**Win Con-Con Seats By 2,000 Votes**

# EVANS, PARKER WIN

Independent candidate Anne Evans and former school superintendent Clyde Parker were elected Con-Con representatives from the 4th Senatorial District Tuesday. Mrs. Evans, a Des Plaines representative led all candidates, 2 of whom were supported by the 2 township Republican organizations and one Democratic organization supported candidate, who lost by 5,600 votes in the predominantly Republican district.

Mrs. Evans, who finished 3rd among 10 candidates in the September 23 primary received a high total of 15,863 votes.

Dr. Parker, former school superintendent at Niles Township High Schools, and supported by Republican organizations in Maine and Niles Townships, received 15,686 votes, giving him the 2nd delegates seat.

Former Park Ridge Attorney Marshall Howard, who finished 2nd in the September 23 primary and the other Republican-supported candidate, received 13,875 votes.

Far back in the voting, Skokie's 32 year old attorney Ted Shaper, the Democratic-supported candidate, garnered 10,092 votes.

A break-down of the votes by townships showed surprising results. Maine Township resident Mrs. Evans topped all candidates in Niles Township receiving 7,575 votes. Dr. Parker, a Lincolnwood resident received 7,306 votes in his township; Shaper, 7,266 votes, also in his area, while Park Ridge's Howard lost the election there with a figure of 5,294.

Obviously, the rising independent vote in Niles township, which overthrew the township-backed candidates in the last

 The wet weather plus voter apathy will likely have held Tuesday's Con-Con vote to less than 25% of the eligible voters in the district.

Considering the tremendous amount of coverage in the press and on television it is inconceivable so few people would go to the polls. While we would defend anyone's right not to vote, just as well as his right to vote, nevertheless, it is disheartening to see the poor response from the natives.

In years to come Mr. and Mrs. Illinois will be sounding off in the best American tradition about taxes and a multiple of other sins which emanate from the seats of government. But how meaningless their complaints will be when less than 1 out of 4 of the moaners actually spent 15 minutes voting at the time when they might have prevented many of the so-called sins of government.

Tuesday's election was perhaps the most important state election we've ever had. It concerned your children and grandchildren's schools and your governments which control your lives and which you work so hard for, and yet most of you reading this passed up your vote.

Meandering over the problem we wonder how many younger people, if they were able to vote, would take advantage of their franchise. And we also have to wonder if the new young breed, which is asking for change, may not be too impressed with their parents, who so lightly dismiss their vote.

East Maine Junior High 7th graders have a meaningful exchange program under the Operation Wingspread program. Fifteen black students will be in the district the next few weeks while a number of East Maine 7th graders will be at inner city schools. From what we've heard they'll be doing a great deal of touring, rather than working at the schools. East Maine students will return to the district for 2 of their courses so the exchange is primarily to have the students join together on field trips.

We really can't say the dress code debate at Maine High is an uptight situation but there's little doubt that a polarization is emerging between the liberals and conservatives at the hearings. Wes Hartzell, one of Niles' two residents on the Board, while not exactly uptight, was not down loose either, when he spoke out about the civil rights of teachers, board members and parents. Wes, who we've always found to be open-minded, was bugged by attorney Harry Kinser, who is defending a student who was denied the right to wear peace buttons at school. Kinser sent a letter to all the Board Members' homes regarding his actions but sent Hartzell's letter to his boss, at the Chicago Today newspaper.

Hartzell has asked for understanding from the community. Liberalizing the school code for students is not as easy a task in this community as it is in North Shore communities. Where the mood of the community is more conservative it's obviously the guys in the middle, the school board and the administration, must be more cautious here than their counterparts to the east. For sleepy old Park Ridge still wields a major influence over our high school community and that old Daughter of The American Revolution spirit pervades the youthful air which is seeking more meaningful mores. The "don't rock the boat" philosophy doesn't exist in Skokie or New Trier schools but here the martini and scotch drinking suburbanites still wield their fusty influence.

Admittedly, there's a few pretty raunchy kids who have not a real interest in school who are involved in the movement for change, but as always, the great majority of kids are interested, bright and desirous for meaningful dialogue. They have a right to be heard and should be a part of any policy-making concerning their well being.

An administrative study of student regulations and policies was unanimously approved by Maine Township High School's Board Monday night.

Before an audience of about 90 people, two-thirds of whom were students the Board heard attorney Harry Kinser from Des Plaines, asked for an apology for a student who was threatened with a lower grade because she wore a peace button to school; heard a school board member Wes Hartzell (Niles) defend the civil rights of teachers who he implied may be overlooked in student demands for free expression; heard elementary school board member Sylvia McNair, School District 63 board member, warn the "Hi School Board," "School Boards better not get caught (in court) defending dress codes, Mrs. McNair said teachers should control behavior but not appearance, and thought controversy and current events at Maine High Schools are subversive subjects which are best not discussed there.

The slowly brewing problems over having a dress code at the school had been challenged last year. A committee comprised of the administration, students and parents made recommendations to the administration and a new code was established. According to Mrs. McNair 3 of the recommendations which were expressed were not included in the overall code.

Attorney Kinser and the school board administration are at odds over a Des Plaines student wearing "peace" buttons to school, which are forbidden. But in a U.S. Supreme Court ruling, a Des Moines school girl stated she has the right to wear a peace symbol. Kinser claims the Maine West

### Oakton Manor Officers

On Oct. 7, Oakton Manor Homeowner's Association held their monthly meeting. The following officers for 1969-70 were elected:

President: Sam Karye  
Vice-president: Jack Gibson  
Secretary: Barbara Larson  
Treasurer: Pat Class  
Publicity: Nancy Klein  
Editor: Marlene Vann

The new officers plan a busy year for Oakton Manor. The first thing on the agenda is a Bake sale, Nov. 22 held at the Bank of Niles between the hours of 9 a.m. and 12 Noon. Come and get your delicious homemade goodies before Thanksgiving. Proceeds will help OMHA defray the expenses for the Christmas stockings given to each child every year.

### ND Open House Sunday

Notre Dame High School, 7655 Dempster St., Niles, will hold an Open House on Sunday, Nov. 23 from 2 until 4 in the afternoon.

In order to more fully acquaint the community with the facilities and methods of the school, faculty members and students will be on hand to greet visitors and to answer their questions about the school and its programs of studies.

Students will be providing live demonstrations, displays and exhibits of the school's activities in the academic and extra-curricular areas of the various departments of the school.

Notre Dame has established a proud reputation for providing an education that is Christian, Complete and Creative.

This was recently demonstrated by honors awarded to student films at the Chicago International Film Festival, by the selection of two students to be guests of NASA at the Apollo 12 launch, by the invitation for the Jazz Lab to perform at the Music Educators National Conference Convention (the only Catholic school so honored), by the number for National Merit Semi-finalists and other scholarship winners at the school and by its state-rated football team.

We invite those who are not familiar with the program of Notre Dame to view them at the Open House. Refreshments will be served in the school cafeteria following the tour of the school. A new information brochure on the school is available free of charge. A copy may be obtained by writing the school.

### East Maine Caucus Begins Search

The East Maine Township General Caucus is looking for potential school board members.

There are two openings on the high school board and three on the elementary board. All are for 3-year terms. The election will be held in April.

If you are interested in serving on either board of education, you are urged to contact the Caucus Candidate Search Committee. You are also asked to submit names of others you feel may be qualified for a school board post. In fact, says Caucus chairman Morton L. Wax, "this is the greatest sport going. There are lots of sharp people in your neighborhood. Sometimes all we have to do is ask them. All YOU have to do is give us their names and WE'll ask them. It's really so simple, so easy. Join in. Make sure we at least get to ASK all the qualified people around us."

The Search Committee members are Michael R. Conway, 9032 Washington dr., Des Plaines, chairman; Marland Burdick, 2718 Helen dr., Glenview; Mrs. Ida Schaeffer, 8900 Elmore, Niles and Mrs. Regina Walters, 7214 Breen, Niles.

This committee needs your cooperation. It will report on its findings to the general membership at the next Caucus meeting in December.

23 local civic, homeowner, PTA/PTC, and church groups were certified for membership in the East Maine Caucus at its opening meeting in October.

The East Maine Caucus was established in 1962 and has sought, screened and endorsed school-board candidates every year since. It needs - and de-

### Knitting Class

Cast on, knit, purl, decrease, increase, Sl., St., P.S.S.O., Yo., Bind off, Tog., cable stitch, and raglan are now familiar words to the thirty beginners in the Niles Park District Knitting class.

The members of the beginners class are getting their holiday shopping done early - by making rather than buying various presents. They are knitting can-can socks, baby crib balls, baby afghans, scarves, and Santa Claus Door knobs. They will soon be starting on a challenging feat - making themselves gypsy vests, which is a current fad in the women's clothing department.

The advanced class is also busily engaged in trying their skills at challenging projects. They are working on coats,

sweaters, dresses, gypsy vests, golf club mitts and even a Poodle coat.

All of the patterns used by the class are formulated by two instructors, Mrs. Hazel Hammelmann, and Mrs. Adele Olsen, both very skilled knitters. The instructors are really amazed on how quickly the class is progressing and on the beautiful work that is being done.

If you didn't get the opportunity to register for this session plan to attend our classes beginning January 13. They are held on Tuesday evening, at 7:30 for beginners and 8:45 for advanced knitters, at the Niles recreation Center, 7877 Milwaukee Avenue. For further information call 967-6634

### ND Religion Evaluation Program

The Religion Department of Notre Dame High school in Niles recently devoted an evening to the discussion of some of the contemporary problems in the teaching of religion in high school.

