H.R. Council Gives OK To Education Phase Of Pilot Housing Program

Niles Township Human Relations council executive board at its meeting last Wednesday night voted unanimous approval and endorsement of the community education and action phase in a pilot program to obtain non-ghetto housing for minority groups that, in an initial phase, has already been launched in the Niles-Morton Grove-Skokie area.

With this approval actual implementation of the Niles Township pilot program will now begin. Action phase of the program would include the obtaining of

movement of minority group families, with the proper credit and income qualifications, into area housing.

Motor Fuel Tax

Illinois municipalities have been allotted \$7,985,002 as their share of the Motor Fuel Tax paid into the state treasury during June, according to the Department of Public Works and Buildings. Allotments to various municipalities include: Niles, \$28,254; Morton Grove, \$23,743.

From The Left Hand

By David Besser
Editor & Publisher

Illinois may well have its Democratic counterpart to Chuck Percy in the person of Adlai Stevenson, III, when the vice-presidential post becomes serious news copy in the nation's press within the next 10 days.

With the hub-bub surrounding the selection of Governor Agnew as the Republican vice-presidential candidate it is presently being overlooked that the very highly-touted name of Stevenson may succeed where Chuck Percy failed.

The remarkable similarity in the fast-rising fortunes of these two men from Illinois is astonishing. Even more remarkable is the mark both have made on the political scene. But, while Percy picked the wrong star to hitch his future to, it is quite possible Stevenson's early support of the front-runner in the Democratic race may move the very astute Stevenson into the vice-presidency post which Percy so obviously "blew".

The choice of Stevenson as a vice-president candidate may have been enhanced by last week's Republican convention. If, as the pundits suggest, Nixon bowed to the southern conservatives in choosing Agnew then it can be assumed Nixon may willingly have forfeited winning eastern industrial states' electoral votes in favor of capturing the west, the south and the midwest.

To counter a possible loss of this area they won in 1960 and 1964, it would seem likely the vice-presidential candidate of the Democrats should come from one of the big electoral states which may be in doubt. Since California and Illinois fall into this category, California's Jesse Unruh, a highly controversial Kennedy backer, could be the candidate, or Stevenson from Illinois. Since the magic Stevenson name has a golden aura of votes, inherited from his illustrious father, attached to it the likelihood of Stevenson for Veep gains authenticity.

The Stevenson mystique also might be a healing balm which would be needed after the blood-bath the Democrats are likely to engage in at the end of the continued on page 12

Niles To File Objection

Village Bd. Hears About County Laxity On Uninc. Zoning

By Naomi Krone
News Editor

Lashing out at the Cook County Zoning Board of Appeals as being what he termed "the most asinine group formed in the history of man," Niles Mayor and Maine Township Democratic Committeeman Nicholas Blase told the Niles Village board at its meeting Tuesday night the zoning board has scheduled another rezoning hearing for tomorrow, Friday night at 8 p.m. in the Des Plaines City Hall.

Petitions for rezoning from R3 (single family) to R6 (high density housing) have been scheduled to be heard for the area on the north side of Golf rd., east of Potter rd. (second appeal); from R4 to R6 on the north side of Ballard rd. east of Knight and from R3 to R6 on the north side of Ballard just west of Greenwood near Delphia. These areas are just outside Niles' boundaries.

While these sites are not owned by Morris Suson, major builder in the area, it is planned to construct high-rise buildings on most of the sites.

Blase told the village board that the county zoning board members have "never shown any regard for the desires of the surrounding municipalities and they (the members) have no knowledge of the area for which they constantly approve high-density zoning."

A representative of the Village of Niles will attend the meeting Friday night and the village plans to file a formal objection to the rezoning pleas.

The village board at its Tuesday night meeting also approved

the petition of Riggio's restaurant to have a lot facing the 8000 block of Oriole rezoned to B1 Special-Use as "a parking lot. The petition was granted upon the stipulation if the lot is not used as a parking lot it will revert back to its original R3 zoning.

The village board also passed an ordinance that will amend the building code as pertaining to subdivision regulations. It is now necessary for contractors to place certain amounts of money in escrow that will guarantee the workmanship and insure the repair of any defective improvements within 18 months of their acceptance by the village. This would cover street curbs, gutters, etc. Tr. Wentz felt there is a need for a more defined and encompassing subdivision control ordinance and the board passed a motion instructing the village engineer to begin working on such an ordinance.

