# \$1,670,000 PARK DIST. REFERENDA SATURDAY

## From The Left Hand

By David Besser  
Editor & Publisher

Saturday's park referendum (that's a fancy word for latin scholars who insist their plurals be so stated) are the result of about 2 years of surveys and studies which have been thoroly eschewed and digested by the park board.

It held literally dozens of meetings begging the public to come forward with its opinions and suggestions which would meet the recreational needs of the community. A professional architectural-planning firm was hired which studied what seemed like every acre of vacant land, as well as studying and recommending future needs for park and recreation here.

Again, its work took about a year and their recommendations were sifted and reviewed many times. After all these endless meetings, the issues presented to you for Saturday's vote culminates 2 years of work.

No park board in our memory has labored more carefully and painstakingly to present an issue to the people it serves. Rather than throwing together a quickie referendum, Saturday's vote must be considered a most meticulous effort. And unlike referendums of many years ago, all the cards are on the table, and there is no underhanded effort to sneak thru this vote. There are 8 polls throuth the village, unlike two to four polls in past years, which provides access for pro and con voters to make their feelings known.

A capsule review of what you'll be voting for would show the vote centers around two separate issues enabling voters to clearly indicate their feeling in two distinct areas. Issue number 1 is for \$920,000 for land acquisition for 5 small parks and the improvement and development of these parks as well as present park sites. About \$820,000 will go for the new park sites and about \$100,000 for development. New sites are at Washington and Milwaukee north of Dempster, Shermer and Hamilton, Greenwood and Betty, Jonquill Terrace area on the district 64 school property and land south of Lawrencewood Center. Park officials contend these are the last available pieces of property in Niles which will serve as recreation areas.

## Kickoff Time 3 p.m. Niles Days Parade, Floats This Sunday

An All-American parade, as only the All-America City could produce, will begin the climax of Niles Days, Sunday, July 21.

Complete with all the pageantry and splendor of big brass bands, beautiful floats, and pretty girls, the parade will follow a new route, recently outlined by Parade Marshall Mrs. Veda Kaufman.

The parade will start assembling in the parking lot of Notre Dame High school, Ozark and Dempster, at 2 p.m., and roll, play and march off on its way an hour later. From the high school, the parade will proceed south on Ozark to Main, east on Main to Oketo, south on Oketo to Oakton and past the reviewing stand at Oakton and Waukegan.

The change of route, which detours the parade down Oketo to Oakton, was required because of street repairs on Harlem, the original route of the parade, Mrs. Kaufman stated.

Starring in the parade will be the 1968 Mr. and Mrs. Niles, Abe Selman and Mrs. Sandy Friedman, the 1968-69 Niles Junior Miss, chosen yesterday at ceremonies in the Niles Public School North, and 1968 Illinois Junior Miss Carol Intriari.

Another parade highlight, familiar to onlookers at past parades and the delight of Niles young people, will be Sparky,

the huge mascot of the Niles Fire Department.

Leading the march will be a police escort, followed by the Marine Color Guard from Des Plaines, the Navy Drill Team from Great Lakes and the Naval Air Force Color Guard from Glenview.

Abe Selman  
Mrs. Sandy Friedman

The Maine East Band and Pom

Pom squad will precede Niles Mayor Nicholas B. Blase, Village Manager Ken Scheel and Village Clerk Marge Lieske. Cars carrying Village Trustees Angelo Marcheschi, Keith Peck, Robert Wentz and Ed Berkowski will pass before Niles Days chairman Ben Mankowsky's car leads in Mr. and Mrs. Niles, the Illinois Junior Miss, and the Golf Mill Float carrying the Niles Junior Miss.

## NILES POLICE REPORT

July 15—  
Three speeding autos were reported at the corner of Roseview and Cumberland. Cars were gone on the arrival of the assigned officer. Matthew Barnett, 10, of 9025 Clifton, was bitten on his left thigh by a dog owned by Bernice Cohen, 9050 Clifton, Scott Brown, 8627 Ozanam, reported a bike stolen from the Niles Recreation Center. The bike is a 24 in. Stingray with red frame, white seat and chrome wheels and fenders. The rear seat of a car owned by Dolores Landise Des Plaines, caught on fire while at the Sears Garden Cen-

ter. Cigaretts were the cause of the fire, put out by NFD. Joseph Saccomanno, 12, of 8115 Elmore, was bitten on the right hand by a dog owned by Mrs. LaClair, 8114 Merrill. The accident happened in the alley of the 8100 block of Merrill. Police recovered an auto at 6853 Oakton and towed it to pound, #1. The car was a '62 Chevrolet with '68 Ill. plates HT-7011. Mr. Kenner, 7821 Nordica, reported a set of golf clubs missing from his '67 Flymouth. Mrs. Flammann, 8201 Oconto, reported finding a

