**Lions Candy Days Oct. 9-10**

Over 25,000 members of Lions clubs will don familiar overseas Candy Day caps when the 18th annual Lions Candy Days for the blind are held today, Thursday and tomorrow, Friday, Oct. 9 and 10.

By the time they daff those caps and their "Help the Lions help the blind" vendors amass at dusk, they hope to realize a goal of \$600,000.

Since 1917 this impressive program has raised and distributed more than \$4,000,000 for visually handicapped people in Illinois. Lion Todd Bavaro, president Lions club of Niles stated, "This state-wide drive underwrites the Lions clubs projects aiding the blind. Most widely known are the Lions support of Leader Dogs for the Blind school, Rochester, Mich., and Hadley School for the Blind, Winnetka."

Explained Niles Candy Days chairman Edmund L. Zielski, "Blind men and women go to Leader Dog School where they receive a guide dog and training at no cost to themselves. Hadley School for the Blind offers free home study for self improvement in more than 100 courses ranging from sixth grade level through college."

"And," added co-chairman for Industries, Nicholas Blase, president of the Village of Niles as he completed signing a pro-

clamation designating the days of Oct. 9 and 10 as "Lions Candy Days." Let's not overlook two other major blind aid projects benefiting from Candy Day contributions. I refer to Illinois Camp Lions where each summer over 250 visually handicapped children are given a two week opportunity to experience camp life and outdoor activities. Also through "Dialogue" a recorded service for the blind, the Lions provide a "window to the world" where the blind are kept abreast of current events. It features other valuable information that is not available from any other source."

Workers of the Lions club of Niles will be under the leadership of club president Todd Bavaro.

Because of a new bill to be

signed by the governor allowing liquor to be served on park property if food is being served, Niles park commissioners once again are pursuing TAM property which has been in limbo during these past months.

Park Board president Jerry Sullivan appointed Commissioner Jack Leske to study action to be considered with park attorney Gabe Barrafato to move the TAM legal problems off dead center at the September 16 meeting.

Niles Park Board has had an agreement to purchase the proposed 9 hole course north of Howard st. However, the purchase is pending the Anderson receiving industrial

## Bank Of Niles Plans "Caribbean Holiday"

The special "Caribbean Holiday" trip that's being planned by the Bank of Niles is picking up steam, according to Charles Barbaglia, bank vice-president.

The trip, which Barbaglia and Chicago radio personality Lee Rodgers will co-host, will offer fun and sun in lush Jamaica from Nov. 29 through Dec. 6. It's part of a program conceived by the bank in conjunction with Travel Consultants Ltd., to provide at an affordable and unduplicated price a series of trips for bank customers and residents of the area.

Bank President Richard Duce said: "The Bank of Niles is a service oriented institution that has not been built by remaining static. Our growth and position in the community has been achieved because we have adopted a policy that has not been restrictive. If we can relate banking and finance to other areas such as travel and by doing so offer our customers a way in which to economize, then we're all for it."

The Jamaica trip is priced at \$290 per person, European Plan (including everything except meals) and \$350 per person including everything plus breakfast and dinner.

"Everything" in this case means that each person will have his air transportation and airport transfers plus accommodations at the Colony Hotel, one of Jamaica's most charming cocktail parties; beach bar-

One of the extra benefits of the trip will be the purchases that are allowed visitors on a duty-free basis up to \$100.

beque parties; native dance shows; crab races; poolside fashion shows; night calypso dancing; and a variety of other special events in addition to the many attractions that are naturally available to all visitors to the island.

The schedule calls for a champagne departure from O'Hare Field aboard Eastern Airlines flight 79 leaving at 9 a.m. and arriving in Miami, Florida at 12:33 p.m. From Miami, the group leaves at 2 p.m. aboard Air Jamaica flight 22 and arrives at Montego Bay at 3:25 p.m. where a "Welcome to Jamaica" reception will be held at the airport.

On Monday night, Charles Barbaglia and the Bank of Niles will play host to the group at a cocktail party. By that time, Lee Rodgers will already have hosted an arrival party to enable those on the tour to get better acquainted with one another.

Barbaglia points out no passports are required of U.S. citizens, nor are any vaccinations necessary. Only proof of citizenship need be brought along, he adds, such as voter's card or birth certificate. He also said traveler's checks can be acquired at the bank and that those who would like to make arrangements for special vacation loans might be accommodated also.

One of the extra benefits of the trip will be the purchases that are allowed visitors on a duty-free basis up to \$100.

Can you imagine having a leg removed or undergoing major surgery while fully conscious? Horrible thought is it not? Yet, either and the many other forms of anesthesia now so common were unknown a hundred years ago. Many patients died of shock, even during the simplest surgical procedures. Odds are in your favor that you will recover with a minimum of inconvenience.

**Blase Charges Daley With "Unrealism, Neglect" In Suburbs**

"Chairman Richard Daley, head of the Democratic Party of Cook County refuses to recognize the problems and needs of suburban Cook County with relation to the city of Chicago."

In a recent edition of WGN Radio's Extension 720 moderated by Dan Price, Maine Township Committee Chairman Blase clearly charged Chairman Daley with refusing to face up to the steadily mounting population trek from urban Cook county to suburban Cook county, resulting in his complete disregard of sharply declining urban Democratic plurality and an ever increasing suburban Republican plurality.

