

## Summer Drama Workshop To Present "Mary Sunshine"

About 50 students in the Maine East Summer Drama Workshop are in final preparation for their major production, "Little Mary Sunshine," to be given on July 18 and 19 at 8 p.m. at the Maine East auditorium, Dempster St. and Potter Rd. in Park Ridge. This Broadway musical is a highly stylized spoof of the operetta of years ago. Tickets will be available at the door at \$2.00 each.

This is the second of two plays produced this summer by the Drama Workshop, "The Elves and the Shoemaker," a musical version of a children's play, was presented "in the round" at Maine East on June 26 and 27 and July 2, with an all-student crew of cast, dancers, singers, and stage technicians.

Mr. David Jeffers, drama director and member of the English department at Maine East, is conducting the Summer Drama Workshop from June 16 to July 26 to acquaint interested students with various and unusual types of stage presentations. Both "Little Mary Sun-

### 125th Anniversary

As the YMCA celebrates its 125th Anniversary this year it marks the Y's 85th year in organized camping. YMCA campers in this picture are taking off in a jazzy 1917, or thereabouts, "tin lizzy." In 1969 the YMCA's 125th Anniversary Celebration and Convention was held in St. Louis on June 19-22. Some of the more than

600,000 youngsters and families currently in the YMCA camping programs brought their own camping equipment and stayed in the St. Louis YMCA camping grounds. However, there were few, if any, that came in tin lizzies." In Niles Township more than 3,500 currently take part in the YMCA camping program.

## Educational TV System Gala '69 Benefit Goal

An educational television system will be the goal of Gala '69, a benefit for Lutheran General Hospital, Park Ridge. The benefit will be held Saturday, July 19 at the Marriott Motor Hotel, Chicago.

The annual gala affair has been held for hospital friends for the past three years.

Proceeds from the 1968 benefit were used to make and equip an intensive care unit in the pediatrics department. The new eight-bed unit is now in use. The only one of its kind in the northwest suburban area, the unit is designed for seriously ill children and those who need constant surveillance.

Dr. Michael Limosani, chairman of the Pediatric Intensive Care Unit Committee, said that six beds are equipped with bedside cardiac monitors as well as "slave" monitors at the nursing station. All equipment in the unit is especially designed for use with infants and children, including a defibrillator (used when a cardiac arrest occurs) that has infant paddles, instruments and inhalation therapy equipment.

purchased," he said. "This machine is very important to patients being fed intravenously."

"This equipment brought the latest advances to the lab and lowered patients' laboratory costs," he explained.

"This densitometer, which accurately determines serum protein fractions, works in conjunction with the electrophoresis cell, also purchased with that year's proceeds, which enables eight blood tests to be taken at one time."

"This fluorometer purchased from the gala's proceeds is one of the machines which cuts patients' costs," he said.

"This machinery keeps rising hospital costs as low as possible," he concluded.

The first gala in 1966 helped establish a fund for patients needing financial help in paying for hospital costs.

The gala is sponsored by the hospital's Service League, Medical Staff and Men's Association.

### PWP Meeting

The Northwest Suburban Chapter #168 of Parents Without Partners, Inc., will meet again on July 18, 1969. The meeting will be held at the Knights of Columbus Hall, 15 N. Hickory, Arlington Heights, at 8:15 p.m. The format will be a report from the International Convention of Parents Without Partners which was held on July 11, 12 and 13 in the Diplomat Hotel, Hollywood, Florida.

### Renetzky Guest Speaker

Larry Renetzky, executive director of the Niles Family Service, will be the guest speaker at the Niles Community church (United Presbyterian) Sunday, July 20, during the 10 a.m. worship service. Renetzky's sermon topic will be "The Gift of Power."

The wedding will take place on Aug. 2 at St. John Brebeuf church. Then the newlyweds will honeymoon in Jamaica.

### Moose Party July 19

An outdoor party and dance will be held by the Morton Grove Lodge of the Loyal Order of Moose July 19 for Moose Members and their friends and neighbors.

In addition to dancing to the music of Buddy DeCote's orchestra, the affair, according to Governor Don Kestler, 7100 Palma Ln., Morton Grove, will include a bake sale, food and prizes. The affair will be held

# MATHEWSON FOR CONGRESS

If we wait too long

## WE CAN'T TURN BACK THE CLOCK

Right now... today... the pollution of the air you breathe is so great, it is rated 2nd dirtiest in the nation.

