From the Left Hand Funeral Today For Murdered 15-Year-Old

By David Besser
Editor & Publisher

It's only one man's opinion but one of Niles finest thought the use of a Niles ambulance to transport the wounded boy (story on Page 1) from a local motel to the hospital might have saved valuable minutes in the fight for his life. The shooting took place outside incorporated areas on Niles' north border and fell under the jurisdiction of the County. According to the Niles' policeman, the County police insisted on calling their own ambulance which was much more time-consuming than using the Niles ambulance, which was only about 1 minute away.

Writing about the County police always brings to mind the question why many of their police cars are inactive much of a 24-hour period. On Milwaukee ave. in the 8600 block one car sits in front of an apartment building, obviously used by a County policeman who lives there. In Morton Grove, another car was often seen in front of a home there and a 3rd car is parked in east Niles. While the County may not have the men to man these cars 24 hours a day, it does seem a waste of taxpayers money to see these cars sitting idly 16 hours a day.

In concentrating on local village news most newspapers published in local communities fail to pay attention to unincorporated county activities, unless they are of dramatic appeal, such as the death of the boy wounded in the motel. A closer scrutiny of the county functionaries, including the County Zoning Board, would be advantageous for all County residents.

The outrageous zoning of unincorporated areas is obvious to all of us here, who view the overpopulated unincorporated areas in the East Maine area. The very nature of multiple builders moving in to the unincorporated areas is proof the rules there are less stringent than incorporated areas. The accompanying lack of public interest has allowed officials who control their destinies to run these areas loosely. And the chaos resulting from nobody "watching the store" results in a burden to all the taxpayers within the County. School districts 63 and 207 residents are now paying ever-increasing tax bills because of the overbuilding of multiples. The tremendous increase of children in the district has resulted in an additional 6 or 7 schools being built in the elementary district and 2 high schools being built in the high school district. It can all be laid at the feet of the looseness in the County which is due to County officials running the areas without the public overseeing their actions.

Hindsight would tell us incorporating the areas would have resulted in a tightening of zoning laws which would have caused a more orderly pattern of building there. But our failure to push for this action 8 to 10 years ago has now resulted in our overextended tax bills.

An overhaul of County unincorporated areas is long overdue but because of lack of citizen interest little is likely to be done to improve these areas. Likewise, the scrutiny of the public on County police actions is missing. And because the guys who foot the bills, the taxpayers, do not watch these areas they will continue to be burdened with higher bills.

It seems almost axiomatic that the farther resident interest is to the local scene, the poorer the government, and inversely, the closer residents are to watching their communities, the better the government is. This would be the obvious argument for incorporating the East Maine area, even at this late date.

Wordel Elected C. Of C. Prexy

Niles Chamber of Commerce membership elected Robert C. Wordel, Jr., 8430 N. Cumberland, Niles, president of the organization.

Wordel, raised and educated in the Chicago area, has been a resident of the Village of Niles for 15 years. He received a BA degree in industrial psychology from Elmhurst college in 1950.

Wordel served in the U.S. Army from 1942 through 1946

BLASE ASKS DALEY-LOOK TO SUBURBS

By Naomi Krone
News Editor

Lamenting the fact there is a diminishing Democratic plurality in the City of Chicago and an increasing GOP plurality in the suburbs, Niles Mayor Nicholas Blase at a press conference Tuesday "challenged" Chicago Mayor Richard J. Daley, Cook County Democratic Central Committeeman, to re-structure not only his leadership but the County Democratic party itself.

Both must reflect city and suburban leadership, problems and thinking.

"Daley has the strength to make these necessary changes," Blase told the assembled press representatives. "The way Daley has been conducting business as Democratic Central committeeman is wrong. He could make the changes if he goes away and that's silly. The key issue here is the failure of the Chicago Democrats to realize what the suburbs are all about."

Blase challenging Daley for the powerful Chicago Democrat's job as committeeman? Is this the first step in asking Daley to step down from his Committeeman's post?

"I want to be heard within the structure of the organization," proclaims Blase. "Every time I have tried to discuss suburban Democratic problems with Daley, he has turned vibrantly red. He's kidding himself that Chicago's problems are the suburb's problems, too. The philosophies are different and I have an obligation as a Democrat to say what the real problem is."

Blase argues young people must be guaranteed a voice and an ear within the Democratic.

"Pioneer Day" Participants
Memory of Ida and Arie Crown was honored this month when children from Niles participated in "Pioneer Day" Celebration in the Arie Crown Forest Preserve. Arie Crown Day is part of Chicago's Summer Reach Out Program. Pictured at the event were (left to right) Randy Isaacson, 9049 Skokie Blvd.; Rick Hyken, 8500 N. Osceola; Roday Hyken, 8500 N. Osceola and Jeff Jacobson, 8827 N. Washington.

Dr. Alexander, Stefina Named #63 Assistant Superintendents

Two assistant superintendents were named in East Maine School District 63 at the July 22 board of education meeting. They are Donald Stefina, former principal of Mark Twain school, and Henry Alexander, former language arts consultant and testing director for District 63.

Frank Dagne, assistant superintendent for the past two years, was appointed superintendent of schools in District 63 replacing Hugh E. McQuigan at the previous board of education meeting in June.

Dr. Henry Alexander, employed in East Maine School District 63 for the past 14 years, was appointed assistant superintendent for curriculum. His major areas of responsibility will be the curricular areas of reading, language arts, mathematics, science and social studies and district testing, evaluation and research.

Dr. Alexander was a language arts teacher for one year and language arts and mathematics teacher for seven years at East Maine Junior High school, principal of Ballard school for three years and consultant in language arts for three years.

He took his B.S. in social sciences and English at Northwestern university in 1947, his M.A. in economics and education from Northwestern university in 1955 and his doctorate in the area of psychology of reading from the University of Illinois in 1968.

Dr. Alexander is a member of the committee coordinating the Maine Township language arts program, a reading consultant to the Maine Township Diagnostic & Remedial Learning Centers and has taught courses for Northeastern Illinois State college and the National College of Education.

Dr. Alexander, his wife and three of their five children reside at 548 N. Fifth ave. in Des Plaines.

Donald Stefina, principal at the Mark Twain school for the past six and a half years, was appointed to the position of assistant superintendent for personnel. His major areas of responsibility will be personnel recruitment and orientation, special services and inservice

education. Before assuming the principalship of the Mark Twain school, Mr. Stefina had been a language arts and social studies teacher for seventh and eighth grade at Ballard school for one year and assistant to the principal of East Maine Junior High school for one and a half years.

Mr. Stefina received his B.S. degree in education from Northern Illinois university in 1959, his M.A. in administration and curriculum from DePaul university in 1963 and has done postgraduate work in administration at Northwestern university. He has also attended a summer workshop for gifted and exceptional children at Northwestern university on a scholarship.

Currently the chairman of social studies for the Maine Township Curriculum Council, Mr. Stefina is the director of social studies pilot projects during the first year of Project Intertwive (teacher inservice program) in District 63, has acted as a consultant in school organization and conducted educational workshops for a number of surrounding school districts, and is a graduate instructor in curriculum and social studies at Northwestern university.

He and his wife Diane have two children, Cheryl, 8 1/2, and Kenneth, 4. They reside in Schaumburg.

The appointments of both Mr. Stefina and Dr. Alexander are effective Aug. 1.

Roundup of Administrative Changes

All changes in administration in East Maine School District 63, with appointments made at the July 22 or previous board meetings, are listed below.

East Maine Junior High school, James Boesen, seventh grade assistant principal last year at the junior high school, has been promoted to the principalship.

Mr. Boesen was graduated from Western Illinois university in Macomb with a B.S. in education in 1962; from Roosevelt university with an M.A. in administration and supervision in 1965; and has done additional work in administration at Bradley university in Peoria

and at Roosevelt university.

Before joining District 63 last year, Mr. Boesen was chairman of the department of social sciences at Carmel High school in Mundelein for four years.

He and his wife and two children reside at 502 Hackberry dr. in Arlington Heights.

Robert Jablon, a social studies teacher at Northwood Junior High school in Highland Park for the past two years, has been appointed seventh grade assistant principal.

Mr. Jablon was graduated from Quincy college with a B.A. in history in 1963 and from Roosevelt university with an M.A. in administration and supervision in 1968. He has a total of six years teaching experience.

Mr. Jablon is married and the father of two children.

The single remaining administrative position in District 63 currently not filled (although an appointment is expected soon) is that of the eighth grade assistant principal at East Maine Junior High school.

Mark Twain school, Donald Huebner, a language arts and social studies teacher at Glenview Junior High school for the past seven years, who was originally hired as eighth grade assistant principal at East Maine Junior High school, has been reassigned as principal of the Mark Twain school, replacing Donald Stefina who moved up to become assistant superintendent.

