

### Plan Board Of Health Training Program

The Niles Board of Health is in the process of setting up a Medical Self-Help Class for Instructors as an adjunct to the Emergency Health Service of the proposed Disaster Plan for the community. This course will be conducted to ensure that there will be a core of trained personnel in the Village in the event of a disaster, nuclear or natural. The purpose for this course is to train potential instructors, who will in time train others. The hope of the Board is that there will be at least one member of each family who will have this knowledge.

Subjects included in the eight week course are, Radioactive Fallout & Shelter, Healthful Living in Emergencies, Artificial Respiration, Bleeding and Bandaging, Burns, Shock, and others. Classes will meet either on a Tuesday or Wednesday evening. If you would like to participate in this program and be an instructor yourself, please call the Health Board Office, between 9:00 A.M. and 3:15 P.M., at 647-9664, Monday, Tuesday, or Thursday, to register your interest, or drop a note to the office at 6849 W. Touhy as soon as possible.

### Public Forum May 25

Did you ever want to ask a question of your local taxing body, whether it be school, library, park, village or township government and never seemed to be able to make it for their scheduled board meetings. Now is the time for you to have them all assembled under one roof and ask the what, why and when to your questions.

The Village of Niles will hold their public forum on Wednesday, May 25, 1966 at 7:30 P.M. at the East Maine Junior High School, 8955 Greenwood Avenue, Niles. Representatives of all taxing bodies that service the Village of Niles will be in attendance.

The public is urged to attend this forum to become familiar with the workings of their community.

### Scholarship Winner

Judi Schreiner, left, a senior at Maine East High School, beams at Mrs. Rose Simon of the Niles School of Beauty Culture, for the scholarship granted to her by Charles Simon, president of the school

Judi, who lives at 8236 Osceola, Niles, will study 1500 hours at the school, after which she will be eligible for the state examination for beauty culturist. (Chouinard photo)

### Niles King & Queen Contest

The annual Niles Day Festival to be held this year on July 20th through July 24th will have the exciting overtones of royal pageantry, once again. On the first evening, July 20th, a teen aged king and queen will be selected from a field of semi-finalists who will represent various homeowners and civic organizations within the Village of Niles to reign during the duration of the fair and represent the Village of Niles during the entire reigning year.

Each aspirant must be in the 16-17 age bracket and be available during the evenings of the festival. Applications may be obtained from the Village Clerk's office, 7166 Milwaukee Ave., Illinois or by calling 647-8485.

Gifts will be donated by prominent businessmen throughout the Village of Niles along with bonds and trophies. Don't wait until the last minute. Get your applications as soon as possible.

### Library Story Hour May 24

The last story hour for pre-schoolers at Niles Public Library this year will be held on May 24, and the summer reading program for all children of elementary school ages will begin June 20. The length of the summer program will depend on progress on the new building. Moving into the new quarters will start as soon as the building is ready and if this occurs before the end of the summer, as is expected, the reading program will have to be abbreviated or divided into sections to allow time for the moving operation.

In the fall the pre-schoolers' story hour will begin soon after the older brothers and sisters start back to school. The starting date will be announced in plenty of time for all to be ready for it, and the first session will take place in the

library's beautiful new children's room.

Construction on the new library building is progressing very rapidly. At this stage of the work it is especially important for parents to warn their children to keep away from the building as it is particularly dangerous right now for them to play there. On several occasions the police have found youngsters playing in the construction area. At the present stage of construction it is impossible to close the building, and there are many points where there is grave danger of children being seriously injured.

Parents are asked to see that their children stay away from the area for their own safety. It is well known that children find a construction project a very enticing play area, and that they are thoughtless of their own danger. Please warn them about it.

### TOPS Thanks Niles Bowl

As the 1965-66 bowling season came to an end last week for the ladies of the Niles TOPS Bowling League, the club (Take Off Pounds Sensibly) wishes to express their sincere thanks in appreciation to the DeLuca brothers for the cooperation they have provided in giving the club the use of their banquet hall for a regular meeting place. It would be most costly for a non-profit club of this size to find a place large enough to facilitate them and Niles TOPS Club is most grateful to the Niles Bowling Center. It is good to know that there are businessmen in Niles, the All-American City, who are kind enough to help local organizations such as Niles TOPS Club.

### Art Guild To Award Scholarship

The Niles Art Guild is sponsoring a competition to award a scholarship to the Saturday class of the School of the Art Institute of Chicago.

First Place: 3 Saturday terms (36 weeks). Second Place: 1 Saturday term (12 weeks). Third Place: A gift of art merchandise.

Who: Niles Resident students ages 13 through senior high school.

What: 3 to 5 pieces, or original art work - any method, medium, material.

Where: Store #229 Niles Art Guild, Lawrencewood Shopping Center, Oakton, Waukegan Rd. in Niles.

### Kitchen Kut Ups Perform May 20

The Woman's Club of Niles band, the Kitchen Kut Ups, will perform Friday evening May 20, at the Golden Acres Country Club, in Roselle.

Any organization interested in having the Kitchen Kut Ups perform for them may contact Mrs. William Jackel at YO 7-5262.

### Juliana Guild Meets Monday

"Crazy Bingo" a hilarious and fulfilled game will highlight the close of the St. Juliana Guild of the Tabernacle year, Monday May 23. Meeting will open with Benediction in church at 8:00 p.m. Brief business meeting combined with a short ceremony of installation of new officers for the coming Guild year, will be performed by our Mary Griffiths, President of the third district A.C.C.W. Many beautiful prizes will be given to members and friends attending. Delightful refreshments served by hostesses of Our Lady of Snows Circle. All women of the parish are extended a cordial invitation to a relaxing evening of entertainment.

### Ransom Women Installation Sunday

The Women's Club of Our Lady of Ransom Catholic Church (Niles) will present the church pastor, Rev. Theodore Paluck, with the club's annual gift and install new officers on Sunday, May 22, at O'Hare Inn.

Women's club president Mrs. Edwin J. Wetekam, 8733 W. Madison Dr., Niles, is chairman of the event.

It's only a short time until the Niles Jaycees once again present their annual Sports Jamboree.

Students between the ages of ten and fifteen years should contact their athletic instructors or principal and get in on the fun and excitement.

The Jamboree includes track, field and relay events to suit the athletic abilities of the top

three contestants from each school.

As usual, the Jamboree will take place at Maine Township High School East at Dempster and Potter Road and starts promptly at 9:00 a.m. Saturday, June 11, 1966.

Next week watch for the Jaycee Tiger for many more facts concerning the Niles Jaycees Annual Sports Jamboree.

When: Bring work to the above address May 21 only from 11 a.m. to 4:30 p.m.

Be prepared to pick-up your work Tuesday May 24, 7 p.m. to 9 p.m. Finalist will be asked to sketch before judges. Awards will be made June 1st. For further information contact Mrs. Helen Tempera, YO 5-3424.

### Budget Up \$200,000 - Seeks Niles-Middle States ICC Hearing

Finance chairman Ken Scheel proposed a 1966-67 appropriation for Niles of \$2,222,000, up about \$200,000 from last year at Tuesday night's meeting. Scheel said Niles tax rate will go up from 3.44 to 3.54 per \$100 assessed valuation which is about \$4 for a \$10,000 assessed home.

Niles tax rate will be lower than any in its neighbors and substantially lower than Chicago's 5.17 rate.

Finance Ed Wente was the only official to oppose the appropriation. He said the ICC is "subject to the manner the budget was prepared."

The Niles-Middle States ICC hearing will be held in Chicago on May 24-25. The hearing will be held in the afternoon of each day. The hearing will be held in the afternoon of each day.

### From The Left Hand

by David Messer, Editor & Publisher

#### End Of The Month Meetings

We've been told a six story motel along Caldwell Avenue on the TAM property is planned for construction if the TAM zoning request is approved. One zoning official close to the scene has mentioned a nine hole public golf course is planned in the lowland area behind the proposed motel, and added it would be an added attraction for the motel residents who would have a well-lit nighttime course at their back door. The public official, obviously not in favor of public ownership of a golf course, mentioned the course would be purchased by the public, but the private motel people and the non-residents living there would have a course for themselves purchased with public monies.

The Blase-Wessell three way race for committeeman in Maine Township is getting a bit bumpy as Wessell and Blase continue spraying sirap, at one another while the incumbent forces quietly stay firm on the battle fields. After Wessell had his sign buzz-sawed down next to the Niles fire station and then was denied a sign on Milwaukee Avenue, the battle of the news releases became heavy-handed. Accusations included signs destroyed by Blase forces in Niles, and then a Wessell supporter had dirt dumped in his gas tank. Now Wessell says Niles police are appearing in the unincorporated area and are taking a census implying Niles intends annexing the area. Wessell accuses Blase of using the Niles police to further his own political power.

Mr. Blase then reminded THE BUGLE Wessell received three tickets in Des Plaines last week and did not even show up in court, abrogating his right as an American citizen to answer to the court. Blase also accused Wessell as being part and parcel of the same group, lumping Wessell and Bradley together. He said he believes it's a compliment both of them are ganging up on him.

In more colorful language Blase said, "Wessell is trying to garbage up the election", with the sign controversy, implying Wessell has little else to say about Blase.

An irate Nilesite telephoned Monday night and asked when "We" were going to do something about the flooding on Oakton Street. The unidentified caller accused yo ole editor of lacking in Blase's camp (a much more colorful term was used) and it was time we should do some screaming about the floods around Oakton and

## PARK BOARD READY TO SIGN FOR 45 TAM ACRES

### Poppy Day

Standing left to right are some of the people who are involved in the selling of poppies on Poppy Day.

John Stack, Niles V.F.W. Poppy Day Chair-

man, Dorothy Schmitt, Auxiliary Poppy Day Chairman and Niles Mayor Nicholas Blase chasing First Poppy from Brian Stack the V.F.W. Poppy Boy.

### Suggests 5 Polls For '67 Park Election

While park commissioner Eagan withdrew his motion at the May 17 park board meeting Egan will propose at an upcoming meeting the 1967 park election be run independently of the village board election, and rather than the 20 polls be used in 1967. Park Board president Steve Chamerski, who is up for election, then seconded the 5-poll motion but Eagan withdrew the motion until Commissioner Sullivan and a full board attend the meeting.

