imply to unincorporated residents the official looking gendarme's survey of their area was for the purpose of annexing it into Niles. But Blase said this isn't true...that the survey is being taken to study traffic patterns in the area... he added neighboring towns are likewise using police there, though it was never determined whether or not they had sent them there as of Wednesday.

We also wondered aloud why the Middle States telephone survey, which initially was a Niles village study, is now being sent into Des Plaines and Park Ridge on Blase-For-Committeeman stationery. Blase dismissed the query by stating he had received 2,100 returns from outside Niles. In closing the Weekly Blase-BUGLE teletype Nick reminded us there is nothing wrong with being motivated "politically" if at the same time it aids the public.

Friends Of The Library Hold Election

Tuesday evening, May 24, 1966, the Friends of the Niles Library held their annual election of officers for the coming year.

The outstanding, tireless efforts of Mrs. Phillip Bergeron during the past year resulted in the members voting unanimously to reelect her to the presidency.

Mr. Raymond Koll, the only male member of the group, and his most dedicated supporter as well as stabilizing influence, was elected to the vice-presidency, in line with his past efforts. Mr. Koll also consented to act as Membership Chairman. (Our hats are off to you, Raymond.)

The group then elected Mrs. Payer J. Livorno as Chairman, and Means Committee, and followed with the appointment of Mrs. Wilbur R. Schutt as Publicity Coordinator.

Good luck to all the members in the coming year, as they strive to better their past accomplishments. All the citizens of Niles are welcome to attend the meetings and an invitation is extended to all to become participating members.

Blase Provides Movie For Kiddies Of Voters

Mayor Nicholas B. Blase, candidate for Democratic Committeeman of Maine Township announced that he will provide a movie, "The Incredible Mr. Limpert" featuring Don Knotts, plus assorted cartoon features for the parents who wish to vote on Election Day, Tues., June 14.

The children can be dropped off at 9:30 a.m. and be picked up at 12:30 a.m. at the Golf Mill Theatre in Niles, Ill.

Tickets are available free from any Blase Precinct Captain or by calling Blase's Headquarters at 966-9300.

Feeling the great importance of people voting in this important Primary Election, Blase stated that will furnish most any service in order to enable the voters to get to the polls.

School For Firemen

The Niles Fire Department recently hosted a pump operator and hydraulics school for 35 firemen from nearby communities.

The one-day class, held at Station 2, 8360 W. Dempster St., was attended by firefighters from Arlington Heights, Morton Grove, Mount Prospect, Park Ridge, and Skokie, in addition to firemen from Niles.

Niles Days Committee To Choose Mr. And Mrs. Niles

Each year the people of Niles honor an outstanding man and woman by conferring upon them the title of Mr. and Mrs. Niles. Men and women who are recommended for the title are those who have made an outstanding contribution to the community.

The progress made in Niles in the past 10 years can be attributed to the dedication of many active Niles citizens who have given their time and effort in order to work towards the creation of a better community. Two of these citizens will be Mr. and Mrs. Niles 1966.

In addition to a trophy, the recipient of this award will receive many beautiful gifts donated by merchants and individuals from Niles and many surrounding villages.

Names of candidates for both titles are now being received by letter from clubs and various organizations in Niles wishing to obtain the honor for an out-

Pump maintenance, construction, and operations were explained by George Layden, chief engineer of the Peter Pirsch Co., fire engine manufacturer. Hydraulic problems and hose layouts were taught by Marvin Austin, field engineer for the Illinois Inspection and Rating Bureau. A cutaway model of an actual fire pump and colored slides

were used to illustrate the lectures.

Fire Chief Albert L. Hoelbl said that the instruction serves to reduce pump breakdowns by better understanding its operations and also prepares the pump operator for some of the problems which may be confronted in responding to neighboring communities on mutual aid calls.

Niles Public Works Trash Pick-up Schedule

Unlike most of the surrounding suburbs, the Niles Public Works Department has a special trash pick-up twice each month for Niles residents.

Niles picks up discarded furniture, wash machines, hot water tanks, large crates, and branches cut in 4 ft. lengths.

Residents living in Zone I-Orjole Avenue and East of 7500 have trash picked up on the 1st and 3rd Friday of each month by calling 647-8565 before Friday. Residents living in Zone 2-West of Orjole Avenue have trash picked up on the 2nd and 4th Friday of each month by calling 647-8565 before Friday. All articles have to be placed by the curb by 8:00 A.M.

Residents must specify what they are discarding when they call because branches are picked separately by a tree grinder and iron articles are picked up separately from household furniture.

Items not included in the pick-up are concrete, sod, dirt, stone, bricks, plaster, lumber and any other construction or remodeling materials. Residents must dispose of the above materials at their own expense.

Grass and leaves will be picked up by the weekly garbage service if the grass and leaves are deposited in 20 gallon metal garbage or bushel baskets.

Pvt. Kosmatka Completes Course

Marine Private Stanley L. Kosmatka, son of Mr. and Mrs. Stanley J. Kosmatka of 7236 Greenleaf Ave., Niles, Ill., has completed the Field Message Center course at Marine Corps Base, Camp Pendleton, Calif.

He was taught the techniques of installation, operation procedures and maintenance of all field wire systems.

He also received a familiarization of the working characteristics of all communications equipment.

ings would have 1 bedroom apartments.

Plan chairman Rowen told Arndt his approach was "naive". He pointed out Arndt did not have a plat to present to the Board. He said "regardless whether the idea was a good or bad one" it would be necessary to make a more complete presentation to the Board.

Arndt emphasized his group was "doing a good deed" in offering senior citizens housing at a low rent estimated at \$75 monthly. In defending his approach he reiterated many times "if the project is good enough for the United States" it should be good enough for Niles. Arndt said he's been in business for more than 40 years, has built the Markham area on Chicago's far south side, and has done business in Niles in past years "off the cuff".

Rowen told him times have changed in Niles, and in 1961 Niles created a comprehensive zoning plan which is now adhered to. Rowen said Niles does not have hi-rises, that the legal notice published was improper, since an amendment to the zoning ordinance would be necessary to permit Niles to have zoning for hi rises.

A motion by Commission member Joe Miller denied the petition though the petitioner can file correctly without submitting another fee, only having to pay for the legal notice for the new filing.

In other actions the Board recommended an off-the-street boat ordinance be considered for Niles.

Rowen also announced a Ford dealer will seek a special use zoning for a new and used car dealership alongside the Goodyear store across from Golf Mill.

Rowen said anonymous "obnoxious" letters were received by Plan Commission members comparing Niles Zoning Board to the infamy of Northlake. Rowen dismissed the letter as the work of a "sick mind".

Lions Elect New Officers

At the last regular meeting of the Lions club of Niles the following members were elected to serve in the following official capacities for the term of 1966-67.

Lions Carl Rathje, 7652 Milwaukee, Niles, president, William Wetendorf, 1204 Grove Ave., Park Ridge, first vice president, Todd Bavaro, 7139 Breen, second vice president, Joseph La Verde, 7246 Milwaukee, third vice president, Rudolph Hill, 7608 Nora, Secretary, Frank Troiani, 7641 Greenleaf Place, Treasurer, Edward Zielsinski, 7638 Milwaukee, Lion W. Monroe, Tall reister and Stuart Ravenhyrne, 8737 N. Ozanam, all of Niles, two year term on board of directors.

Sponsored by the Des Plaines and Park Ridge Leagues of Women Voters, an important Candidates Meeting will be held on Thursday, June 2nd, at 8:00 P.M. at the Rand Park Fieldhouse, 2025 Minder, Des Plaines. Featured speakers will be all candidates from the 4th Senatorial and Representative Districts. Cumulative voting will not be used in this year's election on June 14th, so we really have a choice. This is one time you want to be certain you are voting for the best candidate.

From The Left Hand

By David Besser Editor & Publisher

Along the Political Trail.... The committeeman races in our 2 townships hold the greatest interest of the greatest number of residents. Yet, we attended three or four "debates" between the candidates, both in Niles and Des Plaines, and didn't find a total of 100 uncommitted voters in the crowd. If there is any message resulting from the poor turnouts it would be residents have very little interest in the committeeman races...at least in Maine Township.