Mr. Huebner is a graduate of Concordia Teachers college in River Forest where he received his B.S. in education in 1953 and M.A. in education in 1964. He is currently doing graduate work at DePaul university. He has a total of 16 years teaching experience.

Mr. Huebner is married and the father of three children.

Nelson school, Mrs. Lenore Page, a reading coordinator at Nelson school for the past three years, has been appointed principal replacing Michael Tremko, who left the district to accept another position.

Mrs. Page has been employed in District 63 for six years. Before her assignment as a reading coordinator, she was first grade teacher at Washington school for three years.

She took her B.S. (with honors) in education from the University of Cincinnati in 1957 and M.S. (with honors) in education from the University of Akron with a major in elementary school administration and supervision. She has done additional graduate work in curriculum, reading and supervision at Northern Illinois university and Northeastern Illinois State college.

Mrs. Page was chairman of the professional relations commission in District 63 and chairman of the language arts committee for the Maine Township Curriculum Council during the past school year.

Mrs. Page and her son reside at 5045 Lunt ave. in Skokie.

Oak school, Kenneth L. Johannsen, former assistant principal of the

\$ 169

14,000 BTU'S on 115-VOLT house current!

This is the 14,000 BTU Quiet Kool "365 Fresh Aire" conditioner—the biggest cooling system of its kind that operates on regular 115-volt current. Here's what it gives you that's so exclusive. T.H.I. Monitor offers you finger-tip control of both temperature and humidity, eliminating that cold, clammy feeling while keeping you in solid comfort. Multi-room cooling, with a special Air Wave feature that actually moves the air to every corner. The Quiet Kool "365" gives you five times more filtered air than ordinary air conditioners, too—fresh, clean air that's free of grime, dust and other allergy-irritating impurities. And it does its big job on just 115-volts. No costly rewiring needed, even in older homes. Sound like a cool idea? Just ask for the 14,000 BTU Quiet Kool "365 Fresh Aire." And start enjoying summer.

Mr. Johannsen has been assistant principal of the Emerson Junior High school for the past seven years. Before assuming that position, he was a placement consultant at the University of Illinois in Champaign for a year and an industrial arts teacher in District 64 for three years.

He earned his B.S. degree in industrial education in 1959 and an M.A. in school administration in 1954, both from the University of Illinois. He has attended an institute on space age technology at Florida State university and a seminar on personnel management at the University of Chicago.

Mr. Johannsen is married and the father of two children. He and his wife and children reside in Elk Grove.

Woodrow Wilson school, Cesare Caldarelli, eighth grade principal at East Maine Junior High school during the past year, has been reassigned as principal of the Woodrow Wilson school replacing Walter Nagle, who resigned to accept a principalship on the East Coast.

Before assuming the position of assistant principal of East Maine Junior High school, a position he has held for the past three years, Mr. Caldarelli was a teacher for three years at Ridgewood High school, District 234 in Norridge, Illinois, and curriculum associate one year in the Clark County School

District in Las Vegas.

He received his B.S. degree in physical education and English in 1962 and M.A. degree in education in 1966, both from Northern Illinois university in DeKalb.

Mr. Caldarelli, his wife and their three children reside in Highland Park.

Science Consultant.

Miss Margaret While, formerly an eighth grade general science teacher in Glencoe, who has ten years of teaching experience, including two years as a Peace Corps volunteer in Ghana, has been named district science consultant.

She was graduated with a B.S. degree from the University of Michigan in 1958 and from Ohio State university with an M.A. in 1968.

Niles Community Church

Guest Minister at the Niles Community Church (United Presbyterian) Sunday, Aug. 3, will be Rev. Glen A. Spearman, Mr. Spearman will speak on the topic, "That Meddling Jesus, He Got Just What He Deserved."

The worship service, which begins at 10 a.m., will include the Sacrament of Communion, Care for children two years and younger will be provided, Church school classes will be conducted for children 3 years old through third grade (as of this past Spring).

Junior Choir will rehearse Thursday, Aug. 7 at 7 p.m.; the Senior Choir at 8:10 p.m.

Welcome

A son, Timothy Peter, was born June 6 in Lutheran General hospital to Dr. and Mrs. Victor M. Alcalde, 7054 W. Kedzie, Niles. He weighed 10 lbs., and was welcomed home by a sister, Adriann Elisse, 4 1/2 and a brother, Victor Michael, 14 months old.

Dollar Days Begin

Shown marking down price tags for Golf-Mill's August Dollar Days, are Grace Stephens, left, manager of Rockford-Stevens Womens Wear shop in Golf-Mill and Esther Pessio, sales clerk. Like the Rockford-Stevens store, Golf-Mill's 75 merchants are offering special "Dollar Days" values this week-end. The sale starts Thursday, July 31, and continues through Saturday, Aug. 2.

Blumenfeld Is Pharmacy Coordinator

David Blumenfeld, R.Ph. and attorney, has been appointed pharmacy coordinator for the State of Illinois by Governor Ogilvie.

Blumenfeld, of 7009 Carol, Niles, is a 1957 graduate of the University of Illinois College of Pharmacy, became registered to practice pharmacy in Illinois and California that same year.

He has served as legal counsel for the Illinois Council of Hospital Pharmacists and the Northern Illinois Society of Hospital Pharmacists. Before his appointment, he owned two community pharmacies in Oak Park and Forest Park and maintained a private law practice with offices in Chicago and Forest Park.

A native of Chicago, Blumenfeld is a member of the American

Pharmaceutical Association, Illinois Pharmaceutical Association, Illinois Bar Association and Chicago Bar Association. He has served on the legislative committee of the IPhA and is recording secretary for the Delta Kappa Sigma Alumni Chapter of Rho-Phi Phi Pharmaceutical Fraternity.

As Pharmacy Coordinator he will serve as the chief enforcement officer for the Pharmacy Practice Act and coordinate the activities of the pharmacy division of the Illinois Department of Registration and Education with other departments in the state and federal governments including the Department of Public Health, Department of Public Aid, the FDA and the Bureau of Narcotics and Dangerous Drugs.

Blumenfeld is married and has three sons.

Birth Certificates For School Registration

Edward J. Barrett, Cook County Clerk, has requested all parents of children born in Cook County, who will register these children for school this Fall, to come in or write to his Bureau of Vital Statistics, 130 N. Wells st., Chicago, in order to avoid the last minute rush for birth certificates.

Particulars, on written requests, should include the name of the child, date of birth, father's name and the maiden

name of the mother, as well as the name of the hospital where the child was born. Delivery by return mail, can be made in 48 hours.

Under the law, a fee of \$2 is made for the search. No charge is made for the certificate. Money orders should be made out to: County Clerk Edward J. Barrett and mailed to him at the Bureau of Vital Statistics, 130 N. Wells st., Chicago, Illinois, 60606.

Leaning Tower News

Looking for something to help pass those long vacation days toward the end of the summer? If you are and want fun and adventure too, then sign up for

the Leaning Tower YMCA's special summer youth trips. For example: Monday, Aug. 4, a trip to Illinois State Beach for a cook out and fun; Tuesday Aug. 11, a trip to see Chicago's firemen in training and a boat ride on Lake Michigan. These are just two of the trips planned.

The trips are fully supervised and take most of the day to complete (9 a.m. - 3:30 p.m.). Cost is nominal and non-Y members are invited. For further information call the Leaning Tower YMCA and ask for the Youth Department at 647-8222.

Registered

Almost 1200 of next Fall's freshmen at Wisconsin State university have completed registration for their classes and have spent a day in being oriented to the campus. Marla Matzell, from Niles, is one of the freshmen who have registered for the Fall term.

2 Mobiles To Be Leased For Wilson School

The board of education of East Maine School District 69 approved at the July 22 meeting the leasing of two relocatable (mobile) classrooms for the Woodrow Wilson school site in order to house the overflow of children at that school.

The two mobile classrooms will be leased for three years at a cost of \$9,307, each year with an option to purchase the units for \$1. at the end of the third year.

In a letter notifying parents of the decision, William Gurolnick, president of the board, and Frank Dagne, superintendent of schools, wrote, "We are delighted to report to you that there will be no transfer of kindergarten children or other pupils from the Wilson school."

Before leasing and installation of the units could be considered, however, a special dispensation had to be acquired from the Cook County Superintendent of Schools setting aside a legal building restriction on the Wilson school site.

Another critical problem had to be overcome: limited funds. Business Manager James E. Bowen explained that a number of structural repairs "we feel we can live with for another year" previously scheduled for the summer at various schools in the district are being postponed in order to provide funds for the leasing.

