Maine North High School Boundaries Approved

At Monday night's Maine High School Board meeting plans were approved for the boundaries for the students who will go to Maine North High school when its doors are opened in September, 1970.

All students living north of Golf Road will go to the new Maine North building located east of the tollway between Golf and Central Roads.

In our area residents living west of Washington Street and east of Milwaukee Avenue (Cortland Park) and north of Church Street will also be included in the Maine North district.

In the unincorporated area west of Milwaukee Avenue, Golf Road will also be the dividing line as far west as Potter Road. Residents living west of Potter and east of the Des Plaines River between Dempster and about 9400 North are in the Maine North area but if students request going to Maine East it will be granted.

At Monday night's meeting it was announced 1,010 students will enter the school in Sept., 1970 and only the first three years' grades will be entered. The following years four years will be taught there and it is estimated 1,365 students will be enrolled. The following year the enrollment is expected to increase to 1,560.

In 1970 there will be no swimming pool, nor auditorium at the new school.

It is expected the district will be asked to approve additional bonds in about 1975 for phase 2 for additions for the new school which will handle the expected increased attendance. Past proposals have projected about 3,500 students will be at the other 3 Maine High schools with enrollment increasing at Maine North to this 3,500 figure in the coming years.

By Bud Besser

Because our 20th wedding anniversary vacation was taken off-season, it was more leisurely than previous ones, and the accomodations and services we had were befitting of a more leisurely class, one which we're not likely to be a part of.

Our first night our of Amish country was spent along the Delaware river in a small tourist's town, New Hope, Pennsylvania. We stayed overnight in a Spanish-villa-like motel, which was charming. We ate dinner in the restaurant there, and it was as fine a meal as we had on our trip.

Living in a style we're unaccustomed to we spent the next night in Fred Waring's beautiful Shawnee-on-Delaware, a hotel which dates back to the early 1900's, replete with sprawling acreage, huge front porch verandas and early 1900 services which in the past were reserved for the very wealthy. We had our own reserved table for all our meals, and because of the off-season, had one waitress standing by to serve only our table. While it was a delightful 24 hours, we were outmaneuvered in the tipping department, which doesn't often happen. A bellboy took our baggage down from our room onto the porch, and we tipped him, saying we'd return for it after a walk around the grounds. Thirty minutes later the man who drove our car up from the parking area, who also was tipped, started to go up the steps for our baggage, but the bell captain wouldn't let him touch them, and called for still a 3rd man, who carried our bags down to the car, which required a 3rd tip. As I pulled away from the hotel my wife saw the forlorn look on my face, which read, 'enough of this posh living'. We quickly returned to the more plebian motel-living, which is a good tip for cheap charlies like me who aren't overly-fond of tipping.

After wandering thru the beautiful Pokono Mountain country, north of Philadelphia, we headed for Massachusetts, winding up in Deerfield, Mass., which has "the most beautiful street in America" there. Colonial homes dating back 175 years gently line the main street there and the elegance and charm of such a life manifests itself in these homes. From Deerfield we went east to Sturbridge Village, a restored village of 39 buildings, which again returned us to America's early days. Colonial times in America were hard days, and the demonstrations by blacksmiths, who took 1 year to make enough nails for one home, illustrates these trying but diligent days.

Three hours away from Sturbridge is Gloucester, Mass., where we spent most of the week-end. Gloucester, the village where 10,000 of its men are alleged to have gone down to the sea, is a fishing village which culminated our vacation. We tramped on the rocks along the ocean, while the waves splattered their white foam below us. And we ate lobster and clam chowder and enjoyed a wonderful 2 days in one of the most picturesque areas in America.

The last 2 days of this 12-day vacation were spent driving thru the mountains of New Hampshire and Vermont. Because of the

Bugle Seeks Help

THE BUGLE is seeking a Woman Typist for three days a week, Monday, Tuesday and Friday from 9:00 a.m. to 5:00 p.m., and also a High School girl for typing (must type at least 50 W.P.M.) after school for two hours on Monday, Tuesday and Friday. Call 966-3900 for more information. (THE BUGLE offices are located at 9042 N. Courtland, Niles.)

Mill Run Playhouse To Reopen

Mill Run Playhouse is expected to open its doors after the first of the year as a concert hall, if intended plans are consummated the beginning of next week.

A group, which includes Jerry Kaufman, president of the Sherman House and Sammy Davis, Jr., are expected to complete negotiations for the theatre Monday or Tuesday.

Proposed plans call for two-week engagements by headline stars. Stars under consideration include Tom Jones, Engelbert Humperdinck, Don Rickles and Sammy Davis, Jr.

"Ghosts And Goblins" Parade Saturday

A flash bulletin has been received by the Niles Park District that the ghosts and goblins of Niles are waiting to join the annual Halloween party and parade, The festivities will take place on Saturday, Oct. 25.

The parade will assemble at 1:30 p.m. in Notre Dame parking area and will step off at 2 p.m. It will proceed south on Ozark to Lee st., circle Oak school and terminate in the Oak school gymnasium. First, second and third prizes for best costumes will be awarded in 7 categories: best homemade, most unusual, most colorful, most scary, most beautiful, most cute and most funny. An award will also be given to the family who comes in a unique costume.

"Halloween Goodies" will prove to be most delicious, will climax the party. Youngsters of all ages and parents alike are urged to join the fun.

Pk. Bd. Wants Public Statement:

ASKS 'SAVE TAM' GROUP TO STATE DEMANDS

Niles Park Board passed a resolution Tuesday night "That the Save Tam Committee be requested to make public all of its demands in regard to a settlement of its law suit with the J. Emil Anderson Company in order that public benefit may be served instead of private interests."

The resolution came at the end of a 3 hour meeting in which citizens and park board members tried to take positive action to clear the air in this very complicated issue. Zoning Board member Chuck O'Grady suggested a Citizens Committee be formed with the intention of filing a suit to counter the suit by the Save Tam group, explaining to the court Niles citizens are being deprived of the use of the area, because of the legal acrobats being fought in the courts. Because O'Grady is a member of a public body former park commissioner Lou Schreiner volunteered to be chairman of such an independent committee.

Park attorney Gabe Barrafato suggested the Park Board consider he should research whether or not the park board should intervene in the present court actions. Presently, the Save Tam Committee, the Niles Village Board and the owners of the TAM property are the litigants in legal action. The Save Tam Committee appealed a decision in the lower courts which had approved the light industrial zoning for the Tam complex. The Appeals Court returned the decision to the lower court contending all information concerning the case was

Board Honors Junior Miss

Niles Junior Miss Maureen Quinlan, 8222 Olcott, was honored by the Mayor and Board of Trustees during the October 14 Village Board meeting in the Village Council Chambers. "It is a pleasure to have such a lovely young lady represent our village," commented Niles Mayor Nicholas Blase. Miss Quinlan will compete for the title of Illinois Junior Miss in the State Pageant to be held in Niles on January 1, 2 and 3.

Standing l. to r., Trustees Ed Berkowsky, Richard Harczak, Keith Peck, Niles Junior Miss Maureen Quinlan, Mayor Nicholas Blase, Trustees Peter Pesole, Richard Gruenwald and Angelo Marcheschi. Seated are Mr. and Mrs. William Quinlan, parents of the Junior Miss, and village clerk Frank Wagner.

Jr. College Survey In Process

Two thousand individuals and community organizations in the area served by the District 535 Community College have received questionnaires this week to get their ideas on the philosophy and curriculum they feel the new college should adopt. The survey is being conducted by the Citizen's Involvement Committee headed by Stephen Loska of Des Plaines and Al Serota of Skokie.

Edward Schillmueller, Director of Statistical Research for A.C. Nielson Corporation has volunteered to evaluate the data collected for presentation to the college board of trustees. He also assisted in the development of the questionnaire. Preparation of the material and its distribution was handled as a community service by the Research and Development Division of Kraftco Corp. of Glenview.

The mechanics of the survey were finalized by the committee at a meeting held Thursday, Oct. 16. To get further community opinion two public meetings have been set up. The first will be held on Thursday, Nov. 13 at Niles North High school. It is scheduled to begin at 8 p.m. in Room 100C. The second meeting will be held at 8 p.m., Thursday, November 20 at Maine West High school in Room L101.

The public meetings will include reports from the board of trustees, panel discussions, and audience participation.

The committee will submit a report on community opinion to the college board by the end of November.

Halloween Painting Contest

Boys and girls in the third thru eighth grade, get your imagination working and plan to join the fun. The Lawrencewood shopping center merchants in conjunction with the Niles Park District are conducting a gigantic window painting contest. Children are urged to get together with their school classmates in a group of 3 to 6 and paint a Halloween theme in a Lawrencewood store window. They will represent their school and their classroom.

There will be three categories: third and fourth grade, fifth and sixth grade, and seventh and eighth grade. A first and second place trophy will be awarded in each category to the classroom which represents a winning team. Each participant in the winning teams will also receive a personal prize. Participation certificates and official participation identification cards will be awarded to all children who enter the contest.

Paints will be supplied by the Lawrencewood merchants. Painting will begin Friday, Oct. 24 and continue thru Monday, Oct. 27. Judging will be held on Oct. 28 at 3:45 p.m. Trophies and prizes will be awarded to the winners at their school. To register your class team, contact the Park District office, 7877 Milwaukee ave. You will then be given your supplies and identification cards. For further information call 967-6634.

Fire Department Promotions

Two promotions in the Niles Fire Department were announced recently by Fire Chief Albert L. Hoelbl. Sworn in at Fire and Police Commission ceremonies were newly appointed Deputy Chief Charles Bobula and Captain Harry Kinowski. Presiding over the ceremonies were Cmdr. George Hansen, secretary of the Fire and Police Commission, and Len Borkowski, commission member. The Niles Fire Department presently consists of 44 full time members.

