Blase Planning Giant Homecoming Fete For Rogala, 2nd Pueblo Crew Member

National, state and local dignitaries will join Village of Niles residents in honoring 2 Illinois crew members of the U.S.S. Pueblo at a giant reception to be held the end of January in Notre Dame High school and being planned by Niles Mayor Blase and a committee.

The crew members to be feted are Richard Rogala, son of Mr. and Mrs. Chester Rogala, 8138 N. Farnsworth, Niles and William Masie, of Roscoe, a town near Rockford.

According to the Rogala Day chairman, Norman Dachman, invitations to attend the huge homecoming have been sent by Niles Mayor Blase to Congressman Roman Pucinski, Donald Rumsfeld and Sidney Yates; Governor-Elect Richard Ogilvie, Governor Samuel Shapiro, Lt. Governor Paul Almon and Senator Everett Dirksen and Charles Percy. Dachman has said telegrams of invitation will also be sent to other dignitaries and a definite date for the reception will be set as soon as homecoming plans of the 2 crew members of the captured naval intelligence ship become definite.

Mr. and Mrs. Rogala and their daughter, Mary, returned home last weekend after spending 10 days in San Diego with Richard and also visiting with another son, Lawrence, 20, who is an airman stationed across the bay at North Island naval air base.

The Rogalas and other Pueblo families spent Christmas Eve with their sons at the naval hospital where all the crewmen are being kept.

Richard, a 1967 graduate of Holy Trinity High school, enlisted in the Navy Sept. 28 of that year.

Names Running Mates

While no official announcement has been made Niles Mayor Nick Blase has chosen his ticket which will run for village offices with Blase in the April election.

Trustee candidates include Ralph Bass and Peter Pesole, both of north Niles, who are members of the Niles Youth Commission; The third trustee candidate is Richard Gruenwald, 8414 North, who has been a member of the Police Pension Board; Pesole has been a past precinct captain for Blase both at the village level and the Democratic township levels. Gruenwald has been active politically with the Niles Republicans.

Village clerk candidate will be Frank Wagner, 8760 Okato, an employee of the Niles Police Department, who is the director of records. He is not on civil service and is considered a civilian employee of the department.

From The Left Hand

By David Besser

Monday they started lining up at the starting gate when village candidates for April's elections began filing their petitions. By 11 a.m. a candidate in the Niles election was on the phone explaining the shortcomings of his opposition and at 12:30 we had lunch with the opposition.

In Niles The BUGLE has always been on stage center. In these every-other-year confrontations. Since this paper was first hatched we've always felt the in-between year actions of public officials need not be bemoaned if the guys who foot the bills place the best qualified people in office during election year. Decrying zoning inequities, flood problems, poor services, inadequate parks and poor school policies is merely "spinning wheels" if taxpayers fail to place the best qualified persons in office. The time to rise up and pay attention "to the store" is before and during election time. It's the reason we devote our efforts in this direction.

In Niles the hooting and hollering will center around incumbent Mayor Nick Blase who in Morton Grove the closest fire prevention committee of the city represented by the government, with its closed meetings, are likely to be the paramount issues of the 2 villages. The neighboring unincorporated areas in West Main, while not directly involved in the election process, nevertheless will become an important issue in the Niles election.

The contrast of the two communities is interesting. While stodgy old Morton Grove mopes along with dull candidates and equally disinterested residents, Nilesites become much more involved in their local elections. Niles, with its All-America rating and its Junior Miss Pageant, its year after year award-winning fire department, its superior public works department and its first rate police department are partly the result of the better candidates plus the much greater awareness of its residents.

While MG officials might try to cop out on these disparities they can easily find out the wide gap between the two neighboring communities, Niles snow clearance efforts are far superior to any of its neighbors; the police departments commu-

COFFEE BREAKS . . . GOOD OR BAD?

