

Maine E. Annual Winter Concert Feb. 25

Annual Winter Concert presented by the Maine East Concert Orchestra will be performed Sunday afternoon, Feb. 25 at 3:30 p.m. in the high school auditorium, Dempster st. and Potter rd.

Walter Wolodkin is director of the orchestra.

James Glynn

A considerable portion of the concert will be devoted to talented young soloists from Maine East. The dual piano team of James Glynn and Marlene Koehler will perform Saint-Saen's humorous and brilliant musical portrayal of "The Carnival of the Animals." James Glynn, 17, who lives at 7800 W. Keeney, Niles, has studied piano for nine years and has won an award from the National Guild of Piano Teachers. James, who is also an excellent clarinetist, is Concertmaster of the Maine East band. He is in the upper 2% of his class and plans to attend Wittenberg university to become a Lutheran minister.

Marlene Koehler, co-soloist in "The Carnival of the Animals," is 16, and has studied piano for 10 years. Marlene, who is also a member of the band, attended Interlochen last year and hopes to have a career in music.

The soloist in the Mendelssohn's Violin Concerto will be Cliff Foster who, at 15, is already a violinist with great promise. Cliff, a student of Tom Daniels, was recently selected to play 1st violin in the Youth Orchestra that will tour Europe representing the State of Illinois.

Because of the unique qualities of the bassoon, a performance of a bassoon concerto is a rare event in a high school orchestra concert.

Dominic Gagliano, a senior who has studied for only four years and is already a member of the Northwest Symphony and the Youth Orchestra of Chicago, will play the solo part in the Vivaldi's "Bassoon Concerto in E Minor." Dominic, a member of the Maine East Concert band as well as a member of the orchestra, holds the office of vice-president in the Modern Music Masters. He lives at 7740 W. Church st., Morton Grove.

Included in the program are two brilliant virtuoso works for orchestra - Tchaikovsky's "Overture Fantasy, Romeo & Juliet" and Ron Nelson's "Jubilee." The Illinois Youth Orchestra will perform the "Jubilee" on its European tour this summer.

The strings of the orchestra will perform a portion of the "Serenade" by the Swedish composer, Dag Wirén. Jack Olander, a member of the music faculty at Maine East, brought the score of the "Serenade" back from Sweden after a tour exploring the music and pipe organs of Europe. Olander's harmony classes carefully prepared the instrumental parts from a miniature score.

Dominic Gagliano

During the playing of "The Carnival of the Animals," Theodore Vargas, chairman of the Music department, will read Oden Nash's witty and often hilarious poems describing the antics of the animals depicted in the musical score.

Admission to the concert is \$1 for adults and \$.50 for students. Holders of Music Booster cards will be admitted free.

Commissioners At Work

Recruiting and maintaining a staff of commissioners to serve all Cub Scout, Boy Scout and Explorer units in the Maine Ridge district of the Boy Scouts is the job handled by district commissioner Irv Sprawka, Park Ridge.

Irv has worked many years as a volunteer scoutmaster and has the experience and knowledge required for this district position. He was formerly district leadership training chairman and scoutmaster of troop 30.

A seasoned veteran and holder of the Silver Beaver, Hugh Macdonald, Park Ridge, is assistant district commissioner and works in the organization of new units and reorganization of old units as well as being in charge of the monthly webelos roundtable.

Erick Buck, 8166 N. Prospect, has charge of the monthly scouting roundtable and Adolph Prorok, 8901 Odell, Morton

Grove, leads the monthly cubbing roundtable.

The neighborhood commissioners are assigned several units which they visit monthly and maintain a working relationship with the chartered institution. They see that units have qualified, trained adult leadership, promote training and roundtable attendance, review unit program plans and results.

Robert Buresen, 7840 N. Oconto, handles the Oak PTA and Niles Community church units; Edward Fluhler, Park Ridge, works with the Jefferson PTA pack; Jim Werlein, Glenview, helps the packs at Mark Twain PTA in Glenview; Don Thielen, Park Ridge, handles Our Lady of Ransom Catholic church units; August Denash, 7110 Monroe, has the four units of St. John Brebeuf Catholic church. Other units are served by the district commissioner or assistant district commissioner.

Village Bd., Residents Offer Incinerator Solutions

By Naomi Krone News Editor

The battle has now been joined and its incinerator vs. area residents.

At a meeting of the Morton Grove Village board Tuesday night more than 50 people, living in the 8900 blocks of Oconto and Octavia, finally had a chance to tell the saga of the "noisy and vibrating" Topps

From The Left Hand

By David Besser Editor & Publisher

If you believe in calling it as it is, here in the All America City of Niles and its neighbor, Morton Grove, we are celebrating brotherhoovoo week.

I first became aware of it after attending an ecumenical meeting of women from churches and synagogues at St. John Brebeuf two weeks ago. Here were these finely-coiffured ladies, touring the new church building, seeing a religious movie, hearing a high school choir, who all come from communities which refuse to even explore the possibilities of open housing.

Friday night I attended services at a Morton Grove synagogue, where the Rabbi explained the moral position of Judaism to brotherhood and to open housing. And while those present will never forget that the "final solution" of 6,000,000 people resulted from discrimination, nevertheless many of them scoffed at open housing in their neighborhood.

Tuesday morning at Maine East the guest speaker at the brotherhood assembly showed similar antipathy to civil rights efforts saying, "You can't legislate morality." It would have been unbelievable for a brotherhood speaker to say this in the inner-city but out here in the ticky-tacky suburbs those who listened nodded with sheer indifference.

Nilesites interested in crime-fighting helicopters should turn up at the village hall next Tuesday night when a film on helicopters, cops and robbers will be shown. While Niles officials say they have an open mind regarding the purchase of a chopper for pursuing robbers, two police officers are available for piloting. One very "eager beaver" is the police chief's fair-haired boy, who expressed his belief such an addition to the NPD would be most helpful. The approximate \$50,000 whirlybird costs has a substantial maintenance upkeep. While we must admit we're showing substantial prejudice (during brotherhoovoo week) against such a purchase without knowing the facts, we're wondering if the money used for such a purchase might better be used by adding more men to the force.

Incinerator used by the store at Dempster and Harlem.

For several weeks the residents have been appealing to Morton Grove officials, Topps officials and Maine Township Democratic Committeeman Nicholas Blase, for the answer to the question "how can we stop the noise and vibrations caused by the humming hunk of machinery?"

Several answers were proposed Tuesday night.

One came from Martin Ashman, Morton Grove lawyer who acted as spokesman for the group of residents. After presenting their side of the problem Ashman suggested that the Village of Morton Grove either ticket Topps for each day the incinerator continues to create "the nuisance" or

file a suit in court enjoining Topps from using the machine until it has either been satisfactorily repaired or replaced. Ashman quoted from an April 12, 1967 survey taken by Frank Norkus which showed that "the frequency of the fundamental sound is in the range of 400 to 600 cycles per second. While the intensities measured are not

great enough to cause ear damage, this type of noise can be most annoying in a quiet residential location. Also the fact the noise is continuous both in frequency and intensity makes it much more irritating."

"The village has several tools with which to fight this thing," said Ashman. "We can give

Is 'Copter In Future Of Niles?

By Naomi Krone News Editor

Is the purchase of a helicopter by the Village of Niles feasible?

According to Village Manager Ken Scheel at his monthly press conference Monday, this question and many associated problems will be discussed at the village board meeting next Tuesday night.

Although the helicopter would be used primarily for traffic control and crime prevention, Scheel pointed out Monday morning that maintenance costs, landing strips and the like would have to be fully investigated before any thought of a purchase would be entertained. "At the board of trustees meeting next Tuesday night a representative of Hughes Helicopter will show a film concerning the machine in question and the discussion will take off from there."