The board of education will also review bids on Aug. 5 for construction work necessary to convert a courtyard area at Wilson school, into office, conference, music and art room space. This is the only other construction legally permissible at the Wilson school site.

The two relocatable classrooms, according to Principal Cesare Caldarelli, will provide the additional space necessary to house all Wilson school students and can be installed before the opening of school. The school was two classrooms short.

The board of education had sent letters to Wilson parents in June inviting them to attend

the July 22 board meeting to discuss the overcrowded situation at Wilson school.

The letter noted that one possible alternative might be to transfer kindergarten children from the Wilson school to Washington school where space existed. However, before the July 22 meeting was held, another alternative more acceptable to both the board of education and parents — the installation of relocatable classrooms — was found to be financially and legally possible.

Mr. Gurolnick, in announcing the decision to lease the units, noted that if at all possible the board of education tries to avoid inconveniencing and splitting up families, but that the responsibility for the total education of more than 7,000 children rests in the hands of the board and given the rapid growth of the area and the limited bonding capacity of the district, inconvenience is sometimes unavoidable.

Transferring students is perhaps the most distasteful and difficult task a board member can face, Gordon Kopald, board member, commented, "so please believe us when we send out a letter asking parents to come to our meetings. We like to communicate with the people about these things. And we don't want to transfer children if there is any other possible alternative."

A letter from the Golden Acres Homeowner's Assn, thanking the board "for the prompt and courteous manner in which you resolved the problem" was read by Anthony Nathan, a representative of the group, at the board meeting.

In answer to a question about planning, Mr. Gurolnick said that the district is proceeding on its current plan, that is, with construction of the first phase of the new junior high school. He pointed out that the district owns no additional property suitable for school construction, does not have the funds available for purchase of land (or for construction itself) and is currently operating at full bonding capacity and with a considerable deficit.

Honored At Outing

Thomas L. Bondi, 8460 W. Oak ave., Niles and his wife, Mary, have returned from a weekend trip to Pioneer Lodge at Oshkosh, Wisc. An agent for the Allstate In-

urance companies, Bondi was among a group of Allstate agents who won a recent company sales contest. He and his fellow agents were honored during the weekend outing at the resort.

#207 Board Okays 1969-70 Teachers' Salary Schedule

Agreement on a 1969-70 salary schedule has been reached by the Board of Education and the Teachers' Association of Township High School District 207.

Announcement of the accord was made at the board's regularly scheduled monthly meeting, Monday, July 21.

The 1969-70 pay scale represents a 6.6 percent increase over the total amount paid the teaching staff for the past school year, according to John Means, board president. Mr. Means said that salary increases will

average about one thousand dollars per teacher.

William T. Newport, Des Plaines board member and chief negotiator for the Board of Education, said that the approved schedule culminates a long period of discussion with the Teachers' Association. "The final results were achieved in a friendly manner," he stated.

"Our new schedule keeps Maine competitive with such neighboring school districts as Arlington, Glenbrook, Niles, Evanston and Highland Park," stated Dr. Richard R. Short, Superintendent of Schools. Dr. Short said that "if Maine is to continue to attract and retain able, dedicated teachers the salary scale must be comparable to those of other systems in the area."

"Good teaching is the backbone of any quality school program," declared the superintendent. "I am confident that our patrons want no regression in the present level of educational effort and excellence in our schools."

According to Dr. Short, the total estimated cost to imple-

ment the 1969-70 schedule will be approximately \$950,000. The superintendent indicated that approximately one-third of this increase will come from the hiring of 32 additional teachers to meet the district's ever growing enrollment.

"This past year our three high schools enrolled 10,500 students," Dr. Short said. "For 1969-70 we expect at least 11,000. Even with strict economies steady growth and inflation keep our district in a continuing financial bind."

Under the new schedule beginning teachers with a bachelor's degree and no experience will start at \$7,400; inexperienced teachers with a master's degree at \$8,000. These figures represent a four hundred dollar increase over the current beginning salaries. The top of the scale for the master's degree, reached in sixteen steps, will be \$14,300. For those teachers with the master's degree plus an additional 32 graduate hours the top will be \$15,400, reached in 18 steps. The top of the scale for staff members with a master's degree plus an additional 64 graduate hours will be \$16,500, reached in 20 steps.

In commenting on the upper and lower limits of the schedule, Dr. Short pointed out that the majority of Maine's teachers are on the MA or MA plus scales. "Our system is fortunate in having experienced, well trained instructors," he said.

In other action the Board of

Education approved the purchase of a group insurance policy covering the life of each employee. Under policy provisions the premium on the \$5,000 group life plan will be paid by the school district. The group policy will contain accidental death and dismemberment provisions. Mr. Newport placed the estimated yearly cost at \$25,000.

Adoption of a new salary schedule for Maine Township High School teachers, providing for an average increase of about one thousand dollars per teacher, was the highlight of District 207's Board of Education meeting held July 21, in the Faculty Study at Maine East High School.

The salary schedule was negotiated by the Board of Education's Professional Relations committee and the Teachers' Association Salary committee.

Roy W. Haglund, Park Ridge, chairman of the Teachers' Salary and Benefits Program, stated the teachers, through the executive committee of the Association, unanimously accepted the proposed schedule and that a membership vote showed 304 yes votes and 98 negative votes.

In other action, the Board approved the purchase of a \$5,000 group insurance policy covering the life of each employee, the premiums to be paid by the school district.

Plans were finalized for the 1969-70 tentative budget for the high school district, to be pre-

pared by Mr. Harold Markworth, business manager. According to Mr. William T. Newport, board member, this tentative budget will be on file and available for public inspection at Maine East High School on and after Aug. 15, and a public hearing on it will be held on Monday, Sept. 15, at 7:30 p.m. in the Faculty Study at Maine East.

A resolution was passed approving the method of payment to the Butler Manufacturing Company for the erection of a de-mountable type administrative facility on the Maine South campus. The low quotation on the interest rate for this de-mountable facility was 5 1/8%, obtained from the Citizens Bank and Trust Company of Park Ridge. A special meeting will be held to review sub-contract bids on this facility, due in on Friday, July 25, according to Donald Sullwaugh, school architect. Dr. Richard R. Short, Superintendent of Schools, indicated that approximately \$250,000 would be expended for the construction of the administration building.

The board approved and adopted the Maine Township Special Education Program budgets for 1969-70 in the amount of \$120,900 and authorized a special fund to be established in order that these transactions be handled separately from the Educational Fund of Township High School District 207.

Authorization was given for tuition payments for those students attending junior college summer school programs who request "charge back" payments. This will end District 207's responsibility for junior college tuition payments except for those students living in District 207 and south of the toll-way who were not included in the new junior college District 535.

The Board of Education approved District 207 serving as the administering district of Elementary and Secondary Education Act - Title I projects at Maryville Academy in Des Plaines and at the Edison Park Lutheran Home, and authorized the administration of the Maine high schools to make application to the Federal Government for funds to finance the projects. Under the program at Maryville, residents having academic difficulty receive tutoring in the evening by certificated teachers three nights a week. Maryville officials report that the program is successful and that students have benefited from the individual attention tutors have given them through the program. At the Edison Park Home, Title I funds would purchase supplies and equipment to be used in a reading program, and would provide the services of an activity therapist.

Other action taken by the board included:

Approval of 12 teacher resignations, 30 new teacher appointments, and nine non-certified personnel appointments.

Confirmation of the appointment of Dr. Michael J. Myers as administrative assistant to the Superintendent of Schools.

Approval of a nurses' salary schedule for 1969-70.

Approval of State reimbursable programs in the areas of Special Education and Cooperative Education.

The next monthly meeting of District 207's Board of Education will be held on Tuesday evening, Aug. 19, instead of Aug. 18 as previously scheduled.

Telephone Sound Different?

Yours Will After August Third If Your Telephone Number Begins With
693, 694 Or 825!

That new sound you'll hear on your telephone after August 3 is the sound of progress because it means your telephone is one of those being served by Central Telephone Company of Illinois' new Crossbar Dial Switching equipment in Park Ridge.

If your telephone number begins with "693", "694", or "825", you'll hear a new type of dial tone, busy signal, and other types of signals. The new sound is only one of the pleasant changes you'll notice when using your telephone. They are all designed to make your telephone service the most pleasing and convenient to use thanks to developments that are a part of today's modern communications.

Art Guild Films Aug. 6

Two films of interest to everyone with a goal will be screened at the Niles Art Guild meeting Wednesday evening, Aug. 6 at the Niles recreation center, 7877 Milwaukee ave., at 8:30 p.m.

