## He Voted For Tax - But Doesn't Pay It

### Rep. Simmons Pays No State Income Tax On \$24,000

State Representative Arthur Simmons of Shelby told THE BUGLE Tuesday he received his 2 year salary for his state legislator's job totaling \$24,000 without paying any state income tax on the sum. Asked by THE BUGLE, he said he voted in favor of the state income tax.

Simmons said he received the lump sum payment before the state income tax was passed though it did cover the period for which he received payment. He said it was not his purpose to dodge the tax and that receiving the lump sum payment actually put him in a larger bracket for his federal income tax.

The Representative, who is competing with incumbent Bob Luckert, and newcomer Roy Harquist for the Republican ticket in the upcoming primary, justified the amount of three lump payments for the 2 year period, saying he never has any funds-earning for his constituency and pays all costs of running for office out of his own pocket. He said he is usually "barring for money" since he devotes 6 months of his time in the legislator's job, without devoting any time to his real estate practice. He noted he had to "live on this (\$24,000)" exclusively for this 6 month period.

In voting in favor of the state income tax, which everyone in the state pays, he said 40% of the money goes for the common schools, 16% for local municipalities and 16% for higher education. He noted a previous deficit of \$27,000,000 left over from the previous administration plus higher pension fund costs and welfare benefits, will be paid by the tax.

I received my Niles water bill Feb. 4, 1970 with the new rate of 65¢ per 1,000 gallons. My previous bill was mailed Nov. 25, 1969, which was at the old rate of Nov. 25, 1969, 50¢ per 1,000 gallons. Since I read in The Bugle the new rate was passed in January effective the beginning of the year, I wonder why I'm being charged the new rate for the later part of 1969?

Mrs. D.M.

Niles manager Ken Scheel said while the ordinance was passed Jan. 27, 1970 for the year beginning January 1, Chicago billed Niles as of January 1 for water used previously. Thus, he said it is necessary that the bills reflect a similar reading. He said in Niles it would be impossible to read all of Niles's 6,000 bills meters so they would reflect readings as of January 1 so the new continued on page 12

## From the Left Hand

By David Besser Editor & Publisher

Mini Meanderings . . . . .

Confrontation: At Niles West Monday night about 100 students from East and North were present at the school board meeting. Monday morning many East students had picketed in front of the school in pursuit of a more meaningful curriculum. The Board approved some new courses including studies in black literature, history, and ethics for the '70-'71 year at East and North.

The students, sprawled on the gym floor, were doing their thing. Perhaps 25 of them spoke to the Board, amidst cheers. A couple of times a hidden voice would yell out an obscenity, though most of the teens were well-mannered, though quite vocal. Along with several parents, they defended the teaching of 3 teachers, who may not be retained by the Board next year because of their radical methods of teaching and expression. They're young teachers who also tell it like it is, allowing the kids free expression, which they contend teaches them how to think.

As a member of the older generation we couldn't help but observe the students, who have long flouted the pursuit of personal discipline, seem to want to eliminate discipline in their studies as well. We'll buy some of their opinions about the busy teaching and the lack of stimulation in the classroom. But we'll also let them know they're "copying out" - they think the classroom becomes an effective medium for unrestrained minds, whose opinions are formulated without any classical training.

# OPEN HOUSE SUNDAY FOR PAROCHIAL SCHOOLS

Local non-public schools will hold classes on Sunday, March 1, to enlist support for the state aid bills expected to be introduced in the Illinois General Assembly in April.

State legislators, city and school officials, and the general public are invited to afternoon classes.

Any interested persons are invited to come to Notre Dame High school on Sunday, March 1 between 1 and 3 p.m., to tour the school and witness classes in operation. Demonstration classes will be available in the areas of English (Communication Arts), the Sciences, Math, Social Sciences, Modern Languages, Business and Physical Education.

Rev. Charles Kohlerman, C.S.C., principal of Notre Dame, in announcing the Demonstration Open House stated that he "hoped many of the concerned and interested people in the

need of state aid for private education.

Illinois needs the private schools which are currently educating some 450,000 students and these private schools need state aid to continue and to better their educational programs.

# Dist. 63 Discusses Tax Referendum

What exactly are the facts and figures of the financial crisis in East Maine School District No. 63? Does District 63 spend more or less than other school districts for its educational program? Can't cuts be made? Who are the district's largest taxpayers?

Parents and residents of District 63 may obtain answers to their questions from a direct source.

Members of the board of education of East Maine School

District 63 are seeking opportunities to discuss with community residents the district's financial crisis and request for a 40-cent increase in the educational fund tax rate up for vote on March 28.

Twice at the Feb. 10 board meeting, members of the board of education expressed a desire to sit down and talk with local groups . . . whether the groups be informal gatherings of ten or fifteen friends, meetings of homeowners groups, parochial lay meetings or others.

"We will be glad to come to you," Bill Gurolnick, president of District 63 board commented.

Voters defeated the original request for additional funds last January 27. School officials have said that a second defeat on March 28 would mean the destruction of the school district's educational program and eventual bankruptcy.

Residents of District 63 who would like to invite a member of the board of education to a coffee or a meeting, are asked to call the Superintendent's Office at 824-1102, ext. 201.

## Park Administration Building

The new Niles Park District Administration Building located at the Recreation Center, 7877 Milwaukee ave., will be ready for use in early spring.

The new Niles Park Administration Building located at the Recreation Center, 7877 Milwaukee ave., will be ready for occupancy in early spring according to Park Board President Gerald J. Sullivan.

"Exterior work on the building is virtually completed," said Sullivan. He said that the floors of the new structure will be covered by indoor-outdoor carpeting for purposes of maintenance and economy. With this

type of flooring, there will be no need for constant cleaning and polishing. "A simple vacuuming will put the building back into top condition after the work day," Sullivan said. District has become, requires adequate office and meeting space," Sullivan said. The new structure will contain adequate office space for the District's administrative and functional employees and meeting space for the Niles Park Board which has not previously been available. The former cramped quarters of the Park District staff will be utilized for needed storage in the Recreation center.