According to the "pros" (they are the guys who worked the precincts in Chicago before moving out here) the incumbents generally must be given the favorites role. They contend the pro's have an organization and these precinct workers are dependent upon the jobs they've received through their committeemen. Thus, it's obvious they have got to deliver their precinct. This "delivering" is doubly important to the guy with the political job. If his precinct comes out for his tiger he looks good, not only in the eyes of his candidates, but also in the eyes of his opponents. If one of the opponents wins, but the precinct captain delivered for one of the loser, it's likely the winner would want to retain the precinct worker for his future. Thus, the political job would likely be retained under a new committeeman's sponsorship.

In both townships the "outs" have criticized the leadership of the "ins". In Niles Township Jerry Lerner contested Ray Krier's organization is a one-man machine and levels the charge of "bossism" at Krier. Krier has countered Lerner has nothing to say and credits his organization as being progressive. Lerner has received endorsements from the Better Government Association and the I.V.I. while Krier has been endorsed by the Daily News, Lerner, by the way, is not related to the Lerner Newspaper people.

In Maine Township new comers Blase and Wessell have decried the "defeatist" attitude and the poor showing of Democrats in predominantly Republican Maine Township. Incumbent Bradley counters their remarks by stating in his 16 years Maine Township has been reduced from an 8 to 1 Republican area to a 1.4 to 1 area, basing his last figures on the last election. Blase and Wessell discount the LBJ ratio, pointing to the overwhelming Johnson victory throughout the country.

The greatest combat in this campaign has been between Blase and Wessell. Wessell first cried "foul", when he said a sign alongside Niles fire stations was buzz-sawed to the ground, and Niles police and commissioners prevented a sign being installed at Oakton and Milwaukee. Blase denying any subterfuge, joined Bradley in denouncing Wessell for failure to include their news release in Wessell's Des

COMMITTEEMEN RACES HI-LITE PRIMARY

5 Candidates Vie For 2 Posts

While Illinois residents are not likely to be lured to the polls Tuesday in record numbers because of the non-competitive primary races for United States Senator, Niles and Maine Township residents may reverse the trend because of local races.

In Maine Township the Democratic committeeman race could move the natives into the election booths as the result of the three-man race between incumbent Tom Bradley, Niles Mayor Nick Blase and Des Plaines publisher Dick Wessell (see Left Hand, column 1).

Bradley, who has headed the Maine Democrats for 16 years has had the unusual experience of being opposed by two men, who've spent most of their time attacking one another, rather than the incumbent. In predominantly Republican Maine Township Democrat Bradley has been attacked for lack of leadership, an age-old battery heard at all elections. But the major brickbats in this campaign have been hurled by Bradley's opponents at one another in a pre-election campaign which both candidates are hoping will sway the new voters in the unincorporated area, whose recent arrival in Maine Township should beef-up the Democratic Party.

In Niles Township incumbent Ray Krier, who is seeking his second term in office, after receiving the Democratic mantle from his father, is opposed by Jerome Lerner, who lost four years ago in a 3-way race for the committeeman post. Bill Siegal, third man in the '62 race, has joined forces with Lerner. Lerner has criticized one-man rule and bossism as the key issues in this race, while Krier contends Lerner has had no issues, and points with pride to the strong Niles Township organization. Krier also notes the national recognition the local Young Democrats have received recently as another point favoring his leadership.

In other local races Park Ridge publisher Bill Carroll and incumbent Maine Township committeeman Floyd Fuller are unopposed in their bids for

Fire Department Promotes 6 Firemen

Effective June 1 fire chief Albert Hoelbl was promoted to the permanent rank of deputy chief, Sam Buleby was promoted from lieutenant to captain and firemen Gordon Michalsen, Harry Kinowski, Carl Fox and Gerald Himmler were promoted to the rank of lieutenant.

In competitive examinations these men scored highest. Six men took the captain's examination while 19 men took the lieutenant's test.

Michalsen and Kinowski are assigned to the fire prevention bureau while Fox and Himmler are assigned to company command.

Jr. College Plans Include Niles Twp.

The first step in possible establishment of a North Shore Junior College by 1970 will be taken within the next several weeks as petitions are circulated to citizens in communities served by six North Shore High Schools: Evanston, Glenbrook, Highland Park, Lake Forest, New Trier and Niles.

The announcement was made this week by L. H. Cleland, Northbrook, chairman of the North Shore Junior College Association.

The petitions are the first of several steps, including voter approval, before a Junior College could be established. The petitions pave the way for the Illinois Junior College Board, established by the 1965 Illinois Legislature, to look into the feasibility of a Junior College in the North Shore area. A total of 500 signatures are required for this step to be taken.

The Highland Park and Lake Forest Districts are presently

Included in a petition covering the establishment of a Junior College supported by all of Lake County. If these two districts cannot be released from the Lake County action in a reasonable length of time, the four Cook County High School Districts, which make up a very substantial increment in their own right, would have to consider proceeding by themselves.

The feasibility study findings, if favorable, would require approval by the Junior College Board and the State Board of Higher Education before the next step, public hearings, could be taken. The hearings would permit citizens to express their views, which would be reviewed by the two boards. Should their review be favorable, it is expected that elections might be held early next year.

The need for a Junior College in this area has been intensively studied by the School Superintendents and School Boards of the six school districts. They have been aided by the findings of a professional study made by Englehardt and Leggett, a survey firm engaged to update and earlier survey report made in 1962.

Results of the study showed that there is a major need for a Junior College on the North Shore, Cleland said. Actual 1965 figures show that 76 per cent of the district's high school graduates go on either to a two- or four-year college. The study showed that by 1970, the earliest date that a physical plant could

be ready, an enrollment of about 4,000 students could be expected.

As contemplated by its proponents, the two-year college would be a Class I facility. Its major emphasis would be on the transfer program. Standards would be such that they would meet the requirements of the North Central Association of Secondary Schools and Colleges and other appropriate agencies. Successful students could enter the junior year of a four-year college without question.

Technical programs in areas not designed specifically for transfer would be offered, leading to an associate's degree or diploma. The school also would offer technical courses which would enable workers to stay abreast of developments in their fields.

Under the 1965 Junior College Act passed by the General Assembly, the state would pay a large part of the estimated \$18,516,000 cost of buildings, land, equipment and furnishings, leaving \$4,600,000 to come from local funds. Work would probably not get underway until late 1967.

Exact location of the Junior College campus would hinge to a large extent on land availability. Approximately 150 acres would be needed. Other factors entering into the location's final choice would include present and future population trends, transportation and price.

If citizens should approve the Junior College, it is estimated the tax increase in the six high school districts would average 4 cents for the building fund and 19 cents for educational purposes per \$100 of assessed value. For the homeowner with a house assessed at \$10,000 this would amount to about \$23 annually.

Youth Commission Promotes Joliet Trip

In a continuing effort to familiarize its residents with the prevention and treatment of juvenile problems, the Niles Youth Commission in conjunction with the Division of Community Services of the Illinois Youth Commission, is promoting a trip to the Joliet Reception and Diagnostic Center in Joliet, Illinois. The tentative date is Wednesday, June 29, 1966, approximate time 9 a.m. Free bus transportation and luncheon will be provided by the Illinois Youth Commission. Participants must be over 18 years of age. For further details please contact Mr. Todd Bavaro, 7139 W. Breen St., Niles. Phone 965-6555.

Niles Public Hold Spring Arts Festival

Niles Elementaries Schools presented their Spring Arts Festival May 25 in the Niles North School Auditorium. The Spring Arts Festival was directed by Mr. Richard Robertson, Mr. Steven Panzella, Mrs. Patricia Finley.

The program started with a welcome from Mr. Clarence E. Culver, Superintendent. Three bands performed which included Beginners band, Intermediate band, and Concert band.

Chorus consisted of sixth Grade Chorus, Seventh Grade Chorus and Eighth Grade Chorus. Percussion Quartet was played by Larry Pagni, Frank Brun, Linda Gill and Jim DeFerville. Mr. Larry Pagni our past president was pleasantly surprised when Mr. Robertson dedicated the song "La Bella Rome" to him.

The program closed with the Chorus singing the "Alma Mater."

LETTERS TO THE EDITOR

Against Blase

Points to ponder for the voters of Niles.