"Although we may not purchase a helicopter," said Scheel, "it behooves every progressive village to look into the future and start to plan for it."

Scheel also told reporters at the Monday morning "get-together" that the week of March 4-11 will be "Know Your Town Week" in conjunction with the Illinois Sesquicentennial celebration now being held throughout the state. During that week an open house will be held in every Niles municipal building and schools will also be allowed to take tours through the village sites as well as see the court system in action, if desired.

Police and fire units will give demonstrations as well as the public works department.

Bids will be let next Tuesday night for the new fire station at Jarvis and Caldwell. It is hoped work will begin in April and be completed by October of this year. The bids will be opened March 26. The new station will have 9,000 sq. ft. of space with a 3,000 sq. ft. basement. It will house 17 men and 6 vehicles and will be constructed so that a 3,500 sq. ft. addition could be made if needed.

Seeking an expanded exchange of ideas between area taxing bodies Scheel said a meeting will be held sometime in March of the Tax Coordinating group. It is hoped that more communication between taxing groups would lead to a more informed election.

Vote Saturday On Tax Rate Boost For Education

Voters who live in Elementary School District 64 in Park Ridge and Niles will be asked to approve an increase in the Education and Building Funds in a referendum on Saturday, February 24. The Board of Education is proposing to increase the tax rate of the Education Fund by 21 cents, to \$1.67 per \$100 assessed valuation, and the Building Fund by 12 1/2 cents, to 37 1/2 cents per \$100 assessed valuation.

District 64 residents turned down a similar referendum last

September 23. Since then the Board of Education has "tightened its belt" considerably. Almost \$80,000 of committee but unspent funds in the 1967-68 school budget were cut. In addition, 14 1/2 staff positions, now filled, will be eliminated in the 1968-69 school budget. The goal is to eliminate any deficits in the Education and Building Funds by the end of the 1970-71 school year. This projection includes substantial increases in teachers' salaries but also means higher class loads and reduced curriculum in some areas.

A Citizens Committee for a Quality Education has been organized by a number of residents. Donald E. Golla, a Park Ridge businessman, is chairman of the group which is actively supporting the referendum with reports to parents, handouts and a door-to-door campaign.

Board members have pointed out that failure to pass the referendum will result in more continued on page 23

Niles Firefighter Entrance Exams March 16

Anyone wishing to become a Niles firefighter will have his chance next March 16. That is the date set by the Niles Police and Fire Commission for the entrance examination at 9 a.m. at Fire Station 2, 8360 W. Dempster st.

Fire Chief Albert L. Hoelbl said that applicants must be between the ages of 21 and 34 and meet specific physical and mental requirements. In addition to the written examination there will be an oral interview and a physical agility test.

Starting salary on the Niles Fire Department is presently \$585 a month and working hours, vacation time and pension privileges similar to those now prevailing.

Applications can be obtained at department headquarters at the Dempster st. address. Applicants may live anywhere at the time of the exam, but village residence will be required within a specific time after coming onto the department.

The Niles Fire Department presently consists of 41 paid men and two fire stations. The department is the proud possessor of a Class 3 fire protection rating, a distinction shared only by 5 other departments in the state.

Northwest Symphony To Present Concert March 3

The Northwest Symphony Orchestra will present its third concert of the current season on March 3 at 3:30 p.m. at the Maine Township South High school auditorium, 1111 S. Deer rd., Park Ridge.

Perry Crafton, conductor of the orchestra, will open the concert with a performance of Goldmark's "Sakuntala Overture," a fiery and exotic composition based on a legend from ancient India. The overture will be followed by the Chausson Symphony, a romantic work written at the turn of the century.

The second half of the program will be devoted to Jacques Ibert's "Concerto for Flute and Orchestra." Jean Hoogheem will be the featured soloist. Mrs. Hoogheem, a well known flutist in the Chicago area, is a student of Donald Peck, first flutist of the Chicago Symphony orchestra, and is herself first flutist of the Evanston and Skokie Valley orchestras.

Mr. Crafton and the orchestra will close the program with a selection of Spanish dance music, Chabrier's "Fete Polonoise." Chabrier was a precursor of Ravel and Debussy and provided the groundwork for the impressionistic style which these two composers later developed into ultimate per-

fection.

Individual tickets at \$2.00 may be purchased at the box office or by contacting Mrs. J. Stanley Ryberg at 1995 Howard in Des Plaines. Children under 12 will be admitted free if accompanied by an adult.

St. Luke's United Church of Christ

Sunday services at St. Luke's on Feb. 25 will be held at 9:30 and 11 a.m. and the sermon topic to be given by Rev. Charles Ross is "People of God-Be the Church of God."

The Worship committee will meet Feb. 23 at 8 p.m. The Interpretative Dance group meets Feb. 25 at 1:30 p.m. and the Senior High Fellowship meets Feb. 25 at 7 p.m.

The first in a series of six mid-week Lenten services will be held at St. Luke's on Ash Wednesday, Feb. 28 at 7:30 p.m. The Sacrament of Holy Communion will be observed and Pastor Ross will speak on the subject "The Lord's Death."

"Old Tyme" Movies

The Friends of the Niles Public Library are presenting a program on "Old Tyme Movies", on Feb. 28, 1968 at the Niles Public Library, 6960 Oakton st., at 8 p.m. These movies are going to include old-time favorites such as Laurel & Hardy, Charles Chaplin, W.C. Fields, Mary Pickford and many others.

The donation is 25¢, and tickets may be obtained at the Library beforehand or at the door the night of the program.

The Friends are still collecting old books for the "Barrell of Books" sale. Drop your books off at the Library in the "Barrell". The sale will take place on April 20, beginning "Library Week".

The Annual Card Party for the Friends will be held on March 22, at Notre Dame High school. Tickets are \$1.50 per person. Please contact any member of the Friends or Mrs. P.J. Livorsi at 966-5013.

All the members of the Friends wish to publicly thank Mr. Steve Tsalkis for his program he presented on Feb. 14 on travel.

Concert At Niles West

Niles West's music department will host a benefit performance of Drake university's concert choir and string ensemble Wednesday, Feb. 28 in Niles West's auditorium at 8:15 p.m.

The 62 members of the Drake concert choir and the 12 players in the String Ensemble have just returned from an appearance in Detroit and will be overnight guests of the choral and orchestral students at Niles West.

Proceeds from the concert will help to pay the expenses of four Niles West students going to the international society for Music Education conference in Dijon, France this summer.

Nancy Gomberg, Keith Piontek, Lynn Ross and Dave Springer were selected for the European tour from the All-State chorus, band and orchestra performance in Peoria in Jan. 27.

Tickets are \$1 for adults and 50 cents for students and may be purchased at the door or from students in the music department at the school.

For Lent

Once again: the lenten season is upon us, and St. John Lutheran church, 7423 N. Milwaukee ave., Niles, invites its friends and neighbors to join the Congregation in attendance of their mid-week lenten services beginning Wednesday, Feb. 28, at 7:30 p.m., thru April 3. Pastor Bussert's topic will be "The seven last words of Christ." On "Maundy Thursday" and "Good Friday," Pastor Bussert will preach on the last words of Christ, "Father, into thy hands I commend my spirit." These two services will also be at 7:30 p.m., and will offer "Holy Communion."

New Date

Members of the Niles Gardens East Homeowners association will meet Tuesday, Feb. 27 instead of Wednesday, Feb. 28 as previously announced.

Notre Dame Plans Bigger Mardi Gras

On Tuesday, Feb. 27, Notre Dame will usher in the beginning of Lent with an expanded version of their traditional Mardi Gras carnival.

Notre Dame's 5th annual Mardi Gras will be a day-long event beginning at 2:00 p.m. and ending at 11 p.m. Festivities designed for family enjoyment have been planned around the Mardi Gras carnival theme, a custom popular in the United States since 1766.

