A Halt To Potential Slums? Neighbors Seek Village Aid

In an attempt to stem a potential slum area by acting now, Niles Mayor Nicholas Blase and Acting Village Manager Ken Scheel told 3 residents from the Dempster-Prospect area last Saturday they would meet with residents from that section to pursue ways of improving their rapidly deteriorating area.

Among the major problems is that of the absentee landlord. Two of them are Leo Sutton, who owns several of the buildings and Arthur Rubloff Co., acting as rental agents,

etc. for many of the others. Rents of up to \$350 monthly are being accepted, Niles village officials were told, but nothing is being spent on retaining the outward beauty of the rapidly deteriorating buildings.

Both Blase and the 3 area representatives are in agreement the formation of a residents' group would be the first step which could lead to enlightening the residents as to area improvements.

One of the men who met with

village officials Saturday said 4 and 5 single men have lived in some of the apartments, no relation to one another, and obviously have no interest in the upkeep of the area. Other complaints of back porches falling apart, windows being broken, old car parts strewn on the streets and a general neglect of the area were related by the men from the area.

Other complaints registered by the residents included wrecked autos parked in the

streets, bumpers on the lawns, paper strewn all over, 12 to 14-year-olds "loitering" in the grass smoking cigarettes, cars screeching and "burning" rubber, rocks thrown through windows, kids with spray paint and eggs roaming amongst the cars, unrelated teenagers living in the same apartment.

The guy at the other end of the coffee cup was asking us why we didn't endorse a ticket in the national election. He said since we like to pop-off on many sundry subjects, particularly local politics, why didn't The Bugle spread printer's ink in favor of one party.

We told the coffee cup with the big lip on the other end, our opinions on the national scene don't belong in a local newspaper. With a dash of humility we're noted for, we told him our opinions outside the local community are of no greater value than any other citizen, and we're sure readers of The Bugle don't need our opinions on the national scene, which are no better nor worse than any other of our readers.

Other newspapers in our areas are very partisan and told readers to back one of the parties. We have no quarrel with their right to seek support for their partisanship but we always felt a local newspaper should stick to local issues, and not spread its assumptions beyond the local scene.

An interested resident reminded us of a supplemental agreement to the real estate purchase of the 37-1/2 acres of an O'Shanter dated July 27, 1966 which indicates a 9-hole fee golf course would be operated and maintained by the seller provided "it has obtained the rezoning of the remainder of the Tam O'Shanter Golf Course premises".

Following the recommendation of Village Manager Ken Scheel Tuesday night, members of the Niles Village Board of Trustees named Del Bianco and Associates as architects to handle the plans to remodel the recently acquired A & P building at Howard and Milwaukee into the new Niles Village Hall.

Architects fee will be 8% of the total cost of the remodeling, several sketches will be submitted to the board and periodic inspections will be made by the architect. Bids will also be sought soon for a general contractor and sub-contractors.

After lengthy discussion and questioning at the Tuesday night meeting, the board gave approval to the rezoning petition for

AREA DEMO LOSSES--ARE BLASE, KRIER RESPONSIBLE

By Naomi Krone News Editor

How responsible are Democratic Committeemen Nicholas Blase and Raymond Krier and their organizations for the defeat of the state candidates and the national slate in Illinois last week? It was indeed surprising to learn Saturday night that my family and I had survived an earthquake! No doubt it was no more surprising to me than anyone else but rest assured, the next time the earth starts vibrating like that, it will probably be our furnace and I'll be running for the closest seismograph.

Although there was no damage reported in the area, Niles police did get many calls about violent vibrations at the west end of town, Greenwood and Cumberland and around 8820 Root. Niles Village Hall also received many phone calls. How many furnaces in disrepair can there be?

Troop 45 Holds Eagle Banquet & Court Of Honor

Every four months, the Troop holds a family night, when parents come out to see their sons receive recognition for the achievements, and advancements they have worked so hard to earn. And when one of the

boys earns the rank of Eagle, the Troop honors him with a banquet.

The Leaning Tower YMCA was the site of Troop 45's October 18 Recognition Dinner and Court of Honor.

Opening the Ceremony was the job of A.S.P.L. Steve Welsch and Troop Bugler, Mike Krejsa, after which Committee Chairman, John Cronin, said a few words of greeting, and introduced the guests for the evening, Mr. and Mrs. George Moore, Mrs. Lill Schneider, Rev. and Mrs. D. Douglas Seelen, Mr. and Mrs. Bob Burreson, S.M., and Mrs. Don Schneider, Eagle Scout Bruce Potenza, and Eagle Scout Chuck Bobula.

Rev. Seelen gave the Benediction, and offered a prayer of thanks, and then a delicious dinner was enjoyed by approximately 85 parents and boys attending the festivities.

After dinner, the lights went out, and Scout Mark McAndrew

brought forward the Light of Scouting, beginning the Awards Ceremonies.

As each of the boys received his advancement in rank, he "pinned" his mother with a miniature rank pin.