Poets write about, comedians joke about, and office workers insist on the daily coffee break. The coffee break has become an American Institution. Periodically the coffee break comes under fire by the American Medical Association. During the 112th annual meeting of the AMA, a noted doctor claimed that too frequent coffee breaks might well start a person on the road to a peptic ulcer. It was claimed that consuming 8 to 12 cups of coffee daily will contribute to, but not necessarily induce, an ulcer.

SCOUT NEWS

Troop 62

"A meaningful and productive year" is the conclusion of Boy Scout Troop 62, sponsored by Niles Community church, in reviewing its accomplishments during 1968. The occasion was a change of command, as Scoutmaster Eugene M. Anderson turned over his reins to incoming Scoutmaster Erich M. Buck, of 8155 N. Prospect ave., Niles, who will take over the troop as of the first of 1969.

High points of the year just ended include the troop's enrollment of 55 Niles boys in scouting, and the advancement to Eagle rank of Edward Burns, 8226 Milwaukee ave., Robert W. Gauthier, 6852 Keeney st., and Richard Strauss, 8646 Merrill ave., all of Niles.

The year began with a recognition dinner in honor of Kenneth Krejsa, 8631 Merrill ave., who attained his Eagle rank in November, 1967. January saw the troop competing in Maine-Ridge District first aid meet, while later in February, during scout week, a demonstration of various scouting skills was on display at Golf Mill State Bank.

Monthly week-end camp outs during the year included such spots as Camp Baden Powell, Camp Dan Beard, Yorkville, Keepataw State Park and the Amquiappi Trail, with special patches being earned by the troop. May saw the troop participating in O'Hare Field Scoutarama, during which time visitors were entertained by mock

Troop 45

Troop 45 had a Fun Camp Out at camp Dan Beard for Christmas. A.P. Leaders Steven and Pete Welsch were on hand to give their very able assistance.

Other boys attending the camp out were: Richard Pignato, Mike Davis, Terry Frick, Allen Bonini, Randal Hyken, Ried Hyken, Paul Pomazal, Richard Bobula, Martin Rothenberg, Sidney Rothenberg, Ron Friedman, Phil Hilson, Brian Cronin, Ken Schneider, James Schneider, Rick Mayer, and Mark McAndrew.

After getting their gear into the cabin, the scouts were given a treat of hot cocoa and fresh sweet rolls. When the cocoa and rolls were taken care of the boys spent the rest of the evening having fun just "fooling around."

Saturday began with a breakfast of orange juice, French Toast, milk and cold cereal. Activities started soon after breakfast and all patrol members took part in at least one of them. Hikes, fire building, winter survival techniques and nature in the winter kept them busy until noon.

battles between the cub scouts of Pack 62 and the Indian dancers and warriors of Troop 62, in full colorful regalia, scenes of which were shown on Chicagoand T.V. For civic projects, the troop participated in Niles' Memorial Day parade, and undertook to clean up long-neglected areas of Camp Baden Powell for other troops to enjoy.

June and Fathers' Day were celebrated by a special father-son camp-out to Big Foot State Park, Lake Geneva, Wisconsin, and the summer camping program saw 22 boys of the troop journey to Camp Napowan, Wild Rose, Wisconsin, where they underwent two weeks of wilderness camping. Three of the boys, Eagles Ken, Bob and Rick, really roughed it for another two weeks out at the National Boy Scout ranch, at Philmont, New Mexico.

Wishing Scoutmaster Buck well in his new assignment, Anderson is turning his attention to running the Maine-Ridge District's Cub Scout Round Table program as Assistant District Commissioner. Both Anderson and Buck agree that the troop will have to go some during 1969 to meet the high level of attainment achieved during 1968.

Troop 62 meets every Monday night at 7:15 p.m. at the Niles Community church, and all boys 11 years of age or older in Niles are welcome to attend.

For lunch, S.M. Don Schneider prepared some Sloppy Joe's. He used a big pot so some of the boys "had" to eat three sandwiches.

