 End O' The Month Meanderings.....

They sort of glossed over the matter 2 weeks ago but Niles trustee Dick Gruenwald's mini-report about studying the feasibility of consolidating government bodies must've raised cackles on the backs of many officials' necks in Niles.

Appearing rather innocent about it all Dick merely said a study was under way concerning the joining of various districts together. But what it appeared to be was a bit of "Sock It To 'Em" psychology aimed at Niles Park Board, Niles trustee Pete Pesole was also nudging the Park Board when he bemoaned the lack of progress in the park construction and land acquisition projects. But last week the Park Board answered these criticisms with a very extensive presentation in which they reviewed their efforts. Pesole was present but remained silent thru the evening.

While the consolidation talk may cause ripples of comment, it can hardly be taken seriously. Ten years ago, when Niles Park Board was in its early stages, such discussion might have been considered. But the political overtones of such action at this date would likely be met with much resistance from all quarters of the community. If there was a scandal in the district perhaps such consolidation talk might prove more weighty. But taken in light of today's efforts the Park Board can hardly be faulted.

At last Tuesday's meeting Park Commissioner Ray Egan angrily mentioned a former meeting concerning TAM which was a complete fiasco, because of the high-handed methods of the chairman of the meeting, Nick Blase. According to Egan, Blase offended all sides at the joint meeting, leaving the meeting in complete disarray, with chances for conciliation between the TAM forces and the park and village boards practically nil.

The Egan charge, which has been mentioned by many persons at the meeting, is merely a prelude of what is to come if the village board ever made a movement to consolidate the 2 districts into 1.

In this week's "letter to the editor" column former sanitarian Tony Guarnaccio accused Blase of playing politics in his appointment of a Niles sanitarian. Tony wasn't rehired for the job and it's his, as well as Trustee Keith Peck's contention, that his failure to ring bells for Blase, caused his not being rehired. Blase did say he couldn't find anyone in the village who has qualifications for the job, yet, Guarnaccio does have them. Blase's answer would be welcome.

Let's throw out one other nugget for this week, Park Forest residents will save about \$10 this year due to a reduction in their village property tax. Because municipalities are receiving 2-1/2% from the new state income tax such a deduction was made possible in Park Forest. Morton Grove dropped its utility tax, when it found out about the additional state revenue. Yet, Niles, which continuously gets more and more sales tax, in addition to this new-found revenue, has not eliminated the utility tax, and has not lowered village taxes.

This would be a great political move by the man previously mentioned, and even tho he squeezes the juices out of every political action, at least a tax cut-back would be advantageous to the residents, as well to the politician.

That old hobgoblin, Blase, holds a press conference Friday afternoon, to announce the candidacy of a Maine Township resident who will be backed by the Demos here for state representative. At the same time Blase is expected to ride in on a broom and announce he will seek a 2nd term as Maine Township Democratic Committeeman. While the apple-bobbers may ask if he has any halloween tricks up his sleeve, the mist caused by the apple cider is likely to make the answer inaudible. Last time he ran he was picking on the telephone company in Maine Township. He also had

Pesole 'Save Tam' Conferee

Niles village board approved Tuesday night Trustee Pete Pesole's suggestion he be designated to sit down with one or more representatives surrounding the conflicts in the Tam O'Shanter property.

Pesole reported to the village board that he sat in at last Tuesday park board meeting but they could not publicly disclose what were the demands of the citizens' group. Pesole told THE BUGLE after the meeting he would sit down with each member, if necessary, in an attempt to bring the problem to a head.

Village President Nick Blase said the people of Niles have a right to know what is going on concerning the 37 acre property implying such action might clear the air.

Trustee Ang Marcheschi thought it might be well for a representative of the Save Tam Committee to come before the village board and explain what the problems are concerning the matter. Blase answered there is no one representative who can speak for the group, and thus such action would not prove successful.

Trustee Keith Peck said he had sat down with the group more than a year ago to little avail. Peck also noted the park board just passed a resolution at last Tuesday's meeting in which they requested the Save Tam group publicly state what they desire for the area.

Formerly School Dist. 64 Land

SEEK SUBDIVISION ON INTENDED PARK LAND

A request to build 26 homes in the Gall Ann subdivision on land which the park district had been intending for a park, came as a surprise to village trustees Tuesday night.

Village Manager Ken Scheel said the plans would be closely scrutinized, and noted the 26 lots just barely conform to Niles building code, saying the square footage of the lots must have been determined by a computer. The proposal includes a long cul de sac which Niles frowns upon, since it finds it difficult for fire and disposal trucks from effectively maneuvering on such streets. The area is bounded by Oleander, Oriole, Kirk and Mulford.

Niles Park District, which as late as one week ago, announced they could take no immediate action there because the case was in court, is hoping to buy the property for a 5 acre park.

Premature Siren Tests

The new civilian defense sirens had an accidental pre-testing period a week ago Wednesday night. The newly-installed sirens were short-circuited, most likely by a crossing of wires, which caused the 9 minute sirens to shrilly ring out their signals throughout the village.

The sirens will officially be heard the first Tuesday of each month when they're tested at the customary 10:30 a.m. time, when all other alert sirens are also heard, in addition to their use for national defense, they will be used whenever tornado warnings are alerted for our area.

In accepting the subdivision plat Mayor Blase said the village board could not legally hold an action on it and that

Goodwill Resumes Home Pickup Service

Chicago Goodwill Industries has announced that it has resumed in certain areas on a limited scale the home pickup of discarded clothing and small appliances. A Goodwill spokesman said the agency had to temporarily suspend area-wide home pickups in August because of a lack of funds.

"But the generous response of the public when our financial plight became known now enables us to again pick up at donors' homes on a limited basis," the spokesman said.

He pointed out that clothing and small appliances no longer wanted by the public are "tools" on which handicapped and disabled people at Goodwill learn job skills as part of their rehabilitation program. Once the discards are repaired and renovated, they are sold in the agency's 13 retail outlets. The major portion of revenue

derived from store sales pays the wages of Goodwill's workers and trainees, the spokesman said.

Homeowners wishing to donate clothing and small appliances are asked to phone their area Goodwill representative, Mrs. Pauline Miller at 676-1261.

Notre Dame Homecoming Tonite

Notre Dame High school's homecoming will kick-off with a bonfire and pep rally on Thursday, Oct. 30 at 7:30 p.m. Following this innovation in school spirit will be a mixer in the gym featuring continuous music by four combos from the student body.

Friday will see a float parade through Niles that is scheduled to drive off from Notre Dame at 1 p.m. The traditional judging of the floats will precede the varsity football game at 8 p.m. as the floats parade around the track.

Following the float parade on Oct. 31 Notre Dame's undefeated and state-rated Dons will tangle with the team from Holy Cross High school in River Grove. This game will be ideal for homecoming because of the strength of the teams and of the rivalry between the two schools. Halftime of the game will see band shows by both the Marching Dons of Notre Dame and the Holy Cross band. The Hospitality Room will be open for alumni, parents and friends after the game.

The homecoming dance with its theme of "Norwegian Wood" will be presided over by homecoming king, Marty Lemertz. Two bands, Shallow Water and The Nickel Bag will entertain the alumni and students. The student chairmen for the 1969 Homecoming promise the best series of events at a Notre Dame homecoming yet.