From June 19 to Oct. 18 the following boys earned a grand total of 112 merit badges: R. Bobula, B. Cronin, T. Frick, R. Friedman, P. Hilson, Randy Hyken, Reid Hyken, J. Ignatius, M. Krejsa, R. Krusen, R. Meyer, R. Pignato, P. Pomazal, B. Potenza, M. Rothenberg, R. Sandvik, J. Schneider, K. Schneider, J. Schroeder, P. Welsch, S. Welsch.

Boys receiving Senior Stripes, which means he is 14 years of age, or older: R. Will, P. Pomazal, R. Hyken, J. Schneider, R. Meyer, R. Krusen, R. Friedman, M. Rothenberg, P. Hilson, R. Sandvik.

Boys receiving positions in the troop for the coming year: R. Pignato and R. Meyer, Scribes, R. Krusen Asst. Patrol Leader, M. Davis, Librarian, M. Rothenberg, Patrol Leader, Robert Sandvik, Senior Patrol Leader, S. Welsch, Asst. Senior Patrol Leader.

The climax of the evening was when the Eagle Award was presented to Jim Schneider, by his Grandfather, George M. Moore, Cubmaster of Pack 2863, Chicago, and holder of the Silver Beaver Award.

No Troop 45 affair is complete without a few words of praise and encouragement, from Commissioner Robert Burreson, after which Rev. Seelen gave the closing prayer, and Life Scout Mike Krejsa sounded Taps.

This was an evening none of the boys will easily forget. And an evening their leaders can be proud of, since through their help, these boys have learned Scouting skills that will help them become fine young men, and good American citizens.

Troop 682 Holds Investiture

Sunday, Oct. 27, the Brownies attended five o'clock Mass at St. John Brebeuf church and went to the Recreation Center immediately following the mass to be invested. The program included a play presented by the girls explaining "The Brownie Story." The girls received their pins from their Leader Mrs. J. Buck and Co-Leader Mrs. R. Pilousek.

Troop 45

Friday night of Oct. 25, Troop 45 headed out to Horkville, Illinois Scout Camp.

Finding the camp completely dark at 8 p.m., the boys still had to back-pack all their equipment, 2 1/2 miles to their campsite.

Then came the task of putting up tents in the dark. (Try it sometime.)

After a very cold night, of 29 degrees, water frozen, toes cold, fingers cold - just plain cold, the boys cooked breakfast over charcoal.

As the sun warmed the day, hikes got underway, tracking, trailing, and nature requirements were passed, and Allen Bonini completed four requirements for Camping Merit Badge.

After the day was done, supper and campfire came, which every boy looks forward to. By 9 p.m. the boys were done in, and ready to hit the sack.

Mike Krejsa, the troop bugler, sounded Taps. The only time Taps can really be heard, is on a cold, clear, quiet night in a forest, it echoes, and really sends chills up your spine.

Sunday morning found the camp wind blown, tents down, and still cold. So all packed up and headed for home, having to back-pack out. But being cold and tired, did not stop the singing, or the get up and go for the 2 1/2 miles back out again.

At the end of the trip, the 5 mile Back-Packing Patch was

The following girls made their promise and were pinned: Margaret Arvidson, Barbara Buck, Christine Burke, Mary Terese Burke, Mary Beth Filippo, Jo Ann Jurica, Mary Ellen Kalas, Suzanne LeClair, Colleen Murphy, Lynn Paschke, Diane Philippen, Annette Pilousek, Pamela Sue Sellberg, Suzanne Swanson, and Patricia Weinzierl.

Also invested and pinned were: Mrs. H. Burke as Troop Committee Chairman and Mrs. R. Sellberg as Troop Treasurer and Secretary.

Mrs. S. Filippo and Mrs. H. Burke had the refreshments ready for the families and friends who attended.

Troop 175

Twenty-two Scouts of Troop 175, St. John Brebeuf parish, Niles, spent an enjoyable camping weekend Oct. 25-27 at White Pines Forest State Park, near Oregon, Ill. In charge were vancement chairman Dick Covey and Junior leader Eddie Mozdzen.

Having recently completed their Tenderfoot requirements, the following Scouts were initiated into Troop 175, during the campout: Jim Beck, Billy DiCaesar, Jay Ellgass, Jim Jarosch, Greg Kitowski, Don Kniff, Peter Lazicki, Pat Madigan, Jim Osswald, Neil Ruda and Walter Wicks.

Another highlight of the trip was a five-mile hike through the beautiful forest, which contains the only stand of the magnificent western white pine remaining in Illinois.

The Scouts also made progress during the weekend on their second class requirements, and for all of the boys it was another enjoyable Scouting experience.

"8 1/2" Next Presentation In Maine Film Series

"8 1/2", Federico Fellini's semi-autobiographical film, portrayal of the thought processes of a movie director, will be the next showing in "Film: The Liveliest Art" - a series the Maine Adult Evening school and Notre Dame High school for boys. The program will be held at 7:30 p.m., Wednesday, Nov. 20 in the auditorium of Notre Dame High school, 7655 Dempster st., Niles. Introductory comments and a round table discussion will be directed by James N. Wicklund of the Screen Educators' Society.

Marcello Mastroianni, Anouk Aimee and Claudia Cardinale star in "8 1/2".