Should one, and the same man serve as Maine Township Committeeman and the Mayor of Niles simultaneously?

Would he, could he properly serve the best interests of all the people of Niles, and the entire village of Niles?

People of Maine Township if you elect the Mayor Committeeman, wouldn't this create a conflict of interest between Maine Township and Niles Township?

Being a resident of Niles Township I cannot get involved in Maine Township elections.

However, being a Bugle subscriber I have been reading the Mayors news releases regarding his campaign promises.

When Blase first ran for Mayor he promised the people a politically free and independent thinking government with no personal business interests.

Within one year after taking office Blase opened a business in Niles and joined a political party.

In a subsequent news release Blase accused the incumbent committeeman in Maine Township of not carrying out his moral responsibilities to help solve the problems of all the people of the Township.

As Mayor of Niles, Blase has a moral responsibility to all of the people of Niles which include Maine Township and Niles Township

The people living in the Tam O'Shanter area picketed and pleaded with Blase for help to solve their problem.

Up to the present time the Mayor has not lifted his little pinkie to help those unfortunate people.

Why don't you practice what you preach, Mr. Blase?

Bill Zimos
7613 Neva Ave.

For Blase

I am taken by surprise when East Maine residents ask me why I have endorsed Niles Mayor Nicholas Blase for Maine Township Democratic Committeeman. I thought that people knew that Blase was one of the very few important officials who had heeded East Maine's desperate calls for help. Or is it naive of me to believe that Blase's unmatched record in behalf of East Maine and its unincorporated area should speak for itself?

It was Blase who, time and time again, sought to persuade the surrounding municipalities to take responsible action with respect to the unincorporated areas: it was Blase who repeatedly stated that Niles stood ready to take leadership and do more than its share to assist the unincorporated areas through annexation or self incorporation pursuant to the best interest and desires of the unincorporated residents; it was Blase administration that was the first municipality to give permission for a self-incorporated referendum for which incorporated section in which I live; it was Blase's administration that annexed a large section of East Maine's un-

St. John Lutheran Graduation June 10

The busy school life at St. John Lutheran School of Niles is rapidly drawing to another close. Last Wednesday, June 1, the kindergartners of the school assembled in the evening at 7:30 p.m. for the graduation ceremonies. The service was held in the church, and the proud mothers and daddies saw their beaming offspring march down the aisle attired in cap and gown. The class numbered eleven: Kimberly Doescher, Brian Echorst, Ellen Engelthaler, William Graef, Kathleen Hamilton, Donna Linden, John Morrill, Daniel Naujoks, Ronald Pratscher, Susan Sturm, and Tracy Zaber. The girls spoke the Address of Welcome, and the boys the Closing Address, and Kathy Hamilton spoke the closing prayer. After the service,

refreshments were served in the Gym at which next year's kindergarten registrants were the guests.

The eighth grade graduation will take place in a special service in the church at 7:30 p.m. on June 10. The eighth grade graduates are: Mark Boeche, Joy Bussert, JoAnn Christensen, Randal Goslin, Richard Haga, Dale Makowsky, Craig Olson, Russell Proch, Jeffrey Schmidt, and Scott Verner. Joy Bussert is the class Salutatorian, and Mark Boeche will deliver the Valedictory address.

On June 9 at 6:30 p.m., the eighth graders and their parents will be the guests of the seventh graders and their mothers at a banquet held in the school gym.

Also invited guests at this banquet are the school faculty and husbands or wives of faculty members as well as Board of Education members and their spouses. Joy Bussert, the school's Independence Hall Contest winner, will present a comprehensive slide lecture on this occasion. Other members of the graduating class will present vocal and instrumental numbers and a skit.

St. John Lutheran School offers a well-rounded elementary school education, kindergarten through Grade eight. It places special emphasis on religion and training in Christian principles, but it also makes every effort to keep in step with the new trends in secular education. Every Wednesday morning during the school year, Pastor Bussert conducts a Morning Children's Chapel service. It has a specially trained teaching staff, uncrowded classrooms, central school library, gymnasium facility, Parent-Teacher consultations, and a private school bus. Non-member children are welcomed. Interested parents may call the principal Mr. G. A. Schmiel or the Rev. Paul Bussert for particulars.

NWSJC Tells Service Plans

During Traditional Friday evening services of the Northwest Suburban Jewish Congregation, 7800 W. Lyons St., Morton Grove, at 8:30 p.m., on June 10, Judy, daughter of Mr. and Mrs. Fred Bereskin of Morton Grove will become Bat Mitzvah.

Rabbi Lawrence H. Charney will lead the services and Cantor Gidon Lavi will chant.

Following worship, Mr. and Mrs. Bereskin will host the Qnag Shabbat in honor of the occasion.

Saturday at 9:30 a.m., June 11, Rabbi Charney will call Larry Weiss to the Torah, and lead the Sabbath service and Bar Mitzvah. Cantor Lavi will chant the liturgical portion of the service.

The General Federation of Women's Clubs will hold its Diamond Jubilee Convention at the Conrad Hilton Hotel, June 6th through June 10th.

Over 50 countries throughout the world will be represented at this convention. Some of the countries which have already

reported are Puerto Rico, Korea, Jamaica, Israel, Greece, the Philippines, and the Netherlands. One Iron Country, Yugoslavia, is expected to attend but has not as yet reported.

This is the first time in twenty years that the General Federation of Women's Clubs has held a convention in Illinois. Hostesses for the Convention will be Women of the Illinois Federation.

Niles is honored to have as a delegate to the Convention Mrs. William Egan retiring President of the 10th District Illinois Federation of Women's Clubs and the State Safety Chairman.

In honor of this Diamond Jubilee Convention a commemorative stamp will be issued.

Pancake House Awarded "Gold Seal"

The National Restaurant Association has awarded Niles International House of Pancakes, 9206 N. Milwaukee Avenue, its coveted "Gold Seal Award" for a distinctive menu.

Owner Tom Ferraro, Niles resident, said, "We're extremely proud of this award. Our guests have been commenting on our menu since the day we introduced it. Our presentation of the pancakes, sandwiches, and dinners on the menu is obviously something the people of Niles and surrounding Communities like."

The prize was awarded on the basis of over-all appearance, ease of reading and understanding, and originality. Competition was held in Chicago late last month.

International's disc-type plastic menu features a topographical map of the world on one side and the restaurant's menu on the other.

Troop 601 Hold Fly Up Ceremony

On May 25th Brownies of St. John Brebeuf Troop 601 invited their parents to their Fly Up Ceremony at Grennan Heights. Presenting their wings were their leaders Mrs. Suppan and Mrs. Hebeisen. Ann Marie Becker, Carole McCabe, Louise Hebeisen, Sharon Szewc and Debby Walsh presented the colors. The troop sang America and then Mrs. Suppan gave a resume of their Brownie activities for the year. The girls gave a little musical rendition with their instruments which they had made to the accompaniment at the piano of Nancy Suppan. The girls then made their Girl Scout Promise and lighting the three candles were Mary Beth McDonough, Marie Samuelson and Karen Huelman. The girls then recited the 10 Scout Laws and lighting these candles were Nancy Suppan, Donna Slepowski, Barbara Brzepski, Mary Koppensteiner, Robert Kurzdlo, Kim Koch, Mary Ludowski, Sharon Szewc, Debby Walsh and Amu Heidkamp. Little gifts were presented to the girls who had perfect attendances at that meeting. They were Kim, Marie, Nancy and Barbara. Nancy received an award for perfect attendance at Girl Scout Sunday each month and for only have missed one Sunday were Mary Ludowski, Mary Beth and Karen. One of the girls, Amy Heidkamp, is leaving the area and the troop presented her with a little Farewell Token. A special thanks was given to Mrs. Slepowski, Mrs. Wrzepski and Mrs. Walsh who helped to make the affair a very pleasant one. Refreshments were served at the close of the ceremony.

Adalbert's Cemetery was very impressive to the Scouts. Thanks VFW Members.

Possibility Of A Nine-Hole Course For Niles

(News Release)

There is a strong possibility that the Niles Park District will acquire a 9 - Hole Golf Course from the present owners of the Tam O'Shanter Golf Course property. However, there are many legal problems to be settled before this possibility becomes a reality.