LWW Presents Con-Con Structure

On Nov. 5, 1968 the people of Illinois voted to authorize the holding of a constitutional convention to review and recommend revisions to the 1870 state constitution. On Nov. 18, 1969 the voters will elect their representatives to the constitutional convention. Each voter has two votes to cast for two of the four candidates. On Dec. 8, 1969 the constitutional convention convenes in the hall of the House of Representatives in the Capitol at Springfield.

There are going to be 116 members, two from each senatorial district. Each member will be paid \$625 a month, not to exceed eight months, plus

\$75 a day for each day, not to exceed 100 days, that he is in attendance at the convention or its committees. Each member also will receive a mileage allowance, postage allotment, and expenses for hotel, meals and miscellaneous items according to the scale used by members of the legislature.

The members of the convention will elect officers, adopt rules and organize themselves to conduct the work of the convention. The convention will be divided into committees, each of which will research and listen to testimony on certain subjects and then recommend provisions to the total convention. Ultimately, the convention will

agree on what it wishes to recommend to the people and will decide how to present its proposals for the vote of the people. Not less than two, nor more than six months after the convention adjourns, recommendations of the convention are to be submitted to the voters. A majority of those voting in the election is required for approval. Normally, the effective date for an approved constitution or change is set by the convention at the time it completes its work.

Voters with questions about the constitutional convention may get the answers by calling Mrs. George Coldewey, Voters Service Chairman, at 965-8383.

Maine North Construction Report

Construction of Maine North is on schedule, according to Donald Stillwaugh, architect for Township High School District No. 207. This favorable report concerning the building of the district's fourth high school was given to the Board of Education for District No. 207 at its regular monthly meeting held Monday, Oct. 20.

Stillwaugh told the Board that work is going along at a good pace and that the roof should be on the academic area by Jan. 15, 1970. He further stated that headway is being made in the construction of the demountable administrative facility on the Maine South campus. While work on the building has been somewhat sporadic, he is hopeful that it can be occupied on or about Dec. 15 of this year.

Roy Makela, Niles, Board member and chairman of the Building Committee, stated that construction work has been completed at Maine South and Maine West. Makela said that the target date for the completion of Maine East construction work is April, 1970.

A recommendation by the school administration to give individual discretionary powers to discontinue the baccalaureate service as a part of the commencement program was rejected by the Board of Education. Board members indicated they would make any decisions related to the continuation of baccalaureate services and would consider this matter on an individual school basis.

In further action the Board approved the purchase of group life and group accidental death and dismemberment insurance for all full-time District No. 207 personnel. The Board accepted the bid for the purchase of life insurance contracts submitted by Confederation Life Association in the amount of \$332 per \$1,000 per month, with \$2,458 first year retention and 75% male - 10% female required for participation in \$5,000 voluntary life option, as the lowest and best bid. The Board authorized the purchase of contracts to provide coverage for all full-time employees in District No. 207 in the amount of \$5,000 of group life insurance and \$5,000 of Group Accidental Death and Dismemberment Insurance on the basis of bids submitted. The Board also authorized the offering of the \$5,000 voluntary life option to employees for purchase at the employees' expense in accord with the bid submitted.

Based on the lowest competitive bids the Board of Education approved contracts for equipment and services in the amount of \$94,498.90.

Crane Speaks

Philip M. Crane, Republican candidate for Congress from the 13th District will be featured speaker at the Niles Township Regular Republican Women's Club luncheon meeting Monday, Nov. 3 at the Oakton Park Fieldhouse, Skokie, 12 noon.

Members are encouraged to bring friends to hear and question Dr. Crane as well as the two Republican-endorsed Con-Con candidates for the area, Dr. Clyde Parker and Marshall Howard.

The Congressional election is Tuesday, Nov. 25 and the Con-Con election Tuesday, Nov. 18.

Chamber Of Commerce Guests

Harry Volkman, WGN Weathercaster, and Harold Crater, director of Illinois State Chamber of Commerce community services, were honored guests at the Niles Chamber of Commerce meeting Oct. 14 at Bunker Hill Country Club. In photo above are (reading l. to r.) Chamber of Commerce directors Dee Pomeraning of the Niles Spectator;

Ethel Marcyan, Down the Street; Robert C. Wordel, Jr., Teletype Corp., Chamber president; Harold Crater; Harry Volkman; Gordon Fuller, Yorktown Finance-Insurance; Charles Barbaglia, Bank of Niles, Chamber treasurer; Frank Trolani, Acro Remodeling; and Bill Rand, Rand's Jewelers.

Niles PTA Open House

The Niles Elementary schools PTA will hold Open House on Tuesday, Nov. 4 at the South school and Wednesday, Nov. 5 at the North school at 7:30 p.m.

After a brief business meeting, all parents are invited to meet with the teachers of their children in their home rooms.

The purpose of visiting the school at this time is to become acquainted with the teacher and the various subjects being taught. Also the students' work will be exhibited for your viewing.

The flag ceremony will be presented by Brownie troop 528 under the leadership of Mrs. Ramona Michalsen and Mrs. Pat Walner.

St. Luke's News

"The Urge to Believe and The Urge to Question" is the topic of Rev. Charles Ross's sermon on Sunday, Nov. 2 at the 10 a.m. service of worship at St. Luke's United Church of Christ, 9233 Shermer rd., Morton Grove.

The Women's Guild of St. Luke's will hold a bake sale on Saturday Nov. 1 at the church at noon. We invite you to come and purchase some homemade bake goods.

The Senior Highs will meet at the church at 7 p.m. on Nov. 1 to go on a hayride at Arcadia Farms. Cost for the hayride is \$2.25.

Both the Junior and Senior High Youth groups will meet at 1 p.m. on Sunday, Nov. 2 and go on a tour of Chicago called "Chicago by Foot."

The Adult Education series meets on Tuesday, Nov. 4 at 8 p.m. The topic for discussion is "Being the Good News." This is the final session in the series entitled "The Local Church in God's Mission."

The Women's guild will meet on Wednesday, Nov. 5 at 8 p.m. Thanksgiving is the theme. The women will be packing food baskets for needy families and also hold a Thanksgiving service of worship at which time the Thank Offering boxes will be received.

Yoga Demonstration For The Ladies

On Tuesday, Nov. 4, the St. John Brebeuf Catholic Women's club will hold their monthly meeting in the school hall at 7:45 p.m. with an invitation to all ladies and their guests to join us in what will be one of the most interesting and worthwhile evenings on the CWC calendar.

Program chairman Rosemarie Bacchi has selected Yoga, Health and You, with Marilyn Englund of the Leaning Tower YMCA, to be the program for the evening following the business meeting. Miss Englund will give a talk, demonstrate and

participate with interested ladies on the benefits, principles and positions of Yoga.

During the program Miss Englund will demonstrate how to improve on our physical, mental and spiritual weaknesses. She has been very successful with her yoga program at the YMCA and has been most instrumental in aiding men and women of all ages to find complete and total relaxation. Ladies expecting to participate with Miss Englund are urged to dress in slacks or similar apparel.

"Eleven years ago, even my wife told me I was crazy to put in Electric Heat."

Back in 1958, you didn't find many people with enough nerve to install an electric heating system when they built a new home. People said it was outrageously expensive... and terribly unreliable. But Ferd Larson believed differently... and even though Mrs. Larson was against it, he was determined to have electric heat.