Federico Fellini's career as a motion picture director began in 1945 when he left his employment as a newspaper-reporter and cartoonist in Rome to work with Roberto Rosellini in the production of "Open City." Fellini's independently directed films, including "La Strada" were made from 1952 to 1960 and followed the pattern of the neo-realists. With his revolutionary treatment of material in "La Dolce Vita" and "8 1/2" he created epic works of a stature never attempted in his era of neo-realism.

Information on tickets for "8 1/2" may be obtained by calling the Maine Adult Evening school, 299-7187.

Students at Niles West are urged not only to bring their bundles to school, but to collect them on a door-to-door basis. LETTERS to EDITOR

Letter To Fire Chief

Chief Christ Hildebrandt
8527 Callie Avenue
Morton Grove, Ill. 60053

Dear Chief Hildebrandt:

We would like to take this opportunity to thank the Fire Department for the wonderful job they did in combating the fire we had in our home on Oct. 31. Not only did the men succeed in stopping the fire before it reached the second story, but they kept any water damage to a minimum by taking the time to dry our books, wipe off table tops, and mop up the floors. They made spending the night in our home more bearable by moving the badly burned furniture outside, and replacing and temporarily sealing our

front door. And last but not least - by any means, they took the time to crawl all over the house searching for our little puppy, which one of the firemen eventually found unharmed under the buffet in the dining room.

It is unfortunate that many people don't fully appreciate their fire department until a disaster such as this happens. We will be forever grateful to Captain Huscher and his men for their efficiency and kindness, and it is very reassuring that in a crisis, the Fire Department is not further away than one's telephone.

Very truly yours,

The Heidemann Family

JCC Program Asks: "How Can We Live Together?"

Three prominent Chicagoans will be featured in the third session of Black, White and Jewish, the Fall adult discussion series of the Jewish Community Center of Niles Township, to be held on Wednesday evening, Nov. 13 at Temple Judea, 8610 Niles Center rd., Skokie, beginning at 8:15 p.m. They are:

David Stahl, deputy mayor of Chicago, recently cited as one of the outstanding young leaders in the Chicagoland area; Louis A. Berman, professor of psychology at the University of Illinois Chicago Circle campus and author of the award winning study "Jews and Inter-marriage."

According to Howard Mar-dell, 9443 Keystone, Skokie,

chairman of the J's Adult Activities Committee sponsoring the series, the program will focus its attention on the perplexing subject: "How can we live together?" He explains:

"This meeting, the third in our four-part series providing a unique three-sided probe of current racial tensions, will focus its attention on the emotionally-charged subject of integrated housing. There are those who believe the black community and the white community should be developed independently from each other; There are those who think Jews should have their own neighborhood separate from other whites and from Negroes. And there are those who suggest that all communities should be open and available to a person regardless of his color or faith. These

points will be discussed by our speakers and the audience will be given an opportunity to express its views and to question the speakers about theirs."

Admission for the program is \$1.25 for J members; \$1.75 for non-members. Tickets can be obtained at the door or at the headquarters of the J at 3941 Dempster st., Skokie.

India Film

More interesting than fiction is the description of the new documentary film on India to be presented Sunday, Nov. 17 at 3 p.m. at the Niles West auditorium, Edens and Oakton, Skokie.

Meyer, a staff member of Chicago's Natural History Museum and former U. S. Consul to India, depicts the country's progress and development through the ages. Included in the itinerary are the cities of Bom-

bay, Delhi, Agra, Calcutta, Kohima, Puri, the temple city; Bhubaneswar, where the Hira kud dam is located; and Cochin, a palm fringed paradise, where Fort Cochin, the oldest European settlement is located.

Special in the film is Moyer's exclusive interview with the exiled Dalai Lama of Tibet in the northern village of Dharamasala. It was the first filmed interview to be granted to an American.

Season tickets to the remaining six shows by the Niles Township High schools are available at the schools for \$3.50. Single admission tickets are \$1.25 for adults and 50 cents for students.

Why wait for a gas self-cleaning oven?

Go out and buy one.

The ranges good cooks have been holding out for are here. New gas ranges with self-cleaning ovens. (And everything else.)

The oven cleans itself automatically. Reduces dirt and soil to clean, white, wipe-away ash. And you can even vary the cleaning cycle according to

the amount of soil in your oven.

But that won't help you cook any better.

What will...are the features of gas ranges. Traditional ones, like precision control of every phase of top-of-stove cooking. And new exciting ones...like automatic cooking and gas infrared broiling.

(Gas infrared broiling units cook quickly...provide eye-appealing browning, too.)

See the new gas ranges with self-cleaning ovens at your nearest Northern Illinois Gas Company office or appliance dealer.

An added attraction will be "Music of Williamsburg." Numbers range from the simplest folk music to the sophisticated chamber ensemble and a professional company perform-

ing The Beggars Opera. This should be a very interesting and enjoyable evening. Tickets may be purchased at the library in advance or at the door the night of the program - 50¢ for adults and 25¢ for students. Time of program is 8 p.m.

Proceeds from programs will go toward the musical library. Records of every choice will be available. To name just a few

for your interest, there will be concertos, symphonies, chamber music, string quartets, Broadway musicals, jazz and documentary. We are trying to arouse the interest of the people in Niles through our programs to help support the Friends of the Niles Public Library and we would also welcome any comments or suggestions that you may have.