On a motion by Tr. Marcheschi the board voted to provide free Niles vehicle stickers for disabled veterans upon presentation of their state ID cards; most of the sites.

Okayed a motion to purchase a new truck to aid in the tree-trimming work in the village;

Amended the amendment on definition of what is a drive-in restaurant. It now includes both drive-in and carry-out establishments;

Passed a motion the village will not do business with any of the firms recently listed in the Chicago Crime Commission report;

Referred to the Niles Zoning board two petitions for rezoning from B2 to B2 Special use for car wash at 7031 Milwaukee and another in the Lawrencewood Shopping center;

Lions Club Annual Picnic Today

"All preparations have been made for a day of recreation and fun at the annual picnic of the Lions club of Niles today, Thursday, Aug. 15 at Gage's Lake," said picnic chairman Charlie Pickup.

Gage's Lake may be reached via Milwaukee ave., to Half Day then west on route 45 to 1/2 mile north of route 120, or Tri-State Tollway to route 120 then west to route 45.

Hundreds of charcoal-broiled chickens with all the trimmings, buttered corn on the cob, gar-

lic bread dipped in butter, as well as coffee, beverages and assorted soft-drinks for the children will be served.

There will be swimming and sunning on Gage's Lake sandy beach, also races, baseball, prizes and games of many kinds. Eat and drink as much as you like, all for \$2.50 for adults, \$1.25 for children over six years of age, children under six may dine free.

As in the past, all proceeds will be used to further worthwhile activities of the club.

Heard Tr. Bavaro list proposed activities of the Niles Youth Commission for the coming year;

Held a resolution on any water tie-in between Niles and the Greenwood-Dempster shopping center;

Approved the expenditure of \$600 so the village could join the North Eastern Illinois Planning Commission which is, Blase told the board, the only group that truly services the state in the area of planning;

Approved a motion to purchase the winning painting in the forthcoming Niles Art Guild annual contest.

The board then heard Acting Village Manager Ken Scheel reel off facts and figures concerning the village during the past month: 996 arrests were made in July, there were 214 fire alarms, 95 motor vehicle accidents. In Niles in July, \$1,057 was collected on parking tickets, Waukegan rd. lighting program has been completed, about 48% of the 50-50 sidewalk program is completed, 77 electrical permits were granted (most for air conditioners), 511 miles of streets were swept, 2,435 yards of rubbish was picked up, \$5,411 in court clerk's fines collected and \$83,000 plus in May sales tax was collected.

Next meeting of the Niles Village Board of Trustees will be held Tuesday, Aug. 27 at 8 p.m.

month. When peace candidate Senator McGovern threw his hat into the ring the platform battle over Viet Nam is likely to include a second confrontation for strong massive efforts in a civil rights-aid-cities plank. The idealistic professorial McGovern - McCarthy warriors are likely to insist on a clear unmistakable contrast with the Republicans platform over, the very issue which the Republicans are resting their case for the autumn campaign.

Perhaps Hubert Humphrey might consider it politically necessary to move to the right or at least move to the center, in this issue, but with McGovern-Kennedy and McCarthy forces geared for a meaningful - no wishy-washy platform, the wounds at the end of the battle may be great.

Out of the midwest, riding on his charger which formerly placed his father in the role of the leader of the idealistic liberal element now in the McCarthy-McGovern camps, could come Stevenson to placate the wounds which are bound to result in Chicago.

One point of undetermined significance concerns the Stevenson credentials. While he is as markedly independent as his father was, nevertheless he is

a reluctant warrior in the Cook county Democrats headed by Chicago's Mayor Daley. It would not be stretching the point to believe Mr. Daley may have a strong hand in all convention matters. A second point of more passing note is that a man heading the McCarthy forces, Steven Mitchell, is the same Steven Mitchell who was top man at the conventions when Stevenson Senior was the flag bearer. Certainly, it can be assumed another Mitchell-Stevenson partnership is not beyond belief.

While Chuck Percy may have thought he had it made placing his feet in both Nixon and Rockefeller camps at the same time he might take a lesson from an even more astute politician, Stevenson, whose feet in three camps, could well place him one heartbeat away from the Presidency.