The rest of the afternoon was one long rough and tumble football game. Everyone took part in the game -- no broken bones resulted, but most of the participants had plenty of aches and sore muscles.

Supper was real home cooking because it was cooked by some of the mothers and delivered by A.S.M. Jack Frick (a real Christmas dinner for the boys). The meal was followed by two very good movies, a skit and song by each patrol, and a grab bag. The best prize was a book mobile presented by Friends of the Library. It will be converted into a camping truck for Troop 45.

The boys broke up camp early Sunday morning. This was really a "fun camp out." Adult leaders attending were: S.M. Don Schneider, A.S.M. Phil Hilson, A.S.M. Jack Frick, Camp Chairman Pete Welsch, Transportation Chairman Ralph Pomazal, and Committee Chairman John Cronin.

Farragout Wins N.D. Holiday Classic

By Steve Stiles

The Admirals of Farragout High school captured the championship for this year's ND Christmas Classic by beating St. Viator's 75-62 a week ago Monday.

Notre Dame came in fourth place as they surrendered the tournament title for the first time in the tournament's four year history. St. Viator's placed second, Eisenhower placed third, and Rich East won in the consolation bracket. Other teams in the eight team contest included Ridgewood, Richards, and Elk Grove.

Originally seeded fifth in the Tourney, ND beat their favored opponent Elk Grove in their first game by a score of 73 to 61. But in the next game, Farragout whittled away ND's twelve point halftime lead to beat the Dons 60 to 55. Even with this, the heartbreaker was ND's loss to Eisenhower by one point. One bright spot in the game, however, was senior John Kardzoniak's new tournament record of most points in a single game -- he had 36.

Kardzoniak also made the all tourney team along with Tony Johnson of Farragout, Lean Mitchell of Eisenhower, Larry McCarran of Rich East, and Kelsie Wicks also of Farragout. Most valuable player, was Jack Brawley of St. Viator's.

Acrobatics with emphasis on posture, rhythm, and coordination, plus the development of self-discipline, will be offered on Mondays to begin Jan. 13. Beginners 3-5 years, 2-2:45 p.m.; 6-15 years, 4-4:45 p.m.; Advanced 4:45-5:30 p.m.

Every child has a certain amount of natural dramatic ability. Children's Theatre will provide an opportunity for personality development and allow the child's cultural life to be strengthened as he grows through artistic achievement. Children's Theatre classes are scheduled for Saturdays to be graders, 1-2 p.m., fifth through eighth graders, 2-3 p.m.

Guitar students will learn to read chord symbols, and will be instructed in popular, folk and solo music. Classes will meet on Friday evenings, beginning Jan. 17. Beginners (youth under 15) 7-8 p.m.; Intermediate (all ages) 9-10 p.m. A special course for adult beginners from 8-9 p.m. will also be offered.

The Art course for youth will provide an introductory program to encourage the child to express his creative ideas and feelings by gaining artistic skills in line drawing, shading, lighting, color harmony, still life, pencil, crayon and water color. Classes will be held on Tuesdays to begin Jan. 14. Children 8-10 years, 4-5 p.m.; Juniors 11-15 years, 5-6 p.m.

Bank Announces Staff Changes

As of Dec. 31, 1968, Henry J. Reichwein will retire as Chairman of the Board and Chief Executive Officer of four local banks -- Libertyville National Bank, First National Bank of Mundelein, Grayslake National Bank, and the Golf Mill State Bank. He will continue in the capacity of Director and consultant to the banks.

Mr. Reichwein became President of the Libertyville, Mundelein, and Grayslake banks in 1951, and of the Golf Mill State Bank upon its organization in 1961. Under his direction the banks have more than tripled in total resources, which banking observers attribute in large measure to his forceful and far-sighted leadership.