Most of the rivers in our 13th District—the Des Plaines, Salt Creek—are so polluted, they smell. Lake Michigan, our prime source of drinking water, is beginning to die.

The problem is not technological. It is primarily political. For the most part, science knows how to curb pollution. Unfortunately, oftentimes the governmental cooperation needed to solve this crisis has been lacking. There has been no

unified front—no singleness of purpose between the Federal, state, and local levels of government.

The time for that single, unified front is now. Right now. I propose strong, swift, and interlocking governmental action at Federal, state, and local levels. As an immediate step, I favor tax incentives to encourage businessmen to install pollution control devices.

We must act now. Before another election passes. Before pollution goes so far, we can't turn back the clock.

### Swim Club Says Thanks

At the annual meeting of the Niles Township Swim Club held on June 17 at the Niles North Division, the membership expressed its gratitude to the District 219 High School Board and unanimously adopted the following resolution:

Be it resolved that the Niles Township Swim Club is most appreciative of the consideration shown by the District 219 High School Board in making available the pool facilities of the three high schools to interested boys and girls in the community in the interest of promoting better health and improved citizenship in the student population.

It was also disclosed at the meeting that more than 200 young people representing over 170 families participated in the past year's program which consisted of four swimming sessions over the period of September, 1968 through June, 1969.

All boys and girls in Niles Township have been encouraged to participate in the summer swim team programs of the various park districts as well as the excellent competitive summer school swim program offered for boys of high school age by the N.T.S.B. Board.

The meeting concluded with the election of new officers for the coming year which will begin in mid-September. Plans for the new year have already been started by the following newly-elected leaders: President, Mrs. Frank Spray; Vice-president, Werner Krause; Sec-

### Odds Are With Wilson Parents

While violence and riots never got anybody anywhere, organized verbal protest coupled with intelligent information, questions and people have accomplished a great deal for a group of interested parents and residents living in the Wilson school area of Dist. 63.

At its last meeting, Board of Education of Dist. 63 had announced it would hold a discussion at the July 22 meeting pertinent to transferring Wilson school Kindergarten children to Washington school for their classes. As usually happens in Dist. 63 when the words "transfer" or "change the boundaries" are heard, there was a verbal uprising.

Board members heard many reasons and questions concerning their proposal. Why not buy mobiles? Why not add onto the existing Wilson school building? The board always answered by saying no money was available. There is money available, however, to pay \$3,000 salary to a man who will revalue real estate in the district to see if additional tax monies can be obtained thru real estate property tax bills.

And so, a confrontation was held. Last week about 70 of the residents met with school board and administration representatives. Both sides were heard and according to Mrs. Tony Nathan, a Golden Acres resident, the result of that meeting was a letter delivered to the group last Saturday stating 2 mobiles will be purchased to handle the Wilson kindergarten load this coming year. That takes care of this year. Now the board has to come up with an equitable solution for all the years to come.

The parents have stated they will now maintain a type of vigil over future school board elections, meetings and any other items in which the board members are involved.

Board members told these parents there was no room for an addition to the school, there was no way one could be built and finally, there was no money for one. If the residents keep up their intelligent and informed approach to the matter how much do you want to bet there will be an addition to Wilson school within the next few years?

I'm giving odds in their favor!

## Dr. Myers Joins MTHS Staff

Dr. Michael J. Myers, Director of Research at the Alton, Illinois, Supplementary Education Center, has been appointed administrative assistant to Dr. Richard R. Short, Superintendent of Schools for the Maine Township High Schools. It was announced recently by the Board of Education and Dr. Short, Dr. Myers will fill the position of Robert A. Wells, administrative assistant for the past two years, who recently was named principal of the new Maine North High school. Dr. Myers will begin working with the Maine Township high school district on Aug. 1, 1969.

The appointment of Dr. Myers came only after careful selection from among about 40 candidates for the position. It was a most difficult task for the committee, consisting of the principals of the Maine High Schools, the Assistant Superintendent of District 207, and myself, to arrive at a final decision, as many well qualified men had applied for the position, stated Dr. Short.

"However, we felt that Dr. Myers' background of professional leadership over the years makes him especially qualified for the task he faces in his new position in the Maine high school system."

