5 Area Boys Honored At Science Fair Congress

Five area boys are among the students participating in the national Regional Youth Science Congress being held today, Thursday and tomorrow, Friday at NASA's Lewis Research Center.

The outstanding students are Ken Tabor, 8662 N. Merrill, Niles, Notre-Dame High school for boys; Alan Brenner, 6312 W. Odell, Niles, Notre-Dame; Alan Y. Chow, 6929 Mansfield, Morton Grove, Niles Township

High school West; Jeffrey Quateman, Skokie and Willy C. Shih, 9047 N. Mango, Morton Grove, Niles West.

Once each year Youth Science Congresses are held at 12 locations, including 9 NASA cen-

ters, across the nation with the intent "to encourage and recognize original scientific research by high school students." The expense-paid trips and meetings are sponsored by the National Aeronautics and Space Administration and the National Science Teachers Association.

The students who will visit Lewis on March 27 and 28 are from a surrounding four-state area. In competition with 80 other students, they were selected on the basis of their investigative or experimental re-

From The Left Hand

What started out to be a fire-brand type of pre-election campaign in Niles has slowly petered out as the candidates perfunctorily go thru their paces.

It seems the personality clashes became the issues in the early part of the campaign and now the Blase-Lieske confrontation is little more than a bore. And without the 2 strongmen pecking away at one another the issueless Niles campaign is leading up to a big fat blah.

What seems to be emerging is there are no issues to command the attention of the candidates. Thus, they're running around from "coffee" to "coffee" and from doorbell to doorbell to exchange pleasantries with the natives. The smiling pleasant candidates are out to "nice guy" the community to death, in hopes when Mr. and Mrs. Niles go behind the curtain April 15, they'll cast a vote for the smiling white-toothed candidates who dropped recently to show what nice guys they are.

While the independent candidates are not making much of a splash, they've given the public meetings a rare bit of verve that seems to be lacking. Candidate Donald Jahnke told a meeting last week taxes have increased 500% in recent years. While the percentage is a wee bit much, nevertheless this distortion at least woke up the candidates, if not the electorate.

Perhaps the best indicator of the dull campaign is the absence of some of the independent candidates, who never show up at any of the meetings. Whether they've chickened out and don't want to go on the firing line, or prefer to remain the invisible candidates we don't know. But their lack of activity makes us think the 1969 Niles election is taking place in Alice in Wonderland.

One basic issue which is not discussed, should be, but isn't

"Salute To All Servicemen"

ROGALA DAY THIS SUNDAY

Niles' "Salute to All Servicemen" will be held this Sunday, March 30 from 2 to 4 p.m. in the cafeteria of Notre Dame High School for Boys when a public reception is held to welcome Nilesite Richard Rogala, crewmember of the Pueblo, who is expected home tonight, Thursday, arriving at O'Hare airport.

The Rogala family, Mayor Nick Blase and members of the Niles Board of Trustees as well as Niles' Junior Miss and other dignitaries will comprise the welcoming committee and present a key to the city to Rogala.

Mrs. Egan Dead At 59

Funeral services were held Tuesday from Skaja Terrace Funeral Home to St. John Brebeuf church for Mrs. Vivian Egan, 59, of 8300 Elmore St., Niles, who died of a heart attack March 22.

Mrs. Egan, active in the Catholic Woman's club of St. John Brebeuf, was a charter member of the Niles Woman's club. Her husband, William, recently retired as assistant general superintendent of the service department for the Peoples Gas Light & Coke Co. They had planned to live in Florida. (The BUGLE is carrying a story on Mr. Egan's retirement elsewhere in this issue.)

Interment was at St. Adalbert cemetery.

TOWNSHIP ELECTIONS TUESDAY

The first of three trips to the voting booth in April will be taken next Tuesday, April 1 by residents of Niles and Maine Townships when they go to the polls and select township officers.

Polls in both townships will be open from 6 a.m. to 6 p.m. and for the most part voters will cast their ballots in the same polling place used in the national elections.

In Niles Township, Township Achievement Party candidates for reelection include: John J.

Nimrod, supervisor; Samuel Berger, collector; Leonard Ash, clerk; George Marx, assessor; Nathan B. Goldberg, highway commissioner; Charles N. Andersen, Earl Numrich and Jack B. Slade, township auditors.

The T.A.P. slate is being opposed by Democrats Kenneth Galinski, supervisor; Jim W. Smith, clerk; Michael Linn, assessor; Alvin H. Bloom, collector; Steven Corwin, highway commissioner and Herman Kranz, Irving Welman and Ernest Wendell, auditors.

Lone Nilesite

(Political News Release)

Kenneth F. Galinski, the Democratic candidate for the Niles Township Supervisor, is the only candidate from Niles in the election April 1, in Niles Township.

He is running at the top of the Democratic ticket, having been elected for his capabilities, his dedication as a Niles resident and because it is important that the Village of Niles be represented at the township level.

No one from Niles -- and we repeat -- no one -- has been

selected from the T.A.P. slate. Why? It is an obvious slighting of the community. Either they did not believe that there was enough talent in Niles to warrant slating a candidate ... or, they didn't care. In either case, you should care. That kind of philosophy is dangerous to our community -- your community. What happens later, when matters come up that need someone to rise to the defense of Niles ... to protect the interests of Niles? You should care enough to send Ken Galinski into office by turning out and voting for him and his running mates on April 1.

Niles Fire Dept. Honored

Attiquerama Show On April 3

Fashions, old and new, will parade before members and guests of the Tenth District, IFWC, at their annual benefit, "Attiquerama," on Thursday, April 3 at the Hyatt House, Lincoln and Touhy ave., Lincolnwood.

Chairman of the party, Mrs. Richard H. Schulz, North Chicago, has planned an "Attiquerama" show featuring gowns dating from 1819 through the 1940's. A fashion show contest will also be held. Members of the district will model their own creations, vying for prizes in four categories: knitwear,

daytime, evening and under \$20. Mrs. C. P. Januz, Lake Forest, will commentate the fashion show.

Mrs. William Fry, Zion, decorations chairman, will provide the setting for the benefit luncheon chairman Mrs. Robert C. Mers, Wauconda, has announced luncheon will be served at 12:30 p.m. Tickets may be purchased from Mrs. Leon Friedman, 8332 Oconto, Niles. Other members of the benefit committee include Mrs. Vincent Brandom, Skokie and Mrs. E. Truett Newbrough, Highland Park.

Rehearsals Underway

Poppy Day May 22

Poppy Day, 1969, is coming to Niles May 22. Commander John Stack of Niles VFW Post 7124 announced recently and Henry Symer has been named to coordinate activities.

Symer, 7613 N. Harlem ave., Niles, long active in the post, was the unanimous choice of fellow members of the veterans group because of his success in raising over \$4,000 in last year's drive. This amount is the most the post has collected

since its inception.

Commander Stack said his confident Symer's efforts will result in another record-breaking year. Proceeds of the drive are used to assist disabled and needy veterans and their families.

Commander Stack said the post is looking for volunteers for the drive and further information may be obtained by calling 647-9890.

OLR Dinner Dance

The setting will be nautical and romantic on Saturday evening, April 12, when Our Lady of Ransom Catholic Women's club holds its dinner dance.

The locale will be in the Chicago Yacht club at Belmont Harbor. The affair, which will benefit the parish, is the club's main fund-raising benefit of the year.

Cocktails will be served at 6:30 p.m., and a prime rib of

beef dinner at 8 p.m., followed by dancing to the music of the L. Keller Quartet, an ensemble well known to patrons of the nation's finest hotel night spots.

Reservations may be made by calling the co-chairmen Mrs. John M. Reding, 299-2429, and Mrs. Frank Morgan, 823-0069, or the ticket chairmen, Mrs. Vito Raccanelli, 823-3719; Mrs. E. Wetekam, 825-6313; and Mrs. Ben Staudt, 825-1554.

Comptroller

The appointment of Ivan Schubert of Morton Grove as comptroller of Forest hospital has been announced by Morris B. Squire, administrator of the hospital.

Schubert, who has specialized in hospital auditing and systems, served as an audit supervisor with a national certified public accounting firm before assuming his present position.

Schubert resides at 7916 W. Churchill in Morton Grove with his wife Dorothy. They are the parents of Lawrence, Clifford and Penny. In addition to holding membership in the Hospital Financial Management Association, Schubert is active in the Cub Scout organization in Morton Grove.