Residents in the Niles Park District area will go to the polls this Saturday, July 20, to vote on 2 park district bond referenda, totaling \$1,670,000 and designed to provide more parks and improved facilities for the Niles population.

Polls will be open from 6 a.m. to 6 p.m. See page 8 for a complete list of precincts and polling places as well as other pertinent referenda information.

"Target: BETTER PARKS" is the theme of the bond referendums. A "YES" vote on these bonds will enable the district to undertake a massive upgrading of the park system and will eliminate many present problems. Some of the most obvious problems are:

1. Not enough parks - many children are not within reasonable walking distance of a park.
2. Too few ball fields - this hampers the Little League program because of scheduling difficulties.
3. No ice skating arena - the present outdoor rinks are inadequate for hockey and skating and cannot be used much of the time because of weather conditions.
4. Overcrowded swimming pool - when the temperature climbs so does the number of swimmers jamming the pool.

5. No gymnasium - in poor weather there is no place to play basketball, volleyball, or participate in recreational activities.

One of the bond issues will be for the acquisition of 5 new park sites. These will be located in the areas of Washington and Milwaukee, Shermer and Hamilton, Greenwood and Betty, Jonquill Terrace (Dist. 65) and Lawrencewood Shopping area. There is very little vacant land left in Niles and this may be the last opportunity to acquire these sites.

A gymnasium is planned for Grennan Heights Park. In addition to the usual gym activities, it will house a stage to provide theatre-like accommodations for cultural and civic programs.

Ballard Park will be the site for the indoor ice arena and an adjoining outdoor swimming pool. The skating rink will be of regulation size for ice hockey. Many adult and children skating programs will be available throughout the long winter months regardless of the weather. The building will be convertible for other park activities during the rest of the year.

Other present parks will be expanded with facilities and equipment to improve their recreational value. For example, Cortland Park will get new playground equipment and tennis courts. Nico Park will get tennis, horseshoe and shuffleboard courts.

Urge "Yes" Vote  
Niles Park District Lieutenants are supporting the park referendum on July 20.

## Scouting News

Checks totaling more than \$3,200 in commissions on sales on the Northwest Suburban Council Boy Scout Scout-O-Rama tickets have been sent to 42 Cub packs, Boy Scout troops and Explorer post in the Maine Ridge district. This money provides a source of revenue for unit activities, i.e. handicraft items for Cubs, camping equipment for Boy Scouts.

Maine Ridge district ticket chairman Robert Chodil, 8216 N. Wisner, Niles, announces that Pack 107, sponsored by Our Lady of Ransom Catholic church, received the largest commission among the Niles packs. R. M. Wenzel, 8621 Madison, Niles, was unit ticket chairman.

Unit ticket chairman Joseph Miller, 7824 Oconto, Niles, of Troop 62, sponsored by the Niles Community church, received the largest commission among the local troops.

## Jordan Galleries Now Open

Maurice Feinblatt, Rogers Park resident, has just opened Jordan Galleries, 6035 Dempster, Morton Grove and is now having a grand opening celebration.

Jordan Galleries is featuring original, imported oil paintings; antique prints and picture framing. A special feature being offered by Mr. Feinblatt is decorative handcrafted wall plaques which he makes in a process learned while he served in the air force in Southeast Asia during his one-year Vietnam tour of duty.

## Service Award

James Kramer, of Niles member of the Chicago Board of Trade and a director of Franklin Boulevard Community Hospital, receives Israel Service Award from Dr. Samuel Andelman, Chicago's health commissioner, during a cocktail party sponsored by the hospital at the Continental Plaza Hotel. During the event, medical staff members, auxiliary members and friends of the hospital purchased some \$75,000 in State of Israel Bonds.

Feinblatt Family

Maurice laminates fine prints to blocks of wood and carves designs in the wood before he applies a special covering to the finished piece of artwork. Mr. Feinblatt started about a year ago giving house parties to show his work.