Julia Brown At Golf School

Mrs. Julia Brown, author, lecturer, and outspoken critic of the so-called "civil rights" movement, will discuss the cause and the cure of agitation and civil turmoil in a speech at Golf school, on Wednesday, Oct. 29, beginning at 8 p.m. The public is invited to attend the talk, which is titled "I Too Have A Dream".

Julia Brown

Mrs. Brown speaks from vast personal experience and first-hand knowledge. She served for nine demanding years as an undercover operative for the F.B.I. in the Communist Party in Cleveland, Ohio. Because she is a Negro, most of her reports dealt with the Communist influences within the civil rights movement.

In her current speeches, Mrs. Brown not only sounds a solemn warning about the dangers facing this country. She also offers a positive program for restoring fundamental American principles and building a safer, freer, prouder Nation. Her speech on Oct. 29 is part of a three-week tour of the area that is sponsored by a network of local TACT Committees. The North Suburban TACT Committee was formed by concerned citizens determined to expose the Truth About Civil Turmoil. Local sponsors include the Des Plaines, Glenview, Morton Grove, Park Ridge and Chicago Support Your Local Police Committees.

If you are concerned by today's headlines, if you wonder what is wrong and what you can do to help, don't miss this engagement. Bring your friends and neighbors to hear Mrs. Julia Brown at the Golf school, 9401 Waukegan rd., Morton Grove.

Tickets are $1.50 in advance or $2 at the door. They may be obtained by calling 965-3009 or 692-4231, by writing TACT, 8761 Ozanam, Niles, or at the door of the auditorium the night of the speech.

Hospital Program

Nineteen seminary vicars and interns are participating in an educational program offered by the pastoral care department of Lutheran General hospital, Park Ridge. Vicars and interns are theological students who are spending their third year of seminary training working full-time in area congregations.

Chaplain Willard Wagner is coordinating the program. The program is designed to give the students a better understanding of the role of the pastor, to improve the skills of the ministry and to develop greater self-awareness.

Maine East Bake Sale

With everyone at Maine Township High school East willing to lend a helping hand, the Mothers' club is again looking forward to a successful scholarship benefit in planning its 6th annual Antique show and Bake Sale to be held in the school cafeteria from 7 to 9:30 p.m., Oct. 31; 11 a.m. to 9:30 p.m. Nov. 1; and from 11 a.m. to 5:30 p.m. Nov. 2.

Each Fall a poster contest is held in the school to help publicize the show. The contest is directed by S. E. Whitely, art department chairman and the winner is awarded a check by the Mothers' club.

Those who support the scholarship fund by attending the show will be certain to find tempting treasures for sale. Those who are "just looking" may add to their pleasure by relaxing at the snack bar and by taking home delicacies which have been freshly baked by Maine East mothers.

Tickets priced at $1 will be available at the door.

New Arrival

A boy, Patrick Alan was born to Mr. and Mrs. Robert A. Schutt, 6812 W. Keeney, Niles, on Sept. 18, at Lutheran General hospital. Patrick weighed 8 lbs., 9-1/2 ozs. The grandparents are Bill and Anne Schutt of Niles. Great grandparents are Mrs. Mary Fazio and Robert C. Schutt.

MTJC News

Consecration ceremonies for 78 students will be held at the Maine Township Jewish Congregation, 8800 Ballard rd., Des Plaines, Friday evening, Oct. 24, 1969, 8:30 p.m.

These youngsters, all beginning their religious education in the Synagogue Religious school (Hebrew Department) will be blessed and welcomed in a special ceremony, conducted by Rabbi Jay Karzen. Each child will come under a special Chuppah (Canopy) and kiss the Torah Scroll, and pledge loyalty to Jewish education. Eliezer Silverman, Director of Education, and other Synagogue officials will participate in this annual service.

Terri Melinger, son of Mr. and Mrs. Jack Melinger, 9105 Emerson, Des Plaines, will celebrate his Bar Mitzvah at the Sabbath afternoon Mincha-Maariv service, Oct. 25, 5:30 p.m. The morning Sabbath services commence at 9:30 a.m., with the Junior Congregation at 10 a.m.

List Area Real Estate Transfers

6828 Dobson, Niles, Ludwig J. Pfahler to Arvid Tengesdal; 8112 Prospect Ave., Niles, Eugene G. Kozick to Daniel J. Dargis; 7043 W. Dobson St., Niles, Bernard Henry to Stanley Kubiak; 6856 Keeney St., Niles, Carl L. Himmler to Eugene Mangan; 7655 N. Waukegan Rd., Niles, Bernard Henry to Henry E. Moy; 7128 Carol Ct., Niles, Herbert M. Fishman to Edward Duglow.

NWSJC News

During Friday evening services, at Northwest Suburban Jewish Congregation, 7800 W. Lyons, Morton Grove, on Oct. 24, Debra, daughter of Mr. and Mrs. Edward Ross, will be called to the Torah and become Bas Mitzvah. Rabbi Lawrence H. Charney, will deliver the charge, and Cantor Gidoan Lavi and Debra will chant the liturgy part of the services. Following the services, Mr. and Mrs. Ross will host the Oneg Shabbath, in honor of the occasion.

Saturday morning at 9:30 a.m., Albert, son of Mr. and Mrs. Mark Keign will be called to the Torah and chant his portion of the Haphtorah and Rabbi will deliver the charge. Cantor Lavi and Albert will chant the services. Following Mr. and Mrs. Keign will host the kiddush.

At Minch-Maayriv services, Hal son of Mr. and Mrs. Bernard Barnett will become Bar Mitzvah. Hal will chant the portion of the Haphtorah and Rabbi Charney will conduct the services. Cantor Lavi will present the beautiful melodies that usher out the Sabbath.

Sunday morning at 9 a.m., Mens Club breakfast, beginning Oct. 26. Rabbi Charney will speak on Birth Control and Jewish Law.

Blase Cites Daley's Failures

"Chairman Richard Daley of the Cook county Democratic Party must admit to and finally accept what the middle class American in suburbia is thinking today if the Democratic party desires to retain its image as the party of the people," stated Nicholas Blase, Maine Township Regular Democratic Organization committeeman.

"In the suburbs, the Democratic Party's image is one of riots and disorder, bearded dissenters and discontent as reflected from the city, rather than one of crew cuts and bowling shoes. Suburbanites, unfortunately, fail to separate Daley's responsibilities; Mayor of Chicago, and chairman of the Cook county Democratic Party. It is his position as chairman we question.

"The archaic traditions of the past have created "Daley's Curtain" between the city of Chicago and suburban Cook county in Daley's continued attitude of ignoring the suburbs in the hope "they will go away". As a result, the Democratic Party of Cook county is in truth, the Democratic Party of Chicago, for its attunes itself and responds only to the city of Chicago, while suburban Cook county receives a deaf ear and a mute tongue."

"The middle class urbanite who traditionally voted Democratic, moves to suburbia, finds himself in a difficult position to relate his needs, thoughts and desires to the party of his past choice, and so joins the millenium of Mr. and Mrs. Average Majority in the swing toward "the other party."

"Unless we can effectively give him the answers to his dilema, we must content ourselves with the same position we held in 1896, when we were "the other party"."

Blase continued, "the seeds of discontent prevail not only among the voters but has erupted among disgruntled city and suburban committeemen, who comprise the Democratic Central Committee, and yet, are unable to voice their discontent in the council chambers. They also feel the pinch on their pocketbooks, inflation-spending more and getting less, they understand their constituents frustrations toward radical groups, wanton destruction of property and the permissive attitude accompanying these distasteful actions.

"The Democratic Central committee must begin to show a responsive interest to the suburbanite's problems. Chairman Daley must respond to his committeemen both in the city and the suburbs, and stop saying that the problems of the city are the same as that of the suburbs. The middle class majority resents his image of the forgotten American and reacts in the best way his strength can be felt, voting against the party that has always been the voice of the blue collar worker."

Concluded Committeeman Blase, "Unless we can bridge the vast differences within the Democratic Central Committee, we will lose Middle America living in suburbia, and become the minority party of the 70's."

Conduct Seminar

A panel of local experts from the Skokie Valley Industrial association's Transportation and Distribution group conducted an all-day seminar at the Pyrenees restaurant recently. The seminar was held to aid new and uninformed employees in the traffic and distribution departments and shipping clerks in both small and large companies in overcoming the problems of proper selection of a carrier, efficient settlement of claims, prompt pick-up and delivery of shipments, and other related problems. Those conducting the seminar were, seated (l. to r.): Tom Botos, traffic manager, H. M. Harper company, Morton Grove, and Bob Garrison, physical distribution operations manager, A. B. Dick company, Niles. Standing (l. to r.): William Kelly, traffic analyst, American Hospital Supply corporation, Evanston; Walter Weart, traffic manager, E. R. Moore company, Niles; Nohl Braun, traffic manager, Culligan, Inc., Northbrook, and John Willert, traffic manager, Mystick Tape division, Borden Chemical company, Northfield, who served as chairman of the event.

Award Recipient

Graduate fellowships, traineeships, assistantships, and scholarships in the University of Cincinnati's physics department have been announced by Dr. Louis Witten, professor and department head. Dr. Henry Fenichel is director of graduate studies in the department. Recipient of graduate assistantship included Frank W. Bao, 9034 Parkside, Morton Grove, B.S., University of Illinois.

York Rips Maine East 21-0

The York Dukes steam-rolled through the Maine East defense for a resounding 21-0 victory before a disappointed Homecoming crowd last Saturday at Maine East.

