Today we have read many articles on the rising cost of hospital service, and our local hospitals have the same problem. When your ill, you don't have time to shop for hospital rates.

Two Bed Room Cost:

Lutheran General Cost: \$41.50 per day

Holy Family Hospital: \$35.00

Resurrection Hospital: \$30.00 per day.

A usual seven day stay with many test and X-ray costs about \$430.00 plus your physician and separate billing from the radiology dept., at Lutheran General. Call it a complete check up, and today they have a test for just about everything. A week at the hospital will cost about \$650.00. If the rates ever climb to \$70.00 a day for hospital care it will be more of a problem of who can afford it. Yet when your ill you have no choice.

At the moment, Lutheran General has about 2000 emergency cases a month where as in 1960 it was only 7000 for the whole year. Looking at Holy Family and Resurrection Hospitals they average about 30 a day each. All total the three hospitals handle 3800 cases a month, which are people mostly making their first trip.

The three hospitals have noted that about 50% of all emergency patients admitted have no family doctor. In this case the patients case is assigned to the doctor of the day.

Also alarming is the fact about 1/3 of all cases handled are not of an emergency nature and could have been taken care of by the family physician, at L.G.H. the cost of an emergency case may be about \$15.00 however, the cost to see your physician is about \$6.00. No matter what happens your doctor will be notified immediately even if it is a holiday.

Our hospitals here find that patients want the best of everything and cost-wise that tends to keep rates up. Even though L.G.H. has mostly two patients per room they get a constant de-

mand for a private room which will run about \$60.00 per day.

Often times we do not see the extra expense that is incorporated into a hospital like L.G.H. It is not a state requirement to have a \$175,000 extra power unit in case of power failure, to name one item. Maybe only once in a year it is put to use but it could save a life when it is needed. Today with many new advances in medicine, more highly trained people are needed. In 1960, only 2.1 employees were needed per patient, today it is 2.6, all running the cost of medical care higher.

Part of the procedure for every emergency case is to contact your local physician while you are in emergency for further instructions. It is suggested that if you are new to the area you should become acquainted with a doctor.

Emergency -- At any cost you're glad it's available at any cost.

Park District Swim Carnival August 25

The Niles Park District will present its fourth annual Swimming Carnival on Friday night, August 25th. The Carnival will consist of a synchronized swimming exhibition along with the swimming and diving competition. Participants in the swimming events will be grouped according to age so that each swimmer will be competing with children of his own age and ability. All those who wish to participate should pick up applications at the pool. Time trials will be held on Monday morning, August 21. In order to qualify for the finals on Friday night, all participants must be present on Monday morning, August 21st at 9:00 A.M.

Trophies and ribbons will be awarded to everyone who participates in the finals Friday night.

Maine East Summer Band To Present Concert

On Thursday evening, July 27th, Park Ridge shoppers will be able to enjoy music while they browse along Prospect Avenue. The Maine East Summer Dance Band will perform at 7:30 P.M. in Hodges Park, presenting many well-known dance numbers such as "The Shadow Of Your Smile" from the movie, "The Sandpiper"; "If I Loved You"; "Call Me Irresponsible"; "I Love Paris," and "Scheherazade." The number, "Cute," by Neal Hefti, will feature George Hodgins on drums.

The special number of the evening will be "Doc's Holiday," which was written by Sammy Nesjico especially for Carl "Doc" Severinson, formerly the featured trumpeter on the Johnny Carson show, and who recently performed with the Maine South Band. The piece has three movements, incorporating three different moods and jazz rhythm - a "rock" beat, a jazz waltz, and a mambo. The featured soloist for this number will be Rick Polad, 1st chair trumpeter for both the Maine East Dance Band

and the Concert Band, Director of the band is Mr. O.D. Premo, of the Maine East music department.

The Summer-Dance Band, which recently won a 1st Division Superior Rating at a stage band contest, also presented another concert on Tuesday evening of this week at the Hines Veterans' Hospital, Hines, Illinois.

BRIGADOON?

COMMENT
By: Robert Del Prato

Since the village of Niles has rezoned two more parcels on Caldwell Ave. and Gross Point Road, The Bugle went over to investigate the area and found a strange sign located on the corner of Happ road and Touhy Ave. The sign points to Rogers Park, Park Ridge, Milwaukee Ave, and Niles Center.

The local maps have no such town listed and it points the wrong way to the center of Niles. It would be hard to believe that in this area had a BRIGADOON. In the stage play the town of BRIGADOON comes alive once every 100 years and it cannot be found on any map.

Those of us who lived in the area for many years remember that if you followed the signs direction you would end up in a town called Niles Center, now the village of Skokie.

We called the Skokie village hall and found that our local sign has been misleading travelers for the past 27 years. Looking at the sign it was well built to stand up to the elements for all these years. In fact it may put our street signs to shame with an endurance record of so long of time.

The latest tax liability figures from Springfield, Ill. have shown the following increases in money collected during Feb. & March. The list gives a very good indication as to where the money is being spent in the area.

Des Plaines	\$50,029.51
NILES	38,987.29
Park Ridge	28,856.00
Morton Grove	25,856.00
Glenview	15,933.45

In all reports an increase has been shown. Morton Grove increased \$3,786 over Feb, and Niles increased \$6,017 over the same month. Just as soon as the new report is in we will re-visit it in the Bugle.

