Special Meeting Of #207 Board Of Education

A tally of votes cast at 30 precincts on Sat., June 8, 1968 were presented to the Board of Education of High School District #207 at a special board meeting held on Monday evening, 7:30 pm at Maine East high school.

Final results showed 1,988 "yes" votes; 2,876 "no" votes; with 13 votes being objected to by the referendum judges. Total

vote count amounted to 4,877.

L. Wesley Hartzell, Board President, asked John Means, chairman of the public relations committee, to analyze the vote results, and John Wilkins, chairman of the finance committee, to report on the financial position of the school district at the next regular meeting of the board on Monday, June 17, 8 pm at Maine East.

It was indicated that the two reports would provide Board members a basis for consideration and decision regarding the educational fund tax rate.

William Wuehrmann, Board member, reported that the study of his committee, related to the feasibility of office space to house the district administrative staff, had been completed. He strongly recom-

mended that the Board not consider the leasing of office space for this purpose, due to the cost estimated at \$50,000 per year and the fact that the school district through consistent payments to lease such a facility would have only rent receipts to show for such expenditures. In only a few years, several hundred thousand dollars could be spent through a decision to lease the needed facilities.

Wuehrmann further stated that, after considerable investigation and consideration, he and his committee felt the best solution to the problem would be to add a wing on the west side of Maine East, facing Potter Road, to house the district administrative staff. The space currently occupied by the district offices would provide badly space for the ever-increasing

Expect 800 Visitors Saturday

SR. CITIZENS OPEN HOUSE

An expected 800 people will view The Huntington Senior Citizens project at the official open house Saturday from 10 am to 3 pm. The 10 story build-

ing, 9201 Maryland, is located across from the Golf Mill Theatre, and east of Milwaukee Ave.

The 127 apartment building is anticipated its first resident move-in by the end of the month. There are presently 610 applications for the 127 apartments.

Niles village clerk, Marge Lieske told THE BUGLE Monday, Niles Grandmothers Club will play hostesses for the 5 hour open house. The Women's Club of St. John Brebeuf will act as official guides in escorting tours thru the building. While the building keys will be turned over to the County from the building contractor on June 20, the open house, as the official act of completing the building tours will be restricted to the first three floors, as well as apartments.

The 1.7 million dollar building is being built under the auspices of the County Housing Authority. The village of Niles, where the building is located, has no jurisdiction over the choosing of persons who will reside in the building.

Based on figures published in the past rentals for the apartments will range from \$38 to \$60 monthly. Single persons with income of \$3,400 or less and couples with income not in excess of \$3,800 are eligible as tenants. In the future the income requirements may rise to \$4,250 and \$4,750.

From The Left Hand

By David Besser
Editor & Publisher

Nick Blase captured 1,640 votes of an approximate 2,000 votes last week to become a delegate to the Democratic National Convention in Aug. Nick outpolled Oak Park Raymond Welsh by more than 300 votes who will also represent Democrats from this district. Because of the recent assassination Nick is quoted as saying the choice at the convention for the Democratic nominee has become difficult. As of now Blase indicates he has not made a choice.

While the old hokey public officials and representatives utter in print sounds good you can be sure Nick and all the other Demo representatives will be in unanimous agreement in Aug. as to their choices. And it will coincidentally be the same choice as Dick Daley makes which points to the whole charade as being rather absurd.

If you are a Democrat or Republican in this state you have little chance in selecting your standard-bearer. You may trudge to the polls in Nov. and make a choice among two candidates but the process of electing a president has been usurped at the conventions by a small handful of men. How much more representative it be to allow the electorate to make a choice in a National primary.

Park Referendum Moved Up To July 20

At Tuesday night's park board meeting Niles park commissioners approved Saturday, July 20, as the date when they will present a park referendum for \$920,000 for land acquisition and a 2nd proposal for \$750,000 for a gymnasium and multi-purpose building.

The land parcels are 10 individual properties throughout the village which are considered the last available acreage for park purposes in Niles. They range up to 2 1/2 acres and total about 10 acres. The gymnasium is earmarked for the Grennan Heights Park while the multi-purpose building is under consideration for the Ballard Park just east of East Maine Junior High school.

The multi-purpose building proposal would allow for its possible use as an indoor ice rink as well as for other activities requiring large facilities under roof. The possibility of a swimming pool being in-

cluded for the Ballard Park might also fall under the category of the "multi-purpose room".

The referendum will be decided at 8 precincts which were approved at Tuesday's meeting.

Public Works Safety Award

The National Safety Council announced recently that the Public Works Department of the Village of Niles has been presented the council's "Certificate of Commendation" for its excellent safety record.

The award is presented only where an establishment's record satisfied rigid requirements laid down in the Council's Award Plan for Recognizing Good Industrial Safety Records. Howard Pyle, president of the National Safety Council, in a letter of congratulations to Edward Bacher, Director of the Public Works, explained that the Public Works qualified for the award because of its injury-free safety record.

Niles Lawn Sprinkling Rules

Persons having even house or business numbers may use water for sprinkling purposes on even numbered calendar dates, and those having uneven house or business numbers may use water for sprinkling purposes on odd numbered calendar dates. Residents who have automatic lawn sprinklers installed should sprinkle after 10 p.m. in the evening on their scheduled day. The Lawn Sprinkling Ordinance is in effect until October 1.

All apartments are 1 bedroom units which include living room, bedroom, kitchen and bathroom. All apartments have blinds included, hot water radiation heat, all electric cooking and refrigeration. An air conditioning sleeve is provided for future private air conditioning installation.

Refreshments for the five hour open houses being provided by Salerno-Megowen Biscuit Co. and Brook Hills Farms.

Parking for the open house is being provided across the street in Golf Mill's parking lot and Niles Police will be on hand to direct traffic.

Today in Pharmacy

THE VITAMIN ALPHABET

The vitamin alphabet plays a most important part in human nutrition. The fat soluble vitamins "A", "D", "E" and "K" are stored to some extent by the body but the water soluble B-Complex vitamins are excreted daily and must be replenished. The vitamins activities and uses have been pretty well established. Briefly "A" is necessary for growth and the normal functioning of the skin... "D" essential for the calcification of bone and prevention of rickets in children... "E" is the so-called anti-sterility vitamin... "K" controls the clotting of the blood.

The B-Complex has been subdivided into many component parts. Some are more important than others - all essential. Too numerous for this limited space, the most important are B1 Thiamin... the nerve vitamin - the lack of which can cause various forms of neuritis; B2 for cell respiration; NIACIN for the prevention of Pellagra; B12 for anemia, etc; Vitamin C is needed for healthy gums and the prevention of Scurvy.

ALL vitamins are available in foods... to get them, however, one must eat a balanced diet. When the diet is poor, vitamin supplementation is necessary. Do you need vitamins? Only your doctor can say. If he says you do, come to BIRCHWAY DRUGS where fresh and adequate stocks are maintained at all time. See us also for the best in prescription service. We are at 7503 Milwaukee Ave...

Chairman of the affair, A.G. "Ang" Marcheschi, past district governor, announced that the Lions club of Niles will also celebrate their 15th anniversary on this date.

Seven of the original charter members will be in attendance and will receive their 15th charter Monarch awards. Lion Phil Tom, past district governor of the Chinatown Lions club will act as the master of ceremonies and Lion Norm Dahl, past district governor of the Higgins-Norwood Lions club will be the installing officer.

A gala evening is planned for the membership and their guest starting with cocktails at 6:30 p.m. Dinner is to be served at 7:30 p.m., followed with dancing until 12:30 a.m. to the music of Sammy Frisco's orchestra.

For the first time in its history, the members will have the option of wearing formal. A resume of the club's past achievements will be presented, refreshing many pleasant memories for the charter members and enlightening the newer members on the many services performed by the club. Being one of the most active clubs in the state, the members comprising the Lions club of Niles are a very proud group.

The past presidents will act as hosts for the evening. Also in attendance as guest of the Lions club of Niles will be Lion and Mrs. Javahar Maniar of the Lions club of Kurha, Bombay, India.

