## MOTHERS EMANCIPATED! SCHOOL BELLS RING

Sports buffs should hustle over to the Jozwiak Park evenings to see the best softball teams in the country vieing for the Niles Park District invitational championships. Saturday night's finals should pit the Sobies against the Bobcats, which we've been told are both national champs.

If you want the news you go to the newsmakers.....

Newsmaker Blase, who is slowly moving out of the pack of suburban committeemen who covet to Dick Daley, had an audience with King Richard recently. Blase differs with Daley regarding the problems of the inner city versus suburbia's problems. Daley believes what's good for Chicago is good for suburbia whereas Niles' Blase explained suburbia has its own problems which must be understood separately from those of Chicago.

Newsmaker Blase, whose political star could ascend into the wild blue, has a golden opportunity to lead some independent Democrats away from the party-line. In an article in a last month's Chicago Daily News political editor Charles Cleveland reported Blase's independent opinions, at a confab of suburban committeemen, leaving the impression Blase could be a future maverick among Democrats, who normally don't stray from Daley's party line. The Blase confrontation with Daley could be the forerunner to a more independent action by suburban Demos. And while King Richard would continue dominating the city King Nicholas could emerge as a real powerhouse in suburbia.

### New Ambulance For Niles Fire Department

A brand-new, \$14,000 Cadillac ambulance has been placed in service by the Niles Fire Department. This is the third fully equipped, specially designed emergency vehicle to be used by the department since it began its emergency ambulance service in 1947.

Keys for the shining red and white vehicle were turned over to Fire Chief Albert L. Hoehl by Mayor Nicholas Blase and Village Clerk Marge Lieske. The ambulance was manufactured by the Miller and Meteor Co., of Piqua, Ohio.

The new ambulance, stationed at Fire Station 1, Milwaukee and Touhy, is designed to handle any emergency encountered in a street accident or inhalator call. More than one victim can be cared for simultaneously. A 1967 Ford station wagon is equipped as a secondary ambulance at Fire Station 2, Dempster and Cumberland. A third vehicle, also a station wagon, is similarly outfitted and can be used in the event the other two are busy.

### September 5 Maine High Opening Day

September 5th will be the opening day of school this year for all students attending Maine East, Maine South and Maine West high schools. Seniors, juniors and sophomores are to be in attendance, starting at 8:10 A.M., in order to get locker assignments, check their class schedules and be assigned their home-room seats. Then if all is in order, they will be dismissed. If not, they will stay and make changes through their counselors so that they will be ready for a full day of school on September 6th.

Freshman will have a full day of school on September 5th - the traditional Freshman Day. Class periods will be reduced in length on September 6 to provide adequate time for an orientation assembly and also time in homeroom to distribute class schedules, assign lockers and take care of other necessary details.

New students who plan to attend one of the Maine high schools this fall and have not yet registered should do so as soon as possible. Registration is being conducted daily at Maine East, Maine South and Maine West. Prospective students are urged to take care of this important matter without delay. Postponing registration until the week prior to the opening of school in September increases the problem of testing, purchasing books and supplies and selection of courses.

Guidance directors of Maine High Schools state that one or both parents should accompany the student who is registering for the first time. Parents de-

### Maine Adult Evening School Offers 283 Courses

Brochures listing the 283 courses offered this fall by the Maine Adult Evening School will be in the mails the first week of September.

The brochures describe college credit classes, the 3-year Electronic Data Processing Program, classes for high school credit, the non-credit evening school curriculum, and the four separate lecture series. The listing includes all three adult education centers - Maine Township High School East, Potter & Dempster, Park Ridge; Maine West, Oakton and Wolf, Des Plaines; and Maine South, Dee and Talcott, Park Ridge. After Labor Day, the Adult Evening School offices in all three schools will be open Mondays through Fridays, from 9:00 a.m. to 3:00 p.m. Non-credit classes begin Sept. 28.

39 courses for graduate and former students and all res-

undergraduate college credit are being conducted in cooperation with the extension departments of Bradley University, Northern Illinois University, National College of Education, and University of Illinois. These classes begin the week of September 18 and pre-registration is requested.

The Electronic Data Processing program, a comprehensive 3-year course giving theoretical instruction and practical training in Computer Programming and Systems Analysis, with college credit from Bradley University is open to all adults having a high school education and who meet the requirements of a qualifying examination and a personal interview. Tests for applicants will be given at 10 a.m. on Sept. 9 and 16. The first quarter of E.D.P. study begins Oct. 2.

idents of Park Ridge, Des Plaines, and adjacent areas will be mailed the brochures. Those in other sections may have their names added to the mailing list by calling 825-3435 or 825-4484.

### Niles Human Relations Council Meets Sept. 22

The Niles Human Relations Council invites you and your group to a showing of "A Time for Burning". This program will start at 8:00 P.M. on Friday, September 22, 1967, via Closed Circuit Television in St. John Brebeuf School at 8301 North Harlem, Niles.

"A Time for Burning" is an actual drama of people caught in the conflict between doubt and conviction. The film tells of a church group trying to practice the basic belief that all people are equal regardless of race, color or creed. The story shows the feelings of each individual as he tries to live with his own beliefs and conscience.

The NHRC believes this is a particularly topical program and will be an exciting and fruitful experience in lieu of today's violence and unrest throughout the Nation.

Please make plans to attend this very important meeting on Friday, September 22.

