## Pilot Program Launch Education Phase Of Niles Twsp. Open Housing Plan

By Naomi Krone  
News Editor

The initial part of the community education and action phase in a pilot program to obtain non-ghetto housing for minority groups has been launched in the Niles-Morton Grove-Skokie area, according to Nilesite Betty Reed and Steve Blumberg, director of Community Relations for the Leadership Council for Metropolitan Open Communities.

The actual implementation of the Niles Township pilot program will not come before approval has been given by the Niles Township Human Relations Council, whose board is meeting this week.

Other areas being considered in the pilot program include Rogers Park, Albany Park, Oak Park-River Forest and Lakeview. Eventually the program will cover the entire metropolitan Chicago area.

Although the pilot program itself is still in a tentative stage, the education phase, according to Mrs. Reed, is an effort to distribute bumper stickers and other printed matter to persons who "wish to show visible moral support for what is already a law."

Blumberg, a licensed real estate broker and CPM before joining the Leadership Council, is hopeful that eventually real estate dealers and others having housing to rent or sell, will judge everyone only according to the normal standards in practice.

Blumberg defines the action phase of the program in the Niles Township area as obtaining the actual movement of minority group families, with the proper qualifications, into area housing. "We would hope that families with good credit, job, income and those complying to normal standards, who can afford the move would be the ones to make it," says Blumberg. "We would hope they would not be judged only on race or religion."

To date, the education phase is being carried on in all the mentioned areas, possibly on a more informal basis in the others than in Niles-Township.

While approval of local human relations councils is not mandatory, it would greatly enhance the effectiveness of this type of program and, therefore, is being sought. More definitive plans will be made after the Niles Township Human Relations Council executive board decision this week.

### From The Left Hand

By David Besser  
Editor & Publisher

Because national politics so dominates the scene this week we thought a visit with Nick Blase, the lone delegate to either convention from our area, would be appropriate.

Nick, who is the most political animal we know, seems to eschew the political scene with outright gusto and whether a Democrat, as he is, or a Republican as much of suburbia seems to be, his commentary seems significant.

As a delegate to the upcoming Democratic convention, and as a representative of the Cook County Democratic organization, we asked Nick what pressure has been applied to him in these preceding weeks to the convention. He said absolutely no effort has been made by the Party, and while admitting to be leaning for Humphrey, he expects no action from the county machine prior to the group's being caucused the Sunday before the convention.

The sole effort to "reach" the delegate is coming from the McCarthy forces. Blase noted last week two or three individually-written letters were coming into his office every day. As of Tuesday he said the letters have increased to more than 10 a day.

He will attend a Wednesday meeting by a Des Plaines' ladies group favoring McCarthy.

The sole Humphrey literature reaching the delegate comes from groups representing lawyers and professional groups who are sending bulletins favoring Humphrey. He said there has been no individual correspondence from letter-writers such as he receives from the McCarthy supporters.

Blase leaves little doubt he favors Humphrey and he questions whether the McCarthy people are "good Democrats" or whether they're really independents. He wonders if their "end the war" issue is their

July 27-The 1st game of the World Series was won by the Brighton Awnings & Storms Cardinals by a score of 4 to 0, with Marty Draths pitching and allowing only 1 hit while Keith Larson did the pitching for the Red Balloon Giants, striking out 5 Cardinals. Outstanding defensive plays by Brekke, Jarabka, O'Grady and Coteus protected the shutout victory with the Cardinals getting 5 hits, Billy Boss contributing two of them, and Brekke had 2 RBIs to give the victors a 3-run lead, which they never relinquished. It was a well-played game by both teams.

July 28-For the 2nd year in a row, the Brighton Awnings & Storms Cardinals are the World Series Champs and they proved to be worthy of the title by winning 10 of their last 11 ballgames. On the mound for the Cardinals was Brekke, allowing only 1 run, 6 hits, striking out 6 and walking only 1, while for the losing Red Balloon Giants was Ron Parker, pitching a whale of a ballgame allowing only 3 runs, 4 hits and striking out 6 Cardinals.