Select Nilehi Guidance Dept. Heads

The guidance department in each of the three Niles Township high schools last Monday was placed under the direct supervision of a department chairman. Named to the new supervisory positions were Mrs. Lorraine Rubin at Niles East, Robert Redig at Niles West, and Miss Virginia Landwehr at Niles North. The position of department chairman for the guidance department was approved by the board of education last month; it becomes effective Sept. 1. Superintendent of Schools Charles Szuberla reported to the board that greater direction and coordination of effort in the guidance departments were needed to provide maximum service for students. Up to this time, the guidance department in each high school was one of the responsibilities of an assistant principal. The new guidance department chairmen will remain on the salary scale with teachers in the district, but will receive a stipend for their supervisory role. They will also have a reduced load of students to counsel.

According to the job description for this new position, the guidance department chairman will provide leadership in planning for and evaluation of the guidance program in their schools and will supervise the general functions of their staffs. They will also have responsibility for overall planning, calendaring, and coordinating of group guidance activities and services, including alumni relations and department publications.

The guidance department chairman is also to serve as a key link in the communication and cooperation of the guidance department with other special services in the schools.

Search Is On For Niles' Junior Miss

The search for Illinois' Junior Miss - the state's ideal high school senior girl - will be focused in Niles during the next few weeks.

The young lady who becomes Niles' Junior Miss and the community's representative at Illinois' Junior Miss Pageant at the Mill Run playhouse, Niles, Ill., on Jan. 2-4, 1969 will be more than a pretty girl. Scholastic achievement, character, fitness, poise and creative ability will determine her identity.

The popular YMCA "Lose Weight" program will be continued.

Hobby and educational classes for adults include: Art, Bridge, Photography, Dressmaking, and Hypnosis.

Canine owners will be interested in an outstanding course for Dog Obedience. Classes are offered for beginner and advanced training.

The Tower YMCA urges immediate registration. Enrollments are now being taken at the front service desk from 9am to 10pm daily. Information regarding class schedules, registration, and fees may be obtained by calling 647-8222.

An orientation meeting of prospective Junior Miss nominees has been scheduled for Sunday, June 30, 1968 at 2 p.m., at the Niles Council Chambers building, 7200 Waukegan rd., Niles.

The Niles Junior Miss pageant finals will be held on Wednesday, July 17 at the Niles Elementary school North, 6921 W. Oakton st., Niles. Deadline for applications is set for June 20. Applications are available at the Niles Village Clerk's office, 7166 Milwaukee ave. For further information, call 647-8485.

The Bugle is NO. 1 In This Area

From l. to r.: Rosemary Case, Maine South; Richard DeRoo, Maine East; Marjory Johnston, Maine West. Maine Township High School Reading clinic directors are shown in conference, reviewing and making plans for the innovative Maine reading "helps" program.

Maine High Schools Give Emphasis To Reading

The three Maine High schools give special emphasis to a program of reading improvement which places emphasis on speed, comprehension, study habits, vocabulary development, critical reading, motivation and remediation. The program also stresses the widening and guiding of reading interests, and the development of independence in good reading habits.

Dr. Richard R. Short recently stated: "Reading improvement is the responsibility of teachers at all levels of learning from kindergarten through college. Therefore, every teacher is a teacher of reading."

He further stated: "Reading instruction is essential throughout the high school years. Knowledge doubles every decade. Scientists, inventors, philosophers, and educators are pushing back the frontier of knowledge in science, space, human relations, and in industrial technology. There is a constant downward extension of subject matter. The three Maine high schools now teach what once were college level courses; and, in turn, elementary schools teach courses once looked upon to be limited to the high school curriculum."

Each of the three Maine Township High Schools has its own "Reading Center," with supervision given by a "specialist" instructor.

AT MAINE SOUTH: The Reading Center is directed by Miss Rosemary Case and the reading program at South has been enlarged this school year in order to assist more students and to work closer in a team-teaching situation with the individual classroom teacher. The clinic is designed and equipped to help the college bound student as well as the problem reader.

One of the many innovations incorporated in the reading program at Maine South is providing and conducting review work for the students taking the college entrance and college board examinations.

The reading clinic at South operates on a nine-period basis.

As a student is enrolled in the program, he is tested. As a result of this test he is assigned a program for four weeks that will best suit his needs and from which he will receive the greatest benefit.

A diagnostic testing program is conducted by the reading center for classroom teachers who wish to have their student so tested.

During the 1967-68 school year over 1,200 students will have participated in this special program and will have received help in reading either on an individual or classroom situation basis.

AT MAINE EAST: The "DCR" Reading Center at Maine East is directed by Richard DeRoo and places emphasis on developmental, corrective, and remedial reading programs.

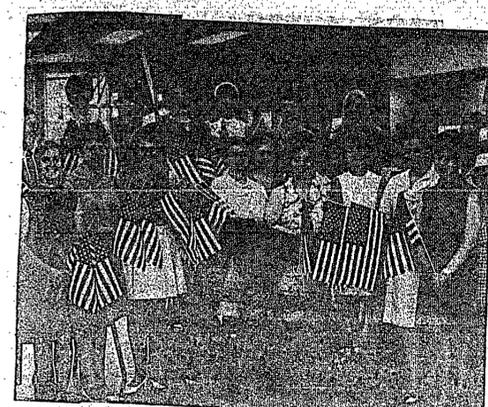

The developmental aspect of the reading program concerns the stronger student who desires to improve his speed and comprehension; corrective concerns the student who is lacking in one or more specific areas, such as vocabulary or finding main idea; and remedial concerns that student whose lack of reading skill noticeably cripples him in the rest of his school subjects.

All three Maine Township High Schools are well stocked with reading tests, materials (grade 1 through grade 14), and a variety of mechanical equipment, all of which are used to assist those students requiring and needing help.

AT MAINE WEST: Miss Marjory Johnston directs the Reading Center at Maine West and, as is the case at the other high schools, gives special attention to incoming freshmen at the beginning of each school year through the process of testing. The scores for speed, comprehension and vocabulary are given to the individual English teachers for each class period. All freshmen students needing help are then assigned to the Reading Center for a three week period. At the end of that time each student is assigned for further testing or remediation.

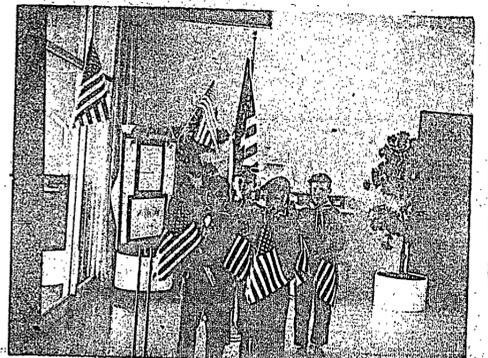

At West, special programs, consisting of help for perceptually handicapped and help for college bound seniors, are carried on continuously through the school year.

According to Ralph J. Frost, Assistant Superintendent of the Maine high schools, "It is surprising to realize that some very bright students reading at grade level are, from a reading standpoint, retarded readers. For example, a bright freshman student should be reading much above grade level. The three Maine high schools are interested in boosting the reading power of this type of student, as well as the average or below average student. Our goal at the three high schools is a meaningful, individualized program for each student, but one that utilizes group work when economical and desirable."

Flags At Golf Mill Bank

"Not Enough Flag Waving", says vice-president L. W. Happ, of Gold Mill State Bank and Morton Grove resident, so he ordered 3000 flags to be given away on Friday, June 14 by the tellers at the bank and also was aided by Cub Pack 73, Den 2 from St. Issac Jogues in distributing them. Judging by the enthusiasm portrayed, the tellers thought it a splendid idea.

Troop 45

June 7, 8 and 9: Troop 45 spent a father and son weekend at the Thunderbird Gun club near Wauconda, Ill. Upon arrival 18 fathers and 25 Scouts set up camp for the night and when camp was done had treats of popcorn and pop.

Saturday morning a few Scouts woke early and went carpooling with bow and arrow. Breakfast consisted of pancakes and little smokie links. After breakfast cleanup some boys went fishing while others were frolicking in the water.

For lunch the boys had hot dogs with the works and pop. After lunch a water fight was instigated by Mr. Hilson which took place between the fathers and their sons. Worst of all to suffer in this disaster were the fathers, especially Mr. Hilson. After the water fight the boys went out fishing and swimming with their fathers.

Supper consisted of steak, baked potato, corn and fruit cocktail. Two birthday cakes for Mr. Frick and Mr. Schneider was enjoyed by everyone for dessert. After supper, the boys shot archery with bows and arrows: supplied by Mr. Cronin and Mr. Kaiser. The boys then went to bed and some

woke early Sunday morning to go carp shooting. Breakfast consisted of bacon and eggs, everybody cooking his own. The fathers and sons ate together for every meal. The boys took down camp and afterwards enjoyed a lunch of sandwiches, potato chips and pop. The weather was beautiful and a good time was had by all.

