Second row: Carolyn Burgener, Pam Schieffer, Sue Mitchell, Dale Nelson, Marshall Pedersen, Mike Preston, Bruce W. Johnson, Karen Phinney. Third row: Marcia Calkowski, Vicki Bartlett, Linda Kuntner, Penny Laubsted,

Sharon Vander Jagt, Diana Dilger, Debbie LaBonde. Fourth row: Mrs. Edward Alde, Des Plaines, President of Mothers Club, Judee Settjant, Virginia Peters, Pam Weidner, Gail Vander Jagt, Karen Schiff, Sherry Siegel, Mrs. Edward Kappy, Park Ridge, chairman of Mothers Club awards. Bottom row: Judy Kappy, Myra Berkeley, Nancy Koerner, Anne Marie Matti, Christine Bizon, Judy Risily, Trudy Makela.

### LWV Schedules 'Grass Roots' Meeting

A decision-making "grass roots" meeting is coming up Thursday March 10 for the League of Women Voters of Morton Grove at Austin Park Fieldhouse, Madison and Mar-mora, at 8:15 p.m. According to Mrs. Oscar Liskar, Program Chairman, the meeting will be in four parts: election of officers, approval of the budget, second round National Program Planning (first round was in December), and selection of a local agenda item.

Suggestions for the local agenda item are made from the membership and voted upon by the members. An item can be studied for as long as League members want but it must be discussed and adopted each year. Last year's study was on Local Government and the Morton Grove League has a choice of continuing the study, dropping it, or adding another study to it.

### St. Luke's Church News

St. Luke's United Church of Christ, 9233 Shermer Rd., Morton Grove, will have worship services and Sunday School at 9:30 and 11 o'clock. For his Sermon topic for this Sunday, March 6, Pastor Ross has chosen "Saving or Spending."

Thursday, March 3, Worship Committee meets at 8 p.m.

Friday, March 4th, Adult Study Group meets at 8 p.m.

Sunday, March 6, Junior Hi meets at 6:30 p.m.

Monday, March 7, Church Council Study meeting at 8 p.m.

Tuesday, March 8, Pastor's Committee meets at 8 p.m.

Wednesday, March 8, Lenten Service will be held at 7:30 p.m. The Sermon topic will be: "Christ Blessing the Children. Immediately following the Service, the Chancel Choir and Bible Study group will both meet at 8:45 p.m.

As its first local agenda item back in 1962-63, the Morton Grove LWV wrote, edited, and distributed a comprehensive booklet called "This is Morton Grove" which received much acclaim. Then the League decided to study Zoning and Planning in Morton Grove. A booklet explaining in simple terms the Zoning Ordinance of Morton Grove is currently being published and will soon be available to interested citizens. Call Mrs. J. M. Bartlett, President, if you are interested. (Yo-5-2075).

The League of Women Voters is a nonpartisan organization open to all women of voting age who are interested in educating themselves and their community about government. Many Niles women are in the Morton Grove League and enjoy learning about and acting upon current controversial issues at all levels of government—national, state, and local. For more information on the LWV call Mrs. Edward Andersen at Yo-5-1593.

### Cub Scout Pack 33

### Holds Blue & Gold Dinner

Cub Scout Pack No. 33 held its annual Blue and Gold Charter Dinner on Friday, February 25, in the Fellowship Hall of Good Shepard Community Church, the sponsoring organization.

The presentation of the Cub Pack Charter was made by the District Commissioner of the Maine Ride District. Following the dinner, there were games for Cubs and Dads, followed by the entertainment highlight of the evening, a magic show by Bill "The Great Trickster" Treber, and Den mothers totaled nearly two hundred.

### Support Your Local Merchants

### Special Programs On Station WMTH

Mrs. Cynthia Schaulis, manager of WMTH, Maine high school's radio station, announced this week a card of special programs for the coming week. The station is heard daily from noon to mid-afternoon at 88.5 on the FM dial.

Several shows will be broadcast through facilities of the National Association of Educational Broadcasters. Georgetown Forum, originating at Georgetown university in Washington, D.C., is a panel show on national events, heard Mondays at 12:45 p.m.

Special of the Week is a Tuesday show starting at 12:30 and presenting interviews with outstanding personalities. Portrait of an American comes on at 1 p.m. Thursdays, and by a

variety of show styles depicts themes of the American character.

Understanding teenagers' talk will be the subject of the March 8 Mothers Anonymous show, a regular Tuesday program at 1 p.m. Don Wixted, counselor and faculty sponsor of the student cultural values committee, will discuss this subject with two students, Kay Fisher of Glenview and Frank Vivacqua of Park Ridge.

Wednesday at 12:45, Know Your College programs an interview with the representative of a college or university which is interested in enrolling Maine high school graduates. Representatives from Yale and M.I.T. have appeared among others this year. On March 9, Drake university, of Des Moines, Iowa, will send Robert Heggen of its staff to interview and discuss college questions with Gail Katz, an East senior from Morton Grove.

Double Trouble is the Friday standby at 3 p.m., with folk musicians Linda and Laura Larsen. March 11 will see the twins as hosts to Ron Yablum and "friend".

### MTJC Purim Carnival March 6

A full schedule of Purim activities of the MTJC will begin with a pre-purim service on Fri. Mar. 4, 8:30 p.m. at the Mark Twain School, Hamlin Ave., Des Plaines. Rabbi Jay Karzen will conduct the services "Purim is No Joke."

Purim-night March 5 will be held at the Maine Township High School, Dempster and Potter at 7:30 p.m. An Hagdola ceremony will be presented and highlighted by the chanting of the megillah from the book of Esther. It will be narrated by Mrs. Ruby Karzen, wife of Rabbi Karzen in English while being chanted in Hebrew. Traditional greigen noise makers will be given to the children as well as a coronation of a King & Queen. Plus a costume parade and an added attraction of a young magician act performed by Marc Tigerman.

On Sunday, March 6, 11 a.m. the MTJC will have their annual Purim Carnival. Niles Field House, 7877 Milwaukee, Niles. Booths, games, prizes, raffles, costume contest plus refreshments...admission is FREE.

### Dr. Wiltse Accepts Position As Lecturer

Dr. Earl W. Wiltse, retiring Superintendent of Township High School District No. 207, announced today that he has accepted a position as lecturer at Northern Illinois University in De Kalb, Illinois. Wiltse assumes his new assignment early in September, 1966. He will be working with graduate students in education and teaching graduate courses.

He has degrees from three universities. The A.B. degree was earned in 1922 at Nebraska Wesleyan University where he majored in Physics. He received a Master's degree in school administration from Columbia University in 1926. In 1942, Wiltse was awarded a Ph. D. degree from the University of Nebraska. His doctoral study was done in the area of reading improvement in high school.

Dr. Wiltse has done some writing. Among the most recent magazine articles are:

The Maine Township Professional Growth Plan—Illinois School Board Journal, July-August, 1964.

Planning for a New High School — Cook County Educational Digest, October, 1964.

Reading Comes First at Maine Township High School — Cook County Educational Digest, June, 1961.