July 31-In the last ballgame of the season for the regular Little League games, found the Barr-Stalford Dodgers up-end-

ing the Callero-Catino Redlegs, 6 to 5. It was a team effort on both sides where everyone contributed his share at the various positions. It brought the Dodger's season record to 10 victories and 10 losses, while the Redlegs finished with 8 wins and 12 losses. Pitching for the victors were Spr, Elatkin, Rinke, Sali, Div'enzo and Henke while Aufmann, Gary, Corrado and Stanko toiled for the defeated Redlegs.

## Niles All Stars

On Sunday, July 28, at 7:45 p.m., the Niles All-Stars took on West Chatham at Thillens Stadium, and found themselves involved in another highly competitive game. The West Chatham team displayed a good deal of hustle and fine pitching by a tall, lanky boy named Lyons, and once again proving that

the ballgame is never won until the final OUT.

The Niles All-Stars defeated West Chatham, 1 to 0, with Danny McDonnell on the mound, hurling a 1-hitter, allowing no walks and striking out 13 opposing batters. Lyons also turned in a fine performance

for the defeated team by striking out 13 All-Stars but allowed 3 walks and a 1-hit batter, and only allowing 2 hits throughout the game. It was a walk to Wayne Brekke in the top of the 5th and two stolen bases to place him on 3rd base that was followed after 2 outs by Rich Dayment's base hit driving in the winning run.

Final Performances

Maine East's Summer Band will give its last performances for the season tonight, Aug. 8 at 7:30 at Hodges Park in Park Ridge, and at the Brookwood Nursing Home, on Dempster st., just west of the high school, on Sunday, Aug. 11. Theodore A. Vargas, chairman of the music department at Maine East, will direct.

Among the numbers the band will play will be "Fountain Suite" by Eric Coates; Suite from the ballet, "Swan Lake," by Tchaikovsky; Richard Mather's "Jazz Waltz"; and "Children's Overture," by Roger Quilley, as well as selected favorite marches.

"Timpani," by Robert Leist, a solo timpani and band, will feature Mark Nielson, Glenview. On Monday, Aug. 12, the band will leave for Springfield, Ill., to take part in the State Fair festivities there.

### On Schedule

Work is proceeding on schedule for Niles' new fire station located in the Tam O'Shanter Industrial Park area. According to Fire Chief Albert L. Hoelbl, good weather has enabled construction to reach the brick laying stage. Village officials are still planning on a completion date of early winter, 1968. The 12,000 square foot structure is located on Jarvis Ave., West of Caldwell Ave. Its location was recommended by the Illinois Inspection and Rating Bureau after a survey indicated this was the most ideal spot to best serve the growing industrial section of Niles and the residents in the south end of the village. The station, upon completion, will be one of the most modern and functional buildings of its kind in this area and will incorporate the latest in alerting equipment.

### Niles All Stars

In 90 degree weather, the Niles All Stars swept their 1st double-header of the season. The All Stars entered the Shabbona Park tournament competing them against the home team for the 1st game, Wayne Brekke, pitching his 1st tournament game for the Niles All Stars, struck out 8, allowed 7 hits and walked 1. Niles was put in a hole in the very 1st inning when Brekke pitched a fast ball to the Shabbona Part leftfielder, Lagerquist, with a man on and the ball was hit for a home run over the right field fence. From then on it was an uptop of the 4th and an insuring run in the top of the 6th to win the ballgame, 4 to 2. The All Stars collected 8 hits with Dayment and Parker both getting 2 apiece. In the bottom of the last inning, due to heat fatigue Bob Scott relieved Wayne Brekke on the mound with 2 men on and 1 out, striking out the next 2 men to help win the ballgame. This victory enables Niles to enter the 2nd round of the single-elimination tournament on August 10 at 1 p.m.