Those attending were Richard Bobula, Allan Bonini, Brian Cronin, Michael Davis, Terry Frick, Phillip Hilson, Jr., Randy Hyken, Reid Hyken, Jim Ignatius, Mike Krejsa, Ken Krejsa (guest of Troop 45), Robert Krusan, Mark McAndrew, Richard Pignato, Paul Pomezal, Martin Rothenberg, Robert Sandvick, Jim Schneider, Ken Schneider, Mark Streubling, Pete Welsch, Jr., Steve Welsch, Dave Wiltse, Robert Will, Jay Will, and Marty Kaiser.

Fathers attending were: Charles Bobula, John Cronin, Jerry David, Jack Frick, Phil Hilson, Gene Hyken, Ben Ignatius, Stan Krejsa, Robert Krusan, Russell McAndrew, Ralph Pignato, Ralph Pomezal, Torsten Sandvick, Don Schneider, Lee Streubling, Pete Welsch, Sr., Roland Wiltse and Martin Kaiser.

Reading Program Begins June 24

With a slight tip of the hat in recognition of the birthday of our state, the Niles Public Library announces this week that this year's reading club

session will run from June 24 through Aug. 3. These sessions have annually been a valuable augment to the young people's reading during the vacation period.

ND Driver's Safety Include Cycle Training

Earlier this year the Drivers Safety program at Notre Dame High School in Niles was expanded to include an on-cycle training program for motorcycle safety. Notre Dame was one of the first schools in the state to adopt such a program. affirmed her intense interest in motorcycle safety.

Nilehi Superintendent Disappointed at Union Talks Ending

Schools Superintendent Charles Sauberta Monday night told the board of education that negotiations for the school year were not as successful as he had hoped.

DISCOVER THE RICHNESS OF THE JEWISH MESSAGE

Register now for Fall enrollment at the NORTH SUBURBAN BRANCH of the College of Jewish Studies, North Shore Congregation Israel, 840 Weston Ave., Glenview, Ill. 60022.

Courses in Bible, Hebrew, History and Education taught by the distinguished CBS faculty.

Evening classes, Fall term begins Sept. 23, 1968. Pre-registration now through June 30.

For information and brochure, write or telephone the COLLEGE OF JEWISH STUDIES, 72 E. 10th Street, Chicago, Ill. 60605-5572.

upon differential salaries for teachers involved in academic and non-academic activities. He said, however, that he was disappointed that the negotiators for the teachers' union had decided to cease negotiations for the summer.

A union statement, it reported, said negotiations had to be terminated because of summer commitments and because negotiations during the summer could bear little fruit. Sauberta commented that negotiations during the school year have been conducted in the past and could be continued in the same spirit without interfering with district commitments. He also said union officials were making a hasty assumption when they claimed negotiations during the summer could bear little fruit.

Sauberta told board members that he and other board negotiators have offered to extend negotiations beyond Tuesday and

Wednesday this week in an effort to settle a contract with the teachers before they leave for summer vacations. If there is no settlement, he said, it will be the first time Nilehi schools leave the schools in June without having a contractual agreement for the next school year.

Arthur Cober, on Nilehi staff since 1957, in other action, was named new principal of Niles East. He has been an assistant principal at Niles East for two years. He will succeed Raymond Taylor, who last month was named district director of personnel and special services. Cober, who came to Nilehi in 1957 as a social studies teacher, became Nilehi West's first student activities director in 1961. He later served as a hall director at Niles North.

New department chairmen announced to school board mem-

bers Monday included Mrs. Lorraine Rubin at Niles East, Robert Redig at Niles West, and Miss Virginia Landwehr at Niles North, who were named chairmen of their respective guidance departments. Gerald Frickson was named acting chairman of Niles East's driver education department while James Van Delinder was named acting head of Niles North's English department and Helen Hoesler was named chairman of Niles North's social studies department.

Appointed teachers for next Sept. were Doreen and Raymond Berman, Martine Kucharski, and Kay Watson in math, Jack Denning and James Shyne in science, Jane Eblin in home economics, Angela Graham and James Johnson in English, Louis Gross as a social worker, and Doyle Hart in business education at Niles West; Diane Burwig in English, Ronald Hancherson in physical education, and JoAnn Verdin in science, all at Niles East; and Richard Hasbagen in English and Nancy Nesheim in physical education, both at Niles North.

In other matters, the board announced it received a letter from about 50 Nilehi teachers relative to their concern about student and teacher responsibilities in modern society and asked that a meeting be set up for board members and representatives of the teacher group; read a resolution honoring Dr. John Harris and presented him with life membership in the national PTA on behalf of Nilehi's three PTAs set Sept. 16 at 8 pm for its annual budget hearing; and scheduled a special school board meeting for Monday June 24, at 8 pm.

John Lixvar Receives Degree

On June 7, John Lixvar, son of Mr. and Mrs. J. Lixvar, 8037 N. Ozark, Niles, received his Master of Science degree in Industrial Engineering from the Illinois Institute of Technology. His major areas of study were operations research and computer science. Mr. Lixvar, a computer systems engineer with the Teletype Corp., participated in his company's Tuition Refund program.

Receives Master Of Arts Degree

On June 8, 1968 Mr. James Bowen, Business Manager for East Maine School District 63, received his Master of Arts Degree from Northern Illinois University. For the past three years Mr. Bowen has been Business Manager of School District 63. Prior to that he served as Business Manager in the Schaumburg School District, Hoffman Estates, Illinois.

Reception Given In Honor Of James Kramer

James H. Kramer, a member of the Chicago Board of Health and a director of Franklin Boulevard Hospital, will be honored at a reception in behalf of Sons of Israel at 8 p.m., Wednesday, June 26 at the Commercial Plaza Hotel.

The party is being co-sponsored by Franklin Boulevard Hospital and Central Community Hospital.

Kramer, who resides at 8205 N. New, Niles, is also a director of the International Museum of Surgical Science and a former director of Plastic Age Co., a California firm involved in the missile program.

Dr. Samuel L. Andelman, Director of the Chicago Board of Health, is honorary chairman of the tribute, and Judge Maurice Perlin is chairman.

Co-chairmen include Patrick A. DeMoan, Dr. William J. Krowlik and John M. Rowley. Associate chairmen are Edmund K. Eichengreen and Edward Wilson.

Saturday Adult Driver Training At Maine High

Non-driving adults can take to the road with confidence this summer after a course in Driver Education offered by the Maine Adult Evening school. Instruction of adults in dual-controlled, fully automatic cars is given by qualified instructors on Saturdays.

A total of eight one-half hour periods, or 12 clock hours, constitute the course. Two students and one instructor will be together during the instruction period. The one-and-one-half hours are divided between the two students—each one driving for 45 minutes and learning by observing for 45 minutes.

Students must have their Beginners Permits, and provide their own transportation to and from the parking lot at East Township High school East, Dempster st. and Potter rd., Park Ridge.

During the past year some 60 adult students have successfully completed the course in Driver Training.

Information concerning registration and tuition may be obtained by calling the district office of the Maine Adult Evening school, 299-7187.

Congratulations John Lasken For Appointment To Naval Academy

Principal John J. Clouser, Maine East high school, congratulates senior John Lasken, son of Mr. and Mrs. Chester Lasken, 8817 Merrill Ave., Niles, for his recent appointment to the Naval Academy at Annapolis, Maryland.

In order to apply for a position in the academy, John first had to write to his state representative, Mr. Harold Collier, Republican, of the tenth district and declare his interest in being selected for admission. Representative Collier then wrote back telling John to take the civil service tests.

Highest scoring boys in every congressional district were nominated for each opening at

Boy Scout Troop 175

Boy Scout Troop 175 completed their calendar year of scouting by combing two special events on one night—their annual family picnic and a court of honor. The picnic was held in Miami Woods, West. The boys everyone present, cooked or burnt their own hot dogs and marshmallows. Refreshments and potato chips were consumed by the gallons and pounds. All the eats were furnished free by Troop 175 for the families of the Boys Scouts.