WELCOME NEWS
It seems there are never enough hours in the day to get everything done. When I do get a chance to read my journals I look to the future with interest - to see the out come of the University of Minnesota's new treatment for the "executive's affliction" or the stomach ulcer.

In this nonsurgical technique the stomach temperature is lowered to almost zero for close to an hour. If the high hopes held out for this treatment live up to expectations, it will be welcome news for many of the nation's over two million ulcer sufferers.

JENIFER P.T.A.

Meeting Nov. 25

The Jefferson P.T.A. will hold its second general meeting on Nov. 25, 1968, at 8 p.m. in the school auditorium.

Mr. C. Bernard Carey, Under Sheriff of Cook County, will be the guest speaker. Mr. Carey's subject will be "The Challenge of Law Enforcement," and will be further supplemented by "Current Events as Applicable to Schools."

For five years Mr. Carey served as a Special Agent in the Federal Bureau of Investigation. During this period he handled all phases of F.B.I. investigative jurisdiction. During his last two years with the F.B.I., Mr. Carey was assigned to counter-espionage in the Chicago area. He received an incentive award and several personal commendations from J. Edgar Hoover for investigative ingenuity.

In November, 1966, Mr. Carey accepted the appointment as Under Sheriff to Joseph L. Woods, Sheriff of Cook County. As such, he served as the Sheriff's first assistant and is the Acting Sheriff when the Sheriff is absent from Cook County. In March, 1968, he was appointed Acting Superintendent of the Cook County Jail for a brief transitional period. He is assisting the new Superintendent to implement the recommendations of the Cook County Grand Jury for the improvement of the Jail.

A social hour will follow the meeting in the activity room. The social hour will be under the direction of Mrs. Bea Haras and Mrs. Alice Joseph, co-social chairmen.

New Highs

W. W. Grainger, Inc. has reported that its sales and earnings reached new highs in the second quarter and six months ended June 30, 1968.

Sales for the quarter increased to \$26,416,000, from \$22,966,000 in the same period of 1967. Net earnings, after providing for the 10% surtax, rose to \$1,147,000, or 47 cents per share. In the year earlier second quarter, net earnings were \$1,076,000, or 44 cents per share. If the surtax was not deducted, Grainger's per share earnings would have equaled 52 cents per share in the 1968 quarter.

For the first half of 1968, sales totaled \$47,844,000, compared to \$41,652,000 a year earlier. Earnings for the six months reached \$1,888,000, or 78 cents per share, after giving effect to the surtax for the entire period. This was up from \$1,774,000, or 73 cents per share, in the same 1967 period. Without the surtax earnings would have equaled 86 cents per share in the 1968 half.

Now in its 41st year of operation, Grainger is a leading, nationwide distributor of electric motors and related products.

Exhibitor

Muriel Sarnat Gould, an Art teacher in Chicago Public schools, will present an exhibit of designed rugs and tapestries in the Art Gallery of the Golf Mill Theatre during the month of November. The artist is pictured with her tapestry that won first ward at the Algonquin Art Fair.

School Calendars In Mail For Senior Citizens

Calendar outlining school events for November and December are being mailed to about 300 Niles Township residents who have Senior Citizen identification cards with the high school district. The calendars highlight those school activities of interest to spectators, including plays, variety shows and athletic events.

Initiated and administered by the school district's office of information services, the program for Senior Citizens was approved by the board of education last summer. The identification cards are issued upon request to persons who are 60 years old or over and are residents of Niles Township. The Township includes all or part of the villages of Skokie, Morton Grove, Lincolnwood, Niles, Golf and Glenview.

The cards, which are to be issued annually, last September were sent to an initial list of persons, compiled through the courtesy of Senior Citizen groups for clubs, libraries, park districts and other organizations in the township.

Although the identification card does not apply to reserved seat activities, the school activity sponsors in each of the three high schools have made a limited number of reserved seat tickets available to persons having Senior Citizen cards. According to the district's office of information services, efforts to continue making some reserved seats available to senior citizens will be made throughout the year. Senior Citizens with identification cards are also entitled to register

"Venice" Next Maine East Travelogue

Thayer Soule will take his audience on a delightful and leisurely tour of "Venice and the Italian Lakes" when he comes to the Maine East Community lectures to personally narrate his color film of this alluring part of Italy. The program will begin at 8 p.m. Wednesday, Nov. 20, in the auditorium of Maine Township High School East, Dempster and Poter, Park Ridge.

The film tour is divided into two segments. The first portion, devoted to the city, presents the travelers' Venice - famous buildings and art treasures, the Venetians' Venice - business, practical problems in the administration of a city afloat, and the craft islands of the lagoon. In the second section a motor tour to the lakes at the foot of the Alps visits Milan, Lake Garda, the Dolomites, Lake Como, Lake Lugano and Lake Maggiore.

Thayer Soule has appeared on the Maine Community Lecture

program twice before with his "Trailing Lewis and Clark to Oregon" and "Return to the Pacific." With the exception of years spent in military service during World War II, he has made travel lectures his life work. After graduation from Harvard in 1939 with honors in Romance languages, he became production assistant to Burton Holmes, the world leader of travel photography who coined the word "travelogue". Their association continued for 20 years.