## Open House Sunday at St. Isaac Jogues

Do St. Isaac Jogues school in Niles and the other non-public schools in Illinois deserve state aid?

Public officials, political leaders, public school officials and PTA members, and business and civic leaders in the Niles-Cleview-Morton Grove area will be able to judge for themselves on Sunday, March 1st at a unique demonstration of public sentiment.

On that day, St. Isaac Jogues school at 8101 Golf rd., in Niles will hold an Open House from 1:30 to 4 P.M. to show the quality of its services to the community.

The school's 970 students will attend regular classes in mathematics, science, social studies, art and reading; just as on a school day. Parents of the pupils will also be on hand to greet visitors and the public is invited.

"The theme for the day is, 'Come and see what we want you to buy,' said Sister Agnes of the Sisters of Christian Charity, Principal of the school. "We want to show the public, and especially State Senators and Representatives, that our services are worthy of state support."

and will not be paid. Pupils will not be given extra time off for the Sunday classes, she added, in addition to Sister Agnes, the school has 7 other Sisters of Christian Charity and 23 lay teachers on its faculty. Founded in 1957, the school now has 30 classrooms.

The subject of state aid for non-public schools is expected to be considered by the State legislature when it reconvenes in April.

## Niles Community Church

The Sacrament of Communion will be observed at both the 9:30 and 11 a.m. worship services of the Niles Community church (United Presbyterian), 7401 Oakton st., on Sunday, March 1. Continuing a series of sermons on the Ten Commandments, the Pastor, Rev. D. Douglas Selzer, will preach on the topic, "You Shall Not Commit Adultery." Care for toddlers through 2-year-olds will be provided. Church School classes for 3-year-olds through eighth graders will be held at 9:30 a.m., and for 4-year-olds through eighth graders at 11 a.m. The Inquirers Group (for high school students and adults) will meet at 9:30 a.m. in the Church Library.

That evening, the Tuxis Fellowship group (for high school sophomores, juniors and seniors) will meet at the church at 7 p.m. for a program. Church meetings during the week of March 2 will include: Monday, 8 p.m. - Committee on Finance; Tuesday, 7:30 p.m. - Session; Wednesday-Thursday, 7 p.m. - Communicants Classes; and Thursday, 7 p.m. - Junior Choir; 8:10 p.m. - Senior Choir.

From the District Office located at 1001 East Touhy in Des Plaines, Illinois, Mr. LaPlante will supervise all phases of the census in the following Cook County Townships: Elk Grove, Evanston, Leyden (that part outside of Chicago), Niles, Norwood Park, Proviso, River Forest and Riverside.

## Spring Gardens Classes at Maine

To surround your home with living color and beauty, start now to design your gardens in classes beginning next week at the Maine Adult Evening School.

"Gardening" starts March 3, at Maine Township High School East, Dempster and Porter, Park Ridge. In ten 7:30 to 9:30 Tuesday evening sessions, the class will study the art of planting for perpetual bloom throughout the seasons, and arranging the plantings to produce the most attractive combinations of colors. Annuals, perennials, flowering shrubs and trees, garden tools and accessories will be discussed. Slides and films will be used to illustrate class topics.

The class in "Home Landscaping" will be held at Maine East on Thursday evenings, beginning at 7:30 p.m., March 5. The ten sessions include renovating existing landscaping, expanding your living area, shade and flowering trees, fences and hedges. Each session will consist of a discussion illustrated with slides and photographs followed by a question and answer period devoted to students' special problems.

## "Taxpayers Need Help" - Bergquist

"We must prevent a taxpayers' revolt," Roy H. Bergquist, Republican candidate for State Representative, said this week as he urged the state legislature to help overtaxed homeowners.

Bergquist who is seeking the G.O.P. nomination in the 4th District in the March 17 primary, said: "The 4% increase in the state's equalization factor, announced last week, will raise our property taxes anywhere from 4 to 10%.

"This raise comes on top of numerous other increases and the combined hikes are forcing property taxes to soar clear out of sight. The Legislature must find some way of providing relief or we may soon be faced with a revolt by the overburdened taxpayers."

Bergquist charged that the records of his two Republican opponents show they have consistently voted against any tax relief measures for the homeowners.

"If the property owners of Maine and Niles townships don't have anyone to represent them in Springfield," Bergquist said, "what chance do they have of making their complaints known, what chance do they have of

getting relief from property taxes that are becoming confiscatory?" Since entering the primary campaign last fall, Bergquist has repeatedly called for the use of state income tax funds to offset rising property taxes.

## New Bank of Niles Investment Plan

Richard W. Duca, President of the Bank of Niles, has recently announced in behalf of the bank, an offer of significant interest to small investors throughout all Northwest Suburban communities.

After March 1, 1970, the bank will make available one-year notes in the amount of \$2,000 bearing an interest rate of 7-1/4% per annum.

Mr. Duca asserted: "The Bank of Niles has been dedicated to community service since its founding. In keeping with this policy, we have decided to permit the smaller investors in our community the same opportunity for higher interest earnings now enjoyed only on accounts of \$100,000 or more."

Unlike ordinary bank savings plans, the Bank of Niles 7-1/4% Notes are not covered by the Federal Deposit Insurance Corporation. "However," explained Mr. Duca, "only a limited number of these notes will be issued and the 7-1/4% interest rate is guaranteed by the more than substantial assets of the entire bank."

In addition to this unique 7-1/4% Notes investment plan, the Bank of Niles also offers all the conventional savings programs available at other banks, said Duca. Among those he cited are 5% Savings Pass Book and Certificates of Deposit which earn from 5-1/2% to 7-1/2% depending upon amount deposited and maturity dates.

with the "works in a drawer" for budget-minded people.