His latest contribution to reading improvement appears in Recent Developments in Reading, published in December, 1965 by the University of Chicago. It is entitled, "Stimulating Effective Reading Instruction in the Total Curriculum." Dr. Wiltse is now writing a book on "The Personal Finances of Teachers and Educators." He, with a committee of teachers, developed a Study Habits Manual, with accompanying film strip and tape recording that has received national recognition.

Dr. and Mrs. Wiltse will move to DeKalb in August. They plan to retire in Park Ridge in a few years.

### East Maine Jr. Hi PTA Meets March 7

East Maine Junior High PTA will meet at 8 p.m. Monday March 7 in the South gym.

Director Nathan Klein, will speak on "Drug Traffic in the Suburbs" "Has It Happened to Us?"

He has been in youth work for the past twenty years, and has been associated with the Illinois Youth Commission, the University of Illinois, and George Williams College. He is Director of the Juvenile Bureau of Cook County Sheriff's Police Department, and Youth Chairman of the Illinois Police Association.

Mr. Klein has spoken before various PTA, Civic, School and Church Groups on Youth Problems. During the past eight years he has addressed over 500 groups. Time will be allowed for discussion.

Election of PTA officers for 1966-67 will be presented and voted upon at the meeting.

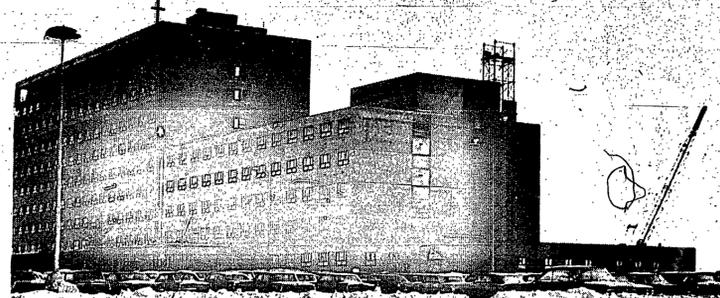

### Soph Wrestling Team Enjoys Successful Season

Maine East's Sophomores wrestling team successfully concluded their season with a 9 won-3-loss record. The Sophomores also place third, only 3 points behind first place Prospect, in their own 8 team Christmas Invitational.

East's 120 pound Ivar Moi was elected Most Valuable Wrestler by his teammates, while 165 pound Ed Milos was elected Honorary Captain.

Jerry Levy and Moi were the Christmas Invitational champions at 112 and 120 pounds respectively. Other individual records were:

Ivar Moi	14 1 0
Jerry Levy	12 3 0
Ed Milos	10 3 1
Ed Kani	9 6 0
Jeff Freitag	7 4 0
Ray Mathis	7 3 0
Keith Hayden	7 3 1
Tom Scharlau	6 3 0
Greg Stump	6 4 0
Terry Lau	5 2

### Lutheran General Hospital Addition

Lutheran General Hospital, Park Ridge, has a new profile. A three-story addition was added to the original seven-story building while a five-story wing (in the foreground) has been added to the west. Total cost of the expansion is \$6,200,000. Completion is scheduled for this spring.

### Post Office Examinations For Mail Handlers

The Board of Civil Service Examiners will give an examination for career appointments as post office substitute mail handlers. Appointments are for the Chicago Postal System. News of the examination came from the Office of Postmaster Harry H. Semrow.

Applications for employment must reside within the city limits or be bona fide patrons of the Chicago Post Office.

Applications, available on March 1, will be accepted indefinitely until further notice.

Persons appointed to these positions must load, unload, move bulk mail, and perform duties incidental to moving and processing mail. Applicants must be physically able to perform efficiently the duties called for by the position. A minimum amount of muscular power is a requirement. All will have to pass a basic strength test consisting of shouldering and carrying a loaded mail sack, weighing 80 pounds. Those who fail this trial will not be eligible for appointment.

Applications will be obtainable at the Board of United States Civil Service Examiners, Room 312, Main Post Office Building, 433 West Van Buren Street, Chicago, Illinois 60607.

A copy of the announcement, CH-76-18 (1966), which gives full particulars may be obtained from the Executive Secretary Board of the U. S. Civil Service Examiners, Room 312, Main Post Office Building, 433 West Van Buren Street, Chicago, Illinois 60607.

### Nelson PTA Meet

"A Better Community Understanding" will be the theme for the Nelson School PTA meeting, which will be held on Tuesday, March 8, 1966 at 8:15 p.m.

A film entitled "Narcotics The Decision" will be shown. Guest speaker for the evening will be The Inspector from the Department of Public Safety. Before the conclusion of the

meeting, the Nelson Nominating Committee will submit their slate of Officers for the 1966-67 year. Nominations will also be accepted from the floor.

Hostesses for the evening will be the 4th grade room mothers.

The president is Mrs. Bernard Hartman, 966-5738; program chairman is Mrs. Seymour Bierman, 965-3729.

### Niles Park District Basketball

In Niles Park District Basketball, Alert Television played their usual fine game to defeat Riggio's Restaurant by the score of 76 to 56, and Team No. 7 defeated team No. 6 by the score of 72 to 36.

In the first game, Alert TV was lead in scoring by Altschaeffel with 20 points and Fink with 19 and Erickson and Henning with 16 each. Riggio's was lead by Marrese with 14 and Schnaeder with 11. This added Riggio's by contributing 9 counters. Losing Schnaeder in the second quarter hurt Riggio's chances of closing the gap on Alert TV.

In the other game of the evening, Team No. 7 poured it on to swamp team No. 6 by the score of 72 to 36. Team 7 was lead in scoring by Doud

who threw in 18 points, on 9 baskets. He was followed in a well rounded attack, by Cook with 15, Pastorios 14 and Harner with 12 and Braun with 10.

Team 6 was lead by Smaha who finally came into his own with 22 points on 10 baskets and 2 free throws. He was followed in scoring by Novak with 8 points.

The league leaders, The Mad Dogs, were idle this week and still maintained undisputed first place in the league.

Standings to Date

Mad Dogs	7 1
Alert TV	7 2
Riggio's	6 3
Team No. 7	6 4
Team No. 6	2 6

### Golf Junior Cardinals Win Cage Title

Golf Junior High School's Cardinals won the cage title in the Little Six Conference of Niles Typ. Junior high schools.

The basketball team, 13 members strong (which proved to them a lucky number), beat Lincolnwood on a neutral court, in Niles, by a score of 51-35 in the title playoff game.

The squad held a 7-3 win-loss record in league play for the season.

Its members, selected after basketball tryouts at the beginning of the cage season, have earned strong praise from Frank Hren, their coach, who is physical education coordinator of District 67's schools.

Members of the championship squad are Steve Fischer, Glenn Milgram, Mike Sachs, Dennis Schultz, Scott McKay, Jay Gainer, Scott Widdowson, Fred Eckhardt, Sirart Jacobson, Michael Klein, all of Morton Grove; Eric Smetana, Curtis Deschner, of Glenview; and Robert Bass, of Golf.

Only McKay is a seventh grader. The others are in eighth grade at Golf Junior High.

