second sessions of the Morton Grove and Niles annual Learn-to-Swim programs, co-sponsored by the Mid-America Chapter of the American Red Cross, Chicago's American newspaper and the respective park districts.

The second session of Morton Grove's Learn-to-Swim program, beginning August 2nd and ending August 27, will be conducted at Harter Park Pool, 6250 Dempster St., Morton Grove. Niles' second session, beginning July 26 and ending August 20, will be conducted at Niles Community Park Pool, 7800 N. Milwaukee Ave., Niles.

Registration will be taken for both programs from 9:00 a.m. to 5:00 p.m., daily except Saturday at the respective park district offices.

Morton Grove will hold mixed classes either Monday, Wednesday or Friday, or Tuesday, Thursday and Saturday. Junior and senior lifesaving classes will be offered at 9:00 to 9:45 a.m., intermediate and swimmer classes at 10:00 to 10:45 a.m., and beginner and advanced beginner at 11:00 to 11:45 a.m.

Fulle was sharply critical of Simon's ruling on the Golf and Western development which Fulle said went completely contrary to the wishes of four suburbs all within 1 1/2 miles of the area.

"Park Ridge, Glenview, Niles and Morton Grove all went on record protesting this development so close to their borders. However, Niles, considered the nearest municipality, sent its protest direct to the County Board instead of filing it with the County Clerk first," Fulle pointed out.

"When the matter came up for a vote, the 10 Democrat members of the board voted in favor of rezoning for the development and the 5 Republicans voted against it.

"Ordinarily it would take 12 votes to grant the zoning request opposed by a municipality within 1 1/2 miles of the development. Yet in this case President Simon ruled that just 10 votes were enough, and he was backed up on a technicality by an interpretation from the state's attorney's office," Fulle charged.

"The technicality was that the nearest suburb, which is Niles, had failed to file with the County Clerk and therefore 12 vote rule doesn't apply.

"I disagree completely not only with this interpretation of the law but also the tactics that were used. Yet if that's the way they want to play the game, we'll play it too!

"The Niles protest is now on file with the County Clerk. Technically speaking, the law doesn't say when such a protest has to be filed. Now let's see what they try to do with it."

Joseph Jendy Appointed KC Chairman

Joseph Jendy, 7533 Kirk Drive, Niles, has been appointed Catholic Activity chairman of Lafayette Council #361, Knights of Columbus who meet at 5104 W. Belmont Ave., Chicago. Lafayette Council has over 1300 members and was 67 years old on July 2, 1965.

Under Way

Again this year, Chicago's American newspaper will present handsome walnut wall plaques to two youngsters showing the most skill improvement in each program. Plaques and certificates will be presented by the Red Cross to all who successfully complete the course in which they are enrolled.

Last year, 1200 youngsters participated in the Niles Learn-to-Swim program and 422 certificates were given out. In Morton Grove, 1600 youngsters participated and 380 certificates were given out.

While the battle seemed small we believe any community waiting to bring more business and industry to its area should have a professional or paid employee creating brochures and calling on potential businessmen who are considering moving to suburbia. In Niles' case

We have a Bugleophile, one Mike Wozniak by name, who stepped into the office yesterday to let us know he's not pleased with the mild tones of THE BUGLE in recent months. Mike, who is retired, 75 years old, and has a most active interest in his community, says THE BUGLE is not any different "than those other papers." The Wisner Avenue resident doesn't believe THE BUGLE should take an editorial summer hiatus and thinks its time. THE BUGLE goes back to fighting the powers that be.

In September THE BUGLE may invite Mike and the many others in the community who would like to see improvements made here, to a monthly luncheon, where we trouble-makers can air our dissents. We'll devote an entire afternoon to sitting around and cussing out the disenchanted and perhaps even invite them to sit in and be singed by our heated wrath.