Park District Files Financial Report With State Auditor

by June Hart

In regard to recent publications concerning the financial affairs of other suburban Park districts, Niles Park Board Commissioners stated that S.K. Webster, C.P.A. of Des Plaines, audits their Books and Records annually. The records, publishing appropriations

and financial statements have been, and always are available to interested citizens through a personal call for appointment, to the Park district office. With the passage of the May 10th 1967 House Bill 588, which requires an audit by a licensed public accountant of the accounts of all park districts, appropriating more than \$100,000

during their fiscal year, (as stated this was done voluntarily by Niles Park district) in accord with this Bill they will now file the audit with the Office of State Auditor within a period of six months following the close of the fiscal year.

Prior to the passage of this law, Niles Park district has been audited by a local accountant. Continued on page 9.

Forest Preserve Vetoes Widening Of River

by Barbara Horn

A Flood Control meeting was called July 27 by Mayor Robert Schreiber of Morton Grove and held in the Niles Council Chambers.

Attending were 13 Village Officials from communities whose sewers drain into the North Branch of the Chicago River.

Subjects under their discussion were: 1-Future storm sewer plans, 2-Present amount of sewer discharge, 3-Increase amount of sewer discharge if new sewers, 4-Annexation, 5-New Subdivisions, 6-Retention Basins (if any).

Frank Dalton of the Metropolitan Sanitary District told the group, "the problems are in your own back yards and each municipality should begin their own local improvements."

Small scale violations play an important part in flooding, due to illegal connections, poorly constructed sewers and deteriorating facilities.

The state's future plans for rechannelization of the North Branch of the Chicago River, according to Charles Mitchell (State Division of Waterways) will cost approximately \$3,640,000. Widening of the North Branch of the Chicago River has been opposed by the Forest preserve. Other alternative plans is to acquire a clay pit in Northbrook, which is presently being used as a fill operation. This pit would be used as a retention basin and would be capable of holding a fifty-year, four hour rainfall.

A deep-tunnel project has been planned by the Sanitary District which will separate sanitary and storm waters. This

The course was attended by 125 firefighters from all over the United States and Canada. Speakers included representatives of film, and chemical companies, Chicago Police crime lab., Attorneys, and various other experts in the field of photography.

Urge New Maine Pupils To Sign Now

Maine township High School Dist. 207 students who plan to attend one of the Maine township High schools this Fall are urged to register now. Registration is being conducted daily—Monday thru Friday—in the guidance offices at Maine East, West, and South.

All students who have not previously registered should take care of this important aspect of academic planning as soon as possible. Past experience, has shown, school authorities said, that waiting until the week prior to the opening of school in September increases the problems of testing, purchasing of books and supplies, and selection of courses.

It is required that one or both parents accompany the student who is registering for the first time. Parents desiring appointments or further information should call Maine East, 825-4484; Maine South, 825-7711; or Maine West, 827-6176.

ALL STUDENTS planning to enter the ninth grade this Fall are required to take the High School Placement Test before registration for courses will be completed. Students who have not taken this test can do so at 7:45 a.m. on Wednesday, Aug. 16, at Maine Township High School East. Details can be obtained by calling one of the three high schools. This applies mainly to students who have moved into the district within the last few months. Students who have attended the elementary schools within the school district and who graduated this past June have had this test given to them earlier in the school year by high school personnel.

Park District Swim Carnival August 25

The Niles Park District will present its fourth annual Swimming Carnival on Friday night, August 25th. The Carnival will consist of a synchronized swimming exhibition along with the swimming and diving competition. Participants in the swimming events will be grouped according to age so that each swimmer will be competing with children of his own age and ability. St. John Teen Club Dance August 6

St. John Teen Club events for August will begin the sixth with a dance from 7:00 - 10:00 in the school basement.

"The Hartford Convention", a Southern Wisconsin College group, will provide the entertainment finalists in the World Teenage Show Battle of the Hartford Convention Bands that was held the weekend of July 2 at Navy Pier. They compe-

ted against 300 other bands. President Al Brennan hopes to introduce more World Teenage Show Battle of the Bands finalists at up and coming meetings.

Later in August, a Beach Party has been scheduled while September 2 sets the date for the annual back to school dance.

Frank Dagne, New Dist. 63 Assistant Superintendent

Frank A. Dagne, currently principal of the Shelley Nathanson School, was appointed assistant superintendent of schools of East Maine School District No. 63 at the regular July 25 meeting of the board of education.

Mr. Dagne replaces Dr. John Tobin, who resigned to accept a position as superintendent of a school system in Westwood, Massachusetts.

Before becoming principal of Nathanson School in 1966 when the school opened, Mr. Dagne served in District 63 as principal of Oak School for three years and associate principal of East Maine Junior High School for three years. In all, he has almost 20 years experience in elementary and junior high school education.

Mr. Dagne organized the non-graded, team teaching program and recruited and oriented the teaching staff at Nathanson School last year.

He received his bachelor of science degree in secondary education from Illinois State University in Normal in 1948, master of science degree, is elementary administration from the University of Illinois in 1952 and is presently working toward an advanced certificate in administration from Northwestern University.

Superintendent Hugh E. McGuigan told the board of education that he had conducted a nationwide search and was convinced that Mr. Dagne has the

qualities of leadership and initiative needed to fill the office of assistant superintendent of schools in District 63.