Over the years, the Larsons have been convinced they made the right decision. Because the only repairs they've needed in eleven years have amounted to a new fan motor and a few adjustments—nothing more. And today, they heat their 7-room home for just a little more than \$200 a year.

Over 35,000 families in Northern Illinois heat their homes electrically... and 10,000 more will join them this year. Shouldn't you find out about electric heat? It's really true what they say...

The bright new ideas are Electric.

CHARLES BARBAGLIA, bank vice president and co-host on this special Caribbean holiday.

Special Bank Sponsored Trip Offers 8 Day Deluxe Holiday \$290.00
November 29th Thru December 6th, 1969

A blue martin is caught near Port Antonio on Jamaica's North coast. Martin, berrucuda, wahoo, sailfish, kingfish, and dolphin can be found all along Jamaica's shoreline. They are particularly plentiful in the waters near Port Antonio.

CHAMPIONSHIP GOLF is a Jamaican routine, and even weekend teachers find themselves upgrading their game on courses like Tryall, just outside Montego Bay.

Join Lee, Chuck, your friends and neighbors on an exciting sojourn to the white sands and near-transparent sea that made Montego Bay the queen of Jamaica's resort centers. That's where they're heading on November 29th and they're anxious to have you come along. But hurry! Times a wasting! Join them for a fun-filled Fall vacation you'll never forget. This trip was especially arranged for friends and customers of the Bank of Niles, Travel Consultants Ltd. of Niles, who made all travel arrangements, spared no efforts to see that everything would be the best available. And they've come up with a deluxe package that is hard to beat.

One low price includes everything — transportation, deluxe Montego Bay hotel accommodations, all transportation and baggage charges, tips, etc. There will also be some cocktail parties, a night club tour and other surprises. It's the buy of your life on the trip of your life... don't miss it!

Will you have fun? You know you will! Jamaica offers a wide variety of things to do and see aside from sunning and surfing. You can site-see at places like Rose Hall (it's supposed to be haunted) one of the original plantations; visit the quaint countryside; go cove hunting; play tennis, golf or go deep-sea fishing. The ladies will be particularly interested in shopping for fineries from all over the world in the duty-free shops — at prices 20 to 50% below what they are here at home!

Sound like your kind of trip? Then act today. Accommodations are limited and we have to honor reservations on a first come, first served basis. Stop by the travel desk at the Bank of Niles for complete details or fill in and mail the coupon.

* Cost is \$290.00 on European plan. A modified American plan (includes breakfast and dinner) is also available at \$350.00.

Blase's Gratuity Appointments?

Dear Editor:
Responsibility to the People

It is the obligation of elected officials to their constituents to appoint civic minded and technically qualified people to serve the public.

Recently the Mayor of Niles, with the consent of the majority of the trustees (Keith Feck dissenting), appointed several people who are not technically qualified to the Health and Air Pollution Boards. Mayor Blase also IGNORED AN ORDINANCE (LAW) in his appointment of a Sanitarian.

Referring to the position of Sanitarian, Mayor Blase stated, according to the paper, "It is difficult to find anyone in the

I believe if the Mayor had looked beyond his political organization to the approximately 32,000 residents in Niles, he would have found several qualified individuals interested in serving the "People" on the Health and Air Pollution Boards.

There is no doubt in my mind that Mayor Blase is rewarding his "door-bell pushers" to establish a tighter reign to further his political career which will be tested again when he runs for Maine Township Democratic Committeeman in June, 1970.

Open Letter Of Thanks

To: Mr. Frank C. Wegner, Jr.

Dear Mr. Wegner:
I wish to publicly announce my sincere thank you for the advertising of our recent Fun fair on the marquee at the Police Department of Niles.

This helpful coverage made our Niles school Fun Fair day a success in spite of cold winds and threatening skies.

Again thanking you for your cooperation, I am gratefully yours,

Drivers License Information

The program to examine all Illinois drivers once every nine years, which became effective Jan. 1 of this year, is one of several changes and improvements in driver licensing in the last several years, Secretary of State Paul Powell said recently.

In a talk before the Decatur Kiwanis club, Powell said the requirement that all of the approximately 6.8 million drivers be examined within a nine-year period is increasing the workload by about 750,000 examinations a year, or about 8 1/2 per cent.

"Not only the drivers with bad records are being called for re-examination at the early part of this program, as some with good records must also be called to enable us to examine all drivers in the nine-year period," he said.

Another significant change in driver licensing is the notification now sent to all drivers more than 30 days prior to the expiration of their licenses, a move which has increased state revenue by \$600,000 a year, Secretary Powell said.

"Now we have a different color drivers license for minors and adults, which is a protection to the legitimate tavern owners and will prevent many minors from being sold alcoholic beverages by showing an altered drivers license," Powell said.

There are two other changes in the law affecting driving by minors, Secretary Powell said. One requires young people 16 and 17 years old to have passed an approved driver education course to obtain a license, and the other increased from 18 to 21 years the period during which minors must have parental or guardian consent to obtain and retain their licenses.

In addition, the old designations of "operator" and "chauffeur" licenses have been discontinued, and all licenses now are called drivers licenses, but are classified according to the types of vehicles the individual is qualified to operate, Powell said.

'Rumpelstilskin' Opens At Mill Run

Named To DePaul Alumni Committee

Robert F. Clausen, 6929 Seaward, Niles, has been named to a 30-member alumni committee spearheading DePaul university's program for Greatness in 1969-70. Under chairman Henry D. Paschen, Jr., vice-president of Paschen Contractors, Inc., the group is mapping a campaign to realize \$1 million in alumni gifts by 1975, the year of the university's 75th anniversary.

The ten-year, \$92.5 million Program for Greatness has already allowed DePaul to produce the new DePaul college with an innovative approach to liberal education, to add doctoral programs in the biological sciences, philosophy and psychology, to double its annual educational budget from \$5.5 million to 12 million, and to increase average faculty compensation by 37 per cent, placing it among the top ranks of the nation's 2200 colleges and universities.

Student Performer

Five performances of the ancient Greek play "The Bacchae," adapted for the modern audience by Greek director Anna De Varis, will be presented by the Western Illinois university Theatre at 8 p.m. Oct. 28-Nov. 1 here in Browne Hall theatre.

A cast of 22 students has been selected for the WIU production to be directed by Miss De Varis, who is visiting the Macomb campus.

Among them is Lynn Bloom, 7108 Enfield, Morton Grove.

During Friday evening Traditional Services of Northwest Suburban Jewish Congregation, 7800 W. Lyons, Morton Grove, at 8:15 p.m., Oct. 31, Sherry, daughter of Mr. and Mrs. Paul Rosman, will become Bat Mitzvah. Rabbi Charney will deliver the charge, and Cantor Lavi will chant. Following the services, Mr. and Mrs. Rosman will host the Oneg Shabbath.

Saturday morning at 9:30 a.m., Steven, son of Mr. and Mrs. Dan Silverman, will be called to the Torah for his Bar Mitzvah. Following the services, Mr. and Mrs. Silverman will host the traditional kiddush.

During Mincha-Meayriv services, Paul, son of Mr. and Mrs. Larry Board, will become Bar Mitzvah. Cantor Lavi will chant the portion of the Haphtorah and Rabbi Charney will conduct the services. Cantor Lavi will present the beautiful melodies that usher out the Sabbath.

