McCarthy Veep On HHH Demo Ticket?

Tuesday....

Strong indications the Democratic ticket will include Senator McCarthy as the vice-presidential candidate backing up the presidential nominee Hubert Humphrey came from Niles Mayor Nick Biase, who is a delegate to the convention.

Blase, who is a "party" man in the best tradition of the Daley machine in Cook county, said he took a random survey over the week-end of 1237 Maine Township residents, drawing their names from the telephone books. Querying them as to their preference of a Humphrey-McCarthy tickets versus a Nixon-

Agnew ticket, Blase said 399 preferred the Democratic combination while 377 favored the Nixon ticket. Blase said 142 were undecided.

The breakdown of communities showed Maine Township voters called in Morton Grove favored the Humphrey ticket

by 2 to 1 and the unincorporated area by 3 1/2 to 1. He said Niles was about 50-50, Des Plaines 144-120 favoring Nixon and Park Ridge 90 to 36 favoring the Republican combination.

While Blase said the survey was initiated by him he said the results would be given to

Mayor Daley, the alleged king-maker at the convention. Blase contended the survey was significant combining the two top-running Democratic candidates. He also noted Maine Township was the heaviest Republican township in the Chicagoland area, which he deemed significant.

Convention Meanderings..... We've read so much about police activity in and around the convention we couldn't believe it was as 'up tight' as the public media would have us believe. It didn't take us long to see it was much tighter.

In the lobby of the Hilton a hippie-yippee rushed in and let out a banshee scream which resulted in the blue-helmeted police rushing the screamer outside. They quickly pinned him against a car, head down, arms spread-eagle. The crowd in the hotel lobby rushed out to view the action but policemen held each door closed, preventing the onlookers from going outside. Newsmen from the networks banged on the doors but the police were adamant. Meanwhile, many of the kids in the lobby, also converging on the doors, were hollering 'pigs' at the police, while many hundreds of hippies and other young people across from the hotel also yelled their catcalls.

When we got outside a squad-ron had already moved into position and taken the screamer into the back of the vehicle.

A newsguy from the Newark News was being pushed back by the police and he was politely listened to while he complained to the police lieutenant in charge. The officer couldn't believe the newsmen was being mistreated but he was pushed even further away from the action while he was airing his complaint.

McCarthy headquarters on the mezzanine had guitarist Peter of the Peter, Paul and Mary trio entertaining the crowd Saturday in a very low key. He softly sang, "This land is our continued on page 14

Acting Village Manager Ken Scheel sought Niles Village board approval Tuesday night of the proposed tax levy for the fiscal year 1968-69, showing an assessed valuation of .34 per \$100 and a total figure of \$592,731.25.

Among the figures Scheel quoted were \$62,000 for roads; \$103,800 for garbage disposal; \$20,000 police pension fund; \$55,000 firemen's fund; \$75,000 for social security and municipal retirement fund. The proposed levy was accepted by the board.

Scheel also asked the board Tuesday night for permission to have the village engineer and public works department work with the village attorney and himself in drafting a proposed ordinance that would make it mandatory for downspouts

of homes in the village to be diverted from sanitary sewers so as to further alleviate the flooding conditions when storms hit the area.

The board gave him its OK.

In other business at the village board meeting, approval was given for the village to advertise for bids, in the 1968 MFT maintenance program, for rock salt and calcium chloride for the area streets and roads. Bids must be received no later than Sept. 24 at 5 p.m. and will be opened at 8 p.m. that evening at the regular village meeting.

The board approved a resolution, totaling \$31,731.25 on the 1963 and 1967 issues of tax bonds.

Police Auxiliary Picnic Sunday

Annual picnic for the Niles Police department, sponsored by the Women's Auxiliary, will be held Sunday, Sept. 1 at Bunker Hill Woods.

Plans have been made by picnic chairman Pat Ferraro to assure all of a gala affair for \$5 per family. Entertainment will be provided for all age groups.

Niles Park Pk. Dist. Sells Bonds

On Tuesday evening, Aug. 20, the Niles Park District took a big step into the future by selling \$1,670,000 Park Bonds. The sale followed, by just one month approval of the bond issue by local voters.

Funds from the bond issue will be used to purchase 10 acres of new parks for residents of the District. A new swimming pool, ice rink, and gymnasium will be built along with centers for teens, senior citizens and craft work. The present recreation center will be enlarged and various playground equipment and landscaping will be added to existing parks.