Rev. Charles Kohlerman, C.S.C., principal, in announcing the meeting stated that this was another attempt on the part of Notre Dame High school to meet its responsibilities as a vital force in Catholic education. "We are trying to come to grips with the problems of teaching religion in 1969. We want parents to be aware of what we are attempting and we want and need their assistance."

Approximately 200 parents sat down with Rev. Richard Laurick, C.S.C., Ph.D., co-chairman of the Religion Department and with the other teachers in the department to discuss and evaluate for several hours.

In his opening talk Father Laurick touched on the uneasiness of parents in view of the changes in the church and in the contemporary teaching of religion. He commented on the fact that the feelings of some parents about what is going on in the church today prevents them from providing the needed parental support of the values that the school and church are trying to build.

He concluded with an appeal for interest, understanding and collaboration on the part of the parents with the difficult task of religious education that the school has set for itself.

Following this talk the group split into smaller discussion groups with the individual teachers. They expressed their opinions and feelings on the matters covered in the opening talk and on other matters connected with today's teaching of religion. A follow-up session has been scheduled in the school cafeteria for Nov. 24 at 8 p.m.

### Niles Park District News Basketball

Boys, join the fun this winter. Basketball for fifth and sixth grade and seventh and eighth grade boys is soon to begin. All games will be played at Oak elementary school gym, 7640 Main Street.

Seventh and eighth grade boys will be scheduled for games on Saturdays from 9 a.m. to 12 p.m. noon. Fifth and sixth grade boys will play games on Saturdays from 1 to 4 p.m.

Each boy, no matter of their playing ability will have an equal opportunity to participate. Teams of relative strength will be formed and competition will be formed and competition will be under the competent leadership of Mr. Harold

Klocker, P.E. instructor, and Mr. Robert Klocker, teacher at a nearby school. The program begins December 6, and continues through March 7 with a break over the holiday season. A fee of \$4.00 covers the cost of individual insurance, and personal jerseys for each boy, as well as trophies for the winning teams. The possibility of extra competition with nearby suburbs exists, if the program enrollment warrants it.

Register now, don't delay, at the Park Office, 7877 Milwaukee Ave., Morton Grove, 9-12 and 1-3 or on Sat. 9-12. You may register by contacting Mr. Klocker at Oak School. For further information call 967-6634.

### Santa's Village Trip

The Niles Park District is once again planning a fun-filled trip to Santa's Village. It will be a day of fun and excitement, visiting Santa's house, the North Pole and many other fantasy traditions. Children in kindergarten through fourth grade may attend. Competent leadership will be provided. The trip will be held on Sunday, Nov. 23. Buses will leave the Niles Recreation Center, 7877 Milwaukee ave., at 12:30 p.m. and will return about 3:45 p.m. A fee of \$2.25 covers the cost of transportation, admission and tickets for rides. There are still a few vacancies so register now at the Park Office. For further information call 967-6634.

## Golf-Mill Opens Christmas Season

More than 30,000 Christmas lights were lighted on Thursday, Nov. 13, when Golf-Mill Shopping center officially opened its 1969 Christmas season. Dozens of giant Christmas trees and decorations were illuminated to turn Golf-Mill into a fairy-land of glittering lights.

The decorations are new this year...and so is something else: for the first time in Golf-Mill's

9 year history, most stores will remain open on Sundays until 5 p.m. These Sunday hours will continue throughout the Christmas season. Most stores will also remain open evenings until 9:30 p.m.

Golf-Mill is known as the "one-stop" shopping center. Its 75 stores and shops offer more than a million different gift ideas.

## Local Boys Serving In Vietnam

Marine Lance Corporal Gary T. Watkins, son of Mr. and Mrs. George T. Watkins, 7055 Cleveland st., Niles is serving with the 3rd Battalion, First Marine Regiment, First Marine Division in Vietnam.

Marine Lance Corporal Roy J. Roche, son of Mr. and Mrs. Edward W. Osmolak, 8523 Mango, Morton Grove, is serving with the Second Battalion, First Marine Regiment, First Marine Division in Vietnam.

Marine Private First Class Dave A. Opolak, son of Mr. and Mrs. Edward W. Osmolak, 8523 Mango, Morton Grove, is serving with the First Battalion, Seventh Marine Regiment, First Marine Division in Vietnam.

When not engaged in major operations, marines of the battalion participate in company and platoon size sweeps through the battalion's area of responsibility in search of enemy infiltrators.

They also conduct civic action programs designed to aid the South Vietnamese people.

## ND Students At Apollo 12 Lift-Off

On Nov. 14 two students from Notre Dame High school in Niles witnessed the lift-off of Apollo 12 at Cape Kennedy.

As a result of their presentation in the 1969 NASA-NSTA Youth Science Congress Alan Brenner, 8312 N. Odell, Niles and Ken Tabor, 8662 N. Merrill, Niles were called by officials of NASA and specially invited to be guests of NASA for the launch of Apollo 12.

This is a special honor to the two young scientists since they are the only students from Catholic high schools in the Chicago-land area to be invited. Five students were selected from this entire area of the Midwest.

During their three day stay in Florida they were guests of NASA at a special dinner on

Thursday evening prior to the launch. They were also taken on a guided tour of the launch blockhouse and other facilities at the space center.

Both Brenner and Tabor are members of the special 4-year science curriculum at Notre Dame. Science Department chairman, Angelo Seno, commented, "The selection of these students for this honor by NASA is another testimonial to the excellence and validity of the 4-year science curriculum at Notre Dame. Place it alongside of the honors won by Notre Dame students in State Science Fairs, NSTA programs, Westinghouse Talent Searches and other programs and it clearly demonstrates the superiority and scientific creativity of the students in the science curriculum at Notre Dame."

## Legion Christmas Luncheon

The Morton Grove Unit 134, American Legion Auxiliary are always one of the first to begin the Christmas Holiday season and this year is no exception. Their annual luncheon card party has been set for noon, Wednesday, Dec. 3. Ticket donation is just \$2.00.

During the afternoon, grand prizes of \$100 in cash, \$50 and a 50-light ceramic Christmas tree, handmade, will be awarded. Other prizes, surprises and awards are in stock for those attending and door awards and table prizes also already planned for.

Mrs. Ed Martin, 6632 Church, Unit second vice-president is chairman of the affair. She indicates proceeds are used for the holiday cheer provided the hospitalized veterans; hence the party's name. This rehabilitation work is the prime function of Legion Auxiliaries.

In addition to the luncheon and afternoon of cards, Santa Claus will make an appearance. The popular rose bowl will be back, veteran's craft items displayed and generally a good time to be had by all.

Mrs. Martin may be reached at YO 5-3478 for reservations and further details.

### Auxiliary's "Think Christmas"

"Think Christmas" is the word of the Morton Grove Unit #134 of the American Legion Auxiliary. Tickets and reservations are now being accepted for its annual Christmas Cheer luncheon.

It is known by this name as funds derived by the party are used by the hospital committee

not only in rehabilitation work but especially during the holiday season for the veterans. They are spotlighted particularly at this time as Rehab Chairman Mrs. Ed Lange says, "We don't forget anyone; we want to remember EACH and every former serviceman still confined to a local VA Hospital." She does, too, with a gift for all for the Dec. 25 occasion.

In addition a "gift shop" is set up whereby these hospitalized GI's may choose without charge a gift for each member of their families. The Auxiliary also wraps them and gives the boys who defended us a way to

present their wives and children with a gift at Christmas-time. Unit 2nd vice-president Mrs. Ed Martin, 6632 Church, is chairman of the Wednesday, Dec. 3 event set for 12 noon. She may be reached at YO 5-3478 for further information.

Donation for the afternoon, including a hot meal is \$2.00. Cards are to be played after luncheon and Santa Claus is scheduled to put in an appearance. The Auxiliary's own popular Rose Bowl game is to make its appearance again. Top prizes of the day are \$100.00 and \$50.00 in cash, a 50 light ceramic Christmas tree and a hand made afghan.

### Project Wingspread Participants

Thirty seventh grade students from East Maine Junior High school in East Maine school Dist. 63 will be given an opportunity to participate in an exchange program with 30 seventh grade students from the Sterling Morton Upper Grade Center, Dist. 25 in Chicago, under the auspices of Project Wingspread, a federally-financed Title III program.

The board of education of Dist. 63 gave unanimous approval at their Oct. 28 meeting to a plan outlined by Mrs. Joann Stuteville, guidance counselor at East Maine Junior High school and Principal James Boesen.

Project Wingspread is a program which seeks to expand the educational opportunities of both suburban and central city students through an exchange of students and teachers. Fifteen east Maine Junior High school students accompanied by one teacher will be bussed to the Morton Upper Grade center where they will join 15 Morton students. At the same time, 15 Morton Upper Grade center students accompanied by a Morton teacher will be bussed to East Maine Junior high school to join a class of 15 East Maine students.

Four teachers (and one aide from Morton) will participate who express a desire to become involved in the project and whose parents concur with that desire. Letters will be sent home to all seventh grade parents, Mrs. Stuteville said, informing them of the program and giving them an opportunity to indicate their interest.

Since the program will involve not only students, but teachers and parents, there will be opportunities for communication among administrators, teachers and parents participating in the project. Parents, for example, will be given a chance to visit the Morton school.

