Want March 15 As Junior College Dist. Vote Date

The Maize-Niles Community College committee will seek a referendum date of Saturday, March 15 on the question of forming a joint junior college district.

The target referendum date was announced here this week by Ray Nelson and Griff MacDonald, co-chairman of the two-township citizens' organization that recommends formation of and more economical way of meeting junior college costs.

At present, high school educational funds are obligated for payment of rapidly rising junior college costs. The Maize-Niles committee argues that the present method is too risky and potentially the most costly.

It urges that the junior college operation be separated entirely from the high schools by formation of an independent district.

By combining resources, Maize and Niles townships will

have a larger tax base over which costs can be spread more advantageously, according to the committee.

Nelson said requests to hold the referendum here March 15, 1969 have been submitted to both the Illinois Junior College Board and the office of Robert P. Hanrahan, Cook County Superintendent of schools.

Prompt and favorable action by both will be required to

meet the target date, Nelson pointed out.

"Everything will have to go just right for the referendum to be held March 15, but the junior college board and the office of the county superintendent have been most cooperative," he added.

A firm referendum date can't be set till after the next meeting of the state junior college board, which is Friday, Feb. 14, Nelson explained.

At that meeting it is hoped the state board will make its final ruling in favor of the joint Maize-Niles district and authorize the referendum.

"We don't expect any difficulty in obtaining a favorable ruling because the experts agree that a Maize-Niles alignment will result in one of the finest junior college districts in the state," said Nelson.

From The Left Hand Trustees Change Vote On New Village Hall Design Plan

By David Besser
Editor & Publisher

"It happens every Thursday" is an apt title for a book which was written many years ago about the weekly newspaper business in a small town in Pennsylvania. It told a very gentle story about kicking presses to keep them going, obstreperous old printers who had to be cajoled into working and of the rise and fall of its many friends as the paper took endless slides on a myriad of issues.

We received a "Grrr, You're A Cur" letter from a friend Monday which made us think about our weekly Thursday to Thursday adventures and we looked back on the past several days and came up with our microcosm of a week in the weekly newspaper business.

Last Thursday our first order of business was answering a request to speak at East Maize Junior High about careers in journalism. Rather than going to the library and picking up one of those hokey brochures on newspapering, we spoke to a friend of ours in New York whose background on metropolitan newspapers as well as in television and radio made him well-qualified to give us the professional information we were seeking. When we asked him the primary qualifications for being a part of this race, he flippantly said, "You first have to be a bit unbalanced". After 15 minutes of good guardhouse rhetoric, he ended his soliloquy abruptly by giving one word of advice to anyone interested in pursuing journalism: "Don't". He hung up and we felt just great.

Friday the weekly reactions to Thursday's comments began filtering in. Since the "in group" in town has quickly been caught

Bruno Named To Pension Bd.

By Naomi Krone
News Editor

With Niles Village Board Trustee Bob Wentz already on record as feeling the new village hall (former A & P building at Howard and Milwaukee), its remodeling and all facets of the project are "a political football," it remained for Tr. Ed Berkowsky at the Tuesday night meeting of the board to term a motion by Tr. Hartzak to reconsider the board's Jan. 14 vote on design plans akin "to an unknown force moving in the village and one that is making fools out of the whole board."

Hartzak defended his reconsideration motion by claiming he had not enough time at the last board meeting to really study both design proposals and after some additional bantering between board members, the motion to reconsider the previous vote was passed and, in due course, another vote taken. This time it was study #1 that was accepted by the board and bids will be let on this phase of the remodeling so, hopefully, work can begin in the very near future.

After Mayor Blase read a letter of resignation from Rev. Muha, of Notre Dame High school for boys, as a member of the Niles Police-Fire Pension commission due to an impending transfer, the Mayor proposed former village trustee Sam Bruno be appointed to fill the vacancy until May, 1970, when Rev. Muha's term would expire.

The board vote was split 3-3 and Blase broke the tie by voting in favor of the appointment. Bruno was a village trustee for 8 years.

At the Tuesday night meeting the board also opened discussion on a request for rezoning of property about 140 feet south of the southwest corner of Dempster and Milwaukee from B1 to B2 for the construction of a hi-rise motel. (See story in adjoining column) awarded to Able Fire and Safety Equipment Co. a \$15,500 contract.

Special Meeting
A special meeting will be held Feb. 11 at 8 p.m. at which time the Niles Park Board will reveal plans for the proposed Grennan Heights park gym and recreation building. The special meeting was to have been held Feb. 4 but has been changed to the new date - Feb. 11.

Park board members will attend a special meeting of the Niles Planning Commission 8:00 p.m. planning study of Niles will be presented at that time.

Seek Okay On \$3-1/2 Million Motel Complex For Niles

Can the land support the structure?

That seemed to be the big question at the Tuesday night Niles Village Board of Trustees meeting when a request was made by Attorney Morris Winkler, on behalf of his client, for the rezoning of property, 140 feet south of the southwest corner of Dempster and Milwaukee from B1 to B2 so a multiple-storied motel, estimated to cost about \$3-1/2 million, can be built.

Although a similar request to the Niles Zoning board has already been refused, Winkler brought his case before the trustees Tuesday night complete with art work and architect but, evidently, without facts the board wants to know.

Will the proposed 15 or 20 story structure, complete with 3-level underground parking, swimming pool, restaurant, banquet hall, possible shopping mall, key club and 250-280 rooms, at that particular location cause insoluble traffic problems on Milwaukee ave.?

Will the land hold such a development? Have soil borings been taken? What will underground parking do to the area air pollution problem? (exhaust fumes still must be vented to the outside)

Architect for the motel, Skip M. Alray, told the board the land would hold soil borings were not necessary at this time and tried to explain the esthetics of the venture but the board's decision (after a Berkowsky motion to deny the rezoning was withdrawn) was "no decision" until the architect and planners have met with Niles Village Manager Ken Scheel and Village Engineer George Anderson and worked out answers to the above questions.