Now the famous Color TV with the "works in a drawer" is at a new low price. The "works" are solid-state, plug-in mini-circuits that are designed for greater performance reliability. They also help Quasar II's Bright Tube keep its color clarity longer. Help keep the picture sharpness and sound stay like new, too. And if a mini-circuit ever fails, a new one can be replaced usually right at home, in minutes. And now Motorola has introduced IC's into Quasar II Color TV's chassis. These advanced solid-state devices provide increased performance and reliability in color and sound. Quasar II has many other color improvement features such as automatic fine tuning to give you the best possible color reception. Motorola's know how could put in a Color TV. # World Day of Prayer March 6

Eighteen churches in Niles Township will join in a World Day of Prayer Workshop Services on March 6 at 8 p.m., at St. Luke's United Church of Christ, 9233 Shermer rd., Morton Grove.

This is our link in a bond of prayer spanning six continents. Prayers will be sponsored in the United States by Church Women United and will be celebrated in 25,000 communities.

Here in Niles Township, Church Women United invites all families, men, women and young adults to "Take Courage," "Moby Houden," "Stech Fest," "Es fuerate," which is the theme of this year's program.

The challenge of the 70's across the continents is to bear witness to one's convictions when morals and decadence are at a premium. It "Takes Courage" to be open to the unknown 70's.

World Day of Prayer provides an occasion for participation in a nationwide offering committed to helping others "Take Courage." This year's emphasis are: New religious educational materials for Latin American and Spanish speaking families in America; support of a Secretary for Women's Work

of the Near East Christian Council; the dispossessed Spanish migrant and Indian American communities; supporting funds through which Church Women United provide grants for Christian literature on six continents and grants to Christian colleges in Asia and Africa.

Those participating in this year's program, representing their local church and native country are:

Speaker: Mrs. Douglas Seelen, Niles Community church.

Organizer: Mrs. Betty Davall, St. Luke's U.C.C.

Soloists: Lois Eve Anderson, St. John's Lutheran church, representing Sweden, Mrs. Gwen Fortune, Evanshire Presbyterian church, representing the U.S.A., Mrs. Barbara La Corio, St. Isaac Jogues church, representing the U.S.A.

Interpretative Dance Group, directed by Mrs. Gloria Ross, St. Luke's U.C.C.

Readers: Mrs. Grace Kimura, Central Methodist church, representing Japan, Mrs. Edith Steiler, St. Peter's U.C.C., representing Germany, Mrs. Kathleen Sweeney, St. Isaac Jogues church, representing Ireland, Mrs. Clemence Masarweh, St.

Peter's Catholic church, representing Jerusalem.

The hostesses, greeters and ushers are all representatives of the participating churches and their native countries.

## New Lock Box Service

A lock box service for business and industry has been initiated by First National Bank of Des Plaines to help companies accelerate collections by receiving credit for deposits 2-1/2 days sooner than with conventional methods.

According to Jack E. Lavold, Vice President and Cashier, a lock box account benefits firms in many ways. These include increased working cash; smaller work load for clerical staff; strengthened internal cash control and earlier knowledge of dishonored checks.

To take advantage of this service, Lavold explained, a company requests a lock box number at the post office by application through the Bank. This number is placed on all the firm's invoices indicating that payments are to be mailed to that lock box. At least once each day, the Bank picks up all mail addressed to the lock box. The Bank then photostats the checks and immediately deposits them in the company's account. Photostats of the checks and other information contained in the remittances are then forwarded to the customer.

## Bradley Endorses Hilliard

Thomas Bradley has endorsed James P. Hilliard as a candidate for Maine Township Committeeman in the March 17 primary election. Bradley, committeeman himself for 16 years said, "Hilliard is a good Democrat and an effective leader. The Democrats of Maine Township need his youth and leadership at this time. I will actively work for his election."

Bradley, now in private law practice, with offices in the Loop made this announcement at a Saturday morning working session at Hilliard's Headquarters, 2640 Golf rd., Glenview, in the Tallman Shopping center. Seeing some familiar faces among the many Hilliard workers which had gathered, he added, "It is good to see so many Democrats gathered together again. During the past 4 years, the organization has been slowly dismantled and run as a one man show. Let us hope we can rebuild it and have it again serve all the people of Maine Township in a truly Democratic fashion."

## "Yellow Submarine" Dance

Shown are: The Boy, Michael Strand, Des Plaines, and from l. to r. are Rob Clipko, Morton Grove, Val DeSalvo, Morton Grove, Marcy Seal, Park Ridge, Sue Reuter, Niles and Patti Cwaygel, Morton Grove.

The sophomore class of Maine Township High School East will hold a dance February 28, from 8 - 11 p.m. in the school cafeteria. The dance is sponsored by the sophomore PTC Council parents and class sponsors, Miss Elizabeth Boyer and Mr. Don Dyer. The theme for the dance is "Yellow Submarine" which is free to all Maine East sophomores with ID cards.

A combo called "The Gathering" will provide the music amidst sea-life decorations. A yellow submarine will be fully constructed to set the mood. Cartoon-like characters from the movie "The Yellow Submarine" and fluorescent Beatle posters will cover the walls. Black lights will add to the underwater atmosphere.

Many valuable door prizes will be given away. These include such items as Maine East jackets, a portable radio-phonograph, Chicago Bull's basketball, theater and bowling tickets, records, Speldel ID bracelets, clock radios, girl's blouses, and many more usable prizes.

PTC Council is hoping to exceed the attendance figure for last year's party which was more than 500 students.

## Irene Luck Speaks At Con Con Hearing

Mrs. Irene Luck, a member of the Board of Education of East Maine School District 63 spoke on behalf of financially-pressed Illinois school districts and the over-burdened taxpayers of those districts at the Con Con public hearing of the local government and executive committee held Feb. 11 in Arlington Heights.

