## From The Left Hand GIVE OK TO WATERLINES

By David Besser  
Editor & Publisher

For years we fought the "battle of the pinballs" in Niles taking a rather lonely stance at a time when we wished for some public support. Village officials looked at us as if we'd contacted some disease while tavern keepers and local grill owners spoke our name with the affection reserved for counter-men who were trying to keep their fingers in the cash registers. Since the weekly take for some store owners was several hundred dollars a week, we earned our reputation deservedly.

While the catharsis, which made Niles bone clean and was largely responsible for its All America award, was a meaningful issue more recent campaigns have not had the sense of the dramatic which the hoodlum-dominated pinball activity had.

One subject which has long concerned us and should be discussed concerns hoodlum-owned business in the area. The Chicago Crime Commission has periodically announced the Apex Amusement Co. in Niles is owned and operated by hoodlums. More recently they also mentioned one auto agency in the area is frequented by hoodlums. The Commission long has recommended if such businesses, which have hoodlum ties, were not supported by the public they would soon die on the vine.

While the businesses hoodlums own may well be respectable, and run perfectly legitimately, nevertheless the money flows back into hoodlum coffers. Thus, by the very nature of using their merchandise we, the public, are supporting their enterprises and perpetuating their ever-increasing stranglehold on our country.

In addition to not supporting hoodlum-tied or dominated businesses public officials could take a first step by barring

## You're On The BUGLELINE

BUGLELINE returns to THE BUGLE this week. Questioners this week ask what is the jurisdiction of the different police agencies? Can a police car continue pursuing a car when it goes beyond its village limits? Another questioner would like to know whether or not to proceed thru a red traffic light when turning onto a street which has a light after the turn? And what is a school bus? Are all the camping buses in the area considered school buses and should drivers stop for these vehicles? BUGLELINE answers may be found on Page 15.

Niles passed a resolution Tuesday night allowing the Dempster Plaza Shopping Center in the unincorporated area (at Dempster and Greenwood) to connect its water lines with Niles mains.

While the action may well lead to further annexation Mayor Blase said "serious thought of annexation must be considered" but added "unincorporated residents must have a shot at it" which means Niles will not consider annexation until after unincorporated residents vote on incorporation, possibly next winter. Blase made it clear Niles will not consider annexation at this time.

In okaying the tie-in the Plaza owners will foot the approximate \$50,000 cost for the tie-in under Dempster st. and Niles will directly benefit by its being able to loop its water circuit in this area, improving water distribution for its north-end residents.

While no estimates of the sales tax bonanza have ever been published the sales tax kick-back to the community which owns the center could well exceed \$200,000 annually. Niles receives revenue from the Golf

Mill Center which is estimated at \$500,000 yearly. The drawback to annexation is the cost of police, fire and public works services to the area, which would likely include the multiples and high rises there.

The only trustee to oppose the water tie-in was Todd Bavaro, who admitted while he was not against the tie-in he said he would not vote for an issue which he was not familiar with. Tuesday night's resolution was the first discussion of such an agreement.

In other actions Blase appointed a commission headed by Tr. Keith Peck to study the future for Niles village hall. Because the fire department will move out of the Touhy ave. station when the new station is completed the poor location and inadequate quarters will likely be replaced by a new building at a more centrally-located area. In addition to Niles' official family, architect Del Bianco and Accountant Bob Callero are included on the commission.

Other actions included the appointment of Ben Mankowsky as Building Commissioner re-

## Aftermath Of A Crash

On the scene shortly after the crash of a disabled Navy jet fighter plane next to the home of Mr. and Mrs. Benjamin Masters, Glenview, BUGLE photographer Glenn Brasch, Niles, got this picture of the destruction caused by the flash fire that resulted from the jet fuel spilled through the house. The Masters' daughter, Cynthia, only family member in the house at the time, died in that fire. Pilot of the plane, Vietnam combat veteran Lt. William Reinders, suffered fractures of both legs and his left arm after ejecting from the plane shortly before the crash. Reinders has stated that the tragedy took place within 30 seconds after he had taken off from the main north-south runway on a regular monthly training flight.

## Seek Mr.-Mrs. Niles

The hunt is still under way for Mr. and Mrs. Niles of 1968. According to Mrs. Beverly Firmiss, chairman of the contest, nominations may be submitted to her until the night of the judging on Friday, July 12.

Niles Drugs, ten dollars in merchandise apiece from the Lawrencewood Merchants Assn., and dinners for the entire family at Booby's.

This year's outstanding Niles man and woman will be the recipients of a bounty of prizes. Mr. Niles will receive an AM-FM five-band portable short-wave radio from Karnes Music Co.; Mrs. Niles will be awarded an AM-FM table radio.

Also awarded to the winning couple will be a case of champagne from Eddie's, Dempster and Milwaukee; perfume for Mrs. Niles and after-shave and cologne for Mr. Niles from

Niles residents themselves will determine how many men and women shall be nominated for the contest, according to Mrs. Firmiss. This is Niles' chance to choose and recognize its own outstanding civic-minded residents. Mrs. Firmiss also outlined the rules of the contest and stated that nominating letters will remain sealed until the night of the judging. All letters must be signed.

## Referendum Date Near

With only a little more than a week left before the July 20 date for the 2 Niles Park Dist. bond referendums, the park district and the Niles Park Advisory Recreation committee (a group of concerned citizens) have entered into the final phase of work to get out the vote.

In the Ballard Park area a door-to-door drive is being made to inform residents of the Niles Park Dist. "you must be a registered voter to vote for the July 20 bond issues." Residents may register at the Niles Village Clerk's office, 7166 Milwaukee ave.