Park Board president Louis Schreiner explained the steps taken by the board to sell the bonds in the open market.

"Our financial consultants, Benjamin and Lang, prepared a very complete prospectus which described in detail all financial, social and physical aspects of the Park District, and set up rules for bidding on the bonds. They sent about 300 copies of the prospectus to banks, dealers, and other investors throughout the country." Notices of the bond sale were published in the Wall Street Journal and the Bond Buyer, a daily and weekly paper.

Edward Benjamin of Benjamin

and Lang met in New York City with Moody's Investors Service to ask for a rating on the bonds. After examining the District's tax base, administration, audit reports and detailed plans, Moody's rated it "A". This excellent rating produced enough interest with the financial community so that 17 banks and investment firms participated in the bidding.

Four bids were received. The best came from a group headed by the LaSalle National Bank which bid a net interest cost, over the life of the issue, of 4.17551%. There were four other firms represented in this bid: J. Barth & Co., Bacon, Whipple & Co., The Chicago Corporation, and McCormick & Co. Benjamin explained that it is common for Investment Bankers to bid for bonds in groups so as to split up the liability and bring in a broader base for re-selling them.

Second in the bidding was a group headed by the Northern Trust Co., which bid a net interest cost of 4.23914%. The most significant thing about this bid, according to Benjamin, was the fact that a local bank, The Bank of Niles, was a member of the group. He said that it is very rare to see a local banker put his money where his mouth

Something From Nothing

How to make something from 'nothing'... This might well be the title of one phase of a Northern Illinois university creative elementary education workshop, now in progress during the post-session. For the 47 students have made dozens of items from cardboard, paper cups, colored paper, pipe cleaners, and staples. Here, Dr. Marguerite O'Connor, professor, holds a

clown formed from paper cups and other inexpensive items. To her left are various other items. Creativity in the teaching of the language arts is being emphasized. Students admiring the paper figure are, from l. to r., J. Buckingham, special ed. teacher; Irv Schneider, fifth grade teacher, and Pat Guzzetta, 9342 Overhill, an NIU senior from Morton Grove.

St. Martha Dons 16 Softball Team finished up the 15-game schedule in a flurry of action.

FOR FUN BOWLING

CLASSIC BOWL TO 5-5300
8530 Waukegan - Morton Grove

Held to mediocre four and four record in the first half, a five-day span, winning four. Going into the final game with a 9 and 5 record, they took on the league leading Illinois Kitchen and Range Team. In previous encounters the Dons lost one game by a run, having blown a 6 run final inning.

led, then last week the Dons humiliated the Kitchenettes, at least 10 years their seniors, by the ungracious score of 15 to 2, by literally running the bases at will. The frustrated Kitchenettes took their vengeance out on the umpire; resulting in the league's banishment of one man for fighting.

The final game, if the Dons were to win, would have put the four teams: St. Martha Dons, Morton Grove Lions, Laguna Beach and IKR in a four-way first place tie. Victory was denied however, as the patch work Dons team, unable to get their running game underway, dropped out of the race by a score of 13 to 5.

The Dons played inspired ball all season in the 'Silver' division. The boys: Ken and Greg Stasick, Johnny Weigand, Dan Grels, Ray Kengott, Jay Ruschli, Jim Kafferley, Mike Grear, Joe Loicano, Jim McCauley, Greg Baldauf, Kevin Conlon and Roy Robinson, the only survivors of a roster of 20, are indebted to the sponsorship of St. Martha Holy Name for an exciting season.

"Mmmm—good." Everyone agreed at Mansfield Park's bake sale. The bake sale was one of many special events in the playground recreation program, sponsored by the Morton Grove Park District.

The eight-week session provided educational trips to the planetarium and aquarium, as well as recreational games, crafts and music for a five dollar fee. Participants in the program visited Bozo's circus and Adventureland besides staging their own Family Night and Penny carnival. The program was supervised by Fred Ehrhardt and Bill Spears.

Troop 275

In May, Troop 275 participated in the Scout-A-Rama held at O'Hare Field.