Stressing the area-improvement value of such a motel and accompanying facilities, Winkler told the board the structure would "up-grade the area considerably, pay a large sum of tax money to the village and encourage additional business in general throughout the area".

The board will wait, however, for more facts.

River-Ridge Legislation Confab Slated For Jan. 30

A legislation conference scheduled for Thursday, Jan. 30, at Central school, 1526 Thacker, Des Plaines, will start at 7:30 p.m., according to Mrs. Louis C. Slez, River Ridge Council of PTAs Legislation chairman.

The first portion of the conference entitled, "getting to know you," will afford the opportunity to meet and get acquainted with our 3rd and 4th District Representatives to Springfield who are: Rep. Eugenia S. Chapman, 16 Prince-

ton, Arlington Heights; Rep. David Regner, 910 S. See-Gwun, Mt. Prospect; Rep. Eugene F. Schlickman, 1219 Clarendon, Arlington Heights; from the 3rd district and Rep. Robert S. Juckett, 1823 Crescent, Park Ridge; Rep. Arthur E. Simmons, 9421 LeClaire, Skokie; Rep. Edward A. Warman, 5250 Jarvis, Skokie, from the 4th district.

The second portion about the formation of a community college for Maine and Niles Townships will be a presentation by Genter Dahl.

Robert R. Christensen, son of Mrs. R. Christensen, 8243 N. Mango, Morton Grove, is one of 30 Illinois Wesleyan university students being paid for full-time work they are doing for 19 different companies during Wesleyan's January short term. Mr. Christensen is working at General Telephone Co. of Ill., Bloomington.

Christensen is a senior business major at IWU. He is a 1965 graduate of Taft High school, Chicago.

Student Teacher

Nancy Frankenberg, Clarke college, Dubuque, Iowa, has begun her student teaching activities for the second semester of school, beginning Jan. 20. A senior speech and drama major in secondary education, she will spend the first quarter at Resurrection school and the second quarter at Wahlert High school. As a student teacher, Nancy will first spend a week observing various classes under her cooperating teacher, before taking over any teaching responsibilities.

Miss Frankenberg, the daughter of Mr. and Mrs. B.F. Frankenberg, 7501 W. Main st., Niles, is also a member.

M.E. Swim Facilities Will Be Dedicated To Sam Marzulo

The new swimming facilities now under construction at Maine Township High school East will be dedicated as the "Sam C. Marzulo Natatorium." It was announced recently by the Board of Education of Dist. 207. The board, upon the recommendation of the school administration, will thus honor the man who, until his retirement in 1964, gave 38 years of dedicated service as athletic director, teacher and coach in the physical education department at Maine East.

Sam Marzulo

In his many years at Maine East, Marzulo, a long-time resident of Park Ridge, won an enviable reputation as an exceptionally fine coach and splendid teacher of physical education. He was especially noted for bringing out the best in his pupils and helping to develop traits of good sportsmanship, character and citizenship in the students under him. The physical education program designed by him ranked high among all the schools in the area.

Coming to Maine in 1926 from Rochester, New York, Mr. Marzulo's first major, and in some respects greatest, accomplishment as a coach was a string of 101 consecutive dual swimming meet victories from 1927 through 1930. From then through the mid-thirties, Maine dominated Illinois High school swimming completely. Marzulo-coached teams won sev-

eral national championships and five state championships. Many of his pupils in swimming attained national recognition, swimming on Olympic teams and winning state and national meets.

Born in Houma, Louisiana, Sam Marzulo moved to Rochester, N.Y., as a boy and was active in athletics at Rochester High school. After graduation he matriculated at the University of Illinois where he is remembered as an outstanding athlete, winning letters in track and cross country, and being captain of the 1924 cross country team. One of his teachers there later wrote of him: "Sam was always dependable, practiced faithfully and could be relied upon to do his best for the team, regardless of personal sacrifice." He is a member of Sigma Delta Sigma, honorary educational fraternity, and Delta Theta Epsilon, honorary coaching fraternity. He later did advanced study at Northwestern university.

Marzulo also coached championship teams in track. Twice in 1941 and in 1946 - his track teams were the best in Illinois. In 1931 his 2-man team won the National Intercollegiate trophy. It was under Marzulo that cross country, golf and tennis were added to Maine's athletic program.

Marzulo was on the staff when the present Maine-East High school opened in 1930. He stayed on long enough to see the suburban population boom create a new Maine West and later Maine South.

Mr. Marzulo's ability as a coach was well known on the national level. He was selected as the official starter for the Pan American Games swimming races in 1959. At Maine East he was always regarded by faculty and students alike as a "regular guy" and as a man of splendid character and great integrity; an alert, intelligent, self-possessed teacher and coach, technically well trained for his work. His file at Maine East is filled with letters which speak plainly of his influence over the years on hundreds of young men.

When Sam Marzulo retired at the end of the 1963-64 school year, over 300 friends and relatives gathered at a testimonial dinner at the Chevy Chase Country club in Wheeling to pay tri-

but to his impressive 38-year career at Maine. The highlight of the evening was the presentation of a silver tray to the retiring coach and the establishment of the Sam Marzulo Athletic award to be given annually to the outstanding athlete at Maine East. The position of athletic director, upon Mr. Marzulo's retirement, was given to Bruno (Bud) Gates, former assistant athletic director at Maine East, who has held the position ever since.

Mr. and Mrs. Marzulo have lived for many years at 746 Elmore ave., Park Ridge. Mr. Marzulo has always been keenly interested in school and civic affairs and for a time was president of the Park Ridge Park District. His hobbies and interests are golf, swimming, bowling and travel.

Krier Named To Replace Downing As 13th Dist. State Central Committeeman

A meeting of the Democratic Committeemen of the 13th Congressional District was held on Thursday evening, Jan. 9 at the Glenview Country House, Illinois State Chairman James Roman chaired this meeting, which he called for the purpose of choosing a 13th Congressional District State Central Committeeman to serve out the unexpired term of the present State Central Committeeman, Robert Downing of Northfield. Judge Downing was elected in

November to the Cook county Judiciary, and he had tendered his State Committeeman's resignation after that election.