The Mardi Gras is held annually to raise money for the Holy Cross Foreign Mission society. Last year more than \$4,000 was donated to the foreign missions from Mardi Gras proceeds. Notre Dame has been one of the leading contributors to the mission hospitals, lepro-

sariums, schools and churches in South America, Africa and Pakistan which are staffed by Holy Cross Fathers and Brothers, the same order which teaches at Notre Dame High school for Boys.

Each year this event is planned and sponsored as a joint effort by the Fathers' club, the Mothers' club and the Student Council. All 1500 Notre Dame students who live in the ten surrounding suburbs will be taking some part in the family-styled event, according to a Student Council spokesman.

Games of skill, including basketball shot, pie throw, balloon dart and other games will be held in the school gym, gaily decorated for the occasion. Other special attractions in-

clude a chicken dinner served in the school cafeteria from 5 to 7 p.m., a variety show revue held in the little theatre and a sock-hop later in the evening.

The four preceding Mardi Gras have netted better than \$15,000 for the mission work of the Holy Cross Fathers. There is no charge for admission to the carnival in the Notre Dame gym at 7655 Dempster st. in Niles.

Circo-Electric Bed Available At Holy Family

Holy Family hospital personnel watch demonstration of new Circo - Electric bed by Miss Karen Peters, R.N., in-service coordinator, McHenry, Shown l. to r. are Miss Peters, Miss Darline Pearson, Physical Therapy Assistant, Des Plaines (patient), Mrs. Vera Joshel, R.N., Assistant Director Nursing, Skokie, Miss Kathleen Knudsen, R.N., Niles.

Versatile patient care features of a new Circo-electric bed were demonstrated recently to Holy Family hospital personnel. The bed allows patients who cannot be moved to turn their positions at regular intervals to prevent circulatory changes

which occur when the patient remains prone for extended periods.

Equipment on the bed also facilitates patient removal from wheel chair to bed and enables patient to learn use of arm and shoulder muscles. The bottom section is also removable for use as a stretcher so patient does not have to be removed from bed if necessary to move to another location.

Employee contributions to the Holy Family Development Fund made purchase of the new equipment possible. The bed will be used for orthopedic and medical - surgical patients who require special care.

Stevenson Principal

Jack H. Cantor, currently principal of Ballard School, has been named principal of the new Adlai E. Stevenson School which will open in East Maine School District 63 in September, 1968. The building is currently under construction at the intersection of Ballard rd. and Woodview lane

Mr. Cantor has been principal of Ballard School and chairman of the math committee for the entire district for the past 2 years. In all, he has had 10 years experience in elementary education and 2 years in social work.

Under his direction, Ballard school has moved toward an educational program of continuous learning.

Jack Cantor

Mr. Cantor received his bachelor of science degree in social science from Illinois State University in Normal in 1958. Master of arts in educational administration and supervision from Roosevelt University in 1962 and has done graduate work at Northwestern University and currently at the University of

Illinois.

"In a school which is to be so innovative in concept and structure", Superintendent

Hugh E. McGulgan said, "we need the services of a creative and imaginative person. Mr. Cantor, in breathing new life to Ballard school, has also demonstrated his excellent skills as an educator and administrator."

"Another factor," Superintendent McGulgan said, "has been the willingness of Mr. Cantor to take on the mammoth task of organizing and opening up of new school. It is a back-breaking job which takes a tremendous amount of energy, organizational ability and patience."

The Stevenson School, with a structure similar to the Shelley Nathanson school, will be organized around a "school within a school" educational concept, according to Mr. Cantor. Children will be grouped flexibly in three programs according to age, using large open areas and small group areas constructed around an instructional materials center at the core of the building. Teachers will work together in teams within a program designed for continuous learning. As other schools in the district, the new Stevenson school will be committed to providing opportunities for individual children to learn at their own levels and rates.

Mr. Cantor, his wife Audrey, and their two children, Shari 5, and Marc 3, live at 6151 N. Waukegan Ave. in Chicago. Mr. Cantor is a native of Chicago.

No one has yet been appointed to fill the principalship of Ballard school.

LETTERS to EDITOR

Letter Sets Record Straight

Dear Editor:

In her letter appearing in the Herald, Mrs. Maxine Cook's basic facts were correct, but her phrasing of them was calculated to serve her own personal point of view rather than the truth. This letter is to set the record straight.

1. Lake Forest is using a portable classroom this year, but

By Matt Kutza, R.Ph.

...AN APPLE A DAY...

There is an old saying to the effect that "an apple a day keeps the doctor away". This was put to the test by Michigan State University and it was found that 1500 students eating apples daily actually made fewer sick calls than other students. There was also a significant decrease in respiratory and tension-induced ailments.

Possibly the Vitamin C content of the apples accounted for a lesser number of normal illnesses, and some as yet unknown natural tranquilizing substance lessened everyday tension.

Next time your medical needs require something more definite than what an apple can provide, try BIRCHWAY DRUGS where prescriptions are a specialty. . . 7503 Milwaukee Ave. . . Phone 647-8337.

only until a new school presently under construction has been completed.

2. A general music program was introduced in grade 7, thus bringing them up to par with Dist. 64's present program.

3. In order to allow time for their new program, Lake Forest discontinued industrial arts for girls and home economics for boys.

Mrs. Cook, moreover, conveniently forgot to state the basic facts underlying the Feb. 24 referendum. If the requested tax increases are not approved by the voters at that time, reductions totalling \$550,000 will have to be made in the 1969-70 budget. As a result, the following cuts in our staff and program will probably be necessary:

1. Kindergarten will be limited to one semester per child.

2. Industrial arts and home economics will be totally eliminated -- for both boys and girls.

3. The present music and arts programs will be discontinued completely at the junior high level, and maintained in the

lower grades only by the classroom teachers, regardless of talent, and thereby adding to their already considerable workload.

4. The French program will have to be eliminated at all grade levels.

5. Since physical education is required by state law, it will be continued at all grade levels, but again responsibility will have to be placed in the hands of overburdened classroom teachers without specialized training. (Note: All intramural and interscholastic sports will already have been discontinued in the 1968-69 budget cuts.)

6. Classroom sizes will continue to climb beyond the 30 mark, thereby further limiting the amount of individual attention that can be given our children.

Certainly these cuts, made necessary by rising enrollment and costs, without an equivalent increase in a 1969 tax rate, could hardly be termed an "improvement" in our educational program.

Sincerely,

Mrs. Raymond E. Walk

Open Letter

Dear Sir:

At the recent meeting of the Dist. 64 Parent-Teacher-Council, Paul Sides, president, 702 Western, Park Ridge, expressed his personal views on the tax referendum issue.

"I have been a resident of Dist. 64 for the past 20 years, and during this time I have always felt a deep sense of pride in this community. My two older children have experienced the full educational facilities of the district school system and at the present I have my youngest child now in the 5th grade.

But now, I am deeply concerned.

I know that our community has always realized the importance of high quality education, we are now faced with the task of maintaining that standard. I am confident that the Board of Education will have the loyal support of every concerned parent for the passage of the Feb. 24 tax referendum, so that my child, your child and all the children of this district will continue to have the finest educational opportunities available."

"Let George Do It" Says Reader

Dear Sir:

At a recent meeting of the Village Board, I gazed at the inscription on the wall behind the village fathers.

"Ask not what your country can do for you. But what you can do for your country"

John F. Kennedy

With this thought in mind, I looked around and counted the people in attendance; 15 in all, 4 of whom were newspaper reporters. This attendance, in a rough calculation, is less than 0.5 persons per 1000 population.

If more people attended these meetings, and took only an interest in their local government, rather than assuming the attitude "let George do it", they would be amazed at the accomplishment of so much by so few.