### District 207 Places Tentative Budget On Exhibit

The tentative budget of \$13,110,590.20 for Township High School District 207 will be placed on public exhibition from August 18, 1967 through September 18, 1967, according to Dr. Richard R. Short, Superintendent of Schools. Interested citizens have the opportunity to review the budget during regular office hours, 8:00 A.M. - 4:30 P.M., at Maine East high school, Room 138, Dempster Street and Potter Road in Park Ridge. The public exhibition will be maintained until 7 P.M., September 18th, at which time a public hearing is scheduled and official consideration will be given by the Board of Education. To further enhance the opportunity for public review, arrangements are being made to have copies of the budget posted in libraries within the township.

According to Dr. Short the budget being displayed contains seven separate funds and is the basis for the establishment of the 1967 tax levy. Dr. Short further stated that the funds derived from the 1967 tax levy serve as the basis for financing the 1968-69 school year.

The largest amount to be budgeted - \$9,687,101 - is earmarked for the Educational Fund. The Building Fund budget is \$1,680,298. The Debt service Fund from which outstanding bonds and interest are paid, is \$1,285,896. Transportation Fund total is \$49,000. The Illinois Municipal Retirement Fund, which is the Board of Education contribution for the retirement of non-professional employees, is \$240,295. The Junior College Fund, from which payment is made for Maine Township eligible resident students to attend recognized public junior colleges in the State of Illinois, is \$168,000. The Construction Fund, a new fund created this year, will pay for the construction of ad-

ditions to the existing high schools. Receipts in this fund are derived from the sale of revenue bonds authorized at the March 11th, 1967, referendum.

The \$9,687,101 requested for the Educational Fund compares with the \$8,167,610 budgeted for the 1966-67 school year. This is an approximate increase of \$1,520,000. This reflects the increased expenditures required to meet the educational needs of the increasing numbers of high school students. The enrollment during 1966-67 was 9,244. The anticipated student enrollment for 1967-68 is 10,400 and this number is expected to expand to about 11,000 for the 1968-69 school year. The increase in the number of students requires additional administrative costs and increased instructional costs for hiring more teaching staff. The current 554 staff members will be increased to 615 for the 1967-68 school year and will require further expansion for 1968-69.

The tentative budget calls for an increase of about \$100,000 for administration, within the Educational Fund. This increase reflects the role which District 207 plays in administering the township-wide Special Education Program and the new Diagnostic and Remedial Learning Center. Funds to meet these increased expenditures are secured from participating districts and Federal Government agencies. The increase in administrative cost reflects the necessary additional administrative staff to prepare the educational specifications and to oversee the construction of additional facilities related to the expansion of the existing buildings and planning for the construction of Maine Township High School North.

The instructional part of the Educational Fund budget amounts to \$6,952,800. This represents an increase of about \$1,250,000. So that quality can be maintained in the professional teaching staff the Board of Education recently adjusted the starting base salary from \$5,650 to \$6,000. This item accounts for an increase of \$240,000. Incidental extra pay increases have also been approved for responsibilities such as coaching, play directing and

special music performances. This action accounts for an additional \$65,000 to \$70,000. The influx in students enrolled has required the enrollment of an additional Assistant Principal and Dean of Boys in each building.

Slight increases have been anticipated for health services and also, due to the enlarged school plants, for custodial services. Dr. Short further stated that costs for Capital Outlay and other categories related to the Educational Fund were remaining somewhat constant.

A \$400,000 increase is reflected in the Building Fund. Capital Outlay costs related to site acquisition and development to provide access to the new Maine North and traffic safety improvements at the existing buildings account for the larger part of the increase, plus increased expenses for remodeling required to coordinate efficient use of the newly constructed additions at the existing three facilities. Included in expenditures charged to the Building Fund are custodial salaries and the cost of contractual services required at the three buildings.

The Junior College Tuition Fund is developed to handle the number of qualified applicants which has grown from 212 to more than 450 in the past year. Dr. Short stated that he had been advised by neighboring junior college districts that the tuition costs to District 207 may be as high as \$32.40 per student, per semester credit hour. He further stated that the Transportation Fund and the Illinois Municipal Retirement Fund have shown normal increases and would be on a cash basis by the 1968-69 school year.

Special note is made of the fact that of the \$9,687,101 designated for the Educational Fund \$6,980,000 will be derived from taxes on local real estate - about \$750,000 from state funds - and \$500,000 from federal funds.

Dr. Short indicated that the planning of a school budget meets with complications due to many factors. The 1966 tax levy limits the expenditures which the school district can make for the 1967-68 school year. The tax rate for the Educational Fund is at the maximum, \$1.42 per \$100 assessed value and cannot be increased without the approval of a voters referendum ballot.

The increased revenue to meet the expanding costs outlined in the tentative budget will be forthcoming from the increasing assessed values of the real estate in the school dis-

### Viola Nelson Grade School Park Site Improved

On Saturday morning, August 26, 1967, at 10:00 a.m., a composite group of people witnessed the culmination of the joint efforts of the Niles Park District, the Morton Grove Park District, and School District #63, to develop and improve the park site located on the grounds of the Viola Nelson Grade School, 8901 N. Ozanam, in Niles.

Blacktop paving was installed on the South East corner of the park site, with facilities for Bike Racks, Resurfacing of the sidewalk there was also completed. A new Softball Backstop was put up in the same area. Landscaping is to be completed in the Fall. The cost of this improvement will be apportioned to each of the participating governmental bodies, on a pro rata basis.