Reichwein started his long banking career with the Fort Dearborn National Bank in 1908, remaining with the institution until its consolidation with the Continental Illinois National Bank and Trust Company in 1921. He then assumed the office of Vice-President of the State Bank of West Pullman and later advanced to the presidency of that bank at the age of 35. In 1933 he joined the Merchandise National Bank of

Chicago, serving as Vice-President and Cashier and then advancing to the first vice-presidency. Since 1951 he has been President of the four previously mentioned banks.

His retirement will give Mr. Reichwein more time to indulge in his favorite hobby -- gardening. He is reputed to have one of the best green thumbs in the area (and his garden proves it). We all wish Mr. Reichwein and his lovely wife, Clara, many more years of health and happiness.

He is succeeded as Chief Executive Officer by Robert A. Sharpe, President of the four banks. Mr. Sharpe, a veteran of financial experience, is a graduate of the School of Banking at the University of Wisconsin. Before coming to Libertyville, he was Vice-President of Central National Bank of Cleveland, and earlier had served as Vice-President of Toledo Trust Co., Toledo, Ohio, and Continental Illinois National Bank of Chicago.

Mr. Sharpe and his family live in Libertyville. He is active in many community affairs.

Recording Expert Visits M.G. Park

Ella Jenkins, well-known recording and rhythms expert paid her annual visit to the Morton Grove Park District Pre-School children this week. For the fifth year Miss Jenkins entertained and worked with each of the 14 classes and taught songs and rhythms from around the world to the 280 four-year-olds now enrolled in the classes at Mansfield, Oketo, National and Austin Park.

"Our Pre-School Program is one of the most comprehensive and progressive programs of its kind in the state!" said Donald F. Lutz, Superintendent of Parks and Recreation. The Pre-School program includes language, pre-reading readiness, handicraft skills, color shape and number recognition, social experiences and a variety of activities which prepare the four-year old for the daily routine of kindergarten the following year.

"Much of the success we have had with the Pre-School Program is based upon the volunteer help from the mothers," stated Florence Moore, pre-school Supervisor - Teacher. "Each teacher is aided at all times by two mothers and because these mothers take their work in a serious and responsible manner we are able to offer the child a one-to-six relationship (one adult to every six children) and each child benefits greatly from this individual attention and help."

Weight Losing Class At 'Y' Begins Jan. 16

If you have made a New Year's resolution to lose weight, don't take it so hard, as it isn't as bad as it seems, according to Gerry Moynahan, diet consultant for the Leaning Tower YMCA, 6300 Touhy ave., Niles.

The group will begin meeting Thursday, Jan. 16 from 7 to 9 p.m., and Friday, Jan. 17 from 9 to 11:15 a.m.

The classes are fun and entertaining as well as educational. They are planned for women who want to lose weight but feel they need a sound program, professional help and the company of other women in which to do it.

The 10-week course will include low calorie diets and recipes, and how to lose weight and stay at their ideal weight.

Among other features of interest are instructions in posture and walking, how to style their hair and apply makeup becomingly, how to plan a basic wardrobe and relaxation.

To date over 24,000 women have taken the course with a total weight loss of over 43 tons. New members can expect to lose up to 24 pounds during the 10-week course. Membership enrollment and further information about the course can be obtained by phoning the "Y" at 647-8222. Baby sitting service will be offered in the Friday morning class.

John Gavin Stars In "Mister Roberts"

John Gavin, whose most recent motion picture success was "Thoroughly Modern Millie", stars in "Mister Roberts" at Mill Run Playhouse Jan. 7 through Jan. 26.

John Gavin

The critics found a new Gavin and praised his talent for romantic comedy in "Millie"—the smash-hit film with Julie Andrews. When Gavin was signed for the role, he had just returned from Mexico where he had gone to head an all Mexican cast in the art film, "Pedro Paramo". He had done the role to prove himself as an actor—and he and the film were well received in Latin America.

