Remember when a call to California was a 10 dollar holler?

We do. We also remember when bread was 7¢ a loaf, sirloin sold for 38¢ a pound, and it cost \$4.65 for a three minute station-to-station yelling match between Chicago and New York. But that was back in the "good old days" of the twenties. Since then, just about everything has gone up, while the cost of Long Distance has steadily gone down. A call to San Francisco that cost \$11.90 in the twenties, costs \$1.60, plus tax, today (and if you dial direct after Midnight, you pay just 65¢, plus tax).

And as we lowered our prices, Illinois Bell customers have been able to lower their voices. At Illinois Bell, we're always working to make your telephone a bigger bargain than ever—not just in Long Distance, but in your basic telephone service as well. An old-fashioned idea? Maybe. But it has helped Illinois Bell provide you with phone service that's as modern as tomorrow, at a cost that's years behind the times.

Local Merchants' Taxes Improve Our Community

Of course you look for and find bargains in quality merchandise when you shop locally, but did you know you are also really investing in our community too? Your neighbor-merchants' taxes support civic improvements and help finance schools and recreational facilities right where you live. It pays, in many ways, to shop at home!

Time and Transportation Costs are Saved

Instead of wasting time traveling to distant stores, the wise shopper puts that time to use in a more careful selection from the large varieties carried by our local merchants. The money saved on transportation is put to better use too — on the items themselves. Every day it will pay to shop right here at home!

Your Merchants Are Your Own Neighbors

It's mighty nice to know that the merchant you deal with is probably one of your own neighbors. You feel you can trust him and he is eager to maintain that trust. He is anxious to please you in a personal way — to give you quality products at the lowest possible price. "Yes," you'll say, "it really does pay to shop here at home!"

Fly American Flag

To the Citizens of Morton Grove:

Last November citizens responded to our efforts to have every home fly their flag. So great was the response that we did not have the opportunity to offer, personally, a flag to every home.

Post 134 hopes that this response is not to happen only once. Spring and summer are when most of our flag-flying holidays occur. Let's continue this display and make the participation even greater. Let's really put Morton Grove on the map as a community proud to display the flag.

The Post will do its part. A new supply of flags are on hand. The cost for the entire kit remains \$3.00. They can be obtained from Steve, at the Legion Hall every day. Or, if you prefer, call me and I'll deliver the kit to your home. Just call YO 5-3090 and leave your name and address.

Let's not allow this program, with such a fine start, to wither. Obtain that flag today and fly it on every holiday.

LETTERS to EDITOR

"Pleased"

Gentlemen:

Those of us who are familiar with the impact of the press upon public opinion and with its use for the dissemination of interesting and vital information were exceptionally pleased with the fine coverage that your newspaper gave to our convention at Lane Technical High school.

If more readers could only stop overnight in a city like Detroit where the presses have stopped rolling for over 100 days, and watch the news-hungry populace grasp for even out-of-town papers, they would appreciate to a far greater extent the service that you are providing for them.

Many people have remarked to me about the coverage of our convention in your newspaper. Some of them attended and viewed first hand the talks, demonstrations and discussions that had been announced.

We wish you continued success in your privileged position as a "servant" to the people.

Yours truly

William Narve
Morton Grove Congregation.

WMTH

Dear Mr. Besser:

Radio station WMTH-FM is anxious to promote its programming as we feel we have much to offer the Maine Township Dist. 207 community. We appreciate all of the excellent coverage your newspaper has given us in the past. We feel confident that it is through your help that the station continually increases its listening audiences.

Through listener comments, it has been brought to our attention that the newspapers could assist WMTH to an even greater degree in our efforts by the weekly publication of a WMTH Special Programs column. If it is possible for your newspaper to include this WMTH Special Features column we would make certain to send all special broadcast announcements to you in this manner. Listeners like the convenience of a small weekly reminder that they can clip and pin to their bulletin boards.

Legion Announces Carnival Grand Prizes

The Morton Grove American Legion Post #134 carnival chairman Al Nehart reports the news is finally out regarding the group's spectacular grand prizes to be offered at the organization's annual four day summer carnival.

The something different announces Herman Hack, Post carnival prize chairman - is the winner's choice of EITHER a 1969 Oldsmobile Delmont "88" Holiday Coupe OR a two week Hawaiian Holiday for four!

Past post commander Hack advises the car will be purchased when available from Montgomery Olds on Waukegan rd. Should the winner desire the vacation, the trip will be arranged by the Easy Travel Service of Skokie.

The pair of carnival chairmen assert, in addition, that a second and third place winner will also be selected as in the past at the July 11-14 carnival.