### Safe Driver Courses Offered At Maine East

The famous safer driving courses that are designed to prevent traffic accidents will be given at the Maine Township High School East, Dempster and Potter Roads, beginning March 10. The two-hour classes, sponsored by the Citizens Traffic Safety Board, will be taught on four consecutive Thursday nights at 7:30 p.m.

The adult driving improvement courses are only for drivers holding valid driver licenses and do not provide behind-the-wheel instruction.

Using movies, lectures and demonstrations, the classes are based on driving instruction given to professional drivers of truck fleets, taxi-cab operators and for company salesmen who must travel in their occupations. A nominal charge of \$4.00 covers the cost of teaching materials. The classes are designed by the National Safety Council specifically for the "amateur" driver who wants to gain the safety know-how of a good professional driver.

### Endorse Vivian Egan For High Post

Mrs. Wm. Egan has been endorsed for a position on the State Board of the General Federation of Women's Clubs. For the past two years, Mrs. Egan has been president of the 10th District of the Illinois Federation. Previously she served the 10th District as Indian Affairs and Safety Chairman, Secretary and Vice President. She is also a past President of the Woman's Club of Niles.

Serving on the 10th District Board seems to come naturally to past presidents of the Woman's Club of Niles. Mrs. Joan Zarembo is now Reser-

vations Chairman, Mrs. Leon Friedman is International Relations Chairman, Mrs. Max Gillardson was Hospitality Chairman and Mrs. Wm. Curtin, current president, was American Citizenship Chairman. By serving in these dual roles they feel they can promote a closer unity to other clubs in the district as well as keep their membership well informed on Federation projects and goals.

Pictured above are newly elected Program Chairman of The Woman's Club of Niles, Mrs. Wm. Egan, posed for Bob Bowman, Caricaturist, at a recent meeting.

### Deaf Children Unlimited Meeting March 17

The next meeting of Deaf Children Unlimited will be on March 17 at 8 p.m. at the Niles Community Church, 7404 Oakton St. in Niles. The program will be a panel discussion on the "Parents' Role in Public Relations for the deaf".

The moderator will be Mrs. Fern Feder, mother of a 15 year old deaf son, and a teacher at Bell School in Chicago. The teachers participating in the panel will be Miss Lois Byers of Evanston, a teacher of the deaf for 9 years and presently teaching at Bell School in Chicago; and Mrs. Jacqueline Kimel of Chicago, a teacher of the deaf for 3 years, teaching at Walden School in Deerfield. The parents from our own group will be Mrs. Jane Bowman of Arlington Heights, mother of Bonnie, age 12, and formerly Program Chairman of our group; Mr. Tom Oswald of Niles, father of John, age 15; and Mrs. Alice Michalowski of Park Ridge, mother of David, age 8 and Sherri, age 6, currently Recording Secretary of Deaf Children Unlimited. This should be an enjoyable and stimulating evening for all.

Deaf Children Unlimited welcomes anyone interested to attend its meetings or to become a member of the organization, which is affiliated with the Alexander Graham Bell Association for the Deaf, Washington, D. C.

### East Maine Caucus Candidates Chosen

On February 17th the East Maine Caucus chose candidates for the April 9 School Board Election. Two candidates were selected for Elementary District 63 and one candidate for Maine High School.

The Caucus has slated L. Wesley Hartzell, 8293 Merrill St., Niles for Maine High School District 207.

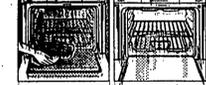

The Caucus also elected a new slate of officers for the 1966-67 year. These included: Chairman, Eugene Jacobsen, 9405 Hamlin, Des Plaines; Vice Chairman, Martin Hodas, 8049 Lyons, Niles; Secretary, Mrs. Joyce Gurolick, 9521 Overhill, Morton Grove; Credentials, John Obermayer, 8030 Octavia, Niles and Mrs. Jean Vogt, 9527 Greenwood Drive, Des Plaines.

Three Maine Township Caucus groups traditionally cooperate in selecting candidates for Maine High School. These Caucus groups are located within East Maine, Des Plaines and Park Ridge.

## the world's only self-cleaning ovens are electric

Don't touch this dirty oven. It cleans itself electrically.

Throw away your brushes, scouring pads, special cleaners.

Oven cleaners are obsolete. Today, many new electric ovens clean themselves automatically. All you do is set the controls to "clean." The oven takes over. Electrically, every trace of grease and dirt is destroyed. Your oven will be as bright and clean as the day you bought it. You'll never have to clean an oven again. Only modern electric ovens can do this for you.

### It's easier to be a good cook with electricity

**SURFACE COOKING:** Exact temperature settings provide precise and constant heat control. Larger heating surfaces allow cooking at lower temperatures, require much less water. Result: More vitamins, flavor, color and texture. You can sauté, broil, delicate sauce without a double boiler. **OVEN COOKING:** Faster, because less preheating is needed. More moisture is retained, because only electric ovens are insulated on all 6 sides; meats are juicier, cakes richer. **COOLER:** Electricity cooks the food, not the cook. **CLEANER:** Self-cleaning ovens; flameless heat can't scorch utensils or scald kitchen walls. **SAFE:** No flame. **ECONOMICAL:** Far less food shrinkage; far lower cleaning expenses; no pilot light cost. See your dealer or call Commonwealth Edison Company.

## New Uniform

Here is a preview of the Niles Baseball League's official playing uniform for the 1966 season. A colored sleeve, light-weight sweatshirt which will be worn under the usual gray flannel shirt is a new addition to the N.B.L. uniform. This will be a personal sweatshirt for each youngster that registers and similar to the personal baseball cap will be retained permanently by the players. All Niles Baseball League boys will look sharp, feel sharp, and play sharp.

## State Farm Insurance Tells Financial Picture

State Farm Mutual, world's largest automobile insurer, barely managed the break even point on its 1965 insurance business as it recorded sales of \$828,873,227. Assets of the company topped the billion dollar mark for the first time.

After dividends to policyholders were paid, the company showed a profit for the year on insurance operations of \$599,687—less than one-tenth of one per cent of sales. The next figure represented a gross underwriting return of \$9,681,129, less policyholder dividends of \$9,081,442.

Frank Parkinson, 7745 Milwaukee, Joe LaCrippe, 8141 Oconto, Stanley Burnett, 8133 Milwaukee and Warren Appel, 8133 Milwaukee, Niles, stated that though the margin was thin, the picture was better than 1964 when a similar figure showed a loss of over \$33 million.

Investment income in 1965 totaled \$37,590,739 (compared to \$33,013,972 a year earlier.) After federal income taxes and other miscellaneous items, the firm showed a net gain on all operation of \$37,807,757. This compared to a \$433,648 loss in 1964.

President Edward B. Rust said it was the first time in three years that the company's auto insurance operation had climbed into the black. He doubted, however, that the thin thread of profit indicated a turn in the underwriting trend which has been steadily worsening in recent years.

"It's an extremely spotty situation," Rust said. "Losses continue bad in some states, are improving in others. Despite substantial rate increases last year our projections show that we can't expect 1966 to be as good as 1965 was. In other words, we anticipate we'll have red ink again this year."

