**From The Left Hand "Quality Must Be Maintained" Seek More State Aid**

By David Besser  
 Editor & Publisher

In contrast to criticism leveled at Blase for his "over-weighing" anyone who gets in his way, it can be said of Marcheschi that as Mayor he'd likely "underwhelm" everyone.

"Ang" is a very warm and charming guy. And these very personable qualities may be why he tends to "hang back" or be much more of a fence-sitter than Blase. In his desire to be liked he seems to be indecisive, to play all sides of a question. He's a glad-hander, a hand-shaker who wants to be part of the team, rather than a pioneer who ruffles feathers.

In a decision the past year he bellowed at "the press" because he thought it was pushing the trustees into decisions which they might not have been in favor. When the decisive vote took place Marcheschi "hung back" until every other trustee had made his decision clear and then voted along with the majority, which was the same expression "the press" had been criticized for by Marcheschi. Interestingly, the decision was an unpopular one among the 200 in the audience yet the more decisive Blase vociferously supported the vote, even tho his position as Mayor (and chairman) could have been used to remain silent. Blase's voice showed he stood up to a "gut" issue, while Marcheschi's silence until the end lent credence that he is indecisive.

Two fusillades Marcheschi and his forces level at Blase is the Mayor's business interests and his politicking. Unfortunately, Marcheschi is vulnerable on both scores. "Ang" was a key organizer of the Niles Village Democrats when it was formed some years ago, and was also one of Blase's key supporters and workers in Blase's commitment actions. "Ang" went down the line with Blase in all his political activities.

In his business interests, Marcheschi sold insurance to the fire and police benevolent associations. While he said he was contacted by them, nevertheless, using public employees for a public official's private gain is certainly questionable ethics. In this same area, Marcheschi joined with Blase in opposing a "conflict-of-interest" ordinance for officials. Both men derived profit from the public trough, and both men defeated an ordinance similar to

How to obtain increased state financial aid for education and have that increase reflect a lower tax dollar bite on the real estate owner was the purpose of a meeting Monday noon between Niles Mayor Nicholas Blase, attending the meeting in his capacity as coordinator of legislation for the Council of Governments and the superintendents and representatives of area school districts.

Educators at the meeting included Dr. Blair Filmon, Dist. 64; Hugh McGuigan, Dist. 63; William Stout, Dist. 67; Clarence Culver, Dist. 71; Ralph Frost, Dist. 207 assistant superintendent and James Bowen, Dist. 63 business manager.

According to Blase, the Council of Governments, a relatively new organization, is for the

On Thursday evening, March 6, at Banker Hill Country club, 6635 Milwaukee, Niles, the Lions club of Niles will honor their ladies of Lioness who throughout this past fiscal year have donated their help and support to the success of major projects of the Lions club of Niles. Without their encouragement and help many important projects throughout the year would prove fruitless.

Reservations must be made by March 4 thru Russ McAndrew, 967-6843 chairman or Todd Bavaro, 965-6457, entertainment chairman.

A cocktail hour in their honor

On Sunday, March 9, a special Mass using contemporary music will be offered at St. John Beauf church at 8301 N. Harlem, Niles.

The musical settings for the Mass will be performed by the Melodons of Notre Dame High school, Niles. This will be the premiere performance of Mass "En Masse" by Chicago composer, James McNeely. McNeely is a graduate of Notre Dame High school and a former member of the Melodons.

The music for the common parts of the Mass will utilize 25 musicians and a chorus of 12 from the school. The proper parts will use a recitative approach by the congregation supported by a smaller instrumental ensemble.

Following this first performance of the Mass it will be

**Land Acquisition Program Explained**  
 An Open Letter

An Open Letter to the residents of the Niles Park District:

Due to a slight misunderstanding of the Land Acquisition Program of the Niles Park District, by some residents of the district, the Park Commissioners have determined that a thorough explanation of this program is needed.

To begin with, \$920,000 of the recently successful Park District referendum was set aside for land acquisition, and land acquisition only! Of this sum, not one cent will be used for improving and developing new or old park sites!

Unfortunately, the commissioners of the Niles Park District have come up against some very unexpected problems regarding their efforts to acquire these sought-after-parcels of land for recreation purposes.

To explain the reasons no action has been taken by the Board of Commissioners to acquire these parcels, each parcel is listed with its particular problem:

1. JONQUIL TERRACE site. School Dist. 64 of Park Ridge, the present owner, and the building contractor who was the original owner, are still locked up tight in litigation as to the disposition of the property. The contractor is suing the school district for recovery of the site. The Niles Park District has had correspondence with both the school district and the contractor regarding this property. The school district has assured the Niles Park District it has priority in the purchase of a portion of the site should the court award the property to the school district.
  2. TRAILER PARK site. This site is between Washington st. and Milwaukee ave., north of Dempster st. The Village of Niles Board of Trustees has given the owners of this Trailer Park two extensions on the deadline for removing all trailers from the site. The latest extension was to July, 1969.
- The Trailer Park site was the subject of a discussion held at a conference attended by Park Commissioner Jack Leske, Park attorney Gabriel Berrafato, Village of Niles Engineer George Anderson and Zelman Y. Alper, of the firm of Alper and Alper, architects. Consideration was given to a proposed roadway improvement.

**# 207 To Meet On "Dress Code"**

Members of the buildings and grounds committee of the Dist. 207 board of education will meet next Monday, March 10 at 8 p.m. and devote part of their meeting session to a "come and go" dialogue between students and parents interested in the outcome of the controversy over retention or change of the Dist. 207 student dress code.

Members of the student councils of the 3 #207 high schools have also joined together with representatives of the schools PTC units in circulating petitions approving of the present dress code and seeking a "status quo" in that regard.

Several meetings of "interested parents" have been held the past weeks and an unemotional settlement of the problem, started when Maine East senior Debbie Melchert and a group of sympathizers began a campaign for a more liberal dress code, was being sought. While that group has proposed no settlement as yet, the meetings have been continuing.

The gathering, scheduled for next Monday night, probably will not offer a solution either but will afford a chance for "both sides" to be heard.

**On TV**  
 Carol Ozmina, Shelly Dietz and Michelle d'Autremont of Cadette Troop 402, sponsored by St. Isaac Jogues church in Niles, will appear on Channel 2 at 10:30 a.m. this Sunday on a program "All About You," sponsored by the Archdiocese Council of Catholic Women. The program honors Girl Scout Sunday.

## M.G. Junior Women's Club

At a recent meeting of the Morton Grove Junior Women's club, Mrs. Paul Zwick, Public Health and Welfare chairman, presented a check to Wm. Comben for the AFS International Scholarship program. Mr. Comben is president of the Maine East chapter of AFS.

It was announced by Mrs. Gerald Pabst, Fine Arts chairman, the club would present a scholarship to the Art Institute summer session to a talented and deserving youngster from the American Indian Center.

Morton Grove Juniors will participate in the upcoming Illinois Federation Fashion Show to be held at the Hyatt House restaurant April 3. Each club will send a member to model something she has made. Mrs. Richard Cook will represent the club.