The exhibit featured Early American cooking and hunting. A large pot of chicken soup was cooked over an open fire and samples were handed out to visitors. A lean-to with a sod roof and spears, bows and arrows were on display. Boys who took turns in manning this booth were Ed Brown, Bob Volenc, Paul Coteus, Terry Rostenski, John Jurica, Jeffrey Jensen, Scott Rogers, Don Laboda and Kevin Rostenski. The troop attended Sunday Mass across the Wisconsin state line before returning home.

At the St. John Brebeuf parish picnic in July at Harris Woods, several Scouts helped at the First Aid tent. They were John Rogers, Jeffrey Jensen, Scott Rogers and Charles Jensen.

An August outing was held at Illinois State Beach near Zion. Plans made to go swimming were canceled because of the huge waves and the boys had to be content with running barefoot in the surf. A treasure hunt ended with a watermelon feast. Ed Brown, Paul Coteus, Terry Rostenski, Steve Koppens, Scott Rogers, John Jurica, Don Laboda, Lon Chiero and Kevin Rostenski joined in the fun.

LPN Diplomas Awarded To 40 Niles Adult Students

More than 40 students received diplomas recently on the completion of their work to become Licensed Practical Nurses.

Offered by the adult education department of the Niles Township High schools, the LPN program is a 48-week course, 16 weeks are spent in the classroom for theory instruction while 32 weeks are spent in nearby hospitals for clinical instruction.

The class of 43 students, which consists of 41 women and 2 men, brings the number of persons to graduate from the program in Niles Township to more than 400. The LPN program started at the Niles Township High schools in 1964. The first class had 21 students. Mrs. Shute served as mistress of ceremonies for the graduation and Board of Education president Meyer Kamin presented diplomas.

The LPN class beginning in September and expected to graduate next August will be the last conducted by the Niles Township High schools. Manpower funds, which have supported the program since its beginning, will not be available for the LPN program in Niles Township after this school year, reported Mrs. Shute, Mrs.

Shute said she hopes the program will be assumed by a local junior college district. If the program continues under the auspices of the high school district or junior college district, it will be supported by the Vocational Education Act.

The graduates are Janet M. Duren, Anne Denson, Alice Ann Decker, Leona M. Davis, Julia B. Cook, Clara B. Crooks and Marlene Sue Comess.

Ann H. Chambers, Margaret Mary Cawley, Ermon Bryant, Jr., Esther Beth Blachman, Vivian E. Blenkup, Carol Ann Back, Dolores Lawicki and Judith Ann Johnson.

Niles Library News

The Niles Public Library recently announced the termination of one activity and the resumption of two others in the very near future.

The repeatedly successful Summer Reading club terminated its activity Aug. 3 and graduation certificates for the successful participants are waiting at the library for those who read ten or more books. The one exception is in the case of Jefferson school students (they will obtain their certificates from their school).

This year's registrants once more surpassed the previous year - over 150.

The Library's Parnassus on Wheels - the Bookmobile - after another hot sweltering season looks forward eagerly, to the very near future when the old is replaced by the new. Hopefully, a brand new, very much bigger Bookmobile should be delivered to replace the Old Faithful that has done such herculean duty the last several years.

In line with Bookmobile activity, the library announces that there will be no stops made between Sept. 1-15 and after that the stops will return to regular fall hours which are:

1. Monday - Our Lady of Ransom Church
2. Tuesday - Courtland Park (off Woodland ave.)
3. Wednesday - Chesterfield Gardens (on Crain)
4. Thursday - Fire Station at Cumberland & Dempster

Hours at all stops will be from 2:30 to 4:30 unless the weather is inclement.

If any questions occur as to Bookmobile activities (or any library activities) the patrons are urged to call 967-8554 or 967-8559.

Pre-school story plans and registration for same will be announced within the next several weeks in the press and in library notices.

Holman Named To LGH Post Plan Of Administrative Assoc. Hynes PTC Karnival

Ernest Holman has been named administrative associate of the medical director of Lutheran General hospital. One of his duties will be to coordinate the Medical Mission program recently initiated by the Lutheran Institute of Human Ecology, Park Ridge.

Holman worked with the Lutheran Medical program in Tanzania, East Africa, from 1961-66. He established a governing board to coordinate the work of 15 Lutheran hospitals in that country. Last year he organized a similar program in the Republic of South Africa.

A 1953 graduate of St. Olaf college, Northfield, Minn., Holman received a masters degree in hospital administration from the University of Minnesota, Minneapolis. He lives in Mount Prospect with his wife and two children, Ingrid, 6 and Erick, 3.