Niles Township Democratic Committeeman Raymond V. Krier was selected to replace Judge Downing as a result of his seniority in the 13th Congressional District and because of his life-long activity and dedication to the cause of Democratic Party philosophy.

Morton Grove Music theatre, sponsored by the Morton Grove Park District, has announced its plans to produce the musical "Half A Sixpence" this Summer. This same group which started the entire community last year with their outstanding production of "West Side Story" is now going to be

the first non-professional company in the Chicago area to undertake "Half A Sixpence." Auditions for the production will be held during the first weeks of June, the exact dates and location to be announced soon. Performance dates are scheduled for Aug. 15, 16, 17,

22 and 23. Many important positions on the production staff are still available, including that of orchestral director. Anyone who is interested or who would like any further information should call Mrs. Ethel Libkin, the production's director, at 965-5119, after 3 p.m.

Thanks From Vietnam

Morton Grove Woman's club, an affiliate of the Tenth District, and the Illinois Federation of Women's Clubs, was honored to have as its special guest at the January meeting, Marine Lance Corporal Jerry E. Brice, home after serving a year in Vietnam. He served with the First Marine Aircraft Wing which received the Presidential Unit Citation for its past combat achievements. The Morton Grove Woman's club has had, for the past three years, a special committee Operation Vietnam, whereby packages and homemade cookies are sent monthly to Morton Grove boys serving in Vietnam. Jerry personally thanked the members for their thoughtfulness. Chairman this year of Operation Vietnam is Mrs. Edwin Brice (mother to Jerry). Pictured from l. to r. are Mrs. Edwin Brice, Lance Corporal Jerry E. Brice and Mrs. Philip E. Johnson, president of the Morton Grove Woman's club.

New Classes Spark Adult Spring Term

Yoga anyone? Contemporary theatre? Is stamp collecting

more your line? Perhaps you would rather learn to cast a horoscope - design greeting cards - style a wig! Teach your nimble fingers to make beautiful creations in crewel embroidery or in decoupage! Or get right down to business with stenotype - electronic mathematics - the design of industrial distribution centers. The Maine Adult Evening school has all these new classes scheduled for the 1969 Spring term. Beginning Thursday, Jan. 30, and the following first week in February, nearly 300 non-credit courses in arts, crafts, sports, language, mathematics, technical and commercial subjects will open at the three Maine Township high schools: Maine East, Dempster and Potter, Park Ridge; Maine West, Wolf and Oakton, Des Plaines and Maine South, Dee and Talcott, Park Ridge. Most classes meet one evening a week from 7:30 to 9:30.

Brochures giving complete information on all courses, including college credit classes, high school credit classes, lecture and film series programs, may be obtained by calling the Maine Adult Evening school, 299-7187.

Registrations may be made by mail by sending the coupons from the brochure, or in person at any of the Adult Evening school offices in the three Maine high schools, which are open from 9:30 a.m. to 3:30 p.m., Mondays through Fridays.

East Maine High school will be open one evening from 7 to 9 p.m. to take registrations - Maine East, Tuesday, Jan. 21; Maine West, Wednesday, Jan. 22; Maine South, Thursday, Jan. 23.

Special Saturday morning registration hours will also be held from 10 a.m. till noon on Jan. 25 at Maine East only.

PWP Meeting

Rev. Francis L. Filas will speak on "The Battle of the Sexes - Can It be Avoided?" at 8:30 p.m., Feb. 5 at the V.F.W. Hall, Higgins and Canfield aves. The talk will be the highlight of the city-wide chapter meeting of Parents Without Partners. All single parents are invited to attend.

'69-'70 Projected Enrollment Concerns MTHS Board: Over 10,000 Mark

In the 1969-'70 school year, a projected 11,084 student enrollment at the three Maine Township high schools caused both concern and comment by Dist. 207 board members at a regularly scheduled meeting held at Maine South High school Jan. 20.

According to John Clouser, principal, Maine East, the student population will approximate 4,224 for the new school year. Maine South anticipates about 3,417 students, according to a report submitted by Dr. Clyde Watson, school principal, Maine West, in a projection submitted by Herman Rider, school principal, expects 3,400 students for the 1969-'70 school year.

The administration was asked to review the matter of alleviating the anticipated overcrowding at Maine East by studying the possibilities of assigning some incoming freshmen students who would normally attend Maine East to Maine West or Maine South until Maine North is completed and operating in September, 1970. Administrative staff members will make further recommendations to the Board of Education at the February board meeting.

Robert Wells, administrative assistant to the Superintendent of Schools, stated the land-fill project had been completed at the Maine North site.

President Wesley Hartzell, Niles, commended Vince Tomei, Chicago, for his assistance in developing campuses for Township High School District 207. During the past 9 years Mr. Tomei has supervised land-fill operations at Maine Township High school South and Maine Township High school North.

Roy Makela, Building and Grounds committee chairman, Niles, reported all phases of construction and renovation at the three high schools was moving ahead.

Further action of the board included:

... Ratification of the action of the administration in awarding a contract for the purchase of furniture for the photography area of Maine West to I. P. Reiger Company, Oakbrook, in the amount of \$2,851.

... The appointment of five teachers for the remainder of the present school year.

... Acceptance of the resignation of three teachers.

... Acceptance of a new procedure to be inaugurated during the 1969 graduation ceremonies which will speed up commencement exercises. Due to the fact senior classes in all three high schools are extremely large - each in excess of 750 - a great amount of administrative and secretarial time is required to prepare and arrange all diplomas so that each graduating senior may receive his own diploma during the commencement exercises. The following method was proposed and accepted for the distribution of diplomas to 1969 graduates:

Each graduate will be in the marching line and will report to a designated area for commencement. As his name is called, he will move across the stage and receive an envelope containing a diploma cover. Then, at the end of commencement, each graduate will move to a designated area, where he will return his

cap and gown and receive his official diploma.

Demo Ladies Plan Dinner

The Maine Township Regular Democratic Women's club of Niles is hosting a dinner for the combined membership of all the Regular Democratic Women's clubs of Maine Township.