### Park Dist. Art Exhibit

The Niles Park District pencil sketching and pastel drawing art classes will exhibit their work on Saturday, Nov. 22 from 9:30 a.m. to 12 Noon at the Niles Park Recreation center, 7877 Milwaukee ave. The work to be exhibited is that which was done by youngsters aged 8 through 14, who have been students in a 6 week art class sponsored by the Park District. Mrs. Karen Prozak, instructor for the class has commented that she has never seen so many talented budding artists enrolled in a class at the same time. "Their work is exceptional and warrants display," commented Mrs. Prozak to Recreation supervisor, Miss Wanka. About 40 youngsters are enrolled in the program and samples of each of their work will be on display. Mrs. Prozak will be available to answer any questions that viewers may have, as well as to explain the program to anyone interested in joining the next session of classes.

life set-ups or from pictures or from their imagination. She stresses that students have their own technique and creativity in art and that this is not to be thwarted. The pencil sketching class, for youngsters ages 8 to 11 have been working primarily with cartoon features, caricatures and still-lives. The pastel drawing class has been concentrating on still life and varied season subjects.

The next session of classes begins Jan. 13 and ends Feb. 17. All classes are held at the Niles Recreation center, 7877 Milwaukee ave. on Tuesday afternoons, 3:45 p.m. for pencil sketching and 4:45 p.m. for pastel drawing. A fee of \$6 for the 6 week session is charged. Registration begins Dec. 13 at the Park office, registration day and will continue until the classes are filled.

The Art exhibit is open to anyone to view. Stop in for a while, look around. You will be amazed at the talent that youngsters have. Stop and chat, have some coffee and... hope to see you Saturday.

### Niles Community Church

A special Thanksgiving Day worship service will be held at the Niles Community Church (United Presbyterian) on Thursday, November 27, beginning at 10 a.m. The Combined Choirs will sing a Thanksgiving anthem and the Minister, the Rev. D. Douglas Seelen, will speak on the nature of Christian thankfulness.

All residents of the area not attending another church are invited to join the Members and Friends of the congregation in this service of worship.

### Parents Without Partners, Inc.

The guest speaker at the Nov. 21 meeting of the Northwest Suburban Chapter #168 of Parents Without Partners, Inc., will be Mrs. Eunice Lowery, whose topic will be "Exotic Siam, the Land of Smiles."

Mrs. Lowery and her husband with their five children lived in Bangkok, Thailand for 2 years, where she became acquainted with the country and its people. On Nov. 21 she will show a short film and tell about her experiences, the beauty and desolation of this far away land. After being encouraged by her friends to import items from Thailand, such as hand carved teak, polished bronze items and flatware, lacquerware and Thai Silk, she decided to form a company called "International Parties Co.," located in Des Plaines. Those present will be fortunate to see many of these interesting items on a display table she will have set up.

Coffee and cake will be served by the hostesses after the meeting. The meeting will be held

at the Knights of Columbus hall, 15 N. Hickory st., Arlington Heights.

Parents Without Partners, Inc., is an international, non-profit, nonsectarian, educational organization, devoted to the welfare and interests of single parents and their children.

The organization, which has chapters from coast to coast, England, Canada, Australia, and Hawaii, enrolls single parents (widowed, separated, divorced), both men and women, with or without custody, so that they can benefit from the help of professional people in the areas of child rearing.

Northwest Suburban Chapter #168 of P.W.P., Inc. carries on an extensive program of activities for parents and their children. Membership is open to all qualified single parents. For further information, write P.W.P., Inc., Box 472, Palatine, Illinois, call 358-2924, or see the membership chairman at the general meetings.

### Oak PTA Meeting on "Drugs"

Oak school PTA held their November meeting on Monday, Nov. 10 at 8 p.m. After the business meeting called to order by Mrs. Erwin Cleply, Oak PTA president, a panel discussion on "Drug Abuse" was presented.

Mrs. George Walters, PTA vice-president introduced the members of the panel who were: Dr. David Busby, a member of the senior attending staff at Lutheran General hospital; Sgt. Frank Wichlac, Community Relations Officer of the Niles Police Dept.; Mrs. Joanne Stuteville, 8th grade counsellor at East Maine Junior High school; Miss Maureen Quinlan, Niles Junior Miss for 1970 and Don Hoeschelt, a Pharmacist.

Some of the reasons mentioned for the younger generation experimenting with drugs were: Curiosity - they want to investigate; Social Conformity or Popularity - if you haven't tried, you're on the outside Escape - get away from painful reality; Gratification - need for getting in on things - sense

### Dist. 219 Needs Candidates

The Niles Township Community High School District 219 Caucus needs your help! Two vacancies are to be filled on the District 219 school board at next April's election.

We must provide the best in education for our Township by securing qualified candidates to fill vacancies on the Niles Township Board of Education. Our task is to find able and dedicated men and women and interest them in applying for these posi-

of security; Hostility - Rebellion - do it to get even, either consciously or unconsciously, against the establishment.

It was emphasized, our young people need to be assured we care. There must be a balance of trust and proper caution. Because you trust your children, doesn't mean you never question them about anything. We as parents must educate ourselves and our young people regarding the dangers of "Drug Abuse."

Before the meeting adjourned panel members answered the many questions posed to them by the parents.

Colors were presented by Girl Scout Troop 718, Sharon Dominick, Terri Blayney, Many Ann Eterno, Dawn Waldman under the direction of Mrs. Albert Dominick and Girl Scout Troop 602, Nancy Forty, Grace Partipilo, Lina DiGioia and Romna Schendel under the direction of Mrs. Peter Forty.

Refreshments were served by the Kindergarten P.M. Mothers.

**Spectrum '70**  
Niles West's Spectrum '70 promises creative photos and unity of layout, says Richard Turner, sponsor of the yearbook. "The kids are planning a book, not a combination of sections. Everyone on the book is in the yearbook class, which is expected to give the book good control and uniformity."

Spectrum '70 will feature a photo-essay on the "American Dream" of progress, liberty and peace. The six pages of full color and the 11 pages of black and white, will serve as visual contrast between the American ideal and reality. The book will conclude with a question: Where will we go from here toward the "American Dream?"

Spectrum '70 will cost \$12,000, making it one of the costliest and largest school productions at Niles West.

The parcel has 319 feet frontage on Oakton and is located about one mile east of the current Oakton Post Office station.

The report also included six sales in Niles and two in Morton Grove.

**CALM Dance At Notre Dame**

"It's the greatest thing I've ever been in, both for myself and the kid I tutor," declares senior Mike Keefe before the CALM benefit dance extravaganza, with REO Speedwagon, Conqueror Worm, and various folk-artists, on Wednesday, Nov. 26 from 8 p.m. to 11 p.m. at Notre Dame High in Niles.

In the Chicago area Lay Movement (CALM), students from ND and Evanston's St. Scholastica High travel by bus twice a week to tutor grade school children in English and Math at two inner-city schools.

However, the transportation costs, now that the ND-Scholastica CALM group is double last year's size, will well exceed \$1,400, which will hopefully be supplied through the Nov. 26 dance.

"This is the one time that all of those people who aren't able to come with us for various reasons can really aid the kids we tutor," commented ND senior Larry Santi, president of CALM.

"CALM has been successful since it began four years ago, and we're keeping that trend alive as seen in the 120 tutors that travel to St. Theresa and St. Mark schools each week," he continued.

"Everything is moving along well," stated Morton Grove's Diamond Jubilee Celebration Committee's Co-ordinator Bill Yates at the Village Hall, Wednesday, November 12.

The majority of the civic organizations has sent appointed representatives to this meeting and a general review of the planning and co-operative efforts of the Village groups indicate one of complete co-operation to make the Diamond Jubilee one of the outstanding events in the Village in many years.

While many of the events are still in the planning stages, it

is hoped the Women's Club will undertake a Diamond Jubilee Dance. Mrs. Charlotte Adams of the League of Women's Voters indicated the League is seriously considering an updated history of Morton Grove, similar to a previous effort by the League.

The overall planning of the advertising department indicates a new logo is being planned, and rough layouts of a possible choice of two booklets to be distributed to the village during the Jubilee.

Inservice workshops scheduled for teachers that half-day have been approved by the County Superintendent of Schools and the State Superintendent of Public Instruction.

All classes will end for the day at the regular noon hour dismissal time. Kindergarten and first grade children will be dismissed at 11:45 a.m., and second through sixth graders at 11:45 a.m. The junior high

school will be dismissed at 11:35 a.m. Bus service will be provided for all children who regularly take a bus home after school.

There will be no afternoon kindergarten classes on Dec. 4. Kindergarten teachers will use the half-day to complete their conferences with parents for this fall.

Teachers of the first through fourth grades will attend grade-level workshops in the new mathematics program. Fifth and sixth grade teachers, together with the school nurses and the physical education teachers, will attend a special

workshop on family living and sex education directed by Dr. Franklin Fitch and Mrs. Shirley Bryon of the Illinois Social Hygiene League.

The junior high teachers and special subject teachers will participate in inservice activities and curriculum development programs.

The Illinois School Code was amended by the legislature last year to permit a school district to schedule this kind of inservice training on a half-day basis.

**If your child can say "emergency" teach him to say it to the Operator.**

Dialing Zero for help in an emergency is so simple a child can do it. And so important, every child should learn how.