### Electronmicroscopy

Nileste Barbara Cook, 7700 Main st., was recently trained for electronmicroscopy, a new department to add research and diagnosis at Lutheran General hospital. Barbara, a former EUGLE employee graduated from Maine High school, East and obtained her B.S. degree at the University of Miami in Coral Gables, Fla. in June 1967. Shortly after she was employed at Lutheran General in cancer research in the pathology department. An electron microscope that can enlarge images up to 100,000 times their normal size will soon be in operation under the direction of Dr. Jonas Valaitis, chief pathologist.

Barbara was trained in electronmicroscopy for eight weeks under the direction of Dr. Eisenstein at Presbyterian-St. Luke's hospital. She prepares tissues for examination.

The second game of the day found the Niles All Stars back again on the familiar field of Thillens Stadium with the team on top, 2 to 1 over Our Lady of Pompei with Danny McDonnell doing the hurling and striking out 11 players, giving up 4 hits and only walking 1 batter. What seems to be par for the course with the 1968 Niles All Stars found them starting from behind with a lead-off home run by OLP's Torlorio in the top of the 2nd inning. In the bottom of the 4th inning, Rich Dayment led off with a 3 base hit, the next 2 All Stars striking out, followed by a walk, and a passed ball by the catcher enabled Dayment to steal home to give us the tying run. In the bottom of the 6th with Calderone getting on through an error, followed by McDonnell's base hit, then Parker forcing Calderone out at 3rd on a fielder's choice, left men on 1st and 2nd with 2 outs. This brought Joe Saccomanno to bat under heavy pressure. Joe bounced a single over the 2nd basemen's head bringing McDonnell home from 2nd base for the winning run. The Niles All Stars collected 4 hits and struck out 8 times at bat. One of the unsung heroes of the game was catcher Keith Larson who has continuously been able to cut down the runners advancing to 2nd and 3rd base. The partici-

pants in both games were Hanisch, Dayment, Sall, Calderone, McDonnell, Parker, Siers, Larson, Saccomanno, Jariabka, Brekke and Scott.

After being victorious in two highly-competitive games on Saturday, the Niles All Stars found themselves involved in another important double-header and faced the situation with control and determination.

The 3rd game of the weekend at Thillens Stadium placed the Niles All Stars against Pottowattomie Park, it was another last minute rally which pulled out the victory for the All Stars in a 7 to 6 ballgame. After jumping off to what seemed to be a run-away, top-sided game, gathering 6 runs and 5 hits in the 1st inning, the All Stars found Pottowattomie Park picking away at the lead and tying it up in the bottom

of the 5th. In the top of the 6th, Niles put together 2 hits, including a double by Jeff Hanisch, bringing in the winning run. In the bottom of the 6th, Pottowattomie came roaring back with full determination, loading the bases with only 1 out. Bob Scott, on the mound for Niles, was relieved by Wayne Brekke, who had pitched 6 innings the day before. Brekke, under great strain, with bases loaded and 1 out, retired the side with no additional runs scored. The starting pitcher for Niles was Ron Parker, going 4 2/3 innings, giving up 8 hits, 6 runs and striking out 5 players, before being relieved by Bob Scott. Relief pitcher Scott, pitching 1 full inning allowed 2 hits and struck out 1 batter. The hitting stars for the winning team were Hanisch with 3 for 3, Calderone with 2 for 3, and Dayment, McDonnell, Saccomanno and Parker contributing 1 hit apiece. This victory enables the All Stars to enter the semi-finals in this tournament with the next competitive game, to be played on Tuesday, August 6 at 6:30 at Thillens Stadium.

The 4th game of the weekend had the Niles All Stars playing their 1st game of the Niles single-elimination Tournament against Elk Grove Village at Jozwiak Park. The All Stars up-ended their competitors with a 10 to 3 victory, collecting 14 hits including a home run by Bob Sall (the 1st for the All Stars), 1 triple by Calderone and 1 double by Siers. Also in the hitting department were Dayment going 3 for 4, Calderone 3 for 3, Sall 3 for 3 and Keith Larson, 2 for 3. Adding singles to this list were McDonnell, Siers and Brekke. Pitching for the All Stars was Jeff Hanisch, allowing but 7 hits, 1 of which was a home run by Elk Grove's 3rd baseman, Stewart, striking out 8 and allowing only 1 walk. It was an all-around team effort and good team spirit that enabled the Niles All Stars to win 5 out of 4 in 2 days. The next game for the Niles tournament will be played at 6 p.m. at Jozwiak Park, opposite Kenilworth.