ATTESTED AND FILED in my office this 25th day of March, 1969, and published as provided by law the 27th day of March, 1969, in THE BUGLE, a newspaper of general circulation in the Village of Morton Grove, Cook County, Illinois.

EMEA In Answer To #63 Suit

Dear Sir:

Last week, area newspapers carried an article which concerned itself with the alleged violation of teacher's rights in Illinois School Dist. 63, and a law suit involving defendants EMEA officers and the Board of Education and plaintiffs Donna Blumer, et al. Mrs. Blumer has always voiced a minority opinion in our district. I assure you that this still the case. The other officers of EMEA and myself represent the majority opinion. I thought you might be interested in our position.

Enclosed, please find our official statement. We feel that in all fairness you ought to print our side of the story.

Sincerely yours,

Paul E. Bloomquist, President
East Maine Education Association

East Maine School Dist. 63

A recent article in the local newspapers states that the Union is suing the E.M.E.A. and the School Board for \$1 million.

This, of course, is complete nonsense and matches the rest of the charges made by the miniscule Union local which exists. The E.M.E.A. executive board feels, however, that it is important that our members and the teachers whom we represent know exactly what the case is.

1. Mrs. Donna Blumer and the Union officers have filed a complaint in court, asking that court to grant a restraining order to keep us, your representatives, from continuing our meetings with the Board of Education and the Administration, which deal with your salaries, and your benefits, in our school district.

2. The E.M.E.A. has demonstrated to the satisfaction of the Board of Education and the Administration, that it represents the majority of the teachers of the School District.

3. Although the Board of Education and Administration are not required by law to recognize any teacher association, it has chosen to do business with the employees of the district through the East Maine Education Association. We believe that this is a commendable action on their part.

4. The allegations of the Union, that our majority was obtained by intimidation, is just more rubbish. The idea that more than 200 educated, professional teachers can be coerced or threatened into membership is just so much nonsense.

5. At the present time, the Board of Education and the E.M.E.A. are carrying on their reasonable functions by mutually developing a salary package, fringe benefits, and other items which are concerned with the conditions of employment for teachers. We feel that carrying on these functions with the demonstrated majority organization is a reasonable and democratic way for the Board and Administration to deal with its employees. If the court issues an injunction refusing to per-

Meet The Candidates

Group Conference

Campaign committee workers recently gathered for pre-election discussions and group conferences. Pictured is one phase of workers discussing plans for the April 15 election of Era of Progress Party. (L. to r.) Frank Wagner, Jr., candidate for Village Clerk; Carl Roll;

Marilyn Berkowsky; Trustee Edward Berkowsky; Orville Otto, member of Niles Zoning Board; Mayor Nicholas Blase, incumbent candidate for Mayor; Frank Kunicka; Peter Pesole, candidate for Trustee; Ed Beaulieu. (Pictured far background) Mickey Wagner; Nick Constantino.

New Concept Of Government

(Political News Release)
The Era of Progress Party presents to the public a new and excitingly different concept of village government. Mayor Nicholas B. Blase, incumbent candidate for Mayor; Frank Wagner, Jr., candidate for Village Clerk and Ralph Bast, Richard Gruenwald and Peter Pesole, candidates for three Village Trusteeships jointly stated, "We owe a debt of responsibility to every resident in Niles, whether they are of voting age or not. Sound issues will be the keynote of our campaign, not gory blurred slurs that have no validity. To give less than that is simply cheating the public of what the true task is, and the public cheats itself if they expect any less from the candidates."

Individually, each of the candidates are most qualified in their respective fields. "We can no longer concern ourselves with only the routine official

duties. Our involvement must reach far beyond and encompass those issues that directly effect the taxpayer. We must seek other means of alleviating the burdensome task of constantly voting for higher school taxes, through state and other agencies," said Mayor Blase.

In clarifying the new scope of a suburban mayor, Blase continued, "In my present position as Chairman of the Implementation Committee of the Illinois Municipal League, and as Chairman of the Legislative Committee of the Cook County Council of Governments, I have become effective in that I am able to constructively implement legislation that effects the property owner. Total involvement in family relation problems and finding the solutions to those problems is an area that decidedly must not be overlooked, from the infant to the aged."

In stating his position of candidacy, Frank Wagner, Jr., commented, "The Village Clerk's office must be reassessed and must be realigned into its proper perspective. It is not a question of efficiency, but rather a question of needing a full time clerk. The Village of Niles is administered through a full time Village Manager which is, the modern method of operation. Very simply, it's not sound business sense to have a clerk earning \$10,000 annually, when the job is just that -- a clerk!"

Trustee candidate Ralph Bast, 1968 Illinois Youth Commission's Man of the Year strongly urged, "Our youth must

Co-Captains

Greg Olsen and Chuck Manson have been elected co-captains for the 1969-70 U-Chicago Circle basketball team.

Olsen, also chosen most valuable player by his teammates, set two school records in the 1968-69 season. The 6-3 sophomore center broke the single season scoring record with 426 points, eclipsing Ray Milkaitis mark of 421 set in 1966, and grabbed 25 rebounds in one game, erasing the old mark of

have additional attention with much more effective programming and activities. Within the sound foundation of our young people, lies the future strength of Niles." Richard Gruenwald, president of the Niles Regular Organization reiterated his position to date: "Party politics is not the issue at hand, what is important is that we are interested in the local government that directly affects our everyday living."

Peter Pesole, labor negotiator and liaison offers to Niles that otherwise missing ingredient to the village needs, that of an articulate, experienced liaison between the various groups in Niles. "We do not want to tell other groups what to do but want to sit down with them and discuss our problems and work towards solutions."

The Era of Progress Party offers the Niles voter the opportunity of an economic program of progress through creativity and ideas with the proven leadership of Mayor Nick Blase and the added new faces and ideas of three trained specialists, Peter Pesole, Richard Gruenwald, and Ralph Bast handling the areas of people, taxes and youth.

Car Dirty?

The Morton Grove Park District Teen club will hold a Car Wash Saturday, March 29, 1969 at the Harrer Park Pool parking lot from 11 a.m. - 4:30 p.m. It will be open to the public for only \$1.00. In the event of rain, the car wash would be held the following Saturday, April 5, 1969. Take advantage of this special bargain.

20 set by Marty Finerty in 1967.

A Maine East school graduate, Olsen led the Chikas in scoring with a 19.4 average in rebounding with a 12.3 average.

Manson, playing his first season with the Chikas, was second in rebounding behind Olsen with a 11.3 average. The junior forward from Austin high school was the Chikas' fifth leading scorer with a 11.7 average. Olson finished the season with an 11.1 average.

Meet The Candidates A Nice Guy, Marcheschi

(Political News Release)

Ang Marcheschi, candidate for Mayor of the Popular Independent party, has a friendly, outgoing personality and can best be described as being a nice guy.

Ang smiles at this. "Of course, ever since Leo Duracher said that nice guys finish last, people have tried to avoid that description. It seems to carry the meaning that nice guys can't get the job done. That's

nonsense. Casey Stengel did a pretty good job even though he was a nice guy. Whether in baseball or business or public office, a man can achieve results in one of two ways: by bullying and intimidating or by guiding and inspiring.

"Fear and pressure can push people just so far. Stalin used this method. The trouble is that once a leader starts on this road he must keep applying fear and pressure to an ever increasing degree. On the other hand, a man like Churchill inspired the people. This is the method I prefer and I have been getting things done in the village for many years. My opponent in the election uses the strong-arm tactics."

Ang Marcheschi has been serving as a Niles trustee for six years. During these six years the village has made tremendous strides in keeping up with its rapid growth. Better police and fire departments, senior citizen housing, new water reservoir, youth commission, village manager system, safety council, family service bureau - all these and more were accomplished with his help.

"I realize," says Marcheschi, "that my role in these accomplishments is not well known. But like all dictators, the mayor has taken credit for

Aronson Denies Sale Rumor

Many bowlers who bowl at Classic Bowl in Morton Grove have reported to the proprietor Mr. Aronson that they have heard rumors that Classic Bowl is in the process of being sold or that Mr. Aronson was a sick man and has to sell.

"There is not one bit of truth to these rumors," said

everything and tried to make sure that no one else gained popularity to challenge his rule."