Both groups hope to pass 2 bond issues totaling \$1,670,000 to undertake the work of providing more parks and better facilities for the ever-increasing population of Niles.

### Brebeuf Teen Club Dance Tomorrow

Friday, July 12, the St. John Brebeuf Teen club is holding a dance for the youth of the area featuring that sensational group the "Wee Hour." The dance will be in the gym, 8301 Harlem, from 7:30 to 11:30 p.m. The admission price is \$1.25 at the door.

The "Wee Hours" is a five-man unit that has played many engagements here in Niles and other suburbs. Not too long ago they won the Niles Youth Congress "Battle of the Bands." A fan club has already been formed and has a large membership. With a light show and great showmanship they promise an evening of entertainment.

The SJB Teen club is also sponsoring folk fests every other Wednesday night from 7:30 to 10 p.m. The next scheduled night is July 10. All folk fests will be outside or in the school hall, 8301 Harlem, depending on the weather. Folk groups and singers provide the music, you provide the fun. Admission is 50 cents.

### Volunteers

Once again members of the Garden club of Niles have voluntarily donated their time and plants to help beautify our village. Planting annuals in front of the Niles Village Hall for the 4th consecutive years are: Sandie Friedman, Betty Dedekind, Sharon Geis, Lucille Kozanecki and Elsie Geis (not pictured).

### Parade Leaders

Oakton Manor Homeowners annual 4th of July parade was led this year by the VFW of Niles Color Guard and Women's Auxiliary. The parade was taken to Oakton Manor Park where the festivities began. The three winners from the individual blocks were chosen. There was food all day, games for every age group and ball games. The day ended with a street dance, with two bands—one for the younger set and then the adults danced till 10 p.m.

### Hospital Aide

Mrs. Sidney R. Straus, 9059 Grace st., Niles, has been named assistant director of volunteers at Lutheran General hospital, Park Ridge.

Mrs. Straus was formerly secretary in the volunteer office. She has been with the hospital for over five years. She has two daughters, Michele, 18, and Suzanne, 14. Mrs. Straus will help schedule the 650 adult volunteers who regularly work in the hospital.

### Tuxis Youth Car Wash

The Tuxis Youth group of the Niles Community church, 7401 Oakton, will sponsor a car wash, proceeds of which will go to purchase Christmas gifts for our fighting men in Viet Nam. The young people are working in cooperation with the Red Cross. Help give our boys a good Christmas. Let them know we in Niles care! Time is 11 a.m. to 3 p.m. in the parking lots of the church, Saturday, July 13.

### On Dean's List

Patricia De Paep, daughter of Mr. and Mrs. Edward De Paep, 7805 Neva, Niles, was named to the Dean's List for academic excellence following the completion of the 1967-68 spring semester at Dominican college Racine, Wisc.

Miss De Paep, a junior at the liberal arts college, is majoring in English. She earned a 3.88 grade point average.

### Prizes For Niles Days

A Grand Prize Mercury Montego Sports Coupe will head the list of prizes during Niles Days, July 17-21. Drawing for the car, equipped with power steering, radio, white wall tires and wheel covers will be held during the Sunday Climax of the festival celebrating Illinois' 150th Anniversary.

Proceeds from the drawings will be turned over to form a Niles Drum and Bugle Corps; proceeds from past festivals have helped such other civic projects as library improvements, park sites, and benevolent funds.

In addition to the drawing for the Montego, drawings will be held nightly for other prizes at the festival at the Lawrencewood Shopping Center. Prize at the Wednesday, July 17 drawing will be a woman's wig.

### Goal Is Topped

From l. to r.: Mrs. Margo Campbell, 8435 W. Oak st., Niles, chairman, offers Mrs. Joseph A. Roseman, Glenview chairman, the support needed to chalk up the good news that the Niles Heart Fund has exceeded its goal. \$8,201 was collected in Niles from residents and businesses and their employees. Arthur Travers, vice president of Wells Lamont, was business chairman. Total Heart funds collected in North Cook County equalled \$130,324—the highest amount collected by any suburban division.

### Seek Solution

One of the many meetings held between the P.A.R.C. and the Board of Commissioners of the Niles Park District striving to resolve problems for the benefit of the residents of the Park District. Among those present are, pictured from l. to r.: Louis Schreiner, president of the Park Board; Walter Zinn, member P.A.R.C.; Ray Eagan, commissioner Niles Park District; Abe Selman, co-chairman, P.A.R.C.; Gerald J. Sullivan, vice-president, Niles Park District; Michael Provenzano, commissioner Niles Park District; and Jack C. Leske, commissioner Niles Park District.

### Huge Success

The first 4th of July Old Fashioned Ice Cream social, held by the Niles Senior Citizens club at Jozwiak Park in Niles, with the cooperation of the Niles Park District, was a huge success. Close to 200 friends, relatives of Senior Citizens helped them make their Ice Cream social a happy affair.

With a program resplendent with the Color Guard from Niles VFW Post 7712, and Niles Girl and Boy Scout Troops, marching proudly, things started moving with some lively Martial music furnished by the Niles Park District's Mobile Unit.

Speeches by Park Commissioner Michael Provenzano and Michael Wozniak, president of Niles Senior Citizens club, moved the program along. A very short speech by the President of the Park Board, Louis Schreiner, ended the speech making part of the program.

Then came the ice cream and the music. The Senior Citizens and their friends, enjoyed over two hours of marches, waltzes, polkas, fox trots and even a charleston demonstration by one of the younger Senior Citizens. An added feature was the solo by Bill Stebler. Also on the musical agenda, was an old-fashioned Sing-a-Long by the Senior Citizens with Bing Crosby.

