service by Nilesites west of Milwaukee Avenue will cause a great deal more consternation than our mere mention.

Our summer home-away-from-home, Michigan City, Indiana, just became an All America City for 1966. We'd like to lay claim to being a good luck talisman to any community which seeks this award. Just turn the old Bugler around three times, rub us on our topside, and you've got yourself an instant All America City.

One program MC initiated was a people-in-politics 10week course on practical politics. More than 800 people completed it and at least one graduate is on every committee and organization operating there.

It certainly would be a worthwhile venture for our local communities.

Niles Park director Marv Weiss' resignation takes place as of May 1. He moves on to the River Trails Park District, which is an unincorporated area east of Randolph. Marv previously served 2 years in the town of Carlinville, 9 1/2 years in Morton Grove and now 1 1/2 years in Niles.

Marv said he's moving into the new job at the same \$9,000 salary. He said he was "not entirely unhappy" in his present job which is the understatement of the year.

At a meeting not too many months ago we sat aghast as Weiss was badgered unrelentingly by park commissioner Ray Eagan. When we reminded Weiss about this harassment he said Eagan badgered everyone, commissioners as well.

Obviously, Weiss' leaving and Pendera's resignation less than 2 years ago indicates working for the park board is not an enviable job. Park president Chameriski told us he got along very well with Weiss indicating he does not understand the difficulties in working with the Park Board commissioners.

Weiss wants to leave without hard feelings but Nilesites would be better informed if Weiss decided to freely express himself.

Niles trustee Sam Bruno proposed Tuesday night all school and library districts should be notified that residents should be better informed. Bruno mentioned his district 64 area found out about the tax increase vote the Saturday morning of the election referendum. He also leveled criticism against Niles library district which did not send out any news releases pertinent to the Tuesday's election.

Niles and Morton Grove have always been the poor cousins in the high school districts. It was reported speakers seeking support for the Maine high school referendum spoke in Des Plaines and Park Ridge but ignored the Niles-Morton Grove unincorporated area. Ironically, the referendum failed in the Des Plaines-Park Ridge area but passed in the area where the speakers didn't show up. Could there be a message there?

District 71 Kindergarten Registration

Registration for children entering kindergarten in the Niles Public School, District 71, will be held Thursday, April 14, 1966-9:00 a.m. until 12:00 noon at 6935 West Touhy Avenue.

Bob Franklin's Celebrate 40th Wedding Anniversary

Good wishes and congratulations are pouring into the Franklin household at 7539 W. Kedzie in Niles, in advance of Bob and Helen's fortieth wedding anniversary on April 29th.

1966 is also the twenty-fifth anniversary of the Franklin's residence in Niles. They have seen the village grow from a population of 2,000 to approximately 30,000 residents.

Bob enlisted in service in 1942 and served with the Fifth Amphibious Fleet during his three years of service. He managed the Navy Officers Club in Pearl Harbor for a year after sea service, making many friends there, among whom are residents of near-by communities.

Niles Winds Up All America Rummage Sale Year With Dance

The Niles All-America year will be going out in style according to plans being made by the All-America Commission. Tuesday, April 26th will be the night of farewell to the All-America title. The evening's activities will be divided into two parts.

The first part will take place at the regular Village Board meeting in the Council Chambers starting at 8:00 P.M. The highlight of the meeting will be a brief review of the history-making events of the past year.

After the Board meeting is adjourned, the scene will shift to the Bunker Hill Country Club where the festivities and celebrating will get under way. The All-America Commission has taken over the club for the evening. Fun and dancing will be the order of business while the Al Peters band providing the music.

"Cascades" Featured Band At Recreation Center

The Cascades will be the featured band at the Niles Park District's band dance April 23 at the Niles Park Recreation Center from 8:00 p.m. to 11:00 p.m. This will be the last dance of the Spring season. Admission to the dance is 75¢ per person. High school students who attend Notre Dame, Maine East, Niles West, and Maine South high schools are eligible to attend. One outside guest is allowed. There will be a dance contest to highlight the evening.

Helen was first president of the Ladies Auxiliary to Niles Memorial Post #7712, V.F.W., and is a member of the Catholic Women's Club as well as of several educational organizations. She has been a teacher in the Chicago Public Schools for forty-three years, where she taught Junior High School, Vocational School, and is at present, teaching mentally handicapped children. Several of her ex-pupils are now rearing their families in Niles.

Bob is a member of the Holy Name Society and Usher's Club of St. John Brebeuf Parish, the North American Martyrs Council, Formarty's Fourth Degree Club, and La Salle General Assembly, K. of C., a charter member of Niles Memorial Post

Park District Table Tennis Tournament

The Niles Park District wishes to remind everyone that they are running a table tennis tournament. It will take place at the Niles Park District Recreation Center, 7877 Milwaukee Avenue, April 28, 29, and 30. The entrance fee is 50¢ and trophies will be awarded in the following divisions: Men and Boys - 18 and over, 14 through 17, and 11 through 13, Women and Girls - 18 and over, 14 through 17, and 11 through 13. Register now at the Recreation Center. Registration will close on April 25, 1966.

The Niles Park District is now in the process of organizing the softball leagues for the summer play. Two leagues will be offered, one for boys 18 and under, and the other for young men 19 and over. If you have an interested team, contact the Niles Park District, 7877 Milwaukee Avenue, or call 967-6593 for information pertaining to these leagues.

#7712, V.F.W., and the Niles Memorial Building Corporation, River Grove Moose Lodge, American Legion, and the Niles Lions Club.

He served thirty-six years with the New York Central Railroad from which he retired after suffering a coronary attack.

He served for seventeen years as a member of the Zoning Board of the Village of Niles and was Niles' first health inspector, a post in which he served for three years, under the leadership of Mayor Frank J. Stankowicz.

The Franklins have been active in civic and community affairs in Niles and are numbered among the highly respected residents of the village.