What does Niles need in the future? Ang answered, "We need more senior citizen housing. We need to reduce the real estate tax burden on our home owners by getting more state aid for our schools. We need residential street lighting. We need to unplug our major streets of traffic, and we need to find ways to keep our basements from flooding. These are important. But more important from my point of view is the human factor. We need to remove the heavy thumb my opponent has spread over the village. We need to remove the fear from the businessmen and the people. We must take our village government away from the political machine now in control and return it to the people. That is my main goal."

Ang Marcheschi likes people and likes to help people. Both of these traits are evident in his position as District Chairman Lions of Illinois Blind Activities committee. His other civic activities are so numerous that he was named Mr. Niles for 1964-65.

"My opponent's literature shows a rocket in flight," says Marcheschi, "I prefer to take care of the people of Niles right here on earth."

ACS Volunteer

Motivated volunteers of the American Cancer Society use every opportunity to bring educational messages to Chicagoans regardless of business pressures and obligations to their families. Shown lecturing a group of students at St. Bartholomew's school, 491 West Patterson, is Robert Kaponek, assistant vice-president, Northwest Federal Savings, 4910 West Irving Park rd., Community Branch Crusade Chairman for the Fortage Park community and Chairman of the Residential Crusade. Mr. Ka-

polnek is father of five children and feels it his duty to help prevent unnecessary deaths from lung cancer, which has been linked to cigarette smoking.

Anyone interested in a film or speaker program from the American Cancer Society may obtain either or both free of charge by calling 372-0471.

Mr. Kaponek resides at 7100 West Greenwood, Morton Grove, with his wife and family.

Studying Europe

Intent on the contents of the buffet table at Golf Elementary school's Eurofest are James McReynolds, of Glenview, and Irene Tsuneta, of Morton Grove. Many of the sixth graders completing a Dist. 767 study unit on modern Europe wore native costumes at the festival.

M.G. Legion News, Notes

The Morton Grove Unit #134, American Legion Auxiliary believe in teaching their junior members to be responsible adults, and they strive to prepare them for the projects and works of the Senior Auxiliary.

Through the district and department of Illinois many contests are held with girls being classes according to ages. The Morton Grove Junior Auxiliary begins to meet twice a month after the start of the new year so they may further accomplish their goals.

Rehabilitation is their major field, just as it is with the senior adult counterpart.

The Juniors fashion tray favors, collect items necessary for extra added comfort or relaxation for the men, prepare gift items for presentation at holidays such as Christmas as handkerchief holders, stationery kits, etc.

The Junior Auxiliary is composed of daughters and sisters of Legionnaires under eighteen years of age.

In the 7th Dist. to which the Juniors belong many contests are held relative to poppy work, essay writing, doll dressing, preparation of scrapbooks, etc. The Juniors of the Morton Grove Unit are faithfully compiling entries now for the various competitions.

Junior Chairman Sharon Nehart reminds the members they should bring their completed entry items to the April 5 meeting. It is scheduled for 2 p.m. at the Legion Home.

Coupons from certain products are being saved for the ladies by the Juniors. At the last session Mrs. John Sepesy, Junior Activities Chairman, reported 98 were turned in to Unit Coupon Chairman, Mrs. Robert Dohm.

In addition, the Junior Auxiliary collected 4 paperback books, 11 "Life" magazines, 3 "Time" magazines and 4 "Reader's Digests."

They constructed 120 candy tray favors and 198 for diabetic servicemen without candy. One hundred thirty-nine hand-

kerchief holders were made and 111 crossword puzzles put together, making quite an array.

Unit Rehabilitation Chairman Mrs. Ed Lange was pleased to receive this quantity of items and said the articles would be taken to the VA hospitals in the area. She regularly visits Hines, West Side, VA Research, Cook County, etc.

The regular monthly meeting of the Morton Grove Post #134 of the American Legion will convene as usual at 8 p.m. on the fourth Thursday of the month. The March 27 session will find a special speaker scheduled for the Legionnaires' enjoyment.

L. E. "Bob" Shugrue, National Commander of the Catholic War Veterans of the United States will be the Post's honored guest.

In honor of the month, corned beef is to be served as the after-meeting snack.

Service Officer Fred Brendel reports Jerry De Rudder in St. Francis hospital; and Jim Ulett, "Bick" Bixler and Art Magnus all recuperating at home.

Sympathy was extended to P.C. Carl Eckhard and his wife upon the passing of her mother, Mary Hoetzer of Skokie.

The 7th District, American Legion Auxiliary, will hold a fund raising style show and card party this Friday, March 28 at the Skokie Post, 8212 Lincoln ave. Members of the Morton Grove Unit #134 will be in attendance.

Morton Grove and Skokie are part of the 7th Dist. The district is composed of Auxiliaries on the north side of Chicago and the suburban area.

Delegates from each group regularly attend the district monthly sessions which are rotated between the various Post Homes.

The social function is set for 7:30 p.m. It is also open to the men. Fashions will be by Wolke & Schack. Door prizes and refreshments are on the schedule.

What A Way To Study Modern Europe

What a tasty way to finish the study of modern Europe!

Three sixth-grade classes (63 students) at Golf Elementary school in Morton Grove wound up their study unit with a European Folk Festival.

Among the foods at the groaning buffet-luncheon table set by the mothers were: Italian and Greek appetizers; caviar, riolettes, peppers; punch Continental; Greek lemon, vichyssoise; baked mostaccioli; Swedish meat balls; hamballs; salad with choice of French, Italian or Russian dressing; polenta and garlic bread and French bread; Norwegian crumb cake; German chocolate brownies; spumoni; Greek candy.

There was group singing for atmosphere, directed by Mrs. Joy Stahlman, of the songs Spanish Flea, Spanish Eyes, Greensleeves, Hungarian Round and Coming Through the rye. And one sixth grade teach-

er, Joseph De Luca, provided Cordovox music for the entertainment of his own students and those of Robert Miller, who organized the day's fun, and those of Mrs. Katherine Ollphant.

The adults who brought food dishes or otherwise helped are

Mrs. Richard Larkins, Mrs. Olin McReynolds, Mrs. Leo Zart and Mrs. William Herz, all of Glenview, and Mrs. Emil Valentine, Mrs. Kenneth Schelling and Mrs. Mitchell Katnik, all of Morton Grove.

You could call the District 67 event a Eurofest.

M.G. Junior Women's Club

In a letter recently sent to Mrs. Edward Swem, president 10th Dist., Illinois Federation of Women's Clubs, Mrs. Raymond LeJeune, president of the Morton Grove Junior Women's club announced that the club would be disbanding March 31, 1969.

The Juniors are proud to have been affiliated with the IFWC for the past 10 years. Actually formed in 1952 as the Newcomers club, the members, motivated by a desire to better their community and help others less fortunate, became federated in 1959 choosing as its motto, "Civic accomplishment through social effort."

The past years have brought many pleasant associations with the community. The cooperation and support residents, civic organizations and clubs has aided the accomplishments of many club projects. The Juniors are proud of the philanthropic work they have done and feel a great satisfaction as they look back over the years.

Through their fund-raising activities, the club has initiated a record collection at the Morton Grove Library and helped to expand the children's book section, presented art scholarships to children attending grammar schools in Morton Grove, donated toward camera equipment for the Fire Dept., furthered the beautification and landscaping projects of the Morton Grove Garden club and the Morton Grove Park District and annually supported the children's halloween parade. High on the list of other recipients has been the American Indian Center, Grove school, Inc. in Deerfield, Children's Research Foundation, Dixon State school, New Horizon school for the mentally retarded and Orchard school for Special Education. In addition the club has always annually supported all IFWC and GFWC projects.

Although the club officially will not be in existence, the girls will round out the federation year by attending the 10th Dist. awards dinner to be held April 13 at the Old Orchard Country club and the 74th Annual IFWC convention being held May 6, 7 and 8 at the Sherman House in Chicago.

Taking the place of their annual husband's night and installation of officers, was an outing for members to the Old Orchard Country club where they enjoyed dinner and a play and indulged in a little reminiscence. Mrs. LeJeune was presented with a lovely gift from the members as a thank you and a remembrance of her year as president.

In an effort to show their appreciation to the village and its residents for the support they have given the Juniors in their many projects over the years, the club has planned a "baked goods thank you day". Since it would be impossible to thank each and every one individually, the club has chosen to give tribute to the men and women who staff the village hall and post office and to those who, night and day, are there to help when needed - the members of the Police and Fire Departments. All 16 members were personally involved as they baked something special which was then divided and delivered to the four departments by project chairman Mrs. Mario Mauro and her committee, Mrs. John Wolf and Mrs. David Petri.