Originally, the Board of Commissioners, headed by President Steve T. Chanercki, first refused the offer from the owners to buy 42 acres for a nine-hole course and subsequently filed a Condemnation Suit against the owners, seeking to turn the entire site into a public course. Because the procedure in using such Condemnation Suits requires many legal steps which must be followed in proper order, and because the Judge who was hearing the Suit decided on a technicality that the Park Board did not do so, the Suit was dismissed.

The Commissioners then, endeavoring to salvage what they could from Tam, contacted the owners of the property and offered to negotiate for the 42 acres on the North side of How-

ard Street. Countless meetings and conferences were held, telephone calls made, correspondence written, all with the prime purpose of acquiring whatever open space that was still available and could be obtained for the residents of the Niles Park District. The Board of Commissioners have been making every effort, and will continue to do so, to provide the residents of Niles with the best possible recreation facilities available.

Should "the best possible recreation facilities available" be as far as Tam is concerned, he a 9 - Hole Golf Course, then so be it, and the Board of Commissioners along with the residents of Niles will have done the best that could be done, under the circumstances.

Honor Bradley

A SPIRIT OF GOOD FELLOWSHIP prevailed recently at a cocktail party given to honor Maine Township Democratic Committeeman Thomas C. Bradley at the O'Hare Inn. Pausing in the festivities, shared by about 1000 township democrats, are, from left to right, Harry Semrow, former postmaster now seeking the presidency of the Cook County Board, Committeeman Bradley, U. S. Senator Paul Douglas and U. S. District Attorney Edward Hanrahan. Bradley is seeking re-election as Democratic Committeeman in the June 14th, primary election.

Notre Dame High School Present Oscars

Rounding off a highly-experimental year in the movies, the first annual film contest at Notre Dame High School was brought to a rousing finish with the presentation of "Oscars" and cash prizes totalling \$150 to local film makers. In presenting the awards, Rev. J. Paul Carrico, C.S.C., Director of Film Study, noted, "The quality of these films is extremely high and will present a real challenge for years to come." The contest was open to all students but the bulk of the films was from graduating seniors, all of whom has taken a semester of a new course in the school, Film Study.

Judges for the contest were Mrs. Milly Purwin of Contemporary Films, Inc.; Rev. Ronald Holloway, Director of the National Center for Film Study; and Mr. Salvatore Giarrizzo, Head of the Department of Modern Languages, Notre Dame High School.

First prize for best overall

production went to Wesley Pietrasik and his crew of Ted Ringenbach, Angelo Varias, and Frank Caruso for their film, "Ghetto," a sensitive visual comparison of suburban life with ghetto life in the city. Using such sophisticated techniques as alternating sequences of black and white and color, along with controlled double images, the film features an original sound track in contemporary jazz.

Second prize went to Peter Meier's "Baptism of Fire," a film remarkable for its picture composition and dramatic photography. Craig Ramon's "Swann's Way," built around a poem by Marcel Proust was judged third in overall production.

Other prizes went for best cinematic script to James Krause and Robert Powers for their "Someone, Please," a poignant study in alienation; and to Robert Cabaj for best editing in his film, "The Journey," an exciting film about a trip along the CTA's elevated tracks. Honorable mention for best narration went to Robert Ruppert for his "Pins in Politics," and to Richard Pedtke and Larry Lattanzl for best credits in their "Why Care About Tomorrow?"

The judges praised the complete honesty of all the films and noted with pleasure a willingness to experiment both with the medium and with new ideas.

Teletype Corp. Honored

The Teletype Corporation was honored for its fair employment practices at the Good American Awards Banquet on May 25. Jim Lake, the Company's Industrial and Public Relations Manager, accepted the Certificate of Commendation on behalf of Teletype.

This year's event was held at the Edgewater Beach Hotel, where about 1000 people congregated to give recognition to distinguished individuals and business firms in the Chicago area. Sponsored by the Chicago Committee of One Hundred, the banquet was the climax of a year-long campaign to improve human relations through cooperation of all ethnic groups. Teletype was one of several business organizations selected by the committee for their positive contribution toward economic improvements.

Women's Clubs Elect New Officers

Mrs. Chauncey W. Olson, Glenview, has been elected as President of the Tenth District, Illinois Federation of Women's Clubs for a two year term. Mrs. Olson was installed by Mrs. George F. Heller, Wilmette, a former District President, at the Annual Meeting of the Tenth District on April 28.

Newly elected officers who will also serve for two years are, Mrs. Edward R. Swen, Evanston, First Vice President, Mrs. Robert C. Miers, Wauconda, Treasurer, and Mrs. Maynard Hazen, Wilmette, Junior Director.

Mrs. William D. Egan, Niles, immediate past president of Tenth District, has been elected to serve as Safety Division Chairman of the Illinois Federation of Women's Clubs and as the IFWC Representative to the National Safety Council.

Jr. College Grants Available

Thirty-one applications for aid toward junior college tuition, made by persons living in high school district 207, were approved by Superintendent Earle W. Wiltse last week.

The grants, worth about \$500 each, are the first to be applied for in this area under the state's new junior college law.

The law enables persons who want to attend junior college but live in a district without one, to apply for tuition aid. The high school district board of education is empowered to pay such aid from its educational fund or from proceeds of a levy which the act also permits.

Generally, any qualified resident who is a high school graduate may attend any junior college in the state he chooses under such grants.

Dr. Wiltse urged all high school seniors and graduates who plan to attend an Illinois junior college to apply for tuition aid immediately. Blanks are available in the offices of the principals of Maine East, South or West.

All requests must be made before July 1 so that a tax levy may be assessed.

The board of education may, according to the law, levy through the year 1968 an additional tax of not more than 3 cents per \$100 of assessed valuation. The law states: "This tax shall be in addition to and in excess of any other tax for educational purposes and shall be levied and collected at the same time and in the same manner as other school district taxes."

Dr. Wiltse estimated that district 207 will pick up the tab for \$500 to \$600 per junior college student. "The 3-cent levy will supplement the tuition for approximately 300 junior college students," he said.

Dr. Wiltse made the estimate after consulting the presidents of two neighboring junior colleges about the per-pupil cost of junior college education.

The first group of applicants included Richard Cook, 7326 Jonquil Terrace, Niles.

Grandmother's Hosted At Party

Members and officers of the Niles Grandmother's Club were hosted at party at the Golf Mill Theatre. The members joined the Theatre's Golden Age Club which offers reduced admissions for its members.

Boy Scout Troop 62 Advances Scouts

Impressive Court of Honor ceremonies were held recently by Boy Scout Troop 62, sponsored by Niles Community Church, to honor those scouts who had advanced in knowledge of scouting and earned merit awards.

New tenderfeet welcomed into the Troop included DAVID KOSTER, 8417 N. Osceola, Niles, BILL SELLEEN, 7942 N. Odell, and JOHN WRIGHT, 7055 Newark Ave. Second Class awards went to ROBERT CLAUSEN, 6929 Seward St., and to TERRY KELLY, of 6928 Seward, while LARRY STEVENS of 8280 N. Ozark received a First Class badge from Cubmaster Erik Buck as well as an award as Denner Chief. Two other new first class scouts are HERBERGSTROM, 6815 Madison and EDWARD BURNS, 8226 Milwaukee Ave., Niles.

This year Troop 62 presented "Indian Dances" at the O'Hare Scout Camp, and several of the Indian dancers went thru their steps for the benefit of the audience. Camping Chairman Herb Drenberg gave a report on the Troop's plans for summer camping, which include a two-week period at Wilderness Camp at Camp Nawapon in August.

Appropriate honors were accorded to retiring Institutional Representative Bob Koster who was introduced to the Scouts.

Recently the Troop camped overnight at the Buffalo-Rock State Park, near Ottawa, Ill., and plans are now being made for another camp-out, a father-son affair, the week-end after Fathers' Day, June 25-26, at Big Foot State Park, Lake Geneva, Wis.

Scoutmasters George A. Gauthier and Jerry Anderson are beaming with pride over recent statistics released by Northwest Suburban Council showing Troop 62 as having 100% advancements for each boy member for the one year period ending March, 1966; this record was the best of twenty-four Troops serviced in the Maine Ridge District of the Council, and Troop 62 hopes to continue this fine record in the future.