All of the paintings at Jordan Galleries are priced unframed; among the featured artists is Eugene Hall. Mr. Feinblatt also does wall groupings and will make a house call, free of charge, to give advice on proper selection of art objects for the groupings.

He and his wife, Elaine, have a 2-year-old son David.

Besides the regular store hours, Jordan Galleries is also open on Sundays from noon to 5 p.m.

## Visit Museum

Dorothy Gowne of Niles was among the 1,247 visitors registering at the Museum of Navaho Ceremonial Arts and Crafts last month.

## Speaker

Jack Behrend, of 8909 Marion Avenue, Morton Grove, will be a featured speaker at the 77th Annual International Exposition of Professional Photography sponsored by the Professional Photographers of America, Inc. in Chicago August 4-9.

Some 5,000 professional photographers from all over the world are expected to attend this event. The topic of his presentation will be "Motion Picture Production."

Mr. Behrend has been president of Behrend's, Inc., of Chicago since 1960.

## Area LPN School Gets Aid From Six Hospitals

The Niles Township School of Practical Nursing, operating since 1964, will continue its program for another year with the help of six Northwest hospitals.

Until this year the school has been supported by federal funds under the Manpower Development and Training Act. However, a cutback in federal

aid left the school short about half of the approximately \$15,000 required to provide a one-year training program for 100 students in 1968-69.

Because this loss of funds would have forced the school to close, area hospitals affiliated with the school since it began agreed to underwrite the cost of maintaining the school during the coming year. After the hospitals are partially reimbursed under the State Vocational Program at the end of the year, their total contribution will have been about \$25,000.

## Niles GOP Activities

The meeting of the Niles Regular Republican organization was held on July 2, at the Grennan Heights fieldhouse, with the president, Ed Gembicki, 8746 Oleander presiding. Mr. Gembicki announced that the meetings of the Niles Regular Republican Organization will be held at the Grennan Heights fieldhouse, on the first Tuesday of every month at 8 p.m.

A ways and means committee was chosen to begin planning various programs and social events for the organization. The members are: Mandy Honold, 6646 Harts rd.; Frieda Ehn, 7750 Nora; Phyllis Peterson, 8422 Bruce dr.; and Patti Jordan, 7801 N. Harlem, was elected chairman of the committee.

Mike Provenzano, 7242 N. Crain, a Niles Park District commissioner, spoke to the group about the July 20 park referendum, and urged a "yes" vote, explaining at length the need for more Niles parks.

Suggestions were made for methods of expanding the present membership, and any interested parties may call Gary Warner, organizational chairman, at 967-7869 for further information.

President Gembicki announced the appointment of a nominating committee to select a new slate of officers for the organization. Their choices will be disclosed at the next monthly meeting on Aug. 6, and election of officers will be held at the September meeting. The members of the nominating committee are: Phillip Weinman, 8225 Olcott; Mandy Honold, 6646 Harts rd.; Patti Jordan, 7801 N. Harlem; and Gary Warner, 7750 N. Octavia.

## Appointed To Vicar Post

Rev. T. Kimball Cannon has been appointed vicar of St. Anselm's Episcopal church, 1600 N. Greenwood, Park Ridge. Rev. Cannon will conduct his first services at St. Anselm's 8 and 10 a.m. Sunday, July 21.

He comes to St. Anselm's from Trinity church, Wheaton, where he has served as curate since 1966 and for a time was interim-parish priest. A graduate of Nashotah House Theological seminary, Nashotah, Wis., Rev. Cannon also is a graduate of Northern Illinois university and New Trier High school.

He and his wife, Kathy, have been lifelong residents of the Chicagoland area. Rev. Cannon was born in Oak Park and resided in Wilmette. His wife, a native of Waukegan, taught high school in Gurnee. They are the parents of two sons, David, 3 1/2 and Peter, 2 1/2.

to keep this program going.

Hospitals providing financial support to the school are Evanston, Holy Family, Lutheran General, the Presbyterian Home, Resurrection and Skokie Valley. Two other cooperating hospitals, Northwest Community and St. Alexius, will assist another practical nursing program at Harper Junior College, scheduled to begin this fall. If this program does not open they will transfer their support to the Niles school.