She requested that consideration be given in drafting the new Illinois Constitution to provide "for a fair, state-wide equal distribution of total tax monies so every child in Illinois can have an equal opportunity for a quality education."

East Maine School District 63 which has been forced to construct 7 elementary schools, one junior high school (a second is currently under construction), 17 additions and 14 mobile classrooms in the past 15 years to keep up with its student population explosion, is a residential area with no industry and little commerce to provide a tax base. The burden of supporting constant school construction consequently has fallen to local homeowners.

Forced to deficit finance to support its educational program and operate its schools, the district faces a crisis next year when there will be insufficient funds to operate a sound educational program and when the district will reach its limitation on borrowing unless residents agree to permit their taxes to be raised once again.

## THE LIVER IN OUR LIVES #1

Is alcohol the only cause of cirrhosis of the liver or is something else responsible?

Alcohol is a liver poison and the liver is damaged in a high percentage of those who consume too much "booze." But, less than 15 percent of alcoholics develop a cirrhotic liver. Frequently dietary deficiency is blamed, but cirrhosis seldom, if ever, occurs to non-alcoholics suffering from malnutrition. It is a known fact that "boozers" often have faulty eating habits, but the blame is liquor, not lack of food.

In laboratory test, it has been found that liquor may damage the liver of a laboratory animal, but the animal never gets cirrhosis. It seems that alcohol exerts this unique effect only on man.

## Pancake Eating Champs

One of history's oldest customs was brought to life Tuesday, Feb. 10 at the International House of Pancakes. College students from all over Chicago participated in the International House of Pancakes Shrove Tuesday Pancake Eating Contest. Each year college students are given 1/2-hour to eat as many silver dollar size pancakes as they can and the national winners receive an all-expense paid trip to

Europe. Local winners received a color television and each store winner received a tape recorder.

The winning team this year at the International House of Pancakes located at 9206 Milwaukee in Niles was Fred Hofman and Cheryl Lynne Malosti from Moraine Valley Community college. They ate 211 pancakes.

## Brownie Troop 601

The third graders of Brownie Troop #601 of St. John Brebeuf school, Niles, have welcomed second graders Mary Beth Dulen, Marianne Henson, Paula Kalemba, Nadine Paschke and Eileen McCabe into their troop. The third grade girls are Mary Breen, Colleen Croke, Peggy Kloss, Beth Maher and Bernadette Smith.

Troop #601 has been on a hayride and their leaders, Mrs. Eugene Kloss and Mrs. Thomas Paschke have planned a tour of United Airlines and Mac Donald's in the near future.

## Pack 275

Preliminary winners of Pack 275's Pinewood Derby are shown above. L. to R. (kneeling) Henry Smille, Mike Zonstus, John Jablonski, John Namovitz, (standing) Frank Koch, Ass't. Cubmaster, Richard Schumacher, Tim Morvay, Joe Gregorio Dan Jendrycki and John Dulen, Cubmaster.

The Cub Scouts of Pack 275 from St. John Brebeuf have all begun the new year, 1970 with many projects. Den Mother Marcie Smille took Cub Scouts Michael Beverly, Vito Masi, Kenneth Costello, Tom Arz, Anthony Pesola, Steven Smille and Henry Smille all of Den 2 to the St. Benedict's Home for Aged on Dec. 30. The boys sang songs, put on skits and served cookies to all of the residents. Den Mother Arlene Bielski of Den 1 took her boys, James Fulbin, Edward Klancnik, Daniel Doczekalski, Mike Zonstus, James Slowak, and Steven Bielski to visit the children's ward at Resurrection hospital. The scouts brought cookies and presents for the patients, following their generous task, they went Christmas Caroling and returned for hot chocolate and cookies. Both Mrs. Smille and Mrs. Bielski related this experience was very rewarding and the cubbers probably will never forget their contribution of sharing. Mr. Frank Koch, leader of Webelos Den 1 along with his boys Jim Brown, Joe Gregorio, Andy Fahay, Billy Koch, Mike Dulen, Terry Zink, Jim Elder and Mike Schubert singing Christmas Carols prior to Christmas and then served some welcome refreshments after their nights work. Between the two cold snaps, Mr. Koch got all the one rudders shined up and took the boys to Grennan Hts. park and enjoyed an evening of ice skating.

After each service there is an opportunity for discussion of the meditation with a cup of coffee in the lower level of the church.

# BUGLELINE

Continued from P. 1

rate must include from the last reading date. The last time Niles' rate was changed was in 1961 and the same procedure was followed then.

I was driving northeast on Gross Point Road when I was stopped by a Niles police car for speeding. The police car was parked across the street in the opposite direction. How is it possible for this car to clock my car when it is not on the same side of the street as my car and facing the same direction?

R.L.

Welcome to the dumb drivers' club. We got socked last week on Caldwell ave, by a Chicago radar car.

Niles officials told Bugleline it now has three police cars which have Vascar units. They are electronic computers installed in the cars. Unlike radar these units are considered more fair than radar units. Radar pinpoints your speed at any one point while Vascar averages your speed over a greater distance and can measure cars going in either direction. Do you get the feeling that big brother is watching?

Niles contributed about \$150 per car for the new units while the state and federal government paid about \$1,000 for each unit, as part of a traffic safety program.

community would take this opportunity to spend a few minutes on March 1 to observe first hand what private education is providing for the community so they can more effectively and realistically evaluate, appreciate and support the plans for state aid to non-public education in Illinois.

Local and non-public school students will join with their counterparts throughout the state in the classes on Sunday program to illustrate that the educational services rendered by the private school system are worthy of the tax dollars being requested in the Illinois General Assembly this spring.

Classes in conventional subjects will be in session during the Open House day in support of a project begun by the Illinois Catholic Conference to acquaint the general public with the community service performed by the private schools.