Dr. Myers is married and has two children. He received undergraduate degrees from both the University of Missouri and from Northeast Missouri State college, and a MA degree in School Administration from that school in 1961. He was awarded his Ed. D. degree from New York university in 1966. While a student, Dr. Myers received the Curators Award from the University of Missouri and the Walter A. Anderson and Founders Day Award from New York university.

Dr. Myers

Ted Shlachter, 8905 Marion, Morton Grove, is among 816 students from six states who are participating in the junior high school session of the University of Wisconsin Summer Music Clinic being held on the University of Wisconsin campus in Madison July 6-12.

Water faucets, flushboxes and outdoor plumbing fixtures should be checked periodically for leaks to cut down on water waste and to save you money on your water bill. The Niles Public Works Department advises a quick check to find out if you have a leak in your pipes can be done by turning off all faucets and watching the hand on your water meter for a few minutes. If the hand continues to move, you will know there is a leak.

Flying direction to Copenhagen, the students will visit the Tivoli Gardens, "The Little Mermaid," Kronborg Castle immortalized in Shakespeare's "Hamlet," an all-day excursion through the Island of Sjælland, and other outstanding attractions in Denmark before going on to Düsseldorf, Germany. Among the highlights of their stay in Germany will be a steamer trip through the "Castle of the Rhine" and vineyard country, a visit to the twin-towered Gothic Cathedral at Cologne, and a motor drive through the Black Forest.

The tour will travel by "motor cruiser" to Switzerland to enjoy the charm and scenic beauty of that country, and then continue to Oberammergau to observe preparations for the 1970 performance of the famous Passion Play, Upper Bavaria; Innsbruck, Austria; Venice, Florence, Rome, Pisa, Genoa, and the Italian Riviera are other scheduled points of visitation.

In Rome the group will have an opportunity to visit the Vatican, St. Peter's, the Colosseum and Roman Forum, and other points of interest, besides having free time for group activities and shopping. Continuing through Italy to the French Riviera, the tour will visit Monaco, Nice, and Avignon, and conclude with a drive through the Rhone river valley to Lyons and on to Paris. Students will have a few days of Paris sightseeing and shopping before returning on Aug. 2 to Chicago.

## Dr. Myers Joins MTHS Staff

Dr. Michael J. Myers, Director of Research at the Alton, Illinois, Supplementary Education Center, has been appointed administrative assistant to Dr. Richard R. Short, Superintendent of Schools for the Maine Township High Schools. It was announced recently by the Board of Education and Dr. Short. Dr. Myers will fill the position of Robert A. Wells, administrative assistant for the past two years, who recently was named principal of the new Maine North High school. Dr. Myers will begin working with the Maine Township high school district on Aug. 1, 1969.

The appointment of Dr. Myers came only after careful selection from among about 40 candidates for the position. "It was a most difficult task for the committee, consisting of the principals of the Maine High Schools, the Assistant Superintendent of District 207, and myself, to arrive at a final decision, as many well qualified men had applied for the position," stated Dr. Short.

"However, we felt that Dr. Myers' background of professional leadership over the years makes him especially qualified for the task he faces in his new position in the Maine high school system."

His background consists of assisting in research projects funded by the U.S. Office of Education while studying for his doctorate in education at New York university. The work provided extensive involvement in the secondary school curriculum development in large suburban school districts in the New York area. Later, as Director of Research and Community Information for the Springfield, Illinois, Public Schools, Dr. Myers developed an extensive district informational program, including the editorship of all district school publications and a program of two-way communication between the community and school system. He served for two years on the Advisory Council of the Department of Research, Office of the Superintendent of Public Instruction for the State of Illinois, before going to the Alton area to direct research projects at the Supplementary Education Center there.

Dr. Myers' background of experience has included teaching at the secondary level of education at Epping, North Dakota; Eldon, Iowa; Elmer, Missouri; and Springfield, Illinois, where he also served as an adminis-

## Prof. Slaughter To Conduct "Survival" Course

Professor William Slaughter of Purdue university has been assigned to conduct the "How To Survive In College" study-skills seminar being sponsored locally by the Morton Grove Jaycees. The 9-hour course is scheduled for July 28, 29, and 30, at 6:30 - 9:30 p.m. at Niles North. Professor Slaughter states that the course will cover such topics as: finding key ideas, ten kinds of reading, lecture note-taking, surviving dull lectures, the "silent" language, listening pitfalls, surviving distractions, scheduling, and preparing for tests and examinations.