Dinner will be served at 7 p.m. on Jan. 29 at the Lone Tree Inn, 7710 Milwaukee ave., Niles. Donation is \$3.50. Following dinner there will be an original 15-act show titled "The Tub Ain't For Water Baby" or "There'll Be No Baths Tonight," performed by the Jefferson Theatrical Society. Produced by Mrs. Charles Kauffman, directed by Mr. and Mrs. Chester Peterson. Music by Phyllis Peterson, organ; Joe Foltz, drums.

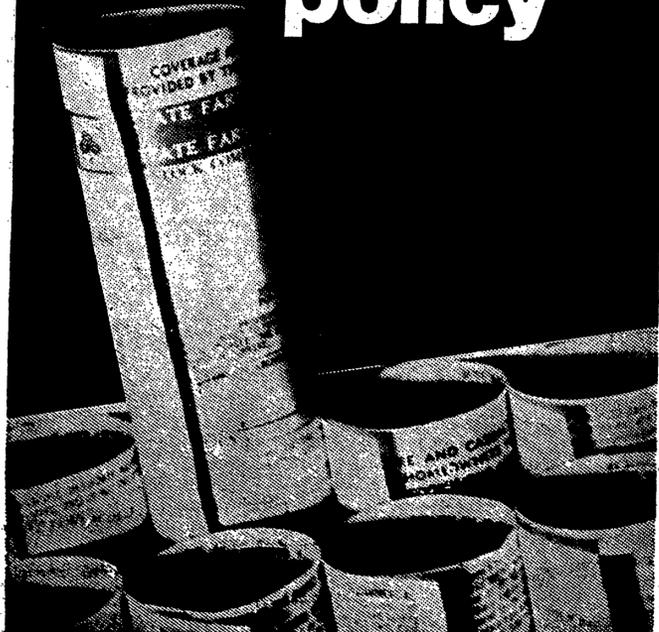

A Success

On Tuesday, Jan. 28 the March of Dimes door-to-door campaign swung into action and was concluded successfully at the evening's end.

Mrs. Martin C. Ashman, March of Dimes Morton Grove Mothers' March chairman, was busily at work coordinating the efforts of all of the interested, civic responsible and charitable volunteers. The efforts of Mrs. Sue Schwaba, chairman St. Isaac Jogues; Mrs. Janet Wicki, chairman St. Martha's; Mrs. Frank Selzer, chairman Morton Grove American Legion Auxiliary; Steven Weiss, chairman Sigma Delta Kappa, University of Illinois Circle Campus; Mrs. Alice Koczowski, chairman Maine Township Democratic Women's club of Morton Grove and numerous other individuals who were so instrumental in the success of the campaign, are to be heartily congratulated.

Mrs. Ashman stated that without the tireless attention given to this campaign by so many volunteers, it would have been impossible to achieve our goal. She extends her heartfelt thank you to all those who participated in the campaign and sincerely appreciated the generosity of the residents of Morton Grove who opened their hearts in the form of donations for handicapped children.

Dons Closer To Conference Title

By Steve Siles

Notre Dame's Dons eliminated two more teams last weekend in their battle for the Suburban Catholic Conference title.

The Dons easily defeated the Benet Redwings in a 57-37 game Friday night. They followed it score against the Cadets of Mar-
mion.

The first half of the Mar-
mion game looked dismal for the Dons who had trouble with re-
bounding, passing, and free-
throws. Besides this, the Ca-
dets were continually making
baskets with good offensive
plays. But ND didn't give up and
the score at half-time was 23-
22 in favor of Marmion.

In the second half though, the
Dons started moving. Both
teams waged a see-saw battle,
but Notre Dame began to pull
ahead slightly, holding a 42-35
lead at the end of the third
quarter. ND increased its lead to

the final 61-46 score.

The B-Ball Dons added these
two impressive victories to the
pair of the preceding week-
end when ND overcame Immacu-
late Conception and Joliet Cath-
olic, probably the toughest team
in the conference.

The next big game that ND
fans are looking toward will be
when the Dons visit Holy Cross
for a chance to avenge the ear-
lier loss this season to the
Crusaders.

Notre Dame's sophomores
are also enjoying a good sea-
son thus far, following their
53-40 victory over formerly
unbeaten Marmion last Satur-
day. Now the sophs are also
tied for first place, owing their
only conference loss to Marian
Central's Hurricanes.

Tomorrow night the Dons face
St. Edward's here at ND. Soph-
omore game starts at 6:45 p.m.
while varsity game time is
8:15 p.m.

Niles Baseball League Yearly Report

Although the Niles Base-
ball League encountered in 1968
the highest number of youngster
registrations in the history of
the league and sky-rocketing
costs for equipment, umpires
and insurance, the league's an-
nual disbursements exceeded
their receipts by only \$475.53
for the fiscal year ended Oct.
31, 1968. This amazing achieve-
ment can be attributed to the
tremendous job which is being
done by officers, directors, ac-
tivity chairmen, and managers
in promoting and administering
this program.

The average out of pocket
cost by the N.B.L. for each
participating youngster amount-
ed to approximately \$25.00.

Considering that each league
and team is fully equipped and
insured and qualified umpires
are utilized, this cost is rea-
sonable. In addition the league
attempts to obtain the finest pro-
tective equipment which affords
the most safety for the boys.

The Niles Baseball League is
strictly a volunteer effort and
the backbones of the league are
the hundreds of adult members
who donate their time and ef-
forts as managers, coaches, of-
ficers, directors and chairmen
to keep the cost of this out-
standing program at a minimum.

The following statistics in-
dicate the size of the Niles Base-
ball League program: Number of

ball players registered - 805;
Number of teams equipped and
insured - 64; Number of games
played - 1,419.