### Gives Tornado Rules

Morton Grove Civil Defense Director Milton A. Erickson has reminded residents if a tornado is sighted in the vicinity of Morton Grove, air raid sirens will be sounded. The alert will be a 3-5 minute steady blast. Sirens will not be used for tornado forecasts, watches, or general warnings.

## Morton Grove Senior Citizens List Activities

An enlightening day was spent by the Morton Grove Senior Citizens July 1 at the National Park fieldhouse.

July Birthday party was held for the following members: Elizabeth Laska, July 9; William Haefke, July 14; Rhoda Johnson, July 17; Helga Anderson, July 20; Lota Rinas, July 21; Frances Tobey, July 24; Hans Kruger, July 24; John Zika, July 26; Tillie Wedel, July 28; Emilie Rohleder, July 30.

The birthday table was decorated in patriotic colors by Dorothy Howorka and her assistant, Esther Fray.

After the party the group was taken on a "Safari thru the Uganda" by Dr. E. F. Webb, a Skokte Doctor. Dr. Webb showed movies based on his personal hunting experiences in Africa. After the African Safari, the group was entertained by the following Senior Girl Scouts of Morton Grove and their leaders: Jane Urfer, Sue Foreman, Judy Valentine, Pam Jacob, Linda Koss, Sharon Hollander, Linda Demko, Debbye Baylen, Nancy Oddie, Mrs. Urfer and Mrs. Koss. The girls sang many songs, and 3 of the girls accompanied them with their guitars.

Frieda Cording, Dorothy Howorka and Emilie Rohleder stopped to welcome Jennie Tornquist home from the hospital. Senior Citizens are looking forward to visiting the "House of David" in Benton Harbor, Mich., July 17.

On July 3, several of the Senior Citizens from Morton Grove went to the Wednesday matinee at the Mill Run Playhouse to see Jane Russell in "Here Today."

All the programs are planned by the Senior Citizens supervisor, Mrs. Clare Schaefer.

### Aviation Course

A new Aviation Familiarization course for Chicago suburban high school teachers was inaugurated recently at a luncheon meeting attended by more than 70 people at O'Hare Inn.

The course, to be taken by teachers selected by publishers of the Suburban Press of Chicago newspapers, will be held this summer on the various facilities of local dealers of Piper Aircraft Corp. of Lock Haven, Pa., one of the program's sponsors.

Three Maine HI teachers will participate in the program - Mrs. Joanne M. Hafner, Maine East English teacher; Larry K. Wagner, of Maine East's Physical Education department and John W. Amason, Maine West science teacher.

The program will consist of 5 hours of flight time and 20 hours of ground school. The curriculum will revolve around the basics of the well-known Audio-Visual Familiarization program of Sanderson Films, Inc., of Wichita, Kan. The course is being given to stimulate interest in aviation education among high school educators, and to provide a basis for establishment of permanent high school courses in aviation education.

### Bus Ride

Pictured are Dick Gruenwald, 8415 W. North Terrace, Niles, Maine Township area chairman, and Gary Warner, 7750 N. Octavia, Niles, Maine Township area chairman and district director, checking their list of people that will be on their bus ride to the Maine Township Republican organization's

"Party Night" at Sportsman's Park on Thursday, July 18. The chartered bus will leave from the Park Ridge Train station, at 6 p.m. The evening also includes a smorgasbord dinner at the Sportsman's club. Interested Nilesites can call Gary Warner at 967-7869 for further information.

### "Moose" Director Medlinsky

Harvey Medlinsky who has worked extensively with Mike Nichols, is the director of "The Crocodile and the Cockeyed Moose" which has its pre-Broadway try-out at Mill Run Playhouse July 16 through Aug. 11.

Dartmouth college. He polished his craft at the Yale Drama school and at the Neighborhood Playhouse. He stage-managed the Broadway productions, "An Evening with Nichols and May" and "Luv", Medlinsky directed at Bucks County Playhouse and other summer theatres.

Medlinsky reversed the usual course of theatrical events by first gaining recognition abroad for his direction of the London production of "The Odd Couple", before making his debut in the United States with "Two Weeks Somewhere Else". Since then in this country, he had directed several national companies of "Barefoot in the Park" and "The Odd Couple".

## Orion Samuelson To Emcee Hospital Gala '68 July 20

Orion C. Samuelson, well-known Chicago radio and television personality, will be master of ceremonies at Lutheran General Hospital's Gala '68, July 20 at the Marriott Motor hotel.

Samuelson who lives in Glenview, is Farm Director of WGN Radio and WGN-TV. He has been active in national professional broadcasting organizations and frequently appears as master of ceremonies at events throughout the midwest. He is a member of the Board of Trustees of Lutheran General Hospital and serves as secretary.

Proceeds from Gala '68 will go toward the establishment of a pediatric intensive care unit at Lutheran General. This unit will provide seriously ill children with special care from nurses and other hospital personnel with specialty training in pediatric intensive care. The unit will be the first of its kind in the northwest suburban area.

The benefit party will include a social hour, dinner and dancing to the music of Frankie Masters and his orchestra. Entertainment will be provided by Bob Newkirk, singing star of the Don McNeill Breakfast Club radio station; Wes Harrison, "Mr. Sound Effects," who uses a microphone, loudspeaker and an amplifier to amuse and astound his audience; and the Chainé Dancers, three men and

A few tickets remain and may be obtained by contacting the Service League office at Lutheran General. Tickets are \$25 per person.