The Eagle and Hawk patrol entertained the families by performing a unique magic show. Not one tricked worked, Cy Maher's hat came back to him full of flour and eggs, Frederick's tie came back to him in several pieces, and in the sharp shooting act, the bullets were either too dull to break the balloons or the sharp shooter had a crooked eye. All in all, the parents enjoyed the antics of the boys doing their magic acts.

Later in the evening, scoutmaster Ralph Kozeny conducted a court of honor around a traditional Boys Scout camp fire. Assistance: scoutmasters Bob Wolski and Dan Moriarty gave

Diagnostic Speech Problems

A diagnostic screening program for children with speech problems will be conducted on Wednesday and Thursday, June 19 and 20, from 9 to 11 am, at Iriquois Junior High School. Both pre-school and school age children will be eligible. This service will be open to residents of Maine Township and will be conducted in conjunction with the Maine Township Special Education Program.

Iriquois Junior High School is located at Touhy and Maple in Des Plaines. Further information may be obtained by calling 824-1136, Iriquois Extension, after June 17.

New System For Dist. 64 Registration

A new system for paying student fees has been introduced by official of Elementary School District 64 for the 1968-1969 school year, according to Russell Miller, assistant superintendent for business affairs.

Parents will now be able to register their children during the summer months and pay the student fees at their convenience prior to the start of school in September.

"This new system will avoid the confusion and inconvenience of everyone paying fees at the same time on the morning of the first day of school," Mr. Miller told Board of Education

members Monday night. "It will eliminate the necessity of a child or parent bring money to school on opening day."

Registration cards will be enclosed with report cards at the end of the school term. These are to be filled out and returned along with check or money order for the student fees to the Board of Education offices, 400 S. Western, Park Ridge. One card is to be filled out for each child in a family and will be kept at his school for emergency information, but the check or money order may cover fees for all children in a family if mailed at the same time.

Student fees may be paid immediately, Mr. Miller said, but are due no later than Aug. 10, 1968.

A Very Eventful Day For Pack 251

Our Jefferson's Cub Pack 251 held its last outing on June 2. A picnic was planned by our Committee members which couldn't have been more perfect.

Parents and children enjoyed baseball, loli-pop hunt, games, prizes and the water balloon contest was most refreshing. Every youngster ended up with a prize and pop and ice cream were plentiful.

Last awards were presented to Cubs Richard Gelado silver arrow and David Laszczak received his Wolf. Weblos achievements went to Walt Dipping Craftsman and Engineer, Ken Laszczak Artist, Scholar, Naturalist and Craftsman, Mike Schaff, Artist and Naturalist.

There was such a great turnout for this event that we must

'68-'69 Pom Pon Squad

These lovely representatives of Maine-East high school are the members of the 1968-1969 Pom Pon Squad. Chosen from 175 original applicants, these final 19 had to go through a week of rigorous and demanding tryouts in order to represent their school. In addition to having at least a C average, the girls also were rated on their dancing ability, poise, and appearance, as well as on faculty recommendation.

The first performance of the

squad was their appearance in the Park Ridge Memorial Day parade. In the future they plan to march in at least one Fourth of July parade, as well as spend the summer perfecting their routines for next Fall's football season.

The GAA scholarship for the first time was awarded to two senior girls, Barb Block and Barb Womer. Barb Block plans to minor in physical education at Michigan State university, while Barb Womer plans to major in physical education at Northern Illinois university.

The award for the girls physical education department was presented to senior Barbara Womer for her services to the department as a physical education leader, as a gymnastic team member and as a cheerleader.

Physical fitness awards for earning scores in the 90th percentile went to freshmen, Linda Delano, Carol Deppong, Shelley Fraks, Penny Hook, Vicki Lanoff, Robin Pejar, Mary Sortal and Nadia Walters.

Entertainment throughout the program was furnished by members of the Orchestis club, Judy Wasmund and Barb Womer on the uneven bars and the junior leaders class performance of a rhythmic exercise number. GAA faculty sponsors are Roberta Jorgesen and Judi Wilde.

Post 134

Morton Grove American Legion Post 134 past commander, Herman Hack, center, who died June 4, is shown accepting a donation for the first carnival Post grand prize ticket from the Post's Auxiliary president Mrs. Jack Bartholmy as post commander Ed McMahon looks on. Mrs. Bartholmy wanted to be the first one to contribute toward this annual fund raising activity. The grand prize is a 1969 Oldsmobile or its alternative, a Hawaiian Holiday for four.

This is particularly heart-rending as Hack, before his death, has handled this function of summer operation for many years. His widow has indicated to carnival chairman Al Nehart that she will continue with this chairmanship. The Post function will be held July 12-14.

Plans For Summer Camps Are In Progress

Boy Scouts troops in the Maine Ridge District are busy making plans to attend the Northwest Suburban Council summer camps at Camp Napawa between June 19 and Aug. 24 or Namekagon Scout Reservation between June 29 and Aug. 24.

Tom Powers, 8561 Clara dr., district chairman, reports that 12 Niles and Park Ridge troops will be going to Napowan and 6 to Namekagon.

Troop 107, sponsored by Our Lady of Ransom Catholic church, will have troop camping at Napowan from June 29 to July 13; troop 173, sponsored by St. John Brebeuf Catholic church, from July 13 to 27; troop 62, sponsored by Niles Community church, from July 27 to Aug. 10; and troop 73, sponsored by St. Isaac Jogues Catholic church, and troop 45, sponsored by the Oak PTA, from Aug. 10 to 24.

At Camp Napowan, Wild Rose, Wisc., a boy may work on merit badges, advancing in rank while having fun. The water-front area provides instruction in swimming and life saving, while sponsoring a weekly water carnival. In camp craft, nature and handicrafts, the scouts develop useful and interesting skills.

Namekagon Scout Reservation, Spooner, Wisc., provides all the advancement benefits of Napowa, but few of the comforts. The Namekagon river is famous for fishing and canoeing.

Record Sales For Grills

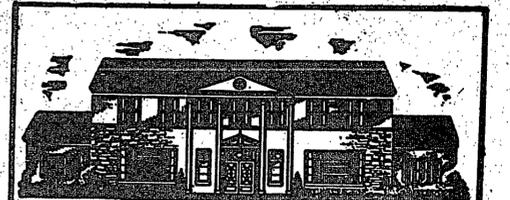

Northern Illinois Gas Co. employees sold a near-record 10,154 gaslights and outdoor barbecue grills during the first phase of the utility's annual gaslight and grill sale. Nearly half of the sales — 4,909 — were gas grills, a fact which supports the company's belief that gas barbecuing is, indeed, the "in-way" to cook out.

Special prices on the lights and grills will remain in effect through June 28, said George J. Heck, NI-Gas' general coordinator of residential sales.

Heck said that families purchasing two lights, or a light

Jehovah's Witnesses Assembly To Be Held July 4-7

F. H. Milliken, local circuit supervisor for Jehovah's Witnesses, has been assigned a part on the program of the "Good News for All Nations" District Assembly of Jehovah's Witnesses to be held at Milwaukee county stadium, Milwaukee, Wis., July 4-7. Milliken has oversight of 15 congregations in the Chicago and

Milliken will preside over a part titled "Trained to Distinguish Both Right and Wrong" on Saturday at 2 p.m. The part consists of several short skits demonstrating the Christian viewpoint on some common practices of our day. Milliken visits the Morton Grove congregation every 15 weeks in his supervisory capacity.

F. H. Milliken
Northern Illinois area. William Narve, presiding minister of the Morton Grove congregation announced today that final program arrangements have been completed.

Concerning his part, Milliken said, "It is certainly a privilege to share in the program of the 'Good News for All Nations' District Assembly of Jehovah's Witnesses. With the earth today threatened by riot and anarchy in the streets, with the nuclear threat, with the world-wide population explosion, the approaching world famine, air and water pollution and the depletion of earth's natural resources, it is certainly good to share in spreading 'good news' of God's Kingdom to all nations. And that will be our purpose in Milwaukee," he concluded.

The assembly in Milwaukee is one of 39 such assemblies scheduled for the United States this summer and is sponsored by the Watchtower Bible and Tract Society of New York, Inc. It is expected to draw 20,000 delegates from Wisconsin and parts of Illinois, Minnesota, Michigan and Iowa.