A Dangerous Prank

Pictured above are the results of a childish prank which occurred on Halloween night. Teenagers (several were seen running from the scene) placed something into the mailbox of the house at 8946 Major, Morton Grove, which set fire to the contents of the closet into which the

mailbox emptied. This fire spread from the closet to the living room causing damage estimated at between \$5000 and \$7000. This fire is being investigated by the office of the Illinois State Fire Marshal, as well as the Morton Grove Police and Fire Departments.

"Snow White"

"Snow White and the Seven Dwarfs" will run for three additional weeks at the Mill Run Playhouse Children's Theatre. The new closing date is Dec. 21.

Children's Theatre productions are presented each Saturday morning at 10 a.m. Ticket prices are \$1.00 for children and 70¢ for adults.

Members of the cast include: Cherie Giller, Park Ridge; Karen Greyson, Mundelein; David Johnson, Evanston; Gayle Trulove, Arlington Heights; Helene Dedes, Wilmette; Leslie Turf, Glenview; Pamela Myers, Northlake; Denise Sabala, 9786 Oak Ln., Des Plaines; Nancy Spitzer, 7116 Greenleaf, Niles; Audrey Holzer, Lincolnwood; Bambi Holzer, Lincolnwood.

Lucky Charm

A Good Luck charm contains tannis root. For Rosemary (Mia Farrow) this charm becomes significant for her entire life. "Rosemary's Baby", a Paramount picture also stars John Cassavetes and Sidney Blackmer. It is held over at the Golf Mill Theatre in Technicolor.

Thankful Tree Grows At Hynes School Again This Year

"Tradition and custom keep the world going."

With this good word of explanation, Principal Catherine Carroll of Hynes school in Morton Grove is continuing a unique school Thanksgiving custom this year for the 11th time. It's the Thankful Tree.

The Thankful Tree idea was originated by her after the school was built in Dist. 67 and she became its principal, moving over from Golf school. Its appearance each year for the children of Hynes (kindergarten through sixth) has become a beloved Thanksgiving tradition.

A small bare-branch tree is set up inside at the school's main entrance as a place for Hynes youngsters to express their Thanksgiving spirit. Children may tie to a tree branch some kind of a thank-you card. They express gratitude for the World, the Bible, their religion, their clothes, their school, home, playmates, the family auto, the flag—anything they really feel. Initiative for the thanks must come from the student. Miss Carroll observes: "The kids just love it."

At the same time, the child deposits at the foot of the Thankful Tree a donation of canned goods or packaged food, non-perishable. These donations are gathered up on Thanksgiving Eve by the Morton Grove Fire Department for distribution to several needy families in the district.

Last year seven big cartons overflowed with the generosity inspired by the Hynes Thankful Tree—a nice Thanksgiving tradition.

And as Miss Carroll believes, "Traditions are something to lean on."

In "Mister Roberts"

John Gavin will star in "Mister Roberts" the first play of the new year at Mill Run Playhouse, Jan. 7 through Jan. 26, producer Carl Stohn, Jr., announced. The theatre will close for the Christmas holidays following the next production, "The Odd Couple" starring Gig Young and Robert Q. Lewis, Nov. 26 through Dec. 22. The current show with Dorothy Lamour and Scott McKay "Once More, With Feeling" runs through Nov. 24.

Mouse On Mayflower?

Every child from six to sixty will be captivated by Willum Mouse and his adventures as "The Mouse on the Mayflower"; in NBC television, Nov. 23 at 6:30 p.m. (CST).

This animated musical fantasy starring the voices of Tennessee Ernie Ford as narrator and Willum Mouse, Eddie Albert as Miles Standish, John Gary as John Alden and Joanne Sommers as Priscilla.

Awarded Silver Wings

Miss Marguerite Louise Kunz, daughter of Mr. and Mrs. Stephen Kunz, 9753 Huber Oval st., Niles, Ill., has been awarded the silver wings of an American Airlines stewardess and has now been assigned to flight duty out of Chicago.

She received her wings as a graduate in the twenty-fifty class this year at the American Airlines Stewardess College, Fort Worth, Tex.

A native of Chicago, Miss Kunz was graduated from Maine East High, Park Ridge, in 1965 and attended Wright Junior College.

She is 5'5" tall with brown hair and brown eyes.

Miss Kunz studied more than 100 different subjects during her six weeks' training at American's Stewardess College. Subjects ranged from make-up and grooming to in-flight food service and theory of flight.

Launch 1969 Christmas Club Opening

While Santa Claus was away, one of the Golf Mill Bank tellers donned Santa's clothes while checking the out-going Christmas Club check mail pouches addressed to last year's members and officially launching the new 1969 Christmas Club opening.

Peggy Trull, center, was there as it's her art show that is featured on the walls of Golf Mill State Bank this month of November. Evelyn Bower, r., New Accounts Supervisor Ambassador of Good Will at Golf Mill State Bank, was there to officially designate Friday, Nov. 8 as the official launching day for the new 1969 Christmas Club opening.