The stars are Vince Lombardi of football fame, featured in the film "Second Effort" and Van Johnson with Forrest Tucker in "The Professional." These films, written and produced for the professional salesman, have been acclaimed by top sales organizations as the "Keys" to positive results in sales, not just in products, but in club functions as part of membership drives, fund drives and general "Help the boy" activities.

Films are being made available to the guild by the Dartnell corporation, producers of "Second Effort." Admission is free and everyone is invited.

Ford Grant For John B. Mack, #63 Librarian

John B. Mack II, Library director at Stevenson school in Dist. 63 and a Library director and instructor at Chicago State college, is among 104 faculty members who have received awards for advanced graduate study during the 1969-70 academic year from the Ford Foundation. The grants, totaling \$937,713, were made to 70 universities and colleges.

Mack is one of 4 faculty members of colleges in Illinois listed to receive a Ford Foundation award. His award amounts to \$9,775.

This year's winners were selected from more than 450 applicants by a bi-racial faculty committee representing both public and private institutions. Candidates' areas of specialization include the humanities, natural and social sciences.

Welcome

A boy, Nicholas Peter, was born to Mr. and Mrs. Dante Buccini, 9767 Huber Ln., Niles, on July 14. The baby weighed 6 lb. 10 1/4 oz.

THE LOVE RANGER RIDES AGAIN
6:30 PM
WEDNESDAYS
Sponsored by TOWN HOUSE TV AND APPLIANCES

New Sound Will Be Coming From Some Phones After Tonite

Central Telephone Company of Illinois customers whose telephone numbers begin with 693, 694 and 825 will rise early Sunday morning Aug. 3 with a new sound coming from their telephone. Even earlier that day 83 workmen and a corps of engineers and supervisors will have placed Central's Crossbar type dial switching equipment into operation.

After 2 a.m., the time of the change, customers in the affected exchanges will notice a new sounding dial tone, busy signal and other types of signals. These are designed to be more pleasing and are originated by the new equipment.

Central Telephone Company of Illinois announced in March 1967 that it would undertake a massive service program which would ultimately provide every area customer with Crossbar dial switching equipment. The Crossbar equipment as supplied by the Western Electric Company is identical with that used in the surrounding Chicago metropolitan area and as such is directly compatible. This means

calls can go directly forward without moving through intervening equipment which can slow calls. The new type of equipment is highly computerized and in many cases is self-testing. With most maintenance being automated, trouble is spotted quicker, and consequently can be remedied before major problems occur.

In the announced service program a total of five steps will be required before every area customer is changed to the new equipment. The coming change in Park Ridge is step two of the program, with the initial step coming in September 1968 when a similar installation was completed in Des Plaines. Two additional steps in Des Plaines and one in Park Ridge will complete this phase of the program.

At the moment of the cut-over customers in the affected exchanges will have a slight interruption to their service. This time is expected to be kept at a minimum due to the

hour of the day, highly detailed advanced planning and rehearsals by the persons performing the change. Special arrangements have been made to make sure that any special emergency telephones are only interrupted a few seconds.

Installed with the Crossbar equipment are special features that will allow customers with 693, 694 and 825 number prefixes to have push button dialing rather than the customary rotary dial. This feature will be common in each of the Crossbar units and will be available as an option for a slight monthly charge.

All of the new equipment is housed in a 3-story building at 40 S. Fairview ave. in Park Ridge. Construction of the building began in November 1967 and with the change due on Aug. 3 it will have been just 21 months since the entire project began. There is adequate space in the building for both the present and future equipment additions.

NTJC Pupil Registration

As the religious schools of the Niles Township Jewish Congregation prepare to launch their 19th academic year, it was announced the office of the synagogue at 450 Dempster st., Skokie, will be open on Sundays in addition to weekdays for registration of new students.

From 10 a.m. to 12:30 p.m. on Sunday mornings Samuel Weiss, director of religious education, and members of the Board of Religious Education will be on hand to assist parents in arranging adequate religious education for their children.

The one-day department will reopen Sunday, Sept. 7, and the

Hebrew department on Monday, Sept. 8, and Tuesday, Sept. 9 (depending upon what class the child attends). They are certified by the Board of Jewish Education in Chicago.

A Gan Yeladim, daily pre-school nursery department, is also conducted by the congregation and begins on Monday, Sept. 8.

Children automatically re-enrolled in the Hebrew or one-day departments will receive forms shortly informing them which classes to attend.

The one-day department of the religious school of the congregation is the oldest institution for religious training of

Jewish boys and girls in the township. Classes are held from pre-school through high school years, including Confirmation.

Classes in the Hebrew department are held three times weekly in Hebrew language, Bible, prayer book and classical and modern Hebrew literature. Graduation from the Hebrew department is at the end of five years of study. There is a community Hebrew high school for those students who have completed their elementary training.

Four years of attendance in the Hebrew department are required for Bar Mitzvah or Bat Mitzvah. Children should enroll at the age of nine years.

Theis Promoted

Navy Ensign William H. Theis, son of Mr. and Mrs. Clarence M. Theis, 5704 Reba, Morton Grove, was promoted to his present rank at Naval Schools Command, Naval Base, Newport, R. I. Selected by a board of senior officers, his promotion was based on time in service and rank and performance of duties.

He is now attending Officer Indoctrination School - preceding his final year of law school. He is receiving orientation in general military and naval subjects in preparation for active service as a Legal Officer in the Judge Advocate General's Corps, USN.

Ensign Theis is a graduate of Loyola university, Chicago.

CLOSING PROGRAM

Closing program for the St. Luke's United Church of Christ will take place tonight, Thursday, July 31 at 7:30 p.m.

Junior and Senior High Youth Groups will go to the Cubs ball game (Friday, Aug. 1. They will meet at the church at noon.

On Sunday, Aug. 3, Summer Communion service at St. Luke's. The Sacrament of Holy Communion will be served at 10 a.m. service. Pastor Ross will speak on the subject "Come With Faith."

Marquardt Named To CATA Post

Clarence W. Marquardt, Jr., President of Montgomery Motor Sales Co., an Oldsmobile dealership at 8833 Waukegan rd., Morton Grove, has been elected secretary of the Chicago Automobile Trade Association. The CATA represents more than 425 new car dealers in the Chicago area.

Marquardt, who has been in the automobile business for 25 years, has been operating the Oldsmobile dealership at the same location for the past 12 years. He was elected at the association's 65th annual meeting at the Elmhurst Country Club.

As a director of the CATA for the past 5 years, he has served on a number of committees. He was treasurer last year and is currently a member of the executive show committee which will direct the operation of the 1970 Chicago Auto Show to be held Feb. 21 through March 1 in the International Amphitheatre.

A Notre Dame graduate, Marquardt serves on the advisory board of Notre Dame and Regina Dominican High schools. He is a member of the Navy League, the American Legion and the Oldsmobile Dealers Advertising Association.

New Students, Director

New students in Illinois Masonic Medical Center's School of Radiologic Technology pose with Ronald Smith, Director, in the new Special Procedures Room of the X-ray Department. From

left, are Nancy Brown, Janet Jordan, Sharon Peshok, Janet Plarski, Michael Blane, Ronald Smith, 7132 W. Lee st., Niles; Judith Breiner, and Rita Wochnik.

Beltone Post For Lucas

James T. Lucas, 9220 N. Odell, Morton Grove, has been named manager of dealer advertising and sales promotion for Beltone Electronics Corporation, according to an announcement by David Smith, Beltone's director of marketing.

In his new position Lucas will plan and execute advertising and sales promotion programs for Beltone's network of approximately 350 franchised dealers located throughout the U.S. and Canada. The company's dealer advertising and sales promotion activities utilize a wide variety of media including newspapers, direct mail, radio, televi-

vision, window displays, fairs and outdoor signs.

Lucas has been associated with Beltone for four years and served as manager of sales promotion prior to assuming his new responsibilities. Before joining Beltone he compiled an extensive background in both corporate and agency advertising. He is a graduate of Northwestern university where he received a Bachelor of Science degree with a major in marketing and advertising.

Lucas and his wife, Valoise Helen, are parents of a daughter, Laura Valoise.

Area Shriners Aid Picnic

Shriners who are residents of this area will take an active role — both as officials and guests — on Friday, Aug. 2, at what is generally considered the "world's largest picnic," Medinah Temple's annual Family Party. It will be held at Oak Grove Farm, Naperville, Ill., just north of 87th st., on Washington-Naperville rd.

An attendance of about 5,000 Medinah members and their families is expected to attend.

In addition to games, races, rides, contests and refreshments which usually feature a picnic, entertainment will be provided by a number of Medinah's famous units, most of whom participated in the huge parades at the national Shrine convention in Seattle several weeks ago.