This park site is leased from School District #63 by the Niles Park District and is used for recreational purposes. Since the School grounds are almost on the Eastern boundary of the Niles Park District, which abuts the Western boundary of the Morton Grove Park District, many children from Morton Grove attend the Grade School. That is one of the reasons for this joint effort of the two Park Districts, with the sanction of the School District, to improve the site for the benefit of the children attending classes there.

This mutual enterprise by the three separate governmental agencies, for the sole benefit of the children at Viola Nelson School, proves again what can be done when individual desires are replaced by sincere wishes for communal improvements.

A short business meeting will be followed by a review of "The Chosen" by Chaim Potok, given by Rabbi Mark S. Shapiro. Following the program, refreshments will be served.

### Budget

Continued from page 4  
trict - not from an increase in the Educational Fund tax rate.

Deficit spending, which has plagued Township High School District 207 for the past several years and was the basis upon which voters in June of 1965 approved an increase of 2 1/4 in the Educational Fund tax rate, will not be eliminated with this tentative budget. However, the expansion of the deficit will be arrested.

## Niles Firefighters Attend Regional Fire School

It's still vacation time for Niles school children but for 12 Niles firefighters it was readin', writin', and arithmetic recently.

They were attendants at two widely recognized and informative fire schools held over the weekend of Aug. 25 and 26.

Eight of the firemen attended the 4th Annual Regional Fire School, at Arlington Heights. This school is sponsored by the Illinois Department of Public Safety and the Northeastern Illinois Fire Chiefs Association. Subjects covered included ventilation, pump operation and relays, and aerial ladder and elevated platform operations. Instructors included top firefighters and officers of the Chicago and suburban departments, Capt. Sam Buble, Lts. James Foerster, Carl Fox, Gerald Himmel, Gerald Cameron, and Firefighters Don Chiero, Mel Duda, and Norbert Ludkowski attended.

Attending the 31st Annual Fall Fire School in Monroe, Wis., were Firefighters Ron Derbes, Joseph Florest, William Riemer, and Alex Weber. This school, sponsored by the Western Actuarial Department of Illinois, and the Southern Wisconsin & Northern Illinois Firemen's Association, covers all of the latest innovations in the firefighting and rescue field, and instruction is provided by the top men in the profession in the region.

According to Niles Fire Chief Albert L. Heibel, these schools are a "must" because of the rapid technological changes taking place almost daily in the firefighting profession.

## German-Style Dinner At Niles Community Church

"Kummt Zum Schlachfest" means "Come-one, come-all" to the German-style dinner sponsored by the Couples Club of the Niles Community Church on Saturday, September 9th. Schlachfest time is 6:30 P.M. — the Platz — 7401 Oaktonstrasse, in the recreation room of the church. Schlachfest is the age-old celebrated "butcher's feast" when the hogs were slaughtered and everything but the "oink" was served to the entire community. This "feast" will consist of Bratwurst-salads, relishes, all the trimmings and dessert — for \$2.25 per person.

Deadline for reservations is September 5th — so please call one of the following and reserve a place for you and your frau. The Ruhls, Kuntners, Harrisons or Bensons.

## Have A Heart Charities To Conduct Annual Tag Day

On Friday, September 8, 1967, the Chicago and Greater Metropolitan Area HAVE A HEART CHARITIES will conduct their annual tag day in Chicago and suburban communities.

The City Council of Chicago has approved this day as one of the five official tag days. The 50 agencies which benefit from this effort include nursery groups, children's homes, settlement houses, protective centers, schools for handicapped children and children's hospital wards, as well as homes for the aged and infirm. These agencies provide care for those in need, regardless of religion, preference, race or color.

Over 10,000 women volunteers give unselfishly of their time and energy in offering the familiar red heart-shaped tag in return for a contribution. There are no paid solicitors for this tag day.

## Two Local Cadets In CAP Exchange

Cadet Scott A. Johnson, son of Mr. and Mrs. Harry J. Johnson Jr., of 9147 Laramie, Skokie and Cadet Alan C. Golbach, son of Mr. and Mrs. Alan Golbach, 8108 Elmwood St., Niles, have taken part in the Civil Air Patrol's International Air Cadet Exchange Program which started on July 16th. Cadet Johnson, a member of the Evanston Cadet Squadron, visited Canada, while Cadet Golbach traveled to Sweden. These cadets were selected to take part in this activity from the more than 2000 cadets in the Illinois Wing. Each year the CAP exchanges cadets with the members of Aero-Clubs of more than 20 countries. Cadets Johnson and Golbach traveled to their respective countries for 30 day expense paid tours as "ambassadors of good will."

The Civil Air Patrol, which is an Auxiliary of the U.S. Air Force, offers a youth program of aero — space education and military training to all young people 13 to 18 years old. More information may be obtained about Civil Air Patrol by visiting the Evanston Cadet Squadron, which meets in the U.S. Naval Training Center, 1100 Central Street, Evanston, every Friday from 7:30 P.M. to 10:00 P.M.

### Maine South Mothers Plan First Meeting

The board of Maine South Mothers' Club has enlisted the services of a most interesting speaker for their opening meeting of the new school year. Mr. Donald Meyers, Social Worker with Forest Hospital in Des Plaines, will talk to the group on "Youth-Adolescents" and all the many interesting problems and challenges the subject presents.

The meeting will be held Tuesday evening, September 12 at 8 pm at Maine South High School.

All mothers with students at Maine South are urged to attend—not only to hear an outstanding speaker with a topic prime interest, but to get acquainted with one another. A special invitation is extended to freshman mothers for the first meeting, and the board will also be greeting sophomore, junior and senior mothers for another year of interesting meetings.