Peggy Trull, Park Ridge, the artist, began early study of art at Cincinnati Art Institute under Sister Mary Jane, then at Oldenberg Academy in Indiana & Marian College, Indianapolis, Ind.; Mr. R. Groomes at Univ. of Cincinnati and more recently under Judith Schwarz of Park Ridge and the renowned portrait artist, Mr. Eugene Montgomery of Skokie.

A former TWA airline hostess, Mrs. Trull often paints scenes of favorite places she has visited in Europe and on the East Coast. Besides being a Park Ridge Art League member, she is a member of the Park Ridge Garden club, and is a resident of North Hamlin ave. in Park Ridge.

Notre Dame Dons Defeat St. Edward's Greenwaves 27-0

By Steve Siles

The Notre Dame Dons ended another good season as they washed out St. Edward's Greenwaves in a 27-0 victory last Friday night.

The facts supported the final score, as N.D. totaled 258 yards with 16 first downs, while St. Ed's racked up a meager 136 yards and 9 first downs.

Scoring began at 4:24 in the first quarter, when quarterback Dave Holdener topped a 69-yard TD drive with a 1-yard plunge for Notre Dame's first score of the game, Senior John Sheehan booted the PAT to give the Dons an early 7-0 lead.

Then Senior Gary Lund broke away on a 30-yard run early in the second quarter to add six more to ND's lead. With an unsuccessful point - after attempt, the score stood 13-0.

In the third quarter, the Dons recovered a Greenwave fumble on the 44-yard line where they marched it down to the 2. From there Gary Lund hit paydirt on a 2-yard plunge for his second score of the night. Sheehan

kicked the extra point which put the Dons ahead by 20.

Junior Rick Tosch, another ND ground-gainer, returned a punt 53 yards at 9:30 in the fourth quarter for the final set of six. Once more Sheehan added one, and the Dons finished with a 27-0 score.

This win, combined with the N.D. victory over Holy Cross two Sundays ago by a score of 14-6, gives the Dons an excellent finishing conference record of 7-1-0.

The Notre Dame sophomores also ended victoriously with a 38-0 shellacking of St. Ed's. The victory was a much needed follow-up to their only loss at the hands of the Holy Cross Crusaders two weeks ago. This also gives the sophs a good final record of 7-1-0 in conference and a total record of 8 and 1 for the season.

auto motivation
By Tom True

The auto dealers on my "beat" are beginning to look toward the holiday season... This is a completely unpredictable time for any dealership... The records show some years to be very good while others are real poor as far as car sales are concerned... Some dealers are preparing their ad copy to promote a car for a gift... a good used car for her as a 2nd family car... or even surprise her with a new car... whichever way the season goes... the anticipation is fun...

The Mrs. and I celebrated our 25th wedding anniversary last weekend... Drove up to the New Playboy club in Lake Geneva... really a wonderful place... However, after the first three or four hours at the place you begin to feel that your in partnership with Mr. Heffner... "Buying in" so to speak... Anyhow, it was a wonderful place and we enjoyed it greatly...

Mr. and Mrs. Don Gafke, winners of the Tom True Gapers Prize trip, took delivery of their sparkling new '69 Plymouth from George Bluet at Des Plaines Chrysler-Plymouth last week... Real happy with it, too! Incidentally, we hear the BUGLE want to thank the Gafkes for their very nice letter...

There was a flurry of '68 car movement at several dealers last weekend... Norwood Ford, Jennings Chevy and Des Plaines Chrysler-Plymouth went into their remaining stock with some gusto... So you who are still waiting better get going while you still have some selection...

Remember, for that new or used car, shop BUGLE car advertisers. Tell them Tom True sent you... see you next week...

 the same but with more dire consequences than those that came out of the Chicago gathering.

With no lustrous candidates, lacking both charisma and glamor, the voters this year, Blase feels, were faced with a "real" election; some voted the "lesser of 2 evils"; path, many became selective and looked at what the candidate was, what he was saying and thought about it before making a decision; some decided when they got into the polling booth.

"In the suburbs, traditionally GOP," says Blase, "we noticed this year the Republicans didn't get out nearly the vote they should have. This means to us Republicans look for an 'image' candidate since they themselves generally seek an 'image' in what they do. We feel the Democrats in suburbia literally saved the Cook county ticket this year which is a switch in our thinking from past years."

Urging the Democrats to start redefining their image in the suburbs so they are not considered a suburban branch of Daley's Chicago machine, Blase contends there must be an awareness of the Democratic party in the suburbs. Krier contends people coming from the city to the suburbs remain Democrats but do, in some cases, become more selective in their choices on the ballot, if only to show they have heard more from both sides of the fence, GOP and Democrat.

"There's nothing wrong with the image of our party in the suburbs," Krier feels. "If there is an active Democratic party in the suburbs, then normally city Democrats will not become Republicans when they move to suburbia, just to be like all their GOP-voting friends."

With the participation of more young people in the electoral processes, Blase urges the time is now for the Democratic party in suburbia to open up and get more young people involved.

Leaders should reach out for the help of more young people, according to Krier, but the party in suburbia has never been "closed" to the younger generation. "About 15 of my precinct captains are under 25," says Krier, "and our Citizens for Humphrey campaign in Niles Township was led by 3 very active young people. These

younger people must be given an opportunity to participate and they will. We are working on this now, the formation of a stronger Young Democrats organization."