As assistant superintendent, Superintendent McGuigan said, Mr. Dagne will be especially concerned with nongrading all schools in the district and successfully executing the in-service teaching training program, Operation Bootstrap - Interweave. In addition, Mr. Dagne has a good knowledge of the junior high school, Superintendent McGuigan said.

Mr. Dagne will assume the responsibilities of assistant superintendent on August 1.

Mr. Dagne, his wife Connie and their four children, Diana, 17, a senior at Maine Township High School East; Kathy 15, a sophomore at Maine Township High School East; Michael 8, a second grader at Hoffman School in Glenview; and Ann Marie, 4, live at 2231 Grandview Place in Glenview.

Mobile X-Ray Unit In Niles August 7-11

If you are between 55 and 59 years of age - don't just walk past that mobile X-ray unit in your neighborhood this summer: WALK IN!

This is the "alert" being sounded by The Suburban Cook County Tuberculosis Sanitarium District. According to statistics recently released by The District, this age group had the largest number of TB patients at the SCCT-Hospital Sanitarium in 1966. There were 42 men and 17 women, or a total of 59 patients in the age group 55-59.

"Any age, 18 years and over, is a good time to get a free chest X-ray at the mobile unit," said Dr. Karl H. Puetze, General Administrator, The District. "But 55 to 59 are especially important years to rigidly follow the routine health check-up offered you each summer in your own community."

"All you need do is WALK IN when you see the X-ray unit in your neighborhood or

wherever you might happen to see the mobile X-ray bus!" said the doctor.

The annual summer long community wide free chest X-ray service provided by The Suburban Cook County Tuberculosis Sanitarium District, which is tax supported, is in progress now. Mobile units will arrive soon in Skokie and Niles.

The Tuberculosis Institute of Chicago and Cook County (the Christmas Seal agency), the

Cook County Health Department and local health departments assist and cooperate with The District in providing this service.

Niles will host the mobile unit for one week, August 7-11. The mobile unit will be parked at the Golf Mill Shopping Center. Hours are 2:00 p.m. - 9:00 p.m. Monday, Thursday and Friday; 10:30 a.m. - 5:30 p.m. Tuesday and Wednesday.

Members of two Niles clubs will serve as volunteer regis-

trars. They are the Niles Lions Club, under chairman Mrs. Frank Troiani, 7641 Greman Place, and the Woman's Club of Niles, under chairman Mrs. Jim Downs, 7922 Oakton.

Thirty Seven Students Graduate From Lutheran General

Thirty-seven students will graduate from the Lutheran General and Deaconess Hospital School of Nursing, Park Ridge, on Sunday afternoon, Aug. 20 at 2:30. The graduation ceremonies will be conducted at St. Mark Lutheran Church, Mt. Prospect.

Dr. A. R. Kretzmann, pastor of St. Luke Evan, Lutheran Church, Chicago, and a member of the Lutheran General Board of Trustees, will be the commencement speaker. T. L. Jacobsen, executive vice-president of the hospital, will present the welcoming address.

Established in 1906 at Lutheran Deaconess Hospital, 1138 N. Leavitt St., Chicago, the school was moved in 1960 to its present site near Lutheran General Hospital.

The School of Nursing is a major educational program of the Institute of Human Ecology, an affiliate of the American Lutheran Church. It is accredited by the Illinois Department of Registration and Education and is an agency member of the National League for Nursing.

The school has an enrollment of 100 students.

Two Selected As American Legion Adjutants

Morton Grove American Legion Post #134 newly elected Commander, Edward Mc Mahon, has appointed two members to fill the spots of post adjutants. He and his elected and appointed officers will be formally installed at a public ceremony in September.

The corresponding adjutant duties of mailing out the monthly Post Bulletin after the Publicity Chairman prepares it, as well as other Post mailings, will be handled by Matt Herman of Morton Grove.

Reappointed recording adjutant is Robert Perschon of Chicago, a former Morton Grove resident. Aply handling the accurate minutes keeping last year his reappointment will enable the Post to continue in the same fine manner this vital function requires.

At the last Post meeting, Service Officer Fred Brendel reported that Legion Officer Ray Harris' father was confined to Lutheran General for possible surgery and member Pat Mc Donough had checked into VA Research for a check up.

Cited For Academic Achievement

Two Morton Grove students have been cited for academic achievement at Northland College in Ashland, Wis.

Clarence Brink of 9420 N. Sayre, and Donald Beilgard of 9334 Normandy Avenue were named to the dean's list for the spring quarter. Brink is a June graduate of Northland and Beilgard is a senior at Northland.

W.A.N.P.D. Float Wins First Prize

Sunday, July 23 was a beautiful day for a parade, and Niles residents saw a very good Niles Day Parade that afternoon. The members of the Women's Auxiliary of the Niles Police Department were especially proud and happy. The reason for their jubilation was that their float won first prize in the professional float category.

Our theme was "International Peace" and the float featured

children and teenagers in various national costumes. The participants and the countries they represented were as follows: United States - Tammy Barbalace, Paris - Carole Berresheim, Ireland - Kathleen Polinski, Germany - Rene Topp and Margie Berresheim, Hawaii - Nadine Keating, Greece - Tula Terpinas and Cindy Barbalace, Sweden - Kathy Berresheim, Japan - Christine Keating, Arabia - Debbie Hupka, Italy - Pam Muscolino,

Holland - Linda Tanner.