Ironically, it was another heartbeat which Stevenson's father warned. America about in 1956 which acted up during the just past Republican convention. And it was the winning candidate Nixon who also stood this one heartbeat away while Stevenson faded into presidential history. Now, the son may well help push Nixon into presidential history while a Stevenson stands only one heartbeat away.

Addition For Forest Hosp.

Forest hospital, a private psychiatric hospital in Des Plaines, will break ground for a four-story addition Saturday, Aug. 17 at 10 a.m. The hospital is located at 555 Wilson Lane.

Dignitaries from the field of mental health as well as governmental officials will be present at the ceremony as will officials and staff members of Forest hospital.

According to Morris B. Squire, the hospital's administrator, the new building will add 35 beds to the present 100-bed capacity of Forest hospital. The new facility will also include consultation rooms for psychiatrists and patients, offices for medical and professional staff, conference rooms and an auditorium for lectures and seminars.

A Clean Sweep

Drive-up banking customers of First National Bank of Des Plaines will get their car windshields cleaned free Friday and Saturday, Aug. 16 and 17.

The volunteered cleaning job will be performed by members of the Des Plaines Police Boys' club under the supervision of Pat Greco. It's all part of the boys' efforts to be of service to Des Plaines residents and in appreciation of the support given to the club.

The free windshield clean-up will be provided on all cars entering First National's new drive-up facilities Friday from 8:30 a.m. to 4 p.m., and Saturday from 8:30 till noon.

protection East Maine has only the North Maine Fire Protection Dist. For public works, says Blase, the East Mainites must go to the township government (not very active here) and to a private utility (for water) "that doesn't care about the individual, only the profit margin."

Blase stresses that, in the near future, he plans to huddle with Maine Township Republican Committeeman Floyd Fuller and try to coordinate their efforts to keep politics out of the picture when the East Maine residents try once more to incorporate. "It can be done if the citizens groups get together and there are no politics involved. 'Those people,'" says Blase, "must resolve their problems non-politically as government for that area is a necessity."

In the fourth and concluding article of this series the future of the area, according to its residents, their plans and their thoughts, will be discussed.

Report

The Northwest Symphony Orchestra held its annual meeting of Maine Township High school East on Monday, July 29. Seven members were elected to the executive committee. Three were past members — George Ricker, Dr. William Heller and Mrs. Edward Matthews, Jr. New members were Joseph Peacock, Dr. Russell P. Ephland, Walter T. Craige and Lawrence Wagner.

President John McNurney gave a report on the orchestra's past year. He pointed out that all the musicians are amateurs who perform for no pay because they love music and want to bring it to their community. Perry E. Crafton, conductor of the orchestra, outlined plans for the four concerts that will be performed during the coming season at Maine Township High schools.

Retires

Theodore C. Farge, a veteran sheet steel specialist, has retired from the sales department of the Chicago service center of Joseph T. Ryerson & Son, Inc., the nation's largest metals distributor. He had served metal users in northern Illinois for the past 15 years as a product representative for one of Ryerson's major steel product lines.

A Ryerson employee since 1942, Farge has been part of the Chicago sales organization for 26 years, serving over 20 years in the sheet and strip department.

Farge, his wife, Ellie, and their son Ted, Jr., live at 6920 Oakton ct., Niles. Another son, Earl, lives in Amarillo, Tex.

Engaged

Laura Lee Kalhaug, daughter of Mr. and Mrs. Alfred Kalhaug, Park Ridge and Airman Robert A. Johnson, son of Mr. and Mrs. Lambert Johnson, 7831 N. Nora, Niles, have announced their engagement. Miss Kalhaug is a 1967 graduate of Maine South High school and is presently working at the Standard of America Life Insurance Co. Mr. Johnson was a 1966 graduate of Niles West High school and attended Amundsen-Mayfair Junior college. He is now stationed at Keesler Air Force Base in Biloxi, Miss.

Family Nights

With a fantastic turn out of families, Oakton Manor and Nelson school had their family nights on July 25 and 29.