Gavin was born in Los Angeles, went to grammar and high school there, and later attended Stanford University. He received his basic training while going to college and was commissioned an ensign when he graduated from college. He served as a Naval Intelligence officer on a carrier and saw service in Korea, Japan and Hong Kong.

It was while he was on leave and having lunch in a Beverly Hills restaurant that Gavin was first approached by an agent who suggested a screen test. After his discharge, John mentioned the incident to a family friend, film producer Bryan Foy. Foy took a new look at the young man, decided it was not a bad idea and arranged a test at Universal.

The signing of a Universal contract in 1955 started John on his film career. During the ensuing years he starred in more than a dozen motion pictures including "A Time to Love and a Time to Die" (his first big starring role), "Imitation of Life", the epic film "Spartacus" with Sophia Loren and Maurice Chevalier, "Psycho", "Midnight Lace" with Doris Day and Rex Harrison, Peter Ustinov's "Romanoff and Juliet", "Tam-

my Tell Me True" and "Back Street" with Susan Hayward. Since "Thoroughly Modern Millie", Gavin made "The Madwoman of Chaillot" with Katherine Hepburn, an Italian film "No Roses for Robert" and a feature film for CBS television "Cutter's Trail".

He has appeared on several television series including "Convoy" and "Destiny" and on Kraft Theatre, Alcoa Theatre, The Alfred Hitchcock Show and The Virginian. On the stage he has starred in "Heaven Can Wait", "The Story of a Soldier", "The Fantasticks" and "Mister Roberts".

Gavin plays handball to keep in shape. He likes to read, is an expert in pre-Columbian art and collects paintings by contemporary artists. He speaks Spanish and Portuguese.

John Gavin who played Julie Andrews' handsome boss in "Thoroughly Modern Millie" stars in "Mister Roberts" at Mill Run Playhouse Jan. 7 through Jan. 26. John Garfield, Jr., is featured as Ensign Pulver.

Gavin, who actually was a Lieutenant in the Navy, plays Mister Roberts, the popular Lieutenant on a Navy cargo vessel in the Pacific. The play by Thomas Heggen and Joshua Logan is one of the leading stage successes of the modern theatre. It is the rowdy, realistic saga of a group of sailors suffering from the deadly boredom of the routine of war. To them, the captain is the enemy.

to see about posting "No Parking" signs on the north side of Elm st. from Lehigh ave. West to the Forest Preserve boundary during the bad weather. After some discussion it was agreed to have a "Snow Route-No Parking" sign put up temporarily.

Neil Cashman made a motion to study the report on the Water Dept. since a financial report was prepared by Eugene Kennedy, Village Treasurer, and received by all board members. The motion was carried by the board.

Dick Flickinger trustee said that he would like to give a pat on the back to the hard working men of the Public Works Dept. for their fine work on snow removal. Mr. Flickinger also announced that bids would be opened at 11 a.m. at the Village Hall on Jan. 27 for work on several arterial streets.

Mayor Schreiber told the board that Trustee Ed Brice who had suffered a heart attack was now out of the intensive care unit and able to receive a limited amount of visitors. We wish Mr. Brice a speedy recovery.

Attorney James Orphan read a resolution for the payment of \$6,000.00 for the re-location of a 10-inch water main on Lehigh and Dempster and the installation there of two new valves. Mr. Orphan then read an ordinance granting a special use permit for the erection of a multiple dwelling structure to be constructed on the property at 6147 Lincoln ave. The ordinance was passed by the board.

East Maine Caucus Holds 1st Meeting

The 1968-69 East Maine Township General Caucus confirmed a membership of 27 PTA, PTC, homeowner, and religious organizations at its opening meeting on Dec. 5. It then heard a report from its Candidate Search Committee, elected a six-member nominating committee and adjourned until February.

The East Maine Caucus—representing portions of Niles, Glenview, Morton Grove, Des Plaines and unincorporated Maine Township—will now seek out, interview, endorse and support for election next April those candidates best qualified for the governing boards of elementary School Dist. 63 and Township High School Dist. 207.