The members of the N.B.L.
and the youngsters take this
opportunity to express their
"thanks" to the Niles Park
District for their excellent co-
operation in providing and main-
taining playing facilities; the
generous sponsors who provide
the necessary monies and; last
but not least the entire com-
munity of Niles for their sup-

From The Left Hand

up in pre-election fever, parsons are quick to react. At 4:30 p.m. a Blase supporter had patiently spoke on behalf of his boy, extolling the many reasons why his candidate was being maligned and why he was the candidate for the future in Niles. Before 5 p.m. an anti-Blase guy moved into the same chair and spoke of the virtues of Blase's opponents and why it was time the town needed a change.

Saturday morning is the time we spend straightening out circulation problems. Newsboys wander in and out of the office, generally with dollar signs in their eyes as they turn in their monthly collections. One bright young man told us how pleased he was his monthly subscriptions keep improving but then told us one lady on his route didn't want THE BUGLE "because it's Communist".

Saturday afternoon we attended a meeting at the Sheraton Hotel in Chicago and heard dissident Democrats forming a new independent Democratic organization, mostly people who were supporters of Senators McCarthy and Kennedy in the just past campaign. It was an extremely interesting meeting in which Lt. Gov. Paul Simon spoke of his debt to the established Democratic machine while Adlai Stevenson mentioned the need to concentrate on issues rather than personalities in the new group. The topper of the late afternoon came from a black militant who "told off" the group in terms which included the new four letter language which was

a shocker for most of us middle-agers. (They were the same four letter words which we used 25 years ago instead of adjectives while touring the world under the auspices of that world-wide travel agency, Uncle Sam).

Sunday night an Evanston meeting once more featured Adlai Stevenson, and many of the same group spoke out against the anti-ballistic system planned for the area.

Monday morning we received 2 letters of interest, one, the previously mentioned "Grrr, You Cur" letter from a fellow "journalist" who took us apart. She was a member of the "eating and drinking" press at a meeting last week and she objected to our mentioning the "ladies of the press were relaxed from the goodies". Actually, we thought we were giving the ladies the benefit of years of our close perception. We thought they were under the

haze of the evening since they sat there like a bunch of dum dums. Only the lady from the Pickwick papers asked knowledgeable questions that revealed she was aware of "the happening" in our community. If the booze fumes didn't get to the other ladies present, then they were either mesmerized into silence by the candidates they were supposed to be interviewing or they're a bunch of dum dums.

We also received a letter from a Viet Nam GI telling us how much he enjoyed the paper, a telephone call from a lady asking the paper not be delivered to her home and several calls from residents asking the paper be mailed. Including one from a Grennan Heights resident who said she can't get along "without her BUGLE" Thursday morning.

Monday we got a notice from the local John Birch society, a very small group of activists, at the opposite end of the political spectrum from the liberals we heard over the weekend, who were seeking to be a part of the Niles Days Committee. While they claim to be non-political, their every move seems to be politically-based.

Niles Days does not allow any political groups to be a part of the group but they will have their day in court next month at the February Niles Days meeting.

Our very scant knowledge of the group is they try to infiltrate into PTA groups and community activities in an attempt to influence them in their far right thinking. They have actively harangued Niles officials in an attempt to have their meetings at the village hall and at a meeting at the YMCA last month we heard them urge letters be sent to reverse this decision. While the group is primarily the work of one man in Niles, it can cause great havoc if they are allowed to intimidate.

We were intending to give you a play-by-play picture of our Thursday to Thursday activities but we're only into Monday morning and we're running out of space.

Contrary to our friend's advice about journalism we're sure you can see we relish "the battle". And if any of the younger generation has the inclination we say: "By all means, it's worth all the effort... and we can't think of anywhere's we'd rather be".

Junior College

Continued from Page 1

"The only difficulty we foresee is if the hearing officer hasn't completed his report on our public hearing held Jan. 9 for final examination by the board."

If the state junior college board approved the Maine-Niles petition Feb. 14, final confirmation of the March 15 date must come from the county superintendent of schools whose office will supervise the referendum.

Nelson said the county superintendent already has been asked to give tentative approval to March 15 pending final action by the junior college board Feb. 14.

Griff Mac Donald, co-chairman with Nelson of the Maine-Niles Community College group, explained the organization wants to hold the referendum March 15 so voters can consider the question in advance of all the elections that will be held in April.

"In April there are township elections, park board elections, city elections and school board elections -- and we want to keep the junior college question as far removed from these elections as possible," Mac Donald said.

"After March 15 the attention of many voters may be diverted, so we think it is desirable to get the junior college question settled as quickly as possible."

Dist. 67 Sex Education Course Outlined At Board Meeting

By Phyllis Weisberg

Last Thursday night at the meeting of District 67's School Board Mr. Richard Hoehn of the Jessie Potter & Associates Organization outlined the Sex Education course being given to sixth graders in the district.

The course is given in three 1 1/2 hour sessions in which boys and girls meet separately with their instructors. Mr. Hoehn who lectures the boys said that the children were very eager to know about themselves and also about girls. When asked whether or not the course he was instructing the boys in was called "Sex Education," Mr. Hoehn replied, "We like to call it sex re-education and not sex education because the boys usually come to us with a rather distorted view of the subject."

Mr. Hoehn explained that this course has much to do with the development of personalities. "I think of sex education as what it means to be a human being in our society," he said. "What we are trying to do is to straighten out some of the myths and misconceptions."

tract on the purchase only of Civil Defense sirens and equipment for the village (installation of this equipment will be paid), voted to advertise for bids on the sale of Rock Salt and Calcium Chloride to the village; changed the ordinance covering the visibility of water meters to also cover commercial installations;

Members of the Maine-Niles group feel that with local control and stringent economics a junior college education can be provided locally at a cost to taxpayers "significantly under" \$1,150 per student per year, according to Mac Donald.

A real danger of the present setup is its threat to quality high school education, he warned.

Unless tax increases are approved to keep up with escalating junior college costs, the resultant drain on educational funds could result in many serious problems at the high school level, he said.

Another danger is that large numbers of local students may be completely denied the opportunity of a college education.

Welcome

A boy, Andrew Stewart, was born to Dr. and Mrs. James E. Peterson, 8748 Wisner, Niles on Jan. 12. The baby weighed 6 lbs, 8 oz.