A Special Day

Although Feb. 14 is usually a special day for everyone, it was a doubly special day for the firemen stationed at the fire house on Dempster at Cumberland, Niles.

For helping the children attending Ballard school, 8320 Ballard rd., Niles and for their cooperation with the school administration, the firemen received a large red and white cake, appropriately inscribed "Happy Valentine Day From Ballard PTA."

Presentation was made by Ballard PTA president Mrs. Eva Elatkin, 9059 Clifton, Niles and Mrs. Leroy Zeimet, 8424 Crain, Niles.

Fire Prevention Award Is Won

Chief Christ Hildebrandt of the Morton Grove Fire Department today proudly announced that his Dept. has been awarded Second Place in the Class III (15,000 to 30,000 population) category in the 25th Annual Metropolitan Chicago Fire Prevention Contest sponsored by the Fire Prevention Committee of the Chicago Association of Commerce and Industry. Chief Hildebrandt stated that he felt that this was an exemplary achievement for the Morton Grove Fire Department Bureau of Fire Prevention as this is the first time that Morton Grove has submitted an entry. Pictured above are L. to r., Fireman Albert Pitts holding the award entry; Chief Hildebrandt and Captain Fred N. Huscher holding the plaque awarded to the department, Captain Huscher mans the Bureau of Fire Prevention assisted by Fireman Pitts.

Charles Szuberla Superintendent Of Niles Township High Schools

Charles A. Szuberla, new superintendent of the Niles Township High Schools, recently assumed the responsibilities of his office.

He replaces Dr. Clyde Parker, who will retire next June after nine years in the township superintendency and 40 years in education.

By board of education arrangement, Szuberla will be operating superintendent of the district's three high schools while Dr. Parker will serve as consulting superintendent.

Specific areas of the district's operation which Dr. Parker will continue to direct include:
• the development of the school budget for 1968-69,
• the development of a long-range report on the district for the board of education,
• directing a rate referendum for the district which the board has tentatively scheduled for Saturday, May 18, visiting college campuses in the district's teacher recruiting program.

Excess Funds To Stevenson

The board of education of East Maine School Dist. 63 voted at the regular Feb. 13 meeting to use the \$51,523.20 in excess funds received from Maine Township this year to equip (totally) the new Adlai E. Stevenson school presently under construction.

Rev. William Allen and other board members pointed out that taxpayers who pay their taxes directly to the tax collector's office are contributing to the

benefit of schools in the area.

The board of auditors of Maine Township voted at a special Jan. 30 meeting to distribute excess township funds to the elementary school districts in Maine Township according to the assessed valuation of each district.

"With the increased cost of school construction, we were hard pressed to find money for equipping the new school, but the funds from Maine Township will

insure a quality educational plant," Hugh E. McGuigan, superintendent of schools, said.

He said both township officials and the taxpayers should be "thanked" for their wisdom.

The excess funds are derived from savings made when taxpayers pay their taxes directly to the tax collector's office. The tax is the same, but children in the township benefit.

19 Game N.D. Winning Streak Broken 73-65

By John O'Connor

Holy Cross broke Notre Dame's 19 game winning streak by handing the Dons their first loss of the season, 73 - 65, but Saturday night Notre Dame defeated East Leyden, 72 - 56.

Holy Cross paid the greatest tribute to the Notre Dame Dons. HC realized that the reason for ND's success lay in the tremendous student support of the team. Holy Cross was so afraid of ND's spirit that they only allowed 200 ND students into the 1460 capacity gym. The remaining Dons were forced to stay outside.

Notre Dame, which reached its peak of the year two weeks ago against immaculate Conception and Joliet Catholic, seemed to be lacking in something. Notre Dame's rebounding was sorely lacking throughout the game. The Dons failed to clear their defensive boards which gave Holy Cross two chances to score every time they had the ball. ND grabbed very few offensive rebounds at the other end of the court.

5' 5" Jim "The Jet" McCauley played the greatest game of his three year varsity career. The "Jet" kept Notre Dame in the ball game by scoring 16 of his 25 points in the first half.

Notre Dame jumped off to a first quarter lead of 16 - 13. The

Dons overcame an early 5 - 1 lead by Holy Cross. Notre Dame increased its lead by one point at the half, 35 - 31.

Both Notre Dame and Holy Cross are known as "second half teams". Holy Cross overcame 18 points of a 20 point margin held by Joliet Catholic at the half to score 73 in its 66 - 64 victory. The Dons likewise sunk JC by scoring 24 points in the third quarter.

Holy Cross broke the Dons lead in half by the end of the third quarter. Notre Dame led then, 51 - 49. From the tipoff, HC knotted the score at 51 - 51 and then 55 - 55. The Crusaders then took a two point lead 57 - 55, but ND came back to tie the game at 57 - 57. It was at this point that the cheering played a big point in the game. At six-to-one odds, ND backers could not outcheer the 1200 strong of the Crusaders. The Holy Cross fans "psyched the Dons out", as their team scored 16 points in the closing minutes to the Dons' 8. Holy Cross fans shouted "We're No. 1", even though the Crusaders are hopelessly stuck in third place in the SCC.

The loss dropped Notre Dame into a first place tie with Joliet Catholic which defeated Benet, 72 - 66. Both have 11 - 1 records in the SCC. JC's only

loss was to Notre Dame.

Jim McCauley was high man for the Dons with 25 points. Barry Hentz had 16, John Egart scored 11, Darryl Kachan had 6, John Kardzoniak bagged 3 and Kevin Brennan had 2. The leading scorers for Holy Cross were Bob Jelen with 23 and Paul Bruett with 22.

Saturday, the team was feeling low, but ND defeated East Leyden for its fifteenth loss, ND hopelessly outclassed the Eagles, even though the Dons played their sloppiest game of the year.

McCauley again lead scoring with 21 points, Egart had 18 and Hentz managed 16 in the Dons 20th victory in 21 decisions.

Friday, ND will play its final SCC game against the last place Marian Central Hurracanes. In their last meeting, ND mauled them, 85 - 48. Saturday, the Dons will host Wheeling, which is currently tied for the lead in the Mid-Suburban league.

Maine East fashion models model clothing from the Simplicity Pattern company. From left: Elizabeth Szot (Niles), Katherine Cahill (Morton Grove), Sara McKinley, Simplicity Pattern company stylist, Colleen Adams (Glenview), and Vickie Martin (Glenview).

Tape-Measure Fashions

Sewing teens got to use "Tape Measure Fashions" as a yardstick for wardrobe planning at Maine East High school recently. 24 students modeled new pattern sizes and fashion shapes. Sara McKinley, Educational Stylist for Simplicity Pattern company, commented the presentation that was specifically planned to meet the fashion needs of high school girls.

Dress patterns for every type of figure were modeled. Dresses for this season feature stripes, flowers, or bright solids with vivid pink and brilliant yellow ruffling the newest of color schemes. Collars and cuffs, belts and braid gain in impor-

ance as bright touches for dresses.

Fit and flare shape the silhouette with perfect proportion. Jumpsuits, pantresses, and wrap-arounds with three armholes join the skirts in sportswear fashions.

Girls learned that wardrobe coordination is the key to stretching the clothing budget. An example was a brown suit

with a bonus pantskirt and a white dress and jacket ensemble. Stripes were added for a coat and checks for a dressy suit. Students learned that many wardrobe wonders can be calculated from careful planning.

The "Tape Measure Fashions" presentation included the importance of grooming and poise as well as the challenge of creativity.

Jefferson Theatrical Society Cites Six Year Veterans

While reviewing scripts and casting lists of past shows, some members of the Jefferson Theatrical Society noticed that they have several six year veterans in their organization. These members who have done so much over the years are: Clarence Anderson, Mr. Art Ennis, Mrs. Richard Franke, Mr. and Mrs. John Johaneck, Mr. Stu Johnson, Mr. and Mrs. Charles Kauffman, Mrs. Cell Keats, Mrs. Marilyn Miller, Mr. and Mrs. Chester Peterson and Mr. Elmer Stitt.