York had everything last Saturday. It had a quarterback, John Niemeyer who called an excellent game, engineering three scoring drives and made a mockery of the Maine East defense. It had two running backs in Pat Keever and John Dearborn who crunched through Maine East's defense for a rushing total of 230 yards and it had a defense which held Maine East to 7 first downs, 37 yards rushing and 56 yards passing.

After York received the opening kick-off it looked like the Blue Demons would be in for a rough afternoon. Halfback Pat Keever picked up 7 yards and 11 yards on two consecutive carries and John Dearborn 6 more yards before Maine East's tackle Ross Heller recovered Bill Uecker's fumble at the Maine East 39. Quarterback Ken Krejsa brought Maine East into York territory quickly by completing a 12-yard pass to end Bob Traintin. Richard Bertsche moved the ball to the York 38 for the second first down in their drive. Krejsa completed a screen pass to Pete Gross good for 11 yards to the 27. Bertsche and Gross moved the ball inside the 20 before York's defense throttled Maine East at the 17.

At this point John Niemeyer took over at Quarterback replacing Bill Uecker. York played ball control from the Maine East 17 to its first score of the game with Pat Keever plunging over from the 1-yard line with 4 minutes and 1 second remaining before half time. York controlled the ball for 9 minutes and 15 seconds with Niemeyer using Keever and Dearborn for the entire drive on the ground. Gregg Gale kicked the first of three successful conversions. Steve Cox returned Gale's kick-off beautifully to Maine East's 43 but a clipping penalty brought the ball back to the 10. The York defense held on downs and Wayne Conrade punted from his end zone for 21 yards and York had the ball on the Maine East 31. Following a 15 yard holding penalty against York, John Niemeyer attempted York's first pass of the game, a 9-yard completion to Bill Kolar. From Maine East's 37 Niemeyer threw a 37-yard pass to Pat Keever for the touchdown that made it 14 to 0 at half time.

In the second half Niemeyer continued his mastery by controlling the ball and the clock for 10 minutes going 77 yards as Pat Keever scored his third touchdown by running 2 yards. In the final 12 minutes York's reserves followed in the same footsteps as the first team by piling up sizable yardage rushing. Maine East's only scoring threat occurred in the fourth quarter when Bruce Hoefnagel failed on a 51-yard field goal attempt; In the entire second half Maine East could only manage 1 first down, 4 yards rushing and 12 passings against the heralded defense of the York Dukes.

Maine East with one victory through 6 games of this depressing season, plays LaGrange next week on the road and will conclude their 1969 season against conference leader Downers Grove North at home Friday, Oct. 31 at 8 p.m.

The Mental Health Of Our Youth

"Children's Emotional Health – Passport to Life" is the theme of the 48th annual Fall conference to be presented by PTA District 21, at 7 p.m. Wednesday, Oct. 29, at the Glenview Community church, 1000 Elm St., Glenview.

Studies conducted by the National Institute of Mental Health show that from 11 to 22 per cent of the children and youth have emotional problems needing treatment, and that 78 to 89 per cent are emotionally healthy and need prevention and personality building services.

In conjunction with the National PTA project on Children's Emotional Health, some of the questions this conference hopes to answer are – "Is your child signaling for help? How can we tell and how can we prevent an emotional problem? What services are available in our community to help us?"

Mrs. William G. Comben, Morton Grove, District 21 Assistant, will report on the "Smoking and Health" project conducted by the Illinois Congress of PTAs.

Conference chairmen are Mrs. Norman Williams, general arrangements; Mrs. Joseph Kutchin, 1204 Mulford, Evanston, art work; Mrs. Harold Kulbarsh, 3309 Manor Ct., Skokie, hospitality; Mrs. Ralph Hillman, 1606 Washington, Evanston, packets; Mrs. George A. Gauthier, 6852 Keeney, Niles, District 21 Publicity Assistant; Mrs. Maurice Schwartz, 2425 Hartzell, Evanston, publications; and Mrs. Alfred Becker, 211 Dewey, Evanston, Registration.

Niles-Maine OK's Budget, Seeks President

The new Niles-Maine Junior college recently approved a 2-million-dollar budget for 1969-1970 and announced a campaign to appoint a president.

Milton Falkoff, financial chairman, said the college hopes to open classes by September, 1970, by conducting them in local high schools or "other public facilities."

"We are negotiating with high schools in Niles and Maine townships right now," Falkoff noted. "We're sure we won't have our own building by next Fall, since we are still undecided about an architect and have not picked out a site."

The tax levy for the college is $2,124,254.70, or 17 cents for $100 assessed valuation.

Of the budget, Falkoff said $1,524,254.70 for the education fund and $600,000 for the building fund.

Falkoff said the college board estimates spending $1,200,000 of the education fund on reimbursement tuitions involving district students attending other Illinois junior colleges.

Falkoff estimated the salary for the college president at about $30,000 a year.

Interviews are being conducted among 60 leading candidates, said Dr. LeRoy Wauck, President Search committee chairman.

Wauck said final decision on naming the president will be made before the year ends by the college board's seven trustees.

He noted that most of the applications have come from the midwest, though approximately 18 have been from the east and eight from the far west.

The new college will primarily service those students living in Des Plaines, Glenview, Golf, Lincolnwood, Morton Grove, Niles, Park Ridge, and Skokie.

AREA SCOUT NEWS

Troop 880

Morton Grove's Senior Girl Scout Troop 880 from Northwest Cook Council, participated in a Car Rally sponsored by Oak Plain Council Explorer Boy Scouts of Waukegan. Two cars participated with adult drivers Mrs. C. A. Urfer, senior advisor, and Joseph Grobner at the wheel. Linda Koss and Barb Del Beccaro were navigators and Karen Grobner, Linda Demko, Jane Urfer, Sue Foreman, Wendy Shaw and Debbye Baylen acted as observers.

The course covered highways in both Lake and Kenosha counties and stressed good driving practices. The 65 clues which they followed led to much fun and confusion – and after 3-1/2 hours ended at the Zion-Benton Moose hall in Zion. A delicious chicken dinner preceded the award of trophies and was followed by a dance with live music supplied by a seven-piece combo.

Pack 275

The Cub Scouts of Pack 275 from St. John Brebeuf were guests at the Great Lakes Naval Training center on Sunday, Sept. 7. On a sun drenched day, the boys went "Go Navy" by bus, singing songs under the able assistance of the "Songmaster", our Cubmaster, John Julen. Under the guidance of Navy personnel, the Pack received a complete tour of Great Lakes. The tour included: the Fire Fighting Training unit, the Machinist's Mate school, the Boat House and the Gunner's Mate school. The boys and adult leaders were treated to a full course dinner in the enlisted men's galley. The sailors acted as waiters and made sure the Cub Scouts had all the ice cream they could eat. The highlight of the day was the presentation of gifts from the boys to the hospitalized veterans. Each boy brought their own little gift to brighten up a veteran. Thanks to the Navy from Pack 275.

The boys welcomed new Bobcats John Christiansen and Donald Kaderbek into the pack. Assistant cubmaster Frank Koch awarded Robert Patton and Robert Hanna with the Arrow of Light. Joseph Hanna and Robert Smith graduated in the Webelos and Webelo leader Tom Patton accepted them into his den.

Pack 170

Cub Scout Pack 170 registration meetings held at Hynes school library in September proved most fruitful. To date the following organizational and committee positions have been filled:

Cub Scout Master, John Larson; asst. scout master, David Dall; treasurer, Joan Dechert; secretary, Barbara Kalinsky; advance man, Sheldon Meshberg; publicity, Judith J. Czyzewiz; ideas, Myrna Terry; Blue and Gold dinner, Mildred Spoznik; Scout-A-Rama, Sheldon Meshberg; pinewood derby, Bob Levi; Weblos, Bernard Uccello; den mothers: Diane Dall, Marie Booker and Sherilyn Blumberg; asst. den mothers: Marilyn Arendt, Mildred Sapoznik and Patricia Larson.

Help! Help! Help! We need your help – we need your support for the boys at Hynes who want to become Scouts. There are a few adult positions still open. It is important that these be filled, for without them there will be no pack at Hynes this year and that means a lot of boys will be disappointed.

We are in need of men to serve as: 1) pack committee chairman – to conduct the pack meeting held once a month; 2). institutional representative – serve as official liaison between Scouts and all other organizations (PTC for example); 3). parent contact – (self-explanatory); 4). finance chairman – recruits workers for annual fund raising activities. We are also in need of a den mother for 6 boys in the Niles area.

If you would like to share your time with us in scouting this year, please call John Larson, 967-6058. We need you.

NWSJC

The NSJC Men's club will hold their first Sunday breakfast meeting of the 1969-70 season at Northwest Suburban Jewish congregation, 7800 Lyons, Morton Grove on Oct. 26, at 9 a.m. Rabbi Lawrence Charney will speak on "Birth Control and Jewish Law".

Welcome McDonald Clown

Amid the cheers of thousands of Niles area youngsters came the arrival of Ronald McDonald, the world famous McDonald's clown. Ronald made a special personal appearance at McDonald's located at Milwaukee and Oakton on Saturday, Oct. 11, to help celebrate the opening of their newly enlarged parking lot. That larger parking lot came in handy Saturday because an estimated 7,000 people waited to see Ronald in a two hour span. Some people waited in line two hours with their children so the youngsters could say hello to Ronald and receive a free gift. A special treat was provided for 42 children from Angel Guardian orphanage in Chicago who came in a bus and were treated to a free All-American lunch and a visit with Ronald McDonald.