Mr. Hoehn said that the older the boys get the less they tend to communicate with their parents. The course consists of a film, appropriate charts and a question and answer period.

Some of the topics covered are slang (dirty words) and their meanings. Knowing the correct meaning for these words enables the boys to ask questions of their parents. The boys ask questions about drugs, the use of drugs such as LSD etc., Playboy Magazine, and about their own growth.

According to Mr. Hoehn the attitude of the boys at first is quite uncertain. Once however, they realize that they can speak freely their attitude changes and they begin to discuss things and talk more openly.

It was agreed that sixth grade was a good time to start programs of this type, since the children at the fifth grade level are not quite ready for this kind of education. Sixth graders though are beginning to be aware of themselves and also of the opposite sex and had many interesting questions to ask of their instructors.

Nominated For West Point

Steven G. Carlson, son of Mr. and Mrs. Theodore Carlson, 9216 Sayre, Morton Grove, a senior at Niles North High School, is among the young men nominated to compete for an appointment to West Point.

The nomination has been made by Cong. Donald Rumsfeld (R-13th). Final screening and principal selection will be made by the academy.

Dist. 67 Caucus Makes 2 Major Procedure Changes

Two major changes in procedures were instituted by the 1968-69 Caucus of School District 67 at its second meeting.

The third and final meeting will be Wednesday, Feb. 12, at which time the two Caucus candidates for the 1969 school board election will be selected.

Both changes the Caucus made involve revision of by-laws.

1. The method of selecting school board candidates, according to geographic location: Hereafter, as the three-year term of each member of the seven-member board expires, the Caucus will name one candidate from each village within the district borders (Glenview, Golf, Morton Grove and Niles), leaving three candidates to be named at large. The Caucus believes this will provide greater opportunity for participation in school affairs by residents of the district.

St. Jude Auction Feb. 6

Everybody likes to get something for nothing. And they will have ample opportunity at a unique event planned by the St. Jude Guild of Our Lady of Ransom church, for Thursday, Feb. 6, at 8 p.m.

The ladies of the Guild will hold their Sample Fair and Auction, in Falch Hall, of the church, 8300 N. Greenwood Ave., Niles. Free samples of many products, some new on the market and some long established favorites, along with many advertising novelties, will be given to those attending the fair.

A large variety of quality merchandise also will be offered for auction. This includes jewelry, lamps and lighting fixtures, transistor radios, cameras, cosmetics, record albums, a bathroom vanity base cabinet unit, and other household items.

Most of these articles have been donated by business firms of Park Ridge, Des Plaines and Niles. An admission fee of one dollar is being asked. Refreshments will be served. All women are invited to attend.

Films For K.C. Meet

At the next scheduled meeting, Wednesday Feb. 5, 1969, the North American Martyrs Council 4338 K. of C., Niles, Ill. will play host to the Knights of the order and their sons. The highlight of the evening will be a showing of the 1968 Indianapolis "500" motor speedway classic. The affair will begin promptly at 8 p.m. at the Niles Bowling Center 7333 N. Milwaukee Ave., Niles. All brother Knights are welcome and their sons will be made to feel at home. Refreshments will be served.

Barbaglia, Langfeld Head Easter Seal Units

Charles L. Barbaglia, who is with the Bank of Niles, 7100 Oakton st., Niles, has been named community chairman for

the 1969 Easter Seal Parade in Niles.

This year's Easter Seal campaign will take place from March 1 to April 6, and the Easter Seal Parade Days will be March 18-22.

The 1969 goal of the Easter Seal Society is \$491,000 based on the extensive need for Easter Seal services in the Chicago area. The society serves crippled persons regardless of the cause of crippling and does not duplicate the services of any other agency.

Persons are treated whose disabilities are caused by polio, arthritis, cardiac disease, cerebral palsy, hemiplegia, muscular dystrophy, amputation and many other orthopedic conditions.

Charles Langfeld, who is with the First National Bank of Morton Grove, 6201 Dempster st., Morton Grove, has been named community chairman for the 1969 Easter Seal Parade in Morton Grove.

This season Olsen, a 6-3, 193-pounder, has been the Chikas' big man both in scoring and rebounding. He leads the team with a 19.1 average and is pulling down close to 12 rebounds per game.

His season high came in the University of Wisconsin-Milwaukee game where he scored 28 points and had 11 rebounds. Against Northeastern Illinois State last week he had 17 points and 17 rebounds.

Olsen has the second best shooting percentage on the squad, averaging 47 per cent from the floor and over 60 per cent from the free throw line. In a game against Lane college,

Seaman Apprentice Thomas W. Woepse, USN, son of Mr. and Mrs. Donald R. Woepse, 7358 Lill st., Niles, has been graduated from nine weeks of Navy basic training at the Naval Training Center, Great Lakes.

In the first weeks of his naval service he studied military subjects and lived and worked under conditions similar to those he will encounter on his first ship or at his first shore station. In making the transition from civilian life to Naval service, he received instruction under veteran Navy petty officers. He studied seamanship, as well as survival techniques, military drill and other subjects.

of Jackson, Tenn., in the Chicago Christmas Basketball Classic earlier in the year. Olsen hit on 10 out of 12 free throws.

The Christmas Classic, played in the International Amphitheatre, was Olsen's first tournament appearance since he began playing for Chicago Circle. Olsen led the Chikas to a fourth place finish in the eight-team tournament.

Explain Dist. 67 Program To Meet Challenge Of '70's, Feb. 8 Referenda

The time for action on elementary School Dist. 67's program to meet the challenge of the 1970s will be Saturday, Feb. 8. That's when voters in the district (parts of Niles, Glenview, Morton Grove and all of Golf) will have their chance at the polls to approve three propositions:

1. An increase in the district's Educational Fund taxing limit by 21 cents (per \$100 in assessed valuation).

2. An increase in the Building Fund taxing limit by 12 1/2 cents (per \$100 assessed valuation).

3. Issuance of \$650,000 school building bonds for the construction and equipping of a "middle school" addition to the district's Golf Junior High school at 9401 Waukegan in Morton Grove.