To Rose Barbalace, chairman for the float and her co-chairmen Pat Ferraro and Mary Ellen Woods: Congratulations on a job well done! That trophy will look mighty good along side of the others the Auxiliary has won in previous years.

Cub Scout Packs Will Earn National Award

More Cub Scout Packs in this area are expected to qualify for the National Summertime Pack Award than in any previous year, according to Leslie Milligan, Council Commissioner.

The award is given to Cub Scout Packs that plan and conduct three Pack activities — one each in June, July and August. Den awards are earned by Cub Scout Dens that average at least 50 percent of their Cub Scouts in attendance at the activities.

"Boys are eager for summertime fun and the adventure of Cub Scouting when they have the most free time and greatest need for Cub Scouting," Milligan said.

Suggested program themes for the summer months are Feats of Skill, Cub Scout Water Fun and Outdoor Fun.

The Northwest Suburban Council has also suggested that Cub Scout Packs use local facilities that are available for picnics, tours, and other activities. These include Camp

Dan Beard, near Wheeling and Lakota Reservation at Woodstock.

Many Cub Scout Packs have also scheduled meetings of their leaders for August in order to plan their fall program and to begin planning for the fall roundup, the membership campaign of the Boy Scouts of America, which will include Uniform Day and School Night for Scouting, Milligan said.

The National Summertime Pack Award is an attractive, full-color certificate, Milligan said, and the awards will be presented at October Roundtables in each District.

House Of Pancakes Features "Chicken In A Basket"

People just don't seem to have enough time in their busy schedules for picnics these days. Time was, not too long ago, any special occasion was reason enough to pack up a basket, lead the family into the car and drive out to the country, or closest park, spread the blanket and wait for the ants to show.

Tom Ferraro, who operates The International House of Pancakes at 9206 Milwaukee Ave., remembers these days, and he's done something to revive them.

"All you really needed," he says, "was fried chicken, a little imagination, and you had the makings of a picnic. We've got both in our restaurant, including the basket! And talk about old-time prices, we're including loads of French fried potatoes and soup or salad to go along with our crunchy and juicy chicken, for only 99 cents.

"Look for the restaurant with the bright blue roof, and have yourself a picnic."

New Sunday School Superintendent

Sunday school superintendent duties at St. Anselm's Episcopal church, 1600 N. Greenwood Park Ridge, will be assumed by Leonard G. Thomsen, 8263 Wisner, Niles, for the 1967-68 year starting in September.

Thomsen took over the post from Thomas P. Amlin, 8523 Bruce dr., Niles, who served the 1966-67 school year. Amlin is also a member of the vestry, the laymen board that runs church affairs.

St. Juliana Fraternity Meets August 4

St. Juliana Fraternity of the Third Order of St. Francis will present an Information Evening on Friday, August 4, according to a recent announcement by Prefect Steven F. Kordek, 7300 N. Odell, Chicago.

Following 7:00 P.M. Mass in St. Juliana Church, 7400 W. Touhy, an Open House and Social will take place in the school hall. The program, arranged by Vice-Prefect Felix Bradtke of Our Lady of Perpetual Help Parish, Glenview and Thomas Benbenick, St. Juliana Parish, Chicago, will include a movie, "The Life of St. Francis".

Spiritual Director, Father Odo Schmalz, O.P.M., from St. Peter's Church in downtown Chicago, extends an invitation to all area residents interested in learning about the goals and activities of The Third Order.

Other Fraternity Council members participating in arrangements for the Information Evening include Mrs. Frances Bradtke; Mr. Joseph Welsh, Immaculate Conception Parish, Chicago; Mrs. Mary Susen, St. Paul of the Cross Parish, Park Ridge; Mrs. Lucille Adamcik, St. Mary's Parish, Des Plaines; Mr. Joseph Sloan and Mrs. Patricia Walter from St. Juliana Parish, Chicago.

Completes Training

Seaman Vito Virgilio, USN, son of Mr. and Mrs. Joseph Virgilio of 8740N. Wisner St., Niles, Ill., has been graduated from nine weeks of Navy basic training at the Naval Training Center here.

On Dean's List

Karen L. Engdahl, 7309 N. Neva, Niles, has been named to the Dean's List at North Park College, Chicago, for the spring term. She is a member of the junior class.

The Dean's list at the church-related college is made up of the men and women who earn an average of 3.1 or better. All A's make a 4.0 average.

Also included were Walter Iversen, 8344 Caldwell, Niles, a junior; and Harold Schlichting, 6916 Madison, Niles, a senior.

Dist. 63 Accepts Resignation Of Assistant Supt. Tobin

The board of education of East Maine School District No. 63 accepted with regret the resignation of Dr. John Tobin, who has been assistant superintendent for the past two years, at their regular July 25 meeting.

Dr. Tobin has resigned in order to accept a position as superintendent of a K-12 school

system in Westwood, Massachusetts.

While assistant superintendent in District 63, Dr. Tobin played a large role in developing the district's Operation Bootstrap and Bootstrap-Interweave programs for in-service teacher training.

Dr. Tobin expressed regret in terminating his work with the district and commended the board of education for "their courage, commitment and foresight in their quest for quality education."