Eagan objected to the greater number of polls stating the park

district was not granted fair treatment and results were not known until 10:30 P.M. the evening.

### Blase Offers \$200 For Sign Vandals

(News Release)

A Two Hundred Dollar (\$200.00) reward is being offered by Mayor Nicholas S. Blase for the arrest and conviction of any person or persons responsible for the malicious destruction of the property of any of the candidates for Democratic Committeeman of Maine Township.

### Chamerski, Schreiner Re-Elected

At the May 17 park board meeting park board president Steve Chamerski and vice president Lou Schreiner were re-elected for the coming year. Park Commissioner Ray Eagan, commenting on the outstanding job Chamerski has done the past year, made the motion which led to the election. Commissioner Jack Leske "passed" on the Chamerski vote, implicating his vote of last year. Commissioner Jerry Sullivan was absent.

### Zoning Bd. May Hear TAM Issue Tonight

Whether or not the very complicated TAM zoning request goes before tonight's zoning board meeting depends on park board president Steve Chamerski's signing papers for part of the TAM property on Tuesday at 2:45 P.M. Chamerski had not signed the papers.

In a clock and dagger game featuring James Bond, Chamerski told THE BUGLE Tuesday this signing is the sole condition blocking the park board's zoning request. Chamerski refused to be more specific other than to say he has the approval of the Park Board to sign papers for part of the TAM property. He also stated he voted against the proposal which the majority of the park board approved for part of TAM because he, Chamerski, was holding out for the purchase of the entire course.

Despite the vagaries surrounding the purchase the following assumption is based on interviews with park board members and zoning board members:

The park board is likely to sign for the purchase of about 45 acres of property in the lowlands area on the north end of TAM, as well as the clubhouse area. It is assumed the purchase of the property is contingent upon a federal grant of 50% of the cost of the land.

It is only a guess on the part of this writer but it may be assumed if the federal grant is not approved and money is not available for the purchase the land will revert back to the ownership of the TAM people.

### Receives BA Degree

David Hoglund, Niles, will receive a bachelor of arts degree from Gustana College, Rock Island, at the 106th commencement on June 6. He is one of 255 graduates. Hoglund, a chemistry major, is a son of Mr. and Mrs. Chastave E. Hoglund, 6835 Oakton Ct.

## Annual Pops Concert Set At Maine East

Maine Township High School East concert and cadet bands will combine their annual pops concert—no admission charge—Friday May 27, at 8 p.m., in the school auditorium.

Theodore Vargas, music department chairman, will lead the concert band. O.D. Premo, assistant band director, will conduct the 102 players in the combines numbers.

Among program numbers drawn from standard music literature will be Tschalkowsky's "1812 Overture," with full sound effects of cannon and bells, Norman Dello Jolo's tone poem to New York "From Every Horizon," creates a series of moods evocative of the city's spirit. Unique will be "Somersault," a twelve-tone adventure for concert band by Hale Smith. The title refers to the turning backward and upside down of the row forms important to the 12-tone compositional technique of the piece.

As march selections the band will play "The Purple Pageant," by K.L. King; "Under the Double Eagle," by J.F. Wagner; "A.B.A.," by Edwin Goldman, and "French National De file," by A. Turlet.

Contemporary numbers will include "Latina," a Latin American dance by Dr. Frank Benciscuto; "Pines of the Appian Way," by Ottorino Respighi and "Molly on the Shore," an Irish Reel by Percy Grainger.

Also in the same group will be "Windjammer," by Morton Gould; "Montego Bay," a samba by Sammy Nestico; "Ich Bin Soldat," vater by Hermann Grabner. Closing the program will be a Hollywood arrangement of "Hello, Dolly."

### Maine East Sports Award Night June 1

Maine East High School will present the annual Spring Sports Award Night at the school auditorium June 1st, at 7:30 P.M. The public is invited. Witness the presentation of awards to Maine East's outstanding athletes. Hear the interesting sports commentary by our coaches. A good turn out for this program will help to spur Maine East athletes on to greater achievements. Refreshments will be served after the presentation of awards.

### Governor's Ball

"Final preparations have been completed," said Lion Frank (Bud) Hanson of 8028 Wisner, Niles, "and we are ready to go—go—go!" Lion Hanson is general chairman of the Lions club of Niles "Governor's Ball" to be held Friday, May 27, 8:30 p.m., in Bunker Hill Country Club, 6635 Milwaukee, Niles, as a testimonial to Lion Angie Marcheschi of 7943 Nora, Niles, who is Deputy district Governor of Lions clubs in district 1F and has been elevated by election to the office of District Governor. Confirmation of his election will be announced at the Illinois State convention June 3, 4, 5 to be held in the Sherman House, Chicago and his inauguration will take place during the Lions International convention to be held in New York city July 6 to 9. Mr. Marcheschi will be in charge of 45 Lions clubs in the northern part of Illinois. He invites all his friends and friends of Lionism to attend. The Mike Dell's Quartet will render music for dancing. Tickets can be purchased from any Lion member or at the door. Donations only \$1.00

The Committee meets to finalize plans for the testimonial dance honoring Lion District Governor Angie Marcheschi of Lions club of Niles, (L. to R.) Stuart Ravenbyrne, vice president, Marcheschi, Ginger Troiani, president and Todd Bavaro, board member.

### Riggio's Orioles Win First Two Games

The Riggio's Orioles started their season of play with wins over the Vapor Heating Senators and the NBL Athletics.

In their opening game the Riggio Restaurant pitching staff was too strong for the Vapor Heating Senators. Jim Fruhauf, Len Santi, and Brian Blaszyński held their opposition to two hits, while striking out thirteen batters. Len Santi, Mike Johnson and Scott Lettow led the hitting attack which included homers by Mike Johnson and a grand slammer by Len Santi.

The second game produced overwhelming batting by the Riggio Restaurant Orioles, accounting for 15 hits in an abbreviated game. Sam Hoffman started the run production by belting a homer with a man on base. Len Santi got his second grand slammer, and another to boot. Brian Blaszyński had four hits, one that sailed into right center for four bases. The two little peewees Tim Glanos and Arnie Nilson also started offensively with their daring and speedy base running. The pitchers accounted for 7 of the twelve outs. The performance was by Brian Blaszyński, Scott Lettow and Len Santi. Final score Riggio Restaurant Orioles 17, the NBL Indians 3.

### NSJC Services

During evening services, 8:30 p.m. Friday, May 27, Barbara, daughter of Mr. and Mrs. Howard Sostrin of Niles, will become Bar Mitzvah, Rabbi Lawrence H. Charney will deliver the charge and Cantor Gidon A. Lavi will chant the liturgy. Following worship, Mr. and Mrs. Sostrin will host an Oneg Shabbat in honor of the occasion.

Saturday morning, 9:30 a.m. May 28, Rabbi Charney will lead the religious services at which time Alan and Arlene Kaell will become Bar and Bar Mitzvah. The twins are the children of Mr. Harry Kaell and the late Dr. Kaell. Mrs. Kaell is a prominent member of the congregation and President of the Auxiliary of Resurrection Hospital in Chicago, Ill. Following services, Mrs. Kaell will host a kiddush in honor of the occasion.

The Jewish community is invited to participate in the daily morning Minyons at 7:15 a.m. and evening Minyons at 7:30 p.m. Worship is open to all residents in the area and mourners are welcome at all services.

### Lutheran Church Of Resurrection

Lutheran Church of the Resurrection holds Worship and Sunday School at 9:30 a.m., with nursery included. On Sunday, May 29, Pastor Steven Murphy's sermon topic will be "Do We Honor The Dead?" At the recent convention of the American Society for Church Architecture, held in Chicago, Resurrection's new church building was singled out for recognition, along with only three other churches in the Midwest. The first unit of Resurrection's master plan is being constructed at 8450 Sherman, Niles, Burerus and Sunshien, of Park Ridge, is the architectural firm.

### Niles Community Church News

The Niles Community Church 7401 Oakton Street, in Niles held a Special Worship Service on Sunday, May 15 at 12:30 p.m. to welcome the Communicants Class into Membership of the Church. The new members are Barbara Gayle Barth, Carol Ann Bleshaar, Roger A. Botselion, Christine Dee Bromfield, Thomas Edward Bromfield, Charles Butzbach, Gary Capcik, Terry Lynn Coates, Debra Marie Culver, James Lawrence Dalton, Linda Suzanne Fabry, Cheryl Ann Heider, Jeff Iverson, Alan Johnson, Scott Johnson, William Lester Kretschmer, Robert Leach, Jim McAllister, Jim Mac Nider, Irene Marquez, James Irwin Mueller, Wayne K. Mueller, Dan Nietschman, Shirlee Ann Obermaier, Raymond Peck and Bruce L. Ringquist.

### On Dean's List

Donald Uteg, of 8307 Milwaukee Avenue, Niles, Ill., has been named to the Dean's List at North Park College, Chicago, for the second term. The list is composed of students who have earned a grade average of 3.1 or better for this term.

### Notre Dame Science Placement Test May 28

Notre Dame High School for Boys in Niles, Illinois, will hold a science placement test for any sixth or seventh graders on May 28 as a prerequisite for the Science Workshop. The exam will extend from 9 to 12 o'clock in the morning and it costs a fee of \$1.

The Science Workshop, under

the direction of Mr. John Norris, a biology teacher at Notre Dame, is a weekly science class for seventh and eighth graders held on Saturday at Notre Dame. From the course, the students will learn various principles in related fields of chemistry and biology along with a light touch of physics. Work is done in either the biology or chemistry lab depending on the nature

of the particular experiment. Mr. Norris also urges the Science Workshop students to pursue their interests in various science projects. Later on, in the second semester of the school year, a science fair will be held at Notre Dame to determine entries for the District Science Fair held in Chicago. Winners at the District

Fair can then go on to compete for awards at the State Science Fair. Students who qualify for the Science Workshop will be notified by Mr. Norris through their particular schools. The class is open to both boys and girls who have an interest in any field of science provided that they be in the seventh or eighth grade in the next school year.