April 14 is the date of the Spring Rummage sale sponsored by the Womens Association of the Niles Community Church, 7401 Oakton Street, Niles. Sale hours will be from 9:00 until 3:30 p.m. All types of wearing apparel, household articles, books and toys, etc. will be available. Coffee and donuts will be served. That's - April 14 in the basement of the Church.

Woman's Club Spring Luncheon April 30

Saturday, April 30, 1966 is the date set for the annual Spring Luncheon of The Woman's Club of Niles, 10th District, Illinois Federation of Women's Clubs. It will be held at Shanghai L.I.'s, 5415 N. Milwaukee Ave. and following the delicious Cantonese Luncheon, there will be a fashion show featuring Montgomery Wards ladies apparel. Tickets are \$3.75 and guests are welcome.

Officers to be installed at this luncheon will be elected at the final club year meeting on April 20 at Bunker Hill Country Club. A very special program has been planned for this once a year member's only meeting. "The Pen Is Mightier Than The Couch" will be the topic for Miss Patricia Lavin, noted handwriting analyst. Miss Lavin has analyzed thousands of handwritings and tells her audience the interesting background of graphology. She has worked out sentences to supply as much information as possible about the writer and requests each person attending to bring along pen and paper.

Confirmation Classes At St. John Lutheran

After having confirmed 21 young people on Palm Sunday, Pastor Paul Bussert, of St. John Lutheran Church, 7423 North Milwaukee Ave., Niles, is now ready to accept youngsters, who are attending public schools, and will be entering 7th grade in September, for a new class, which will begin on Saturday, April 23, at 9 a.m. and end at 11:45 a.m. These classes run for a two year period, and children enrolling now, will be confirmed when they are in eighth grade. Any child of this age group is invited to attend these classes. For further information you may call Pastor Bussert at 647-9867.

A political worker for the incumbent Tom Bradley told us he expects Bradley to win and points to workers in every precinct as the reason for his optimism. While the worker has a political job, which may hinge on his tiger's winning, he said he expects an overwhelming victory for his man in his precinct.

While the speeches and the bunting and the news releases and the charges will be most prominent the next 50 days the candidates still keep a substantial bankroll in reserve for election day when watchers at every poll become key men in the election. While the old Rinky Pink Days of Chicago's more intamous elections have past still the guys watching the polls are essential insurance policies for the candidates. And since three men from three different areas are seeking the Maine Township post one poll-watcher at any one of the more than 90 precincts may prove decisive in this election.

While this is written before Tuesday's first confrontation between the candidates incumbent Bradley will be accused by the two newcomers of showing a lack of leadership. Blaise, likely be accused of having his fingers in too many pies. And Wessel may be charged with lack of experience in administering a political unit.

Wessel, the Des Plaines publisher, like Blaise, seems to be tagging all the bases. Wessel received the endorsement of two top union groups in the area, which he said locally represents more than 700 voters in the township.

All in all three very shrewd men, each with tremendous drive and an unbroken pattern of success will be at loggerheads with each other. While Blaise and Wessel attempt to pick-off the unincorporated area, with

According to Committeeman candidate Nick Blaise and his friends will pay homage to their "leader" Wednesday night (last night) at Villa Venice. The fund-raiser will swell the Blaise committee coffers for the battle against his two opponents.

According to past and present candidates, running for this post becomes an expensive effort. While figures become increasingly inflated with each passing comment it was estimated the Niles Township Demo post committee race four years ago cost at least \$20,000 to one candidate. The minimum figure estimated in that race was about \$9,000.

As the race turns into May, which is like "going around the far turn", costs begin to mount and rise to bankrupt proportions by election day.

Here in Niles Blaise already has two women "manning" his committee office. In Des Plaines Dick Wessel just opened his headquarters on Lee Street and is being "womaned" by one full-time worker. Both Blaise and Wessel have been unpacking banners, car-stickers, political buttons and Blaise has much literature being distributed in the area.

PARK BOARD VETOES TAM REFERENDUM

\$2,000,000 Cost To Voters Defeated

Niles park board Tuesday turned down a proposal to submit a referendum on TAM to Nilesites not to exceed \$2,000,000.

Commissioner Ray Eagan offered the motion, which was supported by park president Steve Chameriski, but was opposed by the three remaining commissioners. According to commissioners Jerry Sullivan and Jack Leske the proposal was "out of order," since the park board is still negotiating for part or all of TAM, and such action was not compatible while negotiations were still active.

While the park board hesitated to release figures park commissioner Schreiner said one bonding house would never go along with buying bonds, if such an action as a referendum took place. The vote, if approved would result in general obligation bonds being sold, and Schreiner noted the selling of even \$1,000,000 in bonds was doubtful. They noted the tight money market was responsible for this. Attorney George Gauthier noted the market has never "been tighter" since the 20's for the purchasing of bonds.

Provide Mutual Fire Protection

A formal agreement to provide mutual fire protection aid in the event of a major disaster has been signed by officials of Niles and Park Ridge.

Library Board Places Responsibility On County Election Clerk

(News Release) On April 12th the Niles Public Library District Trustees' election was held. The unofficial results which are still pending confirmation by the Cook County Election Clerk gave Diane Hanson 90 votes, Clarence Culver 73 votes, Isabelle Curtin 40 votes, Walter Zimm 8 votes, Sigmund Lewicki 4 votes, Len Borkowski, Nor Goodman and Bruna Swyzmanski 1 vote each. The extremely light vote was due to a publicity misunderstanding. By law this election is in the hands of the County Election Clerk who is responsible for all the details involved in carrying it out.

With this in mind it was the Library's understanding that the County Clerk would place notices in local newspapers for the election. Besides this in most elections the greater part of publicity consists of news items in the local papers. However with so many hotly con-

tested school board elections in this area the local news gathering services seem to have overlooked the library election this year. Sincere apologies are offered to the voters of the Library District who failed to vote because of this omission.

With a firm resolution that it won't happen again, let's look at a brighter picture.