Gala '68 is sponsored by the hospital Service League, medical staff and Men's Association.

## Hold Carnival For Downey Patients

Each year a carnival is held for the patients at Downey hospital in Great Lakes by various women's service organizations such as the American Legion Auxiliary units. Due to rain it was rescheduled for June 27-28.

A contingent of Morton Grove Unit #134, American Legion Auxiliary members always participate under the direction of Rehabilitation Chairman Mrs. Ed Lange of Skokie.

Mrs. Lange reports the members pushed the wheel chair patients from booth to booth and ran one of the booths, dispensing prizes.

Those "regulars" who offered their time, as listed by the chairman, include Mrs. Grover Blesman, Mrs. Chris Mathiesen, Mrs. William Eaton and Mrs. Karl Tegert.

# Deadline Near For Naming New Emblem

The deadline is nearing for entering the new emblem for the Village contest sponsored by the Niles Junior Miss commission.

Two weeks ago the Junior Miss commission asked for the help of Niles youth in drawing a new emblem for the Village to be used on signs and other official commission correspondence.

All Niles youth 18 and under are eligible to compete. The rules are simple:

The design for the emblem should be done on any surface - plain white paper, plaster board, anything at all - as long as the surface is no bigger than 8 1/2 inches wide and 11 1/2 inches deep. It can be done in pencil or brush.

Somewhere on the emblem, the words "Youth Capital of Illinois - Home of the Illinois Junior Miss Pageant" must appear.

You may enter as many times as you wish, as long as each entry is accompanied by a completely filled in coupon. You may fill out the one accompanying this article, or pick one up at Travel Consultants, Ltd., 8044 Milwaukee ave., Niles.

The Niles Junior Miss commission will serve as judges. The commission's decisions are final.

All entries should be mailed no later than midnight, July 15, to Niles Junior Miss Commission, 8044 N. Milwaukee Ave., Niles, Ill. 60648.

The prizes make it worth entering the contest. They are: Set of luggage from Travel Consultants, Ltd.; \$25.00 savings bond from Mayor Nicholas B. Blase; an outfit from Goldblatts in the Lawrencewood Shopping Center.

## OK Salary Revisions... 2,000 In Nilehi Classes

A revision of salaries for administrators in the Niles Township High Schools has been approved by the board of education, announced Superintendent Charles A. Szuberla.

Salaries for the high school district's assistant superintendents, building principals, business manager and his assistant, and the buildings and grounds supervisor will be open. They will not be tied to a salary schedule and will be set annually on the basis of individual performance, Szuberla explained.

Salaries of other administrators, including assistant principals, district directors and coordinators, will be based on a salary schedule recognizing degree of responsibility and service for the entire year.

Their salaries will be computed by an index, percentage, of what a teacher with a master's degree having ten years experience will earn \$11,050.

The index or percentage range for directors is 1.45 to 1.60 while the range for assistant principals is 1.40 to 1.55 and 1.30 to 1.45 for coordinators, Szuberla said.

Annual increments based on the index will be granted on the basis of satisfactory performance in the position. He added, The superintendent's salary, based on a three year contract, will remain at \$28,500 for the 1968-69 school year.

More than 2,000 high school students this summer are attending summer school classes in the Niles Township High Schools, Mrs. Gladys Shute, coordinator of the program, announced last week.

The 2,053 students, she said, represent an increase of almost 300 students over last year's summer school program. Students are enrolled in 36 different courses, she explained, with an increase of registrations being noted this year in mathematics, science, and social studies courses. There are seven classes in U.S. History, with about 240 students. U.S. History is a required course for graduation.

Typing classes are also popular with Nilehi students, she said. There are 10 typing classes this summer, two of which are advanced typing. Mrs. Shute estimated that more than 500 of the registrants are recent graduates from junior high school in the township. His chief interests lie in typing classes, Non-Western Civilization courses, basic math and algebra courses, and in a how to study course, she said. The ratio of students in courses for enrichment, advancement, and make-up remains, as in previous years, to be about one-third each.

June 28 - The International House of Pancakes Colts set back the VFW 7712 Cubs, 5-3, behind the 2-hit pitching of Hendricks and Hebeisen and some timely hitting by Kelly, Zeman, Krusen, Ortow and Hendricks. The defeated Cubs gave the Colts a good ballgame behind the pitching of Gruba and Norberg.

June 30 - Control was the answer to the game between the Lawson Products Phillies and the Barr-Stalforf Dodgers with Sall, Siers and Miller hurling for the Dodgers and Santi, not allowing any walks, going all the way for the Phillies. Phillies turned back the Dodgers with an over-whelming 11-5 victory by scoring 11 runs on 10 hits while the Dodgers scored only 5 runs on 8 hits. In the hitting department, Santi contributed to a home run and Siers going the same for the defeated Dodgers.

## Little League News

Continued from Page 8

July 1 - Good competition ball was matched between two evenly played teams when the Red Balloon Giants and the Lawson Products Phillies met in a pitcher's duel with Glenn Sedjo pitching a 2-hitter striking out 10 Giants and winning the game 1-0 and Parker of the Giants allowed but 3 hits while striking out 12 Phillies.

July 5 - The Lytton Pirates defeated the Barr-Stalforf Dodgers 9-8 with Miller and Elatkin pitching for the Dodgers and Haese doing the same for the Pirates. Dodger Bob Sall hit a tape-measured homer while Pirate Jim Jazinski homered and Joe Saccamanno hit a 3-bagger to help their cause.