Here are three hints to help you teach your child how to get help if he ever needs it:

First, don't hand him the receiver. Let him pick it up himself, the way he would in a real emergency.

Second, while you hold down the receiver button, teach him how to dial the Operator.

Third, tell him to speak directly into the mouthpiece, clearly and slowly, giving his name, address, and phone number. This part is most important so it might be a good idea to phone a friend so they can listen to your child repeat his message.

We feel it's important for your child to know how to get help from the Operator when he needs it.

And we hope he never needs it.

## AREA SCOUT NEWS

### Boy Scout Speakers

"Can you make a good speech?"

This was the question that members of the six Northwest Suburban Toastmasters International clubs in the northwest suburbs tried to answer as they conducted "Operation Patrick Henry" for selected boy scouts from Northwest Suburban Council. "Stu" Godwin of Arlington Heights was Toastmaster-Cofinordinator and Jack Copeland from the scout office staff assisted.

Two boys from each troop were allowed to participate. They came for three Saturdays to St. Martin Episcopal church, Des Plaines for three hours. The first session they were given coaching in good speech making, the second and third sessions each participant prepared a five

minute speech which was then criticized by his fellows and by the men.

The best speaker from each discussion group was invited to make his talk to the entire group at "graduation." Parents were invited. Finally, a panel of Toastmasters picked from the six finalists, the scout who had made the best speech. He received a plaque. All other participants who completed the three sessions received public speaking merit badges, because in the course of the three sessions, they had completed the three sessions.

Boys who participated were: Morton Grove - Randy Roggaard, 8217 Parkside; Gary Prorock, 8901 Odell; Scott Swanson, 8833 Bellefont, Niles; Frank Buck, 8155 N. Prospect; Robert Gauthier, 6852 Keeney.

### Post 45

The weekend of Nov. 7 thru 9th saw the newly formed Explorer Post 45 enjoying a camp-out with the members of Troop 45 at Bratt Wayne woods.

On Saturday, the boys awoke at 5:30 a.m., had a hearty breakfast and were driven by some of the fathers to the beginning of the Shabbona Trail located near Joliet. The 17 mile hike back to camp followed along the Illinois and Michigan canal. The hike took approximately 5 hours with time out for lunch and a visit to Chief Shabbona's grave. After returning to camp, the boys still had enough pep to enjoy a game of football before having dinner.

Members of Post 45 are Jim Schneider, pres., Steve Welsch, Pete Welsch, Ken Schneider, Paul Pomazal, Bob Sandvik, Rich Bobula, Rich Pignato, Bob Krusen and Marty Rothenberg.

### Pack 170

Cub Scout Pack #170 has been busy! At the Oct. 29 Pack meeting the following Cub Scouts received their Bobcat Pins: Jeff Ash, Joe Booker, Jerome Czerwicz, Kirk Dall, Dave Dechert, Michael Kalinsky, Joe Knepper, Dave Larson, Randy Teegan and Dave Weggoner.

Billy Goldberg and Mich Levi were awarded Silver Arrows, Webelo Arm Badges went to Mark Kernes, Richard Sovik and Jim Uccello. Jim Uccello also earned his Bear Badge that night.

During the last month Mrs. Val Sovik volunteered to be our Parent Contact but we still are in need of a Pack Committee Chairman and an Institutional Representative. Six boys in the Niles area would also like a Den Mother to lead them. If you are interested in any of the above positions, please call John Larson, 967-6058. We need you.

The Nov. 26 Pack Meeting theme will be "Folk Lore of America." Besides planning skits and stunts to perform that night, the Webelos are carving eagle-shaped necktie slides from pine blocks. Den 2 will collect leaves and nuts for Fall centerpieces and Den 3 will make trinket boxes for their dressers. All handicrafts will be on display that night.

Don't forget - regular monthly Pack meetings begin promptly at 7 p.m. A scout must be accompanied by at least one parent or he will not be admitted. When a boy signs up for scouting, his parents sign up for him and with him in scouting.

### Tops Crusade of Mercy Goal

Lutheran General hospital, Park Ridge, has exceeded its goal to the Metropolitan Crusade of Mercy by giving over \$15,200 in employee contributions. This places Lutheran General among the top five contributors of all participating hospitals in the Chicago area.

This year's contribution is 19 percent above last year's giving and more than 86 percent greater than 1967. A total of 1,064 employees gave to the Crusade this year, with 252 giving one day's pay or one percent of their annual income.

"We are certainly very happy about this outstanding achievement on the part of the hospital family," said Virgil Marsh, associate director of Lutheran General hospital and campaign chairman.

### Maine East Awarded Art Citation

"Proud Administrators" - Principal John J. Clouser (right), Maine Township High School East, proudly presents to Stanley E. Whitley a citation which the school won in the 1969 National High School Art Exhibition held in June in New York City. Whitley is East's Art department chairman. Maine East was one of 328 secondary schools across the nation receiving the lettered citation because of junior Kenneth Pierce (Glenview), whose print won first place in the national competition. Receiving honorable mention at the exhibition were Glen Meine (Des Plaines) and Anthony Garippo (Morton Grove). Garippo's pencil drawing was selected for printing in the summer issue of Scholastic magazine. Whitley reported that he was proud of the award which is the third one won by the school, and that "the competition gives us a means of comparing our department with other top art departments - a comparison that makes East look good."

### Nilehi TV In Use

An innovation at Niles West is the use of closed circuit television in speech and English classes. When a student is called upon to make a presentation in class, the performance is recorded on video tape and can be played back almost immediately.

Three teachers from the English and speech departments have taped their classes successfully. They are Mrs. Kathy Higgins, Robert Johnson and Miss Ellen Magee.

All three teachers express enthusiasm about video taping their classes. They feel it is beneficial in many ways and fun besides. Miss Magee even went so far as to make this hypothesis: that English students, utilizing the camera, can do as well in three performances with T.V. as Public Speaking students do in nine performances without the camera. This would be an equal amount of progress made in one third of the time.

Mrs. Higgins, Mr. Johnson and Miss Magee predict that video taping will be used in many other activities such as debate, forensics, rehearsals, teacher evaluation, sports, permanent tapes of good lessons for other classes and many other extracurricular activities.

### "Mad, Mad, Maine" Rehearsal

"Rehearsing for Mad, Mad, Maine" - Orchestis members at Maine Township High School East use the beautiful springlike weather to rehearse for Maine's widely acclaimed V-Show. Performances are scheduled for Nov. 20, 21 and 22 at which time more than 350 students will present their acts reflecting the theme, "It's a Mad, Mad, Maine." Student council coordinating director is junior Marje Getz from Morton Grove, who has this remark concerning her responsibility, "My job would be impossible, without the devoted help of my committee chairmen." Unlike past years, the 1969 V-Show will have a script written especially for the entire show in an effort to coordinate all acts in a professional manner.

### Sidewalk Santas Needed

Col. Newton L. Haney, Chicago director of the Volunteers of America, is seeking helpers for his "Sidewalk Santa's" in addition to people who man the chimneys during the Holiday season in the Loop. Col. Haney has conceived the idea of stationing "Santa's" in outlying shopping centers.

Because they are inured to outdoor weather and are outgoing in their approach to the public, Col. Haney would like to solicit the interest of women who are serving as school crossing guards. Of course, they would be compensated for the hours they work.

Any women who would be interested should phone Col. Haney at the Chicago Volunteers headquarters - 376-7755.

### AFS Finalists

Niles West students Ruth Skogshakken and Joel Shalowitz have been chosen as finalists in the AFS (American Field Service) Americans Abroad program.

Students participating in the program travel to other countries to learn about living situations there while they stay with a host family for a year. What country the student will go to is not decided by him, but depends on the compatibility of available host families.

Being chosen as finalists at West, however, does not guarantee that either Ruth or Joel will go abroad. Names of finalists from all across the country are sent to AFS headquarters in New York, where approximately half of them are chosen to become foreign exchange students. If accepted, they will not be notified until June, 1970.

### Cadet Promoted

A Niles boy has earned a promotion at St. John's Military academy, Delafield, Wisconsin, according to Gavin A. Pitt, president of the Academy.

Cadet Richard E. Bohn, son of Mr. and Mrs. Egon K. Bohn, 7167 N. Riverside dr., has been promoted to the rank of Sergeant, for excellence in the performance of his duties. He will have the responsibility of coordinating and executing orders and plans from higher authority as they pertain to his company.

### Brown Frosh

A record number of 823 freshmen are enrolled at Brown university this year.

The students in the Class of 1973 were selected from more than 6,350 applicants and represents 36 states, the District of Columbia and ten foreign countries.

The new students at Brown include Kenneth Casimir Cieplik, son of Mr. and Mrs. Casimir Cieplik, 826 Elmwood st., Niles. He is a graduate of Notre Dame High School in Niles.

### Program Planning

At the annual program planning the Morton Grove League of Women Voters exchange ideas on what to study for the next two years. The final decision on program planning will be made at the National convention, Washington, D.C. when the League of Morton Grove will send two delegates. Going over the program in top photo are Mrs. Joseph Baum, vice-president and Mrs. Sherwin Potter, chairman of the program planning.

### Seek Student Opinions On Jr. College

"We must solicit the opinions of high school students who will be attending the junior college we're planning," said Meyer Kamin, president of the board of trustees for the proposed Niles-Maine Township Junior College.