Homeowners premiums comprised \$73,546,244 of the total—up from \$61,840,167 in 1965. The company spent \$66,573,821 settling claims (a sharp increase over the \$55,604,459 spent in 1964). Of the 1965 figure, \$12,663,114 was charged off to "disaster" losses such as hurricanes and tornados.

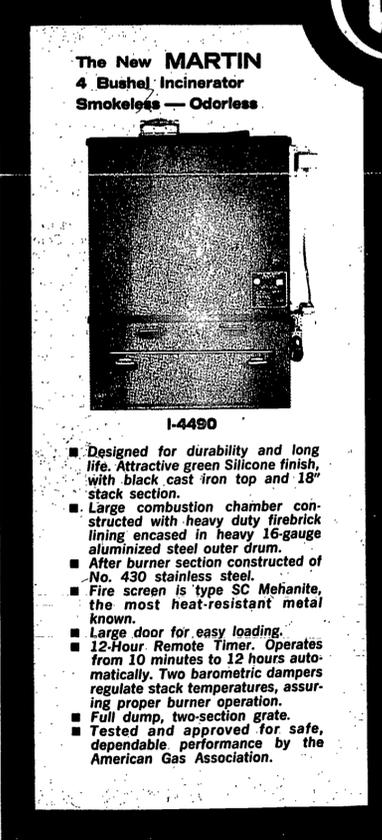

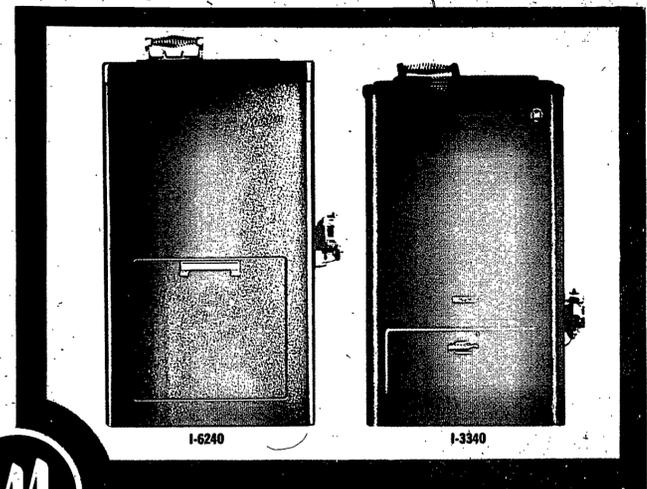

Naturally. What's more personal than a conversation? If everyone in your family makes and receives telephone calls, they deserve their own phone. Two or three extra extensions in your home can mean a world of new convenience for the whole family... plus a big saving in time and effort. You'll be surprised at how little it costs. Call us today and see.

# GIRL

WE SALUTE THE MEMBERS AND LEADERS

For over fifty years, women have given freely of their time to work with and train young girls — showing them the way to live a happier, more useful life — through the Girl Scout program. This organization deserves our praise and the support of each one of us!

In 1912, Juliette Low brought Girl Scouting to the United States. Scouting's purpose has been to help girls develop as happy, resourceful individuals, willing to share their abilities as citizens in their homes, their communities, their country and the world. We pay tribute to the founders of Girl Scouting and the members who have carried on a tradition of service and good citizenship.

# "The Great Race Opens At Golf Mill"

Dorothy Provine and Tony Curtis indulge in some fancy stepping in this scene from the Warner Bros. comedy hit, "The Great Race," in Technicolor and Panavision, opening Friday at the Golf Mill Theatre. Jack Lemmon and Natalie Wood also star in this mad story of a round-the-world auto race.

# "Swinging Party" At Maine East Saturday Night

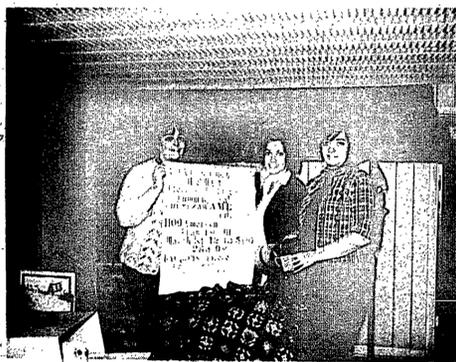

Nothing could be more appropriate for a swinging party, than a monkey's cage, which is just what students and parents of the Maine East sophomore parent-teacher council have arranged for Saturday evening.

From 8 to 11 in the Maine East cafeteria, mothers, dads, and their sophomore children will cavort in the "Monkey's Cage" into which the school cafeteria will be converted—peanut shells and all.

To build up the class treasury for senior year activities, the council has set a \$2 donation per family. Old Town atmosphere will prevail in decorations and entertainment.

Chairmen of the party will be Mr. and Mrs. Paul Koppe, of 8047 N. Wisner, Niles, Vice chairmen are Mr. and Mrs. Mario Di Flavio, of 235 Greenfield road, Glenview.

Inviting you to get into the Monkey's Cage with them are officers of the Maine East sophomore class and Mrs. Robert Kloepfer, decorations chairman of the class party which will be held March 5.

# Eternal Light Has Busy Month

B'nai B'rith Women Eternal Light Chapter will be very active during the month of March. From the 1st thru the 3rd of March we will have a rummage sale at Ebenezer AME Church, 1109 Emerson St., Evanston, Ill., March 1st the sale will start at 12:00 p.m. - 5:00 p.m., and the other days 2nd and 3rd we will open at 9:00 a.m. - 5:00 p.m.

Wednesday March 9, 1966, Mrs. Morrie Skaletsky, Adult Jewish Education Chairman will have an afternoon seminar in her home at 9100 Terrace Pl. Des Plaines. Saturday, March 12, 1966, 8:00 p.m. there will be an Artists and Model Party at the Northshore Academy of Art in Glenview, this will be an informal affair where everyone can display their talents. For further information call Mrs. Sidney Gracen, 7000 W. Carol, Niles, 965-7044.

Monday, March 14, 1966, 7:30 p.m. there will be a Champagne Early Bird Supper for members new and old who pay their dues for 1966-67. Mrs. Irwin Rieger, Jr., Past President, 9565 Park Lane, Des Plaines, had graciously given her home, Wednesday, March 23, 1966, 8:00 p.m. we will have BBYO at our general meeting. Election of executive officers and board of directors will be held the same evening, at the Niles Park Recreation Center, 787 N. Milwaukee Ave., Niles.

Sunday, March 27, 1966, 12:30 p.m., the chapter will have their Honor Luncheon at LaTours Restaurant on the Lake. High Fund raisers and members who were outstanding in bringing in new members to the chapter for the year, will be honored. For further information call Mrs. Irwin Rieger, Jr., Past President, 9565 Park Lane, Des Plaines, 296-2601.

We will end our "year" with the Honor Luncheon, but will begin the "new year" Wednesday, March 30, 1966, 6:30 p.m., at the Arc Restaurant, Waukegan Rd., with the installation of the new officers and board of directors. For further information call Mr. Irwin Rieger, Jr., Past President, 9565 Park Lane, Des Plaines, 296-2601.

# From Atop The Leaning Tower "Y"

From atop the Leaning Tower "Y" we invite your attention for a full report on the Y's social dance and dance programs.