July 1 - Once again the league has shown how evenly matched the teams are this year. The last place Norwood Park Savings Braves won their 3rd game of the season causing the E. R. Moore Co. Astros to lose their 2nd game in a row. Huebner pitched 6 innings holding the Astros to single base hits while in the last inning, with the bases loaded, retired 2 out of 3 batters he faced with strike-outs plus going 2 for 4 at the bat. A halt to 3 separate Astro rallies with 3 fine double plays helped the cause for the victorious Braves. At the bat for the defeated Astros was Steve Chamness with Mike Jerger pitching 5 innings.

July 6 - The Imperial Eastman Mets found themselves hooked up in a real tight ballgame with the E. R. Moore Astros. Even though winning 8-5 and continuing to lead the league, the game was not decided until the final inning. Although allowing 8 hits while striking out 7 in 5 innings, Keener, pitching for the Astros, proved to be a worthy match for Mets Daymont who allowed 7 hits and striking out 4. Jerger, relieving Keener in the 6th allowed 6 hits and 4 runs. The Astro team spirit and determination to win proved to be one of the most exciting games of the year turned in against the leading Mets. While the Astros had the winning run at home plate with bases loaded Mets Scott relieved Daymont on the mound and squelched the Astros' rally.

July 1 - The Barr-Stalforf Dodgers lost to the Imperial Eastman Mets 4-2. In a tight pitching contest between McDonnell of the Mets and Spray of the Dodgers. Spray allowed but 3 hits in a losing cause while McDonnell gave up 6 hits for the first place Mets. The difference was Richard Drehob's 2 perfect bunts that accounted for the victory over the Dodgers.

July 6 - The Red Balloon Giants suffered their 2nd successive loss at the hand of the Brighton Awnings & Storms Cardinals in a 3-1 ballgame. Brekke and Drahts teamed up to pitch a 2-hitter for the Cardinals while Leddy and Loomis did the tolling for the defeated Giants. Leading the hitting for the victors were Brekke with 2 hits and 2 RBIs and O'Grady with 2 hits and 1 RBI.

July 2 - The Callero & Catino Redlegs upset the International House of Pancakes Colts, with a 4-0 victory behind fine pitching by Calderone while Hebeisen and Hendricks toiled needlessly for the defeated Colts.

July 7 - After 5 consecutive wins the Imperial Eastman Mets succumbed to the Red Balloon Giants in the last half of the 6th inning giving them their No. 4 loss of the season and placing them in a tie with the Phillies. The challenge for 1st place becomes more flexible now that the No. 1 team has lost a 4-3 ballgame to the Giants. Hits by Paul Aschacher, Mark Mandl and Dave Callero in the last inning assisted Mike Loomis with his game winning hit to drive them in to win the exciting ballgame. Pitching for the defeated Mets were Elin and Scott while Keith Larson pitched all the way for the victorious Giants.

July 3 - The Brighton Awnings & Storms Cardinals once again turned back the VFW 7712 Cubs in a slug-fest game with the former coming from behind twice in an all-out effort to win. With Gruba pitching 6 innings for the Cubs, the Cardinals were able to pull out their victory with the combined efforts of Coteus, Jariabka and Brekke. The game totaled 18 walks, 18 strike-outs and 17 hits. The outstanding hitters on the Cardinal's side were Brekke with 3 hits and 2 pieces for Drahts and Jariabka.

July 4 - The Lytton Pirates overwhelmingly crushed the E. R. Moore Co. Astros in a 12-0 victory with McInerney going all the way for the Pirates while Jacobs and Laurie hurled for the defeated Astros. McInerney had a single, triple and home run to help his own cause while Rick Reeve contributed two hits. The Pirates' team played a good offensive and defensive game.

## From Chips To Stage

Fred Clark whose face is familiar to millions as a result of appearances on Broadway in motion pictures and on television - in "The Double Life of Henry Fife" and most recently on potato chip commercials - stars with Virginia Graham in the pre-Broadway comedy, "The Crocodile and the Cockeyed Moose"; at Mill Run Playhouse July 16 through Aug. 11.

Clark is a native Californian and a graduate of Stanford university with a B.A. in psychology. He was a pre-med student until his senior year when he appeared in a play. After that, the theatre called. He spent a graduate year in drama and then received a scholarship to the American Academy.

Clark from his long-run stint on the Burns and Allen show, his co-starring role with Red Buttons in "The Secret Life of Henry Fife", and 10 Milton Berle shows. He is now also famed for his comedy bit as the man who can't resist one more potato chip and drops a huge pile of dishes.

On Broadway Clark has appeared in "Romanoff and Juliet" and "Absence of a Cello". In London he starred in "Never Too Late" with Joan Bennett. Television watchers know

## Local Merchants' Taxes Improve Our Community

Of course you look for and find bargains in quality merchandise when you shop locally, but did you know you are also really investing in our community too? Your neighbor-merchants' taxes support civic improvements and help finance schools and recreational facilities right where you live. It pays, in many ways, to shop at home!

## Time and Transportation Costs are Saved

Instead of wasting time traveling to distant stores, the wise shopper puts that time to use in a more careful selection from the large varieties carried by our local merchants. The money saved on transportation is put to better use too — on the items themselves. Every day it will pay to shop right here at home!

## Your Merchants Are Your Own Neighbors

It's mighty nice to know that the merchant you deal with is probably one of your own neighbors. You feel you can trust him and he is eager to maintain that trust. He is anxious to please you in a personal way — to give you quality products at the lowest possible price. "Yes," you'll say, "it really does pay to shop here at home!"