Kamin issued an open invitation during a recent press conference with editors of high school newspapers in the two townships for students to attend all board meetings. Board meetings are held at 7:30 p.m. on the first and third Tuesdays of the month in Niles West High School, Edens expressway and Oakton St., Skokie, and Maine South High School, Dee and Talcott rds., Park Ridge, respectively.

The committee which will canvass student thinking on the junior college is one of four subcommittees working to obtain a cross-section of community thinking concerning the role of the proposed junior college.

The residents of Niles and Maine townships approved the junior college district in an April referendum. Seven trustees were elected June 21.

The district includes most of Des Plaines, Glenview, Morton Grove, Park Ridge, Niles, Golf, Skokie, and Lincolnwood.

In addition to selecting a site and president for the new junior college, the board of trustees must set a tax levy in the next few months.

District voters in April approved a maximum levy of 17 1/2 cents for each \$100 of assessed valuation for the educational fund and 5 cents for the building fund.

A "student profile" subcommittee of the board met with students from all township high schools and drew up a questionnaire that will be distributed throughout the schools next week, Kamin said.

The questionnaire asks questions such as: "Are you planning to go to a two-year college, and if so, why? Are you most interested in a pre-baccalaureate program, vocational, or general education?"

Kamin says the board wants to know what students think about graded courses and the "pass-fail" system. Board members hope the questionnaire will give them a picture

of what a cross-section of students think about a junior college.

"We will try to get a copy to each student already in some other junior college because they're already there, and can give us helpful suggestions," Kamin said.

The district board is operating now on a \$110,000 first-year grant from the Illinois junior college board.

The state will pay 75 per cent of the building costs for the new college and up to 50 per cent of the educational costs as appropriated in the 1965 junior college act for districts established before 1970.

### BJBE News

Sabbath Services of Congregation B'nai Jehoshua Beth Elohim will be held on Friday evening, Nov. 21, at Niles Community church, 7401 Oakton, Niles.

Rabbi Mark Shapiro will officiate, assisted by Cantor Harold Freeman, Michael Miller, son of Mr. and Mrs. Walter Miller, will observe his Bar Mitzvah that evening.

### Receives Commendation

Seaman Barry E. Mensch, USN, husband of the former Lenore T. E. Steinhart of 6957 W. Howard, Niles, received the Navy Unit Commendation during ceremonies aboard the hospital ship USS Sanctuary off the coast of Vietnam.

The commendation was presented to the officers and men of the hospital ship by the Commander of the U. S. Seventh Fleet in recognition of Sanctuary's exceptionally meritorious service from April of 1967 to April of this year.

The Secretary of the Navy cited the white-hulled ship for her service while providing highly responsive hospital ship services to American and allied forces ashore. The Sanctuary recorded in two years 7,000 helicopter landings, over 7,000 major operations, 12,300 patients admitted and treated a total of 23,500 servicemen.

### Donors Needed

Joseph Giallombardo, Jr., teenage son of Niles Public Works employe Joseph Giallombardo, Sr., passed away Nov. 8, 1969, at Illinois Masonic hospital. Blood donors are needed to replace the large number of pints of blood supplied during his long illness.

Any person interested in being a donor may call Lutheran General hospital, Dempster st., Park Ridge, and make an appointment by giving the name of Joseph Giallombardo and stating he was a patient at Illinois Masonic hospital.

### Take Heed

The Niles Policemen's Benevolent Association has received numerous inquiries requesting information about phone solicitations being made by a police organization for donations to an upcoming dance. Our Annual Policemen's Ball is normally held during the month of May and solicitations are never made by phone and are not being made at this time.

### Firemen Attend School

The latest developments in emergency first aid and hydraulics were the themes of two schools recently attended by four Niles firefighters.

Robert Altstadt, Ronald Derbes and Donald Kobylecki were among 223 firemen and one nurse from throughout the United States and Canada to attend the 9th session on emergency aid and transportation of the critically ill and injured presented at the Chicago Fire Academy. This school is presented by the Chicago Committee on Trauma of the American College of Surgeons. So far 23 Niles firefighters have attended this school since its inception. Top medical personnel are instructors. Subjects covered range from the treatment of head and chest injuries to the latest in resuscitation and poisoning.

### Citizens Party Open House

Attendance in this school is high. "Mickey" Goldberg, president of the Citizens Party announced an open house at the American Legion Post 134, 6140 Dempster st., for all citizens of Morton Grove. Hors d'oeuvres and punch will be served from 2:30 to 6:30 p.m., and "the welcome mat will be out," said Goldberg. The date is Sunday, Dec. 7 and "it will afford an opportunity for all citizens to socialize and talk to the Mayor and other village officials", continued Goldberg.

The affair is free and all Morton Grovers are invited - so please mark your calendars.

### ND Biology Honor Students

Fifteen students from Notre Dame High school in Niles were recently elected to membership in the National High School Biology Honor Society. The announcement was made by Dr. Doyle E. Amberg, executive secretary and Head of the Department of Biological Sciences at the University of Idaho.

The minimum requirement for membership in the society which was founded in 1966 and which currently has 55 chapters in 22 states, Germany and Ecuador is a B average in biology and in the rest of the student's high school classes.

The students who were inducted were Allan Brenner, Paul Coteus, Mike Czarnik, Tom Gushurst, Michael Czarkowski, James Kellner, Donald Lavelle, Gary Maday, Michael Majewski, Juan Mecega, Bernard Nagel, Edward Stashko, Kenneth Tabor, Robert Tietz and William Uhlig.

John T. Norris, faculty advisor of the newly formed chapter of the NHBHS at Notre Dame stated that the chapter activities consist in work in the areas of biology not usually covered in the classroom in an attempt to encourage the students to continue and deepen their interest in biology.

### Legion Turkey Night

The Rifle Squad of the Morton Grove Post #134 of the American Legion will hold its annual fund raising turkey night in combination with the usual Legion's Friday fish fry next Friday, Nov. 21.

Past post commander William Kramer, Squad commander, has tickets available for winner's choice of \$100.00 savings bonds or portable television. Four are to be made. The \$1.00 donation is all that is required and winner need not be present.

There is no admission charge to the turkey party. Residents may come any time throughout the evening altho the regular fish and chicken fare is served from 6-8 p.m., at the usual low prices.

Sandwiches will be available later in the evening. Many of those attending will be the winners of birds for their Thanksgiving dinners.

### Aboard USS Sanctuary

Seaman Barry E. Mensch, USN, son of Mrs. Jean C. Sell of Route 1, Barto, Pa., and husband of the former Miss Lenore T. E. Steinhart of 6957 W. Howard, Niles, is serving aboard the Navy hospital ship USS Sanctuary off the coast of Vietnam.

### Lawrencewood Exhibitor

Morton Grove artist Helen Repke is exhibiting her work in a one-man showing at the Lawrencewood Theatre in Niles. Mrs. Repke and her family reside in Morton Grove and she is an active member of the Morton Grove Art Guild. Theatre manager Lynn Bischak helps the artist make her selection for the show which lasts through November.

### Dist. 63 Faces Lack Of Revenue

The most serious problem facing East Maine School District No. 63 is a "lack of adequate revenue" according to the 1969-70 school district annual report filed by District 63 with the State Office of the Superintendent of Public Instruction.

The report notes that the inadequate revenue intake occurs even though residents of the school district have never deeded a bond issue and are taxed to the maximum permitted by state statute.

The financial problems are made more difficult, the report continues, for the following reasons:

- "Much of our area is unincorporated and yet we have schools located in four separate villages, Niles, Des Plaines, Morton Grove and Glenview.
- "The rapidity with which multiple-type dwellings, townhouses, duplexes and apartments have been erected has required rapid expansion of physical facilities.
- "Schools in four separate municipalities demonstrate the lack of a local governmental body with responsibility for all of its citizens."

In answer to the question, "What recent improvements have been made in the district?" the report states: "Our most recent improvements include the implementation of the concepts of nongradedness and team teaching throughout the entire school system. Although we have only two elementary buildings designed for flexibility, the traditionally designed buildings have not interfered with providing each pupil an unbroken, sequential program specifically tailored for his needs.

"Our comprehensive inservice training program for teachers has been funded under Title III of the ESEA Act of 1965. On a pilot basis, we are inaugurating an individualized approach to reading utilizing trade books in lieu of basal texts. We have instituted a comprehensive developmental reading program throughout the system. Other recent innovations include a gifted program, learning centers, and a special education cooperative program."

The report, which also included information about school board policies and procedures, enrollment, curriculum, per-

sonnel, teaching loads, school calendar, number of schools, school-community relations, etc., was approved by the District 63 board of education at its Oct. 28 meeting.

Auditor E. Allan Epstein, who appeared at the meeting to report on the audit of the district which he conducted for the fiscal year, July 1, 1968 to June 30, 1969, also pointed up some of the financial difficulties of District 63.

The audit report shows an \$855,272.19 deficit in the educational fund and a \$120,550.51 deficit in the general building fund as of June 30, 1969. Mr. Epstein noted that he had made an examination of the statements of Cash Receipts and Disbursements of the various funds of District 63 in accordance with generally accepted auditing standards.

The basic accounting records have been maintained as required by the "Illinois Financial Accounting Manual for Local School Systems" dated July 1, 1966, he reported.

In other action, the Board authorized School Attorney Allen Schwartz to appear at two rezoning hearings scheduled for Nov. 7 to object to the rezoning of two property sites, one located on the north side of Ballard rd. about 206 feet east of the intersection of Ballard rd. and Potter rd.; the other located on the south side of Maynard rd. about 300 feet west of Glendale rd.