Here's Some Issues

Dear Sir:

Since the campaign for village offices in Niles began, you have been stating in your paper that none of the candidates are presenting the issues.

As a candidate for Village President, I agree with you, and feel obligated to send you releases which will bring forth these issues.

Enclosed please find a statement regarding one problem which is so pertinent to the entire Village of Niles.

Very truly yours,

Donald J. Jahns
Candidate, Niles
Village President

(Political News Release)

As you know, this Village has problems of flooding and sewage disposal. Here is just one example of how the Blase machine has treated this problem.

In 1962 the Church and Allendale Sub-divisions were assessed for a combination storm and sewer system. A contract was then entered into with the village to provide same for a stipulated amount of money, and payments made.

To this date there are no provisions for the drainage of storm water, even though the area still floods.

This assessment also included service to the house for sanitary sewer and water. The persons assessed were forced to pay extra for this cost, even though it was included in the assessed price. These residents were also over-assessed and part of the money was supposed to be returned, this has not been done.

If you do not believe this example affects you, being a direct assessment, you should consider the fact that the whole village is now liable to this area to furnish the storm water drainage system that was paid for.

It must also be remembered here that anytime an administration acts unwisely or against the best interests of any part of the village, that administration has hurt everyone, because the next one might be you.

Is this the way you want village government to solve your pollution problems?

Or will you elect write-in candidate Donald J. Jahns as Village President and assure yourselves of an administration that will act in the best interests of the people, instead of against them. The choice is yours.

 Meet the Candidate - Walt Beusse

"For Family Recreation"

The Park and Recreation facilities and programs in every community are in constant need of vitality and improvement. Ever-changing environments, conditions and economies require modern and stepped-up park and recreation policies to be effective.

"VISION" about the future and not simply the administration of

past programs is the goal of Walt Beusse, candidate for the Niles Park District Commissioner.

Walt Beusse has sound ideals about parks and recreation and his past record proves that he has the capabilities and talents to accomplish his aspirations for the Niles residents.

Some of Walt Beusse's experiences in the field of recreation and organization are:

1. managing and instructing teen-age boys in an ice hockey league for the American Hockey Assn. in the 1968-69 season,
2. an active member of the Niles Lions Club and assistant coordinator for the 1968 candy drive for the blind,
3. participating in the Niles Baseball League for the past six years and holding the positions of commissioner, president of the board, director, manager, coach and sponsor chairman,
4. organizing, managing and instructing grade school and high school boys in a basketball program for Niles youngsters at Niles school gymnasiums in conjunction with the Park District,
5. consistently attending the Niles Park District monthly meetings and participating actively in the last two Park District bond referendums,
6. assisting the community cub scout program in 1964 by initiating and promoting an Olympic track and field activity which has become an annual event.

In summary, Walt Beusse is a full-fledged community-minded resident. He has resided in Niles for 13 years, with his wife, Lorraine; daughter, Pamela; and sons, John and Wally. Walt has a Bachelor of science degree in mechanical engineering and is currently a senior engineer with Teletype Corp.

Absentee Ballots

Voters may cast absentee ballots for the April 8, 1969, Niles-Maine Junior College Referendum if they will be out of Cook County on that Tuesday.

Citizens who are registered voters from the address at which they live may vote by absentee ballot in the office of Harold Markworth, Secretary of the Board of Education of District #207, Room 136, Maine Township High School East, Dempster st. and Potter rd., Park Ridge, from 8 a.m. to 4:30 p.m.

Voting may be by mail or in person. Call the office of the secretary whether you plan to vote by mail or in person. By phoning in advance, the necessary forms can be prepared for the voter even if he plans to vote in person. The Maine East telephone number is 825-4283 and 3-4484.

Absentee voting may be done through Wednesday, April 2, 1969, from 8 a.m. to 4:30 p.m.

Absentee ballots for residents of Niles Township who will be out-of-town the day of the Niles-Maine junior college referendum are available at the business office of the Niles West High School, 11000 and Oakton, Skokie.

Persons unable to vote at the polls can file a notarized affidavit claiming their need for an absentee ballot. They can be acquired by mail up to April 1, and up to April 3 if the person requests it in person, according to Mrs. Frances Shaeffer of the high school business office.

A letter to Citizens of Niles

When moving to Niles 10 years ago I pledged to always construct my efforts and time in some little way for the improvement and betterment of the Village of Niles for the benefit of its residents. I have acted as an independent in civic affairs with no personal goal in mind, with a record that speaks for itself. I am not a "Johnny-Come-Lately" before election and neither will I become "Dead-Timber" after election. My experience and qualifications for Trustee of Niles, surpasses many of the candidates now in the running for this office. I pledge to serve you, the Taxpayer, with integrity and sincerity as an independent, not promising you the impossible, because the future of our Village will be built by those who work for it and not by those who make promises or who criticize it. I will pledge my support to bring better understanding and cooperation between the Niles Park Board, the Village Board and Youth Organizations and Business proprietors to help

so that we will be in a better position to combat juvenile delinquency. I will meet at any time with our Leaders of Civic, neighborhood Organizations and Business proprietors to help solve the problems within

our Village. I pledge a better government of the people, and for the people, as an independent who will think and act for the betterment of the citizens of Niles. A Leader, not a Follower.

A few of the other candidates for the office of Trustee have made false accusations against our fine Niles Park District in order to camouflage their own shortcomings and inexperience. As a Commissioner of the Niles Park District, I do not have to defend our Park District from such individuals who are not interested in the Park District and who have never attended a Park Board meeting. The place to complain is at the Park Board's monthly meetings which are held on the third Tuesday of every month.

We have one of the finest and progressive Park Districts in the State of Illinois. The Niles Park District with its trained, educated professional employees, is performing a duty to the citizens of Niles by helping to prevent juvenile delinquency by encouraging our youngsters to keep busy. Idle hands and idle minds have a way of getting into trouble. Sports and hobbies are a safety valve for youthful energies. THE IMPORTANT PERSON IS YOU! VOTE INTELLIGENTLY ON TUESDAY, April 15, 1969.

Meet The Candidates "No Promises, Excuses"

(Political News Release)

"One of the few privileges of being an independent candidate is to tell it like it is without making promises now and excuses later. I entered this race because I have the time, energy, and qualifications to do a good job for our community. I also entered this race because I believe our village should be non-partisan. Too much of any one thing can be unhealthy."

These are some of the words Niles citizens have been hearing

"I'll Continue To Fight"

(Political News Release)

Last year, the people of Niles voted to improve our park system by passing a referendum that included acquisition of new park sites and construction of a gymnasium, ice skating rink and swimming pool. Eight months have passed and the Park Board has not purchased any park sites and have only acquired site plans for the major construction facilities. Yet two of the Park Commissioners have abandoned their responsibility to the citizens of Niles and the Park Board by running for village posts.

Abe Selman deploras this action. "I and many others have worked too hard for passage of the referendum to see it quietly pushed aside and needlessly delayed. I am determined to see this referendum through, to see good parks for our children of Niles become a reality, not an empty dream."

Selman admires and respects commissioner Jerry Sullivan who recognized his responsibility to the citizens of the Park District and decided not to seek a village office.

"When I am elected Park Commissioner," said Selman, I will fight for early implementation of the referendum program, acquire the park sites and provide the recreational facilities as quickly as possible for the residents of Niles."

Abe Selman means what he says. As organizer of the Niles Park Advisory Recreational committee, he provided the direction and foresight necessary to get the Park Board moving toward a referendum. He worked for the successful passage of the referendum. He believes in action not excuses. As a Park Board member, he would use action not excuses to improve our park system.

Selman feels that both the Park Board and Village Board are working for the same goal: To make Niles a better community. The village board and the park board should both be concerned about providing open space for the residents. Toward this end, Selman proposes a closer cooperation and concern between the Park Board and the Village Board.

"No one profits from pointing a finger at past mistakes," says Selman. "We must look to the future and adopt a positive attitude that our park system can be improved."

Many years of civic activities and business administrative experience make him qualified to provide the decision making talent so desperately needed by the park board.