"Since the school opened, we have trained about 350 LPNs, over 80 per cent of whom are now employed by hospitals and other health agencies in this area," said Mrs. Elizabeth Jones, coordinator of the school.

The school's program is divided into two parts. The first 16 weeks are spent in the class-

room, where students receive instruction in basic nursing skills and theory. The remainder of the school year is devoted to clinical training in the cooperating area hospitals, where students gain experience in medical-surgical, geriatric, obstetrical and pediatric nursing. Graduates are eligible to take the State Board Examination to obtain licensing.

The future of the school will be determined by the voters of Niles and Maine townships in a referendum on the question of establishing a Niles-Maine junior college. If the junior college is approved, the practical nursing school is expected to become part of the junior college program. If the college is not approved, financial limitations may force area hospitals to drop their monetary support of the school and the program will be discontinued.

The school, located at the Croatian Children's Home at the corner of Potter Road and Dempster, Des Plaines, is sponsored by Niles Township Community High Schools, Dist. 219. Two classes of 50 students each, beginning in July and September, are already filled, but anyone interested in applying to the school is encouraged to get on the waiting list, Mrs. Jones stated.

The Braves batters unleashed a fury of hits and runs to romp over the Cubs by a score of 19-0.

Bob Malle, Larry Bender and Bob Stetz led the Lions in hitting as the Lions defeated the Indians 11-9.

Todd Cohn's timely hit drove in the winning run for the Cardinals as they went out to down the Yankees 6-5. Jim Muller's three hits helped the Cardinals cause considerably.

The Colts pitching in their game with the Mets was just short of perfect. They allowed only one hit and one walk the entire game in defeating the Mets 9-0.

In the game between the Colts and the Cubs, Shemroske of the

Colts hit a three run homer to lead the team to a win over the Cubs by a 7-2 margin.

A timely hit by Jay Reed and alert base running by Bob Maller gave the Lions just what was needed to get by the Cougars. The Lions 4 and Cougars 3.

The game between the Cardinals and Indians was a pitchers duel all the way. Both teams were allowed only two hits. The winning run was put across in the 5th inning when B. Madura got the first hit of the game followed by Dave Prehobl's double. Cards 2 - Indians 1.

The Dodgers put on their hitting clothes in the game against the Cougars with Bob Fergus leading the attack with four hits. The Dodger pitchers combined their talents in holding the Cougars scoreless, with alert fielding for back up. The final score Dodgers 15 - Cougars 0.

Two home runs by Ken Jensen and a grand slam homer by Bob Fergus set the pace as the Dodgers beat the Cubs 16-0. The Dodger pitchers held the Cubs to only one hit.

### Reaching For A "Thousand"

Raymond and Le Roy Krier of Krier Bros. Real Estate and Insurance are pictured with five finalists of the Aetna Insurance companies 'Accent on Excellence' contest. The students and schools represented are, from l. to r., Susan Liebovitz of Niles North, Paul Merle of Notre Dame of Niles, Christopher McElroy of Loyola academy, Larry Halperin of Niles East and Christopher Peterson of Niles West, Krier Bros.

won the thousand-dollar scholarship in a contest sponsored by the Aetna Insurance Co. Applications with transcript of grades have been forwarded to the home office in Hartford, Conn. for selection of the winner who will be presented with a check for a thousand dollars drawn to any college he selects for his higher education. Winner will be announced shortly.

### At Camp Mor Gro

Each morning 120 boys and girls eagerly look forward to the great variety of activities which they are able to enjoy at the Morton Grove Park District's Camp Mor Gro. In fact, the camp has proven to be so popular the advance registration was filled in early April.

A trip through the camp reveals that it is located just north of Dempster st. between Harrer Park and Linne Woods. The site lends itself beautifully to camp activities since archery, riflery and swimming can be enjoyed in the open spaces while the more rustic activities such as chopping wood, digging fireplaces, staking claims, and enjoying the secret hiding places

provided by nature are found in Linne Woods.

The campers live and learn as they would in a primitive camp up north. They cook over an open fire; they eat and work sitting on the ground. Very little is done for the camper, as they must do it themselves. Self-reliance, the importance of the individual, and the preservation of our natural resources are constantly emphasized.

Parents are given an opportunity to participate in many of the activities with their camper on the last Friday of the four-week session. Counselor, Richard Orloff, building fire.

