From The Left Hand

By David Besser
Editor & Publisher

You might say Niles has sort of a sticky wicket in closing the trailer park on Milwaukee ave., just north of Dempster.

On the one hand village officialdom is showing great compassion in trying to relocate the residents to neighboring trailer courts or other housing. But residents who've lived there for as long as 17 years feel unduly abused because the owners of the park notified them as late as Aug. 15 they would have to move out by the end of August. Fortunately, Niles does not have the cold-hearted attitude of many bureaucrats, which would oust the residents when the Aug. 31 license expired.

Village manager Ken Scheel told us Tuesday "We're giving them as much time as possible to find housing space." He added, "We're trying to do everything we can," implying the village is not coldly neglecting these many-year old Niles residents.

Not too many years ago, when the trailer park at Touhy and Milwaukee was eliminated, the old soft-hearted BUGLE thought those old time Nilesites were being unfairly removed. And, with much indignation, we thought the townspeople, who were safely nestled in their more permanent homes, were rather happy to see the park closed up. Our antennas seemed to catch waves which relayed trailer parks were a scourge on suburbia, and were a poor reflection on the community. "Good riddance" were the words often mentioned, indicating suburbia doesn't have room for "those kind of people."

When the few apartments were built in the community similar expressions were made about the residents there, interestingly from the nouveau homeowners, who'd been swinging from apartment to apartment in Chicagoland for all their pre-suburban days.

What started this latest trailer park exodus, stemmed from County officials insisting the park comply with more stringent rules. Trailers were too close to one another and streets were too narrow. To properly correct these deficiencies, as well as to switch the camp to village water pipes, required an outlay which the trailer park did not care to undertake. Thus, the residents got caught in a squeeze, which now will result in it being vacated.

Niles health inspector, Bill Havacek, as well as a County inspector, have been working with the residents to secure locations for their trailers, or for public housing for those who require it.

We've been told there is some difficulty in gaining entrance to other parks. It has been hinted under-the-counter money is sometimes needed before trailers can move into some parks. Even the purchase of a trailer from the owner of the park is sometimes the initiation fee to gaining rental space in the parks. By going to the park representatives and personally seeking a place for the mobile homes, Havacek and the county man are helping these Nilesites find new quarters.

Scheel reminded us Niles has been pictured as "the heavies" in this episode, but the personal efforts she's making seem to repudiate such a charge.

While Niles park district will be seeking 3 acres on the north-east corner of the property Scheel said no plans have been submitted for the rest of the property. It is presently zoned B1, for commercial.

Con Con Candidates' Nite

Mrs. George Coldewey, Voters Service Chairman of the Morton Grove League of Women Voters announced a candidates' meeting for Con Con delegates, Thursday, Sept. 11 at the Niles Elementary school, 6921 Oakton, Niles.

The meeting is sponsored by all the Leagues and P.T.A.'s of the 4th Senatorial District.

All of the ten candidates are going to be present and will state their views and qualifications. A question and answer period will follow the talks.

Freeway For Area? Study Goes On

By Naomi Krone
News Editor

It was standing room only Monday night in Washington school, Golf and Washington, as Washington PTA hosted a meeting for interested residents from Morton Grove, Niles, Glenview and Des Plaines to hear Illinois State Highway Dept. representatives give the "who, what and why" of a proposed North Suburban Freeway corridor.

The corridor, to speed surface traffic through busy areas, would be approximately 3 miles in width and would, if ever established, extend from McCormick Blvd. in Evanston westward to Rand rd., then north-westerly to Illinois Rte. 53. The 3-mile study corridor extends about 1-1/2 miles on either side of Golf and Rand rds.

Ultimate freeway to be located within this corridor might be some 300 feet or less in width.

It must be emphasized this is only in the "study" stage. The North Suburban Freeway is one element of the overall transportation system, found to be necessary, by the Chicago Area Transportation Study. The location study is being authorized.

VILLAGE BD. HONORS VIET VET; URGES TRAILER CT. "PEACE"

Career army officer and two-time Vietnam veteran Capt. Gary Olsen, son of Mr. and Mrs. Ted Olsen, 8212 Oketo ave., Niles, was signally honored Tuesday night when the Niles Village Board of Trustees passed a resolution thanking Olsen for service to his country and the outstanding work he has done with the Vietnamese people.

His father, long the secretary and treasurer for the Niles Park District, carried the appeal throughout Niles and ended the campaign by sending 75 boxes to Vietnam in answer to his son's request.

The board, Tuesday night, also passed a resolution thanking the Niles Ladies Police Auxiliary for the 5 All-America city flags presented to the village by the women's group.

Olsen presented the village with several thank you gifts from the hill people in Vietnam.

In the course of the evening the board turned its attention from Vietnam to Deer Park Trailer Court, 8901 N. Milwaukee; to a current study on a North Suburban Freeway corridor to the appointment of police reserve officers.

While the village is working with the county in an effort to help the Deer Park trailer residents relocate (See The Left Hand in this issue) a trailer court resident, Miss Haller, apologized on page 15.

LETTERS to EDITOR

Appreciation

President and Commissioners Niles Park District Niles, Ill.

Gentlemen:

On behalf of the Boy Scouts of Niles, may I express our appreciation to Niles Park District Board of Commissioners and your staff for helping make the scouts' summer swimming program at the Recreation Center Pool an outstanding success.

Too often the brickbats thrown your way get well publicized, whereas the good does not receive proper recognition, and therefore I am taking the liberty of sending a copy of this letter to our local press at the same time I am writing you.

This past summer, Niles' scouts used the pool for eight consecutive Sunday mornings, when the pool was not otherwise in use, reimbursing the extra

cost of attendants, so that Niles' taxpayers suffered no additional financial burden while getting this "extra mileage" out of their facility.

Statistic-wise, during these scout sessions, some 214 Niles scouts made use of the pool, plus 32 adult leaders and 48 instructors; 29 Cub Scouts were also accommodated, as well as 4 instructors and 22 leaders from Pack 107, sponsored by Our Lady of Ransom parish.

