Niles-Maine Junior College Sets Public Opinion Survey

Community profile committee, which has been appointed by the Dist. 535 Community College Board, met Monday, Sept. 8 to work out procedures for a public opinion survey. Its findings and recommendations will be submitted to the board in November.

Four citizens' advisory committees will seek a cross-section of opinion from various segments of the community. Meyer Kamin and Griffith T. MacDonald are coordinating the survey.

"Generally," Kamin said, "the public community college has been founded to promote the upward extension of opportunity to an ever increasing portion of our population through a comprehensive education program".

"In compliance with the Illinois Public Junior College Act, the community college is re-

quired to offer baccalaureate-oriented, occupation-oriented adult education, general studies and general education offerings. The Niles-Maine Community college district desires to understand and satisfy the educational, vocational and avocational needs of the community."

"It is not the intent of the Community Profile committee to establish or recommend curricular offerings. However, through local initiative by using survey or research techniques, evaluations can be made to enlighten the Board of Trustees about local resources and needs."

"With a united effort and sincere interest we can assist to make the Niles-Maine Community College a truly significant institute of higher learning."

Gene Denning of Skokie, head of the Business, Professional and Labor subcommittee, states that business and industry have expressed a keen interest in the college, and will have many specific suggestions.

William Sterling of Niles and Robert Goldberg of Niles are preparing a survey to be conducted among the area's high school students. This subcommittee.

Anne Evans is the one Con-Con candidate we'll be asking our friends to vote for in next week's election. She's the only woman among the 10 candidates and the impression she left with us at Thursday's candidates' meeting, convinced us she's the type of candidate we'd like in Springfield to represent us. She's a non-partisan candidate, whose studying of local governments on behalf of the Des Plaines League of Women Voters, manifests a knowledgeable candidate, who is likely to serve the interests of the people of our area, as well as the people of the entire state. She is the only candidate, not endorsed by local political parties, who received the endorsement of the Chicago Sun-Times and Daily News.

Library To Request Annexation Election

Next Wednesday, Sept. 24 at 7:30 p.m. the Niles Library Board will hold a special meeting in the Niles Public Library, 6960 Oakton, to prepare a request to the county judiciary to call an election for Oct. 25 to decide an annexation of several parts of Niles into the Niles Library District.

At the time of the establishment of the Niles Public Library District in 1959, the boundary was...

TO VIE FOR 2 CON-CON DELEGATE SEATS

Voters in the 4th senatorial district (Niles, Morton Grove and parts of Golf-Mill and East Maine, will go to the polls next Tuesday, Sept. 23 to choose 4 Con-Con candidates who will then face each other in a runoff election Nov. 18.

In the November election 2 Con-Con delegates from this area will be selected by the voters and they will be 4th senatorial district representatives to the forthcoming Constitutional Convention for the State of Illinois.

There are 10 candidates vying for the 2 delegate seats from the 4th district. They are: Marshall Howard, Park Ridge; Michael Howard Lavin, Uncor-

corporated Des Plaines; Theodore Shaperov; Skokie; Jerome Goldstick, Lincolnwood; Mrs. Anne Evans, Des Plaines; Samuel T. Cohen, Lincolnwood; Franklin Lee, Skokie; James Gettreich, Skokie; William Ngut, Skokie; Dr. Clyde Parker, Lincolnwood.

(The BUGLE lists a recommendation in this issue.)

Polling places in all precincts will be open from 6 a.m. to 6 p.m. on Sept. 23. No party preference need be indicated in this non-partisan primary election.

It wasn't any traumatic experience...and it couldn't even be considered a tear-in-the-eye moment...or a lump-in-the-throat feeling...but still, our "little girl" left the nest Sunday, and little Mother and Dad knew one era had ended and another one was starting. We had joined that ever-growing legion known as parents of a collegiate.

During the past week, I had noticed Betty Coed's mother was lingering in her daughter's bedroom. She'd just sort of stand in the center of the room, and rather gloomily look about the room. She didn't say anything but I didn't tease her about her lingering.

Sunday at the noon dinner Betty Coed had her boyfriend alongside her and when her corny Dad gave a toast wishing her well during the coming years she gave me that, "Did you really have to say that" look. Since there were three other younger ones

#63 Seeks Annexation For Apollo School Site

A resolution expressing an intent to annex the Apollo Junior High school site to the City of Des Plaines was unanimously approved by the board of education of East Maine School Dist. 63 at its meeting Aug. 26.

The resolution reads: "Whereas, East Maine School District 63 is in the process of constructing the Apollo school on a site located in the unincorporated area of Maine Township, and

"Whereas, there exist a number of practical and economical advantages to East Maine School District 63, if and when said

Apollo school site is annexed to a municipality, and

"Whereas, it appears to be in the best interest of East Maine School District 63 to annex said property to the City of Des Plaines,

"Now, therefore, be it resolved that the Board of Education of East Maine School District 63, meeting in official session of Aug. 26, 1969, does herewith express intent to annex the Apollo school site to the City of Des Plaines, and further expresses intent to enter into an agreement sharing in the cost for the installation of an adequate water main from its present location within the City of Des Plaines to the site, with such agreement to involve sharing of cost on the following basis:

"District 207 to pay two-thirds of 75 per cent of the total installation cost, one-half of this obligation to be in cash, the remaining to be divided over a five-year period.

"District 63 to pay one-third of 75 per cent of total installation cost with a portion, approximately one-half to be paid in cash from the 1970-71 fiscal budget, the remaining to be spread over a five-year period.

"City of Des Plaines to be responsible for the remaining 25 per cent of total installation cost."

According to Frank Dagne, superintendent of schools in District 63, the district favors annexation of the 15-acre site of its second junior high school at Central rd. and Crawford ln. to the City of Des Plaines for several reasons.

A major consideration, he said, is that the district will in the long run be able to make considerable savings in water costs for Apollo Junior High school by purchasing water at municipality rates from the City of Des Plaines. Other advantages of city annexation are that the school will receive such services as fire and police protection.

In other action, the board of education voted to award a contract to the Washington National Insurance Company for major medical insurance for the near-500 employees of District 63.

William Allen, member of the board of education, reported that ten insurance companies had submitted bids with the Washington National Insurance Company presenting the low bid.

The district will pay a rate of \$1.37 per month for each employee. If desired, the employees may purchase at their own expense additional coverage for their dependents at a rate of \$1.83 per month.

Students of East Maine Junior High School, he renamed the Gemini Junior High school next year when the second junior high school in East Maine School Dist. 63, the Apollo Junior High school, has been completed, watched a 28-minute color film Sept. 10 on the takeoff, landing and return to earth of Apollo 11.

Capt. Joseph Besso of the U. S. Air Force, giving background information about the flight and three astronauts before the film, described the young Neil Armstrong as one who "planned ahead" and was willing to take "calculated chances," young Michael Collins as "happy-go-lucky" and Edwin Aldrin as "a genius."

Capt. Besso, first guest speaker at the junior high school this year, presented and narrated the film for 8th grade students at a 11:25 a.m. session and for 7th grade students at 1 p.m. He was introduced by Dale Lilyfors, 8th grade principal at East Maine Junior High school.

Notre Dame Moms Club Reception Next Tuesday

The Mother's club of Notre Dame High school for Boys, Niles, Illinois opens the new season with a Welcome Reception on Tuesday evening, Sept. 23, at 8 p.m. in the school cafeteria. Hostesses for the evening will be senior mothers from A through M.

The school principal, Rev. Charles W. Kohlerman, C.S.C., will give the welcoming address and introduce the religious and lay faculty.

CONFIRMATION CLASSES

Confirmation classes for 7th and 8th grade pupils attending public schools, began Feb. 13. It is still not too late to begin the instructions. The requirement is that children not attending St. John's school must take a two-year instruction course prior to confirmation. Thus it is important to register them for 7th grade in order to finish the course before high school. Classes are every Saturday morning at 9. Registration may be made then, or by calling the church office 647-9867 any time before then.