Rehearsals for "Wanted: A

President!" and original musical comedy to be presented later in the spring, are in progress. As in the past, there will be a limited number of complimentary tickets available to organizations such as senior citizen groups, old peoples homes, nursing homes, children's homes and other similar non-profit organizations. Interested parties may contact Mr. Art Ennis 823-8651 or Mr. Karl Falter 825-0447 for further information.

GOP Urges "Hard Work"

Two GOP contenders for top state offices have urged Maine township Republicans to work hard this year "to bring new leadership to Illinois government."

In addition, State Sen. Terrel E. Clarke, 47 and State Sen. Donald D. Carpenter, 37, asked for local organizational support of their candidacies at the June 11 primary.

Clark is one of three GOP contenders for state auditor and Carpenter is one of two men aspiring to be Republican candidate for secretary of state. They were featured speakers at the February meeting of the Maine Township Regular Republican organization.

The appearance here by Senators Clarke and Carpenter is part of GOP Committeeman Floyd Fuller's "open door" policy toward all Republican candidates contending for state office in the primary. Clarke, chairman of the Illinois "Little Hoover" commission, said a major need of state government

is "a real watchdog over the budget."

Discussing the secretary of state's office, Sen. Carpenter listed "highway safety, better service and honesty" as matters that will receive top priority if he is elected.

Dist. 63 Caucus

The East Maine Caucus for district #63 will hold its final meeting of the 1967-68 season at the East Maine Junior High school on Feb. 27 at 8 p.m. in room 221.

At this meeting, the nominating committee will present all candidates who wish to run for the School Board, and let the Caucus endorse its candidates for the School Board vacancies.

It's Girl Scout Cookie Time

It's Girl Scout Cookie Time! Mrs. Stanley Kowalski, the Community Chairman has announced that the cookies will be on sale from March 1 to March 10. There'll be five kinds to choose from, the Savannahs, Chocolate Mints, Sandwich Cremes, Pixies and Scoot-Teas. All cookies will be 50¢ per box and the money will help buy equipment and tents for Happy Hollow Girl Scout Camp. A commission will be given to the Girl's Scout Troop for each box sold and will be used to further the Troop's goals for the year.

Girl Scout Troop #279 from Oak school had a lot of fun on Jan. 13 when the following girls attended an Ice Skating Party at Grennan Heights Park: Debra Chezem, Deborah Falt, Denise Femmel, Susan Freeman, Karrie Krenak, Susan Livora, Margaret Michals, June Pasarelli, Susan Rings, Susan Webber, Bonnie Westberg and Sandra Zarembski. Along with all the fun, they passed some of the requirements on their skater badge. Thank you Scout leader Mrs. Zarembski and mother Mrs. Livora for being on hand to help the girls. Each girl in this troop is making a stuffed toy to be given to the children in the Chicago State hospital.

Troop #682 from St. John Brebeuf school had an invest-

iture for their new Scout Cindy Jurica. Mrs. Joseph Buck, leader and Mrs. Kenneth Urban, assistant leader, took this opportunity to award the World Association Pin to Cindy and all of the other girls in the Troop who are Debra Buck, Susan Urban, Rita Shea, Laura Lutzwick, Patricia Burke, Barbara Lee, Annette Filippe, Mary Debersch, Judith Prak, Joyce Henrichs, Maureen Murphy, Susan Atkinski, Letitia Krawski and Jeanne Martinelli. The mothers were invited for coffee and donuts after the ceremony. On Feb. 10 a Valentine Party was given for the girls by Mrs. Dobersch.

The Girl Scouts of Troop #718 from Oak school are saying farewell to Junior Scout Lynn Levin. They are losing their sister scout because Lynn and her family are moving to California. Lynn is a true Scout in every way; friendly, helpful, pleasant and respectful. The girls and their leaders will miss her very much. Happy Girl Scouting in California, Lynn!

Troop #718 from Oak school held an election on Jan. 5, 1968 and the following girls were elected Patrol leaders: Kim Brown, "The Seven Girl Scouts"; Candy Giampoli, "The Gum Drops"; Lynn Lampert, "The Cardinals"; and Diane Gels "The Snappy Six".

Pack 45

The Spirit of Cub Scouting was emphasized in candle-light ceremony at the annual Blue and Gold dinner of Pack 45 Oak school which was held at the Scandia House in Mt. Prospect recently. The symbolic significance of C (cubs), U (unity), B (bravery) and S (service) reminded some 76 youngsters and their parents of the true spirit which prevails in the scouting movement today. After the presentation of the colors by the webelo den and the invocation by Rev. Douglas Seleen of the Niles Community church, the banquet was well underway.

Advancement ceremonies caused disbandment of dens 3 and 7 which graduated 11 boys to webelo den #2. New WEBELOS included Douglas August, Robert Bobula, Mark Castiglia, Gary Kozanecki, Tom Ignatius, John Kunter, Keith Emrickson, John Obermayer, Leonard Patke, Mark Stoyas and Larry West. Webelo graduates from webelo den #1 to Boy Scout Troop 45 were Gary Dudzinski and Mark McAndrew. The new BOBCATS assigned to dens 5, 9 and 10 were: Larry Aschacher, Wayne Blatt, Larry DeFillipo, Daniel Costello, Kevin Emriksen, Jean Pierre Gontarek, Michael Janis, Bryant Johnson, Jerry Krajewski, Mike Lewis, William McGrath, Mark Mecece, Robert Miller, Tracy Parker, Jerry Petersen, Ted Sebastian, Michael Spina and Thomas Thompson. With the formation of these new dens, three new den mothers, Mrs. Sebastian, den 5; Mrs. Parker, den 9; and Mrs. Wayne Mecece, den 10 were introduced to the pack.

The BEAR advancement award was received by Robert Bobula, Ricky Hyken, Steven Kaben, Steven Koukiás, John Obermayer, Leonard Patke, Glen Struebing, Mark Stoyas

and Michael Woeffel. The WOLF award was obtained by Ross Anzelone, Robert Broms, Robert Burgher, Orrle Colby, Marc Costa, Mark Dittman, Robert Fergus, Kenneth Hertzner, Raymond Hrditcka, Scott Ignatius, Dean Jones, Joey Kozmer, Roger Kurgan, Douglas Olson, Douglas Renaldi, Billy Rings, Michael Sloan, Thomas Spino, Craig Schwab and Michael Wardorf. GOLD ARROWS were presented to Robert Burgher, Steven Koukiás, Glen Struebing and Leonard Patke. SILVER ARROWS were achieved by Steven Koukiás, Gary Kozanecki, John Kunter, James Michellotti (3), Mike Schutzen (2), Larry West and Neal West. David Berninger received his Denner's bars while Danny Jazinski and Edward Sawchuk obtained assistant Denner's bars.

Jefferson Cub Scouts

Cub Scouts (sponsored by Jefferson PTA) received their charter at the Blue & Gold dinner held on Feb. 9 in Jefferson's Activity Room. Mr. Bob Thomas (Cubmaster) introduced the guests of honor, Mr. Fluhler and Mr. & Mrs. Jack Adams.

Mr. Caminiti presented pins to the following Committee members: Mr. Walt Dipping 1 & 2 year pins, Mr. Mitch Antczak 1 year; Mr. Ray Voss 1 year, and Mr. Don Caminiti 1 year.