The leaders at Oakton Manor, Pat Rea and Tom Ryerson, had many games such as basketball toss and volleyball tournaments. Finally toward the end of the night, Kiddle Korner's Children, all in red checkered vests sang two songs from Mary Poppins, Super-call-fragillies.

tic-expl-ali-docious and Chim-Chimney. Even the tiniest voices could be heard due to the help of Donna Doud and Pat Rea on their guitars. Clowns, prizes, games, food, and music were all part of Nelson schools' family night. Kathy Sullivan and Wolfgang Schweppe had many booths and races for all to participate in. There were Bozo buckets, cutest baby contest, potato sack races and others.

List Revocations, Suspensions

Secretary of State Paul Powell has announced the revocation and/or the suspension of drivers licenses, chauffers licenses and driving privileges based on local court convictions and police reports.

Cook county revocations, driving while intoxicated, Joseph E. Penczek, 7004 W. Oakton ct., Niles.

Cook county revocations, three violations: Ronald A. Chandler, 7108 W. Niles ave., Niles.

Cook county suspensions, three violations: Richard W. Glisson, 7544 Waukegan rd., Niles; John A. Schieber, 8243 N. Parkside, Morton Grove.

In addition, persons whose licenses were suspended earlier and who did not have a total point accumulation of 62 points have been granted probationary permits to drive.

Kindergarten Roundup Scheduled For Aug. 28

Kindergarten children and their parents living north of Oakton, on Nordica, and Howard streets are asked to attend a kindergarten roundup at 9:30 a.m., Wednesday, Aug. 28 at the Niles Elementary school, 6935 Touhy ave.

Kindergarten children and their parents living south of Oakton with the exception of Nordica, and Howard streets are asked to attend a Kindergarten roundup at 1:30 p.m., Wednesday, Aug. 28 at the Niles Elementary school, 6935 Touhy ave.

At this time, the kindergarten program, bus schedules, class schedules and parent insurance, available if desired, will be explained in detail. Please bring all pre-registration materials, plus a birth certificate, and \$3.25 for book and workbook fees.

Parents new to the district or parents who have not registered their child for kindergarten are urged to do so any day Monday through Friday between the hours of 9:30 a.m. and 3 p.m. This will help us in planning bus schedules and having proper furniture, equipment and supplies for your child. You may call Clarence Culver, Niles 7-9752, for further information.

Children must be five years old before Dec. 1, 1968 to be eligible for kindergarten this year.

The PTA will serve refreshments for the parents in the school cafeteria. Service girls will take the children on a tour of the building and playground areas. A special registration desk will be setup to enroll parents in the PTA. The administration encourages every parent to become an active member in the PTA, and to work as partners with the teachers and administration to provide the best possible education for your children.

Maine S. Cards

Emergency cards and physical examination certificates for Maine Township High school South students are due at book sale time, which begins Aug. 19. State and school regulations now require all freshmen and transfer students to have a physical examination prior to attending classes. Dental examination reports will also be collected at this time. Additional forms may be obtained by contacting Maine Township High school South, 825-7711.

Emergency cards are also required of all students prior to attending classes. The information on these cards is vital in case of a school illness or accident. Books will not be sold unless physical examination certificates and emergency cards are turned in to the nurse located in the book sale area.

Thrift Shop

Sisterhood of Skokie Central Traditional congregation, under the chairmanship of Mrs. Arthur Krockey, Skokie, is sponsoring a Resale Thrift Shop at the synagogue, 4040 Main st., Skokie, Sunday, Aug. 25 from 10 a.m. to 8 p.m. Men's, ladies and children's used clothing, all in excellent condition, will be offered for sale. Many other items such as books and household goods, will also be available.

Report

The Northwest Symphony Orchestra held its annual meeting of Maine Township High school East on Monday, July 29. Seven members were elected to the executive committee. Three were past members — George Ricker, Dr. William Heller and Mrs. Edward Matthews, Jr. New members were Joseph Peacock, Dr. Russell P. Ephland, Walter T. Craigie and Lawrence Wagner.

President John McNurney gave a report on the orchestra's past year. He pointed out that all the musicians are amateurs who perform for no pay because they love music and want to bring it to their community. Henry E. Craiton, conductor of the orchestra, outlined plans for the four concerts that will be performed during the coming season at Maine Township High schools.