More than 450,000 or one out of six elementary and secondary school pupils in Illinois attends a non-public school. Increasingly

costs have led to the closing of some private schools and will lead to the demise of more, according to the administrators involved, if additional financial aid is not found.

When the General Assembly reconvenes in April, two bills are scheduled to be introduced. A "purchase of services" bill will be reintroduced by Rep. Edward J. Copeland (R., Chicago) in which the state will be asked to allocate \$60 per grade school student and \$90 per high school student to schools in return for their secular education services.

Many proponents of state aid favor this method of giving funds directly to those schools meeting state standards in return for teaching services and materials necessary for subjects common to public and non-public schools.

An allowance of \$226 per grade school student and \$438 per high school student in the form of state income tax deductions for parents of non-public school pupils is the plan to be proposed by Rep. David J. Resner (R., Mt. Prospect).

Gov. Richard Ogilvie and Lt. Gov. Paul Simon have indicated approval of the purchase of services bill. In a speech given last October, Ogilvie commented the cost of educating a sudden influx of all non-public school students in the public school system would "probably exceed \$400 million a year."

Gov. Richard Ogilvie and Lt. Gov. Paul Simon have indicated approval of the purchase of services bill. In a speech given last October, Ogilvie commented the cost of educating a sudden influx of all non-public school students in the public school system would "probably exceed \$400 million a year."

## Lions Pancake Day

This is the last call to attend the ninth annual pancake, ham and sausage breakfast of the Lions Club of Niles to be held Sunday, March 1, from 8 a.m. to 2 p.m. in Bunker Hill Country Club, 6635 Milwaukee, Niles. Adult donation \$1.50, children under eight 50¢. All you can eat. Milk for the small fry.

Pancake chairman Clarence Willert, 7913 Neva, Niles, stated "All pancake batter used for our pancakes on that day, has been graciously donated by Mr. Tom and Vince Ferraro, franchise owner and manager respectively of International House of Pancakes, 9206 Milwaukee, Niles." "Their unselfish contribution is greatly appreciated by all members of the Lions Club of Niles," added club president Todd Bavaro, 7139 Breen, Niles.

All proceeds from this breakfast will be used to further Lions projects and civic endeavors, with emphasis on help to the blind. Plenty of waitresses to serve you.

## Fire Safety...

Continued from Niles-

E. Maine P.I. from the three organizations in supporting this program.

Post Commander Hank Symer stated, "This gives the Niles V.F.W. Post another opportunity to assist the community. We're proud to be a part of Niles and its great Fire Department." President Lions Todd Bavaro was quoted as saying, "We accept every opportunity to contribute to any program involving the children of Niles. It's our way of saying thank you for the constant support we receive from Niles."

Richard Duca, president of the Bank of Niles summarized it by saying, "I learned more about fire prevention in the few moments I took to glance through this manual than I have in my lifetime. If this manual can prevent just one catastrophe, it will have been worth all of the effort that has been put into it. The Bank of Niles, an institution dedicated to the community, is proud to have been given the opportunity to participate." Ginger Troiani was the project chairman for the V.F.W. and Ang Club. Shown from l. to r. are: Ginger Troiani, V.F.W. project chairman; Hank Symer, V.F.W. Post commander; Niles Fire Chief Albert Hoelbi; Richard Duca, president Bank of Niles; Todd Bavaro, Niles Lions president; Ang Marcheschi, Niles Lions project chairman.

## From the Left Hand

Continued from Page 1

Confrontation: Friday night Maine Township committeeman Nick Blase had Adlai Stevenson III on the rostrum when the meeting was interrupted by the opposition, committeeman candidate James Hilliard, a Morton Groveite, who presented a 51 point manifesto to Stevenson, criticizing Democratic politics here in Maine Township. Amidst catcalls and boos from the partisan Blase forces, the manifesto was received by the startled Stevenson, while Blase quailed the crowd. According to state representative candidate Ken Lindquist, a Blase partisan, "a regular uproar broke out at the meeting." He said Adlai departed saying he was not embarrassed by the incident and "that's what makes the party great". Ken says, "there may be some fireworks Thursday night when the Des Plaines Democratic Women's Club meets at Oehler Community room at 8 p.m. Hilliard, Blase and Chicago alderman Tom Keane may be there."

Confrontation: Nilesite Roy Bergquist, who is seeking the state representative's nod on the Republican ticket, told us how frustrating it is to get exposure from local newspapers, owned by Republicans, as well as to speak before groups which are sympathetic to the old guard politicians.

We mentioned to Bergquist he should battle the two incumbents, both of whom are vulnerable. While you might not read it in the local papers a Chicago newspaper reported Skokian Art Simmons, as usual, took his 2 years salary as state representative, in one lump sum, as has been done in past years, which admittedly is a common practice. But this year there's a new angle in taking the lump sum salary. By so doing the Representative avoids paying state income tax on the money. It's a crummy way of representing your constituents, all who pay the tax which the legislature approved.

In today's Bugleline, Niles Manager Ken Scheel remarks that even the Niles passed an ordinance effective January 1 for increased rate on water bills, water received before then, but billed more recently, must be paid at the new rate. He contends the task of 8,000 readings being made January 1, is an impossibility, and thus, the rate must be squeezed with the reading and billing dates. We say hogwash. Taxes for November and December water which was not authorized, is amount is only \$3 to \$5 the money belongs in residents' pockets and not in the water account. If we're writing about \$5 per homeowner we're writing about \$40,000 to homeowners. With the unnecessary utility tax socking all Nilesites, the squeezing of another few bucks from residents' pocketbooks is uncalled for.

In the continuous quest to find an answer for holding the tax line perhaps the formation of citizens' committees to study tax problems in all communities, might alleviate tax bills in the coming years. Studying the methods of taxing, and finding answers to what presently seem unsolvable problems, might result in pressure groups going to the state for much-needed help. Perhaps a joint effort on the part of citizen groups all over Illinois to study ways and means for improving our tax structure could replace the rather helpless feeling residents now have. By coordinating such groups on a state-wide basis might prove a powerful weapon which our legislators would have to heed.