In discussing Dr. Tobin's resignation, Superintendent Hugh E. McGuigan commented that Dr. Tobin had brought many

new and interesting ideas into the district from which both students and teachers have benefited. He said members of the board of education joined him in wishing Dr. Tobin success in his new work.

Dr. Tobin will terminate his work in the district on August 28, with official duties to be completed on July 31.

Local Merchants' Taxes Improve Our Community

Of course you look for and find bargains in quality merchandise when you shop locally, but did you know you are also really investing in our community too? Your neighbor-merchants' taxes support civic improvements and help finance schools and recreational facilities right where you live. It pays, in many ways, to shop at home!

Time and Transportation Costs are Saved

Instead of wasting time traveling to distant stores, the wise shopper puts that time to use in a more careful selection from the large varieties carried by our local merchants. The money saved on transportation is put to better use too — on the items themselves. Every day it will pay to shop right here at home!

Your Merchants Are Your Own Neighbors

It's mighty nice to know that the merchant you deal with is probably one of your own neighbors. You feel you can trust him and he is eager to maintain that trust. He is anxious to please you in a personal way — to give you quality products at the lowest possible price. "Yes," you'll say, "it really does pay to shop here at home!"

Society Meets Music

The Modern Music Masters, an International Music honor society, will hold its annual meeting at Maine South high school, Park Ridge, in the faculty lounge on Saturday and Sunday, August 5th and 6th, from 9:30 A.M. to 6:00 P.M. on both days.

According to O. D. Premo, international secretary and director of bands at Maine East high school, the two-day conclave is held for the purpose of electing officers of the honor society; to elect the board of directors of the group; and to review the activities of the society and develop new ideas and concepts of action that will benefit and further the purpose of music education in public, private, and parochial schools throughout the world.

Mr. Premo stated that there are approximately 90,000 student members of "Tri-M" International, belonging to about 1,000 campus chapters.

Mr. Alexander Harley, Park Ridge, and founder of the Society, will attend the annual meeting along with other adult representatives from the District of Columbia, New York, Montana, North Carolina, Illinois, Indiana, Tennessee, Texas, Florida and Wisconsin.

The contemporary officers of the Society are: Guy F. Foreman, President, LaPorte, Indiana; Paul B. Fry, Vice President, Albemarle, North Carolina; O. D. Premo, Secretary, Glenview, Illinois; Henrietta M. Yancy, Treasurer, Waco, Texas.

Park District

Continued from page 1

Bill the filing of an annual financial statement with the county clerk's office was on a voluntary basis in terms of park districts, library boards, school boards, but always a requirement for the Village Boards.

The Niles Park board are not making any decisions regarding the proposed Comprehensive Development Plan for the Park district pending a full review and discussion at the total community level. In order to implement this, Commissioners are preparing to speak before citizen groups. Color slides of the proposed expansions and improvements will be a major portion of their presentation. Interested groups call 967-6633. In the event that the park district were to acquire more land, Park Commissioner Louis Schreiner revealed that the Department of Business and Economic Development of the State of Illinois approved eligibility for 50 per cent matching funds.

Treasurer's report from the July meeting — balance of \$12,522.91 for June 30 1967. Announcement of two interview selections for the office of park district attorney — Robert Bjorvik, Palatine, and Gabriel Berrefato, of Morton Grove, Bange Electric, Des Plaines, bid — Jozwiak lighting system. Estimates sought for awning for west side of Recreation Building. Investigation is proceeding on status of swimming pool lights.

Apparently locker use revenue is at low ebb this year — it is reported that swimmers arrive at the swimming pool already attired in bathing suits.

An ordinance was passed amending ordinance code pertaining to discrepancy between Village and Park district codes.

It is hoped that the improvement in the weather will up the loss in revenue from the swimming program which, up to July 20 amounted to \$5,000 below last year's total up to that period.

The Park board are determining some form of memorial to honor the late Everett Hyken, 8500 Osceola, Niles, on behalf of his devoted service to youth. Holder of a second degree black belt, the late Mr. Hyken, instructed in the art of judo and self defense for the Park District.

Three Teams Undeclared In Niles Park District Softball League

The last weeks play in the Niles Park District Softball League saw three teams remain undefeated, McDonalds, Esquire Barber Shop and Vielehr are all at the top of the pile, and continue to win.

McDonalds defeated Cortland Park by the score of 16 to 14 to remain undefeated. McDonalds featured a strong hitting attack with Saccio, Gostorek, and Beverly hitting home runs. McDonalds in the most caught McDonalds in the last inning, but couldn't keep their rally going and once again went down to defeat.

Esquire Barber Shop remained undefeated by running over Grossmen 12 to 4. Esquire played good heads up ball with Schillen leading the way at bat with four hits in four trips to the plate.

Vielehr won out over Cut Rate Toys by 6 to 1 to stay right in the thick of the battle.

In other games during the past week, McDonalds defeated the Blasters 7 to 3, and Johnys Barber Shop defeated the Beavers 11 to 7.

The Twins won the second round in the western and the White Sox the first round. In the playoffs the White Sox became the champions.

Last Monday the Dodgers and White Sox met for the world series. The Dodgers scored first when SCHARTZ singled and PAT FERGUS tripled. The White Sox went ahead in the

third when BAUMHART doubled home two runners. In the top of the 6th a homer by the White Sox made it 3 to 1. The Dodger's sixth SAS LAURIE lead off with a homer. The White Sox pitcher became erratic after PARKS singled, and gave up two walks and hit two batters. This ended the game for a 5 to 4 win for the Dodgers.