Orientation Night

Marillac High school has announced its annual parents' orientation night.

Freshman parents are asked to attend the night of Sept. 22. The parents of sophomores will attend on Sept. 23, followed by the parents of juniors on Sept. 24. Each of the three sessions will begin at 8 in the evening.

During the orientation, parents will attend class schedules identical to those of the students.

Members of the board for the 1969-70 year are Mrs. Walter Skoglund, president, Glenview; Mrs. Ben Greenwald, 1st vice-president, Chicago; Mrs. Jerome Lunke, 2nd vice-president, Niles; Mrs. Arthur Duffy, recording secretary, Park Ridge; Mrs. Lawrence Covi, corresponding secretary, Niles; Mrs. Art Barrett, treasurer, Park Ridge; Mrs. James Cullen, program chairman, Chicago; Mrs. Richard Lee, program chairman, Niles; Mrs. William Uhlig, social chairman, Niles; Mrs. Charles Ruzkowski, house and reception, Niles; Mrs. Edward Erwin, by-laws and bridge chairman, Park Ridge; Mrs. Robert Valence, sunshine chairman, Niles; Mrs. Irma Kalas, sewing chairman, Lincolnwood; Mrs. Rose Lund, linen chairman, Chicago; Mrs. Harry Hugel, freshman representative, Morton Grove; Mrs. Arthur Cordell, sophomore representative, Glenview; Mrs. Hugh Carmichael, junior representative, Chicago; Mrs. Joseph Raccuglia, senior representative, Glenview.

Blase On Extension 720 Tomorrow Night

Niles Mayor Nicholas Blase will appear on the Dan Price Extension 720 Radio Show, Friday evening Sept. 19, 1969 from 8 p.m. to 10 p.m. (Radio Station WGN-720 on the dial). Mayor Blase will appear on the show with Schaumburg Mayor Bob Atcher and an unnamed Alderman from Chicago. The subject of the show will revolve around City and Suburban Municipal Government.

Blase, who will be speaking in both the capacity of Mayor and the Democratic Committeeman of the Maine Township Regular Democratic Organization, is expected to discuss his viewpoints on the recent debate between Chicago and Suburban Democrats. The show has a question and answer format whereby the listener can call 591-7200 and speak to any of the guests directly.

Two hours of lively conversation are anticipated so mark Friday, Sept. 19 on your listening calendar for an evening that will make political history.

COME WITH US Nov. 29 thru Dec. 6*

LEE RODGERS popular radio personality, flyer, raconteur, world traveler

CHARLES BARBAGLIA, bank vice president and co-host on this special Caribbean holiday.

TO JAMAICA

Special Bank Sponsored Trip Offers 8 Day Deluxe Holiday \$2900*

A blue marlin is caught near Port Antonio on Jamaica's North coast. Marlin, barracuda, wahoo, sailfish, kingfish, and dolphin can be found all along Jamaica's shoreline. They are particularly plentiful in the waters near Port Antonio.

Sun, sand, surf and palm meet on the secluded beaches of one of the many beautiful coves on Jamaica.

RAFTING down the Rio Grande River outside Jamaica's Port Antonio, through bamboo jungle to the sea, is a three hour dream trip. Heavy moose have their own garden-grown gondola, a bamboo raft twenty-five feet long.

CHAMPIONSHIP GOLF is a Jamaican routine, and even weekend hackers find themselves upgrading their game on courses like Tryll, just outside Montego Bay.

Join Lee, Chuck, your friends and neighbors on an exciting sojourn to the white sands and near-transparent sea that made Montego Bay the queen of Jamaica's resort centers. That's where they're heading on November 29th and they're anxious to have you come along.

Join them for a fun-filled Fall vacation you'll never forget. This trip was especially arranged for friends and customers of the Bank of Niles. Travel Consultants Ltd. of Niles, who made all travel arrangements, spared no efforts to see that everything would be the best available. And they've come up with a deluxe package that is hard to beat.

One low price includes everything — transportation, deluxe Montego Bay hotel accommodations, all transportation and baggage charges, tips, etc. There will also be some cocktail parties, a nice club tour and other surprises. It's the buy of your life on the trip of your life... don't miss it!

Will you have fun? You know you will! Jamaica offers a wide variety of things to do and see aside from sunning and surfing. You can site-see at places like Rose Hall (it's supposed to be haunted) one of the original plantations; visit the quaint countryside; go cove hunting; play tennis, golf or go deep-sea fishing. The ladies will be particularly interested in shopping for fineries from all over the world in the duty-free shops — at prices 20 to 50% below what they are here at home!

Sound like your kind of trip? Then act today. Accommodations are limited and we have to honor reservations on a first come, first served basis. Stop by the travel desk at the Bank of Niles for complete details or fill in and mail the coupon.

* Cost is \$2900 on European plan. A modified American plan (includes breakfast and dinner) is also available at \$3500.

Tradesman Tries Prize

Bob Pullen (right) tried out the camera he received for being named "Tradesman of the Month" by Realty Company of America (Realcoa). His employer, Ed Haberkorn of Dynamic Electric (left), holds an engraved plaque that he was presented in Pullen's honor. With them is Realcoa vice-president Harold Palmer who made the presentation.

Pullen Is Tradesman Of The "Old School"

A childhood interest in the building trades has turned into a rewarding career for Robert Pullen, 3226 Knight ave., Niles, a journeyman electrician for the past four years.

He was recently named the August "Tradesman of the Month" by Realty Company of America, Inc. (Realcoa) for his outstanding work on the developer's Kingsbridge subdivision of Arlington Heights.

Pullen, 32, was selected from some 1,000 tradesmen currently employed at Realcoa developments. "Although considered young in the construction field, Bob is already a craftsman of the 'old school,'" according to Harold Palmer, Realcoa vice-president. "He brings to each job not only a professional skill but a professional concern to do the job properly," Palmer added.

Pullen, who says he was always attracted to the building trades, even as a high school student, feels he has found a diversified and satisfying career as an electrician. While he hopes that his own sons will go on to college, he would like to see them enter some phase of the building business when they complete their education.

In recognition of being named Tradesman of the Month, Pullen was presented with a Polaroid Color Pack II Camera, and his employer, Dynamic Electric, received an engraved plaque to display in his honor.

Pullen, who served with the United States Air Force from 1961 to 1966, is a member of the International Brotherhood of Electrical Workers, Local 134.

Nilehi Bd. News, Notes

The Niles Township Board of Education has formally charged its Citizen's Advisory Council to study the need for an educational fund referendum for fiscal 1970-71.

The charge included a request that the CAC further advise the board relative to timing for the referendum and appropriate techniques for communicating the need for same to the community. William Goodstein, CAC sub-committee chairman, accepted the charge for the CAC and indicated that work will begin immediately.

Before a group of 11 visitors, the Board also approved West Division's request to charter 3 new clubs for 1969-70; approved the request of former Niles East student, Dan Olen, to attend there as a tuition student this year; authorized the administration to execute a contract for modular scheduling for Niles North for 1970-71; denied a special request for reimbursement of Junior College summer school tuition; agreed to dismiss schools at 1:30 p.m. on Friday, Sept. 12, because of the religious holiday following; approved scheduled payment to safety code renovation contractor; accepted four resignations, and approved the appointment of six new personnel; approved bids for outside window washing for the district, and bids for custodian uniform rental.

The Board gave approval to a Family Pass plan for District Athletic contests. The \$15 pass will admit the holder and his family to 25 contests in the football, basketball, gymnastics, swimming and wrestling areas.

In other action, the Board accepted a summary of the evaluation report on Project Wingspread. The report concluded that the project was an extremely effective instrument for changing attitudes of students.