Dist. 207 Actively Honoring State Sesquicentennial

Since the opening of Illinois' Sesquicentennial year last December, District 207's three Maine high schools have actively participated in honoring Illinois on the 150th anniversary of its statehood by numerous and varied projects, activities, and performances.

at Maine West and Otto Kohler joined Mr. Stulp as co-chairman at Maine South. The committee encouraged all departments to participate in whatever way possible and since then there have been hallway displays in which historical newspapers and articles have been exhibited. Photographs and headlines have been blown up. Slides on Illinois have been shown, including two on Galena and Nauvoo. Many new books on Illinois have been added to the school libraries, and other such books have been put on sale at the bookstores. Art exhibits, orchestra and band concerts and many other activities have been dedicated to the Sesquicentennial.

the flag there. The Terrapin Club at Maine East presented a synchronized swim show in April, "Celebrating the Illinois Sesquicentennial."

Dr. Richard R. Short, Superintendent of Schools, in commenting on the schools' participation, said: "We felt that the three Maine-highs should join in the plans and programs of the Sesquicentennial to encourage good citizenship among the students. We believe it will help to develop among the students pride in Illinois' historical and cultural heritage and point the way for the preservation of its worthwhile traditions."

One of the first ways in which the Maine high schools commemorated the Illinois anniversary year was by installing and dedicating the Illinois State flag to fly each day along with the American flag. At Maine South, the new flag was donated by the school's Brotherhood Society, and was first flown last Dec. 4, the opening week of the Illinois Sesquicentennial Year.

The "Illinois State Song" was also used for a series of band concerts and assemblies at Maine West. The school band performed this special arrangement, along with appropriate script relating historical facts which pointed up the heritage of Illinois.

"The Voice Of Maine" Awards

One hundred staff members of radio station WMTH-FM, "The Voice of Maine", sponsored by Township High School District #207, recently attended an Annual Awards Banquet at the Chicago Press Club.

Mr. Floyd Kalber, NBC newscaster, gave an inspirational speech to the group and stressed the importance of a college education for those students interested in pursuing a career in the broadcasting or TV fields. "Responsibility and reliability" were the two areas of personal attributes Kalber stressed as important in any successful field of employment.

Mr. Richard Shapiro, field consultant for CBS, also spoke and noted the many opportunities for young people in the area of broadcast engineering. In speaking to the group, Shapiro said: "At this time there are not enough qualified people for the vast number of positions presently open in the field of communications - a diversified vocation full of challenge and opportunity."

Larry Lujack, WLS disc jockey "capped" the evening of inspiration and entertainment with comments on the life of a disc jockey. He stated that much thought and preparation go into each day's seemingly ad-lib productions. He further commented that the job of the disc jockey takes a great deal of enthusiasm and perseverance.

Special awards were presented to outstanding members of WMTH student staff who had made major contributions during the recent school year. John Corkill, Park Ridge, received the Maine East award; Bob Von

Sabbath Services June 21

Northwest Suburban Jewish Congregation announces that the last late Friday evening services of the season will be held June 21. After that date and until the fall, services on Friday evenings will be held at 7:15 p.m. During July and August, Sabbath services on Sat. will be held at their usual time in the morning and on the evenings when there is no Bar Mitzvah, a Mincha and Havdallah service will be held at 7:45 p.m. The Anniversary Sabbath for couples celebrating their anniversaries during June, July and August will be honored at the June 21 service. Rabbi Lawrence H. Charney will deliver a sermonette, and Cantor Lavi will chant the service. Following services, a social hour and refreshments will be served.

During the traditional Sabbath morning services on Saturday, June 22, at 9:30 Daniel Steis will be called to the Torah and become Bar Mitzvah. Rabbi Charney will deliver the charge, and Daniel and Cantor Lavi will chant the service. The parents of the Bar Mitzvah Mr. and Mrs. Eli Stein, will host a kiddush in honor of the occasion.

At afternoon services of the Mincha Maayriv services, David son of Mr. and Mrs. Sheldon Pomerantz, Des Plaines, will be called to the Torah and become Bar Mitzvah. Rabbi Charney will deliver the charge and Cantor Lavi will chant.

The NSJC Nursery School will offer a special 5 afternoon program next year for older children who miss the public school deadline. Experts in the fields of song, poetry, dance and conversational Hebrew will be used to augment the regular teacher and curriculum. Parents interested in this or other Nursery School classes should call the office as soon as possible.

Congratulations To Debaters

Principal John J. Clouser, Maine East High school, congratulates Jeffrey Kluge, Des Plaines, of the Maine East novice debate team on the team's recent victories at the Tri-Maine Debate tournament. Other members of the team from 1.) are Andrew Dzielwulski, Niles; Robert Carlton, Glenview; Jeffrey Richards, Park Ridge. Mrs. Margaret Leonard, Maine East's successful first-year debate coach, looks proudly on.

By winning the first place trophy, Maine East's novice team was also awarded the Traveling Debate trophy for the second year in succession. Individual awards went to Kluge, who won the 1st place Speaker's trophy, and to Carlton, who won the 2nd place Speaker's trophy at the strictly Maine Hi tournament. The two boys have consistently placed extremely high in all competition.

For Mr. & Mrs. Niles Of 1968???

Here we go again, Niles residents are asked to submit nominations for their choice for a deserving man and a woman as "Mr. and Mrs. Niles, 1968."

There are many residents of our village who have devoted themselves to service in the community through diligent efforts of their time and integrity. Now think of that deserving man or woman who you think should be awarded the special title of Mr. and Mrs. Niles and submit a letter to Mrs. Beverly M. N.I. Gas Co. Bond Issue Award

Northern Illinois Gas Co. recently awarded a \$25 million 25-year 6-3/4 percent first mortgage bond issue to an underwriting group headed by The First Boston Corp. at a price to the company of 99.45.

William J. Crowley, N.I. Gas executive vice-president of finance, said this represents a cost to the company of 6.796 percent, exclusive of expenses. The bonds will be publicly offered at par. The new issue will have a maturity date of June 1, 1993, and for the first 10 years will be non-refundable with debt having a lower interest cost.

Other bids were received from: Halsey, Stuart & Co., Inc., Coupon 6-3/4 % Price to company 99.11; Gloro Forgan, Wm. R. Staats Inc., Coupon 6-7/8%, price to company 99.857; Blyth & Co., Inc., Equitable Securities, Morton & Co., Inc. and Merrill Lynch, Pierce, Fenner and Smith, Inc., coupon 6-7/8%, price to company 99.799.

Net proceeds of this sale will be used to increase working capital available for utility construction expenditures and to

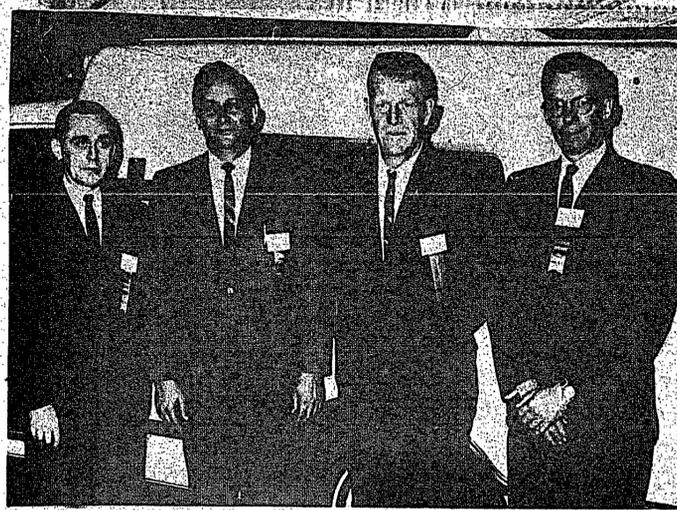

repay outstanding bank loans, if any, which the company shall have incurred prior to completion of the sale. The company estimates its utility construction expenditures will amount to \$45 million this year. The balance of the funds needed for construction will be provided from internal sources, Crowley stated, and no further public financing is contemplated for 1968.

LGH Scholarship

A Maine East graduate and an Arlington High graduate are winners of the \$500 Health Careers scholarships given annually by the Service League of Lutheran General hospital, Park Ridge.

Receiving the scholarships are Susan Marcus, daughter of Mrs. Lyle Marcus, 7448 W. Suffield, Morton Grove, and Jack Nawrot, son of Mr. and Mrs. LeRoy Nawrot, Arlington Heights.