Lively discussion, friendship and sociability are just a few

of the aims of the Mothers' Club organization. Their main goal is the maintenance and support of a scholarship fund. They also promote and encourage academic development as well as endeavor to bring into closer relationship the home and the school.

Officers of the board include: president, Mrs. Paul Holden; first vice-president, Mrs. George Lykowski; second vice-president, Mrs. Donald Peak; treasurer, Mrs. Edwin Hedling; corresponding secretary, Mrs. Walter Garby; and recording secretary, Mrs. Charles Ritts.

Also, chairmen: general bridge, Mrs. Kenneth Dent; membership, Mrs. Melvin Remus; ways and means, Mrs. Conrad Kristmann; ticket, Mrs. Forbes Lange; publicity, Mrs. William Fleischman; FTC, Mrs. George Hendorff; and awards, Mrs. John McKenzie.

### Legionnaires Urge Fly Your Flag

Labor Day brings back to school thoughts for both parents and youngsters, but for the Morton Grove American Legion Post #134 it brings thoughts of a picnic and the honoring of our country by flying our flag.

The Americanism Committee of the Morton Grove Post urges all residents to join their members in flying Old Glory on Monday, Sept. 4th, Labor Day. Also to remember Sunday, Sept. 17th is Citizenship Day.

The last family outing before school will be the Legion picnic to be held on their grounds Sunday, Sept. 3rd, from 1 PM until dark. The Legionnaires and their families will be entertained by a clown and feast on pop, hot dogs, ice cream and candy.

### Woman's Club Volunteers

Mrs. Wm. Mc Enerney, Mrs. John Pochel and Mrs. Phillip Bergeron were three of the members of The Woman's Club of Niles, 10th Dist, I.F.W.C. who volunteered their time to help

register people when the T.B. Mobile was at Golf Mill. Other members of the club who participated were: Mrs. Wm. Egan, Mrs. Karl Honold, Mrs. John Zaremba, Mrs. Leon

Friedman, Mrs. Anthony DiCiccio, Mrs. Carl Kwast, Mrs. Ernest Vehrs, Mrs. Ray Johnson, Mrs. Robt. Kouba, Mrs. Elmer Stiff and Mrs. Vincent Weber.

# ASTROLOGY Works For You!

by Nancy Del'Prato

Were you Born on the Cusp? Being born on the cusp places at your disposal an extra set of tools, spare tire, a first-aid kit for character. This is a dual influence, when the sun lies between the 27th degree of one sign and the 3rd degree of the succeeding sign at birth.

The Aries - Taurus cusp April 17th to April 20th - Your character is particularly interesting because it combines the active, explosive, spontaneous qualities of Aries with the passive, stabilizing, peaceful traits of Taurus - Your keywords are action and creation - You have an instinct for success, because you have an ir-repressible urge to act and to establish on a permanent basis - You are ambitious, active, alert, dynamic, vital, alive, aggressive, idealistic, yet practical, aesthetic, creative, pragmatic, affectionate, warm, sentimental and loyal.

The Taurus-Gemini Cusp - May 18th to May 20th - The Taurus - Gemini cusp is creative - intellectual one - The action - is transferred to the mental plane and becomes less self-intent, more objective, rational and impersonal, directed toward broader association with others - Present in your character are: practical, creative sound, stable and constructive qualities of Taurus - Your eyes are always wide open, for you realize that the basis for lasting security lies in personal adaptability. You are most capable of creative thinking, intellectual, originality, presenting your character in the form of beautifully and precisely worded ideas - You are not a social climber, for you already have the Taurus pride, sense of values, and consciousness of personal worth -

The Gemini - Cancer Cusp June 18th to June 21st - The Gemini - Cancer Cusp, your character formation is intellectual - emotional - You are adaptable, versatile, capable of instant adjustment to environmental changes, for your will,

your sense of purpose and direction in life are flexible as a water willow blown by river winds. In the final analysis, nothing has real significance with out emotional stimulus or rapport supplementing the primary intellectual one - Your intellectual nature is also endowed with the gift of contemplation -

The Cancer - Leo Cusp - July 19th to July 22nd - This makes your individuality emotional - vital in its structure - Leo's influence aligns your character with life itself, the most simple, direct urge to "be" to express yourself fully and always in terms of your concept of self at the moment - You are exceptionally warm, generous, and constructively impulsive - Your weakness stems from a certain innocence, a tendency to place your trust in people who do not have your honesty, honor or simple concepts of life - Yours is a nature that personally cares and cares for to a greater degree and depth than any other.

The Leo - Virgo Cusp - August 19th to August 22nd - The irrepressible instinctual explosion of self into life becomes muted, for unlike the preceding cuspal pattern Leo-Virgo is stamped with a vital-

rational nature - You process all the vitality of Leo - The pride, the romanticism, self-importance, and dynamic impulse for glorious noble living - Your Leo characteristics furnish the essential urge to achieve, the desire for self-aggrandizement; The Virgo traits incline you toward concern, voluntarily limiting your actions to those which appear to have the most immediate, practical qualifications for success -

The Virgo-Libra Cusp - September 19th to September 22nd - The ultimate potential for personal refinement is found in natives of the Virgo-Libra cusp, for yours is an intellectual-aesthetic character motivation - You employ Virgo's rational powers, possess of that sign, as well as a thorough foundation of practicality; but you do not become earthbound - Enhancing your common sense is an aesthetic appreciation exclusively Libra's - To you, as to the poet Keats, "Beauty is Truth; Truth, Beauty; That is all ye know in life and all ye heed to know."