The board of trustees also decided the water reservoir land at Oakton and at National can no longer be used for recreational activities. Tr. Brice told the meeting "although we probably have more recreation land available for the use of the citizens, what with our park system and our forest preserve areas, we had in the past complied with request of a citizen that the water reservoir land be made available for baseball-playing.

"However," he continued, "gross neglect and vandalism have accompanied the use of this area by the people and we are forced to post additional 'no trespassing' signs at these reservoirs."

National reservoir has suffered the most damage—glass enclosures broken, downspouts smashed, locks broken off tower control boxes, smoke bombs put through screens, flouridation indicator stolen, dogs walked on the reservoir property and bike riders and baseball players strolling across the top of the reservoir.

Brice stated "effective immediately trespassers will be prosecuted to the full extent of the law. We're tired of cooperating with people who won't cooperate."

In other action the board—  
-Refused Korvette permission to fold a circus on its parking lot.  
-Granted permission for a Muscular Dystrophy Assoc. house-to-house march Oct. 4, 5 and 6.  
-Promised a contingent of residents from the 8700 block of Scholl st. that something would be done about the noise and parking abuses occasioned by a tavern and a foreign car business in that area.  
-Ordered Village Attorney Orphan to draw up an ordinance vacating the south 40 ft. of Church st. at Oriole st., bordering Oriole Park-site of new swimming pool. Property will

be given to Park Bd. for its use providing quit claims by 11 property owners who would automatically, upon village vacation, receive small pieces of land. Property owners have already agreed to sign quit claims 30' land could be used by park district.

-Agreed to vacate Crain st. from Menard to property line of estate of Judge Shapiro, Niles Township Dept. of Special Education is purchasing property for new school. Property lines are from Crain on the north to Crain on south, Menard on east to property line on west, approximately 31 house lots. This action does not affect potential shopping center north of this area.

-Ordered 4-way stop sign at Major and Greenwood aves. because of large number of children boarding school buses at this spot.

-Appointed Dr. Cook of the Morton Grove Animal hospital and Bill Simpkin of the Meyer Funeral Home to fill the vacancy caused by Dr. Abrams' resignation from Board of Health. Abrams is leaving the area.  
-Re-appointed Robert Lutz and Harley D'Eath to Plan Commission.

### Deadline Is Near

As the deadline for the 50/50 sidewalk replacement program in Morton Grove is approaching, Supt. Fragassi of the Public Works Department suggests that residents wishing to participate in this program phone his department (9654-4100) at the earliest possible moment.

## Niles Park District

The Niles Park District has begun its summer swimming lesson program for this year. The program is designed to accommodate individuals seeking skills ranging from elementary swimming to trick diving and life saving. All lessons are taught in accordance with procedures outlined by, and under the authorization of, the American Red Cross.

With the exceptions of Adult lessons, which are held on Wednesday evening, instructions are given in the morning between 9 a.m. and noon. Each lesson lasts 45 minutes and runs three days a week for a four-week period. Two such four-week lesson periods have been arranged. The first session began on June 24 and will end on July 20. The second one will begin on July 27 and last until Aug. 24. The week between sessions will be used for make-up lessons, if necessary.

Presently, there are over 400 swimmers enrolled in the first session of the program. Although this session is now closed, applications are being accepted for the July 29 session. All are encouraged to inquire.

## Peanut League

### East Div.

The Colts rocked the Cubs by a score of 16-6 with Shermoske of the Colts adding his big bat with a grand slam home run.

The Lions are continuing their winning ways by trouncing the Mets 16-0. Shut-out pitching by D. Maller and L. Bender held the Mets in check. Larry Berlier

added a homerun to his pitching skills and triples by Bob Maller. Doug Olson and Tim Hanrahan provided the Lions with the batting punch.

The Colts won over the Cougars 16-12.

Joe Stankowicz hit a homerun for the Yankees in a 4-2 win over the Braves.

## Legion Post 134 Baseball Team Schedules Replay

Morton Grove Post 134 American Legion baseball team led defending champion Northbrook by a 3-2 score going into the top of the 5th inning at Friday, June 28 7th Dist. game at Harrier Park. The Morton Grovers not only held the lead, but had the momentum going for them which threatened to break the game wide open when the umpire-in-chief called the game because of darkness with Northbrook batting one out and no runners on base in the top of the fifth inning.

Since two more outs were needed to make the game official, the game will now have to be replayed in total. A game being played on another diamond in Harrier Park by another group continued on for

## Morton Grove Little League

Outstanding pitching performances by two members of the Dodgers pitching staff gave them a half-game lead over the Giants who also remained undefeated in second-round play. Bryan Barrish allowed just one hit in shutting out the Phillies 2-0 at National Park. Three successive doublers by Buddy Swanson, Graig Ginsberg and Art Sheer produced the winning margin for the Dodgers. Art Sheer followed with a two-hit performance against the Cubs as the Dodgers won it 3-1. Sheer struck out seven and drove in two runs in bringing his season record to 3-1. Bruce Koch of the Dodgers had a single and a double, and Kurt Edwards hit a home run for the Cubs only tally.

Earlier in the week, Kurt Edwards pitched a one-hit shutout as the Cubs blanked the Cards 18-0 at Palma Park.

Jim Barcal, of the Giants, pitched and batted his team to victory as the Giants blasted out a 10-2 win over the Cards at Austin Park. Jim got a pair of singles and a home run while batting in 4 runs. Lee Goldstein had 3 walks, a single, 6 stolen bases and scored twice in the one-sided Giant victory.

The annual Supper dance for managers, coaches, umpires, league officials, parents and fans of Morton Grove's Little League will be held on July 13 at Schneider's Banquet Pavilion at Higgins and Narragansett in Chicago.