CUBS ROLL AFTER LOSING TO GIANTS

The Cubs lost their first game of the season as the Giants squeezed out a 3 to 2 victory at Austin Park on Monday. The winning runs crossed the plate in the final inning on a disputed play, as Bob Schueller (3-0) got credit for the win.

The Cubs bounced back with a pair of wins later in the week to give them a 2 game lead over the second place Giants who lost to the Phillies 8 to 6, Jim Roland sparked in the field and at bat with 3 hits in as many trips to the plate, and Mark Hirt hit a grand-slam home run as the Cubs handed the Pirates a 6 to 2 loss. Jim Zoros went all the way to get his third win of the year. In a make-up game, Jim Roland racked up his fourth victory in a row as Tom Gregory hit a home run and the Cubs rolled to an impressive 19 to 3 win over the Cards in an abbreviated game.

In other action, Art Scheer of the Dodgers struck out 15 of the 18 batters he faced as the Dodgers defeated the Pirates 12 to 0 at Palma Park.

June 6
 Although Huebner pitched a good 5 inning ball game for the Norwood Park Savings Braves, the key factor in silencing the Braves' bats was the outstanding one-hit pitching by Warren Heinrichs and Charles Hebeisen, with the former leading the Niles Intern'l Hse. of Pancakes Colts' attack with 2 hits, allowing them to win 5 to 0.

June 10
 The Niles Intern'l Hse. of Pancakes Colts continued on their winning ways with the usual good pitching by Zeman and Hebeisen, combined with a home run by Hebeisen and a triple by Bob Schmid, leading them to a sounding 6 to 2 victory over the Barr-Stalport Co. Dodgers. Contributing on the behalf of the losing Dodgers was Bob Sall with a home run and the combined pitching of Miller and Elatkin.

The VFW #7712 Cubs snapped their losing streak behind some fine play and hard hitting, which resulted in a 5 to 4 victory over the Callero & Catino Redlegs. The hitting and pitching stars of the game were Ken Gruba and Corey, The Cubs, who were deserving a win for a long time, finally put together a fine team effort which brought them their second victory of the season.

June 11
 All members of the Red Balloon Coffee House Giants team played heads-up baseball and contributed 110% team win over the Norwood Park Savings Braves, 12 to 3. The fine pitching of the Giant team was turned in by Loomis and Leddy while on the mound for the Braves, on the losing chore, were Hubick and Huebner.

"I AM NO HAPPY" was the comment of Pirate Manager Ed Haase when the Lyttons Pirates were defeated by the Lawson Products Phillies, 20 to 11, which proved not to be a pitcher's duel but a hitting contest bringing together two top contenders in an exciting slugfest. Pitching for the Phillies were Scott Lettow and Fruehauf, while Haase, Wojcik, Reeve, Saccamanno and Furmanski hurled with great effort to stop the winning rally of the Phillies. Also contributing on the behalf of the Pirates was Joseph Saccamanno hitting two home runs for the losing cause.

June 12
 Home runs by McDonnell, Lesniak, Elin and Dayment added another victory for the Imperial Eastman Mets in a 4

to 4 decision over the Brighton Awnings & Storms Cardinals. While Draths did the hurdling for the losing Cardinals, McDonnell pitched 6 innings for the victorious Mets.

June 13
 The VFW #7712 Cubs gave the E. R. Moore Co. Astros the scare of the season but finally fell by a score of 11 to 9. Leading the Astros' attack in the hitting department were Bill Keener, with 2 for 3 and 4 RBI's, and Mike Jerger collecting his 3rd home run of the season. Bill Keener put out the fire for the on-rushing Cubs in the 5th and 6th innings in relief by striking out 5 of the 6 batters he faced. The losing factor for the Cubs was the 7 walks that contributed to the Astros' win. The Cubs hammered out 4 home runs in a losing battle of hits.

June 14
 Cood 4-hit pitching turned in by Coteus, Draths' 3 for 3 and Brekke's 2 for 3 turned the tide on the Lawson Products Phillies in an 8 to 1 victory for the Brighton Awnings & Storms Cardinals. Sant, going all the way for the Phillies, was the losing pitcher.

The Red Balloon Giants set down the Barr-Stalport Co. Dodgers, 3 to 1, by excellent pitching from Larson and Parker. Helping the Giant cause was a circus catch by Leddy and a terrific throw by Mike Walsh to home plate from center field to cut down a run. The Giants turned in an all around team effort to subdue Spray, who pitched for the Dodgers in the losing contest.

June 15
 The Norwood Park Savings Braves played a very good game but were on the losing end to the Lyttons Pirates, 4 to 3. McEnergy, going 6 innings for the Pirates, helped win his game with a home run to add to his fine over-all performance of the day. On the mound for the defeated Braves were Scher and Huebner.

June 16
 In what could be considered one of the most exciting games of the year brought the Imperial Eastman Mets and the Red Balloon Giants together with the latter being defeated 3 to 2. The Mets broke it up in the bottom of the 6th with 2 runs. Bob Scott, going all the way for the Mets, Larson and Parker pitching 3 apiece for the losing Giants.

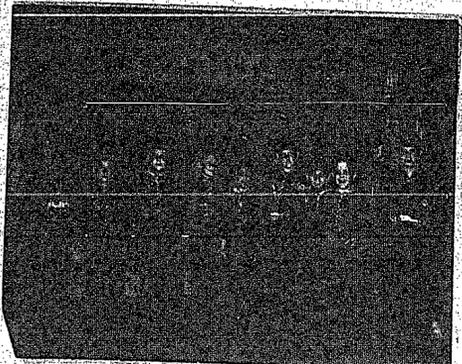

Sedjo, pitching for the Lawson Products Phillies, turned in one of his finest performances on the mound defeating the E. R. Moore Co. Astros, 12 to 1, while Jerger and Keener toiled 3 apiece for the defeated team. Besides pitching a one-hitter, Sedjo also contributed to this overwhelming victory by collecting a home run with 2 men on.

Pack 45 Pinewood Derby

The Indianapolis '500 was dull in comparison to the Pinewood Derby race held May 23 by Cub Pack 45. With all the boys in the pack cheering them on these young racers were first place winners in their den. L. to r.: Mike Schutten, Den 1; Dave Barninger, Den 2; Danny Jasinski, Den 4; Richard Bodzewski, Den 5; Doug Olson, Den 6; Billy Rings, Den 8; Mike Janis, Den 9; Larry Aschacher, Den 10; John Schauderna, Webelos. The pack winners are: John, first place; Dave, second place; and Doug, third place.

Fun For All At Picnic Held For Pack 45

The annual family picnic for Cubs and Webelos of Pack 45 held recently at the Clayton F. Smith Forest Preserve proved to be another successful affair sponsored by the pack committee. The families were encouraged to arrive as early as possible to partake in breakfast if they preferred, bird watching and fresh air sniffing. As the Moms began unpacking the baked goodies, hot dogs, hamburgers, cooking utensils and soft drinks in preparation for lunch, the boys quickly sorted out their extra activity equipment and began a game of rotational baseball.

After a hearty lunch everyone gathered around the pavilion for the presentation of advancement awards, CITIZEN: Gary Kozanec; OUTDOORSMAN: John Obermaler; and SPORTSMAN: Leonard Patke.

Mr. Carl Lundius announced his retirement as Cubmaster and introduced Mr. Helmeniak, who will assume the reigns of Pack 45 in Sept.

Thirty-six Cubs, who had sold ten tickets or more were cited for their expert salesmanship of Scout-o-rama tickets and received Illinois Sequencentennial patches for their uniforms.

Immediately following these awards, organized games to test the skills of all Cubs, their families and friends were well under-way.

As early evening approached families and friends packed up their equipment and left the grounds with pleasant thoughts of a day well-spent with fellow Cubbers and friends.

Legion Monthly Meeting Review

The 7th Dist. American Legion, Dept. of Illinois, recently met at the Morton Grove Post 134 for their monthly session. Meetings are rotated between the various posts each month in the North Shore area, both of Chicago and the suburbs, which makes up the district of the American Legion. A pre-meeting dinner was held at Dohl's Morton House.

In the absence of the district Sgt. at Arms, Morton Grove's Rifle Squad commander Al Nehart, who also serves as post Sgt. at Arms, performed the district duties including presenting the colors, escorting

7th Dist. American Legion Auxiliary director Gloria Jackson to the rostrum, and also presenting the Legion Cook county queen winner, Karen Zupko. She had been the 7th Dist. queen prior to her winning the award which will now entitle her to reign over the 4th of July Soldiers Field Legion fireworks program.