PARK DISTRICT NEWS

Halloween Party A "Scary" Success

On Oct. 25 the witches, goblins, hobos, spacemen, gypsies, and many other figures of the imagination were spotted in Niles. The reason—the Niles Park District annual Halloween Party and Parade.

Youngsters from all parts of Niles flocked to Notre Dame to get information for the parade.

The Niles Fire Department and the Niles Police Department led the parade, making sure that the youngsters had a safe but fun filled walk. The parade proceeded down Ozark st. to Lee st. and culminated at Oak school where the festivities were held.

The winners in each category are as follows:

SCARIEST: 1st place: Laura and Diane Hickey, age 12 and 11; 2nd place: Karen McAndrew, age 10; 3rd place: Mike Kurgan, age 10.

MOST COLORFUL: 1st place, Gregory Bank, age 2; 2nd place, Gayle Benson, age 10; 3rd place, Tom Foley, age 8.

MOST BEAUTIFUL: 1st place, Pam Mitchaleno, age 8; 2nd place, Darlene Dehmer, age 4; 3rd place, Mary Uhlig, age 7.

CUTEST: 1st place, Janice Kreher, age 4; 2nd place, Laura Gilbert, age 11; 3rd place, Caroline Kauten, age 9.

FUNNIEST: 1st place, Scott Schmaran, age 7; 2nd place, Barb Delorenzo, age 6; 3rd place, Kim Sterling, age 7 and Kathy O'Neill, age 8.

MOST UNUSUAL: 1st place, Grace Partipilo, age 9; 2nd place, Jackie Zink, age 12, and Cindy Mack, age 12; 3rd place, Anthony Zumpano, age 6 and Mark Steinke, age 8.

BEST HOME MADE: 1st place, Mudie and Jimmy Felten, ages 6 and 4, and Lori Boyle, age 7. 2nd place, Jerry Krajewski, age 11, Karen Smith, age 9 and Tony Goranson, age 7; 3rd place, Janet Paczosa, age 9, Patrick Donahue, age 10 and Robert Banner, age 10.

Youngsters dressed in various creative costumes were judged in the category of their choice: most colorful, most unusual, most beautiful, funniest, cutest, scariest and best homemade. The panel of judges included Michael Provenzano, Park Board Commissioner; Mrs. Carol Freeman, ballet and tap instructor; Miss Verlyn Herley, who works extensively with the Park District Teen program; and Carol Chamerski, volunteer leader for various Park District activities. The judges had a very difficult time selecting first, second and third place winners in each category, as all of the 950 costumed participants merited an award. Winners were presented their prizes, consisting of various games by Janice Wanka, recreation supervisor. No one left the party empty handed, as 1500 taffy apples and donuts were given to the participants and

Halloween Poster Winners

The Niles Park District conducted a Halloween Poster Painting contest for youngsters in first through eighth grade. Participants were given poster paper by the Niles Park District. The subject matter on the poster had to relate in some way to Halloween. The response to the contest was tremendous. 80 finished paintings were submitted by youngsters throughout the Niles area.

Judging the paintings was not an easy task, as commented by Mrs. Carol Freeman, one of the four judges. The other judges were Michael Provenzano, Carol Chamerski and Verlyn Herley. The same panel of judges as the costume judges. Judging took place at the Halloween party held at Oak school on Oct. 25. The posters were judged on the following points: subject matter, creativity, neatness, use of appropriate colors, color combinations and quality of the art.

First place prizes of \$5, second place prizes of \$3, third place prizes of \$2, and fourth place prizes of \$1 were presented in each of the following age categories: first and second grade; third and fourth grade; fifth and sixth grade; seventh and eighth grade. The awards were presented to the winners at the culmination of the Halloween party by Janice Wanka, recreation supervisor. All of the posters will be displayed at the Niles Recreation center, 7877 Milwaukee ave, from Oct. 28 through Nov. 4.

The list of winners includes: **FIRST and SECOND grade:** 1st place, Rhonda Bacci; 2nd place, Renee Bacci; 3rd place, Timothy Galassini; 4th place, Timothy Jendrycki.

THIRD and FOURTH grade: 1st place, Kathy Sobczak; 2nd place, Mary Anne Galassini; 3rd place, Ron Zale; 4th place, Karen Voss.

FIFTH and SIXTH grade: 1st place, David Jendrycki; 2nd place, Christopher Jacobs; 3rd place, Mary Beth Brennan; 4th place, Suzanne Kemmer.

SEVENTH and EIGHTH grade: 1st place, Carol Stanley; 2nd place, Mary Kay Nieminski; 3rd place, Mary Anne Stanley; 4th place, Cheryl Drummond.

Next year the Niles Park District hopes that the youngsters of Niles will once again participate in the Halloween party and Post Painting contest and in so doing have a fun-filled experience.

Ice Hockey

This winter the Niles Park District will conduct a hockey clinic that will prove to be fun and instructional. It will help to improve your skating ability as well as to acquaint you with some of the skills and strategies necessary in an exciting hockey game.

The clinic will begin on Nov. 5. Movies and slides will be shown on Nov. 5 and Nov. 12 at 7 p.m. at the Niles Recreation center, 7877 Milwaukee ave. Topics to be covered include the basics of skating, stickhandling, passing, checking, shooting, goal-tending, offensive and defensive team play. A discussion, question and answer period will follow the presentations. To practice what is presented in the movies, the boys will be scheduled for actual skating instruction at the Flying Carpet Motor Inn.

The fee for the clinic is \$3

per boy. All boys 8 and over are eligible to participate. Registrations are now being accepted at the Park office, 7877 Milwaukee ave. Register your son now so that he can learn the safe and skilled way to play hockey this winter. For further information call 967-6634. Ice hockey is becoming an increasingly popular sport. This winter the Niles Park District will conduct a specialized hockey program for boys. Teams will be formed in the following divisions: Squirts: Boys born in 1959-60; Pee Wee: born in '57-'58; Bantam: born in '55-'56. The only qualifications are that boys be of the stated ages and that they have average skating ability and that they have hockey skates. Games will be played at Jozwiak park and at the Flying Carpet. Games will begin about Dec. 12 and continue through February. Games will be played only on weekends.

Maine Moms Antique Show

Antique show committee members of the Maine East Mothers club are shown collecting old treasures to be used as props in staging the show. Selecting the antiques are (l. to r.): Mrs. Benjamin Miner, 403 Woods rd., Des Plaines, 1st vice-president; Mrs. Walter M. Marbach, 1346 Tyrell ave., Park Ridge, show manager; Mrs. Raymond Gross, 1821 Glenview ave., Park Ridge, staging chairman; and (standing) Mrs. Howard Nelson, 2531 Pick ln., Glenview, corresponding secretary.

There is very little left to do except to open the doors and welcome everyone who attends the 6th annual Antique show and Bake sale of the Maine East Mothers club. The show will be held in the high school cafeteria from 7 to 9:30 p.m. Oct. 31; from 11 a.m. to 9:30 p.m. Nov. 1; and from 11 a.m. to 5:30 p.m. Nov. 2.

While searching for antiques to be used as props, staging chairman Mrs. Raymond Gross discovered many avid collectors among the mothers themselves. One of them will be at the show looking for peg lamps, another will be hunting for her pattern of pressed glass and another hopes to find an unusual watch chain slide to add to those she's collecting to have made into a bracelet.