The request for rezoning of the Ballard rd. property is for a change from B3 general Business District to R6 General Residence District; the Maynard rd. property would be changed from R4 Single Family Residence District to R6 General Residence District.

The District 63 Board opposes such zoning changes which usually result in an increase in the number of students attending schools in the district without a corresponding increase in tax income.

### Winter Program

The winter program for the Golf Maine Park District will begin the first week in January. A lot of programs that we do in the Fall will be done in the winter. The programs will be held at Mark Twain and Shelley Nathanson schools and at the trailer.

### Newlyweds

Janice Ann Dougherty, daughter of Colonel and Mrs. Edward J. Dougherty of Fort Monmouth, New Jersey became the bride of Michael B. Provenzano recently at All Faiths Chapel in Fort Monmouth. The bridegroom is the son of Niles Park Commissioner and Mrs. Michael Provenzano.

The bride wore a Victorian style pea de sole gown trimmed with Alencon lace appliques. Her veil fell from a tiara. A reception took place at the Officers Club, Gibbs Hall, Eatonwton. Mr. and Mrs. Michael B. Provenzano are spending their honeymoon in the New England states and Canada.

### New Teachers In Dist. 67

Eight young women students from Northeastern Illinois State College have been assigned to part time student teaching in two of Dist. 67's schools. Three are now teaching as classwork at Golf Junior High in Morton Grove. Patt MacCall and Mrs. Bela Kleinick are in language arts classrooms. Fern Loiben has physical education and science classes. All three are at the junior high mornings only.

At Golf Elementary school, five student teachers have assignments: Mrs. David Sue Levin and Mrs. Vera B. Sue Mott, in the primary department; Madalyn Lebow and Mrs. Clare E. Kozloff in kindergarten, and Martha Friedman in sixth grade. Pre-practice experience and observation assignments are part of the training.

All are seniors at Northeastern, a Chicago school. They work in Dist. 67 classrooms, under guidance of the regularly scheduled teacher at all times, in lesson-planning, class instruction, and post-class evaluation of the results. The work is coordinated by their supervising teacher at the college.

### New Arrival

A girl, Rochelle Elizabeth, was born to Mr. and Mrs. Raymond L. Giovannelli of Niles on Oct. 31. The baby weighed 8 lbs., 13 oz.

A girl, Jennifer Lee was born to Mrs. and Mrs. Lee C. Wilbert of 9606 Golf tr., Des Plaines on Nov. 1. The baby weighed 6 lbs., 10-1/2 oz.

A boy, Aaron, was born to Mr. and Mrs. Terry I. Bluver, 9581 Dee rd., Des Plaines on Nov. 3. The baby weighed 6 lbs., 7-3/4 oz.

### Newlyweds

The bride, who was educated in Germany and France, attended Iowa Wesleyan college at Mt. Pleasant. The bridegroom is a graduate of Western Illinois university at Macomb. He is associated with the student loan office on the Circle campus of the University of Chicago.

The above photo was taken at a reception at Papa Milano's in Chicago, two weeks after their wedding in Fort Monmouth.

### Concert Cellist

A Morton Grove musician will perform with the Civic Orchestra of Chicago in its first of four concerts Friday, Nov. 14, at 8:15 p.m. in Orchestra Hall.

He is Gary Stucka, 8905 McVicker who plays cello.

Tickets ranging from \$1 to \$2.50 may be obtained at Orchestra Hall box office or by mail six weeks in advance of each concert.

### All-Conference Players

The Suburban Catholic Conference has announced selection of following boys on All-Conference team: Steve Anenen, Mike Ellefson, Gary Potempa, Jim Rudnick and Jim Rotunno, all of Notre Dame High school for Boys, Niles.

### Teacher Of Year Nominee

Niles West science teacher Roger Blackmore has been named as Teacher of the Year nominee from Cook County.

Ernest Salners, head of West's Science department, originally suggested submitting Mr. Blackmore's name for nomination at a departmental meeting early in October; Mr. Blackmore was chosen the nominee by the Cook County Department of Education.

### Nilehi Parent-Student Program

Before an audience of 76 PTA and student representatives, and other interested citizens, the Niles Twsp. Board of Education last night approved a proposal for improving communication with students and parents which may be the first of its kind in the country.

The proposal - worked through and submitted by Superintendent Charles Szuberla after some 12 months of discussions on the problem - call for:

1. Each of the three Twsp. High school Student Governments and the 3 PTAs to appoint one delegate to attend all Board of Education meetings. Noteworthy here is the fact that these delegates would have the opportunity to speak on any agenda item due for board action or discussion. Currently, any expression of opinion or ideas must be made during the "Visitor's Statement" portion of the agenda;

2. Each of the three high school student governments to appoint a student to serve on the board's Citizen's Advisory Council as ex-officio members - in the same capacity as teacher representatives and administrators. This provision, Superintendent Szuberla pointed out, gives the CAC direct access to students in its work on assigned studies and problems;

3. The final provision calls for regular and informal meetings of the board with any and all interested students and parents, as well as the representative;

### Legion News

The Department of Illinois caravan workshop made a stop recently at the Harold Taylor House in Chicago for distribution of information to Legion Auxiliary Units. Three districts were represented with Unit officers who studied their duties and the programs for the coming year which will be presented state-wide.

There are 73,000 Auxiliary members throughout the state of Illinois.

Twenty workshops were scheduled throughout the state which gave those attending gains in individual participation which resulted from discussion of the programs with those in charge in them. Participating from the state were state president Mrs. Charles Gill and other officers. The membership theme for the year as advanced by Mrs. John Acklin of Dolton is "Service Women on the New Frontier."

Attending from the Morton Grove Unit #134 of the American Legion Auxiliary of the 7th Dist. were president Mrs. James Campanella, 1st vice-president Mrs. George Zupko, junior past president Mrs. Albert Nehart and past presidents Mrs. Jack Bartholmy and Mrs. John Sepesy.

### Nationwide Rep

Stanley M. Levy, representative of Nationwide Insurance in Matine Township, recently attended a special training program in Joliet which was designed to increase the agent's ability to better service these needs.

Mr. Levy was among 21 agents from Illinois that attended this special training program conducted by the Nationwide Training department from Columbus, Ohio. Mr. Levy is a local agent for Nationwide in this area.

### Science Degree Candidate

James M. Wrona, son of Mr. and Mrs. Casimir Wrona, 8420 Osceola ave., Niles, graduate of Notre Dame High school for Boys, will be a candidate for the Associate in Applied Science degree in Architectural and Building Construction Technology at the Fall quarter commencement of the Milwaukee School of Engineering Nov. 21.

A total of 50 candidates will be presented for degrees, 35 for the Bachelor of Science degree, and 15 for the Associate in Applied Science degree. This brings to 304 the number of graduates receiving degrees from MSOE this year, among them the first to receive the Master of Science degree.

The exercises will be held in the auditorium of the Wisconsin Electric Power Company, 231 W. Michigan st., at 8 p.m., Friday, Nov. 21.

## Stevenson School Program

"In my personal opinion," Jack Cantor, principal of the Adlai E. Stevenson school, told members of the board of education of East Maine School District 63 and audience at the Oct. 28 meeting, "the schools of this country have not fulfilled their promise."

"When are we going to stop alienating our children?" he asked. "When are we going to give the child what is really appropriate for him?"

Although the Adlai E. Stevenson school can't claim to be the perfect educational institution, he said, "at least we're trying. And we do have one important thing to offer—our children want to come to school."

The basic task of a school, he said, is to give each child the tools he will need to operate in a complex world.

In attempting to get "inside" the operation of the Stevenson school, Mr. Cantor devoted a major portion of his report to a color and black and white slide presentation showing a variety of learning activities.

Emphasis in the slide presentation, as in the Adlai E. Stevenson school itself, was upon people. For it is the interaction of people, teachers and students, students and students, and teachers and teachers, which makes for learning situations. And it is people, Mr. Cantor says, not one, but many, giving themselves who have worked to ensure the success of the Adlai E. Stevenson school.

The Adlai E. Stevenson school, newest school in Dist. 63, began its second year of operation this year. The school was designed to provide the open spaces and seminar rooms which have proven to be functional for a nongraded, team teaching, multi-age grouping program.

In a booklet distributed to members of the board of education, directions of the educational program of the school were listed. They are:

"Team teaching - Identified as being the ability of a group of human beings to sit down and face their problems together and reach solutions which satisfy each member of the teaching team in order to meet the needs of students.

"Individualizing instruction" - To provide opportunities for each and every child regardless of his or her ability - to pursue learning in an uninterrupted, meaningful fashion.

"Ungrading - Freeing the complete learning spectrum so that a child has the opportunity to be involved with consecutive learnings throughout the educational spectrum, regardless of his chronological position within that spectrum.

"The open school concept - Involving the use of large open areas in which the learners are organized around the modalities of instruction being employed rather than the type of content being transmitted. The modalities involved are the instructional, tutorial, the cybernetic, and other learning modalities.

"Multi-age grouping - Based upon an understanding of the social epoch in which children of today function. It breaks down in the following manner: the first three years of school are identified as the primary program for which educational objectives are established, and the second three years of the elementary school being identified as the intermediate program. In those two large blocks, children are grouped heterogeneously regardless of past experience, age or training.

as established residents, will find helpful and beneficial.