Niles Trim Club

The "Swinging 999" Trim club, after disbanding for the summer is now meeting again every Monday morning at the Niles Recreation center, 7877 Milwaukee ave. at 10 a.m.

Come join the girls and find out how you can lose the many pounds you gained this summer the "Trim Club" way. Low calorie recipes and diets are discussed. For more information call Charlotte Eckel 967-8963.

College Tests At Nilehis

College-bound students in the Niles Township High school system who failed to take the ACT test battery last week, will have four more opportunities to do so. The ACT – American College Testing – tests are required or recommended for applicants to over 1,7000 colleges and universities. Almost one million students took the test last year.

The four dates remaining are: Saturday, Dec. 13 at Niles West; Saturday, Feb. 21 at Niles West; Saturday, April 25 at Niles East, West, North; and Saturday, July 18 at Niles North.

Seeking Talent

Mr. Frank Barbalace and Mr. Panico of the House of Capelli are seeking talent for their "Talent Show."

This offer is open to all the youth of Niles who feel they have a special talent and would like to participate in this show.

For further information call YO 7-8746.

Joins Firm

Linda D. Fortman, 5629 Carol, Morton Grove, has joined the Allstate Insurance Companies as a clerk in the Policy Files Unit of the firm's Illinois Regional office, 7770 Frontage rd., Skokie, Illinois.

In "Operation Deep Freeze"

Airman Apprentice John P. Passarelli Jr., USN, son of Mr. and Mrs. John P. Passarelli Sr. of 8723 N. Ozanam, Niles, and husband of Mrs. Linda A. Passarelli of 9666 E. Lois dr., Des Plaines, Ill., is participating in Operation Deep Freeze 1970, with Antarctic Development

John P. Passarelli, Jr.

Squadron Six at Quonset Point, R.I.

The squadron provides logistical support to scientists of the U. S. Antarctic Research Program. It transports men, fuel, food and supplies to the stations in Antarctica from Christchurch, New Zealand. The squadron in also involved in photo-mapping the continent.

Aboard USS Sanctuary

Seaman Barry E. Mensch, USN, son of Mrs. Jean C. Sell of Route 1, Barto, Pa., and husband of the former Miss Lenore T. E. Steinohrt of 6957 W. Howard, Niles, is serving aboard the Navy hospital ship USS Sanctuary off the coast of Vietnam.

The ship was recently awarded the Navy Unit Commendation for exceptionally meritorious service as a hospital ship for American and Allied forces in Vietnam.

The Sanctuary is one of two Navy hospital ships now deployed in the South China Sea. It is equipped with the latest medical facilities and staffed by 24 doctors.

Jogging Enthusiasts At Nilehi

"I jog because I like to be active and because jogging really is beneficial to my physical fitness. Afterwards I feel relaxed and invigorated for the day's activities," said West Principal Dr. Nicholas T. Mannos.

"Our bodies must be constantly and consistently exercised if they are to function properly; sporatic, inconsistent exercise has no value! The human machine rusts when not used, as does any machine," said Miss Bonnie Parkhouse, head of the girls' physical education department at West.

"There are umpteen reasons why I jog. The most important is that it is the best way to keep physically fit," said Mrs. Jean Armour, girls' physical education instructor at West.

These three jogging enthusiasts are not alone in their beliefs. In fact, jogging is quickly becoming America's most popular sport. At least 30 jogging trails have been opened in New York City, the National Jogging Association has been formed in Washington, and new jogging clubs are starting all across the country.

Why do so many people spend so much time and energy in running? For one thing, research has proven that running, jogging and brisk walking lead to cardiovascular fitness — healtheir hearts and blood vessels. Weak hearts and other heart diseases are one of the leading killers of today.

Miss Parkhouse stresses that by the time most people reach middleage, it is too late to begin a regular exercise program that is beneficial. "It is precarious for the middle-aged to become obsessed with fitness because they are not accustomed to such physical exertion," said Miss Parkhouse. "Slipped disks, sore, torn and sprained muscles, tendons and ligaments result. Strenuous running also places taxing demands on the heart unaccustomed to exercise," she continued.

Therefore, Miss Parkhouse feels that starting at a young age to gradually build up to condition is the best method. "However," she said, "kids don't see the necessity of a long range goal to keep fit for life."

A regular exercise schedule must be followed to achieve and maintain physical fitness. A certain type of exercise,called aerobic exercise, is far better than other types. Aerobic exercise causes the body to use oxygen quickly and makes the breathing rate increase. In other words, the body is "winded." Jogging and swimming are good examples of aerobic exercise as opposed to calisthenics.

Dr. Mannos jogs every day for approximately one half hour in the morning, if he has no early meetings to attend. He has jogged regularly for the past six months. Often Dr. Mannos jogs around the track or in other areas of the West campus.

Miss Parkhouse has jogged regularly for the past two years. She runs at least one or one and one half miles a day, six days a week.

Mrs. Armour can be seen jogging along with her classes during the school day. She tries to jog one half to one mile a day, five days a week. John Armour, West coach and physical education teacher, is also a jogger. He jogs between three and four miles every day.

LETTER to EDITOR

Peck's Bad Boy

Dear Mr. Peck:

After reading about your lone dissent in voting against my husband Ken for the Health Board I felt I had a few statements to make to answer you.

I would like to clear one thing up right away about why I am writing and not Ken. Ken didn't feel that you deserved any comment but I do, just because I have been married to him for almost 19 years and I know him better than anyone ever will.

Ken is a good, proud, hard working and honest man who is not owned by anyone. I resent your implication that he was awarded a title because of a "Political Consideration." My husband works hard in every election for the people he feels are the best ones for the jobs and never for what he will get out of it.

Yes, Mr. Peck, Ken is a Democrat and so am I and proud of it. Is this such a disgrace in your eyes? I didn't realize that in order to live in the Village of Niles you were not allowed to belong to a political organization, whether it be Democratic or Republican.

Ken and I are also Roman Catholic and work quite hard for our church, or shouldn't we let that be known either, Mr. Peck. Ken is currently a chairman in the Holy Name society. I assure you he was not given this job because of a "Political Consideration" but just because he is a hard working guy.

I have seen and met too many bitter and cold people after an election and before it happens to Ken I will beg him to quit.

Mrs. Kenneth F. Galinski, Sr.
7048 W. Main Street
Niles, Ill. 60648

Peck's Good Boy

Dear Editor:

It is indeed a sorry state of affairs, when this village has only one trustee who has the gumption to speak up. For those who are not aware of whom I am referring to, that gentleman is Keith Peck, who voiced his opinion on the appointment of two people who are totally unqualified for the positions on the Health Board. All this for the sake of patronage. This all smells from the same type of machine politicking as does Chicago.

The last village election really gave us a great (?) group of representatives.

Keith Peck, we need more men like you!

Mr. & Mrs. Morgan

Commonwealth Edison Seeks Higher Rates

General price inflation, escalating money costs and a growing tax burden have compelled Commonwealth Edison Company to request higher electricity prices, according to testimony submitted to the Illinois Commerce Commission Monday by Gordon R. Corey, Edison's finance committee chairman.

The Commission is conducting hearings in Chicago on the company's proposed 6.1 per cent increase in electricity prices.

Mr. Corey testified that general price inflation and increasing environmental responsibilities are among the forces compelling the company to seek rate relief.

In discussing inflation, Mr. Corey pointed particularly to sharply rising costs of generating station construction. "Our most recently ordered units, both nuclear and coal-fired, will cost 55 per cent to 80 per cent more than the $120 level applicable to Kincaid, Dresden and Quad-Cities units," he said.

The Edison financial officer stated that the largest construction program in Edison's history now calls for $1.7 billion to be spent in the five-year period, 1969-1973. The amount includes about $880 million for 6.7 million kilowatts of generating capacity and $70 million for air and water pollution control facilities.

Mr. Corey said $950 million of new money will have to be raised to finance the program and added:

"In order to keep our debt ratio under 60 per cent and thus maintain our good bond and debenture ratings, we plan to sell $100 million of equity securities during the next 12 months. Additional equity securities may also have to be sold during the remainder of the next five years but we have no specific plans to do so at this time."

LEGAL NOTICE

Notice is hereby given that sealed bids will be received by the Board of Education of School District Number 71, Cook County, (Niles Elementary Schools) for replacement of eight (8) double hung sash and transoms in existing gymnasium, Niles Elementary School South, 6935 Touhy Avenue, Niles, Illinois with commercial single hung and/or projected sash, up to 8:00 P.M. on November 17, 1969 at 6935 Touhy Avenue, Niles, Illinois, at which time bids will be opened and considered at 6921 Oakton Street, Niles, Illinois. Call NI 7-9752 for appointment.

Specifications and scope of work may be received at School Office, 6935 Touhy Avenue, Niles, Illinois. (See Clarence E. Culver, Superintendent of Schools).

Board of Education reserves right to reject any or all bids.

Auxiliary Holds Card Party

The Women's Auxiliary of the Niles Police Department proudly present their 7th Annual Card Party to be held Thursday evening, Oct. 30, 1969, 7:30 p.m. at St. John the Baptist church, 2350 Dempster, Des Plaines. A spectacular evening has been planned with "Sears Trunkful of Fashions" Show. Card Party committee - Mrs. Rose Barbalace, Mrs. Rosemary Morgan, Mrs. Pat Ferraro (chairman), Mrs. Myra Leavitt, Mrs. Mary Jane Terpinas and Mrs. Barbara Hodge (not pictured) proudly hold the first prize of their grand raffle - a color T.V. Besides the 2nd prize of a $50 savings bond and 3rd prize of a magnificent hand made afgan, numerous other raffles will be offered from our special table. Also featured are "High" and "Low" prizes for each table. Tickets are $1.50 each and may be obtained from any auxiliary member or by calling 966-0431.