### Legion Team

It has been announced that Morton Grove won the protest against Glenview over a disputed ruling by the umpire in a June 23 game. The game will be replayed at a future date to be announced by 7th Dist., American Legion baseball officials.

In the Legion game with Glenview July 5 at Harrer Park, the Morton Grove team found the game called in the 5th inning on account of darkness. The score was tied 6-6. Gary Weber relieved pitcher George Swanson in the first inning and again excelled on the mound for Morton Grove. The game will be replayed in its entirety at a future date.

Two days later Northbrook defeated Morton Grove Post 134, American Legion team 3-0. The local team dropped a thriller at Harrer Park to the defending champions.

Shut out baseball was pitched for the first five innings. The pitcher tired in the 6th and with one man on base for Northbrook was relieved by George Swanson. A wild pitch and an error produced two runs for Northbrook and the champions added one more in the 6th inning to wrap up a 3-0 victory.

The Morton Grovers will play Glenview, Wednesday, July 17 there; North Shore at Harrer Park, Friday, July 19; and also a home game, against Northbrook, Sunday, July 21.

### Aboard USS Brule

Navy Lieutenant (junior grade) James D. Devine, 24, son of Mrs. and Mrs. Stephen J. Devine, 8936 Marmora ave., Morton Grove, and husband of the former Karen F. Oehler of 4946 W. Dakin st., Chicago, is serving aboard the light cargo ship USS Brule. His ship is engaged in the logistical support of Navy Riverine Forces in the Mekong Delta in Viet Nam.

## M. G. American Legion News

When the state convention of the American Legion Auxiliary convenes Thursday, July 25 at the Sherman hotel in Chicago, Morton Grove Unit 134, American Legion Auxiliary, retiring president, Mrs. Jack Bartholmy, 8713 Austin, will be part of the awards committee.

The honoree will help hand out awards and trophies for the various categories of contests being held between the Auxiliary units in the state.

The actual awarding of prizes will take place during the Friday, July 26, session scheduled from 8 a.m. to noon. This will be the 48th annual convention of the state of Illinois American Legion Auxiliaries. It will continue through Saturday, July 27.

Department officers are to be elected as well as delegates to the National convention.

Mrs. Bartholmy is, no doubt, hoping that some of the awards she will be presenting will be to her own unit for competition which they have entered in various fields.

Donald Miner, 7741 Churchill, is the son of Mr. and Mrs. Edwin Miner, and a Maine East student. He is a member of the National Honor Society, also belongs to the math honor society and is planning at University of Illinois, further education upon graduation. With two younger sisters in the family, the part time Jewel employee was an election official at Boys' State. Mythical parties are formed, elections held after nominations and the boys learn about petitions, manners of elections, etc.

Gary Howard, son of Mrs. Jeannette Seracy, 8932 Mc Vickers, attends Niles West. He has a brother and also holds a part time position. He is a commercial representative for Illinois Bell Telephone Co. Gary is interested in all sports and plays golf. He was a member of the school's football team a year ago and has now gone out for soccer. He maintains high grades and has received both the bronze and gold keys at school. At the Springfield session, he was part of the "model county". Grading was done for marching and house-keeping. Gary was also elected the city treasurer, and corporal during the week's stay.

Steven Carlson, son of Mr. and Mrs. Ted Carlson, 9216 Sayre, is a Niles North student. Also active in sports, he enjoys politics too. Next year he will take a political science course. Steven is a caddy at the North Shore Country club and participates in football. In addition, he belongs to the YF's, a national student organization and is a member of the Students for Reagan committee. He has a younger sister in 5th grade.

By Wally Motyka - PICNIC TIPS

4. Take your tossed salad for your picnic in a plastic bowl with a tight cover. Dressing in a separate container. When you're ready to serve, add the dressing. (make sure the cover is tight) shake the bowl a few times for mixing.

5. Toss a handful of salt on the coals of your grill to both cut down on smoke and lower flames.

6. To keep your paper plates from blowing away, use double-faced sticky tape on the plates. The weight of the food will keep the plates firmly fastened to the table.

7. For dining on the patio, put your table service and accessories in a dish drainer for one-trip transport. Use the same drainer for collecting dirty dishes for return to the kitchen.

## Meet July 23

The Board of Education in East Maine School Dist. 63 will meet once a month for July and August — on July 23 and Aug. 27, 1968.