The "Data Pack" will be mailed to all village residents. Upon receipt of these completed applications the village will send the appropriate number of vehicle and dog tags back by return mail. This new service will provide a convenience heretofore never given to Niles residents; another step toward progress.

The vehicle and dog tag applications have been redesigned together with the 1970 vehicle tag, both for simplicity and administrative use. Additional vehicle and dog tag applications may be obtained at the new Administration Building, 7601 Milwaukee ave., and will be mailed to any resident upon request.

Wagner states if you do not get your "Data Pack" by Dec. 1, 1969, please call 967-6100 and another will be sent you.

## Maine Hi Board

Continued from Page 1

polls, noting at the time of the colonists in Salem, an opinion poll would have concluded, "Let's burn the witches."

School Board member Hartzell warned against stepping on the rights of teachers. Implying limiting teachers' rights would certainly make the community wary, and would result in creating the problem of finding it difficult to find candidates who would serve on the school board. He said the Board must consider the people's rights and made it clear teachers should have the right to tell students they might not like their clothes or hair. He said it was not easy for the Board to decide policy in this area and pleaded for public understanding of this problem. Hartzell said these problems are not in the area of being black and white, that the Board has its own legal advice to guide it, and said teachers have rights, too, and "maybe board members and parents are the only ones without rights."

### Student Teachers

A total of 401 Northern Illinois university seniors and graduate students are nearing the end of their nine-week student teaching stints. Generally speaking, the students completing their intern teaching requirement in the first half of the Fall semester began teaching Sept. 2 and will finish Oct. 31. However, since some area public schools opened before Labor Day, there are some exceptions to the above dates.

Names of the Northern intern teachers were announced today by Dr. Maz Huebner, director of student teaching. Included are: Ronald L. Levitsky, 9326 N. Osceola, Morton Grove; Karen A. Scaturro, 5831 Carol ave., Morton Grove; Richard J. Carlson, 8419 Crain st., Niles; Dorothy J. Herzog, 8106 Dempster, Niles and Michael J. Hurley, 7920 Caldwell ave., Niles.

### Evans, Parker

Continued from Page 1  
Skokie village election again showed its more independent ways Tuesday.

In Maine Township, where the Republican Party strength seems more disciplined, Howard received 8,581 and Parker 8,380. But again, Mrs. Evans ran alongside the 2 top candidates with 8,288 votes while Shapero received only 2,826 in Democratic-weak Maine Township.

### Park District

More than 100 boys and girls from the sixth through eighth grades entered the Morton Grove Park District's Halloween Window Painting Contest. These paintings which are 3 x 5 feet will be placed in the merchant's store windows for the public to observe.

Norm Siegel, William Rubin, Mrs. Helen Van Tempera representing the Morton Grove Art Guild were judges and selected the following team winners: 6th grade: 1st place - Kim Paneral and Stevie Paneral; 2nd place - Diane Enderdorf and Mary Rozman; 3rd place - Jane Eckhardt and June Eckhardt. 7th grade: 1st place - Claudia Koza and Cindy Imhoff; 2nd place - Miranda Ulaniewicz and Pam Gale; 3rd place - Edward Feldman, Tom Karner and Steve Leck. 8th grade: 1st place - Melinda Chase and Sherri Cleveland; 2nd place - Bob Bartsch and Randy Brandt; 3rd place - Sharon Kallman and Kathy Aimbald.

### Stamp Collectors Wanted

Morton Grove's Diamond Jubilee committee is issuing a call for all stamp collectors to assist in the preparation and selection of a First Day Cover to be issued sometime during the 75th Anniversary celebration.

We need ideas of what should be included on the F.D. Cover and other ideas to make this Cover a treasury of Morton Grove's fine historical background.

If you collect stamps, covers, or just want to give us an idea, please phone Robert H. Lynch, Sr. at YO6-4295 any evening. Members of the committee are needed to help make this project a big success.

## Legion Thinks Musically

"Music hath charms" so goes the old cliché. The Morton Grove Unit 134 of the American Legion Auxiliary thinks so and emphasizes music at each of their meetings.

A few years back song books were mimeographed and stapled together containing the words to some familiar and not so familiar tunes. Each meeting the members take a "song break" and sing one or two.

Music chairman is Mrs. Ralph Hintz, 5607 Carol, Morton Grove. This is her second consecutive term in this chairmanship.

## Turkey Nite Tomorrow

The Rifle Squad of the Morton Grove American Legion Post 134 will conduct their annual fund raising Turkey Night this Friday, Nov. 21 at the Post Home, 6140 Dempster st., Squad commander Bill Kramer, 5800 Washington, Morton Grove, says you may win a turkey if you attend his group's function. Then you'll be all set for the Thanksgiving holiday next week.

He may be reached at 966-4180 for further information.

Kramer also has tickets for other prizes to be awarded during the evening. Winners need not be present for these: Four \$100 savings bonds or choice of portable television.

The turkey party will be held in conjunction with the weekly Post's regular fish fry. Fish and

### Public Notice

SHERIFF'S SALE No. 3587

SHERIFF'S SALE - State of Illinois, County of Cook, ss-Circuit Court of Cook County, In Chancery, Norma L. Chaplin, Plaintiff, vs. Frank B. Chaplin and First Federal Savings and Loan Association of Chicago, a Corporation, Defendants, Gen. No. 69 CH-1424.

Public Notice is hereby given that, in pursuance of a Decree made and entered by said Court, in the above entitled cause, on the 3rd day of November, A.D. 1969, I, Joseph I. Woods, Sheriff of Cook County Illinois, will, on Tuesday, the 9th day of December, A.D. 1969, at the hour of One o'clock in the afternoon, (Central Standard Time), in Room 702 Chicago Civic Center, in the City of Chicago, County of Cook, and State of Illinois, sell at public auction to the highest and best bidder for cash, all and singular, the following described premises and real estate in said Decree mentioned, situated in the County of Cook and the State of Illinois, to wit:

Lot 47 in Block 16 in S.E. Gross Subdivision of Blocks 15, 16, 17, 18 and the North half of Block 23 and 24 of Dauphin Park Addition in the East half of the North East quarter of Section 3, Township 37 North, Range 14 East of the Third Principal Meridian in Cook County, Illinois, commonly known as 602 East 88th Place, Chicago, Illinois.

The Sheriff of Cook County, Illinois, will accept 10% of the amount of the successful bid on the said sale, the balance of purchase price to be paid to the Sheriff within 30 days of the date of the confirmation of said Sheriff's sale.

Upon confirmation of the Report of Sale of said Sheriff, and upon payment of the balance of the purchase price due, the said Sheriff shall execute and deliver to the purchaser or purchasers of the premises, so sold, a proper deed or deeds of conveyance thereof. Said sale shall be subject to a first mortgage in favor of First Federal Savings and Loan Association of Chicago with a current balance due of \$71,644.62. The first mortgage is prior and superior to all other interest in said premises.

Said premises will be sold for not less than two-thirds the appraised value thereof as shown by the report of the Commissioner heretofore appointed by the court to make partition thereof, free and clear of all encumbrances and liens except real estate taxes for the year 1969 and subsequent years.

Dated, Chicago, Illinois, November 3rd, A.D. 1969 JOSEPH I. WOODS Sheriff of Cook County, Illinois

Levinson & Gershon, Plaintiff's Attorneys, 1 North LaSalle Street, Chicago, Illinois, RA 6-1672.

### Blood Bank Month

November is Blood Bank month, but Dennis Malcolmson, who has given eight gallons of blood since World War II, got an early start as he gave his 57th pint to Lutheran General hospital, Park Ridge. Arlene Nelson of the Blood Bank shows him the amount of blood he has given during his lifetime. Giving blood is now more convenient because Lutheran General has added new evening blood bank hours from 5-8 p.m., every Tuesday in addition to its Monday-Saturday hours.

"Do you know how well your preschooler can hear and see?" This is the question asked by Donald F. Lutz, Director of Parks and Recreation for the Morton Grove Park District. To help parents answer this question with assurance the Morton Grove Park District announces its free preschool vision and hearing screening program for children aged three to five years will be held at National Park fieldhouse on Dec. 8, 9 and 10 from 9 a.m. to 3 p.m.

Mrs. Florence Moore, Supervisor of the Preschool Program has arranged for the Office of SLIDES to conduct this program for all preschool children of Morton Grove. Children who are enrolled in the Park District's Preschool program will be scheduled through their own teacher and will be given preparation during class time. Children who are not now enrolled in the Preschool program are invited to register at the Morton Grove Park District's main office at 6250 Dempster st. throughout the day of Dec. 3. Helen Gibbons, Consultant for the visually handicapped and Joan Wootton, Consultant for the hearing handicapped will provide certified, trained technicians who will conduct the actual screening. They will be aided by many volunteer women from all sections of Morton Grove who will work under the direction of Mrs. Sol Greenberg.

The above women wish to stress the fact that children do not know how well they are meant to hear and see. So how can they complain about a hearing or visual problem? With no warning from the child,

### Marine Enlistees

Robert J. Gillengerten Jr., whose parents, Mr. and Mrs. Robert J. Gillengerten reside at 6424 Beckwith rd., Morton Grove, and Steven S. Ranieri, whose parents Mr. and Mrs. Alex Ranieri Jr. reside at 9036 Cherry ave., Morton Grove, enlisted in the United States Marine Corps for a period of two years.