## Tie Game Starts Niles Pony League Season

The Pony league division of the Niles Baseball League got underway on Sunday, May 15, with a game between the Niles Drugs Tigers and Booby's Dodgers. Due to a dropped third strike, with two outs in the seventh inning and trailing 4 to 1, the Tigers rallied to score 3 runs and gain a 4 to 4 tie. The game was called after 7 innings due to a malfunction in the field lighting system. Both Jerry Gryboski, Tiger pitcher and Mike Nocchi, Dodger pitcher did fine pitching jobs. However, due to the 4-4 tie this game will be completely replayed. The rescheduled game date is on Sunday, May 29, at Jozwiak Park at 4:00 p.m.

The May 15, Sunday night game between the Lions of Niles Cubs and Schmeisser's Meats Red Sox was also postponed due to the lights and rescheduled for Sunday June 12, at Jozwiak Park at 4:00 p.m.

On Monday May 16, the White Sox played the Du Page Die Casting Orioles, this was a fine game for 5 innings at the end of which the score was tie at 3-3. But then the Orioles exploded for 9 runs to gain a 12-3 victory. Mike Sedjo Orioles pitcher struck out 17 while only allowing 2 hits. Tom Heblens of the White Sox losing pitcher struck out 11 and got both hits for the White Sox. Frank Giancaspro pitched the final inning for the White Sox.

In the night game on Monday May 16, the J. LeVerde & Sons Angles defeated the Athletics by a score of 7-5, in

this game Joe Peplowski pitching his first pony league game for the winning Angles did a fine job striking out 10, he was also aided by some excellent fielding plays, and good hitting. Among the hits were a triple by Dick Marek with the bases loaded, and a double by Mark Hoffman to drive in two runs. John Swiatek and Tony DeLorenzo combined to do the pitching in the losing cause for the Athletics.

After an open day on Tuesday the Lions of Niles Cubs played the Niles Drugs Tigers in a night game at Jozwiak Park on Wednesday May 18. Bernie Majewski and Larry Golden combined to do the pitching for the winning Tigers. Final score was 9-3. Pitching for the losing Cubs were: Randy Crisorio, Greg Accomando, Paul Ellisco and Cliff Briars. Besides the fine hitting of Jerry Gryboski, the game was highlighted by the fine base running of Jack Anderson and Bob Vodicka, both boys strolled all the bases. Second, third and the unusual play of stealing home plate.

In a game on Thursday night May 19, under the lights which was in constant threat of rain, the Schmeisser's Meats Red Sox played their first game of the season against the Booby's Dodgers. Gary Wagner gained his first victory this year by pitching a beautiful game for the Red Sox, he allowed only one hit to the Dodgers struck out 15 and gave up no walks while the Red Sox collected seven hits in defeating the Dodgers by a score of 6 to 0. The hitting stars for the Red Sox were Gary Potempa, Steve Hubick, Dennis Doose and Bruce Donash who drove in two runs with a timely double. Jasper Calandra did his best but was the losing pitcher, pitching a good game for five innings for the Dodgers while Mike Nocchi got their one hit.

### Music Awards

Senior girls at Maine East high school who received top citations for their years of service to school musical organizations include these winners, from left: Barbara Babcock, Morton grove, Arion award for choral work; Trudy Makela, Niles, Arion award for band; Wendy Kartinos, Park Ridge, National School choral award; Laura Schoonmaker, Glenview, Tompotcher award; and Roberta Zukarnik, National School orchestra award. They received their awards, were presented to the audience, and participated in the musical program of Tri-M-awards night at the school, May 17. (Chouinard photo)

### East Maine Residents Form

#### "Committee Of 207"

Residents of East Maine announced the formation of the "Committee of 207" for the purpose of aiding Maine Township High School District in providing information to the community on the urgent need for additional funds for educational purposes. The committee was formed after the Board of Education announced the election date of June 25, 1966, for authority to raise the maximum limit of educational fund levy from the present \$1,21 to \$1,42.

Chairmen of the "Committee of 207" for the East Maine area are as follows: Mr. and Mrs. John Obermaier, Mr. and Mrs. John Bieschar, Mr. and Mrs. Jerome Maller, Mr. and Mrs. George Woelfel (Niles); Mr. and Mr. William Comben, Mr. and Mrs. Gary Herrmann, Mr. and Mrs. Steve Hoffman, and Mr. and Mrs. Daniel Silberman (Morton Grove); Mr. and Mrs. Chris Carle, Mr. and Mrs. Raymond Carlson, Mr. and Mrs. Edward Flaxman, and Mr. and Mrs. Hugh James (Glenview); Mr. and Mrs. Jerry Abern, Mr. and Mrs. Francis Flynn, Mr. and Mrs. Gene Jacobson, and Mr. and Mrs. Frank Voght (Des Plaines).

Committee coordinators are Mr. and Mrs. Roy Makela of Niles.

An informational meeting is scheduled for 8:00 P.M. on Tuesday evening, May 31, at Maine East High School. All area residents are invited to attend the meeting and to join the "Committee of 207".

### Absentee Ballots

Voters who will be out of Cook County on Saturday, June 25, 1966 may now make application for an absentee ballot at Maine Township High School East in Room 136.

Application forms may be obtained in person or by mail from Harold Markworth, Secretary of the Board of Education.

If mailed, the completed application must be in the hands of the Secretary of the Board of Education no later than Monday, June 20, 1966. If the completed application is delivered in person, the voter must deliver it to the Secretary by Wednesday, June 22, 1966.

## LWV NEWS

"Cook County? Of course I know what Cook County is — I live there!"

We are all probably very familiar with the name Cook County because we live in it, but what do we really know about it? What is the Chicago metropolitan area — physically, socially and economically? How do we see the relationship between the city and its suburbs? What do we know of the structure of government in Cook County? Many future plans have been made concerning transportation, employment, etc. During the June Discussion Units of the League of Women Voters of Morton Grove, Mrs. Robert Roth and her committee will help us to broaden our knowledge of Cook County. In addition, the discussions will be enriched with the viewing of pertinent colored slides of the Chicago metropolitan area.

Meetings may be attended at the home of Mrs. Burton Krause, 9041 Central on Tuesday evening, June 7 at 8:15 p.m., Mrs. William Klugman, 8814 Meade on Wednesday morning, June 8 at 9:15 a.m., or Mrs. Ted Camis, 8931 Moody on Wednesday evening, June 8 at 8:15 p.m.

If you are a woman living in Morton Grove or Niles who is 21 years of age or over, won't you come visit one of our discussion units and perhaps be encouraged to join our League now or in the future. For more information call Mrs. John Adams, Yo 6-7139.

### B'nai B'rith Women Plan 'Meet The Candidates' Night

B'nai B'rith Women Eternal Light Chapter cordially invites all residents of Maine and Niles Townships to attend an informative "Meet the Candidates" evening which is being presented in conjunction with their regular meeting, Wednesday, June 1, 1966, at the Niles Recreation Center, 7877 Milwaukee Ave., Niles, at 8:00 p.m., lower level. The following candidates will be present: Representing Niles Township in the race for Democratic Committeeman are Mr. Ray Krier and Mr. Jerome Lerner, on hand to present the issues in Maine Township will be Mr. Thomas Bradley, Mr. Richard Wessel and mayor Nicholas Blase. An exciting format is planned followed by a question and answer period. Refreshments will be served. For further information please contact Mrs. Irwin Arenson, Program Vice President, 966-8809, Niles or Mr. Edward Berkowsky, Community Services Chairman, 965-0153, Niles.

### Frank Marino Returns

Frank Marino, 8856 Merrill, Niles has just returned from Fulton, Illinois where he attended an intermediate life school at the home office of Fidelity Life Association.

Sixteen agents from five mid-western sales territories attended the school.

The three day session, conducted by Steele Codrington, Director of Agencies, emphasizes estate programming and business insurance.

Marino is associated with the Fidelity - American Insurance Agency in Chicago.

### Lions Camp Applications For Handicapped

The Lions Club of Niles wishes to announce applications will be received until June 14 for visually handicapped boys and girls, ages 8 thru 18 to attend summer camp at Illinois Camp Lake, located on Hastings Lake, Lake Villa, Illinois, located on route 132 between routes 83 and 45, 6 1/2 miles west of Tri-State Tollway. Camping periods will be August 7 thru August 20 and August 21 thru September 3. Swimming in pool, boating, canoeing, fishing, handicraft and talent nights under professional guidance. This is a free summer project donated by the Blind Activities Committee of the Lions clubs of Illinois. Children with vision from total darkness to fifty per cent eligible. Multiple handicapped children, such as deaf-blind are also accepted. All applicants must have doctors certificate of health. For application blank write to Bill Wetendorf, 1204 Grove Ave., Park Ridge or phone 823-4030.

## News From LGH

The doctor leans back in his chair and speaks to the patient.

"I think we better put you in the hospital for a few days to make a thorough check on this."

"Well, if you say so, Doctor. When do I go?"

Such a scene happens hundreds of times each week in our area and the same question is asked as frequently. There's no easy answer to the question.

Because most hospitals in this area are crowded, most people whose illness is not critical must wait before being admitted.

How does a hospital decide what patients should be admitted, when and in what order?

This varies somewhat from hospital to hospital. Basically, however, most hospitals work something like this.

An emergency can be admitted at any time. Such a patient could be a heart attack victim, a person injured in an auto accident or any other person acutely ill. This type of patient is admitted immediately. This is called a Category I patient.

Other patients may fit into a classification called Category II. These are patients who require hospitalization but are not critically ill. They will be admitted soon—usually within 48 hours.

The third class, Category III, is for patients who have so-called "elective" surgery. This is for non-critically ill patients. This could include persons having plastic surgery as one example.

"Elective" implies that the patient and physician can "elect" when it is to be done. This category would also include persons being hospitalized for diagnostic purposes.

At most hospitals, the medical staff has an admissions and discharge committee which regularly reviews all admissions to make certain that the Category I patients were all emergency patients, and to see that this category is not abused.

The patient's physician will check with the admitting department to notify the hospital that the patient is to be admitted. The doctor will inform the admitting office if the patient is Category I, Category II, or Category III.

The patient may be admitted immediately if he's an emergency. Or, he may have to wait for a week or so.

Both the doctor and the hospital recognize that no one likes to wait. Both your doctor and your hospital would like to have the patient admitted right away.

Many patients too would prefer a private room. Yet, crowded conditions in most of our area hospitals have forced doubling up of the private rooms.