As a result of their participation, 35 boys were qualified as beginner swimmers, 23 fulfilled the requirements of swimming for 1st class scouts, 16 earned their swimming merit badge, and 8 qualified for Life Saving Merit Badge. Two boys from Park Ridge, Peter Marshall and John Nyman, who had almost completed their requirements at summer camp, were enabled to qualify as swimmer and life saver, respectively, by means of this program, in addition to the other boys, all residents of Niles.

The swimming program was conducted by Erich Buck and Don Schneider, Scoutmasters of Troops 62 and 45 respectively, and along with the adult leaders and instructors from Troops 45, 62, 175 and 275 in Niles, they join me in thanking Director McGill, Pool Director Jacobson, and the Niles Park District Board of Commissioners for their cooperation in making this summer program possible.

#207 Budget Hearing Next Monday

A public hearing on the \$17,162,910 tentative budget for Township High School Dist. 207 will be held at 7:30 p.m. Monday evening, Sept. 15, in the Faculty study at Maine East High school. Interested citizens may review the budget and ask questions pertaining to items in it at that time.

Official consideration will be given to the budget at the monthly Board of Education meeting to be held that same evening immediately following the public hearing. Copies of the budget have been posted for the past several weeks in the administration offices of the high school district and also in libraries within the township.

According to Dr. Richard R. Short, Superintendent of Schools, the budget contains eight separate tax supported funds and is the basis for the establishment of the 1969 tax levy. Dr. Short stated that the funds derived from the 1969 tax levy serve as the basis for financing the 1970-71 school year.

The school district's 1969-70 budget shows an increase of approximately 11% over last year's budget of \$15,464,497. Over half of the \$1,698,413 increase will go for the average \$1,000 pay raise recently given to the district's nearly 700 teachers. The largest amount to be budgeted - \$12,724,333 - is earmarked for the Educational Fund, out of which these instructional salaries are paid.

Maine Adults Register For Fall Nite Term

Adult students are planning evenings of mental or physical stimulation and self-improvement as they select subjects from the 300 non-credit classes offered in the Maine Adult Evening School curriculum for Fall '69.

Brochures giving a complete listing of courses in arts, crafts, physical education, languages, business and technical subjects have been mailed to former students and to all residents of Maine Township and adjacent communities.

Evening classes will begin Thursday, Sept. 25; Monday, Sept. 29; Tuesday, Sept. 30; and Wednesday, Oct. 1 at the three Maine Township High schools - East, Dempster and Potter, Park Ridge; West, Wolf

This year it is up \$1,216,704 over last year's figure of \$11,507,629.

The Building Fund, out of which custodial salaries and building maintenance is financed is budgeted at \$1,921,330 about \$120,000 over last year. The Bond and Interest Fund budget from which outstanding bonds and interest are paid, is \$1,840,747 for 1969-70. The Illinois Municipal Retirement Fund portion is \$235,000 which is the Board of Education's contribution for the pensions of non-professional employees. Board funds are not used for professional staff pensions.

The amount budgeted for the Junior College Fund this year is \$80,000 which is a considerable and welcome decrease over last year's expenditure of \$550,000. The \$80,000 will pay for "charge back" tuition payments for Dist. 207 residents who attended public junior colleges this summer, and for which the district was obligated. It will also pay for tuition payments for Dist. 207 residents attending junior colleges this year who live south of the tollway and who were not included in the new junior college Dist. 535.

Harold Markworth, business manager for Dist. 207 stated the recent formation of the new Niles-Maine junior college district relieves the Maine Township high school district of a considerable financial burden. He indicated that since July 15,

1965, when the Public Junior College Act of the State of Illinois provided for such "charge back" financial aid, Dist. 207 has paid out about \$750,000 from its Educational Fund for such expenses. Of this amount, the school district received money from local taxes for only \$500,000.

This year's tentative budget includes two new funds - the Special Education Building fund and the Health and Safety Fund. The \$119,000 budgeted for the Special Education Building Fund will be used to pay construction costs on facilities now being built at Maine East for handicapped children. The Health and Safety Fund budget of \$180,000 will pay for Life Safety Code remodeling as demanded by the state.

Markworth explained a Construction Fund appropriation of \$7,648,000 is not included in the total budget figure as it is long-term spending based on bond sales authorized by the March 11, 1967 referendum.

Markworth also stated a new state aid formula will give Dist. 207 about \$1,143,527 for the 1969-70 school year, compared with \$520,000 received last year. However, this additional \$620,000 does not offset even the increased staffing cost of the current school year at the Maine High schools. He also pointed out financial support for Dist. 207 will still depend heavily on local property taxes, not on the new state income tax.

Con-Con Candidate Nigt Tells Of Independent Goals

Bill Nigt, an independent candidate for delegate to the Constitutional Convention, told voters at meetings in Niles, Park Ridge and Skokie last week that, as a Con-Con delegate, he will be the loud and clear voice of the forgotten and ignored middle-class taxpayer.

"Most of us today have little opportunity to be heard by those who make policies or enact laws affecting our personal lives and daily activities," Nigt said.

"The only times that our professional politicians seem to be really concerned about us is at election times.

"As your Con-Con delegate," Nigt said, "I will be your articulate voice and I will make certain that your opinions will be heard and your interest will be considered in the writing of our new State constitution."

Nigt, who lives in Skokie and is a consumer marketing consultant to the food industry, said he is well qualified to represent 4th District voters at the Convention for "I have been an outspoken champion of consumer causes, for many years and I frequently speak in your behalf at meetings of business and government officials throughout the United States."

In recent weeks, Nigt said, he has discussed the consumers' concern about high food prices, with leading national grocery manufacturers and he has frankly cautioned them that consum-

ers might well start questioning the hundreds of millions of dollars they spend annually to promote their products and which add to the cost of food.

Nigt said that he believes the overall, basic objectives of the convention should be 1) how can we make ours a more hu-

Bill Nigt

mane and democratic society and 2) how can we prevent the moral bankruptcy of government in Illinois.