## Community Effort

Traffic movement along Howard St., in Niles, has been greatly improved with the completion of throat-widening at both the Caldwell Avenue and Lehigh Avenue intersections. This much needed project was spearheaded and directed by Richard C. Crossley, President, Electro Products Laboratories, Inc., with the cooperation of the Skokie Valley Industrial Association and the financial support of 19 companies located within the industrial or along the route.

Mr. Crossley is pictured here (center, holding folder), along with representatives of some of the participating firms, shortly after the new access lanes to Caldwell were opened for traffic.

Those firms that subsidized the project are: Anesite Division of Clow Corporation; Bart-Stalport Company, Croname, Inc.; A.B. Dick Company; Martin Driscoll and Company, Eagle Sheet Metal Mfg. Company, Electro Products Laboratories, W. W. Grainger, Inc.; Harcourt, Brace and World, Inc.; Honeywell, Inc.; I.T.E. Imperial, Kenron Aluminum & Glass Corporation, Lawson Products, Inc.; Salerno-Megowan Biscuit Co., Schering Corporation, Geo. T. Schmidt, Inc.; Teletype Corporation, Vapor Corporation and Wilson Jones Company.

The check that Richard C. Crossley, (center) President, Electro Products Laboratories, Inc., Niles, is presenting here to Kenneth Scheel, Village Manager of Niles, represents a combined effort of the local industrial community, George B. Anderson, Village Engineer for Niles, witnesses the exchange.

Richard C. Crossley, (on the right), President, Electro Products Laboratories, Inc., Niles; and George B. Anderson, Village Engineer of Niles, are shown here inspecting one of the just-completed access lanes leading west from Howard into Caldwell Avenue, Niles.

# America's Junior Miss Will Visit Niles

The First Lady of American youth, America's Junior Miss will visit Niles July 25 for a full day of activities.

Deborah Faulbon of Norman, Okla., the winner of the America's Junior Miss Pageant last March in Mobile, Ala., will spend a day in Niles as part of her nationwide tour.

A big day is planned for her. She will start off the day with a breakfast with the Niles Junior Miss Commission at the Golden Nugget Restaurant in Lawrencewood Shopping Center, sponsored by the Lawrencewood Merchant's Association.

Following that, she and Carol Intriari, Illinois Junior Miss, along with the newly selected Niles Junior Miss, will make a police escorted tour of the village visiting parks, schools and playgrounds around the village. At noon Debi and Carol, along with Niles Junior Miss, will lunch with members of the local press, who will be guests of Mayor Nicholas Blase at the Mai-Tai Restaurant in Golf Mill Shopping Center.

Debbie Faulbon

Then the grand climax of her day in Niles will come that afternoon at 3 p.m. when she will be helicoptered to Lawrencewood Shopping Center where Debi will be presented the key to the city by Mayor Blase.

It is only fitting that Debi stop off at Niles because this village has been host to the Illinois Pageant for the last two years and will be again in January, at the Mill Run Playhouse.

Traveling with Debi is a motion picture crew shooting the annual Junior Miss Film that is shown around the country. The film crew will be back here in January to shoot the state pageant, a first for Illinois.

# M.G. Juniors Urge Tougher Legislation On Firearms

Members of the Morton Grove Junior Women's club, an affiliate of the J.F.W.C., have signed and helped to circulate a petition distributed by the Americans for Firearms Control. The petition urges Congress to pass stronger and more effective gun legislation. Specifically, it demands legislation prohibiting all mail order gun sales and requiring the registration of all firearms.

To help further this cause, club members are also writing individual letters to their Congressmen and urge others to do the same. As the petition states, "The need is clear and urgent not only in light of the recent murders of national leaders, but also from the horrifying national statistic of death by gunshot."

An effort to help stop legislation threatening veterans' benefits and veterans' administration programs and services has been of concern to the Juniors, too. Letters were written by the club, to Illinois senators and representatives after the American Legion brought attention to the bill. House Resolution HR 15413, if passed, would close 30 V.A. hospitals, eliminate 24,000 V.A. hospital beds, reduce V.A. patient treatment of 200,000 annually, curtail the activation of additional medical services and defer replacement of obsolete and worn out hospital and medical equipment.

## Legion Auxiliary

The Morton Grove Past President's Parley meet every second month. The group have luncheon and spend a social afternoon.