This year as in the past the Juniors have financially supported and taken an interest in the Orchard School for Special Education presently located at 8600 Gross Point rd. in Skokie. The school's present enroll-

ment is 90 and is in operation 5 days a week. Most of the children are transported daily by the schools' busses. Until recently the school was solely supported by the community but now due to legislation is helped by the public school system. Ground will be broken some time in April for their new facilities to be located in Morton Grove.

Channel 11 WTTW wants to remain independent. Instead of relying on subsidies from the state legislature as many educational stations do they cover much of their annual operating budget through programs they produce, the remainder coming from the generosity of interested individuals and groups like the Illinois Federation of Women's clubs.

The SS Hope is primarily a university hospital bringing the latest knowledge equipment and supplies to the doctors and staff so that their country does not lose the benefit of their services while they are in training. The contribution made this year by IFWC clubs, of which

Women's Association of Niles Community church, 7401 Oakton st., will present Frank Smalling, a senior at McCormick Theological seminary, as guest speaker at its next meeting Tuesday, March 11 at 8 p.m. at the church.

Mr. Smalling was born in Jamaica and taught himself to play the piano at a very early age. When he was in his teens he played in some of the most fashionable hotels and nightspots on the island and has accompanied famous movie personalities on the piano.

Upon his graduation from McCormick Theological Seminary, Mr. Smalling plans to return to Jamaica to work with the mission.

## Declare Dividend

H. M. Harper Company, Morton Grove, has declared its regular quarterly dividend of 10¢ per share on the company's common stock. The dividend is payable April 15, 1969, to shareholders of record April 1, 1969. In further action Harper directors elected John Sullivan to the Harper Board of Directors. Sullivan is president and a director of Skill Corporation. He is also a director of the Evanston Hospital Association and of the Catholic Charities of the Archdiocese of Chicago. His election to the Harper Board increases the number of directors to seven.

**LETTERS to EDITOR**

**Answer From A "Bell Ringer" Sincere Thanks**

Dear Editor:  
A neighbor asked me this morning concerning your "From the Left Hand." She asked me what my "self interest" was in reference to your general statement about all the precinct captains and bell ringers for the Era of Progress Party and Nick Blase having something to gain.

I'd like to answer you and your readers as I answered my neighbors.

I've lived in Niles for seven years. When I first moved to Courtland Park, I and Dan Trinkaus organized the Courtland Park Homeowners Association. During the period I lived in Courtland Park, there were many problems in the new community such as: schools, streets, parks, lights, etc., etc.

We first began by going to the departments and yes, to some of the present members of the Board of Trustees to solve our problems. All we got was a run around. Streets were not finished, our children had no parks to play in, our lights not installed, the sidewalks never completed, the sidewalks, we had problems with street signs, etc., until we went directly, not through channels, to Nick Blase. He had an open door to all of us at all times and everything we needed we received without a stall or excuses. He even helped us when we were having problems with our school, of course, this was before our present Superintendent.

If became a joke - see Mayor Blase, as anyone else will run you in circles.

Since then I have moved two blocks away on Church st. I joined the East Maine Homeowners Association. They were having problems similar to Courtland Park, with a few more added. I really looked like a hero, when on my first meeting night, I picked up the phone for an appointment with Mayor Blase and within two weeks, something was being done that certain Board members and other elected officers of Niles felt not important enough to

concern them. These same people in the East Maine Homeowners Association and Courtland Park Homeowners Association are also supporting Nick Blase.

You made a general statement in your newspaper about us bell ringers having a self interest in supporting and working for the Era of Progress Party. Well, the people who work for us and myself included, want nothing more - I stress - nothing more than an honest, interested Mayor and one who accomplishes what he thinks best for Joe Citizen. We now have an honest and concerned Mayor, why change.

I'm sure if you ask Jerry Rosenstein and all the other workers in this area the answer will be the same, as we have often discussed just what I've written you about.

Please be more careful in your generalizations. You have a responsibility for critical but helpful editorials. Don't try to hurt honest people who only want good things for Niles. You did just that in your Feb. 20 article in slanting facts about us "Bell Ringers."

By the way, I am an ardent Republican who feels that party politics is secondary to good government, regardless of party affiliation.

Sincerely yours,  
Daniel Davitz

### From The Left Hand

Skokie's which would have written a policy which might have blocked such profit.

The other area in which Marcheschi is vulnerable is his down-the-line support for Blase during the past 6 years.

Since we showed Blase's contrasting assets and liabilities we're obliged to do likewise with Marcheschi.

"Ang's" assets primarily are manifested by his great work with the Lions. He has worked unceasingly to aid the blind thru these many years.

### Land Acquisition

Continued from Niles Page 1 improvement in the area of the Trailer Park, but no conclusion was reached at the conference.

3. BETTY-CHESTER property. This site is located off Greenwood ave., north of Bruce dr. The Apollo Savings & Loan Association of Chicago holds the deed on the two tracts of land the Park District is interested in.

4. DI MARIA - CEMETERY site. This property is near the Chesterfield Garden Estates area and is located between Sherman and Waukegan roads north of Main Street.

5. LAWRENCEWOOD SHOPPING CENTER site. This property is adjacent to and south of the shopping center.

Residents of the Niles Park District must be reminded the Park Board has applied to the State of Illinois, through the Bureau of Outdoor Recreation for matching funds in the amount of \$400,000.

The reasons for the lack of motion in the direction of land acquisition by the Niles Park District, may be a little complicated for the average individual to understand.

If you, as concerned residents of the Niles Park District, have any further questions regarding this matter, please do not hesitate to call the Park Director at 967-6633.

Respectfully, FOR THE BOARD OF COMMISSIONERS Louis Schreiner, President Niles Park District

## Nilehi Board News

The establishment of a junior college district for Niles and Maine Townships received a major boost last week when the board of education of the Niles Township High schools went on record to support the proposition. The matter is expected to be placed before the people in a referendum in late March or April. The high school board went on record as favoring April 12 for the junior college referendum.

Among the reasons included in the resolution adopted by the high school board was the fact that during this academic

year, the school district would overexpend funds gained by a special 3 per cent levy to pay basic junior college tuition to residents who apply for reimbursements. According to the Junior College Act of 1965, high school districts in Illinois not a part of a junior college district must reimburse citizens attending junior colleges elsewhere in the state for basic tuition costs when they apply. To help high school districts meet these expenses, the state has permitted them to levy 3 cents per \$100 assessed valuation. Expenses over and above this 3-cent provision have to be paid from the high school's educational fund.

Other reasons included in the board resolution outlined the fact that four-year state campuses are already reducing their freshman admission quotas and are relying upon state junior colleges to enroll the majority of the state's college freshmen, and the fact that residents of Niles Township are already paying taxes to support the educational and building programs of junior colleges elsewhere in the state and are not having a return of these taxes to their own communities where a junior college would enhance their property values.