Art Fair Exhibitors

Artists exhibiting in the 12th annual Gold Coast art fair Aug. 15-17 include: David Hirsch, 6601 W. Maple, Morton Grove; Victor Ing, 5810 N. Lincoln ave., Morton Grove; "Elio," 8921-E N. Washington st., Niles; Barbette Loewy, 8655 National, Niles; Maxine Saltsberg, 9209 N. Potter rd., Des Plaines; Donald Stillman, 9345 Maple in., Des Plaines; Barbara Tuch, 7536 Lyons, Morton Grove; Helen Van Tempera, 9511 Oliphant st., Morton Grove; Temma Walker, 8327 Maynard Oval, Niles.

Welcome

A boy, Christopher Thomas, was born to Mr. and Mrs. Thomas N. Torhorst, 8843C Robin dr., Des Plaines, on July 7. The baby weighed 7 lb. 8 3/4 oz.

Tour Group Departs

Members of Maine Township High Schools' fifth annual "Humanities Abroad" educational tour group gather just before departure from O'Hare International Airport for a three-week tour of Europe. The group, comprised of students from Maine East, South and West, with participating adults and chaperones, are visiting seven European countries. Special attention is being given to art, architecture, music, literature and history of the European locations. Paul Healy and Hazel Anderson, both of Maine East's English department, are serving as faculty trip directors.

also to Richard M. Soens, Chicago, employed at CPC International, Moffett Technical Center, Argo. William J. Butler, Skokie, received a 2-year Computer Programmer certificate. Mr. Butler is employed by ITI Bell & Gossett, Morton Grove.

Congratulations

A girl, Laurie Renee, was born to Mr. and Mrs. Burton J. Weisberg, 9323 Hamlin, Des Plaines, on July 12. The baby weighed 6 lb. 12 oz.

By Wally Motyka

OLD SOL AND YOU...

"It's Summer Time and The Living Is Easy." This may be true in your case, but here are a few facts concerning scratchy, irritating, yet non-catching Erythema Solare - (better known as sunburn). A leading dermatologist had this to say:

"Sun ages the skin. Too much of it over long periods destroys the elastic fibers, or connective tissues, and they become degenerated. These fibers are like rubber bands and hold the skin taut. If you overdo it, even with a tan, the rays get down into the connective tissues."

Although there are many preparations sold today to help you get a tan or relieve a sunburn, there is no preparation made that will replace good common sense. Remember, summer is far too short to waste recuperating from a bad burn that could have been avoided.

Remember, too, before you leave on your vacation, stop by BIRCHWAY DRUGS... 7503 Milwaukee Ave. ... or call ... 647-8337 for prescriptions and medical supplies to last for the duration of your trip.

At Luncheon Session

Rev. Joseph C. Stroot, C.S.C., right, president of the Notre Dame-headquartered History Teachers Association, greets Alfred P. Williams III, center, and Dr. Robert E. Burns, associate professor of history at Notre Dame, during a luncheon session of the July 12 association meeting on the Notre Dame campus. Williams, a com-

munity planner for the South Bend United Community Services, spoke on the Afro-American experience in teaching American history, and Burns was chairman of the one-day meeting, which had Afro-American history as its theme. Father Stroot is a social science teacher at the Niles high school.

Dist. 64 Library Program Ends

The summer library programs of the District 64 schools will be concluded this week with the close of summer school. The successful program, an experiment this summer, was conducted in cooperation with the Park Ridge Public Library and the Niles Public Library.

Approximately 150 children registered at the Jefferson and Washington school libraries. In addition, 325 children attending summer school at the two elementary schools checked books from the two libraries at least once or twice each week.

Both summer school and the school libraries will close Friday, Aug. 1.

Interest Costs

Interest costs on the sale of \$3,000,000 in educational fund tax anticipation warrants, April 3, 1969, have amounted to \$45,069.46, according to Dr. Richard R. Short, Superintendent of Schools of Township High School District 207.

In commenting on the interest costs, Dr. Short said that deficit financing and delayed tax billing made it necessary for the Maine High Schools to sell the warrants in order to operate through the fiscal year.

"\$45,000 could do a lot of good things for our schools," said Dr. Short. "With this money we could equip four of our new science labs at Maine North, equip two of our new industrial art shops, or hire four teachers at our average annual salary for 1968-69, \$11,200."

Joins Firm

David C. Grupp, Morton Grove, was recently named an executive of the Chicago-based Kemper Insurance Group. Grupp, a registered professional engineer in Illinois, is a staff engineer in the loss control engineering department of the Chicago office.

He joined the companies full-time in 1961 after receiving a degree in fire protection and safety engineering. He, his wife Marlene and their two children live at 8911 N. Olcott, Morton Grove.

Orientation Day

Since there are some 23,000 students expected at Northern Illinois university in DeKalb this Fall, the job of orienting new students is being accomplished by three-day sessions held throughout the summer. With only 300 students going through orientation at a time, all parties benefit. Here future students Kathy Karasukas of Niles and Mark Hecht of Forest Park (both standing) receive registration materials from NIU students. While attending the orientation sessions, the entering freshmen and transfer students are housed in campus dormitories.

Hoyt Plant

Hoyt Fastener Corp., suppliers of a complete line of screws, washers, nuts and bolts is building a 28,000 square foot plant at the corner of Oak Park and Jarvis aves, in the Tam O'Shanter Industrial, Fairways section of Niles, D.J. Velo & Company is the general contractor and J. Emil Anderson is the architect. They expect to be in their new quarters by the end of September.

PWP Meeting

Albert W. Gass will be the guest speaker at Chapter #168 of Parents Without Partners, Inc., Aug. 1. His subject will be "Recent Developments in Mental Health in Our Community." The meeting place is the Knights of Columbus Hall, 15 N. Hickory, Arlington Heights at 8:15 p.m.

In Vietnam

Marine First Lieutenant Martin E. Roach, son of Mr. and Mrs. Earl M. Roach, 8930 Mansfield, Morton Grove, is serving with the First Marine Aircraft Wing in Vietnam. The First Marine Aircraft Wing is the air arm of the Third Marine Amphibious Force in the I Corps.

Baseball News

PEANUT LEAGUE EAST DIVISION

Yankees 8 - Mets 4, Clutch hitting by John Carter and Jay Fine plus good fielding by Brett Baccl helped the Yankees win over the Mets. Good pitching was displayed by both teams.

Cougars 10 - Colts 4, The big RBI men for the Cougars were Greg Kapka with 4 and Paul Haras with 3, Tim Morrison led the hitting with four safeties.

Braves 7 - Cougars 7, Probably the finest game of the season was played in this contest between the first round winner, Braves and the second place Cougars. The game sawed throughout, with both teams displaying the best in exceptional fielding in key situations plus timely hitting.

Yankees 8 - White Sox 1, Two triples by Steve Maninna with the bases loaded sparked the hitting for the Yankees.

Colts 3 - White Sox 2, The Sox were within an eyelash of another win but a double by Greg Trum driving in two runs put the game in the Colts win column. Two double plays involving Dave Murray to John Cline for one and Jeff Ash to Mark Plaza to Tom Hlava for the other stifled the Sox scoring threat.

Cougars 9 - Mets 2, The Cougars powered passed the Mets with the hitting of John Koziol, Tim Morrison, Greg Kapka, Bill O'Connor and Jeff Chaffin. The Mets showed a never-say-die attitude throughout the entire game.

Padres 1 - Cubs 0, The Padres won this one on a forfeit.

Braves 21 - Padres 11, The hard hitting Braves won this slugfest from the Padres with homers by Bob Keener, Jeff Johnson and Jim Pullano, Keener, Johnson, and Schween also doubled to round out a 17 hit attack.

continued from page 14

Cougars 7 - Yankees 4, In the Cougar season finale, the score was 3-3 when John Koziol broke the game open by doubling with two men on base followed by Greg Kapka's home run.

Dodgers 5 - White Sox 1, Excellent field play by the Dodgers allowed them to overcome a vastly improved Sox team in their last encounter. Two double plays wiped out Sox scoring threats. One of these DP's was only an eyelash from being a triple play, Triples by Tim Re and Mark Wodka plus the hitting of Robby Smith and Mike Kroll and Billy Stone's first hit of the season rounded out the Dodgers' hitting attack, Jimmy Ruben helped the Dodgers' cause with two singles.

NATIONAL DIVISION

July 27, 1969

Astros 8, Dodgers 5, Pat Parrish hit a double in the fifth and Doug Harczak had three for four at the plate, Bob Fergus got the Astros going in the first with a grand slam home run, Dale Lundius got a double in the third with two men on to score runs 5 and 6, Mark Schwartz got two for two at the plate also for the Astros, Parrish pitched the entire game for the Astros striking out 12 and allowed 6 scattered hits.