The parley is composed of former presidents of the Morton Grove Unit 134, American Legion Auxiliary. During this past year, under Mrs. Jack Bartholmy, president, the former year's president, Mrs. William Eaton, of Morton Grove, was chairman of the Past President's Parley committee.

Mrs. Eaton reports there are presently 31 dues-paying members in the group. Some are not able to attend regular sessions due to their age. For instance, the oldest member was president of Unit 134 in 1925 (and we bet she doesn't hedge on her age, either!).

During this past year one member received a gold necklace upon reaching her 75th birthday.

At each monthly regular unit meeting as well as the formal installation of new officers held each year, the past presidents are always escorted to the rostrum and presented.

The biggest function of the Past President's Parley is to furnish gifts to the hospitalized women veterans. "Credit" is received in the total amount of the gifts. For this small group, last year's total credit amounted to almost \$100.00.

## Rifle Squad Meeting Tonight

The Morton Grove Post 134, American Legion Rifle squad will hold their regular monthly meeting, Thursday, July 18 at 8 p.m. at the Post Memorial Home. Usually meeting on the second Thursday of the month, the meeting was pushed forward a week due to the Legion's annual carnival last week end in which the squad participated. The Rifle squad, meets independently of the Post, and the Squad commander traditionally is the Post sgt. at arms for the ensuing year.

Election of officers is set for this meeting and other business to be transacted includes plans for the squad to march in the yearly Department of Illinois, American Legion (state) parade which concludes the convention held each July in Chicago's Loop. This year's such event, to be held at the Palmer House, will conclude on Sunday, July 28.

Retiring squad commander Al Nehart announces a bus will transport squad members and their families down to the Loop that day. Any other Legionnaires wishing to also avail themselves of this free transportation may do so by phoning Nehart to make reservations and receiving departure time. As many reservations as are available will be furnished on a first call-first come basis to Legion members and their families.

Nehart also wishes to thank the William Mulhern family who contributed a monetary sum for the attention of the Squad at their family member's wake; this donation was turned over to the Post Poppy Day.

Jim Zizzo, son of Mr. and Mrs. Mike Zizzo, Niles, has just completed 2 weeks of baseball training at Mickey Owen Baseball school, the largest boys baseball training school in the world. The school is located at Miller, Mo. and is equipped with seven playing fields, four of which are lighted for night play. Boys come to Mickey Owen Baseball school to become either a better hitter, better fielder or to pick up advice and hints from experienced coaching personnel. Jim played in at least two games per day, weather permitting, following daily practice sessions.

## "Arty" Wagon

Many of the residents of the Niles Park District have been commenting on the gay and artistic Mobile Unit which has visited their particular neighborhoods.

The two artists who played an important part in the "Arty" wagon, were Ernie Sikorski, who did an excellent job of lettering, and Mrs. Karen Porzak, who is the Park District's Art Class instructor, who painted the lifelike clowns. She was ably assisted by young Alan Furlan, who is presently attending the Park District's art class.

Alan was chosen from last year's crop of budding artists as the most promising and gifted student.

The District's Mobile Unit comes completely equipped with its own power generator, plus Loud Speakers and Mikes, and a complement of volley balls, basketballs, tennis equipment, tetherball, and loop-ball standards, plus table games, softball bats and balls, and many other pieces of recreation equipment to keep the young and old busy.

Pitching by Callero, Beusse and Panek plus hitting by Borowski, Feiss, Panek, Entratter, McEnery and Beusse managed to outlast the comeback effort of the Red Sox entire team. Pitching for the Red Sox were Kilmer, Mahoney and Jurczak. Marek had a homer in this game.

J. LoVerde & Sons Angels 5, A to Z Rentals Athletics 1.

Angels pitcher Steve Colouso limited the Athletics to three hits and one run to lead his team to victory. Excellent defensive plays by Bob Weidner, Scott Semar, Barry Mueller and Garry Les were the highlights of the game. DeVicenzo and Serra pitched for the Athletics.

## Morton Grove Little League

American League (North - Majors)

The Tigers slugged their way to two more wins last week as they blasted the Senators 9-5 at Mansfield Park and then handed the White Sox a 12-6 loss as Dave Kibort and Bob Bindus each slammed home runs for the winning Tigers.