In another action related to junior college, the school board set next July 1 as the deadline for applications from residents wishing to be reimbursed for basic costs of attending junior college out of district during the 1969-70 academic year. The board's resolution provided an exception for residents returning from active military service. The July 1 date is a change from the Sept. 20 deadline of last fall. The change was made necessary because of need for more advanced budget planning with the expiration of authorization for the special 3-cent levy.

Later in the meeting, the school board approved the appointment of William Farrell as assistant to the district's business manager. Farrell, a resident of Skokie, comes to the high schools from the Howard Johnson Corporation, where he had a variety of experiences and responsibilities in business affairs. Farrell has a bachelor's degree in business administration.

In other matters, the school board heard that bids on replacing the terra cotta facings at Niles West would be ready for its March 10 meeting; adopted a proposal that the board would schedule necessary executive sessions at the end of public meetings; approved the appointments of Mrs. Allan Epstein and Dr. Gilbert Gavlin to the board's Citizens Advisory Council; said that it should be in a position to discuss the school district's building needs at its March 10 meeting; heard a report on the instruction of French from Assistant Superintendent John Bristol, assisted by Miss Terese Klinger of Niles West, Mrs. Cecile Sacher of Niles North, and Donald Blair of Niles East, all foreign language department chairmen; and approved the appointment of Milt Jacobson and Herman Williams as custodians at Niles West. Charles Salm as chief maintenance engineer at Niles East, and Irma Singer as a cafeteria worker at Niles North.

**Treasurer**  
 Carol Sue Cohen, of Morton Grove has been elected treasurer of her House Council at the University of Chicago. She is serving as treasurer

Fifteen experts will have exhibits on display and will be available to appraise and identify any coins, medals, tokens or paper money presented. There is no charge for this service.

These bourses take place on the second Sunday of every month.

### Oak PTA To Name Officers

Oak PTA will hold its next meeting March 10 at 8 p.m. at the school. Election of officers for 1969-70 will take place and colors will be presented by the Boy Scouts.

Harry Klocker, physical education teacher for Oak school, will present a demonstration of physical education by 6th grade students. There will be a social hour and refreshments after the program.

of Blackstone Hall for the current academic term. Her duties include participating in the formulation and direction of house rules and helping to create a pleasant, cohesive dormitory.

Carol is a senior in the College of the University and is majoring in mathematics. Her family resides at 5833 Fairmount ave., Morton Grove.

### In Demonstration

Boy Scout Troop 62 observed the first day of the 59th anniversary of Boy Scout Week with a demonstration of Scout skills held in the Bank of Niles. There were many exhibits and demonstrations of Scouting accomplishments which were entertaining as well as educational, to be appreciated by the many spectators. Participating Boy Scouts in this event were as follows: Owen Shurson, Richard Koster, David Koster, Richard Dick, Ken Laszczak, Robert Gauthier, Steven Johansen, William Seleen, Richard Dede-kind, Larry Bodzewski, Frank Buck, John Kecker, Dave Aiden, Tom Lente, George Jensen, Jim Marmitt, Rick Blair, and Randy Peck. A flag-raising ceremony at the village hall of Niles marked the second day of Boy Scout Week. All troops under the Northwest Suburban Council participated in this event. Following this, Troop 62 resumed its demonstration at the Bank of Niles, until noon. Boy Scout Sunday saw many boys of Troop 62 in attendance at Niles Community church. The service included a flag raising and participation by all Boy Scouts in worship and many assisting in ritual duties.

### Area Youths Soloists In March 9 Concert

Maine East High school Concert orchestra will present its Winter concert, Sunday, March 9 at 3:30 p.m. in the school auditorium, Walter Wolodkin, director of the orchestra, has programmed music by Rossini, Debussy, Wagner, Prokofiev and Richard Roger.

Two student soloists will be featured with the orchestra, Audrey Pedersen, a Park Ridge junior, will perform the 1st movement of the Viola Concerto in C Minor by Johann Christian Bach, Audrey has also been chosen to play with the American Symphony Youth Orchestra which will tour ten

European countries this summer.

Cliff Foster, a junior from Park Ridge, will perform the brilliant finale of the Bruch Violin Concerto in G Minor in the March 9 program. Last summer he toured with the Illinois Youth Orchestra in Paris and was one of the soloists in last year's Winter concert with the Maine East Concert orchestra.

Tickets for the March 9 concert, which are available in the Music department, are 50¢ for students and \$1.00 for adults. Music Booster cards will be honored.

### Third Concert March 9

The Northwest Symphony Orchestra will present its third concert of the current season March 9 at 3:30 p.m. at the Maine Township West High school auditorium, 1755 S. Wolf rd., Des Plaines.

Perry Crafton, conductor of the orchestra, will open the concert with a performance of Tschaiakowsky's "Nutcracker" Suite composed of eight excerpts from the ballet itself; Overture Miniature, March, Dance of the Sugar Plum Fairy, Trepak, Arabian Dance, Chinese Dance, Dance of the Reed Flutes, and the Waltz of the Flowers. Tschaiakowsky's music is noted for its wealth of melody and colorful orchestration.

To complete the first half of the program, Lise Wilson Shearer will join Mr. Crafton and the orchestra in a rendition of Saint-Saens' Concerto #3 in B Minor, a romantic

composition for solo violin and orchestra. Mrs. Shearer, a native of Park Ridge, has appeared as a soloist with several symphony orchestras and has given many solo recitals. She studied violin with Mr. Crafton until she left the area to attend the University of Wisconsin.

The second half of the program will be devoted to the Franck Symphony in D Minor, a heavily orchestrated work of the French School utilizing interwoven melodies. Cesar Franck was a Belgian composer of the Romantic period influenced by Bach, Beethoven and Liszt.

Individual tickets at \$2.00 each and student tickets at \$1.00 may be purchased at the box office by contacting Mrs. Richard P. Stover at 823-4438. Children under 12 will be admitted free if accompanied by an adult.

### Mayoral Candidate

(Political News Release)

On Feb. 10, Tom Traves, a resident of Niles for the past 16 years at 8001 N. Odell, filed his petition for the office of President of the Village Board of Trustees of the Village of Niles.

With his many years of experience in service and public relations, Mr. Traves feels he is well qualified to serve the people of Niles in the capacity of Village President.

Traves has stated that he would bring the issues of village government to the people of Niles, by establishing personal contact with residents so that they will have a chance to voice their opinions.

The election of Traves will insure a better relationship and greater cooperation between the Village Board and Park Board, Civic Associations and homeowners associations. A definite change in the present administration is needed now and the election of Mr. Traves will be for the betterment of the Village of Niles.

Yesterday, with so few doctors, house-calls were the order of the day. Today, with hundreds of doctors being graduated every year, house-calls have become a thing of the past. This is not too hard to understand when you consider the population explosion which has put the doctor into the position of making every moment count. Today's doctor is able to care for more people... better... faster... than ever before in history. Specialization has made fast accurate diagnosis in the office the rule rather than the exception. Many illnesses that 35 years ago meant weeks of confinement and countless dollars spent, can be diagnosed, treated and cured today with a visit to your doctor and prescribed medication.