Nigt believes that the two most important issues at the Convention will be the urgent need for tax reform and judicial reform and expressed the following views on each.

Nigt and his wife, Joan have lived in Skokie for 18 years and have four children: Bill, Jr., 22; Tom, 19; Carol, 17 and Scott 10.

Scholarship For Shirlee Obermaier

Shirlee Obermaier, 18, daughter of Mr. and Mrs. John Obermaier, 8030 Octavia, was the first recipient recently of a Future Business Leaders of

Shirlee Obermaier America \$150 scholarship.

Shirlee, who will take a business course at Triton Junior college in River Grove beginning this fall, received the honor from William Will, chairman of the business education department at Maine East, during a recent FBLA banquet.

The Niles young woman has been employed as credit officer with Niles Savings and Loan and will continue in that position after she begins college.

Seminar Delegates

Barbara and Daniel Strega, 7109 Palma In., Morton Grove, and Theora and Alexander Johnson, Glenview, will be delegates to a religious seminar of Jehovah's Witnesses. The convention is scheduled Sept. 26-28 at the Warren Township High school, Gurnee, Ill.

Strega and Johnson are two members of the three-man ministerial committee who supervises and represents the members of the Morton Grove Congregation of Jehovah's Witnesses in various matters. The third member is Charles R. Blewitt, presiding minister.

During the convention the theme "Right Kind of Ministers" will be emphasized.

Niles Library News, Notes

Vacation season is ended and everyone is returning to the old routine. Don't get into a Rut - take advantage of the many diversions offered by Niles. Watch the papers for information - you won't miss what goes on.

Various organizations offer programs for your benefit, both entertaining and educational. Among these is one arranged by The Friend of Niles Public Library District which will be sponsored jointly with the Niles Public Library District. These programs will be held in the Audio Visual Room of the Niles Library - they are open to everyone - there is no admission charge.

The opening program will be Sept. 24. Adrian Lerner Neuman, Concert Pianist, will be presented in "September Prelude". Mark this date - details will be given later.

The "Friends" continue in their efforts to add to the music department of the library and many more records and tapes are now available for residents. The library is FOR YOU - it is hoped you will use it.

On Thursday, Oct. 2 the Pre-school Story Sessions at Niles Public Library will resume and, if past enrollments are any forecast, early enrollment is recommended.

The meetings, which are a potpourri of story telling and audio-visual entertainment in the form of films, slides and records, will be open by pre-enrollment only are for all youngsters who are at least 4 years old. Most important is that they must also not be attending kindergarten. Purpose of these sessions is in some measure the first exposition of group experience for the youngsters.

This year's meetings will be held twice a day - on Thursday - commencing Oct. 2 and ending Nov. 13. Another session will begin sometime in the Spring 1970. Twenty-five young fry will meet at 10:30 in the morning and twenty-five more at 2 o'clock in the afternoon.

Registration will commence Sept. 22 and close when a total of fifty children are entered.

By Matt Kutza

The recent rise in the incidence of Venereal Disease among teenagers and young adults points up once again, and markedly, the need for sex education in the schools and in the home.

If you, as parents, have put off too long that "father and son" or "mother and daughter" talk, NOW is the time to do it; it is unfair to turn a youngster loose into the social stream without knowledge of the pitfalls that lurk in clandestine sexual relationships.

If parents are too embarrassed or feel too inadequate to discuss the subject, your family physician will gladly take over. For the price of an office call, your child may be spared much physical pain and mental anguish... the time to act is now.

Now is also the time to get acquainted with the expert prescription service of BIRCHWAY DRUGS. What you need, when you need it, is here in our extensive stocks. Prescription delivery... of course... come see us, we are at 7503 Milwaukee Ave. or call 647-8337.

JEFFERSON SOCIETY

A meeting of the chairmen of all committees for the Nov. 15 "Spaghetti Nite" production of the Jefferson Theatrical society was held at the home of Herb and Ramona Leibsch, Marilyn and Mel Cohn presided over the meeting which was attended by Betty Miller, Ceal Keats, Gwen Granquist, Joe Foltz, John Johaneck, Phyllis and Chester Peterson, Patti Jordan, Ted Antos and Marilyn and Steve Miller. The name of the production is "Metropolitan Medley".

On Sept. 12 there will be a general meeting of the Jefferson Theatrical society in the auditorium of Jefferson school, 8200 Greendale, Niles at 8 p.m. All members are asked to attend. All acting, singing and dancing parts are filled for the production, but new talent and help backstage is always needed. Anyone interested, call Mel Cohn at 967-7136 and/or attend the Sept. 12 meeting.

Family Season Pass

The "family season pass" for all athletic events at Maine East, Maine South and Maine West may be purchased through the athletic departments at the three high schools.

One season pass admits parents and all members of their immediate family of pre-high school age to all home athletic contests in football, basketball, wrestling, swimming, gymnastics and track. Price of the pass is \$10. All children must be accompanied by their parents.

Each of the three high schools issues its own "family passes" which will be honored only at home contests held at the particular school concerned.

The season pass admits the family to a general admission seating area. Reserved seats for any of the athletic contests require payment of an additional fee, according to school officials.

Family passes may be procured by contacting Maine East, 825-4484; Maine South, 825-7711; or Maine West, 827-6176.

Stop-Smoking Clinic Begins Sept. 14

Smokers who want and need help in breaking the undesirable habit will have the opportunity to enroll locally in Dr. Charles L. Dale's 5 Day Plan to Stop Smoking. The Maine Adult Evening school is again bringing the Stop Smoking clinic to the community on the evenings of Sept. 14, 15, 16, 17 and 18. Sessions will be held 7:15 to 9 p.m. in the auditorium of Maine Township High School East, Dempster st. and Potter rd., Park Ridge.

Tickets for the five-session program are \$5 and may be purchased at the door the evening of the first meeting, or may be ordered by mail. Information may be obtained by calling the Maine Adult Evening school, 299-7187.