Both men will go to the Marine Corps Recruit Depot at San Diego, California for recruit training. The intensified Marine recruit training emphasizes rigid physical conditioning and survival techniques, both at sea and ashore, to develop self-confidence and endurance. Marksmanship with the M-14 rifle and the 45-caliber pistol are equally stressed, and close order drill instills the traditions of Marine Corps teamwork.

A thorough study of basic

### Local Artists Exhibit Works

Two area residents, Frank Delort and Thomas Nickel, are exhibiting their paintings in area business establishments and art shows for the past few years.

Mr. Delort, 8812 Osceola, Morton Grove, has had 16 years experience in the graphic arts field, and has taught for 10 years at the Village Academy of Fine Arts in Oak Park. He has also taught evening

### 'Diary of Anne Frank'

There is a noise downstairs, everyone freezes in horror. No one can walk or talk between 8 a.m. and 6 p.m. WHY? Because this is the story of eight Jewish people hiding from the Nazis during two years of World War II, and of their two friends who are their "lifelines."

Morton Grove Teen Theatre presents "The Diary of Anne

### Troop 45

Approved by the Eagle board of review of the Northwest Suburban council of the boy scouts at their October meeting were Ronald Friedman, Stephen and Peter Welsch, members of Troop 45, sponsored by the Oak school PTA, Niles.

Ronald Friedman, son of Mr. and Mrs. Leon Friedman, 8332 N. Oconto ave., is assistant senior patrol leader. His eagle service project was at the Niles Community church.

Brothers Stephen and Peter Welsch, sons of Mr. and Mrs. Peter Welsch, 8648 Osceola ave., are assistant senior patrol leaders and members of the Order of the Arrow. Steve's eagle service project was at the Niles Public Library and River-Trall Nature Center while Peter's was at the Niles Public Library and Maine East workshop.

John Cronin is troop committee chairman and Dor Schmelder is scoutmaster.

### Official Boundaries For Maine North

The attendance area for the new Maine North high school has been established by the Board of Education, Township High School District #207. Action on this matter was taken by the Board at its regularly scheduled meeting Monday, Oct. 20.

The attendance area shall be bounded on the south by a line that extends west along Golf rd. from Harlem ave. to Washington st., thence south on Washington st., to Church st., thence west on Church st., to Milwaukee ave., thence northwest on Milwaukee ave., to Golf rd., thence west on Golf rd. to Potter rd., thence south on Potter rd., to Dempster st., thence west on Dempster st. to the Tri-State Tollway, thence south on the Tri-State to the Northwestern Railroad, thence northwest along the Northwestern Railroad to the intersection with Sault Ste. Marie Railroad (Soo Line), thence north along the Soo Line tracks, thence east along Central rd. to Harlem and thence south to the point of origin at Golf and Harlem.

### Park Site Development

The Department of Housing and Urban Development has advised that the maximum amount of Federal funds available for development of the park site at Dee and Emerson is \$45,000.00

The District had filed an application for \$219,500.00, which represents half of the estimated cost of construction of ball fields, playgrounds, tennis and basketball courts, walks, lights and landscaping.

The drastic reduction stems from an administrative directive which severely limits development funds, due to an overall reduction in available funds for the open-space land program. Virtually all of the funds available are being used for approval of acquisition grants.

The Department has further advised that the probability of our grant being approved, even

### Tollway Repair Program

There are a number of locations on the Tollway system where pavement repair is necessary to preserve the serviceability of the pavement during the forthcoming winter. Repairs to these sections were avoided during the heavy-traffic months of the summer and early Fall due to the congestion that would have been caused.

Breakout and patching these pavement areas with concrete will require the closing of the repaired lane to traffic for a 24 hour period. Since the work can be done only when the temperature reaches a "desirable" level, the work will be pursued intermittently for the next two or three weeks. Tollway announced.

Some revision in these boundaries may be made once the attendance area for the new Apollo Junior High school is announced by the Dist. 63 Board of Education. Apollo Junior High school is adjacent to Maine North.

In establishing the Maine North attendance area the Board of Education included two provisions related to the new high school:

1. District #62 students who live east of the Des Plaines river and south of Emerson st. will be automatically enrolled at Maine North. Those students, however, may petition for transfer to Maine East and such petitions will be honored. When a student petitions to attend Maine East, he must complete his high school career at that school.

2. All freshman, sophomore and junior students from District #26 within Maine Township (exclusive of Maryville Academy) North no later than the 1972-73 school year, Permissive transfer of these students to Maine North will be granted for the 1970-71 and 1971-72 school years.

Students from Maryville Academy (Dist. 26) will continue at Maine West until the 1972-73 school year, at which time all freshmen, sophomores and juniors will be transferred to Maine North. Those students from Maryville Academy who will be seniors in 1972-73 will be permitted to finish their high school career at Maine West.

Robert Wells, Maine North principal, said that the transfer of students from the Cumberland area of Des Plaines to Maine North will be done only as a last resort and only if the enrollment at Maine West should become so large as to be unmanageable. He indicated that such a transfer may never be necessary. Mr. Wells further stated that no change in the Maine South attendance area is imminent.

On the basis of the new attendance area it is estimated that enrollments for Maine North will be: 1970-71 - 1010 (Freshmen, sophomores and juniors) 1971-72 - 1365; 1972-73 - 1560 (All of Dist. 26 except seniors) 1973-74 - 1600 (All of Dist 26).

**Urge early GI gift mailing**  
Christmas packages for service men overseas should be mailed no later than Nov. 8 for surface delivery. Air Mail packages should be mailed by Dec. 13. Speedy and accurate delivery will be enhanced if packages are well wrapped and include APO or FPO numbers. Postmaster Koulentes reminds mailers APO and FPO numbers have been changed to five digits - similar to ZIP Codes. He cautioned that matches, lighter fluid, cigarettes and other tobacco products and coffee cannot be sent to overseas military addresses.

He said the 120-day delay option allows men to enlist now in the reserves and be placed on reserve status for up to 120 days before being called to report for active duty.

For men who have already enlisted under the 120-day program and find their date to report for active duty falls just before Christmas, Sgt. Ogle says he may be able to arrange to have them held over for the holidays.

For further information on the 120-day program, Sgt. Ogle may be contacted at the recruiting office by calling 824-0821.

**Nilehi Plane & Rocket Club**  
If you've spotted any unidentified flying objects recently around the Niles West area, don't get nervous - it's probably the school's Astronomics and Aeronautics club testing their model airplanes.

Model airplanes and model rocketry are the main interests of club members, according to faculty sponsor Wayne Rogoski. "Right now, the club is on a model kick," he observed. "A few members are interested in rocketry, but we concentrate mainly on flying different kinds of aircraft."

**PWP meeting to visit Siam**  
Guest speaker at the Nov. 21 meeting of the Northwest Suburban Chapter #168 of Parents Without Partners, Inc., will be Mrs. Eunice Lowery, whose topic will be "Exotic Siam, the Land of Smiles."

Eunice and her husband, with their five children, lived in Bangkok, Thailand for two years, where she became acquainted with the country and its people. After being encouraged by her friends to import items from Thailand, such as hand-carved teak, polished bronze items and flatware, lacquerware and Thai Silk, she decided to form a company called "International Parties Co.," located in Des Plaines.

Coffee and cake will be served by the hostesses after the meeting, to be held at the Knights of Columbus hall, 15 N. Hickory st., Arlington Heights.

**New Program Chairman**  
Mrs. Mary Bialka, 7449 W. Keeney, Niles, has been appointed program chairman for the Advocate Society Auxiliary. She has planned a season of interesting and informative meetings such as: "What to do Until the Mechanic Comes," "Holiday Highlights for the Home," "Getting the Most for Your Money" and "A Year of Gardening."

**Student Teachers**  
About 450 seniors and graduate students from the University of Illinois at Urbana-Champaign have begun practice teaching throughout the state.

Among them are: Shelley-Nathanson, Carol L. Hain, 9670 N. Dee, 115, Des Plaines; Maine East, Diane G. Dobry, 3828 Maple ave., Berwyn.

## East Maine Homemakers to learn of "pressures"

East Maine unit of the Homemakers Extension Association will meet Thursday, Nov. 20 at South Park fieldhouse, 1560 Howard st., Des Plaines.

Pot-luck lunch will be served at noon followed by the business meeting conducted by Mrs. Edward Taunk, chairman. Details of the Christmas luncheon to be held at Seven Eagles Restaurant will be announced by Mrs. H. Frindt. The lesson "Pressures and Tensions in Young People" will be given by Mrs. R. Naslund and Mrs. B. Stuthridge.

## 120-day delay option aid to draftees

Young men who are anticipating a draft call in November may delay their entrance into the service until after the holidays, it was announced this week by Sgt. James Ogle of the Army recruiting office at 1487 Rand rd., Des Plaines.

Sgt. Ogle said many men who are expecting a draft call before Christmas and the New Year are taking advantage of the 120-Day Delay Option which assures their spending those holidays at home with their families.

He said the 120-day delay option allows men to enlist now in the reserves and be placed on reserve status for up to 120 days before being called to report for active duty.

For men who have already enlisted under the 120-day program and find their date to report for active duty falls just before Christmas, Sgt. Ogle says he may be able to arrange to have them held over for the holidays.

For further information on the 120-day program, Sgt. Ogle may be contacted at the recruiting office by calling 824-0821.