Another retired gent from Oakton Street, who has long been one of our favorites, will certainly be a charter member of our Roundtable. He endeared himself to THE BUGLE years ago when at a Niles Village Board meeting he caused a momentary trauma, which left the Board in complete panic. Rising to address the seven village officials he sternly asked the Board, "What happened to the \$400,000?" While officials began leaping through their many notes, peering first from one trustee to another, the brief five second silence which followed seemed like an eternity. As of today nobody yet knows which \$400,000 our Roundtable was talking about, but the moment of truth on each Board member's face, made the moment unforgettable.

St. John Brebeuf's New Dome

The case of the \$300 a month public relations man, one Art LeTourneau, may have reached its final chapter Monday night, when the All America Commission voted 8 to 0 to discontinue his services after July 31. LeTourneau had a bumpy two month tenure serving Niles All America Commission. When Nilesite Edna Walger wrote an open letter criticizing the hiring of a paid PR man to do work which had previously been done at no cost by volunteers became a major campaign, LeTourneau countered Edna by publishing a letter from several residents, most of whom have never been active publicly, supporting the PR man. Last month the All America Commission said they wished to "get on" with the All America promotions and seemed to indicate that LeTourneau had received their support. But now his services will be discontinued, and we expect this is the end of the line for a professional PR man for Niles.

Excitement mounts as final preparations are made for the All America City Junior Parade and afternoon of festivities to be held in the Lawrencewood Shopping Center July 24, 1965, at 1:00 p.m. Parade lineup will begin at 12:30 p.m. behind Goldblatts.

Any child in costume who is between the ages of one and ten is eligible to participate in this event. Valuable prizes will be awarded to those wearing "the best costumes" in each of several categories. And - two lucky youngsters will receive a beautiful, new bicycle for their distinctive outfits.

Judging of this contest will be done by the following well-known personalities: Nancy Berg - The Land of Ziggy Zoggo, Channel 7; Ruth Car-

Not one, but two talented combos will be on hand to entertain you at Niles Days this year.

An added attraction to this year's Niles Days Carnival at the Lawrencewood shopping center is the fabulous instrumental combo, the "Lively Art Quintet". On top of many local appearances, the talented young group has played several engagements in Downtown Chicago. These spots included the Allerton Hotel, The Lake Towers Motel, Younkers Restaurant near Rush, and the Chicago Campus of Northwestern University on Lake Michigan. Just having an engagement in Calumet City, Indiana, the group has made a tape for London records and hopes to cut a record sometime this summer. At any rate the group will be producing some great sounds at Niles Days this year.

The Fugitives, winners of Talent Show Awards and constantly in demand on the local scene, are also providing musical arrangements to please you when you attend Niles Days. Wayne, Robby, Gary and Mike of the Fugitives personally invite you to come and hear what they call "Music On The Run."

You may hear the marvelous sounds originating from these two groups when you attend Niles Days each evening at 6:30 P.M.

Bring Soap Bars

To Niles Days

Niles All American Commission announced Monday night they are sponsoring "Operation Wash-Up" at Niles Days this weekend.

The Commission is placing six barrels on the Lawrencewood grounds for donations of bars of soap to be shipped directly to Viet Nam by the Marine Corps. Commission chairman Nort Goodman told THE BUGLE there is a dire need for soap for civilians in the war-torn country, and such a contribution would be most appreciated there. Residents are requested to bring donations of soap to the Niles Days grounds when they come to the "Days" this weekend.

Niles Days Car Books Available

If you have not received your Niles Days Car Raffle Tickets as yet, please contact Bob Grady, Chairman of the Car Raffle Committee, at Y0-5-1013.

There was a delay in printing the tickets and they were not available until July 2nd, so that many home-owners may not have received their book as yet.

Everyone's cooperation in purchasing a book will be appreciated.

Troop 107 Heads For Camp

Our Lady of Ransom Scouts climaxed their year with two big events. Pictured are Scouts of Troop #107 boarding the bus of Camp Napowan in Wisconsin. The boys are off for two weeks to learn more scouting skills and enjoy the magic of the woods.