One year Cub Scout pins were presented to the following: Neal Cohn, Robert Voss, Billy Caminiti, Randy Piscopo, Jeff Sipora, Dave Antczak, Robert Fabry, Richie Krockner, Joseph

Garden Club To Present Program On Decorating

With spring just about a month away, it's time to turn our thoughts and ideas to producing a few changes in our homes as we attempt spring redecorating. If you're asking yourself, "What can I possibly do to make this room appear larger?" or "What color accents should I add to change the appearance of my living room?" you may be able to find the answers to these questions and many more. A program on interior decorating presented by J. C. Penney Inc. of Golf Mill is scheduled to highlight the Feb. 28 meeting of the Garden club of Niles at the Niles Recreation Center approximately at 9 p.m. Harmony in design, color, textures and styles will be stressed as well as coordination of carpeting, furniture, draperies, etc. A discussion of particular problems may follow the program if the audience so desires. All area residents are invited to attend without charge.

Tickets for the 1968 Chicago World Flower and Garden Show which will be staged at the International Amphitheatre, 42nd and Halsted sts., Chicago, March 23-31 may be purchased at this meeting. The box office price for this annual event is \$2.00. Advance ticket sale price is \$1.50 and may be obtained at a savings to area residents by attending this meeting or calling Bernice Volpe at YO 7-9097 or Elsie Geis YO 7-9523.

The shadow box floral arrangement will be created by Aileen Moriarty; horticulture specimen contributed by Marilyn Wentz; and hostess duties performed by Clare Doud, Eleanor Frick and Sandie Friedman.

Troop 175 News

During the month of January, Boy Scouts of troop 175 entered two patrols in the Maine Ridge District first aid meet.

Scoutmaster Ralph Kozney has announced that the Beaver patrol under patrol leader Tony Lesniak along with Dave Fred-

ericks, Bart Murphy, Mark Jacobs and Tom Faustian received a second place ribbon. Also, the Eagle patrol, under patrol leader Greg Kozney along with Mike Covey, Mark Ruda, and John Nowicki, received a second place ribbon. However, based upon points received in the meet, the Beaver patrol will represent troop 175 in the forthcoming Northwest Council first aid meet.

Merit badges in advanced swimming were earned by Bruce Bianchi and Don Moriarty. Greg Kozney earned a merit badge in lifesaving, while Tony Lesniak received a merit badge in firemanship.

On the last Saturday in January, troop 175 went on its annual Klondike outing. Twenty Boy Scouts, accompanied by Scoutmaster Kozney and assistant Bob Faustian, hiked in the slush from Beck Lake in Des Plaines to the Nature Center in Wheeling. Each patrol on its own initiative, using the compass, had to find its designated trail in the woods and then follow the trail by compass so all would eventually meet at the Nature Center at approximately the same time. There the scouts prepared a hot meal for themselves from raw materials they carried on the hike. Following the meal, the scouts were taken on a tour of the Nature Center by the attending ranger.

Hold Valentine Party

Pictured are some members of the Morton Grove Junior Auxiliary Unit #134 of the American Legion and the S.A.L., who were their guests at the Feb. 10 Valentine Party the young ladies hosted.

In addition to her, chaperones included Post Commander and Mrs. Ed Mc Mahon; Auxiliary President Mrs. Jack Bartholmy and her husband; Mr. and Mrs. Albert Nehart and Mrs. William Adair, S.A.L. Advisor, Roman Lach.

This group is participating in a game thought up by Junior Activities Chairman Mrs. John Sepey.

Besides games, dancing took place; and even though the group of youngsters in their teens snacked all evening; a late snack of warm hot dogs was served along with goodies.

Dist. 207 Has Bid Opening; OK's Use Of Facilities By Park Dists.

A bid opening session related to the expansion of physical facilities at Maine South High School was held by the Township High School Dist. 207 Board of Education.

Donald Stillwag, school architect, partner of McGaughey, Erickson, Kristmann & Stillwag, Inc., Park Ridge, opened and presented 7 bids of general contractors; 3 food service contractors; 13 electrical-contractors; 5 plumbing contractors; 11 heating contractors and 14 ventilating contractors.

After all bids had been presented, E. Hoy McConnell, board president, instructed the school architect to evaluate the bids submitted and prepare a statement of recommendation of acceptance to the board at a special meeting to be called for Thursday, Feb. 29 at 7:30 p.m., at Maine West High School.

Other items of business included: the approval of the expenditure of \$500,00 for "test boring" on the Maine East school site which would eventually provide fill to be used under the new Maine East physical education facility, if successful, the plan of "On site Borrow Pit" operation would result in considerable savings in construction costs.

The board authorized the administration to proceed with

contracts for remodeling and for the purchase of furniture and equipment to convert 3 rooms on the third floor of Maine East into 2 science laboratories at a cost not to exceed \$40,000, which will be partially financed through National Defense Education Act funds.

C. E. Mills, purchasing agent for the school district, was authorized by the board to proceed with the purchase and installation of bleachers for the Maine South football field site, to seat 4,200 persons, with the cost of bleachers and installation not to exceed \$40,000.

Authorization was given for the continuance of the Special Education summer program for 1968 which will be funded under Title I - Elementary and Secondary Education Act, E. Gaydon Brandt, Director of the Maine Township Special Education program, spoke to the point of success of the previous year's summer program.

After a presentation by Dr. Richard R. Short, Superintendent of Schools, the board adopted the 1968-69 official school year calendar which includes 185 days of instruction; 2 institute or workshop days for staff members; 8 legal holidays; and 13 days of school vacation. The opening day of school is Sept. 3, 1968; the closing day is June 13, 1969.

Christmas vacation will be Dec. 23, 1968 to Jan. 3, 1969, Spring vacation will be March 31-April 4, 1969.

Authorization was given the Superintendent of Schools and the Secretary of the Board of Education to enter into an agreement with all park districts within the confines of the boundaries of Township High School Dist. 207 for the use of Maine Township High school facilities for approved park district programs. On the basis that the park districts would pay lease fees which would be based on reimbursement to the school district for staff salaries, supplies and utilities costs.

Robert A. Wells, Administrative Assistant to the Superintendent, presented preliminary plans of progress related to the new Maine North High School and stated that educational specifications for the new facility were well under way and that special committees involving all department chairmen, experienced teachers in all departments, cafeteria managers, head custodians, deans, administrators, architects and a lay advisory committee were participating in planning for the new educational institution. Wells further stated that approximately 180 persons were involved in the preliminary planning.

Achieves 5.0 Grade Average

George P. Brettrager of Niles was one of only 252 undergraduate students on the Carbondale campus of Southern Illinois University to achieve a 5.0 (perfect) grade average for the fall term.

Brettrager, a junior majoring in chemical engineering, is the son of Mrs. Marguerite Brettrager of 7710 Oketo, Niles. He attended Maine Township High School East and the university of Missouri before coming to SIU.

He is a member of Delta Chi social fraternity and plans to enter graduate school upon graduation. His recipe for making good grades is to stick with it and study, and do not let one bad grade throw you.

Legion Seeking World War 1 Veterans

Morton Grove Post #184, the American Legion is making advance notice to all Morton Grove World War 1 veterans, regardless of whether they are a member of the Post or not, Commander Ed McMahon wishes to have you join the Post and him at the annual Memorial Day parade.

It may seem early, but in this month of birthdays of two of our great statesmen and on days when Old Glory should proudly be flown from each and every house in the community, the local Post wants local veterans of all wars, but especially WW I, to be recognized during the traditional May parade and ceremonies.

The weather is more desirable in May for Memorial Day than the unpredictable Veteran's Day November time, says Parade Chairman Richard Hohn, 7100 Enfield, Morton Grove. He asks that any localite interested in participating with the American Legion in their annual parade, contact him at 965-3867.

"This is the 50th anniversary of The Great War", he adds. "The World War 1 veterans were the founders of the great organization, the Legion, and therefore, he asserts, this is why Post #184 would like them to partake in this national holiday coming up.