Retires

Theodore C. Parge, a veteran sheet steel specialist, has retired from the sales department of the Chicago service center of Joseph T. Ryerson & Son, Inc., the nation's largest metals distributor. He had served metal users in northern Illinois for the past 15 years as a product representative for one of Ryerson's major steel product lines.

A Ryerson employee since 1942, Parge has been part of the Chicago sales organization for 26 years, serving over 20 years in the sheet and strip department.

Parge, his wife, Ellie, and their son Ted, Jr., live at 6920 Oakton ct., Niles. Another son, Earl, lives in Amarillo, Tex.

Engaged

Laura Lee Kalhauge, daughter of Mr. and Mrs. Alfred Kalhauge, Park Ridge and Airman Robert A. Johnson, son of Mr. and Mrs. Lambert Johnson, 7831 N. Nora, Niles, have announced their engagement. Miss Kalhauge is a 1967 graduate of Maine South High school and is presently working at the Standard of America Life Insurance Co. Mr. Johnson was a 1966 graduate college. He is now stationed at Keesler Air Force Base in Biloxi, Miss.

Family Nights

With a fantastic turn out of families, Oakton Manor and Nelson school had their family nights on July 25 and 29.

The leaders at Oakton Manor, Pat Rea and Tom Ryerson, had many games such as basketball toss and volleyball tournaments. Finally toward the end of the night, Kiddie Korner's Children, all in red checkered vests sang two songs from Mary Poppins, Super-cali-fragilis-

tic-expi-ali-doctous and Chimney. Even the littlest voices could be heard due to the help of Donna Doud and Pat Rea on their guitars. Clowns, prizes, games, food, and music were all part of Nelson schools' family night. Kathy Sullivan and Wolfgang Schewpe had many booths and races for all to participate in. There were Bozo buckets, cutest baby contest, potato sack races and others.

List Revocations, Suspensions

Secretary of State Paul Powell has announced the revocation and/or the suspension of drivers licenses, chauffers licenses and driving privileges based on local court convictions and police reports.

In addition, persons whose licenses were suspended earlier and who did not have a total point accumulation of 62 points have been granted probationary permits to drive.

Cook county revocations, driving while intoxicated: Joseph E. Penczek, 7004 W. Oakton ct., Niles.

Cook county revocations, three violations: Ronald A. Chandler, 7108 W. Niles ave., Niles.

Cook county suspensions, three violations: Richard W. Glisson, 7544 Waukegan rd., Niles; John A. Schieber, 8243 N. Parkside, Morton Grove.

Kindergarten Roundup Scheduled For Aug. 28

Kindergarten children and their parents living north of Oakton, on Nordica, and Howard streets are asked to attend a Kindergarten roundup at 9:30 a.m., Wednesday, Aug. 28 at the Niles Elementary school, 6935 Touhy ave.

Kindergarten children and their parents living south of Oakton with the exception of Nordica, and Howard streets are asked to attend a Kindergarten roundup at 1:30 p.m., Wednesday, Aug. 28 at the Niles Elementary school, 6935 Touhy ave.

At this time, the kindergarten program, bus schedules, class schedules and pupil insurance, available if desired, will be explained in detail. Please bring all pre-registration materials, plus a birth certificate, and \$3.25 for book and workbook fees.

Parents new to the district or parents who have not registered their child for kindergarten are urged to do so any day Monday through Friday between the hours of 9:30 a.m. and 3 p.m. This will help us in planning bus schedules and having proper furniture, equipment and supplies for your child. You may call Clarence Culver, Niles 7-9752, for further information.

Children must be five years old before Dec. 1, 1968 to be eligible for kindergarten this year.

The PTA will serve refreshments for the parents in the school cafeteria. Service girls will take the children on a tour of the building and playground areas. A special registration desk will be set up to enroll parents in the PTA. The administration encourages every parent to become an active member in the PTA, and to work as partners with the teachers and administration to provide the best possible education for your children.

Maine S. Cards

Emergency cards and physical examination certificates for Maine Township High school South students are due at book sale time, which begins Aug. 19. State and school regulations now require all freshmen and transfer students to have a physical examination prior to attending classes. Dental examination reports will also be collected at this time. Additional forms may be obtained by contacting Maine Township High School South, 825-7711.

Emergency cards are also required of all students prior to attending classes. The information on these cards is vital in case of a school illness or accident. Books will not be sold unless physical examination certificates and emergency cards are turned in to the nurse located in the book sale area.