The Board was later presented with a summary report on staff appointments and resignations prepared by the Personnel Division. Among the many facts and figures perhaps the most notable was one indicating that the Personnel Office handled a record 2500 plus

Lavin Tells Of New Endorsements

Michael Howard Lavin, candidate for delegate to the Constitutional Convention (4th senatorial district) announced that he has been endorsed by the Independent Voters of Illinois (IVI) and the Better Government Association (BGA). These endorsements follow the Illinois AFL-CIO, and New Democratic Coalition. He has also been endorsed by the Chicago Tribune.

A rally to honor Michael Howard Lavin will be held at the Niles Park Recreation Center, Thursday, Sept. 18, 1969 starting at 8 p.m. The public is invited to meet and question Lavin at an open house. Lavin will be joined by Ted Shapero of Skokie, a Con-Con Candidate also.

"Among the many issues I have tried to bring to the people are the important ones such as tax relief so that we can afford to live in the State of Illinois; Judicial Reform so we can remove politics from our judicial system. We should eliminate the sales tax on food, clothing and medicine and give tax relief to property owners.

"Multiplicity of government such as Township Government should be abolished as a parasite on our tax dollar."

Following brief comments on the critical need for a systems design relative to Data Processing Services, the Board was alerted to the proposed educational report for the Sept. 23 meeting: Use of the Computer in the Niles Township High Schools.

Final discussion item on the agenda dealt with greater involvement by and communication with students and parents in the community. The Board asked Supt. Szuberla to further consider several alternatives and recommend a possible course of action at the next Board meeting.

Square D Post For Ferracane

In Service

Now stationed in Ft. Leonard Wood, Mo., is Thomas G. Kerzanski, son of Mr. and Mrs. Kerzanski, 8321 N. Ozanam, Niles. He left for service Sept. 11.

Thomas, a 1968 graduate of Maine Township High school East, will be 20 years old in November and is expected home Jan. 11, 1970.

Cohen Charges "Taxation-No Representation"

Taking up the Revolutionary War battle cry, "no taxation without representation," Samuel T. Cohen, 53, of 6520 N. Drake, Lincolnwood, attorney and communal leader who is a non-partisan, independent candidate to be a delegate to the Illinois Constitutional Convention for the 4th Senatorial Dist., charges that the two major political parties control the election of state representatives and the State Legislature, therefore, does not truly represent the people who comprise the electorate.

These charges and recommended solutions are outlined by Cohen, a resident of Lincolnwood since 1952, who seeks selection by Niles and Maine Township voters in the Sept. 23 primary election.

The 4th Senatorial Dist. comprises 241 precincts in Skokie, Des Plaines, Park Ridge, Niles, Morton Grove, Lincolnwood, Glenview, Golf and Rosemont. The four highest vote-getters in the primary will compete in the Nov. 18 election for the two seats that each Senatorial district is entitled to at the Constitutional Convention, which will take place in December, 1969.

In elaborating on his declaration, Cohen stated:

"Our dramatic form of government is founded on the principle that we are 'a government of the people, by the people, and for the people'. Our forefathers won their freedom from England through the battle cry of 'no taxation without representation' in the Revolutionary war of 1776-1783—an appeal which is just as logical today as it was at that time.

"The people of the State of Illinois, under their present constitution, are presented—in most instances—with a 'fait accompli' by the two major political parties, who pre-determine who shall be the three state representatives from each district, without giving the electorate the prerogative to choose their own representatives.

"As there is no contest in most districts, since the three candidates are hand-picked by the political parties, the electorate do not actually elect their representatives."

"The new constitution must provide for real contests of at least two candidates for each state representative office," Cohen continues. "Instead of proposing three state representatives from each district for the legislature, there should be a three-fold increase in the number of contiguous representative districts in a true contest between at least two candidates in each district with one representative elected from each district who shall be directly responsible and answerable to the people of the district that elected them."

"...you don't need to be a politician to be effective in politics."

THIS IS JOE MATHEWSON

I've Had Washington Experience. As a journalist for the WALL STREET JOURNAL, I covered both Congress and the Supreme Court. I know the pitfalls that await the untrained Congressman—the wasted steps, the frustrations. I know how to get at the heart of the system and get the job done.

I've Worked at the State, Local, and Community Levels. Most recently, with the State of Illinois as Gov. Ogilvie's press secretary. Prior to that, as a board member of the Erie Neighborhood House. I have been chairman of the Board of Deacons, Winnetka Presbyterian Church, a Cub Scout leader, and coach of a boys' baseball team.

As a Newscaster and Communicator. Three years as reporter and newscaster with CBS-Chicago. Here, I had the opportunity to test the mettle of my ideas with leaders of government and commerce.

Government is out of control. It is no longer responsive to the citizens of our area—any area.

Our Federal Government has become so large and remote from the people, that it is no longer responding to us—or our thinking. This we cannot tolerate.

I want your vote. I can accomplish something. I have the background, the training, and the will to get the job done.

Joe Mathewson
Republican Candidate for Congress—13th District

Where I Stand

- Lower Federal taxes
- Tax deductions for education
- Emphasis on tax incentives in place of some direct Federal aid—to enlist the talents and the efficiencies of companies to solve some of the major unemployment and welfare problems.
- Federal revenue sharing to help strengthen state and local government, to meet local needs locally.
- A new, more constructive Asian policy—to follow the withdrawal of our troops from Vietnam.
- Stern air and water pollution controls—with inter-governmental co-operation that cuts through the morass of Federal, state, and local fiefdoms.
- Education and training opportunities for the unemployed—to bring them into the mainstream of society and help make them productive contributors to our free enterprise system.

Service problems?

The solution is probably right here under your nose.

"Should I fix it or sell it?"

"Why doesn't my engine perform like it used to?"

"Why does my car vibrate when I'm on the expressway?"

"Why don't my blinkers shut off?"

"Why am I using so much oil?"

"Will it start when cold weather sets in?"

"Are my brakes safe?"

DIAGNOSTIC INSPECTION REPORT

The Ford-Mercury-Lincoln Car Service Clinic. Another better idea from Ford Motor Company and its dealers. Where your car will get the most complete "physical" it's ever had.

Make an appointment. Come on out. You'll see a new approach to car and customer service. Trained diagnostic technicians, working with electronic diagnostic equipment, will conduct over 100 tests on your car. They'll find out what shape your tires, fan belt, hoses, battery and carburetor are in. And run your car on a special tread mill, called a dynamometer. To find out how it performs at turnpike speeds. How much fuel it consumes under varying conditions. How your brakes stand up to both high-speed and low-speed stops. Tests that ordinary equipment just can't make. A Dynamic Diagnosis simulating actual road conditions! And you can watch the progress. Or watch something else. Like the color TV in our modern, decorator-designed lounge.

CAR SERVICE CLINIC

Less than an hour later, a diagnostic technician will fill out a detailed Diagnostic Inspection Report. Give it to you. And explain what the tests revealed. You'll know what's right with your car. What needs immediate attention. What can wait. The price for all that peace of mind? Just \$11.95. And there's more. 4 additional services. A major repair department. A gasoline station. A well stocked automotive accessory and home product store. Even an automatic car wash. For your convenience the Diagnostic Lane is open 9 to 5:15 Monday through Friday. Open from 8:30 to 3:30 on Saturday. And it's equipped to handle any domestic make, or year car. Call Yorktown 6-1600 for an appointment.

Lavin Urges "More Concern" On Con Con Issues

Michael H. Lavin, 32, Des Plaines, a trial attorney and candidate for delegate to the Constitutional Convention (4th Senatorial Dist.) was honored recently at a cocktail party at The North Shore hotel, Evanston by his campaign supporters.

Lavin told the audience "we should add the letters CERN to Con-Con and begin to CONCERN ourselves with the issues and voice our opinions so a more solid constitution can be written for the people of Illinois."

Named Bank Asst. Cashier

John H. Larson of 8293 Oak ave., Niles, has been elected assistant cashier of Citizens Bank & Trust Company. It was announced by Kermit E. Hurdley, vice chairman of the board.