**SQUARE DANCING.** For members and non-members alike, this recreational and instruction social course is for adults from the age of 17 years and up. Open dancing for beginners and experienced people and it is on Friday nights from 8:00 p.m. to 10:30 p.m. As this is the Y family night, may we suggest that as the younger set watch movies or swim, mom and pop join the happy group in the square-dancing room. Meet instructor-caller, Russ Miller, 1919 Woodland, Park Ridge - Past president of Chicago Callers' Association and the leader responsible for Chicago's Annual Fall Square-Dance Festival held at McCormick Place. Join the Square-dancers for a sociable evening in superb surroundings, every Friday evening at your Leaning Tower Y, 6300 Touhy Avenue in All America City Niles.

**YMCA Dance Director, Grace Hansen's Adult Social Dancing program, Tuesday evenings - 7:15 to 8:15 - Beginners waltz and swing, 8:15 to 9:15 the Latin Dance class - Bossa Nova, Rumba, Tango and mambo, 9:15 to 10:15 Advanced class - Cha Cha and waltz. All the latest discotheque dances will be included. For the youth - every Tuesday 5:30 to 6:30 is Jr. Hi. Cotillion, patterned for today's juniors and incorporating the social graces with modern dancing and Europe's elegant ballroom dancing techniques. Miss Hansen invites you and your friends to come visit at these healthful and enjoyable dance sessions. For registration and further information call your Leaning Tower Y at 647-8222.**

**TAP, BALLET and MODERN JAZZ.** Mr. Harry Lee Rogers (Broadway, movie and T.V. fame) instructor, presents brand new courses all designed for today's tiny tots, small fry and youth. Call your Leaning Tower Y - 647-8222 and they will be happy to accommodate you regarding days and times.

**ACROBATICS.** Tiny tots, small fry and youth. This is a course for boys and girls, specifically designed to develop agility, coordination, rhythm and posture and self discipline. As well as covering progression from front rolls and cartwheels to tips and aerials - rhythm, songs and special routines will be features of this course. Instructor is Marilyn Englund, 8824 Wisner Street, Niles, a professional dancer and active member of the Chicago Lenore Sutton Dancers group. This group is well known to T.V.

# Screen Candidates

A joint screening committee of Democrats from Niles and Maine Townships has been formed to screen candidates for State Senator and Representatives in the 4th District. The screening will be held at the Maine Township Headquarters, 1535 Oakton Street, Des Plaines, Illinois on Monday, March 7th at 7:30 P.M.

The members of the screening committee appointed from Niles Township are: Joseph Levatino, Niles, Albert Nehart, Morton Grove, Martin Brin, Lincolnwood, Aaron Jaffe and Phil Schwartz of Skokie.

Those appointed from Maine Township are: John Pistone, Niles, Marvin R. Parnell, Park Ridge, John Mackin, Corvyn R. Wagner and Walter Tistle of Des Plaines.

Raymond V. Krier, Democratic Committeeman of Niles Township, and Thomas C. Bradley, Democratic Committeeman of Maine Township cordially invite any and all interested Democrats who wish to be considered for these offices, to be present at the Maine Township Headquarters, 1535 Oakton Street, Des Plaines on Monday, March 7th at 7:30 P.M. The Committeemen suggest that prospective candidates bring a short resume of their background to the meeting.

# Police Briefs

Police Chief Clarence Erikson has decided to have an open house at the Niles Police Station, 7200 Waukegan Rd., during Police Week, in May this year. More details about the open house dates and time will be announced later. The members of the Auxiliary will act as hostesses. We hope everybody will take advantage of the opportunity to see our Village's Police Facilities.

# LETTERS TO THE EDITOR

## Disagrees With Mayor On TAM

Dear Mr. Bessert:  
Upon reading the Mayor's statement in last week's Eagle, we considered it essential to both clarify our position, as we erroneously stated it, and to take issue with his stand on the question of "saving Tam".

The mayor stated that his policy was not to comment on the Tam issue since the matter was in court. He also gave his explanation at the Board meeting of January 25th. Yet the following week he publicly stated his position on television, in direct contradiction of his supposed policy. At that time, he stated that the village could afford Tam in its entirety, and that industry would create more jobs for the people of Niles. Unquestionably, these statements could be considered prejudicial to the Park Board's court case, it was only after the mayor contradicted his own avowed policy that our demonstrations were initiated. This picketing was duly authorized, and was resorted to only after exhausting every other possible means of requesting public statements of policy by all our local officials. We make no excuses for it.

In his published letter of last week, Mayor Blase asserted that public clarification by him was precipitated by "a small group of people who have the idea that they want Tam at any cost". Presumably, this statement referred to the citizenry who support the Park Board's effort, and in particular, our "Save Tam Committee". This assertion that we advocate "save Tam at any cost" is as indefensible as is his definition of "any cost". Since obviously no one has advocated that, the statement must be considered a figment of Mr. Blase's imagination. In the approximate 900 words of his statement, he never once gave any indication of what his idea of a feasible cost might be.

Rather, he confined himself to negativism and innuendo. He contended that only 6 to 8 per cent of the people play golf, and therefore, 100% of the people should not pay for it. Perhaps, having surveyed the feasibility study, he remains unaware of the existing swimming and tennis facilities, the clubhouse, and proposed added recreational facilities, such as basketball and shuffleboard courts, picnic areas, etc. Mr. Blase proceeded to challenge the feasibility report of Alper & Alper as "exaggerated" and "unrealistic". By what expert gauge can he impugn the educated judgments of that reputable firm?

After dismissing the arithmetical reliability of the Alper report, the mayor contends that the entire Tam facility would only serve 8% of the people, while one-half of the area would serve 100% of the people. Such mathematical analysis is, to say the least, questionable.

Using his criterion, "100% should not pay for 8%", why should those residents whose children attend private schools, or those who have no school-age children, be forced to pay school taxes? Why were all the people of Niles taxed when the Milwaukee Avenue pool when only a small per cent use it?

Throughout his statement, Blase omitted mentioning the favorable review of the federal grant, which is one of our few opportunities to be reimbursed by our own federal tax dollars. At no time did he mention the duty of public officials to attempt to uphold the property

values of the citizens whom they represent. He deems it "fortunate that all industry is situated on the southeast end of town". The fact is that the residents of the southeast end of town deserve the same property values, the same standards of living as people on any other part of town. The mayor was not elected to serve the citizens of one part of town at the expense of making another part of town "the wrong side of the tracks". With the greater portion of anticipated industrial tax revenues going to Niles Township, that area west of Harlem Avenue (Maine Township) would not benefit appreciably from the added tax receipts.

It is encouraging, however, to note that the majority of our elected representatives, among them Senators Douglas and Dirksen, Congressman Rumsfeld, and President Johnson, are aware that the sentiment for saving Tam is not the wish of a "small group", but rather, the mainstream of thinking in Niles. As elected officials, they realize their obligation to the citizens whom they serve. Fortunately, for the people of Niles, these men considered the petition of 5,000 people in the true spirit in which it was presented, rather than indulging in semantical rationalizations to dismiss it.