"Reasons for this 'drop-out' problem," he said, "include lack of motivation, lack of study skills and the student's lack of knowledge about himself."

"Students do not drop out of college because of lack of intelligence or inadequate high school training. They are screened for this by college admittance officials," Slaughter said.

Thus, based on a course that was originated at Purdue university in 1956, students can be taught to remain in college. He said that the course is open to high school graduates headed for college, and college students, it is equivalent to three weeks of college-level instruction.

Those interested in the course may contact Dale Johnson at 729-4398 or Box 311 or may register at the door. The course fee is \$25, which includes printed notes for the student's use throughout his career.

## "Bye Bye Birdie"

John and Billy Sutherland, Evanston, meet the leads of the Ridotto Players, Inc. production of "Bye Bye Birdie." (l. to r.) Steve Walter, Sue Ballard, Sue Klein, and Keith Kropf. A benefit performance of the musical will be held on July 19 for the Muscular Dystrophy Association at the Niles East Theatre, 7700 N. Lincoln, Skokie.

## New Address

Thomas L. Bondi, 8460 W. Oak ave., Niles, sales agent for the Allstate Insurance Companies, has transferred his business address to the Touhy avenue local sales office, 7700 W. Touhy.

According to Kaufmann, the closed circuit television system will have a tremendous value to the teaching process at the hospital.

The television system will also have far-reaching effects for the hospital's medical staff, he said. "Current lectures can be video-taped and played back for a physician who was unable to attend the regular presentation because of an emergency or similar reason. The system will enable unusual surgical procedures such as open heart surgery to be telecast or videotaped."

Bedridden patients will be able to see telecast church services from the hospital chapel through television sets in patient rooms, Kaufmann said, and if required by the medical staff, isolated patients may talk to their visitors through the television media.

A new director of Central Supply has been appointed at Lutheran General hospital, Park Ridge. She is Mary Evans, a registered nurse who was formerly

a public forum and discussion on the importance of membership in the Cooperative Blood replacement program will be held at the Niles Recreation center July 30, beginning at 8 p.m. Residents of the village of Niles are invited to attend.

## PUBLIC FORUM

Tigers 11. Orioles 0. The league leading Tigers overpowered the second place Orioles in the first of two games between these teams this week. Randy Weingarten had the Orioles under control allowing only one hit to Neil Mednick. Weingarten along with Mirschner paced the Tigers with 2 hits a piece. Others to get hits for the Tigers were Glen Krandel, John Gugliano and John Schmid.

Orioles 6, Yankees 2. In a battle for 1st place the Cubs proved to be the better team as they outslugged the Giants. Poor Giant fielding and the long ball hitting of Alfonzo Zubillaga were the key to the Giant downfall. Zubillaga had a single, triple, homerun and a homerun on an error as the left fielder misjudged a fly ball. Howard Levey and Billy Yedor paced the Giants each collecting 2 hits.

Pirates 3, Cardinals 2. The Pirates were fortunate to score 3 runs in the first inning without a hit, and these runs were enough to continue their winning ways. Scott Greenberg, Mike Berg and Craig Krandel were the only batters to get hits for the Pirates. The Cards scored both their runs in the 5th as Ron Redman, Jerry Mellingar and Robby Charge hit consecutive singles to score one run. Bruce Greenberg followed with a sacrifice fly to center to score the other.

Orioles 1, Tigers 1. Randy Weingarten and Neil Mednick were tied up in a real pitcher's duel as the game was called because of curfew. After 2 hours of baseball on the warmest day of the year, the umpires decided no inning would start after 10:45. The Orioles scored first in the 3rd inning, as Mark Wilder scored after Neil Mednick's double. Mednick had 3 of the 4 Oriole hits. The Tigers scored in the 4th to tie the game. Glen Krandel led off the inning with a single and went to third on an error of a ground ball hit by Weingarten. Krandel scored as Mike Kerschner hit into a fielder's choice. The game will be completed July 19 before their regularly scheduled game.