All Action Party candidates in the coming April 15 village election will be on hand including Richard Flickinger, incumbent trustee and candidate for village president; trustee candidates Joseph Alessi, Robert Fredrickson and incumbent Lee Guntner; and incumbent village clerk candidate Leo Du Mont.

Scanlon stressed that this will be an excellent opportunity for all voters to meet and discuss campaign issues with the incumbent Action Party leaders.

Free refreshments and entertainment will be provided; and Scanlon anticipates that this will be one of the high points of the village election campaign.

Juckett Theatre Party

A Juckett Theatre Committee has formed in the immediate area to prepare for a theatre party in honor of local State Representative Robert S. Juckett (R-4th).

Chairman of the Juckett Theatre Committee is Phillip Raffe of Glenview, a spokesman announced this week. Raffe is a leader in the Maine Township Republican Party and holds public office as township Clerk.

Serving with Raffe as honorary chairman of the Juckett theatre party is Floyd Fulle, Maine Township Republican Committeeman, who serves the suburban area on the Cook County Board of Commissioners.

Raffe stated that members of the Juckett Theatre Committee include residents of Park Ridge, Des Plaines, Niles, Glenview, Morton Grove, unincorporated East Maine, and Niles Township.

The Juckett Theatre Committee may be contacted by phoning 823-3142 or by writing to: Juckett Theatre Committee, 720 Garden st., Park Ridge, Illinois 60068.

His platform is based on simple philosophy - although progress has been made in the area of our young people, as long as vandalism is going on in our community, we must

strive for better youth programs. He believes in more area representation because to understand a problem is to live with it. Education and taxes are just a few issues a Trustee will

Meet The Candidates "Difference Between Us"

(Political News Release)

"Reaction of Township officials to the issue of sidewalks raised by our Party gives the voter a good idea of the difference between us and the opposition - a do-nothing party of waste, greed and deafness to the needs of the Township."

William Wise, candidate for Town Clerk for Maine Township of the Concerned Citizens Party, made this statement following a report in area papers of what the opposition party thinks of the Concerned Citizens' promise to build sidewalks in the unincorporated areas near schools.

He joined with Ed Levin of Des Plaines, Supervisor candidate, in condemning what they

called current officeholders' "Incredible indifference to everyone's needs but their own."

The three Auditor candidates - Mrs. Janet Arrigo of Des Plaines, Mrs. Alice Koczowski of Morton Grove and Ken Kirby of Glenview - first suggested the possibility of building sidewalks near schools at a party meeting in February. After a check on the legality of such a move by Mr. Wise, a member of the Cook County State's Attorney's office, all eight party candidates unanimously endorsed the proposal.

They suggested a four-year program paid for out of funds saved through conservative handling of the \$500,000 to \$600,000 received annually from

county taxes.

"Mr. Tuttle, after backing down from his earlier position that the building of sidewalks with Township funds would be illegal, once again degraded himself in the eyes of area residents by implying that the 2,500 children who would benefit directly from such sidewalks is too few to be concerned about," Mr. Wise said.

"It's interesting that numbers didn't enter into consideration of current officials when they proposed giving themselves raises ranging from 11 to 67 per cent. Their 'needs' were more important to them than the fact that the raises would benefit only them and their families," he added.

Mr. Levin then raised a num-

ber of questions which he said demand answering:

1. "Why should the highway commissioner receive a \$3,000 raise to \$11,000 per year when 2,500 pupils and countless drivers are imperiled daily by the lack of sidewalks along many well-traveled streets for which he is responsible?"

2. "Why should Town Auditors receive a \$10 raise to \$25 per meeting when they won't even consider safety of children - a legitimate reason for spending Township funds?"

3. "Why should the Town Clerk get a \$1,200 raise to \$4,800 per year when his greatest concern in recent years was to urge approval by the County Board of Victor Yack-

man's high-rise at Washington and Golf rds., a high-rise which has contributed greatly to the traffic safety problem in this area?"

Mr. Wise noted that the Concerned Citizens Party has promised to turn down the raises if approved at the April 1 town meeting. "Not only that, we also promise not to accept raises during the entire four-year term. Some of us also feel that current salaries for some offices are too high and will turn back a portion of what officials now are receiving," he added.

"Primary concern of Party members, though, is the safety of children and other residents." Mr. Wise noted. He pointed to a recent "Highway, Street and Sidewalk Traffic Safety Survey" for East Maine School District 63 to demonstrate that this also is a concern of the East Maine Board of Education and area school administrators.

The Board of Education's report includes the following:

For Ballard school - That sidewalks or gravel walks be laid along Ballard rd, between Cumberland ave. and Greenwood ave.; that they be laid along Dempster between Cumberland ave. and Greenwood; that they be laid along both sides of Cumberland between Ballard and Dempster.

For Adlai E. Stevenson school - "The Ballard rd. area provides no adequate walking spaces for children coming from or going to either the east or west; in inclement weather the shoulder of the road along Ballard east and west of Capitol dr.) is totally gone forcing children to walk out on Ballard rd." The recommendation was for narrow sidewalk areas, especially along the south side of Ballard.

And on Capitol dr., an unincorporated street: "The Capitol dr. area appears to be severely below grade and hence is constantly flooding and providing maximum icing potential and slippery and hazardous conditions. . . All of this involves the health and safety of the children."

For Washington school - "Sidewalks should be laid along Washington st. (west side) from Pauline ave. to Gateway Gardens."

For the junior high - "That sidewalks or gravel walks be laid along the south side of Ballard rd. from Potter rd. to Milwaukee ave. Children have no recourse except to walk on or along a dangerous highway. . . That sidewalks or gravel walks be laid along Greenwood from Golf rd. to Main st. projected. Again, children have no recourse except to walk on or along a dangerous highway."

Mr. Levin noted that these comments are not the only ones made recently by the Board of Education. The Board also noted that dumping laws need to be enforced as a means of controlling the influx of rats.

"We recently heard the rumor that a child in the unincorporated area was bitten by a rat. What does our Township Health Officer have to say about that?" Mr. Levin asked.

THE INSIDE STORY

Political April Foolery Exposed

Read This Before You Vote April 1. Then Vote!

Pure Hokum

There are eight people in Maine township who seem to think the rest of us are idiots. Beginning in January, our investigation shows, these people have been putting out a steady barrage of pure hokum in the apparent belief we'd be stupid enough to swallow it.

These eight are candidates for public office in the township election that will be held this coming Tuesday, April 1.

They're calling themselves the "Concerned Citizens" party. From the very start, they've based their campaign largely on a weekly series of charges, accusations, slurs, attacks and innuendos against their opponents.

These eight candidates are running against the present Maine township administration, which is seeking re-election on the Republican ticket.

The Republican officials are running on their record. This record, they point out, includes a demonstrated ability to operate township government without a tax levy of any kind, yet providing expanded services to a fast-growing populace so economically and efficiently that money is left over at the end of each year to provide financial aid to local education, they claim.

Figures Check

An independent check of public and school records shows that Maine township government, indeed, has turned over \$725,000 to township elementary school districts during the past four years.

This represents a substantial increase over the \$500,000 that was turned over to schools during the previous four years for a total of \$1,225,000 in township aid to local education from surplus funds since 1961.

Serious - If True

In previous years, township government imposed three different tax levies - a general fund tax, a poor relief tax, and a road and bridge tax.

These local taxes were eliminated one by one. The last such tax was eliminated here in 1957, the record shows, and there hasn't been a township tax since.

Despite this record, the aspirants on the "Concerned Citizens" ticket kicked off their campaign with a vicious attack on the incumbent administration, and kept it up week after week.

These charges were of an extremely serious nature - if they were true. We took their charges seriously - at first.

We assumed they were made in good faith. We also assumed that candidates running for office in our suburban area were a cut above the Big City type politicians.

We felt that their charges warranted a serious and independent investigation. If true, something definitely should be done.

Humbug, Bunk

It turned out that both our basic assumptions were wrong. Our investigation revealed their charges couldn't possibly have been made in good faith.

NOT A SINGLE CHARGE COULD BE SUBSTANTIATED BY A CHECK OF THE FACTS AND DOCUMENTS THAT ARE A MATTER OF PUBLIC RECORD AND

ARE AVAILABLE TO ANY CITIZEN OF MAINE TOWNSHIP TO CHECK OUT INDEPENDENTLY.