State Labor Unit Endorses Lavin Con-Con Candidacy

Michael Howard Lavin, 9240 Fern Ln., candidate for the Constitutional Convention (4th Dist.) added to his list of endorsements the Illinois State AFL-CIO, this past week.

Lavin, a Des Plaines resident and trial attorney, announced the next particular issue of prime importance at the convention will be that of revamping the present Judicial Article. "The judicial system must be removed from politics and the political favoritism which now exists. It can only be done by a careful revision of this important article. As it now stands, judges are elected on a party system. Once elected they run on a record of a yes or no vote. I propose that the party politics system be eliminated because many of our people on the bench don't deserve to be there, based on their judicial knowledge and temperament," Lavin stated.

Lavin feels the "Missouri System" should be adopted by the state of Illinois. This system has been recommended by both the Chicago Bar Association and the Illinois State Bar Association; also the American Bar Association. All contend

the judicial system would be removed from politics. This system, presently in use in several states, has proved itself to be one of the more effective ways of safeguarding the selection of judges, and has produced a more qualified and knowledgeable person. Basically a commission is appointed by the Governor, consisting of lawyers, laymen and judges, who pass on each qualification of every prospective judge coming qualified, the prospective judge would be brought to the Governor, who in turn would present his selection to the State Senate for confirmation or denial.

Among the many coffees Lavin will attend in the future to discuss his ideas on Con Con are Sept. 17, Mr. and Mrs. Irwin Kaufman, Skokie and Sept. 10 at the home of Mr. and Mrs. Kenneth Lindquist, Des Plaines. A cocktail party in Lavin's honor was held at the North Shore hotel, Evanston, Sept. 5, with that affair chaired by Peter Pesole, of Niles and Mrs. Peter Buckley of Des Plaines.

To speak to Michael Lavin and express ideas and views, call either 299-6215 or CE 6-1554.

Scout Nite

Plans for School Night for Scouting in the Northwest Suburban Council, Boy Scouts of America, will ensure that more boys become Cub Scouts and Boy Scouts during the annual round-up, according to Arthur Leu, Organization and Extension chairman for the council.

Details for the neighborhood-oriented recruiting campaign scheduled for Sept. 30, which will invite boys to come to their neighborhood school to join a Cub Scout Pack or Boy Scout Troop have been given to District School Night committees.

One of the special features of School Night for Scouting, Leu said, "is a plan to organize new Scout units in the Northwest Suburban Council in order to make modern-day Scouting available to more boys." The

council now reaches 29% of the boys from 8 to 18. The council's goal is to have 17,000 boys registered in Scouting by the end of this year as a part of "Boy-power '76," the long range program of the Boy Scouts of America.

Degree For Susan

Three hundred education students at Southern Illinois university at Carbondale will fulfill education degree requirements by engaging in classroom teaching in Illinois schools during the Fall quarter that ends with the Christmas holidays.

The students, who come from 156 Illinois communities and 14 other states, include Susan Rask, 8900 Major, Morton Grove, Illinois.

cial businesses and stores and no plans for any changes have been requested.

Two weeks ago we sat in the middle of Milwaukee ave., alongside an unconscious 7-year-old girl who had been hit by a truck at Monroe st., waiting for the ambulance. There was little to be done during that short wait. But all of us who had been coffeeing at Body's when it happened, had to ask what could be done to alleviate this ever-increasing problem. Every main thoroughfare in our communities is a potential death trap as the increasing traffic becomes evermore burdensome. Obviously, today's conditions will become more dire as more and more people move out to the north and northwest areas.

It took several years for Niles Lions to lead the way for the reduction of speeds from 45 to 40 MPH some 5 or 6 years ago, and the placing of stop-lights at major intersections also required many years of requests, pressure and political help. Since it is not likely that the state will place stop-lights every couple of blocks along major thoroughfares, perhaps some type of staircase bridges should be considered for these danger spots.

The swimming pool crossings are potential death traps, as are all crossings which are as much as 2 blocks away from a stoplight on major streets. If above-ground bridges can't be built, perhaps underground passages might be considered. We have both of these safety measures along Chicago's beaches and perhaps they might be considered here.

When you look down at an unconscious child, who is waiting for an ambulance, you know something has to be done. And when you look at the child you're somewhat shocked at how that child looks like yours.

pealed to the board stating she could not find any place to move her trailer and trailer court owners have told the residents all water will be turned off this weekend.

The trailer court is being closed because owners of the property, Hen-el Corp., under the management of Henry Kolze, are discontinuing the camp. Deer Park has long been operating under a non-conforming use of the Niles comprehensive zoning plan. Blase told the meeting as much help as possible is being given residents and everyone should proceed peacefully and with thought and patience.

A North Suburban Freeway corridor, now being studied, would connect Illinois Route 53 with McCormick Blvd. in Evanston and would affect all the northwest suburbs, including Niles. The village board passed a resolution Tuesday night that objects to such a freeway if it affects commercial ability or the residential environment of Niles. An additional freeway story is on page 1 of this issue.

The board appointed Mrs. Howard Haave and Mrs. Albert Karpiak to the Niles Family Service Commission; passed a resolution asking the Illinois state senate to keep municipal bonds tax free; passed an ordinance prohibiting parking on Oakton, from Washington to Prospect; referred several rezoning applications to the Niles Zoning Board and Plan Commission and gave a status report on the El-

Funeral services were held last week for Morton Grove merchant Manny Berger, 54, of 2835 W. Catalpa, Chicago, who died Sept. 4 of a heart attack in Weiss Memorial hospital.

Berger, was the founder and president of the Manny Berger Shoe Center, with stores at 5645 W. Dempster, Morton Grove and in Elmwood Park. He was a board member of the Mikro Kodesh Anshe Tiktin Ravenswood Budlong Congregation, Chicago.

Survivors include his wife, Annette; a daughter, Mrs. Linda Schultz; a son, Steven; his mother, Mrs. Reva Berger; a brother, Samuel and 2 sisters, Mrs. Lillian Bubar and Mrs. Rochelle Anshel.

Interment was at Westlawn cemetery.

and sponsored by the Illinois Division of Highways and is being conducted by H. W. Lochner, Inc., a Chicago consulting engineering firm.