Tigers 8, White Sox 2. The Tigers continued on their winning ways as they pounded 9 hits and 8 runs to beat the White Sox. Jeff Serota, Glen Krandel, Mike Kerschner, Alan Kadash each had 2 hits for the Tigers. The White Sox scored 2 runs in the fifth as Mike Platt singled with Steve Levine, Howard Weiss and Greg Tavill on the bases.

## Morton Grove Legion News

At their last meeting before the year's conclusion, the American Legion Auxiliary, Morton Grove Unit #134 received a donation from the Post of \$926.50. This was the proceeds of the American Legion's Gifts for the Hospitalized Veterans project.

Tom Hettema, chairman, announced he was able to realize this profit from the Christmas tree sale held in December. Traditionally the Post presents it to the women at one of their last meetings of the year as the funds are used for prudent, early shopping when items can be obtained at a lower cost prior to next Fall's club year.

Mrs. Albert Nehart, retiring president, in thanking the Post for this donation said hospital chairman Mrs. Ed Lange had continuously performed arduous work in her role on behalf of the Unit. Next Christmas, even tho it is a long way off, former servicemen, still confined to the various VA Hospitals in the Chicago area will be pleasantly surprised to receive remembrances from Unit #134. With the influx of Viet Nam boys returning, the Unit feels a great deal of time and financial aid will be necessary. Additional funds are also spent on comfort items for the men during the year, service work and aid to their families in the way of necessities when the need arises.

Mrs. Lange has been recognized by the state (Dept. of Ill., American Legion Auxiliary) for the many weekly efforts she has expended to help in the rehabilitation of these men.

Each year the bowling rehabilitation committee members of the Morton Grove Unit #134, American Legion Auxiliary honor the Unit's hospital chairman with an informal luncheon. Mrs. Ed Lange of Sko-

kie has laboriously performed rehab work for many years, gaining department Legion Auxiliary citations and awards for the Unit with her various projects held at the VA Hospitals in the Chicago area.

She is a past president of the Morton Grove Unit and also a former American Legion Auxiliary 7th Dist. Director.

The small committee this year also saluted another past president who was scheduled to move to Arizona, Mrs. Charles Poss was also member of this paraplegic Hines hospital Auxiliary bowling committee who assisted the former servicemen in this weekly sport.

The ladies lunched at Di Leo's.

Those attending and toasting Mrs. Lange and Mrs. Poss were Mrs. Grover Blesman, Mrs. Karl Tegert, Mrs. Clarence Ross, Mrs. John Sepesy and president-elect Mrs. James Campanella.

### Installed

A lucky 13 Junior Auxiliary members from the American Legion Morton Grove Unit #134 traveled to Lincoln, Ill., recently to participate in the 15th annual Junior Conference. They were accompanied by Unit #134 president-elect Mrs. James Campanella, Unit Activities Junior Chairman Mrs. John Sepesy and retiring president Mrs. Albert Nehart. The group stayed overnight and were rewarded with many prizes.

The young women culminated a year of study and craft activity and awards were made after handwork displayed and judged.

The Juniors financially support an ill, teacher to attend the annual seminar on Americanism held at the Four Freedoms Foundation each Aug. at Valley Forge, Pa.

## Trod Boards In "Sixpence" Play

Rehearsals for Morton Grove Music Theatre's production of "Half a Sixpence" are under way!

The musical is a lighthearted story of the romance between Arthur Kipps, a shop boy, and Ann Forwick, a working girl in 18th century England. Directors Monte Salus and Ethel Libkin say the entire production is being aimed at family entertainment, designed to please audiences of every age group. As rehearsals continue they are able to watch that goal take form.

At the present time the entire cast is working on several full scale production numbers, directed by vocal director Maida Libkin and choreographer Holly Cogen. The numbers, requiring the cast to both sing and dance in rolling form, are sure to provide some of the gayest moments of the entire production. Leads and chorus alike gather every evening at their rehearsal hall, the National Park fieldhouse of the Morton Grove Park District, and the singing and dancing can be heard throughout the park.

Water Tips

If you have been noticing low water pressure in any room in your home, the Niles Public Works Department recommends that residents remove and clean the strainers in the faucets to improve the water flow.

It is also a good practice to make a test of your water shut off valve next to the water

meter to see that it works properly.

# What's new, coffee cup? A kitchen counter that cooks. Electrically, of course.

On the level. A sleek stretch of tempered ceramic is the newest electric range. Only its temperature dials give it away.