Niles Pool Opens June 11

As the weather warms, many a thought turns to swimming, and the Niles Park District is making strides toward the opening of the pool on June 11, 1966.

It would be well for all of us to take time and review what our responsibilities as pool patrons can do to assure smooth operation. The first set of rules to be followed by all is to obey and have a good relationship with the lifeguards.

Let's all remember that as a parent, in the best interests of their children, we should direct them to obey the lifeguard, to insist that they follow the safety rules and support the lifeguard where enforcement is necessary. Above all, you as parents should remember that you are no exception to safety rules.

The pool will operate much smoother if their cooperation on the part of all those concerned with the management or use of the pool facilities.

Junior Youth Group picnic will be held at Harms Woods, on Sunday, June 12.

Young Marrieds Present "A Nite in the Hay" to be held on June 18, Hayride Barn Dance, dinner all for \$12.00 per couple. For reservations call Ruth and Ron Rothman, YO-5-4131.

AN OPEN LETTER TO MAINE TOWNSHIP DEMOCRATS

NICHOLAS B. BLASE CANDIDATE FOR MAINE TOWNSHIP DEMOCRATIC COMMITTEEMAN

HEADQUARTERS: 8007 MILWAUKEE AVE. NILES, ILLINOIS 60068

Dear Friends,

On Tuesday, June 14, you will go to the polls to elect a Democratic Committeeman for Maine Township.

I am one of three candidates running for this office . . . and I ask that you cast your vote for me.

This is a lot to ask. Your vote is extremely important to you, but I ask for it because I feel I can provide the leadership that has been lacking for sixteen years in the Maine Township Democratic Party.

If this sounds immodest, I must plead guilty. But as a Democrat I cannot sit back while our Party and the Two-Party System falls to pieces.

My opponents in the election are Thomas C. Bradley and Richard Wessell. One is the Committeeman who is responsible for the poor condition of the Maine Township Democratic Party. The other is a totally inexperienced man who inactivity has contributed to the decay of the Democratic Party throughout the years. I am running against these men in order to solve the problems which they have caused in one way or another.

OPPOSE TOM BRADLEY BECAUSE . . . for the constant chipping away of the usefulness of the Democratic Party of Maine Township.

. . . because he has neglected the needs of the people he is supposed to serve.

. . . because he has maintained a political machine that caters to a select few.

. . . because he has publicly stated, "Your community problems are no concern of mine."

. . . because he has shown a lack of interest in working with County and State bodies to solve school, tax and zoning problems.

. . . because he has become accustomed to defeat to the extent that he considers a 3 to 1 Democratic loss a victory.

OPPOSE DICK WESSELL BECAUSE . . .

. . . he wishes to start at the very top in a political career with no political experience, no leadership background and no awareness of the needs of the people.

. . . because he has remained silent during the sixteen year-old decay that has taken place in the Maine Township Democratic Party. Even now he has blasted away at me and almost ignored Mr. Bradley, who is the incumbent.

. . . because he has displayed a lack of backbone by supporting Republicans in his newspaper, fearing a loss of circulation in Park Ridge and Des Plaines if he backed Democrats.

. . . because he has rolled on wild, false accusations during this campaign in place of intelligent arguments and debate for his candidacy.

. . . because he lied when he tried to convince the people in organized labor that he was the only one who had received union backing. This was not true, as the letter below clearly shows.

I have given my reasons above why you should not vote for the Bradley-Wessell team. By why should you vote for me? First, I will be constantly aware of my responsibility to you, and to the Democratic Party.

I will fight to rebuild the Democratic Party so it can be a meaningful voice in the community.

I will not be satisfied with loss after loss of Democratic candidates in Maine Township.

I will work with community leaders to help school, zoning and taxation problems.

I will take an active interest in all community affairs in order to represent you to the County and State governments.

I will help to eliminate the abuses of the Middle State Phone Company.

For these reasons I ask for your vote on June 14. I ask you to GIVE ME THE CHANCE TO DO THE JOB THAT MUST BE DONE.

Thank you.
Nicholas B. Blase

TOWNSHIP NEEDS AN "ALL AMERICA" CLIMATE

through an oversight on our part we had assumed that the contest for Democratic Committeeman of Maine Township was between the incumbent and Richard Wessell.

Since then I have learned that Mayor Blase of Niles is also a candidate for the Democratic Committeeman of Maine Township. We know from the achievements of Mayor Blase that if he is elected, he obviously would bring to the Township the type of leadership we in O.A.W. would support.

To make sure that there is no misunderstanding, we consider Mayor Blase well qualified, and we want the members of our Union in the Township to understand that we as of now do not exclusively support any one (1) candidate.

Fraternally yours,

Robert Johnston

Health Board To Hold Medical Self-Help Class

Men, if some disaster occurred, either nuclear or natural, would you know how to fend for your family without all the props that our affluent society provides and which we take for granted each day? The recent experience that New Yorker's had when their power was suddenly extinguished is an excellent example of the sudden vicissitudes that can beset modern man. There is a way that you can obtain vital basic information that will equip you in a manner which will make you secure that you will have knowledge in certain emergency situations to make right decisions, and which may perhaps determine survival to you and your family. For example, would you know which types of meat, vegetables, or water are safe under extreme emergency conditions? The Medical Self-Help Class being set up by the Niles Board of Health will supply you with a fund of knowledge which will be invaluable to you personally. It covers information on Healthful Living in Emergencies, Artificial Respiration, Bleeding & Bandaging, Burns, Shock, Childbirth, and much more.

Szymanski Backs Lerner

Leonard Szymanski, pictured left, former Trustee of the Village of Niles, has announced his support of Jerome Lerner, pictured right, for Democratic Committeeman of Niles Township. In a recent statement, Szymanski stated: "When elected to the office of Village Trustee of Niles in 1961, I made a campaign promise to serve the people of Niles as an independent candidate with no party affiliation. This I did. Today, as then, I maintain this same independence by supporting a candidate who is best qualified for office, whether Democrat or Republican. In my opinion, such a man is Jerome Lerner who is seeking the Niles Township Committeeman's post as an independent Democratic candidate." Jerome Lerner has received the endorsement of the Independent Voters of Illinois and the recommendation of the Better Government Association, both highly coveted endorsements reflecting his qualifications. Szymanski further stated: "To those of you in Niles who had faith in my judgment during the years I served you as a trustee, I ask at this time that you consider voting for Jerome Lerner on June 14, 1966."

V.N.A. Elect New Officers

The annual meeting of the Visiting Nurses Association of Skokie Valley was held on May 19, 1966 in the dining room of Lutheran General Hospital. The meeting was preceded by a tour of the hospital facilities.

New officers for the association are: President-Dr. Arthur Ryden, Vice President-Mrs. Max Gilardon, Recording Secretary-Mrs. George Colodny, Corresponding Secretary-Mr. Karl Kuchar, Treasurer-Mr. Stanley Lowe, Mrs. David Filtner, R.N. is the Supervisor of Nurses.

When Visiting Nurses services were first started, late in the last century, they were aimed at helping slum dwellers. Somehow there still seems to be a feeling that this is still a charitable organization and because of this there is a hes-

itation to use the service. Everyone who is able is expected to pay the full fee for the nurses' services. Since the VNA is a non-profit organization the fee is based on actual cost. In the event that the full fee cannot be paid by the patient then an adjustment can be made and the balance comes from local, voluntary contributions and from the funds received from the Skokie Valley United Crusade.

If you or a member of your family needs this service contact your physician or call the VNA of Skokie Valley at 677-6164. They provide service to residents of Golf, Lincolnwood, Niles, Morton Grove and Skokie.

With shortened hospital stays and with more chronic illness as life spans lengthen, home nursing is a growing necessity. The Visiting Nurses insure a faster, more comfortable recovery for the patient and provide welcomed professional help for the patient's family.

Absentee Ballots

Voters who will be out of Cook County on Saturday, June 25, 1966 may now make application for an absentee ballot at Maine Township High School, East in Room 136.

Application forms may be obtained in person or by mail from Harold Markworth, Secretary of the Board of Education.

If mailed, the completed application must be in the hands of the Secretary of the Board of Education no later than Monday, June 20, 1966. If the completed application is delivered in person, the voter must deliver it to the Secretary by Wednesday, June 22, 1966.