The new library building is progressing very rapidly and

construction is just about on schedule. Exterior walls are up, the roof is on, and concrete floors are being poured. Plumbing, heating and electrical work are rapidly approaching completion. Most of the equipment and furniture have been ordered. With good weather conditions it appears now that the new building will be ready for use before the end of the summer unless progress is delayed by strikes or other unforeseeable difficulties.

'South Pacific' Is Coming

It's a date. In fact, it's a new date. Judy Finkestein, student director of "South Pacific," the Maine East high school musical, is the center of attention as she tells fellow student and faculty directors that instead of a traditional Thursday evening opening this year, the play dates will be Friday and Saturday evenings and Sunday afternoon, May 6, 7 and 8. Everyone seems happy over the decision to have one afternoon performance so that children will have an opportunity to see and hear the Rodgers and Hammerstein masterpiece.

Shown at a directors' meeting are from left: Lucy Brown (standing), scenic designer, of 1495 Dee Rd., Park Ridge; Margaret Lovasz, of 2518 Gayle Ct., Glenview, costumes; Mary S. Ulbrich, faculty assistant director; Judy; Keith Honn, faculty director; Vicki Bartel, of 8280 Dempster, Niles, makeup director; Miss Willa Mitchell, faculty costumes director; Judee Settipani, of 1334 N. Lundergan, Park Ridge; and Nina Fox, of 9108 Oleander, Morton Grove. Judee and Nina are co-directors of art work for the production.

Nick Blase Heads Voter Registration Drive

Nick Blase, candidate for Maine Township Democratic Committeeman, has launched an all-out attack on apathy. At a meeting in his headquarters last week he started his workers on a campaign to get the people out to register for voting by the May 3rd deadline.

The last two days for voter registration are on May 2nd and 3rd.

At the meeting Nick Blase said, "One of the saddest facts of life is that not enough people take advantage of their right to vote. This is a right that thousands of Americans have died to preserve, but what would happen if that right to vote was threatened. Americans would take up arms to preserve this right, and when it was won they would continue to stay away from the polls."

"The best way to preserve freedom and provide good government is through the ballot box. This is why everyone must register, and then vote whenever they are called upon."

Blase brought out another important point to encourage people to register on May 2nd and 3rd. "Anyone who is not a registered voter has no right to complain about poor government. He has given up this right by being indifferent on election day."

"I have heard many complaints about the current Democratic Committeeman from Maine Township. It is true that he has provided poor representation, poor leadership and has failed to do anything to solve the problems of the people of Maine Township, but it is also true that he was elected by a minority of the eligible voters... a small group of people who voted while the rest relaxed at home. It is sad that relatively few people can do this to the

majority of the people."

"This is why it is so important to get everyone into the polls on election day, so that there is a true representation of the people and not just that of a minority, and this is why we must do all we can to see that everyone is registered when the deadline comes on May 3rd."

Nick Blase sent his workers from the meeting with one last comment: "Get everyone registered, whether Republican or Democrat. We want to bring democracy back into Maine Township."

Reverend Seleen Is New Community Church Minister

The Bugle, Thursday, April 21, 1966

New residents of Niles are Rev. and Mrs. D. Douglas Seleen, the new Minister of Niles Community Church.

Rev. Seleen has served the First Presbyterian Church of Escanaba, Michigan as pastor since 1958 and has brought the congregation to a complete understanding of the Stewardship of One's self. This teaching has reflected itself into this church reaching the "Honor Goal" of benevolence giving—\$1 to General Missions for every \$2 of current expense.

In addition to meeting with the Session, he meets with the Session committees, Men's breakfast group weekly, Women's Association study group and Women's Association-Circles, Mens Club, and all other organizations that require his attendance.

Besides serving the First Church he further serves the whole Church as Stated Clerk of the Presbytery of Mackinac, and has visited nearly every church in the Upper Peninsula of Michigan which has furthered his understanding of the needs of other churches. His other activities include Treasurer of the Presbytery, Member of the Synod's Committee on National Missions, Chairman of Pres-

bytery's Committee on Stewardship and Mission. Prior to his call to his present church he served as pastor of the First Presbyterian Church, Washington, Illinois for 4 years, and as Assistant Pastor of Christian Education at Westminster Presbyterian Church, Peoria, Illinois for 2 years.

Rev. Seleen has a strong desire to improve his education so that he can better serve his congregation and has therefore participated in the Upper Peninsula Pastors Conferences and studied the "Nature of the Ministry." Just a few weeks ago he completed a graduate course at Northern Michigan University at Marquette. The subject he studied was "Counseling," which is another attempt on his part to better serve his people.

Rev. Seleen was born in Heron Lake, Minnesota in 1924, later moving to Colorado Springs, Colorado where he completed his high school education.

Rev. Seleen served his country attending Northwestern Midshipman's School, and on completion of his training served in the Navy as a Minesweeping Officer. (Lt. J.G.) While serving in the Navy he felt his call to enter the ministry, and where discharged he attended Macalester College, St. Paul, Minnesota where he received his Bachelor of Arts degree in 1949. He then entered McCormick Theological Seminary, where he received his Bachelor of Divinity degree in the ministry.

Rev. Seleen will begin his pastorate in our church on Sunday, April 24th.

New District 67 School Board Members Welcomed

The new members of the District 67 school board, Mrs. Wallace Rechel and Edward Reynolds, were welcomed at the 1966-67 board's organizational meeting in Golf Junior High School.

Dr. Irwin Ginesburgh was elected to his fifth consecutive year as board president at the meeting.

The new board members, a Glenview home-maker and a Morton Grove engineer, were elected unopposed on April 9 after their selection by the district caucus. They take the places of the two retiring members, Mrs. Otto Tinzmann of Glenview and Ward M. Dobbin of Morton Grove.

Current members of the board extended the district's thanks to the two departing members for their service to

the community during their three-year terms.