Perhaps you've heard of the experience of a patient who after waiting two weeks is all set to be admitted. The day before he is to be admitted, he gets a call telling him he must wait an additional day or two. Most hospitals, however, have the rule that no patient will be postponed more than once.

Hospitals here, faced with an ever-expanding population and increased demands for hospital care, are constantly working to meet the challenges facing them. Building programs supply more beds but trained personnel are also needed.

And when the doctor says "You're going to have to go to the hospital," the hospital will try to be ready when you need it.

### 'Horn-Blowers' Perform

Big horns and little ones, long ones and short ones will make music together tomorrow evening, beginning at 8 o'clock in the auditorium of Maine East high school.

From the Maine East concert band are these four students, warming up for the Pops concert to be given under the direction of Theodore Vargas, music department chairman, and O.D. Premo, assistant band conductor.

At left is Terry Bryant, senior, of 7535 Lyons, Morton Grove, bassoonist. Trudy Makela, senior, of 8051 Octavia, Niles, is the oboe player. The boys are Dave Poncher, 9248 Cedar Ln., Des Plaines, who plays the tuba, and Bob Derlis, 2749 Virginia Ln., Glenview, clarinetist, both of whom are seniors.

In correction of an error in information supplied to this newspaper last week, the concert will not be free as stated. Admission will be by Music Booster card or payment of fifty cents for students and \$1 for adults. (Chouinard photo).

## Maine Ridge District Camporee

A tentative outline of 8 Saturday afternoon events for the Maine Ridge District spring camporee of the Boy Scouts at Harms Woods the week end of May 20, 21, and 22, has been chairman Tom Powers, 8561 W. Kedzie.

The fire by flint and steel will be handled by troop 52; a tripod fire station by troop 73; stretcher carrier race by

troop 123; number of board feet in trees (forestry merit badge) by troop 1; 15 pound overnight pack by troop 50; menu planning for 6 persons for a day by troop 107 and collect and identify 5 edible plants by troops 2 and 17. There will also be a mystery event and if weather permitting the props will be supplied by the camping committee, William Robinson, chairman, 234 Stanley, Park Ridge.

There will be campsite inspection covering camp layout, camp gadgets, grounds, sanitary facilities, cooking methods, tentage, first aid, personal, patrol and unit flags in evidence and fire buckets on hand and filled and chopping area.

The campfire program Saturday evening is being conducted by troop 175 with the theme "Peace." The Order of the Arrow tap out will follow.

The camporee is basically a demonstration of the camping skills of the scout troops that set up their own camps for one or more days and nights on the same camp site for fun and good fellowship and the opportunity to learn more about camping from each other.

The Maine Ridge district committee believes that camping is an important part of scouting and urges all troops to attend the camporee.

Troops will camp and cook and participate in activities on the patrol basis with at least 5 boys and no more than 8 on a patrol.

Health and safety chairman Dr. Sanford Franzblau, 1030 S. Home and district commissioner William Barker, 240 Vine, both of Park Ridge, are working closely with the camping committee.

### Completes Training

Marine Private First Class Richard D. Cincinelli, son of Mr. and Mrs. Dental Cincinelli of 708 Howard, Niles, has completed individual combat training at Camp Pendleton, California.

Niles Police Chief Emrikson administering the oath of office to new Women's Auxiliary officers (l to r.) Mesdames D. Dennis President, C. Tanner Vice-President, N. Klein, secretary, M. Passarelli Treasurer, V. Rek, Sgt. of Arms.

The scene was the 11th annual installation of officers of the Women's Auxiliary of the Niles Police Department held at the Rathskeller Room of the Niles Bowling Center.

### Niles Police Women's Auxiliary Install Officers

On May 11, 1966 the Women's Auxiliary of the Niles Police Department held their fifth annual installation of officers at the Rathskeller Room of the Niles Bowling Center. The oath of office was administered to the new officers by Police Chief Clarence Emrikson. Among the distinguished guests present were Mayor Nicholas Blase, Chief Emrikson, Chief and Mrs. A. Hoebel, Mr. and Mrs. A. Marcheschi, Mr. and Mrs. S. Bruno, Mr. and Mrs. Berkow-

sky, Mr. and Mrs. Wm. Pryde, and Mr. and Mrs. Kempf. A hilarious skit, "TV Spook" was presented by the ladies of the Auxiliary.

Officer Wm. Terpinas, accepted in the name of the patrolman's Association, a check from the Auxiliary, which represented the proceeds of their efforts for the year of 1965. The regular monthly meeting of the Auxiliary was held on Friday, May 6. The new officers plan a busy year for the Aux-

iliary and new committee chairmen were appointed. Chief Emrikson was a guest at the meeting and spoke on the National Police Week Open House held May 15 through May 21, which was hosted by the Women's Auxiliary. The Auxiliary was extremely pleased to see the large number of Niles residents as well as residents from surrounding communities come and inspect the facilities and displays at the Niles Police Department during National Police Week.

## Library Board Explains Free Use Of Library Services

How can you live in Niles and not have free use of the facilities of the Niles Public Library?

This question is repeatedly asked of the library trustees and staff, village officials and the Chamber of Commerce. It will be answered in the simplest possible terms in the following paragraphs.

In April of 1959 the Niles Public Library District was established by referendum election. At that time the boundaries were set by publication of a legal description and were identical with the THEN existing boundaries of the Village of Niles. These boundaries can only be changed by another referendum election with polling places in the areas seeking to be included and within the existing library district. A negative vote in either area would defeat the proposal.

There are many who believe that the library is under the jurisdiction of the Niles Village Board as are those in Park Ridge, Skokie and Morton Grove, the truth is that the Niles Public Library District is a separate entity, governed by its own State of Illinois library laws.

The Niles Village Board has found it advantageous to annex a number of unincorporated areas, the largest being the Golden Acres with some only a block of residences. These areas are located north, east and west of the Village. The boundaries of the Village of Niles and the Niles Public Library District are no longer co-terminus.

Residents of areas annexed to Niles since the April 1959 referendum election, which established the library district, are not taxed for support of the library and therefore not entitled to use of its facilities.

Dedicated library trustees and staff members would like to offer library services to non-residents without charge but good public relations is a two way street. These generous inclinations must be subordinated to a responsibility to the tax paying residents of the district. Non-residents are cordially invited to use the Niles Public Library by paying the non-resident family fee as set forth in the policies of the library.

The Niles Library Board realized the confusion caused by this unhappy situation and in-

### 2 Nilesites On Dean's List

1298 students in the College of Liberal Arts and Sciences at University of Illinois at Chicago Circle have been named to the dean's list of superior students for Winter Quarter 1966 in that college, announces Stanley L. Jones, Acting Dean.

Students in this area named to the dean's list are:

tends to correct it when the Niles Village Board gives assurance that the village has attained its maximum expansion. To hold a referendum to include in the library district each small area, as it is annexed to the village would be a gross misuse of funds. Demands for a permanent building, more services and an increased book collection call for all of the finances currently available.

You are asked to understand the position of the trustees and the library staff in this matter. This problem will be corrected as soon as it is feasible.

David Earl Carlton, 9028 Clifton Avenue; Ira Marshall Kann, 8811 Washington; Jane Ellen Motzny, 8729 Elmwood Street; Jeffrey Alan Schmidt, 7348 Lill Street; Helen Susan Vineyard, 8535 Normal; and Gerald Allen Welts, 8326 Caldwell, All are from Niles.

### 3 Firemen Attend School On Treatment Of Accident Victims

The handling and first aid treatment of accident victims

fighters at these specialized courses is a "must" according to Fire Chief Albert L. Hoehl.

and critically ill was the subject of a four-day nationally famous school recently attended by three Niles firefighters. This brings to 14 the number of Niles firemen who have attended this advanced school so far.

The three firefighters are Richard Ball, Melvin Duda, and Vitold Lesiowski. They were among 225 firemen, policeman and ambulance drivers from throughout the United States and Canada to attend the Fifth Annual Seminar sponsored by the Chicago Committee on Trauma of the American College of Surgeons. The course is led by experienced physicians and surgeons and fire instructors at the Chicago Fire Academy.

Among the subjects covered during the four-day meeting, were transportation of the critically injured and ill, the latest developments in resuscitation, emergency rescue op-

erations, treatment of shock and burns and the extrication of injured from auto accidents.

The attendance of Niles fire-

### Another Morn 'nother Yawn.

Frieda Aron 966-9669

The first baby is an unknown quantity. With excitement and a great deal of apprehension we await the miracle our love has wrought. Tenderly, gently, frighteningly, we welcome him, awe-stricken at every breath, yawn, cry and whine the child exhibits. The second baby comes in with as much excitement and joy, but the apprehension is lessened. We have learned he will not break easily, and know how to feed and change him. The third baby arrives in an atmosphere charged with calm anticipation and not the least bit of fright. We're an old hand at it now. The fourth comes into the household, loved, admired, enjoyed, but a complete free lancer. He will sleep as long as he likes, eat when he wants to, be picked up when he cries. No schedule, no restriction, no guileposts from neighbors and friends; our own experiences will suffice. The child is happier, the mother is happier and both are totally relaxed with each other.

And one day, #4 says, "Mommy, are you sure there was no mistake in the hospital. Am I really your baby?"

"Of course, darling, wait and I'll show you your identification beads—well, I thought I had them—probably left them at the hospital."

"I saw sissys' footprints once, do you have mine?"

"Of course, darling, I'll show you yours. Come to think of it, I never picked them up from the hospital, wonder if they're still there."

"Can I see my baby book?"

"Oh darling, I never did get one for you. There were three others, why get another?"

"Aren't some of those shoes on the fireplace mine?"

"Oh dear, three pairs of bronzed shoes are enough. After all darling, we do have your little feet around here all the time, don't we?"

"Can I see my baby picture? Like the one Lenny had in the hospital, he showed it to me one day."

"I don't remember if I ever did tell them to take that picture of you in the nursery. You looked horrible when you were 24 hours old, so who wants a horrible picture?"

"Mommy, you don't have anything of me when I was little. Remember when I started kindergarten you couldn't find my birth certificate?"