A tricycle will be awarded by the Morton Grove Junior Chamber of Commerce, Dale Johnson, president, announced early this week. The tricycle will be on view at the JayCee's booth at Sadie Hawkins Days in Linn Woods and will be given away free. All that is necessary is for the youngster's parents to register at the booth. The winner need not be present at the time of drawing.

Peggy Hoskins, the "Designing Woman," will participate in the Morton Grove Sadie Hawkins Days Parade. Enjoying a Fiat while in Rome last February, Peggy conceived the idea of using one in the parade. In keeping with Peggy's "one-of-a-kind" designs, the car, a daisy yellow and Peggy's theme, is the only State Spring Roadster in a 7-state area and is being used through the courtesy of Fronteras Imports, Morton Grove.

### Held Over

Out on a ledge... Jack Albany (Dick Van Dyke) goes to extremes in trying to convince pretty art instructor Sally Inwood (Dorothy Provine) that he is not a professional hood but only a struggling actor who has been mistaken for one by a gang of crooks, in this scene from Walt Disney's gangster spoof, "Never A Dull Moment" in color by Technicolor. The picture stars Van Dyke, Edward G. Robinson, Miss Provine and co-stars Henry Silva, Joanna Moore, Tony Bill, Slim Pickens and Jack Elam. It is being held over at the Golf Mill Theatre.

### Coming To Mill Run

John Forsythe, remembered for television roles as Bentley Gregg in Bachelor Father and Major Forster on the John Forsythe Show, stars in "Oh, Men! Oh, Women!" at Mill Run Playhouse Aug. 13 through Sept. 1.

Forsythe has been acting since his childhood in New Jersey where he was born. While in school, his interests centered on dramatics and sports. He began his professional career with a small Shakespearean group in New York. In addition to acting, John hauled scenery in a truck which he drove on another job.

At one point during the lean years, he worked as a waiter in a restaurant where Kirk Douglas also waited tables. Intent on becoming an actor, John took a job as assistant stage director on Broadway, but the play had a short run. From there his interest in sports won him a job filling in for Red Barber, the famed "Voice of the Brooklyn Dodgers." Sports casting opened

the way for Forsythe to join NBC as a staff news announcer. He moved on to dramatic radio for daytime serials and eventually to the new medium called television.

His first Broadway break was with Jose Ferrer in "Vicki." As a result of his second play, "Yankee Point," Warner Bros. signed him to a contract and he appeared in "Destination Tokyo" and "Northern Pursuit" for that studio. However, World War II was on and John was drafted into the Air Corps.

He returned to Broadway after the war in "Woman Bites Dog" and "All My Sons." He also appeared on television and attended Actors' Studio. His work, as impressed director Josh Logan that John was signed to replace Henry Fonda in "Mister Roberts."

More motion pictures and television shows followed (John won an Emmy in 1952) and finally John was given the opportunity to create his own role—that of Captain Fishy in the Broadway hit show, "Tea-house of the August Moon."

Mrs. Frances Bublely, teaching principal of the Morton Grove Park District pre-school for the past seven years, will be leaving this Fall to move to White Plains, N.Y. When Mrs. Bublely first came to the Park District, there were two teachers and 40 children involved in the pre-school program. Classroom space was provided by the Community church since the Park District had no fieldhouses in which to hold classes. Now, the pre-school program includes seven teachers and 260 children who attend classes in the Park District's four fieldhouses. Mrs. Florence Moore will succeed Mrs. Bublely as principal, Morton Grove Park District president, Bud White, is shown presenting Mrs. Bublely with a plaque in appreciation for her services as teaching principal.

### Schedule Pre-School Meetings For Nilehi Teaching Staff

About 100 new teachers to the Niles Township High schools will participate in pre-school meetings the week before the opening of school.