The others on the seven-member board are Dr. Ginsburgh, Bernard Rabens and William Randolph, all of Morton Grove, Lee Hammett of Golf and Norton Goodman of Niles.

Two other major considerations at the board meeting were hiring of replacement teachers for the fall term and the inauguration of a township special education class for partially sighted youngsters at the junior high level.

Elected To National Honor Society

Seventy-one seniors and 17 juniors have been elected to National Honor Society at Maine East high school, Acting Principal John J. Clouser announced this week. Nineteen seniors who were elected to the society as juniors last year bring the chapter membership total to 107.

Juniors who rank in the upper five per cent of their class are eligible to membership in their sixth semester, provided they

have no grades lower than B. Eligible seniors must have at least a B average and have taken no less than four full-credit courses in each of their first seven semesters.

Juniors pictured are Top Row: Ronald Feldman, Morton Grove; Mary Scarnato, Park Ridge; Marianne Follingstad, Park Ridge; Natalie Holden, Des Plaines; Jan Grazian, Morton Grove; Margaret Lovasz,

Glenview. Middle Row: Sue Storer, Park Ridge; Lynn Margolies, Park Ridge; Susan Lewis, Morton Grove; Raphael Goldman, Morton Grove; Faye Fuller, Park Ridge; Janine

Jason, Glenview; Deanna Neumayer, Niles. Bottom Row: Norman Jacob, Niles; William Alex, Niles; Jon Sudman, Des Plaines; Dick Skarie, Park Ridge.

LWV Presents 'Juvenile Delinquency' Program

The Welfare Committee of the League of Women Voters of Morton Grove is presenting a program this week in conjunction with its study of juvenile delinquency with the spotlight on the Illinois Youth Commission and its correctional and community services divisions.

"The phenomenal rise of juvenile delinquency is a matter of concern which each parent would do well to take particular note of," said Mrs. James Pionke, Chairman of the Welfare Committee. "According to recent trends one in five boys will appear in court on some charge, Boys in the age group 13 to 17 are particularly prone to fall into this hazardous group."

stand the causes of the child's delinquency in the first place, and third, by actively helping to restore him to the community rather than branding him a delinquent and ostracizing him to a life of crime.

Mr. Samuel Sublett, Jr., Superintendent of the Illinois State Training School for Boys, St. Charles, Illinois, will be the timely speaker at the LWV Annual Luncheon, May 10 at 12:30 P.M., at Ed Roberts Colonial House, 9010 Waukegan. The public is invited. Call Mrs. Oscar Liskar at YO 6-4836 for more information.

GM Bank Gives Easter Baskets

Beeee-utifull and Luscious is the description of the Easter baskets delivered to Orchard School for Special Education serving Niles, Morton Grove, Golf, Lincolnwood and Skokie by the Golf Mill State Bank.

The special baskets were all safely tucked in plastic to take home as a delightful remembrance of the Easter bunny's annual tour of our township.

The baskets were on display Easter week in the lobby of the Golf Mill State Bank, as a gentle reminder that our Orchard School children are very much with us, and well remembered by the Bank's special Easter Bunny.

Tucked in among the copiously filled baskets were three large delightfully cuddly bunnies, Easter mauve and pink and white. These were quickly adopted by the nursery children even though the bunnies were almost as big as they are.

It was great fun to draw numbers to match the numbered baskets. No two baskets were alike, making a beautiful display. The children were delighted and sent signed notes of appreciation to the "Fabulous Bunny" the next day.

TOPS 3rd Birthday Party

Niles TOPS (Take Off Pounds Sensibly) which regularly meets on Monday evenings at the Niles Bowling Center is busily preparing for their third birthday party on Monday, April 25 at Bunker Hill. It was April 11, 1963 that TOPS Leader, Dotty Sullivan, met with a handful of ladies in her living room to assemble this chapter of TOPS, Inc. With members coming and going in it's three years, the entire membership now totals 118. In the three years Niles TOPS members have lost close to 4,000 pounds and many local ladies have thrived to their own accomplishments. They have learned to diet sensibly and next Monday they will gather to wish the club a very happy birthday and a coming year of repeated success.

Open House At Nelson School

April 26

The Nelson School will hold "Open House" at 8:00 p.m. on Tuesday, April 26, 1966.

Parents are invited to come and browse around, as the children work will be on display in their room.

A Science Fair will be presented by the Fifth Grade students.

Refreshments will be served from 9:00 p.m. in the school's "All Purpose Room." Hostesses for the evening will be the second grade Room Mothers.

Troop 127

Fifty Table Favors with an Easter theme were presented to the Bethany Terrace Home by Junior Girl Scouts of Troop 127. This is the third part of the troops "Promise in Action". Assisting the girls were leaders Mrs. Marion Erickson, Mrs. Richard Mueller and Mrs. Arthur Vodka.

Notre Dame Melodons Annual Concert April 22

On Friday, April 22nd at 8:00 P.M. the Melodons of Notre Dame High School Jazz Lab will present their annual concert, Music For Moderns.

The Melodons, a 20 piece stage band, have compiled an enviable record for themselves over the past years. Besides consistently winning the "Best of Show" award at the Chicago Stage Band Festival, they have been highly praised by many of the leading professional musicians in the jazz field.

They have been guests of the Collegiate Jazz Festival at the University of Notre Dame for the past seven years. Last summer at the present band's performances in the Down Beat Jazz Festival in Soldier Field, producer George Wein, who had presented the famed Farmingdale High School Band at the Newport Jazz Festival, publicly called the Melodons "the finest high school group I have ever heard".

Melodons in a set of numbers. He is currently engaged in professional playing in Chicago and in giving clinic and guest appearances for the Conn Corporation.

The Melodons are under the direction of the Rev. George Wiskirchen, C.S.C., head of the music department, who is highly recognized in the field of educational jazz. Besides teaching at the Eastman School of Music during the summer session and his writing and reviewing, Father Wiskirchen recently served as judge for two of the major college jazz contests, the Collegiate Jazz Festival at Notre Dame University and the Mobile Jazz Festival in Mobile, Alabama.