Again a lovely prize, the second place winner will be awarded an R.C.A. portable tape recorder. The third place winner is to have his choice of either a boy's or girl's Schwinn bicycle, donated by Tuffy's Cycle Shop on Lincoln ave.

Hack concludes with the fact that the tickets still carry the same low donation of twenty five cents each or six for one dollar. He and his fellow Legionnaires will gladly furnish tickets to those who contact them.

We live in a small, unincorporated area of Niles. Where do we get the certified birth certificate photostat necessary to register our children for kindergarten?

Dr. A. G.

According to school officials, for children born within the Chicago city limits, a certified copy of the birth certificate may be obtained from the Chicago Board of Health, 54 W. Hubbard st. or the County Clerk's office, 130 N. Wells st. Children born in all other Cook county municipalities may obtain certified certificates from the County Clerk's office. For out-of-state -- write to the Board of Health of the specific city where the child was born. The law does not permit kindergarten registration without a certified birth certificate.

I recently moved my family into Niles. Where do we go to register to vote in the school board election?

Mrs. H. E.

You neglected to state in your letter when your family moved into Niles. School district officials tell us that, in order to vote in the April 13 school board election, you must be a registered voter in the State of Illinois, 21 years of age or older, who has lived in Illinois for one year, in Cook county for 90 days and in the school district for 30 days.

our continuing problems head on.

Concerning his candidacy.

Engaged in the practice of law since 1953 with offices in Chicago's Loop, Solomon holds a Bachelor of Science degree from Roosevelt college and a Doctor of Jurisprudence degree from Northwestern university School of Law. He is a member of the Chicago Bar Assoc. and several legal fraternities and charitable organizations, as well as Nelson PTA.

Solomon and his wife, Adrienne, have 2 children, Mark and Steven, both Nelson school students.

Commenting on his candidacy, Solomon says: "In a school board's attempt to efficiently represent the public, I believe it to be greatly beneficial to bring specific skill to its ranks. As a practicing attorney for 15 years, I feel that my law background would continue to provide service to the district in terms of innumerable areas which embrace legal questions. District 63 has come a long way, but problems still persist - - - mainly, financial problems, being as we are in an area of non-existent industrial tax base.

"There are at present many federal and state programs which influence board actions. My background as an attorney should prove an invaluable aid to the understanding of these laws and I believe it is eminently clear that the more money we can obtain under these laws the less the need for taxing the public.

"Since last October, at which time I was appointed by the Board of Education of Dist. 63 to fill the vacancy created by Arnold Kapp's resignation, I have had the privilege of working with a dedicated group of men and women. I have worked quite closely with Superintendent Hugh McGuigan and his staff, who, together, have gained for our district national recognition. I have found the work challenging, exciting and rewarding and would like to continue to be a part of this team."

Rosen, who at present is a Principal in an educational and vocational guidance center in Chicago, has resided in Morton Grove since 1961. He is a former elementary and high school teacher and holds a Bachelor of Science degree from Evanston.

Lyons st. is a candidate for election.

The polling places will be located at the library for the area in the District east of Harlem ave. and at Notre Dame High school for the area west of Harlem. The polls will be open from 12 noon until 8 p.m. Absentee ballots may be obtained by voters who will not be within the District on election day or who are ill or otherwise physically unable to come to the prescribed polling place. Applications in person may be made at the library from 9 a.m. to 5 p.m. Monday through Friday, or by mail addressed to the Election Clerk, Niles Public Library, 6960 Oakton st., Niles, Illinois 60648.

The University of Illinois and a Master in Education degree from the University of Illinois. He is a member of several education associations, Chicago Principal's club, Northwest Suburban Jewish Congregation, Skokie Valley B'nai B'rith, Park Ridge YMCA and Meizer PTA. He and his wife, Norma, have 3 children, all attending Meizer school.

Sheldon Rosen

Rosen states: "School Dist. 63 has many problems which have not received complete and/or adequate attention. Among them are: school boundaries and parental complaints (especially the constant shifting of pupils from school to school); bussing for kindergarten and other pupils - including the cost for same; inadequate contact with parents (except when a bond or other money issue is at stake).

"The rapid upward movement of teachers' salaries and the need to remain competitive with other areas or to resign the district in the future to a second rate school system. Programs in effect in other areas for several years are only recently being instituted in Dist. 63.

Chandler To Head

Crusade Of Mercy's Advance Gifts

Marvin Chandler of Glen Ellyn has been named chairman of the Advance Gifts Division of the 1968 Metropolitan Crusade of Mercy. Mr. Chandler is chairman and president of Northern Illinois Gas Co.