Mets 6, Pirates 2, The Mets clinched fourth place and moved into the playoffs with this victory. Rob Conturno pitched 3 hit ball for the Mets, Conturno collected 2 hits, Steve Cappazoli had 3 hits and David Schill had 2 hits for the Mets, John Gorack collected 2 hits for the Pirates.

Phillies 10, Pirates 0, Brian Swenson pitched his second shutout in two weeks stopping the Pirates with only 2 singles. Swenson pitched no hit ball until the fourth inning when Barton singled to right field. The Phillies hitting attack was paced by Foggia with a home run and a single; other timely hits were made by Swenson, Mallochleb and Berkowski.

Dodgers 14, Phillies 12, In a wild slugfest, the Dodgers edged the Phillies in the sixth inning on a home run by Mark Elatkin, Tom Romano also homered for the Dodgers in the 2nd inning. Leading the Phillies hitting were Berkowski with 3 doubles, Taylor with a home run and two singles, Foggia with a home run

Niles Swim Carnival

Hawaii - Land of palm trees, surfboards and gorgeous tans, making it a perfect theme for the Niles Swim Carnival this year. Besides some really exciting prizes donated by the local merchants, there will be trophies and ribbons for awards in the many events planned. Swimming races will be held in freestyle and backstroke plus exciting novelty events such as the egg race and penny pickup. Even parents can get into the act with a race for mothers and fathers in freestyle. To top the afternoon off, there will be family relay events and a tug of war between the guard staff and a mystery group.

As a change from the competition of the different races, there will be a presentation of synchronized swimming num-

Niles Park Dist. To Host Swim Meet

The Niles Park District will host the first Northern Suburban Synchronized Swimming meet on Aug. 31 at 6:40 p.m. at the Niles Pool. All girls from Niles, Park Ridge, Glenview, Morton Grove, Des Plaines and Skokie, ages 10 through 17, as of May 1, 1969 are eligible.

Competition will be held in three categories: Solo, Duet and Team, with a maximum of eight girls and a minimum of four in this last event. Contestants will be divided into three age divisions: Junior ages 10 through 12, Intermediate, 13 and 14, and Senior, 15 through 17 years of age with awards given for first through sixth places. A younger girl may move up to an older age division to compete in a Duet

Niles Pony League All-Stars

Fourteen boys were selected on the votes of the league managers to represent the Niles Pony League in All-Star competition.

They will enter three tournaments: the Belwood Tourney, Aug. 4 thru Aug. 12; the Niles Tourney, Aug. 18 thru Aug. 29; and the Deerfield Tourney, Aug. 15 thru Aug. 29. Their first game will be in Belwood Aug. 6 at 8 p.m. vs. Hillside.

Selected were: Barry Mueller, Lions of Niles, Cubs; Kev. Scottlaro, Lions of Niles, Cubs;

M.G. Park District News

Teen Club Swim Party

Morton Grove Park District's Teen club the "Social Scene '69" announces a Teen club swim party Saturday, Aug. 2 from 9 to 11 p.m. at the Harrer Park Swimming Pool, 6250 Dempster. Admission is 25¢ and "Social Scene" membership card. Teen club memberships may be purchased at the Park District office.

Reschedule Car Wash

Plans for the Morton Grove Park Districts Teen club Car Wash July 27 were foiled by the weatherman. The car wash will now be held Saturday, Aug. 2 at 1 p.m. by the Harrer Park Pool. It will be open to the public for \$1. Proceeds will go toward the club's future activities.

Family Nite, Tentoree

The theme for this year's Family Night and Tentoree is "Happening '69." All six parks will be presenting their skits starting at 7 p.m., Friday, Aug. 1, 1969. Later that evening there will be a free swim at the Harrer Park Pool. To round out the night there will be the Tentoree!

Tentoree is an all-family campout designed for families who love never tried camping and would like to go camping.

In Rehearsal

with Morton Grove Music Theatre. Cary Libkin and his sister Mady Libkin are both vital members of the production staff, serving as technical director and vocal director respectively. This same combination of design and musical talent was featured in "West Side Story" last summer, a production also sponsored by the Morton Grove Park District. In all, they have worked together for three years, including three major productions and several revues. Cary, 19, is a junior at Bradley university in Peoria and Mady, 16, is a senior at Niles North High school.

Chris Ziebkka is playing the lead role of Ann in the musical and her sister Mady is portraying one of the shogirls, a strong supporting role. Although Chris and Mady have never before been in the same production, they find that their talents run along the same lines. Both girls sing and play the guitar, and both have worked before with the Morton Grove Teen Theatre, which produces shows during the school year. Chris, 20, first worked with the Morton Grove group during its production of "The Wizard of Oz" in which she played Dorothy, and Mady, 16, joined the group soon afterward.

Jim and Stuart Rosen are playing lead roles in the production: Jim the part of Harry Chitterlow and Stuart the part of Buggins, one of the shopboys. Stuart has appeared frequently before in other productions, including his portrayal of Baby John in "West Side Story" last summer. However, this role marks the acting debut for Jim, a psychology major at the University of Illinois, whose previous theatre experience had consisted mainly of attending his brother's performances. Both brothers profess that "Half a Sixpence" has brought them closer together, as Stuart coached Jim for the part, with amazing results, as audiences will soon see.

Sponsors "Check" In

Mrs. Ivy (Dee) Hlava receiving checks from sponsors for the Niles Youth Congress Girls' Softball League. Pictured with Mrs. Hlava are Mayor Blase, sponsor of Blase's Flames; Jack Leske representing the Rotary club, sponsors of the Rotary Wheels; Todd Bavaro representing the Lions club. In the background are members of the Skaja Terrace team and Booby's team.

Prep Star Gets Scholarship

Al Chapman, star shortstop for three years at Niles Township High school West, has been awarded a full baseball scholarship at the University of Denver.

Chapman, who for three years hammered the ball at a 400 clip led this year's Niles Indians to the sectional finals. The Indians have been conference champions four times since they started playing 7 years ago and have never finished lower than third.

At 5'8" and 170 pounds, Chapman admits he is no home run hitter. Line drive base hits are his specialty. With his 400 average in 1969, he led the team in hits and total bases.

Along with his marksmanship at the plate, Chapman has what every coach looks for in a ball player - he rarely strikes out. Only once during the 1968 season did he fan and only six times in 1969.

The Mellow family boasts diversified talent. Julie Mellow is playing the part of one of the shogirls in the musical while her brother Glenn Mellow is playing the violin in the orchestra. The two worked together, on the stage and in the pit, only once before, in Niles North High school's production of "The Unsinkable Molly Brown" last year. Julie, who will enter the University of Illinois in the Fall, had worked with Morton Grove theatre often before but for Glenn this is his first appearance with the group.

Margaret Silk may be remembered by area residents for her portrayal of Maria in last year's "West Side Story" production. Now, a year later, she has joined the cast of "Half a Sixpence" and this year her sister Karen is also appearing in the show, as a member of the chorus. Both sisters have worked with the Morton Grove theatre group before but never before have they been in the same production. Besides singing and dancing, both girls play the piano. Karen is a sophomore at Niles North High school and Margaret is a sophomore at the University of Illinois, Chicago Circle, looking forward to a career in theatre.

The male chorus of the musical boasts another set of re-talents, Gary and Steve Kleitfield. Both add their singing and dancing abilities to the many large production numbers in the show. Gary, 18, is well known in the group for having managed the MGMT softball team in their famous fourth of July encounter with the Ridotto players. Steve, 16, played an outstanding second base on that team, and together the brothers provide the cast with a real morale booster, on the field or in the rehearsal hall.

LETTERS to EDITOR

Gentlemen:

If some immediate action is taken, it could mean the saving of children's lives.

Greendale ave., from the Thomas Jefferson school to Prospect, is a properly posted one-way avenue, however this means nothing to a certain element of people, including delivery trucks, mailmen, etc. This flaunting of the law is most obvious during the morning hours and also the after work hours. The people that are breaking this law, do so at a high rate of speed in order not to be apprehended.

Save A Life

Now, here is the most terrible aspect of this situation. This street and others nearby are filled with children to and from school and playing in the street after school hours.

Need more be said?

All that is needed is to have this street watched by the Niles Police. Just a few tickets to violators will work wonders. Throw the weight of the BUGLE behind this. The saving of only one life will make the effort worthwhile.

Thank you,

Leonard J. Brown

Reads Bugle In Vietnam

Dear Sir:

I'd like to thank you very much for sending me, in Viet Nam, the publications of The BUGLE while I was serving over here. It made my tour a little bit more enjoyable.