The Medical Mission program reflects the efforts of the Lutheran Institute of Human Ecology to establish closer relations with mission medical facilities and programs in the developing nations of the world. As members of the Institute, Lutheran General hospital, Lutheran Medical Center in Brooklyn, N.Y., and the new Lutheran South hospital in Matteson will participate in this program.

"The traditional forms of overseas mission medicine are rapidly changing," said Holman. "Mission medicine is confronted with the need to critically review its services on all levels. Coupled with continuing and increased demands, it faces the massive problems of inadequate financing, acute shortages of professional medical staff and the need to develop stronger ties with professional resources in the United States and Europe.

"The Institute and its member corporations feel it is part of their obligation to assist in the development of close relationships with overseas medical directions and forms of mission medicine," Holman explained.

Ernest Holman

One aspect of the new program is a plan for missionary doctors to assume house staff positions at the cooperating hospitals during their furlough year, enabling them to become aware of the latest developments in medical science before they return to the field.

Other plans include providing overseas experience for medical residents and establishing a link between the programs in clinical pastoral education at member hospitals and the younger churches in the developing nations.

M. G. American Legion News

Two secretaries have been appointed by Morton Grove 134, American Legion Auxiliary president-elect to serve for the ensuing year.

Mrs. Albert Nehart has named Mrs. Howard Karsten, 5744 Main, as her corresponding secretary. Mrs. Mary Jane Winmark, 8800 Western, Des Plaines, has been given the position of recording secretary.

Mrs. Nehart indicates Julie Karsten is a fairly new member of the organization; Mrs. Winmark, who held many chairmanships and offices including president for Unit 134, was last year's music chairman. The pair will be installed with Mrs. Nehart and her corps of elected officers at the Sept. 21 formal ceremonies to be held at the Post Memorial Home.

Morton Grove Post 134, American Legion Senior Gun Club invites new service members to join their gun club. Those interested in pistol shooting will find Monday nights from 7 p.m. to midnight their special hours. For those interested in rifles, Tuesday night at the same time is for them. The club has 22 cal. rifles - Remington 513 Ts for the use of those who do not have a target rifle.

Club president Harry Minnick, YO 5-7418, may be reached for further information and announces that the Legion group shoots in the northwest Rifle League during the winter months. Every Gun club member shoots regardless of his class of shooter. The team members help teach competitive shooting. The Legion team shoots a match each week at home or on another team's range.

You need not be a member of Post 134 to belong to the Gun club. The American Legion feels a sport of recreation such as this under the proper auspices and handled with care gives former servicemen an opportunity to participate in a function which they may have continued to enjoy but weren't able to follow after their return to civilian life.

It'll be "Friday Night at the Movies" this Friday, Aug. 30 when the Morton Grove Post 134,

Chapter Members

Pi Sigma Epsilon national professional fraternity in marketing, sales management and selling has established its first Chicago chapter at Roosevelt university, according to Richard Weeks, Dean, College of Business Administration.

Student members include Thomas Katsoulis, 8523 Menard, Morton Grove. Professional members include John P. Steinbrink, Niles. Included in the faculty members is Edward S. Gordon Skokle, professor and chairman of the Marketing Department, Roosevelt university.

American Legion presents a something new, their annual teen party for the youth carnival workers.

Carnival general chairman Al Nehart and his personnel chairman Tony LaRosa are co-chairing details of the party. They indicate it is the Legion's way of saying 'thank you' to the young workers for their efforts. Instead of a dance party, the pair will transform the Legion Home into a movie theater at 7:45 p.m. and the junior carnival workers will enjoy popcorn, soda pop, hot dogs and of course, the films. Admission is to be by special tickets which have been mailed to the guests. These will entitle guests to door awards. There were many July 11-14 Krazy Daze workers and those not able to attend are asked to send their tickets to Nehart for eligibility of prizes.

Besides cartoon, a full-length feature is to be presented. The film is "You're Never Too Young" starring Jerry Lewis and Dean Martin. It is a comedy which concerns the theft of a large diamond and the search for it by both police and thief after it is mislaid. This background weaves around a girls' school with zany escapades and a motorboat ride, part of the color film, which is sure to please all.

The annual family picnic, for members and Auxiliary unit members and families to be held on Morton Grove Post 134, American Legion grounds will be given by the Post Sunday, Sept. 1.