In announcing the appointment, Edward C. Logelin, vice-president of U. S. Steel Corp. and general campaign chairman, described Chandler's assignment as "the key responsibility in the entire Crusade campaign because the 900 Advance Gifts firms and their employees account for nearly 80 percent of the funds raised."

Logelin stressed that the utility executive will be responsible for recruiting approximately 300 business leaders, most of them chairmen or presidents of their companies, who will solicit 900 major firms.

"Mr. Chandler will spearhead the drive for employee contributions from the 800,000 people employed by these 900 firms, as well as corporate gifts," Logelin pointed out. "His deep involvement in civic affairs and his commitment to the important role of voluntary human care

services in our community make Mr. Chandler an ideal chairman for this particular volunteer job," Logelin said.

Chandler has served as an Advance Gifts team captain since the Crusade of Mercy first was expanded to a metropolitan effort in 1968. Last year's campaign raised \$24,095, 808 or 100.2 percent of the goal.

Chandler is president, director and chief executive officer of Northern Illinois Gas Co. subsidiaries: NI-Gas Supply, Inc., Apple River Chemical Co., NI-Gas Energy, Inc. and Great River Gas Co.

His civic activities include Travelers Aid Society of Metropolitan Chicago, a Crusade beneficiary; United Fund of Glen Ellyn, one of the 81 suburban funds participating in the Metropolitan Crusade; Chicago Association of Commerce and Industry; Illinois State Chamber of Commerce; American Foundation of Religion and Psychiatry and Glen Ellyn Boys' Baseball.

The Suburban Community

Welcomes Jaycees

Bob Wordel, Public Relations chief at Teletype Corp., welcomes Arthur LeTourneau, president of the Niles Jaycees, to Teletype for a special program designed to acquaint them with modern industry.

The Jaycees and their wives had dinner with company representatives and discussed some of the activities that de-

velop understanding and co-operation between local civic groups and business leaders. John Auwaerter, Teletype's vice president of Sales and Finance, addressed the group describing the company's participation in community events. The visitors watched a products demonstration and toured the manufacturing plant.

"Humanities Abroad"

Tour For Maine Students

"Bon Voyage" is in the not too distant future for about 25 to 30 Maine East, South and West students and two faculty advisors as plans are presently being consummated for the annual "Humanities Abroad" overseas trip sponsored by Township High School Dist. 207.

This will be the fourth annual tour for students of the three Maine high schools. Departure from O'Hare International Airport will take place July 25 and the tour group will return to O'Hare July 26.

Paul E. Healy, Maine East English and Humanities teacher, and Hazel Anderson, also of the Maine East English department staff, will serve as faculty trip directors and advisors for the student entourage.

In addition to the previous points of visitation, such as Cologne, Paris, Rome and Lucerne, this year Copenhagen and Vienna have been added to the student tour. Students will prepare for the tour by attending

a special summer school session from June 13 to July 3 which will emphasize the great facets of the varied humanities, such as in the fields of art, architecture, music, literature, and history. This will reward the students with one unit of additional credit.

Members of the Pupil Personnel Services department of all three Maine high schools now have registration forms available, along with complete copies of the tour itinerary. Early registration is encouraged by Healy and Miss Anderson.

A special "Humanities Abroad" meeting will be held April 8 at 8 p.m., at Maine East High school, room 231, for interested students, parents and friends. Healy and Miss Anderson will outline complete details and purposes of this Dist. 207 program.

"Your Face"

Program

April 10

"Your Face" will be the theme of a meeting of the Churchwomen of St. Anselm's Episcopal church, 1600 N. Greenwood, Park Ridge, Wednesday, April 10.

Robert C. Jones, a St. Anselm's member and representative of Revlon, will present the program at 8 p.m.

Jones will discuss new developments and trends in cosmetics. He plans to have a consultant also attend and select a woman from the audience for a complete make-up demonstration suitable to her coloring.

At Golf Mill

As the owner and ringmaster of a circus plagued by a series of grisly murders, in "Berserk," Joan Crawford introduces Ty Hardin and his wire-walking act above a field of upraised bayonets. "Berserk" is in Technicolor and the cast also includes Diana Dors, Michael Gough, Judy Geeson and Robert Hardy. The film starts Friday at the Golf Mill Theatre.

Coming To Mill Run

Two famous ladies of film and stage are scheduled for future productions at the Mill Run Playhouse, producer Carl Stohn, Jr., has announced.

Joan Blondell stars in the Neil Simon comedy, "Barefoot in the Park," May 14 through June 2. The play will feature her daughter, Ellen Powell, in the role of her daughter.