Thrift Shop

Sisterhood of Skokie Central Traditional congregation, under the chairmanship of Mrs. Arthur Krockey, Skokie, is sponsoring a Resale Thrift Shop at the synagogue, 4040 Main St., Skokie, Sunday, Aug. 25 from 10 a.m. to 8 p.m. Men's, ladies and children's used clothing, all in excellent condition, will be offered for sale. Many other items such as books and household goods, will also be available.

Here's a perfect example of why we, here at THE BUGLE, have made it a policy to accept automobile advertising from authorized New Car Dealers only...Last week a young man home from the Air Force, bought a used car from White and Cronen. There were things to be done on the car...The salesman agreed the things should be done and the car was sold under the agreement...When the young man picked the car up the salesman assured him everything had been taken care of...That night, after getting the car home, the young man found none of the things done. George Economus, veteran Ford salesman, was contacted...without any red tape...without questions...the car was taken in and put in proper condition...might add - the original salesman is no longer employed at White and Cronen.

In nearly every case, when you buy a car from an Authorized New Car Dealer, he will satisfy your service needs as a protection of his franchise and his service department reputation.

Tom Lyons, owner of the Chrysler-Plymouth dealership in Glenview, is taking a well-deserved vacation.

Back from "Sick-Bay" are Mr. Nugent of Volkswagen and Jim Jennings of Jennings Chevrolet...Del Townsend, of Des Plaines Motors, is taking a little longer to snip back but according to the word from the dealership, he is improving.

John Benson at Jennings Chevrolet is all smiles...He moved enough new '68 Chevies to drop his inventory from 240 to 207...He is still "wheeling and dealing" as the '69s are just around the corner and he must make room.

One of the finest booklets I've seen on Car-Care is free to you by writing Champion Spark Plug Co., Dept. CJ, Box 910, Toledo, Ohio 43601. Be sure to enclose a stamped, self-addressed envelope.

Keep watching for the "Tom True" car contest...Plans are underway to bring you this fun-filled game with valuable prizes... should be ready to start in about 3 weeks...I know you'll like it.

We have heard some good reports from readers who are happy with the cars purchased from the "Tom True" Gold Tag exclusives...This I like...See you next week.

Here's How to...

Enjoy Better Hot Weather Performance

Summertime living may be pleasant for people but automobile engines may be required to work harder unless proper maintenance precautions are taken.

You can prevent summer breakdowns due to overheating by having the following done:

- (1) Permanent anti-freeze contains rust inhibitors that may lose effectiveness after a winter's use. Drain and flush the cooling system. Then replace with new anti-freeze or water and new rust inhibitor to protect the cooling system.
- (2) Make sure all drive belts are properly tightened.
- (3) Check the radiator cap to make sure it releases pressure according to manufacturer's recommendation.
- (4) Make certain engine idle speeds are set at proper specifications.
- (5) Have radiators and hoses probed for leaks with a pressure tester.
- (6) Check coolant circulation by observing the coolant in the radiator neck during normal operation. If there's no circulation during slight acceleration, the thermostat may be defective.
- (7) Check tightness of pulley hub on water pump and pump gaskets.
- (8) Check overflow tube for possible obstructions.
- (9) Remove any foreign matter from cooling fins.

Niles All-Stars Enter 5th Tourney

Aug. 6 - After six consecutive wins and a dramatic double-header last week-end, the Niles All Stars lost their first game in the Thillens Tournament Play-offs to Franklin Park, 8-0. Both teams entered the play-offs with undefeated records. During the regular tournament games, the Niles All Stars had handed Franklin Park their only defeat but now have a one-game edge over the All Stars and will have a rest for the championship game on Saturday, Aug. 10. The defeat handed the Niles All Stars by Franklin Park forces the Niles squad to play again on Wednesday night against the Chicago Spartans and the winner of that game faces Franklin Park on Saturday for the title. The All Stars committed 7 errors while collecting only 4 hits and 1 walk while the victorious Franklin Park team collected 11 hits and 4 walks, committing no errors. The leading hitter for Franklin Park was Cuhdari, with 4 for 4, including a home run and a double and pitching a beautiful game, striking out 10 Niles batters. On the mound for the All Stars were Dan McDonnell, Wayne Brekke and Mike Calderone. Leading the hitting attack for the Niles All Stars was Dave Siers, 2 for 2, Rich Dayment and Mike Calderone with a single apiece. The All Stars were in the hole from the beginning of the game when the Franklin Park lead-off batter led off with a single, followed up by a walk and 4 successive singles bringing in 4 runs and leaving 2 men on before Niles was able to retire the side.