Set Hypnosis Course At "Y" Foreign Film

A 10-week course in hypnosis will be offered at the Leaning Tower YMCA, 6300 W. Touhy ave., Niles, beginning Tuesday, April 2. Registration will be held the week of Feb. 19 and will close as soon as the class is filled.

The course will be taught through lectures and demonstrations. Lectures will cover the nature of hypnosis, how it is encountered every day, misconceptions about hypnosis and the history of hypnosis. Skilled hypnotists will demonstrate hypnotic techniques. The major applications of hypnosis--in medicine, dentistry, psychology, business, education, sports, law enforcement and for self-improvement--will be explained.

Instructor for the course is Sidney A. Schneider, the president of the Illinois chapter of the Association to Advance Ethical Hypnosis. He has made a scientific study of hypnosis for 25 years and has invented a scientific instrument to help physicians, dentists, and psychologists use hypnosis. Schneider has used hypnosis to train salesmen for business and industry for the past number of years.

L. to R.; Kenneth J. Biba, Notre Dame High school student who was one of the two in the Chicagoland area to win a trip to Washington to the Science Talent Institute in Westinghouse's 27th annual Talent Search and John Norris, his faculty advisor at Notre Dame.

Notre Dame Student Wins Science Award

Science Clubs of America in Washington, D.C. announced that Kenneth Jerome Biba (7725 W. Sherwin, Chicago 60648) was awarded the highest honors in their 1968 Science Talent Search.

Biba, a 17 year old senior at Notre Dame High school in Niles, was one of the few students from the Chicago area among the 300 selected nationally first to the Honor Group in the 27th annual Science Talent Search for the Westinghouse Science Scholarships and Awards. Later, on Jan. 31, it was further announced that Biba was among the 40 specially selected from the 300 for a trip to Washington and to share in \$67,500 in scholarships.

The Science Talent Search was the pioneering endeavor to discover at the senior high school level those who have the potentialities to become the research scientists of the future. The award announcement stated that "in a real sense the annual Science Talent Search is

more than a scholarship contest. It is a major step toward making scientific talent available for important tasks in our civilization. All boys and girls awarded Honors in the Science

Talent Search are considered so outstanding that any institution of higher learning will be justified in considering their abilities carefully."

During his trip to Washington, from Feb. 28 to March

4, he will exhibit and explain his project at the National Science Fair on March 2.

Biba's project, "The Photo-metric Analysis of the Cepheid Variable, Zeta geminorum," involved the measurement of the light fluctuation of a variable star, Zeta geminorum. In conjunction with this measurement he determined through the use of a spectroscope the temperature fluctuations as the light was varying. He then used these determinations to gain a knowledge of the physical structure of the star and cause of its light fluctuations.

BUSINESS REVIEW

Robert A. Sharpe Elected President Of Golf Mill Bank

Robert A. Sharpe, a veteran of financial experience, has been elected president of Golf Mill State Bank of Niles and three other northwest suburban banks.

On Dec. 26, Sharpe was elected by the board of directors as president of the Graylocks National Bank, First National Bank of Mundelein, and Libertyville National Bank, and on Dec. 27, he was elected president of the Golf Mill State Bank.

Sharpe is a veteran of financial experience, having graduated from the School of Banking at the University of Wisconsin before entering the profession.

In his post as vice-president and manager of Central National Bank of Cleveland, he was responsible for the bank's business in Ohio and northwestern Pennsylvania and directly responsible for loan and deposit administration.

Before taking his position with the Cleveland bank, Sharpe was

vice president of Toledo Trust Co., Toledo, Ohio.

Sharpe and his wife, Lois, and their three daughters, Judy, Margot, and Jayne, plan to move into the northwest suburban area.

Sharpe succeeds Henry J. Reichwein, long a leader in Illinois banking circles. Reichwein has been elevated to chairman of the board for all four banks.

Robert A. Sharpe

Since Reichwein became president of the four banks in 1951, all have more than doubled in size and growth. Banking observers say it has been in great part due to his forceful and far-sighted leadership.

Rotary Exchange Program Brings 7 From Taiwan

Rotary Foundation's Group Study Exchange Program will bring seven young men from Taiwan, China, to district 644 in March for a two-month visit designed to foster international understanding. District 644 includes 68 Rotary Clubs in northern Illinois, including the Rotary Club of Niles and Morton Grove.

The Foundation provides the travel expenses for the exchange of groups of young businessmen and professional men between paired districts of different countries. District 644 in Illinois and District 345 of Taiwan earned the awards this year by preparing a basic study plan and application which was accepted by Rotary International.

The program strives to: 1. Provide opportunities for studying another country through participation in an organized program of study and discussion. 2. Allow men of good will to meet talk, and live with each other in a spirit of fellowship.

Motorola Chairman Eagle Scout Challenge

Robert W. Galvin, Chairman of the Board of Motorola, Inc., addressed the eleventh annual Eagle Scout Recognition Dinner Tuesday, Feb. 20.

The Northwest Suburban Council, Boy Scouts of America, and Motorola, Inc. are co-sponsors of this special Eagle Scout program for 100 boys. Galvin's message to the 1967 class of Eagle Scouts was entitled "Man Versus Challenge."

Each Eagle Scout was honored by the presence of his parents, Scoutmaster, community leaders and vocational sponsor.

Galvin joined Motorola in 1944, became president in 1956 and chairman of the board in 1964. He is Director of the Harris Trust and Savings Bank, on the twelve Fellows of the University of Notre Dame, Trustee of the Illinois Institute of Technology, President and a Director of the Electronic Industries Association and a Director of Junior Achievement of Chicago.

To attain Scouting's highest rank, a boy must complete these requirements: Give leadership to his fellow scouts. Develop and carry out service projects for community and church or synagogue. Understand and live by the Scout Oath or promise, the "Law" motto and slogan. Earn at least 21 merit badges, including: camping, cooking, citizenship in the community, citizenship in the nation, nature.

Named Veep

Frank Catino, vice-president of Callero and Catino, 7800 N. Milwaukee ave., Niles, has been elected first vice-president of the Associated Builder Organizations of Illinois.

Catino joined the other new officers who assumed their positions during the recent installation banquet of the unique group, made up of six separate home building associations covering metropolitan Chicago. Catino is a member of the Northwest Builders Association.

U.S. Rep. Edward J. Derwinski served as installing officer at the banquet.

so they know each others' problems and aspirations. It involves Rotarians in a specific, practical, and meaningful international service project.

Selection of the six study team members from the Taiwan District, plus a District governor's representative to lead the group, was made by a sub-committee from the sending district. Each Rotary Club in that district had the opportunity to nominate two prospective team members between the ages of 25 and 35.

Next year, District 644 will follow the same procedure in selecting seven men to go to District 345 in Taiwan.

All individuals who applied to become team members agreed to serve as unofficial goodwill ambassadors of their country and have studied the country and district they will be visiting.

Members chosen must work in the Rotary District they represent, be a citizen of the country

they represent, and cannot be a Rotarian or relative of a Rotarian. Group members will be responsible for their own incidental expenses and will not be able to bring their families.

Team members will travel throughout the District, with one week of their visit set aside near the middle of the program during which they will meet, for the most part individually, with representatives of their own business or profession.

Rotary Clubs in the District will provide tours and other educational opportunities in its area and will provide private homes in which the team members can stay.

The host District will attempt to provide visitors with education opportunities in the following areas: country, government, justice, education, health, social services, agriculture, commerce, industry, research, religion, culture, recreation, sports, and amusement.

soil and water conservation, personal fitness, first aid, swimming, lifesaving and safety.

Roy E. Ingles of Des Plaines, chairman of the Scout Council's Advancement Committee, said, "some 30 different men have had contact with each boy to assist him in attaining the treasured Eagle Rank."

Features of the Recognition Program, according to Ingles, include spending the working day with an adult currently engaged

Robert W. Galvin in the Eagle Scout's choice of vocations. Some 75 vocational sponsors have been secured.