At the village board's meeting of February 22, Keith Peck publicly endorsed the retaining of Tam, Ken Scheel affirmed the right of the people to ultimately decide the fiscal feasibility by referendum, and Ang Marchesini allowed that Tam is the only open recreational space available. While these statements may be belated, they give further proof that public officials have an increasing awareness of the people's will, and that they realize their duty to support the citizenry. If Tam O'Shanter is to be saved, if future generations of all ages and recreational interests are to reap its benefits, it will not be due to shortsightedness and negativism. Rather, the public utilization of the sorely needed open space that only Tam O'Shanter can provide will only stem from farsighted, positive action on the part of both the people and their elected officials.

Martin Hedrich  
6910 W. Howard  
Niles, Illinois

# More On TAM

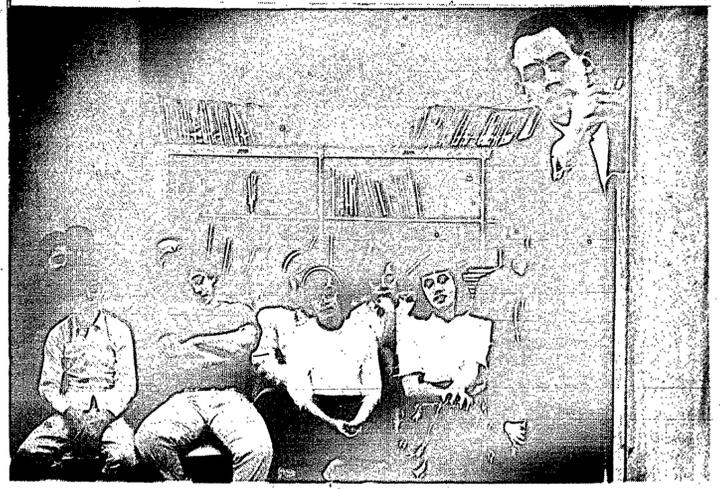

An Open Letter To Nicholas B. Blase, President Village of Niles, Illinois

Dear President Blase:  
In recent statements, to newspapers, TV cameras, and at village board meetings, you have declared that only a small group of people want to save Tam O'Shanter, but that your desire for factories on the golf course is in the interest of the general public.

Your remarks have raised questions that only you can answer, and we call on you to give those answers to the public immediately.

First, how can you presume to speak for the public, when you do not know (or do not care to know) what the average citizen of Niles thinks?

(Continued on Page 12)

# Weatherman Visits Washington School

Radar scopes, weather balloons, and other unique paraphernalia used by weather prognosticators held no secrets for fifth graders at Washington School in East Maine Township District No. 63. They've been studying how to understand and predict weather as part of their science units. Besides that, they've talked to an expert, in person. Weatherman Harry Volkman visited Washington School and talked to the fifth

graders about how he prepares high nightly weather analyses and predictions. "I'm amazed at the probing questions the youngsters asked," he said after the meeting. "They've learned a great deal."

# Maine East Students Receive Brotherhood Awards

Thirty-four senior and twenty-four students drawn equally from all four classes were honored last week at the annual Brotherhood convocation of Maine East high school.

Seniors who placed in the top five per cent of the class scholastically received awards from the Maine East Mothers Club. Three boys and three girls were chosen from each class after election by home room classmates, to receive the Brotherhood awards "for outstanding contribution toward creating unity and teamwork among fellow students."

Speaker of the day was William H. Robinson, director of the youth-service bureau of the Church Federation of Greater Chicago. Robinson was for 18 years Sunday school superintendent of the Monumental Baptist church in Chicago. He is now on the services advisory board of the Illinois youth commission.

# Approve New Salary Schedule In School District 63

A liberal new salary schedule for teachers, which compares favorably with top salary schedules in the North Suburban area, was approved Wednesday, January 9, 1966 by the School Board of East Maine District No. 63 during its semi-monthly meeting. The schedule, designed by a committee of East Maine teachers in coordination with Superintendent G. William Bullock, Jr., will provide higher salaries to attract new, unusually qualified teachers to the district, and to hold currently active and qualified personnel.

The schedule is also designed to encourage teachers to go back to school for advanced degrees by providing intermediate raises in salary between accreditation of a bachelor's degree and that of a masters. A teacher who has a masters degree plus 30 semester hours who remains in the district 16 or more years can earn a salary of over \$10,000.

# LETTERS TO THE EDITOR

(Continued from Page 11)

At the village board meeting of October 26, 1965, you announced that citizens would no longer be allowed to question the board or speak out on matters at the regular meetings. No public vote was taken on eliminating this democratic process from the board meetings of the "All American City."

For your reason, you stated that the establishment of the Town Forum meetings made the practice unnecessary. There has been only one Town Forum meeting to date, and that was held on Monday, October 18, 1965.

The only time any citizen is allowed to present his views to you in public now is when you give them special permission. If they dare to speak out, you tell them "keep your mouth shut," as you did at the February 22nd board meeting. How long will this undemocratic process continue? If you really represent the public, President Blase, why are you afraid to let the public speak?

Another thing, you have stated that factories on Tam O'Shanter will benefit all the people of Niles by bringing in more tax money.

Since the village lies in two townships, your statement is not accurate. The people west of Harlem who live in Maine Township will not benefit. But they live in Niles and would have to help pay for added police and fire protection if factories are built on Tam.

We would have added street and traffic problems, and it has been stated at more than one board meeting that Niles would have to have another fire station to protect the Anderson Company investment.

The additional taxes would benefit Niles residents east of Harlem, but the taxes would go to Niles Township and also benefit Morton Grove and Skokie.

But - the Niles residents are the ones who would have to live with the factories, and if they had wanted that they would have bought less expensive homes elsewhere, near factories.

We who have paid more to live in the open space of Niles want that open space to remain.

Whatever the cost of keeping Tam will be to each Niles citizen, it will be less than the 3% utility tax you imposed upon us last year. You passed that tax without any public debate or explanation. If you are concerned about the public now, why weren't you then?

You have stated that the feasibility study regarding Tam, made for the park district by the firm of Alper and Alper, is "exaggerated". Are you saying that a reputable firm

that specializes in such work does not know what they are doing? If so, where do you get your information? You owe it to the public to let them know too.

And why do you mention liquor licenses, when you know the feasibility study does not say anything about it? You say it "obviously would have to include liquor licenses", though the study explains less revenue would be obtained from the sale of beverages because Tam would be a public facility.

In addition, the feasibility of operating Tam is compared to two nearby public golf courses which do not sell liquor. If you can tell us how you arrived at your own conclusion, it would make your position more clear to everyone.

In your statements, you have referred to statistics that show all of the people do not play golf so they should not be taxed to pay for Tam. They may not be taxed anyway, but if the village did not acquire something, anything, because everyone did not use whatever it may be, then we would have no parks, no streets, no sidewalks and no village.

You have stated also, President Blase, that it is more feasible to allow factories on one half of Tam and make the other half over into a 9-hole golf course.

This, of course, is contrary to your argument that the village should not take over Tam completely because all the people do not play golf. If your argument is correct, why is half a golf course better than all of it?