Niles Demos "Turn Flappers"

Those Roaring Twenties are back again - flapper girls, with beads a 'flyin', the Charleston boys, hair slicked down, heels a'clickin'.

Music reminiscent of an era long since gone, but fondly remembered, all recreated in the 3rd annual Roraring Twenties night, presented by the Niles Regular Democratic Organization.

Friday evening, Oct. 24 is the night to set aside for fun and frolic at Bunker Hill Country club, 6635 N. Milwaukee ave., Niles. Music and dancing begins at 8:30 p.m. provided by swinging Joe Foltz and his band of reknown. Co-chairladies Diane Hanson, Veda Kauffman and Liese Jennings still have tickets available at $2 each. Last minute party crashers can purchase them at the door. If your throat gets dry from too much dancing, there will be an open bar to quench your thirst. Plus plenty of surprises for the audience, too.

Sorority Pledge

Eighteen Miami university sororities have announced the pledging of a total of 426 women students, mostly freshmen, in the annual Fall rushing period just completed.

The list of pledges was announced by Panhellenic Association through the office of the Dean of Women. The list includes the following area name: Mary Sue Byford, 5820 Capri lane, Morton Grove, Kappa Alpha Theta.

Oak PTA Luncheon

On Thursday, Oct. 9, the Oak school PTA Room Representative Mothers were hostesses at a salad luncheon for the faculty. The luncheon, held in the school gym colorfully decorated for the occasion, gave the room mothers an opportunity to get better acquainted with their respective teachers and to discuss how they can best help them throughout the coming year.

Mrs. Randall Rook, PTA Second vice-president, was chairman of the luncheon. Her co-chairmen were: Mrs. Lynn Benoy and Mrs. Samuel Rosert. Also assisting were: Mrs. Bruce Olson, Mrs. Erwin Bunch, Mrs. Michael McDonnell, Mrs. Dimitros Papadopoulos, Mrs. Roger Feilen, Mrs. Lombard, Mrs. Theodore Rahn and Mrs. Henry Rings.

Other invited guests were: Frank Dagne, Supt. of District 63, Kenneth Johannsen, Oak school principal, members of the PTA Executive board and Chairmen of Standing committees at Oak school.

All agreed, it was a most enjoyable and beneficial gathering.

Underwriter Graduate

Howard Riebman, 7933 W. Lyons, Morton Grove, has recently completed 2 years of the Life Underwriters Training Council course and is planning to further his Life Underwriters education thru Part 3, L.U.T.C. this fall. Mr. Riebman is a Millionaire qualifier for the Ravenswood district office located at 2255 W. Lawrence, Chicago.

A Symposium For Understanding

"Why we hate the Poor" will be the subject of one of the conferences sponsored by the Northwest Suburban Interfaith Action committee and the National Conference of Christians and Jews. A series of three meetings focusing on "Poverty and its Relationship to the Suburbs" will be held on Oct. 23, 30 and Nov. 6 in St. John Brebeuf church hall, 8301 Harlem, Niles.

In announcing these meetings, Joseph Kost of Glenview, chairman of the NSIAC, emphasized the "price poverty extracts from both its victims and those who merely observe the condition." He further stated that "the 'price' is too high for both groups. It can be lowered considerably if the problems of poverty are understood. The single purpose of our seminar is to help us understand the problem as a first step towards solving it."

The theme of the first meeting on Thursday Oct. 23 will be "Why we Hate the Poor." Principal speaker will be Kenan Heise editor of "Action Line" in Chicago Today. His presentation will be followed by group discussion and observations.

Theme for the program on Thursday, October 30 will be "What Price Poverty", and on Nov. 6, "The Future - Trauma or Tranquility"?

Tickets may be obtained at the door or in advance at St. John Brebeuf church.

NSJC Present Debate-Luncheon Oct. 30

The Sisterhood of the Northwest Suburban Jewish Congregation invites you to a stimulating afternoon of debate preceeded by luncheon at the Synagogue, 7900 W. Lyons, Morton Grove, on Thursday, Oct. 30, 1969 at 12:30 p.m. Democratic Congressman Ed Warman will debate the Republican Candidate Dr. Philip Crane. These gentlemen will be competing for the vacated 13th Congressional District seat in the United States Congress formerly held by Donald Rumsfeld, now Director of the Office of Economic Security, a position to which he was recently appointed by President Nixon.

Chairman for the afternoon is Mrs. Harriet Dworman, Morton Grove. Social Action chairman, president of the Sisterhood is Mrs. Leah Baskin of Des Plaines.

Cost of the luncheon is $1.50 and sitter services will be available.

Resale Shop: Monday, Nov. 3 from 9 a.m. to 9 p.m. and Tuesday Nov. 4 from 9 a.m. to 2 p.m. are the hours set for the Resale shop of the Sisterhood of the Northwest Suburban Jewish Congregation at the synagogue at 7900 W. Lyons, Morton Grove. Anyone wishing to contribute merchandise may drop it off at the synagogue on Sunday Nov. 2 between 1 p.m. and 5 p.m. Anyone wishing to work, please contact Myra Terry or Charlotte Shugan.

Attends Exposition

Hundreds of the newest consumer products for the do-it-yourselfer, outdoor recreation enthusiast, party giver and home convalescent will be inspected by Dick Gwozdz, operator of the A to Z Rental Center at 7457 N. Milwaukee ave., Niles. He plans to attend the sixth Annual A to Z Rental Center Owners' Seminar and Suppliers' Exposition to be held Nov. 2 through Nov. 6 in Chicago's Pick-Congress hotel.

He is one of several hundred consumer rental specialists from throughout the country who will participate in seminar workshops dealing with the latest techniques and innovations to better serve the growing equipment rental needs of the consumer. Products to be discussed and displayed will include power tools and camping equipment, party goods and convalescent equipment, and lawn and floor care equipment.

Extra Curricular School Activities

The school building sometimes must be only a home base for today's swinging student.

Just so at Golf Junior High school, District 67, in Morton Grove.

All the eighth-grade students were included in a recent series of trips to Northwestern university's Vogelback Computer Center on the Evanston campus. A total of some 150 made the trips - of special interest to math students. Mrs. Ruthanne Savage, District 67 math coordinator, led the project.

On Thursday, Oct. 23, some 150 French students from the junior high are scheduled to take in a special daytime showing at the Wilmette Theater of "Happy Alexander," a French film. Leaders of the group, happy that their charges will be able to test their new ability in a foreign language, are the junior high French teachers, Elaine Uchiyama and Rosemary Xenakis.

By Matt Kutza

STOP MEASLES: Have your child vaccinated now! The goal is to eradicate, during 1969, this dangerous children's disease. Report has it that there are now only a few million children susceptible to measles in the U.S. The various health groups are making a concerted effort to protect these from the needless toll taken by measles.

As pharmacists to the home and the medical profession, we urge you to see your doctor if you have not already had your child vaccinated.

See US for expert prescription service. The pharmacists at BIRCHWAY DRUGS are trained and dedicated to your welfare. For prompt delivery phone 647-8337. BIRCHWAY DRUGS ....7503 Milwaukee Ave.

Open House

On the terrace of her home overlooking the Des Plaines river, Dr. Elfreide Horst, holding Fredyl, goes over details of the Sunday open house for Con-Con candidate Anne H. Evans with members of the committee. L. to r.: Dr. Horst, Mrs. Evans and her husband, Thomas M. Evans, Harry Kinser and Nona (Mrs. William) Geldernick.

Friends and campaign workers who want to "Wish Anne Well" will be attending an open house for 4th District Con-Con candidate, Anne H. Evans, on Sunday, Oct. 26, from 2-5 p.m.

The "Wishing Well" party will be hosted by Dr. Elfreide Horst and her husband, Dr. Arthur Levan, in their Sherwood rd. home overlooking the Des Plaines River in Des Plaines.

Refreshments and decorations will be in keeping with the Fall season and the wishing well theme, and invitations have been extended to voters throughout the Maine and Niles Township area.

Others who would like to attend and meet Mrs. Evans may call 824-7561, or 824-7421 for further details.

Assisting Dr. Horst with plans for the Sunday open house are Mrs. Edward Hoffman, Mrs. William Geldernick, Mrs. Edward Prell, Mr. and Mrs. Harry Kinser, and other Anne H. Evans for Con-Con volunteers.

Anne H. Evans, 986 Jeannette st., Des Plaines, is the only independent candidate among the four seeking election on Nov. 18 as delegates to the Illinois Constitutional Convention from the 4th State Senatorial District.

The top two vote getters in this run-off election will represent this area when the convention convenes in December. The 4th District takes in most of Maine and Niles Townships, excluding the northwesterly corner of Maine, and a small northeasterly corner of Niles. This includes the major portions of Des Plaines, Park Ridge, Niles, Morton Grove, Skokie, Lincolnwood, Golf and the unincorporated area south of Glenview.

Niles Park District

Square Dancing

Now at the Niles Park District Recreation center, 7877 Milwaukee ave., you can learn modern square dance. A beginners class for adults is held on Friday evenings from 8 to 10 p.m. The caller for the class is Jerry Spooner. For further information call Elsie Peck at 967-7270 or the park office at 967-6634.

Baton Classes

Girls, join the Niles Park District baton, twirling class and have fun. Some classes still have openings. All classes are held at the Niles Park District recreation center, 7877 Milwaukee ave. Classes meet on the following days.

Mondays: 4:30 p.m. - Intermediates I; 5:15 p.m. - Intermediates II.