The TAM controversy, which seemed so close to settlement 2 weeks ago, ran into a stumbling block the past week. It centers around the option time which the owners set-up in its original contract. They contend the 7 year option for a public body to take over the property has 3 more years to run. It was reported to The Bugle the Save Tam Committee is demanding the 7 year option period begins now.

May Annex... Contd. from Niles-East Maine P. 1 In still other actions Gruenwald presented an excellent report concerning taxation problems and specifically school taxation problems. Gruenwald said a forum will be set-up by Niles to exploit this problem, an effort which he said, the schools should have undertaken. Since they have not, Niles will take the initiative in this area. Among Gruenwald's conclusions was the need for public help for parochial schools as well as public schools.

## World Study Trip

Rev. Paul A. Tidemann and his wife Lynda of Lutheran Church of the Resurrection, 8450 N. Sherman rd., Niles are going on a World Study Trip between March 19 and April 12. Plans have been made by the Church Council for Pastoral supply during Pastor Tidemann's absence.

On Palm Sunday, March 22, Rev. Dr. Arthur O. Arnold, who is Dean of Students and Professor of Preaching at the Lutheran School of Theology in Chicago, will be the preacher at the 10:30 Service. On Holy Thursday, March 26 at 7:30 p.m., a Communion Service will be conducted by Rev. Richard Deines, Pastor of Immanuel Lutheran church in Chicago. On Good Friday, March 27, at 7:30 p.m., the Service will include the play "Christ and the Concrete City" which will be performed by youth in the church. The preacher for the Easter Sunday Services will be Rev. Dr. Morris J. Niedenthal, who is Professor of Preaching at the Lutheran School of Theology, Chicago. These services will be conducted at 8:30 and 10:30 a.m. On the first Sunday after Easter, April 5, Rev. Dr. Arthur O. Arnold will preach again and on the following Sunday, April 12, Rev. Luther Livingston, who is Director of Development at the Lutheran School of Theology, Chicago, will be the preacher.

## LETTERS to EDITOR

### District 63 is "Unique"

Dear Sir: Who's kidding whom in School Dist. 63? After listening to the appalling account of misinformation, rumors, threats and intimidation that is being circulated throughout the district and which is frightening parents and disrupting our educational program, I feel that, as an informed citizen and educator, I have an obligation to set the record straight.

To begin with, the Board Members claim that they will not have enough money to operate a program of quality education unless we pass the March 28 referendum. They have also stated they may have to close the schools. I am certain there is more than enough money to operate a program of educational excellence, without the additional taxes our Board Members are demanding. Moreover, our schools will not close. Reliable sources have informed me that Governor Ogilvie will never allow that to happen.

Next, the School Board has eliminated paid lunchroom supervision, and only the handful of children who are bussed to school will be allowed to bring lunches. This is a serious threat to many working mothers and seems to be typical of the scare tactics this Board of Education is employing.

What has the Board done other than to threaten and intimidate parents? Teachers, aides, teachers and volunteers are available to supervise during the lunch hour. Although it is a relatively small amount, why did they pay someone in the first place if there were a shortage of funds? State Law, of course, requires teachers must be provided with an uninterrupted, duty free lunch period of at least one-half hour daily. The lunch period in Dist. 63 schools is one hour and fifteen minutes. Teachers, therefore, could easily rotate supervision time. Supervisors might supervise the lunchroom and have their own lunch at another time. The volunteers who have been helping up to now, would certainly be willing to continue. Incidentally, State Law makes it mandatory for all schools to operate lunch programs by Sept. of this year.

There have also been rumors that if teacher aides are dropped, children will be left unsupervised at recess since teachers cannot be expected to assume this duty. This is utter nonsense! The School Code is unequivocal in its requirement that teachers and administrators be fully responsible for the supervision of their charges throughout the school day. Moreover, recess is not mandatory and is always to be considered only in light of benefit to the child, not the teachers. In most school districts teachers are permitted to take their own classes out for recess during good weather and to supervise them. Some districts allow two or three teachers to take turns supervising their recess classes. The law requires professional supervision throughout the school day. I would hate to see our tax bills if a child sustained a serious injury because no professional supervision was present and a negligence suit were filed against the School Board of Dist. 63.

Now I, as an educator, am certainly a proponent of quality education. I believe that most teachers work very hard—as they should if they are dedicated to the welfare of children and their profession. They are well paid; not for working part of the time between 8:15 a.m. and 2:50 p.m., but because they are expected to assume responsibility and act as a professional throughout the school day as well as spend a great deal of time beyond this in preparation and planning.

School Dist. 63 is unique in that it does not require teachers be on duty prior to the time the children arrive and well beyond the time children depart.

School Dist. 63 is unique in that it carries on unproved experimental programs which are eminently more costly and show less results than proved quality programs.

School Dist. 63 is unique in that it provides some of its students with free field trips, private music lessons and a myriad of other very costly extracurricular programs.

All of these extravagances have been accomplished at a uniquely high cost to all of the property owners of this district to say nothing of the fact they seem to have very little bearing on the education or welfare of the children.

I have little confidence in a small school district which finds it necessary to employ a public relations director in order to sell the people a bill of goods, and where the School Board and its administrators seem to have the attitude the children in our district who attend the public schools are a nuisance they must contend with because they happen to be the reason for their jobs and/or salaries, and further imply the teachers agree with this same attitude. I believe our teachers are better than this and feel the School Board of Dist. 63 does every teacher in the district a great disservice by this implication.