The Dist. 67 school board urges a "YES" vote on all three propositions, said Norton S. Goodman, board president. "The tax money asked for is one of the most important investments voters in the district can make — an investment in quality education for the district's children."

Proposition 1 is not for a 21-cent increase in the tax. It

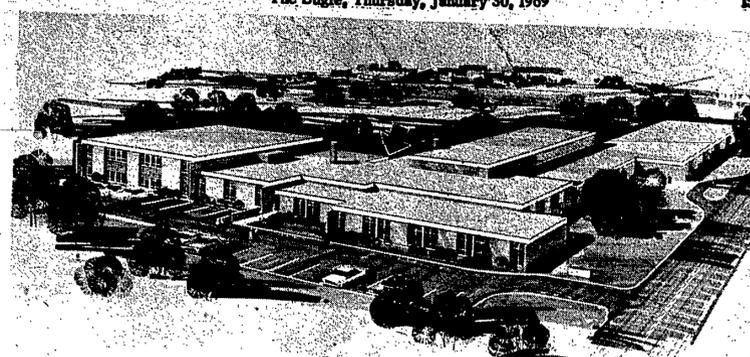

will allow an increase in Educational Fund tax levies from \$1.41 to \$1.62 per \$100 assessed valuation over an extended period of time to maintain adequate teacher salaries.

The "Yes" vote will permit the district to pay its teachers a living wage, enable it to attract and keep good teachers, help to maintain up-to-date textbooks and the most effective teaching aids, and allow the introduction of new, modern teaching methods and educational programs.

On a home assessed at \$10,000 (market value of \$25,000 to \$30,000), the tax increase will average \$5 per year, less than 10 cents a week added to tax bills.

Proposition 2's passage will enable the school board to keep up with the rising cost of school building operation. The Building Fund has been at its limit since 1952. It pays for custodians, for utilities, plus upkeep and repair of school buildings. Cost to taxpayers will be approximately a one-cent increase in the tax, or \$1 on a home with a \$10,000 assessed valuation.

Proposition 3 will provide needed space in the schools of Dist. 67 and will permit the es-

"Middle School" Addition

How the Golf Junior High school will look after completion of addition (to left, or northeast, of arrow). Voters will decide Feb. 8 on the "middle school" addition that will make it possible. The junior high is in Morton Grove in Dist. 67.

establishing of the Middle School program in the district through the addition at Golf Junior High.

Dist. 67 Supt. William Stout said the junior high will become a sixth-seventh-eighth grade school, rather than just seventh-eighth, by the transfer of sixth-grade units to the enlarged Junior High building. The addition should be ready by September, 1970. Its use will provide vacated space elsewhere, including enlargement of the library at Hynes school. The Golf Junior High addition has been designed by a Glenview architectural and engineering firm, R. C. Dahlquist and Associates.

The junior high building addition, a northeast wing on the

present building, will have on its upper level five regular classrooms, a mathematics lab and a commons area for individual study and small group use. On its lower level will be one instrumental and one vocal music room, a home mechanics room, a home economics room, a typing classroom, a special-education room and district offices. Minor alterations will also be made to the existing building including enlargement of its library.

The \$650,000 bond issue that will provide the addition will mature in the years 1978 through 1982 (after most of the district's outstanding bonds are paid). A taxpayer whose property is assessed at \$10,000

(market value of \$25,000 to \$30,000) will pay an increase of \$7.73 for years 1969 through 1975. After that, the tax bill for bonds will be less than it has been for the past five years.

The total on all three propositions, the approximate yearly addition to tax bills — to pay the teachers, keep the schools running and install the Middle School program — will be \$13,70 (estimated).

Estimates are based on a moderate annual increase in assessed valuation of property within district boundaries. Should the rate of increase be greater than the projection made, the annual cost to each property owner will be reduced.

Dist. 207 Placement Tests This Saturday

Placement tests, given annually in Dist. 207, will be given at all three Maine high schools this Saturday, Feb. 1. This year, the district will administer the Differential Aptitude Test for this purpose.

All students who plan to enter Maine East, Maine South, or Maine West next September as freshmen are required to take this test prior to enrollment. No other general testing date will be scheduled. Students are to take the test at the high school they will attend next year.

At the Maine East testing center, beginning at 7:45 a.m., students from the following schools will be tested: East Maine, Emerson, Chippewa, parochial and private.

At the Maine South testing center, beginning at 7:45 a.m., the following schools will be tested: Pennoyer, Emerson, Lincoln, parochial and private. The testing program at Maine East and Maine South will be held only during the morning and the testing should be completed by 12:15 p.m.

At the Maine West testing center both a morning and afternoon testing session will be held. Beginning at 7:45 a.m., the following schools will be tested: Algonquin, Our Lady of Hope, St. Mary's, St. Zachary and St. Emily's. The testing for these schools should be completed by 12:15 p.m. At 1 p.m. at Maine West, the following schools will be tested: Chippewa, Iroquois, St. Stephen's, Immanuel Lutheran (Des Plaines), River Trails and all other parochial and private schools. The afternoon test should be completed by 5 p.m.

Students taking the test should arrange for their own transportation to and from the testing centers and bring two sharpened No. 2 lead pencils with them. It is important that students arrive and be seated before 7:45 a.m. and 1 p.m. Late arrival will jeopardize the individual's test performance.

The testing program is identical in all three high schools and will be administered by members of the counseling department of each school. The areas covered by the test are: verbal reasoning, numerical ability, abstract reasoning, space relations, mechanical reasoning, clerical speed and accuracy and language usage.

Parents desiring additional information concerning the testing should call the guidance office of the high school in which their child will enter. The telephone numbers are: Maine East, 825-4484; Maine South, 825-7711 and Maine West, 827-6176.

GOP Meet Feb. 7
It was announced this week by Floyd Fuller, Maine Township Republican Committeeman, the next meeting of the local GOP will be Friday, Feb. 7 at 1566 Miner st., Des Plaines, at 8 p.m.