"Yes, wasn't that silly of me. I never got around to writing for it until we actually needed it. I knew you had a birth certificate somewhere. Didn't Daddy take a picture of you in your boy scouts' uniform last year on your tenth birthday?"

"Mommy, you have no proof that I am your child, maybe the hospital made a mistake."

"Look into that mirror and you'll see a younger, littler Daddy, I guess you're our baby, after all."

Hate to think what happens to #5, 6, 7, etc.

### Public Works Warns Residents To Check On Sewer Contractors

Due to the heavy rains during the past two weeks, many Niles residents found that their house sewer lines were blocked and needed rodding by a sewer contractor.

The Niles Public Works Department would like to advise homeowners to check with their local village offices to find out if the sewer contractor who they plan to hire is licensed and bonded. The contract should be read thoroughly to see if the contractor is going to guarantee his work. Many residents pay the contractor and six weeks later the sewer is again backing up and the contractor will not return to make the repairs.

Residents should make sure that they are home when the contractor comes out to make

the necessary repairs so they can watch the contractor remove the sludge from the blocked sewer line. If the contractor tells the resident that the sewer tiles are broken, the resident should look into the hole to see the broken tiles for himself.

It is a good practice to obtain price estimates from two or three contractors for the sewer repair work before the contract is signed.

### Niles Band Parents

Niles Band Parents wish to congratulate the new officers of Band PTA. They are: Mr. Bill Guntach, President; Mr. Dom Lo Verde, Vice President; Mrs. Blanche Horvat, Co. Sec.; Mrs. Florence Mandell, Rec. Sec.; Mrs. Freda Burns, Tres.

# St. John Brebeuf Concludes Successful Cage Season

by Dan Kosiba

The St. John Brebeuf basketball team, coached by Dan Kosiba, recently closed out its most successful season. The team compiled a total of 63 combined wins, with the Varsity team earning a 28-15 record, the 7th grade team earning a promising 28-4 mark, the 6th grade team earning a spotless 3-0 record and the 5 ft. and under All-Star Team earning a 4-3 mark.

Up to this year SJB teams have won but one award in league or tournament competition. This year's squads, however, have earned the following awards; the Varsity team—3rd place in the Notre Dame HS, league (comprised of 16 teams from all over the area), and 3rd place in the St. Peter's Invit. Tournament (16 teams competed). The 7th grade team—3rd place in the Quigley North 7th grade Tournament (22 teams competed) and St. Philip the Apostle tournament (16 teams competed); coupled with a first place in the Queen of All Saints 7th grade league. The sixth grade team—first place in the Sacred Heart 6th grade tournament (16 teams). The 5 ft. and under team winning the first place consolation trophy in the Illinois State "Little Guys" basketball tournament and earning an invitation to the International "Little Guys" Basketball tournament.

The major squad in the basketball program at St. John is the Varsity team which is composed of the 12 best eligible players in the program. This year's Varsity team was unquestionably the best Varsity team SJB has ever had. It was composed of the following players: Bob Warren—the team's forward who racked up a total of 710 pts in 43 games for a 16.5 average, the best performance for a varsity player in the history of the school. Bob was chosen on the all-star squad in the St. George H. S. tournament and was sel-

ected by his coach as the Varsity team's Most Valuable Player. Bob will attend Notre Dame High School for Boys this coming fall. Jim Zizzo—the team's best scoring guard and one of the most improved players on the team. Jim was the second high scorer on the team, behind Bob Warren, with a total of 460 pts, for an 11 pt. average. He was honored as the "Best Free Throw Shooter" on the Varsity team with a 55% accuracy average. Also Jim was the CYO's City Free Throw Champ in the 14-15 year old bracket out of a total of over 2000 participants—he made 80 out of 100 free throws to win the title. Jim will be attending Maine East High School next year. Rick Mak—another starting guard who was the playmaker of the team and best ball handler. Rick improved greatly throughout the year and was an asset to the team every second he played. He has good potential and should make a good high school prospect. Rick will attend Notre Dame H. S. this fall. Bruce Donah—starting guard and another good high school prospect who will undoubtedly improve to be a great player within the next year or two. Bruce has been a positive factor in the success of this year's varsity team and will attend Notre Dame H. S. this fall. Gary Potempa—the team's center and best rebounder. This was Gary's first year at the game and he improved so greatly that by the end of the season he was the hands down choice for the most improved varsity player award. Gary is another sound high school prospect and will attend Notre Dame H. S. this fall. Ken Bleschke—guard and good free throw shooter. Ken was the St. John Brebeuf Free Throw tournament in which he made 315 out of 500 free throws to win the honor. Ken is a fine dribbler and a capable shooter and with some height could make a high school squad. Ken will attend Maine East HS next fall.

Bob Raccuglia—guard and forward. Bob has improved greatly in this his first year playing basketball and has all the tools that more experience will bring out and possibly make him a great player in the near future. Bob will attend Notre Dame HS for Boys this fall. The others making up the supplement of the varsity team were seventh graders: Tom Les, Bill McEnerney and Bob Pugliese; and 6th grader Paul Klopowicz.

This year's successes will be especially evident in the coming season with this year's seventh grade team showing an extreme desire to win and the capability to match, rolling up an impressive 28-4 record.

This year's 7th grade squad is composed of the following: Tom Les—starting guard and playmaker of the 7th grade team. Tom was honored with numerous awards this season among which the most prominent are: the Most Valuable Player award in the Quigley North 7th grade Tournament, the "Little Guys" All-American award won in the "Little Guys" International Tournament, he was the top scorer on his intramural team and also in the 7th grade intramural league, he is also the 7th grade team's high scorer with a 17.6 average per game, and was selected by his coach as the 7th grade Most Valuable Player. It should also be mentioned that Tom is 4'9" tall and weighs 90 lbs. Paul Klopowicz—starting forward and only in 6th grade this year. Paul was honored as the 7th grade team's Best Free Throw Shooter with an astonishing 66.7% accuracy. Paul was the second highest scorer on the team and should be a real asset in the next two years. Paul also led the 6th grade team to the first team championship St. John had ever won up to that date. Bill McEnerney—another starting guard and good free throw shooter. Bill is fast, has good reactions and is mentally alert. He is much improved since the beginning of the season and should be a key man on next year's varsity team with bright basketball future ahead of him. Bob Pugliese—starts at guard and is a good all around player with quick reflexes and a good outside shot. Bob should within the next year improve to be one of the best players in the area. John Youngs—is one of the team's centers and best rebounders. This was John's first year as a player and he improved so much that he earned the SJB Most Improved 7th grade player award. His future as a player will depend on this desire to improve. Don Sullivan—another of the team's centers. Don is a good rebounder and has been an asset to the team with his shooting. With improvement Dennis should make a good player in the years

continued on page 12

## East's Thespian Troupe

Dave Fenner, Maine East senior, enjoys his work in the role of 33-year-old bachelor Alan Baker, getting the glad word from Maureen Waddas, also a senior, in the role of his favorite girl Connie, that she will marry him, in Neil Simon's Broadway hit Come Blow Your Horn. Even more entranced than Alan is his mother, played by Junior Roberta Piel. Not only his sensitive mother, but an innocent younger brother and a stubborn father give Alan a bad time before the funny play closes.

East's Thespian troupe will give the play as an arena production in Room 258, at 8 p.m., May 26, 27, and 28. Seating is limited and tickets at \$1.25 are on a first-come, first-served basis. Robert DeMuth is the faculty director.

Maureen lives at 1317 Carol, Park Ridge, and the other two in Morton Grove. Dave at 7413 West Davis and Roberta at 7227 Lake. (Choulnard photo)

## Two Scholarships Offered By Montessori School

Two \$1,500 scholarships are being offered by the San Lorenzo Montessori school of Park Ridge, to college graduates who will take the teacher training program offered at the Midwest Montessori Teacher Training center, 1010 W. Chicago ave., beginning July 5.

The year-long course consists of an eight-week full-time summer session at the center followed by a 10-month internship at the San Lorenzo Montessori school. During the internship trainees will return to the center periodically for three-day institutes. Those successfully completing the course will receive an American Montessori Society diploma.

The center, now entering its third year of operation, is staffed by a national team of Montessori teacher trainers. In addition, specialists in child development and early learning from a half-dozen universities complete the training center faculty.

Plans are proceeding for the opening of the San Lorenzo Montessori school in September. Processing of initial applications has indicated that there are a few openings remaining for new applicants or transfer students. Children from two to four years of age will be eligible for enrollment.

Persons interested in this scholarship, or in obtaining applications for their children, should phone Mrs. Ronald Shupka, registrar, or Mrs. James Bychowski.

## LWV Sponsor Candidates Meeting

A Candidates Meeting for Maine Township and Illinois State Legislative Positions for the Primary Election June 14 will be held at 8 p.m., June 2 at the Rand Park Field House, 2025 Minor, Des Plaines, Ill. The meeting is sponsored jointly by the Park Ridge and Des Plaines Leagues of Women Voters. The public is urged to attend.

The League of Women Voters is a non-partisan organization. It does not take sides for political candidates. Its purpose is to promote political responsibility through informed and active participation of citizens in government. Voters Service is a year-round activity of the League. It includes informing the public about registration and voting procedures, urging citizens to vote, giving factual information about candidates based on their records and on interviews, explaining issues, and publicizing voting records of legislators.

## Brebeuf Scouts Hold Bridging Ceremony

St. John Brebeuf Girl Scouts will enjoy a day in the woods on May 19. The special event of the day will be the bridging ceremony. Each Brownie Troop will be welcomed into their Cadette troops. The scouts will all have a hand in the luncheon with the Cadettes as fire builders and cooks and the Juniors in charge of the liquid refreshments. The Brownies will furnish the dessert and all scouts will assist in the clean-up processing. The day will be completed with a Scouts Oath.

## LETTERS TO THE EDITOR

### Bill Zimos Aroused

Dear Mr. Besser:

Your left hand column in the last issue of the Eagle regarding my ouster was certainly interesting, and aroused me to a point of vindiction.

I am referring of course to the statement I made when told of my disappointment in his voting for my ouster.

My rebuttal to the one man on the board who in my opinion stands out among the others is regrettable.

I know of no better place to air my views, objections, and opposition than public meetings, and it certainly is only natural to discuss issues in private.