Both men agree 2 Democratic parties in the county can't survive, Krier says he doesn't believe in running an "independent organization" no more than he believes in "confering with Daley whenever I have to make a decision. Since I'm the elected leader, I make the necessary decisions. I don't confer with Daley when I want to decide something."

Internal fighting within the Democratic party is probably, Blase states, if the city power structure does not recognize the problem as I think Daley has. "A new image must be created and, if necessary, the few Democratic committeemen who think as I do will probably get together in the near future and possibly together we will act as the catalyst for that change."

According to Krier, Niles Township Democratic party "had a fantastic year. We're the number one suburban Democratic organization as far as I'm concerned. We had a large plurality this year and we have a good, strong organization." Maine Township Democratic organization saw the Maine GOP lead closed to a ratio of about 1-1/2 to 2-1.

Furnace

Continued From Page 1

It was indeed surprising to learn Saturday night that my family and I had survived an earthquake! No doubt it was no more surprising to me than anyone else but rest assured, the next time the earth starts vibrating like that, it will probably be our furnace and I'll be running for the closest seismograph.

Although there was no damage reported in the area, Niles police did get many calls about violent vibrations at the west end of town, Greenwood and Cumberland and around 8620 Root. Niles Village Hall also received many phone calls. How many furnaces in disrepair can there be?

went from door to door as well as representatives of the village building department. Blase said the area, for the past 4 years, has been "a constant source of irritation."

A contributing factor to the absentee landlord problem is many of the buildings fell into the hands of federal receivership after the closing of a savings and loan association and policing of the buildings had thus become increasingly difficult.

Everyone present at the meeting Saturday agreed it was easy to let an area "go bad" and

there is a need of a "spirit of ownership" which is sadly lacking there.

If, as the residents charge, the landlords are just "milking the property," then there is need of an incentive for the people to want to improve the area. Blase said he would send out the letters in the hope of obtaining the cooperation of the residents. "We'll be seeking attendance at a general meeting of the residents," Blase said, "to foster a spirit of cooperation, not just to raise hell for what is happening." No definite time has been set as yet for that meeting.

motion to seek bids on an aerial ladder truck for the village fire department. In part necessary to maintain the #3 fire rating the village now has.

In a report from the Village Attorney concerning court decisions on the suits of the Herschewitz and Richard Schaul properties, both decisions were in favor of the plaintiffs, against the village.

The courts have upheld lower court decisions approving Schwinge's suit for multiple family zoning for the Nordica-Jonquill property. It was pointed out at the meeting, however, the Niles Park District is in the process of attempting to purchase land in that area, including that site, for park district use.

In the Schaul decision, the B2 Special use zoning for an open car lot at Harlem and Nora was upheld.

In other village business Tuesday night, the board appointed Ken Scheel as Village Manager from Nov. 1, 1968 to May 1, 1969. He has been Acting Village Manager.

Since the TAM owners received the rezoning our layman's knowledge would inquire as to what happened to the Public course?

According to Niles park commissioner Lou Schreiner there is some legal language which states so long as a legal case is pending against the owners the activation of the course will be delayed. The group is now waiting for an upcoming court date (possibly within 30 days) in which it is appealing the decision favoring the TAM owners which was handed down last year.

Schreiner reviewed recent past actions. He said the SAVE TAM people had sat down with the TAM owners last year and the owners had agreed to pay the citizens' groups' legal fees and would give the Niles Park District 1-1/2 acres of land south of Howard St. alongside the Forest Preserve and would place a building there valued at about \$50,000 which would be given to the Park District. Schreiner noted while the citizens group was at first pleased with the terms they later backed down, "because as Schreiner said, 'they did not like the attitude of the TAM representatives of the owners.'" Since then the legal costs to the TAM owners have continued and the lack of response from the citizens group has resulted in the case going into the courts and the building offer and the payment of legal fees has been dropped. Schreiner said the 1-1/2 acres was worth \$110,000 and the \$50,000 building made the total value \$160,000. Now, only the land offer may be available. Meanwhile, the former SAVE TAM group has hired another lawyer and it is estimated the 5 or 6 families involved in this appeal will be splitting a total cost of around \$10,000 in legal fees.

Assuming the accuracy of the aforementioned the appeals case by these few people has resulted in the loss of the 450,000 building delayed for at least 2 golf seasons the operation of the 9-hole golf course.

Lastly, in this very dragged out story, the Park District can still purchase the public course (for a 7 year period) but the need for it to function so as to estimate revenues and costs has been delayed.

HERE'S HOW!
 EXPERT TIPS FOR HOME MAKERS

IT'S WORTH THE BOTHER TO POLISH NEW PIECES OF FURNITURE WITH WAX OR WAX POLISH EVERY COUPLE OF WEEKS. FOR THIS PROTECTS THE SURFACE AGAINST WATER MARKS.

BOTHERED BY UNSIGHTLY WHITE RINGS ON YOUR HIGHLY POLISHED FURNITURE? THEY'LL DISAPPEAR IF YOU APPLY WARM, CAMPHORATED OIL TO THEM. RUB THE FURNITURE UNTIL IT'S DRY. THEN POLISH WITH A CLEAN, SOFT CLOTH.