Jack Fougere, chairman of the event, says that tickets may be purchased from player agents or team managers for \$5.00 each. Mr. Fougere, who also heads up the Morton Grove American League, reports that his All-Star team

an additional 1 1/2 innings after the MG-Northbrook contest was called "because of darkness".

It was a tough decision for the Morton Grove team to take, but they are determined to come through again when the game is replayed.

John Nemanich with two hits and a run batted in; and Wayne Karpinski with two runs batted in were the hitting stars for MG. Lefty Jerry Weber pitched great ball in clutch situations and was getting stronger as the game progressed. The team spirit in spite of a succession of crippling injuries was very much in evidence as the club played championship baseball in this game and deserved a better fate.

Winning pitcher was George Swanson who set Skokie down in order for the first three innings.

In the Sunday, June 30 contest, Morton Grove came up with their best offensive showing of the year in defeating the Skokie American Legion team at Harrier Park by an 8-4 score.

Pat McNeley scored three runs and lined out two hits to lead the MG attack. Co-captain Ed Miller, back in action as a third baseman, although playing with a broken finger, co-captain Wayne Karpinski and catcher Al Goldberg also contributed to the strong Morton Grove power display.

Winning pitcher was George Swanson who set Skokie down in order for the first three innings.

of government is a fact of modern life. Professional training, and experience are needed in seeking solutions to these modern urban problems and complexities.

Efficient and economical fiscal policy is necessary if Morton Grove is to get the needed services for its tax dollars. The League believes that responsibility for administration and accounting procedures should be fixed with one individual. The complexities of municipal budgeting and fiscal problems require specific background and training in municipal finance. Under Manager-Trustee government, the Manager plans the budget for all departments, balancing the needs of each and considering immediate needs in detail, but making provision for long-range needs. He is directly responsible to the Trustees for the financial management of the village.

The League believes that one of the greatest weaknesses of the present government is the lack of public communication about fiscal planning. The public should know the plans, problems and the alternatives, and be encouraged in public discussion of them.

Efficient operation of a public business which has 100 employees needs personnel policies. The League believes that at least the minimum standards suggested by professional personnel experts are desirable: written job descriptions, written minimum recruitment and selection standards, written salary scales, and written job evaluation procedures. All employees of the village should be covered by these personnel policies. Various improvements in fringe benefits for employees have been instituted in recent years, but other important personnel policies are variable and informal. Again, the increase in size of the government requires consideration of the need for change.

The League of Women Voters believes that the Manager-Trustee system of government would achieve efficient and economical government. It provides less political administration. At the same time, the election of Trustees insures that the government remains responsive to the will of the voters.

A succeeding article will discuss how Manager-Trustee government is adopted by a village. Criticism of Manager government will also be discussed.

## "Dream Trip" Prize For LaVelles

Although they never dreamed they would win, a dream vacation for two, 7 days and 6 nights in Las Vegas, has been won by Mr. and Mrs. Michael LaVelle, 7808 Park ave., Niles in the Vacation Invitation registration sponsored by participating merchants in the Lawrencewood Shopping center.

While the winners had a choice of Miami Beach or Las Vegas, Jean and Michael LaVelle chose Vegas. Their prize trip will include round trip air transportation, meals and \$100 spending money.

According to Mr. LaVelle, this is the first time either has ever won a prize. Mr. LaVelle says he was in Vegas for a few hours many years ago after his discharge from service but his wife has never been there. Their 4 children, Michael Jr., 12; James, 11; Keith, 8 and Maria, 1 1/2, will remain at home under the care of Mrs. LaVelle's sister and her husband.

## You're On The BUGLELINE

I often see autos driven west on Dempster Street which turn left (south) into Milwaukee Avenue and then stop at the opposite stop light rather than continuing thru. Isn't this bottling up of the intersection dangerous?

R.D.P.

Niles police lieutenant Russ Beavers told THE BUGLE an auto is to proceed on the initial light as directed which prevents the blocking of traffic at the intersection. Beavers said there are similar problems on Touhy Avenue. The first traffic light is the signal which should be obeyed.

We've often wondered what jurisdiction different police agencies have in the stopping and pursuing of autos. Can village, state and county police all make auto arrests in our area? If a police car is chasing a traffic violator must he stop at his village border if the car moves into the neighboring village?

D.L.

Again, Lt. Beavers came to our aid. He said if the police are in "hot pursuit" or within sight of the car it is pursuing it has the right to continue pursuit until the violator is flagged down. He said the police jurisdiction continues beyond the borders of his own town. He also used the term "reasonable knowledge" in seeking an offender. So long as the police have "reasonable knowledge" of the person they're pursuing they can continue seeking him outside their border.

With all the camping buses with only a few children aboard I would like to inquire whether or not cars are supposed to stop when these buses stop on the road?

R.H.B.

According to the 1957 Illinois Vehicle Law, Revised Chapter 95 1/2, whether buses have 8, 18 or 48 passengers if they comply with the code for school buses drivers must observe the law to stop when the bus indicates it is stopping. The bus must be painted yellow, the words school bus must be in at least 8 inch letters on the front and back of the bus, it must be equipped with a visual signal, two "lites" in the front and rear and with a warning arm, drivers must stay 100 feet behind the bus when the driver actuates the brakes. Cars in the oncoming lane must stop when the bus stops. However when the bus stops on a 4 lane highway or on a road where there is a meridian strip cars in the opposite lane can continue driving and the bus must pull over to the right hand lane before passengers are allowed to depart.