According to John C. Burkhardt, Caucus chairman, the group's nominating committee is now charged with the primary responsibility for this vital function—finding the "best

qualified" candidates. "Its job," he said, "is the most important one in the caucus. Its members deserve—and must have—effective assistance of every caucus delegate, alternate and member organization in the weeks to come. Each and every citizen should make it his personal business to suggest names of potential candidates of outstanding ability and character to this committee."

The Nominating Committee members are: Michael R. Conway, 9032 Washington, Des Plaines (Stevenson PTA); Rev. David L. Graham, 9046 Home ave., Des Plaines (Good Shepherd Community church); Mrs. Dave (Betty) Hendrix, 9063 Parkside dr., Des Plaines (Ballard Gardens Homeowners Association); Stephen Hoffman, 7751 Davis st., Morton Grove (Maine East PTC); Leonard Silverstein, 9043 Terrace pl., Des Plaines (Golf Park Terrace Civic Association); and Mort Wax, 58 James ct., Glenview (Washington PTA).

Des Plaines Theatre Guild To Present Wilde Comedy

Lives there a high school, college or community theatre group that sometime during its history has not staged Oscar Wilde's perennial favorite, "The Importance of Being Earnest"?

Not being one to break the chain, Des Plaines Theatre Guild has selected this old, but still funny comedy for its third production of the season, and is currently rehearsing the play for opening on Jan. 10 at Guild Playhouse in Des Plaines.

Rehearsing has been somewhat difficult of late, however, says DPTG's director, Michael J. Woulds, what with half the cast and the assistant director laid low by the flu bug. "We're thinking of changing the title to 'The Importance of Being Upright,'" says Mike, "but we earnestly expect to have all our cast and crew members on their feet and ready by opening night."

Des Plaines Theatre Guild's production of "Earnest" will be unique in that the group is doing the genuine English version of Wilde's classic, importing their scripts from London, rather than using American scripts more common in this country.

The cast includes Marshall Kievit, 1241 Everett ave., Des Plaines, as John Worthing; Joel

P. Mattson, Arlington Heights, as Algernon Moncrieff; George Lopez, 9044 Kennedy dr., Des Plaines, Rev. Canon Chasuble; Wilhelm Levander, Park Ridge, as the butler, Merriman.

Lane, the manservant, will be portrayed by Richard Michalek, Elmhurst; Beth Woulds, wife of the director, Schaumburg, will be Lady Bracknell; Melinda Mattson, Joel's wife, is cast as Hon. Gwendolen Fairfax; Sandra Grabowski, Prospect Heights, plays Cecily Cardew; and Phyllis MacCowan, Glenview, is the governess, Miss Prism.

Performances of "Earnest" will be staged on Friday and Saturday nights, Jan. 10-11, 17, 18, 24 and 25 at 8:30 p.m. in Guild Playhouse, 620 Lee st., in downtown Des Plaines.

Admission is \$2.50, with special student prices of \$1.25 in effect on Friday nights. This play is of special interest to high school English, Art and Drama classes, and director Mike Woulds is extending an invitation to instructors in these subjects at the area high schools to bring their students to a rehearsal or Friday night performance. Arrangements for this may be made by calling the assistant director, Virginia Boyer at Lavry's Foods, 299-1141.

Ticket information requests and reservations may be phoned to the Guild boxoffice number, 296-1211 between 4 and 6:30 p.m. or addressed to Des Plaines Theatre Guild, Inc., P.O. Box 84, Des Plaines 60017. Closer to the play's opening, tickets will also be available at Arlen Pharmacy, corner Lee and Miner, Des Plaines.

Tell Betrothal

Mr. and Mrs. Edward J. Zonsius, 7066 Cleveland ave., Niles, have announced the engagement of their daughter, Ellen Ann, to Lt. William J. Wirth, son of Mr. and Mrs. Edward D. Wirth of Chicago.