Mrs. Walter Marbach, show manager, has been assisted by the following committee chairman: Mrs. Elmer Stiff, 810 N. Merrill, Niles, tickets; Mrs. Arthur Berthold, 1422 Marcus ct., Park Ridge, and Mrs. Thomas Christel, 8425 W. North terr., Niles, bake sale; Mrs. Roy Berquist, 8403 Bruce dr., Niles, hostess; Mrs. J. B. Richardson, 2031 Habber-ton, Park Ridge, refreshments; Mrs. Raymond Gross, 1821 Glenview ave., Park Ridge, staging; and Mrs. Robert P. Ferrin, 1911 DeCook ave., Park Ridge, publicity.

Tickets priced at \$1 will be available at the door and home-baked delicacies will be sold each day of the show.

Confrontation: 2nd In Series

POVERTY

The second in a series of three meetings on "Poverty" will be held in St. John Brebeuf church hall, 8301 N. Harlem, at 8 p.m. tonight, Oct. 30.

A roundtable discussion on "What Price Poverty?" will have as participants: Alvin White, president, Catholic Interracial Council of Evanston; David Daniels, Cook county Welfare administrator; Douglas Ca-

ter, case worker representative; Mrs. Erma Grey, president, Motherpower; Mrs. Dovie Thurman, president, Welfare Recipients Demand Action; and Virginia Bower.

The meetings are sponsored by the Northwest Suburban Interfaith Action Committee and the National Conference of Christians and Jews. Tickets may be obtained at the door or in advance at St. John Brebeuf church.

Studying Abroad

A Morton Grove student at Beloit is getting a non-tourist view of Europe and a chance to practice a number of languages thanks to an unusual fall term placement at the NAAFEKO Corporation in Chasso, Switzerland.

Working in the warehouse and as a truck driver there is Michael F. Jennings, Class of 1972, the son of Mrs. Beulah N. Jennings of 7820 Lotus, Morton Grove. He is a graduate of Niles Township West High school.

Jennings is on a Field Term, the non-credit, off-campus, work, service, or research situation taken by every Beloit student. He writes from Switzerland that he makes border crossings across the Swiss border more than a dozen times a week. The firm for which he is working distributes tape recorders. He is most happy that his job permits a great deal of travel, to as far as Greece and Spain.

Dist. 63 Educational Reports

Educational reports on all schools in East Maine School Dist. 63 are to be given at upcoming board of education meetings by district principals. The first report, by Principal Frank McGowan on Nathanson school, was given at the Oct. 14 meeting.

Below is a schedule of future reports.

Nov. 25: James Boesen, East Maine Junior High school; Dec. 16: Milo Hellman, Washington school; Jan. 13: John Jaros, Melzer school; Jan. 27: Mrs. Mary Lange, Ballard school; Feb. 10: Mrs. Lenore Page, Nelson school; Feb. 24: Cesare Caldarelli, Wilson school; Mar. 10: Donald Huebner, Mark Twain school and Mar. 24: Kenneth Johansson, Oak school.

The meetings are held at 7:30 p.m. in the gym of Ballard school, 8320 Ballard rd., Niles, unless otherwise announced.

Legion Welcomes Membership

On Saturday, Nov. 1 at 3 p.m. the Morton Grove Post 134 of the American Legion will welcome the Department of Illinois membership caravan to their post at 6140 Dempster st.

Eligible veterans in the village are urged to stop by and pick up an application blank, other data on the Legion and meet post officers who will answer any questions. Post commander Al Nehart and his senior vice - commander Raymond Harris, who is Post 134's membership chairman, will be hosts to welcome this state group. The caravan travels throughout the state promoting the facets of membership in the

American Legion. Periods of eligibility for former servicemen are: April 6, 1917 to Nov. 11, 1918; Dec. 7, 1941 to Sept. 2, 1945; June 25, 1950 to July 27, 1953; or the present Viet Nam conflict (but not having served in the Viet Nam area necessarily).

The local post meets regularly each month on the fourth Thursday at the Post Home at 8 p.m. They conduct many social events as well as performing service in the child welfare, rehabilitation and other such fields as the community, national security, etc.

Teens Serve Luncheon

A luncheon was served by some 36 home economics students on Oct. 8 at East Maine Junior High school. The girls planned, prepared and served a meal consisting of casserole, salad and pie as their final project in foods.

New Arrival

A boy, Craig Robert, was born to Mr. and Mrs. William J. Mattes, 8821 Sayre, Morton Grove, on Oct. 6. He weighed 10 lb. 1/2 oz.

Seeking Talent

Mr. Frank Barbalace and Mr. Panico of the Niles Youth Commission are seeking talent for their "Talent Show."

This offer is open to all the youth of Niles who feel they have a special talent and would like to participate in this show.

For further information call YO 7-8746.

Auto Accident

David Coons, 1138 Fowler, Evanston, suffered serious injuries after the station wagon he was driving flipped over on Caldwell Avenue Friday evening. According to police records he was approaching Oakton Street when he lost control

of the vehicle. The auto struck a traffic signal and turned over. He was taken to Resurrection hospital.

Blase Cites Daley's Conflict Of Interest

"There is no way Chairman Richard Daley can avoid the conflict of interest he has created in his dual position, that of Chicago's Mayor, and Chairman of the Cook County Democratic Party," Nicholas Blase, Democratic Committeeman of Maine Township resserted to a group of key organizational heads at a recent political gathering in Maine Township.

"As Mayor, he feels unwilling, even adamant about discussing the problems of Chicago with Mayors of other communities. Organizations such as the Cook County Council of Governments were established for the representation and benefit of all the municipalities of Cook County, in an effort to work together towards the solution of problems existing in Chicago and Suburban Cook County. Yet Daley will not join or meet with these councils in a united effort, loses his cohesiveness when suburbia is discussed, has made it quite clear through his noticeable unconcern that he has no respect for suburbia, its problems, needs, and relation to Chicago. His prime concern, he contends, is to handle the problems of Chicagoans."

"One year ago," continued Blase, "Mayor Daley decided the city Policemen and Firemen were entitled to a 15 to 20% wage increase. Though it was a commendable gesture, the resulting 'blue flu' epidemic followed, owing to Daley's failure

to take into account the 130 suburbs surrounding Chicago, and the consequences such a decision could impose. A complete lack of joint communication, cooperation, and foresight could have avoided the problem."

"Yet Daley's contention of sole responsibility to Chicago is erroneous, since he is responsible for 2 1/2 million suburbanites as Chairman of the Cook County Democratic Party, and presently his suburban image is one he has little desire to reflect upon."

"Daley well understands that effective low cost housing must be interspersed throughout other middle class neighborhoods in and around the city of Chicago in order to prevent the development of slums and ghettos. To the average suburbanite, integration has just begun to be recognized. He has come to accept the idea that any person with the same economical level can and should live wherever he so desires. Enter Chairman Daley with his coup de grace, low cost housing in suburbia."

"It is interesting to note, that one face of Daley mirrors total unacceptance and hostility towards suburbia's problems and needs, and yet another face reflects his need of suburbia to accept without hostility his plans for low cost housing. He has placed himself in a trap of conflicting interests. Is it no wonder

then, that Mr. Average Suburbanite is opposed to any idea that will depreciate the value of his property, and responds further by opposing the leader of that idea along with the Democratic Party which he represents."