### Check Is Presented

Edward Ciccone, president (left) and Michael Provenzano, (right) chairman of the board of directors, present a check for \$500 on behalf of the members of the Northwest Italian-American Society to Rev. Armando Pierini (center) of Villa Scalabrini in Northlake, toward the purchase of a pew for the Villa Scalabrini chapel, soon to be erected. The members meet the first Monday of every month at 8 p.m. at Angelo's Restaurant, 7136 Milwaukee ave., Niles. The society was organized to plan, coordinate and carry on civic, educational (non-political, non-sectarian) charitable and social welfare activities which will best serve the interest of Americans.

### "Northwest To Alaska" March 9

Visions of spectacular scenery will be the bill of fare Sunday afternoon, March 9, at 3 p.m. in the auditorium at the Niles West High school in Skokie.

"Northwest to Alaska" will be presented by Walter Berlet in the entertainment education series of the Niles Township High Schools.

The photographer-naturalist, who has extensive experience in his chosen art, purports to show Alaska as the land of spectacular

scenery, hardy people, and equally hardy plants and animals.

The film-lecture opens with aerial views of the Alaskan glaciers and the Pribilof islands in the Bering sea with its herds of fur seals.

Other films remaining in this year's schedule of presentations are "Broadway in the Sixties" on Wednesday, April 23, and "Schley Ride in Scandinavia" on Wednesday, May 14, both at 8 p.m. at Niles West.

Carolyn and Christine Hintz respectively told about Abraham Lincoln and George Washington. Maureen O'Malley read her own poem written about Lincoln.

### M.G. Legion News

The yearly Past President's Parley dinner of the American Legion Auxiliary, 7th Dist., was held at the Northbrook Legion home recently. It honored past Home presidents of the units in the district which comprise the north side of Chicago and the northern suburban area.

Mrs. Dorothy Hanneemann, past president of the Department of Illinois was the honored guest. The social event was under the chairmanship of Mrs. Gloria Jackson, past 7th Dist. director.

Morton Grove Unit 134, American Legion Auxiliary members were in attendance and president Mrs. Albert Nehart had the pleasant duty of presenting checks to the two Parley-sponsored activities, the Veteran's Craft Exchange and Nurses Scholarship, for a presentation of \$40.00.

Accompanying Mrs. Nehart from the local Unit were past presidents Mrs. John Sepesy, Mrs. George Howe, Mrs. Clarence Ross, Mrs. Karl Tegert, Mrs. Grover Biesman and Mrs. Ed Lange, the latter also a past 7th district director.

Five of the six past presidents in attendance who were introduced are presently serving as chairmen of various committees for the 1968-69 club year of Unit 134. This illustrates that past presidents of the Auxiliary do continue to serve in some capacity even tho they step down from the highest spot.

Twenty nine pints of blood were given recently when the Morton Grove Post 134, American Legion, held a blood drive. Donations were received not only from Post and Auxiliary members, but from the village's Fire Department members and other friends of the Legion.

Under the direction of blood donor chairman Ted Kimura, he and the following contributed blood: Ed McMahon, H. Hagemann, Ralph Hintz, Al Kaechele, Roman Lach, John Grefbowski, Al Nehart, Bill Kramer, Jack Terrazas, Ernie Jenkins, Harry Brooker, Richard Mendels, Angelo Maturro, Fred Gillett, Ed Martin, Hershel Poland, Chet Zellen, Ed Vorpapel, P. Murray, A. Kick, "Ace" Sepesy, Frank Hilbert, Mike Hilbert, Ralph Klein, Dick Bush, Bart Beckwith, Mrs. John Sepesy and Mrs. Emil Gergits.

Auxiliary blood donor chairman Mrs. Howard Hoffman planned and served the dinner at the Legion Home which followed the Lutheran General donations along with Mrs. James Campanella. Cooking was done by Warren Gabel and Ray Leusch dispensed cocktails.

Periodically the local American Legion holds such drives to build a "blood bank" at local hospitals. Blood is then used for members and their families and residents of the community when they are in need of this vital substance.

Since February is celebrated as Americanism Month, especially by the American Legion and its Auxiliary, the Junior Auxiliary of Morton Grove Unit 134 of the American Legion at their last meeting commemorated the occasion with three girls reporting on the two presidents who were born during the month.

Carolyn and Christine Hintz respectively told about Abraham Lincoln and George Washington. Maureen O'Malley read her own poem written about Lincoln.

Juniors are daughters and sisters of Legionnaires under 18 years of age. They desire to emulate the Auxiliary Unit to which they are attached. The young ladies had won some money awards last year for prizes in contests and had held a successful penny social while back; therefore, they decided they would donate some of this cash to worthy programs.

A donation was made to Care and a stamp album valued at more than the \$3.50 it cost because of its purchase through a store allowing special discounts was purchased to be presented to a hospitalized veteran who will now enjoy the hobby of stamp collecting.

The state department of Illinois President's special project this year is called the 7-Point Program. It combines donations in areas where she is personally interested. The Juniors of the Morton Grove Unit voted to send \$10.00 as their donation to this program.

Morton Grove's Juniors now have 76 members. Over "quint", This figure is selected by the state as being higher than the previous year's total membership, which figure they hope everyone tries to attain in the desire to constantly increase membership.

Junior Vice Commander Ray Harris of the Morton Grove Post 134, American Legion, reports only a few tickets left for the group's gigantic 50th Anniversary celebration which is being combined with the Post's annual St. Patrick's party. The dance chairman indicates it is scheduled for Saturday, March 15 at the Legion Memorial Home.

Music by the Four Polka Sharps will be available for dancing, a midnight buffet of fine corned beef and cabbage and liquid refreshments are all included in the "package" donation of \$10 per couple.

Harris adds that as usual the Auxiliary Unit will furnish dessert. The "and" to have with coffee is under the direction of Mrs. Harold Lump. She promises cakes in keeping with both a green Irish theme and the gold 50th birthday idea. Committee members are Bill Kramer, Roman Lach, Ed Martin, Tony LaRosa, Bernie Williams and Ed McMahon.

The chairman announces only 125 couples will be admitted, and none that night. Advance reservations must be made immediately with Harris at YO 5-0291.

In addition, a Miss Morton Grove American Legion Queen is to be selected that night. This is worth the price of admission alone.

The Post Rifle Squad who participate in parades, wakes and funerals of their comrades, post colors and perform honor guard duty as well as promote Americanism throughout the year, will hold their yearly closed party this Saturday, March 8. Traditionally under the chairmanship of the Squad Commander, Carl Schneider, and his wife, Lois, will act as hosts for this annual party for members and their ladies.

Plans include dinner at Val's restaurant and then return to the Legion Memorial Home for an enjoyable evening of companionship and friendliness.

The corporation of the Legion recently held an election for three members to their board.

at the annual Shareholder's meeting. The Legion Corporation is the group who guide the affairs relative to the Legion Home's upkeep, building repairs, maintenance, etc.