Wednesdays: 3:45 p.m. - beginners; 4:15 p.m. - Advanced beginners; 5:15 p.m. - Intermediates I.

Thursdays: 3:45 p.m. - majorettes group 3; 4:15 p.m. - majorettes group 2; 5:15 p.m. - majorettes group 1.

Register now! Fee is $3.00 per nine-week session. A spring recital will highlight the program.

'Working Women' Discussion

Women interested in entering or re-entering the business world are invited to attend a panel discussion providing information and guidelines for obtaining employment. The program is sponsored by the Maine Adult Evening school. There will be no admission charge.

Miss Barbara Ross of Kelly Services - Kelly Girl, Miss Callie Cram of Crown Personnel and Everett Calloway of the Illinois State Employment Service will speak and answer questions relating to what skills are needed, where are the jobs, salary expectations, testing, employment fees and who pays them, training programs available, and tips on personal grooming.

Three separate sessions will be held, beginning at 7:30 p.m. Thursday Oct. 23, Room C-120, Maine Township High school South, 1111 S. Dee rd., Park Ridge. Bonnie Svensson, who conducts an evening refresher course in Pitman shorthand, will serve as hostess-moderator. Tuesday, Oct. 28, Room 254, Maine Township High school East, Potter and Dempster, Park Ridge, with Linda Dowell, evening school Gregg shorthand instructor. Wednesday, Oct. 29, Room C-202 Maine Township High school West, Wolf and Oakton, Park Ridge. Janet Woodall, evening school instructor in Gregg shorthand is hostess.

Students of the Maine Adult Evening school commercial courses will attend, together with any other interested persons.

Exchange Students Welcomed At Nilehi

"Getting to know you" isn't the motto of Niles West's newly formed Foreign Exchange club, but it would make an appropriate one.

Helping the exchange students become a part of West, as well as giving students here a better chance to get acquainted with them, is the club's primary purpose.

Niles West faculty member Mrs. Geraldine Carleton, who sponsors Foreign Exchange club, explained that the club is an offshoot of Student Council's AFS (American Field Service) committee. Through the anual AFS chocolate drives, money is raised to pay half the cost of sending an American student overseas and the entire cost of bringing a foreign student to the U.S.

"The club has a kind of public relations role," said Mrs. Carleton, "Its concern is to get the exchange students to enjoy their year here, as well as making the students here more aware of them."

To help carry out these objectives, the club has tentatively planned to have the foreign students speak about their countries in certain social studies classes. Another possibility being considered is that of having the exchange students visit the homes of interested West students for a weekend.

Mrs. Carleton emphasized that by no means is club membership restricted to foreign exchange students. "All students are welcome. We would like a larger student turnout," she said.

Elected Director

Thomas L. Borrelli, 8282 Merrill st., Niles, Manager, Corporate General Accounting for DeSoto, Inc. was recently elected as Associate Director for membership attendance of the Chicago chapter of the National Association of Accountants.

Awarded Degrees

Undergraduate and graduate degrees were awarded to 322 students by Roosevelt university Sept. 19, according to Robert I. Cohen, Associate Dean of Admissions and Records.

Area students who received their degrees are: James D. Keegan, 8808 Olcott, Morton Grove; Lionel M. Silva, 8504 Waukegan rd., Morton Grove; Ronald M. Schwartz, 7027 Greenleaf, Niles and Richard Falato, 7924 N. Odell, Niles.

Art Display At M.G. Theatre

Artists Russ Flory and Dorothy Almblad have teamed up for a two man show at the Morton Grove Theatre, Harlem and Dempster. Mr. Flory is an outstanding watercolorist, his work being widely known. Mrs. Almblad paints in oils and acrylics mainly in heavy impasto. Both are residents of Morton Grove and are active members of the Morton Grove Art Guild.

M.G. Boy Scout Heroes Honored

Three Morton Grove boy scouts, credited with individual efforts in saving a human life, will be honored during ceremonies at the Skokie Valley District Camporee Saturday Oct. 25.

Scouts Mike Wadkins, Alan Brutzkus and Joe Darby will be presented to the Camporee as boys deserving special merit during campfire ceremonies. The three scouts, members of Troop 89, sponsored by Melzer school PTA, are credited with exceptional ability in performing first aid for a fellow scout

On July 13, 1968, they were fishing at Beck Lake near Des Plaines, when Scout Chip Knoll stepped on glass, severely cutting his foot. As it began bleeding profusely, Wadkins, a first class scout, ripped off his shirt to make a quick bandage and compress. With the assistance of Brutzkus and Darby, he applied pressure to the wound in an effort to halt the bleeding. Several attempts were made to secure help to get Knoll to a hospital. Spotting a boat in the lake, Wadkins dove into the water and swam to the boat, where he solicited assistance from the boat owner.

The boat owner did not hesitate, and pulled to shore and helped placed Knoll aboard. The boat then headed for the parking area and boat landing, where the scouts pleaded in vain with picknickers and other boaters for an auto to get the bleeding scout to a hospital. The boat owner, a young man who was never identified because he refused to give his name, docked his craft and got his car. Knoll was driven to Holy Family hospital, where 19 stitches were required to close the deep gash.

Throughout the ordeal, the scouts kept pressure on the wound, slowing the blood flow greatly. It was through their dedicated efforts, based on knowledge they had gained through training in the scouts, that Knoll came through in fine fashion. But for the heroic efforts of his colleagues, especially Wadkins, the injured youth might have suffered even more hardship.

The campfire ceremony honoring the three scouts will be held at 8 p.m. at Lakota Reservation, near Woodstock, during the District's Conservation Camporee. It will mark a signal moment of the camporee, an event in which the scouts will put conservation to work, repairing and upfixing the campsite which has been one of the prime camping areas operated by the local Northwest Suburban Council.

"Save Tam"

Continued from Niles-East Maine P. 1

not presented. According to expressions at last night's park board meeting, the agreement between the park board, the village board and the landowners, in which they would receive their requested industrial zoning, and then would create a golf course north of Howard Street, was not considered in the lower court's decision.

What is perhaps most frustrating is the landowners, the J. Emil Anderson people, agreed to building and maintaining a golf course for a 7 year period at which time the park district would have to pick up their option to purchase the property, or if not, then another public body would have 6 months to exercise a similar option. The Park Board now fears the court action could run out this option, which has about 3 years to run. In this event the golf course and TAM property would be lost to Niles.

The Park Board met with 3 representatives of the Save Tam Committee at the end of September. The report of the meeting's outcome was vague, and Park Board members gave the impression Tuesday night they're not even sure what the Save Tam Committee now wants.

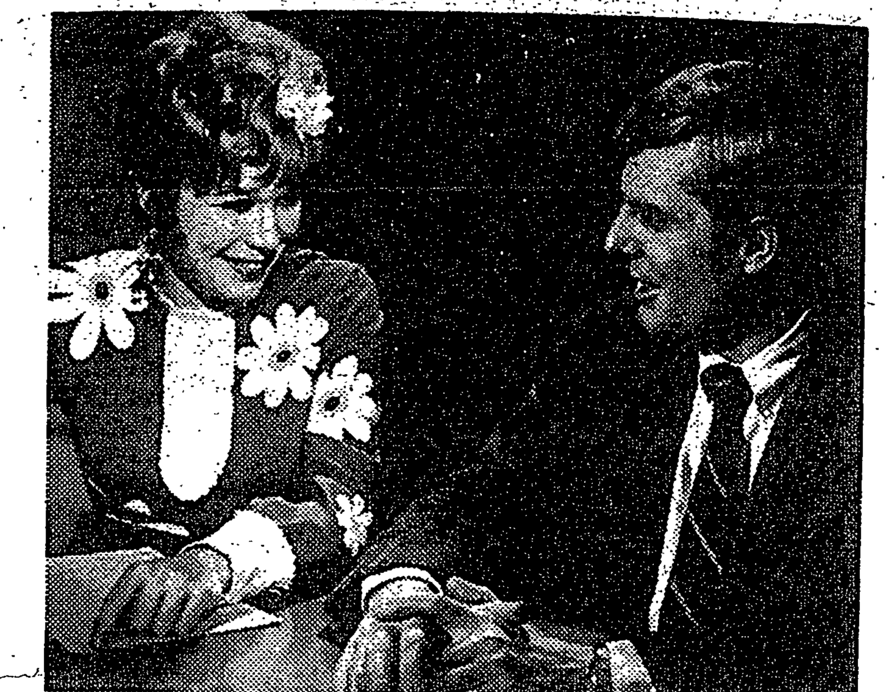
It was stated Tuesday night the Save Tam group has already changed lawyers 2 or 3 times during the past 3 years, and the group has now dwindled down to about 9 members.

While audience members asked if the re-couping of money spent on legal actions was the main desire of the group it was vaguely stated this was only one of the considerations, and NOT the main motive. Again, vagueness centered around a 15-acre tract at Caldwell and Howard which as yet has not been rezoned. It was inferred Tuesday night this parcel may be the bargaining point which the Save Tam people may use for a final decision, hoping to prevent additional industrial zoning here.

While the resolution was passed in hopes the Tam Committee may re-consider their actions, or try to accommodate the people of Niles, the park board manifested utter frustration at its inability to move this action toward a final decision. Because the park board is not a legal participant in the proceedings the suggestions of researching their own legal action, and another citizens' committee taking legal action to counter the Save Tam Committee, were both expressions of this obvious frustration.

New Arrival

A boy was born to Mr. and Mrs. George John Richter, 723 Vine ave., Park Ridge, Sept. 22, 1969, at Skokie Valley Community hospital. The baby's name is James Merrill, 6 lb. 12 oz.