Aug. 7 - The Niles All Stars, once again with their backs to the fence, had to pull out a win against the Chicago Spartans in order to stay in contention for the championship in the Thillens Tournament. The All Stars jumped right out ahead by shooting across 2 runs in the top of the 1st inning with the help of a walk to Rich Dayment, after 2 outs, and a home run by Mike Calderone. This was short-lived, however, when the Spartans came back in the bottom of the 1st with 3 runs (with the help of 3 errors) and 1 hit. For 3 more innings it was nip-tuck with the Spartans finally breaking the ice and taking the lead with another unearned run, contributed to by 2 errors and a base hit. It wasn't until the 4th inning when the Niles All Stars came back with 2 runs to take the lead once more. This was brought about through an error, a single by Jeriabka and a double by Bob Sall. In the top of the 5th the All Stars collected 2 more runs which looked like the "frosting on the cake" helped by Jeff Hanisch with a base hit, followed up by a base hit by Mike Calderone and a 3-bagger by Dan McDonnell only to find the lead cut once again to a 1-run advantage when the Spartans came back with a single run in the bottom of the 5th. The Niles All Stars were able to hold on to the 1-run lead to win the ballgame 6 to 5 and

enter the championship play-offs against Franklin Park on Saturday at 7 p.m. On the mound for the Niles All Stars were Dan McDonnell, for 3 innings and Wayne Brekke for 3 innings. Both pitchers allowed but 5 hits, 1 walk and struck out 13 while the Spartan pitchers, Simpson and Moore, allowed 8 hits, 1 walk and 10 strikeouts. Hitting for Niles were Dave Siers, Jeff Hanisch, Mike Calderone, Dan McDonnell, Andy Jeriabka, and Bob Sall. This defeat places the Chicago Spartans in the 3rd place spotlight for the 1968 Thillens Tournament.

Aug. 10 - With the sun shining brightly and the weather cool, the Niles All Stars entered the semi-finals at the Shabbona Tournament against Horner Park, winning the ballgame behind 3-hit pitching by Rich Dayment, who allowed but 3 walks and struck out 10. This victory enables Niles to enter the final championship play at Shabbona Park on Aug. 11 at 3 p.m. The All Stars scored their 1st of 2 runs in the bottom of the 3rd with 1 out, a 2-base hit by Jeff Hanisch, followed by another out, then Mike Calderone drove a line drive home run well over right field fence (approximately 200 feet) of the Shabbona Park ballfield making it Calderone's 2nd home run in 2 successive games. The Niles All Stars collected another 2 runs in the bottom of the 4th with a single by Andy Jeriabka, a double by Keith Larson, followed up by fine stolen bases which contributed to the additional 2 runs at home. With 1 out, Mike Calderone hit a 2-bagger followed by Dan McDonnell's base hit, another out followed by a single by Andy Jeriabka, contributing to 2 additional runs in the bottom of the 5th. Pitching for Horner Park was Schranz who allowed 10 hits, struck out 3 and allowed no walks. Three of those 10 hits were for extra bases, 2 doubles and 1 home run, allowing the Niles All Stars to win 6 to 0.

Aug. 10 - The end of Saturday's triple-header brought the Niles All Star team into Thillens Stadium facing Franklin Park for the Thillens Tournament Championship. Each team had identical records against each other, having won 1 and lost 1. However, during tournament play at Thillens Stadium, it has been an up-hill battle and although losing 2 ballgames and facing elimination from the tournament on several occasions, the Niles All Stars were always able to face the task and come from behind to stay in the tournament right into the championship play-offs. The All Stars jumped off with a 1-0 lead in the top of the 1st inning when Dave Siers led off with a single, stole 2nd and 3rd and scored when Mike Calderone drove a single up the middle. But in the bottom half of the 1st inning, Al Cuhdari placed a disputed home run, with a man on, over the left-field fence to give Franklin Park the lead, which they never relinquished. Niles is entered in the Thillens Boys' Major League 17th annual statewide tournament. Niles represents one of the 16 teams entered in the Double Elimination Thillens Boys' Major League 17th annual statewide tournament. The tournament play began on June 8, and will run until late August at Thillens Stadium, Devon and Kedzie avenues. The baseball games are being played nightly in conjunction with the Thillens Statewide 16' Mens' Softball tournament.