Re-elected to continue their terms just completed were Frank Hilbert, Roman Lach and Mill Erickson.

### Completes Selling Course

Leonard Achler of White and Cronen, Inc., 9401 N. Milwaukee, Niles, has just completed a basic truck selling course conducted at Ford's Chicago Marketing Institute.

The course is one of a number offered by Ford Marketing Institutes to benefit Ford and Lincoln-Mercury customers by emphasizing after-purchase service and customer relations.

### Left Hand

Continued from  
Morton Grove Pg. 1  
and other directors of corporations receive.

While the contrast of moneys received by the 2 towns' officials is not important, what does seem unnecessary is the need for weekly Board meetings. It does seem the trustees are stretching the action a bit, in view of the fact some meetings only last 30 to 45 minutes. It is likely the total number of hours spent at meetings in both towns is comparable so why should there be a need for weekly meetings, unless the added stipend is the reason?

The primary weakness to weekly meetings is few residents attend so many meetings. And important issues, which generally would be discussed at less frequent meetings, would have more people attending and participating.

Certainly, we can't believe these points are what an election is all about, but the general pall of indifference in the town partly stems from these actions.

### Sharing Together

During Brotherhood Week at St. John Brebeuf school the 7th grade students invited students from four other schools to visit and participate in their class activities for three days, Feb. 26 to 28.

Six guest students came from Corpus Christi school, 4910 S. King dr., six guests from Sacred Heart school, Melrose Park; four students from St. Paul Lutheran school, Skokie; 14 students, the entire 7th grade and teacher, Mrs. Nieman, from Solomon Schechter Day school, Wilmette.

### Open House Sunday

Morton Grove Citizens Party has invited all citizens to an open house Sunday, March 9, to meet their candidates, staff and friends. Address is 9004 Waukegan rd. Parking is available at side and rear of building. Time is 3pm. Coffee will be served.

### Math, Not Cards

A trip to Las Vegas sponsored by Jennings Chevrolet is the prize won by Franciscan Sister Floriana (right), who gets advice from Jim Jennings (left), about the desert playground. When Jennings warned her, she'd have to be a card expert, Sister replied that she'll avoid the gambling tables and attend mathematics sessions at the National Educational Association convention, which meets in Las Vegas April 14-18.

### "Out-Of-This-World" Fete Saturday

An "out-of-this-world" party is being planned by the freshmen at Maine East High school for the annual Freshman P.T.C. (Parent - Teacher - Council) dance.

The party, better known as "Lunathèque '72", will be held in the school cafeteria on March 8 from 8 to 11 p.m. All freshmen of Maine East are urged to attend since admission requires only their I.D. card. It is hoped, however, that the parents of all freshmen will donate \$2 to help defray expenses for the party and to help build the fund that will finance the class of '72's senior prom and other senior activities.

The space-exploring combos, "The Flynns" and "The Motivated Sounds," will provide the music for listening and dancing. The space and discotheque theme will enable the decorations committee to utilize the special spectrum lighting, handled by senior John Nilsen (Park Ridge), to enhance the lunar atmosphere.

### Art Competition Winners

Art winners (l. to r.) Teddy Siegel, seventh grade; Marc Wenet, eighth grade; and Glenn Watson, seventh grade, East Maine Junior High school, Dist. 63, receive certificates from Principal Melvin Spence. Art work by the three students was chosen for exhibit in the 1969 Scholastic Art Award competition sponsored nationally by Scholastic magazine. One student, Glen A. Watson, also received a gold key signifying the entrance of his work in the blue ribbon competition. Mrs. Virginia Ryan, art teacher who supervised entrance of student work in the contest, observes the presentation.

### Troop 846

Girl Scout Week this year is from March 10 to 16. The Niles Girl Scouts will have a display at the Niles Public Library during that week. Girls from Niles Public school, Oak school and St. John Brebeuf school will contribute to the display.

The Jr. Girl Scouts of Troop 846 have been busy going on two outings the month of February. Very early on Saturday morning Feb. 1, a busload of girls along with their leaders Mrs. Ted Szewc and Mrs. Howard Burke went to see the movie "Chitty Chitty Bang Bang" at a loop movie theatre. Their sister Brownie Troop shared the day with them and all the girls agreed it was a most entertaining and exciting musical.

The Saturday morning before the Chinese New Year, Feb. 15, the girls joined their big sister Cadette Troop 777 for a trip to Chicago's Chinatown, where the girls browsed through the Chinese shops and had lunch at a local Chinese restaurant, complete with chopsticks which were given to them as a souvenir gift from the restaurant. Their bus then drove them to the Garfield Park Conservatory where they were given a guided tour and saw the current flower show which is featuring azaleas and camellias. They were most impressed with the wide range of plant life including the cactus, ferns, bulbs, roses and the banana and coffee trees.

The girls from Cadette Troop 777 were escorted by their leaders Mrs. Ralph Kozony and Mrs. Walter Elder, Girl Scout Troop 846 had Mrs. Ted Szewc and Mrs. Eugene Luzwick accompanying the following girls: Kathy Barrett, Barbara Ebor-Kathy Barrett, Barbara Ebor-Kathy Barrett, Joyce Henricks, Karen Huelsm, Judy Jakubowicz, Kim Koch, Barbara Lee, Laura Luzwick, Amy Matteoni, Mary Beth McDonough, Terese Pater, Judy Prak, Kathy Schoch, Donna Slepowski, Nancy Suppan, Sharon Szewc, Susan Urban, Lauren Volpe and Dianne Wiedemann.

It was a busy and satisfying February for the girls of Brownie Troop 308. On Feb. 5 the group met at the Niles Police Department and had a first hand look at the men and equipment who so ably serve the village of Niles. They want to give a great big "thank you" to Sgt. Wichlac for his courtesy in conducting the tour.

On Feb. 11 a Valentine Party was held at the house of Mrs. Randall Rook with the assistance of co-leaders, Mrs. William Seelos and Mrs. Lawrence Bozowski. After refreshments, valentines were exchanged. Feb. 12 the troop attended a dress rehearsal of "Anniversary Antics" produced by the Maine Township High School East Student Council. The troop was especially thrilled by the performance of acrobatic dancer, Linda Mittelstaedt, sister of their troop member, Nanette.

Feb. 18 and 19 the troop went from door to door collecting food for Association House, a settlement house in Chicago. The girls thank the wonderful women who welcomed the Brownies when they called and donated so generously. Proving charity is not dead, the girls were assisted by a young gentleman, Joe Walters, who pulled the wagon. The drive was a success, over 300 cans were collected by Troop 308. Enthused by the success of their first service project, they are now busily engaged in another - the collection of empty bleach and detergent bottles and old Christmas cards for donation to a nursing home.

## Dist. 67 Launches Visual Screening Program For Pre-Schoolers

School Dist. 67 wants to help parents in the area recognize visual problems in their pre-school children. So does the Illinois Department of Public Instruction. That has now been made possible through federal funding.