See you next week Continuation Were you born on The Cusp?

### Register Now For Maine East Bridge Play

Registration is now under way for the Maine East Mothers' Club bridge groups.

All parents of Maine East students, as well as alumni, are invited to join. This is an excellent opportunity to meet other parents and at the same time increase the Club's scholarship fund to help deserving Maine East students further their education.

Play will begin in October. Anyone interested is asked to

contact either of the following group chairmen: Beverly Reeves, 825-5649, second Friday afternoon; or Elizabeth Elstner, 724-5097, couples, third Friday evening.

### Dennis Sansone Completes Basic Training

Seaman Recruit Dennis J. Sansone, 18, USN, son of Mr. and Mrs. J. Sansone of 8801 North Merrill Niles, Ill., has been graduated from nine weeks of Navy basic training at the Naval Training Center here.

In the first weeks of his naval service he studied military subjects and lived and worked under conditions similar to those he will encounter on his first ship or at his first shore station.

In making the transition from civilian life to Naval service, he received instruction under veteran Navy petty officers. He studied seamanship, as well as survival techniques, military drill and other subjects.

### Ogilvie, Guest Speaker At Republican Meeting

Richard B. Ogilvie, President of the Cook County Board of Commissioners and prominently mentioned as a possible GOP gubernatorial candidate next year, will be the guest speaker at the Friday, Sept. 8 meeting of the Maine Township Republican Organization.

According to Floyd T. Fuller, Maine Township Republican Committeeman and a member of the Cook County Board, Ogilvie is the front runner in the gubernatorial contest which seems to be developing.

Fuller issued a cordial invitation to the general public to attend the meeting to hear and meet Dick Ogilvie personally. Altho Ogilvie will be the only speaker that evening, State Senator, John W. Carroll and State Rep. Robert Juckett will be in attendance.

The Sept. 8th meeting will be held at Republican Headquarters, 1566 Miner St., Des Plaines, beginning at 8 p.m.

### Ben Frankenberg Earns "Top Club" Membership

Ben Frankenberg, Jr., 7501 West Main Street, Niles, has earned membership in New York Life Insurance Company's 1967 Top Club, according to John H. Kyle, general manager of the company's Park Ridge General Office.

Frankenberg is one of New York Life's most successful agents based on 1966-67 sales records, from a field force of more than 7,000 full-time agents in 280 general offices in the United States, the District of Columbia, Puerto Rico, and Canada.

As a member of the Top Club, Frankenberg is eligible to attend a special educational conference in Dallas, Texas, later this year.

### Auxiliary Essay Winner Receives State Legion Prize

At the recent state American Legion Auxiliary convention, Gary Gross, 5717 Reba St., Morton Grove, winner of the Morton Grove Unit #134, American Legion Auxiliary's spring essay contest, went on to receive even more recognition and awards.

A \$50 savings bond was given to Gary July 27th in the Grand Ballroom of the Conrad Hilton Hotel, headquarters for the Department of Illinois, American Legion Auxiliary convention.

The bond was a first place prize for the 7th and 8th grade class students from the Americanism essay contest the Auxiliary Unit conducted on the topic of "What Are the Privileges or Responsibilities of Citizenship?"

The state first place winner is a June graduate of St. Martha School. He will attend Loyola Academy this fall.

Mrs. William Eaton, retiring Morton Grove Auxiliary President thanked her Americanism Chairman Mrs. Vincent Kopinski for the time devoted in contacting the various schools and encouragement given local students to enter the Morton Grove Auxiliary Unit phase of the contest to which Gary's entry was then awarded a 7th District prize.

### Niles Park District Offers Residents Reading Improvement Program

When a person mentions Parks, or Park Districts, they naturally think of Trees, Green Grass, Fishing, Baseball, Softball, Tennis, Volleyball, Swimming, and many other types of outdoor recreation that usually is connected with a Park District Program.

Consequently, it is quite easy to lose sight of the fact that a Park District offers other services besides ones usually found in the field of Recreation.

The Niles Park District is one of many Park Districts which offers to the residents of the District, services not usually found in Park Programs.

During the past year the Niles Park District provided its facilities to the following organizations, to name a few, the programs of which were: Cook County Drivers Refresher Course conducted weekly. A Safe Driving and Defensive Driving Course presented at the Recreation Center, 7877 Milwaukee Avenue, Boys' and Girls' Scout meetings held regularly. Boy Scout Pancake Breakfasts for the Hungry, Survey and Research groups, offering a variety of samples and surveying numerous items of merchandise. City of Hope, Heart Association, Youth Commission, Niles Human Relations Council, and many other such groups used our facilities. The Volunteer Talent Pool was allocated space in the Park Office and used the Recreation Center as a base of operations during the summer. Bridal Showers, Baby Showers, Communion Parties, continue to be held there as a regular event.

A Sunday School group uses the Recreation Center for its program and activity every Sunday morning.

The list can go on and on, but one of the more unique organizations, yet one that offers a valuable service, is the Britannica Schools, a Division of Encyclopaedia Britannica, Inc., which offers a Summer Reading Improvement Class.

Approximately fifty youngsters attended their classes which were just recently completed at the Niles Park Recreation Center, 7877 Milwaukee Avenue. This special program, created to help students bring critical reading abilities up to norm for their grade levels, has been successfully presented in Niles for more than a year.

Britannica Schools READING IMPROVEMENT classes for students in grades three to twelve have helped hundreds of children during the past five years in Chicago and suburbs. Students who have attended these classes have shown remarkable improvement in reading skills, found greater interest and enjoyment in reading, and through improved study habits, shown marked progress in all their school work.