the Niles All Stars pitched a fine game, allowing 5 runs, 7 hits, while striking out 8 and giving up but 2 walks. Errors once again proved to be a big factor in subduing the Niles team. The final score was 5-1 with Franklin Park taking 1st place in the 1968 Thillens Tournament and the Niles All Stars finishing proudly in 2nd place.

With over 50 ball teams competing in the Thillens Tournament, to finish in any one of the first four places is an honor for the champion and for the village or park it represents. Pitching for Franklin Park, and once again against the Niles All Stars, was Al Cuhdari, allowing but 1 run on 5 hits, a triple by Mike Calderone, while striking out 8 and walking 5. The leading hitters for the All Stars were Mike Calderone, 2 for 3, followed by singles by Dave Siers, Rich Dayment and Ron Parker. Thus bringing to a close the 1st of the 6 tournaments that Niles has entered. On Sunday, Aug. 11, after the championship game at Shabbona Park, Niles enters into a new tournament at Berwyn facing Franklin Park once more as their first opponents and then back to Niles for the championship game in the Niles tournament.

Aug. 11 - The Niles All Stars concluded a hectic week-end schedule by dropping their triple-header tournaments. Their 1st game found them playing Oriole Park in the Shabbona Tournament and were up-ended 1-0 behind fine pitching. The All Stars collected 5 hits while striking out 5 times at bat. On the mound for Niles was Dan McDonnell who also gave up 5 hits and struck out 8 batters. The All Stars were just unable to master the unusual delivery of the Oriole Park pitcher and the loss gave Niles 2nd place in the Shabbona Park Tournament bringing a close to the 2nd tournament Niles entered.

The Niles squad then traveled to the Berwyn tournament to once again face Franklin Park and dropped a 1-sided contest, 11-1. The Niles team, although full of spirit, began to show the strain of enduring 5 successive ballgames in 2 days. Having lost in the Berwyn tour-

Baseball games start at 7:45 p.m. and 9 p.m. with the softball game preceding at 6:30. Encourage them with your support! The Niles team is comprised of: 3rd row (l. to r.): J. Saccomanno, B. Sall, W. Brekke, R. Parker, K. Grubba; 2nd Row: B. McErmey, D. McDonnell, M. Draths, M. Calderone, K. Larson and D. Siers. Bottom row: G. Sedjo, R. Dayment, J. Hanisch, B. Scott, A. Jariabka and W. Henricks.

Fifth Annual Niles Pk. Dist. Swim Carnival On Aug. 25

The Niles All Stars then traveled to their home field in Niles at Jozwiac Park, under the lights, to play the Niles Tournament Championship. In the championship play they faced Park Ridge and were up-ended in a squeaker, 5-4. Toiling on the mound for Niles was Marty Draths who gave up 8 hits and struck out 5. Pitching for Park Ridge was Gullberg, allowing 6 hits and striking out 11. The Niles ball players dropped this contest from exhaustion, over-determination and careless errors. However, because of their strong will and perseverance they placed Niles in 2nd place in 3 separate tournaments in 2 days and should be commended for their endurance, fortitude and spirited play that they exhibited on the fields during the past two week-ends. These boys were continuously under great strain and pressure throughout 18 ballgames and having played 3 were won by a 1-run edge.

The events in the carnival are of two types, competitive and special. The competitive events are for advanced and novice and consist of freestyle, backstroke, breaststroke, butterfly, and diving. Special events are for novice only and consist of dressed relays, balloon relays and disc finding. All events will be run for each of the following age groups: 8 and under, 9 to 10, 11 to 12, 13 to 14 and 15 and over. Trophies and ribbons awarded for all events.

Monday evening will find the Niles All Stars entering their 5th tournament of the season at Thillens Stadium under the lights at 9 p.m. in another double elimination tournament.