I think it is about time these people were reminded they are working for the taxpayers in this district, including those who have no children at all in the schools, and they must be responsive to them. Perhaps I am just old fashioned, or too well versed in the concepts of sound, modern educational practice, but I still believe that schools exist for the benefit of the children who attend them, and not for the benefit of the people who work in, administer, or control them.

This School Board of Dist. 63 can kid itself, but it is time the parents and taxpayers of School Dist. 63 stopped kidding themselves about the actions of the members of this School Board.

Very truly yours,

### Obligation To Our Children

Dear Editor, It is with deep regret that I write this letter, not to defend the actions of the teens of today but to remind parents that we have an obligation and a responsibility to see that our children are educated to values that are morally good and ethically right so that they choose and act to the end for which God has destined him or her. The child who has been deprived of such values is his own enemy, society's cancer and the devil's victory. Much is said about our youngsters but very little work is contributed to help them.

One of the solutions lies with the parents and a strict enforcement of those laws pertaining to obscenity which already exist on our Statute Books. Be alert! Always object to those sources publishing or selling obscene advertising and literature.

Television is the most available medium of entertainment and parents should see that their children do not watch provocative exhibitions. It is also important to see that our children's religious training is not neglected. Parents of all girls and boys who are attending public schools have a serious obligation to see to it that their youngsters receive instruction in their faith.

**Niles West Host For Basketball**

Niles West was one of 80 schools selected to host the 1970 Illinois High School Regional Basketball Tournament, March 2-6.

The 8 teams competing in the Niles West Regional Tournament are Niles West, Niles North, Notre Dame, New Trier, East and West, Evanston and St. Gregory. On Monday, Jan. 26, a meeting was held for the coaches of these teams to discuss the preliminary plans.

Although the actual pairings have not yet been determined, the schedule will be as follows:

Monday, March 2 and Tuesday, March 3, 2 games will be played. The first one will begin at 7 p.m. The second game will begin 20 minutes after the first one ends.

Wednesday, March 4 and Thursday, March 5, a single game will be played at 7:30 p.m.

The final game determining the Niles West Regional Champion will be played on Friday, March 6 at 6:30 p.m. A championship trophy will be awarded.

Tournament director Robert Bothof stated, "This year's Regional Tournament promises to be an exciting event. We're expecting a large turn-out every night, with record attendance probable."

**St. John Brebeuf Women Meet March 3**

On Tuesday, March 3, the CWC of St. John Brebeuf will hold their monthly meeting in the school hall at 8 p.m.

Following the business at hand will be the evening program which Program chairman Rosemarie Bacchi promises to be interesting and eye-opening. There will be a "Panel of American Women" which is a group of "everyday women" who aim to correct and help overcome the obstacles pertaining to race, religion and creed. On the panel will be a Protestant, a Catholic, a Jew and a Negro plus a moderator who will speak on their personal experiences and the experiences involving their children. It is a peaceful movement that centers with all forms of prejudices and fears. There will be a discussion followed by a question and answer period. All ladies are invited to attend and bring a friend.

Any lady wishing to become a member of the Catholic Women's club is welcomed to do so by simply attending any monthly meeting and registering at the door.

**Niles Baseball League Registration**

The first session of registration for the 1970 Niles Baseball League season will be held Saturday, Feb. 28 at the Niles Recreation center, 7877 Milwaukee ave. On this date all boys whose last name begins with 'A' through 'M' will be registered. PLEASE - for the sake of expediency - register only when your time has been allotted. You are requested to appear as follows:

LAST NAMES BEGIN WITH	TIME ON FEB. 28	LAST NAMES BEGIN WITH	TIME ON MARCH 7
A	3:30 P.M.	N,O	3:30 P.M.
B,C	4:00	P,Q	4:00
D,E	4:30	R	4:30
F,G	5:00	S	5:00
H,I,J	6:00	T,U	6:00
K,L	6:30	V,W	6:30
M	7:00	X,Y,Z	7:00

This will conclude the regular registration for this year. All boys registering on their respective dates and times will be guaranteed a spot on a team.

As a reminder, and this is very important for insurance purposes, all new registrants must present proof of age at time of registration. All boys must have the signature of a parent or guardian before their application will be accepted and processed.

Now, the registration fee for the 1970 season will be \$14 per boy or \$20 per family registering two or more boys. The age brackets as set down by the League is as follows:

Peanut League	Born Between 8-1-60 and 7-31-62
Little League	Born Between 8-1-57 and 7-31-59
Pony League	Born Between 8-1-54 and 7-31-57
Pony Grad	Born Between 8-1-53 and 7-31-55

The matter of unreturned uniforms seems to plague the League every year and every year our participants become more lax in their obligations to our League. Remember, the uniforms you use belong to the Niles Baseball League and they should be returned after the end of each season. If per chance you find one of these uniforms in your possession at this late date, please return it to your manager of last year as soon as possible. Uniforms will also be accepted on the days of registration. If any boy attempts registration and has not turned in his uniform from the previous season, he will not be allowed to participate in this year's baseball season.

For further information about registration, please call the Registration Chairman, Mr. John Petersen, Y07-5348.

**Thillens Offers Park**

Applications to reserve evenings this summer at Thillens Stadium are beginning to flow into the stadium office at 2351 W. Devon ave. according to owner Mel Thillens.

Response to Thillens' offer of free use of the facilities has been very enthusiastic and a good number of organizations have selected dates and are hard at work on their plans, Thillens said.

Interested organizations are invited to apply now, while a good choice of dates remain. Requests should be directed to the Stadium office at 2351 W. Devon ave., Phone 743-5140, during evening hours.

The modern stadium and park at Devon and Kedzie Avenues is ideal for many types of summer activities, lending itself to baseball and various other kinds of entertainment, according to Thillens. The stadium will seat 3,000 persons and has ample parking space. Thillens furnishes a public address system and floodlighting for evening events.