Special lighting effects for staging the concert will be provided by the technical staff of the Jugglers, the school dramatic organization, under the direction of Rev. Thomas Markos, C.S.C.

The concert will be held in the school auditorium at 7655 Dempster Street in Niles and tickets may be purchased at the door.

Highlighted on the concert program will be music for big band in many different styles ranging from the swing of Count Basie to some of the modern sounds of Charlie Mingus. Several arrangements by present and former members of the band will be performed. Featured soloists will include Johnny Priola on trumpet, Nick Talario on trombone, John Yanov on alto sax, Bob Feldman on flute, Mark Schuster on vibes and Jim McNeely on piano. A student combo under the leadership of Bob Feldman will also perform.

This year the special guest artist with the band will be Bill Ussellon, former tenor saxophone soloist with the Les Brown Band of Renown. Ussellon's work can be heard on many of the Les Brown recordings and he will be featured with the

A lazy, friendly rivalry, a slight tendency towards chauvinism (I am a Skokian, I am a Nilesite, etc.) forgotten, independent villages and villagers found a common denominator, suddenly. Unfortunately, it isn't brotherly love that brings people together except in individual cases, more often it is tragedy, hate and bigotry that foments mass reactions.

Two meaningful events, interlocking events, took natural precedence over everything else, this past month. A review of a ban on school prayers and the election of new school board members for Niles Township. The ban on prayers remained in effect; the Caucus candidates, controversial purely because of their religion, won with an overwhelming vote. Intelligent, reasoning, level headed people had the final say.

One can expect lay people to speak carelessly, without thought, but those who are in the public eye, must be cautious and evaluate their words carefully; a lack of communication and misrepresentation of the facts heralds nothing but disaster. We do not really expect politicians to be utterly truthful, howsoever they might mean to be, there are too many political bedfellows to appease. But we must have honest, considerate and non-conflagratory thinking and speech from the clergy, from all religious leaders. Recanting or clarifying careless words will not do; the harm has been done and fringe elements waiting to latch on to any provocation, any reason to dispense a legacy of hatred, will jump to the aid of the loosely spoken words.

In 1910 when our schools were considered to be Protestant, reading of the St. James Bible and Protestant versions of hymns being sung; a Catholic woman, on behalf of her religious beliefs brought suit against the Board of Education to prohibit reading of the St. James Bible, the Lords Prayer and hymns, based on our State constitution going back to 1818.

EX, Rel, Ring vs. Board of Education—245-111. In this case the Illinois Supreme Court held "that the reading of the bible in the Public Schools was equivalent to giving sectarian instruction within the meaning of the constitutional proscription, of the State and the Federal Government". In its opinion, the Court reasoned that the parts of the scripture forming the basis of sectarian differences could not be intelligently read without making an impression favorable or unfavorable in reference to the ideas derived therefrom.

The suit was successful, the reading of the St. James Bible and the recital of the Lords Prayer was banned from Illinois public schools.

Has Father Sauer forgotten this case? Is it commendable when a Catholic woman sues to prevent prayers in school, and reprehensible when another religious segment objects?

"This is a ghetto idea, brought here from the old country", said Father Sauer. "The issue was raised by a minority group, and they can't ban God from our lives", speaking about the protesting voices,

Mrs. Judy Block, board member, since retired, said the most significant words at the meeting of the board, that night, "Our founding fathers showed great wisdom, protecting the democracy of a people, means protecting each one's right of religion"

The case for our oil

Many oil companies need a special motor oil to meet military requirements.

We don't.

Our motor oils are that good in the first place. We've upgraded all Marathon V.E.P. motor oils to exceed the tough new performance specifications of G.M.,

Ford, Chrysler, and A.M.C. We try to put a little something extra into all of our products.

Because, as far as we know, we're still the only oil company to guarantee your satisfaction with everything we sell and all our services. What if you're not satisfied? Tell us. We'll send your money back. A lot of people think that's a pretty strong case for trying us. Will you?

Tell us if you're mad.

GLASS-LINED, HEAVY STEEL JACKET—Porcelain Enamel Finish on inside and outside to prevent rust and corrosion!

FULL FIREBRICK LINING—Won't rust or burn out!

PORCELAIN ENAMELED CAST IRON TOP—Stays new-looking. New "Positive Seal" joint between top and jacket prevents smoke leakage.

LARGE CAPACITY—a full day's accumulation of trash and food waste for a large family consumed in one filling.

BUILT-IN BAROMETRIC DRAFT CONTROL keeps chimney draft steady.

SAFETY PROTECTION—Combination control includes a Safety Valve which automatically turns off all gas if pilot light goes out. Relighting pilot is simple procedure.

LARGE, SIDE-HINGED DOOR—You can open the L-15 door without arm or hand passing over the opening. Door is insulated with a heavy tuffite plate, offset at the edges for a smoke-tight fit. Handle designed and placed to stay cool.

FULLY AUTOMATIC—Just put in trash and food waste and set the burner timer. That's all! Clock timer automatically turns off main burner at end of desired burning period.

NEW! ROTARY GRATE—A terrific feature! Special rotary grate, operated by handy lever on side of incinerator, drops ashes and non-combustibles directly into ash container. Due to front-splitt action, ashes fall away from the burner—not toward it.

PROTECTED PILOT LIGHT cannot be snuffed out by ashes or non-combustible objects falling or being shoved against it.

LARGE ASH DRAWER—slides out easily. Holds two weeks' to a month's accumulation of ashes.

Pack 88 Plays Host To Pack 70

Friday March 25, Pack 88 played host to Cub Pack #70, Pack 70 is from the Golfview School and is re-organizing. Mr. Bruce Lundin awards Chairman from Pack 88 and the Cubmaster from Pack 70 gave 21 Bob Cats from both packs their pins during an Indian ceremony. It was a real pleasure to have these young cubs join in with Pack 88 and we wish them a lot of success in the re-organization of Pack #70.