Residents at the Monday night meeting heard not only from state highway representatives but also from officials of the villages of Niles and Morton Grove. At the Tuesday night meeting of the Niles Board of Trustees a resolution was passed by that board objecting to a corridor freeway if it would affect "the commercial ability or residential environment" of Niles.

Morton Grove Village Trustees, at their meeting Tuesday night, told residents "nothing definite has been decided and we'll try to keep the citizenry informed."

The freeway plan under study would provide optimum spacing between major freeways and maximum service to the corridor communities. It would interconnect with the major freeways presently operating, the Route 53 Expressway, the Illinois Toll road and Edens Expressway. It would affect every municipality from Arlington Heights east and north to Wilmette.

The Monday night meeting had been called to alleviate worry on the part of Morton Grove and Glenview residents, primarily, they would "wake up one morning and find a freeway going through their backyards." Objective of the current study is to determine a recommended location and development plan

Couples Club Cookout

Couples club of the Niles Community church, 7401 Oakton, has extended an invitation to its members and friends to attend the kick-off cook-out and travelogue Saturday evening, Sept. 13 at 6:30 in the basement of the church.

Mandy and Karl Hold, members of the congregation, traveled through sections of Europe this summer and have consented to share their experiences and movies with the

for the North Suburban Freeway. More than 2 years will be required to complete the study and a series of alternate freeway alignments would be developed. Planning and engineering techniques will be used to evaluate each alternate, comparing one to another in order to determine the alignment which would best harmonize with the existing environment.

Outcome of the Monday night meeting was: the study will continue and residents will be kept informed of its progress.

A Smile And Solution

Merton Staley, Des Plaines Theatre Guild board member, smiles as he finally comes up with the solution to his problem with the Guild Playhouse marquee. The marquee only has room for about 19 letters and spaces for a play title...so what to do with the opening musical of the season... "A Funny Thing Happened On The Way To the Forum"? He was even running out of letters, let alone space...until he solved his dilemma by shortening the title to "A FUNNY 4-M". The rollicking musical comedy, being presented by Des Plaines Theatre Guild, in association with Music On Stage of Arlington Heights, opens a four week-end run on Friday, Sept. 12 at 8:30 p.m.

Firefighters Go Back To Classroom

Seven Niles firefighters recently attended schools devoted to firefighting techniques and photography used in training and arson investigations.

Firefighters John Kruschka, Joseph Margalski, Thomas Sweeney and Ralph Tencate, attended the 33rd Annual Fall Fire School, Monroe, Wisc. This school, one of the oldest in the Illinois-Wisconsin area, is highlighted by demonstrations in the latest improvements in the firefighting profession.

Instructors for this school are drawn from the Western Actuarial Bureau, Chicago, and

the fire extension divisions of the Universities of Illinois and Wisconsin.

Lieuts. Walter Blase, Harry Kinowski and Gordon Michalsen, were among more than 100 fire photographers from the United States and Canada, to attend the 6th Annual Fire Photographers Seminar, at the Chicago Fire Academy.

This three-day school is sponsored by the International Fire Photographers Association, which is headquartered in Chicago. The latest methods in photography as used by fire departments in training and fire investigations are discussed and demonstrated. Lts. Blase and Michalsen are in the fire prevention bureau of the Niles fire department, and are responsible for all fire investigations. Lt. Kinowski, in addition to his firefighting duties, is also a department photographer.

CAC Processing Survey Results

The Niles Township high schools' Citizen's Advisory Council (CAC) is currently processing results of a Guidance Service survey mailed to homes of approximately 7,000 district parents last spring.

A CAC sub-committee, headed by Mrs. Ruth Wyler, was set up last year at the request of the Board of Education to determine if the guidance departments in the three schools are meeting the needs of the community.

"The basic purpose of the questionnaire," Mrs. Wyler said, "was to determine what the community feels it wants from our counselors."

Mrs. Wyler indicated that her committee went beyond that in putting together the large document. "We constructed the survey so that opinions of students, teachers, administrators, and guidance people themselves will be reflected."

At this point, Mrs. Wyler and her sub-committee are elated over the returns. Despite the length and difficulty of the survey, we now have a 34% return. "I think," Mrs. Wyler said, "that this response indicates a real interest on the part of the parents in this particular school service."

"Once the computer has completely analyzed the results of the survey, we will present them to the Board of Education. It will be the administration's responsibility then," Mrs. Wyler concluded, "to reconcile any inconsistencies, implement suggestions, etc."

Mrs. Wyler indicated that the report to the Board should be forthcoming later this first semester.

Driver Ed Class Oct. 7

A course in Classroom Theory in Driver Education will be offered to Parochial School students beginning October 7, according to Mrs. Gladys Shute, director of the Niles Township high school adult evening school.

The 15 week, 30 hour class is open to youngsters who will be 16 years of age by March 1, 1970, Mrs. Shute said.

Classes will run from 7:30 p.m. to 9:30 p.m. each Tuesday, except Dec. 22 and 29, through Jan. 26, 1970 and will be held in room 129 at the Niles West High school, Oakton st., and Edens Expressway.

Students register the first night of class, Mrs. Shute added, for a total fee of \$3.00.

"Funny Thing Is Happening" At Guild Playhouse

"A Funny Thing Happened On the Way to the Forum" the musical comedy which scored a 28-month run in New York, opens a four weekend run at Guild Playhouse in Des Plaines this Friday and Saturday night.

Performances by a cast of 19 actors, singers and dancers from Chicago and the north and northwest suburbs, will be at 8:30 p.m. each Friday and Saturday night, Sept. 12 through Oct. 4, presented by Des Plaines Theatre Guild in association

with Music On Stage, Inc. of Arlington Heights.

Tickets to the musical are \$2.50 for single admission, or \$2 when purchased as part of Des Plaines Theatre Guild's 1969-70 season subscription of five plays for \$10.

Ticket orders may be phoned to the Guild Playhouse box office, 296-1211, from noon until 8 p.m. and until 8:30 curtain time on Friday and Saturday nights.