Before the one-man political machine (Blase) discontinued allowing questions asked at the Village board business meetings, I almost always attended and participated.

Is there anything wrong with that, Mr. Scheel?

Public Forums, which are supposed to replace the question and answer periods at the regular village board meetings, and held either too infrequently in my opinion are called to air all citizen beefs. To keep the board from getting bored I participate.

It looks like the truth hurts, Mr. Scheel, because my accusations and objections are facts and not fiction as you, it appears, are trying to have the public believe.

If you are referring to one or more specific issues, I defy you to bring them out in the open. Give me a chance to defend myself.

Shortly after the controversial utility tax was forced down the throats of the people of Niles who were denied the opportunity to discuss and debate the issue, I appeared at a village board meeting and admonished the board, not because of the tax itself, but the way the board passed on it without advance notice to the public. I also expressed surprise that you were a part of this subterfuge.

At a subsequent meeting, I asked you if you had to do it over again would you handle it the same way, and you said you did not think so.

My reason for bringing up the utility tax is that a new chapter unfolded at the last village board meeting.

Shortly before the meeting was adjourned, Mr. Marcheschi asked to be heard.

It seems Mr. Marcheschi suddenly built up an aversion to small groups.

Marcheschi stated that the board worked very hard on the million plus budget which would be presented to the public in the near future, but was disappointed in the lack of interest the people show by not attending board meetings. He counted heads and found that 18 people were present. He suggested that the board form a commission that would approach all village homeowners organizations, plus interested parties to stimulate public interest to augment attendance at village board meetings.

If that isn't a political pitch then I never heard one, and with the election 11 months hence, just a thought.

In reply to Marcheschi's suggestion Scheel quipped with a

beant and said, "All we have to do is say we are raising the taxes and we will fill the room."

I am sure the board realized this and still refused to do it. Not one board member has come up with an answer. My question is, "Why not?"

I can witness to the fact the attendance is poor and the meetings are dull. The place where all the action usually takes place is the Public Works Dept. on Saturday mornings where the rehearsals are held.

You also accused me of being vindictive, Mr. Scheel. My answer to that is if speaking the truth and being objective to issues I do not agree with or oppose and asking questions that irritate and disturb you and the rest of the board, then I agree that I am vindictive.

So long as I maintain a residence in Niles and the good Lord allows me to breathe, I promise you, Mr. Scheel, I intend to continue voicing my

## ND Student Council Elections

Student Council elections at Notre Dame High School in Niles culminated a week of frantic campaigning as the members of the Council were elected for next year.

Elected to the Executive Board of the 1966-67 Council were Dennis Szyjak, president; Tom Conley, vice-president; Steve Jacobson, treasurer; Len Mancini, recording secretary; and Roger Gibbs, corresponding secretary.

The week prior to the elections had been one of frenzied efforts to gain student support beginning with the distribution of candy, buttons, and ribbons and wild rock-and-roll combos, and ending with demonstrations and speeches before an assembly of the entire student body.

The new president, junior Dennis Szyjak, has been an active member of the council for the past three years. He is also Assistant Editor of the school newspaper, a member of the Notre Dame Debating Society, and a member of the school's service club. Dennis has maintained a "B" average in his class work.

Tom Conley, the new vice-president, brings with him such

experience for his new post. He has served as a student leader at the Notre Dame District Convention of Illinois Student Councils, and was chairman of the Publicity Committee of the Notre Dame Council before becoming vice-president. Tom is a member of the National Honor Society, Cross and Anchor Club, and is active in sports.

Len Mancini and Roger Gibbs, both sophomores, captured the two secretary posts, traditionally take-off points for the council presidency. Both of these boys were members of the previous year's council and have done considerable work.

Elected two weeks later were the Council Class Senators. Each class elects five students to represent them as the important members of the Council. Senior senators included Dan Governale, Don Lee, Dale Dillavan, Gene Marcell, and Rick Farmer. Newly elected junior senators were John Cooke, Scott Sherwood, Larry Arndt, Pat McNeilly, and Tom Hohenadel. Sophomore senators are Bill Dasso, Ruth Kansen, Tom Paprocki, Tom Russell, and Paul Newell.

### Honor Student At Milliken

Mr. Glenn Bohmer was one of thirty-three students recognized at an Honors Convocation at Millikin University on Wednesday, May 18. The students all have a cumulative grade point average of 3.5 or better, based on the 4.0 grading system.

Dr. Pressley C. McCoy, president of the Central States College Association, was the main speaker at the convocation. Dr. McCoy became president when the Association was formed by nine, now twelve, colleges and universities in six midwestern states.

Mr. Bohmer is a junior history major at Millikin. He is the son of Mr. and Mrs. Charles Bohmer, 7771 N. Nordica, Niles, Illinois.

### Troop 513 Makes Toys

Girl Scout Troop 513 under the leadership of Mrs. Beverly Feid and Mrs. Pat Daugird recently assisted the troop in completing the necessary requirements for the Toymakers Badge. Pictured here are Carmel Daugird, Diane Taglavina and Sharon Riccia with some of the toys they made for St. Vincent's Orphanage.

### Basketball

continued from page 10

to come, Tom Fulton - plays guard and forward and has the desire to learn which should prove to be his biggest asset. Tom was the top scorer on his 7th grade intramural team and was the leagues second high scorer behind Tom Les. Doug Kurzydlo - guard and another greatly improved player on the team, Doug is an excellent rebounder for his 5 ft. stature and should improve even more within the coming year. Mark Warren - plays guard and is only in fifth grade, Mark has excellent potential and desire and by the end of his remaining 3 years in grammar school he should have developed into a really great player. Mark led his 5th grade intramural team and league in scoring.

Supplementing the fine performances by the Varsity and 7th grade teams was the 6th grade team, who without one practice together, walked away with a first place finish in the only tournament that they were entered in - The Sacred Heart 6th grade Invit. Tournament. Those participating on this team were Gary Les, Mark Warren, Paul Klipowicz, Dick Allegrette, Tom Riley, John Mak, Tom Le Clair, and Pat Swanson.

A new wild and delightful addition to the St. John Brebeuf basketball program was its intramural basketball league for all those boys in the 5th, 6th, and 7th grades who wish to learn to play basketball. The program is in its experimental stages playing host to 12 teams and 180 boys and proved to be an unforgettable experience for those fathers who helped to make it a success. Credit is very much in line for the following fathers who devoted their time to coaching one of these basketball teams - Mr. Frank Di Maria, Mr. Draths, Mr. Kriese, Mr. Kornacker, Mr. L. Adamski, Mr. W. Beusse, Mr. B. Swanson, Mr. Gustafson, Mr. R. Les, Mr. La Kowski, Mr. Bergles, Mr. Kenney, Mr. Wayland, Mr. Volpe, Mr. Farnsworth and Dan Kosiba, the originator of the program.

### Receives 5-Year Pin From Allstate

Thomas L. Beckman, 9931 Warrenoval, Niles Ill., has received a pin in honor of his fifth anniversary with the Allstate Insurance Company. Mr. Beckman is an agent for Allstate in the Sears, Roebuck, and Company building, 4730 Irving Park, Chicago, Ill.

Beckman graduated from the University of Notre Dame with a Bachelor of Arts Degree.

### Karen Porczak Art Exhibit

Karen (Mrs. Thomas) Porzak of 8605 North Milwaukee Ave., Niles, will exhibit a collection of oil paintings in the Ridgeview hotel gallery during May and June.

A native Chicagoan, Mrs. Porzak won a scholarship to Chicago's Art Institute when she was 10 years old. She has been an artist ever since and has continued painting and teaching art while raising her two children, Joyce, 7 and Thomas, 5 1/2.

Best known for her palette knife technique pictures of humorous clowns, Mrs. Porzak specializes in pictures for children. Her subjects vary from clowns and still life, landscapes and seascapes to portraits of animals. The young mother-housewife-artist-teacher has had numerous one-man art exhibits and has won several awards at out-door art fairs in the suburbs and Chicago. Her paintings have been on exhibit in Morton Grove, Park Ridge, Glenview, Niles with the Ridgeview hotel gallery becoming her first exposure in Evanston.

### S.O.S. Drive Successful

The soap collection drive conducted on May 7th by Cub Pack 45 and Boy Scout Troop 45 of Oak School was very successful. The boys collected approximately 2,000 bars of soap from residents of the Oak School area. The Independent Order of Foresters will ship the soap to Viet Nam where the Third Marine Amphibious Force will distribute it to civilians.

The soap is needed to help prevent diseases and is a priority item there. Our G.I.'s have found villagers more cooperative in United States efforts when they make this good will gesture.

Cub Scoutmaster Everett Hyken heard of this need and contacted the Independent Order of Foresters who volunteered to ship overseas any soap our boys might collect.

### Enrolls At Robert Morris

Dean Z. Katz son of Mr. and Mrs. Ernest R. Katz of 5411 Oakton Street, Morton Grove, Illinois has enrolled in the Robert Morris Junior College at Carthage, Illinois.

### Science Award Winners

Dan Nietschmann, 6828 Madison Street and Linda Gill, 6911 Howard Street, exhibited their Science Exhibition of the Illinois Junior Academy of Science. Dan was awarded first place for his project on "Fossil Molds and Casts." Linda's project,

"The Effect of Detergents on Sweet Potato," was given a third place award. Dan and Linda attend Niles Elementary School North, District 71. The State Science exhibit was held at the University of Illinois' huge Exhibition Hall in Urbana.

### Niles King & Queen Contest

The annual Niles Day Festival to be held this year on July 20th through July 24th will have the exciting overture of royal pageantry, once again. On the first evening, July 20th, a teen aged king and queen will be selected from a field of semi-finalists who will represent various homeowners and civic organizations within the Village of Niles to reign during the duration of the fair and represent the Village of Niles during the entire reigning year.

Each aspirant must be in the 16-17 age bracket and be available during the evenings of the festival. Applications may be obtained from the Village Clerk's office, 7166 Milwaukee Ave., Illinois or by calling 647-8485.

Gifts will be donated by prominent businessmen throughout the Village of Niles along with bonds and trophies.

Don't wait until the last minute. Get your applications as soon as possible.