The Edison School Gym was filled with tenseness and excitement Friday March 25 while the Pack's annual Pinewood Derby took place. The work on these little model racers was fantastic. Although all worked very hard on this event, there could only be three winners. The finals told the tale of whose car ran the fastest down the track. The top three were: Tommy Christerson - Den 1; Chris Diederich - Den 2; Mark Mildenberger - Webelow Den. Kieth Uilberg came in fourth. Sure was a good try

Kieth, better luck next time. Watch the local papers for pictures of this event.

Mothers of Pack 88 - Remember April 26 is our Dominick's Day. Mark your calendars now. Your son's den mother will give you all the details on this.

The scouts of Troop 88 will leave for a week-end camping trip to Rock-Cut State Park in Rickford, Illinois on April 29 and return Sunday May 1. This is the spring Camporee where the scouts can win ribbons for the troop by showing their skill at troop feats. Let's see you win some first place ribbons boys. They will leave from the Edison School Parking lot Friday April 29 at approximately 6:00 p.m.

Pictured are (L to R): Kieth Uilberg - Fourth Place; Mark Mildenberger - Third Place; Tommy Christerson - THE CHAMP; Chris Diederich - second place.

Mayors Continue Study On Unincorporated Area

At a meeting held on April 8, 1966 at the Niles Village Hall, Mayor Blase of Niles, Mayor Ball of Park Ridge, and Mayor Behrel of Des Plaines, in their continuing study of the unincorporated area, have broken down the area, for the purpose of evaluation, into the following categories:

1. LAND USE - to be accomplished by study of aerial maps to be made of the unincorporated area.
2. TAX STUDY - a study which will be done by actual tax experts from the County Offices.
3. POPULATION STUDY - made by a head count of the entire unincorporated area.
4. UTILITY SERVICE - which includes water rights, and this will be made by persons qualified in this field.
5. FIRE SERVICE - such as water pressure, quantity of fire hydrants, etc., will be made by one of the local fire departments.
6. STREET IMPROVEMENT - a study of street systems, what streets need repair, where, when, and what streets need re-surfacing.
7. STORM DRAINAGE - a study of storm pressures in the area, and this again will be made by qualified personnel.

Studies on these different categories have been started so that we should have some real evaluations of the entire un-

corporated area within the near future.

Again, it should be pointed out that the reason for the study is so that the established municipalities can have a sound basis, when and if, the people of the unincorporated area request annexation.

Meeting Date Changed

Since the National School Boards Association Meeting is being held in Minneapolis beginning Saturday, April 23, and extending through the following week, the Niles Township High Schools Board of Education has changed its regular meeting of April 25 to Thursday evening, April 21.

The purpose of the change is to give opportunity to Board Members and the Superintendent to attend the meeting in Minneapolis, if they choose to do so.

Lutheran Church Of Resurrection

Lutheran Church of the Resurrection holds Worship and Sunday School at 9:30 AM, with nursery included. On Sunday, April 24, Pastor Steven Murphy's sermon topic will be "But Everybody's Doing It!" The new Church, at 8450 Shermer, Niles should be ready in about two months. Meanwhile the congregation is meeting at Golf Grade School, 9401 N. Waukegan Rd., Morton Grove.

"C'mon Bernie," said Bernie's wife.

"If we buy electric whole-house air conditioning now, we can save money."

So Bernie did.

Did Bernie save money?

You should see his smile.

Read how you can save, too.

The contractors who install electric whole-house air conditioning aren't busy right now (it's between seasons). In order to keep busy they are strongly inclined to make special money-saving deals for smart folks who want to keep cool.

Last year, 25,000 smart Chicago area folks installed electric whole-house air conditioning. Join the smart crowd. (Bernie did.) Your heating contractor can make you a member. Air-condition now.

With electric whole-house air conditioning you'll have the least expensive air conditioning available, both in the cost of the unit (as little as \$800 in an aver-

age 6-room house) and cost of operation (about 40 cents a day during the air-conditioning season).

And with electric whole-house air conditioning you'll enjoy cool, filtered, dust-and-pollen-free air. You'll be really comfortable, and you'll sleep better and eat better. Best of all, you'll know it is one home-improvement you'll get your money back on if you ever sell your house.

Now you know why 25,000 electric whole-house air conditioners were installed in the Chicago area in 1965. And why you'd better beat the crowd in 1966.

Niles Bowling Center Accepting Registrations For Summer League

Niles Bowling Center, is now accepting registrations for all Summer Leagues with all evening bowling during the evening. On Monday, the MEN'S SCRATCH DOUBLES will be featured again and the Top Scratch Men Bowlers Of the Northwest Area bowl in this league. This league bowls 6 games per night, 3 games of doubles and 3 games of singles.

Men that carry an average of 175 or higher, are invited to join this league.

On Tuesday evening, the Ladies Scratch doubles will be featured, and this league bowls 4 games per night, and the Top Lady Scratch Bowlers bowl in this league. Ladies that carry an average of 140 or higher are most welcomed to join this league.

On Wednesday night, the Wednesday Mix Handicap League will be featured, with 2 couples to each team, bowling 3 games each night.

The Teen-Age GUYS AND DOLLS will begin their 8th summer season at Niles Bowl, this is a handicap league, and the league bowls 3 games each night. Ages 13 to 19 are invited to join this league. At the end of the season, the members are given a dinner banquet and dancing after dinner. Many trophies and awards are given to the top teams and bowlers at the end of the season.

This is the biggest treat for all the summer leagues. Niles Bowling Center will undergo a complete remodeling program, from July 12 thru July 24, re-opening on July 25. The summer leagues will be the first to use the newly installed equipment and settees, when they resume their summer bowling.