We're not trying to tell you we investigated every one of their charges. This would have been physically impossible. There were just too many allegations, and so many new ones each week, that there simply wasn't enough time to investigate each one before the election - which may have been exactly what their campaign strategy called for.

But based on the results of careful investigation of their more serious charges, we can only conclude that the "Concerned Citizens" candidates have been putting out a line of nonsense, humbug, claptrap, bunk and baloney!

Their so-called statements of fact have been so wrong that perhaps the kindest thing that can be said about them is that what they're really trying to do is to pull off the biggest April Fool joke in the history of Maine township just because the election happens to fall on April 1.

It turned out we also were wrong in assuming that candidates in the suburban area are of a higher calibre. Some are not.

Very Partisan

A clue to what was to come later appeared in their opening announcement when the candidates of the "Concerned Citizens" party claimed to be "non-partisan."

Most of the newspapers in Maine township, who know the score, immediately exposed the "non-partisan" claim to be false and revealed the candidates of the "Concerned Citizens" party to be active Democrats and their ticket, in reality, the Democrat ticket.

In Maine township, however, only the Republicans are running openly as Republicans. Nowhere in the expensive brochure the "Concerned Citizens" are distributing to your home do they state they are endorsed and sponsored by the Democrat party.

As a matter of fact, nowhere do they point out that their candidate for township clerk, who has been their chief spokesman and author of most of their charges, is a political protégé of the Chicago machine and is a political appointee with the blessings of the mayor of Chicago who, it has been rumored, might be interested in extending political influence into the suburban area such as through control of a township government.

Save \$20,000???

To "substantiate" their allegation of "waste" in township government, for example, they have asserted they can "save \$20,000 a year in rent alone."

This would be quite a trick. In checking the township budget for the 1968-69 fiscal year, we found the total budget for township office rent came to only \$8,552! Not even Houdini could save \$20,000 a year out of this!

Social Security 'Officer'

To "substantiate" their charge of "mismanagement," to cite another example, the "Concerned Citizens" state flatly in literature being distributed to homes: "A social security officer was paid \$1,320 for a program that cost \$28.35 to administer."

There is no township "social security officer" and nothing that resembles a township-administered social security program.

This charge took a lot of digging to check. It turns out that all government employees are also subject to social security deductions. These deductions must be itemized in the budget.

So the "Concerned Citizens" took the social security deductions that are itemized in the budget and tried to make them appear something strange and sinister.

'Open' Ballots

One day recently some "Concerned Citizens" candidates went to the township clerk's office and asked to see SAMPLE ballots, which the clerk is required to make available by law.

Since the ballots had just been delivered by the printer, the clerk opened a package marked SAMPLE BALLOTS and gave the candidates a supply.

Shortly thereafter these candidates complained to newspaper reporters they, with their own eyes, had seen open packages of ballots in the township clerk's office.

They DIDN'T tell reporters they were referring to the "one" package that had been opened at their request; that it contained only SAMPLE BALLOTS that are clearly marked and can't be used for voting, and that the law requires official ballots to be delivered to each precinct SEALED, a fact that must be verified before the voting begins by the judges of election, some of whom represent the Republican party and some of whom represent the Democrats.

Easy to Find

In "support" of their charge of "hidden government," they have complained that getting budget figures is a virtual impossibility. If so, where did they get the information on which to base their charges?

We encountered no such difficulty. Figures on budgets AND expenditures were easy to find at (1) the township clerk's office (2) the town supervisor's office and (3) the township collector's office. We suggest you can check this out easily for yourself.

Unconcerned Citizens

This has been the pattern of their largely negative campaign, our investigation shows.

Even their positive statements of "concern" are subject to question because how come they didn't get concerned about these things before they became candidates this year?

Township officials don't set township policy. Policy is decided directly by the PEOPLE at the regular town meetings, the next one to be held at 8 p.m. Tuesday, April 1, in Des Plaines City Hall.

Not once during the past four years, to the best of our knowledge, has a single candidate on the "Concerned Citizens" ticket attended a township meeting or ever appeared before a monthly meeting of the Town Board to express any concern about any township matter whatsoever.

How concerned can they be about anything except April Fooling you into giving them your vote?

Are these the kind of township officials you want to govern you after April 1? The only way you can answer is to vote.

Village Bd. Gives Okay To Sidewalk Program

Members of the Niles Board of Trustees Tuesday night approved a motion calling for advertisement for bids on the 1969 sidewalk and curb program for the Village of Niles, an annual program followed by the village.

Work will include the removal and replacement of Portland cement concrete sidewalk and combination curb and gutter at various locations throughout the village. Bids will be opened and read at the April 22 meeting of the village board.

Trustees also approved a motion Tuesday night calling for

advertisement for bids on the Milwaukee avenue pavement widening at Crain St., also a motion calling for advertisement for bids on the Milwaukee-Maryland traffic signals and pavement widening.

The board approved the latest Niles zoning map, announced letters to election judges will be mailed this week, approved the ordinance calling for publication of polling places for the April 15 village election and announced agreement on the 5-year option sponsorship by the Village of Niles of the Illinois Junior Miss pageant.

Tell Candidacy

As the father of four children through kindergarten age through high school, Mr. Fullett is well aware of the needs of the different age groups that are served by the park district. As a commissioner he will work with the members of the board to provide a varied recreational program for the community.

William Haas, who is running as a write-in candidate for Park

Commissioner of Golf Maine Park District in the unincorporated area of East Maine Township wished to state some of his views today.

"I would like to take an active part in non-partisan community affairs and do something constructive for the community. I believe that the post of Park Commissioner would give me the opportunity that I

am looking for. As everyone knows the park land has been available for almost 2 years, with the exception of some clearing and leveling, nothing else seems to be happening to the park land. I'm not stating that the present commissioner's haven't done their jobs because I think they have. I would simply like to be instrumental in the planning stage and to make the completion date for the park a much closer reality."

The finest Fury ever built.
 Fury III is the car that helped win over three-quarter million competitive owners in the last two years.
 It's a whole new Plymouth. A big Plymouth. With a 120 inch wheelbase that's longer than Chevy Impala; an overall length that's greater than Ford Galaxie.
 Fury III is big inside, too. Big and luxurious.
 And when you compare such things as suspension, the differences become even greater. Impala and Galaxie still have coil springs in front. Fury has torsion bars—torsion bars that twist with bumps and turns instead of bouncing up and down.
 Plymouth has this suspension, as well as a single-unit welded body and 7-step dip-and-spray treatment, because Plymouth believes a car should be more than good looking. It should be tough and long lasting and take on every road as if it were straight, new pavement.
 That's the way we design and build quality into Plymouths, why we can tell it like it is.

Fury I outscores the other 59 cars entered in the Union/Pure Oil Performance Trials
 Proof that Fury is a great car right from the start came from an impartial evaluation: The 12th Annual Union/Pure Oil Performance Trials, one of the most comprehensive tests of stock, production-line cars in America today—a test of braking, acceleration and economy.
 All cars entered were judged on their performance in all three categories.
 The results now are history. A 1969 Plymouth Fury I turned in the best class winning percentage of any car entered in the entire event, scoring 98.84 out of a possible 100.
 Sounds like near perfect, doesn't it? But that's the way it is when you stack up a Fury against competition. You wind up with a winner. A car that has a lot more going for it, inside and out.

Now, reduced prices during the GREAT! Plymouth Sale!
 Why not do your own evaluating. The chart above tells it like it is and so does your Plymouth dealer. He's right in the midst of The GREAT! Plymouth Sale. And that means, with Fury III, you not only get a great car but you save money on such popular options as:
 • All-vinyl interior with drop-down center armrest
 • Vinyl roof
 • White sidewall tires
 • Deluxe wheel covers
 • Bumper guards—front and rear
 • Light group

GOOD GOVERNMENT STARTS WITH THE MAN AT THE TOP!

As An "Outsider" Looking "Inside" Niles I'd Like To Give My Personal Endorsement To Mayor Nick Blase, Who Is The "Man At The Top"

NILES IS THE MOST HONEST VILLAGE I HAVE EVER WORKED IN FROM "THE TOP - TO - THE BOTTOM"

NILES IS THE MOST OUTSTANDING COMMUNITY AMONG THE MORE THAN 30 I HAVE WORKED IN DURING THE PAST 20 YEARS.