Miss Zonsius is a graduate of St. Scholastica High school and is now attending St. Mary-of-the-Woods college in Indiana. She will graduate in May with a B.A. degree in Elementary Education.

Lt. Wirth has his degree in Philosophy from Loyola university. He is at present in pilot training at Webb Air Force Base in Texas. A July wedding is planned.

Manager

Hobart K. Swan has been made manager of the Central Region by H. M. Harper Co. The Central Region is one of five in Harper's Sales organization, covering Illinois, Indiana, Wisconsin, Minnesota, Iowa, Kansas, Nebraska, Missouri and northern Arkansas, according to John Mengel, vice-president-marketing.

Mr. Swan, a Princeton graduate, was a Lieutenant (j.g.) in the Navy during the Korean conflict. He started with Harper as a salesman, being named branch manager of Harper's Chicago warehouse and sales office last year. He resides, with his wife and child, in Lake Bluff.

The Harper Co. produces corrosion-resistant fasteners. These are bolts, nuts, screws, washers, and rivets made of stainless steel and non-ferrous alloys. Harper also produces extruded shapes from stainless steel, carbon and alloy steel, nickel-base alloys and titanium.

Commissioned

David J. Berger, son of Mr. and Mrs. Jacob J. Berger of 8149 Grand ct., Niles, was commissioned a second lieutenant in the Marine Corps during graduation ceremonies at Quantico, Va.

Candidates for the Officer Course are drawn from colleges and universities throughout the nation and from the enlisted ranks of the Corps.

Niles North Band Concert

Niles North High school's music department will present the orchestra and band in concert on Sunday, Jan. 12, at 4 p.m. in the school auditorium. This concert is the first program of the current year for both musical groups.

Under the direction of Miss Thelma Wilcox, the orchestra will include in its program "Ballet Egyptienne" by Luigini, "Sinfonia in B Flat" by J. C. Bach, "March Slav" by Tschai-kovsky, and "Slaughter on Tenth Avenue" by Richard Rodgers. Approximately 60 students are members of the orchestra.

Concert band will play "The Fantasia" by Giannini, a Suite by Stravinsky, "Armenian Dances" by Khachaturian, "Concerto Grosso, opus 2" by Vivaldi, and a medley of the

music of George M. Cohan. Dr. Lawrence Wathen conducts the 72 member band.

The Sounds of Time, a girls vocal group which performs music in the modern manner, will be a special feature of the concert. Numbers from their repertoire include "The Look of Love" and "The Fool on the Hill."

The public is invited to attend the concert. Admission is free.

Health Hints

SNOW SHOVELING
Ingredients for a heart attack: One heavy, wet snowfall; a raw wind blowing across the driveways; and one poorly conditioned, middle-aged man laboring furiously with a shovel. The energy output in shoveling a moderately heavy snow is approximately the same as if the individual were running seven or eight miles an hour. Leave the shoveling to the younger generation or your wife.

CARBON MONOXIDE
Have your car's exhaust system checked frequently for leaks. The risk of carbon monoxide poisoning from a faulty exhaust system is much greater during winter. Always leave one of your car windows open slightly while driving and never run your car's engine in an enclosed garage.

nication center, fire department's equipment and public works department's many activities can truly be compared if officials would care to do so. In MC we've noticed with dismay the great number of street signs which are missing. In Niles we find few which are down. It all reflects from the top...from the guys who run the village, rather than those who work in the departments.

While Morton Grove needs the change the most, it's Niles which will make the greater headlines due to the above-mentioned interest. Niles Mayor Nick Blase will be the major topic during the next four months and what is developing into an open and bitter confrontation may center around Blase and village clerk Marge Lieske. There's a bitterness between these two candidates which is likely to ignite during the coming months and two volatile persons are likely to come into confrontation.