Any child 3 through 5 may be brought in for a visual screening on March 12 or 13 (Wednesday or Thursday) at Golf Junior High school. An appointment should be made through registration by a parent in person on March 7 (Friday), any time from 9 to 11:30 a.m. and 12:30 to 3 p.m. at the same place. Screenings are free.

The parent should register so that he or she may make the appointment and get the vision screening readiness game that will simplify the screening the following week. Pre-schoolers should be prepared for the screening by familiarity with the simple game cards the parents will get when the appointment is made.

The screening is easy and painless, of course. Appointments will take less than a half hour. And the price - right - nothing.

Three technicians trained by the Illinois Department of Public Health will conduct the screening using instruments that can detect, for example, lazy-eye blindness or amblyopia in one eye, or low vision in both eyes.

The pre-school child, not knowing how he or she should be seeing, rarely complains to alert his parents about unusual vision. Parents are rarely able to detect the visual problem, because the eyes appear to be normal. Thus, it is very wise to have the vision of pre-school children checked.

Mrs. Charlotte Kruse, Dist. 67 nurse, has charge of the program here. Volunteers from the PTA and PTC groups will perform the clerical work for the examinations.

## NILES POLICE REPORT

March 4— NFD ambulance was called to 8501 Greenwood, to transport William Marsalek to LGH. He was suffering from high blood pressure.

March 3— Jacob Brosh, 6879 Milwaukee, stopped NFD Officer Klein at Milwaukee and Dempster and asked for an escort to LGH. Mary Ann Brosh was about to give birth to a baby. Escort granted—mother and daughter are now doing fine. NFD ambulance was called to 8262 Neva, to give oxygen to Harriet Oleksy, 49. No hospital transportation needed. NFD ambulance was called to Greenwood and Church; injuries in a motor vehicle accident had been suffered by Estelle Colburn, Arlington Heights and Gloria Amundson, Glenview. Vandalism was reported at Woodrow Wilson school, 8257 Harrison. Desks had been tampered with and there was writing on one wall. Nothing was reported missing.

March 2— Theft from his auto was reported by William Cruzynski, 6907 Keeney. He told police unknown persons had removed a Panasonic 5-track stereo tape player and 10 tapes from his auto. The car was parked in the driveway of his home. Car, owned by George Case of Mt. Prospect, was reported on fire while parked at 7527 Wauegan. The fire was extinguished by NFD. NFD ambulance call was made to 7327. Carol to transport Elvera Pearson, 52, Lutheran General. She had been in ill health. Theft of electrical equipment from his truck while it was parked in the Amy Joy lot, 7246 Milwaukee, was reported by W. Daemick, Chicago. Taken from the truck were a traveler's alarm clock, automatic garage door opener and 2 walkie-talkies. Ambulance call was made to 8287.

March 1— Criminal damage to property was reported by R. Regosh, 874 Normal. He told police unknown persons had placed a firecracker near the sliding glass doors of his home. The explosion left powder burns near the window. Criminal damage to the property at 927 Warner Oval was reported by Mrs. Barinholtz. She told police unknown persons had attempted to burn the front lawn of her home. Police found a burned spot about 3-inches in diameter. Mustafa Shantur, Glenview, reported the theft of his car. The auto was later found at 8325 Golf rd., Robert Winkler, 6837 Seward, reported the theft of a stereo tape player, 8 tapes and a tan leather jacket from his car. Value was placed at \$420.

Feb. 28— A theft from Bunker Hill Country club was reported by Mrs. Madrak, Chicago. She told police someone took her knee-length, brown pile coat. She placed value of the coat at \$100. Criminal damage to property was reported by Mary Lach, 6646 Albion. She told police unknown persons had broken a window in the rear of her home and placed a firecracker against the window frame. A 2-car accident was reported at Dempster and Merrill, injuries were suffered by Karen Johnson, 9067 Clifton and Kathryn Gelger, Des Plaines. Miss Johnson was issued a summons for failure to reduce speed to avoid an accident.

Feb. 27— Mrs. Bradsky, 7138 Greenleaf, reported the theft, from the trunk of her car, a spare tire and wheel, bowling ball, bag, and shoes; set of golf clubs and men's shirts. Value was set at \$137.

Any and all pre-school children in the area may participate, not just those who reside in Dist. 67. At no cost.

Parents should note that all registration and screening is at Golf Junior High, in the team-teaching room. The pre-schoolers thus will have a chance to see where the "big kids go to school."

The screening program, which is sponsored by Slides (Suburban Low Incidence Development of Exemplary Services), is aimed at those children with visual problems so far undetected.

## \$450,000 In Surplus Funds For Niles Twsp. Districts

Another record amount of \$450,000 in township surplus funds will be proposed for distribution to Niles Township elementary school districts this Spring, according to an announcement by Niles Township Supervisor John J. Nimrod. The amount smashes all previous township records, and is also a record-breaking figure among all townships in the state of Illinois. Last year the township surplus distribution to schools was \$400,000.00, and during the past four years, the present Niles Township administration has turned over more than \$1,500,000.00 to relieve school tax burdens.

The present township administration has averaged nearly \$400,000.00 in its annual surplus turnover to township schools, compared to an average of slightly over \$300,000.00 in prior years.

The tax turnover funds are used to reduce tax levy pressures on local school districts, and represent \$450,000.00 in savings to township taxpayers in 1969. Supervisor Nimrod pointed out, Schools apply the money to their budgetary needs, and occasionally for the extras that help make Niles Township schools the excellent educational institutions they are known to be, Nimrod stated.

The allocation of the \$450,000.00 from 1968-69 township surplus was voted by the Niles Township board on Feb. 17. A special town meeting was called for March 6, 1969, for official action on the surplus turnover.

### Elected Veep

Larry Ciswacki, freshman at Culver - Stockton college, Canton, Mo., has recently been elected vice-president of the Alpha Omega chapter of Beta Gamma Phi fraternity. He is also vice-president of his class and activities board representative for Shannon hall. Larry is the son of Mr. and Mrs. Anthony Glowacki of Niles.

## Meet The Candidates "Courage Lacking?" "Niles Being Cheated"

(Political News Release)

Niles residents already have what other suburban areas are vying for... LEADERSHIP... GOOD LEADERSHIP... STRONG LEADERSHIP... PROGRESSIVE LEADERSHIP.

Is it possible this leadership has become an issue to be questioned by the SAME people who campaigned for it in the past? "During the 8 years I have been President of the Niles Board, any board member wishing to speak has had full opportunity to do so. If the present Board Members who are seeking election have said nothing, it's because they haven't the courage to speak, or perhaps they have never had any ideas, any programs, let alone the courage to say what they felt," stated Niles Mayor Nicholas Blase, incumbent mayoral candidate of the ERA OF PROGRESS PARTY. "They are using the excuse of being browbeaten but what they really lack is the courage of their convictions. We have had, in the past, vocal members of the board such as John Stanley, Kenneth Scheel, and Len Szymanski. These men were never lacking in the courage of their convictions, yet they were on the administration side most of the time. It is inconceivable to believe these present candidates are forcibly quieted when past board members have spoken out vociferously."