The White Sox trimmed the Indians at National Park as Joe Zimmerman pounded out a home run.

Rain and a light schedule, held National League play to a standstill for the week.

Red Sox 4, Senators 0  
Indians 9, Orioles 8

National League (North - Minors)

In one of the most exciting games of the season, the Braves defeated the Cards 1-0 as Dave Sielck and Peter Calabrese combined to hurl a no-hitter.

Cardinal pitcher Rick Pinter pitched hitless ball, too, until Calabrese led off the 5th inning with a single, and Sielck followed with a triple to push across the winning run. Sielck was out at the plate after the tally. The Cards then loaded the bases with no outs in the top of the 6th on two walks and an error. Calabrese came in as relief pitcher and struck out the next 3 batters in a roaring finish to preserve the no-hitter and the victory.

American League (South - Minors)

Strong hitting, solid fielding and pitching has given the Indians a perfect record in grab-

bing the first round title in Morton Grove's American League Minor division. The Indians jumped off in second round play with 2 more victories to bring their winning string to 9 in a row.

First round final standings:

It's All-Star time again!

It's that time of the baseball season when a group of boys are selected to make-up a team to be entered in various tournaments in Niles and other vicinities. The team is selected by each manager entering 3 of his ace ball players; try-outs are held at one of our local baseball diamonds and 3 men are chosen to select, in their opinion, the outstanding ball players that will constitute an All-Star team to represent the Niles Little League Majors.

On Saturday, July 6 a try-out session was held and the judges were Dan Kosiba, Ted Wojtkiewicz and Bob Miller. It was their duty to select the members for the new team by their fielding and hitting abilities.

The 1968 Major All-Stars selected are: Wayne Brekke, Cardinals; Michael Calderone, Redlegs; Richard Daymont, Mets; Martin Draths, Cardinals; Kenneth Crubba, Cubs; Jeffrey Hansch, Redlegs; Charles Hebeisen, Colts; Warren Heinrichs, Colts; Andrew Jeriabka, Cardinals; Keith Larson, Giants; Daniel McDonnell, Mets; Dennis McEnerney, Pirates; Ronald Parker, Giants; Joseph Saccamanno, Pirates; Robert Sall, Dodgers; Robert Scott, Mets; Glenn Sedjo, Phillies; David Siers, Dodgers.

These boys, on July 8, at Thillens Stadium, Devon & Kedzie, entered the tournament that will bring them to compete against various All-Star teams around Chicagoland and the surrounding areas. Considering that Manager Bill Keener was able to only have one practice prior to the game, the ball players hustled to get this new team to function smoothly. Topping on the mound for the Niles All-Stars were Dan McDonnell and Glenn Sedjo. Sedjo, in relief in the 2nd inning, went 4 more innings to hold the Seward Park (Chicago) All-Stars at bay. In the 4th inning that he pitched, he struck out 9 and allowed but 2 hits.

The hitting stars for the All-Star team were Dan McDonnell going 3 for 4 and Siers who went 3 for 3. Also contributing to the attack were Larson, Calderone, Sedjo, Daymont and Draths with 1 hits apiece. The final score was Niles All-Stars 10, Seward Park 0.

The second issue which requires a separate vote is for \$750,000. Proposals include the building of a gym and a stage facility at the present Grennan Heights Park, replacing the present building, the building of an indoor-outdoor multi-purpose room, and an outdoor swimming pool at the Ballard Park north of Dempster and west of Milwaukee ave. Also included in this issue is a \$30,000 building at the present pool site which will be for youth, senior citizens and arts and crafts activities, as well as administrative offices.

The total package will cost homeowners whose homes have a true value of \$28,000—\$9.54 per year for 15 years.

It would be unfair to homeowners to use a negative pitch by telling them this is their 'last chance' to increase Niles

park lands and develop existing parks. But there is little need to explain Niles has less park facilities than its neighbors and Nilesites have consistently vetoed all but one of several past referendums.

While we've learned years ago newspapers are somewhat presumptuous when they believe they can tell people how to spend their money. But we can point out a park-oriented community certainly enhances the values of resident's property, is of immeasurable value to the welfare of the community's children and enriches the lives of the entire community by many activities which center around its recreational-educational hub. And since industry contributes handsomely to the park program we believe a residential okay Saturday is a wise investment for the Niles of 1968 as well as for the Niles of tomorrow.