"That people are moving out of the city, into suburbs, is indeed, a fact. And the reasons are many: crowded school systems, urban renewal, disturbances in the streets, integration, etc. Their reasons are real, they seek relief from their problems, and there is no hiding from them. In their escape to suburbia, these people are confronted with new problems as well as those they have brought with them. Air and water pollution relate to the city and suburbs, they cannot be separated. Yet Chairman Daley fails to recognize that one relates to the other, fails to recognize they have moved out of desire for something better, fails to relate to their needs, fails to continue furthering the image of the Democratic Party as the Party of the people."

Blase continued, "When confronted with these realities, Chairman Daley, and Alderman (Chicago) Thomas Keane can only reply by telling us what a

great city Chicago is. This does not solve the dilemma of the Democratic Party, declining pluralities.

"We must effect a change in the image and attitude of the Democratic Party by Chairman Daley in suburban Cook county. The change will be effected when city and suburb join together in a concerted effort to solve mutual problems. The Democratic Central Committee of Cook county should appoint 5 suburban Cook county committee men and 5 Chicago committee men whose specific job would be to discuss the problems of the city and the suburbs, and work toward their solutions. When both urban and suburban voters can relate to the Democratic Party, the results will bring a halt to political conversions in the suburbs and a strengthening of Democratic pluralities in both urban and suburban Cook county," said Blase.

Locking political horns with Blase on Extension 720, Ald. Keane accused Committeeman Blase of failing to provide the strong leadership he feels he provides in Chicago, still not admitting however, the Party's failure to relate to the suburbs. To this accusation, Blase replied, "The ridiculousness of what you are saying is, that you compare your organization with mine. What you call your great leadership is paid patronage jobs. My organization consists of volunteer workers, and does not depend on patronage, Mr. Keane. When you stand before your 400 workers and speak magnificent words, these 400 paid patronage workers applaud you because, in all honesty, Mr. Keane, are you their boss, their

leader...or their employer? Unless you take a realistic attitude towards city and suburban organizations and recognize how differently they are run, the city by patronage, suburbs with its volunteers, you will never bring the Democratic Party back to the people, regardless of where they live and vote."

"The suburbs are here to stay, and you and Chairman Daley must become aware of that fact, so that our strength will not have been totally weakened within the next 10 years."

zoning for the TAM area and as of Tuesday's meeting no decision has been reached. Since there are only 38 months to go on the option for the Niles Park District to purchase the property Commissioners decided they should consider overt action which may lead to the purchase during the allotted time. Park Board members voiced fears if the legal stalemate continues for the remaining 38 months Anderson could sell the property to other interested parties. Among those parties could be the village of Niles, which also has an option for the purchase. In the event the park district does not exercise its option,

A lower court had originally okayed the zoning for industry but a local citizen's committee, the SAVE TAM Committee, appealed the lower court decision and the Appeals Court voided the decision, sending it back to the lower court for them to reconsider the case.

With the approval of selling liquor on park property the park board members felt this might pave the way for the additional purchase of the club house on Howard st. It was their joint opinion this new liquor bill might be the necessary stimulus to revive action for a settlement on the case.

## Niles Garden Club Meets Oct. 22

Herbs! Herbs! How does your garden grow?

No! It's definitely not a nursery rhyme — it's the contest of the Oct. 22 program "Growing Herbs in Your Garden" to be given by Jacqueline Thielen at the monthly meeting of the Garden club of Niles.

Mrs. Jacqueline Thielen traditionally stems from a family of florists and "growers." She raises all her own herbs and teaches related courses in the Adult Evening classes at Maine

Eighth grade Lutherans in the area who are interested in the catechism program should contact Pastor Paul A. Tidemann, 966-8452.

### Aboard USS Coral Sea

Airman Israel Levy, USN, brother of Yaish Levy, 8817 Bellefonte, Morton Grove, is serving aboard the USS Coral Sea in Vietnam. He is attached to VAW 116, an Airborne Early Warning Squadron which flies the E-2A Hawkeye aircraft. The "Hawkeye" extends the radar eye of ships in the Tonkin Gulf.

The ship is the world's only nuclear-powered guided missile cruiser. It was awarded the Navy Unit Commendation for action in Vietnam during its 1968 deployment.

In the citation, John Chafee, Secretary of the Navy, said that "The personnel of the Long Beach combat team achieved an

unprecedented record in anti-air warfare excellence which was highlighted by the successful intercept, and ultimate destruction with carrier-based combat air patrol, of three enemy aircraft with no losses of United States fighter aircraft."

East. She will discuss different types of herbs, how to grow them, and the variety of ways in which they may be put to use.

Hostesses for the evening include Pansy Dettmar, Lillian Fisher and Shirley Gunderson. The shadow box floral arrangement will be contributed by Pansy Dettmar, and the horticulture discussion led by Sandie Friedman.

A blue ribbon and 2 yellow ribbons were recently won by Annette Kloss for her entries

in the Sauk Council of Garden Clubs Flower Show at Park Forest this September.

A yearbook commemorating the club's 25th Anniversary was recently completed and distributed to members of the club.

The Garden club of Niles holds its regular meetings at the Niles Recreation Center, 7877 Milwaukee ave., the fourth Wednesday of each month at 7:45 p.m. Guests are always welcome. Due to program costs, a donation of \$1.00 is requested from non-members.