Now that my tour is almost up, I'd like to inform you of not sending the paper to me out here. As of Aug. 5 I'll be able to enjoy the BUGLE at home.

I'd like to thank you again for sending me the paper.

SP/S Richard L. Lisy
51st Maint. Co. (L) 4 DS

Mill Supt.

Lennert Schilling has been named general mill superintendent at H. M. Harper Company, Morton Grove, according to Charles Harper, vice-president - manufacturing. Mr. Schilling has charge of melting and extrusion production and engineering at Harper's Morton Grove extrusion mill.

Examination

John T. Michalik (left), of Niles, examining a mini-circuit board that is typical of the new solid state electronic technology. Demonstrating this portion of a color television set built with the works in a drawer is Stan Fic, plant manager, Franklin Park plant, Motorola Inc.

Completes Special Course

John T. Michalik of Niles has completed a special instructional course in the new solid state electronics technology conducted at the Franklin Park headquarters and color television assembly plant of Motorola Inc.

Mr. Michalik, who is a salesman at Polk Bros. Skokie store, was one of several hundred top executives, store managers and electronic salesmen of the large retail organization who have been visiting Motorola for the training which is designed to

offer the latest information on electronics and the consumer benefits of the solid state Quasar color television receiver with the "works in the drawer."

Motorola executives took the Polk personnel through the steps involved in the production of solid state devices and the mini-circuits, how service is handled and finally toured the group through the plant where the Quasar is assembled.

Mr. Michalik resides at 6901 W. Birchwood, Niles.

M.G. Legion News, Notes

Members of the American Legion Post #134's gun club, in keeping with the tradition to keep America safe for the people, have again completed the basic rifle course of the National Rifle Ass'n, in cooperation with the United States Army Director of the Civilian Marksmanship Program.

Legionnaires Deno Zuccullo, Joseph Zuccullo and S.A.L. (Sons of the American Legion) members Edward Martin, Jr. and Michael Koob, all of Morton Grove, who are certified instructors by the N.R.A. and expert riflemen have instructed some 16 boys in the nomenclature, handling, safety measures and how to shoot. These youth will become members of the Jr. Rifle club to carry the honors of those who have gone into service of their country, or have become of age to join the Sr. Rifle club.

The following youth have received their N.R.A. basic certificates and are now eligible to shoot for higher ratings (incidentally, to train a boy to really be a proficient shooter takes 2 - 2 1/2 years of practice and instruction): Terry Bellow, Jarvis Rathbone, from Glenview; Gary Brglers, Mark Richmond, from Niles; Thomas Rieck, Robert Rieck and Kevin Moroway from Chicago; Bruce Minick, Albert Watkins, Gary Kritzberg, Robert La Rosa, Frank Hilbert, Doug Mueller, Ronald Gillen, all from Morton Grove; Mark Wendling from Arlington Heights; and John Doody from Park Ridge.

Most of these boys attend school at Notre Dame.

Two boys won N.R.A. medals for outstanding shooting: Bob La Rosa, 8520 Frontage, Morton Grove; and Kevin Moroway, 7222 Overhill, Chicago.

On Sunday, July 20 the North Shore American Legion Post dedicated its new Legion Home in Chicago in formal ceremonies.

Members of the Morton Grove Post #134, American Legion and its Auxiliary, desiring to share in this most special occasion attended the lovely services.

Post commander-elect Albert Nehart and his wife, the retiring Auxiliary president attended along with 1st Junior Vice commander-elect William Cunnally and his wife; also Mr. and Mrs. Jack Bartholmy, she a past president of Unit #134; and past commander Mr. and Mrs. Carl Sonne.

The Morton Grove Post #134, American Legion Rifle Squad recently elected officers for the ensuing year.

Past commander William Kramer was selected commander. He then becomes the Post sgt. at arms in these duties.

Others elected with him were: vice-commander, past post commander Ed Mc Mahon; secretary, Howard Karsten; and treasurer, retiring Post commander Francis Selzer.

The Squad meets independently once a month and marches in parades, posts colors at meetings, participates in patriotic and Americanism functions and takes part in its comrades' wakes and funerals.

NILES POLICE REPORT

July 28— Theft from her auto parked in the Golf Mill shopping center was reported to police by Kristina McGraw, 9116 Sanate dr. Unknown persons removed the grille from her Mustang... a theft from his auto while parked in the G-M shopping center was reported to police by Richard Gaddini, Chicago. Unknown persons removed the right front hubcap and splash fin from his Mustang. Items were valued at \$50... Theft from her auto parked in the G-M center was reported to police by Marie Marville, Glenview. She told police the hubcaps of the car were removed and the trunk lock and antenna damaged on the Oldsmobile ... Mrs. Zawisza, 7246 Conrad, reported the theft of her son's blue, 5-speed Schwinn bike while it was parked at Armand's restaurant, 8801 Milwaukee. Entry was made thru the southeast side of the building and \$145 in currency was taken... Theft from his auto while it was parked at the rear of 8421 Milwaukee was reported to police by Mr. Orzga of the Milwaukee address. Numerous tools, valued at \$300, were taken by unknown persons.

July 26— Motor vehicle accident was reported at Dempster and Cumberland. Vehicles were driven by Joseph Mishkin, Skokie and Gary Lavar, 8423 Johanna, Lavar was issued a citation for failure to yield at an intersection.

July 25— NFD was called to 6310 Gross Point rd. to extinguish an oven fire in the home of Mr. and Mrs. Mutschman... Burglary was reported at 7005 Milwaukee. Robert Sosnowski told police unknown persons had broken the padlock off the east door.

July 27— Ambulance call was made to 8320 Ottawa, Beverly Koho, 42, had fallen down a flight of stairs and was transported to LGH for examination and treatment...

Motor vehicle accident was reported at Dempster and Cumberland. Vehicles were driven by Joseph Mishkin, Skokie and Gary Lavar, 8423 Johanna, Lavar was issued a citation for failure to yield at an intersection.

July 26— NFD was called to 6310 Gross Point rd. to extinguish an oven fire in the home of Mr. and Mrs. Mutschman... Burglary was reported at 7005 Milwaukee. Robert Sosnowski told police unknown persons had broken the padlock off the east door.

July 25— Theft from his auto while parked in the G-M shopping center was reported to police by John Halles of Chicago. He told police unknown persons took a racing mirror and 2 tail lite assemblies from his '69 Ford ... Motor vehicle accident was reported at Dempster and Sherman, Lee LaBadie, Des Plaines, driving a Harley-Davidson, was issued a summons for failure to reduce speed to avoid a collision and was taken to LGH for treatment of injuries. Driver of the other vehicle, Barbara Levey, 7039 Carol, was issued a summons for failure to yield the right-of-way... Mrs. Majeskie reported the theft of her son's bike from their home. The black and silver Schwinn Stingray 5-speed bicycle had handbrakes.

July 27— Ambulance call was made to 8320 Ottawa, Beverly Koho, 42, had fallen down a flight of stairs and was transported to LGH for examination and treatment...

M.G. Days Schedule

Continued from MG Page 1

John Arendt, Sunday's big Dempster st. parade chairman (Aug. 17) indicates his parade Marshal, Dick Ware and he have lined up many lively and interesting musical groups, marching units and individual funny people for that day, with the parade scheduled for a 1:30 p.m. march-off.

The Directors are especially interested in this year's affair as a preview for the coming 75th anniversary of Morton Grove 1970 and are leaving no stones unturned to produce one of the final Morton Grove Days in the village history.

Here's a capsule of some of the coming events, Opening night Aug. 14, continuing Friday night, Aug. 15 and on Saturday, a big Kiddie Parade on Dempster in the afternoon, with the Linne Woods ground ready for the evening crowds into the wee hours, Sunday at 2 p.m. the big Morton Grove Days parade on Dempster st. and about midnight, just before closing time, the selection of the grand prize winners.

Happiness is... Morton Grove Days, 1969, will include a Kiddie Parade on Dempster st. at 1:30 p.m. Saturday, Aug. 16. Prizes will be awarded for the best costumes, the most unusual, and themes in keeping with the Snoopy approach to Happiness is... theme.

For the participants, there will be free ice cream, free cokes, free rides after the parade returns to Linne Woods Dempster st.

If you want to be in the parade, call Ralph Weiss at YO 6-9888 before Aug. 8, give him your name, telephone number, and describe your costume.

Any civic organization, commercial establishment, individual or group may participate in the parade. Floats are especially invited, and any musical group are welcomed.

M.G. Village Board

Continued from M.G. page 1

loss of trees from Dutch Elm disease, arrangements have been made with the Dundee Nursery to replace lost trees at about \$58 each with a 6-month guarantee. Those citizens wishing to take advantage of this offer on a 50/50 basis should call the Village Hall for further information.