### Plan Board Of Health Training Program

The Niles Board of Health is in the process of setting up a Medical Self-Help Class for Instructors as an adjunct to the Emergency Health Service of the proposed Disaster Plan for the community. This course will be conducted to ensure that there will be a core of trained personnel in the Village in the event of a disaster, nuclear or natural. The purpose for this course is to train potential instructors, who will in time train others. The hope of the Board is that there will be at least one member of each family who will have this knowledge.

Subjects included in the eight week course are, Radioactive Fallout & Shelter, Healthful Living In Emergencies, Artificial Respiration, Bleeding and Bandaging, Burns, Shock, and others. Classes will meet either on a Tuesday or Wednesday evening. If you would like to participate in this program and be an instructor yourself, please call the Health Board Office, between 9:00 A.M. and 3:15

P.M., at 647-9664, Monday, Tuesday, or Thursday, to register your interest, or drop a note to the office at 6849 W. Touhy as soon as possible.

### Midshipman Dave Bauman Receives Award

Awards to 20 midshipman in the Naval Reserve Officer's Training Corps at the University of Illinois were presented at the annual spring parade.

Awards presented by Capt. J.C. Splitter, professor of naval science in the university, included:

David J. Bauman of 7023 Wilson Terrace, Marine Officer Instructor Medal to midshipman of Naval ROTC drill team who has shown improvement; and Trident Leadership Medal to midshipman in each class who has demonstrated outstanding leadership.

### Seven Girls Attend American Legion Conference

The Morton Grove American Legion Junior Auxiliary of Unit #134 recently had seven girls attending the 12th annual Department Junior Conference of the American Legion Auxiliary, Department of Illinois, at the University of Illinois, at Urbana.

Accompanying the officers and members to the May 14 event were Auxiliary Unit President, Mrs. John Sepey and Mrs. Russell Walliser.

Kathy Walliser was given the distinction and honor of being the personal page to the Department President. She is a former MG Junior Chairman.

The girls heard junior officers and chairmen report on the

### Graduates

Marine Private Phillip J. Mikula, son of Mr. and Mrs. Edwin J. Mikula of 5745 Reha St., Morton Grove, Ill., was graduated from Marine recruit training at the Marine Corps Recruit Depot here.

### Car Wash May 28

Car wash, bake sale, and free "coffee and" to keep patrons happy will make the junior class event this Saturday a real washarama, class officers declare.

Wash chairman Mike Platt, of Morton Grove, said that as a result of a class assembly last week more students will turn out to wash cars Saturday than have ever worked at that kind of event at Maine.

He said that bargain rates will include \$1 for a wash job and \$5 for a wash and wax. Donations of bakery goods to make the accompanying bake sale, in the fieldhouse lobby, an equal success, will be gratefully accepted.

### Awarded Medal

Rev. Raymond J. Wilhelm, pastor, St. Martha Church, is shown presenting the Ad Altare Dei medal—the religious award for Scouts who are Roman Catholic—to scouts John Poterek, left and Al Baker, right, members of Troop 84, BSA, who completed the requirements to earn the award.

The presentation was made in a special religious ceremony preceding the recent Spring Court of Honor.

Because Scouting recognizes the importance of religion in

a scout's life various faiths have developed special programs for their Scouts to aid them in fulfilling the religious ideals of the Scout Oath and Law. The oldest religious program for Scouts is that of the Roman Catholic Church. The words AD ALTARE DEI are taken from the opening prayer at Holy Mass. This emblem and these words remind the boy that living close to the "Altar of God" will bring joy to his youth. The emblem is a bronze cross, suspended from a ribbon with the papal and our national colors.

### Troop 45 On Camping Trip

Members of Boy Scout Troop 45 set out to Illinois State Park for a week-end of camping on Friday, April 29th, 18 boys and 7 fathers braved the rain and cold weather. After setting up camp, they enjoyed snacks, donuts and cocoa.

Saturday breakfast was made and served by the boys. It consisted of cereal, French toast, cocoa and coffee. Lunch was hot dogs, beans, donuts, and drinks.

Saturday afternoon, the following members passed requirements: Guy Mitchell—Second Class Cooking, 5 Mile Hike, Hike Precaution, Poisonous Plants; Don Johnson—Wild Life; Jim Ignatius—Wild Life; Terry Frick—5 Mile Hike, Wild Life, Poisonous Plants; Jeff Lundius—5 Mile Hike; Walter Kozacki—5 Mile Hike, Second Class Cooking; Bob Krusan—Second Class Cooking; Paul Pomazal, Phil Hilson, Robert Sandvik and Randy Hyken all passed Edible Plants. All the boys had fun on the monkey bridge. After a dinner of hamburgers, potatoes and veg-

etables cooked in foil, which the boys made and served, every one got ready for an evening of fun. Around the campfire, the following members were initiated into the troops: Jim Ignatius, Walter Kozacki, Terry Frick, Guy Mitchell, and Jeff Jundius. They finished the evening with songs, skits and eating Jim Schneider's birthday cake.

Thanks to drivers Mr. J. Frick, Mr. D. Schneider, Mr. E. Hyken, Mr. T. Sandvik, Mr. P. Hilson, Mr. E. Johnson, Mr. R. Pomazal and Mr. E. Tabert who drove the truck.

### Enrolls At Robert Morris

Dean Z. Katz son of Mr. and Mrs. Ernest R. Katz of 5411 Oakton Street, Morton Grove, Illinois has enrolled in the Robt. Morris Junior College at Carthage, Illinois. He is pursuing a degree in marketing in the college's School of Business Administration.

### Legal Notice

### Jerry Santowski Heads Cancer Drive

The appointment of Mr. Jerry Santowski, 7644 West Kirk Drive, as chairman of the American Cancer Society's 1966 Crusade in Niles was announced today by Mr. Woodrow G. Paradis, Campaign Chairman for the 18-community Northwest Suburban Unit and a vice president of Warwick Electronics Inc., Niles.

Chairman Santowski said he was happy to undertake such a challenging and humanitarian assignment. According to the chairman, anyone who is willing and anxious to serve as a volunteer should contact the American Cancer Society's Northwest Suburban Unit at 628 South Emerson Street, Mt. Prospect, or phone CL 3-5144.

"I am confident," Mr. Santowski said, "with interested members of our community, we will distribute interesting information to every home in Niles and at the same time reach our modest goal of \$2,500."

### LGH Personnel Author Many Articles

Personnel at Lutheran General Hospital, Park Ridge, have had a variety of articles and papers published in various journals and magazines.

Hospitals Magazine carried an article by Dr. James G. Shaffer, director of microbiology and hospital epidemiology entitled "The Microbiological Profile of Two Hospitals of Differing Structure." Co-authors of the article were Iris Key, research supervisor, and David Migic, research technician.

Mrs. Margaret Gurnow, director of volunteer services, is the author of an article which appeared in *Horizons Review*. The article discusses the ways Horists can cooperate with hospitals.

Dr. Jonas Vajzic, chief pathologist and medical director of clinical laboratories, is co-author of an article in the *Journal of the American Medical Association*. The article is entitled "Circulating Tumor Cells in Patients with Carcinoma (cancer)."

Hamie Sauer, director of public relations, had a recent article published in the *Horizons Review*.

### Named To Dean's List

Miss Susan Kramer, daughter of Mr. and Mrs. James Kramer, 5318 North Mary, Niles, has been named to the Dean's List at St. Norbert's College, West De Pere, Wisconsin.

### LETTERS TO THE EDITOR

continued from page 11

opinions and objections as I have in the past.

Now as for your leader, Mr. Scheel. A little more than 3 years ago he called me a rebel Democrat and, according to the article in the BUGLE, Blase stated that I was BOOTED out as Besser put it. (I like that word Booted, it sounds so convincing.) I would like to go into that in detail but this letter is quite lengthy as is, so to make a long story short the way I see it I am a rebel because I do not agree with the great one's (Blase) thinking, and would not take orders from him.

Blase never owned me, never will and neither will any other politician.

Just for the record, when the New Era party was formed the group searched for a man who was aggressive, with some spunk and drive. Blase called me and asked if I would join the group and act as campaign chairman. I told him I would think it over. Blase was a complete stranger to me. However, I was well acquainted with the rest of the group. In the 2 weeks that followed, Blase called on two more occasions. In the meantime I was making a few inquiries, and finally agreed to support the group.

I remember very distinctly telling the group that I would be the first to admonish them if they did not carry out their campaign promises. So, after all is said and done, the way I see it, you guys are criticizing me for the very reason you accepted my support in the first place.

It sure will be good to get that knife out of my back, fellows.

Now, Mr. Besser, regarding the article you wrote about my attitude toward the TAM controversy.

First of all, lets get one thing straight. I don't give a hoot about a re-appointment to any position where my safety and property value is concerned. There are rules, regulations, and certain standards the board should abide by when considering any zoning request. I am sure you heard of our Comprehensive Zoning Ordinance.

In my five years on the Zoning Board, I listened carefully

and attentively to peoples problems regarding zoning requests by petitioners. In this case, I must admit I was prejudiced because I was partial to Niles and its residents.

When you say my views are obviously prejudiced on TAM, then you are implying that everyone in favor of retaining TAM is obviously prejudiced.

Have you considered the plight of the residents adjacent to and surrounding TAM?

I support their right to defend against anything and anybody who attempts to force or create hazards to life, limb and property values.

Also, statistics prove that Niles is at the bottom of the list of villages with recreational area acreage per one thousand and population.

At Zoning Board Meeting of April 28th, I specifically stated my views and reasons for opposing industry in the area.

The above statements are my reasons for opposing rezoning TAM, Dave. Can you give me your reason for saying that I am obviously prejudiced?

I am a little worried about you, Dave. You are beginning to believe everything you hear. The truth of the matter is that it is you who are obviously prejudiced.

Bill Zimos  
7613 N. Neva

### Thank You

Dear Sir:

We would like to express our sincere thanks for the great deal of space you devoted to the 1966 Chicago Easter Seal Society's campaign for public contributions. Your coverage of our campaign was excellent.

As chairman of the campaign, I am aware of the important role the community papers play in our drive. The Society fully appreciates your help in telling the Easter Seal story to the public.

Sincerely,  
Howard L. Willet Jr.  
Chairman, Chicago Easter Seal Society Campaign

## Blase Asks For School Lunch Program

(News Release)

In a letter last week to Senators Dirksen and Douglas, and Congressman Rumsfeld, Nicholas Blase, candidate for Democratic Committeeman of Maine Township, asked that the government's School Lunch Program be saved.