Lions Greet Randy Hundley

The Morton Grove Lions club will hold its annual Father and Son night on Monday, Nov. 3, 1969. The affair will be held at the Morton Grove Legion Home. There will be plenty of surprises in store for the youngsters that night, and the featured speaker of the evening will be Randy Hundley, the All-Star catcher of the Chicago Cubs.

Hundley came to the Cubs in 1966 from San Francisco along with Bill Hands. That year, he set a National League record for games caught by a rookie, in addition to slugging 19 homers (the most by a Cub catcher since Gabby Hartnett hit 22 in 1934). Hundley was also the recipient of the "Golden Glove" award as the league's top receiver. He set an all time Major League record by committing only four errors and allowing only four passed balls in one season.

The evening promises to be a special treat for every Lion and son. Refreshments will start at 6:30 p.m. and dinner will be served at 7:30 p.m.

Wed 50 Years

On Oct. 1 Mr. and Mrs. Michael Ustic, 7542 N. Neve, Niles, observed their 50th Wedding Anniversary. In their honor a surprise open house party was given by their children for relatives and friends. Since retirement from the Stewart Warner Co., Mr. Ustic has been active as a school crossing guard on the corners of Touhy and Milwaukee avenues in Niles.

Niles Siren System Begins Nov. 4

Testing of the Civil Defense System will begin TUESDAY, NOV. 4 at 10:30 a.m. and tests will be held the first Tuesday of each month thereafter at 10:30 a.m.

The Office of Civil Defense of the Village of Niles is proud to announce the completion of its new siren system for natural disaster warnings and enemy attacks. This system covers the total Village of Niles area, and is one of the most modern in operation today. The locations of these sirens are so spaced as to give the broadest and most effective coverage to all our residents. With one siren in Golf Mill shopping center, one siren at Grennan Heights Park, one siren at the new Fire Station #1 in Tam O'Shanter, one siren at Our Lady of Ransom school and one at Thomas Jefferson school, we feel we have an extremely effective system.

KNOW YOUR WARNING SIGNALS!!!

A service commemorating All Saint's Day will be held 5 p.m., Saturday, Nov. 1, in St. Anselm's Episcopal church, 1600 N. Greenwood, Park Ridge, announced Rev. T. Kimball Cannon, vicar.

The service will be the first at which new communicants of St. Anselm's will receive communion. Five members will be confirmed in a special service to be held 10 a.m. Saturday, Nov. 1, in St. James Episcopal cathedral, Huron and Wabash.

Scheduled to be confirmed from St. Anselm's are: Greg and Lynn Gaetz, of Rosemont; Mrs. Lucille Piana, 9040 N. Maryland, Niles, and Charles and Carol Campbell, 9011 Ballard, Des Plaines.

A novel program, "Outreach Workshop," will be featured at the 8:30 p.m. Wednesday, Nov. 5, meeting of the Churchwomen of St. Anselm's Episcopal church, 1600 N. Greenwood, Park Ridge.

Akin to the popular new psychological parlor games the women will give their reactions to various magazine and newspaper pictures.

For natural disasters - enemy attacks - and other vital emergencies: When you hear the signal ... turn on your radio ... do not use the telephone!!

ALERT - A 3 to 5 minute Steady blast...danger is possible Only the ALERT signal may be sounded for local tornado or other natural disasters (not for forecasts or watches).

TAKE COVER - A 3 to 5 minute Wavering Blast ... ENEMY ATTACK. Go to your nearest Fallout Shelter! Take your portable A.M. radio with you and any personal supplies that you may need, medicine or special foods. (Blankets, canned goods and any other items that might make your stay in the shelter that much more comfortable.)

Please learn and follow the warning signals. Remember... tests of the siren system will be held the first Tuesday of each month at 10:30 a.m.

Receive Commendations

Rev. Charles Kohlerman, C.S.C., principal of Notre Dame High school in Niles recently presented certificates of commendations to 19 students who had participated in the 1969 National Merit Scholarship Qualifying Tests.

These students are among the upper 2 percent of the 1970 high school graduates in the United States. Father Kohlerman in presenting the certificates remarked that their achievement is to the credit of the academic program at Notre Dame and also reflects creditably on the previous training they received in the Catholic grammar schools of this area.

The following are the students honored: Paul Coteus (6806 Keeney, Niles), Daniel DeLorenzo (7411 Main, Niles), Michael Keefe (8651 Normal,

Niles), Michael Czarnik (5436 N. Central, Chicago), Charles Henriksen (7045 N. Leoti, Chicago), Anthony Jedinski (5716 N. Moody, Chicago), Donald LaVelle (7351 N. Oriole, Chicago), Edward Mills (6855 N. Olmstead, Chicago), Juan Moegea (5805 N. Harlem, Chicago);

Robert Dreihobl (9232 Oak Park, Morton Grove), Michael Majewski (7627 Lake st., Morton Grove), Charles Plank (9413 N. Ozanam, Morton Grove), Robert Lasiewicz (1810 Glenview ave., Park Ridge), Andrew Mooney (1632 S. Fairview, Park Ridge), John Laverti (7623 N. Kedvale, Skokie), Mark Quintiff (936 Cora st., Des Plaines), John Sherry (1921 Welwyn dr., Des Plaines), David Thoma (179 Stratford rd., Des Plaines), Robert Morgan (121 Michael Manor, Glenview).

Nursing Aspirants Invited

Students interested in a career in nursing are invited to attend an open house and tour at the Lutheran General and Deaconess hospitals School of Nursing, Park Ridge. This will be held at 9 a.m. Saturday, Nov. 8.

There will be an opportunity for students to get information on nursing as a career. Prospective students will be able to talk to students presently enrolled in the school.

Open House At Maine South

Special letters of invitation, signed by John L. Means, president of the District No. 207 Board of Education, have been sent to parents of over 11,000 Maine High School students, cordially inviting them to attend the coming Open House at Maine South to view newly completed facilities.

According to Means, Board members will welcome the opportunity to greet parents, show them the new and remodeled areas, and thank them for their support and cooperation.

The Open House will be held at Maine South on Nov. 12 and 18, from 7 to 10 p.m.

Troop 378

Two new brownies, Monica Mucha and Teresa Martin, were welcomed into the Brownie ring at the investiture directed by Brownie Troop 378 leader Mrs. George Martin and assistant leader Mrs. Frank Mucha. Presented their one-year pins were: Laurie Jochim, Elizabeth Johnson, Julie Miller, Yvonne Picur and Laura Sawicki. Following the Brownie skit and investiture, the mothers present were served refreshments by their Brownie daughters.

Brownie Troop 378 joined sister Troop 569 (leaders Mrs. Ruth Doyle and Mrs. Sophie Cesna) recently on a Grayline tour covering Old Town, museums, Chinatown and concluding with an authentic Chinese luncheon at the Chiam restaurant. A nice memory and many souvenirs were brought home from this outing.

Troop 175

On the weekend of Oct. 3-5, the Scouts of Troop 175, St. John Brebeuf parish, Niles participated in the annual Fall Camp-C-Rec of the Matine-Ridge Council at St. Paul Woods. When the troop arrived at the campsite, they found the tents already nicely pitched in a semi-circle among the trees by a small advance group of volunteers consisting of Marty Lunke, Tony Lesniak and Charles and Tom Schultz. Jim Osswald's birthday was celebrated around the evening campfire.