Mr. Larson serves as manager of the bank's electronic data processing department, a position he has held for the past two years. He joined the bank in March, 1962, as a commercial teller, then served as both collection manager and interviewer in the installment loan department before obtaining his present position.

Larson has been instrumental in developing and merchandising electronic data processing services to metropolitan area commerce and industry. Among the services offered by his department are: payroll, sales analysis, labor distribution and inventory control.

He is a graduate of the American Institute of Banking and also attended American River college in Sacramento, Calif.

Larson is married to the former Sunda D. Robertson, of 1019 Ave. E, Hawarden, Iowa. The Larson's have two children, Susan Diane, 6 and John Daniel, 2.

"I have spoken about tax relief and the judicial article in the past several weeks", Lavin continued, "now I say we should concern ourselves about districts such as township government that should be eliminated since they are no more than a parasite on our tax dollar. They serve no real purpose, have no fire or police departments, and have very limited governmental functions. Township government as it exists today collects many times more than the money needed and the amounts they do spend are used for wasteful administrative expenses."

PWP Meeting

The Sept. 19 meeting of Parents Without Partners, Inc., Chapter 168, will be addressed by Joseph R. Rowan on the prevention of crime and delinquency. Mr. Rowan is the executive director of the John Howard Association, a non-profit organization devoted to the rehabilitation of released prisoners, crime prevention and the improvement of prisons.

A discussion period will follow his speech and coffee and cake will be served by the hostesses. The meeting will be held at the Knights of Columbus hall, 15 N. Hickory st., Arlington Heights.

Luncheon To Hear Kevin Forde

League of Women Voters will hold its September luncheon meeting today, Thursday.

Speaker for the day will be Kevin Forde. The topic is "What is Wrong With County and Township Government." Mr. Forde is an attorney. He is a faculty member of the John Marshall Law school and Law clerk to William J. Campbell, Chief Judge of the United States District Court for the northern district of Illinois.

New String Dept. For Niles Schools, Parents Club To Meet Sept. 23

Music department of Niles Elementary schools opens its 18th season this Fall with a new addition to its program. For the first time, our school will have a string department, headed by Mrs. Paula Dawson. The String Program will consist of a string chamber orchestra, and a symphonic orchestra, including both strings and winds.

The string instruments (violin, viola, cello, and string bass) as well as the band instruments will be demonstrated on Thursday evening, Sept. 25, at 8:30 p.m. in the North school auditorium. All parents with children in 3rd thru 8th grade are invited to attend and enroll their children in this new exciting and enriching program.

Niles Band Parent's club will hold its first meeting of the new school year Tuesday evening

Grandmoms Club

The Niles Grandmothers club, Chapter #699, will hold its regular monthly meeting on Wednesday, Sept. 24 at noon in the Niles Park District Recreation Center.

After a busy summer of picnics, luncheons and theater parties, all members are looking forward to an active year.

The September meeting will be for election of officers with the annual Installation-Luncheon in October.

Five members, including president Helen Skaja, will leave early in October to attend the annual National Grandmothers Clubs convention in Los Angeles, Calif., with special tours to Las Vegas and Mexico.

PR Director

Morton Collins has been appointed director of public relations for Forest hospital, Des Plaines. Before joining the hospital, Collins served in various public relations capacities with a number of Chicago corporations and agencies. Forest hospital is a private psychiatric hospital for the treatment of the emotionally and mentally ill.

Sept. 23 at Niles Elementary school North, at 8 p.m.

Newly elected officers for the coming year are: president, Mrs. Nancy Saklak; vice-president, Ron Grant; secretary, Mrs. Wilda Lautenschlaeger; treasurer, Mrs. Pat Ebner; social, Mrs. Patti Jordan; membership, Mrs. Virginia Landauer.

Niles Band Parent's club has been active in the past in raising money for music scholarships, special trips, blazers and musical instruments for members of the band program.

NILES POLICE REPORT

Sept. 16— Robert Jensen of Glenview reported his auto stolen from the Niles Motel parking lot, 7139 N. Milwaukee. Police later found the '67 Olds in the parking lot of Bunker Hill Country club, 6635 Milwaukee. The left side of the car had been damaged.

Sept. 15— Theft at 8436 Osceola was reported to police by Paula Filas. She told police unknown persons had taken fishing rods, reels and a tackle box from the garage. Items were valued at \$150. Ron Davis reported a theft from his auto at 7740 Nordica. Taken were a stereo tape player and a citizen's band radio, both valued at a total of \$282. An abandoned 1960 Plymouth was reported on fire in the parking lot at 7225 Dempster. The blaze was extinguished by the NFD. Fire was reported at the Dolphin Motel, 9630 Milwaukee. Apt. 310, used for storage, contained a fire, started when a heater ignited a mattress stored therein.

Sept. 14— Motor vehicle accident was reported at Gross Point and Caldwell. Involved were John Maltese, 8627 Merrill and Bernard Hurbant, Chicago. Maltese was issued a ticket for failure to reduce speed and Hurbant received a ticket for driving left of center. Both were taken to LGH suffering from injuries. Theft from his auto was reported to police by Salvatore Fucarino, 7519 Keeney. He told police he believed a 25-cal. automatic Belgian Browning was taken from under the front seat of his car while the auto was being washed by an attendant in an area car wash. Serial number of the gun is 455354-E-381. Theft from his auto while it was in the Golf Mill parking lot was reported by John Barah, 8713 Oketo. He told police some books, an oil

painting and 2 black and white lithographs were stolen. Total value of the items was placed at \$220.

Sept. 13— A hub cap was reported stolen from his '66 Olds Cutlass by W. P. Schielreth, 7350 Arcadia, Morton Grove. He told police his car was in the employees section of the Golf Mill parking lot. Criminal damage to an auto was reported to police by Mrs. Arlene Feller, 8814 Prospect. She told police unknown persons placed sugar in the gas tank of her husband's '64 blue Chevrolet.

daries of the district were set up to be co-terminous with the boundaries of the Village of Niles at that time. Since then several additions have been incorporated into the village, but could not be acquired by the Library District, with the result that many residents of Niles are not residents of the district.

The principal areas seeking annexation are: the part of Niles north of Golf rd., known as Golden Acres; those parts south of Golf rd. and east of Milwaukee ave.; the small section east of Ozanam ave. north of Dempster near Viola Nelson school; the small area between the former Tam O'Shanter Country club and Oakton st. along Caldwell ave.

If you reside in any of these areas and have not yet been contacted to sign the annexation petition, you are invited to come into the library and sign it before Sept. 24.

At the present time the only way people in these areas can benefit from Niles Library service is by payment of the non-resident fee of \$30 per family per year. After annexation the tax rate for the district of .12% plus .025% for building bonds will be added to tax bills and all residents will have full use of the library including bookmobile service in the immediate neighborhood. Probably there will be some reduction in the tax rates because of the broader base compared to costs of library operation, though at present time the amount of possible reduction is impossible to figure.

convention election, the Morton Grove League of Women Voters has compiled a list of qualifications and important dates.

Mrs. George Coldevey, Voters Service Chairman, stressed the importance of voting in the Primary Election Sept. 23. "Many citizens are not aware that this will be a non-partisan primary election, and that it will narrow the field of candidates to four. The best candidates cannot be elected Nov. 18 if they do not survive the Primary Sept. 23," she said.

As to qualifications for voting, a person must be 21, a citizen, have lived in Illinois one year, in the county 90 days, and in the precinct 30 days by the time of the election. The polls will be open from 6 a.m. to 6 p.m.

However, here are the important dates for people who either are not registered voters or who plan to vote by absentee ballot:

Sept. 18 - Last day to apply by mail for absent voter's ballot

Sept. 20 - Last day to apply in person for absent voter's ballot

Sept. 23 - PRIMARY ELECTION

Sept. 29 - First day absent voters in United States service or dependents may make application for official ballot

Oct. 17 - Last day for registration or transfer of registration in the office of County Clerk or Board of Election Commissioners

Oct. 27 - First day voters may file application for absentee ballot

Nov. 13 - Last day to apply by mail for absent voter's ballot

Nov. 15 - Last day to apply in person for absent voter's ballot

Nov. 18 - ELECTION DAY

If you are in doubt about whether you are in the Library District you may call the library at 967-8554 for this information.