The Morton Grove Post was doubly honored at this phase of the evening as Miss Zupko, a Niles West High school graduate this June, was their entry in the district competition, having been crowned in March at Post 134 ceremonies. Another highlight of the evening was the presentation, also an honor for Morton Grove, of SAL advisor Roman Lach (both a past 7th Dist. commander as well as former post commander of Morton Grove 134) of a check for \$222.00 which the Morton Grove's Post Sons of the Legion had raised in a drive for the state Gifts for the Hospitalized Veterans. This was the first time a contribution by an S.A.I. group had been given to this department program. The SAL are Legionnaires' sons under 18 years of age.

Tony Dow Co-Star

Tony Dow, the young man who played Beaver's big brother in the television series, "Leave It To Beaver," has been signed to co-star with Jane Russell in "Here Today" at Mill Run Playhouse June 25 through July 14, producer Carl Stohn, announced today. Dow returns to acting after two years in the service.

NI-Gas Files With SEC

Northern Illinois Gas Co., announced May 16 that it has filed a registration statement with the Securities and Exchange Commission covering its proposed \$25 million first mortgage bond issue.

According to William J. Crowley, NI-Gas executive vice-president in finance, the bids are scheduled to be opened June 11, given necessary regulatory clearances and satisfactory market conditions.

The financing will be used for the company's 1968 utility construction program, estimated at \$45 million. The balance of the construction funds will be provided from internal sources.

Crowley said the \$45 million construction budget reflects a step-up in forecasts of new household formations in NI-Gas' service territory, additional development of natural gas underground storage fields, and construction of more mains from these fields to the company's markets.

Baloo finds that he has taken on more than he bargained for when he tries to hold that tiger, mean-tempered Shere Khan, in Walt Disney's animated musical, "The Jungle Book," with the voice talents of Phil Harris, Sebastian Cabot, Louis Prima, George Sanders, Sterling Holloway, J. Pat O'Malley and Bruce Reitherman. Filmed in Technicolor, "The Jungle Book" was inspired by Rudyard Kipling's "Mowgli" stories.

Discount Card For Theatregoers

As a special incentive to regular theatregoers, Mill Run playhouse producer Carl Stohn, Jr., announces a new discount subscription plan. A discount card contains five coupons redeemable for one ticket to each of five consecutive productions. The total cost of the package is \$17.75, giving the purchaser a more than 10 percent saving. The coupons are good for performances Sunday through Thursday when single ticket prices are \$3.95. Discount coupons are on sale at the theatre box office in the Golf Mill Shopping center at Gold and Milwaukee in Niles. For information phone 297-2044 or call the Chicago number, 774-3825.

Jane made 18 motion pictures after "The Outlaw" was released. Included in her film credits are "The Paleface," "It's Only Money," "His Kind of Women," "Gentlemen Prefer Blondes," "The French Line," "The Tall Men," "The Revolt of Mamie Sattler," "Friday, 13th Night in Paris" and "Waco."

Jane is still under contract with Hughes whereby she agrees to make six motion pictures with payments to be made over a period of 20 years. She has also branched out into other activities in the entertainment world. Recordings made with the Four Girls, consisting of Jane, Connie Haines, Beryl Davis and Della Russell (who later dropped out of the group) brought attention to Jane as a recording artist and were responsible for the wave of popularity of recorded spirituals. They also aroused the interest of MGM records and resulted in her first solo album.

Jane began a career as a nightclub entertainer. She made her debut at the Sands hotel in Las Vegas and has worked in clubs in this country as well as in Europe, South America, Mexico and Australia. Her television appearances have included guest spots on variety shows such as Perry Como, Steve Allen, Ed Sullivan and Red Skelton, and she has starred in such dramatic shows as Colgate Theatre and Westinghouse-Desilu playhouse.

Pre-Broadway Production

"The Crocodile and the Cockeyed Moose," an original pre-Broadway comedy by Marvin Sandberg will be produced by Carl Stohn, Jr., in association with Alfred Wallace and Charlotte Bunin at Mill Run Playhouse July 16 through August 11. Virginia Graham and Fred Clark star in the play which has a supporting cast of Chicago performers. The director is Harvey Medlinsky who has been Mike Nichols' assistant and staged many road shows for Nichols.

Chaplain to Teach

The Rev. John E. Keller, chaplain in the rehabilitation center for alcoholism at Lutheran General hospital, Park Ridge, will teach at the Rutgers university Summer Institute on Alcoholic Studies July 1-19. This is the ninth year he has been on the faculty.

Pastor Keller has been on the staff of Lutheran General since 1963 and has spent the last 14 years specializing in this area. He is the author of the book "Ministering to Alcoholics," now in its second printing.

Before beginning his ministry working with alcoholics and their families, he served parishes in North and South Dakota and Illinois.

He is a graduate of Wartburg college, Waverly Iowa, and Wartburg Theological Seminary, Dubuque, Iowa.

Co-Op Education Unit Has Final Meet Of Year

Cooperative Education Advisory committee of Maine Township High School Dist. 207 convened for the final time for this school year May 15 at the Des Plaines Elks club.

The Advisory group is made up of employers of the Maine Township area and staff members of the Maine high schools in the best interest of making part-time work programs available for many non-college bound students from the three Maine high schools.

Maine's Cooperative Business Education program allows enrollees to attend school half-time and work half-time under supervision in carefully selected business firms. The students are paid for working, and also receive credit for graduation.

This carefully planned Cooperative Education program is divided into five close-knit divisions. The first, Distributive Education, provides a head-start for seniors who are interested in the field of sales distribution and services.

Diversified Occupations classes are designed to provide, on a part-time basis, vocational training in one of the many trades. Office Occupations courses give on-the-job experience to students interested in office work as a career while the Supervised Job Training program gives training in a semi-skilled or service occupation, such as the repairing and chain store checking. Food Occupations give students of Maine high schools the opportunity to explore a food occupation career such as those jobs available in a food store, bakery or restaurant.

All students participating in any of the five phases of the Cooperative Education program must be 16 years of age or older. They work half-days in all of these programs, while taking school subjects which will upgrade their general educational background.

Family Sabbath services will be held this Friday, June 21, 8:30 p.m. at Mark Twain School 9401 Hamilton Ave., Des Plaines. Prayer books and Bibles pre-

MC Juniors To Attend Workshop

The Morton Grove Junior Women's club, an affiliate of the I.F.W.C., announced this week that officers and chairmen of the club will attend a 10th Dist. workshop and luncheon. The workshop will be on June 27 at the First Methodist church in Evanston and all the clubs in the 10th Dist. will be participating. The day will be spent gathering and studying information useful to the various departments within each club.

Mrs. Hans Swanson, ways and means chairman, would like to acknowledge the support given by Morton Grove residents to the club's recent "Bake Sale on Wheels." Appreciation also goes to Gerald Fabst and Montgomery Olds for use of the two station wagons which carried the baked items.

MTJC 4th Annual Dinner Dance

Maine Township Jewish Congregation's 4th Annual Dinner Dance will be held Sunday, June 23, 6:30pm at the Equitable Bldg., Crystal Room, Chicago. Over 200 are expected at this culminating event, celebrating the successful guiding campaign to erect a synagogue in the new Golf area. The new edifice at Ballard and Parkside, Des Plaines, is currently under construction. The Jewish congregation plans to begin the new Hebrew-Sunday School season in the fall in the new religious school building. High holiday services will also be conducted in the new air-conditioned Community Hall.

Marc, son of Mr. and Mrs. Harry Weisberg, 7029 Greenleaf, Niles, will be called to the Torah as a Bar Mitzvah at the traditional Sabbath morning services, June 22, 9:30am, at Mark Twain School.

The Maine Township Jewish Congregation Summer Bowling League is currently under way. The League bowls each Tuesday evening at Classic Bowl, Morton Grove. For information contact the Synagogue Office, 827-7201.

Leaders Discuss "Human Problems"

Municipal leaders from throughout the northern and western suburbs met at Des Plaines' Forest hospital May 28, to discuss the "human problems" of the suburbs and "the total role of city government."