Proven leadership with added new faces and ideas has taken on new impetus. PEOPLE, YOUTH, and TAXES, have been the theme of Trustee Candidates, Ralph East, "Mr. B," to the youth of Niles, a man who can help the youth of Niles tremendously in the development and implementation of programs and activities; Richard Gruenwald, TAXES, President of the Niles Regular Republican Organization, a man with business and financial experience whose ideas can be instructive and constructive in solving our school tax problems; Peter Pesole, PEOPLE, a labor negotiator who can act as liaison between governmental bodies in Niles for the people.

"These men, together with the leadership I hopefully have demonstrated in the past will continue to lead Niles into this ERA OF PROGRESS with ECONOMY I have spoken about so many times."

The next meeting of the ERA OF PROGRESS party will be held on Friday, March 7 at 8 p.m. at our headquarters at 310 Lawrencewood Center.

"The position of a Mayor, and the question of leadership, whether it is strong or weak, has become a realistic and vital issue in this campaign. It has always been my contention that a good Mayor should have effective programs, work hard with his board, and see these programs realized." Adding to his position on the functions of a Mayor, Blase continued,

"He must be strong enough to operate the Village with the counsel of what is best for the people. A good leader will see programs accomplished, a weak leader will not. If he is right, then his efforts will be appreciated, if he is wrong, then he will accept the consequences.

The effective Mayor cannot function on consensus whenever a decision has to be made. A strong leader will be able to convince the board his actions are just and right. If the strong Mayor is proven right, then he will have a convincing pattern built in, so his judgment and opinion will be accepted more readily. A weak Mayor cannot convince a board when he is not convinced himself."

Mayor Blase concluded, "The complaint that board members have become subservient is unrealistic. These candidates have relied completely on the leadership and judgement that has repeatedly been proven right. What they call subservience is just good sense."

## Tour Central America Girl Scout Cookie Time

The colorful republics of Central America are toured in "Seven Borders South", a film produced and personally narrated by Frank Kilcar. This program, sixth of the Maine East Community Lecture Series, will be presented at 8 p.m., Wednesday, March 12, in the auditorium of Maine Township High school East, Dempster and Potter, Park Ridge.

The trip down the 3,200 mile Inter-American Highway extends from the U.S.-Mexican border to the jungles of Panama.

Tickets for the lecture at \$1 each will be available at the door. Information may be obtained by calling the sponsor of the series, the Maine Adult Evening school, at 299-7187.

It is Girl Scout Cookie time! Five varieties of cookies will be sold this year—fudge, scotches, mints, sandwich cremes and savanahs. Approximately 10,000 Junior, Cadette and Senior Girl Scouts in the northwest suburban area will be asking their neighbors and friends to order the delicious cookies. Brownie Girl Scouts do not sell Girl Scout cookies, but they enjoy eating them. Orders are taken for the Girl Scout cookies until March 16. Each box costs 50¢ and the money is collected when the cookies are delivered April 23 to May 2. If a girl does not contact your home to ask you to purchase cookies, you may contact Mrs. T. Barrett at 966-5310 before March 16.

## LETTERS to EDITOR

### An Error, A Correction

Dear Mr. Besser:

In your Issue of Feb. 13, 1969, the political news release of Nicholas Blase states that he is a past president of the Northwest Bar Association, which does not exist. The records of the Northwest Suburban Bar Association indicate Mr. Blase was elected a 2nd vice-president for one year in 1963.

As current president of the Northwest Suburban Bar Association, I believe a printed correction of this statement is in order.

I would appreciate your correction.

Very truly yours,  
 Thomas F. Schlaeger

(Ed. Note: After checking the above with Mayor Blase, the following letter was sent to THE BUGLE.)

Dear Sir:

Recently in a news release I was named as past president of the Northwest Bar Association. This should have read past vice-president of the Northwest Suburban Bar Association.

I would appreciate your correction.

Very truly yours,  
 Nicholas B. Blase

### "A Fine Job"

Dear Sir:

School districts must communicate with the taxpayers residing in their district. This can be done well only with the cooperation of the newspapers that circulate in the district.

We'd like to communicate with you too for a related reason, namely, to thank you for cooperating so well in solving our communications problem. The BUGLE has always done very well for Dist. 67, but we want

to thank you particularly for the job the BUGLE did on helping publicize our recent referendum. That all three referendum propositions passed is due in part to the fine job of assistance from the Besser press.

Thanks a million.

Sincerely,  
 William Stout  
 Superintendent  
 District 67

Margaret B. Lieske  
 Village Clerk

APPROVED by this 25th day of February A.D. 1969

Nicholas B. Blase  
 President of the Village of Niles, Cook County, Illinois

ATTESTED AND FILED in my office this 25th day of February A.D. 1969 and published as provided by law the 6th day of March A.D. 1969 in The Bugle a newspaper of general circulation in the Village of Niles.

Margaret B. Lieske  
 Village Clerk

Jehovah's witnesses enjoyed another fine Christian assembly at Steinmetz High school, Feb. 14-16, attended by 2,091. So, the Morton Grove congregation is grateful for the careful consideration and generous publication of news about it which appeared in so many newspapers.

Thank you particularly for using the facilities of the Morton Grove BUGLE. People whom we meet in our door to door missionary work often remark about reading various things about Jehovah's witnesses in their neighborhood newspaper.

Naturally, we look forward to other occasions when we can submit for your consideration features that are newsworthy for the community. We wish the Morton Grove BUGLE continued success as you go on informing the neighborhood about various matters of importance.

Yours truly,  
 Charles R. Blevitt  
 Presiding Minister  
 Morton Grove Congregation

### Troop 175

Twenty-three Scouts of Troop 175, St. John Brebeuf parish, Niles, spent an enjoyable weekend of camping out at Tippecanoe State Park, near Lafayette, Ind. Feb. 21-23. Adult leaders were scoutmaster Ralph Kozeny; committee chairman Tad Lesniak; advancement chairman Dick Covey, Mitchell Kolec and Eddie Modzden.

Scouts and fathers of Troop 175 will serve a pancakes and sausage breakfast Sunday, March 9, from 7:30 a.m. until 1:30 p.m., at the Niles Recreation Center. The menu for this annual fund-raising affair will include orange juice, coffee and milk.

"The Office of Village Clerk on a 'PART TIME' basis? To do this would set the service to the people and the administration of that office back some 20 years. Is this progress? Also, the Mayor talks of computerizing the office. On a 'PART TIME' basis? "

"Now, if the Mayor proposes to carry out the plan further, to turn over the responsibilities of the Village Clerk to the Village Manager, wouldn't we have to hire an Assistant for him? Perhaps at an additional salary of \$8,000.00 to \$10,000.00 per year. It seems to me that this program would increase the cost of operating the Village Office - and without the day-to-day personal services of the Village Clerk. If this is progress, then I'm puzzled by it all."