The evening's program included recognition for the 100 Eagle Scouts and their Scout-

Shrove Tuesday

One of the world's oldest festivals will be honored Tuesday, Feb. 27, when the national, 8th annual Shrove Tuesday pancake eating contest is held. The regional contest will take place at the International House of Pancakes, 5929 N. Lincoln ave., Chicago.

Teams of students from Northwestern university will compete against students from the University of Illinois - Circle campus for local collegiate laurels as pancake eating champions. The winners will receive the regional prizes, which are Honda motorcycles and will have a crack at the national championship and a bigger prize yet to be announced.

Appointed

Harry J. Bystricky, president of Biwax corporation, Des Plaines, has been elected to a three-year term on the board of directors of the Skokie Valley Industrial association.

H. J. Bystricky

Born in Cleveland, Ohio, Mr. Bystricky has lived in the Chicago area most of his lifetime, and received his education at Lane Technical High School and Illinois Institute of Technology. After serving in the Air Force during World War II he became associated with the Kellogg corporation, Skokie, in an executive capacity. From there he became president of the Biwax firm, manufacturers of insulating compounds.

Bystricky resides with his family in the Village of Niles.

Youth Commission Sols Essay Contest

Niles Youth Commission is announcing its 3rd annual community-wide essay contest open to 7th and 8th grade students of Niles public and parochial schools.

Theme of this year's essay is "What Becoming a Teenager in the Community Means To Me."

The first prize winner will receive an expense paid, one-day trip to Springfield, Ill., a

\$25 U. S. Savings Bond and a trophy. Each of the seventeen runners-up will each receive a \$25 U. S. Savings Bond and a trophy. All winners will serve as a village official for a day.

Ornamental Growers Feature "Octogarden"

Home gardeners who confuse mulches with fertilizers and can't identify which decorative plantings are hardy in Northern Illinois, can learn professional tips from the "Octogarden" exhibit to be presented at the upcoming Randhurst Flower and Garden Festival.

The "Octogarden" is designed and constructed by the Ornamental Growers Association of Northern Illinois. It is an octagonal-shaped garden suitable for a circular driveway, a cul-de-sac or that barren spot left in a yard by an outgrown play area.

Four decorative shrubs will be featured in the four quadrants of the "Octogarden": flowering quince, a fragrant plant with red blossoms; flowering almond, a pink-blos-

somed shrub; Japanese garden juniper, a wide-spreading, low shrub of grey-green and forsythia broxensis, a dwarfed variety with yellow buds.

The "Octogarden" and other garden displays can be seen at the Randhurst Shopping Center indoor mall from 10 a.m. until 9:30 p.m., daily from Feb. 23 until March 3. Sunday hours are from noon until 5 p.m.

Named Chaplain

Pastor Ronald Leslie has been appointed a chaplain in the pastoral care department of Lutheran General hospital, Park Ridge. Pastor Leslie will have charge of co-ordinating pastoral care in the hospital's psychiatric department.

Buzzing At Queen Bee

District 67 instrumentalists will be buzzing at Wheaton's Queen Bee school Saturday, Feb. 24.

That's when 21 musicians, aided by seven piano accompanists, all from the district's three schools (Golf, Hynes and Golf Junior High) will be competing in the area solo and ensemble contest. The aggregation will travel to Wheaton by school bus.

The event pits 11 soloists and five ensembles from Dist. 67 against the best of other area elementary schools. Donald Mitchell, the district's band teacher and orchestra maestro, will direct the musical invasion of Wheaton.

A Present For The Seniors
Niles Mayor, Nicholas B. Blase, presents Lions club Pancake day to be held Feb. 25, to Harold Hoelt, vice-president of the Niles Senior Citizens' club, 25 tickets to the Niles prizes.

Left Hand
Continued From Page 1
forever buzzing public officials with questions at Board meetings, consistently objects to village board meetings being cut and dry. While Mike's bi-weekly complaints sometimes aren't justified, his comments pertaining to the lack of information and discussions at meetings is quite correct.

Prior to Blase and friends taking office in 1961 the former Board meetings would drone on until 2 a.m., sometimes laden over by an alcoholic haze. Today, our Niles button-down board runs thru a meeting so quickly they would earn a gold medal if there was ever held a municipal board Olympics.

In the interest of efficiency the Board holds a 30 minute warm-up in the anteroom in back of the chamber room, at which time a dry run of the upcoming public meeting is held. When the 8 o'clock gong strikes the efficient Board then shoots thru the meeting with little public discussion. Last week attorney Leo McLennan, from Park Ridge, brought in plans which were in error. The Board gathered around the plans, pointed out objections, and deferred his petition until the next meeting. While efficiency eliminated the matter quickly the semblance of a public meeting was squelched.

Later in the evening Blase recommended amendments to the liquor ordinance, which he said the liquor people in town were agreed to. There was no discussion, no reasons presented why the changes were made, and the Board efficiently okayed the new proposals.

In the interest of efficiency Niles village board has emasculated the spirit of a public meeting. Often Blase will ask for a vote on a resolution or ordinance, never spelling out to the audience what he is seeking in a vote. Problems which should be on public view are dismissed into committees, later returned to the Board with recommendations which are passed without any discussion.

We've been told few people show up at meetings, and no one objects so it follows Nilesites are satisfied with the running of their village and meetings. This obviously more hokey, since we people in the community get closer to the village than thru the newspaper columns.

Helicopter
Continued From Page 1
torate and passage of referendum. "It's a matter of policy for the village board" is the way Scheel answered the question "Will Niles start to work soon on a fair housing law?" The village manager continued by explaining that his office carries out the policy as set down by the board, it does not make it.

Last but not least, Scheel was asked if the village would make use of "Sheriff Woods' posse" this summer. "There's no way I can answer that one," said the V.M. "since we are talking about something that doesn't exist. Further, within the next month Niles will have a coordinated disaster action plan. It's something we have been talking about for quite some time. In the event of a natural or, for that matter, unnatural disaster, the direction of all containing moves must rest with the village."

Referendum
Continued From Page 1
drastic cuts in the school program, District 64 has not issued tax anticipation warrants for more than 20 years and members of the Board of Education have stated flatly that they are opposed to any program of continued deficit financing.

The measures which will take effect next year regardless of the passage of the referendum on February 24 include: elimination of two elementary and three junior high classrooms and teachers; reduction of the teaching staffs; and programs in art, French, physical education and music; an increase in the fees for band, orchestra and textbooks; elimination of intramural and interscholastic sports; and elimination of an intern psychologist. The average number of children in a classroom will be increased from 26.4 of the current school year to an estimated 27.9.

In Niles the polling place will be at Jefferson school, 8200 Greendale ave.
The polls will be open from 9 a.m. to 7 p.m.

Pledge \$125,000

Northern Illinois Gas Co. has made a \$125,000 pledge to Northwestern university's First Plan for the Seventies, a \$180 million five-year program of academic and physical improvements.

Incinerator

Continued From Page 1
Topp's effort in trying to do something about the incinerator but for flunk in results. If the village will not issue tickets on this annoyance and irritation then we are asking that it file a law suit which I have prepared, complete with affidavits from 25 people who will testify in court. All the village has to do is file the law suit.

Another kind of answer came from the Morton Grove village officials, after all the talking had been finished they voted to have Carl Klein form a committee to investigate the problem and report back to the trustees. At this Ashman told the residents he was "disappointed in the action taken but will cooperate with the committee."

Mr. Sherman lawyer for Topp's, told the residents the incinerator had been built according to rigid specifications, okayed by the village but

"we'll do everything we can to rectify the problem." He further told the people "engineers will do another test and survey but you'll have to abide by that report." Ashman paraphrased that to mean "if the doctor can't find the cause of the disease, then the patient must die."