Before any applicant is accepted for READING IMPROVEMENT classes, he must first take a reading test designed to measure present reading skills and pinpoint the nature and degree of individual problems. Testing takes approximately one hour and measures reading speed, accuracy, comprehension, and vocabulary knowledge.

A \$15 fee per student is charged for the testing. A report on the nature and degree of the student's reading problems is included and mailed to the parent after the tests have been analyzed.

Each child's test results provide a basis that can be used to place him or her at the proper level in the Britannica Schools READING IMPROVEMENT PROGRAM of 12 two hour classes. There is no obligation to enroll the child in the program. Also, Britannica Schools will not accept any student unless they are convinced that his reading skills can be improved through the READING IMPROVEMENT PROGRAM.

Tests are administered by qualified and experienced technicians and are standardized according to nationwide norms for elementary and high school children. Test records are confidential but are reported in full to parents who are encouraged to discuss the findings with their child's classroom teacher.

According to Franklyn Chidester, vice president and dean of Britannica Schools, the program is not designed or in-

Chidester said that most children enrolled in the READING IMPROVEMENT PROGRAM have shown improvement of their deficient skills averaging one full grade level. Reading deficiencies usually affect a child's performance in all other subjects. Chidester estimates that more than half the pupils in elementary and high schools have reading problems serious enough to interfere with learning.

The Britannica Schools Fall READING IMPROVEMENT PROGRAM will begin in Niles and various other locations in October. Classes are limited in size so each student accepted can be given individual attention. Teaching methods for each student are suited to his age and present reading level. Tuition for the twelve week course is \$75, including all instructor services, course materials, progress tests and final test.

Parents desiring additional information about the program may write Britannica Schools, 425 North Michigan Ave., Chicago, Illinois 60611, or telephone 321-6732. Materials describing the program will be sent by return mail.

### K.C. North American Martyrs Win Championship

The Knights, Team No. 82 by process of elimination, had a three game play-off series against Team No. 43, N.B.L. Athletics.

The first game of the championship play-offs was held on August 6, 1967. The Knights were victorious and won the game with a score of 4 to 2, the winning pitcher being Mike Loomis. Contributing to the teams' victory was a home-run hit by Jim Stenger.

The second game of the series was played on August 10, 1967. The Knights again being victorious in a seven-inning contest with the score of 7 to 2. The game was won by excellent pitching done by

George Leddy and relief pitcher Mike Foltz, who also "slammed" a home run for the winning team.

Although the Athletics, under the management of Mr. L. Nitti, gave the Knights, managed by Mr. J. Boyk and coaches, stiff competition, the Knights were able to withstand the tension and win the championship.

The honor bestowed upon the Knights was a combined effort of all the team members who played their very best through excellent fielding and hitting, giving them the 1967 title of Champions of Division No. 40 Little League (American Section).

### Maine East Band Winner In Contest

The annual band trip to Springfield, Illinois, once again proved profitable for Maine East high school band members as notification has just been received that Maine East has been named a first division winner in the State Fair band contest, according to Mr. Theodore H. Vargas, chairman of the Maine East music department and summer band director.

A First Division trophy has been awarded the music department, and each of the 70 participating bandmen are to receive attractive First Division medals for the excellent performance.

Included in the First Division winning repertoire during the competition was: Valdes March; First Suite for Military Band; Phantom Regiment; and Dvorak's Finale to 4th Symphony.

### Lions Seek New Bowlers

The Lions club of Niles is looking for men bowlers to bowl in the Lions Bowling League on Monday nights 9:15 p.m. in Niles Bowling Center, 7333 Milwaukee, Niles. League play starts Monday, September 11 and all averages are welcome. Contact Niles Bowl at 647-9433.

### Walther League Project

Members of St. John Lutheran Church, Niles, working on their latest Walther League Project; L to r: Keith La Prise (Maine East Student), John Bush, retiring League president (John's off to college this fall), John Hardt (Lane Tech student) and Jeff Schmidt (Maine East Student).

is a new carrying device for people with crutches. They are made by bending aluminum wire. Once attached, the person using the crutches can carry brief cases, books, bags, packages and many other objects that a disabled person might not otherwise be able to tote around.

At present about 35 members of the Walther League have been meeting one evening a week and are filling an order for 275 crutch aids for the Assoc. For the Crippled, Bethesda Home for Feeble-minded and other groups and

individuals. There is no charge for the device and the leaguers, 14 thru 18 years of age, have volunteered their services under the supervision of Pastor Paul Bussert. The recipient of the gadget is asked to make a donation, if he is in a position to do so, to: The Bethesda Home, Watertown, Wis., or the March of Dimes, 27 E. Monroe, Chicago Ill, or the Assoc. for the Crippled, Inc., 116 S. Michigan, Chicago; or a veterans' hospital.

If you would like more information on the Crutches, please write to St. John Lutheran Church, Niles, Ill.

### School District #67 Classes Begin September 5

Pupils in School District 67 will begin their classroom labor the day after Labor Day. Bus schedules for that Tuesday are virtually unchanged from those of school days last June.

Hynes School begins classes at 9 a.m. Golf Elementary's start is at 8:45 a.m. Golf Junior High commences at 8:40. Each will have a full normal day of classes.

Bus riders should be on the proper corner a bit early to catch the bus on that first day.

Enrollment this fall may show "a modest increase", says District 67 Supt. William Stout, over last June's total of 1,562. Golf El. was 583, Hynes 670 and Golf Junior High 309.