IF SOMETHING'S BOTHERING YOU, PSYCHOLOGISTS SAY IT'S OFTEN BEST TO ESCAPE TEMPORARILY BY LOSING YOURSELF IN A MOVIE, BOOK OR HOBBY. ANOTHER WAY TO CHEER YOURSELF UP IS TO TAKE A BREAK WITH PEPSI-COLA. REFRESHED, YOU MAY FEEL MORE LIKE DEALING WITH THE PROBLEM LATER ON.

INSTEAD OF BOTHERING TO SAND AWAY SCRATCHES ON DARK FURNITURE, FIRST TRY APPLYING A LITTLE IODINE TO THEM. IT ALMOST OFTEN MAKES THESE MARKS 'DISAPPEAR' OR MAKES THEM LESS VISIBLE.

Capt. Olsen, Vietnamese Friends Seek Your Aid

(Ed. Note: Following is a letter and picture received from Nilesite Gary A. Olsen, Captain Infantry, now serving in Vietnam. The letter and its appeal is self-explanatory, we believe. The above picture shows Gary with some of the Vietnamese and Montagnard people he has been working with as a Civil Affairs Officer.)

DEPARTMENT OF THE ARMY
HEADQUARTERS 1ST BRIGADE 4TH INFANTRY
DIVISION
APO San Francisco 96265

An Open Letter to the People of Niles:

I am writing this letter in the hope that the good people of the Village of Niles will show that it can truly be said that Niles, an All American City, has an All American Heart.

First, let me introduce myself. My name is Captain Gary Olsen, and I am presently stationed in the Republic of Viet Nam with the 1st Brigade, 4th Infantry Division.

My current assignment is the Civil Affairs Officer for the 1st Brigade in the Dak To area. In all, this encompasses approximately 2,000 Vietnamese and 2,500 Montagnards. It is our job to give assistance to one Orphanage; 3 In-progress Schools; 3 Schools to be opened; 1 Hospital, and 12 Villages and Hamlets. The aim of the assistance is to improve the living conditions; decrease disease; improve domestic relations and to educate the people. The assistance given, ranges from bars of soap; medical treatment; education in personal hygiene; foodstuffs and equipment and material used in building or repairing facilities. We also give a very limited amount of clothing because civilian clothing is not an item of Army issue. Items such as educational material, toys, school equipment, are not readily available through Army supply channels. It is in this area that I ask the people of Niles for assistance.

Regardless of a person's feeling of the United States' involvement in Viet Nam, it would be considered humanitarian to help these needy people. I would appreciate, and these people would deeply appreciate, any assistance in acquiring any of the following items either used, in need of repair, or new:

1. CLOTHING. Any type, except real heavy winter clothing, ranging from infant to Sub-Teen.

Niles Woman's Club Meeting Nov. 20

The Woman's Club of Niles, 10th District, IFWC, will hold their monthly meeting on Nov. 20, 8 p.m., at the Bunker Hill Country club, 6635 Milwaukee ave., Niles.

An invitation is extended to all women living in and around Niles. Acquaint yourselves with the activities in and around your area and perhaps make a few new friends. Should anyone require transportation for the evening,

please call either Mrs. R. Shurson, 966-4459 or Mrs. S. Huebner, 966-5612.

An event for the kiddies (young and old) is planned for Nov. 17, 2:30 afternoon, at the Niles Recreation Center near the corner of Milwaukee and Oakton sts. in Niles. A clown will entertain us with some magic and plenty of laughs for the small price of 50 cents each. All proceeds will go to the philanthropy department. Bring the family and plan on some fun and laughs.

2. SCHOOL EQUIPMENT. Items, such as Maps of the world; Maps of major geo-political areas; English Grammar books from the 1st to 5th Grade; any type of Science Chart, such as an Element Chart, Biology Chart, etc.

3. TOYS. Any type of sturdy toy, such as, small cars, trucks, dolls, or toys that do not break quickly. Sports equipment, such as, Volley Balls and Nets, and Soccer Balls. These are the main Sports activities.

4. SEEDS. Seeds of any type. We would like to experiment and see if we can introduce some other items to supplement rice and corn.

I realize that this is quite a lot to ask for but, I feel that asking specifically for needed items precludes receiving items that are nice to have, with no practical value, over items that are really needed. These items are instruments of Peace and not of War.

Being a resident of Niles for 22 years, and calling it Home for the past 5 years while in the Army, I believe that I can count on the good people of Niles to realize how lucky they are, living in the United States in a fine city like Niles, and that they will share some of their good fortune with the Vietnamese and Montagnard people.

It is my hope that some local groups, or civic minded organizations or individuals, will organize a small drive to procure some of the above-mentioned items.

If any additional information is needed about any of the above items, information can be obtained quickly by contacting my Dad, Mr. H. Theodore Olsen, 8212 N. Oketo ave., 967-9537.

Thank you for your consideration of this request and for any assistance you may offer.

I firmly believe that Niles is an All American City with an All American Heart.

Sincerely,
GARY A. OLSEN