The three high schools in Niles Township will begin the school year Wednesday, Sept. 4, with a full day of regular classes. About half the newly hired teachers are replacements for teachers who resigned, retired or are on leaves of absence. The other half fill new positions. According to Raymond Tyler, director of personnel for the high school district, about 60 of the new teachers have had teaching experience, ranging from one to 17 years. He also reported that almost half the new staff have graduate degrees.

New teachers who have had no teaching experience will meet Wednesday, Aug. 28, with the principal and administrative staff of the high school buildings in which they will be teaching. All newly hired teachers will meet for the first time on Thursday, Aug. 29, in the Niles North High school for morning meetings with the superintendent and his central administrative staff.

During the morning coffee break, the parent-teacher associations of the three high schools will host the get-acquainted session. The board of education will host a picnic Thursday evening for the new teachers and their families at the Niles North building.

### Explanation

"What is the John Birch Society?" will be explained by John F. DeFriend at College of Complexes, 105 W. Grand ave., Saturday, Aug. 10 at 9 p.m. DeFriend, 8761 Ozanam st., Niles, is a co-ordinator for the society.

New teachers will spend Friday in their respective high school buildings preparing for the opening days of school. About one-third of the new teachers have been assigned to each of the district's three high schools.

The high school district's entire faculty of about 500 teachers will meet Tuesday, Sept. 3, in the high schools where they teach for most of the day. They will have lunch together at Niles North followed by a meeting in that school's auditorium.

In a letter to teachers during the summer, Schools Superintendent Charles Szuberla proposed to teachers that a major item for the school year be "creating a truly individualized and relevant educational program for our students."

Szuberla, new to the district last February, had outlined this subject to the faculty at his coming as one of three major areas of concern to all schools.

### Peanut League National Division

Who of you have ever attempted to tame a mighty lion? Consider the fact that twice before this same lion had literally chewed you to pieces. The Peanut League Dodgers displayed the fortitude of Daniel by walking in the Lions' den and fearlessly proceeding to tame them.

In regular season play the Lions had twice defeated the Dodgers, who, in spite of this fact, were placed in a three-team tie of the first round with the Yankees and Lions.

The Dodgers' first try at taming the Lions, who incidentally, were undefeated in the

second round, came in the first game of the playoff. They came through magnificently by trouncing the Lions with a score of 12-3.

Then came the Yankees. In the first and second rounds the Dodgers had managed a tie and a loss to the Yanks. In the second game of the playoffs, no quarter was asked nor given as both teams played determined, head-up baseball. But, back-to-back homeruns by Bob Ferguson and Ken Jensen started the scoring and when the dust had settled on the diamond, the Dodgers had beaten the Yankees

7-3. Both teams must be complimented for their genuine sportsman-like attitude that is evident in our Niles Little League.

The never-say-die spirit of the "Bums" displayed itself in the final game of the playoffs which matched the Lions, winners of the second round, against the first round winners, the Dodgers. On this game hinged the pennant hopes of both teams.

After two innings of play, the score was tied 2-2. In the Lions half of the third, they were able to push one run across the plate and that one run margin ap-

peared greater as the game progressed. In the top of the sixth with two men on base, Bob Ferguson lined a homerun down the right field line and the Dodgers were back in the ballgame. Ken Jensen followed with a beautifully hit ball in dead center field which should have been a homerun but for the fact that the ball had rolled under the tennis court fence and was ruled a double.

The Lions could produce no rally in their half of the inning permitting the Dodgers to emerge victorious 5-3.

Under a cloudless summer evening sky, on a playing field which was prepared to perfection the Dodgers of the East met the White Sox of the West to determine the winner of the Peanut League division. Both teams entered the game with commendable records and this game was to be a test of the skills of either team.