Pack 89

Cub Scout Pack 89 held its first pack meeting Thursday evening, Oct 16 at Melzer school. The program for the evening included an auction of toys the boys brought from home. Play money was used.

On Sunday, Nov. 2 the whole pack will take part in an afternoon hike with their fathers. It will start at 1 p.m. from the Forest Preserve on Central rd. just west of Milwaukee ave. and continue thru the Nature Center to Allison Woods where the mothers will be waiting with hot dogs and hamburgers to be cooked over open fires. The Scouts will be working toward various cooking and hiking requirements.

Pack 175

Once again the Fall season is under way. The season was ushered in with our traditional hayride, with a good time enjoyed by the boys and parents as well. A werner roast following the hayride was the highlight of the evening. Our next event coming soon is the Octoberfest during which a snipehunt will take place. All the boys will be out ready to trap Mr. Snipe armed with flashlight and bag. A roaring bonfire will help to warm up the evening.

Also coming on Oct. 31 is the monthly pack meeting. Seeing that it falls on Halloween, a party is planned for the boys and their families. Uniforms for the night in costumes for all. Prizes for the scariest, most original and funniest costumes will be awarded. The boys will also bring carved pumpkins for our Jack-O-Lantern contest. Only items that grow are permitted to be used in decorating the pumpkins. Prizes for the funniest, scariest and most original will be presented in this contest also. It promises to be a fun evening for all so let's see you all there. It will be held in St. John Brebeuf school hall at 7:30 p.m.

Our apologies to Jeffery Sok for our oversight in failing to include him in the list of new Bobcats, we're glad to have you with us!

Troop 62

Boy scout Troop 62 is very pleased with the success of their bake sale recently held at the Bank of Niles. They wish to extend their gratitude to all of the mothers who made this possible and to the Bank of Niles for the use of their establishment.

Niles Community church troop 62 won first place in the boy scout camp inspection at the Fall camporee of the Matine Ridge district at St. Paul Woods, Morton Grove, on Oct. 3, 4 and 5. Troop 45 from Oak school PTA tied for second and troop 175 from St. John Brebeuf catholic church received honorable mention.

Nearly 250 scouts and 85 scouters from 15 Niles and Park Ridge troops and posts participated in the weekend activities with several Webelos dens as visitors.

Flood Control Survey

The first step has been taken to alleviate flooding in parts of Niles, Morton Grove, Skokie, Lincolnwood and Glenview.

The governor has signed Rep. Robert S. Juckett's (R-4th) bill directing the division of waterways of the State Department of Public Works and Buildings to make an engineering survey of the north branch of the Chicago river. According to Juckett, the department is to report to the General Assembly on or before Feb. 15, 1970, so that further steps may be taken.

Before we can correct the problem, Juckett said, "we must first of course have a detailed survey. I intend to proceed with the necessary legislation to improve the channel as soon as the survey is in," Juckett said.

Juckett expects the project to be similar to the recent Weller Creek flood control project, which has successfully prevented flooding in parts of Des. Plaines and its northwest neighbors during recent heavy rains. Juckett was co-sponsor with Rep. David Regner (R-Mt. Prospect) of the Weller Creek legislation.

Peter Strand, 7807 Nordica, Niles, is the co-director of WTTW/Channel 11's upcoming daily soul drama BIRD OF THE IRON FEATHER which will be aired in January, 1970. A senior producer-director, Strand came to WTTW two years ago from WXYZ-TV, Detroit, Michigan where he was staff director.

Christmas Seal Campaign Opens Nov. 11

This year's Christmas Seal campaign goal for Chicago and suburban Cook County will be \$1,075,000, according to John C. Carter, general campaign chairman.

The Seal campaign, conducted by the Tuberculosis Institute of Chicago and Cook County (the Christmas Seal agency), will officially open on November 11 and run through the end of December. Funds raised will support The Institute's year-round programs to combat TB, emphysema, air pollution and smoking.

"Because more than 2,000 new cases of TB were reported in Chicago and suburban Cook County last year and the dangers of respiratory disease, air pollution and smoking are becoming more evident every day, we need renewed support again this year," Carter explained.

Last year's campaign goal was \$1,025,000. Christmas Seals support medical research into the diagnosis and treatment of all respiratory diseases including chronic bronchitis and the nation's second greatest dis-

abler, emphysema. In 1968, the research, fellowships, nursing scholarships, undergraduate training and professional education.

Campaign receipts also help find TB through free chest X-ray and tuberculin testing programs in Chicago communities, industries and schools and alert the public to the dangers of TB, respiratory diseases, air pollution and smoking. Last year more than 500,000 persons received their free chest X-rays through the X-raying program conducted by the Institute in cooperation with the Municipal Tuberculosis Sanitarium. In addition, tuberculin tests were given to more than 10,000 Chicago school children.

the Niles police touring the unincorporated area, in what he said was a survey concerning traffic problems. But those who don't eat too much pumpkin pie might recall that his opposition said Blase was giving unincorporated residents the impression Niles was going to incorporate these areas into Niles. According to memory Blase did a bit of halloween-fence sitting then. When Niles trustee Keith Peck confronted Blase about incorporation he copped out, without committing himself, leaving the unincorporated residents with the impression they were to become part of the village.

While Blase doesn't believe he has competition this time, nevertheless, he's making noises about Dick Daley. This is a great punching bag issue, since Chicago's Mayor is alleged to be anathema in suburbia. But while he blasts away at the Mayor, Bugle readers need not be reminded that it was the very same Blase who voted down the line with Daley at the Democratic convention. This was the one time when it would have taken some guts to stray from the Party which he now assails so vigorously. But when he was in the midst of the big boys, when disaffecting might have proven costly, he buckled under the aegis of the Chicago Mayor.

His pre-election hollering about Daley now rings hollow in this corner, just as his actions 4 years ago seemed motivated by political gain.

Squad Car Bids Continued from M.G. Page 1

Dept. has been busy repairing 2 fire hydrants and one 6 inch water main among other things.

David Cohen reported that notice has been received from the Cook County Zoning Board relative to the area of Dempster and Greenwood where someone wishes to put in a car wash. The request will be taken under advisement by the Finance and Judiciary Committee.

John Hilkin told the board that he expects to have a report from Dr. Moore regarding the decision reached by the Wells Mfg. Co. in regard to the problem caused by their chimney smoke. Mayor Bode added that there was coverage of this problem on a television news program in which two Niles West coaches and some Morton Grove residents were interviewed. Trustee Hilkin then said that Scout Troop #89 was going to clean up the north branch of the Chicago River and try to rid us of some debris there.

Atty. John Nordberg stated that he was contacted by the attorney for GI Furniture on Dempster in regard to the vacation of ten feet in front of their store. Their attorney has been in touch with state officials and said the state had no objection to this village vacating the property in question. David Cohen moved to have the Bldg. Com-

mittee set a price for this after a study is made. Mr. Nordberg then said that on Dec. 12-13 there would be a meeting for Municipal Attorneys at the LaSalle hotel which he plans to attend.

A sign reading NO RIGHT TURNS will be placed at the NE corner of Marmora and Church to be in effect from 4 p.m. till 6:30 p.m. Monday thru Friday. Warning tickets will be issued for a short time. Herbert Houdt reported on the Street and Alley Committee meeting last night and said that flooding of the alley between Mango and Major was reported and Engineer Nick Clorba advised that a drain be installed to solve the problem. It was decided also to go ahead with the Foster ave. improvement. In regard to Ortole ave. fronting on the new pool attorneys Orphan and Barrafato requested that the village improve Ortole which the Park Board will dedicate.