The White Sox pitching of KAFISHER, BIANCHI and BAUMHART goose-egged the Dodgers for six innings and gained a 1 to 0 victory. BAUMHART doubled in the games only run.

CHAMPIONSHIP GAME

White Sox 1st GAMBRO grounded out to second, KREISHER singled to deep second, SIMON lined in to a double play short to first, 0 runs, 1 hit.

Dodgers 1st THORPE struck out, SCHWARTS homered to left center, P. FERGUS tripled over the left fielders head. The long ball continued when J. LAURIE lined a homer into left field. BERTISSINI walked after a 3-2 count, PARKS singled to short right sending a runner to third, B. FERGUS was struck out, BATLINER grounded to first, ending the inning, 3 runs, 4 hits.

White Sox 2nd BIANCHI doubled down the right field line, NILES struck out, BAUMHART lined out to first, the first baseman made a very good play on the ball, GERHARDT was called out, 0 runs 1 hit.

Dodgers 2nd ROSS, the lead-off hitter in the second, was called out on strikes. Left-handed swinger THORPE also struck out, SCHWARTS walked and scored when P. FERGUS hit a homer over the center fielder's head, J. LAURIE smashed one off the third baseman's glove, BERTISSINI'S single passed the second baseman to drive in a run, PARKS forced out the runner when the third baseman fielded his grounder and threw second for a force play, 3 runs, 3 hits.

White Sox 3rd DUDA singled off the glove of the first baseman, MERTINS put one in a hole between third and short, GAMBRO reached first on a walk loading the sacks, KREISHER strikes out for the first out, SIMON also struck out, BIANCHI singles through the box scoring one runner when the center fielder made a fast fielding play and peg to home plate, NILES was called out, 1 run, 3 hits.

Dodgers 3rd BAUMHART, the new pitcher for the White Sox, walked B. FERGUS, BATLINER went down swinging, ROSS, after fouling some solid drives, struck out, THORPE was the third victim of BAUMHART'S pitching, 0 runs, 0 hits.

White Sox 4th BAUMHART beat out a hit to second, GERHARDT missed for three strikes, DUDA took strike three, J. LAURIE continued to find the range and got the third one pass MERTINS, 0 runs, 1 hit.

Dodgers 4th SCHWARTS struck out, P. FERGUS continued to hit the ball hard with a hit to center, J. LAURIE got on when the White Sox missed a force play, BERTISSINI grounded out, PARKS left the runners stranded when he made the third out, 0 runs, 1 hit.

White Sox 5th GAMBRO opened the inning with a strike out, KREISHER took the third strike, SIMON topped a hit down the third base line, BIANCHI grounded to the pitcher, 0 runs, 1 hit.

Dodgers 5th The left fielder made a running catch of B. FERGUS'S drive to left, JENSEN went down swinging, WOODS also went down via the strike out, 0 runs, 0 hits.

White Sox 6th NILES lined to the pitcher, BAUMHART got a hit to third, GERHARDT grounded out pitcher to first, DUDA homered down the right field line scoring two runs, MERTINS was out when P. FERGUS fielded the last out of the game.

Malcolm Strandberg

WELCOME HOME to Petty Officer 2nd class Malcolm Strandberg, only child of Mr. and Mrs. C. A. Strandberg, 8236 Oconto, Niles, following a six month stint with the U.S. Navy (special department) in England. A graduate of Maine East High school 1960 class, Malcolm enlisted in the U.S. Navy and over the past seven years has seen service in many countries abroad including Iceland, Malta, and England. While housed in the R.A.F. billets at Mildred Hall, England, (home of famous World War 2, R.A. Force fighter pilots) during a previous visit to England, Malcolm met Miss Irene Mackender a resident of nearby Littleport. They kept up a correspondence, and during his most recent stint, staying at the same place in England, Malcolm asked Irene to become his wife, and when her visa comes through they will marry over here. Malcolm said, "She is a very sweet girl, and she was constant (loyal) while I was away."

Our Navy laddie volunteered that he thought English girls were more loyal than American girls. He was not as enthusiastic about the English weather, although he had experienced an English heatwave, 80 degrees. He enjoyed the food, "It's different, but very wholesome, and I really enjoyed

it, especially Yorkshire pudding, fish and chips, and the beer." The latter warm or not, Malcolm said it was good. He found the British people that he met very friendly, after they got over their initial cautiousness, which some people call reserve. Malcolm was very impressed with a beautiful Elizabethian Pub which incorporated a King Louis IV dining room combining the old world with the new in its various facets of service. "Perhaps I might introduce something like it here, one day. It would go over big, I think."

Originally Petty Officer Strandberg had enlisted in the Navy for four years, then re-enlisted under the Navy Selective Training program S.C.O.R.E. and this will end in April of '68. Finishing his furlough (vacation) he is bound for Yorktown, Virginia, then Charleston, S. Carolina. We could fill the column with his many interesting observations on the British way of life, "slow and easy", as he describes it, but in the meantime we extend our heartiest congrats. to him and English fiancée.