Announce Tryouts For "Summer And Smoke"

Des Plaines Theatre Guild will hold open tryouts for the second production of their new season on Monday and Tuesday nights, Sept. 15 and 16. The play is Tennessee Williams drama, "Summer and Smoke."

We are also always looking for people who would like to become involved in our productions behind the scenes," says Mrs. MacCowan, "and no try-outs are needed for these important roles!"

The tender and haunting play from the pen of one of America's leading dramatists will be directed by Angelo Karas, new to the Guild Playhouse scene, who has extensive credits in teaching drama and directing plays, musicals and operas in Chicago, Battle Lake, Minn., and Hayward, Wis.

Des Plaines Theatre Guild will present "Summer and Smoke" for three weekends in November, beginning Friday, Nov. 7. Rehearsals will be scheduled for week nights during the coming weeks, while the first production of the season, the musical comedy "A Funny Thing Happened On the Way to the Forum" continues its four weekend run (Sept. 12 through Oct. 4) Friday and Saturday nights at 8:30 p.m. in Guild Playhouse, Des Plaines.

Karas, a graduate of Goodman School of Drama, will conduct the readings for roles in "Summer and Smoke" beginning at 8 p.m. both Monday and Tuesday nights, at Guild Playhouse, 620 Lee st., Des Plaines.

Anyone in the area interested in community theatre may read for one of the nine parts, according to DPTG president, Mrs. Kenneth MacCowan of Glenview, regardless of previous experience with the local group, or with other college or community theatres.

PROGRAM

After the cake and coffee and monthly birthday celebration, a special treat is in store for the Morton Grove Senior Citizens on Monday, Sept. 15 at National Park.

SPORTS NEWS

Leaning Tower News, Notes

Leaning Tower YMCA, 6300 W. Touhy ave., "Skill School" department will offer an outstanding variety of classes this Fall for local youth. The Fall term (10 weeks) is scheduled to begin the week of Sept. 29,

Fine Arts, Special Interest and Hobby courses presenting youth an opportunity for recreation, relaxation and self-improvement will include: Crafts, Teen-age Charm, Art, Guitar, Theatre Workshop, Modern Jazz Dance, Ballet and Acrobatics.

The "Crafts Workshop" for youth (8-12 years) will allow students to make interesting and attractive craft items. Articles for personal use or gifts will be included in the various projects.

The "Teen-age Charm" program is a complete course covering the areas of charm, grooming, poise, posture, fashion, diet and nutrition, make-up, hair styling, manners, personal cleanliness and personality. A delightful experience awaits the young miss enrolling for the charm school. A class is scheduled for 7, 8 and 9 grades and newly added this Fall a period for sophomore, junior and senior students.

The Art course for youth (8-15 yr.) will provide an introductory program to encourage the child to express his creative ideas and feelings by gaining artistic skills in line drawing, shading, lighting, color harmony, still life, pen, crayon and water-color.

Guitar students will learn to read chord symbols, and be instructed in popular, folk and solo music, with tips to "Rock 'n' Roll" fans. Beginner classes are geared for youth under 15 years, intermediate classes (all ages).

Every child has a certain amount of natural dramatic ability. The Theatre Workshop will provide an opportunity for per-

sonality development and allow the child's cultural life to be strengthened as he grows thru artistic achievement. The Theatre Workshop is divided into two groups: the "Towerettes," children's division (1st thru 4th grades); "Tween's n' Teens", junior division (5th thru 8th grades).

The "Modern Jazz" dance course is a class that sparkles with creativity and fun. An interesting way to develop gracefulness and tone the figure including rhythm exercises set to music. Two class periods are scheduled: 7, 8 and 9 grades; and 10, 11 and 12th grades.

Ballet for youth (4-15 years) offers a progressive method of developing beauty, poise, physical coordination, body control, rhythm and graceful equilibrium through music, gesture and pantomime. Traditional and Modern styles will be projected.

The Acrobatics course is an advanced one for children (4-15 yr.) with a gymnastic background. Emphasis will be placed on posture, rhythm, and coordination plus the development of self-discipline, and will cover progression from front rolls and cartwheels to flips and aerials.

The above courses are offered as follows: Saturdays - crafts, teen-age charm, theatre workshop, modern jazz, ballet and acrobatics.

The Art classes are scheduled for Tuesdays after school and Guitar on Friday evenings.

Non-members are welcome to register for any of the above listed courses. Information, class schedules and fees may be obtained by calling the Leaning Tower YMCA, 647-8222, ext. 556 or drop by the Tower YMCA and pick up a Skill school brochure.

Remember, classes begin the week of Sept. 29. Advance registration is required.

Niles Park District News

Once again, the Niles Park District will sponsor a pre-school program. This program under the qualified leadership of Mrs. Conley, Mrs. Standt and Mrs. Kennedy is designed to help pre-school age children become accustomed to a group situation such as will exist when the child starts school. The program is varied, with an emphasis being placed on learning skills, enjoying the company of children their own age and having fun. The program is open to children who are now four years old, or will be four years of age by Dec. 1, 1969.

The first session is as follows:

Tuesday and Thursday - classes begin Oct. 7 through Dec. 11.

Wednesday and Friday - classes begin Oct. 8 through Dec. 12.

Monday and Wednesday -

classes begin Oct. 6 through Dec. 10.

Tuesday and Friday - classes begin Oct. 7 through Dec. 12.

Morning classes will be held from 9:30 to 11:30 a.m., and afternoon classes from 1 - 3 p.m. All classes will be held at the Niles Recreation Center, 7877 Milwaukee ave. A fee of \$15.00 will be charged and mothers are asked to help with the program.

Registration for the first session will be on Thursday, Sept. 25, 1969 at the Park District office, 7877 Milwaukee ave., starting at 9 a.m. and will continue until the classes are filled. Registration is on a first come, first serve basis. Mothers should be prepared to present the child's birth certificate on the day of registration.