Do you have some figures, or has someone made a feasibility study to back this up? If so, they should come forward and give the information to the public.

The park board has a study, and we believe it can operate the Tam O'Shanter golf course economically and make it into a public recreational area. The public is allowed to speak at the park board meetings, and the park board knows what the public thinks about factories on Tam O'Shanter.

President Blase, why don't you find out what the people of Niles think? Let them speak publicly to their elected representatives at village board meetings. It's the democratic thing to do, you know.

Citizens Committee To Save Tam O'Shanter  
Marion Clepley  
George Stevenson

## VFW Post 7712 Inducts New Members

The recent induction of three new members into Niles Post 7712, Veterans of Foreign Wars, has boosted membership to an all-time high of 226.

The new members, sworn in by Post Commander James Callahan, are Leo Penkala, 710 Newburg Ave., George Mank, 4846 N. Nagle Ave., and Edwin Chapman, 4838 W. Strong St., all of Chicago.

At the same time it was announced that the Annual St. Patrick's and St. Joseph's Dance will be held at the Bunker Hill Country Club, 6635 N. Milwaukee Ave., Niles, next March 19. Proceeds from the dance are used to enable the post to sponsor various village and civic functions.

# Niles Science Fair March 12

The Niles West High School Biochemistry Club will sponsor a science fair on Saturday, March 12. Carol Egel, President of the student organization, said that they expect to have about fifty projects exhibited. The projects will range the spectrum of scientific fields including physics, chemistry, biology, geology, astronomy, and mathematics.

Projects will be judged by people from the community who are professionally engaged in science related areas and who are interested in promoting the enthusiasm for science among the school's best science students. Carol Egel hopes that each judge will have less than eight projects so that he can spend time advising each exhibitor. Judging will be based on scientific worth, scientific technique, originality, knowledge, and display techniques. Winners of this fair are eligible to enter the Illinois Junior Academy of Science District Fair at Lake Forest.

Projects will be judged by people from the community who are professionally engaged in science related areas and who are interested in promoting the enthusiasm for science among the school's best science students.

## Pack 175 Holds Blue & Gold Dinner

On Sunday, Feb. 13 the Cub Scouts of Pack 175 held their annual Blue and Gold Dinner. Assisting their brother troops were the Girl Scouts of St. John Brebeuf Cadette of troops 33, 127, and 809. Setting tables, serving and cleaning up was completed by Cathy Corrado, Diana Majewski, Marcia Mosciński, Sue Clauson, Rilla Hüml, Nancy Laboda, Dawne Green, Marguerite Samuelson, Nancy Klosowski, Jeanne Huelman, Janice Zink, Celeste McHale, Dianne Karolowicz, Debby Rumm, Sue McCauley and Barbara Gruenwald.

## Preliminary Plans Made For Niles Days

At the February meeting of the Niles' Days Committee Chairman Bud Hanson announced preliminary plans for what promises to be one of the biggest and best carnivals yet.

In addition to a greater variety of amusements and attractions, Niles' "Golden Nugget" Days will be riding high with the fantastic, new Sky Wheel, the popular Dodgem, and ten other rides still to be selected.

Children between the ages of one and twelve will have the opportunity of putting their best foot forward and winning valuable prizes in the Kiddie Costume Parade, July 23.

Specific carnival arrangements have been assigned to the following individuals and organizations: publicity and Kiddie Parade-Mike Hilary; Janice Anderson; residential ticket distribution-Bill Bers; industry solicitation-George Koepelmeir; king and queen con-

test-Mrs. Marge Lieske; both sponsors-Stan Lowe; manning the ride booths-Follicemen Women's Auxiliary; Mr. and Mrs. Niles contest-Mrs. Ken Schaefer; parade marshal-Jerry Sullivan; car showing-Ernie Vehrs.

Bids for the 1966 raffle car have been received. They will be opened, read, and voted upon at the March 7 Niles Days Meeting.

For your convenience, our newly installed Self-Service elevator is now in operation. It is only one of our many improvements for the people of this community which we have been serving for 26 years from this location.

Of course, there is more than adequate parking available. And we are always at your service.

# LEGAL NOTICE

AN ORDINANCE

REGULATING VEHICULAR TRAFFIC ON SHERMER AVENUE IN THE VILLAGE OF NILES, COOK COUNTY, ILLINOIS

BE IT ORDAINED by the President and Board of Trustees of the Village of Niles, Cook County, Illinois, as follows:

**SECTION 1:** That Shermer Road, lying between Waukegan Road on the South to Dempster Street on the North, be and is hereby designated as being under the control and jurisdiction of the Village of Niles, pursuant to relinquishment of such control to the Village of Niles by the Cook County Board.

**SECTION 2:** That by assuming control of the jurisdiction of the area described in Section 1, the Village of Niles hereby assumes all maintenance and law enforcement obligations of the area described in Section 1.

**SECTION 3:** That in order to provide for the greater safety and welfare of the residents in the area described in paragraph 1, above, speed limit hereinabove described is hereby changed to 30 miles per hour from 45 miles per hour.

**SECTION 4:** That any persons violating the provisions of this ordinance shall be subject to be fined as provided in the Ordinance Prescribing Traffic Regulations and Providing Penalties for Violation thereof.

**SECTION 5:** That this ordinance shall be in full force and effect from and after its passage, approval and publication as provided by law.

PASSED: This 22nd day of February A.D. 1966.

# Another Morning Another Yawn.

Frieda Aron 966-9669

How not to write a column

If the deadline is Friday, then by the following Sunday, start racking your brain for a topic, look through your research file, think madly and exclusively all day, grumble to your family, "let me be, I'm thinking". When someone asks, "but isn't this the article that was supposed to be done last Tuesday, so that you wouldn't be tied in a knot all day Sunday?", whammy her into stone with that "evil eye glance. Well, then, what hasn't been dissected lately?

Well.....what's happened to the dream? That fraudulent one of moving to a small town where life is one great happy family. Where the community is friendly, spacious and homey, life is simple and free; the police chief is the fire marshal, the mayor is the garbage collector, the postmistress is the school teacher, the neighborhood grocer is the town banker, and credit comes from both in time of need. Unfortunately small town has been equated with suburbia-----and nothing, but nothing, is further from the truth. Now, how goes the reality?

Spaciousness.....until you move in, then a house here, a house there and soon 5,000 people living near you.

Friendliness.....flagrant abuse of privacy, until the glow of newfound togetherness fades and a sane separativeness sends everyone scurrying into their own backyard.

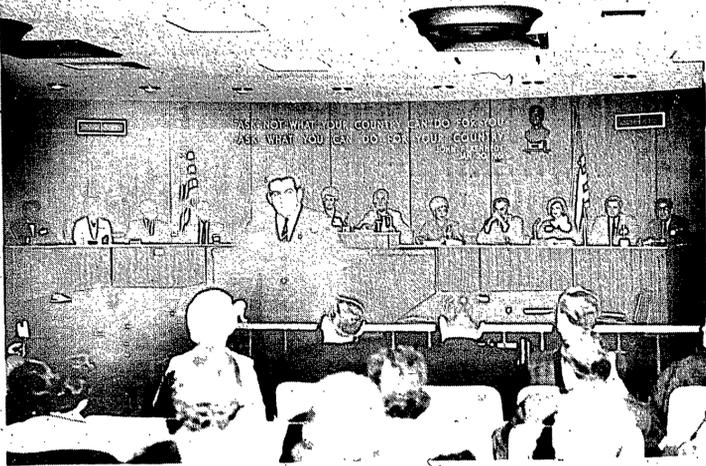

Simple.....as simple as two or three cars, (to subsidize the vile transportation system), and their upkeep plus the expensive upkeep of family and home, will allow. But everyone knows that.....!