## Niles Twsp. Swim Club

Registration opens the first week in March for Niles Township Speed Swimmers. The third session, a period of 10 weeks, will feature a number of championship meets, in addition to the regular three time per week instruction in competitive swimming.

Members of the Niles Township Swim club are looking forward to A.A.U. sponsored meets in Hinsdale, Deerfield and Bloomington, Ill. during the next several weeks. In addition, age group swimmers under 15 will participate in the Chicago-Land Swim Conference championships in Park Ridge. Club members have spent the last six months in preparation for these major events, and eagerly look forward to the participation, experience and accomplishment which will be gained from these meets.

The training and educational program, with top quality instruction being provided by coaches Rusk, Youstra and Larson, as well as coaches Baker, and Anderson will continue on a three-time per week basis. Swimming at the Niles Township High school pools for the third period will be as follows:

At NILES WEST:  
On Monday, Wednesday and Friday nights, boys 13 and over who are residents of the West district, and girls 11 and over who are residents of all districts, will swim.

At the NILES EAST pool:  
On Tuesday, Wednesday and Thursday evenings, boys 12 and under and girls 10 and under, who are residents of all districts, will swim.

The swim program in Niles Township has been an extreme success. It evidences cooperation between the school district and the community, and parents, where a joint effort has provided healthful recreation and top use of the facilities available to all community citizens. Children wishing to participate in the program are invited to obtain membership information by telephoning 965-4491 or 675-4583 between 7 and 9 p.m. Children of Niles Township are all welcome, but it is desirable to have swimming experience and an interest in speed swimming.

With summer just around the corner, enrollment in the coming term is expected to be increased. Since the pools have been at almost full capacity in the past, an early application for membership is desirable.

At NILES NORTH:  
Boys 13 and over who are residents of the North and East districts will swim on Tuesday, Wednesday and Thursday evenings.

## Niles Baseball League

The Niles Days Committee, with an allocation of \$500.00 each for two specific Niles Baseball League objectives, leads the way for the forthcoming 1969 Niles Baseball season. However, the financial goal which will assist in providing another successful season is still far away. All businessmen and organizations are invited to become Niles Baseball League Sponsors and help promote this worthwhile youth activity. Sponsor contributions range from \$25.00 (one boy) to \$200.00 (full team). Chuck Corrado (YO6-8197) and Walt Beusse (YO7-7515) head the sponsor committee.

summer months on fields made available by the Niles Park District, Harig Mfg. Co. and Vapor Corp. These achievements are amazing considering that the Niles Baseball League is strictly a volunteer effort. The backbone of the league consists of the many civic-minded businessmen and residents who donate monies for player or team sponsorship along with the hundreds of managers, coaches, league officers, directors and activities chairmen who donate their time and abilities.

## Aboard USS Long Beach

Commissaryman Second Class Ralph G. Brandt, Jr., USN, son of Mr. and Mrs. Ralph G. Brandt Sr., 5500 W. Church, Morton Grove, is serving aboard the USS Long Beach off the coast of Southern California. His ship is participating in the Navy's second major exercise this year, operation "Behavior Pattern."

## Choir Member

Illinois State university Concert Choir will present concerts at four Illinois high schools during its annual Spring tour March 12 and 13. Students who make up the choir personnel this semester include Donna Doud, 8341 Olcott, Niles, daughter of Mr. and Mrs. Lynn Doud - freshman-music.

The Niles Baseball League is a full-fledged community effort designed not only to provide physical activity and well being for all youngsters, but to stimulate teamwork, self-reliance, character development and sportsmanship. In the past 16 years, many thousands of Niles boys guided by community minded, volunteer leaders enjoyed America's favorite pastime - BASEBALL. Enduring benefits are not only received by the active participants, but the entire program makes the Village of Niles an outstanding place to live, work and play.

Last year 805 youngsters enrolled in the league and participated in the interesting and challenging sport. Over 1,400 games were played during the

## Leaning Tower Y

A demonstration in physical activities and fitness by handicapped children from the Leaning Tower and High Ridge YMCA's Handicapped programs will highlight the annual open meeting of the Open Hearts for Retarded Children to be held at the Devonshire Community Center, 4400 W. Grove, Skokie, at 8:15 p.m., Saturday, March 1.

The demonstration will focus on ways these youngsters can be aided by showing the public how physical training can give new hope to children who might otherwise never learn self-reliance. The Leaning Tower and High Ridge YMCA's wish to encourage further expansion of facilities necessary for this training.

The program will involve children with learning disabilities, the mentally retarded and Cerebral palsied, and will consist of coordinating exercises, fitness drills and constructive free play.

Persons interested in the handicapped and their special learning problems are invited to attend the demonstration under the direction of Ray Newman, Physical Director of Handicapped programs at the Leaning Tower and High Ridge YMCA's.

For further information contact Programs Director, Open Hearts for Retarded Children, Mrs. Stuart Borg, OR3-6415.

## Niles Park District News, Notes

## Recital-Ready

The Niles Park District now conducts ballet classes for over 70 young girls under the qualified leadership of Mrs. Carol Freeman. This year a new class has been added and has proved to be most successful. It is a ballet class for three, four and five-year-olds. Despite the difficulty of determining which is their right and left foot, they are doing fine. They are now concentrating their efforts on learning two dances that they will present at the annual ballet and baton recital that will be held in late May.

## Betrothed

Gary John Romans, son of Mr. and Mrs. John Romans, 8553 Ozark ave., will marry Patricia Stephayn, Lawton, Mich., in St. Mary's Catholic church, Paw Paw, June 28. The bride-to-be is a graduate of Michigan State university and a 3rd grade teacher in Mattawan Consolidated schools. Gary, a graduate of Notre Dame High school for boys and Michigan State, is an applications analyst in computer marketing for Central Data Corp.

## N.D. Foilmen Win Final Meet

The final dual fencing meet of the Notre Dame High School for boys season was against cross town rival, Maine South. The Dons have been looking to this meeting since their loss to South in December. This would make or break their already good season.

Self respect was at stake as to whether the N.D. fencers were better man for man on this particular day than the opponents. This could be decided as the meet was electric.

The N.D. varsity shocked the Hawks by a quick 4-0 lead. With Littell losing, 2, they had to rely on Henshaw, but he lost also. The score went 4-0, 4-1, 7-1 and finally 7-2 for the A strip. Senior Captain Mike

Cornwall went 3-0 for the afternoon.

The "B" strip traded wins and losses with the Hawks until the 7th bout when the Dons took the last 3 to clinch the meet at 12-6 to post a final season record of 11-4.

The JV's should not be forgotten. They had a critical meet also. While the Varsity was winning 4-0, they were losing 0-3. Eventually the A strip was won by N.D. 5-4 and the "B" strip was taken with a strong 6-3 to make it 11-7. This gave the JV an undefeated season and one tie 7-0-1. For its first year of competition, the JV's did very well and will give added strength to the varsity next year. Tom Alcock finished with a 21-3.

Niles. Admission is 50 cents for adults and 25 cents for children and students.