Legion 1st, Jr. vice-commander Ray Harris has encouraged Legionnaires to come early and stay late. He indicates games and races with prizes will be offered for both the youngsters and oldsters.

Nicky May as the Legion's favorite clown will be on hand to help with the races and entertain both the adults and the young. Refreshments galore will be available and this event traditionally signals the back-to-school and end-of-summer time when Post 134 friends gather together to relax and spend a pleasant day with each other.

Legion Aid For Refugees

The Morton Grove Unit 134, American Legion Auxiliary has been assisting over 10,000 refugees who have fled from north Viet Nam over the past year and a half. When a member's brother learned of their plight they began the project of supplying clothing, school supplies, food, medicine and other items. He was stationed in Qui Nhon and the items sent to him by the Auxiliary were distributed to the homeless people.

Shortly thereafter Unit 134 heard that the Long-Khanh Orphanage had 35 children who were also in need of assistance. The photo shows some of the young patients in the hospital. Quite a difference from our orphanages and hospitals.

Mrs. Howard Hoffman, National Security chairman is accepting donations for this worthy project for the Unit.

At School

Wayne J. Marek is now attending the Pi Kappa Alpha Leadership school in session at the University of Virginia. He is

a representative of the PIKA chapter at Bradley university. Wayne is the son of Mr. and Mrs. E. Marek of Niles.

Finishing Touches For "Harvey"

Finishing touches are being applied to the seventh production of the Niles Little Theatre Group, "Harvey" opening Friday, Sept. 6.

"Harvey" is, to quote Brooks Atkinson (N.Y. Times), "A comic treasure, rich in genuine mirth and pleasant, relaxed, and unpretentious humor." John McClain (N.Y. Journal-American) added, "This comedy has the ingredients of a classic! I can't remember the last time I had such a wonderful evening in the theatre, I recommend it wholeheartedly!"

The title character is the invisible ally of Elwood P. Dowd, a mild-mannered eccentric. Harvey is also an eight and one half foot white rabbit.

This sidesplitting comedy has earned the title of sixth longest running comedy in the history of Broadway, playing 1,775 hilarious performances before ringing down the final curtain.

Due to the illness of Sue Clausen, Little Theatre president, Melissa Anderson has succeeded her in the role of Veda, Elwood's worrisome spinster aunt. Other cast members include Glenn Amato, Linda Hilgers, Ron Jablonski, Donna Kolakowski, and Paul Mar-millan.

The Niles Little Theatre Group cordially extends its invitation to the public to help us celebrate our sixth anniversary by attending one of the performances of "Harvey."

Tickets may be obtained at the door, or from any Little Theatre member.

land, made for you and me, accompanied by the 200 mostly young people who were sprawled out in the headquarters. In contrast to the activists who were downstairs in the lobby, the atmosphere here always seemed to be serene, calm and underplayed, exactly reflecting the personality of their leader.

Georgia Governor Maddox held a Saturday afternoon press conference in the Grand Ballroom attended by 200 persons. It was somewhat of an eye-opener to see 4 government men at each end of the balcony, keeping a careful watch on the newsmen, while another guard viewed the journalists from the rostrum.

Little inconsequential happenings are all part of the action. TV was faring poorly in its covering the activities outside from the hotel. Representatives from the city and police commander Reardon to allow a platform for cameras to extend 9 feet out from the building. After much haggling it was agreed to, On

Monday the platform was not up and cameramen were roving the streets on trucks or had shoulder cameras pushing thru the crowds.

The lobby of the hotel was the best place to be. Humphrey cheerleaders in brightly-spangled costumes were initiating McCarthy followers began chanting "Dump the Hump." The chants reached a crescendo and the outnumbered Humphreyites gave up laughing.

In the Humphrey and McCarthy headquarters young people were everywhere. There were more older people and black people in the Humphrey offices. One proudly-dressed Humphrey supporter was an elderly gent who sadly seemed a throwback to another era. Smartly dressed in a white coat he had red, white and blue ribbons and matching handkerchief adorned the coat, standing somewhat forlornly in the center of the room. We hate to admit it but four years from now when another 10,000,000 youngsters will be voting, we mid-fourtyish Americans will be looked upon as somewhat ancient. The younger revolution is never more apparent than at this

convention.