 A girl was born to Mr. and Mrs. Thomas George Costello, 9562 Park Ln., Des Plaines, Ill. on February 9, 1970 at Skokie Valley Community Hospital. The baby's name is Laura Frances and weighed 8 lbs. 1 oz. Laura Frances has a sister, Michele Rose, 13 mos. Her grandparents are Mrs. F. Hyrczyk, 7950 Keeney St., Niles, and Mr. and Mrs. T. Costello, 5333 W. Foster, Chicago.

**Legion Fish Fries**  
 Lenten repasts are being served each Friday at the Morton Grove American Legion Post #134. The entree of chicken was added to the shrimp, perch and combination seafood dinners available; also for the season of Lent many villagers are more interested in the regular fish meals.

The Morton Grove Legion serves from 6-8 p.m. Prices are reasonable and children's portions are available. Carry outs are also available. Legionnaires' wives, daughters and other relatives and Auxiliary members perform waitress duties and Legionnaires are the chefs.

The public does not have to dress up to attend and the spirit of friendliness that prevails is one which everyone enjoys. Adult portions are served with baked potato, cole slaw, roll and butter and coffee.

**Engineers...**  
 Continued from M.G. Page 1  
 Week by the President of the United States, The North Shore Chapter of the Illinois Society of Professional Engineers is active in Morton Grove to promote engineering as a profession. Membership in the society is based on having a State License (Illinois or otherwise) or registration to practice engineering. It is little known that an engineer, after completing a college course, must serve a 4 year apprenticeship period prior to being allowed to sit for the completion of a professional engineer examination. No one may offer his services as a professional engineer until he has completed these requirements and become certified.

A letter was sent from Northwestern university stating that Chief Norman Glauner has completed a 7 hour a day schedule in police management and has scored a straight A on his exams.  
 John Hikin said he thought Morton Grove should begin planning for the experiment in using plastic bags for garbage disposal by having 300 families in homes participate in the program. Plastic bags would be furnished and would cost the village about \$2,000. Niles is already preparing for their part in the experiment. The trustees agreed. Herbert Houndt

**MG Teens Present "Variety '70"**  
 As a showcase for the best young talent in the North Shore area, Morton Grove Teen Theatre presents "Variety '70," its annual variety show. The show has a musical and dramatic format and will feature medleys from the musicals "Oliver!" Once upon a Mattress, and a spoof of the Broadway shows of the 40's and 50's.

Direction of the show is being handled by Mrs. Ethel Libkin, founder and director of the group. Mrs. Libkin is known for her work with the Teen Theatre. Her production in the past two years are Wizard of Oz, David and Lisa, Diary of Anne Frank. In the summers Mrs. Libkin is director and producer of Morton Grove Music Theatre. Their past production "West Side Story" and "Half A Sixpence."

"Have I Got A Show For You" is being presented on Feb. 26, 27, 28 and March 1 at the National Park fieldhouse, 9325 Marlon in Morton Grove.

**Oak PTA Meeting News**  
 Oak school PTA held its monthly meeting on Monday, Feb. 9. The meeting was opened by Oak PTA President, Mrs. Erwin Clepy, who announced that the election of officers for the coming school year will take place at the next general meeting on March 9.

After a short business meeting, Mrs. George Walters, vice-president and Program chairman, introduced the 7 member panel from Recovery, Inc. The panel demonstration of the "Recovery Method" showed how the self-help system works to prevent chronicity in nervous peo-

 blem even if it would cost the village \$10,000." She said the suggestions made in 1959 by a planner were helpful and those that were not followed resulted in many of our existing problems today such as those with sewers, schools, re-zoning, low income housing, traffic, etc. Dick Flickinger said that in 1959 money problems existed and still do today and professional planners sometimes make good suggestions, but they are not always feasible. Al Mueller said he thought the board was doing its best and should be given more time to work things out.

Trustee Ed Wilander said that stop signs have been posted at Emerson and Ortole and at Overhill and Ozark near Melzer school in the hopes traffic problems will be eased. Hopefully stop signs will be put up by the county at Lehigh and Beckwith soon. Fred Huber received a letter from George March, District Engineer of Illinois regarding the many problems at various intersections in the village. Suggestions were made regarding all of them and Engineer Nick Corba advised renting a counter and having a 24 hour count to determine exactly what steps should be taken at troublesome corners.

Mark Rosenberg of Morton Grove and some of his fine young friends asked board approval to accept the offer of the use of a building at 5836 Lincoln as an office for "Walk for Development" to be held on May 3 in connection with Project '70. The purpose is to raise money for hungry people and the money will be used to benefit American Indians, Mari-lac House, etc. The use of the building has been donated to these eager youngsters and they have the approval of their school Niles West. Mark invited Mayor Bode to serve as an adult advisor. The board agreed to this and Mayor Bode commended the boys.

Frank McTier, Public Relations director played a tape of his radio broadcast on the Wayne Osborn Show in which he discussed in length the coming Diamond Jubilee. His summary of coming events was excellent and he was congratulated by all. Ed Wilander said the "Pancake" Brunch was a huge success and Mayor Bode sent a letter to the committee thanking them for their fine efforts.

**Concert Artists**  
 Larry Lenke, a gifted young artist, will perform the Dvorak Cello Concerto at the third concert of the 1969-70 season of the Northwest Symphony Orchestra which will be held on March 1 at 3:30 p.m. at the Maine Township South High school Auditorium, 1111 Deer rd. in Park Ridge.  
 At the March 1 concert, in addition to the cello work, Perry Crafton Music Director of the orchestra, will present performances of Weber's "Euryanthe Overture" and Schumann's

Fourth Symphony, a romantic composition that reflects the dreamy and impractical nature of its composer.  
 Tickets are \$2 and may be purchased at the box office or by contacting Mrs. Richard P. Stover at 823-4438. Student admission is \$1 and children under 12 will be admitted free if accompanied by an adult. Golden Agers may secure tickets at the student admission price upon presentation of their membership cards.