Our second event was a full day at Miami Woods here in Niles. The day was filled with picnics, games and hikes for both the Cubs and their families. It's difficult to determine who had the most fun, Dad or the Cub, especially in the egg throwing contest.

Friends Of The Library To Man Niles Days Booth

That small dynamic group of The Friends of the Niles Public Library are active again! They will manage the Shaggy Dog Booth during NILES DAYS July 22, 23, 24, 25. They extend an invitation to all to visit them. Those who stop by will find this visit rewarding.

The "Friends" help our Niles Public Library extend its services to our community. The "Friends" make it possible for the library to conserve its tax dollars for basic needs while they purchase worthwhile "extras" such as movie projector and screen, record playing equipment, selected recordings, and a Bookmobile.

These are paid for by the Friends through their fund raising events held during the year. One event that will be coming this Fall will be a Card Party. So you see this is an organization that is so important to a community. It benefits everyone in it! So remember to stop when you come to the "Friends" Booth during Niles Days in Lawrencewood - we will be looking for you!

Maine East LENS Available July 30

Postponement of delivery of the Maine East High School Year Book, the Lens, was announced this week by Walter Lussy, Co-Director of the Summer School.

"We received word Monday that the printer could not meet the date originally given us, this Friday, July 23," Lussy said. "The printer has now stated that delivery will be made next Friday, July 30."

"We will set up distribution facilities in the Girl's Gymnasium on July 30, and begin distribution of books at 1 p.m., distribution of books at 1 p.m.," Lussy said.

Students who cannot be present should send another member of their family rather than a friend to pick up books. Books not called for at delivery time can be picked up later in the Personnel Office.

Frankie will give the Masters touch to the celebration at the O'Hare Inn during the first week in October.

The All America City Ball will be added to the long list of outstanding engagements of Frankie Masters and America's most danceable band, known the over for their quality performances in the top spots in show business.

Vacation Bible School At St. John Lutheran

St. John Lutheran Church of Niles, 7423 North Milwaukee Avenue, is having a two week vacation Bible school session, beginning August 2nd, at 9 A.M., through August 13th. Children of all faiths, from nursery age to eighth grade, are invited to study, pray, work, and play with us. Most children find time heavy on their hands about that time, so this is a pleasant way to spend a few morning hours together with children of their own age.

Registration can now be made by calling the Church, 647-9867, the vacation Bible school Superintendent, 827-7624, or Mrs. Patterson, YO 7-8629. Plan now to have your children attend, and make that all important phone call before you forget.

Marine Band To Play Concerts This Fall

The United States Marine Band, "The President's Own," will present matinee and evening concerts in Maine High School East auditorium, Potter and Dempster, Friday, Oct. 15 at 8 p.m.

The concerts will be sponsored by the Northwest Suburban Detachment, Marine Corps League.

Since John Philip Sousa took the United States Marine Band on its first national tour in 1891, this world-famous musical organization has toured a section of the country each year, rotating the tours to various geographical areas so the largest number of people might see and hear "The President's Own."

Lt. Col. Albert Schoepper, director of the band since 1955, takes a minimum of 50 musicians on tour, leaving a sufficient number of musicians in Washington for participation in the various White House and diplomatic affairs.

On the nine-week tour, normally covering some 15 states, the band performs twice daily, seven days a week. In addition to the long hours of rehearsal in Washington, the full band or segments of it participate in over 900 engagements in its home city each year.

The appearance of the bandmen in the scarlet full dress uniform is matched only by the faultless execution of its program of marches, classics and popular music. There is music for every taste, from the opening strains of the fanfare announcing the director's arrival on-stage, to the closing of the

concert with "The Marines' Hymn."

The band's annual tours are completely self-supporting and at no expense to the government, each sponsoring organization sharing in the over-all tour costs. Admission is charged by the sponsoring group with all net proceeds devoted to worthy charity projects, civic or religious groups.

Registration For New Students At Maine East

Registration for new students who will attend Maine Township High Schools this fall is being conducted daily Monday through Friday in the guidance offices at Maine East, Maine South, and Maine West.