Lunches will be served in all three school cafeterias. Those who bring their lunches will be able to buy milk. Milk will be three cents instead of two cents a carton. Cost of lunches is 40 cents each for fifth and sixth grade students at Hynes and Golf El. this year. They will remain at 35 cents for the lower grades. Price at the Junior High has been 40 cents and will remain so.

Book fee has been raised to \$9.75 in all grades, with the kindergarten fee remaining at \$5.

The new teachers in the district (12 of them) report in on Wednesday, Aug. 30, for an all-day orientation. This continues on Thursday morning with a talk by W.R. Etherton, assistant county superintendent of schools. His subject will be "the mechanics" of teacher life.

in at Golf Junior High on Thursday afternoon for a talk by Dr. Robert F. Topp, dean of the college of education, Northern Illinois University. He will talk on meeting the individual needs of pupils.

DeKalb - born educator and alumnus of Northern, Dr. Topp is former dean of the National College of Education and is a certified clinical psychologist. He and his wife have three children. He is a collector of antique rifles. Dr. Topp is a former elementary school teacher and principal.

For Friday prior to Labor Day, all District 67 teachers will be at their schools in the district for all-day workshop sessions.

Saralee Price, who has been a primary teacher at Golf El., will instruct the township special education class for partially-sighted youngsters this year. Mrs. Kathleen Knoll, the teacher last year at the special class quartered in Golf Junior High, is not returning this fall.

Three more teachers have been employed by the district, which fills all the vacancies for the fall term. They are: (1) Mrs. Juanita Lowe of Chicago, with seven years' teaching experience in Chicago and near-by cities, an Aurora College graduate; to the primary department at Golf El. (2) Mrs. Sally Seyfarth of Evanston, Michigan State U. graduate with two years' experience at Dearborn Heights and Garden City, Mich.; to the primary at Hynes. (3) Mr. Carol Hunt of Traverse City, Mich., a Baylor U. graduate with one year's experience at Pharr, Tex.; to Hynes as vocal music teacher.

### Niles Little Theatre Group Presents "Arsenic & Old Lace"

The teens pictured above,itty Komisarz, Al Brennan, ue Clausen, Greg Leitner, Nick avaro, and Mary Ann Peter, re among the cast of the up-coming Niles Little Theatre group production of "Arsenic and Old Lace" which will be resented Friday night, Sep-tember 9th, at 7:30 p.m., at the Niles Public Elementary school North, located on Oak-on St. next to the Lawrence-wood Shopping Center. The eens of the Niles Little Theatre group are planning on making "Arsenic and Old Lace" an extra special occasion since marks the fifth anniversary of the group's existence in Niles. For five years now, this heatre group has been offering our Niles teenagers the op-ortunity to produce their own plays, to build their own scenery, to work their own lighting -- in other words to run their own independent little theatre. Among past pro-

ductions are such plays as "Cheaper By the Dozen," "A Connecticut Yankee in King Ar-thur's Court," and, more re-cently, the musical, "High Bur-ton Shoes." This year, as a part of their fifth anniversary, the teens have enlisted the aid of three directors: Miss Marty Ernst, a graduate of Loyola University with a B.S. in Drama; Miss Virlyn Herley, a graduate of Rosary College who holds a B.A. in Speech and Theatre Arts and who has worked as Ad-visor to the Niles Little Theatre Group for the past four years; and Mr. Bob Jaimes, a pro-fessional actor and a member of the Screen Actors Guild. Please support our teens by enjoying yourself at "Arsenic and Old Lace," September 9th and 9th at the Niles Public Elementary School North. Ad-mission prices are as follows: Adults - \$1.25; Students with I.D. cards - \$1.00; and Chil-dren - 50¢.

### M.G. Junior Women's "Welcome Tea"

September 25 is the date of the first general meeting of the Morton Grove Junior Women's 1967-68 club year. At a recent board meeting, at the home of Mrs. Raymond LeJue, plans were under way to make this a busy and exciting year for the Juniors. Program Chairman, Mrs. Warren Kaplan, announced the various programs she has lined up for the coming year. Among them is "Tea Reading" by Ann Wright. Also scheduled, are the Lorelei's, a choral group.

The Junior's annual "Welcome Tea" will be held at 7:30 P.M. on September 11, at the Austin Park Field House. Anyone interested in attending the Tea should contact Mrs. James Pink at 965-1094.

Mrs. Raymond LeJue announced that the Mrs. "Candle-light Bowl" will be held on November 4, at Jack Schaul's. This is a Ways and Means project and the girls are hoping for a large attendance at this function.

The 10th District of Junior Women's Clubs will hold its Fall Workshop at 7:30 P.M., September 14, at the Wil-mette Women's Club. Speakers for the evening will be Mrs. Chauncey W. Olson, Presi-dent of the 10th District and Mrs. Milton Wallies, State Board Member representative. Also, a guest speaker from Children's Research will be present. Mrs. Paul Zwiil, of the Morton Grove Juniors, will help with the Indian part of Public Affairs Workshop. Mrs. Richard Glesen will be the Chairman for the Home Life Department. Also representing the Morton Grove Juniors will be Mrs. John Callin, Conserva-tion, Mrs. Leonard Torna-bene, President, and Mrs. George Nelson, Treasurer.

### Jefferson PTA Luncheon

The annual Jefferson P.T.A. Teachers' Luncheon will be held on September 1, 1967, at 12:00 in the school's activity room.