All the candidates are in favor of judicial reform, election reform and for more equitable means of taxation. Thus, the question has to be asked which candidates have no other ambition than to serve the community, without regard to political affiliation.

Mrs. Evan's years of studying government plus her non-partisan approach to creating a new state constitution, makes her our ideal candidate.

at the table who generally spill their way thru a meal, the chances for any sentimental "last meal at home" were unlikely. The only sentiment I had was, "I'll be glad when she's gone, then I won't have to look at this boyfriend 6 times a day."

Surprisingly, packing all her gear in the car took only a short time and the ride up to school was equally fast. Carrying her brown cardboard box luggage into the new dorm was done amidst much huffing and puffing. And while the huffing and puffing was natural for me, when I came upon the horde of young people who seemed to be coming from all directions, I vowed I'd begin getting into condition at the "Y" beginning Monday.

Eleven floors up is her bedroom, a 12 by 20 room which seemed too small for all her brown boxes. When I saw her roommate had an equal amount of the same kind of luggage it seemed impossible 2 teen girls would be able to live in that cubicle.

The hordes of young people, who were downstairs, were figuratively matched by the throngs who were on floor 11.

Amidst the brown boxes, the 2 teens and the Little Mother and Father, an endless stream of Betty Coeds began squeezing into the room, laughing, gripping about the food, shaking hands, squealing and just being friendly. They were from Edwardsville and Bensenville and "she worked at Lyttons" and "I remember you from orientation" and "boy, was the food bad...I was sick for 3 days with the flu, and I'm sure it was from the food." It was an endless stream of people, all young and full of talk.

It was supertime and the number 1 daughter had very little for lunch so Little Mother said we'd take her out for a bite... but naturally, she wasn't hungry, and I gave Little Mother the "Let's get out of here and leave her alone" look.

She kissed us goodbye and Mother remembered she needed a few dollars cash. She kissed us again and I even counted a 3rd time, which was some sort of a record. It must have been that good clean corn-bearing DeKalb air.

As we left I borrowed an old standard bromide from a friend by telling the girls, "Have a good time and be good girls...but not necessarily in that order." They all laughed and then they all told me what their old Dads said and I realized all old Dads are much the same...pretty corny.

As we started the drive home we mulled over whether the school was too large. "Maybe we should've considered a smaller school." Little Mother worried because she missed supper and she wouldn't have anything to eat. "The least I could have done was left her some fruit," she worried and soon Mother was dozing as we headed for the tollway.

When we arrived home the younger brigade peremptorily asked us 2 or 3 questions about "her school" and then reviewed the sprinkling fight they'd had, and lapsed into a finger-pointing battle over who did what to whom.

There's now 1 less finger-pointer at home... and we're going to miss her...but I realized as we sat down to dinner...it's only a matter of minutes before someone spills something. And I was right...and I suddenly had a lump in my throat.

AREA SCOUT NEWS

Pack 275

St. John Brebeuf Cub Scout Pack 275 had a full summer program with outings and field trips. The programs started in June and were completed in August which enabled the pack to earn the National Summertime award.

On Saturday, June 21, Cub Scouts and their families put their "Wheels and Rudders" in motion by taking a train/boat ride. It all started with a ride on the Chicago & Northwestern train to the river dock at Madison st., where the Wendella boat met the pack and took them along the Chicago river and through the Chicago riverlocks. While cruising on Lake Michigan, viewing the skyline, everyone enjoyed their box lunches. A good view of "Big John" was seen when the captain of the Wendella came close to the shoreline at Chicago ave. The boat wound its way back through

the locks and to the river dock, where all boarded the train for the ride back home on the reserved car of the Northwestern.

A family picnic was the outing for July which was well attended. The pack felt it would be appropriate to attend the Holy Name Society picnic as a group in that the society is the sponsoring unit of Pack 275. After a rainy and cool morning, the picnic site at St. Paul Woods was full of sunshine and warmth with the families and friends who all joined in the fun with games, refreshments and a ball game between the fathers and sons.

The boys and their fathers went fishing on Sunday, Aug. 24 to round out the summer activities. Beck Lake was the scene of real happiness to see a boy and his father sharing their talents and sportsmanship with fellow Cub Scouts. Lunch consisting of hot dogs, potato chips,

pop and all the trimmings were served to the hungry anglers. Andy Fahey (manned the grill for the afternoon as well as made other plans for the day. All boys who were present received a prize. Special prizes went to the following boys for their efforts: most caught fish - Ricky Chiero - nine fish; biggest fish caught - Paul Nawisniak - 6 1/4" fly casting contest - ???, 18 inches from stake; most unusual catch - Jeff Patton - 5 lb. ball of rope.

The boys are looking forward to other outings planned for the coming year, which include a night of swimming and old fashioned hayride, plus a trip to the Great Lakes Naval Training Center. Pack 275 will participate in School Nite to be held throughout the area on Tuesday, Sept. 30. Any boy 8 years old or is now in the third grade and who would like to join an active pack, please attend School Nite on Tuesday, Sept. 30 at St. John Brebeuf school hall at 7:30 p.m. and join Pack 275.

Final Briefing

300 men will meet this week in seven districts to complete plans for the School Night for Scouting for this area that is expected to make Cub Scouting and Boy Scouting available to 3,000 more boys.

The meeting will include School Coordinators, new Unit Organizers and Neighborhood Commissioners, according to Art Leu, School Night Chairman for the Northwest Suburban Council, Boy Scouts of America.

Through the cooperation of local schools, boys and their parents who wish to join Scouting will be invited to the school nearest their homes to be assigned to a Scout Unit. School Night for Scouting is scheduled for the schools in this area on Tuesday evening, Sept. 30.

During the next week, Leu said, "final arrangements will be made, participation of Scout Unit leaders will be determined, and agreements will be made with local organizations to sponsor new Scout Units that may be needed in order to take care of the boys who want to be Scouts."

School Night for Scouting is a part of the Northwest Suburban Council's plan to meet quality and quantity objectives as a part of "BOYPOWER '76," the 8-year, long-range Program of the Boy Scouts of America, which began last January.

Maine Ridge Fall Camporee

Maine Ridge district Boy Scout vice-chairman William Perrine, 7400 Wilson terr., Morton Grove, has announced plans are completed for the Fall camporee Oct. 3-5 at St.

Also called the Eagle Camporee, the activities include demonstrations by the scouts of the merit badges required for the Eagle rank.

One group of merit badges will consist of camping, cooking, hiking and canoeing. Another will feature nature conservation, fishing or cycling and pioneering. A third group will be water skiing or archery, swimming, lifesaving and personal fitness. Also citizenship in the community, citizenship in the nation, safety and first aid will be discussed.

Tickets For Firemen's Dance In The Mail

It's in the bag!
The mail bag, that is, and we're talking about the tickets to the 14th Annual Dance of the Firemen's Benevolent Association of Niles, to be held on Friday, Oct. 10, during Fire Prevention Week.

Over 12,000 tickets have been mailed to the Niles residential, business and industrial community for this once a year high point of the Niles social calendar. This year's dance will be held once again at the newly remodeled Bunker Hill Country club, 6635 N. Milwaukee ave. For those who have not visited this hall recently, a surprise is in store because of its new supper-club decor.

A color TV set will be awarded to a ticket holder. In addition, door prizes will be awarded throughout the evening and a special surprise awaits a Queen of the Dance who will be chosen by a committee.

The Association would also like to invite those who attend for the first drink of the evening on the house.

Music will be provided by the Continentals, who specialize in round-the-clock musical entertainment throughout the night so that everyone is assured of plenty of dancing pleasure.