Ed Wilander told the board that the Fire and Police Commissions were meeting to discuss the selection of a new police chief upon Chief Scanlon's retirement. Wilander then read a letter sent to Chief Scanlon from Mrs. Charles Conlon thanking Officer Smolen for helping her when her car stalled during rush hours.

Mayor Bode announced that last week the first meeting of the Diamond Jubilee Committee was held. George Foster stated that since this is to be our Diamond Jubilee he thought it would be nice if Senior Citizens would get free Vehicle Stickers for their cars. Since many questions remained to be answered in regard to this commendable suggestion it was decided to refer it to the Finance Committee for study.

New Staff Members For Maine North

Six members of the Dist. 207 staff have been named to supervisory positions at the new Maine North high school, scheduled to open in September, 1970.

Announcement of the appointments was made by the Board of Education of Township High School Dist. 207 at a regularly scheduled meeting held Monday, Oct. 20, in the Faculty Study at Maine East high school.

The appointees and their assignments include: A.K.H. Cochran, assistant principal - staff; Mrs. Mabel L. Harken, dean of girls; Daniel T. Holbrook, chairman, foreign language dept.; Robert N. Young, chairman, learning resource center; Loren J. Miller, chairman, science dept. and Glenn Hoffmann, chairman, social science dept.

A. K. H. Cochran has been on the Dist. 207 staff since September, 1957. He has been a science teacher, counselor, career counselor, dean of students, director of summer school, and assistant principal-students. His experience includes considerable exposure to student scheduling and data processing.

Mrs. Mabel Harken, new dean of girls at Maine North, has taught in the business education departments at Maine East and Maine South for nine years. She has also served as sponsor of the student council at Maine South.

Daniel T. Holbrook joined the Dist. 207 staff in November, 1954, and became chairman of the foreign language department at Maine West in 1959. He has

AAU Swim Club

The Niles Township AAU Swim Club composed of boys and girls from ages 7 through high school living in Morton Grove, Niles, Glenview and Skokie, meet three evenings a week at each of the Niles High schools. Their age determines the school at which they practice.

These children work out three nights a week from 6:15 p.m. to 8:15 p.m. under the guidance of competent coaches from each of these schools. The coaches are Don Larson, Greg Youstra, Joe Rusk and Glen Anderson.

The purpose of this organization is for the children to learn the methods of AAU competition while their goal is to improve their time and technique.

The parents of these swimmers met Sept. 30 to plan the agenda for the coming season. The officers are Marge Spray - president; Gloria Hoke - correspondence secretary; Jerry Herch - treasurer; Elmor Shubert and Peggy Hoskins, publicity; and Sam Kramer - transportation.

had much experience in articulating the Dist. 62 foreign language program in the elementary schools with the Maine West language dept.

Robert Young assumed the duties of head librarian at Maine South in May, 1965. He has had extensive library experience at the university level and at the John Crerar Library in Chicago. He will function at Maine North as chairman of the learning resource center.

Loren J. Miller joined the Dist. 207 in September, 1954, as a member of Maine East's science department. He was on the initial Maine West staff in 1959 when the school opened, and assumed the chairmanship of the science department in 1960, when Herman Rider, former science department chairman, was appointed principal of Maine West.

Glen Hoffmann has been a member of the Dist. 207 staff since September, 1958, and has been at Maine West since 1959. When Maine South opened, Mr. Hoffmann was appointed to the position of chairman of the social science department at Maine West, to replace Otto Kohler who became social science department chairman at Maine South.

"I am sure that the six staff members approved by the Board this evening will do much to develop a strong educational program at Maine North," commented John L. Means, president of the Dist. 207 Board of Education. Mr. Means said that additional supervisory appointments at Maine North will be made in November.

Pesole again initiated the action Tuesday, and with the support of the entire village board will now try to mediate or resolve the problems.

The Save Tam group is a private group of about 9 citizens, who've been fighting the Anderson owners of the property and the village of Niles concerning the industrial zoning for the Tam area. A lower court had ruled in favor of the zoning but on an appeal to a higher court the first decision was sent back to the first court for further study.

Concerned Niles are now fearful of the agreement between the Tam owners and the village to provide a 9 hole golf course within 7 years after receiving the zoning. The court case remains deadlocked for the next 3 years. Thus, the park board passed their resolution last week after village trustee Pete Pesole implied the park board was dragging its feet in their over-all park policies.

Youngsters may dart into the street from between parked cars - or otherwise forget their safety training - hidden in the shadows until it's too late for a motorist to stop in time to avoid a tragedy.

Or they may stumble at the curb and be thrown into the path of traffic.

Alan Toppel Named Director

Alan H. Toppel, 5431 Cleveland, Morton Grove, has been named director of the accreditation program of the Commission on Accreditation of Rehabilitation Facilities (CARF), according to an announcement by John D. Porterfield, M.D., director of the Joint Commission on Accreditation of Hospitals and of CARF.

Prior to joining CARF, Toppel was for six years administrator of the Rehabilitation Institute of Chicago. He has served on the board and on the Executive Committee of the Association of Rehabilitation Centers, and is currently a member of the Interim Board of the Association of Rehabilitation Centers and the National Association of Sheltered Workshops and Homebound Programs. He has been active on several other boards and committees related to rehabilitation in his home state of Illinois.

Also active in his own community, Toppel is a member of the Board of Education of the Skokie Illinois School District.

"Reigns Supreme"

Kristin Harr, 9134 N. Parkside dr., Des Plaines, sits in regal splendor as 1969 Homecoming Queen at Maine Township High school East, Standing (l. to r.) behind her are members of her court and their escorts: Gary Ecklund (Niles), senior class president; Steve Schectman (Morton Grove), student council vice-president; Karen Didriksen (Glenview), Mike Margolies (Glenview), student council president; Debbie Brandt (Glenview), and Bob Hykan (Morton Grove), Lens editor. Not pictured are court members Vickie Smith (Des Plaines) and Jacqueline Dudek (Morton Grove).

Legion Honors Service Volunteers

The Morton Grove Post 134 Auxiliary Unit recently honored members who have served 50 hours or more in the service field this year. Because this is the 50th anniversary year of the American Legion, Mrs. Ed Lange, rehabilitation chairman of the unit, picked this figure at the suggestion of the national organization.

Hospital service work is one of the prime purposes of the auxiliary units. Mrs. Lange and her committee visit the Chicago-Land VA hospitals for evening bingo parties, conduct a paraplegic weekly bowling league at Hines and visit the hospitalized former servicemen at the holiday and other special times throughout the year, not only with remembrances for them but gifts for their families.

50th Anniversary

Mrs. Lange's husband is the 50th anniversary. Concluding this golden anniversary and heralding the parade is the display which is now at the post headquarters. A three tier effect exhibit, it is red, white and blue and contains the history of the American Legion, the local Post, its auxiliary groups, etc. It was fashioned after much thought by the present post 1st junior vice-commander, Bill Cunnally. The lovely representation of the post has been appearing in town through the courtesy of such businessmen as the 1st National Bank, the High Low Foods and at the village administration office.