Dodgers Win World Series

It's a good thing that there was not a Most Valuable Player award in the Dodger-Pony League team this year. Too many players were eligible! All the boys who participated handled themselves like pros on the field, played hard and exhibited a high degree of good sportsmanship. Some, naturally, excelled more than others. Of these a number should have their performances highlighted but don't ask Manager Bill Keener or Coaches Dennis Mahoney or Chuck Elin to make the decision of who was most valuable!

The Booby's-sponsored Dodgers once again proved to be the "supreme power" in the Niles Pony League by not only capturing the pennant, but also taking the World Series Playoffs with an unblemished record. In the last week of season play they had 5 rain-out games that had to be played that really put a great deal of pressure on the club. But they showed the worthiness of the championship.

The amazing feature of this ball club throughout the 1969 season were the capabilities of each player on the roster to pick up the ends when a member was injured or away on vacation. They appeared as a mature, well-balanced team exhibiting class in their play. They looked confident like a team that could finally "win it all" in the Niles championship meet.

In the pitching department Bill Keener, Dave Elin, Dennis Mahoney, Dominic Giancaspro and Mike Calderone proved to be monuments of granite when the chips were down. Contributing to the wins out in the field were Glenn Schmidt, Bruce Heubner, George Jensen, Wayne Cieslak and Phil Marks while Bill Young turned in an outstanding performance behind the plate. Dominic Giancaspro proved to be the most versatile and dependable utility player on the staff. The clutch hits at crucial points throughout the season by Bruce Heubner and George Jensen were another factor for our winning season. Wayne Cieslak, Phil Marks and Tim Russo were our steward backbone to the Club to bring the victories the Dodgers needed for the championship season.

The hitting stars of the season were Bill Keener, ending up the season hitting .442, Dave Elin .403, Dennis Mahoney .400, and Bill Young missing the .400 mark with .387 average.

The winning formula for the Dodger power was: the sure-handedness of catcher Bill Young, the hitting and pitching of a Dave Elin, the speed and accuracy of a Dennis Mahoney, the versatility of a Dom Giancaspro, the backing up of fielders Tim Russo, George Jensen, Bruce Heubner, Wayne Cieslak, Phil Marks, Glenn Schmidt, the on-the-ball-plays-at-3rd base of a Mike Calderone and the control of a Bill Keener.

Aboard Bennington

Firemen Apprentice Keith R. Berg, USN, son of Mr. and Mrs. Ralph L. Berg, of 9030 Moody, Morton Grove, is serving aboard the aircraft carrier USS Bennington homeported in Long Beach, Calif. The Bennington is an anti-submarine warfare aircraft carrier. It is currently operating off the California coast in preparation for its 12th deployment to the Far East.

Again, 1969 is a rebuilding year for the Maine East Blue Demons. Winners of 2 games last year, they hope to improve that record with the help of their new coach, Al Eck. Eck, who coached the sophomore team at Maine East for 3 years, was appointed last Spring to the head coaching position left open by the resignation of Bob Solitis.

Eck attended Palatine High school where he received All-State honors and, after graduation, attended Northern Illinois university where he played end on the football team.

According to Coach Eck, "we're going to be involved in another rough West Suburban race." In his opinion, the teams favored to win the Conference this season are Glenbard West, Hinsdale Central and a young, but strong, Lyons team from La Grange. "But you can be sure he will do all he can to keep Maine East in the running."

The teams success will largely depend upon the spirit, drive and hard work the coach and his assistants will try to instill into the players.

The Maine East offense, small but quick, is lead by Senior quarterback, Ken Krejca. Along with Krejca in the backfield will be Senior fullback, Mark Kruse, with Pete Gross and Richard Bertsche, a transfer from Notre Dame (Niles) at halfbacks.

The offensive line will be bolstered by veterans Mike Vaccak at center and guard-linebacker Mike Sedjo.

Soccer-style kicker, Bruce Hoefnagel, only a Sophomore, will see if he can match his 8 for 8 record of last year.

Maine East will begin action at home against non-conference opponent, Niles West, this Friday, Sept. 12 at 4 p.m. and conference play begins next Saturday, Sept. 20, at Glenbard West.

Banquet Activities

Shown at banquet with team trophies won by Niles all-stars, and center trophy a gift to Mr. Reeve from his team are: Danny Kosiba, Dick Reeve, manager and Chuck Corrado, coach.

Shown with cake at all-star banquet are l. to r., Ron Reeve, Art Aufmann and Chuck Malochleb.

M.G. Baseball League

The Tigers, representing Morton Grove's North section in the American League, ended their regular season with 18 wins and no losses.

The Tigers maintained their winning habit as they trounced the Braves, winners of the South section, by a score of 9 to 0.

Big news in this game was the sensational pitching performance by Tiger mound ace Ray Borucki who pitched a no-hit, no run perfect game as no Brave batters managed to reach first base.

Borucki struck out 15 and, of course, didn't walk anyone, as not a ball was hit out of the

infield, it was Ray's second no-hitter this season.

Bob Bindus, leading hitter for the Tigers with a .717 batting average, and Bill Pindras, Tiger first-baseman, both hit home runs in the championship game.

Bob Bereskin started the Tiger scoring with a powerful, triple with two men on base in the second inning, and those were the only two runs the Tigers needed as Borucki hurled his team to the 9-0 victory.

Trophies were presented to members of both teams and coaches and managers of the Tigers and Braves for winning their respective league championships.

All-Stars Conclude Season

As a finale to their all-star season, the boys on the Little League all-stars of Niles, were feted at a banquet Sept. 5 at the Lone Tree Inn, by their parents.

The boys were given their graduation trophies, certificates from Thillen's and each boy passed around a baseball to be signed by all the players as a souvenir of a victorious season of 14 wins and only 3 losses, each by 1 run. Each boy was also given a booklet of all pictures taken during the season and all the write-ups of their games.

Special guest was Danny Kosiba who was a big help to Manager Dick Reeve during the season. Dan gave the boys many words of encouragement and praised them for the fine teamwork shown during the season. The boys presented Mr. Reeve with a baseball signed by all the boys and a trophy.