Testimonial
Presentation of a Testimonial is given to Margaret B. Lieske, Village Clerk of Niles, by John Marcin, City Clerk of Chicago, who is also president of the International Institute of Municipal Clerks. This award was presented in recognition of her outstanding service rendered as Membership Leader for 1968.

Meet The Candidates

(Political News Release)
Frank C. Wagner, Jr., the Era of Progress candidate for Village Clerk, is no stranger to Niles residents. As Editor of the Niles Progress Report, a position he has held since its inception in 1962, he comes into your home six times a year with pertinent news and information regarding village affairs. His keen awareness, knowledge, and versatile abilities make him one of the most qualified candidates to come upon the scene in many years. "I certainly hope this campaign will bring to light the issues involved" and the reasons for which I am in this race to win," Frank stated. "A complete re-assessment of the Village Clerk's office is in order. It must be returned to the original status as prescribed by law."

Frank Wagner, Jr., completely updated the police records system to one of the finest in the State of Illinois.

On the lighter side of his meticulous demands, Frank's wit has amused many a motorist

A Niles police department veteran of 18 years, he began his career as a radio dispatcher in 1951, was promoted to Chief radio operator in 1954, having also served as aide to the Chief of Police. For those who called for help or information his was the voice of security that answered. He was a comfort to the caller, a secure voice to the distressed.
In discussing his present position as Director of Records Frank said, "During those years police records consisted of nothing more than a few notations or jotting regarding a call, complaint or any other need for service. A new system had to be instituted so that proper records could be maintained of all official Police business and for the protection of the residents. It has been my job to assist in the formulation and development of this records system. We redesigned forms and filing methods, updated and modernized the entire records program."

His responsibilities as administrator and supervisor are to correlate, put into categorical manner all police records, complaints, citations, logs, and to file for permanent use in a systemized assemblance of order. Working in close association with the FBI, State and Counties of Illinois along with other municipalities and branches of government, he has

Concerned Citizens Party Candidates

(Political News Release)

Eight members of the newly formed Concerned Citizens Party of Maine Township have filed petitions as candidates in the April township election.

Candidates are Edward Levin, 9059 W. Terrace Place, Des Plaines, for Township Supervisor; William H. Wise, 9252 Dee rd., Des Plaines, for Township Clerk; Kenneth L. Kirby, 432 Sheryl Lane, Glenview, for Auditor; Mrs. John Arrigo, 1871 Ash st., Des Plaines for Auditor; Mrs. Edward Koczorowski, 9418 Okeo ave., Morton Grove, for Auditor; Walter J. Baumgartner, 1484 6th ave., Des Plaines, for Township Assessor; Lawrence Wagner, 837 S. Cumberland ave., Park Ridge, for Collector and Jerome J. Skaja, 7812 Milwaukee ave., Niles, for Highway Commissioner.

A resident of the unincorporated area the last seven years, Levin is currently a trustee of the North Maine Fire Protection District. He also is chairman in Maine Township of the Committee for the March of Dimes and is a master mason in Thomas Turner East Gate Lodge 409. Mr. Levin is self-employed. He is married and the father of two daughters.

Alice Koczorowski, a resident of Morton Grove the last 14 years, is a member of St. Isaac Jogue Roman Catholic church in Niles. She also is a member of the Morton Grove League of Women Voters, the Morton Grove Community Theatre and Meizer PTA. She also has been active in the March of Dimes Mother's March and the National Heart Association Heart Fund drive. She is active in politics and currently is president of the Women's Council of Democratic Womens

clubs of Maine Township and vice-president of the Morton Grove Democratic Women's club. She is the mother of a son and daughter and grandmother of two.

Walter J. Baumgartner, a resident of Des Plaines the last 5 years, is a member of St. Stephen's Roman Catholic church in Des Plaines. He attended the University of Miami and served in the Marine Corps during the Korean conflict. He is a licensed stationary engineer. Mr. Baumgartner is married and the father of a son.

A resident of Park Ridge since 1966, Wagner has been associated in the banking and stock brokerage business since 1945. He currently is with Francis I. DuPont & Company Stock Brokers. Mr. Wagner graduated from the University of Minnesota and served in the Navy during World War II. He is married and the father of two children.
Jerome Skaja - a resident of Niles and a member of St. John Brebeuf Roman Catholic church, he also is a member of the Holy Name Society of the church and the Knights of Columbus North American Martyrs. Skaja's civic activities also include membership in the Lions club of Niles, the Jonquil Terrace Home Owners Association and the Niles Post 7712 of Veterans of Foreign Wars. He is a vice president of Carriage Livery Corporation and attended St. Procopius college and Loyola university. He is not married.

Candidate

traveling past the police station. His quips appearing on the marquee have received recognition from such notable columnists as the late Herb Lyons. One of the most memorable sayings for which he received acclaim was "Visit our court from 9-5. Here Comes The Judge."

A polio victim at 15, Frank has risen above his handicap to become a successful member of the community of which he aspires to serve more directly as Village Clerk. Following in the footsteps of his grandfather, Tony Zambar, a Village Trustee during the 1920's, Frank desires to place his administrative experience and his sound knowledge of office computerization and his versatile creativity at the disposal of his community.
An extremely creative person, he designed his own wheel chair with removable sides so as to allow himself independent mobility. Among his many interests are designing unusual clocks and watches. A graduate watchmaker, he has designed and patented many religious watch and clock faces. An avid record fan, he is also a gourmet of good foods and restaurants. A sports enthusiast, particularly football, his most recent quote was "The Namath of the game is football."

Smoking is an age old problem, introduced in the early 16th Century by colonists returning from the new world. They obtained the weed from the American Indians who used it in Ceremonial pipes for Tribal conferences and special Rituals.

The U. S. Department of Health, Education and Welfare has made this report. "The risk of death from all causes are 70% higher for cigarette smokers than for non-smokers. Cigarette smoking is one of the greatest health hazards of the 20th Century. It is a hazard entirely preventable by a personal decision not to smoke." In spite of this warning, many of us find breaking the habit rather difficult to do, to say the least.