Sweet Charity

Dancehall hostess Shirley MacLaine and her husband-to-be, John McMartin, blissfully fill out marriage license applications at the New York City Marriage License Bureau in Universal's lavish musical, "Sweet Charity," photographed in Tehnicolor and Panavision, held over at Golf Mill.

M.G. Veteran's Day Parade Nov. 9

The Morton Grove Post 134 of the American Legion have already begun their plans for the November Veteran's Day salute and they fall into a three-fold picture of activities.

Because Veteran's Day is on a Tuesday and not a holiday for many, the Post will conduct their annual parade on Sunday, the 9th. Step off time is 1 p.m. from the Legion Memorial Home. Parade chairman is Earl Christiansen of Chicago.

He is asking any organizations or groups in the village who wish to participate to phone him at 725-2868, drop him a note at his home, 6217 LaCrosse or a letter may be addressed to him at the Legion Home, 6410 W. Dempster in Morton Grove.

His desire is to present a dignified event to honor the boys from the former wars and he would earnestly request clubs to form marching units such as the Scouts do to fully participate in this event.

The first volunteers with their Civil War cannon who participated in a past parade will once again be on hand to partake.

Americanism chairman Ralph Hintz reports along with the village flags which will fly on Dempster street with the American ones posted for such occasions, he is urging everyone to especially fly their flags for the whole Veteran's Day weekend. He has complete flag sets which sell for the Legion's cost of $3.00 for residents' homes. The kits are also available at the Legion Home from Steve, the caretaker. Hintz, 5607 Carol, may be reached at YO5-3090 for delivery of an American flag. He also has service banners for the window of any Morton Grove family, without charge, who have a son or daughter in the armed forces. This is another of the American Legion's special community projects.

The third phase of the Veteran's Day weekend heralds the parade and assists the Auxiliary unit in their hospital service work of the handicapped veterans. The annual dance will be held on Saturday evening, Nov. 8 at the Post Memorial Home.

Proceeds of the event enable the women's auxiliary to furnish necessities as well as a few luxuries to the men confined in the Chicagoland VA hospitals.

Chairman is Bill Cunnally, 7533 Wilson terr., 965-1114. 1st Jr. Vice-commander of the Post has tickets available for a donation of $10 per couple. The "package deal" evening includes everything and is being run as other Post 134 events have in the past such as the New Year's Eve party.

Joey Zee's orchestra will play for the dancing pleasure of those in attendance and a midnight buffet will be presented.

Curriculum Changes

Curriculum changes in primary reading, mathematics and science are now going into effect in School Dist. 67's elementary classrooms based on work during the summer months by three committees of teachers. They revised and expanded on teacher guides for their fields in the district's three schools.

The science program for kindergarten through 6th grade was completed, in the work under leadership of Mrs. Dorothy Hicklin, primary grade teacher at Golf Elementary school. The program adheres to a conviction that an effective science curriculum must be child-centered — with children actively engaged in experimenting, observing, investigating and discovering.

Maine East Office Club Officers

Office Occupations club at Maine Township High school East recently announced election of officers for 69-70 school year. Members elected were (standing, l. to r.) Donna Guida, Niles, reporter; Jenny Bauer, Niles, alternate area representative; Terry Natiello, Niles, vice-president; Allen Capsuto, Des Plaines, area 14 representative and Sheila Immergluck (Des Plaines), president. Also elected were (sitting) Becky Blackwell, Des Plaines, treasurer and Sally Crane (Glenview), secretary.

Can I Improve My Driving?

"Identify the hazard. Know the defense. React in time."

These are the goals of the Defensive Driving course developed by the National Safety Council and locally sponsored by the Maine Adult Evening school. A new series of four two-hour sessions will begin Monday, Nov. 3, at Maine Township High school South, Dee and Talcott, Park Ridge. Meetings will be held 7:30 to 9:30 on four consecutive Monday evenings.

The course is designed for the average motorist who wishes to improve his driving. The only prerequisite is a driver's license. Drivers are trained to reach their destinations safely despite the mistakes of other drivers, or adverse road, weather, light, or traffic conditions. This concept, called Defensive Driving, is the heart of the course.

John Long, curriculum coordinator of the Driver Improvement Program, will conduct the course at Maine South. Mr. Long serves with the National Safety Council as editor of their newsletter, revising the Defensive Driving curriculum and teaching the instructors of these courses.

Tuition, which covers registration fee and the cost of films and visual aids used in the course, is $4 per person. Information on registration may be obtained by calling the Maine Adult Evening school, 299-7187.

Mrs. Novak Named Christmas Seal Chairman

Mrs. Frank E. Novak, 7217 Wilson Terrace, has been named as the Morton Grove Christmas Seal fund drive chairman for 1969. The appointment was announced this week by John C. Carter, general chairman for the 1969 Christmas Seal campaign in Chicago and suburban Cook County. Assisting in the Christmas Seal campaign as co-chairman for Morton Grove will be Mrs. Herbert F. Houndt, 9101 Meade.

"Christmas Seals help meet the needs of those suffering from lung diseases," said Mrs. Novak in urging support for the drive. "They help provide community X-ray surveys, school tuberculin testing, medical research and educational programs against emphysema, chronic bronchitis and air pollution."

Now the first vice president of the Morton Grove Women's Club, Mrs. Novak has served as the group's fine arts chairman, she has also been a Community Fund volunteer.

This year's Christmas Seal campaign begins in mid-November and will continue till the end of December. Last year a total of $1,114,730.93 was raised in the Christmas Seal campaign.

Legion To Salute Vets With Dance

Morton Grove Post #134 of the American Legion will hold its annual Veteran's Day dance to salute that occasion this year on Saturday, Nov. 8th. Doors will open at 9:30 p.m. at the Legion Memorial Home.

Chairman of the event is post 1st Junior Vice Commander Bill Cunnally, 7533 Wilson Terrace. Plans include a delicious midnight buffet. He announces music for dancing will be furnished by Joey Zee's orchestra.

The theme "Preservers of Peace" will honor those men who have served their country; and proceeds traditionally are donated and will be once again, to the Auxiliary Unit who use the funds for their continuous

Only a set number of tickets will be available to avoid overcrowding. The chairman reports there will be no tickets sold at the door of the gala affair; all must be obtained prior to that night.

Welcome

A boy, Patrick Myles, was born to Mr. and Mrs. Barry C. Kies, 7656 Monroe, Niles, on Sept. 26. He weighed in at 7 lb. 1 oz.

St. Luke's News

Sunday, Oct. 26 is Youth Sunday at St. Luke's United Church of Christ, 9233 Shermer rd., Morton Grove. Rev. Charles W. Ross, pastor, will be preaching on the subject, "Rebelling Creatively". Members of the Senior High Youth Ministry will lead the Liturgy of the service, which begins at 10 a.m. The Youth Choir will sing and the Interpretative Dance group will perform.

Sunday afternoon, Oct. 26, the Junior High Youth Ministry will be going from door to door in the community, "Trick or Treating for UNICEF". They will meet at the church at 1 p.m. Also, that evening both the Junior and Senior High groups will meet from 7 to 9:30 p.m.

The final session of the Adult Education Series on "The Local Church in God's Mission" will be held on Tuesday, Oct. 28 at 8 p.m.

Celebrates 20th Anniversary

Niles resident Charles Call, 6550 Ebinger dr., is observing his 20th anniversary with Union Camp's container plant in Des Plaines.

He joined the company as a plant operator when the production facilities were situated on North Palmer Street in Chicago. Since then he has performed a variety of jobs within the plant until he was named corrugator schedule clerk for the planning department.

Call received his education at Lane Technical High school and Wright Junior college. He is married and is the father of two daughters and two sons. His oldest son, Joseph, recently returned from Vietnam.

Welcome

A boy, Frank Thomas, was born to Mr. and Mrs. Thomas F. Cienniwa, 7255 W. Greenleaf, Niles, on Oct. 3. The baby weighed 7 lb. 10-1/2 oz.

Niles Community Church News

A special Congregation Meeting of the Niles Community church (United Presbyterian) will be held on Sunday, Oct. 26, between the 9:30 and 11 a.m. worship services. The purpose of the meeting will be to elect new church officers. Church school classes for 3-year-olds through eighth graders will be conducted at 9:30 a.m.; for 4-year-olds through eighth graders at 11 a.m. The Inquirers Group for high school students and adults will meet at the 9:30 a.m. hour. Care for toddlers through 2-year-olds will be provided during both worship services.

That Sunday evening, the Tuxis Fellowship (for high school sophomores, juniors and seniors) will hold a Halloween party beginning at 7 p.m.

Church activities during the week of Oct. 27 will include: Monday, 7:30 p.m. - Christian Education Committee; Tuesday, 1 and 8 p.m. - Women's Association Circles; Wednesday-Thursday, 7 p.m. - Communicants Class; and Friday, 7 p.m. - annual UNICEF Party for church children who have collected money for the United Nations organization.

Sorority Pledge

Fifteen sororities at the University of Colorado have pledged more than 370 women, following a three-week Fall rush.

Among those who pledged was: Candice P. Cedar, 9000 Parkside, Morton Grove, Kappa Kappa Gamma.

Dist. 67 School Board Appointee

Harvey Cohen has been appointed by the school board of Dist. 67 to fill the unexpired term of Norton Goodman, who has moved to Omaha.

Harvey, who has a Bachelor of Science degree from DePaul university, is a division manager for Field Enterprises Educational Corporation where he has been employed for the past 9-1/2 years.

The Cohens reside with their three children at 7033 W. Greenleaf, Niles.