All students who have not previously registered and intend to enter one of the three high schools are urged to take care of this important aspect of academic planning as soon as possible. Past experience has shown that waiting until the week prior to the opening of school in September increases the problems of testing, purchasing of books and supplies, and selection of courses.

One or both parents should accompany the student who is registering for the first time. Parents desiring appointments or further information should call Maine East, 825-4484; Maine South, 825-7711; or Maine West, 827-6176.

All students planning to enter the ninth grade this fall are required to take the High School

Details can be obtained by calling one of the three high schools. This test applies mainly to students who have moved into the district within the past few months. Students who have attended the elementary schools within the school district and who graduated by June of 1965 have had the test administered to them earlier in the year by high school personnel.

Beautify Municipal Building

Have you noticed the colorful annuals planted in front of the Municipal Building on Milwaukee Avenue? No, they just didn't spring up as if by magic—they were planted by the members of the Grennan Heights Garden Club of Niles as part of a Civic Beautification project in our Village.

Civic Beautification Chairman Mrs. R. Kozanecchi reports on the planting as follows: On June 19, 1965 members of the Garden Club of Niles met at the point in front of the Municipal Building to plant the area with red, white, and blue annuals. With the help of E. Gels, D. Frangrat, B. Larson, and G. Elder, and the kind do-

nations of 15 bushels of dirt and a bag of peat moss from "Roll's Garden Center" this task was accomplished. Within

two hours the appearance of the triangle area had been transformed. We hope you enjoy the colorful display as you pass Milwaukee and Touhy Avenues.

Morton Grove Suburban Jrs. In Review

The Morton Grove Suburban Juniors recently answered a call put out by Columbian Herb Lyons for games and cards for our fighting men in Vietnam. The group donated a cribbage set, checker set, and Junior Executive game set, which were sent to General Benjamin Sternberg, Military Advisory Commission, c/o Games, for Games for G.I.'s, Saigon, Vietnam.

Mrs. Paul Zwik, Chairman of the welfare committee announced that the Juniors had donated magazines on Fathers Day to the Elgin State Hospital. Mrs. Zwik would also like to remind the Juniors and others who may be interested that the any kind of cancelled stamps, veterans are still in need of. They sort and use stamps in therapy or package them for sale. If summer is lagging for any of the younger set, perhaps they would like to cut out the cancelled stamps from the mail call Mrs. Zwik, YO 5-0695.

Mrs. Zwik also reported that the Suburban Juniors Spring Cleaning Project for donations to the American Indian Center is completed. One of the mem-

Red Cross Swim Program Gets Under Way

Registration is now open for the second sessions of the Morton Grove and Niles annual Learn-to-Swim programs, co-sponsored by the Mid-America Chapter of the American Red Cross, Chicago's American newspaper and the respective park districts.

The second session of Morton Grove's Learn-to-Swim program, beginning August 2nd and ending August 27, will be conducted at Harrer Park Pool, 6250 Dempster St., Morton Grove. Niles' second session, beginning July 26 and ending August 20, will be conducted at Niles Community Park Pool, 7800 N. Milwaukee Ave., Niles.

Registration will be taken for both programs from 9:00 a.m. to 5:00 p.m. daily except Saturday at the respective park district offices.

Morton Grove will hold mixed classes either Monday, Wednesday and Friday, or Tuesday, Thursday and Saturday. Junior and senior lifesaving classes will be offered at 9:00 to 9:45 a.m., intermediate and swimming classes at 10:00 to 10:45 a.m., and beginner and advanced beginner at 11:00 to 11:45 a.m.

Niles will conduct its mixed classes Monday through Saturday with the lifesaving, water safety, intermediate and swimmers courses at 9:00 to 10:00 a.m., and beginners and advanced beginners at 10:00 to 11:00 a.m.

Although the Red Cross-approved lessons are free, a dip fee of \$3.00 for the sessions will be charged by both pools to cover the cost of maintenance. Any resident youngster having completed the first grade may enroll in his respective Learn-to-Swim program.