The DeLuca Bros., Joseph, Michael and Frank, have announced the NEW LOOK for 1966 which consists of New Equipment by Brunswick and A.M.F. All new colors will radiate Springtime Freshness thru-out. To be installed, New Ball Return Units, with hand-dryers alongside of each unit, New Bowlers seating section, and New scoring tables. Refreshment racks for beverages will be of stainless steel, and new spectator seats will be installed. The new ball return units will have the Elevator Lift, which will eliminate bowling balls from jamming under-ground. Blue and White colors will pre-dominate thru-out, thus giving the bowlers that Spring-Time feeling the year around.

Summer leagues will get underway the 3rd week in May, with two weeks off during the remodeling program. Visit Niles Bowling Center for an application for the summer leagues listed, New-Comers in our area are invited to join.

Krier Claims Lerner Is 'Using' Caucus Party

(News Release)

Niles Township Democratic Committeeman Raymond V. Krier today charged his opponent with employing deceit and trickery in his "use" of the Caucus party as a personal vehicle to further his political ambitions.

Krier said a perfect example of this tactic was the no-notice, no-announcement, sham-screening process by which the Democratic Voters Association, a Lerner miscreation, came forth with Calvin Sutker to contest the State Representative race.

This is plainly a further attempt by Lerner to undermine the strength of the Democratic

Siegel: 'Future Of Demo Party At Stake'

(News Release)

Speaking before the men and women of the Democratic Voters' Association, popular Bill Siegel, Skokie Village Clerk and Campaign Chairman for Jerome Lerner, Candidate for Democratic Committeeman of Niles Township, stated: "Jerome Lerner has shown us the spirit and guidance of a real political leader. He has already expressed the winning spirit for the Democratic Party that will re-ultimately elect two State Representatives and State Senator in the 4th District. Contrasted with Ray Krier's willingness to concede two Representative spots and the State Senator Office to the Republicans, Lerner is going to go all out to try to win these offices for the Democratic Party, where Krier accepts defeat for our party, Lerner strives for victory."

"Jerome Lerner understands that the Democratic Party needs to present to the public two outstanding candidates for State Representative and an outstanding candidate for the State Senate, if the Democratic Party hopes to win the support and enthusiasm of Democrats and independents in Niles and Maine Township comprising the 4th District. Krier thinks only of vested interests and not the future of the Democratic Party.

Siegel said "There is more at stake in this election than the contest for Committeeman between Jerome Lerner and his opponent. The future of the Democratic Party is at stake. In this exciting and vital area Jerome Lerner will provide the vitality, the vision and the leadership we need."

party and to sacrifice proven, qualified Democrats running for elective office.

Sutker's candidacy is not primarily a bid to win, but rather a play to siphon off votes from our award-winning State Representative, Edward Warman. Warman demonstrated his abilities as a blue-ribbon freshman legislator, and his record speaks for itself. Yet Lerner feels the need to ride additional coat-tails, and he coincidentally hand-picked at this so-called legitimate screening, his law partner from all the candidates who might have been available.

If we could grant the opposition with sincere motives, it must necessarily follow that Sutker is apparently considering a run-out of his responsibilities to the voters who elected him as Village of Skokie Trustee not even a year ago. There cannot be much responsible appeal to the Democratic voter in Niles Township, much less to any conscientious Caucus Party supporter who helped to slate and elect Sutker, that he has been so easily persuaded to believe that his four year commitment has been fulfilled in ten months.

As Democratic Committeeman, I have always counseled our elected representatives against seeking another elective office until they have first discharged their obligations to the voters. I suggest that we must

question the good faith of a candidate who campaigns for office on a platform laden with promises and plans, and who, a few months later, tosses to the winds every campaign pledge and every promise in his search for more fertile conquests.

If Caucus party supporters condone this action, they then sabotage their own open-screening, open-debates, slate-making practices. They irrevocably make a mockery of their campaigns and their platforms, for this endorsement was achieved without public notice or public invitation. No one knew about the so-called screening until after the fact, and until after it was mysteriously decided that Lerner's law partner was the best possible choice. This procedure is contrary to the Regular Democratic Organization's method of selecting candidates, but Lerner, through some perverted reasoning, believes this will advance his own cause and will endear him to the thinking electorate.

I believe that it is time to reveal the masquerade of these political opportunists whose win-at-any-cost strategy threatens the cause of healthy partisan politics in the community. The voters of Niles Township will not tolerate these underhanded political machinations, and I have no doubt that Edward Warman will be returned to office.

A Big Pizza Party will be held at Townhouse T.V. & Appliances, 7243 W. Touhy, Thursday and Friday, April 21 and 22 from 4 P.M. to 9 P.M. The public is invited to sample several pizzas which will be cooked electrically.

Niles Baseball League Dance April 29

In spring a young man's fancy turns to thoughts of "Baseball" and in Niles, the "All American City", there are no exceptions. Soaring baseballs, swishing bats, and stiff muscles are the order of the day as players, managers and coaches train for coming season which will commence on Sunday, May 15. The Niles Baseball League Program will provide approximately 700 youngsters the opportunity of learning and enjoying America's favorite sport.

together for fun and frolic. Make arrangements with your friends for the big day, Friday, April 29. The event will be held at the beautiful Hyatt House located at Lincoln and Touhy Avenues. Additional tickets are available at the door.

The program seeking new sponsors will continue indefinitely and anyone interested in sponsoring a team in whole or in part is urged to contact Walt Bousse, Yo-7-7515, or any member of the league.

Receives Degree

Kenneth Norkus, 8247 Octavia, Niles, Ill., has received a Bachelor of Science degree in Mechanical Engineering from Illinois Institute of Technology, Chicago, at commencement exercises which were held at Grover M. Hermann Hall on the IIT campus on January 28, 1966.