After speeches by Corrado and Reeve, the boys saw a movie and ended the evening by cutting into a cake made in the shape of a ball field; stands, dugouts, players, outfield, made especially for the boys by a friend of Mr. Corrado.

GAA PROGRAM

Tennis, modern dance, gymnastics, swimming, volleyball, badminton, bowling, and golf make up the wide selection of sports in which a Niles West girl can participate.

No skill is needed to become an active member in the G.A.A. (Girls' Athletic Association) at West. Awards may be earned by accumulating points during the year - two points earned each time you attend a sport. Also a part of the G.A.A. are special clubs which hold try-outs at the beginning of the school year.

There is the Aquasprites Swim club, gymnastics team, Orcheses Dance club and the interscholastic badminton and tennis teams. A week is spent by the club to build a Homecoming float. Money is raised by both sports nights and bake sales given during the year.

Come to a meeting Sept. 11 at 3:40 p.m. in the North-South Gym. If you are not able to attend this meeting, membership cards will be available for 60¢ from any G.A.A. board member. Also, they will be sold Sept. 15-19 at the snack bar.

M.G. Park District

Morton Grove Park District Pre-School classes will register at 7 p.m. on Sept. 16 at the Park fieldhouse near your home. For the first time parents will be able to register their children for the entire year and be assured of a continuous program for a total of 30 weeks.

In order to register your child you must present proof of birthdate and live in Morton Grove. Fee for the entire school year may be paid, \$45 on Sept. 16 or you may pay only \$25 on Sept. 16 with the balance due on or before Dec. 10.

Registration will be held at the following fieldhouses:

Austin park, 8336 Marmora Mansfield park, 5830 Church National park, 9325 Marion Oketo park, 8950 Oketo

Because this is a very popular Park District program, registration is on a first-come, first-served basis and there will be no early registrations before Sept. 16 at any location.

Nilehi Adult Education Courses

Beginning Lingerie Design and Yoga for men and women are but two of the many new courses being offered in this Fall's edition of the program for continuing education for adults at the Niles Township High schools.

Mrs. Gladys Shute, Coordinator of the program, indicated that procedures detailing course content, dates, times and places were mailed Aug. 12 to over 35,000 residents of the immediate area. "Those individuals desiring a brochure and not on the mailing list should call YO 6-3830," Mrs. Shute said.

Registration for classes begins on Tuesday, Sept. 2. Classes, most of which are between the hours of 7:30 p.m. to 9:30 p.m., start on Thursday, Sept. 25.

Classes this year will be held at Niles North, 9800 Lawler, Skokie, on Monday and Wednesday nights, and at Niles West, Oakton st. and Edens Expressway, Skokie, on Tuesday and Thursday nights. No classes will be held at Niles East.

Interested persons may register by mail by using the registration blank on the back of the brochure. Registrations will also be accepted at the Mobile Unit on the Niles West campus from 9 a.m. to 4 p.m. Monday through Friday or on Saturday, Sept. 13 from 9 a.m. to 1 p.m.

The popular travel film lecture series will again be offered in cooperation with the Parent-Teacher Associations of the Niles Township High schools. "This year's series," Mrs. Shute indicated, "will include 7 programs for a season ticket price of only \$3.50. "The first program," she continued, "is scheduled for Tuesday Oct. 7 and will feature Geza de Ros-

Maine High Offers Adult Classes

Classes for high school credit, leading to a high school diploma, are again offered for adults by the Maine Adult Evening school. Persons interested in earning credits to complete their high school education should obtain a transcript of their grades from the high school they previously attended, and call 299-7187 for an appointment with the guidance counselors to work out a course schedule on a personal basis.

Appointments will be scheduled for the evenings of Tuesday, Sept. 16, Wednesday, Sept. 17, Thursday, Sept. 18, at Maine Township High School East, Dempster st. and Potter rd., Park Ridge. Classes will begin Sept. 25 at Maine East.

Those who have few credits or no credits toward a high school diploma may enroll in a new three-evening course which provides testing and counseling for the G.E.D. tests for a High School Equivalency Certificate. The course will meet 7:30 - 9:30 Monday, Sept. 22, Tuesday, Sept. 23, and Wednesday, Sept. 24 at Maine East. Where tests indicate a weakness in certain subjects, courses in the Maine Adult Evening School curriculum will be suggested to help students prepare for the G.E.D. tests. Information on tuition and admission requirements may be obtained by calling 299-7187.

HOW TO HAVE A BETTER LAWN... IN 25 WEEDS OR LESS!
Gardeners trying to cope with the problems of weeds need not be "for-lawn". There are several modern ways of weeding out the unwelcome. The Antrol Lawn Research Bureau lists 25 weeds in three major groups and recommends controls for each.
Common among garden "gangsters" broadleaf weeds include the Dock, Dandelion, Plantain, Yarrow, Purslane, Wild Onion, Shepherd's Purse and Buckhorn. Because these varieties tend to be easy targets, the most economical control is a "squirrel"-type killer such as Squeeze 'N Weed. Viny weeds - those that spread by root runners - create a net over a lawn, literally choking out good grass. To kill these weeds - chickweed, ground ivy, henbit, bur clover and their relatives - a weed

killer that sprays a fine mist in a wide patch is essential. Normal 1-shot aerosols and granular weed killer only kill a section of the weed root, and the weed promptly recovers and continues to spread. Specifically a wide stream aerosol chickweed killer is recommended.
By themselves are the summertime grassy weeds - crabgrass and its many relatives including goosegrass, barnyard grass, foxtail, quackgrass and orchard grass. The sooner after I'M CLEARING OUT! CRABGRASS
the Forsythia blossom fades they are sprayed - the easier it is to get total kill. Still 2 sprayings with a new aerosol jet stream crabgrass killer - 10 days apart are needed. For a handy FREE BOOKLET, illustrating the 25 most common weed problems in your area - and how to cope with them send a self-addressed stamped envelope to: **ANTROL**, Box 12285, Philadelphia, Pa. 19103.