- In My Business As An Excavator I Have Worked In Many Communities And Have Noticed The Difference Between These Villages.
- NILES Is A Community Which Has Excellent Planning, Showing Great Foresight. I'm Sure The MAN AT THE TOP Is Partly Responsible.
- NILES Has One Of The Lowest Village Tax Rates Of Any Community In All Chicagoland. The MAN AT THE TOP Is Responsible.
- NILES Is The Most Advanced Community Of The More Than 30 Towns I Have Worked In The Chicagoland Area. The MAN AT THE TOP Must Be Responsible For It.

CONGRATULATIONS, NILES ON HAVING A COMMUNITY WHICH IS AT THE TOP OF ALL CHICAGOLAND TOWNS.

I DON'T BELIEVE YOU CAN TOP NICK BLASE,

While the candidates talk about Democratic and Republican affiliations, which is a non-consequential issue, or high rises, which is more an emotional issue than a genuine one, Morton Grove remains a mossback community among its more dynamic neighbors. All America Niles, and twice-nominated All America candidate Skokie,

are much more progressive communities than MG. Considering the income level and educational level in MG is higher than neighboring Niles, it has to be assumed poor leadership and indifferent public officials are at the root of Morton Grove's "behind-its-neighbors" community.

from Niles pg. 1 likely to be, is the need to upgrade the village manager post. If Niles' manager had more authority, it would eliminate much politicking. The VM post is likely to be a permanent part of the Niles scene and the need to increase its authority while we have a man like Ken Scheel there is essential.

In years to come Scheel may move on - thus it is essential any experimenting we do with a manager should be done under a man - we have complete confidence in.

This is a genuine campaign issue. Unfortunately, the candidates are not debating this meaningful issue.

HOW LONG IS TOO LONG? WOULD YOU BELIEVE GENERATIONS?

The party in power has controlled Maine Township for as long as anyone can remember. Candidates run on a label, not a record, and receive large majorities for that label. But residents are awakening to the fact that potholes and the lack of street lights are not affected by national political philosophy.

OR AS LONG AS IT TAKES TO BECOME INDIFFERENT TO RESIDENTS' NEEDS?

As a result of label voting, residents have been cheated out of representation. Officials who feel confident of re-election time after time need not consider residents' vital concerns: sidewalks near schools, conservative handling of taxpayers' money and dozens of others. Instead, they promise to give themselves huge raises.

6. If the teachers of the school district are dissatisfied with the organization representing them, there are procedures in existence which would permit democratic and orderly change of the representative body.

Mrs. Blumer in her news release states "The atmosphere that pervades our district...has frightened many teachers..." and is one "where pleasing one's superiors with docility is the only criterion for remaining employed." The position of the E.M.E.A. publicly and privately has been and is that Dist. 63 is a good place to work. Teachers here are respected as professionals. The administration is reasonable and cooperative, and the Board of Education and Administration works with us for the benefit of all. Of course, difficulties arise from time to time, but the Board and Administration have set up democratic procedures through which difficulties can be ironed out and solved.

What are we going to do about this legal complaint? Certainly, we will have to have someone appear in court for us. More than likely, we will have to tap our small treasury to do this. The executive board is working on this and we will keep you informed as this develops.

Township Elections

Continued from page 1

In Maine Township the Concerned Citizens Party is challenging the incumbents. CCP candidates are Edward Levin, 9059 W. Terrace Place, Des Plaines, for township supervisor; William H. Wise, 9252 Dee Rd., Des Plaines, for township clerk; Kenneth L. Kirby, 432 Sheryl Lane, Glenview, for auditor; Mrs. John Arrigo, 1871 Ash St., Des Plaines for assessor; Mrs. Edward Koczorowski, 9418 Oketo Ave., Morton Grove, for auditor; Walter J. Baumgartner, 1484 6th Ave., Des Plaines, for township assessor; Lawrence Wagner, 837 S. Cumberland Ave., Park Ridge, for

collector and Jerome T. Skaja, 7812 Milwaukee Ave., Niles, for highway commissioner.

A resident of the unincorporated area the last seven years, Levin is currently a trustee of the North Maine Fire Protection District.

A member of the State's Attorney's office of Cook county, Mr. Wise is a graduate of Roosevelt university.

Vice-president of the Park Glenn Civic Association in Glenview, Kirby is sales manager for Budd Business Forms, Inc.

A resident of Des Plaines the last 10 years, Mrs. Arrigo is a member with her husband in the Des Plaines Jaycees and Elks club.

Alice Koczorowski, a resident of Morton Grove the last

14 years, is a member of St. Isaac Jogue Roman Catholic church in Niles.

Walter J. Baumgartner, a resident of Des Plaines the last 5 years, is a member of St. Stephen's Roman Catholic church in Des Plaines. He attended the University of Miami and served in the Marine Corps during the Korean conflict.

A resident of Park Ridge since 1966, Wagner has been associated in the banking and stock brokerage business since 1945. He currently is with Francis I. DuPont & Company Stock Brokers.

Jerome Skaja - a resident of Niles and a member of St. John Brebeuf Roman Catholic church, he also is a member of the Holy Name Society of the church and the Knights of Columbus North American Martyrs.

Republican incumbents who have filed for reelection April 1 are: Supervisor - William C. "Bud" Ziehn of 1036 Jeanette, Des Plaines. Ziehn has been township supervisor since 1962. He is former president of the Maine West Dad's club and a former Des Plaines park district president.

Township Clerk - Phillip Raffé, 225 Valerie Ct., Glenview, who is seeking his second term as a township official.

Assessor - James A. Parks of 710 Forestview, Park Ridge, township assessor since 1957.

Collector - Milton H. Tuttle of 1265 River Dr., Des Plaines. Dean of the incumbent group, Tuttle has been a township officer since 1940. He has been collector the past 15 years during which time he has served

as president of the Illinois State Collector's organization.

Road Commissioner - Edward Koehler of 2073 Eastview Dr., Des Plaines, road commissioner since 1962.

Town Auditors - Tom J. Montgomery of 587 Webford,

Des Plaines, township auditor since 1961. He is former president of the Illinois Association of Park Districts and former president of the Des Plaines Park District.

Harvey Frindt of 8810 Grace, Niles. Owner and operator of a Chicago manufacturing business, Frindt has served as auditor for the past 8 years.

Herbert F. Walton of 2400 Talcott, Park Ridge, Walton is a certified public accountant. He served as vice-president 22 years for one of the nation's largest insurance companies. He is former chairman of the finance committee of the Church Federation of Greater Chicago.

Basic Reason

Continued from East Maine Pg. 1

"The result of putting the reins in the hands of just a few for generations," he continued, "has been an outcropping of complaints and requests:

"Requests for street lights that have gone unheeded for years, complaints about pot holes and poorly graded roads, requests for sidewalks near Township schools, complaints that dumping laws have not been enforced, leading to a rat problem in the Township, and dozens of other minor and major matters," Mr. Levin noted.

"But why should a party that is returned to office election after election - and by big majorities - do anything about these things?" Mr. Wise asked. "All it feels it needs is to put the magic label 'Republican' before the voter and the result at least until now - is guaranteed," Mr. Wise said.

28 Confirmands At St. John Sunday

After one to two years of instruction, 28 children will make their confirmation and first communion at St. John Lutheran Church of Niles, 7423 N. Milwaukee Ave. Confirmation day is set for Sunday, March 30th, at 11 a.m. They will then partake of their first Communion on Good Friday, at 7:30 p.m. The children are as follows: Carl Abrams, Lorayne Anderson, Albert Armistead, James Ascher, Janice Asien, Keith and Kevin Downs, Susan Erickson, Terrance Frick, Thomas Goebel, Andrew Jarabka, Herb Kiefel, Lenore Kloss, Bruce Linden, Richard Lottman, Michael Norberg, Karen Olsen, Debbie Pash, Walter Reimer, Karen Romme, Jay Russ, Robert Sall, Corey Satterthwaite, James Schneck, Curtis Schmidt,

Gerry Siebel, George Stevenson, Michael Strahler.

The children have chosen the hymn, "Take my life and let it be," consecrated Lord to Thee."

For those who are not connected with the Confirmands, there will be church services at 8 a.m. and 9:15 a.m., during the time Sunday school is conducted in the school building.

Members and friends are also invited to attend the Easter Sunrise Service at 6:30 a.m., followed by a breakfast at 7:45-9 a.m., served by the Womens Guild of the church. This will be followed by Sunday school at 9:15, and the regular church service at 10:30 a.m. Everyone is invited to all events.