We parked on the inner drive east of the Hilton Monday. Walking back to the car the hippies had "captured" the Civil War statue at the top of the hill across from the Hilton and just south of the hotel. While there must have been 200-300 police in clear view we saw a reserve of policemen in the back where we were parked. Hidden from view in a park parking lot were rows of cars with policemen sitting there, waiting for any eventuality. As we approached our car a CTA busload of policemen were quietly sitting there. Along the street private cars of uniformed police were idly sitting waiting. We wouldn't be exaggerating to write there were more than 1,500 policemen within a radius of 2 blocks of the hotel.

Riding the elevator to the 11th floor a very weary mini-skirted teenager explained how the wind was taken out of her sails after viewing one of her long-time movie heroes. She said she has long idolized Paul Newman, and Monday was delegated to introduce him at a gathering. Using the word "sexy" every fifth word, she said "He's so sexy and all." She then added, "Here he was, in a sexy suit, a real living doll. And then I looked down and saw he was wearing white socks." Disgustedly she said, "He blew it right there."

By Naomi Krone
News Editor

With a sincere expression of regret, the Dist. 63 board of education at its meeting Tuesday night accepted the resignation of member Theodore Davis, 9467 Park In., Des Plaines, who is moving out of the area Sept. 1.

Davis, who has served on the board for the past 2 years, has been one of the more vocal and probing members of the board and, it is generally felt, his presence will be missed. No one has been named to fill the remainder of his 3-year term.

In other discussion Tuesday night the board gave Supt. Hugh McGulgan the green light on working with Dist. 207 Supt. Dr. Richard Short on the plans for both districts installing and sharing common roadways to the proposed Dist. 207 Maine North High school and the proposed Dist. 63 junior high school, both of which will be partially completed by 1970.

Niles Baseball League

Aug. 19 - The Niles All Stars up-ended Elmwood Park 4 to 1 in the Lerner tournament at Thillens Stadium. On the mound for the Niles All Stars was Marty Draths, for the first 3 innings, and Keith Larson for the remaining innings of the game. It took superb relief pitching by Larson who came in with bases loaded and 1 out and 2 balls on the batter, to get the next two batters out to retire the side. Larson went on to pitch, striking out 6 Elmwood Park All Stars and allowing but 3 hits and no runs for the remainder of the ball game. Pitching for Elmwood Park was Sczbowicz, collecting 6 hits while striking out 10 times at bat. With the help of 3 errors and 2 walks by the Elmwood Park team and a timely bunt single by Jeff Hanisch in the second inning, the Niles All Stars collected 3 runs on 1 hit and opened the door to rap the Elmwood Park All Stars. The 3 base hits collected by the Niles team were by Ron Parker, Dan McDonnell and Jeff Hanisch.

found Mike Calderone at bat. Mike hit a sharp liner up the middle, past the pitcher, when the shortstop stopped, then fumbled the ball, picked the ball up, dropped it and allowed the winning run to score. Pitching for the Niles All Stars were Rich Daymont and Ken Grubba. Grubba turned in a fine performance allowing but 3 hits while striking out 4 and allowing no walks. The leading hitters for Niles were Marty Draths, 2 for 4, including a 3-base hit and Ron Parker, Rich Daymont, Mike Calderone and Bob Sall with base hits. By winning this game the Niles All Stars will enter the semifinals on Saturday Aug. 24 at 2:15 p.m. at Thillens Stadium against Park Ridge.

Thillens Stadium. However, more than confidence was needed to halt the excellent all-around performance displayed by the Park Ridge team. The Niles All Stars met their "match" and were beaten soundly by a fine, well-balanced ball club, that together with Franklin Park, were able to turn the tide twice this season against the Niles crew. Niles, having won the toss, chose to be the home team.

Starting on the mound for Niles, after his fine performance against Round Lake at Highwood, was Dan McDonnell, who got off to a slow start and was unable to find himself. The Park Ridge team, loading the bases with 1 walk, 2 hits, a hit batter and a fielder's choice, took a 2-0 lead with 1 out in the top of the 1st inning. Keith Larson, relieving Dan McDonnell, was greeted with a Grand Slam by Park Ridge 3rd baseman, mighty Mike Rival, giving the Niles opponent a 6-0 lead at the end of the 1st inning. PSORIASIS

Many psoriasis victims welcome summer because exposure to the sun tends to improve the disease. Some skin specialists recommend year-round ultraviolet treatments for this reason, combined with coal tar ointments to increase the effectiveness. Sometimes the reverse is true, in that sunshine aggravates the condition.