By Matt Kutza, R.Ph. PICNIC TIPS

Picnic season is here! Whether you serve the children a lunch of milk and sandwiches in the yard, pack a lunch for an outing at the lake or entertain on the patio, it's almost certain you'll be dining out of doors this summer.

For these next two weeks we offer these helpful hints for outdoor-eating...

1. If you're serving youngsters outside, fill a bucket half full of water and furnish washcloths and paper towels. This will make it easier to clean their hands and faces before and after eating.

2. Cut a hole in a small paper plate, turn it upside down, fit a cup in the hole, it won't tip and spill.

3. Ham the ends of your picnic tablecloth to accept extension curtain rods. This will keep the cloth firm and in place.

Our special tip is to pick up all your summer first-aid need at the store that stocks them all... BIRCHWAY DRUGS, 7503 Milwaukee Ave., Phone 647-8337.

Junior Miss Committee

Niles' Junior Miss is pictured above with members of the Niles Junior Miss committee and pageant officials. Just which girl will represent Niles in the state pageant will be decided Wednesday, July 17, in ceremonies kicking off Niles Festival Days, July 17-21. Seated at front

(l. to r.) are Bill Alton, director of the state pageant; Marge Lieske of the Niles Days committee, and Sam Bruno, who will emcee the pageant. Standing at far right are 1968 Illinois Junior Miss, Carol Intrieri, and 1967-68 Niles Junior Miss, Mary Simek.

Junior Miss Competition July 17

Selection of the 1968-69 Niles Junior Miss will kick off next week's Niles Days Festival on Wednesday evening, July 17.

Eleyen high school seniors representing Maine East, Niles West, Regina Dominica and Resurrection high schools will compete for the title in ceremonies starting promptly at 7 p.m. in the Niles Public School North, 6921 Oakton, near the festival grounds at the Lawrencewood Shopping Center.

The pageant will be open at no charge to the public.

The 11 finalists were selected from 36 girls nominated for their scholastic achievement, poise and appearance, talent, and youth fitness, according to Marge Lieske of the Niles Days committee.

One of these girls will be crowned at the Pageant:

Ann Carlson, 7066 Grennap; Barbara Grimm, 8331 New England; Lynne Harris, 8012-D Lyons; Laura Kotsiris, 8137 Field dr.; Christine Keating, 8251 N. Olcott; Linda Labiak,

8638 Oketo; Bobbie Lieberfeld, 8040-D Lyons; Debbie Mueller, 8234 Oleander; and Carol Orzech, 8135 Greenwood. All of the girls are Niles residents.

On hand to crown the winner will be the 1967-68 Niles Junior Miss, Mary Simek, 7064 W. Kedzie. Sam Bruno, former Niles trustee and an executive of Blue Cross, will emcee the pageant.

The finalists will compete for a \$500 scholarship and the privilege of representing Niles in the Illinois Junior Miss Pageant, slated for Jan. 2-4 in Niles' Mill Run Theatre.

Judges for the pageant include Rev. William Morrison

their machines from being used. Why not consider barring cigarette machines from the community? The overpriced cigarette charge is certainly not in the best interest of the community. Cost for cigarettes from machines are as much as 16 cents more than they are at local stores which sell them over the counter. Also, the use of cigarette machines allow youngsters to purchase the weed. Thus, the price is atrocious gyping the public, the hoodlum coffers are filled when the machines are owned by the hoods, and children unable to buy cigarettes in stores can easily obtain them from the machines.

We'd like to think public officials might take the first step by cooperating with the Crime Commission for making life a

bit rougher for the hoods. Unfortunately, from past experience, we expect they're going to look at us from a distance in hopes we'll go away.

Local issues which hopefully will be stirring the natives in the immediate weeks centers around Niles park issues and Morton Grove's long overdue consideration for hiring a village manager. The park vote comes up a week from Saturday and a citizens committee in Niles will begin going door-to-door in hopes of arousing support for it. Morton Grove's village manager plan is a bit of a sticky wicket. While the prestigious League of Women's Voters has led the way for such a post, and it's likely to receive endorsement from the village board, business manager Fred Huber becomes the man in the middle. While its quite likely Fred does a most able job the manager post requires an experienced professional schooled in this field.

Niles, which is a half-way house in this area, has former trustee Ken Scheel filling this post and most ably, Ken, who has long shown expertise in the field of finance, having headed Niles finance committee thru 6 years, gave up his trustee post and filled the manager opening. While not schooled in village administration Scheel holds a degree from Colgate university, and is well-grounded in the more pragmatic aspects of government and business, having headed a water softener corporation previously. Huber, who will certainly be retained by Morton Grove, may well have the inside track on the manager post. And while his filling the post may satisfy the village's official family, it may cause consternation from residents whose 2-year study concluded the post needs a professional to administer the village.

and Hamilton, Greenwood and Betty, Jonquil Terrace (Dist. 64) and Lawrencewood Shopping area. There is very little vacant land left in Niles, and this may be the last opportunity to acquire these sites.

A gymnasium is planned for Grennan Heights Park. In addition to the usual gym activities, it will house a stage to provide theatre-like accommodations for cultural and civic programs.

Ballard Park will be the site for the indoor ice arena and an adjoining outdoor swimming pool. The skating rink will be of regulation size for ice hockey. Many adult and children skating programs will be available throughout the long winter months regardless of the weather. The building will be convertible for other park activities during the rest of the year.

Other present parks will be expanded with facilities and equipment to improve their recreational value. For example, Cortland Park will get new playground equipment and a tennis court; Nico Park will get tennis, horseshoe and shuffleboard courts.