Proceeds of the ticket sales, which cost \$3 per couple, are used to purchase insurance benefits for the firefighter's families.

Successful Season For Girls Softball League

The Niles Youth Congress Girls Softball league finished its 2nd year with a most successful season.

The team sponsored by "Booby's" tied the league leading Rotary Wheels, sponsored by the Niles Rotary, in their final game and went on to win the championship in the playoff. Mr. Ray Lalowski, Manager and Mr. John (Smiley) Benson led this outstanding team to victory.

At the "Award Dinner" at the Niles Recreation Center, the winning teams were presented their trophies by Mrs. Irv Hlava, Coordinator for the Youth Congress Softball League. Shown with Mrs. Hlava accepting the trophy for "Booby's" is Capt. Jeanne Adams, Mr. Benson, Mr. Lalowski, Michelle Trenkina, Diane Benson, Peggy Lalowski, Janice Bobula, Mary Grady, Terry Gries, Donna Feezor, Gail Schrier, Debbie Fort, Roxanne Robinson, Laurie Zamzow, Jan Gulbis, Sally Gulbis, and Karen Benson. Not pictured is Sue Braun.

The season was brought to a close with the All Star games held at Jozwiak park on Sept. 5, 6 and 7. The 40 "All Stars" were divided into the North team managed by Mr. Irv Hlava and the South team, managed by Mr. Ray Lalowski. The North team won all three games, 14 to 9, 17 to 6 and 15 to 14. Trophies were awarded to the three most valuable players chosen for their performance in the three games, Mary Ann Messeri and Donna Wiles of the Rotary Wheels and Phyllis Del

Re of Skaja Terrace were honored with these awards presented to them by Dee Hlava, Mrs. Hlava, in turn, was shown with a bouquet of yellow roses and a gift certificate from the All Stars.

which, from all appearances, seems to be growing in leaps and bounds. Girls of high school age to age 21 are eligible to join and registration for next year will be held in the spring.

The Youth Congress Girls Softball League was organized in 1968 by Mr. Ralph Bast, adult advisor to the Niles Youth

Dedicate St. Luke's Facility This Sunday

The newly constructed sanctuary and expanded Christian Education and Office facilities of St. Luke's United Church of Christ, 9233 Shermer rd. at Harlem, in Morton Grove, will be "dedicated to the glory of God and the service of man" on Sunday, Sept. 21.

The Service of Dedication will take place at 3 p.m. All members and friends of the congregation, neighbors and dignitaries from the village and the United Church of Christ will participate in the services.

Rev. Dr. Armin Limper, Professor of Religion and Theology at Elmhurst college will be the

main speaker. Dr. Limper has served St. Luke's Church twice in its history, as interim pastor. The Chancel Choir of St. Luke's will lead the congregation in the service, by presenting two choral numbers. Rev. Charles W. Ross, pastor of St. Luke's since July of 1963, will serve as Liturgist and lead the congregation in the Litany of Dedication.

The Women's Guild of St. Luke's is hosting a reception immediately following the service in the Fellowship Hall. Everyone is invited to attend and to join in this very special service.

NWSJC Sisterhood Fete Sept. 25

Sisterhood of the Northwest Suburban Jewish Congregation, begins the 1969-70 season with a return appearance of entertainer Renee Matthews.

Miss Matthews, singer, harpist and actress, has been featured in supper clubs, on television and in musical comedy theaters. Although born and educated in Chicago, her dramatic

interpretations of Israeli and traditional ballads have won her national acclaim.

The date is Thursday, Sept. 25 at 8:30 p.m. at the synagogue, 7800 W. Lyons, Morton Grove.

Plans for the coming year will be told and Circle assignments made for this year.

Tennis Trophies Presented By Niles Park Dist.

Niles Park District summer tennis program was a "fantastic success." Almost 200 adults and children participated in the lessons, conducted by George Komer. Classes were held at Jozwiak Park, Grennan Heights park and Nico Park, for 8 weeks beginning June 23.

"Most of the adults and the youngsters were remarkably quick learners" commented Mr. Komer. Several participants became quite skilled in the active sport.

To culminate the season the Niles Park District conducted a tennis tournament during the week of Aug. 18. Anyone who participated in the lessons was eligible to enter. About 100 youngsters and adults participated in the tournament.

An award ceremony was held at the Niles Recreation Center Sept. 3. Ribbons were given to 2nd and 3rd place winners and trophies to first place winners in each category. The following received trophies:

Girls singles, beginners - D. Crandall; boys singles, beginners - J. Haase; boys singles, advanced - D. Maycan; girls singles, advanced, Karen Ebner;

adults singles, beginners - N. Anderson; women's singles, advanced - J. Miller; mens singles advanced - J. Abbate.

Next summer the Niles Park District plans to continue the tennis lessons but adding more playing time for each class. Once again a tournament will culminate the season.

"Last Fling"

Indian Summer is the ideal time for a last fling at outdoor tennis. The Maine Adult Evening school offers classes on Saturday mornings starting Sept. 20, on the courts of Maine Township High school East, Dempster and Potter, Park Ridge.

For five consecutive Saturdays beginners can learn the fundamentals of the game from 9-10 a.m. Fine points to increase skill and improve their game will be taught intermediate students 10-11 a.m., and advanced players, 11-12.

Registrations are now being taken, or students may register on the courts the opening day of lessons. The Maine Adult Evening school office, 299-7187, can supply further information.

More Endorsements For Anne Evans

Adding stature to her bid for one of the delegates seats from the 4th Dist. to the Illinois Constitutional Convention, Anne H. Evans has received enthusiastic endorsements from a wide spectrum of the community.

Three Chicago newspapers have recommended Mrs. Evans, an independent candidate for Con-Con, to the voters of the Maine and Niles Township area. Editorial endorsements have come her way from the Chicago Daily News, Chicago Sun-Times, Chicago Today and the Chicago Tribune.

In addition, Anne Evans is recommended by the Better Government Association Northwest Suburban Branch of the American Association of

University Women, Illinois State ALF/CIO, and the 10th Congressional District Independent Democratic Coalition.

Mrs. Evans, 986 Jeannette St., Des Plaines, has studied constitutional issues and needed reforms for nine years as a board member and officer of the League of Women Voters of Des Plaines, and has spoken on constitutional subjects before many groups in the northwest suburban area.

In her campaign for Con-con delegate, she has made numerous appearances before civic groups and in homes throughout the 4th State Senatorial Dist., and is carrying on her busy speaking schedule right up to election day.

Niles Park District News

Flag football under the lights for high school boys will be a new feature of the Niles Park District Fall program. All games will be played at Jozwiak Park on Thursday and Friday evenings from 7-9 p.m.

*This flag football for high school boys as listed in the Niles Park District brochure has been changed from Saturday at Grennan to Thursday and Friday nights at Jozwiak.

Games will begin in late September. Sweatshirts, trophies and insurance will be issued. If interested in having fun and joining a team register at the Park Office, 7877 Milwaukee ave. beginning Thursday, Sept. 18. Registration will continue through Saturday, Sept. 27. For further information call 967-6633.

The Niles Park District preschool program for 4 year olds is soon to begin. Under the competent leadership of Mrs. Conley, Mrs. Staudt and Mrs. Kennedy, the youngsters will get an opportunity to participate in a group learning situation. The activities offered are varied, including learning basic skills, active and quiet games, singing, show and tell activities and special parties, etc. The youngsters are served orange juice and cookies daily. The program is open to children 4 years of age or who will be four by Dec. 1, 1969.

The first session is as follows:

Tuesday and Thursday - classes begin Oct. 7 through Dec. 11; Wednesday and Friday - classes begin Oct. 8 through Dec. 12; Monday and Wednesday - classes begin Oct. 6 through Dec. 10; Tuesday and Friday - classes begin Oct. 7 through Dec. 12.