Blase forces are blatantly contending Marge is the power behind the ticket to oust Blase and they imply Mayor candidate Marcheschi is a mere patsy for the very forceful Marge Lieske. They believe if the Marcheschi-Lieske ticket is successful the lady will become the tiger, pulling strings which run the village.

Not to be outdone the hints and innuendoes about Blase is his high-handedness at running the village, his financial atti-

vities, which they say stems directly from his job as Mayor, and his being steeped in politics as Democratic committeeman, which they say is a definite conflict with his Mayor's job.

Interestingly, none of the other candidates are even mentioned. Marcheschi, the Mayor candidate, is viewed as Marge's patsy. His past record of supporting Blase on almost all issues gives him a rather fuzzy image. As for the trustee candidates and the other village clerk candidate, they are seldom mentioned in conversation. It's strictly a Blase-Lieske battle and the personalities of the two seem to overwhelm the others, as well as the issues.

While we have never seen a dirty campaign in the 2 previous village elections we've been involved in, this one has all the marks of one. Blase's opponents say he's a very vindictive guy. During the committee election Blase's opponents threw constant criticisms at Blase's party's tactics. On the other hand Marge Lieske's anger at Blase seems every bit as intense as Blase's regard for Marge.

All things considered we would have to say Niles village battle has all the markings of an all-out donnybrook... replacing the wishy-washy suburban politics with some good old Chicago-type politics, where the spoils often go to the toughest and roughest.

Petition Deadline

Candidates who wish to be placed on the ballot for the Village of Niles election on April 15 must file petitions no later than Feb. 10, 1969.

Offices for election are as follows: President, Village Board of Trustees, Village Clerk, Village Trustee (three).

The required signatures for filing is 270 minimum (5% and 435 maximum (8%) based on the total votes cast (5430) at the previous village election (1967).

Petitions and statement of candidacy are to be filed with the Village Clerk of Niles, Margaret B. Lieske, any day during regular business hours.

Niles Fire Dept.

According to Niles Fire Chief Albert L. Hoelbl "This is another indication of Niles' never-ending effort to sell fire protection to the public. We are also awaiting word on how we did in the national contest sponsored by the National Fire Protection Association."

In this 26th annual competition the Morton Grove Fire Dept. has also won a first place award in its population class 3-15,000 to 30,000. Although the Morton Grove unit has only entered the contest twice, last year it won 2nd place and this year the first place award.

Teletype Corp. Answers The Call For Employee Blood Donations

The current blood shortage has received great "shot in the arm" from Teletype Corp. in Skokie, according to John J. Gerwig, enrollment director of the Cooperative Blood Replacement Plan, Chicago's largest blood donor organization.

"Teletype has long been one of our strongest supporters, but their efforts at this particular time deserve special attention," Gerwig said.

Each of Teletype's 6,000 employees received a letter from company president Dan R. Carmichael which strongly urged them to answer the call for blood by donating to the Cooperative Blood Replacement Plan. The first employee to respond was John F. Auwaerter, vice president for sales and public relations, who donated a pint of blood at neighboring Resurrection hospital. With Auwaerter's example and the frequent urgings via the public address system throughout the company's sprawling 106 acre plant, many other employees have made blood donations.

"Reports are not in yet from our member hospitals," Gerwig said, "but we feel certain that Teletype's promotion will greatly help us in alleviating the blood shortage."

Any adult in good health, between the ages of 21 and 60, can join the plan. For further information or for the name of your nearest participating hospital, contact the Cooperative Blood Replacement Plan, 2000 N. Lincoln Park West, Chicago 60614; or call (312) 477-7500.

Through its program, the Cooperative Blood Replacement Plan is able to assist local hospitals in keeping their blood bank inventories adequately filled.

Or, if the donor chooses, a donation of one pint of blood assures a husband and wife for a two-year period, or an entire family (including all children under 19 years of age) for one year.