Niles Little League Baseball News

Weather had made it possible for us to have a good week of baseball. On Tuesday, May 24, the Schmeisser's Meats Red Sox defeated the Lions of Niles Cubs by a score of 5 to 0. Gary Wagner and Bruce Donash each allowed one hit while pitching for the Red Sox. Gary Potempa and Bob Warren each collected 2 hits. Randy Crisorio and Greg Accomando did the pitching job for the losing Cubs.

After winning their first three games, the J. LoVerde & Sons Angels suffered their first loss in a game against the Athletics on Wednesday, May 25, by a score of 13 to 7. Joe Peplowski and Larry Richmond did the pitching for the Angels while Steve Gillespie and John Swiatek pitched for the winning Athletics.

Also on Wednesday, May 25, the DuPage Die Casting Orioles gained another victory by narrowly beating the White Sox by a score of 8 to 7. Jim Pingatore won his first game pitching for the winning Orioles while Larry Baczurik and Dan Leddy pitched for the White Sox.

On Thursday, May 26, the Schmeisser's Meats Red Sox won their fourth straight game by defeating the Booby's Dodgers. The score was 15 to 3. Gary Wagner and Rich Mak

pitched well for the winning Red Sox. Pitching for the Dodgers were M. Nocchi, T. Groenwald, S. Brooks, and J. Rotunno.

In a well played, extra (8 innings) game, on Thursday, May 26, the Lions of Niles Cubs behind the excellent pitching of Paul Elisco (7 innings) and Greg Accomando (1 inning), defeated the Niles Drug Tigers, Jerry Gryboski (3 innings) and Bernie Majewski (5 innings) also pitched well for the losing Tigers. Final score was close; Cubs 2, Tigers 1.

Friday, May 27, the White Sox gained their first win of the season, defeating the Athletics behind the fine pitching of Tom Heblesen and Dan Leddy by a score of 10 to 6. John Swiatek and Dale Chimeroski pitched for the losing Athletics.

In a make-up game on Saturday, May 28, which was rained out on an earlier date, the Athletics defeated the White Sox by a score of 10 to 8. Steve Gillespie and John Swiatek did the pitching in a losing effort for the White Sox.

On Saturday, May 28, Bob Warren and Bruce Donash shared pitching honors in the 6 to 3 victory for the Schmeisser's Meats Red Sox by striking out 14 batters. Jerry Gryboski struck out 13 while pitching for the Tigers.

Also in a game on Saturday, May 28, the Booby's Dodgers beat the Lions of Niles Cubs by a score of 9 to 8. Scott Brooks who not only pitched outstanding ball for 4 innings, made a play that saved the game in the last inning. Jay Calandra also pitched for the Dodgers, while Mike Nocchi was their hitting hero, driving in 4 runs with a home run and a double. Pitching for the Cubs were Jim Defferville, Cliff Briars, and Greg Accomando. Randy Crisorio had a triple with bases loaded in the last inning that almost saved the game for the Cubs.

Sunday, May 29, the Du Page

Die Casting Orioles defeated the J. LoVerde & Sons Angels behind the pitching of Anton Lezaro and Jim Pingatore by a score of 9 to 4. Joe Peplowski and Larry Richmond combined to do the pitching in a losing effort for the Angels.

On Monday, May 30, behind the 3-hit, no walk pitching of Gary Wagner, the Schmeisser's Meats Red Sox routed the Lions of Niles Cubs by a score of 14 to 0. Paul Elisco, Cliff Briars, and Greg Accomando pitched for the Cubs, but could not deny the Red Sox hitters, who were: J. Gurga, S. Hubick, D. Doose, R. Mak, B. Donash, R. Warren, and G. Wagner.

Scott Brooks again pitched fine ball for 4 innings aided by Jay Calandra in a game played on Tuesday, May 31, between the Booby's Dodgers and the Niles Drug Tigers. Bernie Majewski pitched the complete game for the Tigers, but was charged with the loss as the Dodgers won by a final score of 5 to 2.

Niles Little League

AMERICAN NATIONAL

Riggio's Restaurant Orioles beat the Vapor Corp. Senators 12 to 4. Santi hit a home run for the Orioles and David Levitt got a double for the senators.

The NBL White Sox beat the Bank of Niles Indians 9 to 5 due to good team work, superb pitching and Aaron Sapoznik's consecutive home runs—one a grand slam homer.

In a real close game the K of C American Martyrs-Knights beat the Kiwanis of Niles Yankees 10 to 9.

Two hit pitching by three pitchers allowed the NBL Angels to beat the Kenron Hawks 21 to 3.

In a game called after five innings the Riggio's Restaurant Orioles beat the NBL Athletics 17 to 3.

The Vapor Corp. Senators lost to Harig Manufacturing Tigers 11 to 1.

K of C American Martyrs-Knights beat the Kenron Hawks 8 to 4.

In a well fought game the Bank of Niles Indians beat the Vapor Corp. Senators 9 to 5. Gary Seires hit a home run.

The Lytron Clothing Pirates kept in step by downing the Red Balloon Giants 13-6 and the Golf Mill State Bank Rams 12-5.

Some of the interesting highlights of the past week was the tremendous play of the little men of the league, Jim Cardella of the Phillies is the smallest man of his team. In the game against the Cards, Jimmy hit a homer, triple, double, and single.

Tony Fortuna of the Red Legs is on the small side, but he has a big home run bat. One of his many homers was a blast against the Phillies, that gave his team the win.

Gaslights, Gas Grill Sale Increased

Gaslights and outdoor gas barbecue grills are more popular than ever, say officials of Northern Illinois Gas Co., and they've got the figures to prove it.

"Our customers purchased more than 18,800 lights and grills during our Spring sale, exceeding last year's record results by 1700," reports L. R. Billett, manager of the u-

tility's Northern Division. "As a result, the number of gaslights and grills in use in NI-Gas' service area will total more than 75,000 this year," Billett says.

NI-Gas Northern Division employees won the company's interdivision competition for the second consecutive year by selling 2019 gaslights and 728

grills.

Marvin P. McNellis, 203 Weaver Dr., Cary, placed first in employee sales with 250 lights and grills. Second and third place honors in the north suburban area went to Gus Alzakos, 206 E. Main Street, Cary, with 120 sales, and John W. Kelly, 7443 Wilson Terrace, Morton Grove, with 104 sales.

Union Endorses Goldstick

The Brotherhood of Railroad Trainmen, largest of the railroad's operating unions, has endorsed State Representative Phillip C. Goldstick, D. of Skokie, in his race for the 4th District state senatorial June 14 primary seat.

Goldstick was recently honored as one of the "Outstanding Men of America."

Previously he has been endorsed by the CIO-AFL and the IVI.

The Independent Voters of Ill. also cited him as "best freshmen legislator" last year.

Two years ago the Chicago Ass'n. of Commerce & Industry voted him one of the "10 Outstanding Young Men of Chicago." He has received other numerous endorsements and citations.

Wessell 'Human' Billboard

Fourteen supporters of Richard C. Wessell for Democratic committeeman of Maine township make up human billboard calling attention to Wessell's slogan, "Win With Wessell."

"Billboard" was "erected" recently on north side of Dempster Street at Cumberland Avenue adjacent to the Niles Fire Department. Wessell said his committee chose this method of advertising because a 20 ft. billboard carrying the same slogan was sawed down with an electric saw at the same site. Later, Wessell said, an outdoor sign company was prevented by Niles Building Commissioner, Alfred Martin, from painting a Wessell billboard on the east side of Milwaukee Avenue, just south of Oakton Street, Niles, after painting had begun.

Bradley: 'Fall-Out Shelters Assured'

(News Release)

Maine Township Democratic Committeeman Thomas C.

Bradley said this week that work is proceeding to assure residents of the unincorporated area of Maine Township that they will have fallout shelter areas to which they could go in case of emergency.

In answer to questions by people who live in the area, Bradley pointed out that civil defense fallout shelters at Lutheran General Hospital and Maine Township High School East are already partially stocked. There are also shelters at Sears Roebuck & Co., store and the Dolphin Motel in the Golf Mill area.