It looks like a counter, but it cooks like a range. So where is the heat? Under the tempered ceramic surface. That's its marvelous advantage. Comes clean-up time, all it takes is once-over lightly with a sponge.

First the oven that cleans itself. Now, a counter that cooks, and keeps cleaning simple. Where do these great ideas come from? Where else?

## Niles Park Dist. News, Notes

Bikes galore descended upon Grennan Heights Park, Friday, June 27, 1969 in response to the Bike Parade organized by the Niles Park District. The Bike Parade was one of the weekly special events organized for the children of Niles at each of the parks this summer. Bicycles, tricycles, and wagons were all categorized and organized as the children lined up and paraded around the park. Following the parade, ribbons were awarded for the most beautiful, the most decorative, most original, most tremendous, most colorful, the largest, and the smallest vehicles in the parade.

Most beautiful: 1. Joey Buck, 2. Natalie Bavarro, 3. Dawn Jensen, Most Decorative: 1. Cindy Bielefeldt, 2. Jackie Kitzberg, 3. Barbie Boss, Most Original: 1. Danny Jensen, 2. Susie Colangelo, 3. Bob and Bill Koch, Most Imaginative: 1. Joey Buck, 2. Don Kaderbeck, 3. Ricky Koch, Largest: 1. Todd Kane, 2. Brian and Mike Urban, 3. Gail Schneider, Smallest: 1. Janine Klein, 2. Mike Drehobl, 3. Kim Drehobl, Most Colorful: 1. Bobbie Peterson, 2. Greg Berens, 3. Marcia Kitzberg.

A dance contest was also held with first prize going to Larry Aschacher and Keith Nielsen. Prizes awarded to the children were donated by Booby's, Golf Mill Theatre, Community, and Goldblatt's.

The Niles Park District Swim Team recently completed a devastating defeat of the Morton Grove team in a meet held at the Niles Pool on Wednesday, July 8, 1969. When the water had receded back into the pool, the final score was Niles 328, Morton Grove 165.

Niles was led by several swimmers who took first places in every event they swam. Donna Wilson, who swims in the fifteen-and-over girls division took first place in the 100 yd. free style, the 100 yd. backstroke, the 50 yd. butterfly and was a member of the winning girls relay. Dawn Jensen, who also took four firsts in her eight and under girls bracket, was a winner in the 25 yd. free style, and the 25 yd. backstroke, the 25 yd. butterfly, and was in the first place 8 and under relay.

The girls were the most consistent swimmers with six girls winning all of their events. They were Janet Benson, Bonnie and Cindy Wilson, Barb Wadman, Sandy Spray, and Patty Martin. The boys have to appreciate the fine work of Tim Thompson who was the only boy to win three events. Many of the boys did take two firsts, however.

The meet proved a number of very close races for the fans that turned out. The team wished that more people in the area would come to give their team some support. The victory against Morton Grove evened up the team's record at two wins and two losses with a contest against Palatine scheduled for July 16 at the Niles Pool.

We really had a blast at our water balloon fight last Thursday, July 10, 1969. Your leaders, Patti Rea, Bob Minconi, and Ronna Kurtz won for the most soaked. Don't forget about Family Night, Thursday, July 17, 1969 at 6:30. Bring food and grills for the barbecue and dogs, cats, turtles, birds,

Family Nite Bar-B-Que was held Thursday, July 10, 1969 at Viola Nelson school grounds. The game-time wagon was available, with games and relays for adults and children, a special awards presentation and a band, featuring a dance contest were highlights of the evening.

In spite of a rainy afternoon, Nelson's Pet show was held July 8, 1969, and was quite successful with 52 children competing and approximately 25 children and adults observing on the sidelines. All children received ribbons and a certificate of participation for showing their pets and stuffed animals. Grand prizes were awarded to Kimberlee Bronson for her white duck "Chuck," Tom Venitique for his white sheepdog and its display of tricks, and Jeanne Petrakos for her tremendous colorful stuffed elephant. The event was followed with refreshments for all who participated.

On

Friday, July 11, 1969, the Tot Lot Program at the Recreation Center held a Hobo Day. The children pictured above, all came cleverly dressed. Costumes were the traditional hobo with cut off jeans, black derbies, and patches.

Candy treats and koolaid added to the delight of the children.