The entire luncheon is donated by the Room Mothers and their assistants and is under the direction of Mrs. Jackie York, 8150 Grace, Niles and Mrs. Joy Habel, 7639 Monroe, Niles. The executive board and committee chairman will serve.

Among the honored guests will be Mr. Richard Franke, school principal, Mrs. Franke, Mrs. Baude, the entire Jefferson Faculty, Dr. Blair Plimp-ton, and the music and art teachers of District 64.

### THE STORY OF LABOR DAY

Light up a cigar on Labor Day in honor of our country's working men. And when you and the family are making plans for the long Labor Day weekend, you may appreciate this special occasion more if you know something about its interesting origin, and how to make this Labor Day an especially safe and enjoyable one for the whole family.

Labor Day was founded in 1882 by Peter J. McGuire, a co-founder of the American Federation of Labor. At a meeting of the Central Labor Union (better known as the Knights of Labor), in New York on May 8, 1882, McGuire proposed a celebration in honor of "those who from rude nature have delved and carved all the great grandeur we behold."

When the first Labor Day was observed, Tuesday, September 5, 1882, 10,000 work-ers marched down the streets of New York City. The first proposal for Labor Day observances suggested a parade followed by amusements and picnics for workers and their families. From 1883 to the present, Labor Day has

merit". We don't know if they'd like to visit here, but it is a nice place to live.

The unusual summer weather has resulted in much less income for the park swimming pool. Newsmaker Jack Leske told us this has been a very bad year for outdoor public pools. Last year Niles park pool netted about \$5,000 to \$6,000. This year the pool will be lucky to break even. News- maker Leske told us the money was anticipated and thus was already budgeted for. Jack expects some purchase worth the \$5,000 will have to be forestalled until next year's tax money comes in.

Niles village officials are heading for Oak Lawn where they will study the family service operation they have there. Newsmaker Blase said Niles is considering a village family service which would make available a psychology staff on a full-time basis. Niles Township now has such a service and Maine Township attempted such an effort last year. But the demand for services resulted in a waiting line.

## Police Report

Audio in Golf Mill...boy was released to his brother...John Hutsell, 7, 7929 Nordica, bit on left thigh by dog owned by Guy Avello, 7975 Nordica...3 Niles boys apprehended after being charged with stealing hubcaps...one boy turned over to his parents while other 2 booked for disorderly conduct.

Friday, August 25  
Shirley Kauffman, Nordica Ave., resident held up by man about 19 to 23 years old who reportedly took \$4,700 in jewelry...about \$20 in coins taken from cash register and cigarette machine of Tommy Tuckers, 9101 Milwaukee, after thief gained entrance thru rear window...Alice Pierce, 8233 Oconto, in acc. at Ottawa and Caldwell...Ronald Zakowski, 8322 Oketo, in 2 car acc. at 8009 Milwaukee...Marianne Henson, 7320 Carol, scratched by stray cat...Ronald Haerr, 6945 Cleveland and Wayne Stocker, 7851 Neva, in 3 car accident at Howard and Caldwell...13 year old turned over

Family service provides families and individuals with professional counseling. Problems concerning youngsters and their parents, as well as marital problems are counseled under the plan. Blase said the plan will be under study, which will place it in the same category as the helicopter proposal, which is presently "up in the air".

Niles Park District will be interviewing 2 lawyers this week for the park job now open.

Park commissioners will also hand in questionnaires which will air their opinions regarding future park plans. Park president Leske said the Board members have never expressed their views regarding the Alper and Alper study and the questionnaire should indicate the areas of agreement and disagreement the Board members have. Whether to postpone immediate plans, iron out differences or go ahead with present proposals should be made clearer by the September park board meeting which meets the 3rd week of the month.

## Driver's License Suspensions

The Illinois Secretary of State recommends all driver's licenses suspensions be reported in local newspapers in hopes of deterring future violations.

The following licenses were reported suspended, revoked or on probation or reinstated:

Suspended licenses: Harry Rutsis, 8203 Ozark until February 28, 1968; Stewart Roper, 8922 Wisner, December 29, 1967.

Notice of Probation: Joseph Ciborski, 7617 Olcott and Frank Scherbing, 8409 Milwaukee, Licenses reinstated; Kenneth Stewart, 8901 Milwaukee.

Revoked licenses: John Twardowski, 8525 North Tr.; Leo Rollo, 8312 Oak St.

siring further information should call Maine East, 825-4484; Maine South, 825-7711; or Maine West, 827-6176.

The district's three high schools are now selling textbooks, activity tickets, and their supplies to students. Each student has been notified by mail regarding the day and time he is to purchase his books and supplies. To avoid congestion and waiting in line, students and parents are urged to report at the time and date designated in the letter. A bus schedule has also been sent to each student.

## Visual Training In Children And Adults

Johnny needs glasses?  
Yes, Mrs. Jones - but if a doctor could have examined Johnny's eyes before he needed glasses this would have been prevented by Visual Training, say Dr. Chester Nowak, O.D.

Among the newest views in the field of Optometry is the prevention of youths need for glasses. The growth function process of the eyes, if not proper can cause strain, this strain result in the need of glasses.

A complete case study of the child's eyes (age 5-6) as compared to the normal developmental cure will show where development of a child's eyes is behind. These areas are corrected by Visual Training. Where the eyes are constantly changing, needing stronger lenses, visual training program will control these changes. There are programs for lazy eye correction, muscular imbalance, in adults a visual training program retards eye problems resulting in longer life of good sight.

Visual Training in Children or Adults is helpful, each needing their care to retain good sight, and healthier eyes.