Morning classes will be held from 9:30 to 11:30 a.m. and afternoon classes from 1 to 3 p.m. All classes will be held at the Niles Recreation Center, 7877 Milwaukee ave. A fee of \$15 will be charged and mothers are asked to help with the program.

Registration for the first session will be on Thursday, Sept. 25 at the Park District office, 7877 Milwaukee ave., starting at 9 a.m. and will continue until the classes are filled. Registration is on a first come, first served basis. Mothers should be prepared to present the child's birth certificate on the day of registration.

Program On Drugs

Dependency on mind-bending drugs will be the program subject presented by a panel comprising a world-renowned psychiatrist, the Night Pastor and an addict, in the first of a series of public education programs sponsored by Resurrection hospital.

The program will be presented tonight, Thursday, Sept. 18, beginning at 8 p.m. at Resurrection High school, 7500 W. Talcott ave., Chicago.

Dons Give Austin 78-6 Shellacking

Notre Dame's fighting Dons opened their 1969 football season with one of the most lopsided victories recorded in Chicagoland area gridiron history, a 78-6 shellacking of Austin High school last Friday night.

Notre Dame's suicide squad scored the Don's initial points of the evening and set the pattern of play for the remainder of the game by nailing the Austin return man for a safety on the opening kickoff. From this point on, Austin was hampered by mistakes, with Notre Dame capitalizing on most of them.

A combination of a tough, alert Notre Dame defense and Austin's poor kicking game repeatedly gave the Don's offensive unit excellent field position. Line backer Bruce Donash picked off two Tiger passes and safety Tim Rudnick and linebacker Mark Rau each intercepted one, Rau returning his for a 22 yard score.

Sparked by the play of the defensive squad, Notre Dame's offensive eleven punched over touchdown after touchdown, Jim Rotunno guided the attack for three quarters, scored himself

on a 9 yard end run and passed 20 yards to Bruce Donash for another tally. Fullback Chuck DiPrima slammed across the goal line from the 2 yard line twice, halfbacks Gary Potamp and Mark Rau each scored from a yard out and halfback John Sherry turned in a nifty 21 yard touchdown run on an end sweep to complete the scoring for the first team.

The second and third offensive units also displayed a potent scoring punch. Sophomore Greg Schuabe played well in his first varsity game at quarterback, scoring from 21 yards out on an option play and passing for a 41 yard touchdown to halfback Hank Hines, who eluded several Austin defensive men on the play. Fullback Ray Robinson burst into the end zone from the 9 yard line and halfback Brad Hack slammed over from the 3 to finish Notre Dame's scoring.

Although the Dons racked up a convincing victory last Friday, the night wasn't one of total enjoyment for the team. Two-year letterman Rich Tosch, a starter at offensive and defensive halfback and one of the team's most valuable players, was injured early in the first quarter and is out for the season. Also head coach Fran Willet commented that he was pleased with the team's overall performance, but that "they still need a lot of work on blocking, tackling and execution."

Notre Dame is now preparing for its annual clash with Public League powerhouse Lane Tech, the battle taking place at Notre Dame stadium this Friday at 8 p.m. In the pre-season polls, Notre Dame was ranked eleventh and Lane Tech was picked fourteenth in the Chicagoland area. The Dons will carry added incentive into Friday night's match, remembering last year's loss to the Indians.

Niles West Beats Maine East 35-9

Quarterbacks Bill Guenther and Scott Shore riddled the Maine East's pass defense, connecting for three touchdowns, as the Niles West Indians won their first football game of 1969 by a score of 35 to 9.

Niles West scored with 42 seconds remaining in the first quarter on a 10-yard run by senior halfback, Mitch Nelson. Gregg Jakubik kicked the first of 5 successful conversions.

In the second quarter, Niles West scored quickly on a 29-yard pass from Bill Guenther to Mitch Nelson, which was set-up by a poor snap from center to Blue Demons punter, Wayne Conrad.

The first break for Maine East came in the second quarter when tackle Roger Erickson recovered a Niles West fumble on the Indian's 46-yard line. Halfback Pete Gross and end, Don Taylor led the Blue Demons to their first score with Don Taylor scoring on a 15-yard end around. The two point conversion failed. The score at halftime was Niles West 14, Maine East 6.

Third quarter action was entirely Maine East. They controlled the ball for 9 minutes before Bruce Hoefnagel electrified the crowd with a spectacular 41-yard field goal to make the score Niles West 14, Maine East 9. Then quarterback Bill Guenther showed his brilliance of last year with a 4th quarter, 39-yard scoring strike to end Stew Colton, which proved to be the turning point for Niles West. Another poor center snap to punter Wayne Conrad again proved costly for Maine East as the kick netted 1 yard from scrimmage. The rushing of Fullback Mike Becker and 1-yard run by Bill Guenther made the score 23 to 9. Niles West's second string quarterback, Scott Shore wrapped up the final scoring for the afternoon with a 28-yard pitch to Leon Clapperty.

Maine East played fairly well for three quarters before the Blue Demons pass defense faltered in the final 12 minutes. Illegal procedure and clipping penalties came at very unopportune times along with two poor center snaps on punting situations.

Maine East showed a good deal of desire and the potential of a potent running game with Pete Gross, Mark Kruse and Rich Bertsche. Ken Krejsa showed he can throw by completing 3 of 6 passes, one good enough for 71 yards, to Bob Trantin.

Conference play starts this Saturday when the Blue Demons travel to play the 1968 West Suburban champion, Glenbard West.

5th Anniversary For Niles Senior Citizens

The Senior Citizens of the Niles Park District can't believe that five years have gone by since their formation in the Fall of 1964. Since then, club membership has grown from just a handful of members in 1964 to 40 in 1967, to its present membership of 100. They meet every Thursday at the Niles Park District Recreation Center. The club undertakes various projects and has a variety of programs.

September will be a busy month for the club, Sept. 4 was its monthly business meeting and birthday party in which all members with September birthdays were honored. On Sept. 17, they had a meat demonstration followed by prizes and refreshments. The special event of the month will be the installation of officers and dinner at the Andrew House Sept. 18.

In 1966 Michael Wozniak served as temporary president. Receiving the club charter in June 1967, he became the formal president, with Harold Heort serving as vice-president; Sylvia Slupkowski as secretary and Helen Gelsumino, treasurer. On Sept. 5, the present officers were elected.

Dist. 64 News

First step in the acquisition of the Park Ridge Post Office building at Prospect and Garden by School Dist. 64 was made this week when an application outlining the planned utilization of the building was submitted to HEW.

The need for the additional space provided in the old post office building is acute, according to Dr. Blair Plimpton, Superintendent of Schools. The primary need is for more space at Washington school, where two sections of kindergarten are being transferred to Carpenter school this year.

"Washington school is overcrowded with children," Dr. Plimpton said.

Space in the old post office building would include a center for coordinating special education services for children, Dr. Plimpton said.

The building would also be used to provide a center for curriculum development and a small professional library for teacher study. General administrative services, including the office of the Superintendent of Schools and his immediate staff, the business office and the teaching supervisors and consultants could be centralized.

An appropriate meeting room for the Board of Education would also be provided. Presently, all meetings of the board and its committees are held in available rooms in the different school buildings.

Discuss Maine North Attendance Areas

Changes in Maine Township High school attendance areas as they relate to the opening of Maine North in the Fall of 1970 were discussed by the Board of Education of Dist. 207 at its monthly meeting held Monday, Sept. 15.

For the past year, according to Dr. Richard R. Short, superintendent of schools, the board and the school administration have been studying the need for changes in attendance areas. Several plans have been developed and are ready for presentation. Dr. Short further indicated the board took no official action at its September meeting but reviewed and con-

sidered several alternate proposals. Some time prior to the regularly scheduled October meeting of the Board of Education a public meeting will be held to give Maine residents an opportunity to present their views on the proposed boundary changes. It is the goal of the Board of Education to officially establish the new attendance areas at its October meeting.