In addition, the Des Plaines civil defense director recently forwarded a number of locations in the unincorporated area to the State Civil Defense for study and survey, to determine whether or not they provide the protection factors needed for civil defense shelters. Three locations include the four recreation centers in the Suson Apartment Complex, the two high rise buildings which make up the Key West Apartments, the Sisters of Cabrini convent building at Golf and Potter Roads and the Golf Pavilion Nursing Home, 9555 Golf Road, Bradley said.

Vote Twice on June 14, Says Blase

(News Release)

Nicholas B. Blase, candidate for Democratic Committeeman in Maine Township, made an unusual request last week. He asked that all registered voters vote twice on June 14th.

"Of course, I don't want people to vote more than once," said Blase. "My point is that a vote for me will accomplish two things. First, it will help destroy a 16 year old political machine run by my opponent, Tom Bradley, whose defeatist attitude has ruined the Maine Township Democratic Party. Next, a vote for me will help defeat my other opponent, Dick Wessell, who has been part and parcel of this defeatist machine for 16 years."

Blase has run his entire campaign on an "action" platform. He has deplored the defeatist attitude of his opponent, Tom Bradley, that has caused the decay of the Democratic Party in Maine Township. Blase plans to be a "working" Committeeman who will build the party into an effective arm of the people.

"My biggest point during this campaign," says Blase, "has been that a Committeeman must be involved in all community affairs. He must be the Community's link with the impersonal machinery of State and County government. I was appalled when Mr. Bradley said, 'Your community problems are no concern of mine' a few weeks ago. This is the attitude that has kept Mr. Bradley out of touch with the people throughout his 16 wasted years in office."

Blase is so uniformed that he also made a statement that our schools are "like little Harvards and Yales." Even Mr. Bradley should know that there are schools in Maine Township which are in desperate trouble and need help."

Blase spoke of his background in civic life which makes him right for the Committeeman's job. He compared his years of public service with those of Mr. Wessell, his other opponent. "My experience as Mayor of Niles gives me background to qualify for the job. Mr. Wessell, on the other hand, has no political experience. He has demonstrated a lack of leadership quality on many occasions during this campaign. The most gla-

ring example of this was when he stated that the newspaper which he owns has backed Republicans because he feared a loss of circulation. How would he act as a Democratic Committeeman if a controversial decision was called for?

Blase went on to say, "Mr. Wessell has condoned the destruction of the Democratic Party for sixteen years. He has watched it happen and has stood silent. Even now he has had nothing to say about the terrible condition of the Democratic Party under Mr. Bradley. Instead he has hurried lies at me during this entire campaign."

"This is why I feel that the people of Maine Township will be voting twice if they vote for me on June 14. Once to throw out a 16 year-old non-effective political machine, and once to keep a 'namby-pamby' inexperienced man from doing further damage to the Democratic Party."

"I have tried to bring my story to the people in this campaign. I ask that they back me in my fight to rebuild the Democratic Party by voting for me on June 14."

 incorporated area only to have the move over-ruled by the courts; it was Blase's interest and hard work that played a major role in the county board's rejection of several rezoning petitions; it was Blase's administration that called a halt to the Niles multiple explosion in East Maine School District 63 that had been set off by the previous callous administration.

During my 6 year school board term I pleaded the case of our school and community problems before many officials of the adjacent municipalities. Nearly all turned a deaf ear or gave a courteous lip service. Blase was one of the few who listened, understood and tried to help. This was how I came to know and esteem Nicholas Blase. Recognizing the leadership vacuum in Maine Township, I urged Blase to run for Democratic Committeeman. Now Maine Township has an unusual opportunity to elect a brilliant straightforward young man of action. Will it fumble this opportunity? I hope not!!!

Unanimously For Bradley

Dear Editor:

It has come to the attention of the Maine Township Regular Democratic Organization that workers for candidates other than Thomas C. Bradley are representing themselves to voters as precinct captains of the Maine Township Regular Democratic Organization.

We would like to point out that the Maine Township Regular Democratic Organization is unanimously endorsing Thomas C. Bradley for reelection as Maine Township Democratic Committeeman in the June 14 election.

Representatives to the regular organization carry identification cards and people visited by these precinct captains should ask to see these cards before accepting them as representing the Maine Township Regular Democratic Organization.

No bona-fide precinct captain from the Regular Organization is recommending the election of anyone other than Thomas C. Bradley.

Sincerely,
 Corwin Wagner, Pres.
 Maine Township Regular Democratic Organization

Publicity Releases

On behalf of the officers and members of the Catholic Women's Club of St. John Brebeuf Church, I wish to express our thanks and appreciation for the excellent cooperation your newspaper has afforded our organization in publishing notices of important events in the past '65-'66 season.

Discuss Unincorporated Area

On June 3, 1966 Mayor Nicholas B. Blase of Niles, Mayor Herbert Behrel of Des Plaines, and Mayor Bert Ball of Park Ridge met to discuss further plans regarding the unincorporated area, initiated by all three communities some time ago, is approximately 80% completed, and should be fully completed by the end of June.

It was decided at this meeting that at this time it is important that the unincorporated community indicate to the three cities its intention as to whether it wants annexation. It was felt the best way its intention can be shown is by signatures on petitions indicating the unincorporated area wants to become annexed to the three established communities of Niles, Park Ridge and Des Plaines.

The intention of the people is very important at this point as neither of the three communities wants to proceed with formal steps of annexation without fully knowing if the people want

Maine Community Lecture Series Listed For 1966-67

Travel and adventure will continue in 1966-67 to fascinate the armchair explorers who have enjoyed the Maine Community Lecture series over a span of 27 years. Programs for the coming year have been announced by Alexander Krugel, director of the Maine Adult Evening school.

The two series, at Maine East and at Maine West, consist of color films of absorbing localities, near and far away, and of explorations of historical or scientific interest. The commentary is presented in person by nationally popular speakers.

Eight programs will be held on Wednesday evenings in the auditorium of Maine Township High school East, Dempster st. and Potter rd.

Debbie Reynolds, as Sister Ann, comforts little Rickey Cordell after he has been injured in an automobile accident in this scene from "The Singing Nun". Metro-Goldwyn-Mayer's heartwarming drama of a young nun with a great gift for music co-stars Ricardo Montalban, Agnes Moorehead, Chad Everett, Katharine Ross, Ed Sullivan, as himself, and guest star Greer Garson. Filmed in Panavision, and color, the picture features the world-famous Nun's Music. It was directed by Henry Koster. Starting Friday at Lawrencewood and Pickwick Theatres.

Women's Clubs Convention Closes

The 71st Annual Illinois Federation of Women's Clubs Convention has come to a most successful conclusion with the installation of a new State President, Mrs. Clarence Hendrickson, officers and chairmen.

In attendance locally were Mrs. William Egan, new State Safety Chairman, 10th District President and Past President of the Woman's Club of Niles. Also, Mrs. Leon Friedman, International Relations Chairman of 10th District, and Mrs. John Zaremba, 10th District Luncheon Reservations Chairman and current President of the Woman's Club of Niles. Both women were delegates to the

Convention. Among the many awards given by the State to 10th District was one earned by Niles poet Laureate Mrs. Max Niles for her poem "The Singing Nun". Mrs. Gilardon, Jr., who placed second in Class 1 for Poems for Children, Mrs. Gilardon is also a Past President of the Woman's Club of Niles and current Treasurer of the Creative Writer's of Niles.

Absentee Ballots

Voters who will be out of Cook County on Saturday, June 25, 1966 may now make application for an absentee ballot at Maine Township High School East in Room 136.

Pinewood Derby Races Hi Lite Pack 45 Meeting

Cub Scout Pack 45, Niles, sponsored by Oak School, held their Pack night Thursday, May 26th, in the school all purpose room. The meeting began with the presentation of colors by the Webelos: Richard Bobula, Allen Bonini, Gary Baum, Greg Braum, Steven Katz, Ken Schneider, Jeff Schroeder and Randy Waldman.