Usually psoriasis appears as silvery-scaled red patches, knees, chest, elbows and scalp. There are sharp borders between the normal skin and psoriatic areas. In the scalp the silvery scales resemble dandruff, while nail involvement is indicated by small pits on the nail surface, loss of luster, and loosening of the nail from the bed.

In the event you find any symptom of psoriasis, DON'T WAIT! SEE YOUR DOCTOR THEN! Don't try home remedies that may tend to hurt instead of help. There are many ointments, creams, lotions, shampoos, cleansers and bath oils for treatment of psoriasis. Any of these your doctor may prescribe can be found at BIRCHWAY DRUGS... 7503 Milwaukee Ave... Both principal hereof and interest hereon are payable at

For the prompt payment of this bond, both principal and interest, as aforesaid, at maturity, the full faith, credit and resources of said Park District are hereby irrevocably pledged.

This bond is issued by said Park District for the purpose of purchasing additional land for park sites, and improving and developing for park purposes said new park sites and sites now owned by the Park District, including the necessary grading and landscaping and for the purpose of improving and developing for park purposes the existing park sites owned by the Park District by the construction of facilities including a gymnasium, multiple purpose building housing a skating rink and other facilities, tennis courts and other recreational facilities, and for the payment of the expenses incident thereto, pursuant to and in all respects in compliance with "The Park District Code," of the State of Illinois, approved July 8, 1947, and all laws amendatory thereof and supplementary thereto, and is authorized by a majority of all for that purpose in said Park District, and an ordinance duly passed and published by the Board of Park Commissioners of the Niles Park District.

Niles All Stars

Continued From Page 17

come-back after being injured and out of play for 2 weeks, gave bright hopes for the Niles pitching staff, working 3 innings, striking out 6, giving up 3 hits and no walks. The combined pitching of the Niles trio gave up 8 hits, including 3 home runs, striking out 9 and allowing 11 bases on balls. The Niles All-Stars hitters collected 1 hit, struck out 10 times and received 2 walks. The defeat allows Niles to face Highland on Monday, Aug. 26 at 7:30 p.m. Stadium for 3rd place and 4th place. Park Ridge is to compete against Northlake for 1st place the same evening. The All-Stars have at least placed Niles in another tournament, finish which is their 4th out of 5 tournaments so far.

Aug. 25 - The Niles All Stars were eliminated from the Highwood tournament in the bottom of the 5th inning when Deerfield came up with 4 unearned runs to win by a score of 5-4. The Niles team started out the ballgame loading the bases with 3 straight hits, no outs and ended up collecting but 1 run and stranding 3 on bases. Coming back in the bottom of the 2nd, Deerfield's 3rd baseman, David, evened the score with a home run over the center field fence. The Niles All Stars came back and collected another run in the top of the 3rd, and in the top of the 5th with a home run by Mike Calderone, a towering blast that ended up on the mound of the 2nd base all diamond, followed by another run in the top of the 6th.

The Niles All Star team, behind the fine pitching of Jeff Hanisch, gave up but 4 hits while striking out 8, giving up 2 bases on balls and 1 hit batter. Hanisch gave up 3 hits, a walk and a hit batter in the 5th inning, with the help of 2 errors, accounting for the 4 runs that upset the Niles All Stars. Niles collected an unbelievable 12 hits, including 1 home run, while striking out but 6 times at bat. The leading batters for Niles were Dave Siers with 3 for 3, Jeff Hanisch 3 for 4, Rich Dayment 2 for 4 and Mike Calderone, Marty Draths, Bob Sall and Glenn Sedjo with 1 hit each.