The new Maine North High school, now under construction, will be located at Harrison and Lyman aves. in an unincorporated area just east of the Tri-state tollway, north of Golf rd. and south of Central rd.

Golf Outing Sept. 25

Tickets and tee-off starting time for the NCC-L Golf Outing Thursday, Sept. 25 are available on a first-come, first-served basis, according to the co-chairmen, Richard Hareczak and Charles Barbaglia, both of Niles.

NCC-L stands for Niles Chamber of Commerce and Niles Lions, sponsoring organizations of the golf tourney and dinner dance to be held at the Elmhurst Country club one week from today (Thursday).

combining their best efforts for the success of the affair. Both are veteran party planners.

Owner of the Hareczak Sausage Co., Hareczak is a member of the Chamber and of the Lions club, a trustee of the village of Niles, and director of the Bank of Niles. He attended Loyola university and spent two years in the service in the Pacific theater. Born in Chicago, he lives in Niles with his wife, Elaine, and two sons, Ronald, 16 and Douglas, 12.

Combining business with pleasure, members of both groups and their guests are taking time out from busy work schedules for a day of relaxation; Chamber of Commerce members have been busily engaged in compiling a business directory of the village and Lions are planning their annual Candy Day to aid the blind.

Co-chairman Barbaglia, vice-president of the Bank of Niles, was born in Detroit and moved here 12 years ago, where he resides with his wife, Carole and their two children, Michael, 10 and Charyl, 6. He is treasurer-secretary of the Niles Chamber of Commerce and a 4th degree member of the Knights of Columbus.

For tickets and starting time to the golf outing, contact him at the Bank of Niles, 7100 Oakton, YO 7-5300. \$15 for golf and dinner; \$7.50 for dinner only.

Robert Wordel of the Teletype Corp. is president of the Chamber; Todd Bavaro is president of the Lions club.

Art Exhibitor

Member of the Morton Grove Art Guild Richard Baker, 9130 Shermer rd., Morton Grove, is currently exhibiting 25 of his paintings and prints at the Morton Grove theatre. The show will remain there through the month of September.

Fellowship Winner

Special education department, Northern Illinois university, has been awarded \$219,600 in federal grants for fellowships, traineeships and departmental support for 83 students for 1969-70.

Winner of a fellowship and area of study include Karen Scaturro, 5831 Carol ave., Morton Grove - Learning Disabilities area.

Mack estimated the robber was 35 to 40 years old.

The gunman put the money in his briefcase.

The bandit then ordered Mack and Mrs. Scott to a back room where he tied them with a cord from his briefcase.

"He never made a threat or used abusive language," said Mack. "The gun was enough for me."

Mack worked his hands free and phoned police.

M.G. Board

continued from Morton Grove page 1
The office of Water Commissioner Jardine of Chicago in order to discuss the new contract sought by Morton Grove for its water supply. Jardine said the engineer should make a study of a need for 2 booster pumps, flow meters and inlets before an increase in the water supply would be considered. Mr. Clorba will be so directed.

Mayor Bode advised he dictated a letter to Mr. Lutz of the Plan Commission asking in all Plan Commission cases where beautification could be introduced into the proposed project, those cases be turned over to John Hilkin who will head the Beautification committee. The mayor then told those present that Pete Vavaris will be chairman of the committee and Vavaris was introduced. Of further interest to citizens is the fact construction has already started on the school for excepted children being built in the village on Menard and Carol and parents are advised to caution their children.

Tr. David Cohen said he checked on the population increase in the village since 1967 when the last census was taken and found only 75 new home permits had been issued to date. Based on these facts Cohen moved that the board should wait for the federal government to take the census. The board concurred.

Dick Flickinger reported the North Suburban Transportation Council would have its meeting in Skokie Oct. 9 and that he would attend. He added the grant of \$47,500 allotted the council will run out in February.

John Hilkin said the Air Pollution committee was meeting and added they were looking for a meteorologist in the village who would be available to serve on their committee. Hilkin also brought up the problem caused by Wells Mfg., located near Niles West High school in Skokie.

At this point Dale Shimp asked for the floor and told of the hazardous conditions people in the vicinity of Wells Mfg. have been living with. "Some of our children have been vomiting and many others have become ill as a result of the odor and red dust caused by the company. The problem has gotten progressively worse," said Shimp. Hilkin then assured all those concerned even though M.C. had no jurisdiction over the matter, they would do everything possible to aid these people.

Flickinger questioned the amount of \$1,574 for 50 chairs on order from the Larsen Co. when their original bid was for \$1,310. Flickinger also seemed put out that the motion to purchase these chairs was passed while he was on vacation. It was pointed out the difference was padded arms on the chairs, but it was apparent Fred Huber would look into the matter further.

Flickinger then asked Atty. Nordberg if it was illegal to award a contract amounting to more than \$1500 when no bids were advertised nor sought. Nordberg said the code read this was legal as long as a 2/3 majority passed the motion to award the contract.

Choice east stand location is the prize. Special bonus prize is an autographed Chicago Bears football.

Post Commander Al Nehart advises donations are deductible for tax purposes; and announces his co-chairmen will name the winner at the Post's weekly fish fry, Friday, Oct. 3.

Preservers of Peace is the theme of the Veteran's Day Dance whose plans will be advanced by 1st Junior Vice-Commander Bill Cunnally. Although somewhat in the future, tickets will be available for this social event.

Chaplain Houndt will offer the invocation and closing prayer and the Post Rifle Squad will be the honor guard. Auxiliary color bearers are Mrs. Ed Villetti and Mrs. Emil Gigli.

Village President Jule C. Bode, himself a Legionnaire, will address the assemblage on behalf of the board of trustees. Dancing and a buffet will follow the ceremonies. The public is invited.

Herbert Houndt reported two street sweepers were now operating full time and most of the diseased trees have already been removed. 44CS has been progressing very well and a request was read from the Monarch Asphalt Co. for payment of \$45,338.52 for work on 41CS. The board agreed to pay the necessary funds.

John Hilkin said "We need to update the condition of our zoning ordinance and sufficient provisions have been passed that should be put into a revised zoning ordinance book." It was suggested by Atty. Nordberg Fred Huber check with several printers and report back to the board. Hilkin then said he would like an enclosed garbage can and several trees planted outside the police station for beautification. The board gave its approval.

Under the direction of Morton Grove Post #134, American Legion Nurses Scholarship Co-Chairman, past commander Herb Houndt, 9101 Meade, Morton Grove, and past commander Jerry De Berthier, 717 Parkwood, Park Ridge, the Post is conducting presently a drive for funds for their nurses scholarship program.

In the past the Post has screened and successfully passed on many girls to attend nursing schools under their sponsorship. This is one of their many projects which is conducted on a local level.

Funds derived from the current campaign will aid the young ladies still in nurses training as well as enable another one or two to enter upon graduation next summer.

A representative of the Skokie Valley hospital will give a brief talk on the expansion program of the hospital.

Service Officer Bob Perschon has reported past commander Ed (Butch) Lange hospitalized at Wesley Memorial; past commander Ken Mortimer now home recuperating following surgery at Skokie Valley and Jim Scully returning to the hospital for tests and observation.

additional 100 men for his current 209 man force. Schlickman noted that the apartments are swelling the population of the unincorporated portions of the County, making police protection there increasingly difficult.

Schlickman sent a letter to Chief Judge John S. Boyle, a member of the Judges Commission (The Committee on Help) that reviews manpower needs for the Sheriff's Department, asking favorable consideration of Woods' proposed manpower increase.

"It is increasingly evident that, with only six patrols north of the Eisenhower Expressway, the Sheriff's Police cannot provide adequate protection for the rapidly growing unincorporated areas of Cook County," wrote Schlickman. Municipal police are being called upon to provide services outside their jurisdiction.

With greater territory to cover than a municipal police force of similar size, the current ratio of one patrolman for every 1,000 residents is not a very favorable one, said Schlickman.