Scholarship Recipient

A Morton Grove resident, Alistair Barman, 8910 Mansfield ave., recently was awarded a scholarship by the Tuberculosis Institute of Chicago and Cook County (the Christmas Seal agency) to attend a professional workshop on inhalation therapy.

Joins AllState

Linda D. Goodcase, 6916 Birchwood, Niles, has joined the Allstate Insurance Companies as a clerk in the policy files unit of the firm's Illinois regional office, 7770 Frontage rd., Skokie.

Bowen To Conduct Workshop

James E. Bowen, business manager for East Maine School District No. 63, has been asked to present a workshop on school budgets at the annual meeting of the Illinois Association of School Boards. The session will be held 10:30 a.m. to noon on Monday, Nov. 24, at the Sherman House.

By Bud Besser

Continued from Page 1

season, cars lined the roads to the northern end of these states, and the short trip took 2 days, because of the heavy traffic. For the past week we continuously 'oohed' and 'aahed' every time we saw beautiful trees with their fall colors lining the mountain-sides. After a few hours in New Hampshire, we laughingly said, how many beautiful trees can you look at, indicating we were beginning to tire of the many panoramas of color we'd been viewing. But the 2nd day in Vermont was more colorful and we 'oohed' and 'aahed' thru 200 miles of breathtaking beauty, and still were ready for more color at every turn in the road.

In mid-afternoon on Monday we decided we had to head for the thruways in order to get back home by Tuesday afternoon. But as we passed thru Bennington, Vermont we passed by the Museum and had to stop off for our last vacation look, viewing a Grandma Moses exhibition, in the land where she gained fame.

It was the end of a great vacation. It's only the 2nd time we've taken a vacation without our children, and we highly recommend it to Mothers and Daddies of all ages. It was done with leisure, without racing from town to town, and most important living without a clock looking over our shoulders.

Traveling off-season also gives you a different impression of our country. It is most beautiful but more important, it is so diversified. The eastern mountain areas, the beautiful coastal areas, are all part of the many faces of our sprawling country we were unfamiliar with. And America's people...the marvelous Amish, the taciturn New Englanders! In Vermont the gas station owners were French-speaking. At neighboring tables in many restaurants we heard German spoken. On a street corner in Gloucester four elderly Italian men were vociferously and gesturingly engaging in a spirited talk. In another restaurant we heard Scandinavian conversations next to us.

There is little doubt America has its physical beauty and it is most diversified. But much more impressive is a country with so many cultural heritages. It is most remarkable that this very diversity is likely this country's greatest strength.

M.G. Board

Continued from M.G. Page 1

Public Works Dept. Mr. Cashman also noted that Supt. Fragassi is requesting 5 new water hydrants. Fred Huber said that he heard from the Cook County Forest Preserves and that they need a Plat of Survey in order to approve the annexation of the parcel of land at Oakton and Caldwell near the river, to the village of Morton Grove. Engineer Clarda will draw up the necessary papers.

David Cohen said that at present the 91st Congress is considering passage of 2 house bills which would supply additional funds for on grade crossings such as Oakton, Dempster, Old Mill rd., etc. The money would come from federal funds and villages such as MG would not have to share in the cost of such highway improvements. Trustee Cohen then proposed a resolution in support of the federal government using additional funds for the purpose of furthering highway safety. The resolution was adopted by the board.

John Hilkin said that the tree planting project was set to begin tomorrow. He then said that Skokie officials met with Wells Mfg. in regard to the problem caused by the firm's chimneys and then added that another meeting was planned with Dr. Andelman to get further particulars. Herbert Houndt reported that our tractor for the dump was modified and has been given a new coat of bright yellow paint and was ready for service.

Ed Wilander read a letter from Clare Schaeffer of the Senior Citizens group thanking Capt. Glauner of the Police Dept. for his fine presentation at a meeting. Mr. Wilander then said two more firemen were needed by the Fire Dept. and he then moved to authorize the Fire and Police Commissioners to test and hire two additional firemen. The board concurred. Wilander then said that the Fire Dept. was in need of a replacement for their 1942 Chevrolet pumper. A meeting was held in which the traffic problems on critical corners were discussed with state officials. Engineers are now making a detailed study to see what can be done to alleviate some of the problems.

Atty. John Nordberg read an ordinance giving a Special Use permit to Montgomery Olds for a used car lot on Dempster and New England ave. Atty. Nordberg then read 3 resolutions prepared by Atty. Tom Crowley pertaining to Special Assessments and requesting state appropriations of Motor Fuel Tax Funds for: 1 - Theobaldt Road paving, 2 - Morton Grove Southeast Paving Project, west and 3 - Morton Grove Southeast Paving Project, east. The board voted to adopt all 3 resolutions.

Leonard Bloomfield has volunteered to serve on the Street and Sidewalk Committee. Mr. Anderson of 8729 Ferris stated that the gas station at at the SE corner of Dempster across from the bank was in terrible condition with broken windows. Mayor Bode agreed and asked Fred Huber to contact Phillips Petroleum and have them board up the windows unless they intend to demolish the bldg. soon. The Village Hall will remain open until 8 p.m. on Fridays.

Congratulations

A girl, April Leigh, was born to Mr. and Mrs. William L. Maloney, III, 9638 Golf terr., Des Plaines, on Sept. 28. She weighed in at 6 lb. 11-1/2 oz.

A boy, Joseph Kominick, was born to Mr. and Mrs. Anthony L. Ozzauto, 8436 Oak ave., Niles, on Sept. 30. The baby weighed 8 lb. 14 oz.

New Siren Warning System For Niles

The office of Civil Defense of the Village of Niles is proud to announce the completion of its new siren warning system. This system is one of the most complete in the area, covering the whole village with five of the latest type OCD approved sirens. The sirens are located throughout the village with sites at the Golf Mill shopping center, Grennan Heights park, Niles Fire Station #1 in Tam O'Shanter, Our Lady of Ransom school and on Greendale ave. across from Thomas Jefferson school. These sites were chosen to give the maximum coverage across our village so that all our residents will be sure to hear the sound of these sirens. To be sure all of our residents understand the meanings of the signals we are publishing this explanation:

WARNING SIGNALS - For natural disasters - eneny attacks - and other vital emergencies: When you hear the signal, turn on your radio - do not use the telephone.

ALERT - A 3 to 5 minute steady blast - Turn on your radio, danger is possible. Only the ALERT signal may be sounded for local tornado or other natural disasters (not for forecasts or watches).

TAKE COVER - A 3 minute Wavering Blast - Enemy attack...Go to your nearest fallout shelter!!!

Take your portable A.M. radio with you and any personal supplies that you may need, medicine or special foods. (Blankets, canned goods and any items that might make your stay that much more comfortable.)

Only by knowing and heeding these signals will this system be effective. Please learn them and follow these warnings. By doing this we can serve you, the people of Niles. As you all know, mechanical equipment must be tested and our sirens will be tested the first Tuesday of each month at 10:30 a.m., by first sounding the ALERT signal for 30 second, followed by the TAKE COVER signal for 30 seconds. These tests will begin the first Tuesday in November.

Morton Grove Begins Library Remodeling

The Morton Grove Public library is undergoing a remodeling job which will add 9,600 square feet to the 6140 Lincoln ave. building.

Mrs. Myra Aggen, head librarian, said the construction began last week and will center in the basement area, which formerly had been used as storage space. She said construction will take about six months.

Under the $240,000 remodeling plan, a children's department, microfilm center, and an enlarged meeting and project room will be developed in the library basement.

"The children's room will contain about 7,200 square feet of space as compared with the present room, which contains 1,730 square feet," Mrs. Aggen said.

She said the new children's room would enable the library to display all of its 20,000 children's books, instead of only 9,000 which are currently on display.

The old children's room will be converted into a young adults room, Mrs. Aggen said.

General contract for the work went to B. Stromberg Construction Company, 5831 Dempster st., Morton Grove.

Basement construction will include a sunken garden area, landscaped and furnished with benches for outside reading and children's instruction periods.

In addition, said Mrs. Aggen, about 850 square feet will be set aside for use by the North Suburban library systems for its Central Serial microfilm service.

Mrs. Aggen said the service would allow persons to obtain copies of microfilm material at no cost.

Mrs. Aggen said remodeling is being financed by a federal grant, a mortgage, and funds saved by the library's board of trustees.

Parade

Continued from M.G. Page 1

the Dempster-Austin parking lot between 7 and 7:30 p.m. Parade will start promptly at 7:30 p.m. and proceed west on Dempster st., to the Harrer Park pool parking lot.

Prizes will be awarded in four categories: 1. Most comical. 2. Best costumed. 3. Couples. 4. Groups.

There will be three age classifications in the most comical and best costumed categories only: 1. Seven years and under. 2. Eight to 11 years. 3. Twelve years and older.

There will be no age restriction in the couples and groups categories.

Halloween Poster Contest

Boys and girls get your paints in shape and join the fun. The Niles Park District is sponsoring a Halloween Poster Painting Contest. Free poster paper may be picked up at the Niles Recreation center, 7877 Milwaukee ave., anytime between 9 a.m. and 5 p.m. Contestants are to use their imagination and paint a Halloween scene or idea. The finished masterpiece must be returned to the Park office no later than Oct. 24.

There will be four age categories: first and second grade, third and fourth grade, fifth and sixth grade, and seventh and eighth grade. The paintings will be judged and the winners announced at the Halloween party, Oct. 25 at Oak school.

Four cash prizes will be awarded in each age category: 1st prize, $5.00; 2nd prize, $3.00; 3rd prize, $2.00 and 4th prize, $1.00. All paintings will be displayed at the Niles Recreation Center.