Co-chairmen for the meeting were Mayor Herbert H. Behrel of Des Plaines, Nicholas B. Blase, Mayor of Niles, Jack B. Fah, President of Elk Grove Village, Albert J. Smith, President of Skokie, and Paul H. Thomas, President of Glenview. The speakers were Arthur J. Holland, former Mayor of Evanston, now teaching at Rutgers University, and Michael Gorman, Executive Director of the National Committee Against Mental Illness in Washington and a leading figure in mental health in this country.

A major subject of discussion was the unwillingness of many communities to accept responsibility for needed programs until the need approaches the point of crisis. This was discussed in terms of education as well as mental health.

Municipalities represented at the meeting included Des Plaines, Skokie, Bloomingdale, Roselle, Northfield, Lincolnwood, Northbrook, Barrington, Palatine, Deerfield, Elk Grove Village, Glenview, Niles, Park Ridge, Mount Prospect and Morton Grove. Mayors, city managers, council representatives, youth commissioners and other city officials were among those in attendance.

Mr. Gorman also addressed the last in the 1967-68 series of lectures at Maine Township High School South, co-sponsored by the Forest hospital foundation and the Maine Adult Evening school.

Speaker On "The War On Poverty" Here June 21

Miss Lola Belle Holmes, a veteran of seven years' undercover work for the FBI, will speak on "The War on Poverty Is a Fraud" at Banker Hill Country Club, 6635 Milwaukee Avenue, Niles, on Friday June 21, at 8 p.m. The speech is sponsored by the North Suburban TACT Committee. Local sponsors of the Committee include the Northwest Suburban Support Your Local Police Committee.

Lola Belle Holmes infiltrated the Communist apparatus for the FBI in 1956. For seven

long years she took orders from Communist bosses and reported all to the authorities.

In 1963 she surfaced to give testimony before various government bureaus. The Illinois Department of the American Legion awarded her the Citation of Distinguished Service to the United States in 1964 for her bravery and patriotism.

The public is invited to hear this talk. Tickets are available at the door or by writing or calling North Suburban TACT Committee, 8761 Ozanam, Niles 965-3009 or 299-1692.

Publicity Thanks

Dear Sir:

I want to thank you for the splendid way you helped publicize our Poppy Day Drive. Though it was a rainy and miserable day, we reached the quota that we were striving to attain. It was the largest (Money wise) Niles V.F.W. Poppy Day we ever had. The members, Ladies Auxiliary, Niles Lions and volunteers on Thursday, May 23 (Poppy Day) collected a total of \$4001.79 through the sale of Poppies.

On behalf of the Niles V.F.W. Post #7712, I want to thank you for the wonderful cooperation you gave us this day.

Sincerely yours,
Henry Symer
Poppy Day Chairman

Jerome Pisano While at Loyola, Jerome was a member of Alpha Sigma Phi fraternity and served as president of the Interfraternity council. He will enter the Loyola university School of Dentistry in the fall.

From The Left Hand

The National Rifle Association is reported to be urging members to write Congress to oppose gun controls. Because they're well-organized an avalanche of mail generally is sent to all members of Congress. It takes much more prodding to arouse individuals to take pen in hand and contact their Washington representatives. We hope all those horrified by the recent assassinations will contact their Washington representatives immediately.

Organizing as the NRA has one and as politicians do when they want to bear weight on

a convention is a lesson all of us should learn when we're interested in any public action being taken. The recent failure of the Maine High referendum points to the need for a supporting committee to be formed to seek its passage. After experiencing voting on so many issues it seems a supporting committee for the passage of any referendum is a necessity. Niles Park Districts' upcoming vote has a citizen's committee supporting it and the 12 consecutive passages of votes in district 63 had groups of residents actively pushing for their passage. Obviously voters are easily disposed to oppose an issue. In seeking their support for an issue a personal sales job goes with the territory.

Two large murals for the Maine East cafeteria were done by the students of the school's Art Club. The first mural, entitled "Illinois: 1818 to the Present," was designed and painted by Scott Becker, a junior. The second one was done by Ronald Bell and Thomas James, also juniors at East, and entitled "Illinois - 150 Years Hence." The murals include the faces of such famous figures in Illinois history as LaSalle, Clark, Douglas and Lincoln and pay tribute to the homeless but equally important people who helped develop the state.

The Festival of the Arts at Maine East and Maine West both have presentations of the Illinois Sesquicentennial as part of the festival, with special exhibit sections set up for display.

U.S.O. Visit A Success

A new course, "Illinois History on Wheels," will be given at Maine South this summer, especially in commemoration of the Illinois anniversary. The course will be open to all students in the district, and will be six weeks long, featuring tours to Springfield, New Salem, Galena and other historic sites in Illinois.

Students in the Maine South Drama class gave the play, "Spoon River Anthology," by the well-known Illinois author, Edgar Lee Masters, while the school's Industrial Arts department joined with the Art department in a collaborative exhibit, "Highlights in Illinois Architecture: 1818 - 1968."

These departments - as well as most all other departments in all three Maine high schools - have made a real effort to join in celebrating Illinois' anniversary year and to depict in every way possible the slogan of the Sesquicentennial... "150 years of a good life."

The annual "Messiah" concert given at Maine East on the opening day of the Sesquicentennial celebration in December was dedicated to the 150th birthday of the State of Illinois. The Winter concert Feb. 25 and the Spring concert March 10 was also dedicated to the Sesquicentennial.

Maine's radio station, WMTH, has used tapes from television programs depicting the background of Illinois; and the Home Economics departments at all three high schools have given fashion shows with the Sesquicentennial serving as the theme and featuring the styles of the past up to the present.

The art departments of the three schools have been particularly active in honoring Illinois on its 150th birthday. There have been special exhibits in the libraries of the schools, art galleries and hallways as well as in the art rooms, of paintings and sculptures of great Illinois personages such as Lincoln, Sandburg, Hemingway, Stevenson; also artwork depicting the Chicago Fire, Lincoln Douglas debates, even the world's first atomic reaction at the University of Chicago.

The delegation who hosted the U.S.L. party was headed by Auxiliary President Mrs. Jack Bartholmy. She and her family deserve some sort of extra medal for their attendance. Husband Jack, Nina's mother Barbara Cozzo and the Bartholmy daughter Barbara also all accompanied Auxiliary prey and her other officers.

Bringing along their husbands were two other Auxiliary members. The couples in the group were Mr. and Mrs. James Campanella and Mr. and Mrs. John Sepesy.

It is reported the delicious food spread out on the lovely refreshment table was devoured in no time; and then dancing followed with the Morton Grove contingent probably the "belles of the ball" with all these servicemen who visit this "home away from home." This group was ready to return it is said when they related to their friends the day's experiences, as they all enjoyed themselves tremendously adding you have to visit once to really see how it is; and then you want to return and help again soon.

number of students that will be enrolled at Maine East.

Wephermann said: "The addition of a wing on the west side of Maine East to house the administrative staff would, in addition to allowing room for the much needed classroom space, also consolidate the district offices, now located in several different sections of the building and community, into one area close to but in isolation from regular Maine East student traffic. It would also, with proper design of the wing, alleviate a serious maintenance problem which exists in relation to the present swimming pool facilities."

At this point, Dr. Richard R. Short, School Superintendent, advised that the Board has the legal authority to attach this type of an administrative facility to one of the existing school plants and by so doing at least \$100,000 that might

be required to purchase land elsewhere, for such building would be saved.

Mr. Hartzell asked John Wilkins to report on the possibility and feasibility of funding the recommended project. Wilkins stated that approximately \$200,000 had been advanced from the Building Fund to finance construction, logically a part of the funds available through the successful bond issue voted upon by the citizens of Maine Township on March 11, 1967.

Wilkins also said that he had made a careful review and analysis of the capital expenditures that need to be made on existing buildings. He suggested that, by programming some of these projects over the next several years, some \$25,000 to \$50,000 could be made available for this construction project. These funds, along with approximately \$150,000 of un-

committed funds from the 1968-1969 Building Fund budget would make it feasible for the Board to consider investing \$400,000 in a construction project to house administrative offices.

On the basis of the Wephermann and Wilkins reports the Board requested the Building and Grounds committee to proceed with Kristmann, Erickson and Stillwaugh, school architects, to plan for a wing to be added to Maine Township High School East to house the District #207 administrative offices, at a cost not to exceed \$400,000 to 450,000.

Hartzell adjourned the "special" meeting and called a meeting of the Education Committee to further review the Craft studies related to the Rules and Regulations of the school district.