Both programs, part of the world's largest in aquatics and water safety, are designed to make non-swimmers and novices skilled enough in the water to enjoy themselves with a minimum of worry to their parents and to instill in them good safety attitudes toward swimming.

Again this year, Chicago's American newspaper will present handsome walnut wall plaques to two youngsters showing the most skill improvement in each program. Pins and certificates will be presented by the Red Cross to all who successfully complete the course in which they are enrolled.

Last year, 1200 youngsters participated in the Niles Learn-to-Swim program and 422 certificates were given out. In Morton Grove, 1600 youngsters participated and 380 certificates were given out.

For further information, contact the pools.

Gregory Peck employs Walter Matthau, self proclaimed private detective, to help solve the riddle of Peck's lost memory in the on-packed, suspense thriller, "Mirage". It opens Friday at the Des Plaines Theatre, co-featured with "I'll Take Sweden," starring Bob Hope.

MG Baseball Leagues

Old Folks play ball as well as boys engaged in our baseball program. This exhibition will be seen on Sunday the 25th of July at 1 PM at Harrier park on the Pony League diamond. This is when the annual Umpires vs Managers game will be staged. All season the fathers and men help guide the boys thru the ball season, then once a year we "old pros" REALLY show the younger set just what Abner Doubleday meant when he concocted tossing a ball at a wooden stick & hitting the ball & running about square base path.

If you like laughs be sure to attend the annual old mens contest. After this game many men fall to show for work the next day...caught a touch of the flu??

The Moose hall will be the site of our annual dinner dance on Sept. 11th. Tickets are \$4 per person. Cocktails start at 6:30 PM. The Moose are donating the hall to our chapter again. Our ballcaps off in a bow to the generous Moose for their help in making our dinner-dance a success.

The membership approved to insert a revision in the by laws. They will now read "no more late registrations after last registration night (or day) to be held before the tryouts." There will be staggered registration times in the future, but under no conditions will exceptions be granted after the last sign up night (or day)...NO more late signups.

Last season saw over 700 boys enroll in our chapter. This year 523 boys are engaged in the program. The boys are playing more ball, but the money received from signups is down, therefore our budget is suffering. Again as the season comes to a close Little League is needing more funds.

A nominating committee under Jim Meek was appointed by President Fred Gilbert; at last general meeting. Assisting Meek are Wayne Anielak of the Pony League; Jerry Hoffberg of South Minors; Ron Erickson of South Minors; Jack Fougere of North Minors; Merv Coehn of Tripple AAA; Ernie Ross of North Majors; George Gates of Umpires. This group will select men to be nominated for officers on next seasons executive board.

"Wish You Were Here" Opens At Tenthouse Theatre

Teen-age sensations, Bobby Rydell and Jimmy Darren take a spectacular dip in an on-stage pool in the musical comedy "Wish You Were Here", the next production at the Tenthouse Theatre in Highland Park, Illinois.

The music-comedy opens July 27 and runs through August 8.

"Wish You Were Here," a hit Broadway how of the fifties, tells the story of a secretary who goes to a Catskill Mountains resort for her summer vacation. The resort, Camp Karefree (where friendships are formed to last a whole lifetime through), sets the stage for a lighthearted tale of young love and youthful mis-adventure.

Bobby Rydell and Jimmy Darren swing through Harold Rome's hit packed score while dancing through Camp Karefree's tight social and extra curricular schedule. A specially constructed on-stage swimming pool highlights the show's many surprises.

Based on Arthur Kober's hit play, "Having A Wonderful Time," the musical-comedy was written by Mr. Kober and Josh Logan. The delightful score by Harold Rome features a number of ballads and hilarious songs which have been up-tempoed for the Tenthouse Theatre's Production.

The cast supporting Darren and Rydell includes Lynn Carlyle and Sheldon Christopher, two young and rising stars.

Bobby Rydell is popular among the teen-set as a singer and polished entertainer. He is under contract with Columbia picture and has appeared on the Perry Como show and the Red Skelton show.