A special mention for the people who worked prior to the opening of the Niles Days Carnival - on the grounds Monday, Tuesday and Wednesday advising and seeing to the arranging of all booths, the merchandise, and lay-out planning, Chairman John Poeschl, vice-chairman Ben Mankowsky, Diane Hanson (Mrs. Frank) and in the evenings Frank Hanson. "I commend them, they worked very, very hard," praised John Poeschl.

"Esoterically Edna"

(From Arvada, Colorado)

Dear Niles Friends,

The loveable Bugle Editor has already mentioned, in a previous issue, that the Walgers recently visited our beautiful 50th state. This was on the occasion of our 26th anniversary, though the item stated that Ed deserved a medal for a laudable personality characteristic which kept him living with yours truly for such a long period. Dismissing my guilty memory of his lonely nights at home, while I presumed to manage everything from the village administration to the very newest organizations through attendance at meetings several nights each week, I was appalled, while his reading of the item was accompanied with affirmative nods and a smirk of appreciation, for the recognition of his supreme sacrifice.

For those, with a moment to spare, I embark upon a recitation of impressions of those jewels of the Pacific, the Hawaiian Islands. During our two weeks, we stayed in 6 hotels and rode 8 different airplanes. On Oahu, we enjoyed the hospitality of the posh Iliaki, the much touted Hawaiian Village and the Moana-Surfrider, the choice of many V.I.P.'s. Our outer island tour took us to the Royal Lahaina on Maui, the King Kamehameha in Kona on the big island of Hawaii and to the Coco Palms on the island of Kauai.

In retrospect, we realized that far too many days were spent on Oahu. Walkiki offers tourist traps, row on row, hippies, the unpretentious competition of well pre-arranged college girls in bikini suits and Honolulu, just another big city. It did offer, however, Ala Moana Shopping Center (largest in the world), the International Market Place (a must) with its nightly hula show and the Ulu Mau Village, with its exhibits and demonstrations of ancient island cultures. The outer islands provide the true warmth and jovial spirit of the natives and satisfy the pre-conception of what the islands should be. Maui, the valley island, is lovely and tranquil. The big island of Hawaii offers volcanic craters, miles of old lava flows, tidal wave beleaguered hills, boundless legends of Hawaiian history, the fishing port of Kona and, of course, the Orchid and Anthurium Nurseries. This was the island we were least anxious to visit and turned out being the one on which we had the most fun, experiencing the happy sharing of a private native celebration and their generosity. On the garden island of Kauai, we enjoyed a boat trip up the Waialua river to the Fern Grotto and the native rendition of the Hawaiian Wed-

ding Song, and later, impressive falls, Waimea Canyon and an unbelievable profusion of flowers everywhere. We would recommend a minimum of 3 days on each of the outer islands (we took them in 4 days) with only a couple of days on the busy Oahu on each of a 2 week visit in which to pick up souvenirs and a trip to the quiet side for sightseeing. Memorable, too, was our 1 1/2 hour tour of Pearl Harbor aboard a Navy vessel, arranged for by a friend, from high school days, in the employ of the officer in charge of supplies at the base.

I couldn't possible include here all details of our wonderful trip but hope someday to divulge some at some future meeting with each of you. While away, a note disclosed that we had missed old friends and former Nilesites, Gene and Bob Bennett, who dropped in to see us. Son, Tim, reported also a phone call from one of Niles' board members, but failed to get the name. We were home to have the opportunity to entertain Kay and Henry Groh of Niles at dinner, and for an evening of gossip. Our first over-night guests were friends from Chicago just this past weekend and what fun! I only regret that this state is having such rainy weather this year but there is some sunshine each day. I'm always most anxious to dispell the stigma of being Niles' worst hostess (too busy, house too small, too tired). All the old excuses have been miraculously swept away and I await eagerly the opportunity to entertain old friends coming to our passing through Colorado.

Wendy spent the two weeks we were in Hawaii at Tomahawk Ranch Girl Scout Camp in the mountains and had the time of her life hiking, horseback riding, singing around the campfire and cooking out. She didn't mind a bit the daily chores assigned to her and made many new acquaintances.

Tim held the fort at home, worked dally and kept an eye on our new litter of kittens. We found the premises in good shape upon our return with the lawn freshly cut. I'm sure most of the cleanup was done on the day we were to be back but we were grateful for a tidy household nonetheless.

At the risk of being repetitious, I close with the same old saw, write during a leisure moment and keep well and happy.

Fondly,
Edna Walger

Health Tips

The traditional summer vacation of the American family is highly recommended by your doctor. The family needs to get away from customary home and office chores, forget day-to-day worries for a short time and generally get rejuvenated and ready to face another year.

Whether your vacation will be a short trip to a nearby lake, camping out in a national park, a plane trip abroad, or what have you, there are a few things to keep in mind that will help avoid having the holiday spoiled by illness.

Depending on where you're going, you may need some vaccination shots. Tetanus, certainly, for anyone who expects to include some out-of-doors activities. Typhoid, if your journey includes areas where the water supply is uncertain. Smallpox, if you're planning to leave the United States to visit a foreign land. Ask your doctor about these, and possibly other, immunizations.

The American Medical Association suggests that you remind yourself to use common sense about your vacation diet. Many a family trip has been spoiled by too many roadside hamburgers and soft drinks. A sound rule while driving cross-country is to eat lightly. Be cautious about heavy, rich meals, particularly if you're not accustomed to such fare at home.