Other events held by the Tot Lot Program have been a Mother's Parade. On that day, the mothers marched with their children around the center grounds and later joined in the games such as "Farmer in the Dell," etc.

The Niles Park District Swim Team recently completed a devastating defeat of the Morton Grove team in a meet held at the Niles Pool on Wednesday, July 8, 1969. When the water had receded back into the pool, the final score was Niles 328, Morton Grove 165.

This coming Sunday (July 20) at 6:30 p.m., in Harrer Park, the two giant softball teams of downtown Morton Grove meet in their initial beer-coke game. Managers Jim Karerly of Val's and Chuck Conlon of St. Martha will play off any tie occurring in the remote confines at Val's Parlor.

The St. Martha Dons, fresh off their tournament streak which has carried them into first place, face "stiff" competition from the Generation Gapers.

On Thursday, July 17, the St. Martha Dons tune up for the Val game by taking on the Lions Club in regular season play at 7 p.m., in Oketo Park.

East Division Peanut League

The jinx is finally over. The White Sox have won their first regular season game after 10 tries. They beat the Padres 14-0 in a beautifully played game at Jozwiak Park and have since won another game.

After being administered their tenth straight defeat, this one by the Cubs, Coach Reed, honestly believing himself to be a "Jonah," turned the entire team over to four of the best looking and most charming coaches imaginable. Headed by Mrs. Carmen Tanner (mother of Tom) and ably assisted by Mrs. Carol Novello (mother of Tom), Mrs. Myrna Davenport (mother of Art) and Mrs. Sandra Reed (mother of Jay) the boys played as never before.

They jumped off to a six-run lead on a combination of walks and timely hits and then proceeded to pile it on offensively

### AMERICAN WESTERN DIVISION

6-24 - Broncos 44, Elks 5. Game called at end of six because of darkness. Elks gave up 15 walks.

6-26 - Blackhawks 8, Double Eagles 7.

6-26 - Seals 5, Rams 7. Rams dealt the Seals only their second loss of the season.

6-28 - Seals 14, Vikings 7. Seals came back with winning ways again.

6-28 - Panthers 9, Hawks 7. L. Rosch pitched the Panthers to their sixth victory for the season.

6-28 - Elks 9, Kings 6. Three hits each by Steve Ross and Dave Antczak. Two important RBI hits by Jerden Madsor. Good pitching by Elks did not give up a walk. Also broke a 6 game losing streak.

6-29 - Cowboys 6, Elks 2. Cowboys Mark Macur pitched 6 innings, allowing 3 hits while striking out 8 and walking only one. Ricky Ball had a single and a double at three times at bat.

and combining as good a defense as seen all season. Every single boy did a superb job but as with every team sport a few excelled to bring forth the victory. Art Davenport hit a double and triple and pitched two shutout innings. Tom Tanner hit in the clutch, fielded well and pitched two shutout innings and the best performance of all was that of Buddy Schumacher who hit a single, a double, two triples which drove in seven of the runs and pitched two shutout innings.

Team members are: Jay Reed, Art Davenport, Phil McGuire, Tom Tanner, Buddy Schumacher, Bryan Gunderson, John Scheffes, Michael Beverly, Mike Coffell, Keith Reed (mascot), Pete Argiris, Tom Novello, Alan Helgatt, Tony Colontonio, and mom's in back row, who are the coaches.

Continued on Page 17

With the Cubs pitcher Paton and Parker pitching four hitless innings and the Cub batters coming alive with ten hits, the White Sox went down to defeat by a score of 5 to 1.

The Braves beat a stubborn Dodger team in what proved to be a good, well played, close game. Craig Schwein hit his first homer this year with two men on the bottom of the fifth to put the Braves ahead for the first time in the game. Jeff Johnson performed flawlessly in the top of the sixth to preserve their victory. The final score was Braves 6-Dodgers 4.

The winless White Sox have finally broken into the win column this year by whipping the Padres 14 to 0. Congratulations White Sox, keep it up.

Continued from Niles Page 1 work with the homeowners in this endeavor. Discussion was also held concerning acquisition of the Larson property on Greenwood.

One major factor holding up park site acquisition, according to Leske, is the Bureau of Outdoor Recreation federal granting of funds. No contracts can be signed by the local board to buy property until the BOR gives the green light. If this rule is not followed the board stands the chance of losing out on all federal funds for purchase of property.