Dr. Moore of the village Board of Health will speak on Air Pollution Control the morning of Aug. 5 and later that afternoon, at a hearing, will present Morton Grove's case to maintain its Certificate of Exemption for Air Pollution.

Herbert Houndt said the Public Works dept. has requested those citizens who hire private concerns to cut down trees and branches of trees to have these companies remove the debris or see the branches are no longer than 3 or 4 feet long, since this can be a problem for the Public Works dept.

Wilander said he met with Fred Huber and Chief Scanlon and as a result of a traffic survey, curb signs and "Watch That Child" signs have been put up on Oriole and Palma Lane.

Wilander said a letter of thanks for aid had been received by Chief Hildebrand from the Glenview Fire Chief Kenneth Woods, Police Chief Scanlon sent a letter expressing the delight of the Fire Dept. upon receiving their new higher rating.

Wilander then moved to have Atty. Nordberg draw up a resolution commending Lt. Larry Schey upon successfully completing his law course, the board agreed.

Mayor Bode presented Frank McTier as chairman of the Public Information committee for the village. The board unanimously approved this appointment.

Atty. Nordberg read an ordinance declaring Foster and Marion a 4-way stop. All approved and the ordinance was passed.

Clerk Fred McClary read a letter of resignation from August J. Grazio who served for 8 years on the Planning and Zoning Board. The board agreed to accept the resignation and also to send a letter of thanks to Mr. Grazio for his many years of service to the community.

David Cohen said in early September, after a thorough analysis, the resolution to abolish the Utility Tax will be presented to the board.

Mayor Bode read a letter from Mr. Arndt, chairman of Morton Grove Days, inviting board members and their wives to ride in the parade Sunday, Aug. 17 at 1:30 p.m. The mayor also read a letter from the St. Jude's Childrens Research Hospital requesting permission to hold a Teen March in the village Sept. 14-21. Permission was granted.

The board voted to pave under the mail box at the northwest corner of Sufferd and Oriole after Tony Fragasai said children have been hurt with glass broken on the mail box at that location.

Continued from Page 1

the Democratic party in Chicago?

Suburban Cook county might, as Blase claims it is, be receiving a deaf ear and a mute tongue from the Democratic party of Cook county, but what would happen to the Democratic party of Chicago if a suburban official were to be elected Democratic Central Committeeman? Eyes and ears might then be turned in the other direction.

Blase plans on next trying to convince other suburban Democratic committeemen of the soundness of his proposals. Biggest task will probably be convincing Daley the proposals should have been made in the first place.

The Albert Nehart family, 9242 Marmora, Morton Grove, got a closer look at Springfield when they met with Rep. Edward A. Warren at Skokie recently when Nehart had business at the state capitol. State Rep. Warren, left, is followed by Mrs. Lorry Nehart and Sharon. Little 5-year-old Nancy, in front, is oblivious to everything except the sun and cameraman. Nehart and the couple's only son, Bill, are in the background.

"Now" Stars

My parents know that we've been sleeping together, Brenda (Ali MacGraw) breaks the news to Neil (Richard Benjamin) that their not-so-orthodox relationship has been discovered. Paramount Pictures presents a Stanley R. Jaffe production of "Goodbye, Columbus," in Technicolor, opening Friday at the Golf Mill theatre.

Named Star Of Month

Frank Marino, a Niles life insurance agent for the Franklin Life Insurance Co., Springfield, has been named "Star of the Month" for the company's mid America region. Marino was accorded the honor on the basis of his outstanding sales performance during February.

He joined the Franklin Life sales organization in 1967 and is a veteran of the life insurance industry, having begun his career in 1957 with State Mutual Life. There he qualified for

Joins I-T-E

Alfred E. Ney has joined Fluidonics Division, I-T-E Imperial Corporation, 6300 W. Howard St., Chicago as distributor sales manager, as announced by T. J. Miller, general manager of the division. His responsibilities will be to coordinate marketing activities for fluidic components and devices manufactured and distributed by the Fluidonics Division.

Ney was formerly district sales manager of Aro Corporation, and field sales engineer for Miller Fluid Power Company. He holds a BS degree in civil engineering from the University of Pittsburgh, and is a member of the American Society of Civil Engineers and the Fluid Power Society, and is a native of Toledo, Ohio.

Marino, his wife Lucille and their four children reside in Niles at 8856 Merrill.

Anniversary Display

To celebrate its 50th anniversary, nationally, the Morton Grove Post #134, of the American Legion, has a display which is a three-fold red, white and blue column-effect designed and created by post vice-commander William Cunnally, 7333 Wilson terr.

It was unveiled at the Morton Grove Legion's own anniversary party and then appeared at the 1st National Bank of Morton Grove.

Presently it may be seen at the High Low grocery store on Dempster. It will be rotated during this golden anniversary year between various businesses in town.

Cunnally's presentation shows the national, state and local activities the Legion participates in and various other functions which date back many years ago.

The Morton Grove Legion, through retiring commander Francis Selzer, wishes to publicly thank these two local businesses for allowing the display to be present at their establishments so localites may learn many of the programs which the Legion sponsors.

Appointed Chaplain

Pastor Armand R. Nordgren has been appointed chaplain at Lutheran General hospital. He will serve as chaplain and coordinator of the adolescence, pediatrics and orthopedics sections.

Pastor Nordgren, a resident of Naperville, was formerly chaplain at Augustana hospital, Chicago, for five years. He is a graduate of Gustavus Adolphus college, St. Peter, Minn., and of Augustana Theological seminary, Rock Island.

Talented Teens

Cindy Clark, 8905 Wisner, Niles; Debra Hanks, 8944 Wisner, Niles; Toni Schwind, 8824 Olcott, Morton Grove; Ann Brumbach, 7736 Harlem, Niles; Susan Upton, Glenview and Merilee Schmers, 9433 Dee rd., Des Plaines, all pupils of Dee Dee's Dance Studio, entered the "Talented Teen Search" and qualified for the finals at the Prudential auditorium in Chicago. They, along with other Talented Teens, will be making the European tour in 1971. Marilyn Woytowicz, also of Dee Dee's Dance Studio, was chosen the "Talented Teen Search Queen" and will be making the European tour. Marilyn also won a Patricia Stevens scholarship.

Alyson Gundlach, 7326 Neva, Niles; Marilyn Woytowicz, 218 Michaeljohn Terr., Park Ridge; Judy Valentino, 7042 Church St., Morton Grove; and Marlene Osterman, 48 Schoenbeck rd., Wheeling.

Softball Continued from Golf Mill East Maine Page 1
the games are run by official 16 inch softball slow pitch rules.

Elsewhere in the park... The Fall program for the park district will be announced soon. For information either call the park office at 297-3000 or send a card with name and address to 9390 Dee rd.

China will come to the unincorporated area when the drama classes present Dan Totheroh's

"The Lost Princess," it is staged in the Chinese theater tradition, with a property man, a one-man chorus as narrator, and the audience's imagination filling in between the lines. Aug. 19 is the set date for the production at Mark Twain school.

"Park on wheels" is an apt title for the district. The day camps recently went on field trips to the Hawthorn Melody Farm, the Hollywood Kiddieland, and the River Trails Nature Center. One hundred five youngsters went on a park-sponsored excursion to Wrigley Field to cheer on their Cubs on July 25.

Legion News

Morton Grove Unit #134 of the American Legion wishes to explain Veteran's Craft is a group of articles displayed for sale by American Legion Auxiliary Units. They are items made by veterans, either in hospitals or in their homes.

Lately many questions have arisen as to where the merchandise comes from and if it is really made by former servicemen.

To protect the interests of these former GI's, who are paid for the labor, a Veteran's Craft Exchange has been set up. This office, in the Loop, guides the affairs of these men and the work they do.

Just recently a letter was issued by the Exchange detailing where the items came from and reiterating that all items, in fact, were made by former servicemen.

Hand loomed rugs, for instance, not only come from exhibitors in Illinois, but Indiana, Wisconsin, Kansas and Ohio. Many looms are set up in veterans' homes to enable them to perform this work, although some are made in veterans' hospitals.

Toys are obtained from vets in Ill. and Pa. Woven trays and baskets are two more items derived from Ill. workmanship. Wisc. and Ill. men furnish baby items and woven mats come from Iowa and Ill. with pot holders made here in the state.

Jewelry items come from Calif. and Fla. and the stones are all hand set. Naturally jeweler's kits are used to make the jewelry which proves profitable to the men as is the making of leather belts with lacing.

Aprons and some other items are offered; and you may be assured you are helping a disabled person by your purchase of the items presented.