Open Letter

An Open Letter to Mr. Joseph Alessi and the Action Party

Dear Mr. Alessi,

I wish to take exception to a statement made by you in the Life newspaper, regarding the issue of high rises in Morton Grove. You state that the Action party was responsible for keeping high rises out of Morton Grove by passing an ordinance that placed a maximum height of 45 ft. on apartment buildings in Morton Grove.

Action party-candidates, let's face it, that ordinance was passed at 45 ft. because a committee of very concerned citizens fought a long hard battle to keep you from passing a height of 100 ft. I personally sat in the Village hall one night until midnight listening to this committee, headed by the Village Improvement party candidate, Morris Haas, trying to convince the mayor and trustees who are all Action members, not to pass the Action party appointed zoning board and planning commission's proposed 100 ft. high rise ordinance.

I was also a member of that citizens committee, which then formulated an ordinance, most of which was subsequently adopted by those same trustees. Although, they did not adopt our proposed height limit of 37 ft.

By the way, Mr. Alessi, I didn't find your name on any of the petitions signed against the high rises.

Okay, Mr. Alessi, perhaps the Action party passed the ordinance at 45 ft., but only because the concerned citizens would not stand for the 100 ft. proposed by the zoning board and planning commission. (Action Appointees)

So Mr. Alessi, and other Action Candidates, give the credit where it is due. The Village Improvement Party candidates were the people who really kept the high rises out of Morton Grove.

Barbaglia Named Unit Chairman

Mr. Chas. L. Barbaglia, Vice President of the Bank of Niles, was named Chairman of the Northwest Suburban Unit of the American Cancer Society's 1969 educational and fund-raising Crusade in the town of Niles. The Crusade swings into action in April, which is National Cancer Control Month. The appointment was announced by Mr. Wilk, Board Chairman of the Northwest Suburban Unit, who stated that Mr. Barbaglia had accepted the position because of "his deep concern for the urgency of cancer control and the need to combat this health enemy by education".

NILES POLICE REPORT

March 24— Theft of a bicycle was reported by Mrs. Daniel Dietz, 7028 Carol. She told police her son, Scott, had left his bike on the patio of their home. It is a 20-inch bike with green frame. Jerome Slowinski, gym teacher at Wilson school, told police an unknown woman has been driving her car near the school and knocking down safety barricades. Theft from her auto was reported by Linda Weilverton, 7523 Cleveland. She told police a tachometer, valued at \$60, had been taken. Police records show 257 accidents to date this year.

March 23— Criminal damage to his property was reported to police by J.L. Gerol, 7040 Greenleaf. He told police children, playing football at Chesterfield park, had broken the fence along his property.

March 22— Burglary at 7949 Octavia was reported to police by Mr. Hunt. Entry was gained by breaking the glass on a rear door. About \$75 in cash and \$90 in jewelry was taken. Inhalator was called to 8300 Elmora. Vivian Egan, 59, had evidently suffered a fatal heart attack. She was taken to LGH.

March 21— NFD ambulance call was made to Don's Grill, 6569 Milwaukee, after a call from Bill Abraham.

Set Record Straight

The electors at a town meeting, not the township officials themselves, have only those powers conferred by our laws. The authority of the Highway Commissioner is limited in the same way. The elected officials can only carry out the programs authorized by a town meeting. I challenge our opponents to produce any legal authority under which the so-called pledge that if their party is elected, "we will build these sidewalks in a four year program" can be carried out. This is nothing but a campaign statement promising something that cannot be legally done.

The spokesman for the "Concerned Citizens" is also a master of misrepresentation and mis-quotation, when he accuses me of being unconcerned about the safety of children walking on a roadway. My statement was that I did not feel the vast majority of the 150,000 citizens of Maine Township would approve of the sidewalk program glibly promised by our opposition without regard to its legality, and approve a budget item for this purpose at a town meeting, thus depriving their schools of these funds. My personal concern is evidenced by my active support of and participation in the Des Plaines Lions Club sidewalk program of a few years ago. The money raised by this organization, of which I am an active member, was used to build a sidewalk from Maine West High School to Lee Street after it was determined on the basis of legal research that township funds could not be legally expended for this purpose. Although I do not hesitate to use my personal funds and time to contribute to the safety and welfare of children in the community, I become very concerned when it comes to spending public funds for illegal purposes.

The "Concerned Citizens" say they cannot read and understand the township budget. The Maine Township Budget and Appropriation Ordinance is prepared on forms prepared by the State Department of Revenue and distributed to all townships in the State. It is clear and concise. Criticism is made of placing an item for Social Security paid on the officials' salaries under the heading of "Compensation of Town Officers." I ask where else this item could be more logically placed.

Let us once and for all try to solve the concern of the "Concerned Citizens" as to the Thistle Commissioner. Mr. Koehler, our Highway Commissioner, does not, nor has he ever held this position, as they have stated. Mr. Koehler is chargeable only with the elimination of weeds along the highways. This he has always done himself, with his own equipment, at no additional

cost to the township. The township thistle commissioner, appointed under the provisions of our law, whose total annual remuneration last year was \$400.00, succeeded through service of notices and personal contact with property owners to keep the weed situation under control, without the necessity of taking anyone to court.

Criticism was made for the failure of the township collector's salary to appear in the budget. This is further evidence of lack of knowledge on the part of the "Concerned Citizens" candidates. No township collector in the entire State of Illinois is paid a salary. His remuneration is clearly provided for in our state law. It is based on a percentage of the first \$800,000 in taxes collected by him, and is not a proper budget item.

A figure of \$22,762.24 was quoted as total expenses of the collector's office, with the insinuation that this was an exorbitant figure. The cost of collection included the rent of an office in Park Ridge and one in Des Plaines, telephones in each to service 50,000 taxpayers, plat book revisions, envelopes and postage for mailing in excess of 50,000 tax bills and mailing receipts after payment, insurance premiums, a new adding machine and three secretarial chairs, stationery and office supplies and the wages of nine part-time employees who work during the collection period. The "office help" figure quoted as \$13,010.20 and included in the above total expense, includes not one full time employee or deputy. The total expense quoted is about 1/10 of % of the amount of taxes collected, and I challenge anyone to show that any collector in the entire State collected taxes on any lower percentage cost than that.

It would appear that the "Concerned Citizens" have so much "campaign enthusiasm" that they have no regard for how they attempt to mislead the public in their unquenchable thirst for votes. Since they have now, in addition, called to question the reputation of integrity and knowledge of township government which I have established in close to 29 years of service to the residents of Maine Township, I have felt it necessary to employ this means of calling the foregoing facts to the attention of those who may have read the article recently published in some township newspapers.

Respectfully,
Milton H. Tuttle
Candidate for Township Collector

Deep Appreciation

Dear Editor:
As the 1968-69 club year comes to a close, we would like to express our deep appreciation for the cooperation you have given us in our position as publicity co-chairmen for the Morton Grove Junior Women's club.
It has been a pleasure to work with you and we thank you for making this year a truly memorable experience.

March 31, 1969 will mark the end of the Morton Grove Juniors as a club and although the club may not officially be in existence, the members will be rounding out the federation year by attending several functions. We ask that you consider printing our releases if we find it necessary to send any.
Mrs. LeJeune wanted me to tell you that, effective March 31 the Community Calendar will be taken on by the Morton Grove Women's club and, at least for the present, she will continue to compile and send it to your office.
Thank you again for all your help and cooperation.

Sincerely,
Mrs. James Pink
Mrs. Charles Edwards

...ASPIRIN...
Acetylsalicylic acid, better known as aspirin, is a drug widely used to relieve pain and reduce fever. It is highly favored for colds and as a headache remedy. When acetylsalicylic acid was first discovered in 1853 it was believed to be totally worthless. Aspirin was rediscovered in 1899 and since then can be found in almost every medicine cabinet.

A leading medical journal has this to say about aspirin: "In susceptible persons even small amounts may produce symptoms of drug allergy, such as asthma, hives and severe edema, sometimes ending in death. Aspirin should be kept out of the reach of children, for an amount that may be tolerated by an adult may be fatal to a child."
Whether your visit to BIRCHWAY DRUGS is prompted by the need of a bottle of aspirin or the most complicated prescription, you will find the same fast, friendly, efficient service everytime.