The White Sox played valiantly but for a losing cause as the Dodgers displayed their championship pitching, fielding and hitting forms for all to observe. The Dodger pitching staff of Bob Ferguson, Bob Woods and Ken Jensen shut out the White Sox giving up only three hits and two walks. Our congratulations go out to the Dodger manager Don Ferguson, his coaching staff George Jensen and Harold Voss and to a mighty fine bunch of boys who made up the Dodger roster.

### Coin Bourse

These markets take place on the second Sunday of every month.

sole interest in the Democratic political activity.

Blaise has a healthy respect for the independent vote and said he believes independents on the national scene may run as high as 40% of the total vote. He cites figures he's seen note only 28% of Americans are Republicans and 36 to 37% Democrats. He contends the new politics we hear so much about may evolve about this high independent vote which he believes determines the outcome of national elections. When we mentioned the high percentage of Democratic voters we've read about, he cautiously quoted former President Eisenhower's comments that Republicans have

"One man's food is another man's poison"

Over 2000 years ago this expression of opinion was made by a Roman philosopher, Lucretius. It was made in reference to one of mankind's most persistent ailments - allergies.

What the Roman philosopher did not realize, however, was that one man's blanket, mattress, pet and garden, along with literally thousands of other everyday items, can also be another man's poison.

Allergies come from five general groupings: Food... any and all different kinds; plant and animal emanation; animal dandruff; objects of contact and bacteria.

received 100,000 more votes than Democrats in the last 4 elections as being significant.

Other thoughts from the delegate said the Democrats will have a terrible time choosing a vice-presidential candidate and it is not impossible the man may be McCarthy. He thought Mayor Allotro of San Francisco, who has been mentioned for the post, is merely being paid homage, because he joined the Humphrey forces at such an early date. He said the Republicans will likely choose for Vesep a man close to the urban scene, such as Percy or Lindsay, but the Democrats have no similar candidates in sight.

Returning to the role of the independent voter he said this "new politics" has him concerned. The people, he believes, are getting away from the 2 party system and he thought the natives are indicating resentment of the convention system, which nominate the men they must elect. He thought such a movement away from it could easily lead to a candidate with a big bankroll, with much appeal, becoming a candidate in the near future. He pointed to Governor Reagan as an example of this and thought it would be "the calamity of all time" if he became President. He said strong TV imagery, along with the big bankroll, could lead to such a candidate ascending to the highest post in the land.

Nick also has a "thumbs down" attitude towards Senator Percy who Blaise indicates is nothing but an opportunist. He speaks derisively of Percy, having little respect for him.

While Blaise leaves little doubt he prefers Humphrey he admits Humphrey will have a hard time attracting the independent vote. Rockefeller is chosen by the Republicans. He said this Mc Carthy action is a "seamy thing" implying the independents will not take kindly toward Humphrey. Thus, it must be concluded the letter-writing of the McCarthyites, while not sufficiently moving the delegate, has made him aware and most respectful of the power and influence they seem to be engendering.

Blaise believes both the Republicans and Democratic delegates usually choose the man they feel most obligated to, rather than the men who are necessarily winners in November. Thus, his belief Nixon and Humphrey will be selected at their conventions.

The delegate also believes former Governor Wallace will receive 15 to 20% of the national vote and the presidential choice may well be thrown into the House of Representatives.

While the obviously party man is conforming to the rules of the game as played by the Cook county machine, he said he doesn't buy the numbers game regarding the percentage of Democrats versus Republicans. ## X-Ray Unit In Niles

Residents of Niles will have their last chance to get an X-ray today, Thursday, Aug. 8, and tomorrow at the Golf Mill shopping center. The mobile unit from the Suburban Cook county Tuberculosis Sanitarium district will be in operation from 2-9 p.m. on both days.

"The broad sweep of a community survey is the best way to find unknown and early cases of TB," said Dr. E. A. Piszczek, field director for the district. "Last year in Niles we found 107 cases of suspect TB in 3769 films taken in one week."

This survey is part of the free x-ray service provided by the district, which is tax supported, to find hidden cases of TB. The Tuberculosis Institute of Chicago and Cook county (the Christmas Seal agency), the Cook county Health department and local health agencies cooperate and assist in this effort.