Jimmy Darren has recorded a number of hits that have each sold well over the million mark. His talents as an actor have been seen in such films as "The Guns of Navarone," "All The Young Men," and "The Lively Set."

"Wish You Were Here" will open at Tenthouse Theatre July 27 and run through August 8. Tuesday through Friday shows begin at 8:30 p.m. The Saturday performances are at 6:45 and 9:45 p.m. Sunday shows are at 5:00 and 8:30 p.m.

Skokie Trustees Adopt Housing Resolution

The Board of Trustees of the Village of Skokie yesterday (Monday, July 12, 1965) adopted a resolution endorsing equal opportunities in housing for all people regardless of race, religion, or national origin. The resolution was submitted by the North Shore Summer Project and was recommended by the Human Relations Commission of Skokie.

It states as follows:

Resolution

WHEREAS the Village of Skokie is a community which prouly claims as its citizens members of all races, creeds, and national origin; and

WHEREAS the Village of Skokie has been in the forefront of suburban communities seeking effective solution to problems in the field of racial and minority relations by peaceful and lawful means;

NOW, THEREFORE, BE IT RESOLVED by the President and Board of Trustees of the Village of Skokie that we believe it is morally wrong to deny equal housing opportunity when based on race, creed, color, or national origin whether by express or tacit agreement, silence or custom.

We welcome to our village of Skokie and as our next door neighbors all people, irrespective of their race, creed, color or national origin.

PASSED this twelfth day of July, 1965.

The resolution was passed unanimously by Mayor Albert J. Smith, President of the Board, and the six trustees, Herman Schmidt, Robert J. Morris, Calvin R. Suter, Walter B. Flintrup, Bernard M. Kaplan, and John T. Bang.

Woman's Club Presents Scholarship To C. Kraemer

Charles Kraemer, 5714 Carol Avenue, has received a scholarship to attend a Conservation Summer Workshop at the Giant City State Park at Southern Illinois University in Carbondale, Ill. The scholarship was presented to Charles by the Morton Grove Woman's Club, an affiliate of the Tenth District of the Illinois Federation's Scholarship program.

Charles, who was graduated in June from Niles West, plans to attend Stout State University, Menomonee, Wisconsin in September. Among his interests are boy scouting, camping and he plays baseball for the Park District with the Morton Grove Angels. He has a special interest in the Conservation Scholarship since his father was once a farmer.

At the Conservation Workshop Charles will become acquainted with what the state is doing to conserve the natural beauty areas and resources, including water, forest preserves, trees, etc. The Conservation Department of the Woman's Club participates in the annual Halloween party given by the Park Board and is a donor to the Morton Grove Little League. They also participate actively in the Illinois Federation of Women's Club's sponsorship of the Lincoln Lodge for boys in Grafton, Illinois.

This year the Conservation Department plans to donate time and funds for incidentals to the Park Ridge School for Girls in Park Ridge, Illinois.

One in a series to help you enjoy better telephone service

Where to find

Ever wonder how you could contact a ship at sea by telephone?

259* Would you like to know how to get the phone number—free—of someone who lives in a distant city? Or what kind of identification a telephone company employee carries?

interesting facts about your phone service

Well, the answers to these—and 256 other questions—are prominently displayed in the front pages of your telephone directory. These pages contain a wealth of information that can help you get the most out of your telephone service.

- In almost any emergency you can find the appropriate service—like Fire or Police—by looking on the inside front cover.
- And there's a space there for you to write your doctor's phone number, too.
- You'll find typical Long Distance rates and information about the most economical times to place your calls. To help you save time when calling Long Distance, there's a list of Area Codes for major cities.
- If you need a phone fixed, or installed, or if you have a question about the type of service you have, you'll find the number to call in the front pages.

The opening pages of your phone book have been designed with your calling needs in mind.

Look them over, they will answer any of 259 questions you might have. For the 260th, call us.

*Give or take a fact or two.