Ann Southern appears in "Dear Charles" June 4 through June 23. The new theatre will open as previously announced with Martha Raye in "Goodbye Charlie" on April 23. The grand opening on April 26, following three days of previews, is a benefit performance for the U.S.O.

Producer Stohn has named Mike Ferrall director. Ferrall formerly was director of the Highland Park Tenthous theatre. He returns to the Chicago area from San Francisco.

Give A Cheer

Giving a cheer for their hometown hero, we find Mary Lou Ruzkowski, Chris Peterson and Marianne Healy. These are just a few of the lovely cheerleaders you will be seeing in the Jefferson Theatrical Society's musical comedy, "Want A President!" to be presented on April 26 and 27 and May 3 and 4 at Jefferson school, 8100 Greendale, Niles.

Bake Goodies For U.S.O.

Recently a group of the older girls of the Junior Auxiliary of the Morton Grove Unit #134, American Legion met at the home of their senior advisor, Mrs. John Sepesy and baked a large quantity of goodies for the boys at the U.S.O. The young ladies with the culinary talents were Barbara and Connie Hoffman, Karen and Kris Karsten, Theresa Kimura, Donna and Debbie Selzer and Sally Anderson. Under Mrs. Sepesy's supervision they baked 8 dozen cup cakes, one small cake, 3 dozen butter balls, 3 dozen hersey cookies and one dozen date tortes.

The Junior Auxiliary are daughters of Legionnaires 18 and under, and projects such as these bring them closer to the adult world of wars, servicemen and community and national as well as state service.

Top Scorer

The three top scorers from each of the three Niles Township High schools in the annual National Mathematics contest were named last week by school officials.

David Fried, Niles West's top scorer, also achieved the highest score of any student in the state of Illinois. Niles West's other two top scorers were Michael Shapiro, a junior, and David Wortman, 5936 Monroe, Morton Grove, a senior.

Newborn

A boy, David John, was born March 14 and weighed 8 lbs., 11-1/4 ozs. The proud parents are Mr. and Mrs. George W. Schultz, 8645 Milwaukee ave., Niles, Illinois.

Greet Foreign Exchange Nurses

At a recent meeting of the Des Plaines Democratic Women's club, foreign exchange students furthering their nursing career at Lutheran General hospital were entertained at a pot luck supper given by the members. Guest speaker for the evening was G. Rex Wilson, chairman of the recently defeated Library expansion referendum. In a display of brotherhood and understanding, the nurses reciprocated with a demonstration of native dances.

HERE'S HOW!

YOU CAN TELL WHETHER A STRAY EGG IS COOKED OR RAW BY USING THIS SIMPLE TRICK: PLACE THE EGG ON ITS SIDE AND SPIN IT LIKE A TOP. IF THE EGG SPINS ON AN EVEN KEEL, IT'S COOKED. IF IT WOBLES, IT'S RAW!

PUT YOUR PLANTS ON AN EGG DIET! SAVE EGGSHELLS AND SOAK THEM IN WATER FOR SEVERAL HOURS--WHEN THE PLANTS ARE WATERED WITH THIS LIQUID, THE LIME EXTRACTED FROM THE EGG-SHELLS WILL SPRUCE THEM UP!

TO KEEP EGGS FRESH FOR A FAIRLY LONG TIME, RUB THE SHELLS WITH OIL, BUTTER OR PURE GLYCERIN.

THIS'LL "EGG" YOU ON! IF YOU FIND AN ESPECIALLY BUSY DAY AHEAD, TRY THIS: DIVIDE YOUR CHORES INTO "SECTIONS"--THEN THINK ONLY ABOUT ONE THING AT A TIME. IT HELPS KEEP YOU FROM FEELING OVERWHELMED, SAY PSYCHOLOGISTS. TAKING AN OCCASIONAL REST-BREAK WITH PEPSI-COLA CAN BE ANOTHER GOOD WAY TO MAKE ALL THAT WORK SEEM EASIER.

School Board Seats

Continued from page 17

"My contributions will include: keeping a keen eye on the expenditure of our tax money (over half of which supports our schools); promote a more sincere attempt to revive the interest of Dist. 63 parents in the school system and its needs (i.e. to come to meetings); the outlook of an interested parent working for the best education for all our children; the use of my business and educational background to interpret and make decisions on the issues which confront our district now and in the future."

Absentee ballots for the Dist. 64 Board of Education election April 13 are now available at the office of the Board of Education, 400 S. Western, Park Ridge, according to Russell Miller, Secretary of the Board.