The entire evening was devoted to the Pinewood Derby and the boys enjoyed every moment. Each boy, with the help of his dad, made and decorated his own car. The races were run den by den. The individual winners were Paul Aschbacher, Den 1; John Kunter, Den 3; Mike Vito, Den 4; Sidney Rothenberg, Den 5; Gary Dudzinski, Den 6; Doug August, Den 7; Carl Roll, Den 9; Martin Kaiser, Den 10 and Jeff Schroeder, Webelos, Doug August, Den 7 was the grand prize winner and he received a trophy. Each of the other boys won a medal.

Neckerchief slides were awarded to Lawrence West, Den 3; John Kunter, Den 3; and Sidney Rothenberg, Den 5. These boys sold the most tickets for Scout-O-Rama. Patches will be awarded at the Picnic to all other scouts who sold at least 10 tickets.

Cub Scoutmaster E. Hyken read the letter of thanks and showed the award which the Independent Order of Foresters and U.S. Marine Corps sent to our Cub Scouts for their lecture for Vietnamese civilians.

Mr. P Rothenberg announced that Boy Scout Troop 45 had won 1st place for Camp Site Inspection at the Camp-O-Ree. Future events included participation in the Memorial Day Parade sponsored by Niles VFW Post. The Annual Picnic will be held on Sunday, June 5th, at the Red Brown woods near Elk Grove Village. This will be an all day affair ending with a camp fire at night. All of the boys and their parents and families are invited.

At Golf Mill

Yul Brynner, as Prince Ramesses, seeks information about the murder of an Egyptian official from slave overseer Edward G. Robinson in scene from Cecil B. DeMille's "The Ten Commandments."

Starts Friday June 10 at Golf Mill.

Arrangements have been made for the Pack to attend a Chicago Cubs ballgame on Saturday, June 25th, at Wrigley Field, \$1.00 cost includes transportation. One parent must be present for each den. Also on June 11th the boys will make a trip to a farm.

The following achievement awards were made:

Reid Hyken, Lion Badge; Robert Bobula, Wolf Badge; John Anzelone, Wolf Badge; Joseph DeVries, Silver arrow on his Wolf Badge; Carl Roll, Gold arrow on his Wolf Badge; Jay Will, Assistant Denner Badge; Mike Loomis, Denner Badge; Brad Kroll, Gold and Silver Arrows, on his Bear badge; Donald Blayney, Lion Badge; and John Baran, Silver arrow on his Wolf Badge.

Illinois Bell Directory Now Being Distributed

The 1966 edition of Illinois Bell Telephone's more convenient, easier-to-read directory—again featuring the front section of local listings introduced last year—will be distributed starting June 1 to homes and businesses in the Skokie, Lincolnwood, Morton Grove, Niles area.

The new look in telephone books is called the "3-in-1" format, according to Ill. Bell Manager Jim Rex, because it incorporates "three directories in one cover": 1. Local white pages; 2. Local yellow pages; and 3. Regional white pages.

This format—continued with the approval of telephone customers in this area—is part of an overall suburban directory improvement program initiated at a cost of more than a million dollars, Rex said.

"Our improvement program," he noted, "recognizes the needs and wishes of suburban customers for an alphabetical section listing only telephone numbers in their local area.

"The new local white pages have again been placed at the front of each directory, ahead of the yellow pages for the same communities. This makes it easier for customers to find

the numbers for calls to nearby homes and businesses here. These numbers are listed again in the usual regional white pages covering a much larger area."

Mr. Rex said the communities included in each alphabetical section are shown on the back cover. For those whose calling needs extend beyond their suburban region, other regional and sectional books as well as the Chicago directory are available free through Illinois Bell business offices.

Another improvement makes the company's new 3-in-1 directory easier to read. Both the local and the regional white pages are printed in larger type he pointed out, adding:

"We've also improved the introductory pages that guide telephone customers in dialing their local, long distance, service, and emergency calls. These first few pages of the book are a source of helpful information covering just about every calling situation."

A handy card for frequently called numbers, with spaces for such emergency numbers as fire, police, and doctor, is attached just inside the front cover. The perforated card can be easily detached from the directory and placed near the telephone for quick reference.

"Our overall, continuing goal is to make our suburban directories as convenient and as useful as possible—with our customers providing the yardstick," the manager explained. "Customers who do not receive their directories by June 10 should call their telephone business office," he said.

Church Wins Architectural Award

At a national conference of the American Society for Church Architecture, held in Chicago, the Lutheran Church of the Resurrection, 8450 Sherman, Niles, was cited for excellence. Only three other churches in the midwest received such recognition. The architects are Buderus & Sunshine, of Park Ridge. Resurrection is a mission congregation of the Lutheran Church in America. The new building should be ready in about a month. Meanwhile Services are held at the Golf Grade School at 9401 N. Waukegan Rd., Morton Grove. Worship and Sunday School are at 9:30, with nursery included. The Pastor is Steven Murphy.

Another Morn another Yawn.

Frieda Aron 966-9669

Have you ever been to a political give-away? Cocktail party, a picnic, a gala kiddie show, etc.? If you've been, this will come as no surprise, if you haven't been, save yourself a trip.

Only recently I bragged about my emancipation from all line-hugging; no more waiting in line with cranky babies (who couldn't care less) to see Santa Claus or the Easter Bunny, no more dragging slightly older infants to pony rides and kiddie park adventures, initiating them early into the good life awaiting them. As happens to all braggers, I was left with foot in mouth.

This past weekend beseeched by my son and four of his friends, who were beguiled by promises of free darts at kiddie-land, I took them to their imagined "pleasure island". There they were duly bedecked with campaign buttons, handed some free tickets, given a lollipop and a balloon. Then off they scurried to the serpentine lines forming at all the rides.

An adult is wary of what he eats, drinks or accepts at a political free-for-all, knowing it will have to be washed down with slogans, platitudes and campaign nonsense, a rather difficult mouthful to swallow. Children are more trusting, they believe, they accept, they want what is promised them.

A day at kiddieland means all the goodies they get with Mommy and Daddy. A chance to ride the rides and a continuous stream of sweets to fill their stomachs concurrent with the rides. With hundreds and hundreds of children waiting for the same few rides while the sun beamed hotly on their sweaty little faces, no cooling drinks, refreshing ices or ice-cream to assuage their fretful and lengthy line-huggings, the children fumed, fussed and lost faith. Some waited, some changed lines with no better results, some made their goals, most didn't. Sometimes they almost reached the final wait to be told, "you're too big for this ride", or "you're too small for this ride".

Pleasure island was a great big flop and the eleven year old who tore the campaign button off his shirt, threw away the untouched lollipop and balloon, said it for all the unhappy kiddies in the compound. "I'm not voting for that guy!" His mother was the happiest one in all that milling crowd when her son dragged her home.

Frankly my sympathy lay with the candidate and his earnest helpers. To smile, to make small talk, to look pleasant and act gay in that sweltering, scorching heat; to mingle in a hectic crowd distributing paraphernalia hopefully, knowing most of it will land in the ash cans; my hat's off to all of them and I'm double grateful not to be in politics. Playing to the public isn't easy and winners and losers both deserve a lot of credit, but maybe there's more than credit that accrues to the successful politician. The children's vote they'll never get, though.

Wessell Speaks Confidently Of Victory Next Tuesday

(News Release)

"We are going to win,"

With the June 14 election less than a week away, Richard C. Wessell, candidate for Maine Township Democratic Committeeman, spoke confidently of victory to his supporters.

"We are going to win because more than 300 dedicated volunteers have worked harder. We are going to win because we have put our message across to the people. We

are going to win because we represent ALL the people of Maine Township," he said.

"I am proud to aspire to the office of Democratic Committeeman because I am proud to be a Democrat. I have pledged to give the people around-the-clock leadership and service, and I will keep that pledge. We are going to have an active, fighting, winning Democratic party in Maine Township.

"Our community deserves a Committeeman who will go to

the county government, the state government, and even the national government to get things accomplished. I have done it in the past and will continue to do it.

"There will be no apathy in our organization. There will be no bossism. Everyone will be welcomed, indeed urged, to participate in decision-making. Community problems will be our problems and we will tackle them promptly. An individual's problem will receive full attention as well."

Turning to election day, Wessell said, "We are asking the people to go to the polls on Tuesday, June 14, and vote for progress. We are asking the people to spend a few minutes of their time to bring the two-party system to Maine Township. My name appears first on the ballot and that is where the Democratic Party will be under my leadership."