"I felt that I just had to write a letter," said Blase. "According to information which I have received, the appropriation for the Type A meal under the National School Lunch Act may be cut by \$19,000,000 next year and the National Milk Program will become virtually non-existent."

"I realize that the government is on an all-out campaign to cut the budget. I also realize that our needs in Vietnam must be met, but I simply cannot see why a vital program like the National School Lunch Program must be the one to suffer. Our school districts in Maine Township have a hard enough time creating a budget without the added burden of cut-backs in their School Lunch Program."

"Contrary to what my opponent, Tom Bradley, feels about our schools, I know that cutting this food program will further handicap our School Boards in their struggle to provide added education."

"In my letters to the two Senators and the Congressman," said Blase, "I urged them to extend every effort to keep the appropriation for the School Lunch Program and the Milk Program as high as possible. I urge all citizens to write just as I have."

## Completes Combat Training

Marine Private Keith J. Moser, son of Mr. John B. Moser of 8747 Marmora Ave., Morton Grove Ill., has completed individual combat training here.

The four-week course included over 200 hours of instruction under simulated combat conditions, covering squad tactics, guerrilla warfare, day and night combat, patrolling and the use of infantry weapons.

Key figures in the Richard C. Wessell campaign for Maine Township Democratic Committeeman in Niles are these four well-known area residents and the candidate. The photo was made recently at a planning session held in the home of Dr. and Mrs. Walter Zinn, 9051 Clifton, Niles. Left to right: studying precinct map of Maine Township, are Mrs. Sylvia McNair, member of the Board of Education of School District 63, her husband, William McNair, Niles co-campaign manager; Wessell; Dr. Walter Zinn, Niles co-campaign manager; and Barbara Zinn, wife of Dr. Zinn. Over 50 volunteers are currently working on Wessell's behalf in the Village of Niles.

## Wessell Announces Niles Campaign Workers

(News Release)

Richard C. Wessell, candidate for Maine Township Democratic Committeeman, this week announced several key appointments in Niles.

Named to direct Wessell's drive locally in the June 14 Primary Election campaign are: Dr. Walter Zinn, 9051 Clifton, and William McNair, 8855 Greenwood, both of Niles.

Appointed as chief administrative assistant to Zinn and McNair is Melton Griffith, 8726 Stolling rd. Griffith is aiding Zinn and McNair principally in the organization of precinct volunteers.

Actually, the trio has been hard at work on Wessell's campaign for two months. "We delayed formal announcement of their efforts until now in order to coincide with onrushing interest in the campaign for committeeman," Wessell said.

Dr. Zinn, an optometrist, has been active in Niles civic affairs for several years, as has his wife, Barbara. As an active member of the Niles Junior Chamber of Commerce, he was the principal architect of the official All-American City presentation in 1964.

McNair, the owner of a Chi-

cago employment agency specializing in newspaper and other communications personnel, has also been active locally. He has considerable background in politics and newspapering. His wife, Sylvia, is a member of the board of education of School District 63.

Griffith, an electrician and active union member, is an officer of Mel Tierney Park of the American Legion in Park Ridge. He is president of his area's homeowners' association, the Park Lane Community Association, and currently he is serving as ways and means chairman of Ballard School PTA.

In officially telling of the three appointments, Wessell said that he is especially appreciative of the dedication, hard-work, and abilities of the three. "Mr. Zinn, Mr. McNair, and Mr. Griffith are three top men who are typical of the hard-working, progressive types of people actively involved in our campaign. They've been doing a wonderful job in heading our group of over 50 volunteers in Niles."

## District 67 Art Show Winners

A 14-year-old Golf Junior High student from Glenview produced the semi-abstract oil ad judged "best of show" in the school's annual student art exhibit.

Among scores of entries in the competition, "The Five Heads" by William Genovese, an eighth-grader, was given the top award as well as "best of oils" rating, by the committee of judges.

Other winners, in the show under direction of Golf art teacher Allan Lee Clark, were Glenn Cuzzort, Morton Grove, "best of water-colors" and "best of collage"; John Meyer, Morton Grove, "best of ceramics"; Jane Zari of Glenview and Florence Callero of Morton Grove, "two best of rug-making"; Peter Wyler, of Morton Grove, "best of sculpture"; David Baer, Morton Grove, "best of still-life"; John O'Hara, Morton Grove, "best of landscape"; and Leslie Bahnsen, Morton Grove, "best of crafts." The last is a seventh-grader; all others are eighth graders.

## Teletype Corp. To Build Plant In Little Rock

Gaurus T. Goetz, president of Teletype Corporation, announced today that his company undertake the design of a manufacturing plant in Little Rock to help meet the growing demands of the company's many customers, which include the U.S. Army and the U.S. Navy.

Teletype has been leasing manufacturing space in Little Rock since 1957 and currently employs about 500 people in that city. The new plant will be built on a 160-acre site which was purchased in 1957 in expectation of future expansion.

## Bradley: 'Neighbors Have Failed To Help Unincorporated Area'

(News Release)

"The Maine Township Democratic Organization and I, as committeeman, are here to help people in this area in any way they might require," Committeeman Thomas C. Bradley said at a meeting in the home of Edward and Vivian Gordon, 9233 Open Drive, in the unincorporated area of Maine Township.

Bradley added, however, that he "doesn't believe" in throwing the Organization's weight around in school boards, PTA's and non-political organizations.

The Maine Township Democratic Committeeman, who is seeking re-election in the June Primary, told those present at the meeting that he felt Des Plaines, Park Ridge and Niles have failed to do any help to the people in the unincorporated area at the present time. "I see no reason why our presently constituted local governments in adjacent villages have not cooperated with the people and given assistance to them when annexation was sought," Bradley continued. "Only lip service to this mushrooming community has been forthcoming. If these people require help, but the people must make up their own minds first, about that they want."

Bradley noted that he is well acquainted with area problems. He appeared in court six times in the recent Park District election in the area and was helpful in reconciling differences of opinion between opposing attorneys, Judge Adesso has called a June 4 referendum on the question and Bradley added that he is heartily in favor of the formation of the Park District, which he feels is much

They've been doing a wonderful job in heading our group of over 50 volunteers in Niles."

## District 67 Art Show Winners

A 14-year-old Golf Junior High student from Glenview produced the semi-abstract oil adjudged "best of show" in the school's annual student art exhibit.

Among scores of entries in the competition, "The Five Heads" by William Genovese, an eighth-grader, was given the top award as well as "best of oils" rating by the committee of judges.

Other winners, in the show under direction of Golf art teacher Allan Le Clark, were Glenn Cuzzort, Morton Grove, "best of water-colors" and "best of collage"; John Meyer, Morton Grove, "best of ceramics"; Jane Zari of Glenview and Florence Callero of Morton Grove, "two best of rug-making"; Peter Wylar, of Morton Grove, "best of sculpture"; David Baer, Morton Grove, "best of still-life"; John O'Hara, Morton Grove, "best of landscape"; and Leslie Bahnsen, Morton Grove, "best of crafts." The last is a seventh-grader; all others are eighth graders.

## Teletype Corp. To Build Plant In Little Rock

Maurus T. Goetz, president of Teletype Corporation, announced today that his company will undertake the design of a new manufacturing plant in order to help meet the growing demands of the company's many customers, which include the Bell System and the U.S. Government.

Teletype has been leasing manufacturing space in Little Rock since 1957 and currently employs about 500 people in that area. The new plant will be built on a 160-acre site which Teletype purchased in 1957 in the expectation of future expansion.

The proposed new building, which will replace the present leased facilities, will provide a modest increase in manufacturing capacity.

Mr. Goetz stated that the Skokie-Niles location will continue to function as headquarters for all of the company's operations, including research and development, sales, and manufacturing. He further commented that Teletype is a company which grew up in this area during the past 60 years and that it will continue to make maximum use of its local facilities.

## Bradley: 'Neighbors Have Failed To Help Unincorporated Area'

(News Release)

"The Maine Township Democratic Organization and I, as Committeeman, are here to help the people in this area in any way they might require," Committeeman Thomas C. Bradley told a group of people at a recent meeting in the home of Edward and Vivian Gordon, 3233 Aspen Drive, in the unincorporated area of Maine Township.

Bradley added, however, that he doesn't believe in throwing the Organization's weight around in school boards, PTA's and non-political organizations.

The Maine Township Democratic Committeeman, who is seeking re-election in the June 14 Primary, told those present that he felt Des Plaines, Park Ridge and Niles have failed to be of any help to the people in any annexation proceedings up to the present time. "I see no reason why our presently constituted local governments in adjacent villages have not cooperated with the people and been of assistance to them when annexation was sought," Bradley continued. "Only lip service to this misshapen community has been forthcoming. If these people require it, but the people must make up their own minds first, about what they want."

Bradley noted that he is well acquainted with area problems. He appeared in court six times on the recent Park District question in the area and was helpful in reconciling differences of opinion between opposing attorneys. Judge Aedemus has called a June 4 referendum on the question and Bradley added that he is heartily in favor of the formation of the Park District, which he feels is much

needed.

The Maine Township Committeeman, who has served in that post for the past 16 years, was also helpful in the formation of the Oak Meadow Sanitary District, located west of Potter Road and north of Golf Road, and he helped circulate petitions which were presented to the County Board for the purpose of securing industrial zoning for the golf course. The petitions were delivered to the Board by four persons, members of the Regular Democratic Organization of Maine Township, three of whom are precinct captains.

In answer to charges of organization weakness and lastitude made by his opponents for the position of Committeeman, Bradley pointed out that the Maine Township Regular Democratic Organization has worked hard in every area of political activity, and is close to carrying the township through Democratic. He noted that over 23,000 Democrats voted in Maine Township during the last general election. This total was beaten only by four other townships and by four Chicago wards. From a five to one Republican to Democratic ratio some years ago, the figure was dropped to only 1.4 to 1 at the present time, Bradley added.

He invited any new Democrats in the area to visit the modern, active Regular Democratic Organization Headquarters, located at 1535 Oakton Street, Des Plaines, which is open six days a week plus two evenings.