Know what sort of climate you will encounter at your vacation spot and dress accordingly. It can get cold in the mountains at night, even in midsummer. Good walking shoes are important to the travel wardrobe.

If you wear glasses, take along an extra pair. Or at least a copy of your prescription. If you're taking a regular medication, make certain of your supply before you leave.

And, finally, don't overdo it. Almost no one other than a trained athlete is ready for 36 holes of golf or five sets of tennis under a broiling sun. Schedule your vacation to allow daily rest periods. Do most of the driving in the morning hours and stop for the evening in early or mid-afternoon.

Your vacation should be a holiday for rest and relaxation. It should not be a grind that necessitates another vacation to rest up from the vacation.

ASTROLOGY Works For You!

Are you compatible with a Leo?

ARIES WITH LEO: This is an agreeable relationship. Leo's flamboyant ways coupled with Aries bold, courageous ways. It has been said that women love an Aries man for almost the same reasons they love a Leo man. Challenges are sought by both, each loves organization, but Aries will tire of leadership that Leo will cling to much longer.

TAURUS WITH LEO: There is an unfavorable square angle between these two groups. Taurus is too possessive in the eyes of Leo, while Taurus may think that Leo is a big bluff, too self centered, too quick with his remarks. There is fierce striving when these two line up against each other, incompatibility in marriage and in business.

GEMINI WITH LEO: There is a favorable aspect between these two signs. Leo admires the creativity and originality of Gemini and isn't above picking up an idea or two and doing something with them. They do well in business, friendship, love, marriage - in fact in any give-and-take, they work well together.

CANCER WITH LEO: There is an acceptance between Leo and Cancer, something better than neutralism, but the differences are strong too. Leo is masculine, Cancer is feminine, Leo fiery, Cancer passive. They don't compete and they can prosper in business, marriage and friendship. Cancer is more traditional, more bound to conservatism and protection. Leo is all positive. There is almost a complete lack of jealousy.

LEO WITH LEO: Leo people can get along moderately well. Naturally they understand each other and even have a deep sympathy for each other's strengths and weaknesses, as well as appreciation. Two fiery tempers in a Leo-Leo marriage, a Leo-Leo business, but on the other hand, you have two similar drives, two outstanding personalities going after the same goals and when you double Leo you double the fun, the pleasure, the ability, the striving and the drama.

VIRGO WITH LEO: These get along moderately well, Virgo helpful to Leo in money matters and business partnerships. Each does his own job well. Leo organizes and Virgo is left with the hard work. Leo's fixed fire comes alive in Virgo's mutable earth. They enjoy a deeply rewarding friendship based on trust and mutual admiration.

LIBRA WITH LEO: Here's genuine harmony, and more than one astrologer has said the

world would be a better place if more Leo women took Libra husbands, more Leo men marrying Libra women. There's a basic brotherly feeling between these two, they make marvelous neighbors. Their approach toward beauty is a little similar and when Libra suffers from the blues, it takes a direct, fiery Leo disposition to do the cheering up.

SCORPIO WITH LEO: Here's trouble with a capital "T". Scorpio's dynamic attitude toward life is one that looks askance at Leo's concern for appearances, for being dignified. Scorpio believes in being more natural. Whereas love is such a heart and emotional matter with Leo, in the case of Scorpio love is earthy, sexual, physical. They don't make sympathetic friends, in competition, they can be quite warlike.

SAGITTARIUS WITH LEO: There is an intensely favorable trine aspect existing between Leo and Sagittarius, making for harmony and agreement. Sagittarius is mutable and fire, as masculine and positive as Leo, and they can share many wholesome interests, such as hunting, the great out-of-doors camping. Nor would Sagittarius care one whit about Leo's powers to exaggerate, to make high-sounding claims, for Sagittarius is always jovial, always optimistic and believes that Leo will eventually make good on any of his claims.

CAPRICORN WITH LEO: This is a form of neutralism. They can leave each other or take each other, and there's no great admiration, nor is there much animosity. Capricorn is rock-bound too conservative for Leo's tastes. Capricorn is a depressing effect on Leo, but this depressing there can be a remodeling of Leo for the better. Leo does well health-wise with a Capricorn-born doctor, while Capricorn can make a fortune if Leo is handling his investments.

AQUARIUS WITH LEO: No, no, this is not a harmonious relationship. They are opposites, and while there can be that attraction of opposites, there are too many bones of contention. The smoke chokes the blaze in time, Leo and Aquarius make good partners when business requires fixed ideas mixed with versatility upon occasion.

PISCES WITH LEO: There is a neutralism here that borders on incompatibility. Pisces is far too mysterious and secretive to suit Leo's outgoing nature. Leo, according to Pisces pays too much attention to material things and not enough attention to things of the spirit. It rarely goes as far

as love or marriage here, and if it does, rarely works out for long.

See you next week.

The Planets and their relationship to you.

by Nancy Del Prato

Art works by two area artists will be on display in the lobby of Lutheran General Hospital, Park Ridge, The exhibit, which will last throughout the month of August, is sponsored by the hospital's Service League under their Art Originale program.

The art leagues supporting the program are from Park Ridge, Des Plaines, Mt. Prospect, Skokie and Niles. Also in the program is the Norwood Park Women's Club.

The artists showing some 18 example of their work are Ruth Hoff and Rubye Farrell of the Norwood Park Women's Club. The media primarily used is oils and watercolor.