In addition to training for the baseball season, the league Officers and Directors wish to remind you to get in shape for the renowned Niles Baseball League Dance where the sponsors, managers, coaches, parents of players and all adult residents of "All America City" get to-

ND Mothers Card Party

Notre Dame Mothers meet to discuss plans for the forthcoming Anniversary Card Party which will be held April 29th at 8 P.M. in the school at 7655 Dempster, Niles. Checking the list of prizes, which includes a bright red 1966 Volkswagon are: seated (left) Mrs. Irma Kalas,, 733 Pratt, Lincolnwood; Card Party Chairman, Mrs. Jack Gocke, 7301 Mulford, Niles; and Rev.

Joseph O'Neill, C.S.C. School Principal and Mothers' Club Moderator. Standing are: Mrs. Louis Joseph, 8812 Marmora; and Mrs. Emil Kanzer, 8932 Ottawa, both in Morton Grove.

Proceeds will benefit the School's Educational Expansion Fund. The public is invited to attend.

LETTERS TO THE EDITOR

Niles Secret Organization

To All Niles Residents:

There is a secret organization operating in Niles. They meet in a dingy backroom of an old store filled with books. No one knows what happens at their meeting because they keep it a pretty deep secret.

This secret organization is called a Library Board. It works under cover, being careful to keep public attention away. The members of this secret organization are supposed to be elected by the people. Unfortunately, the people don't know it. Even the election are kept secret.

There was an election recently and about 100 people voted. That's 100 voters of the entire Village of Niles. But don't blame the people, blame the Library Board. They did their best to keep us away from the polls.

You see, things are very quiet with the Library Board and they like to keep it that way. They choose candidates who will run for the Board vacancies, and it's being said that they try to discourage anyone from running against them. There is no caucus, no publicity and no press released. The candidates don't campaign. As a matter of fact, our newspapers hardly mention the election. The addresses of the polling places are even kept secret from the poor, misguided souls who think they can vote.

But here is the strangest thing of all: The Library Board should want people to know everything. They have a lot to be proud of. The members of the Board are dedicated citizens who work long hours without pay to build a fine library for Niles. And they have done a fine job of it. Then why do they keep it a secret? Why don't they publicize the activities AND their elections?

Think what their secrecy can cause! Think how easy it would be for an extremist group to win an election at the last minute through a write-in campaign by their followers. Think what this could do to our library.

This is why it is the duty of the Library Board to keep people informed, and above all, to maintain open elections.

You're doing a fine job, folks. Why not let us voters know about it?

Norton S. Goodman
7023 Carol
Niles, Illinois

Library Board Tells Secret

Dear Mr. Besser:

In the Bugle of April 14, you reported, "Diane Hanson and Clarence Cutler were elected to the two posts and out going Board Member Sig Lewicki will be appointed to fill the vacancy caused by Edna Walger's resignation. We're afraid our friends on the library board preferred this method of insuring they would have seats on the Board, rather than risk an election which had three candidates compete for two positions."

Only three people were interested enough to file petitions. But this meant a contested election. When there is a contested election all precincts have to be opened and manned, (Illinois State Library laws.) This means a cost, to the tax payers, of about \$4,000. With a non-contested election only two polling places are necessary and the cost is about \$600. The difference is a \$3,400 saving of tax payers money.

With this in mind I decided to withdraw my petition and have my name removed from the ballot.

A Cook County Judge will fill Edna Walger's vacancy by appointment. He will receive all names recommended and then decide who shall serve in the vacancy.

The Library Board has no obligations, as to whom they recommend.

When I took this position I felt it my duty to spend the peoples' money wisely, if the idea of saving is wrong, then I am wrong.

Sig Lewicki

Demo Women Get Away From Politics

A social evening away from their role of politics will be spent on Tuesday, April 26th by the members of the Niles Township Regular Democratic Women's Club. This is a different day of the month than the group usually meets on, but it was selected as one which would fit into everyone's schedule more easily.

The ladies will meet again at Krier's Restaurant at 8014 Lincoln, in Skokie. Mrs. Len Kazmerski, of Niles, president, will call the meeting to order at 8 P.M. After a short business session to bring the organization up to date on current election facts, cards will be played and cake and coffee served.

The refreshment committee will consist of Niles and Morton Grove members and the officers.

Maine Adult Evening School Educates Dogs, Too

Many well-trained dogs residing in this area are the farming and poised graduates of the Maine Adult Evening School's course in Dog Obedience Training. To those a bit shaken by the concept of dogs enrolling in the Adult Evening School, Don Des Lauriers, instructor of the class, points out that actually he teaches adults to train their dogs.

First offered in February of 1965, the Dog Training classes have been overwhelmingly popular. New classes will again be included in the new Spring term held at Maine Township High School East, Dempster Street and Potter Road, Park Ridge.

Beginning Dog Obedience Training instructs in heeling, sit-stay, down-stay, recall, and figure-eight. An orientation session for the dogs' masters only will be held Wednesday, April 27 at 7 p.m. There-

after lessons with the dogs attending will be conducted from 7:30 to 8:30 p.m., Monday May 2, 9, 16, 23, 25, June 1, 6, 13, 20 and 22. Graduation will be celebrated June 27.

Intermediate Dog Obedience Training which features show training will be held from 8:30 to 9:30 p.m. on the same dates.

Information on age requirements for dogs may be obtained by calling 825-3435, or 825-4484.

Wilkins Music Center Annual Concert April 24

Wilkins Music Center of Morton Grove will hold its annual concert on Sunday, April 24 featuring outstanding students of the school and professional guest artists. The concert starts promptly at 2:30 at the Prospect High School, 801 Kensington Rd., Mount Prospect, Illinois located one mile west of Randhurst Shopping Center.

Featured guest artists include Eddie Smith, nationally renowned concert organist and Leon Borkowski, classic guitar artist. Other highlights of the program include State Champ-

ship Guitar Ensembles under the direction of Armando Pizzi, Jr. and Peter Garcia and the State Championship Wilkins Symphonettes, an accordion band under the direction of Nicholas Weiss, and Carmen Lorme.

The public is cordially invited to attend.