Well.....how's about love? No one egotized the romantic movement to excess more than England's Lord Byron. It was he who wrote, "Man's love is of man's life a thing apart, 'tis woman's whole existence". But Lord Byron mislaid his part in life. He was young, beautiful and undisciplined, with a predilection for romance that started early and contributed to an early demise. His life was one of indiscretion and prodigality and at the age of 37, he was totally exhausted. He burned his candle at both ends, and while the light was lovely, it did not last a long night. Lord Byron dreamed of embracing politics and becoming a great liberal orator, he made some efforts towards that direction, but he seems to have left a name for himself mostly by verses that lyricized his own sorrows and bleeding heart. He was involved with scandal and numerous competitive mistresses, even with an incestuous relationship. At one period Byron had a wife and mistress living in his home at the same time. The mistress, his half-sister bore him a child as did his wife. To escape this bizarre situation Lord Byron took himself a new mistress and left the country. There continued a succession of new loves almost until the day he died.

"'Twas thine own genius gave the final blow, And help'd to plant the wound that laid thee low; So the struck eagle, stretch'd upon the plain, No more through rolling clouds to soar again! View'd his own-feather on the fatal dart. And wing'd the shaft that quiver'd in his heart?"

Could these words have been his epitaph?

And now what.....Why, the column's done!

On February 24, 1966, with the idea of starting some kind of mental health program in the surrounding communities, Mayor Blase of Niles invited a number of dignitaries to the Niles Village Hall to hear about a group called RECOVERY.

who have had problems in mental health, and an excellent exhibition was put on showing how the group operates.

There was great interest shown, which may lead to the furthering of the program in the surrounding suburbs.

RECOVERY is a self-help program for people

# Attendance Boundaries Are Changed In School Dist. 63

BY NAOMI KRONE

Once again the Board of Education of School District 63 has found it necessary to change school boundaries within the district to afford the ever-increasing population of the area "the best educational advantages possible."

At its bi-monthly meeting last Tuesday night, Feb. 22, members of the school board approved boundary changes that will affect Mark Twain, Ballard, Washington, Nathanson and Wilson pupils.

The changes were deemed necessary to stabilize the district for the forthcoming opening of the Shelley Nathanson school which is now contemplated for September, 1966. Nathanson school, to be the first in Dist. 63 to follow the unique concept of team teaching and the non-grading principle, is being constructed at Potter and Ballard, in unincorporated Des Plaines.

According to Acting Superintendent William G. Bullock, Nathanson school will provide flexibility, mobility and individualization for both the teaching personnel and the students. It will be a 20-room building that will be able to handle the load of a 24-room building because of that flexibility and mobility. Dr. Bullock told school board members, in announcing the proposed boundary changes, that "these changes will be as permanent as anything can be termed permanent in our school district with our ever-increasing school population."

Proposed boundaries for the Shelley Nathanson school, okayed by the board, are as follows: starting at a point at the southeast corner of Central ave. and Lyman ave., east to the southwest corner of Deerpark, and following a line south to Rte. 58, continue south on Deerpark, to Hollyberry ave., both sides of Hollyberry to Cedar ln., Cedar ln. south to Church st., both sides of Church st. to Western ave., then follow a direct line south to Ballard rd. and paralleling Western ave. on the west (no children living on Western ave. will be transferred), all children on both sides of Ballard rd. to Greenwood ave., the west side of Greenwood ave. south

to Dempster st., the north side of Dempster west to Potter rd. (all children east of Potter rd., going north to Rte. 58 (Golf rd.), all children north of Rte. 58, west to Lyman going north (all children east of Lyman ave. to Central ave.)

This will occasion changing the boundaries of Mark Twain school as well and these new boundaries are: from the northwest corner of Ballard rd. and Greenwood ave. (all children west of this line) north to Milwaukee ave., all children southwest of Milwaukee ave. to the projected North Shore dr. (both sides), west to the projection of Dec rd. south to Emerson, both sides of Emerson east to Hamlin ave., both sides of Hamlin south to Church st., a projected line east to Western ave. paralleling Church st. to the north, both sides of Western ave. to Ballard rd., east from Ballard rd. to Greenwood ave., north side of Ballard rd. only (no children living on Ballard rd. will attend the Mark Twain school.

These boundaries will serve to reduce anticipated enrollments in Wilson, Washington, Ballard and Mark Twain schools. Thus, Ballard school in Niles, will not have need for several classrooms (which are now listed as being definite safety hazards) and these rooms will probably be utilized by central administration personnel.

The school board members emphasized to the handful of parents present at the meeting that the safety factors involved in children using Potter rd. as an access to the Nathanson school would be reduced to a bare minimum and that cooperation toward this end would be sought from township, county and state officials. Among the items to be sought are crossing guards, stop lites and sidewalks.

(Kindergarten enrollment at Mark Twain, in Des Plaines, will be limited to 100 pupils and parents will be asked to use the kindergarten facilities to be made available to Nathanson school. The Des Plaines areas of Gregory ln. and the North Shore apts. are now in the Nathanson school area.

# Sewer Preventative Maintenance

The Niles Public Works Department cannot stress too strongly how important it is to practice a regular preventative maintenance program for sewer lines. Residents hire mechanics to make yearly inspections and needed repairs on their automobiles and the same maintenance program should be applied to sewers. Fats, vegetable pieces, hair, tree roots and other material build up and restrict the flow of drainage into the main village sewer in the street. Residents who have garbage disposals should flush more water down when using the disposal to prevent the accumulation of food particles which build up on the walls of the sewer lines inside the house and cause a restriction of the flow of drainage.

After a period of time the sewer line is completely closed and the sewerage backs up into basements. This back up can be avoided if residents place a spoonful of commercial drain pipe cleaner in sinks, regularly and have a licensed sewer contractor rod out their sewer line at least once each year if your property has many trees, or rodded at least once every two or three years for areas with few trees.

In response to a plea by the school board to the City of Des Plaines, made recently and asking annexation of the Nathanson school area so that water could be obtained from the municipality, it was announced at the meeting that a letter from Des Plaines Mayor Herbert Bohrer, stated no action could be taken by the Des Plaines City Council until after the case of annexation of the area now on the Circuit court docket, had been resolved.

The board voted to change its March meeting date and place to Mar. 15 at Melzer school for the PTA meeting and to Mar. 29 at East Maine Junior High school, Niles. The board also authorized the purchase of an additional one-quarter acre at the Ballard-Woodview site, where the construction of another elementary school in the district is planned for the near future.