The Niles team lost the shot for the championship through negligent and unnecessary errors alone. It was a disappointing and heartbreaking loss for a team who had won 5 straight games at Highwood and missed the championship playoffs by 1 game, for 1st and 2nd place. When Niles entered Highwood this season the tournament was on the double elimination system, as in prior years. However, due to too many teams entering this year and with the weather conditions causing problems in the time scheduling and rescheduling of games, it was necessary for Highwood to change in midstream. Therefore, after Niles had won their first four games they were notified that they were being placed in a single elimination system but the teams that had lost 1 game prior to that would be placed in the loser's bracket and would have the opportunity to place in 3rd place. Niles was not given a second chance to place their village in the 3rd place position although they obviously and deservedly did just that. It was a big let down to a hard fighting team who have always shown good sportsmanship and a determination to win until the end.

auto motivation

By Tom True
During my Montgomery Olds "staple" week, I am spanking new '68 Olds "98" 4-door Sedan was being delivered to Mr. and Mrs. Sam Spitzer... So you think, what's so unusual about that? Mr. Spitzer is 87 years old... He and the Mrs. have been married 52 years... He is in business in the Chicago Loop, having founded the Spitzer office equipment company in 1916... And Mr. Spitzer is not even thinking about retiring... He and Mrs. Spitzer have a grandson on the roster of Dick Klein's Chicago Bulls... and this is the 4th Olds "98" in a row bought from Montgomery Olds... Both Mr. and Mrs. Spitzer are very happy with the service and attention they get at Montgomery.

When you run into something nice someone has done for his fellowman in this "day" and age of the continuous "rat race", it makes you feel "real good"... I ran into one of the top "Good Samaritans" acts of the year!
Even before the terrible fire was completely out at Tambourine Motors the other night, Mr. Nugent, operator of Nugent Volkswagen dealership in Glenview, personally contacted Bob Tambourine and offered to share some of his service facilities with him so he might continue business... Hats off to you, Mr. Nugent... I might add that Bob Tambourine is open and doing business as usual with "Nick" selling Renaults like they were going out of style...

OOPS... I goofed... Joe Henner is "G.M." at Norwood Ford as Bob Kennedy, cigar and all, is now in charge of the vastly enlarged used car operation at Norwood... anyhow, Norwood can't help being a good operation with Vic, Joe and Bob at the helm...
Dick Anderson, Phil Seman and Tom Linkins, at Fronteras Motors of Morton Grove have the finest collection of sports car racing trophies I've seen... Dick Anderson and Phil Seman are currently leading point standings in the MCSCC with their Fiats... Fronteras is the 9th largest Fiat dealership in the nation... The dealership is also franchised for MGs and Austin-Healeys and is widely known for its excellent service record.

The new G.M. at Jennings Chevy in Glenview is John Wathen. Mr. Wathen comes to Jennings with 15 years Chevy background. He resigned as executive vice-president and operations manager of one of the largest Chevy dealerships in the Midwest to take over the G.M. spot at Jennings... A big salute to John Benson, sales manager, for the spartan job of handling the whole "ball of wax" while awaiting the naming of the new G.M... Yes... John is still "wheeling and dealing" the '68s... Down now to 157...

Everett Lee, owner of the Gene Patrick Rambler in Des Plaines, has just returned from a west coast vacation... Had a stopover in Las Vegas on the way home and is real happy with the stopover "results"... Says the Mrs. didn't do too badly either... He's ready now to set a record, moving Ramblers from his beautiful new facilities.

Witnesses Assembly Sept. 27-29

The September schedule for the Morton Grove Congregation of Jehovah's Witnesses calls for attendance at their semi-annual circuit assembly Sept. 27-29 and for a special program of public Bible talks to begin Sept. 1 at the local Kingdom hall, 6730 Beckwith rd., Morton Grove.

Fifteen congregations in Chicago and the suburban area will attend the final of the 1968 conventions. The location of the assembly will be announced later.

Sponsored by the Watchtower Bible and Tract Society of Brooklyn, N.Y., the assembly will prove to be a fitting climax to the series of four special talks to be heard locally in September.

William Narve, presiding minister, listed the subject of the first talk on Sept. 1 as "The Blessings from Knowing God." Title of succeeding talks are: "Where Are The Dead?" - Sept. 8; "A Son Loyal to God - And Those Who Rebelled," - Sept. 15; and "Why God has Permitted Wickedness," Sept.

22. All talks are scheduled for 9:30 a.m.

The assembly theme will be "Sharing Fully in Preaching the Good News" based on Mark 13:10. Various demonstrations and skits will accent an accelerated campaign by Jehovah's Witnesses to encourage more personal Bible study by people of all religions. District supervisor, A. B. Stutler, will deliver the highlight address: "God's Way is Love." The talk will be given Sunday, Sept. 29, at 3 p.m.
